**MACARONI**, **MACCARONI**, a paste made of wheat flour. (Ital.—L.) 'He doth learn to make strange sauces, to eat anchovies, *maccaroni*, bovoli, fagioli, and caviare;' Ben Jonson, Cynthia's Revels, A. ii (Mercury). '*Macaroni*, gobbets or lumps of boyled paste,' &c.; Minshew, ed. 1627.—MItal. *maccaroni*, 'a kinde of paste meate boyled in broth, and drest with butter, cheese, and spice;' Florio. The mod. Ital. spelling is *maccheroni*, properly the plural of *maccherone*, used in the sense of a 'macarone' biscuit. **β.** Of somewhat doubtful origin; but prob. to be connected with MItal. *maccare*, 'to bruise, to batter,' i.e. to pound; cf. Ital. *macco*, 'a kind of dish made of beans boyled to a mash;' Torriano.—L. *māc*-, base of *mācerāre*, to macerate. See **Macerate**. **γ.** Thus the orig. sense seems to have been 'pulp'; hence anything of a pulpy or pasty nature. Der. *Macaron-ic*, from F. *macaronique*, 'a macaronick, a confused heap or huddle of many severall things' (Cot.), so named from *macaroni*, which was orig. a mixed mess, as described by Florio above. Cf. Ital. *maccheronea*, 'Macaronics;' Baretti. The name *macaroni*, according to Haydn, Dict. of Dates, was given to a poem by Theophilo Folengo (otherwise Merlinus Coccaius) in 1509; *macaronic* poetry is a kind of jumble, often written in a mixture of languages. And see *macaroon*. *Maccaroni*, a fop, a dandy, belongs here. Garrick has 'rake and *maccaroni*;' Bon Ton, A. i. sc. 1 (Sir J. Trotley). Florio has: '*maccarone*, a gul, a dolt, a loggerhead;' so that the E. word for 'fop' should have ended in *-e*. See the long extract under *macaroni* in Davies, Suppl. Glossary.

**MACAROON**, a kind of cake or biscuit. (F.—Ital.—L.) In Albumazar, A. ii. sc. 3 (Davies). Formerly *macaron*, as in Cotgrave.—F. *macaron*; pl. *macarons*, 'macarons, little fritter-like buns, or thick losenges, compounded of sugar, almonds, rose-water, and musk, pounded together and baked with a gentle fire; also [the same as] the Ital. *macaroni*;' Cot.—Ital. *macarone*, a macaroon. See further under **Macaroni**. The sense of the word has been somewhat altered.

**MACAW**, a kind of parrot. (Brazil.) Gay has *mockaw*, The Toilette, l. 9. Spelt *maccaw* by Willughby, Ornithologia (1676), p. 73; but *machao* by Charleton, Onomasticon (1668), p. 66.—Brazil. *macao*; see *Macaw* in Newton, Dict. of Birds.

**MACE** (1), a kind of club. (F.—L.) In early use. ME. *mace*, King Alisaunder, 1901.—AF. *mace*, Stat. Realm, i. 231; OF. *mace*, *mache* (Burguy), mod. F. *masse*, a mace.—L. *\*matea*, a beetle, only preserved in the dimin. *mateola*, a beetle, mallet; Pliny, 17. 18. 29. Körting, § 6000. Der. *mace-bearer*.

**MACE** (2), a kind of spice. (F.—L.—Gk.) A pl. form *maces* occurs in Sir T. Elyot, Castel of Helth, b. ii. c. 10; cf. 'item, in *maces*;' Earl of Derby's Expedition, 1392-3; p. 221, l. 25.—AF. *maces*; Liber Albus, p. 230.—F. *macis*, 'the spice called mace;' Cot.; OF. *macis*, *maceis*, *maceys* (Godefroy); so that the E. form should be *maces*, sing., not plural. **β.** The etym. is very obscure; the L. *macis* or *maceis* (gen. *maccidis*) is a doubtful word, the name of a fictitious spice in Plautus (Lewis). It is possible that the F. *macis* was confused with OF. *macer*, of which Cot. says that it 'is not mace, as many imagine, but a reddish, aromaticall, and astringent rind of a certain Indian root.' This OF. *macer* is the word concerning which we read in Holland, tr. of Pliny, b. xii. c. 8, that 'the *macir* is likewise brought out of India; a reddish bark or rind it is of a great root, and beareth the name of the tree itselfe.' Cf. L. *macir*,

i.e. 'macir'; Pliny.—Gk. *μακερ*; doubtless a borrowed word from the East.

**MACERATE**, to soften by steeping, to soak. (L.) In Spenser, Virgil's Gnat, l. 94.—L. *macērātus*, pp. of *macērāre*, to steep; a frequentative from a base *māc-*; from an Idg. base *\*mak-*. Dor. *maceral-ion*.

**MACHICOLATION**, an opening in the floor of a projecting gallery of a tower, for pouring down molten lead and the like. (Low L.) Coined from Late L. *machicolāre*, to provide with machicolations; cf. MF. *machecoulis*, *mascheoulis*, 'the stones at the foot of a parapet (especially over a gate) resembling a grate, through which offensive things are thrown upon assailants'; Cot. Of uncertain origin; perhaps from MF. *mache-*, as in MF. *mache-rave*, 'a turnip-eater,' Cot., and other words, but here meaning 'bruising' or 'killing'; and OF. *colēis*, MF. *conlis*, adj., gliding, or as sb., a groove; L. type *\*colāticius*, from *colāre*, to strain; see **Cullis** and **Porteullis**. Here *mache-* (F. *mache-*) is from the OF. *mascher*, *macher*, to chew, also used in the sense of to crush, to murder (see OF. *mascher* in Godefroy). Hence it may mean 'a groove for crushing foes.' The OF. *mascher* is from L. *masticāre*; see **Masticate**.

**MACHINE**, a contrivance, instrument. (F.—L.—Gk.) In Shak. Hamlet, ii. 2. 124; first in 1549.—F. *machine*.—L. *māchina*.—Gk. *μηχανή*, a device, machine; cf. *μηχος*, means, contrivance. β. From the base *μηχ*, 2nd grade of the Idg. √**MAGII**, Teut. **MAG**, to have power; whence also the E. verb *may*; Curtius, i. 416. See **May** (1). Der. *machin-er-y*, *machin-ist*; *machin-ate*, from L. *māchinātus*, pp. of *māchināri*, to contrive, which is from the sb. *māchina*; *machin-at-ion*, K. Lear, i. 2. 122, v. 1. 46; AF. *machinacion*, Stat. Realm, i. 342 (1353); *machin-at-or*.

**MACKEREL**, the name of a fish. (F.—L.?) ME. *makerel*, Havelok, 758.—OF. *makerel*, in Neckam's Treatise de Utensilibus; Wright's Vocab. i. 98, l. 1; *makerelle*, Liber Albus, p. 235. (Mod. F. *maquereau*.) From Late L. *maquerellus*; of unknown origin. ¶ The suggestion in Mahn's Webster, that the F. *maquereau*, a mackerel, is the same word as OF. *maquereau*, a pandar (Cotgrave), from 'a popular tradition in France that the mackerel, in spring, follows the female shads, which are called *vierges* or maids, and leads them to their mates,' is one which is open to doubt. It may be that the story arose out of the coincidence of the name, and that the name was not derived from the story. The etymology of OF. *maquereau*, a pandar, is from the Teut. source preserved in Du. *makelaar*, a broker, pandar, from Du. *makelen*, to procure, bring about, frequentative form of *maken*, to make.

**MACKINTOSH**, a waterproof overcoat. (Gael.) From the name of the inventor.

**MACROCOSM**, the whole universe. (Gk.) In Phillips, ed. 1706; and in Howell's Letters, vol. i. let. 34 (1621). ME. *macrocosme*, Lydgate, Assembly of Gods, 995. Spelt *macrocosmus* in Blount's Gloss., ed. 1674. Coined from Gk. *μακρόσ-*, for *μακρός*, long, great; and *κόσμος*, the world. See **Microcosm**.

**MACULATE**, to defile. (L.) Used as a pp. in The Two Noble Kinsmen, ed. Skeat, v. 1. 134.—L. *maculātus*, pp. of *maculāre*, to spot.—L. *macula*, a spot; a dimin. form. Der. *maculat-ion*. Shak. Troil. iv. 4. 66; *im-maculate*, q.v. And see *mail* (1).

**MAD**, insane, foolish. (E.) The vowel was at first long. ME. *mad*, spelt *maad* in Li Beau Disconus, l. 2001, in Ritson's Met. Romances, vol. ii.; *made* in The Seven Sages, ed. Wright, 2091. Cf. *mēdschipe*=madness; Ancræn Riwe, p. 148, l. 1. The ME. *mad* is from AS. (*ge-*)*mæded*, maddened, shortened to (*ge-*)*mædd* (cf. *fat*), pp. of *ge-mædan*, to madden, to drive mad. Cf. AS. *ge-maad*, mad, Corpus Gloss. 2105. + OSax. *ge-mēd*, foolish; OHG. *ka-meit*, *gi-meit*, vain; Icel. *meiddr*, pp. of *meiða*, to maim, hurt; Goth. *ga-maids*, bruised, maimed; Luke, iv. 19, xiv. 13, 21. β. Thus the Teut. sense appears to be 'maimed.' Teut. type *\*maidoz*, Idg. type *\*moitós*, pp. from the root **MEI**, to change; cf. L. *mūtāre*, to change; see **Mutable**. ¶ Not connected with Ital. *matto*, mad (see **Mate** (2)); nor with Skt. *matta-s*, mad (pp. of *mad*, to be drunk). Der. *mad-ly*, *mad-ness*; also ME. *madden*, to be mad, Wyclif, John, x. 20 (*obsolete*); also *madd-en*, to make mad, for which Shak. uses the simple form *mad*, Rich. II, v. 5, 61, &c.; *mad-cap* (from *mad* and *cap*), K. John, i. 84; *mad-house*; *mad-man*, L. L. v. 2. 338; *mad-word*.

**MADAM**, my lady, a lady. (F.—L.) In early use. ME. *madame*, King Alisaunder, 269.—F. *madame*=*ma dame*, my lady.—L. *mea domina*, my lady. See **Dame**. Doublet, *madonna*.

**MADDER**, the name of a plant. (E.) ME. *madir*, *mader* (with one *d*); Prompt. Parv. AS. *mædere*, in Cockayne's Leechdoms, iii. 337; cf. *feld-mædere*, field-madder, Voc. 300. 10. + Icel. *madra*; Du. *mede*, *mee*. Cf. Skt. *madhura*, sweet, tender; whence fem. *madhurā*, the name of several plants (Benfey). See **Mead** (1).

**MADEIRA**, a sort of wine. (Port.—L.) In Shak. 1 Hen. IV, i. 2. 128. So named from the island of *Madeira*, off the N. W.

coast of Africa. The name is Port., and signifies that the island was well-wooded.—Port. *madeira*, wood, timber. Cf. Span. *madera* (the same).—L. *matēria*, stuff, wood, timber; see **Matter** (1). See Diez, p. 465; also Hakluyt, Voy. vol. ii. pt. 2. p. 7.

**MADemoISELLE**, miss; lit. my damsel. (F.—L.) Milton, Apology for Smectymnus, speaks slightly of 'grooms and *mademoiselles*' (R.). Spelt *madamoselle*, Caxton, Blanchardyn, ch. 16.—F. *mademoiselle*, spelt *madamoiselle* in Cotgrave.—F. *ma*, my; and *demoiselle*, formerly *damoiselle*, a damsel. See **Madame** and **Damsel**.

**MADONNA**, my lady, Our Lady. (Ital.—L.) In Shak. Tw. Nt. i. 5. 47.—Ital. *madonna*.—Ital. *ma*, my; and *donna*, lady.—L. *mea*, my; and *domina* lady, dame. See **Dame**. Doublet, *madame*.

**MADREPORE**, the common coral. (F.—Ital.—L. and Gk.) Modern; not in Todd's Johnson.—F. *madrepore*, madreporé.—Ital. *madrepora*, explained in Meadows as 'a petrified plant.' β. Of somewhat uncertain origin; but prob. the first part of the word is Ital. *madre*, mother, used in various compounds, as *madre-selva* (lit. mother-wood), honeysuckle, *madre-bosco* (lit. mother-bush), woodbine (Florio), *madre perla*, mother of pearl (Florio); from L. *mātrem*, acc. of *māter*, mother; see **Mother**. γ. The part *-pora* appears to be from the Gk. *πῶρος*, a light, friable stone, also a stalactite. Hence *madre-pore*=mother-stone, a similar formation to *madre perla* (lit. mother-pearl). ¶ If this be right, it has nothing to do with F. *madré*, spotted, nor with *pore*. But it has certainly been understood as connected with the word *pore*, as shown by the numerous similar scientific terms, such as *catenipora*, *tubipora*, *dentipora*, *gemmaipora*, &c.; see the articles in Engl. Cycl. on *Madrephyllia* and *Madreporea*. It does not follow that the supposed connexion with *pore* was originally right; it only shows that this sense was substituted for that of the Gk. *πῶρος*. In fact, the Ital. *poro* (*πῶρος*) was misunderstood as representing L. *porus* in 1599; N. E. D.

**MADRIGAL**, a pastoral song. (Ital.—L.—Gk.) 'Melodious birds sing *madrigals*;' Marlowe, Passionate Shepherd; cited in Shak. Merry Wives, iii. 1. 18, 23.—Ital. *madrigale*, pl. *madrigali*, *madriali*, 'madrigals, a kind of short songs or ditties in Italian'; Florio. It stands for *\*mandrigale*, and means 'a shepherd's song'; cf. *mandriale*, *mandriano*, 'a heardeaman, a grasier, a drover; [also] as *madrigale*;' Florio.—Ital. *mandra*, 'a herde, drove, flocke, folde;' Florio.—L. *mandra*, a stall, stable, sty.—Gk. *μάνδρα*, an inclosure, fold, stable. + Skt. *mandurā*, a stable for horses; prob. from *mand*, to sleep. ¶ The suffix *-gale*=L. *-cālis*. Perhaps through F. *madrigal*.

**MÆNAD**, a priestess of Bacchus. (Gk.) From Gk. *μαῖνάδ-*, stem of *μαῖνός*, mad, raving; as sb., a female Bacchanal.—Gk. *μαίνομαι*, I am mad, I rave; allied to *μαῖνα*, madness; see **Mania**.

**MAGAZINE**, a storehouse, store, store of news, pamphlet. (F.—Ital.—Arab.) In Milton, P. L. iv. 816. Spelt *magason*, Hakluyt, Voy. ii. pt. 1. p. 234.—MF. *magazin*, 'a magazin,' Cot.; mod. F. *magasin*.—Ital. *magazzino*, a storehouse. [Cf. Span. *magacen*, also *almagacen*, where *al* is the Arab. article.]—Arab. *makhzan* (pl. *makhāzin*), a storehouse, granary, cellar; Rich. Dict. p. 1366. Cf. also *khizānat*, a magazine, treasure-house; from *khazn*, a laying up in store; id. pp. 609, 610. Der. *magazine*, vb., to store; North, Examen, 1740, p. 222.

**MAGGOT**, a grub, worm. (E.) ME. *magot*, *magat* (with one *g*), given as a variant of 'make, *mathe*, wyrm yn the fleshe;' Prompt. Parv. p. 321. Cf. *maked* in Wright's Vocab. i. 255, col. 1, to translate L. *tarinus* [misprint for *tarmus*] or *simax* [=L. *cimex*]. *Maggot* is an AF. perversion of ME. *maddok*, a maggot; see Voc. 594. 3; Lanfranc's Chirurgie, p. 44, l. 18; Henslow, Medical Works of the 14th Cent., p. 141; also *madek*, O. Eng. Homilies, ed. Morris, i. 326. A dimin. from AS. *maþa*, *maþu*, a worm; Voc. 122. 3; 205. 8. + Du. *made*; G. *made*, OHG. *mado*; Goth. *matha*, a worm. Cf. Icel. *madkr*, a maggot; Dan. *maddik*, *madike*, a maggot. See **Mawkish**. Der. *maggot-y*.

**MAGI**, priests of the Persians. (L.—Gk.—Pers.) In P. Plowman, C. xxii. 85. Borrowed from L. *magi*, Matt. ii. 1 (Vulgate).—Gk. *μάγοι*, Matt. ii. 1; pl. of *μάγος*, a Magian, one of a Median tribe (Herod. i. 101), hence, an enchanter, wizard, juggler. Properly, one of the priests or wise men in Persia who interpreted dreams, &c. (Liddell). β. From OPers. *magu-* (nom. *magus*), Pers. *mugh*, *mūgh*, one of the Magi, a fire-worshipper; Horn, § 984; Rich. Dict., p. 1527. Der. *mag-ic*, q.v. ¶ It is interesting to note that the word *magus*, which Sir H. Rawlinson translates by 'the Magian,' occurs in cuneiform characters in an inscription at Behistan; see Schleicher, Indogerm. Chrestomathie, p. 151; Nineveh and Persepolis, by W. S. W. Vaux, ed. 1851, p. 405.

**MAGIC**, enchantment. (F.—L.—Gk.—Pers.) ME. *magike*, sb., Chaucer, C. T. 4634 (B 214).—F. *magique*, adj. 'magically;' Cot.

—L. *magicus*, magical. —Gk. *μαγικός*, magical. —Gk. *μάγος*, one of the Magi, an enchanter. See **Magi**. β. The sb. *magic* is an abbreviation for 'magic art,' L. *ars magica*. Der. *magic-al*, *magic-al-ly*; *magic-ian*, ME. *magicien*, Chaucer, C. T. 14213 (B 3397), from F. *magicien*, 'a magician,' Cot.

**MAGISTERIAL**, master-like, authoritative. (L.) In Phillips, ed. 1706. Coined, with suffix *-al*, from L. *magisteri-us*, magisterial, belonging to a master. —L. *magister*, a master. See **Magistrate**. Der. *magisterial-ly*, *magisterial-ness*.

**MAGISTRATE**, a justice of the peace. (F.—L.) ME. *maiestrat* (= *majestrat*), Wyclif, Luke, xxiii. 13. —F. *magistrat*, 'a magistrate, ruler,' Cot. —L. *magistrātus*, (1) a magistracy, (2) a magistrate. —L. *magister*, a master. See **Master**. Der. *magistrac-y*.

**MAGNANIMITY**, greatness of mind. (F.—L.) ME. *magnanimitē*, Chaucer, C. T. 15578 (G 110). —F. *magnanimité*, 'magnanimity,' Cot. —L. *magnanimitātem*, acc. of *magnanimitās*, greatness of mind. —L. *magn-*, stem of *magnus*, great; and *animi-*, for *animus*, the mind; with suffix *-tās*. See **Magnate** and **Animus**.

**MAGNANIMOUS**, high-minded, noble. (L.) In Shak. All's Well, iii. 6. 70. Formed (by changing *-us* to *-ous*, as in *arduous*, &c.) from L. *magnanimus*, great-souled. —L. *magn-*, stem of *magnus*, great; and *animus*, the mind. Der. *magnanimous-ly*.

**MAGNATE**, a great man, noble. (L.) A late word; not in Todd's Johnson. From Late L. *magnātem*, acc. of *magnās*, a prince (Judith, v. 26). —L. *magn-*, stem of *magnus*, great. β. L. *magnus* is cognate with Gk. *μέγας*, great, Skt. *mahant-*, great, and E. *much*; see **Much**. ¶ *Magnate* is a Hungarian and Polish use of the L. word; the F. *magnat* (in Littré, but little used) is, more strictly, due to the pl. *magnats*=L. *magnātēs*. For derivatives from L. *magnus*, see **Magnitude**.

**MAGNESIA**, the oxide of magnesium. (Late L.—Gk.) The name *magnesia*, apparently formerly applied to *manganese*, occurs in Chaucer, C. T. 16923 (G 1455); and in Ben Jonson's Alchemist, Act ii (Surly). Added by Todd to Johnson's Dict. Coined from some supposed resemblance to the mineral called by a similar name in Gk., from L. *Magnēsia*, fem. of *Magnēsius*, of or belonging to the country called Magnesia. —Gk. *Μαγνήσιος*, belonging to Magnesia, in Thessaly; whence *λίθος Μαγνήτης* or *λίθος Μαγνήσιος*, lit. Magnesian stone, applied to (1) the magnet, (2) a metal that looked like silver. See Schade, p. 1395. Der. *magnesi-um*. See **Magnet**.

**MAGNET**, the loadstone, a bar having magnetic properties. (F.—L.—Gk.) ME. *magnete*, Prompt. Parv. p. 325. —AF. *magnete*, Bozon, p. 51; OF. *magnete* (Godefroy), also found as *manete*, in a F. MS. of the 13th cent.; see Littré, s.v. *magnétique*. —L. *magnēta*, acc. of *magnēs*, for *magnēs lapis*=Magnesian stone, the loadstone. —Gk. *Μάγνης* (stem *Μάγνητ-*), Magnesian; also *Μαγνήτης*, whence *λίθος Μαγνήτης*, the Magnesian stone, magnet. See **Magnesia**. ¶ Spenser has the L. form *magnes*, F. Q. ii. 12. 4. Der. *magnet-ic*, *magnet-ic-al*, *magnetic-al-ly*, *magnet-ism*, *magnet-ise*.

**MAGNIFICENT**, doing great things, pompous, grand. (L.) In Shak. L. L. L. i. 1. 193. —L. *magnificēnt-*, stem of *magnificēns*, doing great things. —L. *magni-*, for *magnus*, great; and *-fic-*, for *fac-*, base of *facere*, to do; with suffix *-ent* of a pres. part. See **Magnify**. Der. *magnificēnt-ly*; *magnificēnce* (Chaucer)=F. *magnificēnce*, 'magnificēnce,' Cot. So also *magnific-al*, A. V. i Chron. xxii. 5, from L. *magnificus*, grand.

**MAGNIFY**, to enlarge, praise highly. (F.—L.) ME. *magnifier*, Wyclif, Matt. xxiii. 5. —F. *magnifier*, 'to magnify,' Cot. —L. *magnificāre*, to make large. —L. *magni-*, for *magnus*, great; and *-fic-*, for *fac-*, base of *facere*, to make, do. See **Magnate** and **Fact**.

**MAGNILOQUENCE**, elevated or pompous language. (L.) Modern; added by Todd to Johnson's Dict. Coined, by analogy with F. words in *-ence* (=L. *-entia*), from L. *magniloquentia*, elevated language. —L. *magni-*, for *magnus*, great; and *loquentia*, discourse, from *loquent-*, stem of pres. part. of *loqui*, to speak. See **Magnate** and **Loquacious**. Der. *magniloquent*, a coined word.

**MAGNITUDE**, greatness, size. (L.) In Minsheu, ed. 1627. [There is no F. *magnitude*.] —L. *magnitūdo*, greatness. —L. *magni-*, for *magnus*, great; with suffix *-itudo*, expressive of quality. See **Magnate**. ¶ The derivatives from L. *magnus* are numerous, viz. *magn-animity*, *magn-animous*, *magn-ate*, *magni-ficent*, *magni-fy*, *magni-loquence*, *magni-tude*. From the base *mag-* of the same word we have also *mag-istrate*, *mag-isterial*, *master*, *majesty*, *major*, *mayor*. And see **Much** and **May** (1).

**MAGNOLIA**, the name of a genus of plants. (F.) 'A genus of plants named in honour of Pierre Magnol, who was professor of medicine and prefect of the botanic garden of Montpellier [in France]. He was born in 1638, and died in 1715,' Engl. Cycl. See his *Botanicum Monspelienſe*, 1686.

**MAGPIE**, the name of a bird. (Hybrid; F.—L.—Gk.; and F.—L.) 1. Called *magot-pie* in Macbeth, iii. 4. 125. We also find

prov. E. *maggoty-pie*; and *madge*, meaning (1) an owl, (2) a magpie. The prefixes *Mag*, *Magot*, *Maggoty* (like *Madge*) are various forms of the name *Margaret*; cf. *Robin* as applied to the red-breast, *Jenny* to the wren, *Philip* to the sparrow. *Mag* may be taken to be short for *Magot*=F. *Margot*, which is (1) a familiar form of F. *Marguerite*, and (2) a name for the magpie. —F. *Margot*, for *Marguerite*. —L. *margarita*, a pearl. —Gk. *μαργαρίτης*, a pearl, a word of Eastern origin; cf. Pers. *murwārid*, a pearl; Rich. Dict. p. 1396; Skt. *mañjari*, a pearl. 2. The syllable *pie*=F. *pie*, from L. *pica*, a magpie; see **Pie** (1).

**MAGUEY**, the American aloë. (Cuba.) According to Oviedo, it is of Cuban origin. ¶ Not Mexican, which has no *g*. The Mex. name is *mel*.

**MAHARAJAH**, a title of some Indian princes. (Skt.) From Skt. *mahā-rājā*, m., lit. 'great king,' —Skt. *mahā-*, for *mahant-*, great, allied to L. *magnus*, great; and *rājā*, king, allied to L. *rex*, king.

**MAHDI**, an Arabian Messiah. (Arab.) From Arab. *mahdī*, one who is (divinely) guided; from *ma*, prefix, and *hady*, to guide. Cf. *hādī*, a guide (Rich. Dict., pp. 1661, 1670).

**MAHLSTICK**, the same as **Maulstick**, q.v.

**MAHOGANY**, the name of a tree and a wood. (W. Indian.) See *mahogany* in index to Boswell's Life of Johnson. Added by Todd to Johnson's Dict.; 'said to have been brought to England by Raleigh, in 1595,' Haydn, Dict. of Dates. Spelt *mohogeney* in 1671, with a reference to Jamaica. Of W. Indian origin; but from what dialect is unknown.

**MAHOMETAN**; see **Mohammedan**.

**MAHOUT**, an elephant-driver. (Hind.) 'The *mahout* of his elephant had been pulled off his seat;' Thackeray, *Vanity Fair*, ch. iv. —Hind. *mahāwat*, an elephant-driver (Forbes). And see **Yule**.

**MAID, MAIDEN**, a girl, virgin. (E.) 1. *Mayde* occurs in Rob. of Glouc. p. 13, l. 297. It is not common in early ME., and is, practically, merely a corruption of *maiden*, by the loss of final *n*, rather than a form derived from AS. *mægð* or *mægeð*, a maiden (Grein, ii. 216). 2. The usual early ME. word is *maiden* or *meiden*, Ancren Riwle, pp. 64, 166. AS. *mægen*, a maiden (Grein, ii. 216); also *mæden*, Mark, v. 41; later text, *maide*. β. AS. *mægen*, cognate with OHG. *magatin*, is formed from *mægð* (for *mægeð*) by adding the suffix *-in* (cf. L. *-in-us*); see March, A. S. Gram. art. 228. γ. *Mægeð* is cognate with Goth. *magaths*, a virgin, maid (=G. *magd*), where the suffix *-ths* answers to the Idg. suffix *-to-s*. The base *mæg-* is allied to Goth. *mag-us*, a boy, a child, Luke, ii. 43; also to Icel. *mögr*, a boy, youth, son. δ. The orig. sense of *magus* is 'a growing lad,' one increasing in strength; from the Teut. base *MAG*, to have power, whence also *might*, *main*. See **May** (1). See Stokes-Fick, p. 198. Der. *maiden-hood*=AS. *mæghenhād*, Grein, ii. 216; also spelt *maiden-head*=ME. *meidenhed* or *maydenhede*, Gower, C. A. ii. 230, bk. v. 3068, which is a mere variant of *maiden-hood*; *maiden-ly*, Mids. Nt. Dr. iii. 2. 217, Skelton, Garden of Laurel, l. 865; *maiden-li-ness*; *maiden-hair*; also *maid-child*, Levit. xii. 5.

**MAIL** (1), steel network forming body-armour. (F.—L.) 'For though thyn housbonde armed be in *maille*,' Chaucer, C. T. 9078 (E 1202); the pl. *mayles* is in the Anturs of Arthur, st. xxx. Cf. 'macula, mayl;' Voc. 594. 18. —OF. *maille*, 'maile, or a link of maile, whereof coats of maile be made; . . . any little ring of metall; . . . also, a mash [mesh] of a net;' Cot. —L. *macula*, a spot, speck, hole, mesh of a net, net. See **Maculate**.

**MAIL** (2), a bag for carrying letters. (F.—OHG.) ME. *male*, a bag, wallet; Chaucer, C. T. 3117, 12854 (A 3115, C 920); Havelok, 48. —OF. *male* (mod. F. *malle*), 'a male, or great budget;' Cot. —OHG. *malaha*, MHG. *malhe*, a leathern wallet. Cf. Gael. and Irish *mala*, a bag, sack (from E.). + Gk. *μολγός*, a hide, skin. Der. *mail-bag*, *mail-coach*, *mail-cart*.

**MAIL (BLACK)**, a forced tribute. (Scand.) *Mail* is a Scottish term for rent. Jamieson cites the phr. *burrow-mailles*, duties payable within boroughs, from the Acts of Jas. I. c. 8 (A.D. 1424). *Black-maill* is mentioned in the Acts of Jas. VI. c. 21 (1567), and in the Acts of Elizabeth, an. 43, cap. 13, as a forced tribute paid to moss-tributers; see Jamieson and Blount. Spelman is right in supposing that it meant black rent or black money, a jocose allusion to tribute paid in cattle, &c., as distinct from rent paid in silver or white money; Blount shows that the term *black money* occurs in 9 Edw. III. cap. 4, and *white money* is not uncommon. Blount also cites the term *black-rents*. A Northern form. —Icel. *māl*, speech, law-suit, agreement; *māli*, agreement, payment. Cognate with AS. *mæpel*, *mæl*, a meeting, speech; Goth. *mathl*, a meeting-place.

**MAIM**, a bruise, injury, crippling hurt. (F.—OHG.) Also spelt *mahim* in Law-books; Blount's Nomolexicon, ed. 1691. ME. *maim*, pl. *maimes*, Ayenbite of Inwyrt, p. 135, l. 27; the pp. *y-maymed* is in the preceding line. The verb occurs also in Chaucer, C. T. 6714

(D 1132). — AF. *mahaym*, Liber Albus, p. 281; OF. *meshain* (Godefroy); MF. *mehaing*, 'a maim, or . . . abatement of strength . . . by hurts received'; Cot. Whence the verb *mehaigner*, 'to maim'; id. Cf. Ital. *magagna*, a defect, blemish; whence *magagnare*, to spoil, vitiate. β. Of uncertain origin; Bret. *machañ*, mutilation (whence *machaña*, to maim, mutilate), is borrowed from F. (Thurneysen). Some derive the Ital. word from OIIG. *mann*, a man, and \**hamjan*, to mutilate, from the OIIG. adj. *ham*, maimed (Körting). In the OF. form, the prefix is *mes-*; see **Mis-** (2). Der. *main*, verb.

**MAIN** (1), sb., strength, might. (F.) To be distinguished from *main* (2), though both are from the same Idg. root. ME. *main*, dat. *maine*, Gower, C. A. iii. 4; bk. vi. 90; also *mein*, as in 'with al his mein', Floriz and Blauncheilor, ed. Lumby, l. 17. AS. *mægen*, strength; Grein, ii. 217. + Icel. *megin*, strength; OSax. *megin*, strength; OIIG. *megin*. Also OIIG. *magau*, Icel. *magn*. Teut. types \**maginom*, \**maganom*, n.; from Teut. base \**mag-*; see **May** (1).

**MAIN** (2), adj., strong, great. (Scand.) In Shak. Rich. III, v. 3. 299. ME. *mayn*, Wars of Alex. 3018. *Maine saile* (= main-sail) occurs in the Bible of 1551, Acts, xxvii. 40. — Icel. *megn*, strong, mighty; allied to *megin*, strength (above). Cf. Icel. *meginland*, main-land; *megin-sjör*, main sea, the main. Der. *main-ly*; also *main-deck*, -*mast*, -*sail* (Palsgrave), -*spring*, -*stay*, -*top*, -*yard*; *main-land* (Palsgrave).

**MAINOUR**. (F.—L.) In the phr. 'taken with the *mainour*,' or later, 'taken in the manner;' see 1 Hen. IV, ii. 4. 347. See note to **Manner**. We find *pris ou meinoure* (where *ou* = F. *avec*), Stat. of the Realm, i. 30, an. 1275. Blount, in his Nomolexicon, explains *mainour* as meaning 'the thing that a thief steals;' and 'to be taken with the *mainour*,' as 'with the thing stolen about him, *flagrante delicto*.' It is lit. 'with the *manœuvre*,' and therefore refers rather to the act than the thing; see Cotgrave, s.v. *flagrant*; E. Webbe, Travels, 1590, ed. Arber, p. 28. The Anglo-F. *meinoure*, also *mainoure* (Stat. Realm, i. 161) answers to OF. *manouvre* (Littré). See **Manœuvre**.

**MAINTAIN**, to keep in a fixed state, keep up, support. (F.—L.) ME. *maintenen*, *mayutenen*, K. Alisaunder, l. 1592. — F. *maintenir*, 'to maintain'; Cot. — L. *manū tenere*, to hold in the hand; or more likely, in Late Latin, to hold by the hand, to support or aid another, as shown by the use of ME. *maintenen*, to aid and abet, P. Plowman, B. iii. 90, and note. — L. *manū*, abl. case of *manus*, the hand; and *tenere*, to hold. See **Manual** and **Tenable**. Der. *maintain-able*, *maintain-er*; *mainten-ance*, ME. *meintenance*, spelt *mentenance* in Shoreham's Poems, p. 100, l. 19, from OF. *maintenance*, 'maintenance'; Cot.

**MAIZE**, Indian corn or wheat. (Span.—W. Indian.) 'Indian *maiz*;' Bacon, Nat. Hist. § 49; and in Essay 33. Also in Dampier's Voyages, an. 1681 (R.). — Span. *maiz*, *maize*. — W. Indian *mahiz*, *mahis*, in the old Carib dialect of the island of Hayti (S. Domingo); see R. Eden (ed. Arber), pp. 67, 116, 118; Acosta, Hist. Indies, bk. iv. c. 16.

**MAJESTY**, grandeur, dignity. (F.—L.) ME. *magestee*, Chaucer, C. T. 4320 (A 4322); E. E. Psalter, Ps. 71. 20. — OF. *majestet*, *majeste*, later *majesté*, 'majesty'; Cot. — L. *maiestätē*, acc. of *maiestās*, dignity, honour. — L. *māies-*, related by gradation to *mā-ior*, comp. of *mag-nus*, great, with the addition of a comparative suffix; see Brugmann, ii. § 135. The sense of *maiestās* is the 'condition of being greater,' hence, dignity. See **Major**, **Magnitude**. Der. *majest-ic*, a coined word, Temp. iv. 118; *majest-ic-al*, L. L. v. 2. 102; *majest-ic-al-ly*, 1 Hen. IV, ii. 4. 479.

**MAJOLICA**, usually with *ware*; decorative enamelled pottery. (Ital.—Span.—L.) From Ital. *maiolica*, also *maiorica*, 'the earth we call porcelain, whereof China dishes are made;' Florio. — Span. *Mallorca*, Majorca, formerly *Majolica* (Ducange), whence the first specimens came. From L. *māior*, greater.

**MAJOR**, greater; the title of an officer in the army. (L.) Early used (as an adj.) as a term in logic, as in 'this *maior* or first proposition'; Fryth, Works, p. 147, col. 1. 'The *major* part;' Cor. ii. 1. 64. — L. *māior*, greater; comparative of *mag-nus*, great; see **Magnitude**. Der. *major-ship*, *major-general*; *major-domo*, spelt *maiordomo* in Puttenham, Art of Poesie, b. iii. c. 4. (ed. Arber, p. 158), imitated from Span. *mayor-domo*, a house-steward (see **Domestic**); also *major-i-ty*, 1 Hen. IV, iii. 2. 109, from F. *majorité*, 'majority'; Cot. Doublet, *mayor*.

**MAJUSCULE**, a capital or uncial letter; not a minuscule. (L.) From L. *māiusculus*, somewhat larger; allied to *māior*, greater; see **Major**.

**MAKE**, to fashion, frame, cause, produce. (E.) ME. *maken*, *makien*; pt. t. *makede*, *made*, pp. *maked*, *maad*, *mad*; Chaucer, C. T. 9, 33, 396. AS. *macian*, pt. t. *macode*, pp. *macod*; see Sweet, A. S. Reader; also *ge-macian* (Grein). + Du. *maken*; G. *machen*, OIIG. *machōn*, to make. Allied to **Match** (1). Der. *make*, sb., Gower,

C. A. ii. 204; bk. v. 2096; *mak-er*, P. Plowman, B. x. 240; *make-peace*, Rich. II, i. 1. 160; *make-shift*, *make-weight*; and see **match** (1).

**MALACHITE**, a hard green stone. (Gk.) 'Malachites, *Molochites*, a kind of precious stone of a dark green colour, like the herb mallows;' Phillips, ed. 1706. Formed, with suffix *-ites* (= Gk. *-ιτης*) from Gk. *μαλάχη*, a mallow. See **Mallow**.

**MALADMINISTRATION**, bad administration. (F.—L.) Spelt *maleadministration* in Swift, Sentiments of a Church of Eng. Man, s. 2 (R.). — F. *male*, fem. of *mal* (= L. *malus*), bad; and F. *administration*. See **Malice** and **Administer**. ¶ So also *mal-adjustment*, *mal-adroit*, *mal-apert*, *mal-conformation*, *mal-content*, &c.; these have the same F. adj. (or mal, adv.) as a prefix.

**MALADROIT**, clumsy. (F.—L.) F. *maladroit*; for *mal* (L. *male*), ill, badly; and *adroit*. See **Adroit**.

**MALADY**, disease, illness. (F.—L.) ME. *maladie*, *maladye*, Chaucer, C. T. 421, 1375 (A 419, 1373). Also earlier, in O. Eng. Miscellany, ed. Morris, p. 31, l. 13. — AF. *maladie*, Edw. Conf. 1511; F. *maladie*, 'malady'; Cot. — F. *malade*, sick, ill; oldest spelling *malabde* (Littré). Cf. Prov. *malaptes*, *malautes*, *malaudes*, sick, ill; Bartsch, Chrestomathic. — L. *male habitus*, out of condition; cf. *male habens*, sick, Matt. iv. 24 (Vulgate). — L. *male*, adv., badly, ill, from *malus*, bad; and *habitus*, held, kept, kept in a certain condition, pp. of *habere*, to have. See **Malice** and **Habit**. ¶ The usual derivation is that given by Diez, who imagined F. *malade* to answer to *male aptus*; there appears to be no authority for the phrase, which (like *ineptus*) would mean 'foolish' rather than 'ill.' See Körting, § 5833.

**MALAPERT**, saucy, impudent, ill-behaved. (F.—L.) The true sense is 'ill-skilled,' 'ill-bred.' In The Court of Love, 737 (after A. D. 1500); also in Chaucer, Troil. iii. 87. — OF. *mal appert*, insolent (see Godefroy). — OF. *mal* < L. *male*, adv., badly, ill; and *appert*, 'expert, ready, dexter, prompt, active, nimble; feat, handsome in that he does'; Cot. Also spelt *aspert*, *espert*; from L. *expertus*, expert; see **Expert**. [The OF. *apert*, 'open, evident,' is a different word, and der. from L. *apertus*, open; but the OF. *apert* and *appert* were much confused, as, e.g. in Godefroy, though kept apart by Cotgrave.] ¶ By a complete confusion of L. *apertus* and *expertus*, we find OF. *espert* used in the sense of 'open.' Der. *malapert-ly*, *malapert-ness*.

**MALARIA**, miasma, noxious exhalation. (Ital.—L. and Gk.) Modern. Not in Todd's Johnson. — Ital. *mal' aria*, for *mala aria*, bad air. *Mala* is fem. of *malo*, bad, from L. *malus*, bad; see **Malice**. *Aria* represents Late L. \**aria*, for *æria*, f. of *ærius*, adj. formed from L. *āēr*, air, Gk. *ἀήρ*. See **Air**.

**MALCONTENT**, discontented. (F.—L.) In Shak. 3 Hen. VI, iv. 1. 10, 60. — OF. *malcontent*, 'male-content'; Cot. — F. *mal*, adv., from L. *male*, badly; and F. *content*. See **Malice** and **Content**.

**MALE**, masculine. (F.—L.) ME. *male*. 'Male and female;' Wyclif, Matt. xix. 4. Cf. Chaucer, C. T. 5704 (D 122). — OF. *masle* (later *male*), 'a male,' Cot. (who gives both spellings); mod. F. *mâle*; earliest spelling *mascle* (Hatzfeld). — L. *masculum*, acc. of *masculus*, male; formed with suffixes *-cu-* and *-l-* from *mas-*, stem of *mās*, a male creature, man (gen. *mās-is* = \**mās-is*). See **Masculine**. Der. *mascul-ine*, *mallard*. ¶ Nowise connected with *female*.

**MALEDICTION**, a curse, execration. (F.—L.) In Shak. K. Lear, i. 2. 160. Spelt *malediccion* in the Bible of 1551, Gal. iii. 10. — F. *malediction*, 'a malediction'; Cot. — L. *maledictionē*, acc. of *maledictio*, a curse; cf. *maledictus*, pp. of *maledicere*, to speak evil against. — L. *male*, adv., badly; and *dicere*, to speak. See **Malice** and **Diction**. Doublet, *malison*.

**MALEFACTOR**, an evil-doer. (L.) 'Heretik or any *malefactor*;' Sir T. More, Works, p. 941 h; and in Dictes of the Philosophers, pr. by Caxton, fol. 11 b, l. 18. — L. *malefactorē*, acc. of *malefactor*, an evil-doer. — L. *male*, adv., badly; and *factor*, a doer, from *facere*, to do. See **Malice** and **Fact**. Der. So also *malefaction*, Hamlet, ii. 2. 621, from *factiōnem*, acc. of *factio*, a doing.

**MALEVOLENT**, ill-disposed to others, envious. (L.) Lit. 'wishing ill.' In Shak. 1 Hen. IV, i. 1. 97. — L. *malevolens*, stem of *malevolens*, wishing evil. — L. *male*, adv., badly, ill; and *volens*, pres. pt. of *velle*, to wish. See **Malice** and **Voluntary**. Der. *malevolent-ly*; *malevolence*, from OF. *malivolence* (Godefroy).

**MALFORMATION**, an ill formation. (F.—L.) Coined from *mal-* and *formation*; see **Maladministration**.

**MALIC**, made from apples. (L.) Formed with suffix *-ic* (L. *-ic-us*) from L. *māl-um*, an apple. + Gk. *μηλον*, a fruit, an apple.

**MALICE**, ill will, spite. (F.—L.) ME. *malice*, Rob. of Glouc. p. 570; l. 12027. — F. *malice*. — L. *malitia*, badness, ill will. — L. *malī*, for *malus*, bad; with suffix *-i-a*. Root unknown. Der. *malici-ous*, ME. *malicious*, K. Alisaunder, 3323, 5045, from F. *malicieux*; *malicious-ly*, -*ness*.

**MALIGN**, unfavourable, malicious. (F.—L.) 'The spirit

*malign*; Milton, P. L. iii. 553; cf. iv. 593, &c. ME. *maligne*; in Shoreham's Poems, p. 72, l. 25. [The derived verb *malign*, to curse, is found in Sir T. More, Works, p. 37 b.]—OF. *maling*, fem. *maligne*, 'malignant'; Cot. (Mod. F. *malin*).—L. *malignus*, ill-disposed, wicked; for \**mali-gen-us*, ill-born; like *benignus* for \**beni-gen-us*.—L. *mal-*, for *malus*, bad; and *gen-*, base of *gignere*, to produce. See **Malice** and **Generate**. Der. *malign*, verb (as above), due to L. *malignāre*, to act spitefully; *malign-ly*, *malign-er*; also *malign-ant*, Temp. i. 2. 257, from L. *malignant-*, stem of pres. pt. of *malignāre*, to act spitefully; *malign-ant-ly*; *malign-anc-y*, Tw. Nt. ii. i. 4; *malign-i-ty*, ME. *malignitee*, Chaucer, Persones Tale, De Invidia (Six-text, I 513), from F. *malignité* < L. *malignitatem*, acc. of *malignitūs*, malignity.

**MALINGER**, to feign sickness. (F.—L. and G.) Modern. Not in Todd's Johnson. Coined from F. *malingre*, adj. diseased, sickly, or 'sore, scabby, ugly, loathsome'; Cot.—F. *mal*, badly; and OF. *haingre*, *heingre*, Norm. dial. *haingre*, thin, emaciated (Godefroy, Moisy).—L. *male*, adv. badly, from *malus*, bad; and G. *hager*, thin, lean. Cf. Kötting, § 306; where another solution is offered, viz. from L. *mal-* (for *male*), and the suffix *-ing-* (of G. origin); § 5825; which fails to explain the *h*.

**MALISON**, a curse. (F.—L.) In early use. ME. *malison*, spelt *malisun* in Havelok, 426.—AF. *malicoun*, Polit. Songs, ed. Wright, p. 234; OF. *maleison*, in Godefroy. A doublet of *malediction*, just as *benison* is of *benediction*; see **Malediction** and **Benison**.

**MALKIN**, a kitchen wench. (F.—OHG.) In Chaucer, C. T. B 30 (see note); P. Plowm. B. i. 182 (see note). Orig. a reduced form (not of Mary, but) of Matilda. 'Malkyæ, or Mawt, Molt, Mawde, propyr name, *Matildis*;' Prompt. Parv. Dimin. of AF. *Mald*, *Maud*, Matilda.—OHG. *Maht-hilt*; where *maht* means 'might,' and *hilt*, 'battle.' Cf. Macbeth, i. i. 8. Der. *Gri-malkin*.

**MALL** (1), a large wooden hammer or beetle. (F.—L.) Also *maul*. It occurs in the Spectator, no. 195, near the beginning; and in Spenser, F. Q. i. 7. 51. ME. *malle*, St. Brandan, ed. Wright, p. 48; spelt *mealle* in O. Eng. Homilies, ed. Morris, i. 253, l. 12; *melle*, Hampole, Pricke of Conscience, 6572.—OF. *mail*, *mal*, *maul* (Godefroy); F. *mail*, 'a mall, mallet, or beetle'; Cot.—L. *malleum*, acc. of *malleus*, a hammer. [The vowel *a* in the E. word was perhaps suggested by the L. form.] Der. *mall* (2), q. v.; *mall-e-able*, q. v., *mall-et*, q. v.

**MALL** (2), the name of a public walk. (F.—L.) Preserved in the name of the street called *Pall Mall*, and in *The Mall* in St. James's Park. In Pope, Rape of the Lock, v. 133. 'To walk in the Mall;' Parsons, Wapping Old Stairs, l. 9. Named from MF. *pale-maille*, 'a game wherein a round box bowle is with a mallet struck through a high arch of iron,' &c. [i. e. the game imitated in mod. croquet]; Cot. A representation of the game is given in Knight's Old England, vol. ii. fig. 2152.—MItal. *palamaglio*, 'a stick with a mallet at one end to play at a wooden ball with; also, the name of such a game;' Florio. Better spelt *pallamaglio*, as in Baret's Dict. Lit. 'a ball-mallet' or 'ball-mall'.—Ital. *palla*, a ball; and *maglio* (= F. *mail*), a mace, mall, hammer. β. A hybrid word; from OHG. *palla*, *pallo* (MHG. *balle*, G. *ball*), a ball, cognate with E. *Ball*, q. v.; and L. *malleum*, acc. of *malleus*, a hammer; see **Mall** (1). ¶ It is contended that Ital. *pallamaglio* really meant 'mallet-ball,' not 'ball-mallet'; if so, it was misunderstood. See my Notes on E. Etym., p. 204; s. v. *Pall-mall*.

**MALLARD**, a wild drake. (F.—L.) ME. *malard*. 'Malarde, anas;' Prompt. Parv.—OF. *malard*, also *maslard*, 'a mallard, or wild drake;' Cot. Formed with suffix *-ard* (of G. origin); and certainly from OF. *masle* (mod. F. *mâle*), male; see **Male**. β. The suffix *-ard* (= Goth. *hardus*, G. *hart*, hard) was much used in forming masculine proper names, to give the idea of force or strength; hence it was readily added to OF. *masle*, producing a form *masl-ard*, in which the notion of 'male' is practically reduplicated. See Intro. to Hatzfeld, Etym. Dict. § 147. γ. As this etymology, given by Diez, offers some difficulty, Hatzfeld suggests that *Malart* (*Malard* in Godefroy) was a proper name, playfully given to the bird; and that this name is from OHG. *Madal-hard*, a proper name cognate with AS. *Mathelheard* (Birch, Cart. Saxon. i. 280). And in fact the ME. form *mawdelarde*, 'mallard' occurs in the Liber Cure Cocorum, p. 27. But it represents the OF. *madlarde*, f., wild duck (Godefroy), f. of *madlard*; from AF. *madle*, male, variant of OF. *masle* (above). For AF. *dl*=OF. *sl*, cf. *medlar*, *medley*.

**MALLEABLE**, that can be beaten out by the hammer. (F.—L.) In Shak. Per. iv. 6. 152; and even in Chaucer, C. T. 16598 (G 1130).—OF. *malleable*, 'malleable, hammerable, pliant to the hammer;' Cot. Formed with suffix *-able* from obs. L. \**malleāre*, to hammer, of which the pp. *malleātus* occurs.—L. *malleus*, a hammer; see **Mall** (1). Der. *malleabili-ty*, *malleable-ness* (see Locke, On Hum. Underst.

b. iii. c. 6. s. 6, c. 10. s. 17); *malleat-ed*, Blount's Gloss., ed. 1674, from L. pp. *malleāt-us*; *malleat-ion*.

**MALLECHO**, mischief; lit. 'malefaction.' (Span.—L.) In Hamlet, iii. 2. 147.—Span. *malhecho*, 'misdone; an evil deed;' Minsheu.—Span. *mal*, evil; *hecho*, done, pp. of *hacer*, to do.—L. *male*, ill; *factus*, pp. of *facere*, to do. See **Fact**.

**MALLET**, a small mall, a wooden hammer. (F.—L.) 'Bear-yngre great *malettes* of iron and stele;' Berners, tr. of Froissart, vol. i. c. 422 (R.). ME. *maillet*, Romance of Partenay, 4698; *malet*, Wyntoun, Chron. iii. 104.—F. *maillet*, 'a mallet or hammer;' Cot. Dimin. of F. *mail*; see **Mall** (1).

**MALLOW**, the name of a plant. (L.) ME. *malwe*; Prompt. Parv. AS. *malwe*, *mealewe*; Voc. 135. 27; 297. 27. Not a Teut. word, but borrowed from L. *malua*, a mallow. + Gk. *μαλάχη* (for \**μαλάκη*), a mallow. β. Named from its supposed emollient properties; cf. Gk. *μαλάσσειν* (= \**μαλακ-yein*), to make soft, from *μαλακός*, soft, mild. Der. *marsh-mallow*, AS. *mersc-mealewe*, Voc. 296. 21. Also *malu-ac-e-ous* (= L. *maluūceus*, adj.). ¶ Mr. Wedgwood shows that the Arabs still use mallows for poultices to allay irritation. And see **Malachite**.

**MALM**, a kind of earth. (E.) Common in prov. E. AS. *meal-m*, as seen in *meal-m-ih*, sandy, chalky; *meal-m-stūn*, malm-stone, maum-stone. + Icel. *mālmr*, sand; Goth. *malma*, sand. Teut. base \**mal-m-*, from *mal-an*, to grind, allied to L. *mol-ere*, to grind. See **Meal** (1).

**MALMSEY**, a strong sweet wine. (F.—Gk.) In Shak. L. L. L. v. 2. 233. Spelt *malmesay* in Tyndall, Works, p. 229, col. 2. Also called *malvesy*, Chaucer, C. T. 13000 (B 1260).—AF. *malvesy* (Ducange); OF. *malvoisie*, 'malmesie;' Cot. From *Malvasia*, now called *Napoli di Malvasia* (see Black's Atlas), the name of a town on the E. coast of Lacedaemonia in the Morea; for *Monemvasia* (Gk. *μον-εμβασία*), lit. 'single entrance.'—Gk. *μόν-η*, fem. of *μόνος*, single; *ἐμ-βάσια*, entrance, from *ἐν*, in, *βαίνειν*, to go. Cf. Span. *malvasia*, Ital. *malvag'ia*, malmsey. ¶ The second *m* in *Malmsey* is due to the form *Monemvasia*.

**MALT**, grain steeped in water, and dried in a kiln, for brewing. (E.) ME. *malt*, Chaucer, C. T. 3989 (A 3991). AS. *mealt*, Voc. 196. 22; whence *mealt-hūs*, a malt-house, Voc. 185. 24. From Teut. \**malt* (AS. *mealt*), 2nd grade of \**meltan-*, strong verb, to melt; hence, to steep, soften. + Du. *mout*; Icel. *malt*, whence the weak verb *melta*, to malt (not the same as E. *melt*); Dan. and Swed. *malt*; G. *malz*, malt; cf. MHG. *malz*, soft, weak. Cf. Skt. *mṛdu-s*, L. *molli-s*, soft. See **Melt**. Der. *malt*, vb., ME. *malten*, Prompt. Parv.; *malt-horse*, Com. Errors, iii. 1. 32; *malt-house*; *malt-worm*, 1 Hen. IV, ii. 1. 83; also *malt-ster*, ME. *malte-ster*, Prompt. Parv. ¶ The suffix *-ster* was once looked upon as a fem. termination, as in *brew-ster*, *baxter* for *bake-ster*, *web-ster*, *spin-ster*; and the baking, brewing, weaving, and spinning were once all alike in the hands of females. See **Spinster**.

**MALTREAT**, to treat ill. (F.—L.) 'Yorick indeed was never better served in his life; but it was a little hard to *maltreat* him after;' Sterne, Tristram Shandy, vol. ii. c. 17, not far from the end.—F. *maltraiter*, to treat ill. Cf. Ital. *maltrattare*, to treat ill.—L. *male*, adv., ill, badly; and *trac'are*, to treat, handle. See **Malice** and **Treat**. Der. *maltreat-ment*, MF. *maltraicement*, 'hard dealing;' Cot.

**MALVERSATION**, fraudulent behaviour. (F.—L.) 'Mal-versation, ill conversation, misdemeanour, misuse;' Blount's Gloss., ed. 1674.—F. *malversation*, 'misdemeanor;' Cot. Regularly formed (with suffix *-a-tion*) from F. *malverser*; Cot. gives *malverser en son office*, to behave himself ill in his office.—L. *male*, adv., badly; and *uersari* (pp. *uersatus*), to dwell, be engaged in, from *uersare*, frequentative form of *uertere*, to turn. See **Malice** and **Verse**.

**MAMALUKE**, **MAMELUKE**, an Egyptian light horse-soldier. (F.—Arab.) In Sir T. More, Works, p. 279 f. Also in Skelton, Why Come Ye Nat to Courte, l. 476; see Spec. of Eng. ed. Skeat, p. 143, and the note.—MF. *Mamaluc*, 'a Mameluke, or light-horseman;' Cot. [Cf. Span. *Mameluco*, Ital. *Mammalucco*.] They were a corps of slaves.—Arab. *mamlūk*, a purchased slave or captive; lit. 'possessed.'—Arab. root *malaka*, he possessed; Rich. Dict. pp. 1494, 1488.

**MAMMA**, an infantine term for mother. (E.) Seldom found in books, except of late years; it occurs in Prior's poems, entitled 'Venus Mistaken,' and 'The Dove.' 'The babe shall now begin to tattle and call her *Mamma*;' Lily, Euphues, ed. Arber, p. 129. In Skinner and Cotgrave it is spelt *mam*; Cot. gives: *Mammam*, the voice of infants, *mam*. Skelton has *mammy*, Garl. of Laurel, l. 974. The spelling *mamma* is doubtless pedantic, and due to the L. *mamma*; it should rather be *mama*, as it is merely a repetition of *ma*, an infantine syllable. It may also be considered as an E. word; most other languages have something like it. Cf. MF. *mammam*, cited above, mod. F. *maman*; Span. *mama*, Ital. *mamma*, Du. *mama*,

G. *mama*, *münne*, *memme*, all infantine words for mother; also W. *mam*, mother, L. *mamma*, mother, Gk. *μάμη*, Russ. *mama*, &c. ¶ We have no evidence against the borrowing of the word from French; still it was, most likely, not so borrowed. Brugmann, ii. § 179, 947.

**MAMMALIA**, the class of animals that suckle their young. (L.) Modern and scientific; not in Johnson. Formed from L. *mammālis*, belonging to the breasts. — L. *mamma*, the breast. β. There is a doubt whether the word is the same as L. *mamma*, mother; if it be, we may consider it as of infantine origin; see above. γ. Brugmann separates them (i. § 587), and explains this *mamma* as \**mad-ma*, from *mad-ere*, to be wet; cf. Gk. *μαστός* (< \**mad-yos*), *μαστός* (< \**mad-rós*), breast; *μαδ-ειν*, to flow away. Der. *mammalian*; we also use *mammal* as a convenient short term for 'one of the mammalia.'

**MAMMILLARY**, pertaining to the breasts. (L.) 'The mammillary teats;' Dr. Robinson, *Endoxa* (ed. 1658), p. 51; Todd's Johnson. Coined from L. *mammillāris*, adj. formed from *mammilla*, a teat, dimin. of *mamma*, a breast. See **Mammalia**.

**MAMMON**, riches, the god of riches. (L. — Gk. — Syriac.) In A. V. Matt. vi. 24; Luke, xvi. 9. — L. *mammōna*, Matt. vi. 24 (Vulgate). — Gk. *μαμωνάς*; *ibid.* — Syr. *mamōnā*; a word which often occurs in the Chaldee Targums of Onkelos, and later writers, and in the Syriac version, and means 'riches;' Dict. of the Bible. Cf. Heb. *matmōn*, a hidden treasure; from *tāman*, to hide (*t = teth*).

**MAMMOTH**, an extinct species of elephant. (Russ. — Tatar?) 'An entire mammoth, flesh and bones, was discovered in Siberia, in 1799;' Haydn, Dict. of Dates. — Russ. *mamant*, a mammoth. — Siberian *mammont*. 'From Tartar *mamma*, the earth, because the Tungooses and Yakoots believed that this animal worked its way in the earth like a mole;' Webster. But it does not appear that there is any such Tatar word. See N. and Q. 9 S. xi. 286.

**MAN**, a human being. (E.) ME. *man*, Chaucer, C. T. i. 43. AS. *mann*, also *mon*; Grein, ii. 105. + Du. *man*; Icel. *maðr* (for \**mannr*); also *man*; Swed. *man*; Dan. *mand* (with excrement *d*); Goth. *mannu*; G. *manu*; [the G. *mensch* = *männisch*, i.e. mannish, human]. Allied to Skt. *manu-*, Vedic *manus-*, a man. β. Connected by some with Skt. *man*, to think; see **Mind**. But it is unlikely that the orig. sense could have been 'thinker.' Der. *man-child*, Gen. xvii. 10; *man-ful*, Lydgate, Complaint of the Black Knight, st. 60; *man-ful-ly*, Two Gent. iv. i. 28; *man-ful-ness*; *man-hood*, Chaucer, C. T. 758 (A 756); *man-of-war*, Luke, xxiii. 11; *man-kind*, q. v.; *man-ly*, ME. *manlich*, P. Plowman, B. v. 260, from AS. *manlic*, man-like, see Grein, ii. 211; *man-li-ness*; *man-slaughter*, ME. *man-slaughter*, Cursor Mundi, 25772; *man-slay-er*, ME. *mansleer*, Trevisa, iii. 41, l. 8, Wyclif, John, viii. 44. Also *man*, vb., Rich. II, ii. 3. 54. Also *man-like*, Antony, i. 4. 5; *man-ly*, adv., Macb. iv. 3. 235; *mann-ish*, As You Like It, i. 3. 123, Chaucer, C. T. 5202 (B 782); *man-queller*, 2 Hen. IV, ii. i. 58, Wyclif, Mark, vi. 27; *man-ik-in*, q. v.

**MANACLE**, a fetter, handcuff. (F. — L.) Better spelt *manicle*, as in Cotgrave. ME. *manycle*, Wyclif, Ps. cxlix. 8, earlier text; where the later text has *manacle*. — AF. *manicle*, Vie de St. Auban; OF. *manicle*, pl. *manicles*, 'manacles, hand-fetters, or gyves;' Cot. — L. *manicula*, dimin. of *manica*, a long sleeve, glove, gauntlet, manacle, handcuff. — L. *manus*, the hand; see **Manual**. Der. *manacle*, vb., Temp. i. 2. 461.

**MANAGE**, government of a horse, control, administration. (F. — Ital. — L.) Orig. a sb., but now superseded by *management*. 'Wanting the manage of unruly jades;' Rich. II, iii. 3. 179. — MF. *manège*, 'the manage, or managing of a horse;' Cot. Mod. F. *manège*. — Ital. *maneggio*, 'a business, a managing, a handling, . . . an exercise;' Florio. Particularly used of managing horses; the mod. Ital. *maneggio* means 'a riding-school.' The lit. sense is 'a handling,' the word being formed from *maneggiare*, 'to manage, handle.' — Ital. *mano*, the hand. — L. *manum*, acc. of *manus*, the hand; see **Manual**. Der. *manage*, vb., to handle, Rich. II, iii. 2. 118; *manage-er*, L. L. i. 2. 188; *manage-able*, *manage-able-ness*; *manage-ment* (a coined word), used by Bp. Hall in a Fast Sermon, April 5, 1628 (R.). Doublet, *manège*, from mod. F. *manège*. Not to be confused with ME. *menage*, a household, K. Alisaunder, 2087, from OF. *maisnage*, MF. *mesnage* (Cot.), mod. F. *ménage*; this OF. *maisnage* stands for *maison-age*, extended from F. *maison*, a mansion; see **Mansion**. (Scheler.)

**MANATEE**, a sea-cow, a dugong. (Span. — Carib.) The word occurs in Sir T. Herbert's Travels, ed. 1665, p. 404; spelt *manate* in R. Eden, ed. Arber, p. 231, l. 2 (1555). — Span. *manati*, a sea-cow; also written *manato*. A West Indian word; spelt *manattoi* in Raymond Breton's Dictionnaire Caraïbe-François; Auxerre, 1665; p. 349. ¶ The Malay name is *dugong*, s. v.

**MANCHET**, a loaf of fine wheat bread. (F. — L.?) 'Of breade

. . . the most excellent is the *mainchet*,' v. r. 'manchet;' Harrison, Desc. of England, bk. ii. ch. 6. ME. *manchete*, Liber Cure Cucorum, p. 53. β. The word seems to refer to quality; and, if so, is prob. different from Norm. dial. *manchette*, bread made in the shape of a crown, and also called *couronne*; i.e. of an annular shape; Moisy, Robin; prob. from *manchette*, 'a cuff or hand-ruff;' Cot.; which is also annular. Dimin. of *manche*, a sleeve. — L. *manica*, a sleeve; from L. *manus*, the hand; see **Manacle**.

**MANCHINEEL**, a W. Indian tree. (F. — Span. — L.) 'Manchinel-tree, a tree that grows wild in the woods of Jamaica, the fruit of which is as round as a ball;' Phillips, ed. 1706. Spelt *manchineel*, W. Dampier, New Voy. (1699), iii. 67; *mancinell*, Capt. Smith, Works, p. 905. — F. *mancinelle* (Hatzfeld). [Mahn gives Ital. *mancinello*, but it must be modern, and borrowed from Spanish; the name, like many W. Indian words, is certainly Spanish, not Italian.] — Span. *manzanillo*, a little apple-tree; hence, the manchinel tree, from the apple-like fruit; dimin. of Span. *manzana*, an apple, also a pommel. Cf. Span. *manzanal*, an orchard of apple-trees. — L. *Matiana*, neut. pl. of *Matianus*, adj.; we find *Matiana māla*, and *Matiana poma*, applied to certain kinds of apples. The adj. *Matianus*, Matian, is from L. *Matius*, the name of a Roman gens (Lewis).

**MANCIPLE**, a purveyor, esp. for a college. (F. — L.) Not obsolete; still in use in Oxford and Cambridge. ME. *maniple*, Chaucer, C. T. 569 (A 567). The *l* is an insertion, as in *principle*, *syllable*, *participle*. — OF. *mancipe*, a slave; also *maniple* (Godefroy). Cf. Mital. *mancipio*, 'a slave, vassal, subject, captive, maniple, farmer, bailly,' &c.; Florio. — L. *mancipium*, a slave, orig. possession, property, lit. a taking in the hand; see Maine, Ancient Law, p. 317. Cf. L. *mancipi-*, decl. stem of *manceps*, a taker in hand. — L. *man-*, base of *man-us*, the hand; *cip-*, weakened form of *cap-*, base of *cap-ere*, to take. See **Manual** and **Captive**.

**MANDARIN**, a Chinese governor of a province. (Port. — Malay — Skt.) Not a Chinese, but a Malay word; brought to us by the Portuguese. In Sir T. Herbert's Travels, ed. 1665, p. 395; and in E. G[rimston], tr. of Acosta, 1604, p. 370. — Port. *mandarim*, a mandarin. — Malay (and Hindi) *mantri*, 'a counsellor, minister of state; *ferdana mantri*, the first minister, vizir;' Marsden, Malay Dict., p. 334. — Skt. *mantrin-*, a counsellor; *mahā-mantrin-*, the prime minister. — Skt. *mantra*, a holy text, charm, prayer, advice, counsel. Formed, with suffix *-tra*, from Skt. *man*, to think, mind, know; cf. Skt. *man-tu-*, *man-tr*, an adviser. — ✓ **MEN**, to think; see **Mind**. (See Yule.)

**MANDATE**, a command, order, charge. (F. — L.) In Hamlet, iii. 4. 204. — MF. *mandat*, 'a mandate, or mandamus, for the preferment of one to a benefice;' Cot. — L. *mandatum*, a charge, order, commission. — L. *mandātus*, pp. of *mandare*, to commit to one's charge, enjoin, command. β. Lit. 'to put into one's hand,' from *man-*, base of *manus*, the hand, and *dare*, to give. [So also *manceps* = a taker by the hand; from *man-* and *capere*, to take.] See **Manual** and **Date** (1). Brugmann, i. § 589 (2, b). Der. *mandat-or-y*. Doublet, *maundy*, in the term *Maundy Thursday*, q. v. From L. *mandāre* are also *counter-mand*, *com-mand*, *de-mand*, *re-mand*, *com-mend*, *re-com-mend*, *commodore*. Also *mandamus*, a writ that enjoins a duty; from L. *mandāmus*, we command, the first word in it.

**MANDIBLE**, a jaw. (L.) 'Mandibula, the mandible, or jaw;' Phillips, ed. 1706. — L. *mandibula*, a jaw. — L. *mandere*, to chew, eat. Der. *mandibul-ar*, adj., from L. *mandibula*.

**MANDILION**, a soldier's cloak. (Ital. — Span. — Arab. — L.) See examples in Nares. — Ital. *mandiglione*, 'a mandillion, souldier's iacket;' Florio. — Span. *mandil*, a coarse apron. — Arab. *mandil*, a table-cloth, towel, mantle. — L. *mantile*, a napkin.

**MANDOLIN**, a kind of guitar. (F. — Ital. — Gk.) Added by Todd to Johnson's Dict. 'Lutes and mandolins;' T. Moore; Oh! come to me when daylight sets; l. 7. — F. *mandoline*, a mandolin. — Ital. *mandolino*, dimin. of *mandola*, a kind of guitar (there were several kinds). *Mandola* is a corruption of *mandora* (cf. F. *mandore*), and, again, this is for *bandora* = Ital. *bandora*. See further under **Banjo**.

**MANDRAKE**, a narcotic plant. (AF. — L. — Gk.) In Gen. xxx. 14, where the Bible of 1551 has pl. *mandragoras*. Also *mandrake* in Palsgrave. ME. *mandragores*, Old Eng. Miscellany, ed. Morris, p. 19, l. 613. AS. *mandragora*, Cockayne's Leechdoms, i. 244. *Mandrake* (also spelt *mandrage* in Minshew) is the AF. *mandrake*, also *mandrage* (Bozon); a shortened form of *mandragora*, the form used by Shak. in Oth. iii. 3. 330. Cf. OF. *mandragore*, Ital. *mandragora*, Span. *mandragora*. — L. *mandragoras*, gen. -æ; Gen. xxx. 14. — Gk. *μανδραγόρας*, the name of the plant; of uncertain origin.

**MANDREL**, the revolving shank in which turners fix their work in a lathe. (F. — L.) 'Manderil, a kind of wooden pulley, that is part of a turner's leath;' Bailey's Dict. vol. ii. ed. 1731. Corrupted from F. *mandrin*, a punch, a mandrel (Hamilton). β. Marked by Littré as of unknown origin; but, prob. derived from a L. type \**mandar-*

*inum*, allied to Oscan *mamphur*, (apparently) a mandrel or part of a lathe (Lewis). Cf. also Icel. *möndull*, handle of a handmill; Lith. *menturė*, something that twirls; Skt. *mantha-s*, a churning-stick, *manthana-s* (the same), from *math*, *manth*, to churn. See Brugmann, i. §§ 571, 589 (2, b), 757.

**MANDRILL**, a kind of baboon. (E.) Nares, s.v. *Drill*, shows that *mandrill* occurs in Smith's *Voyage to Guinea* (1744), who thought the animal was so called from its likeness to a *man*. Compounded of *E. man*, and *dril*, 'a large overgrown ape or baboon'; Blount's Gloss. The origin of *dril* or *drill* is unknown; perhaps allied to MDu. *drillen*, 'to goe, trot, or run up and downe,' Hexham; whence also *E. drill*, v. See *Drill* in Nares, and in the N. E. D.

**MANE**, long hair on the neck of a horse, &c. (E.) ME. *mane*, King Alisaunder, 1957. AS. *manu*, mane; Erfurt gloss., 1182. + Icel. *mön* (gen. *manar*, pl. *manar*), a mane; Swed. and Dan. *man*; Du. *maan* (Sewel); MDu. *mane* (Hexham); G. *mühne*, OHG. *mana*. Cf. W. *myngen*, a horse's mane, *mwng*, a mane; from *mwun*, the neck. So also Irish *mong*, a mane, *muince*, a collar (W. *mynci*, the hame of a horse-collar) from Irish *muin*, the neck. Hence *E. mane* is plainly connected with Skt. *manyā*, the tendon forming the nape of the neck; and with L. *monile*, a necklace (Stokes-Fick, p. 216).

**MANEGE**, the control of horses; see **Manage**.

**MANGANESE**, the name of a metal. (F.—Ital.—L.—Gk.) The metal was discovered in 1774 (Littre). But the term is much older, otherwise used. '*Manganese*, so called from its likeness in colour and weight to the *magnes* or loadstone, is the most universal material used in making glass;' Blount's Gloss., ed. 1674.—MF. *manganese*, 'a certain minerall which, being melted with glasse, amends the colour thereof;' Cot.—Ital. *manganese*, 'a stuffe or stone to make glasses with; also a kind of mineral stone;' Florio. β. A perverted form of *magnesia*, also written *mangnesia*. See Cent. Dict., and Schade, p. 1395; and see **Magnesia**. Palsgrave has *magnet* for *magnet*.

**MANGE**, the scab or itch in dogs, &c. (F.—L.) Minshew, ed. 1627, gives 'the *mange*' as sb., and *mangie* as adj. Cf. 'a *mangy* dog,' Timon, iv. 3. 371; 'In wretched beggary And *maungy* misery,' Skelton, How the Douty Duke of Albany, &c., ll. 137, 138. But earlier, the sb. is *mangie*, as in 'the *mangie*, or the scurvie,' in E. G., tr. of Acosta, p. 465. ME. *maniewe* (= *manjewe*); see N. E. D.—OF. *manjue*, *mange*; cf. mod. Norman *manjue*, Guernsey *manjue* (Moisy). —OF. *manjuer*, *mangier*, F. *manger*, to eat. [The MF. sb. for 'mange' is *mangeson*.] See further under **Manger**. Der. *mangi-ness*.

**MANGEL-WURZEL**, a variety of beet. (G.) For *mangold-wurzel*, also sometimes used.—G. *mangold-wurzel*, beet-root.—G. *mangold*, MHG. *mangolt*, beet, derived by Schade from the personal name *Manegolt*; and *wurzel*, root, allied to **Wort** (1).

**MANGER**, an eating-trough for cattle. (F.—L.) In Sir T. More, Works, p. 1139 h. ME. *maungeur*, Cath. Anglicum (1483). —OF. *mangeure* (Godefroy); F. *mangeoire*, 'a manger;' Cot.—F. *manger*, to eat.—L. *manducare*, to eat.—L. *manducus*, a glutton.—L. *mandere*, to chew. See **Mandible**.

**MANGLE** (1), to render maimed, tear, mutilate. (F.—G.) In Sir T. More, Works, p. 538 f.—AF. *mangler*, to maim (Godefroy); for *mahangler*, to maim, Langtoft, i. 254. Frequent. form of OF. *mahaigner*, to maim.—OF. *mahaing*, a maim, a hurt; see **Maim**. Der. *mangl-er*.

**MANGLE** (2), a roller for smoothing linen; vb., to smooth linen. (Du.—Late L.—Gk.) A late word; added by Todd to Johnson's Dict. 'A movement capable of being applied to *mangles* and calenders;' Ann. Reg. (1799), p. 399. Borrowed from Dutch; cf. Du. *mangelen*, to roll with a rolling-pin; *linnen mangelen*, to roll linen on a rolling-pin; *mangelstok*, a rolling-pin (Sewel); *een mangelstok*, 'a smoothing role, or a battle-dore' (Hexham). The corresponding Ital. word is *mangano*, 'a kind of presse to presse buckrom;' Florio. Both Du. and Ital. words are modifications of Late L. *manganum*, *mangona*, a very common word as the name of a military engine for throwing stones; see **Mangonel**. The mangle, being worked with an axis and winch, was named from its resemblance to the old war-engine; sometimes it was reduced to an axis or cylinder worked by hand. The Ital. *mangano* also means 'a mangonel.'—Gk. *μάγανον*, a machine for defending fortifications; also, the axis of a pulley. See Prellwitz.

**MANGO**, the fruit of an E. Indian tree. (Span.—Port.—Malay.—Tamil.) In Sir T. Herbert's *Travels*, ed. 1665, p. 350.—Span. *mango*. —Port. *manga*.—Malay *maninggā*, 'the mango-fruit, of which the varieties are numerous;' Marsden's Dict., p. 327. Formerly *mangkā* (see Yule).—Tamil *mān-kāy*, i.e. *mān*-fruit, or fruit of the tree called *māmaram*, i.e. *mān*-tree (from *mān* and *maram*, wood, tree); cf. **Catamaran** (Yule).

**MANGONEL**, a war-engine for throwing stones. (F.—Late L.—Gk.) ME. *mangonel*, in a MS. of the time of Edw. II; Polit.

Songs, ed. Wright, p. 69.—AF. *mangonel*, Langtoft, i. 494; OF. *mangonel*, later *mangonneau*, 'an old-fashioned sling or engine,' &c.; Cot.—Late L. *mangonellus*, dimin. of *mangona*, *manganum*, a war-engine.—Gk. *μάγανον*; see **Mangle** (2).

**MANGOSTEEN**, a fruit. (Malay.) Formerly *mangostan*.—Malay *manggustan* (C. P. G. Scott); *manggistā* (Marsden).

**MANGROVE**. (Hybrid; Malay and E.) 'A sort of trees called *mangroves*;' Eng. Garner, vii. 371 (ab. 1689). My belief is that the second syllable is nothing but the E. word *grove*, and has reference to the peculiar growth of the trees, which form a close thicket of some extent. Again, the tree is sometimes called the *mangle* (F. *mangle*, from Span. *mangle*); so that *mangrove* may well stand for *mang-grove* or 'grove of mangs or mangles.' The syllable *mang* may be due to the Malay name for the tree, viz. *manggi-manggi*; see Pijnappel's Malay-Dutch Dict. p. 133. β. On the other hand, the Span. *mangle*, a mangrove, appears to be of S. American origin (Yule). Cf. Brazil. *mangue*, Hist. Nat. Brasil. i. 113.

**MANIA**, madness, frenzy. (L.—Gk.) In Phillips, ed. 1706. [ME. *manie*, Chaucer, C. T. 1376, is from F. *manie*, 'madnesse;' Cot.]—L. *mania*.—Gk. *μανία*, madness, frenzy. β. The orig. sense is 'mental excitement;' cf. *μένος*, mind, spirit, force; Skt. *manyu-*, anger, fury. See **Mind**. Der. *mania-c*, spelt *maniac* in Blount's Gloss., ed. 1674, from F. *manique*, 'mad,' Cot.; as if from a Lat. \**maniacus*. Hence *maniac-al*.

**MANIFEST**, evident, apparent. (F.—L.) ME. *manifest*, Chaucer, tr. of Boethius, b. iii. pr. 10, l. 104.—F. *manifeste*, 'manifest;' Cot.—L. *manifestus*, evident. β. The lit. sense is (probably) 'struck by the hand,' hence, palpable.—L. *mani-*, for *manu-*, from *manus*, the hand; and *-festus* = \**-fed-tus*, pp. of obs. verb \**fendere*, to strike, occurring in the comp. *dē-fendere*, *of-fendere*; cf. *in-festus*, *in-fensus*, hostile.—✓GwHEN, to strike; see **Defend** (Bréal). And see **Manual**. Der. *manifest-ly*, *manifest-ness*; *manifest*, vb., ME. *manifesten*, Chaucer, Boeth. bk. ii. pr. 7, l. 31; *manifest-at-ion*; also *manifesto*, q. v.

**MANIFESTO**, a written declaration. (Ital.—L.) '*Manifesto* or evidence;' Sir T. Browne, Vulg. Errors, b. iii. c. 17. § 5.—Ital. *manifesto*, sb., a manifesto.—Ital. *manifesto*, adj., manifest.—L. *manifestus*; see **Manifest**.

**MANIFOLD**, various. (E.) ME. *manifold*, *manyfold*, Gower, C. A. i. 344; bk. iii. 1952. AS. *manigfeald*, manifold; Grein, ii. 210.—AS. *manig*, many; and *-feald*, suffix (E. *-fold*), connected with *fealdan*, to fold. See **Many** and **Fold**.

**MANIKIN, MANAKIN**, a little man, dwarf. (F.—Du.) In Tw. Nt. iii. 2. 57. [Not an E. word.]—MF. *manequin*, 'a puppet;' Cot.—MDu. *manneken*, a little man (Hexham); mod. Du. *mannetje*, by alteration of the suffix. Formed, with double dimin. suffix *-k-en*, from Du. *manne-*, for *man*, a man. See **Man**. Cf. G. *männchen*, from *mann*.

**MANIOC**, the cassava-plant. (Port.—Brazil.) Better spelt *mandioc*.—Port. *mandioca* (Span. *mandioca* in Pineda).—Brazil. *mandioca*, the root of the cassava-plant. Cp. '*mandiiba*, *maniiba*, cujus radix *mandioca* vocatur;' Hist. Brasil. ii. 65. It is spelt *mandihoca* in the same, i. 52. Granada gives the Guarani name as *mandiōg*.

**MANIPLE**, a handful; small band of soldiers, a kind of priest's scarf. (F.—L.) 'Our small divided *maniples*,' i.e. bands of men; Milton, Areopagitica, ed. Hales, p. 48, l. 6. Also *manypule*, a scarf; Supp. to Palsgrave, p. 1068, l. 31.—MF. *manipule*, 'a fistfull;' Cot.—L. *manipulus*, a handful; hence, a wisp of straw, &c. used as an ensign; and hence, a company of soldiers under the same standard, a band of men.—L. *mani-*, for *manu-*, for *manus*, the hand; and *-pulus*, lit. filling, from the weak grade (*pāl*) of the root \**plē-*, to fill; cf. L. *plenus*, full, and AS. *full*. See **Manual** and **Full**. Der. *manipul-ate*, q. v.

**MANIPULATE**, to handle. (L.) A modern word; not in Johnson; the sb. *manipulation* (but not the verb) was added by Todd to Johnson's Dict. The verb was prob. suggested by the sb. *manipulation*, which appears in F. in 1716. Even the sb. is quite a coined word, there being nothing nearer to it than the L. *manipulātum*, by troops, an adv. formed from *manipulus*, a troop. The word *manipulate* should mean 'to fill the hands' rather than merely to use them. Altogether, the word has little to recommend it on etymological grounds; but it is now well established. Perhaps the suffix has been confused with that of *inter-polate*. Der. *manipulat-ion*, *-ive*, *-or*.

**MANITO**, a spirit, a fetish. (Algonkin.) 'Gitche *Mánito*, the mighty;' Longfellow, Hiawatha, xiv. From the Algonkin *manitū*, *manito*, a spirit, a demon (Cuq).

**MANKIND**, the race of men. (E.) ME. *mankinde*, Gower, C. A. ii. 83; bk. iv. 2443. The final *d* is excrescent, the older form being *mankin*, Ormulum, 799. AS. *mancynn*, mankind; Grein, ii. 207.—AS. *man*, a man; and *cynn*, kind, race; see **Man** and **Kin**.

**MANNA**, the food supplied to the Israelites in the wilderness of

Arabia. (L.—Gk.—Heb.) In A. V. Exod. xvi. 15; Numb. xi. 7; Deut. viii. 3; &c. —L. *manna*, Deut. viii. 3 (Vulgate); but in Exod. xvi. 15 the Vulgate has *manhu*, and in Numb. xi. 7 it has *man*. —Gk. *μάνα*. —Heb. *mān*, manna. β. Two explanations are given: (1) from Heb. *mān hu*, what is this? from the enquiry which the Hebrews made when they first saw it on the ground, where *mān* is the neuter interrogative pronoun; see Exod. xvi. 15. But this is a popular etymology; since *mān* is not Hebrew, but Aramaic (Gesenius). And (2) that the sense of *mān* is 'it is a gift' (cf. Arab. *mann*, beneficence, grace, favour, also manna, Rich. Dict. p. 1495). See Gesenius, Heb. Dict. (1883), p. 468.

**MANNER**, way, fashion, habit, sort, kind, style. (F.—L.) In early use. ME. *manere*, O. Eng. Homilies, ed. Morris, i. 51, l. 30. —AF. *manere*, Stat. Realm, i. 27 (1275); OF. *maniere*, 'manner'; Cot. Mod. F. *manière*; properly 'habit.' Orig. fem. of OF. *manier*, adj. manual, easily managed (Godefroy); allied to OF. *manier*, 'to handle, hand, manage, wield'; Cot.—Late L. type \**manūrius*, for L. *manūrius*, handy. —L. *manu-*, for *manus*, the hand; see **Manual**. Der. *manner-ly*, in Skelton, who wrote a poem called *Manerly Margery Mylk and Ale*; *manner-li-ness*; *un-manner-ly*, Hamlet, iii. 2. 364; *manner-ism*. ☞ The phrase *to be taken in the manner* (a law phrase) is a corruption of *to be taken with the mainour*; the L. phrase is *cum manuopere captus*. Here *mainour* is the same word as *manœuvre*, q.v. See *maynure* in Croft's gloss. to Sir T. Elyot's *Governour*. And see **Mainour**.

**MANŒUVRE**, dexterous management, stratagem. (F.—L.) Introduced into E. in the 18th cent. Added to Johnson's Dict. by Todd, who cites it from Burke, but without a satisfactory reference. —F. *manœuvre*, a manœuvre, properly a work of the hand. —Late L. *manuopera* (more commonly *manopera*), a working with the hand. [Cf. Span. *maniobra*, handiwork; *maniostrar*, to work with the hands, manœuvre; Ital. *manovra*, the working of a ship; *manovrare*, to steer a ship.] —L. *manū operārī*, to work with the hand. —L. *manū*, abl. of *manus*, the hand; and *operārī*, to work, from *opera*, work. See **Manual** and **Operate**. Der. *manœuvre*, vb., *manœuvrer*. Doublet, *manure*.

**MANOR**, a place of residence for a nobleman in former times; estate belonging to a lord. (F.—L.) In Shak. Merry Wives, ii. 2. 19. ME. *manere*, P. Plowman, B. v. 595. —OF. *manoir*, 'a mansion, manor, or manor-house,' Cot.; formerly also spelt *menoīr* (Godefroy). Properly 'a place to dwell in;' from OF. *manoir*, *menoīr*, to dwell (Godefroy). —L. *manēre*, to dwell, remain; see **Mansion**. Der. *manor-house*, L. L. i. 1. 208; *manor-seat*; *manor-i-al*.

**MANSE**, a clergyman's house, in Scotland. (L.) 'Manse, a habitation, a farm;' Blount's Law Lexicon, ed. 1691. An old law term. —Late L. *mansa*, a farm. —L. *mansa*, fem. of *mansus*, pp. of *manēre*, to dwell; see **Mansion**.

**MANSION**, a large house, dwelling-place. (F.—L.) ME. *mansion*, Chaucer, C. T. 1976 (A 1974). —OF. *mansion*, a dwelling-place; Burguy. —L. *mansiónem*, acc. of *mansio*, a stopping, a place of abode; cf. *mansus*, pp. of *manēre*, to dwell. +Gk. *μῆνειν*, to stay, remain; allied to *μῆνιμος*, staying, steadfast. —✓MEN, to remain. Der. *mansion-house*; *mansion-ry*, Macb. i. 6. 5; from L. *manēre* are also *manse*, *manor*, *permanent*, *remain*, *remnant*. And see *menial*, *menagerie*, *messuage*.

**MANTEL**, a shelf over a fire-place. (F.—L.) Hardly used except in the comp. *mantel-piece* and *mantel-shelf*; formerly used in the comp. *mantle-tree*, which occurs in Cotgrave, s.v. *manteau*. In old fire-places, the mantel slopes forward like a hood, to catch the smoke; the word is a mere doublet of **Mantle**, q.v. 'Mantyltre of a chymney, manteau d'une cheminee;' Palsgrave. ☞ The difference in spelling between *mantel* and *manile* is an absurdity. Der. *mantel-piece*, -shelf.

**MANTLE**, a cloak, covering. (F.—L.) Better spelt *mantel*, as it is the same word as that above. In early use. ME. *mantel*, Layamon, 14755, 15274. [Cf. AS. *mentel*, a mantle, Ps. cviii. 28.] —OF. *mantel* (Godefroy), later *manteau*, 'a cloke, also the mantle-tree of a chimney;' Cot.—L. *mantellum*, a napkin; also, a means of covering, a cloak (in a figurative sense); cf. L. *mantēle*, *mantile*, a napkin, towel. A shortened form appears in the Late L. *mantum*, a short cloak, used by Isidore of Seville, whence Ital. and Span. *manto*, F. *mante*, a mantle. For the origin, see Brugmann, i. §§ 134, 483 (7). Der. *mantle*, vb., to cloak, cover, Temp. v. 67; also *mantle*, vb., to gather a scum on the surface, Merch. Ven. i. 1. 89; *mantel-et* (with dimin. suffix), 'a short purple mantle, . . . in fortification, a moveable pent-house,' Phillips, ed. 1706, from F. *mantelē*, 'a little mantle, a movable pent-house,' &c., Cotgrave. Also *mantilla*, a long head-dress, from Span. *mantilla*, dimin. of *mano*, a cloak, a veil.

**MANTUA**, a lady's gown. (Ital.) Seldom used except in the comp. *mantua-maker*, a lady's dressmaker. 'Mantoe or Mantua gown,

a loose upper garment, now generally worn by women, instead of a straight body'd gown;' Phillips, ed. 1706. 'By th' yellow *mantos* of the bride;' Butler, Hudibras, pt. iii. c. 1. l. 700. *Manto* is from Ital. (or Span.) *manto*, a mantle, or even from F. *manteau*; but *Mantua gown* must refer to *Mantua* in Italy, though this connexion seems to have arisen from mere confusion. As to Ital. *manto*, see **Mantle**.

**MANUAL**, done by the hand, suitable for the hand. (F.—L.) We recognize it as a F. word from its use after its sb., in such phrases as 'sign manual,' or 'seal manual;' the spelling has been conformed to the L. vowel in the final syllable. Shak. has *seal manual*, Venus, l. 516. Formerly spelt *manuel*, as in Cotgrave. Cf. 'syne *manuell*,' sign manual; Fifty Eng. Wills, ed. Furnivall, p. 83, l. 18 (1428). —F. *manuel*, 'manuel, handy, of the hand;' Cot.—L. *manūālis*, manual. —L. *manu-*, for *manus*, the hand. β. The sense of *manus* is 'the measurer;' formed (with suffix -*nu-*) from \**mā*, weak grade of ✓*ME*, to measure, whence also Skt. *mā*, to measure, a verb which when used with the prep. *uis*, out, also means to build, cause, create, compose; cf. also Skt. *māna-*, sb., measuring, measure; Brugmann, ii. § 106. Der. *manual*, sb., a hand-book; *manual-ly*. From L. *manus* we also have *man-acle*, *man-age*, *man-ciple*, *man-ege*, *mani-fest*, *mani-ple*, *mani-pul-ate*, *mann-er*, *man-œuvre*, *man-ure*; *manu-facture*, *manu-mit*, *manu-script*, *a-manu-ensis*; also *main-tain*, *e-man-cip-ate*, *quadru-man-ous*, &c.

**MANUFACTURE**, a making by hand. (F.—L.) In Bacon, Life of Henry VII, ed. Lumby, p. 58, l. 19; p. 106, l. 4. Also spelt *manufacture*, as in Cotgrave. —F. *manufacture* (also *manufacture* in Cot.), 'manufacture, workmanship;' Cot. Coined from Latin. —L. *manū*, by the hand, abl. of *manus*; and *factūra*, a making, from *facere*, to make. See **Manual** and **Fact**. Der. *manufacture*, vb., *manufactur-al*, *manufactur-er*, *manufact-or-y*.

**MANUMIT**, to release a slave. (L.) 'Manumitted and set at liberty;' Stow, Edw. III, an. 1350. The pp. *manumissed* occurs in North's Plutarch, p. 85 (R.); or p. 103, ed. 1631. —L. *manūmittere* (pp. *manūmissus*), to set at liberty a slave, lit. 'to release from one's power,' or 'send away from one's hand.' —L. *manū*, abl. of *manus*, the hand; and *mittere*, to send. See **Manual** and **Missile**. Der. *manumission*, from F. *manumission*, 'a manumission or dismissing' (Cot.), from L. *manūmissionem*, acc. of *manūmissio*, a dismissal, formed like the pp. *manūmissus*.

**MANURE**, to enrich with a fertilising substance. (F.—L.) The old sense was simply 'to work at with the hand.' 'Arable land, which could not be *manured* [tilled] without people and families, was turned into pasture;' Bacon, Henry VII, ed. Lumby, p. 70, l. 26. 'Manured with industry;' Oth. i. 3. 328. Cf. *manure* in G. Douglas, tr. of Virgil, bk. iv. ch. 5. l. 72. See Trench, Select Glossary. *Manure* is a contracted form of *manœuvre*; see **Manœuvre** and **Inure**. Der. *manure*, sb., *manur-er*, *manur-ing*.

**MANUSCRIPT**, written by the hand. (L.) Properly an adj., but also used as a sb. 'A manuscript;' Minshen, ed. 1627. —Late L. *manuscriptum*, a manuscript; L. *manū scriptum*, written by the hand. —L. *manū*, abl. of *manus*, the hand; and *scriptum*, neut. of *scribere*, pp. of *scribere*, to write. See **Manual** and **Scribe**.

**MANY**, not few, numerous. (E.) ME. *mani*, *many*, *moni*, frequently followed by *a*, as 'many a man;' Chaucer, C. T. 229, 3905 (A 3907). The oldest instances of this use are in Layamon, 7993, 16189, 29131. AS. *manig*, *monig*, Grein, ii. 209. +Du. *menig*; Dan. *mange*; Swed. *mänge*; Icel. *margr* (with a singular change from *n* to *r*); see Noreen, § 369; Goth. *manags*; G. *manch*, MHG. *manec*, OHG. *manac*. β. All from a Teut. type \**managoz*. Further allied to Irish *minic*, Gael. *minig*, W. *mynych*, frequent, Russ. *mnogie*, pl. many.

**MAP**, a representation of the earth, or of a part of it. (F.—L.) The oldest maps were maps of the world, and were called *mappe-mounde*, as in Gower, C. A. iii. 102; bk. vii. 530. This is a F. form of the L. name *mappa mundi*, which occurs in Trevisa, i. 27, and in the corresponding passage of Higden's Polychronicon. β. The original sense of L. *mappa* was a napkin; hence, a painted cloth. According to Quintilian, it is a Punic word. See **Napkin**.

**MAPLE**, the name of a tree. (E.) ME. *maple*, *mapul*; Chaucer, C. T. 2925 (A 2923). AS. *mapul-der*, the maple-tree; 'Accr, *mapulder*,' Voc. 138. 15; we also find *mapolder*, a maple, *Mapulder-stede*, now Maplestead (in Essex), in Thorpe's Diplomatarium Ævi Saxonici, pp. 146, 403; and Kemble has *Mapeles baruue* in his index. Hence the AS. name is *mapul*, *mapel*; cf. *mapel-trēow*, Birch, Cart. Saxon. i. 290. The Icel. *möpur* is borrowed from E.

**MAR**, to injure, spoil, damage. (E.) ME. *merren*, less commonly *marren*, P. Ploughman's Crede, l. 66; Will. of Palerne, 664. Omerc. \**merran*, in comp. *ā-merran*, to hinder; Vesp. Ps. 77. 31. Also AS. *ā-myrnan*, used in various senses, such as to dissipate, waste, lose, hinder, obstruct; see Matt. x. 42, Luke, xv. 14; Ælfric's

Hom. i. 372, l. 3; Grein, i. 28, 29. Cf. also AS. *mirran*, to impede, Exod. v. 4; *gemearr*, an impediment, Ælfred, tr. of Gregory's Past Care, ed. Sweet, p. 401, ll. 17, 20. + MDu. *merren*, to stay; retard (Hexham); Du. *marren*, to tarry; OHG. *marrjan*, to hinder, disturb, vex; whence mod. F. *marri*, vexed, sad; Goth. *marzjan*, to offend, cause to stumble. Teut. type \**marzjan*-; base \**marz*-. Brugmann, i. 903 b.

**MARABOU, MARABOUT**, a kind of African stork; also, its downy feathers. (F.—Port.—Span.—Arab.) F. *marabout*.—Port. *marabuto* (Hatzfeld).—Span. *morabito*, a Moorish anchorite, a religious man (Pineda). The bird obtained its name from its sage-like appearance; the Indian variety is called the adjutant-bird, for a similar reason.—Arab. *murābiṭ*, quiet, still; a hermit, sage; a religious sage among the Berbers; see Devic. And see **MARAVEDI**.

**MARANATHA**, our Lord cometh. (Syriac.) In 1 Cor. xvi. 22. 'It is a Græcised form of the Aramaic words *māran athā*, our Lord cometh;' Dict. of the Bible. Cf. Arab. *mār*, lord (from Syriac).

**MARASCHINO**, a cordial. (Ital.—L.) It is said to have come originally from Dalmatia, where the cherries grow.—Ital. *maraschino*, an adj. form from *marasca*, *amarasca*, a kind of sour cherry (Baretti).—L. *amārus*, bitter, sour.

**MARAUD**, to wander in quest of plunder. (F.) 'Marauding, ranging about as soldiers in quest of plunder, forage, &c.;' Bailey's Dict. v. ii. ed. 1731.—MF. *marauder*, 'to beg, to play the rogue;' Cot.—F. *maraud*, 'a rogue, beggar, vagabond, varlet, rascal;' Cot. β. The etymology is much disputed; see Scheler and Körting. Bugge suggests a Late L. form \**malaldus*, from L. *malus*, evil; whence *maraud* by dissimilation.

**MARAVEDI**, a small coin, less than a farthing. (Span.—Arab.) In Minsheu, ed. 1627.—Span. *maravedi*, the smallest Span. coin. Called in Port. both *marabillino* and *maravedim*. The name is an old one, the coin being so called because first struck during the dynasty of the Almoravides at Cordova, A.D. 1094–1144 (Haydn, Dict. of Dates, s.v. *Spain*). *Maravedi* is derived from the Arab. name of this dynasty.—Arab. *Murābiṭīn*, the name of an Arab. dynasty; pl. of *murābiṭ*, a hermit, a sage; see **Marabou**. Rich. Pers. Dict. p. 1382.

**MARBLE**, a sort of stone. (F.—L.) Gen. called *marbreston* (=marble-stone) in ME.; afterwards shortened to *marbre*, and thence changed to *marbel* or *marble*. Spelt *marbre-ston*, Layamon, 1317 (later text); *marbelston*, P. Plowman, A. x. 101; *marbel*, Chaucer, C. T. 1895 (A 1893).—OF. *marbre*, 'marble;' Cot.—L. *marmor*, acc. of *marmor*, marble, considered as a masc. sb.; but it is commonly neuter.—Gk. *μάρμαρος*, explained as a glistening white stone, whence *μαρμαίρειν*, to sparkle, glitter; cf. *μαρμαίρεος*, sparkling, *μαίρα*, the dog-star, lit. 'sparkler.' But named rather from its hardness; cf. *μάρμαρ*, explained as *σπερέον*, i.e. a hard body; see Prellwitz. Der. *marbl-y*; also *marble-hearted*, K. Lear, i. 4. 281, &c.

**MARCASITE**, a kind of iron pyrites. (F.—Span.—Arab.) 'Other metals and marcasites;' Evelyn's Diary, June 21, 1650.—F. *marcasite*, *marcassite*, 'the marcassite, or fire-stone;' Cot.—Span. *marquesita*, 'a stone found in the copper-mines;' Pineda.—Arab. *marqashithā*, marcasite; Devic. And see Villiers.

**MARCESCENT**, withering. (L.) Botanical. In Bailey's Dict. vol. ii. ed. 1731.—L. *marcescent*-, stem of pres. pt. of *marcescere*, inceptive form of *marcēre*, to wither, lit. to grow soft. Brugmann, i. § 413 (8).

**MARCH** (1), a border, frontier. (F.—OHG.) Usually in the pl. *marches*, as in Hen. V, i. 2. 140. ME. *marche*, sing., P. Plowman, B. xv. 438. AF. *marche*, Liber Albus, p. 229; Stat. Realm, i. 211.—F. *marche*, 'a march, frontire;' Cot.—OHG. *marka*, a boundary. See **Mark** (2), of which *march* is a doublet.

**MARCH** (2), to walk with regular steps, as a soldier. (F.—L.? or G.?) In Spenser, F. Q. v. 10. 33.—F. *marcher*, 'to march, go, pace;' Cot. β. Of disputed origin; a good suggestion is Scheler's, who sees in it the notion of regular beating (cf. E. 'to be on the beat,' 'to beat time'), and connects it with L. *marcus*, a hammer, whence a verb \**marcāre*, to beat, could easily have arisen in Late L., and would well express the regular tramp of a marching host. γ. Otherwise, from F. *marche*, a frontier, from OHG. *marka*, cognate with AS. *mearc*; see **March** (1). Cotgrave has: '*Marche*, . . a march, frontire, . . a march, marching of soldiers.' Diez cites an OF. phr. *aller de marche en marche*, to go from land to land, to make expeditions. Der. *march*, sb., K. John, ii. 60.

**MARCH** (3), the name of the third month. (F.—L.) ME. *March*, Chaucer, C. T. 10361 (F 47). Not from OF. and F. *mars*, but from *Marche*, the ONF. (Picard) form, also found in the dial. of Rouchi (Hécart).—L. *Martium*, acc. of *Martius*, the month of Mars, lit. belonging to Mars.—L. *Marti*-, decl. stem of *Mars*, the god of war.

**MARCHIONESS**, the fem. of **Marquis**, q.v.

**MARCHPANE**, a sweet cake, made with almonds and sugar.

(F.—Ital.—L.?) In Romeo and Jul. i. 5. 9. ME. *march payne*, in a list temp. Hen. V; Fabyan, repr. 1811, p. 587. From a dial. form (prob. Picard) of MF. *marcepain*, which occurs in 1544 (Hatzfeld); corrupted to *massepain* in F.—Ital. *marciapane*, *marzapane* (Florio). The origin of *marcia* is unknown, but it prob. represents a name, such as L. *Martia*; *pane* is from L. *pānem*, acc. of *pānis*, bread.

**MARE**, the female of the horse. (E.) ME. *mere*, Chaucer, C. T. 543 (A 541). AS. *mere*; we find 'equa, mere' in Voc. 119. 36. This is the fem. form of AS. *meah*, a horse, Grein, ii. 238; also spelt *mearg*, *meah*. + Icel. *merr*, a mare, *mer-hross*, *mer-hryssi*, a mare-horse, used as fem. of *marr*, a steed; Dan. *mær*, a mare; Swed. *märr*, a mare; Du. *merrie*, a mare; G. *mähre*, OHG. *meriha*, a mare; fem. of OHG. *marah*, a battle-horse. β. The AS. *meah*, Icel. *marr*, OHG. *marah*, a battle-horse, steed, are cognate with Irish and Gael. *marc*, W. and Corn. *marc*, a horse, a stallion. Root uncertain. Teut. type \**marh*-, Idg. type \**mark*-, m., a horse; whence Teut. type \**marh-jōn*-, f., a mare. Der. *mar-shal*, q.v. ☞ The mare in *night-mare* (q.v.) is a different word.

**MARGARINE**, a pearl-like substance extracted from hog's lard; and (by misapplication), a substitute for butter. (F.—L.—Gk.—Pers.) A barbarous formation from *margar-ic* (acid), a substance supposed to be present in certain fats; from *margar*-, as in *margar-et*, F. *marguerite*, lit. 'pearl.'—L. *margarita*, pearl.—Gk. *μαργαρίτης*, pearl.—Pers. *murwārid*, a pearl; Rich. Dict. p. 1396.

**MARGIN**, an edge, border. (L.) ME. *margin*; spelt *margyne*, P. Plowman, B. vii. 18. Trevisa (i. 41) translates L. *marginēs* by *margyns*.—L. *margin*-, stem of *margo*, a brink, margin, border; cognate with E. **Mark** (2), q.v. Der. *margin-al*, *margin-al-ly*, *margin-al-ed*. Doublets, *margent*, with excrement *t*, Tyndal, Works, p. 32, col. 2; *marge*, Spenser, F. Q. iv. 8. 61, from F. *marge*; also *mark* (2).

**MARGRAVE**, a marquis, a lord of the marches. (Du.) 'The *maregrau*, as they call him, of Bruges;' tr. of Sir T. More's Utopia, 1551, ed. Arber, p. 28. Cf. *meregrave* in Liber Custumarum, p. 634.—Du. *markgraaf*, a margrave.—Du. *mark*, a mark, also a march, border, border-land; and *graaf*, a count, earl.—G. *markgraf*, similarly compounded. β. For the first element, see **Mark** (2). The second element is Du. *graaf*, G. *graf*, MHG. *grāve*, OHG. *krāvo*, *grāveo*, *grāvo*, a lord chief justice, administrator of justice, count. Of unknown origin; Franck and Kluge reject the explanations from Late L. or Celtic. Kluge dissociates it from AS. *gerēfa*, a reeve, but connects it with Goth. *ga-grēfs*, a decree (Luke, ii. 1). Franck admits association with AS. *gerēfa*; for which see **Reeve** (2). Der. *margrav-ine*, from Du. *markgravin*, where *-in* is a fem. suffix. See **marquis**.

**MARIGOLD**, the name of a plant. (Hybrid; Heb. and E.) The pl. *mary-goulden* occurs in Medical Works of the 14th cent., ed. G. Henslow, p. 81 (from MS. Harl. 2378, fol. 29). Spelt *marygould* in Levins; *maryguld* in G. Douglas, Palace of Honour, Prol. st. 5. In Shak. Wint. Ta. iv. 4. 105. It bears a yellow flower, whence also the Du. name *goud-bloem* (gold-bloom), a marigold. Compounded of **Mary** and **Gold**. Chaucer has *gold for marigold*; C. T. 1931 (A 1929). The Gaelic name is *lus-mairi*, Mary's leek or plant. Flowers named from the Virgin Mary are numerous; hence our *lady's-slipper*, *lady's tresses*, &c. The name *Mary* (from F. *Marie*, L. *Maria*, Gk. *Μαρία*) is Hebrew, and is the same as Heb. *Miryām* or *Miriam*.

**MARINE**, belonging to the sea. (F.—L.) In Cotgrave. [The sb. *mariner* is in much earlier use, spelt *marineer*, Chaucer, C. T. 13367 (B 1627).]—F. *marin*, 'marine, of the sea;' Cot.—L. *marinus*, adj., of the sea.—L. *mare*, the sea; cognate with E. *mere*, a pool; see **Mere** (1). Der. *mariner*, which occurs in Floriz and Blancheflur, ed. Lumby, l. 71; from AF. *mariner*, Liber Albus, p. 381 (footnote); F. *marinier*, 'a mariner;' Cot.

**MARIONETTE**, a puppet. (F.—L.—Gk.—Heb.) Cotgrave has *marionnette*, 'little Marian; . . also, a puppet.' Dimin. of F. *Marion*, Marian, from *Marie*, Mary; see **Marigold**.

**MARISH**, a marsh. (F.—L.) In Ezek. xlvii. 11. Variant of ME. *mareis*, Chaucer, C. T. 6552 (D 970).—OF. *maresche* (Godefroy); also *mareis* (Hatzfeld); Late L. type *mariscus*.—L. *mar-e*, the sea; cognate with **Mere** (1); with suffix *-iscus*. ☞ The F. *marais* is preserved in the name *Beaumaris*, in Anglesey. Doublet, *morass*.

**MARITAL**, belonging to a husband. (F.—L.) In Blount's Gloss., ed. 1674.—F. *marital*, 'belonging to a marriage, esp. on the husband's side;' Cot.—L. *marītālis*, adj., formed from *maritus*, a husband; see **Marry**.

**MARITIME**, pertaining to the sea. (F.—L.) In Shak. Ant. i. 4. 51.—F. *maritime*, 'maritime;' Cot.—L. *maritimus*, adj., formed with suffix *-timus* from *mari*-, for *mare*, the sea, cognate with E. **Mere** (1), q.v.

**MARJORAM**, an aromatic plant. (F.—Late L.) The former *r* is often omitted in various languages. ME. *majoran*, Gower, C. A. iii. 133; bk. vii. 1433.—OF. *majorane* (Godefroy); Late L. *majorāna* (Ducange). Cf. Ital. *majorana*, Span. *mayorana*, Port. *maiorana*;

marjoram.  $\beta$ . Doubtfully connected with Late L. *majoraca*, marjoram, Ducange; thought to be a disfigured form of L. *a-muracus*, marjoram, with loss of initial *a*. — Gk. *μαράκας*, marjoram.

**MARK** (1), a stroke, outline, trace, line, sign. (E.). ME. *merke*, Chaucer, C. T. 6201 (D 619). AS. *mearc*, fem. a mark, sign. + Du. *merk*; Icel. *mark*; Swed. *märke*; Dan. *marke*; G. *marke*, MHG. *marc*, a mark, token. Cf. Lithuan. *margas*, marked, variegated. Prob. the same as **Mark** (2), which seems to be older. Der. *mark*, vb., AS. *mearcian* (Grein); *mark-er*, *mark-ing ink*; *marksman*, Dryden's Meleager (from Ovid, bk. viii), l. 188; also *mark-man*, Romeo, i. 1. 212.

**MARK** (2), a march, limit, boundary. (E.). Not common in ME., the usual form being *merche* or *marche*. ME. *merke*; as in 'merke of felde,' Gen. and Exodus, ed. Morris, 440. AS. *mearc*, fem. a boundary. + OSax. *marka*; Du. *mark*; G. *mark*, fem., OHG. *marcha*; Goth. *marka*, a confine, coast. So also Icel. *mörk*, f., a forest; orig. a boundary. Teut. type \**markā*, f. Allied to L. *margo*, a margin; Zend *merezu*, Pers. *marz*, a border; OIrish *mruig*, a mark, province. See **Mark** (1). The sense of 'boundary' suggested that of 'mark to indicate a boundary.' Doublet, *march* (1). Cf. *margin*.

**MARK** (3), the name of a coin. (Scand.). The Old E. *mark* was valued at 13s. 4d. ME. *mark*, Chaucer, C. T. 12324 (C 390). AS. *marc*; 'i. *marc* goldes' = 1 marc of gold, Diplomatarium Aevi Saxon., ed. Thorpe, p. 379. — Icel. *mörk*; Dan. and Swed. *mark*, a mark. + G. *mark*, a certain weight of silver, viz. 8 oz.; also a coin.  $\beta$ . Perhaps a particular use of **Mark** (1), as denoting (1) a fixed weight, and (2) a fixed value. Cf. the use of *token* to denote a coin.

**MARKET**, a place of merchandise. (F.—L.). In early use. ME. *market*, Old Eng. Miscellany, ed. Morris, p. 16, l. 491. Late AS. *market*, Birch, Cart. Saxon. iii. 582; l. 23. — OF. \**market*, NF. variant of *marchet* (Roland, 1150), mod. F. *marketé*. Cf. Walloon *markiê*, Prov. *mercatz* (Bartsch), Ital. *mercato*, Span. *mercado*, a market. — L. *mercātum*, acc. of *mercātus*, traffic, trade, also a market (whence also G. *markt*, Du. *markt*, Icel. *markaðr*, &c.). — L. *mercātus*, pp. of *mercāri*, to trade. Closely connected with L. *merx*, merchandise. See **Mercantile**. Doublet, *mart*. Der. *market-able*, Temp. v. 266; *market-cross*, -town. And see *merchant*.

**MARL**, a rich earth. (F.—L.). ME. *marle*, *marl*, Trevisa, ii. 15; see Spec. of Eng. ed. Morris and Skeat, p. 236, ll. 25, 27. Dissyllabic in *marle-pit*, Chaucer, C. T. 3460. — OF. *marle*, *merle*, *malle*, now spelt *marne*; cf. Picard and Walloon *marle*, Gascon *merle*; and see Littré, s.v. *marne*. Cot. has the derivative *marliere*, 'a marle-pit.' — Late L. *margila*, *marl*; dimin. of Late L. *marga*, *marl* (a common word); Ducange. It occurs in Pliny, xvii. 6. 4, § 42, who considers it to be a word of Gaulish origin. ¶ The Irish and Gael. *marla*, W. *marl*, must be borrowed from E.; the G., Du., Dan., and Swed. *mergel* are from the L. *margila*. Der. *marl-y*, *marl-pit*.

**MARLINE**, a small cord used for binding large ropes, to protect them. (Du.) 'Some the galled ropes with dauby marling bind;' Dryden, Annus Mirabilis, st. 148. — Du. *marling*, *marlijn*, a marline; also called *marlreep* (corruption of *marreep*). So called from its use in binding ropes. — Du. *marren*, to tie (MDu. *marren*, *maren*, 'to bynde, or to tie knots,' Hexham); and *lijn* (corruptly *ling*), a line, borrowed from F. *ligne*, L. *linea*, a line. Similarly *mar-reep*, from *reep*, a rope. The MDu. *maren* = E. *moor*, in the expression 'to moor a ship.' See **Moor** (2) and **Line**. Der. *marline-spike*.

**MARMALADE**, a jam or conserve, gen. made of oranges, but formerly of quinces. (F.—Port.—L.—Gk.). 'Marmalet, Marmelade, a kind of confection made of quinces, or other fruit;' Phillips. Spelt *marmalat*, *marmalet* in Levins; *marmalet* in Baret; *marmelad* in Tyndall, Works, p. 229, col. 2. — MF. *marmelade*, 'marmelade;' Cot. Mod. F. *marmelade*. — Port. *marmelada*, *marmelade*; orig. made of quinces. Formed with suffix *-ada* (like that of a fem. pp.) from *marmel-o*, a quince; thus the sense is 'made of quince.' — L. *melimelum*, lit. a honey-apple, sometimes applied to the quince, as shown by the allied word *mēlomeli*, the syrup of preserved quinces. — Gk. *μελίμηλον*, a sweet apple, an apple grafted on a quince; cf. *μηλόμηλον*, honey flavoured with quince. — Gk. *μέλι*, honey, cognate with L. *mel*, honey; and *μήλον*, an apple. See **Mellifluous** and **Melon**.

**MARMOSET**, a small variety of American monkey. (F.—L.). Formerly applied to a different animal, as the word is older than Columbus. ME. *marmosette*, *marmozette*. 'Apes, marmozettes, babewynes [baboons], and many other dyverse bestes;' Mandeville's Travels, ed. Halliwell (1866), p. 210; see Wright's note to Temp. ii. 2. — F. *marmouset* (OF. *marmoset*), 'the cock of a cestern or fontaine, made like a woman's dug; any antick image, from whose teats water trilleth; any puppet, or antick; any such foolish or odd representation; also, the minion, favorite, or flatterer of a prince;' Cot. It would seem that the word was applied to some kind of ape because of its grotesque antics.  $\beta$ . The origin of OF. *marmoset* (Cotgrave) looks uncertain; and Scheler's statement that the Late L. *vicus mar-*

*morētūrum* occurs as a translation of F. *rue des Marmousets* turns out to be a mistake; as the L. form is *marmosēlōrum*.  $\gamma$ . At the same time, it is perfectly clear that one reason for the use of this particular word as meaning a kind of ape was due to a connexion with the F. word *marmot* (not to be confused with E. *marmot*, which may be a different word). Cotgrave has: 'Marmot, a marmoset, or little monkey;' also: 'Marmotte, a she marmoset, or she monkey.' The etym. of this F. *marmot* is uncertain; the most likely explanation is Scheler's; he takes it to be a dimin. with suffix *-ot* from OF. *merme*, little, tiny, lit. very small. This OF. *merme* is a curious derivative of L. *minimus* (like OF. *arme* from L. *animus*); see **Minim**. This gives to F. *marmot* the sense of 'dear little creature,' and accounts for the mod. use in the senses of 'puppet' and 'little child' (Hamilton); cf. Ital. *marmotta*, 'a marmoset, a babie for a childe to play withall, a puggle;' Florio. Körting, § 1678.

**MARMOT**, a mountain-rat, a rodent animal. (F.—Rom.—L.). Sometimes introduced into Eng. from Ital. Ray speaks of 'the Marmotto or mus Alpinus, a creature as big [as] or bigger than a rabbit;' On the Creation, pt. ii (R.). 'Marmotto, a mountain-rat;' Kersey, ed. 1715. Also Englished from F. *marmotte*; cf. Ital. *marmotta*, 'a marmotte,' Baret; substituted for *marmolana*, 'the mountain-rat, a marmotan;' Torriano. [Cf. OF. *marmolaine*, *marmotan*, 'the Alpine mouse, or mountain-rat;' Cot.] — Romansch (Grisons) *marmout*; cf. OHG. *murmuntli*, *muremunt*, a marmot. — L. *mūr-*, for *mūs*, a mouse, and *montis*, gen. of *mons*, a mountain. Thus the sense is 'mountain-mouse.' See **Mountain and Mouse**. ¶ So in Diez. But Körting (§ 6387) rejects this etymology, and proposes to refer *marmotte* to OF. *merme*, very small, from L. *minimus*; cf. Romania, xxiii. 237, and see **Marmoset**.

**MARON** (1), brownish-crimson. (F.—Ital.). Not in Todd's Johnson. 'Marones or great chesnuts;' Passenger of Benvenuto (1612). Lit. 'chesnut-coloured.' — F. *marron*, 'the great chestnut;' Cot. — Ital. *marrone*; Florio gives the pl. as *marroni*, *maroni*, 'a kind of greater chestnuts then any we haue.' Of unknown origin; Diez suggests a connexion with the L. name *Maro*. Cf. late Gk. *μάραον*, the fruit of the cornel-tree, in Eustathius (12th cent.).

**MAROON** (2), to put ashore on a desolate island. (F.—Span.—L.—Gk.). It occurs in Scott, The Pirate, c. xli. Dampier has: 'I was . . . morooned or lost;' Voy. (1699); v. ii. pt. 2. p. 84; cf. p. 95. And see *Maroons* in Haydn, Dict. of Dates. — F. *marron*, adj., an epithet applied to a fugitive slave; *negre marron*, a fugitive slave who takes to the woods and mountains (Littré); hence the E. verb *to maroon* = to cause to live in a wild country, like a fugitive slave. See Scheler, who points out that the F. word is a clift form of Span. *cimarron*, wild, unruly; hence, savage. Of unknown origin.  $\beta$ . Some have connected it with Span. *cima*, a mountain-summit. Cf. Ital. and Port. *cima*, F. *cime*, a mountain-top; according to Diez, the OSpan. *cima* also meant a twig, sprout; from L. *cýma*, a young sprout of a cabbage. — Gk. *κύμα*, anything swollen, a wave, young sprout. ¶ Mr. Wedgwood says that 'the fugitive negroes are mentioned under the name of *symarons* in Hawkins' Voyage, § 68, where they are said to be settled near Panama.' He also cites the following: 'I was in the Spanish service, some twenty years ago in the interior of Cuba, and *negro cimarrón* or briefly *cimarrón*, was then an everyday phrase for fugitive or outlawed negroes hidden in the woods and mountains;' Notes and Queries, Jan. 27, 1866. Verified by Granada's Vocab. Rioplatense, which has *cimarron*, adj., belonging to the hills, said of animals and plants; applied in Span. to slaves.

**MARQUE, LETTERS OF**, letters authorising reprisals. (F.—Prov.—G.). The old sense of *letter of marque* was a letter signed by a king or prince authorising his subjects to make reprisals on another country, when they could not otherwise get redress. It is now only used in naval affairs, to show that a ship is not a pirate or a corsair. Palsgrave has: 'I sende forthe a *letter of marke*,' &c. 'Law of Marque, or [corruptly] *Mart*;' this word is used 27 Edw. III, stat. 2. c. 17, and grows from the German word *mark* [which, however, is the English form of the word], i. e. *limes*, a bound or limit. And the reason of this appellation is because they that are driven to this law of reprisal, take the goods of that people (of whom they have received wrong and can get no ordinary justice) when they catch them within their own territories or precincts;' Blount's Gloss., ed. 1674. 'Marque . . . signifies in the ancient statutes of our land as much as reprisals; as An. 4 Hen. V, c. 7, *Marques and Reprisals* are used as *synonima*; and *letters of marque* are found in the same signification in the same chapter;' id. See also Ducange, s.v. *Marcha*. In one instance, cited by Wedgwood and Littré, the OF. *marquer* seems to mean 'to pillage,' the lit. sense being 'to catch within one's borders.' Littré also shows that the spelling *marche* was used in the same sense as *marque*, in this connexion; it would hence appear that *marque* is lit. a border, and hence a catching within one's borders, as explained by Blount above. — OF. *marque*, properly a boundary;

explained by Cot. as 'a distresse, arrest, or seizure of body or goods.' He also gives: '*Droit de Marque*, power to arrest the body, and seize the goods of another; granted by the king, and in old time given by the parliament, against a stranger or forreiner.'—Prov. *marca* (mod. *marco*), verbal sb. from *marcar*, to seize by way of reprisal (Hatzfeld); cf. also Prov. *marca*, a mark.—MHG. *marke*, OHG. *marca*, a march, boundary, border. See **MARCH** (1) and **MARK** (2). The corrupt form *letters of mart* occurs in Beaum. and Fletcher, *Wife for a Month*, ii. 1 (Tony).

**MARQUEE**, a large field-tent. (F.—G.) Modern; not in Todd's Johnson. This is one of the words in which a final *s* has been cut off, from a false idea that *marquees* is a plural form; so also we have *sherry* for *sherris*, *pea* for *pease*, and '*Chinee*' for *Chinese*, &c. *Marquees* is nothing but an E. spelling of F. *marquise*, an officer's tent, large tent, *marquee*. β. Littré says that *marquise*, a tent, a little elegant construction, was no doubt so named from *marquise*, a marchioness, or lady of rank who was to be protected from the inclemency of the weather. That is, it is short for 'tent of the marchioness.' The F. *marquise* is the fem. of *marquis*, a marquis; see **MARQUIS**.

**MARQUETRY**, inlaid work. (F.—MHG.) In Sir T. Herbert's *Travels*, ed. 1665, p. 146.—F. *marqueterie*, 'inlaid work of sundry colours'; Cot.—F. *marqueter*, 'to inlay, to diversify, flourish, or work all over with small pieces of sundry colours, also, to spot'; id. Lit. 'to mark slightly, or with spots'; iterative form of *marquer*, to mark.—F. *marque*, a mark.—MHG. *mark*, G. *marke*, a mark, token; cognate with E. *mark*; see **MARK** (1).

**MARQUIS**, a title of nobility. (F.—Low L.—G.) ME. *markis*, *marquis*; Chaucer, C. T. 7940, 8473 (E 64, 597).—OF. *marchis* (Hatzfeld), later *marquis*, 'a marquess, in old time the governor of a frontire, or frontire town'; Cot. Cf. Prov. and Span. *marques*, Port. *marquez*, Ital. *marchese*.—Low L. *marchensis*, a prefect of the marches.—Low L. *marcha*, a march, boundary.—OHG. *marcha*, a march, boundary; see **MARCH** (1) and **MARK** (2). ¶ The true OF. form was *marchis*; altered to *markis* by the influence of Ital. *marchese* (with *ch* as *k*); Hatzfeld. Der. *marquis-ate*, in Minsheu; also *marchioness*=Low L. *marchiōnissa*, formed with fem. suffix *-issa* (=Gk. *-ισσα*) from Low L. *marchiōn-em*, acc. of *marchio*, a prefect of the marches, which is a variant of *marchensis*. Also *marquee*, q.v. Doublet, *marquess*, Merch. Ven. i. 2. 125, from Span. *marques*; cf. *margrave*, q.v.

**MARROW** (1), pith, soft matter within bones. (E.) ME. *marow*, *marwhe*, *marughe* (with one *r*), Prompt. Parv. p. 326. More commonly *mary*, Chaucer, C. T. 12476 (C 542). AS. *meark*, marrow, dat. *mearge*, Voc. 159. 32. OMerc. *merg*, dat. *merge*, Corpus gloss. 1308. +Du. *merg*, marrow, pith; Icel. *mergr*, marrow; Swed. *merg*; Dan. *marv*; G. *mark*, OHG. *marag*, marrow. Teut. types \**mazgom*, n., *mazgoz*, m. Further allied to Russ. *mogz*, marrow; Zend *mazga-*, Pers. *maghz*; and Skt. *majjan* (for \**masjan*), marrow of bones, pith or sap of trees. Root unknown. ¶ The Gael. *smior*, marrow, strength, Irish *smear*, grease, W. *mer*, marrow, do not belong here, but are related to E. *smear*. Der. *marrow-bone*, ME. *mary-bone*, Chaucer, C. T. 382.

**MARROW** (2), a companion, partner. (Scand.) ME. *marwe*, 'socius'; Prompt. Parv.—Icel. *margr*, (1) many; (2) friendly; see Vigfusson. Cognate with E. *many*; see **MANY**.

**MARRY**, to take for a husband or wife. (F.—L.) Properly 'to provide with a husband.' ME. *marien* (with one *r*), Rob. of Glouc. p. 30, l. 700.—F. *marier*, to marry.—L. *marītāre*, (1) to give a woman in marriage, (2) to take a woman in marriage.—L. *maritus*, a husband; the fem. *marita* means lit. provided with a husband, or joined to a male.—L. *mari-*, for *mās*, a male. See **MALE**. Der. *marri-age*, ME. *mariage* (with one *r*), Rob. of Glouc. p. 31, l. 726, from F. *mariage*, which from Late L. *marītaticum*, a woman's dowry, in use A. D. 1062, later *marītāgium* (Ducange); *marriage-able*, *marriage-able-ness*. And see *marital*.

**MARSALA**, a wine. (Ital.) From *Marsala*, a town on the W. coast of Sicily.

**MARSH**, a morass, swamp, fen. (E.) ME. *mersche*, Wyclif, Gen. xli. 18 (earlier text). AS. *mersc*, a marsh; Grein, ii. 234. [The change from *sc* to *sh* is usual and regular.] *Mersc* is a contraction of *mer-isc*, orig. an adj. signifying full of meres or pools (=mere-ish); Teut. type \**mar-isk-*; formed with suffix *-isc* (*-ish*) from Teut. \**mari-*, AS. *mere*, a mere, pool, lake; see **MERE**. +Low G. *marsch*, Bremen Wörterbuch, iii. 133. Der. *marsh-y*, *marsh-i-ness*.

**MARSHAL**, a master of the horse; variously applied as a title of honour. (F.—OHG.) The orig. sense is 'horse-servant,' a farrier or groom; it rose to be a title of honour, like *constable*, q.v. ME. *mareschal*, Rob. of Glouc. p. 491, l. 10081; *marshal*, P. Plowman, B. iii. 200.—OF. *mareschal* (mod. F. *maréchal*), 'a marshal of a kingdom or of a camp (an honourable place), also, a blacksmith, farrier'; Cot.—OHG. *maraschalh* (MHG. *marshalc*, G. *marschall*),

an attendant upon a horse, groom, farrier.—OHG. *marah*, a battle-horse, whence the fem. *meriha*, a mare, cognate with E. **MARE**, q.v.; and *schalh*, MHG. *shalc*, a servant, whence G. *schalk*, a knave, a rogue (by a change of sense parallel to that of E. *knave*). β. The latter element is cognate with AS. *scealc*, a servant, man (Grein), Du. *schalk*, a knave, Icel. *skálkr*, a servant, knave, rogue, Swed. *skalk*, a rogue; the oldest form and sense being preserved in Goth. *skalks*, a servant, Mat. viii. 9. Der. *marshal*, vb., Macb. ii. 1. 42, the sense being 'to act as marshal,' it being orig. a part of his duty to arrange for tournaments and to direct ceremonies; *marshall-er*, *marshal-ship*. ¶ The syllable *-shal* occurs also in *sene-schal*, q.v.

**MARSUPIAL**, belonging to a certain family of animals. (L.—Gk.) Modern. Applied to such animals as have a pouch in which to carry their young.—L. *marsūpium*, a pouch.—Gk. *μαρσῦπιον*, *μαρσῖπιον*, a little pouch; dimin. of *μάρσιπος*, *μάρσιπος*, a bag, pouch (Xenophon, *Anab.* 4. 3. 11).

**MART**, a contracted form of **MARKET**, q.v. In Hamlet, i. 1. 74.

**MARTELLO TOWER**, a circular fort on the S. coast of England. (Ital.—L.—Gk.—Pers.) 'The English borrowed the name of the tower from Corsica in 1794;' Webster. More correctly *Mortella*, because the fort taken in 1794 by the English was situate in *Mortella* bay, Corsica (Davies). The Ital. *mortella* means a myrtle.

¶ Some have thought that these towers were called *torri di martello* because the watchmen gave the alarm by striking the bell with a hammer; Sir G. C. Lewis, *Letters*, 1802, p. 419 (see quot. in Davies, *Suppl. Glossary*). Torriano has *sonare le campane a martello*, to sound the bells with a hammer, to give an alarm; and see Ariosto's Orlando, x. 51; xiv. 100. Hence the mistaken spelling. Cf. N. and Q. 10 S. iii. 193. See **MYRTLE**.

**MARTEN**, a kind of weasel. (F.—Low L.—Teut.) α. *Marten* is a contraction of the older form *martern*, in Harrison's Description of England, b. ii. c. 19, ed. Furnivall, p. 310, and in Palsgrave; ME. *martryn*, properly 'marten's fur,' used by Lydgate (Halliwell's Dict.). β. Again, *martin* is an adj. form; from OF. *martin*, adj., belonging to the marten (Godefroy); cf. OF. *martrine*, f., marten's fur. The E. sb. is *marter* or *martre*; it is spelt *martre* in Caxton, tr. of Reynard the Fox, ed. Arber, p. 112, l. 18.—F. *martre* (also *marle*), 'a martin,' Cot.; spelt *martre* in the 11th cent. (Littré). Cf. Ital. *martora*, Span. *marta*, Low L. \**marturis*, of which Ducange gives the pl. *marturēs*, as being a common word; also *martalus* (with the common change of *l* for *r*).—Teut. type \**marþ-uz*, a marten; cf. MHG. and G. *marder*; Du. *marter*; AS. *meard*, a marten, Orosius, i. 1; see Sweet's A. S. Reader; Icel. *mörðr* (gen. *marðar*); Swed. *mård*; Dan. *maar* (for \**maard*). Root unknown. ¶ 1. The supposed L. *martes*, a marten, is due to a doubtful reading in Martial, 10. 37. 18, and cannot be relied on. It is curious that the AS. name was lost, and replaced by the F. one; but many terms of the chase are Norman.

**MARTIAL**, warlike, brave. (F.—L.) In Shak. Hen. V, iv. 8. 46; Lydgate, *Minor Poems*, p. 5.—F. *martial*, 'martiall'; Cot.—L. *Martiālis*, dedicated to Mars.—L. *Marti-*, decl. stem of *Mars*, the god of war; see **MARCH** (3). Der. *martial-ly*; also *martial-ist* (obsolete), *Two Noble Kinsmen*, i. 2. 16.

**MARTIN**, a bird of the swallow kind. (F.) In Minsheu, ed. 1627, the name of the bird is given as *martin*, *marten*, *martinet*, and *martelet*. Palsgrave has *martynet*. Of these forms, *marten* is corrupt; and *martinet*, *martelet* are dimin. forms, for which see **MARLET**.—F. *martin*, (1) a proper name, Martin, (2) the same name applied to various birds and animals (Scheler); thus *martin-pêcheur* is a kingfisher (Hamilton), and *oiseau de S. Martin* is 'the ring-tailed or hen-harm,' Cot.; whilst the MF. name for the martin was *martinet*; Cot. A note to Dunbar's Poems (S. T. S.), ii. 223, says that the hen harrier was called in F. *oiseau de Saint-Martin* because it traverses France about Nov. 11 (St. Martin's day). Der. *mart-let*, q.v. Also (from the name *Martin*) *Martin-mas* or (corruptly) *Martle-mas*, 2 Hen. IV, ii. 2. 110; *martin-et*, q.v.

**MARTINET**, a strict disciplinarian. (F.) 'You *martinet* rogue;' Wycherley, *Plain Dealer* (1677), A. iii. sc. 1. 'So called from an officer of that name, whom Voltaire describes as the regulator of the French infantry under Louis XIV' (A. D. 1643–1715); Todd's Johnson. See Sir S. D. Scott, *The British Army*, iii. 302. The name is a dimin. of the name *Martin*; see **MARTIN**.

**MARTINGALE**, **MARTINGAL**, a strap fastened to a horse's girth to hold his head down; in ships, a short spar under the bowsprit. (F.—Prov.) The ship's *martingale* is named from its resemblance, in situation, to the horse's. The word, spelt *martingal*, is given in Johnson only with respect to the horse. Minsheu, ed. 1627, speaks of 'a *martingale* for a horse's tail;' the word also occurs in Cotgrave.—F. *martingale*, 'a martingale for a horse;' Cot. He also gives: 'a *la martingale*, absurdly, foolishly, untowardly, . . . in the homeliest manner.' β. See the account in Littré, who shows that the term arose from an oddly made kind of

breeches, called *chausses à la martingale*, a phrase used by Rabelais. Cf. Span. *martingal*, an old kind of breeches; Ital. *martingala*, an old kind of hose.  $\gamma$ . The explanation of Ménage is accepted by Littré and Scheler. He says the breeches were named after the *Martigaux* (pl. of *Martigal*), who were the inhabitants of a place called *Martigues* in Provence (S. of France). See Mistral, who gives Prov. *martingalo*, *marlegalo*, a martingale (both for horse and ship). —Prov. *Martingau*, *Marlegau*, an inhabitant of Martegue. —Prov. *Martegue*, *Martigue*, near the mouths of the Rhone; said to be named from St. Martha, who was supposed to be buried at Tarascon.

**MARTINMAS, MARPLEMAS**, the feast of St. Martin; Nov. 11. (Hybrid; F. and L.) Palsgrave has *Martylmas*. The corruption to *Martlemas* (2 Hen. IV, ii. 2. 110) is due to the easy change of *n* to *l*; see **LILAC**. ME. *Martymesse*, Rob. of Brunne, tr. of Langtoft, p. 230, l. 1. Compounded of the F. proper name *Martin*; and ME. *messe* = AS. *mæsse*, from L. *missa*, a mass. See **Martin** and **Mass** (2).

**MARTLET** (1), a kind of bird, a martin. (F.) In Levins; and in Shak. Merch. Ven. ii. 9. 28. *Martinet* in Baret (1580). A corruption of the older name *martnet* or *martinet* by the same change of *n* to *l* as is seen in *Martlemas* for *Martinmas*. '*Martnet*, *martenet*, byrd;' Prompt. Parv. p. 327. —F. *martinet*, 'a martlet or martin;' Cot. Picard *martinet*, a martin; also *martelot*, in the department of la Meuse (Corblet). Dimin. of F. *martin*, a martin; with suffix *-et*. See **Martin**.

**MARTLET** (2), a swift; in heraldry. (F.—L.) The name was orig. *merlette*, altered to *martlet* by confusion with *martlet* (1), which meant 'a martin,' a bird closely allied to the swift. The alteration was earlier than Cotgrave's time, as he gives F. *merlette*, f., 'a martlet, in blason.' But the true sense of *merlette* was 'a little blackbird.' —F. *merle*, a blackbird. —L. *merula*; see **MERLE**.  $\gamma$  We find OF. *merlos*, pl. of *merlot*, in the sense of 'martlets' or swifts, in the Roll of Caerlaverock (1300), p. 7. See Notes on E. Etym., p. 179.

**MARTYR**, one who suffers for his belief. (L.—Gk.) Lit. 'a witness' to the truth. ME. *martir*, O. Eng. Homilies, ed. Morris, ii. 185, l. 10. AS. *martir*, Ælfred, tr. of Bede, lib. i. c. 7. —L. *martir*. —Gk. *μάρτυρ*, *μάρτυς*, a witness; lit. one who remembers, records, or declares. Cf. Skt. *smṛ*, to remember, desire, record, declare. — $\sqrt{\text{SMER}}$ , to remember; whence also E. *memory*, Gk. *μνήμνη*, care, &c. Der. *martyr-dom*, AS. *martyr-dōm*; also *martyrology*, from Gk. *μάρτυρο-*, decl. stem of *μάρτυς*, with the common suffix *-logy* of Gk. origin, from *λέγειν*, to speak; *martyrolog-ist*.

**MARVEL**, a wonder. (F.—L.) ME. *merveille*; King Alisaunder, l. 218. —F. *merveille*, 'a marvel;' Cot. [Cf. Span. *maravilla*, Ital. *maraviglia*, Port. *maravilha*.] —L. *mirabilia*, neut. pl., wonderful things; according to the common confusion in Late L. between the fem. sing. and neut. pl.; from the adj. *mirabilis*, wonderful. —L. *mīrārī*, to wonder at. —L. *mīrus*, wonderful; formed with suffix *-rus* from the base *mī-*, later form of *smī-*. See **MIRACLE**. Der. *marvellous*, ME. *meruailous*, Rob. of Brunne, tr. of Langtoft, p. 174, l. 20; *marvellous-ly*, *marvellous-ness*; also *marvel*, vb., ME. *meruailen*, *merueillen*, P. Plowman, B. xi. 342.

**MASCLE**, in heraldry; a perforated lozenge. (F.—L.) An erroneous spelling of OF. *macle*. —OF. *macle*, a mascle, or lozenge-shaped plate of steel, used in making scale-armour (Godefroy); MF. (and F.) *macle*, 'the mash [mesh] of a net; also, in blazon, a mascle, or short lozenge, having a square hole in the midst;' Cot. —L. *macula*, a mesh; whence also **MAIL** (1), q.v. Perhaps confused with OHG. *masca*, a mesh. Doublet, *mail* (1). See Notes on E. Etym., p. 181.

**MASCULINE**, male. (F.—L.) ME. *masculin*, Chaucer, tr. of Boethius, b. ii. pr. 3. l. 28. —F. *masculin*, 'masculine;' Cot. —L. *masculinus*, lengthened from *masculus*, male; see **MALE**. Der. *masculine-ly*, *masculine-ness*.

**MASH**, to beat into a mixed mass. (E.) The old sense was 'to mix.' 'To *masche*, miscere;' Levins, 35. 10. '*Maschyn*, yn brewynge, miscio; *Maschyng*, mixtura, mixtio;' Prompt. Parv. Also ME. *mēshen*, to mash; Owl and Nightingale, 84; as if from AS. \**māscan*, from \**māsc*, sb. To *mask* is, in particular, to steep malt; the tub into which the refuse grains are put is called the *mask-tub*, whence pigs are fed. A *mask* for horses is a mixture of malt and bran. Cf. Lowland Scotch *mask-fat*, a vat for brewing; *masking-fat*, a mashing-vat; *masking-pat*, a tea-pot, lit. a pot for steeping or infusing tea (see Burns, When Guildford good our pilot stood, st. 1). See Halliwell and Jamieson. Apparently E.; cf. AS. *māx-wyrt* (for \**māsc-wyrt*), wort, new beer, Cockayne's Leechdoms, ii. 87, 97, 107. Here *māx* stands for *māsc*, as usual, whence Sc. *mask*, E. *mask*; the sense of *māsc* was probably a mixture, esp. brewers' grains. +Swed. dial. *mask*, brewers' grains (Rietz), Swed. *māsk*, grains; Swed. *māska*, to mash; Dan. *mask*, a mash; whence *mask-kar*, a mashing-tub; *maske*, to mash, to fatten pigs (with grains); North Friesic *māsk*,

grains, draff (Outzen); Norw. *meisk*, sb., *meiska*, vb.; G. *meisch*, a mash (of distillers and brewers); whence *meischfass*, a mash-vat, *meischen*, to mash, mix.  $\beta$ . Thus the verb to *mask* is due to the sb. *mask* (from AS. *māsc*-, with vowel-shortening), meaning 'a mixture;' and it is probable that the base \**māsc*- (Teut. \**maisk*-) is allied by gradation to *misc*-, as in AS. *miscian*, to mix; see **MIX**. The Irish *masgaim*, I infuse, mash malt, Gael. *masg*, to mix, infuse, steep, are borrowed from E. But Irish *measgaim*, I mix, Gael. *measg*, to mix, W. *mysgu*, to mix, as well as Lithuan. *maiszyti*, to stir things in a pot, from *miszti*, to mix (Nesselmann), are cognate.  $\gamma$  Unconnected with OF. *mascher*, F. *mâcher*, which is merely L. *masticare*, to chew.

**MASK, MASQUE**, a disguise for the face; a masked entertainment. (F.—Span.—Arab.) It is usual to write *mask* in the sense of visor, and *masque* in the sense of masquerade; there is no reason for this distinction. Perhaps we may call *mask* the E., and *masque* the F. spelling. No doubt it is, and long has been, gen. supposed that the entertainment takes its name from the visor, according to the F. usage; but it is remarkable that the sense of entertainment is an old one, the use of the visor being accidental. The sense of entertainment is a common one in old authors. 'A jolly company in manner of a *maske*;' Spenser, F. Q. iii. 12. 5. 'The whiles the *maskers* marched forth in trim array;' id. iii. 12. 6. 'Some have I sene ere this, full boldlye come daunce in a *maske*, whose dauncing became theym so well, that yf theyr vysours had bene of [off] theyr faces, shame woulde not haue suffred theym to set forth a foote;' Sir T. More, Works, p. 1039 c. 'Cause them to be deprehended and taken and their *maskers* taken of [off] and theyr hipocrisie to be dyscouered;' id. p. 758 b. Note here the use of *maskers* in the sense of *masks*; it is not a mistake, but correct according to the Span. spelling, as will appear. —F. *masque*, 'a mask, a visor;' Cot.  $\beta$ . This F. *masque* is probably due to the Late L. *masca*, a mask, or a spectre, in the Corpus Glossary, l. 1275. But we must further consider the fuller forms evidenced by MF. *masquarizé*, 'masked;' Cot.; as well as by *masquerie*, *masquerade*, *mascarade*, 'a mask or mummery.'  $\gamma$ . The last form, *mascarade*, is plainly borrowed from Span. *mascarada*, a masquerade, assembly of maskers, from *mascara*, a masker, masquerader, also a mask. Cf. Ital. *mascherata*, a masquerade; *mascherare*, to mask, *maschera*, a mask; so that Sir T. More's use of *masker* = mask, is fully accounted for. —Arab. *maskharat*, 'a buffoon, a fool, jester, a droll, a wag, a man in masquerade; a pleasantry, anything ridiculous or mirthful, sport; Pers. *maskharah kardan*, to ridicule or deride, to play the buffoon;' Rich. Pers. Dict. p. 1416. —Arab. root *sakhira*, he ridiculed; id. p. 815.  $\gamma$  Both sources seem real; as M. Devic remarks, in the Supplement to Littré, it is needless to give all the details in full by which the latter etymology can be proved. It is sufficient to refer to Dozy, Glossaire des Mots Espagnols tirés de l'Arabe. Der. *mask-er*; also *masquer-ade*, explained above; whence *masquerad-er*.

**MASON**, a worker in stone. (F.—Late L.—G.?) In early use. ME. *mason*, King Alisaunder, l. 2370; spelt *mascum*, Floriz and Blancheflor, l. 326. —OF. *maçon*, *masson* (F. *maçon*), 'a mason;' Cot. —Late L. *macionem*, acc. of *macio*, a mason; we find also the forms *machio*, *macho*, *maco*, and even *marcio*, *mactio*, *matio*, *mattio*.  $\beta$ . The difficulty is to tell the true Low Lat. form; *marcio* is probably wrong, and *mactio* may be a misreading of *mattio*. If we take *matio* or *mattio* as the standard form, we may perhaps suppose *machio*, *macho*, *macio*, *maco* to come from it; the difficulty of distinguishing between *c* and *t* in MSS. is often very great.  $\gamma$ . *Mattio* may be referred to a Teut. stem \**matjon-*, m., i.e. a cutter, from a base \**mat-*, to hack, or cut; whence possibly E. *mattock*. Cf. OHG. *mezzo*, a mason, G. *steinmetz*, a stonemason. Der. *mason-ic*; also *mason-ry*, Rom. of the Rose, l. 302, from F. *maçonnerie*, from the verb *maçonner*, to do mason's work.

**MASQUE, MASQUERADE**; see **Mask**.

**MASS** (1), a lump of matter, quantity, size. (F.—L.—Gk.) ME. *masse*, Prompt. Parv. —F. *masse*, 'a masse, lump;' Cot. —L. *massa*, a mass. (Prob. not a true L. word, but taken from Gk.) —Gk. *μάζα*, a barley-cake, closely allied to *μάγμα*, any kneaded mass. —Gk. *μάσσειν* (for \**μάε-yeiv*), to knead. Cf. Lith. *minkyti*, to knead. Der. *mass*, vb.; *mass-ive*, from F. *massif*, 'massive;' Cot.; *mass-ive-ly*, *mass-ive-ness*; also *mass-y* (an older adj., with E. suffix *-y* = AS. *-ig*), Spenser, F. Q. iii. 11. 47; *mass-i-ness*.

**MASS** (2), the celebration of the Eucharist. (L.) ME. *messe*, *masse*, P. Plowman, B. v. 418, C. viii. 27; Chaucer has *masse-peny*, C. T. 7331 (D 1749). Spelt *messe* in Havelock, 188. [Not from F. *messe*, but directly from L.] Omerc. *messe*, Matt. viii. 4; AS. *mæsse*, (1) the mass, (2) a church-festival, Grein, ii. 226; Ælfred, tr. of Bede, b. iv. c. 22, ed. Whelock, p. 319. —Late L. *missa*, (1) dismissal, (2) the mass; see Ducange.  $\beta$ . The name is usually accounted for by supposing that the allusion is to the words *ite, missa est* (go, the congregation is dismissed), which were used at the

conclusion of the service. 'Come I to ite, missa est, I holde me yserued' = If I come in time to hear the last words of the service, it suffices for me; P. Plowman, B. v. 419. Wedgwood suggests that it meant rather the dismissal of the catechumens who were not allowed to remain during the celebration of the eucharist; for which he cites the following passage from Papias: 'Missa tempore sacrificii est quando catecumeni foras mittuntur, clamante leuita [the deacon], Si quis catecumenus remansit, exeat foras; et inde missa, quia sacramentis altaris interesse non possunt, quia nondum regenerati sunt.' γ. It matters little; for we may be sure that *missa* is, in any case, derived from L. *missa*, fem. of *missus*, pp. of *mittere*, to send, send away; see **Missile**. ¶ The change of vowel from L. *i* to AS. *æ* is remarkable, but we find a similar change in Icel. *messa*, Swed. *mess*, Dan. *messe*; and still more clearly in G. *messe* from OHG. *mess* and *missa*; also in OF. *messe*, Ital. *mess*. (All these words are, of course, borrowed from Romanic, which substitutes *e* for L. short *i*; cf. F. *vert* from L. *uiridem*.) Der. *Candle-mas*, *Christ-mas*, *Hallow-mas*, *Lam-mas*, *Martin-mas*, *Michael-mas*; q. v.

**MASSACRE**, indiscriminate slaughter, carnage. (F.—O. Low G.?) Pronounced *massâcre* in Spenser, F. Q. iii. 11. 29; he also has *massâcred*, id. iii. 3. 35.—F. *massacre*, 'a massacre'; Cot. Also *massacer*, 'to massacre'; id. The OF. sb. is *maçacre*, *machacre* (Godefroy). β. Of disputed origin; perhaps extended from Low G. *matsken*, to cut, to hew (Bremen Wörterb. iii. 137), Du. *matsen*, to maul, to kill. Cf. G. *metzeln*, an extension of *metzen*, to cut, to kill (Flügel); G. *metzelei*, a massacre, butchery, slaughter; see **Mason**. ¶ The F. word is one of much difficulty; the above solution is very doubtful. See Norm. dial. *machacre*, a massacre (Moisy), allied to ONF. *macheclier*, a butcher (Wace); cf. Late L. *macellarius*, a butcher (Ducange), from L. *macellum*, shambles, meat-market. Cf. also OF. *maceclier*, *macheclier*, *macacrier*, *macecrier*, &c., a butcher (Godefroy). This seems to lead to a right solution, though the forms are abnormal.

**MAST** (1), a pole to sustain the sails of a ship. (E.) ME. *mast*, Chaucer, C. T. 3264. AS. *mæst*, the stem of a tree, bough, mast of a ship; Grein, i. 226 (whence Icel. *mastr* was prob. borrowed). + Du. *mast*; Swed. and Dan. *mast*; G. *mast*. Prob. cognate with L. *mālus* (<\**mazdos*), a mast; Brugmann, i. § 587. Der. *mast-less*, *dis-mast*.

**MAST** (2), the fruit of beech and forest trees. (E.) The orig. sense is 'edible fruit,' with reference to the feeding of swine. ME. *mast*. 'They eten mast'; Chaucer, *Ætas Prima*, l. 7. AS. *mæst*; 'prim hund swīna mæst' = mast for three hundred swine; Thorpe, *Diplomatarius Ævi Saxonici*, p. 70. + G. *mast*, (1) mast, (2) stall-feeding, fattening; whence *māsten*, to fatten. β. Doubtless allied to Skt. *mēdas*, sb., fat; see Brugmann, i. § 698.

**MASTER**, a superior, lord, teacher. (F.—L.) In early use. ME. *maister*, *meister*, spelt *meister*, O. Eng. Homilies, ed. Morris, i. 47, l. 29.—OF. *maistre*, *meistre*; mod. F. *maître*, a master.—L. *magistrum*, acc. of *magister*, a master. β. L. *mag-is-ter* is a double comparative form; the base *mag-* is the same as in *mag-nus*, great, Gk. *μέγας*, great; so that the sense is 'great-er-er' = much more great. Der. *master*, verb; *master-ly*, *master-ship*, *master-y*, q. v.; also *master-builder*, *-hand*, *-key*, *-less*, *-piece*, *-work*, &c.

**MASTERY**, lordship, dominion. (F.—L.) In early use. ME. *maistrie*, *meistrie*; spelt *meistrie* in *Ancren Riwe*, p. 140.—AF. *maisterie*, Philip du Thaum, *Livre des Creatures*, l. 1564; OF. *maistrie*, *meistrie*, mastery (Burguy).—OF. *maistre*, a master; see **Master**.

**MASTIC**, **MASTICH**, a kind of gum resin. (F.—L.—Gk.) The tree yielding it is also called *mastic*, but should rather be called the *mastic-tree*, spelt *mastick-tree* in the Bible, *Story of Susanna*, v. 54. Another name for the tree is *lentisk*. 'The lentiskes also haue their rosin, which they call *mastick*;' Holland, tr. of Pliny, b. xiv. c. 20. ME. *mastyk*, Prompt. Parv.; *mastic*, Palladius, xi. 410.—F. *mastic*, 'mastick, a sweet gum'; Cot.—L. *masticē*.—Gk. *μαστίχη*, the gum of the tree *σξῦρος*, called in L. *lentiscus*. β. So called because it was used for chewing in the East; from the base *μαστ-*, seen in *μάσταις*, the mouth, *μαστράζειν*, to chew.—Gk. *μασάομαι*, I chew. Der. *mastic-ale*, q. v.

**MASTICATE**, to chew. (L.—Gk.) The E. verb was suggested by the previous use of the sb. *mastication*, which alone appears in Minshew, ed. 1627, and in Cotgrave, who uses it to translate the F. *mastication*.—L. *masticātus*, pp. of *masticāre*, to chew; a late word, marked by Lewis as 'post-classical.' β. Formed, like most verbs in *-āre*, from a sb. The orig. sense was probably 'to chew mastic,' from L. *masticē*, *masticē*, mastic, Gk. *μαστίχη*; see **Mastic**. ¶ The true L. word for 'chew' is *mandere*. The explanation under **Mastic**, that *mastic* is so named from being chewed, only applies to Greek; in Latin, the verb is derived from the sb. Der. *masticat-ion*, from F. *mastication*, as above; *masticat-or-y*.

**MASTIFF**, a large dog. (F.—Late L.—L.) ME. *mestif*,

*mastif*. 'Als grehound or *mastif*' (riming with *hastif*), Rob. of Brunne, tr. of Langtoft, p. 189, l. 8. '*Maslyf*, or *mestyf*, hownde;' Prompt. Parv. But the AF. form was *masin*; see Polit. Songs, ed. Wright, p. 283; Langtoft, ii. 100.—OF. *masin*, a mastiff, lit. 'house-dog' (Supp. to Godefroy); also 'a domestic'; see Godefroy.—Late L. type \**mansuetinum*, acc. of \**mansuetinus*, tame, domestic; extended from *mansuetus*, tame.—L. *mansuetus*, pp. of *mansuescere*, to tame; lit. 'to accustom to the hand.'—L. *man-*, for *manus*, the hand; and *suescere*, to accustom, make one's own, which is allied to *suus*, one's own. See Körting, § 5906. Cf. L. *mansuetarius*, a tamer (Lewis). β. The Late L. *masin* seems to have been mistakenly changed to *maslinus* (*maslinus*); see Ducange. Confusion also set in with ME. *masty*, fat (adj. formed from *mast* (2)), and OF. *mestif*, mongrel, Late L. \**mixtinus*, from L. *mixtus*, pp. of *miscere*, to mix.

**MASTODON**, the name of an extinct elephant. (Gk.) Modern; so called from the conical or nipple-like projections on its molar teeth. Coined from Gk. *μαστ-*, base of *μαστός*, the female breast (connected with *μαδάειν*, L. *madēre*, to be moist); and *δων-*, short for *δωντ-*, stem of *δούς*, a tooth; see **Tooth**.

**MAT**, a texture of sedge, rushes, or other material, to be laid on a floor, &c. (L.) ME. *matte*. '*Matte*, or *natte*, *Matta*, *storum*;' Prompt. Parv. AS. *meatta*; '*Storea*, vel *psiata*, *meatta*;' Voc. 154. 2. [L. *storea* means 'a mat.' Observe the variant ME. *natte* given in the Prompt. Parv.]—L. *matta*, a mat; cf. Low L. *natta*, a mat (Ducange). β. From the form *matta* were borrowed E. *mat*, Du. *mat*, G. *matte*, Swed. *matta*, Dan. *maatte*, Ital. *matta*, Span. *mata*; whilst the form *natta* is preserved in F. *natte*. Precisely a similar interchange of *m* and *n* occurs in F. *nappe* from L. *mappa*; see **Map**. γ. Root uncertain; the curious shifting of *m* and *n* suggests that (as in the case of *map*) the word may have been a Punic word; indeed, it would not be surprising if the words *mappa* and *matta* were related.

Der. *mat*, verb; *mat-ed*, *mat-ing*.

**MATADOR**, the slayer of the bull in bull-fights. (Span.—L.) In Dryden, Span. Friar, A. i. sc. 2. Spelt *matadore*, Pope, Rape of the Lock, iii. 33, 47.—Span. *matador*, lit. 'the slayer'; formed with suffix *-dor* (=L. acc. *-tōrem*) from *matar*, to kill.—L. *maclāre*, (1) to honour, (2) to honour by sacrifice, to sacrifice, (3) to kill.—L. *mactus*, honoured; allied to *mag-nus*, great (Bréal).

**MATCH** (1), one of the same make, an equal, a contest, game, marriage. (E.) ME. *macche*, *mache*. Spelt *macche* = mate, companion; P. Plowman, B. xiii. 47. 'This was a *mache* vnmete' = this was an unfit contest; Morte Arthure, ed. Brock, 4070; whence the pp. *machede* = matched, id. 1533, 2904. The orig. sense was 'companion' or 'mate,' hence an equal, giving the verb *to match* = to consider equal; the senses of 'contest, game, marriage,' &c., are really due to the verb. AS. *-mæcca*, generally *ge-mæcca*, a companion, comrade, spouse; Grein, i. 426. [The prefix *ge-*, often and easily dropped, makes no difference.] The change of sound from final *-cca* to *-cche*, and later to *-tch*, is perfectly regular. β. The form *gemæcca* or *mæcca* is one of secondary formation; from the more original form *maca*, a companion, as in *gi-maca*, gloss to *compar* in Durham Ritual, p. 165, l. 6; whence ME. *make*, a companion (Chaucer). + Icel. *maki*, Swed. *make*, Dan. *mage*, OSax. *gi-mako*, a mate, a comrade. β. Allied to AS. *gemæc*, adj., like, Icel. *makr*, adj., suitable, MHG. *gemach*, suitable; and to AS. *macian*, to make, to 'fit together.' See **Make**. ¶ Distinct from **Mate** (1). Der. *match*, verb, see exx. above, and see P. Plowman, B. ix. 173; also *match-less*, *match-less-ly*, *match-less-ness*.

**MATCH** (2), a prepared cord for firing a cannon, a 'lucifer.' (F.—L.—Gk.) ME. *macche*; 'the *macche* brenneth' = the match burns (used of a smouldering wick); P. Plowman, B. xvii. 213.—OF. *mesche*, *meiche*, 'the wicke or snuffe of a candle; the match of a lamp; also, match for a harquebuse, &c.;' Cot. Mod. F. *mèche*. The corresponding Late L. type is \**micca* or \**mycca*, which may be connected with Gk. *μύκης*, the snuff of a lamp-wick; and with Late L. *myxus*, the wick of a candle (Ducange); and Martial (14. 41. 2) uses the acc. pl. *myxas*, as if from nom. *myxa*, i. e. the nozzle of a lamp, the part through which the wick protrudes.—Gk. *μύξα*, the nozzle of a lamp; the more orig. senses being (1) mucus, discharge from the nose, (2) a nostril. See further under **Mucus**. Der. *match-lock*, i. e. a lock of a gun holding a match, and hence the gun itself; added by Todd to Johnson's Dict. Körting, § 6429.

**MATE** (1), a companion, comrade, equal. (Low G.) Spelt *mate* in Prompt. Parv., p. 329; Sir Ferumbas, l. 1372. [Distinct from AS. *gemaca*, and borrowed from Low German.]—Mid. Low G. *mate* (Frank); Low G. *maat*, a companion; MDu. *maet*, 'a mate or fellow-companion'; Hexham; Du. *maat*. + OHG. *gimazzo*, a companion at table; cf. Goth. *matjan*, to eat, from *mat-*, base of *mats*, meat. See **Meat**. The sense is 'one who eats with you'; the prefix *gi-* (Goth. *ga-*), meaning 'together,' is lost in the MDu. form. Der. *mate*, vb., All's Well, i. 1. 102; *mate-less*.

**MATE** (2), to check-mate, confound. (F.—Pers.—Arab.) Used by Shak. in the sense 'to confound;' as in 'My mind she has mated, and amazed my sight;' *Macb.* v. 1. 86. It is the same word as is used in chess, the true form being *check-mate*, which is often used as a verb. **β.** Properly, *check-mate* is an exclamation, meaning 'the king is dead;' this occurs in Chaucer, *Book of the Duchess*, 659.—OF. *eschec et mat*, 'check-mate;' *Cot.*; so also in *Rom. Rose*, ed. Méon, 6676. Cf. AF. *maté*, mated; *Gaimar*, 3320. Here the introduction of the conj. *et* is unnecessary and unmeaning, and due to ignorance of the sense.—Pers. *shāh māt*, the king is dead.—Pers. *shāh*, king; and *māt*, he is dead, *Palmer's Pers. Dict.* col. 518. **γ.** *Shāh* is a Pers. word (see *Shah*); but *māt* is not, being of Arab. origin.—Arab. root *māta*, he died; *Rich. Dict.* p. 1283; whence is derived the Turk. and Pers. *māt*, 'astonished, amazed, confounded, perplexed, conquered, subjected, . . . receiving check-mate,' id.; also Pers. *māt kardan*, 'to give check-mate, to confound;' id. Cf. Heb. *mūth*, to die. ¶ We have here the obvious original of OF. *mat*, 'dead, mated, amated, quelled, subdued,' *Cot.* Also of ME. *male*, confounded, *Ancren Riwle*, p. 382, *Will. of Palerne*, 2441, &c.; a word merely borrowed from OF. See also *Check, Chess*.

**MATERIAL**, substantial, essential. (F.—L.) 'Hys material body;' *Tyndall, Works*, p. 460, col. 2. And in Chaucer, *C. T.*, l. 182.—OF. *matériel*, 'material;' *Cot.*—L. *materiālis*, material.—L. *materiā* (also *materiēs*), matter; see *Matter*. Der. *material-ly*, *material-ness*, *material-i-ty*, *material-ise*, *material-ism*, *material-ist*, *material-ist-ic*, *material-ist-ic-al*.

**MATERNAL**, belonging to a mother. (F.—L.) Spelt *maternal* in *Minshew and Cotgrave*. *Caxton* has: 'our maternal tongue;' *Godfrey of Boloyne*, prol.; p. 4, l. 24.—F. *maternel*, 'maternal;' *Cot.*—Late L. *maternalis*, extended from L. *maternus*, motherly. This adj. is formed with suffix *-nus* (Idg. *-nos*) from L. *māter*, cognate with E. *mother*: see *Mother*. Der. *maternal-ly*; also *matern-i-ty*, from F. *maternité*, 'maternity' (*Cot.*), which from L. acc. *maternitatem*.

**MATHEMATIC**, pertaining to the science of number. (F.—L.—Gk.) Gower speaks of 'the science . . . *mathématique*;' *C. A.* iii. 87; bk. vii. 72.—OF. *mathématique*, 'mathematical;' *Cot.*—L. *mathēmaticus*.—Gk. *μαθηματικός*, disposed to learn, belonging to the sciences, esp. to mathematics.—Gk. *μαθήματ-*, stem of *μάθημα*, that which is learnt, a lesson, learning, science.—Gk. *μαθή-*, appearing in *μαθήσομαι*, I shall learn, fut. of *μαν-θα-νείν*, to learn; one of the derivatives from *✓MEN*, to think; cf. *μάντις*, a seer, *μένος*, mind, Skt. *man*, to think. The syllable *-θα-* prob. represents Idg. *dhā*, weak grade of *✓DHE*, to put, place (Gk. *τί-θη-μι*). See *Mind*. Der. *mathematic-al*, *-al-ly*, *mathematic-i-an*; also *mathematic-s*, sb. pl.

**MATINS, MATTINS**, morning prayers. (F.—L.) 'Masse and matines;' *Rob. of Glouc.* p. 369, l. 7605. 'Matynes and masse;' *P. Plowman*, B. v. 478.—F. *matins*, 'matins, morning prayer;' *Cot.* A pl. sb. from F. *matin*, properly an adj., but used as a sb. to mean 'the morning;'—L. *mātūtinum*, acc. of *mātūtīnus*, belonging to the morning; which passed into F. with the loss of *u*, thus producing *mat'tin*, contracted to *matin*; cf. Ital. *matino*, morning.—L. *Mātūta*, the goddess of morning or dawn; cf. *Lucretius*, v. 655; as if from a masc. \**mātūtus*, with the sense of 'timely,' or 'early;' closely related to L. *mātūrus* (*Bréal*); see *Mature*. Der. *matin*, sb. morning (in later use), *Hamlet*, i. 5. 89, from F. *matin*, the morning; hence *matin*, adj., as in 'the *matin* trumpet,' *Milton*, *P. L.* vi. 526. And see *matutinal*. ¶ The spelling with double *t* may be due to Ital. *matino*, or simply to the doubling of *t* to keep the vowel a short, as in *matter*, *mattress*.

**MATRASS**, a long-necked glass bottle; in chemistry. (F.—Span.—Arab.?) From F. *matras*, the same. *Cotgrave* has *matraz*, *matrac*, also *matelas*, 'a streight, long, narrow-necked, and great, wide, round-bellied bottle or violl, of strong and thick glasse.' Perhaps from Span. *matraz*, a matrass. *Devic* thinks it is of Arab. origin.

**MATRICIDE**, the murderer of one's mother. (F.—L.) 1. The above is the correct sense, but rare; see *Blount's Gloss.*, ed. 1674.—F. *matricide*, adj., 'mother-killing;' *Cot.*—L. *matricida*, a murderer of a mother.—L. *mātri-*, decl. stem of *māter*, a mother (see *Mother*); and *-cida*, killing, formed from *cedere* (pt. t. *ce-cidi*), to kill (see *Cæsura*). 2. Sir T. Browne has the word in the sense 'murder of one's mother;' *Vulg. Errors*, b. iii. c. 16, § 5. In this case, it is coined directly from L. *matricidium*, a killing of a mother.—L. *mātri-*, as before; and *-cidium*, a killing, from *cedere*, as before. ¶ *Fratricide*, *parricide*, are equally ambiguous. Der. *matricid-al*.

**MATRICULATE**, to admit to membership, esp. in a college, to register. (L.) Used as a pp., with the sense of 'enrolled,' in *Skelton*, *Garland of Laurel*, l. 1281.—Late L. *matriculātus*, pp. of *matriculāre*, to enrol, a coined word.—L. *matricula*, a register; a dimin. of *mātrix*, (1) a breeding animal, (2) a womb, matrix,

(3) a public register, roll, list, lit. a parent-stock. See *Matrix*. Der. *matriculat-ion*.

**MATRIMONY**, marriage. (F.—L.) ME. *matrimoine*, Chaucer, *C. T.* 3097 (A 3095).—AF. *marimonie*, *Year-book* of Edw. I, 1304-5, p. 251; OF. *matrimonie*; MF. *matrimonie*, 'matrimony,' *Cot.*; of which another form was *matrimoine*.—L. *mātrīmōnium*, marriage.—L. *mātri-*, decl. stem of *māter*, a mother (see *Mother*); with suffix *-mōn-io-*. Der. *matrimoni-al*, *matrimoni-al-ly*.

**MATRIX**, the womb, a cavity in which anything is formed, a mould. (L.) *Exod.* xiii. 12, 15. [Written *matrice* in *Numb.* iii. 12 in A. V., ed. 1611. *Minshew* has both *matrice* and *matrix*; the former is the F. form. Cf. 'matrice, the matrix,' *Cot.*; from the L. *mātricem*, the acc. case.]—L. *mātrix*, the womb.—L. *mātri-*, decl. stem of *māter*, mother, cognate with E. *Mother*, q. v.

**MATRON**, a married woman, elderly lady. (F.—L.) ME. *matrone*, Gower, *C. A.* i. 98; bk. i. 1657.—F. *matrone*, 'a matron;' *Cot.*—L. *mātrōna*, a matron; extended from *mātr-*, for *māter*, a mother; see *Mother*. Der. *matron-ly*, *matron-al*, *matron-hood*; also (from L. *mātri-*), *matrix*, q. v., *matric-ul-ate*, q. v., *matricide*, *matrimony*; and see *mater-nal*.

**MATTER** (1), the material part of a thing, substance. (F.—L.) ME. *matere* (with one *t*), Chaucer, *C. T.* 6492 (D 910). Earlier form *matēre*, *Ancren Riwle*, p. 270, l. 7.—OF. *matiere*, *matere*; mod. F. *matière*.—L. *māteria*, matter, materials, stuff; so called because useful for construction, building, &c. See *Brugmann*, i. § 407. Der. *matter*, vb., not in early use; *matter-less*; *materi-al*, q. v. Also *matter* (2), q. v.

**MATTER** (2), pus, a fluid in abscesses. (F.—L.) 'Matter, that which runs out of a sore;' *Kersey*, ed. 1715. Really the same word as the above; see *Littre*, s. v. *matière*, sect. 8, who gives: 'Matière purulente, ou simplement matière, le pus qui sort d'une plaie, d'un abcès.' So also in the *Dict. de Trevoux*. *Littre* gives the example: 'Il est sorti beaucoup de matière de cette plaie' = much matter has come out of this sore. See *Matter* (1).

**MATTINS**, the same as *Matins*, q. v.

**MATTOCK**, a kind of pickaxe. (E.) ME. *mattoke*. 'Hoc bidens, a *mattoke*;' *Voc.* 726. 29; and see *Prompt. Parv.* AS. *mattec*, *Orosius*, b. iv. c. 8. § 2. **β.** Hence probably W. *matog*, a mattock, hoe; cf. Gael. *madag*, a mattock, pickaxe (from E.); Russ. *motuika*, Lithuan. *matikkas*, a mattock (from Teut.). See *Mason*.

**MATRESS**, a quilt to lie upon. (F.—Arab.) 'A *matress*, culitra;' *Levins*. ME. *materas*, *Voc.* 583. 21.—OF. *materas*, 'a matteresse, or quilt to lie on;' *Cot.* *Picard* and *Walloon* *matras* (AF. *materas*; *Royal Wills*, p. 181). Mod. F. *matelas* (by change of *r* to *l*); cf. Span. and Port. *al-madrage*, a quilted cushion, *matress* (where *al* is the Arab. def. article).—Arab. *matrah*, 'a place, station, post, situation, foundation, a place where anything is thrown; *mutrah*, thrown away, rejected;' *Rich. Dict.* p. 1440. This Arab. word came to mean anything hastily thrown down, hence, something to lie upon, a bed (Devic); just as the L. *strātum*, lit. 'anything spread,' came to mean a bed. The Arab. *matrah* is derived from the Arab. root *taraha*, he threw prostrate; *Rich. Dict.* p. 967.

**MATURE**, ripe, completed. (L.) 'Maturity is a mean between two extremities, . . . they be maturely done;' Sir T. Elyot, *The Governour*, b. i. c. 22. 'Peres right mature;' *Palladius*, iii. 827.—L. *mātūrus*, mature, ripe, arrived at full growth. See *Matins*. Der. *mature-ly*; *matur-i-ty*, from F. *maturité*, 'maturity' (*Cot.*), which from L. acc. *mātūrilitatem*; *mature-ness*; *matur-at-ion*, from MF. *maturatiōem*, allied to *mātūrātus*, pp. of *mātūrāre*, to ripen; *matur-at-ive*, from MF. *maturatif*, 'maturative, ripening' (*Cot.*), a coined word; *matur-esc-ent*, from the stem of the pres. pt. of *mātūrescere*, inceptive form of *mātūrāre*. Closely related words are *matin*, *matutinal*.

**MATUTINAL**, pertaining to the morning, early. (L.) *Matutinal* is in *Blount's Gloss.*, ed. 1674; *matutine* in *Kersey*, ed. 1715.—L. *mātūtinālis*, belonging to the morning; formed with suffix *-ālis* from *mātūtīn-us*, belonging to the morning; see further under *Matins*.

**MAUDLIN**, sickly sentimental. (F.—L.—Gk.—Heb.) The orig. sense was 'shedding tears of penitence,' like *Mary Magdalene*, who was taken as the type of sorrowing penitence. Hence the expression 'their *maudlin* eyes' in *Dryden's Prol.* to *Southerne's* play of *The Loyal Brother*, l. 21 (A.D. 1682). Corrupted from ME. *Maudeleyne*, or *Magdalaine*, Chaucer, *C. T.* 412 (A 410); *P. Plowman*, B. xv. 289.—OF. *Maudeleine*, *Magdaleine*.—L. *Magdalēnē*.—Gk. *Μαγδαληνή*, i. e. belonging to *Magdala*; *Luke*, viii. 2. Here 'Magdala' answers to Heb. *migdol*, a tower; *Smith's Dict.* of the Bible. ¶ Observe the spelling *Maudlin* (for *Magdalen*) in *All's Well*, v. 3. 68.

**MAUGRE**, in spite of. (F.—L.) Obsolete, except in imitating

archaic writing. In Shak. Tw. Nt. iii. 1. 163; Tit. And. iv. 2. 110; K. Lear, v. 3. 131. In P. Plowman, B. ii. 204, it means 'in spite of'; but in B. vi. 242, it is (rightly) a sb., signifying 'ill will.'—OF. *malgre*, *maugre*, *maulgre*; Cot. has '*maulgré eux*, mauger their teeth, in spite of their hearts, against their wils.' The lit. sense of *malgre* is 'ill will' or 'displeasure.' Compounded of *mal*, from L. *malum*, acc. of *malus*, bad, ill; and OF. *gre*, *gret*, from L. *grātum*, a pleasant thing. See **Malice** and **Agree**.

**MAUL**, to beat grievously, to bruise greatly, disfigure. (F.—L.) Formerly *mall*. 'Then they *mall*ed the horsse legges, that their mightie coursers lefte praunsynge;' Bible, 1551, Judges, v. 22. ME. *mallen*, to strike with a mall or mace, Joseph of Arimathe, ed. Skeat, l. 508. Merely formed from ME. *malle*, a mall, mace; see **Mall** (1). ¶ Even the sb. is spelt *maul* in A. V. Prov. xxv. 18.

**MAULSTICK**, a stick used by painters to steady the hand. (Du.) In Phillips, ed. 1706.—Du. *maalstok*, a maulstick.—Du. *malen*, to paint; *stok*, stick. Cf. G. *malerstock*, a maulstick, lit. 'painter's stick;' from G. *malen*, to represent, paint, and *stock*, a stick, staff. β. G. *malen*, OHG. *mālōn*, to mark (hence to delineate, draw, paint), is der. from G. *mahl*, MHG. and OHG. *māl*, a mark; see **Meal** (2). γ. G. *stock* is cognate with E. *stock*, *stake*; see **Stock**.

**MAUND** (1), a basket. (F.—Low G.) ME. *mawnd*, 'sportula;' Prompt. Parv. [This word, now nearly obsolete, occurs as early as the 8th century, in the gloss: 'Qualus, *mand*;' Voc. 42. 26; but it became obsolete, and was replaced by AF. *mande*.]—OF. *mande*, a basket (Godefroy); Picard *mande* (Corblet).—Du. *mand*, a basket, hamper; prov. G. *mand*, *mande*, *manne*, a basket (Flügel), whence F. *manne*; EFries. *mande*.

**MAUND** (2), a (very variable) weight. (Arab.) From Arab. *mann*; Pers. *man*. Cf. Heb. *māneh*, Gk. *μνᾶ* (Yule).

**MAUNDY THURSDAY**, the day preceding Good Friday. (F.—L.; and E.) *Thursday* is the E. name of the fifth day of the week; see **Thursday**. *Maundy* is ME. *maundee*, *maunde*, a command, used with especial reference to the text '*Mandatum novum*,' &c.; John, xiii. 34. 'He made his *maundee*,' He [Christ] performed his own command, i.e. washed his disciples' feet; P. Plowman, B. xvi. 140. 'Lord, where wolte thou kepe thi *maunde*?' Coventry Mysteries, ed. Halliwell, p. 259. The 'new commandment' really is 'that ye love one another;' but in olden times it was, singularly enough, appropriated to the particular form of devotion to others exemplified by Christ when washing his disciples' feet, as told in earlier verses of the same chapter. 'The Thursday before Easter is called *Maundy Thursday*, *dies mandati*, a name derived from the ancient custom of washing the feet of the poor on this day, and singing at the same time the anthem—*Mandatum novum*, &c.; John, xiii. 34... The notion was, that the washing of the feet was a fulfilling of this command, and it is so called in the rubric, *conveniunt clerici ad faciendum mandatum*. This rite, called *mandatum* or *lavipedium*, is of great antiquity, both in the Eastern and Western church;' &c.; Humphrey on the Common Prayer, p. 179. See my long note on P. Plowman, B. xvi. 140, and *Maundy Thursday* in the Index to the Parker Society's publications. *Maundy*, for *mandatum*, occurs in Grindal's Works, p. 51; Hutchinson, pp. 221, 259, 346; Tyndale, i. 259, iii. 236 (Parker Soc.). β. From OF. *mandé*, that which is commanded. Cot. has '*mandé*, commanded, ... directed, appointed.'—L. *mandātum*, a command, lit. that which is commanded, neut. of *mandātus*, pp. of *mandāre*, to command. See **Mandate**, of which *maundy* is, in fact, the doublet. ¶ Not connected with *maund*, a basket, for which see **Maund** (1). Cf. OHG. *mandāt*, the washing of feet (Otfrid); obviously from L. *mandātum*.

**MAUSOLEUM**, a magnificent tomb. (L.—Gk.) 'This *mausoleum* was the renowned tombe or sepulchre of *Mausolus*, a petty king of Caria;' Holland, tr. of Pliny, b. xxxvi. c. 5.—L. *mausōlēum*, a splendid tomb, orig. the tomb of Mausolus.—Gk. *Μαυσώλειον*, the tomb of Mausolus.—Gk. *Μαύσαλος*, king of Caria, to whom a splendid monument was erected by his queen Artemisia.

**MAUVE**, the name of a colour. (F.—L.) Modern. So named from its likeness to the tint of the flowers of a mallow.—F. *mauve*, a mallow.—L. *malua*, a mallow; see **Mallow**.

**MAVIS**, the song-thrush. (F.—C.) ME. *mavis*, Rom. of the Rose, 619.—F. *mavis*, 'a mavis, a throstle;' Cot.; and see Roman de la Rose, 614. Cf. Span. *malvis*, a thrush. Supposed to be derived from or related to Bret. *milvid*, also *milfid*, a mavis; called *milchovid* (with guttural *ch*) in the neighbourhood of Vannes. Cf. Corn. *melhues*, OCorn. *melhuet*, a lark (Williams). See Thurneysen, p. 107.

**MAVOURNEEN**, my darling. (Irish.) 'Erin *mavournin*;' Campbell, Exile of Erin; last line.—Irish *mo*, my; *mhúirnin* (with *mh=v*), mutated form of *mhúirnin*, darling, from *muirín*, affection. See Gael. *múirín* in Macbain.

**MAW**, the stomach, esp. in the lower animals. (E.) ME. *mawe* (disyllabic), Chaucer, C. T. 4906 (B 486). AS. *maga*, the stomach; Voc. 48. 39.—Du. *maag*; Icel. *magi*; Swed. *mage*; Dan. *mave*; G. *magen*, OHG. *mago*. Root unknown. ¶ The change from *maga* to *mawe*, *maw*, is quite regular; cf. AS. *haga*, ME. *hawe*, E. *haw*. Der. *maw-worm*, i.e. stomach-worm, parasite, Beaum. and Fletcher, Bonduca, i. 2 (3rd Soldier).

**MAWKISH**, squeamish. (Scand.; with E. suffix.) 'Mawkish, sick at stomach, squeamish;' Phillips, ed. 1706. Dryden has '*mawkish* joys;' tr. of Lucretius, bk. iii. l. 307. The older sense is 'loathsome,' or, more literally, 'maggoty.' Formed with suffix *-ish* from ME. *mawk*, a maggot; cf. *mawky*, adj., 'cimicosus;' Cath. Anglicum. 'Hic cimex, Anglice *mawke*;' Voc. 643. 2. *Mawk* is a contraction of the older form *maðek*, a maggot, which occurs (in another MS.) as a variant of *meaðe*, a maggot; O. Eng. Homilies, i. 251, l. 19; cf. note on p. 326.—Icel. *madr*, a maggot; Dan. *maddik*, a maggot; whence the Norweg. *makk* (Aasen)=E. *mawk*. β. This is a dimin. form with suffix *-k*, from the older form appearing in AS. *maða*, Goth. *matha*, Du. and G. *made*, a maggot; prob. allied to **Moth**. Der. *mawkish-ly*, *mawkish-ness*.

**MAXILLAR**, **MAXILLARY**, belonging to the jaw-bone. (L.) Blount, ed. 1674, gives both forms. Bacon has '*maxillary* bones;' Nat. Hist. § 747.—L. *maxillāris*, belonging to the jaw-bone.—L. *maxilla*, the jaw-bone; allied to *māla*, the cheek-bone (Bréal).

**MAXIM**, a proverb, general principle. (F.—L.) Lit. 'a saying of the greatest importance.' In Shak. Troil. i. 2. 318.—F. *maxime*, 'a maxime, principle;' Cot.—L. *maxima*, greatest (for *maxima sententiūrum*, the chief of opinions); fem. of *maximus*, greatest, superl. of *magnus*, great. See **Magnify**.

**MAXIMUM**, the greatest value or quantity. (L.) A mathematical term.—L. *maximum*, neut. of *maximus*, greatest; see **Maxim**.

**MAY** (1), I am able, I am free to act, I am allowed to. (E.) There is no infinitive in use; if there were, it would rather take the form *mow* than *may*. *May* is the present tense (once, the past tense of a strong verb); *might* is the past tense (really a secondary past tense or pluperfect). ME. infin. *moun* (for *mowen*), Prompt. Parv. p. 346; pres. t. sing. *I may*, Chaucer, C. T. 4651 (B 231); pt. t. *I mighte*, id. 322, 634 (A 320, 632). AS. *mugan*, infin., to be able; pres. t. *ic mag*, I may or can; pt. t. *ic mihte*, I might.—OSax. *mugan*; pres. t. *ik mag*; pt. t. *mahta*; Icel. *mega*; pres. t. *ek mā*; pt. t. *ek mätti*; Du. *mogen*; pres. t. *ik mag*; pt. t. *ik mogt*; Dan. pres. t. *maa*; pt. t. *maatte*; Swed. pres. t. *må*; pt. t. *mätte*; G. *mögen*; pres. t. *mag*; pt. t. *mochte*; Goth. *magan*; pres. t. *ik mag*; pt. t. *ik mahta*. β. All from a Teut. base *MAG*, to have power. Further allied to Russ. *moche*, to be able; cf. *moche*, sb., power, might; Gk. *μῆχανή*, means. All from √*MAGH*, to have power. Der. *might*; also *dis-may*. And cf. *machine*, *mechanic*.

**MAY** (2), the fifth month. (F.—L.) ME. *Mai*, *May*; Chaucer, C. T. 1502 (A 1500).—OF. *May*, *Mai*, 'the month of May;' Cot.—L. *Māius*, May; so named as being the month of 'growth.' It was dedicated to *Māia*, i.e. 'the increaser.' Allied to *māior*, greater, *magnus*, great (Bréal). See **Magnitude**. Der. *May-day*, *-flower*, *-fly*, *-pole*, *-queen*.

**MAYOR**, the chief magistrate of a town. (F.—L.) ME. *maire*, P. Plowman, B. iii. 87. There were mayors of London much earlier; cf. AF. *meire*, Stat. Realm, i. 52 (1281).—F. *maire*, a mayor.—L. *māior*, greater; hence, a superior. See **Major**. ¶ It is most remarkable that the sixteenth century spelling, viz. *mayor*, resembles the Span. spelling *mayor*. Spelt *maior* in Shak. Rich. III. iii. 1. 17 (first folio); it answers to OF. *maior*, from L. *māiōrem*, the acc. case. The word *maire* was first used temp. Hen. III; Liber Albus, p. 13. Der. *mayor-ess*, a coined word, formed by adding the F. fem. suffix *-esse* (= L. *-issa*, Gk. *-ισσα*); Ben Jonson speaks of 'the lady *may'ress*' in An Elegy, Underwoods, lx. l. 70. Cf. Norm. dial. *maireesse*, wife of a mayor (Moisy). Also *mayor-al-ty*, Lord Bacon, Life of Hen. VII, ed. Lumby, p. 209, l. 24; a coined word, as if from a Lat. acc. *\*māiōrālītātem*. Also *mayor-ship*, *mayor-dom*, in Cotgrave, s.v. *mairie*.

**MAY-WEED**, stinking camomile; *Anthemis Cotula*. (E.) Short for *maythe-weed*; where *maythe* represents AS. *mægþa*, *mageþe*, camomile. See Notes on E. Etym., p. 183.

**MAZE**, a labyrinth, confusion, perplexity. (E.) ME. *mase*, P. Plowman, B. i. 6. Prob. from the verb; we find ME. *masen*, to confuse, puzzle; Chaucer, C. T. 4946 (B 526). The AS. *\*masian*, vb., appears in the comp. pp. *ā-masod*; Wulfstan, Homil. (ed. Napier), p. 137, l. 23; cf. Norweg. *masa-st* (where the final *-st*=*-sk*=*sik*, oneself), a verb of reflexive form, to fall into a slumber, to lose one's senses and begin to dream; *masa*, to be continually busy at a thing, to have a troublesome piece of work to do, also, to prate, chatter (Aasen). Icel. *masa*, to chatter, prattle; Swed. dial. *masa*,

(1) to warm, (2) to bask before the fire or in the sun, . . . (4) to be slow, lazy, work slowly and lazily; *mas*, adj., slow, lazy (Rietz). **β.** These senses of lounging, poring stupidly over work, dreaming, and the like, agree with the E. phrase to be in a *maze*, i.e. in a dreamy perplexity. Compare the following: 'Auh þe bimasede Isboset, lo! hwa he dude *maseliche*'—but the stupid Ishbosheth, lo! how stupidly he acted; Ancien Riwle, p. 272. Prob. the orig. sense was 'to be lost in thought'; hence to be in perplexity. Der. *maz-ed*, Mids. Nt. Dr. ii. 1. 113 (cf. ME. *mased*, *bimased*); *maz-y*, *maz-i-ness*. Also *a-maze*, q.v.

**MAZER**, a large drinking-bowl. (F.—OHG.) Obsolete. 'Mazer, a broad standing-cup, or drinking-bowl'; Phillips, ed. 1706. ME. *maser*, Prompt. Parv.; pl. *masers*, Testamenta Ebor. i. 160 (1391).—AF. *maser*, Royal Wills, p. 25 (1360); *mazer* (Bozon, p. 50); OF. *masere*, a bowl of maple-wood [explained by Godefroy as made of a kind of streaked precious stone, but see *madre* in Diez].—OHG. *masar*, a knot in wood, also maple-wood. *Mazers* were so called because often made of maple, which is a spotted wood; the orig. sense of the word being 'a spot', a knot in wood, &c. Cf. Icel. *mösurr*, 'a maple-tree, spot-wood'; *mösurr-bolli*, a mazer-bowl; *mösurr-tré*, a maple-tree. **β.** The word is allied to the form which appears in MHG. *mase*, a spot, mark of a blow; whence also E. *Measles*, q.v. Der. *masel-yn* (= *macer-in*), a dimin. form, used in the same sense, Chaucer, C. T. 13781 (B 2042).

**MAZURKA**, a lively Polish dance. (Pol.) From Pol. *Mazurka*, lit. a woman of Massovia or Mazovia, a province of Poland containing Warsaw. Similarly, *Polonaise* means both a Polish woman and a dance; and cf. *Polka*.

**MAZZARD, MAZARD**, the head, the skull. (F.—OHG.) In Hamlet, v. 1. 97. Formed from *mazer*, a bowl; with excrescent *d*. See **Mazer**. See Notes on E. Etym., p. 183.

**ME**, pers. pron. the dat. and obj. case of *I*. (E.) ME. *me*. AS. *mē*; fuller form *mecc*, in the acc. only. + Du. *mij*; Icel. *mēr*, dat.; *mik*, acc.; Swed. and Dan. *mig*; Goth. *mis*, dat.; *mik*, acc.; G. *mir*, dat.; *mich*, acc. + Corn. *me*, *mi*; Bret. *me*; Irish, Gael., and W. *mi*. + L. *mihi*, dat.; *mē*, acc.; Gk. *μοί*, *ἐμοί*, dat.; *μέ*, *ἐμέ*, acc.; Skt. *mahyan*, *mē*, dat.; *mām*, *mā*, acc. Der. *mine* (1), *my*.

**MEAD** (1), a drink made from honey. (E.) ME. *mede*, Legends of the Holy Rood, p. 138, l. 202. Also spelt *meth*, *meeth*, Chaucer, C. T. 3261, 3378. AS. *medu*, *meodu*, *medo*, *meodo*, Grein, ii. 239. + Du. *mede*; Icel. *mjóðr*; Dan. *mjød*; Swed. *mjöd*; G. *meth*; OHG. *meto*; W. *medd*; Lithuan. *middus*, mead; *medūs*, honey; Russ. *med'*; Gk. *μέθυ*, intoxicating drink; Skt. *madhu*, sweet; also, as sb., honey, sugar. Idg. type \**medhu*; Brugmann, ii. § 104.

**MEAD** (2), **MEADOW**, a grass-field, pasture-ground. (E.) So called because 'mown'. 1. ME. *mede*, Chaucer, C. T. 89. AS. *mæd*; 'Pratum, *mæd*'; Voc. 147. 16. Allied to the prov. E. *math*, a mowing, used only in the comp. *after-math*, an after-mowing, a second crop; and to AS. *māwan*, to mow; see **Mow** (1). Cf. G. *mahd*, a mowing; MHG. *māt*, a mowing, a crop, a mead; MHG. *mate*, *mafte*, a meadow; Swiss *matt*, a meadow, in the well-known names *Zermatt*, *Andermatt*; also OHG. *māen*, to mow, cognate with E. *mow*; also Gk. *ἀ-μῆτος*, a harvest, *ἀμάειν*, to mow. 2. The fuller form *meadow* is due to the inflected form, dat. *mæd-we*, of the same word; the change from final *-we* to later *-ow* is the usual one, as in *sparrow*, *arrow*, &c. 'Mid *læswe* and mid *mædwe*' = with leasow and with meadow; A. S. Chron., an. 777, MS. E. (see Thorpe's edit. p. 92, note 1). Teut. type \**mæd-wā*, nom. f.; from Teut. root \**mæ* = Idg. \**mē*, to mow, as in Gk. *ἀ-μῆ-τος* (above). Der. *meadow-y*.

**MEAGRE**, lean, thin, poor, scanty. (F.—L.) ME. *megre*, P. Plowman, B. v. 128; Allit. Poems, ed. Morris, B. 1198. (Not in earlier use; and not from AS. *mæger*, in A. S. Leechdoms, ii. 242).—AF. *megre*, Sir Bevis, 1101; F. *maigre*, thin.—L. *macrum*, acc. of *macer*, thin, lean; whence also AS. *mæger*, Icel. *magr*, Dan., Swed., and G. *mager*, thin, lean, were borrowed at an early period; unless they be cognate, which is possible. Cf. Gk. *μακρός*, long. Der. *meagre-ly*, -ness. From the same source, *e-mac-i-ate*.

**MEAL** (1), ground grain. (E.) ME. *mele*, Chaucer, C. T. 3993 (A 3995). AS. *melu*, *melo*, gen. *melewes*, Matt. xiii. 33. + Du. *meel*; Icel. *mjöl*, later form *mél*; Dan. *meel*; Swed. *mjöl*; G. *mehl*. Teut. type \**melwom*, n. **β.** All from the Idg. \**MEL*, to grind; as in OIrish *mel-im*, Slav. *mel-jǫ*, I grind. The 2nd grade occurs in L. *mol-ere*, Lith. *mal-ti*, to grind, and in Teut. \**mal-*, as in Icel. *mala*, Goth. *malan*, OHG. *malan*, to grind. See **Mill**, **Molar**. Der. *meal-y*, *meal-i-ness*, *meal-y-mouth-ed*.

**MEAL** (2), a repast, share or time of food. (E.) ME. *meel*, Chaucer, C. T. 4886 (B 466). AS. *mæl* (1), a portion of time, stated time, Grein, ii. 221. Hence the orig. sense was 'time for food'; cf. mod. E. 'regular meals.' It has reference to the common meal at a stated time, not to a hastily snatched repast. + Du. *maal*, (1) time, (2) a meal; Icel. *mál*, (1) a measure, (2) time, nick of time, (3) a

meal; Dan. *maal*, measure, dimension; *maaltid*, a meal (lit. meal-time); Swed. *mål*, measure, due size, meal; Goth. *mēl*, time, season; G. *mahl*, a meal; *mal*, a time. **β.** Teut. type \**mēlom*, n.; base *māl-*, from Idg. \**Mē*, to measure; cf. Skt. *mā*, to measure; see **Metre**. Der. *meal-time*, *meal-tide*.

**MEAN** (1), to have in the mind, intend, signify. (E.) ME. *menen*, Chaucer, C. T. 2065 (A 2063). AS. *mēnan*, to intend; Grein, ii. 222. + Du. *meen*, to think, believe, fancy, mean; Dan. *mene*, to mean, think; Swed. *mena*, to mean, think; G. *meinen*, OHG. *meinjan*, to think upon, mean, signify. **β.** These are all secondary verbs, as shown by the OHG. form, and derived from the sb. which appears as MHG. *meine*, OHG. *meina*, thought, intent, signification. Further allied to Icel. *minni*, OHG. *mūni*, remembrance, memory, mind; see **Mind**. Der. *mean-ing*, ME. *mening*, Chaucer, C. T. 10465 (F 151), cognate with G. *meinung*; *mean-ing-less*. See **moan**.

**MEAN** (2), common, vile, base, sordid. (E.) ME. *mene*; 'þe mene and þe riche'; P. Plowman, B. prol. 18. AS. *mēne*, usually *ge-mēne*, common; OFries. *mēne*, common; and cf. Goth. *gamains*, common, Titus, i. 4; see **Common**. ¶ The peculiar sense of 'base, vile' is prob. due to confusion with **Mean** (3), which sometimes meant 'middling.' The AS. *gemēne* is further allied to the AS. *mēne*, wicked, false, evil, from *mān*, sb., wickedness. Cf. Icel. *meinn*, mean, base, hurtful; *mein*, a hurt, harm; Dan. *meen*, Swed. *men*, hurt, injury; MHG. *mein*, false; *mein*, a falsehood; cf. G. *meineid*, perjury. Der. *mean-ly*, L. L. v. 2. 328; *mean-ness* (not in early use).

**MEAN** (3), coming between, intermediate, moderate. (F.—L.) ME. *mene*. 'And a mene [i.e. an intermediate one, a mediator] bitwene þe kyng and þe comune' [commons]; P. Plowman, B. i. 158. 'In þe mene while'; Will. of Palerne, 1148.—AF. *meen*, Stat. Realm, i. 140 (1300); OF. *meien*, *moien* (Godefroy); mod. F. *moyen*, mean, intermediate.—L. *mediānus*, extended form from *medius*, middle; see **Mediate**. Der. *mean*, sb., ME. *mene*, Rom. of the Rose, 6527; *mean-s*, ME. *menes*, Chaucer, C. T. 11195 (F 883).

**MEAN** (4), to moan. (E.) In Mid. Nt. Dream, v. 1. 330 (first folio). ME. *mēnen*, AS. *mānan*, to moan; see **Moan**. So also in Merch. Ven. iii. 5. 82, I explain *mean* it by 'lament, sorrow.'

**MEANDER**, a winding course. (L.—Gk.) 'Through forthrights and meanders'; Temp. iii. 3. 3.—L. *Mæander*.—Gk. *Μαίανδρος*, the name of a river, remarkable for its circuitous course; Pliny, b. v. c. 29. Der. *meander*, vb., *meander-ing*.

**MEASLES**, a contagious fever accompanied by small red spots on the skin. (E.) [The remarks in Trench, Select Glossary, are founded on a misconception. The word is quite distinct from ME. *mesel*, a leper, which will be explained below.] 'The *maysilles*, variolæ,' Levins, 125. 15. 'Rougeolle, the measles'; Cot. In Shak. Cor. iii. 1. 78, the sense is 'measles,' not 'leprosy,' as explained in Schmidt. The use of the term was quite definite. 'The *māisils*, a disease with many reddish spots or speckles in the face and bodie, much like freckles in colour'; Baret. ME. *maseles*, to translate OF. *rugeroles* (14th cent.), in Wright's Voc. i. 161, l. 23. AS. *mæsl-*, a spot; in composition. Cf. 'eruca, *mæl-sceafa*,' Voc. 121. 34; 'eruca, *mæsl-sceafa*,' Voc. 544. 13; so that *mæsl* has the same sense as *mæl*, i.e. a spot, mark. + Du. *maselen*. 'De *maselen*, ofte [or] *masel-siechte*, the measels, or sick of the measels. De *masel-sucht*, the measel-sickness'; Hexham. The same word as MDu. *masselen*. 'Masselen ofte masseren, black spots or blemishes of burning upon one's body or leggs'; Hexham. **β.** It is obvious that the word simply means 'spots,' or rather 'little spots'; the Du. form *masel* being a dimin. of an older form \**mase*, allied to the MHG. *māse*, OHG. *māsa*, a spot, the mark of a wound; cf. also G. *maser* [= *masel*], a spot, speckle, and *masern*, pl. measles. **γ.** Precisely the same form *maser*, 'a spot,' is the source whence is derived the E. **Mazer**, q.v. ¶ It thus appears that *measle* means 'a little spot.' It is therefore wholly unconnected with ME. *mesel*, which invariably means 'a leper' (see Stratmann); whence *meselrie*, i.e. leprosy. Both *mesel* and *meselrie* occur in Chaucer, Pers. Tale, I. 624-5. This word is borrowed from OF. *mesel*, which is from L. *misellus*, wretched, unfortunate, dimin. of *miser*, wretched; see **Miser**. The confusion between the words is probably quite modern; when, e.g., Cotgrave explains MF. *mesel*, *mescan*, by 'a meselled, scurvy, leporous, Lazarous person,' he clearly uses *meselled* as equivalent to *leprosy*; whilst he reserves the spelling *meazles* to translate *rougeolle*. Cf. Skt. *masūrikā*, a kind of eruption or small pox (Macdonell). Der. *measl-ed*, *measl-y*.

**MEASURE**, extent, proportion, degree, moderation, metre. (F.—L.) ME. *mesure*, P. Plowman, B. i. 35; Ancien Riwle, p. 372, l. 1; O. Eng. Homilies, 2nd Ser. p. 55, l. 8.—OF. *mesure*.—L. *mensūra*, measure; cf. *mensus*, pp. of *mētiri*, to measure. From Idg. \**Mē*, to measure, whence Skt. *mā*, to measure, Gk. *μῆ-ρις*, counsel. See Brugmann, ii. § 771. Der. *measure*, vb., ME. *mesuren*, Chaucer, tr. of Boethius, b. iii. pt. 2, l. 28; *measur-able*, ME. *mesurable*,

P. Plowman, B. i. 19; *measur-abl-y*, *measur-ed*, *measure-less*, *measure-ment*.

**MEAT**, food, flesh of animals used as food. (E.) ME. *mete*, Chaucer, C. T. 1615. AS. *mete*, John, iv. 32, 34. Teut. type \**matiz*, m. + Icel. *matr*, food; Dan. *mad*, victuals, food; Swed. *mat*, victuals; Goth. *mat*, food (whence *maljan*, to use as food, eat); OHG. *maz*, food. β. Prob. allied to Skt. *mad*, to be glad, *madaya*, to exhilarate, to be satisfied (Uhlenbeck). Der. *meat-offering*.

**MECHANIC**, pertaining to machines. (F.—L.—Gk.) First used as a sb., with the sense, 'mechanic art.' ME. *mechanike*, *mechanique*. 'Whos arte is cleped *mechanique*' = whose art is called *mechanic*; Gower, C. A. iii. 142; bk. vii. 1693. —OF. *mechanique*, *mecanique*, 'mechanicall'; Cot. —L. *mēchanika*, *mechanic*; also used as sb., the science of mechanics. —Gk. *μηχανική*, sb., the science of mechanics; fem. of adj. *μηχανικός*, relating to machines. —Gk. *μηχανή*, a machine; see **Machine**. Der. *mechanic-al* (see Trench, Select Glossary); *mechanic-al-ly*; *mechanic-s*, *mechanic-i-an*; also *mechan-ist*, *mechan-ism*.

**MEDAL**, a piece of metal in the form of a coin. (F.—Ital.—L.—Gk.) Shak. has *medal* to signify 'a piece of metal stamped with a figure'; Wint. Ta. i. 2. 307. —MF. *medaille*, 'a medall, an ancient and flat jewel,' &c.; Cot. (Mod. F. *medaille*). —Ital. *medaglia*, a medal, coin; equiv. to OF. *meaille*, whence mod. F. *maille*, a small coin. —Folk-L. type \**metallea*, adj. fem. —L. *metallum*, metal; a word of Gk. origin; see **Metal**. Cf. Late L. *medālia*, a small coin. Der. *medal-ist* or *medall-ist*; *medall-i-on*, in Blount's Gloss., ed. 1674, from MF. *medaillon* (F. *medaillon*), 'a little medall,' Cot., which is from the Ital. *medaglione*, formed from *medaglia*.

**MEDDLE**, to mix or interfere with. (F.—L.) To *meddle* with is to *mix* with. The ME. verb *medlen* simply means 'to mix.' 'Medled togideres' = mixed together, P. Plowman, B. ix. 3. Also frequently spelt *mellen*; thus, for 'imelled togidres,' another reading is *ymelled*, in Trevisa, iii. 469, l. 4. —AF. *medler*, Langtoft, i. 248; OF. *mesler*, *meller*, to mix, interfere or meddle with (Godefroy). Cotgrave has: 'mesler, to mingle, mix, . . . jumble; se mesler de, to meddle, inter-meddle, deal with, have a hand in.' Mod. F. *mêler*. Cf. Span. *mescalar*, Port. *mescalar*, Ital. *mesciare* [for *mesclare*, by usual change of *cl* to *chi*], to mix. —Late L. *misculāre*, to mix; cf. L. *miscellus*, mixed. —L. *miscēre*, to mix; see **Miscellaneous**. β. The orig. OF. form was *mesler*, whence AF. \**mezdlr*, *medler*. An intrusive *d* occurs, similarly, in *medlar*, q.v. Der. *meddl-er*, *meddle-some* (with E. suffix), *meddl-ing*. Also *medley*, q.v.

**MEDIATE**, middle, acting by or as a means. (L.) Rare as an adj., and not very common in the adv. form *mediate-ly*. 'Either immediately or mediatly,' Fryth's Works, p. 18. —L. *mediātus*, pp. of *mediāre*, to be in the middle. —L. *medius*, middle; cognate with AS. *midd*, middle; see **Medium**. Der. *mediate*, verb (rare in old books); Rich. quotes: 'employed to mediate A present marriage, to be had between Him and the sister of the young French queen'; Daniel, Civil War, b. viii. st. 49. Also *mediat-ion*, q.v., *mediat-or*, q.v. Also *im-mediate*. Also *medial*, from L. *mediālis*.

**MEDIATION**, intercession, entreaty for another. (F.—L.) ME. *mediation*, *mediacioun*, Chaucer, C. T. 4654 (B 234). —OF. *mediation*, 'mediation'; Cot. Formed as if from a L. acc. \**mediātionem*, from a nom. \**mediātiō*. —L. *mediāre*, to be in the middle, be between; see **Mediate**.

**MEDIATOR**, an intercessor. (F.—L.) Now conformed to the L. spelling. ME. *mediatour*, Wyclif, 1 Tim. ii. 5. —OF. *mediateur*. —L. *mediātōrem*, acc. of *mediātor*, one who comes between, a mediator. —L. *mediāre*; see **Mediate**. Der. *mediator-i-al*, *mediator-i-al-ly*.

**MEDIC**, a kind of clover. (L.—Gk.) Botanical. Lit. 'Median.' Phillips, ed. 1706, has both *medick* and the L. form *mēdica*. —Gk. *μηδική*, for *μηδική πόα*, Median grass; fem. of *μηδικός*, Median. From *Medea*, the name of a country in Asia; Pliny, b. xviii. c. 16.

**MEDICAL**, relating to the art of healing diseases. (L.) In Blount's Gloss., ed. 1674. —Late L. *medicālis*, medical. —L. *medicus*, a physician. —L. *medēri*, to heal. See **Medicine**. Der. *medical-ly*.

**MEDICATE**, to impregnate with anything medicinal. (L.) Rich. quotes 'his medicated posie at his nose' from Bp. Hall, A Sermon of Thanksgiving. —L. *medicātus*, pp. of *medicāri*, to heal. —L. *medicus*, a physician. See **Medicine**. Der. *medicat-ed*, *medication*, *medicat-ive*. Also *medica-ble*, Blount's Gloss., ed. 1674, from L. *medicābilis*; *medicament*, from OF. *medicament*, 'a medicament, salve' (Cot.), which is from L. *medicamentum*.

**MEDICINE**, something given as a remedy for disease. (F.—L.) In early use. ME. *medicine*, in O. Eng. Homilies, ed. Morris, i. 187, l. 4 from bottom. —OF. *medecine* (for *medicene*). —L. *medicina*, *medicene*. —L. *medicus*, a physician. —L. *medēri*, to heal. β. Fick (i. 714) compares also Zend *madh*, to treat medically, *madha*, medical science. Der. *medicine*, vb., Oth. iii. 3. 332; *medicin-al*, Wint. Ta. ii. 3. 37;

*medicin-al-ly*; *medicin-able*, Much Ado, ii. 2. 5. And see *medical*, *medicate*.

**MEDIEVAL**, relating to the middle ages. (L.) Also written *mediæval*. Modern; not in Todd's Johnson. Coined from L. *medi-*, for *medius*, middle; and L. *æu-um*, an age; with suffix *-al*. See **Mediate** and **Age**.

**MEDIOCRE**, middling, moderate. (F.—L.) 'A very *mediocre* poet, one Drayton'; Pope, To Dr. Warburton, Nov. 27, 1742 (R.). —F. *médiocre*, middling. —L. *mediocrem*, acc. of *mediocris*, middling; extended from *medius*, middle. (Cf. *ferox* from *ferus*.) See **Mid**. Der. *mediocri-ty*, F. *médiocrité*, from L. acc. *mediocritatem*.

**MEDITATE**, to think, ponder, purpose. (L.) In Shak. Rich. III, iii. 7. 75. [The sb. *meditation* is in much earlier use, spelt *meditaciun* in the Ancrer Riwle, p. 44, l. 4.] —L. *meditātus*, pp. of *meditārī*, to ponder. Cf. Gk. *μέδομαι*, I attend to; Brugmann, i. § 591. See **Mete**. Der. *meditat-ion*, from OF. *meditation* < L. acc. *meditātionem*; *meditat-ed*, *meditat-ive*, *meditat-ive-ly*, *meditat-ive-ness*.

**MEDITERRANEAN**, inland. (L.) In Shak. Temp. i. 2. 234; and in Cotgrave, who translates MF. *Mediterranée* by 'the mediterranean or mid-earth sea.' —L. *mediterrāne-us*, situate in the middle of the land; with suffix *-an* (= F. *-an*, L. *-ānus*). —L. *medi-*, for *medius*, middle; and *terra*, land; with suffix *-ne-o-*. See **Mid** and **Terrace**. ¶ Chiefly applied to the *Mediterranean Sea*, which appeared to the ancients as nearly in the middle of the old world; but the word was sometimes used more generally; see Trench, Select Glossary.

**MEDIUM**, the middle place, means, or instrument. (L.) In Dryden, Art of Poetry, c. iv. l. 888; Bacon, Nat. Hist. § 293. —L. *medium*, the midst, a means; neut. of *medius*, middle; see **Mid**.

**MEDLAR**, a small tree with a fruit somewhat like an apple or pear. (F.—L.—Gk.) Palsgrave has *medlar* for both the fruit and the tree. Properly, *medlar* is the name of the tree; the fruit should be called a *medle*, but the word is obsolete; the *medlar* is so called because it bears *medles*. ME. *medler*, a medlar-tree; Rom. of the Rose, 1375. Also called *medle-tre*, Sir Beves of Hamptoun, ed. Turnbull, 52 (Stratmann). —AF. *medler*, OF. *meslier*, a medlar-tree; both in Godefroy, Supp., s.v. *nesplier* (sic); MF. *meslier*, 'a medlar-tree'; Cot. —AF. *medle*, OF. *mesle* (both in Godefroy, Supp., s.v. *nesple*); MF. *mesle*, 'a medlar (a Picard word)'; Cot. —L. *mespilum*, a medlar; cf. *mespilus*, a medlar-tree; Pliny, b. xvii. c. 10. —Gk. *μέσπιλον*, a medlar. ¶ The introduction of *d* before *l* in this word is curious; but the same phenomenon occurs also in *meddle* and *medley*; it arose from the OF. *sl*, which became *zdl*, and finally *dl*.

**MEDLEY**, a confused mass, confusion, mixture. (F.—L.) ME. *medlè*, *medlee*. 'Medle, mixtura'; Prompt. Parv. p. 331. Also spelt *mellè* (dissyllabic), which occurs in Barbour's Bruce in the sense of 'mixture,' b. v. l. 404, and over and over again in the sense of 'fray,' 'contest,' exactly corresponding to the mod. F. *mêlée*, which is in fact the same word. See Trench, Select Glossary. Chaucer has *medlee* in the sense of 'mixed in colour,' as in: 'He rood but hoonly in a *medlee* cote,' Prol. to C. T. 330 (A 328). —AF. *medlee*, a combat, Life of Edw. Conf., p. 15; cf. OF. *mesle*, *melle* (fem. forms *meslee*, *mellee*), pp. of *mesler*, or *meller* (mod. F. *mêler*), to mix. See further under **Meddle**. ¶ The verb to *meddle* also appears as *mell*, All's Well, iv. 3. 257; Barbour's Bruce, v. 409; and see Nares.

**MÉDOC**, a red wine. (F.) From *Médoc*, a region of France, in the department of Gironde.

**MEDULLAR, MEDULLARY**, belonging to the marrow. (L.) *Medullar* is in Blount's Gloss., ed. 1674. Kersey, ed. 1715, has both forms. —L. *medullāris*, belonging to the marrow. —L. *medulla*, the marrow. Cf. L. *medius*, middle.

**MEED**, reward, wages, hire, reward of merit. (E.) ME. *mede*, P. Plowman, B. ii. 20, 27, 34, 36, 39, &c. AS. *mēd*, Matt. vi. 1; allied form *meord* (with *r* for older *s*), John, iv. 36, Rushworth MS. + G. *miethe*, hire; MHG. *miete*, OHG. *mieta*. Cf. Goth. *mizdō*, reward; Russ. *mzda*, remuneration; Gk. *μισθός*, pay; Pers. *muzd*, wages; Skt. *miḍha-*, reward. Idg. types \**mēizdhā*, \**mizdhā*, f.; \**mizdhos*, m.; \**mizdhom*, n. Brugmann, i. § 226.

**MEEK**, mild, gentle. (Scand.) ME. *meke*, Chaucer, C. T. 69; Havelok, 945; spelt *meoc*, Ormulum, 667. —Icel. *mjúkr*, soft, agile; meek, mild; Swed. *mjuk*, soft, pliable, supple; Dan. *myg*, pliant, soft; NFries. *mjock*. Cf. also Du. *muik*, soft; Goth. \**mūks*, only in comp. *mūka-mōdei*, gentleness. Teut. types \**meukoz*, \**mūkoz*. (AS. *mēoc*, from Scand., only occurs in *Mēoces dūn*, a place-name; Birch, Cart. Sax. ii. 557. Der. *meek-ly*, *meek-ness*.)

**MEERSCHAUM**, a substance used for making tobacco-pipes. (G.) Modern. —G. *meerscham*, lit. sea-foam. —G. *meer*, sea, cognate with E. *Mere* (1); and *schaum*, foam, cognate with E. **Scum**.

**MEET** (1), fitting, according to measure, suitable. (E.) ME. *mete*, Chaucer, C. T. 2293 (A 2291). [We also find ME. *mete* with the sense of moderate, small, scanty; P. Plowman's Crede, l. 428.

'This is the same word, from the notion of fitting tightly.] O Merc. *mēte*, measurable, as in *or-mēte*, excessive, *Épinal Gloss*. 640; AS. *mæte*, small, scanty, lit. tight-fitting; whence *immæte*, immense, immeasurable; Grein, ii. 227, 624. — AS. *mæt-*, 3rd grade of *metan*, pt. t. pl. *mæt-on*, to mete; see **Mote**. Cf. G. *mässig*, moderate, frugal; from *messen*, to measure. Der. *meet-ly*, *meet-ness*.

**MEET** (2), to encounter, find, assemble. (E.) ME. *meten*, Chaucer, C. T. 1526 (A 1524). AS. *mētan*, to find, meet; Grein, ii. 234; O Merc. *mōetan* (Sweet, OF. Texts). (Formed with the usual vowel-change from *ō* to *ē*, as in *fōt*, pl. *fēt*). — AS. *mōt*, *gemōt*, a meeting; see **Moot**. + OSax. *mōtian* (the exact equivalent of AS. *mētan*), from *mōt*; Du. *moeten*, only in comp. *ontmoeten*, to meet, from *gemoet*, a meeting; Icel. *mæta*, *mæta*, to meet, from *mōt*, a meeting; Swed. *mōta*, to meet, from *mot*, preserved only in the prep. *mot*, against, towards; Dan. *møde*, to meet; cf. *mod*, against; Goth. *gamōtjan*, to meet. All from Teut. base \**mōt-*, of uncertain meaning. Perhaps cf. Gk. *μήδ-ομαι*, I devise, plan. Der. *meet-ing*, AS. *gemēting*, Grein, i. 429; *meet-ing-house*.

**MEGALOSAURUS**, a fossil animal. (Gk.) Lit. 'great lizard.' — Gk. *μεγάλο-*, decl. stem extended from *μέγα-*, for *μέγας*, great, cognate with E. **Much**, q. v.; and *σαῦρος*, a lizard.

**MEGATHERIUM**, a fossil quadruped. (Gk.) Lit. 'great wild beast.' — Gk. *μέγα*, n. of *μέγας*, great, cognate with E. **Much**, q. v.; and *therium*, for Gk. *θηρίον*, dimin. of *θήρ*, a wild beast.

**MEGRIM**, a pain affecting one side of the head. (F.—L.—Gk.) ME. *migrim*, *migreim*, *migreue*. 'Mygreyme, migrym, mygrene, sekenesse, *Emigranea*;' Prompt. Parv. Here *migrim* is a corruption, by change of *n* to *m*, of the older form *migreue*. — F. *migraine*, 'the megrim, head-ach;' Cot. — Late L. *hēmigranea*, megrim, Ducange; cf. *ēmigranea* in Prompt. Parv., just cited. — L. *hēmigrania*, a pain on one side of the face. — Gk. *ἡμικρανία*, megrim. — Gk. *ἡμι-*, half (see **Hemi-**); and *κράνιον*, the cranium, skull (see **Cranium**).

**MELANCHOLY**, depression or dejection of spirits, sadness. (F.—L.—Gk.) Supposed to be caused by an excess of black bile; whence the name. ME. *melancolie*, *malencolie*, Gower, C. A. i. 39; prol. 1069; cf. 'engendred of humour *malencolyk*,' Chaucer, C. T. 1377 (A 1375). — OF. *melancolie*, MF. *melancholie*, 'melancholy, black choler;' Cot. — L. *melancholia*. — Gk. *μελαγχολία*, melancholy. — Gk. *μελάγχολος*, jaundiced, filled with black bile. — Gk. *μέλαν-*, stem of *μέλας*, black, dark, gloomy (allied to Skt. *mala-*, dirty, *malina-*, black); and *χολή*, bile, cognate with E. **Gall**, q. v. Der. *melancholic-*, MF. *melancholique*, 'melancholick' (Cot.), from L. *melancholicus*.

**MELANITE**, a black variety of garnet. (Gk.) From Gk. *μέλαν-*, stem of *μέλας*, black; with suffix *-ite* (Gk. *-ιτης*).

**MELÉE**, a confused conflict. (F.—L.) Explained under **Medley**.

**MELILOT**, the name of a plant. (F.—L.—Gk.) In Levins and Cotgrave. — MF. *melilot*, 'melilot;' Cot. — L. *melilotos*. — Gk. *μελίλωτος*, *μελίλωτον*, a kind of clover; so called from the honey it contained. — Gk. *μέλι*, honey; and *λωτός*, lotus, clover. See **Mellifluous** and **Lotus**.

**MELIORATE**, to make better, improve. (L.) Bacon has *meliorate* and *melioration*, Nat. Hist. §§ 232, 434. — L. *meliorātus*, pp. of *meliorāre*, to make better (Lewis). — L. *melior*, better. β. Cognate with Gk. *μᾶλλον*, rather, compar. of *μάλα*, adv., very much, exceedingly. Der. *meliorat-ion*, *a-meliorate*.

**MELLIFLUOUS**, flowing sweetly, sweet. (L.) In Milton, P. L. v. 429; P. R. iv. 277. And in Shak. Tw. Nt. ii. 3. 54. — L. *mellifluus*, flowing like honey (by change of *-us* to *-ous*, as in numerous other instances). — L. *melli-*, decl. stem of *mel*, honey; and suffix *-fluus*, flowing, formed from *fluere*, to flow. β. L. *mel* is cognate with Gk. *μέλι*, Goth. *milith*, honey; Irish *mil*, W. *mél*. For L. *fluere*, see **Fluent**. Der. So also *melli-fluent*, from *melli-* (as above) and *fluent-*, stem of pres. pt. of *fluere*. So also *melli-ferous*, i. e. honey-bearing, from L. *ferre*, to bear. And see *melilot*, *marmalade*.

**MELLOW**, fully ripe. (E.) 'Melwe, melowe, or type, *Maturus*;' Prompt. Parv. Hence *mellow-y*, as in 'not mellowy,' for L. 'necdum *mitia*;' Palladius, iv. 523. Pegge notes that, in Derbyshire, a mellow apple or pear is called a *mealy* one; and perhaps *mellow* is an adjectival use of *meal*. The ME. *melwe* may be due to AS. *melw-*, as in *melw-e*, dat. of *melu*, meal. See **Meal** (1). Cf. Du. *malsch*, Low G. *mals*, soft, mellow; Du. *mul*, soft, *mollig*, soft (see Franck). ¶ Perhaps confused with O Merc. *merwe*, tender (Matt. xxiv. 32); AS. *mearu*, G. *mürbe*, mellow. Der. *mellow-ness*.

**MELOCOTON**, a peach grafted on a quince. (Span.—Ital.—L.—Gk.) Spelt *malakatoon*; Webster, Devil's Law-case; A. i. sc. 2; and see Nares.—Span. *melocoton*, a quince, a peach grafted on a quince.—Ital. *melocotogno*, a quince.—Late L. *mēlum cotōneum*, a quince (Ducange). — Gk. *μήλον κυδάνιον*, a quince; lit. a Cydonian apple. See **Quince**.

**MELODRAMA, MELODRAME**, a theatrical performance, with songs. (F.—Gk.) Given in Todd's Johnson only in the form *melodrame*, noted by Todd as a modern word lately borrowed from French. It is now written *melodrama*. — F. *melodrame*, properly, acting with songs. A coined word. — Gk. *μέλο-*, for *μέλος*, a song (see **Melody**); and *δράμα*, an action, drama (see **Drama**). Der. *melodramat-ic*, *melodramat-ist*, from the stem *δράματ-*.

**MELODY**, an air or tune, music. (F.—L.—Gk.) ME. *melodie*, *melodye*, Chaucer, C. T. 9; Legend of St. Christopher, l. 18. — OF. *melodie*. — L. *melodia*. — Gk. *μελωδία*, a singing. — Gk. *μελωδός*, adj., singing, musical. — Gk. *μελ-*, for *μέλος*, a song, music; and *ὥδή*, a song, ode (see **Ode**). Der. *melodi-ous*, *-ly*, *-ness*.

**MELON**, a kind of fruit. (F.—L.—Gk.) 'Of melones;' see Sir T. Elyot, Castel of Helth, b. ii. c. 7; ME. *meloun*, Wyclif, Numb. xi. 5. — OF. *melon*, 'a melon;' Cot. — L. *mēlonem*, acc. of *mēlō*, an apple-shaped melon. — Gk. *μήλον*, (1) an apple, (2) fruit of various kinds. Cf. L. *mālum*, an apple (possibly borrowed from Gk.). Der. *mar-mal-ade*, q. v.

**MELT**, to become liquid, dissolve. (E.) ME. *melten*; pt. t. *malt*, Genesis and Exodus, ed. Morris, 1017; pp. *molten*, P. Plowman, B. xiii. 82. AS. *meltan*, pt. t. *mealt*, Grein, ii. 230. + Gk. *μέλδεν*, to melt. Allied to Skt. *mydu-*, soft, and the O Slavonic *mladu*, soft (cited by Max Müller, Lect. on Language, 8th edit., ii. 363). Brugmann, i. § 580, ii. § 690. (✓MEL). Der. *melt*, trans. vb., AS. *mieltan*, *mieltan*; *melt-ing*, *melt-ing-ly*. Also *malt*, q. v., *milt* (1), q. v.

**MEMBER**, a limb, a clause, one of a community. (F.—L.) ME. *membre*, Rob. of Glouc. p. 511, l. 10525. — F. *membre*, a member. — L. *membrum*, a member. Brugmann, i. § 875. Der. *member-ship*, with E. suffix. Also *membr-ane*, q. v.

**MEMBRANE**, a thin skin or film. (F.—L.) 'The skin is a membrane of all the rest the most large and thick;' P. Fletcher, Purple Island, c. 2, note 13. — F. *membrane*, 'a membrane;' Cot. — L. *membrāna*, a skin covering a member of the body, a membrane. — L. *membr-um*, a member; see **Member**. Der. *membran-ous*, *membran-ac-e-ous*.

**MEMENTO**, a memorial or token whereby to remember another. (L.) A Lat. word, adopted into E.; as early as 1401; see Polit. Poems, ii. 103. From the first word in one of two prayers in the Canon of the Mass. The phrase *memento mori* (remember you must die) is in Shak. 1 Hen. IV, iii. 3. 35; but this is used in a different connexion. 'That memento would do well for you too, sirrah;' Dryden, Kind Keeper, A. iv. sc. 1. We find 'for memento sake' as early as in P. Plowman, B. v. 474, where there is a special allusion to the text 'Remember me,' Luke, xxiii. 42. — L. *memento* (see Luke, xxiii. 42, Vulgate); imperative of *memini*, I remember; see **Mention**, **Mind**. Brugmann, ii. § 846. (✓MEN).

**MEMOIR**, a record, short biographical sketch, collection of recollections. (F.—L.) Commonly in the pl. *memoirs*, spelt *memoires* in Phillips' Dict., ed. 1706. — MF. *memoires*, 'notes of, writings for, remembrance, . . . records;' Cot. Pl. of MF. *memoire*, memory. — L. *memoria*, memory; also, a historical account, record, memoir. See **Memory**.

**MEMORY**, remembrance, recollection. (F.—L.) ME. *memorie*, Chaucer, C. T. 10118 (E 2244); King Alisaunder, 4790. — OF. *memoire*, memory (of which the AF. form *memorie* is in Gaimar). — L. *memoria*, memory. — L. *memor*, mindful. β. The L. *memor* appears to be a reduplicated form (like *me-min-i*, I remember); cf. Gk. *μέρ-μερος*, anxious, *μερ-μερίζειν*, to be anxious, to ponder earnestly (with which the notion of memory is closely associated); the simpler form in Gk. appears in *μέρ-μνα*, care, thought. γ. Thus the base is MER, a later form of ✓SMER, to remember, as in Skt. *smṛ*, to remember; cf. E. **Martyr**, q. v. Brugmann, ii. § 846. Der. *memori-al*, Gower, C. A. ii. 19; bk. iv. 532; from OF. *memorial*, 'a memorial' (Cot.), from L. *memoriālis*; *memori-al-ist*, *memori-al-ise*. Also *memor-able*, Hen. V, ii. 4. 53, from MF. *memorable*, 'memorable' (Cot.) < L. *memorā-bilis*, from *memorāre*, which from *memor*. Hence *memor-abl-y*. Also *memorandum*, pl. *memorandums*, 1 Hen. IV, iii. 3. 179, from L. *memorandum*, neut. of fut. pass. part. of *memorāre*, to record. Also *com-memor-ate*, *im-memor-ial*, *re-mem-ber*. **Doubiet**, *memoir*. Not allied to *memento*.

**MENACE**, a threat. (F.—L.) ME. *menace*, *manace*; spelt *manas*, King Alisaunder, l. 843. 'Now cometh manace, that is an open folye; for he that ofte manaceth,' &c.; Chaucer, Pers. Tale, De Ira (I 646). — OF. *menace*, *menache*, *manace* (Supp. to Godefroy); MF. *menace* (Cot.), a threat. — L. *minācia*, a threat, of which the pl. *minācia* is used by Plautus. — L. *mināci-*, decl. stem of *minax*, full of threats; also, projecting. — L. *minax*, pl., things projecting, hence (from the idea of threatening to fall) threats, menaces; cf. *minārī*, to threaten. Perhaps allied to L. *-minēre*, as in *-minēre*, to jut out, project. Der. *menace*, verb, as above; *menac-ing*, *menac-ing-ly*. From the same source, *com-min-at-ion*, *de-mean* (1); perhaps allied to *e-min-ent*, *pro-min-ent*.

**MENAGERIE**, a place for keeping wild animals. (F.—Late L.—L.) 'The *menagerie* in the tower;' Burke, On a Regicide Peace, let. 1 (R.).—F. *ménagerie*, 'properly a place where the animals of a household are kept, then by extension a place in which are kept rare and foreign animals;' Brachet. (So also Scheler.)—F. *ménager*, to keep house.—F. *ménage*, a household, housekeeping; OF. *mesnage*, 'household stuff, business, or people, a household, family, or meyney;' Cot. See further under **Menial**, **Mansion**.

**MEND**, to remove a fault, repair. (F.—L.) ME. *menden*, Will. of Palerne, 647. The sb. *mending* is in King Alisaunder, 5206. *Mend* is an aphetic form of *amend*, by the loss of the initial vowel. See **Amend**. Der. *mend-er*, *mend-ing*.

**MENDACITY**, falsehood, lying. (L.) 'The mendacity of Greece;' Sir T. Browne, Vulg. Errors, b. i. c. 6. § 9. Formed, by analogy with F. words in *-ty*, from L. acc. *mendacitatem*, from nom. *mendacitās*, falsehood.—L. *mendāci-*, decl. stem of *mendax*, false, lying. Allied to *mentīri*, to lie. β. The orig. meaning of L. *mentīri* was 'to think out, invent, devise;' cf. *commentum*, a device, a falsehood, *comminisci*, to devise. γ. Hence the base *men-t-* is plainly an extension from the common ✓**MEN**, to think. See **Mention**, **Mentor**. Der. *mendaci-ous*, formed with suffix *-ous* from *mendāci-* above; *mendaci-ous-ly*, *-ness*.

**MENDICANT**, a beggar. (L.) Properly an adj., as 'the mendicant (or begging) friars.' The word came in with these friars, and must have been well known, as a Latin word at least, in the 14th century. Chaucer has the F. form *mendinant*, C. T. 7488 (D 1906). Palsgrave has: '*mendycante*, an order of freres, *mendicant*.'—L. *mendicant-*, stem of pres. part. of *mendicare*, to beg.—L. *mendicus*, beggarly, poor; cf. L. *menda*, a fault. Der. *mendicant-y*. Also *mendic-it-y*, ME. *mendicite*, Rom. of the Rose, 6525, from OF. *mendicité*, 'mendicity,' Cot.

**MENHIR**, a tall monumental stone. (Bret.) A modern name; from Bret. *men*, also *mean*, a stone; and Bret. *hir*, long. The former is from the Celtic type \**maini-*, as in W. *maen*, Bret. *mean*, a stone; allied to L. *mānia*, walls. The latter is from the Celtic type \**sēros*, long, as in Irish *sir*, W. *hir*, Corn. and Bret. *hir*; cf. L. *sērus*, late.

**MENIAL**, one of a household, servile. (F.—Late L.—L.) Properly an adj., but also used as sb. 'His seruantes menyall;' Skelton, Why Come Ye Nat to Courte, 592. ME. *meineal*, *meyneal*. 'Grete 3e wel her meyneal chirche,' i.e. the church of their household, Wyclif, Rom. xvi. 5. This adj. is formed, by help of the common suffix *-al* (=F. *-al*, L. *-ālis*) from the ME. sb. *meine*, *meinee*, *mainee*, a household, now obsolete, but once in common use; see Rob. of Glouc., pp. 167, l. 3484; Rob. of Brunne, tr. of Langtoft, p. 15; Will. of Palerne, 184, 416; Havelok, 827; Wyclif, Matt. x. 25, Luke, ii. 4; Chaucer, C. T. 7627 (D 2045). β. [Note that this word is entirely unconnected with E. *many*, with which Richardson confuses it. In Spenser, prob. owing to such confusion, the word is badly spelt *many* or *manie*, F. Q. v. 11. 3.]—OF. *mesniee*, *maisnee*, *meisnee*, *mainsniee* (Godefroy); cf. '*Mesnie*, a meyny, family;' Cot. The same word as Ital. *masnada*, a family, troop, company of men.—Late L. \**mansionāta*, for which Ducange gives the forms *mansnada*, *maisnada*, a family, household; whence the derivative *mansionāticum*, expenses of a household, as explained in Brachet, s. v. *ménage*. γ. Formed, with fem. pp. suffix *-āta*, from *mansion-*, stem of L. *mansio*, a dwelling. See **Mansion**, **Menagerie**.

**MENINGITIS**, inflammation of the membranes of the brain or spinal cord. (Gk.) From Gk. *μηνιγγ-*, stem of *μηνιγξ*, a membrane, esp. of the brain; with suffix *-itis* (Gk. *-ιτις*).

**MENISCUS**, a crescent-shaped lens. (Gk.) From Gk. *μηνίσκος*, a crescent; dimin. of *μήνη*, the moon. See **Moon**.

**MENIVER**, **MINEVER**, **MINIVER**, a kind of fur. (F.—L.) ME. *meniuier* (with *u* for *v*); spelt *menyuere*, P. Plowman, B. xx. 137.—AF. *meniver*, Liber Albus, p. 283; OF. *menu ver*; '*menu ver*, ou verk, the furre minever, also, the beast that bears it;' Cot. Also spelt *menu vair*, 'minever, the furre of ermins mixed or spotted with the furre of the weesell called *gris*;' Cot.—OF. *menu*, 'little, small,' Cot.; and *vair*, 'a rich fur of ermines powdered thick with blue hairs;' Cot. β. The F. *menu* is from L. *minūtus*, small; see **Minute**. The F. *vair* is from L. *variū*, variegated, spotted; see **Vair**, **Various**. Thus the sense is 'little spotted' fur or animal.

**MENSES**, the monthly discharge from the womb. (L.) A L. medical phrase. In Phillips, ed. 1706.—L. *mensēs*, with the same sense; pl. of *mensis*, a month; from the same root as E. **Month**, q. v. Der. *menstruous*, q. v.

**MENSTRUOUS**, having or belonging to menses. (L.) In Isaiah, xxx. 22 (A. V.); Palladius, i. 859.—L. *menstruus*, monthly.—L. *mensis*, a month. See **Month**. Der. *menstru-ate*, from *menstruāre*. Also *menstruum*, a solvent, Sir T. Browne, Vulg. Errors,

b. ii. c. i. § 11; considered as a solvent liquid, and likened, by the alchemists, to menstrual blood; see N. E. D.

**MENSURATION**, measuring, measurement. (L.) In Phillips, ed. 1706. Formed, by analogy with F. words in *-tion*, from L. *mensurātionem*, acc. of *mensuratio*, a measuring.—L. *mensurāre*, to measure.—L. *mensūra*, measure; see **Measure**.

**-MENT**, a common suffix. (F.—L.) F. *-ment*, from L. *-mentum*, answering to Gk. *-μα-ρο-*, Idg. *-man-to-*.

**MENTAL**, pertaining to the mind. (F.—L.) In Shak. Timon, i. 1. 31.—F. *mental*, 'mentall;' Cot.—Late L. *mentālis*, mental.—L. *ment-*, stem of *mens*, mind; see **Mind**. Brugmann, i. § 431 (2). Der. *mental-ly*.

**MENT-ON**, a notice, remark, hint. (F.—L.) ME. *mencioun*, Chaucer, C. T. 895 (A 893).—F. *mention*, 'mention.'—L. *mentio*, acc. of *mentio*, a mention. Closely related to *mens* (decl. stem *menti-*), the mind, and to *me-min-i*, I remember. See **Mind**. Der. *mention*, vb., Wint. Tale, iv. 1. 22; *mention-able*.

**MENTOR**, an adviser, monitor. (Gk.) Not in Todd's Johnson. Simply adopted from the story in Homer, where Athene takes the form of *Mentor* with a view to give advice to Telemachus. See Pope's Homer, Od. b. ii.—Gk. *Μέντωρ*, proper name; it means 'adviser,' and is equivalent to L. *monitor*. Doublet, *monitor*, q. v.

**MENU**, a bill of fare. (F.—L.) From F. *menu*, a brief account or minute; substantival use of *menu*, small.—L. *minūtus*, small; see **Minute**.

**MEPHITIS**, a pestilential exhalation. (L.) In Phillips, World of Words, ed. 1706. The adj. *mephitick* is in Blount's Gloss., ed. 1674; spelt *mephiticke* in Cockeram (1623).—L. *mephitis*, a pestilential exhalation; Æn. vii. 84. Der. *mephit-ic*.

**MERCANTILE**, commercial. (F.—Ital.—L.) 'That I may use the mercantile term;' Howell, Familiar Letters, vol. i. let. 29; A. D. 1621.—MF. *mercantil*, 'merchantly;' Cot.—Ital. *mercantile*, mercantile.—L. *mercant-*, stem of pres. part. of *mercāri*, to trade; with suffix *-ilis*. See **Mercant**.

**MERCENARY**, hired for money, greedy of gain. (F.—L.) ME. *mercenarie*, Chaucer, C. T. 516 (A 514).—F. *mercenaire*, 'mercenary;' Cot.—L. *mercēnārius*, older form *mercennārius*, a hireling; for \**merced-nārius*.—L. *mercēd-*, stem of *mercēs*, a reward, pay.—L. *merc-*, stem of *merx*, merchandise. Brugmann, i. § 762 (2). See **Mercy**.

**MERCER**, a dealer in silks and woollen cloths. (F.—L.) The sense is simply 'a trader.' In early use. ME. *mercier*; Ancrén Riwe, p. 66, l. 18.—F. *mercier*.—L. type \**mercārius*; cf. Late L. *mercērius*, a mercer, trader.—L. *merci-*, decl. stem of *merx*, merchandise; with suffix *-ārius*, denoting the agent. See **Merchant**. Der. *mercier-y*, from AF. *mercerie*, Liber Albus, p. 225.

**MERCHANDISE**, a merchant's goods, wares. (F.—L.) ME. *merchandise*, P. Plowman, B. prol. 63.—F. *merchandise*, 'merchandise;' Cot.—F. *marchand*; see **Merchant**.

**MERCHANT**, a trader. (F.—L.) ME. *marchant*, Chaucer, C. T. 272 (A 270); Floriz and Blanchefleur, ed. Lumby, 42.—OF. *marchant* (Burguy), F. *marchand*, a merchant.—L. *mercant-*, stem of pres. pt. of *mercāri*, to barter.—L. *merc-*, stem of *merx*, merchandise. Perhaps allied to *merēre*, to gain, buy, purchase; see **Merit**. So Bréal. Der. *merchantman*, Matt. xiii. 45; *merchand-ise*, q. v. And see *com-merce*.

**MERCURY**, the messenger of the gods; quicksilver. (F.—L.) ME. *mercurie*, with the sense of quicksilver, Chaucer, C. T. 16240, 16242 (G 772, 774); as the name of the god, id. 1387.—AF. *mercurie*, Livre des Creatures, by Philippe de Thau, l. 264 (in Wright, Popular Treatises on Science); F. *mercure*.—L. *Mercurium*, acc. of *Mercurius*, Mercury, the god of traffic.—L. *merc-*, stem of *merx*, merchandise; see **Merchant**. Der. *mercuri-al*, Cymb. iv. 2. 310; *mercurial-ice*.

**MERCY**, favour, clemency. (F.—L.) In early use. ME. *merci*, Old Eng. Homilies, ed. Morris, i. 43; Ancrén Riwe, p. 30.—F. *merci*; OF. *mercit*.—L. *mercēdem*, acc. of *mercēs*, reward, pay; which in Late L. had the sense of mercy or pity.—L. *merc-*, stem of *merx*, merchandise, traffic. Der. *merci-ful*, spelt *merciuol*, Avenbite of Inwytt, p. 188; *merci-ful-ly*, *merci-ful-ness*; *merci-less*, *merci-less-ly*, *merci-less-ness*; *mercy-seat*, Exod. xxv. 17; *gra-mercy*.

**MERE** (1), a lake, pool. (E.) ME. *mere*, Allit. Poems, ed. Morris, A. 158. AS. *mere*, a mere; Grein, ii. 232.—Du. *meer*; Icel. *marr*, the sea; G. *meer*, OHG. *mari*, sea; Goth. *marei*, sea.—Russ. *more*, sea; Lithuan. *mārės*, pl.; W. *môr*; Gael. and Irish *muir*; L. *mare*. β. Some explain it as 'that which is dead,' hence a desert, waste, a pool of stagnant water or the waste of ocean; cf. Skt. *maru-*, a desert, allied to *mṛ*, to die. But this is too far-fetched. Der. *mar-sh*, q. v.; *mar-ish*, q. v. ¶ Probably allied to *moor* (1).

**MERE** (2), pure, simple, absolute. (L.) Very common in Shak.;

see Meas. for Meas. iii. 1. 30, &c. See Trench, Select Glossary. — L. *merus*, pure, unmixed; esp. used of wine. Der. *mere-ly*.

**MERE** (3), a boundary. (E.) Spelt *meare*; Spenser, F. Q. iii. 9. 46. ME. *mere*, Trevisa, tr. of Higden, i. 137. AS. *gemære*, a boundary (the prefix *ge-* makes no difference). Cf. Icel. *landa-mæri*, a land-mark. Teut. type *\*(ga)mairjom*, n.; allied to L. *mārus* (for *\*moiros*), a wall. See **Mural**. Der. *mere-stone*; spelt *meere-stone*, Bacon, Essay 56, § 1.

**MERETRICKIOUS**, alluring by false show. (L.) In Minshcu, ed. 1627. Formed, by the common change of *-us* to *-ous*, from L. *meretricius*, pertaining to a courtesan. — L. *meretrici-*, decl. stem of *meretrix*, a courtesan. Formed with fem. suffix *-tr-ix* (signifying an agent) from *merē-re*, to gain, receive hire. See **Merit**. Der. *meretricious-ly*, *-ness*.

**MERGANSER**, a bird resembling a duck. (L.) Compounded of L. *merg-us*, a diver, diving-bird, from *merg-ere*, to dive; and *anser*, a goose, cognate with E. *goose*. See **Merge** and **Goose**.

**MERGE**, to sink, plunge under water. (L.) It occurs in Prymne's Breviate of the Prelates, ed. 1637, p. 64; Todd's Johnson. The sb. *mercion* is in Blount's Gloss., ed. 1674. — L. *mergere*, to dip. + Skt. *majj*, to dive, bathe, sink. Brugmann, i. § 816. Der. *merg-er*; *mers-ion*, from *mercionem*, acc. of *mersio*, a dipping, cf. *mersus*, pp. of *mergere*; also *merg-anser* (above). Also *e-merge*, *im-merge*.

**MERIDIAN**, pertaining to mid-day. (F.—L.) ME. *meridian*; 'the altitude meridian'; Chaucer, On the Astrolabe, prol. l. 56 (or 60). Also used as sb. — OF. *meridien*, 'meridian, south; also as sb., the meridian'; Cot. — L. *meridiānus*, belonging to mid-day. — L. *meridiēs*, mid-day; as if *meri-diē* signified 'in the clear day,' from *merus*, pure, and *diēs*, a day; but really for *\*medi-diē*, at mid-day, from *medius*, middle, and *diēs*. Brugmann, i. § 587 (7). See **Medium** and **Diurnal**. Der. *meridion-al*, Chaucer, C. T. 10577 (F 263), from OF. *meridional*, L. *meridiōnālis*; *meridion-al-ly*.

**MERINO**, a variety of woollen. (Span.—L.) Not in Todd's Johnson. — Span. *merino*, roving from pasture to pasture; a name given to a certain kind of sheep. — Span. *merino*, an inspector of pastures and sheep-walks. — Late L. *mājōrinus*, a major-domo, steward of a household; cf. Late L. *mājōrālis*, a head-shepherd. See Ducange and Diez. Formed from L. *maior*, greater; see **Major**.

**MERIT**, excellence, worth, desert. (F.—L.) ME. *merite*, Gower, C. A. iii. 187; bk. vii. 3029. — OF. *merite*, 'merit'; Cot. — L. *meritum*, lit. a thing deserved; orig. neut. of *meritus*, pp. of *merē-re*, to deserve, β. The orig. sense of *merē-re* was perhaps 'to receive as a share'; i.e. if it is allied to Gk. *μερῶσαι*, I obtain a portion, *μέρος*, a portion, share. Der. *merit-or-i-ous*, Tyndall's Works, p. 171, col. 1, Englished from L. *meritōrius*, deserving; *meritor-i-ous-ly*, *-ness*. And see *meretricious*.

**MERLE**, a blackbird. (F.—L.) In Henrysoun's Testament of Creseide, l. 430. — OF. *merle*, 'a mearle, owsell, blackbird'; Cot. — L. *merula*, a blackbird. See **Titmouse**. And see *merl-in*.

**MERLIN**, a kind of hawk. (F.—Teut.) ME. *merlion*, Chaucer, Parl. of Foules, 339; cf. AF. *merilun*, in MS. Digby 86, desc. by Stengel (p. 10). — OF. *emerillon*, *esmerillon*, 'the hawk termed a marlin'; Cot. Cf. Ital. *smërlo*, a kind of hawk, whence *smèrighione*, a merlin; Span. *esmerejon*, a merlin. Of Teut. origin; cf. OHG. *smirl*, Icel. *smyrill*, mod. G. *schmerl*, a merlin. β. Diez supposes the Romance words to have been formed from L. *merula*, a blackbird; the initial *s* being unoriginal. See **Merle**. But L. *merula* may be cognate; with *m* for *sm*. Cf. Körtling, § 6124.

**MERMAID**, a fabled marine animal. (E.) ME. *mermaid*, Chaucer, C. T. 15276 (B 4460); also *mermaidens*, Rom. of the Rose, 682. — AS. *mere*, a lake, mere; and *mægd*, a maid; cf. AS. *mere-wif*, a mere-woman, Grein, ii. 233. See **Mere** and **Maid**. ¶ The sense of *mere* was easily exchanged for that of *sea* under the influence of F. *mer*, the cognate word. Der. *mer-man*, similarly formed.

**MERRY**, sportive, cheerful. (E.) ME. *merie*, *mirie*, *murie* (with one *r*), Chaucer, C. T. 235, 1388 (A 1386). Best form *murie*, as in Layamon, 10147. AS. *myrg[e]*, merry, Grein, ii. 233. Better spelt *myrge* (see *mirige* in Bosworth); cf. *myrge*, adv. (Grein). β. The orig. sense of AS. *myrg-e* was 'making the time short' (cf. OHG. *murg-fāri*, transitory). Cognate with Gk. *βραχ-ύς*, short; from the common base *\*myrgh-* (Brugmann, ii. § 104). Hence the AS. *myrge* (from Teut. type *\*murgjoz*) means 'lasting a short time,' and so 'making the time short'; cf. Goth. *ga-maurgan*, to shorten. See **Brief** (1). ¶ First explained in Engl. Studien, viii. 465. 'The form *merie* is Kentish. Der. *merri-ly*, *merri-ness*, L. L. l. i. 1. 202; also *merriment* (a hybrid word, with F. suffix, which has almost displaced *merriness*), Spenser, F. Q. ii. 6. 3. Also *merry-andrew*, where *Andrew* is a personal name, asserted by Hearne (Benedict. Abbas, ed. 1735, tom. i. pref. p. 50) to have been given to jesters in remembrance of the once famous *Andrew Boorde*, Doctor of Physic in the reign of Henry VIII; several jest-books were ascribed to him, perhaps

wrongly; see Mr. Furnivall's preface to his edition of Andrew Boorde's Introduction of Knowledge, and see the passage from Hearne cited at length in Todd's Johnson. Also *merry-thought*; Cot. translates F. *lunette* by 'the merry-thought, the forked craw-bone of a bird, which we use in sport to put on our noses.' See further in N. E. D. And see *mirth*.

**MESENTERY**, a membrane in the middle of the intestines. (L.—Gk.) In Minshcu, ed. 1627. Englished from L. *mesenterium*. — Gk. *μεσεντέριον*, also *μεσέντερον*, the membrane by which all the intestines are connected. — Gk. *μεσ-*, for *μέσος*, middle, cognate with L. *medius* (see **Mid**); and *έντερον*, a piece of the entrails (see **Entrails**). Der. *mesenter-ic*.

**MESH**, the opening between the threads of a net. (E.) Sometimes *mask*. Surrey has *meash* as a verb. 'How smal a net may take and *meash* a hart of gentle kinde;' Description of the Fickle Affections, l. 44; in Tottel's Misc., ed. Arber, p. 7. [ME. *maske*; 'maske of nette, macula'; Prompt. Parv.; but this is a Scand. form; cf. Icel. *möskvi*, Dan. *maske*, a mesh.] AS. *max*, a net (equivalent to *masc*, by the frequent interchange of *x* and *s*, as in *ask* = AS. *āxian*, āesian). We find 'max mine,' glossed by *retia mea*; Ælfric's Colloquy, in Thorpe's Analecta, p. 23, l. 5 (or in Voc. 92. 8). The very rare dimin. *mascre*, a mesh, is glossed by L. *macula* in a gloss; Voc. 450. 10. + Du. *maas*, a mesh, net; Icel. *möskvi*, a mesh; Dan. *maske*; OHG. *masca*; G. *masche*. β. The orig. sense seems to have been 'a knot,' from the use of knots in netting; this sense appears in Lithuanian *mazgas*, a knot, *magztas*, a knitting-needle, allied to the verb *megsti* (pres. t. *mezgù*), to knot, to weave nets; forms cited by Fick, iii. 236; Nesselmann, p. 387. Der. *mesh*, vb., as above.

**MESMERISE**, to induce an extraordinary state of the nervous system, in which the operator controls the action of the patient. (G. proper name.) Formed with verbal suffix *-ise* (= F. *-iser*), from *Mesmer*, the name of a German physician, of Mersburg, who first published his doctrines in 1766. See Haydn, Dict. of Dates. Der. *mesmer-ist*, *mesmer-ism*, *mesmer-ic*.

**MESNE**, intermediate. (F.—L.) Given in Cowell's Interpreter, with a wrong derivation from OF. *maisne*, younger by birth. But it is a variant of AF. *meen*, mean, intermediate; see **Mean** (3).

**MESO-**, middle. (Gk.) From Gk. *μέσος*, for *μέσος*, middle, cognate with L. *medius*, middle; see **Medium**, **Mid**. Hence *mescephalic*, having a head of medium size; and many scientific terms.

**MESS** (1), a dish of meat, portion of food. (F.—L.) 'A mease of meat, *ferculum*;' Levins, 204. 36. 'A messe, or dish of meate borne to the table, *ferculum*;' Baret, Alvearie. And see Gen. xliii. 34. ME. *messe* 'Messe of mete, *ferculum*;' Prompt. Parv. 'His furste mes,' his first dish; King of Tars, 86; in Ritson, Met. Rom. ii. 160. [Cf. ME. *entremesse*, a side dish, on which see my note to Barbour's Bruce, b. xvi. l. 457.] — OF. *mes*, a dish, course at table (Godefroy; Burguy). Cotgrave has: '*més*, a messe, or service of meat, a course of dishes at table.' Mod. F. *mets* (which also appears in Cotgrave), is a misspelt form due to a wish to point out more distinctly its connexion with the verb *mettre*, of which the old pp. was *mes*. Cf. Ital. *messo*, a course of dishes at table; also, a messenger (the former = L. *missum*; the latter = L. *missus*). — OF. *mes* (< Late L. *missum*), that which is set or placed, viz. on the table; pp. of *mettre*, to place. — Late L. *mittere*, to place; L. *mittere*, to send. See **Mass** (2) and **Message**. ¶ Not to be derived from AS. *myse*, a table, nor from L. *mensa*, nor from OHG. *maz*, meat; all of which have been (absurdly) suggested. Der. *mess*, sb., a number of persons who eat together, the orig. number being four; see Levins, and Trench, Select Glossary; also L. L. l. iv. 3. 207. 'A fourth, to make us a full messe of guests;' Heywood, Witches of Lances, A. i. sc. 1. 'Euery messe being five persons;' Hakluyt, Voy., iii. 100; l. 1. Also *mess*, vb., to eat of a mess, to associate at table; also *mess-mate*.

**MESS** (2), a mixture, disorder. (F.—L.) 'As pure a mess almost as it came in;' Pope, Epilogue to Satires, Dial. ii. 176. The same as *mess* (1); see N. E. D.

**MESSAGE**, a communication sent to another, an errand. (F.—L.) In early use. In Rob. of Glouc. p. 359, l. 7405. — F. *message*, 'a message'; Cot. — Late L. *missaticum*, message. Extended from L. *miss-us*, pp. of *mittere*, to send; see **Mission**. Der. *messenger*, q. v. And see *mess* (1), *mass* (2).

**MESSENGER**, the bearer of a message. (F.—L.) The *n* is excrement, as in *scavenger* for *scavager*, *passenger* for *passager*; so also *messenger* is for *messager*. ME. *messenger*, Chaucer, C. T. 5163, 5191, 5205 (B 743, 771); Ancrén Riwe, p. 190, l. 20. AF. *messager*, Polit. Songs, p. 243 (1307); *messanger*, Langtoft's Chron., ii. 210. Formed from *message* with suffix *-er* of the agent; see **Message**. ¶ We also find ME. *message* in the sense of 'messenger,' as in Allit. Poems, ed. Morris, B. 454. This form answers to Late L. *missaticus*, m.

**MESSIAH**, the anointed one. (Heb.) In Dan. ix. 25. — Heb. *māši'iah*, anointed; from *māshakh*, to anoint.

**MESSUAGE**, a dwelling-house with offices, &c. (F.—L.) *'Messuage* (*messuagium*), a dwelling-house; but by that name may also pass a curtilage, a garden, an orchard, a dove-house, a shop, a mill, a cottage, a toft, as parcel of a *messuage*, &c.; Blount, *Nomolexicon*, ed. 1691. ME. *messuage*, Chaucer, C. T. 3977. — AF. *mesuage*, Year-books of Edw. I. 1292–3, p. 219; OF. *mesuage*, a manor-house (Roquefort); cf. Late L. *messuagium*, *messuagium*, a manor-house (Ducange), also *mansuagium*, a farm-house. — Late L. type *\*mansuaticum* (cf. *mansuarius*, a dweller in a house); allied to *mansuonaticum*, a mansion, *mansuaticus*, a mansion. All from Late L. *mansa*, a small farm with a house, a manse. — L. *mansa*, fem. of *mansus*, pp. of *manēre*, to remain, dwell. See **Manse**, **Mansion**. Thus *messuage* = *mansu-age*; cf. OF. *mes*, a manse, MF. *metz*, 'a mesuage'; Cot.

**META-**, prefix. (Gk.) From Gk. *μετά*, prep., among, with, after; frequently used as a prefix, when it commonly implies 'change.' Cognate with Goth. *mith*, AS. *mid*, G. *mit*, with. Der. *met-al*, *meta-morphosis*, *meta-phor*, *meta-phrase*, *meta-physics*, *meta-thesis*, *metempsychosis*, *met-eor*, *meth-od*, *met-onymy*; &c.

**METAL**, a name given to certain solid opaque substances, as gold. (F.—L.—Gk.) ME. *metal*, Rob. of Glouc. p. 28, l. 665; also *metel*, id. p. 6, l. 144. — OF. *metal*, 'mettal, mettle'; Cot. — L. *metallum*, a mine, metal. — Gk. *μέταλλον*, a pit, cave, mine, mineral, metal. Cf. *μεταλλάω*, I search after, search carefully, explore. Of unexplained origin. It prob. contains the prep. *μετά*. Der. *metall-ic*, Milton, P. L. i. 673, immediately from L. *metallicus*; *metalli-fer-ous*, from *metalli* = *metallo-*, for *metallum*, and *-fer*, producing, from *ferre*, to bear; also *metalloid*, i.e. metal-like, from Gk. *μέταλλο-*, for *μέταλλον*, and *εἶδος*, form; also *metallurgy*, q.v. Doublet, *mettle*.

**METALLURGY**, a working in metals. (F.—L.—Gk.) In Phillips, *World of Words*, ed. 1706. — MF. *metallurgie*, 'a search for metall in the bowels of the earth,' Cot. [But this would appear to be but a partial explanation.] — Low L. *\*metallurgia*, not recorded, but such a form must have existed as a transcription from the Gk. — Gk. *μεταλλουργός*, adj., working in metals, mining; *μεταλλουργεῖν*, to smelt ore or work metals. — Gk. *μέταλλο-*, decl. stem of *μέταλλον*, a metal; and *ἔργον*, work, cognate with E. *work*. See **Metal** and **Work**. ¶ The vowel *u* = Gk. *ov*, resulting from *o* and *ε*. Der. *metallurg-ic-al*, *metallurg-ist*.

**METAMORPHOSIS**, change of form, transformation. (L.—Gk.) Chaucer has *Metamorphoseos*, short for *Metamorphoseos libri*, book of metamorphosis, C. T. 4513 (B 93). He alludes to the celebrated *Metamorphoseon Libri*, books of metamorphoses, by Ovid; and there is no doubt that the word became widely familiar because Ovid used it. — L. *metamorphōsis* (gen. sing. *metamorphōseos* or *metamorphōseos*, the latter being the Gk. form; gen. pl. *metamorphōseōn*), a transformation. — Gk. *μεταμόρφωσις*, a transformation. — Gk. *μεταμορφόομαι*, I am transformed. — Gk. *μετά*, which in comp. has the sense of 'change;' and *μορφή*, I form, from *μορφή*, form. β. The etymology of *μορφή* is uncertain; some connect it with L. *forma*, form. Brugmann, i. § 413 (8). Der. *metamorphose*, Two Gent. i. 1. 66, ii. 1. 32, a verb coined from the sb. above; also used by Gascoigne, *Complaint of Philomene*, l. 18 from end. Also *metamorph-ic*, a geological term, likewise a coined word.

**METAPHOR**, a transference in the meaning of words. (F.—L.—Gk.) 'And make therof a *metaphore*;' Gascoigne, *Complaint of Philomene* (near the end); ed. Arber, p. 116. — MF. *metaphore*, 'a metaphor'; Cot. — L. *metaphora*. — Gk. *μεταφορά*, a transferring of a word from its proper signification to another. — Gk. *μεταφέρειν*, to transfer. — Gk. *μετά*, which in comp. often gives the sense of 'change;' and *φέρειν*, to bear, carry, cognate with E. *bear*. See **Meta** and **Bear** (1). Der. *metaphor-ic*, *-ic-al*, *ic-al-ly*.

**METAPHRASE**, **METAPHRASIS**, a literal translation. (Gk.) 'Metaphrasis, a bare translation out of one language into another;' Phillips, *World of Words*, ed. 1706. — Gk. *μετάφρασις*, a paraphrasing. — Gk. *μεταφράζειν*, to paraphrase, translate, lit. to change the style of phrase. — Gk. *μετά*, signifying 'change;' and *φράζειν*, to speak. See **Meta**- and **Phrase**. Der. *metaphrast* = Gk. *μεταφράστης*, a translator; *metaphrast-ic*.

**METAPHYSICS**, the science of mind. (L.—Gk.) Formerly called *metaphysic*; thus Tyndall speaks of 'textes of logike, . . . of *metaphysike*;' Works, p. 104, l. 1. ME. *methaphesik*, Trevisa, tr. of Higden, iii. 365. — L. *metaphysicus*, metaphysical; whence *metaphysica*, sb. pl., metaphysics. — Gk. *μετὰ τὰ φυσικά*, after physics; because the study was supposed fitly to follow the study of physics or natural science. The name is due to editors of Aristotle. See **Physics**. Der. *metaphysic-al*, *Levinis*; *-al-ly*, *-i-an*.

**METASTASIS**, a change of condition. (Gk.) From Gk.

*μετάστασις*, a removal, change; allied to *μεθίσταται*, to remove. — Gk. *μετά*, implying change, and *ίσταται*, to place.

**METATHESIS**, transposition of some letters of a word. (L.—Gk.) In Blount's Gloss., ed. 1674. — L. *metathesis*. — Gk. *μετάθεσις*, transposition. — Gk. *μετά*, signifying 'change;' and *θέσις*, a setting, place. See **Meta**- and **Thesis**.

**METE**, to measure. (E.) ME. *meten*, P. Plowman, B. i. 175. AS. *metan*, *gemetan*, to measure; Grein, ii. 234. — Du. *meten*; Icel. *meta*, to tax, value; Swed. *mäta*, to measure; Goth. *mitan*; G. *mesen*. Cf. Gk. *μέδομαι*, I provide for; L. *modus*, measure, moderation. See **Mode**. (✓MED.) Brugmann, i. § 412 (1). Der. *mete-yard*, Levit. xix. 35, from AS. *met-gæard*, a measuring-rod, Voc. 147. 20 (see **Yard**); *meet* (1).

**METEMPSYCHOSIS**, the transmigration of souls. (Gk.) 'Metempsychosis, a passing of the soul from one body to another;' Blount's Gloss., ed. 1674. Spelt *metempsychosis* in Herbert's Travels, ed. 1665, p. 53. — Gk. *μετεμψύχωσις*, a transferring of the soul. — Gk. *μετεμψύχω*, I make the soul pass from one body to another. — Gk. *μετ-*, for *μετά*, denoting 'change;' *εμ-*, for *ἐν*, in, into, before the *ψ* following; *ψυχή*, for *ψυχή*, the soul. See **Psychology**.

**METEOR**, an apparition in the sky. (F.—Gk.) Frequent in Shak.; see Rich. II, ii. 4. 9, &c. — MF. *meleore*, 'a meteor'; Cot. — Gk. *μετέωρος*, adj., raised up above the earth, soaring in air; hence *μετέωρον*, a meteor. — Gk. *μετ-*, for *μετά*, among; and *εὔρα*, allied to *αἰώρα*, anything suspended, from *αἰερεῖν*, to lift, raise up. See Prellwitz. Der. *meteor-ic*; *meteorology*, from *λόγος*, a discourse, *λέγειν*, to speak; *meteorologi-c-al*, *meteorolog-ist*.

**METHEGLIN**, mead. (W.) In Sir T. Elyot, *Castel of Helth*, b. ii. c. 22; L. L. L. v. 2. 233. — W. *meddyglyn*, mead; lit. medical liquor. — W. *meddyg*, from L. *medicus*, healing, curative; and *lyn*, liquor (Spurrell, pt. i. p. 189). See J. Davies, *Welsh-Lat. Dict.* 1632. — A. L. Mayhew.

**METHINKS**, it seems to me. (E.) ME. *me thinkes*, Will. of Palerne, 430; also *me thinketh*, id. 839. AS. *mē þynced*, it seems to me; Grein, ii. 613. Here *mē* is the dat. case of the 1st pers. pronoun; and *þynced* is from the impersonal verb *þyncan*, to seem, distinct from *þencan*, to think (Grein, ii. 579). β. Cognate with AS. *þyncan* are OSax. *thuncean*, Icel. *þykkja* (= *þynkja*), Goth. *thugkan* (= *thunkan*), G. *dünken*, OHG. *dunchan*, to seem. These answer to a Teut. type *\*thunkjan-*; from *\*thunk-*, weak grade of *\*thenk-*; see **Think**.

**METHOD**, arrangement, system, orderly procedure, way. (F.—L.—Gk.) In Shak. Meas. for Meas. iii. 2. 52. — MF. *methode*, 'a method, a short, ready, and orderly course for the teaching, learning, or doing of a thing;' Cot. — L. *methodus*. — Gk. *μέθοδος*, an enquiry into, method, system. — Gk. *μεθ-*, for *μετά*, after; and *ὁδός*, a way; the lit. sense being 'a way after,' or 'a following after.' β. The Gk. *ὁδός* is from ✓SED, to go; cf. Skt. *sādya* (with *ā*), to approach (Benfey, p. 999); Russ. *chodite*, to go, walk, march, *chod'*, a going, course. See Prellwitz; Brugmann, i. § 907, n. 1. Der. *method-ic-al*, *method-ic*, *method-ist* (Blount's Gloss., ed. 1674, and see Trench, *Select Glossary*), *method-ise*, *Method-ism*.

**METHYLATED**, mixed with methyl. (Gk.) *Methyl* is the radical of wood-spirit or methylic alcohol. From Gk. *μέθυ*, wine; and *ύλη*, wood. As if 'spirit of wood;' see N. E. D.

**METONYMY**, a rhetorical figure. (L.—Gk.) 'I understand your *metonymy*;' Butler, *Hudibras*, pt. ii. c. 3. l. 588. 'Metonymie, a putting one name for another; a figure, when the cause is put for the effect, or contrarily;' Blount's Gloss., ed. 1674. — L. *metonymia*. — Gk. *μετωνυμία*, a change of names, the use of one word for another. — Gk. *μετά*, implying 'change;' and *ὄνομα*, a name, cognate with E. *name*; see **Name**. Der. *metonym-ic-al*, *-ic-al-ly*.

**METRE**, **METER**, poetical arrangement of syllables, rhythm, verse. (F.—L.—Gk.) ME. *metre*, Chaucer, C. T. 13987 (B 3170). — OF. *metre*, 'meeter'; Cot. — L. *metrum*. — Gk. *μέτρον*, that by which anything is measured, a rule, metre. β. From base *με-*, with suffix *-τρον*, signifying the agent; see Brugmann, ii. § 62. From the weak grade (*με-*) of ✓MĒ, to measure; cf. Skt. *mā*, to measure. ¶ The word *meter* occurs in A. S. (see Bosworth), from L. *metrum*; but Chaucer took it from the French. Der. *metr-ic-al* (Skelton, *A Replycation*, 338), *metr-ic-al-ly*; *dia-meter*. Also *metro-nome*, a musical time-measurer, from *μέτρον*, for *μέτρον*, and *νόμος*, distribution, from *νέμειν*, to distribute. Also *baro-meter*, *chrono-meter*, *hexa-meter*, *hydro-meter*, *hygro-meter*, *penta-meter*, *thermo-meter*, *tri-meter*; *geo-metry*, *trigono-metry*, &c.

**METROPOLIS**, a mother city. (L.—Gk.) Ecclesiastically, it is applied to the chief cathedral city; thus Canterbury is the *metropolis* of England, but London is not so, except in a secular sense. In K. John, v. 2. 72; and Blount's Gloss., ed. 1674. The adj. *metropolitan* (= L. *mētropolitānus*) was in much earlier use, having a purely ecclesiastical sense. 'Bysshoppes *metropolitānes*' = metropolitan bishops; Sir T. More, Works, p. 1091 h. (Here Sir T. More uses

the word as a F. adj., with added *s*, and following its sb.)—L. *mētrópolis*.—Gk. *μητρόπολις*, a mother-state; ecclesiastically, the city of a primate.—Gk. *μήτρος*, for *μήτηρ*, a mother, cognate with E. **Mother**; and *πόλις*, a city, for which see **Police**. ¶ In St. Erkenwald, ed. Horstmann, l. 26, London is called 'þe *metropol* and þe mayster-tone.' 'And thereof is *metropolis* called the chiefe citee, where the Archbishop of any prouince hath his see, . . . as Caunterbury and Yorke;' Udall, tr. of Erasmus' Apophthegms; Diogenes, § 110. **Der.** *metropolit-an*, from L. *metropolitānus* (cf. Gk. *πολίτης*, a citizen).

**METTLE**, spirit, ardour. (F.—L.—Gk.) Absolutely the same word as *metal*, though the difference in sense is now indicated by a difference in the spelling. Common in Shak.; see K. John, ii. 401, Jul. Caesar, i. 1. 66, i. 2. 313, ii. 1. 134, iv. 2. 24, &c. 'No distinction is made in old editions between the two words, either in spelling or in use;' Schmidt. The allusion is to the temper of the *metal* of a sword-blade. See **Metal**. **Der.** *mettl-ed*; *mettle-some* (with E. suffix).

**MEW** (1), to cry as a cat. (E.) In Shak. Macb. iv. 1. 1; Hamlet, v. 1. 315; 'cry *mew*!' 1 Hen. IV, iii. i. 129. ME. *mauen*. 'Tybert [the cat] coude not goo awaye, but he *mauede* and galped so lowde,' i. e. mewed and yelped so loudly; Caxton, tr. of Reynard the Fox, ed. Arber, p. 22. Of imitative origin. + Low G. *mauen*, *miauen*. So also Pers. *maw*, the mewing of a cat; Arab. *mua*, a mewing; Rich. Dict. p. 1517. **Der.** *mew-l*, As You Like It, ii. 7. 144; this is a F. form, from MF. *miauler*, 'to mewl or mew like a cat,' Cot.

**MEW** (2), a sea-fowl, gull. (E.) ME. *maue*. 'Hec fuliga, *semaue*' [sea-mew]; Voc. 641. 1. AS. *māwa*. 'Alcedo, vel alcion, *māw*;' id. 131. 30; also *māu*, id. 5. 16; *mēu*, 432. 9. + NFries. *māue*; Du. *meuw*; Icel. *mār*; Dan. *maage*; Norw. *maake*; G. *möwe*. β. Teut. types \**mai(g)wiz*, \**maihwoz*; Idg. types \**moiqis*, \**moigos* (N. E. D.). Perhaps allied to Skt. *mēchaka-s*, dark-blue.

**MEW** (3), a cage for hawks, &c. (F.—L.) The sense of 'cage' gave rise to the verb *mew*, to enclose. [The verb *mew* also meant 'to moult,' which is the orig. sense in French; cf. ME. *mewen*, to change; Chaucer, Troil. ii. 1258.] ME. *meuwe*, *meuwe*, *mue*. 'And by hire beddes heed she made a *meuwe*;' Chaucer, C. T. 10957 (F 643). 'In *meuwe*;' Will. of Palerne, 3336. 'In *mue*;' Knight de la Tour Landry, ch. 64; ed. Wright, p. 85, l. 3 from bottom.—OF. *mue*, 'a change, or changing; any casting of the coat or skin, as the mewing of a hawke; . . . also, a hawks *mue*; and a *mue*, or coope wherein fowle is fattened;' Cot. So also Guernsey *mue*, a mew.—F. *muer*, 'to change, to *mue*, to cast the head, coat, or skin;' Cot.—L. *mūtārē*, to change. β. For \**mouitārē*, frequentative form of *mouēre*, to move; see **Move**. Cf. *prūdēns* for *prouidēns*, *būbus* for *bouibus* (Bréal). **Der.** *mew-s*, s. pl., a range of stabling, orig. a place for falcons; the reason for the change of name is given in Stow's Survey of London, ed. 1842, p. 167. 'Then is the *Mewe*, so called of the king's falcons there kept by the king's falconer, which of old time was an office of great account, as appeareth by a record of Rich. II, in the 1st year of his reign . . . After which time [A. D. 1534] the fore-named house called the *Meuse*, by Charing-cross, was new built, and prepared for stabling of the king's horses, in the reign of Edw. VI and Queen Mary, and so remaineth to that use.' Also *mew*, vb., to cage up, confine, of which the pp. *mued* occurs in The Knight de la Tour Landry, ch. 64, p. 85, l. 29. Also *mew*, vb., to moult, cast the coat; 'But I have *mew'd* that coat,' Beaum. and Fletcher, Little French Lawyer, iii. 2. See **Moult**.

**MEWL**; see under **Mew** (1).

**MEWS**, a range of stabling; see **Mew** (3).

**MEZZOTINTO**, a mode of engraving. (Ital.—L.) See Evelyn's Diary, Mar. 13, 1661.—Ital. *mezzo tinto*, half tinted.—Ital. *mezzo* (L. *medius*); and *tinto*, pp. of *tingere*, to tinge. See **Mediate** and **Tinge**.

**MIASMA**, pollution, infectious matter. (Gk.) In Phillips, ed. 1706.—Gk. *μίασμα*, pollution, stain.—Gk. *μαίειν*, to stain.

**MICA**, a glittering mineral. (L.) 'Mica, a crum, or little quantity of anything that breaks off; also glimmer, or cat-silver, a metallick body like silver, which shines in marble and other stones, but cannot be separated from them;' Phillips, ed. 1706. Cf. mod. F. and Span. *mica*, mica. Apparently from L. *mīca*, a crumb (see **Microcosm**); but it seems to have been applied to the mineral from a notion that this word is related to L. *mīcārē*, to shine, glimmer; which is not the case. **Der.** *mic-ac-e-ous*, a coined adj.

**MICH**, to skulk, hide, play truant. (E.) ME. *mich-en*, Prompt. Parv. The sb. *micher*, a skulking thief, occurs in the Rom. of the Rose, 6541; and, much earlier, spelt *michare*, in Ancrén Riwele, p. 150, last line. The ME. *muchen*, *michen*, result from an AS. form \**myccan*, not found. But it is allied by gradation to OHG. *mūhhan*, to lie in wait secretly; whence G. *meucheln*, to assassinate, *meuchlings*, insidiously, maliciously. See *meuchel*- in Kluge. **Der.** *mich-er*,

1 Hen. IV, ii. 4. 450, and in Ancrén Riwele (as above); *mich-ing*, Hamlet, iii. 2. 146.

**MICHAELMAS**, the feast of St. Michael. (Hybrid; F.—Heb. and L.) ME. *michelmesse*, *mychelmesse*, P. Plowman, B. xiii. 240. 1. *Michel* is from F. *Michel*, the F. form of Heb. *Mikhael*, a proper name, signifying 'who is like unto God?' from Heb. *mī*, who? *ke*, like, *El*, God. 2. The suffix *-mas*, ME. *messe*, AS. *mæsse*, is from L. *missa*, a mass; see **Mass** (2).

**MICKLE**, great. (E.) ME. *mikel*, *mukel*, *michel*, *muchel*, *mochel*; used as adv. in Chaucer, C. T. 260 (A 258). And see Havelok, 1025; Ormulum, 788; &c. AS. *micel*; Grein, ii. 242. + Icel. *mikill* (*mykill*); Goth. *mikils*; MHG. *michel*, OHG. *mihil*. + Gk. *μεγάλ-η*, fem., great. Allied to Gk. *μέγας*, great, L. *magnus*. See **Much**.

**MICROBE**, a very minute living being. (F.—Gk.) F. *microbe*, due to Sédillot (1878); and prob. meant to express 'small living being;' but it should mean 'short-lived.'—Gk. *μικρόβιος*, short-lived.—Gk. *μικρός*, also *σμικρός*, little; and *βίος*, life.

**MICROCOSM**, a little world. (F.—L.—Gk.) This term, meaning 'a little universe,' was applied in old times to man, who was regarded as a model or epitome of the universe. In Minshew, ed. 1627. 'This word is sometimes applied to man, as being a compendium of all other creatures, his body being compared to the baser part of the world, and his soul to the blessed angels;' Blount, ed. 1674. Also in Shak. Cor. ii. 1. 68.—F. *microcosme*, 'a little world;' Cot.—L. *microcosmus*.—Gk. *μικρόκοσμος*, a little world.—Gk. *μικρο-*, decl. stem of *μικρός*, also *σμικρός*, small, little; and *κόσμος*, a world (see **Cosmetic**).

**MICROSCOPE**, an instrument for viewing small objects. (Gk.) In Milton, P. R. iv. 57. Coined from Gk. *μικρό-*, decl. stem of *μικρός*, small; and *σκοπ-εῖν*, to behold, see. Cf. Gk. *ἐπί-σκοπος*, an overseer, bishop. See **Microcosm** and **Scope**. **Der.** *microscop-ic*, *microscop-ic-al*. So also *micro-meter*, an instrument for measuring small distances; see **Metre**. Many compounds begin with *micro-*.

**MID**, middle. (E.) ME. *mid*, *midde*; only used in compounds and phrases; see Stratmann. AS. *mid*, *midd*, adj., middle; Grein, ii. 248. + Du. *mid-*, used in composition, as *mid-dag*, mid-day; Icel. *miðr*, adj.; Swed. and Dan. *mid-*, in composition; Goth. *midjis*; OHG. *mitti*, adj. + L. *medius*, adj.; Gk. *μέσος*, Æolic *μέσσος* (= *μέθ-υος*); Skt. *madhya-*, adj., middle. Teut. type \**mečjoz*; Idg. type \**medhjos*, adj. **Der.** *amid*, q. v., whence the use of *mid* (for *mid*) as a preposition, like Russ. *mejdu*, *mej*, amid; *a-mid-s-t*, q. v. Also *mid-day*, AS. *mid-dæg*, John, iv. 6; *mid-land*, 2 Macc. viii. 35 (A. V.); *mid-night*, AS. *mid-niht*, Voc. 175. 38; *mid-rib*, a modern botanical term, not in Todd's Johnson; *mid-riff*, q. v.; *mid-ship*, short for *amid-ship*, whence also the term *midship-beam*, Phillips, World of Words, ed. 1706; *mid-ship-man*; *mid-summer*, AS. *midsumor*, A. S. Chron., an. 1052; *mid-way*, ME. *midwei*, Ancrén Riwele, p. 412. Also *mid-le*, q. v.; *mid-st*, q. v. Also (from L. *medi-us*), *mediate*, &c.

**MIDDEN**, a dunghill. (Scand.) Common in dialects. ME. *midдинг*; spelt *myddyng*, Palladius, i. 750.—Dan. *möddyng*, a dunghill (for \**mögdyng*).—Dan. *mög* (Icel. *myki*), muck; Dan. *dyng*, a heap. Lit. 'muck-heap.' Dan. *dyng*=Swed. *dynga*, dung; allied to E. *dyng*. See **Muck** and **Dung**.

**MIDDLE**, adj., intervening, intermediate. (E.) ME. *middel*, adj. 'In the *mycēdel* place;' Mandeville's Travels, p. 2 (in Spec. of English, p. 165, l. 34). Also *mičdel*, sb. 'Aboute hir *mičdel*;' Gower, C. A. ii. 47, l. 12; bk. iv. 1356. AS. *middel*, sb., Grein, ii. 249. β. Formed with suffix *-el* from AS. *midd*, adj.; see **Mid**. + Du. *middel*, adj., adv. and sb.; G. *mittel*, sb., means; OHG. *mit-il*, adj., middle. Cf. Icel. *medal*, prep. among. **Der.** *middle-man*, given in Phillips, ed. 1706, as a military term, signifying 'he that stands middlemost in a file;' *middl-ing*, used by L'Estrange and Dryden (Johnson), not an early word; *middles-moet*, Lzek. xlii. 5 (in the Bible of 1551 and in the A. V.), an ill-coined superlative on the model of *f-re-moet* and *aft-r-moet*.

**MIDGE**, a small fly or gnat. (E.) ME. *migge*, *mygge*. 'Hec sicoma, a *myge*' [better *mygge*]; Voc. 707. 4. AS. *miege*, Ælfrie's Gloss., Nom. Insectorum; in Voc. 122. 7; 'Culix, *myge*' [for *myge*]; id. Voc. 261. 6; *mygg*, 16. 23. Here *miege* is for *myge*, where *y* is due to an earlier *u*, with the usual vowel-change. + Du. *mug*, a gnat; Low G. *mgge*, Bremen Wörterbuch; Swed. *mygg*; Dan. *myg*; G. *mücke*, OHG. *mucca*, *mugga*. β. Teut. types \**mugjōn*, f.; \**mugjoz*, m.; perhaps the orig. sense was 'buzzer,' from the noise made by the insect's wings. Cf. Gk. *μύζω*, to mutter, *μύα*, a fly (Prellwitz); also Icel. *my*, a midge. **Der.** *mug-wort*, q. v.

**MIDRIFF**, the diaphragm, separating the heart from the stomach, &c. (E.) ME. *midrif*, *mycryf*, Prompt. Parv. AS. *midrif*. 'Dis-septum, midrif; Extā, midrif;' Voc. 159. 40, 42. Older form *midhrif*; A. S. Leechdoms, ii. 260.—AS. *mid*, middle; and *hrif*, the belly, the womb, Grein, ii. 104. Cf. Du. *rif*, in the sense of

'carcase'; OHG. *href*, the body, OFries. *rif*, *ref*, the belly, *midref*, the midriff. ¶ With AS. *hrif* compare L. *corp-us*, body.

**MIDST**, the middle. (E.) 'In the *midst*,' Com. Errors, i. 1. 104; and 11 other times in Shakespeare. 'In *middest* of his race;' Spenser, F. Q. vi. 3. 25. In the *midst* is from this older phrase in *middest*. Moreover, the *t* is excrescent, as in *whils-t*, *amongst*; and in *middest* answers to ME. *in middes*, as in 'in *myddes* the se' = in the midst of the sea, Pricke of Conscience, l. 2938. A parallel phrase is *amyddes*, P. Plowman, B. xiii. 82. β. Here the *s* gives the phrase an adverbial force, and is due to the habit of forming adverbs from the AS. gen. case in *-es*. The older form is without the *s*, as in a *midde*, Layamon, 4836, also spelt a *midden*, id. 8154. Still earlier, we have on *midden*, Luke, xxiv. 36, in the latest version of the A. S. Gospels, where the earlier version has on *mydlene*. γ. The ME. form *midde* answers to AS. *middan*, dat. case of the sb. *midde*, formed from the adj. *mid*, middle. See **Mid**; and see **Amidst**.

**MIDWIFE**, a woman who assists another in childbirth. (E.) ME. *mydwif*, P. Plowman's Crede, l. 78; *mydwif*, Myrc's Duties of Parish Priest, ed. Peacock, l. 98; *mydwif*, id. l. 87; *mydwif*, Wyclif, Gen. xxxviii. 27 (later version); *medewife*, id. (earlier version). The false spelling *medewife* (not common) is due to confusion with *mede*, i. e. meed, reward; this has misled Verstegan and others as to the etymology. In Cursor Mundi, 5543, the Fairfax MS. has the pl. *midwuyes*; but the Cotton MS. has *midwimmen* (mid-women). β. The prefix *mid-* is certainly nothing but the once common AS. and ME. *mid*, prep., together with; it occurs again as a part of the ME. *mid-poline*, compassion (lit. suffering with), Ayenbite of Inwyrt, p. 157. There are several such compounds in AS.; as *mid-wyrcean*, to work with, Mk. xvi. 20, *mid-wyrhta*, a worker together with, co-adjutor, A. S. Chron. an. 945; see Bosworth. This AS. *mid* is cognate with Du. *mede*, with (whence *medebroeder*, a companion, lit. mid-brother, *medegenoot*, a partner, *medehelpen*, to assist); also with G. *mit* (whence G. *mit-bruder*, a comrade, *mithelfer*, a helper, *mitmachen*, to take a part in, &c.); also with Gk. *μετά*, with (whence *μεταλαμβάνειν*, to participate). The sense of *mid* in this compound is clearly 'helping with,' or 'assisting.' γ. The ME. *wif* means no more than 'woman'; see **Wife**, **Woman**. And see **Meta-**. Der. *midwif-er-y*, spelt *midwifry* in Bp. Hall, Sat. i. 1. 25, a clumsy compound, with F. suffix *-ery* (= F. *-erie*).

**MIEN**, look, bearing, demeanour. (F.-C.) Spelt *meen* in Blount's Gloss., ed. 1674. He has: '*Meen* (F. *mine*), the countenance, figure, gesture, or posture of the face.' [*Meane* in Spenser, F. Q. vi. 7. 39, is a different word.] — F. *mine*, 'the countenance, look, cheer'; Cot. β. The F. word is not found earlier than the 15th century; still, Ital. *mina* is borrowed from it (Hatzfeld). Prob. of Celtic origin. — Bret. *min*, muzzle, beak (also used of men); cf. W. *min*, lip; Irish *mēn*, mouth; Corn. *mein*, *min*, lip, mouth (Thurneysen). Celtic types \**maknā*, \**mekno-*, open mouth; Stokes-Fick, 197. (So Hatzfeld; Körting, § 6172).

**MIGHT** (1), power, strength. (E.) ME. *might*, *myht*; Chaucer, C. T. 5580 (B 1160). AS. *miht*, *meht*, *mæht*; Grein, ii. 235. + Du. *magt*; Goth. *mahts*; G. *macht*, OHG. *macht*. β. Teut. type \**mahitz*, for \**mag-tiz*, *might* (Fick, iii. 227); from *MAG*, to be able; see **May** (1). Cf. Russ. *moche*, *might*, from *moche*, to be able. Der. *might-y*, AS. *mihtig*, *mehtig*, Grein, ii. 237; *might-i-ly*, *might-i-ness*.

**MIGHT** (2), was able. (E.) AS. *meahhte*, *mihhte*, pt. t. of *mugan*, to be able; Grein, ii. 267. See **May** (1).

**MIGNONETTE**, an annual plant. (F.-G.) Modern. Added by Todd to Johnson. — F. *mignonette*, fem. dimin. of *mignon*, a darling. See **Minion**.

**MIGRATE**, to remove from one country to another. (L.) The sb. *migration* is in Cotgrave, and in Blount's Gloss., ed. 1674. — L. *migrātus*, pp. of *migrāre*, to wander; connected with Gk. *ἀμείβω*, to change (Prellwitz). Der. *migration*, from F. *migration*, 'a migration' (Cot.), from L. acc. *migrātiōnem*. Also *migrat-or-y*, *e-migrate*, *immigrate*.

**MIKADO**, the emperor of Japan. (Japan.) From Jap. *mikado*, said to mean 'high gate'; like the Turkish *Sublime Porte*. — Jap. *mi*, august, exalted; *kado*, gate, door.

**MILCH**, milk-giving. (E.) In Gen. xxxii. 15. 'A hundred *milk* kine;' Tam. Shrew, ii. 1. 359. '*Mylch* cowe, vacca mulsaria;' Prompt. Parv., p. 337. Also *melche*, as in Lay le Freine, 196; in Weber, Met. Rom., vol. i. From AS. *melc*, adj., *milch* (see Bosworth); The Shrine, p. 130, l. 3. Allied to **Milk**, q. v. Cf. Icel. *mjōlk*, *milk*; *milkr*, *mjōlkr*, adj., milk-giving; *milk ær*, a *milk* ewe. So G. *melk*, adj., *milch*; Low G. *melsch*, *milch* (Schambach).

**MILD**, gentle, kind, soft. (E.) ME. *mild*, *milde*; Rob. of Glouc. p. 72, l. 1625. AS. *milde*, Grein, ii. 250. + Du. *mild*; OSax. *mildi*; Icel. *mildr*; Dan. and Swed. *mild*; G. *mild*, OHG. *mlti*; Goth. *mildeis*, only in comp. *un-mildeis*, without natural affection, 2 Tim. iii. 3. Allied to Gk. *μαλθακός*, soft, mild; OIrish *meld*, pleasant;

Skt. *mydh*, to grow weary of, disregard (Macdonell); root \**meldh*. Brugmann, i. § 591, ii. § 690. Der. *mild-ly*, *mild-ness*.

**MILDEW**, a kind of blight. (E.) ME. *meldew*, Wyclif, Gen. xli. 6. AS. *meledēaw*, honey-dew, Grein, ii. 230; *mildēaw*, Voc. 455. 19. Cf. OHG. *milidou*, mildew, cited by Grein. β. The sense is prob. 'honey-dew,' from the sticky honey-like appearance of some kinds of blight, as, e. g. on lime-trees. Cf. Goth. *milith*, honey; allied to L. *mel*, Gk. *μέλι*, honey; Irish *mil*, honey, *milcheo*, mildew. See **Mellifluous** and **Dew**. ¶ The mod. G. word is *mehlthau*, i. e. meal-dew; but this is an altered form, as it does not agree with the OIIG. *milidou*; the OHG. for 'meal' being *melo*.

**MILE**, a measure of distance, 1760 yards. (L.) ME. *mile*, pl. *mile*, Chaucer, C. T. 16023 (G 555). AS. *mil*, a mile; fem. sb., with pl. *mila*, *mīle*; Grein, ii. 250. Formed from L. pl. *milia*, more commonly *millia*, used in the sense of a Roman mile; the proper sense is 'thousands.' The older name for the Roman mile was *milie passus*, or *milie passuum*, a thousand paces. β. Hence also G. *meile*, OHG. *mila*, a mile; Du. *mijl*, a mile, &c. ¶ The ME. unchanged pl. *mile* explains such a phrase as 'a *ten-mile* stage.' Der. *mile-age* (with F. suffix); *mile-stone*. And see *millenary*, *milfoil*, *million*.

**MILFOIL**, the name of a plant. (F.-L.) In a Vocabulary of Plant-names, said to be of the thirteenth century, we find '*Millefolium*, milfoil;' Wright's Vocab. i. 139. The sense is 'thousand-leaf,' from the minute and numerous sections into which the leaf is divided. — OF. *milfoil*; from F. *mille*, a thousand, and OF. *fuil*, *foil*, m., a leaf. — L. *milifolium*, *miliefolium*, milfoil; from *mille*, a thousand, and *folium*, a leaf. See **Foil**. ¶ The true E. name is *yarrow*, q. v.

**MILITATE**, to contend, fight, be opposed to. (L.) Modern. Added by Todd to Johnson's Dict. [But *militant*, chiefly used of 'the church militant,' occurs in Barnes, Works, p. 253, col. 2.] — L. *militātus*, pp. of *militāre*, to serve as a soldier, fight. — L. *milit-*, stem of *miles*, a soldier. Root uncertain. Der. *militant*, from L. *militant-*, stem of pres. pt. of *militāre*. From L. *milit-* we have also *milit-ar-y*, All's Well, i. 1. 132; *milit-ar-ist*, a coined word, All's Well, iv. 3. 161. Also *milit-ia*, q. v.

**MILITIA**, a body of soldiers for home service. (L.) 'Except his *militia* of natives be of good and valiant soldiers;' Bacon, Essay 29, Of Greatness of Kingdoms. — L. *militia*, (1) warfare, (2) troops, army. — L. *milit-*, stem of *miles*, a soldier. See **Militate**. Der. *militia-man*.

**MILK**, a white fluid secreted by female mammals for feeding their young. (E.) ME. *milk*, Chaucer, C. T. 360 (A 358). O Merc. *milc* (in Sweet, O. E. Texts). AS. *meolc*, sometimes *meoluc*; Grein, ii. 240. + Du. *melk*; OSax. *miluk*; Icel. *mjōlk*; Dan. *melk*; Swed. *mjōlk*; Goth. *miluks*; G. *milch*. Teut. stem \**meluk-*, f. Allied to AS. *melcan*, str. vb., pt. t. *mealc*; G. *melken* (pt. t. *molk*, pp. *gemolken*), OHG. *melchan*, to milk; orig. 'to stroke,' from the action employed in milking a cow. β. Teut. type \**melkan-*, pt. t. \**malk*, str. vb.; allied to Gk. *ἀμείγειν*, to milk, L. *mulgēre*, to milk; Lith. *milsz-ti*, to milk, OIrish *blig-im*, I milk. From ✓ **MELG**; Brugmann, i. § 608. The older sense appears in Skt. *mṛj*, to wipe, rub, stroke, sweep; from ✓ **MERG**, to rub, wipe. Der. *milk-er*, *milk-y*; *milk-maid*, *milk-pail*, *milk-tree*; *milk-sop*, q. v.; *milch*, q. v.

**MILKSOP**, an effeminate man. (E.) 'Allas, she seith, that euer I was shape To wedde a *milksop*, or a coward ape;' Chaucer, C. T. 13916 (B 3100). The lit. sense is 'bread soaked in milk'; hence, a soft, effeminate man. From ME. *milk*, *milk*; and *soppe*, a sop, bread soaked in milk. See **Milk** and **Sop**.

**MILL**, a machine for grinding corn, &c. (L.) ME. *melle* (riming with *telle*); Chaucer, C. T. 3921 (A 3923). Also *mulle*, in comp. *windmulle*, a windmill, Rob. of Glouc. p. 547, l. 11383. *Mill* is a corruption, for ease of pronunciation, of *milu*, still in use provincially; cf. the name *Milner*, equivalent to the commoner *Miller*. Similarly, ME. *mulle* is for ME. *mulne*, which occurs in Sir Gawain, ed. Morris, 2203. In P. Plowman, A. ii. 80, we have as various readings the forms *mulnere*, *mylnere*, *myllere*, *mellere*, a miller, corresponding respectively to *mulne*, *mylne*, *mylle*, *melle*, a mill. AS. *mylu*, a mill; 'Molendenum, *mylu*;' Voc. 330. 19. Also spelt *mylen*, Grein, ii. 270. Not an E. word, but borrowed from Late L. *mulina*, for L. *molina*, a mill; whence also Icel. *mylna*, a mill. Extended from L. *mola*, a mill, lit. 'that which grinds;' cf. *molere*, to grind. — ✓ **MEL**, to grind, rub; whence also Lithuan. *maliti*, Goth. *malan*, G. *mahlen*, to grind. Brugmann, i. § 121 (2). Der. *mill-cog*, *mill-dam*, *mill-race*, *mill-stone*, *mill-wright*, *mill-wheel*. Also *mill-er*, *mill-er's-thumb* (a fish). See **Meal** (1).

**MILLENNIUM**, a thousand years. (L.) In Johnson's Dict. — Mod. L. \**millennium*, a period of a thousand years. — L. *mille*, a thousand; and *annus*, a year; see **Annual**. The same change of vowel occurs in *bi-ennial*, *tri-ennial*, &c. Der. *millenni-al*. ¶ We also find *millenary*, Bp. Taylor, Sermons, vol. ii. ser. 12 (R.). This

is from *L. millenarius*, belonging to a thousand, a derivative of pl. adj. *milleni*, extended from *mille*, a thousand.

**MILLET**, the name of a plant. (F.—L.) In Holland, tr. of Pliny, bk. xviii. c. 7.—F. *millet*, 'millet, mill'; Cot. Dimin. of F. *mil*, 'mill, millet'; Cot.—L. *milium*, millet; whence also AS. *mil*, millet (Bosworth). + Gk. *μῆλην*, millet. Root uncertain. Der. *mili-ar-y*, directly from L. *milium*.

**MILLINER**, one who makes bonnets, &c. (Ital.) In Shak. Wint. Ta. iv. 4. 192. 'A milliner's wife'; Ben Jonson, Every Man (ed. Wheatley), i. 3. 120; see the note. A milliner or millaner was formerly of the male sex. Spelt *millener* in Phillips; *millenier* in Minshew. Origin somewhat disputed; but probably for *Milaner*, a dealer in wares from *Milan*, in Italy. Milan steel was in good repute at an early period; we find 'And a Millaine knife fast by my knee' in the Percy Folio MS., ed. Hales and Furnivall, i. 68; where a note says: 'The dealers in miscellaneous articles were also called milliners, from their importing Milan goods for sale, such as brooches, aiguillets, spurs, glasses, &c.; Saunders's Chaucer, p. 241.' Chapman has: 'Milan, a rich state of haberdashers'; 'The Ball, Act v. See examples in Palmer, Folk-Etymology. The Ital. *Milano*, L. *Mediolanum*, is a name of Celtic origin; see Bacmeister, Kelt. Briefe, pp. 71, 102. We must also remember that the old sense of *milliner* was a haberdasher, or seller of small wares; see Minshew, ed. 1627, whose suggestion that *milliner* is derived from L. *mille* (a thousand) is to be rejected, though it shows that their wares were of a very miscellaneous character, and that they had 'a thousand small wares to sell.' ¶ We also have the term *mantua-maker*, as if from the Italian town of *Mantua*, but this is a corruption of Ital. *manto*. Der. *milliner-y*.

**MILLION**, a thousand thousand. (F.—L.) ME. *millioun*; Chaucer, C. T. 7267 (D 1685).—F. *million*, 'a million'; Cot.—Late L. *milliōnem*, acc. of *millio*; Ducange. Evidently a coined word, extended from L. *mille*, a thousand. See **Mile**. Der. *million-th*; *million-aire*, from F. *millionnaire*.

**MILREIS**, a Portuguese coin. (Port.—L.) Formerly *milree*. 'Mill-Ree or a Thousand Rees, a Portuguese coin, worth 6s. 8½d. sterling'; Phillips (1706). Now worth ab. 4s. 6d.—Port. *milreis*; from *mil*, a thousand, and *reis*, pl. of *real*, 'a Port. coin called ree, equal to 27/400d.'; Vieyra. He also gives: 'mil réis, a milree, equal to 5s. 7½d.'; (1857).—L. *mille*, a thousand; *rēgālem*, acc. of *rēgālis*, royal. See **Real** (2).

**MILT** (1), the spleen. (E.) ME. *milte*, O. Eng. Miscellany, ed. Morris, p. 178, l. 171. AS. *milte*; 'Splen, milte'; Voc. 160. 35.—Du. *milt*, the spleen; Icel. *miltili*, the spleen; Dan. *milt*; Swed. *mjälte*; G. *miltz*, milt; OHG. *milzi*. Teut. stem \**meltjo-*, \**meltjōn-*. β. All from the verb to *melt*, in the sense 'to digest'; cf. Icel. *melta*, (1) to malt for brewing, (2) to digest; see **Melt**.

**MILT** (2), soft roe of fishes. (MDu.) In Walton's Angler, with the spelling *melt*; see Todd. Palsgrave has: 'Mytte [in] a fysshe, laite de poisson.' In this sense, it was prob. borrowed from MDu. *milte*, 'the milt of a fish,' Hexham; cf. Norw. *mjelte*, the same. Doubtless confused with *milk*, sometimes used with the same sense; cf. 'Lactes, mylke of fyshe'; Voc. 591. 16. This use of the word is known elsewhere. Cf. Swed. *mjölke*, milk; *mjölke*, milt of fishes; *mjölkefisk*, a milter, lit. milk-fish; Dan. *fiske-mælk*, soft roe, lit. fish-milk. So also G. *milch*, (1) milk, (2) milt of fishes; MDu. *melcker van een visch*, 'the milt of a fish,' Hexham; Low G. *melk*, milk, also milt (Lübben). Der. *milt*, vb., *milt-cr*.

**MIMIC**, imitative, apt in imitating. (L.—Gk.) 'Mimic Fancy'; Milton, P. L. v. 110. The sb. *mimick* occurs in Milton, Samson, 1325; and once in Shak. Mids. Nt. Dr. iii. 2. 19, spelt *mimmick* in the folios.—L. *mimicus*, farcical.—Gk. *μῑμικός*, imitative, belonging to or like a mime.—Gk. *μῑμος*, an imitator, actor, mime. Der. *mimic*, sb., *mimic*, vb., *mimic-ry*. We sometimes find *mime*, directly from Gk. *μῑμος*; also *mim-et-ic*, from Gk. *μῑμητικός*, imitative, from *μῑμη-τής*, an imitator.

**MINARET**, a turret on a mosque. (Span.—Arab.) Added by Todd to Johnson; it occurs in Swinburne's Travels through Spain; letter 44.—Span. *minarete*, a high slender turret.—Arab. *manārat*, a candle-stick, lamp, light-house, a turret on a mosque; Rich. Diet. p. 1496.—Arab. *manār*, the same, id.; connected with *nār*, fire, p. 1548.—Heb. *manōrah*, a candle-stick; from *nūr*, to shine.

**MINCE**, to chop small. (F.—L.) ME. *mincen*; the pp. *mincid*, spelt *myncyd*, occurs in the Liber Cure Cocorum, ed. Morris, p. 18.—OF. *mincier*, MF. *mincer*, 'to mince, to shred'; Cot.—Late L. type \**minūtāre*, to mince, make small (see Schwan, § 199); from Late L. *minūtia*, a small piece.—L. *minūtus*, small; see **Minute**. Cf. F. dial. *mincer* (Berry); Norm. dial. *mincher*, to break up (Moisy). ¶ From the same root we have AS. *minsian*, to become small, to fail. It only occurs twice: 'wēgrā wlite minsode' = the comeliness of the accursed ones failed; Daniel, 268, ed. Grein; and again,

'swiðe ne minsode' = it did not greatly fail; Reimplied, 29. From the adj. *min*, small, Grein, ii. 252. Cf. Du. *min*, less; L. *min-or*, less; see **Minish**. See Körting, § 6202. Der. *minc-ing* = taking small steps, Isa. iii. 16; *mince-pie*, formerly *minced-pie*, Spectator, no. 629; *mince-meat*, formerly *minced-meat* (Baret).

**MIND**, the understanding, intellect, memory. (E.) ME. *mynd*, *mynd*, often in the sense of memory; Chaucer, C. T. 1908, 4972 (A 1906, B 552). AS. *gemynd*, memory, mind, thought (where the prefixed *ge-* makes no difference); Grein, ii. 432. Formed (with the usual vowel-change of *u* to *y*) from AS. *munan*, to think, *gemyndan*, to remember; id. i. 431; ii. 268.—Goth. *gamunds*, remembrance, f.; from *gamunan*, to remember. Teut. type \**mun-di-z*, f.; for \**mun-thiz*, by Verner's law. Idg. type \**man-ti-s*; cf. L. *mens* (decl. stem *menti-*), mind; Skt. *ma-ti-*, f., mind. β. All from the weak grade of ✓**MEN**, to think; cf. Skt. *man*, to think, L. *me-min-i*, I remember. Der. *mind*, verb, from the sb.; cf. AS. *gemyndgian*, to remember, Grein, ii. 433; *mind-ed*; *like-mind-ed*; *mind-ful*, Shak. Lucrece, l. 1583; *mind-ful-ly*, *mind-ful-ness*; *mind-less*, Pricke of Conscience, 2088. From the same root, *mental*, *mentor*, *mania*, *mandarin*, *money*, *mint* (1), *mendacious*, *com-ment*, &c.

**MINE** (1), belonging to me. (E.) ME. *min*, pl. *mine*, Chaucer, C. T. 1146 (A 1144); frequently shortened to *my*, as in id. 1145. AS. *min*, poss. pron. (declinable), Grein, ii. 252; from AS. *min* (unchangeable), gen. case of the 1st pers. pronoun; see **Me**.—Goth. *meins*, poss. pron. (declinable), mine; from *meina*, gen. case of 1st personal pronoun. So in other Teut. tongues. Doublet, *my*.

**MINE** (2), to excavate, dig for metals. (F.—C.) In King Alisaunder, l. 1216; cf. l. 1218. 'And therupon anon he bad His mynours for to go and myne'; Gower, C. A. ii. 198; bk. v. 2120.—F. *miner*, 'to mine, or undermine'; Cot. Cf. Ital. *minare*, Span. and Port. *minar*, to mine. All of Celtic origin, according to Thurneysen (p. 67). Cf. Irish and Gael. *mein*, ore, vein of metal; OIrish *mianach*, ore (Windisch); W. *mun*, ore, a mine; W. *mun-glawdd*, a mine (from *clawdd*, a pit); Bret. *men-gleuz*, a mine (cf. *cleuz*, hollow), pron. *men-glé* in the dialect of Vannes. Celtic type \**meini* (Stokes). Der. *mine*, sb.; *min-er*, ME. *minour*, as above; *min-ing*; *min-er-al*, q. v. Also *counter-mine*, *under-mine*.

**MINERAL**, what is dug out of mines. (F.—C.) ME. *mineral*. 'The thriddle stone in special By name is cleped mineral Whiche the metalls of every mine Attempeth, til that thei ben fyne'; Gower, C. A. ii. 87; bk. iv. 2554.—F. *mineral*, 'a mineral'; Cot. Formed as adj. to accompany the sb. *miniére*, 'a mine of metals or minerals,' Cot.—F. *miner*, to mine; see **Mine** (2). Cf. Span. *minera*, a mine. Der. *mineral-ise*, *mineral-ist*, *minera(l)-logy* (where the final *l* is dropped, owing to the *l* following), a coined word from Gk. *λόγος*, discourse, from *λέγειν*, to speak; *minera-logi-c-al*, *minera-log-ist*.

**MINEVER, MINIVER**, the same as **Meniver**, q. v.

**MINGLE**, to mix, confuse. (E.) Common in Shak.; but trans. and intrans. K. Lear, i. 1. 242; Macb. iii. 4. 3. Spelt *myngell* in Palsgrave; but cf. *mengling*, sb., a mingling, More, Life of Rich. III, ed. Lumby, p. 70. A frequentative form, lit. 'to mix often,' from the older verb *ming*, ME. *mengen*, *mingen*. 'The busy bee, her honye now she minges'; Surrey, Desc. of Spring; see Spec. of Eng. ed. Skeat, p. 217 (C), l. 11. The ME. verb occurs as *ming*, imp., in Henrysoun, Test. of Cresseid, l. 613; it is more often *mengen*, and mostly used in the pp. *meint* (contracted form of *menged*), or *meind*, or *meynd*, Gower, C. A. ii. 262; bk. v. 4049. AS. *mengan*, to mix, also to become mixed; also spelt *mengan*, *mangan*, Grein, ii. 231. β. The vowel-change (of *a* to *æ* or *e*) shows that *mengan* is a causal verb, derived from the older form *mang*, a mixture, preserved in the forms *ge-mang*, *ge-mong*, a mixture, crowd, assembly (where the prefixed *ge-* makes no difference), Grein, i. 425.—Du. *mengelen*, to mingle; from *mengen*, to mix; OFries. *mengia*, to mix; cf. *mong*, prep. among; Icel. *menga*, to mingle; G. *mengen*, to mingle. γ. These forms are all due to the sb. *mang*, a mixture, crowd, as above. ¶ Not allied to *mix*, nor to Gk. *μίγνμι*. Der. *mingl-ing*; *com-mingle*, q. v. And see **Among**, **Monger**, and **Mongrel**.

**MINIATURE**, a painting on a small scale. (Ital.—L.) 'Miniature (from *minium*, i. e. red lead), the art of drawing pictures in little, being done with red lead. Miniated, painted or inlaid, as we read of porcellane dishes miniated with gold'; Blount's Gloss. ed. 1674.—Ital. *miniatura*, a miniature; cf. Ital. *miniato*, pp. of *miniare*, 'to die, to paint, to colour or limne with vermilion or sinople or red lead'; Florio.—L. *minium*, cinnabar, red lead. β. Said to be an Iberian word, the Romans getting their *minium* from Spain; see Pliny, b. xxxiii. c. 7.

**MINIKIN**, a little darling. (Du.) In Baret (1580). Florio translates Ital. *mignone* by 'a minion, a favorit, a minikin, a darling.'—Du. *minnekyn*, a cupid; Sewel's Du. Dict.; 'Minne, Minneken, my love'; Hexham's Du. Dict. ed. 1658. Dimin. of Du. *minne*, love,

cognate with OHG. *minna*, love, allied to E. *mind*. See **Mind**, **Minion**. Der. *minikin*, adj., i.e. dear little, K. Lear, iii. 6. 45.

**MINIM**, a note in music;  $\frac{1}{16}$ th of a drachm. (F.—L.) *Mynym* in Palsgrave. The *minim* was once the shortest note, a quarter of the *breve*, or short note. The modern *semibreve* is so long a note that the *breve* is out of use. Formerly also spelt *minum*; Romeo, ii. 4. 22, second quarto (Schmidt).—OF. *minime*; 'minime blanche, a minime in musick [so called from its open head]; minime noire, a crochet' [because wholly black]; Cot.—L. *minimum*, *minumum*, acc. of *minimus*, *minumus*, very small; a superlative form with Idg. suffix *-mo-* (Brugmann, ii. § 72) from a base *min-*, small. See **Minor**. Doublet, *minumum*, directly from L. neut. *minimum*, the smallest thing.

**MINION**, a favourite, flatterer. (F.—OHG.) Palsgrave has *mignyon*. In Shak. Temp. iv. 98; see Trench, Select Glossary.—F. *mignon*, 'a minion, favorite'; Cot.—F. *mignon*, adj., 'minion, dainty, neat, spruce; also pleasing, gentle, kind'; Cot. [The use as a sb., with a sinister sense, appears more clearly in Ital. *mignone*, 'a minion, a favorite, a dilling, a minikin, a darling'; Florio.]  $\beta$ . The F. *-on*, Ital. *-one*, is a mere suffix; the base *mign-* is due to MHG. *minne*, OHG. *minna*, *minni*, memory, remembrance, love; well-known by its derivative *minnesinger* = singer of love.  $\gamma$ . This OHG. *minna*, memory, is allied to L. *me-min-i*, and to E. *mind*; see **Mind**, **Minikin**.

**MINISH**, to make little, diminish. (F.—L.) In Exod. v. 19; see Bible Word-book. ME. *menusen*. 'Menusid, or maad lesse'; Wyclif, John, iii. 30, earlier version. Chaucer has the comp. *amenuse*, Pers. Tale, I 377 (Six-text).—F. *menuiser*, 'to diminish, extenuate'; Cot. Cf. Ital. *minuzzare*, to mince, cut small.—Late L. *\*minūtāre*, not found; cf. Late L. *minūtāre*, to reduce to fragments.—L. *minūtia*, smallness.—L. *minūtus*, small (whence F. *menu*); see **Minute**, **Minor**. Der. *di-minish*; see *mince*.

**MINISTER**, a servant. (F.—L.) ME. *ministre*, Chaucer, C. T. 1665 (A 1663); Rob. of Brunne, tr. of Langtoft, p. 312, l. 13. [Afterwards altered to the L. form.]—F. *ministre*.—L. *ministerium*, acc. of *minister*, a servant.  $\beta$ . Formed with compar. suffix *-ter* from *\*min-es*, related by gradation to *min-us*, adv. less, and to *min-or*, adj.; see **Minor**, **Minim**. Der. *minister*, vb., ME. *ministren*, Rob. of Brunne, p. 80, from F. *ministrer*, L. *ministrāre*; *minister-i-al*, *minister-i-al-ly*; *ministr-ant*, from the stem of pres. pt. of L. *ministrāre*; *ministr-at-ion*, from L. acc. *ministrātiōnem*, from *ministrāre*; *ministr-at-ive*; *ministr-y*. Also *ministrel*, q.v.

**MINIVER**, the same as **Meniver**, q.v.

**MINK**, a small stoat-like animal. (Low G.) 'Powlecats, weessels, and minkes'; Capt. J. Smith, Works, p. 60. 'Mynkes, a furre, minques'; Palsgrave.—Low G. *mink*, *menke*, a sort of otter (Lübben). Cf. MDan. *mink*, Swed. *menk*, a mink (Kalkar).

**MINNESINGER**, a German lyric poet of early times. (G.) 'Songs of the *Minnesingers*'; Longfellow, Hyperion; bk. i. ch. 8 (conclusion). They composed love-songs in the 12th and 13th centuries.—G. *minne*, love; *singer*, a singer. See **Minikin**, **Minion**.

**MINNOW**, the name of a very small fish. (E.) There are two similar names for the fish in early books; one corresponds to *minnow*, and is prob. a pure E. word; the other corresponds to OF. *menuise*. 1. ME. *menow*, spelt *menawe* in a Nominal of the 15th cent., in Voc. 704. 44; spelt *menoun*, pl. *menounys*, Barbour's Bruce, ii. 577. The suffix *-ow* cannot be traced to the earliest period; we find only AS. *myne*. 'Capito, myne, vel ælepute' [eel-pout]; Voc. 180. 38. We also find, in Ælfric's Colloquy (Voc. 94. 13), the acc. pl. *mynas* and *æleputan* as a gloss to Late L. *menas* et *capitones*. This AS. *myne* is cognate with OHG. *muniwa*, a minnow (Kluge). It is not a mere borrowing from L. *mena*. Similarly, the AS. *pyle*, a pillow, answers to E. *pillow*. 2. The ME. *menuse* occurs (spelt *menuce*) in the Prompt. Parv. p. 333; and (spelt *menuse*) in the Babees Book, ed. Furnivall, p. 168, l. 747. Cf. 'Hee menusa, a menys'; Voc. 763. 33.—OF. *menuise*, 'small fish of divers sorts, the small frie of fish'; Cot. Clearly connected with L. *minūtia*, smallness, also, a small particle; from L. *minūtus*, minute; see **Minute**. ¶ The Late L. *mēna*, L. *maena*, is not the same word, being borrowed from Gk. *μαῖνη*, a small sea-fish, often salted.

**MINOR**, less, inferior. (L.) Like *major*, it was a term familiar in logic. It occurs in Sir T. More, Works, p. 504 d.—L. *minor*, less; compar. from a base *min*, small, not found in Latin, but occurring in the very form *min* in NFriesic and Low G.—Icel. *minnr*, less (no positive); Goth. *minniza*, less (no positive).  $\beta$ . All from *\*mi*, weak grade of  $\sqrt{\text{MEI}}$ , to diminish; Brugmann, i. § 84. Der. *minor-i-ty*, Rich. III, i. 3. 11, coined in imitation of *major-ity*.

**MINOTAUR**, a fabulous monster. (L.—Gk.) ME. *Minotaure*, Chaucer, C. T. 982 (A 980).—L. *Minotaurus*.—Gk. *Μινώταυρος*, a monster, half man, half bull; born, according to the story, of

Pasiphaë, wife of Minos.—Gk. *Μίνω-*, for *Μίνως*, Minos, king of Crete; and *ταύρος*, a bull.

**MINSTER**, a monastery. (L.—Gk.) ME. *minster*; in the name *West-minster*, of frequent occurrence; P. Plowman, B. iii. 12; &c. AS. *mynster*, Grein, ii. 271. Borrowed early from L. *monasterium*, a monastery. See **Monastery**, which is a doublet.

**MINSTREL**, a musical performer. (F.—L.) ME. *minstrel*, *minstral*; spelt *myustral*, P. Plowman, B. prol. 33; *minstral*, Chaucer, C. T. 10392 (F 78); *menestral*, Ayenbite of Inwyt, p. 192. The pl. *menestrous* occurs in Ancren Riwe, p. 84, l. 11.—OF. *menestrel*, 'a minstrell'; Cot. Also *menestral* (whence pl. *menestrous*).—Late L. *ministrālis*, *ministeriālis*, a retainer; hence applied to the lazy train of retainers who played instruments, acted as buffoons and jesters, and the like.—L. *minister*, a servant; see **Minister**. Der. *minstrel-sy*, Lydgate, London Lyckpeny, st. 12; see Spec. of English, ed. Skeat, p. 26; spelt *minstraleye*, Chaucer, C. T. 2673 (A 2671).

**MINT** (1), a place where money is coined. (L.) ME. *mint*; spelt *mynt*, Myre's Instructions for Parish Priests, l. 1775; *menel*, Ayenbite of Inwyt, p. 241. AS. *mynet*, *mynyt*, a coin; Matt. xxiii. 19. Not an AS. word, but borrowed from L. *monēta*, (1) a mint, (2) money.  $\beta$ . *Monēta* was a surname of Juno, in whose temple at Rome money was coined. The lit. sense is 'the warning one,' from *monēre*, to warn, admonish, lit. 'to cause to remember'; cf. L. *me-min-i*, I remember. See Bréal; and Brugmann, ii. § 79. Cf. G. *münze*, mint; MDu. *munte*. Der. *mint*, vb., *mint-er*, *mint-age*. Doublet, *money*.

**MINT** (2), the name of an aromatic plant. (L.—Gk.) ME. *mint*, *mynte*, Wyclif, Matt. xxiii. 23. AS. *mint*, Matt. xxiii. 23; Voc. 2. 7. Not an E. word, but merely borrowed from L. *menta*, *mentha*, Matt. xxiii. 23 (Vulgate).—Gk. *μίνθα*, *μίνθος*, mint.

**MINUET**, the name of a dance. (F.—L.) 'Menuet or Minuet, a sort of French dance, or the tune belonging to it'; Phillips, ed. 1706. So called from the short steps in it.—F. *menuët*, 'smallish, little, pretty'; Cot. Dimin. of F. *menu*, small.—L. *minūtus*; see **Minute**.

**MINUS**, the sign of subtraction. (L.) Mathematical.—L. *minus*, less; neuter of *minor*, less; see **Minor**.

**MINUSCULE**, small, as applied to a letter in early MSS. (L.) 'Minuscule letters are cursive forms of the earlier uncials'; Is. Taylor, The Alphabet, i. 71.—L. *minuscula* (sc. *littera*), fem. of *minusculus*, rather small; dimin. of *minus* (*minor*), less.

**MINUTE**, very small, slight. (L.) An accentuation on the first syllable occurs in: 'With *minute* drops'; Milton, Il Penseroso, l. 130. But the word first came into use as a sb., in which use it is much older. ME. *minute*, meaning (1) a minute of an hour, (2) a minute of a degree in a circle. 'Four *minutes*, that is to seyn, *minutes* of an hour'; Chaucer, On the Astrolabe, pt. i. § 7. l. 8. 'A degree of a signe contieneth 60 *minutes*'; id. pt. i. § 8. l. 11.—L. *minūtus*, small (whence F. *menu*); Late L. *minūta*, fem., a small portion, a mite (of money). Pp. of *minuere*, to make small.—L. *min-*, small, only found in *min-or*, less, *min-imus*, least; but cognate with NFries. *min*, small.—Gk. *μνύ-θειν*, to make small.— $\sqrt{\text{MEI}}$ , to diminish; cf. Skt. *mī*, to hurt. See **Minor**, **Minish**. Der. *minute-ly*, *minute-ness*; and from the sb., *minute-book*, *minute-glass*, *minute-gun*, *minute-hand*.

**MINX**, a pert, wanton woman. (Low G.) In Shak. Tw. Nt. iii. 4. 133; Oth. iii. 3. 475. An adaptation of Low G. *minsk*, (1) m., a man, (2) n., a pert female. Cf. G. *mensch*, neut., a wench; Du. *mensch*, n. (vulgar), a woman; *het oude mensch*, the old woman (Calisch). The G. *mensch* was orig. an adj. = *mann-ish*, from *mann*, a man. Cf. AS. *mennisc*, human, from *mann*, a man; EFries. *minske*, *minsk*, a man; West Flem. *minsch* (De Bo).

**MIOCENE**, less recent, in geology. (Gk.) A coined word, signifying 'less recent.'—Gk. *μείο-*, for *μείων*, less; and *καιν-ός*, new, recent.

**MIRABOLAN**, in Hakluyt; see **Myrobolan**.

**MIRACLE**, a wonder, prodigy. (F.—L.) In very early use. ME. *miracle*, Chaucer, C. T. 4897 (B 477). The pl. *miracles* is in the A. S. Chron. an. 1137 (last line).—F. *miracle*.—L. *mirā-culum*, anything wonderful. Formed with suffixes *-cu-* and *-lu-* (=Idg. suffixes *ko-*, *lo-*) from *mirā-rī*, to wonder at.—L. *mirus*, wonderful (base *smī-ro*).— $\sqrt{\text{SMEI}}$ , to smile, laugh, wonder at; see **Smile**. Cf. Skt. *smi*, to smile, whence *smaya*, wonder. Der. *miracul-ous*, Macb. iv. 3. 147, from F. *miraculeux*, 'miraculous' (Cot.), answering to a L. type *\*mirācul-ōsus*, not used; *miracul-ous-ly*, *-ness*. From L. *mirārī* we have also *mir-age*, *mirr-or*.

**MIRAGE**, an optical illusion. (F.—L.) Modern.—F. *mirage*, an optical illusion by which very distant objects appear close at hand; in use in 1753 (Hatzfeld).—F. *mirer*, to look at.—Late L. *mirāre*, to behold.—L. *mirārī*, to wonder at. See **Miracle**, **Mirror**.

**MIRE**, deep mud. (Scand.) ME. *mire*, *myre*; Chaucer, C. T. 510 (A 508); *myre*, Rob. of Brunne, tr. of Langtoft, p. 70, l. 18; *mire*, Will. of Palerne, 3507. — Icel. *mýrr*, mod. *mýri*, a bog, swamp; Swed. *myra*, a bog, marsh; Dan. *myr*, *myre*, a marsh. + OHG. *mios*, MHG. *mies*, moss, swamp; NFries. *myrre*; AS. *mēos*, moss. Teut. base \**meus* > \**meuz* > \**meur*. Allied to **MOSS**, q. v. The sense is 'mossy ground,' bog, deep mud. I cannot find authority for an alleged AS. *mýre*, *mire*. Der. *mire*, vb., Much Ado, iv. 1. 135; *mir-y*, Tam. Shrew, iv. 1. 77.

**MIRKY**; see **Murky**.

**MIRROR**, a looking-glass. (F.—L.) ME. *mirowr*, *myroure* (with one *r*); P. Plowman, B. xi. 8. — OF. *miroir*, later *miroir*, 'a myrror'; Cot. This form answers to a L. type \**mirātōrium*, not found. Evidently from the Late L. *mirāre*, to behold. — L. *mirāri*, to wonder at. See **Miracle**.

**MIRTH**, merriment, pleasure, jollity. (E.) ME. *mirthe*, Chaucer, C. T. 775 (A 773). AS. *myrgð*, *myrð*, *mirkð*, *mirigð*, mirth, Grein, ii. 271. Formed from AS. *myrge*, merry. Cf. Gael. and Irish *meary*, merry (Macbain). See **Merry**. Der. *mirth-ful*, *mirth-ful-ly*, -ness.

**MIS-** (1), prefix. (E. and Scand.) The AS. prefix *mis-* occurs in *mis-dæd*, a misdeed, and in other compounds. It answers to Du., Dan., and Icel. *mis-*, Swed. *miss-*, G. *miss-*; Goth. *missa-* (with the sense of 'wrong'), as in *missa-dæds*, a misdeed. Teut. type \**misso-*; Idg. type \**mit-to*; allied to OHG. *mīdan* (G. *meiden*), to avoid; L. *mittere*, to send away, pp. *missus*. Brugmann, i. § 794. Hence the verb to *miss*; see **Miss** (1). It is sometimes Scand., as in *mis-take*. Der. *mis-become*, -*behave*, -*deed*, -*deem*, -*do*, -*give*, -*lay*, -*lead*, -*like*, -*name*, -*shape*, -*time*, -*understand*. Also prefixed to words of F. and L. origin, as in *mis-apply*, -*apprehend*, -*appropriate*, &c. Also to Scand. words, as in *mis-call*, -*hap*, -*take*. And see **Mis-** (2).

**MIS-** (2), prefix. (F.—L.) Not to be confused with *mis-* (1). The proper old spelling is *mes-*, as in OF. *mes-chief*, *meschief*. The comparison of this with Span. *menos-cabo*, diminution, Port. *menos-cabo*, contempt, &c. shows that this prefix undoubtedly arose from L. *minus*, less, used as a depreciatory prefix. At the same time, Scheler's observation is just, that the number of F. words beginning with *mē-* (OF. *mes-*) was considerably increased by the influence of the G. prefix *miss-* (see above) with which it was easily confused. Clear examples of this F. prefix occur in *mis-adventure*, *mis-alliance*, *mis-chance*, *mis-chief*, *mis-count*, *mis-creant*, *mis-nomer*, *mis-prise*.

**MISADVENTURE**, ill luck. (F.—L.) ME. *misaventure*; spelt *mesaventure*, King Horn, ed. Lumby, l. 710. — OF. *mesaventure* (Burguy). — OF. *mes-*, prefix (< L. *minus*); and F. *aventure*, adventure. See **Mis-** (2) and **Adventure**.

**MISALLIANCE**, an improper alliance. (F.—L.) A late word; added by Todd to Johnson's Dict. — F. *mésalliance*. See **Mis-** (2) and **Ally**.

**MISANTHROPE**, a hater of mankind. (Gk.) 'I am *mis-anthropos*;' Timon, iv. 3. 53. — Gk. *μισάνθρωπος*, adj., hating mankind. — Gk. *μισ-εῖν*, to hate, from *μῖσ-ος*, hatred; and *άνθρωπος*, a man. See **Anthropology**. Der. *misanthrop-ic*, *misanthrop-ic-al*, *misanthrop-ist*, *misanthrop-y* (Gk. *μισανθρωπία*).

**MISAPPLY**, to apply amiss. (Hybrid; F.—L.; with E. prefix.) In Shak. Romeo, ii. 3. 21. From **Mis-** (1) and **Apply**. Der. *mis-appli-ca-tion*.

**MISAPPREHEND**, to apprehend amiss. (Hybrid; E. and L.) In Phillips, ed. 1706. From **Mis-** (1) and **Apprehend**. Der. *misapprehens-ion*.

**MISAPPROPRIATE**, to appropriate amiss. (Hybrid; E. and L.) Late; not in Johnson. From **Mis-** (1) and **Appropriate**. Der. *misappropriat-ion*.

**MISARRANGE**, to arrange amiss. (Hybrid; E. and F.) From **Mis-** (1) and **Arrange**.

**MISBECOME**, not to suit. (E.) In Shak. L. L. L. v. 2. 778; and in Palsgrave. From **Mis-** (1) and **Become**.

**MISBEHAVE**, to behave amiss. (E.) In Shak. Romeo, iii. 3. 143; and in Palsgrave. From **Mis-** (1) and **Behave**. Der. *mis-behav-iour*, spelt *mysbehaviour* in Palsgrave; see **Behaviour**.

**MISBELIEVE**, to believe amiss. (E.) ME. *misbeleuen*, Gower, C. A. ii. 152, l. 5; bk. v. 739. From **Mis-** (1) and **Believe**. Der. *misbelief*, spelt *mysbylyefe*, Pricke of Conscience, 5521; *misbileaue*, St. Katharine, 348.

**MISCALCULATE**, to calculate amiss. (Hybrid; E. and L.) Late. In Johnson. From **Mis-** (1) and **Calculate**. Der. *miscalculat-ion*.

**MISCALL**, to abuse, revile. (Hybrid; E. and Scand.) In Spenser, F. Q. iv. 8. 24. From **Mis-** (1) and **Call**.

**MISCARRY**, to be unsuccessful, to fail, to bring forth prematurely. (Hybrid; E. and F.) In Shak. Meas. for Meas. iii. 1. 217. ME. *miscarien*. 'Yet had I leuer dye than I sawe them mys-carye to-fore myn eyen;' Caxton, tr. of Reynard Fox, ed. Arber,

p. 79, l. 10; and see Chaucer, C. T., A 513. From **Mis-** (1) and **Carry**. Der. *miscarri-age*.

**MISCELLANEOUS**, various, belonging to or treating of various subjects. (L.) 'An elegant and *miscellaneous* author;' Sir T. Browne, Works, b. i. c. 8, part 6. — L. *miscellāneus*, *miscellaneous*, varied (by change of -us to -ous, as in *arduous*, &c.). — L. *miscellus*, mixed. — L. *miscere*, to mix. See **Mix**. Der. *miscellaneous-ly*, -ness. Also *miscellany*, which appears to be due to L. neut. pl. *miscellānea*, various things. 'As a *miscellany*-madam, [I would] invent new tires;' Ben Jonson, Cynthia's Revels, iv. 1 (Phantaste's long speech).

**MISCHANCE**, mishap, ill luck. (F.—L.) ME. *meschance*, Rob. of Glouc. p. 137, l. 14; l. 2902. — OF. *meschance*, 'a mischiefe, or mischance;' Cot. See **Mis-** (2) and **Chance**.

**MISCHIEF**, an ill result, misfortune, damage, injury, evil. (F.—L.) ME. *myschief*; P. Plowman, B. prol. 67. Opposed in ME. to *bonchief*, i. e. a good result. 'Good happes and *bonchief*, as wel as yuel happes and *meschief*;' Trevisa, i. 87, l. 19. — OF. *meschief*, a bad result, misadventure, damage. Cf. Span. *menoscabo*, diminution, loss; Port. *menos-cabo*, contempt; which are varied forms of the same word. From **Mis-** (2) and **Chief**. (The L. words in the compound are *minus* and *caput*.) Der. *mischiev-ous*, a coined word, As You Like It, ii. 7. 64; *mischiev-ous-ly*, -ness.

**MISCONCEIVE**, to conceive amiss. (Hybrid; E. and F.—L.) 'He that *misconceyueth*, he misdemeth;' Chaucer, C. T. 10284 (E 2410). A coined word. From **Mis-** (1) and **Conceive**. Der. *miscon-cept-ion*.

**MISCONDUCT**, ill conduct. (Hybrid; E. and L.) It occurs in the Spectator; no. 256, § 4. From **Mis-** (1) and **Conduct**. Der. *misconduct*, verb.

**MISCONSTRUE**, to interpret amiss. (Hybrid; E. and L.) In Shak. Merch. Ven. ii. 2. 197; Chaucer, Troilus, i. 346. From **Mis-** (1) and **Construe**. Der. *misconstru-ion*.

**MISCOUNT**, to count wrongly. (F.—L.) ME. *miscounten*, Gower, C. A. i. 147, l. 12; bk. i. 3112. — OF. *mesconter*, to miscount (Godefroy). From **Mis-** (2) and **Count**.

**MISCREANT**, a vile fellow, wretch. (F.—L.) Orig. an unbeliever, infidel; see Trench, Select Glossary. Formerly also used as an adjective. 'Al *miscreant* [unbelieving] painyns;' Sir T. More, Works, p. 774 a. 'This *miscreant* [unbeliever] now thus baptised;' Frith's Works, p. 91, col. 1. Gower has the pl. *mescreantz*, in his Praise of Peace, 268. — OF. *mescreant*, 'miscreant, misbelieving;' Cot. β. The prefix *mes-* answers to L. *minus*, less, used in a bad sense; see **Mis-** (2). By comparing OF. *mescreant* with Ital. *miscredente*, incredulous, heathen, we at once see that OF. *creant* is from L. *crēdēt-*, stem of pres. part. of *crēdere*, to believe; see **Creed**. And see **Recreant**.

**MISDATE**, to date amiss. (Hybrid; E. and F.—L.) 'Oh! how *misdated* on their flattering tombs!' Young's Night Thoughts, Night, v. l. 778. From **Mis-** (1) and **Date**.

**MISDEED**, a bad deed. (E.) ME. *misdede*, Ancrén Riwele, p. 124, l. 22. AS. *misdæd*, Grein, ii. 255. + Du. *misdaad*; Goth. *misadæths*; G. *missethat*, OHG. *missitaat*. From **Mis-** (1) and **Deed**.

**MISDEEM**, to judge amiss. (E.) ME. *misdemen*, Chaucer, C. T. 10284 (E 2410). From **Mis-** (1) and **Deem**. (Icel. *misdama*.)

**MISDEMEANOUR**, ill conduct. (Hybrid; E. and F.—L.) In Shak. Tw. Nt. ii. 3. 106. From **Mis-** (1) and **Demeanour**. ¶ It is possible that the prefix is French; see **Mis-** (2). But I find no proof of it.

**MISDIRECT**, to direct amiss. (Hybrid; E. and L.) Added by Todd to Johnson. From **Mis-** (1) and **Direct**. Der. *mis-direction*.

**MISDO**, to do amiss. (E.) ME. *misdon*, *misdo*; P. Plowman, B. iii. 122. We find 'yfle vel *mis doeð*' as a gloss to 'male agit' in the ONorthumb. glosses of John, iii. 20. + Du. *misdoen*; G. *misstun*. From **Mis-** (1) and **Do**. Der. *misdo-er*, ME. *misdoer*, *mysdoer*, Wyclif, 1 Pet. ii. 12. And see *misdeed*.

**MISEMPLOY**, to employ amiss. (Hybrid; E. and F.—L.) In Dryden, Absalom, l. 613. From **Mis-** (1) and **Employ**. Der. *misemployment*.

**MISER**, an avaricious man, niggard. (L.) It sometimes means merely 'a wretched creature;' Spenser, F. Q. ii. 1. 8. See Trench, Select Glossary. — L. *miser*, wretched. Cf. Ital. and Span. *misero*, (1) wretched, (2) avaricious. Prob. connected with Gk. *μῖσος*, hatred; Curtius, ii. 225. Der. *miser-ly*; *miser-y*, ME. *misérie*, Chaucer, C. T. 14012 (B 3196), from OF. *miserie* (Littré, mod. F. *misère*), which from L. *miseria*, wretchedness; also *miser-able*, q. v.

**MISERABLE**, wretched. (F.—L.) Skelton has *miserably* and *miserableness*; Why Come Ye Nat to Court, 865, 1029. — F. *miserable*, 'miserable;' Cot. — L. *miserābilis*, pitiable. — L. *miserāri*, to pity. — L. *miser*, wretched; see **Miser**. Der. *miserabl-y*, *miser-able-nes*.

**MISFORTUNE**, ill fortune. (Hybrid; E. and F.—L.) In the Bible of 1551, Nehem. i. 3. Palsgrave has: '*Mysfortune*, desfortune;' so that the prefix is not French. From **Mis-** (1) and **Fortune**.

**MISGIVE**, to fail, be filled with doubt. (E.) In Shak. Julius, iii. 1. 145. From **Mis-** (1) and **Give**. Der. *misgiv-ing*.

**MISGOVERN**, to govern amiss. (F.—L.) In Shak. Rich. II, v. 2. 5; and in Palsgrave. —MF. *mesgouverner*, recorded by Palsgrave. —OF. *mes-*, *mis-*; and F. *gouverner*, to govern; see **Mis-** (2) and **Govern**. Der. *misgovern-ment*, Much Ado, iv. 1. 100.

**MISGUIDE**, to guide wrongly. (Hybrid; E. and F.—Teut.) ME. *misguide*, Gower, C. A. iii. 373, l. 14; bk. viii. 2920; where it is contrasted with *guide*. Also *misgyen*, Chaucer, C. T. 14451 (B3723). From **Mis-** (1) and **Guide**. ¶ The prefix does not seem to be French. Der. *misguid-ance*.

**MISHAP**, ill hap. (Hybrid; E. and Scand.) In Prompt. Parv. The verb *mishappen*, to mishap, fall out ill, occurs in Chaucer, C. T., A 1646. From **Mis-** (1) and **Hap**.

**MISHNAH, MISHNA**, a digest of Jewish traditions; the 'second Law.' (Heb.) 'Their *Mishna* or Talmud text;' Purchas, Pilgrimage, bk. ii. ch. 12. § 1. par. 7. —Heb. *mishnah*, a repetition; a second part; instruction (in oral tradition). —Heb. *shānāh*, to repeat.

**MISINFORM**, to inform amiss. (Hybrid; E. and F.—L.) ME. *misenformen*, Gower, C. A. i. 178; bk. ii. 559. From **Mis-** (1) and **Inform**. Der. *misinform-at-ion*.

**MISINTERPRET**, to interpret amiss. (Hybrid; E. and F.—L.) In Shak. Rich. II, iii. 1. 18. From **Mis-** (1) and **Interpret**. Der. *misinterpret-at-ion*.

**MISJUDGE**, to judge amiss. (F.—L.) 'And therefore no more *mysse-udge* any manne;' Sir T. More, Works, p. 952 h. —OF. *mes-juger*, to misjudge (Godefroy). See **Mis-** (2) and **Judge**. Der. *misjudg-ment*.

**MISLAY**, to lay in a wrong place, lose. (E.) 'The *mislaier* of a meere-stone [boundary-stone] is to blame;' Bacon, Essay lvi, Of Judicature. From **Mis-** (1) and **Lay**. (Icel. *misleggja*.)

**MISLEAD**, to lead astray. (E.) '*Misleder* [misleader] of the papacie;' Gower, C. A. i. 261; bk. ii. 3021. AS. *mislēdan*, to mislead, seduce (Bosworth). From **Mis-** (1) and **Lead**, verb.

**MISLIKE**, to dislike. (E.) In Shak. Merch. Ven. ii. 1. 1. ME. *mi-liken*, to displease (usually impersonal); Will. of Palerne, 2039. AS. *mi-līcian*, to displease; Exod. xxi. 8. Der. *mislike*, sb., 3 Hen. VI, iv. 1. 24.

**MISNAME**, to name amiss. (E.) In Skelton, A Replycacion, l. 59. From **Mis-** (1) and **Name**.

**MISNOMER**, a wrong name. (F.—L.) '*Misnomer*, French Law-Term, the using of one name or term for another;' Phillips, ed. 1706. It properly means 'a misnaming.' Also in Blount's Nomolexicon, ed. 1691, where the prefix is said to be the F. *mes-*, which is correct. The E. word answers to an OF. *mesnommer* (Godefroy). —OF. *mes-* (< L. *minus*), badly; and *nommer*, to name, from L. *nōmināre*, to name. See **Mis-** (2) and **Nominate**.

**MISOGAMY**, a hatred of marriage. (Gk.) In Blount's Glossary (1657). From *μισο-*, hating, from *μισέειν*, to hate; and *-γάμια*, from *γάμος*, marriage. So also *misogynist*, from *μισο-*, hating, and *γυνή*, a woman.

**MISPLACE**, to place amiss. (Hybrid; E. and F.—L.) In As You Like It, i. 2. 37. From **Mis-** (1) and **Place**. Der. *misplace-ment*.

**MISPRINT**, to print wrongly. (Hybrid; E. and F.—L.) 'By misse-writing or by *mysse-pryntynge*;' Sir T. More, Works, p. 772 b. From **Mis-** (1) and **Print**. Der. *misprint*, sb.

**MISPRIZE, MISPRIZE**, to slight, undervalue. (F.—L.) In As You Like It, i. 1. 177. Spenser has the sb. *mesprise* = contempt; F. Q. iii. 9. 9. —MF. *mespriser*, 'to disesteem, condemn,' Cot.; OF. *mespriser* (Godefroy). —OF. *mes-* (< L. *minus*), badly; and Late L. *pretiāre*, to prize, esteem, from L. *pretium*, a price. See **Mis-** (2) and **Prize**, **Price**. But see below.

**MISPRISION**, a mistake, neglect. (F.—L.) See Blount's Nomolexicon, ed. 1691. He says: '*misprision* of clerks (Anno 8 Hen. VI. c. 15) is a neglect of clerks in writing or keeping records . . . *Misprision* also signifies a mistaking (Anno 14 Edw. III. stat. 1. cap. 6). —OF. *mesprision* (Godefroy); MF. *mesprison*, 'misprision, error, offence, a thing done, or taken, amisse;' Cot. β. This OF. *mesprison* or *mesprison* has the same sense and source as mod. F. *méprise*, a mistake (Littré). It is written *mispriso* in Low L. (Ducange); but this is only the OF. word turned into Latin. γ. From OF. *mes-* < L. *minus*, badly; and Late L. *prehensio*, acc. of *prehensio*, a taking, contracted form of L. *prehensio*, a seizing. The latter is from L. *prehensus*, pp. of *prehendere*, to take. See **Mis-** (2) and **Prison**. Cf. *mispris'd*, mistaken; Mid. Nt. Dr. iii. 2. 74.

¶ *Misprision* was ignorantly confused with *misprise*, in the sense of contempt. Thus Blount, in the article already cited, says: '*misprision* of treason is a neglect or light account made of treason;' and he derives the word from MF. *mespris*, contempt. Milton wrongly has *misprision* in the sense of 'scorn;' Cent. Dict.

**MISPRONOUNCE**, to pronounce amiss. (Hybrid; E. and F.—L.) 'They *mis-pronounced*, and I *mislik'd*;' Milton, Apology for Smectymnuus; Works (1852), iii. 268. From **Mis-** (1) and **Pronounce**. Der. *mispronunci-at-ion*.

**MISQUOTE**, to quote amiss, misinterpret. (Hybrid; E. and F.—L.) In Shak. 1 Hen. IV, v. 2. 13. From **Mis-** (1) and **Quote**. Der. *misquot-at-ion*.

**MISREPRESENT**, to represent amiss. (Hybrid; E. and F.—L.) In Milton, Samson, 124. From **Mis-** (1) and **Represent**. Der. *misrepresent-at-ion*.

**MISRULE**, want of rule, disorder. (Hybrid; E. and F.—L.) Gower has it as a verb. 'That eny king himself *misreule*;' C. A. iii. 170; bk. vii. 2509. Stow mentions 'the lord of *misrule*' under the date 1552 (R.); and it occurs in 1503, in the Privy Expenses of Elizabeth of York, p. 91; and first in 1491. From **Mis-** (1) and **Rule**.

**MISS** (1), to fail to hit, omit, feel the want of. (E.) ME. *missen*, Will. of Palerne, 1016. Rather a Scand. than an E. word, but the prefix *mis-*, which is closely connected with it, is sufficiently common in AS. AS. *missan* (rare). 'þy læs þe him *missee*,' lest aught escape his notice, or, go wrong with him; Canons under King Edgar, 32; in Thorpe, Ancient Laws, ii. 250. And in Beowulf, 2439. A weak verb, formed from a base \**mith-*, weak grade of \**meith-*, as in AS. and OS. *mīðan*, to conceal, avoid, escape notice (also in G. *meiden*, OHG. *mīðan*, to avoid). Cf. the prefix *mis-*, signifying amiss or wrongly. +Du. *missen*, to miss; *mis*, sb., an error, mistake; *mis*, adv., amiss; *mis-*, as prefix, amiss; Icel. *missa*, to miss, lose; *mis*, or *á mis*, adv., amiss; *mis-*, prefix; Dan. *miste* (for *missee*), to lose; *mis-*, prefix; Swed. *mista* (for *missa*), to lose; *miste*, adv., wrongly, amiss; *miss-*, prefix; Goth. *missō*, adv., reciprocally, interchangeably; *missa-*, prefix, wrongly; MHG. *missen*, OHG. *missan*, to miss; OHG. *mis* or *missi*, variously; OHG. *missa-*, prefix; MHG. *missee*, an error. Allied to L. *mittere*, to send; see **Missile**, and see **Mis-** (1). Brugmann, i. § 794. Der. *miss*, sb., ME. *missee*, a fault; 'to mende my *missee*' = to repair my fault, Will. of Palerne, l. 532. Also *miss-ing*.

**MISS** (2), a young woman, a girl. (F.—L.) Merely a contraction from **Mistress**, q. v. One of the earliest instances in dramatic writing occurs in the introduction of Miss Prue as a character in Congreve's Love for Love. An early example occurs in the following: 'she being taken to be the Earle of Oxford's *missee*, as at this time they began to call lewd women;' Evelyn's Diary, Jan. 9, 1662. Thus Shak. has: 'this is *Mistress* Anne Page,' where we should now say 'Miss Anne Page;' Merry Wives, i. 1. 197. Cf. 'The virtuous matron and the *miss*;' Butler, Hudibras, pt. iii. c. 1. 864.

**MISSAL**, a mass-book. (L.) ME. *myssalle*, Voc. 719. 33; cf. *mass-book*, ME. *messebok*, Havelok, 186. In Minshew, ed. 1627. In Sherwood's Index to Cotgrave we find E. *missal*, given as equivalent to OF. *messel*, *missel*; but Cotgrave himself explains the OF. words as 'masse-book.' The E. word is rather taken directly from the familiar Latin term than borrowed from OF. —Late L. *missale*, a missal. —Late L. *missa*, the mass. See further under **Mass** (2).

**MISSIL-THRUSH, MISTLE-THRUSH**, the name of a kind of thrush. (E.) So called because it feeds on the berries of the *mistle-toe*. The name is not recorded early. 'We meet in Aristotle with one kind of thrush [*ἔφοβόπος*] called the *miselthrush*, or feeder upon *miseltoe*;' Sir T. Browne, Vulg. Errors, b. ii. c. 6. § 21 (part 3). +G. *mistel-drossel*, a mistle-thrush; from *mistel*, mistletoe, and *drossel*, a thrush. See **Mistletoe** and **Thrush**.

**MISSHAPE**, to shape amiss. (E.) Chiefly in the pp. *misshaped*, 3 Hen. VI, iii. 2. 170; or *misshapen*, Temp. v. 268. ME. *misshapen*, pp., spelt *mysshape* (with loss of final n), P. Plowman, B. vii. 95. From **Mis-** (1) and **Shape**. +MDu. *misscheppen*, to misshape, used by Vondel (Oudemans); G. *misschafften*, to misshape (rare).

**MISSILE**, that may be thrown; a missile weapon. (L.) Properly an adj., now chiefly used as a sb. Taken directly from L. rather than through the F. Cotgrave gives '*feu missile*, a squib or other firework thrown,' but the word is not in Littré, and probably not common. 'His *missile* weapon was a lying tongue;' P. Fletcher, The Purple Island, c. vii. st. 68. —L. *missilis*, adj., that can be thrown; the neut. *missile* is used to mean a missile weapon (*tūlum* being understood). —L. *missus*, pp. of *mittere*, to throw. β. Perhaps for \**mitere*; cf. pt. t. *mī-sī*. +OHG. *mīdan*, to avoid; see **Miss** (1). Brugmann, i. § 930. Der. From L. *mittere* are also derived *ad-mit*, *com-mit*, *e-mit*, *im-mit*, *inter-mit*, *manu-mit*, *o-mit*, *per-mit*, *preter-mit*, *re-mit*, *sub-mit*, *trans-mit*, with their derivatives; from the pp. *miss-us*

are also *mass* (2), *mess* (1), *miss-al*, *miss-ion*, q.v., *miss-ive*, q.v., *dis-miss*, *di-missory*, *e-miss-ar-y*, *pro-miss-or-y*; *com-pro-mise*, *de-mise*, *pre-mise*, *pre-mises*, *pro-mise*, *sur-mise*, *message*, &c.

**MISSION**, a sending, an embassy. (L.) In Shak. Troil. iii. 3. 189. [The MF. *mission* merely means 'expence, disbursement;' Cot.] Formed, by analogy with F. words in *-ion*, from L. *missionem*, acc. of *missio*, a sending; cf. *missus*, pp. of *mittere*, to send. See **Missile**. Der. *mission-er*, a missionary, Dryden, Hind and Panther, ii. 565; *mission-ar-y*, Tatler, no. 270, Dec. 30, 1710.

**MISSIVE**, a thing sent. (F.—L.) Used by Shak, to mean 'a messenger;' Macb. i. 5. 7. And in G. Douglas, Palace of Honour, pt. ii. st. 5. K. Edw. IV employs the plur. 'our lettres missives,' in 1477; Orig. Letters, ed. Ellis, i. 17.—MF. *missive*, 'a letter missive, a letter sent;' Cot. Coined, with suffix *-ive* (=L. *-ivus*), from L. *miss-us*, pp. of *mittere*, to send; see **Missile**.

**MISSPEND**, to spend ill, to squander. (Hybrid; E. and L.) 'That folke in folyes *mispenden* her fyue wittes;' P. Plowman, B. xv. 74. From AS. *mis-*, prefix, wrongly, amiss; and AS. *spendan*, in the compounds *āspendan*, *forspendan*; see Sweet's A. S. Reader. But *spendan* is not a true E. word; it is borrowed from L. *dispendere*. See **Mis-** (1) and **Spend**.

**MIST**, watery vapour, fine rain. (E.) ME. *mist*, P. Plowman, A. prol. 88; B. prol. 214. AS. *mist*, gloom, darkness; Grein, ii. 256. + Icel. *mistr*, mist; Swed. *mist*, foggy weather at sea; Du. *mist*, fog. β. Teut. type \**mih-stoz*, m. Apparently from the base *mig* (Idg. *migh*, Skt. *mih*) which appears in Lithuan. *mig-la*, mist (Nesselmann), Russ. *mgla* (for *mig-la*), mist, vapour, Gk. ὁμίχλη, mist, fog, Skt. *mih-ira*, a cloud; cf. also Skt. *mēgh-a*, a cloud. γ. All from √MEIGWH, to darken; different from √MEIGHI, which appears in L. *mingere*. Brugmann, i. §§ 604, 633. Der. *mist-y*, AS. *mist-ig* (Grein); *mist-i-ness*.

**MISTAKE**, to take amiss, err. (Scand.) ME. *mistaken*, Rom. of the Rose, l. 1540.—Icel. *mistaka*, to take by mistake, to make a slip.—Icel. *mis-*, cognate with AS. *mis-*, prefix; and *taka*, to take. See **Mis-** (1) and **Take**. Der. *mistake*, sb., *mistak-en*, *mis-tak-en-ly*.

**MISTER, MR.**, a title of address to a man. (F.—L.) The contraction *Mr.* occurs on the title-page of the first folio edition of Shakespeare (1623); but it is probably to be read as *Master*. Cotgrave explains *monsieur* by 'sir, or master.' It is difficult to trace the first use of *mister*, but it does not appear to be earlier than 1550, and is certainly nothing but a corruption of *master* or *maister*, due to the influence of the corresponding title of *mistress*. See **Master**, **Mistress**. β. Richardson's supposition that it is connected with ME. *mister*, a trade, is as absurd as it is needless; notwithstanding the oft-quoted 'what *mister* wight,' Spenser, F. Q. i. 9. 23. ¶ It may be remarked that ME. *mister* is from OF. *mestier* (F. *métier*), L. *ministerium*, and is therefore a doublet of *ministry*.

**MISTERM**, to term or name amiss. (Hybrid; E. and F.—L.) In Shak. Romeo, iii. 3. 21. From **Mis-** (2) and **Term**.

**MISTIME**, to time amiss. (E.) ME. *mistimen*, to happen amiss, Ancren Riwle, p. 200, note e. AS. *mistimian*, to happen amiss, turn out ill (Bosworth). From **Mis-** (1) and **Time**.

**MISTLE-THRUSH**; see **Missel-thrush**.

**MISTLETOE**, a parasitic plant. (E.) In Shak. Titus, ii. 3. 95. Scarcely to be found in ME., but it must have existed. The variant form *mystyldene* is in MS. Sloane 2584, p. 90; see Henslow, Medical Werkes, p. 130. AS. *misteltān*, 'Viscarago, *mistiltan*' (sic); Ælfrie's Gloss., Nomina Herbarum; in Voc. 136. 11. [The *a* is of course long; cf. E. *stone* with AS. *stān*, &c.] This should have produced *mistlestone*, but the final *n* (ne) was dropped, probably because the ME. *tone* (better *toon*) meant 'toes,' which gave a false impression that the final *n* was a plural-ending, and unnecessary. + Icel. *mistelteinn*, the mistletoe. β. The final element is the easier to explain; it simply means 'twig.' Cf. AS. *tān*, a twig (Grein), Icel. *teinn*, Du. *teen*, MHG. *zein*, Goth. *tains*, a twig, Dan. *ten*, Swed. *ten*, a spindle; all from a Teut. type \**tain-oz*, m., a twig, rod. γ. The former element is AS. *mistel*, which could be used alone to mean 'mistletoe,' though it was also called *āc-mistel* (oak-mistle), to distinguish it from *eorð-mistel* (earth-mistle), a name sometimes given to wild basil or calamint; see Cockayne's A. S. Leechdoms. In Danish, the mistletoe is called either *mistel* or *mistellen*. In Swed. and G. the mistletoe is simply *mistel*. δ. The word *mist-el* is clearly a mere dimin. of *mist*, which in G. has the sense of 'dung;' cf. MDu. *nest*, *mist*, *dung* (Hexham). As to the reason for the name, cf. 'it [the mistletoe] comes onely by the mewting of birds . . which feed thereupon, and let it passe through their body;' Holland, tr. of Pliny's Nat. Hist., bk. xvi. ch. 44. ε. The G. *mist* is cognate with Goth. *maihstus*, *dung*; which see in Uhlenbeck. Der. *missel-thrush*, q.v.

**MISTRESS**, a lady at the head of a household. (F.—L.) Also written *Mrs.*, and called *Missis*. In Shak. Macb. iii. 5. 6. ME.

*maistresse*, Chaucer, C. T. 10691 (F 377).—OF. *maistresse*, 'a mistress, dame;' Cot. (Mod. F. *maîtresse*.) Formed with F. suffix *-esse* (<L. *-issa*, Gk. *-ισσα*) from OF. *maistre*, a master; see **Master**. Der. *mistress-ship*, Titus Andron. iv. 4. 40.

**MISTRUST**, to regard with suspicion. (Scand.) ME. *missetrost*, Coventry Plays, ed. Halliwell, 126 (Stratmann); *mistrust*, Bruce, x. 327 (in Hart's edition, see the footnote); *mistruste*, Chaucer, C. T. 12303 (C 369). Rather Scand. than E. See **Mis-** (1) and **Trust**. Der. *mistrust*, sb.; *mistrust-ful*, 3 Hen. VI, iv. 2. 8; *mistrust-ful-ly*, -ness.

**MISTY** (1), nebulous, foggy. (E.) 'A ful *misty* morow;' Chaucer, Troil. iii. 1060. AS. *mistig*, adj.; from *mist*, mist; see **Mist**.

**MISTY** (2). (F.—L.—Gk.) Used for *mystic*; in the Prompt. Parv., we find a distinction made between '*mysty*, *nebulosus*' and '*mysty*, or *pievey* to mannes wytte, *misticus*.' So also *mysty*, *mystic*, in Wyclif, Eng. Works, ed. Matthew, p. 344; and *mystily*, *mystically*, in the same, p. 343. Cf. *mistier*, with the double meaning, in P. Plowman, B. x. 181. See Palmer, Folk-Etymology. For the loss of the final letter, cf. E. *jolly* from OF. *jolif*. See **Mystic**.

**MISUNDERSTAND**, to understand amiss. (E.) ME. *mis-understanden*, Rob. of Glouc. p. 42, l. 990. From **Mis-** (1) and **Understand**. Der. *misunderstand-ing*.

**MISUSE**, to use amiss. (F.—L.) 'That *misuseth* the might and the power that is yeven him;' Chaucer, C. T. (Melibeus), Group B, 3040 (Six-text); Gower, C. A. ii. 279, l. 12.—OF. *mesuser*, to misuse; Godefroy.—OF. *mes-*, *mis-*; and *user*, to use. See **Mis-** (2) and **Use**. Der. *misuse*, sb., 1 Hen. IV, i. 1. 43, OF. *mesus*, sb. (Godefroy); *misusage*, OF. *mesusage*.

**MITE** (1), a very small insect. (E.) ME. *mite*, Chaucer, C. T. 6142 (D 560). AS. *mīle*. 'Tomus, maða, mite;' Ælfrie's Gloss., Nom. Insectorum; Voc. 122. 6. + Low G. *mīte*, a mite; Du. *mijt*; OHG. *mīza*, a mite, midge, fly. β. The word means 'cutter' or 'biter,' from the Teut. root MEIT, to cut small; whence Goth. *maitan*, to cut, Icel. *meita*, to cut, also Icel. *meitill*, G. *meissel*, a chisel. Der. *mit-y*. And see *emmet*.

**MITE** (2), a very small portion. (F.—Du.) ME. *mite*; 'not worth a *myte*;' Chaucer, C. T., A 1558. 'A *myte* [small coin] that he offrep;' P. Plowman, C. xiv. 97.—OF. *mīte* (Godefroy).—MDu. *mijt*, a small coin, the sixth part of a doit; *mīte*, *myte*, a small coin, worth a third of a *penning*, according to some, or a *penning* and a half, according to others; anything small; *niet eener myte*, not worth a mite (Oudemans). From the Teut. base MEIT, to cut small; see **Mite** (1).

**MITIGATE**, to alleviate. (L.) *Mytigate* in Palsgrave. 'Breake the ordinance or *mitigat* it;' Tyndall's Works, p. 316, col. 1.—L. *mitigātus*, pp. of *mitigāre*, to make gentle.—L. *mīt-*, stem of *mītis*, soft, gentle; with suffix *-ig-*, for *agere*, to make. Root uncertain. Der. *mitigation*, ME. *mitigacioun*, P. Plowman, B. v. 477, from F. *mitigation*, 'mitigation,' Cot.; *mitigat-or*; *mitigat-ive*, from MF. *mitigatif*, 'mitigative,' Cot.; also *mitiga-ble*, L. *mitigābilis*, from *mitigā-re*.

**MITRAILLEUSE**, a machine-gun. (F.—Du.) F. *mitrailleuse*, fem. agential sb. from *mitrailer*, to fire small missiles.—F. *mitraille*, small bits of grape-shot; 'lumps consisting of divers metals' in Cot. Variant of MF. *mitaille*, 'great file-dust,' Cot. Extended from OF. *mīte*, a mite, small piece; see **Mite** (2).

**MITRE**, a head-dress, esp. for a bishop. (F.—L.—Gk.) 'Thy *mytrede* bisschopes' = thy mitred bishops; P. Plowman, C. v. 193. 'On his *mitere*,' referring to a bishop; Rob. of Brunne, tr. of Langtoft, p. 302, l. 2.—OF. *mitre*, 'a bishop's miter;' Cot.—L. *mītra*, a cap.—Gk. *μίτρα*, a belt, girdle, head-band, fillet, turban. β. Perhaps allied to Gk. *μίρος*, a thread of the woof (Prellwitz).

**MITTEN**, a covering for the hand. (F.) ME. *mitaine*; spelt *miteyn*, Chaucer, C. T. 12307 (C 373); *myteyne*, P. Plowman's Crede, ed. Skeat, l. 428.—OF. *mitaine*; Cot. gives: '*mitaines*, mittains, winter-gloves.' Cf. Gascon *mitano*, a mitten. β. Of disputed origin; see Hatzfeld, Scheler, and Körting, § 6043. Mistral has Prov. *mito*, a mitten, as well as *mitano*.

**MITTIMUS**, a warrant of commitment to prison. (L.) 'Take a *mittimus*;' Massinger, A New Way, l. 47 from end. From L. *mittimus*, we send; from the first word in the warrant.—L. *mittere*, to send; see **Missile**.

**MIX**, to mingle, confuse. (L.) In Shak. 2 Hen. IV, v. 2. 46. Rich. cites '*mixed* with faith' from the Bible of 1561, Heb. iv. 2. But in earlier books it is extremely rare; Stratmann cites the pp. *mixid* from Songs and Carols, ed. Wright, no. VI. *Mix* (see N. E. D.) is a back-formation from the pp. *mixt*, in use as a law-term, as in Shillingford's Letters (Camden Soc.), App. 39: 'Any action real, personal, and *myxte*;' A. D. 1448. Cf. AF. *mixte*, Britton, ii. 64. Hence Palsgrave has: 'I *myxte* or *myngell*.'—L. *mixtus*, pp. of *miscere*, to

mix. + W. *mysgu*, to mix; *cymmysgu*, to mix together; Gael. *measg*, to mingle, mix, stir; Irish *measgaim*, I mix, mingle, stir, move; Russ. *mieskate*, to mix; Lithuan. *maiszyti*, to mix. Cf. Skt. *miṣra-*, mixed. β. All from a ✓MEIK, to mingle; see Brugmann, i. § 707, 760. Der. *mix-er*, *com-mix*; also *mix-ture*, Romeo, iv. 3. 21, Sir T. More, Works, p. 83 a, from L. *mixtura*, a mixing, mixture, allied to *mixt-us*, pp. of *miscere*.

**MIXEN**, a dung-hill. (E.) In Chaucer, C. T., I 911. AS. *mixen*, *meoxen*, a dung-hill; from *meox*, dung. Allied to G. *mist*, Goth. *maihstus*, dung; from the verbal root seen in AS. *miġan*, L. *mingere*, Gk. *δ-μυ-ειν*, to make water. Brugmann, i. § 796 (b).

**MIZEN, MIZZEN**, the hindmost of the fore and aft sails, in a three-masted vessel. (F.—Ital.—L.) Spelt *misen* in Minshew, ed. 1627, and in Florio, ed. 1598; *meson* in Naval Accts. of Hen. VII, p. 36. 'Meson sayle of a shyppe, mysayne'; Palsgrave.—MF. *misaine*, which Cotgrave defines as 'the foresaile of a ship'.—Ital. *mezzana*, 'a saile in a ship called the poope or misen-saile'; Florio, ed. 1598. Cf. *mezzano*, 'a meane or countenour in singing, a meane man, betwene great and little'; id. β. The sense had reference to its original position, which was that of 'a fore-sail' (see Cotgrave), and in mod. F. it still signifies a sail between the bowsprit and the main-mast, occupying the middle position between the jib and main-sail of a cutter.—Late L. *mediūsus*, middle; whence also F. *moyen*, and E. *mean* (3). Extended from L. *medius*, middle; see **Mid**. Doublet, *mean* (3). Der. *mizen-mast* or *mizzen-mast*.

**MIZZLE**, to rain in fine drops. (E.) 'As the *miseling* vpon the herbes, and as the dropes vpon the grasse'; Deut. xxxii. 2, in the Bible of 1551. 'Immoysturid with *mislyng*'; Skelton, Garland of Laurell, 698. 'To *miselle*, to *mysylle*, pluitare'; Cathol. Anglicum; p. 241. Cf. MDu. *mieselen*, to drizzle (Hexham); Low G. *miseln* (Berghaus). From the base *mis-*, as in EFries. *mis-ig*, damp, gloomy; allied to EFries. *mis*, *mis-ig*, damp, moist. Cf. **Mist**.

**MNEMONICS**, the science of assisting the memory. (Gk.) 'Mnemonicæ, precepts or rules, and common places to help the memory'; Phillips, ed. 1706.—Gk. *μνημονικά*, mnemonics; neut. pl. of *μνημονικός*, belonging to memory.—Gk. *μνήμωνι*, from *μνήμων*, mindful.—Gk. *μνάσμαι*, I remember; Skt. *mṇā*, to remember. From the base \**mṇā*, lengthened grade of ✓MEN, to think; see **Mind**.

**MOAN**, a complaint, a low sound of pain. (E.) ME. *mone*, Chaucer, C. T. 11232 (F 920). This corresponds to an AS. form \**mān*, which does not appear with the modern sense; but the derived verb *mēnan*, to moan, to lament, is common; see exx. in Grein, ii. 222. β. This AS. verb passed into the ME. *mener*, to moan; whence *mened hire* = bemoaned herself, made her complaint, P. Plowman, B. iii. 169. After a time this verb fell into disuse, and its place was supplied by the sb. form, used verbally. 'Than they of the towne began to *mone*'; Berners, tr. of Froissart, vol. i. c. 348. γ. Some identify AS. *mēnan*, to moan, with AS. *mānan*, to mean; see **Mean** (1); but there is no connexion in sense. Ettmüller compares AS. *mān*, adj., evil, wicked, sb. evil, wickedness. Note that the Icel. *mein* (cognate with AS. *mān*, wickedness) means a hurt, harm, disease, sore, whence there is but a step to a *moan* as the expression of pain; but this is unsatisfactory. ¶ Cf. *means* (some edd. *moans*) in Shak., M. Nt. Dr. v. 330. Der. *moan*, verb, as explained above; also *be-moan*, q.v.

**MOAT**, a trench round a fort, filled with water. (F.—Teut.) ME. *mote*, P. Plowman, B. v. 595.—OF. *mote*, 'chaussée, levée, digue,' i.e. a causeway, embankment, dike, Roquefort; and see Godefroy. Norm. dial. *motte*, a moat, foss. [Just as in the case of *dike* and *ditch*, the word *moat* originally meant either the trench dug out, or the embankment thrown up; and in OF. the usual sense was certainly an embankment, hill. It is therefore the same word as mod. F. *motte*, a mound, also a clod, or piece of turf. 'Motte, a clod, lumpe, round sodd, or turfe of earth; also, a little hill or high place; a fit seat for a fort or strong house; hence, also, such a fort, or house of earth; . . . a butt to shoot at'; Cotgrave. The orig. sense is clearly a sod or turf, such as is dug out, and thrown up into a mound; and the word is associated with earthen fortifications, whence it was transferred to such a trench as was used in fortification. Thus Shak. speaks of 'a moat defensive to a house'; Rich. II, ii. 1. 48; and in P. Plowman, the 'mote' is described as being 'the manere aboute,' i.e. all round the manor-house. Cf. also: 'Mothc, a little earthen fortresse, or strong house, built on a hill'; Cotgrave.] Cf. also Low L. *mota*, *motia*, (1) a mound, (2) a mound and moat together; Ital. *motta*, a heap of earth, also a hollow, trench (as in E.); Span. *mota*, a mound; Romansch *muota*, *muotta*, a rounded hill. β. Of Teut. origin, but rarely found; it occurs, however, in the Bavarian *mott*, peat, esp. peat such as was dug up, burnt, and used for manure; whence *motten*, to burn peat; Schmeller, Bavarian Dict., col. 1693. This Bavarian word is prob. related to E. *mud*;

see **Mud**. Cf. also MHG. *mot*, peaty earth. Der. *moat-ed*, Meas. for Meas. iii. 1. 277.

**MOB** (1), a disorderly crowd. (L.) Used by Dryden, in pref. to Cleomenes, 1692; as cited in Nares. A contraction from *mobile vulgus*. 'I may note that the rabble first changed their title, and were called "the mob" in the assemblies of this [The King's Head] Club. It was their beast of burden, and called first *mobile vulgus*, but fell naturally into the contraction of one syllable, and ever since is become proper English'; North's Examen (1740), p. 574; cited in Trench, Study of Words. In the Hatton Correspondence, ed. E. M. Thompson (Camden Soc.), the editor remarks that *mob* is always used in its full form *mobile* throughout the volumes (see ii. 40, 99, 124, 156); but, as Mr. Thompson kindly pointed out to me, he has since noted that it occurs once in the short form *mob*, viz. at p. 216 of vol. ii. Thus, under the date 1690, we read that 'Lord Torrington is most miserably reproached by the *mobile*' (ii. 156); and under the date 1695, that 'a great *mob* have been up in Holborn and Drury Lane' (ii. 216). In Shadwell's Squire of Alsatia (1688), we find *mobile* in A. i. sc. 1, but *mob* in A. iv. sc. 2. And see Spectator, no. 135.—L. *mōbile*, neut. of *mōbilis*, movable, fickle; *mōbile vulgus*, the fickle multitude. See **Mobile** and **Vulgar**. Der. *mob*, verb. See Notes on E. Etym., p. 190.

**MOB** (2), a kind of cap. (Dutch.) 'Mob, a woman's night-cap'; Bailey's Dict., vol. ii. ed. 1731. We also say *mob-cap*.—Du. *mopmuts*, a woman's night-cap; where *muts* means 'cap'; MDu. *mop*, a woman's coif (Sewel); Low G. *mopp*, a woman's cap (Danneil). Cf. prov. E. *mop*, to muffle up (Halliwell).

**MOBILE**, easily moved, movable. (F.—L.) 'Fyxt or els *mobyll*'; Skelton, Why Come Ye Nat to Courte, l. 522. [The expression '*mobil* people' occurs, according to Richardson, in The Testament of Love, b. i; but the reading is really *mokil*, i. e. much; ch. 6, l. 73.]—F. *mobile*, 'movable'; Cot.—L. *mōbilis*, movable (for *mōibilis*).—L. *mouēre*, to move; see **Move**. Der. *mobili-ty*, from F. *mobilité*, which from L. acc. *mōbilitātem*; also *mobil-ise*, from mod. F. *mobiliser*; hence *mobil-is-at-ion*. And see *mob* (1).

**MOCCASIN, MOCCASSIN, MOCASSIN**, a shoe of deer-skin, &c. (N. American Indian.) Spelt *mocassin* in Fenimore Cooper, The Pioneers, ch. i. A North-American Indian word. From Powhatan *mōckasin*; Algonquin *māksin* (Cuq); Micmac *māksun* (S. T. Rand). Capt. Smith (Works, ed. Arber, p. 44) cites Indian 'moccasins, shoas.'

**MOCK**, to deride. (F.—L.) ME. *mokken*, Prompt. Parv.—OF. *mocquier*, late *moquer*. 'Se *mocquer*, to mock, flowt, frumpe, scoffe'; Cot. According to Körting, § 6330, it is the Picard form of *moucher*, to wipe the nose; Corblet gives the Picard form as *mouker*, and Moisy has Norm. dial. *mouquer*, to wipe the nose (so that the vowel does not quite correspond); but Mistral has mod. Prov. *mouca*, *moucha*, to wipe the nose, and *se mouca*, to mock. Cotgrave has MF. *moucher*, 'to snyte or make cleane the nose; also to frumpe, mocke, scoff, deride'. Cf. Ital. *moccare*, 'to blow the nose, also to mocke'; Florio.—Late L. *muccāre*, to blow the nose.—L. *muccus*, *mūcus*, mucus. See **Mucus**. Der. *mock*, sb.; *mock-er*; *mock-er-y*, spelt *moquerie* in Caxton, Hist. of Troye, fol. 95, l. 8, from F. *moquerie*; *mock-ing*, *mock-ing-bird*.

**MODE**, a manner, measure, rule, fashion. (F.—L.) 'In the first figure and the third *mode*'; Sir T. More, Works, p. 504 d; where it is used in a logical sense.—F. *mode*, 'manner, sort, fashion'; Cot.—L. *modum*, acc. of *modus*, a measure, manner, kind, way. β. Akin to Gk. *μέδομαι*, I think upon, plan, L. *meditor*, I meditate, Gk. *μήδος*, a plan, *μήδομαι*, I intend, plan; from ✓MED (Teut. MET), to measure, to plan, best exemplified in E. *mete*; cf. Icel. *māti*, a mode, manner, way; see **Mete**. Brugmann, i. § 412. Der. *mod-al*, a coined word from L. *mod-us*; *mod-ish*, coined from F. *mode*; *mod-el*, q.v., *mod-er-ate*, q.v., *mod-ern*, q.v., *mod-est*, q.v.; *mod-ic-um*, q.v., *mod-i-fy*, q.v.; *mod-ul-ate*, q.v. From the L. *modus* we also have *accom-mod-ate*, *com-mod-i-ous*. Doublet, *mood* (2).

**MODEL**, a pattern, mould, shape. (F.—Ital.—L.) See Shak. Rich. II, iii. 2. 153; Ille. V, ii. chor. 16; &c.—MF. *modelle* (F. *modèle*), 'a modell, pattern, mould'; Cot.—Ital. *modello*, 'a model, a frame, a plot, a mould'; Florio. Formed as if from a L. type \**modellus*, dimin. of *modulus*, a measure, standard, which again is a dimin. of *modus*. See **Modulate**, **Mode**. Der. *model*, vb.; *modell-er*, *modell-ing*; *re-model*.

**MODERATE**, temperate, within bounds, not extreme. (L.) 'Moderat speche'; Hoccleve, Reg. of Princes, 2436. 'Moderately and with reuerence'; Sir T. More, Works, p. 361 h.—L. *moderātus*, pp. of *moderāri*, to fix a measure, regulate, control. From a stem \**moder-*, answering to an older \**modes-*, extended from *mod-*, as in *modus*, a measure; see **Modest**, **Mode**. Der. *moderate*, verb, Shak. Troil. iv. 4. 5; *moderate-ly*, *moderate-ness*, *moderat-or*, Sir P. Sidney, Apology for Poetrie, ed. Arber, p. 32, from L. *moderātor*;

*moderat-ion*, Troil. iv. 4. 2, from OF. *moderation*, 'moderation' (Cot.), which from L. acc. *moderatiōnem*.

**MODERN**, belonging to the present age. (F.—L.) Used by Shak. to mean 'common-place'; Macb. iv. 3. 170, &c. — F. *moderne*, 'modern, new, of this age'; Cot. — L. *modernus*, modern; lit. of the present mode or fashion; formed from a stem \**moder-*, for \**modes-*; from *mod-*, as in *modus*, a measure; cf. *modo*, adv., just now. See **Moderate**. Der. *modern-ly*, *modern-ness*, *modern-ise*.

**MODEST**, moderate, decent, chaste, pure. (F.—L.) *Modestly* is in Gascoigne, Fruits of Warre, st. 208 (and last). *Modestie* is in Sir T. Elyot, The Governour, b. i. c. 25, § 6. — F. *modeste*, 'modest'; Cot. — L. *modestus*, modest, lit. keeping within bounds or measure. From a stem \**modes-* (extended from *mod-us*), with Aryan suffix *-to*; the same stem, weakened to *moder-*, gives *moder-ate*, *moder-n*. — L. *modus*, a measure; see **Mode**. Der. *modest-ly*, *modest-y*.

**MODICUM**, a small quantity. (L.) In Shak. Troil. ii. 1. 74. Merely L. *modicum*, neut. of *modi-c-us*, moderate. From *modi-*, for *modus*, a measure; see **Modify**, **Mode**.

**MODIFY**, to moderate, change the form of. (F.—L.) ME. *modifien*, Gower, C. A. iii. 157; bk. vii. 2153; Chaucer, C. T., A 2542. — F. *modifier*, 'to modify, moderate'; Cot. — L. *modificāre*. — L. *modi-*, for *modus*, a measure; and *-fic-*, for *fac-ere*, to make. See **Mode** and **Fact**. Der. *modifi-er*, *modifi-able*; *modific-at-ion* = F. *modification*, 'modification' (Cot.), from L. acc. *modificatiōnem*.

**MODULATE**, to regulate, vary. (L.) 'To modulate the sounds'; Grew, Cosmographia Sacra (1701), b. i. c. 5. sect. 16 (R.). [But the verb was prob. suggested by the sb. *modulation*, given as both a F. and E. word by Cotgrave; from the L. acc. *modulatiōnem*.] — L. *modulātus*, pp. of *modulāri*, to measure according to a standard. — L. *modulus*, a standard; dimin. of *modus*, a measure. See **Mode**. Der. *modulat-ion*, as above; *modulat-or*, from L. *modulātor*. So also *module*, from F. *module*, 'a modell or module' (Cot.), from L. *modulus*. Also *modulus* = L. *modulus*.

**MOGUL**, a Mongolian. (Mongolia.) In Sir T. Herbert, Travels, ed. 1665, p. 75; Milton, P. L. xi. 391. 'Mr. Limberham is the mogul [lord] of the next mansion'; Dryden, Kind Keeper, iv. 1. The word *Mogul* is only another form of *Mongol*; the *Great Mogul* was the emperor of the Moguls in India. 'The Mogul dynasty in India began with Baber in 1525'; Haydn, Dict. of Dates. Cf. Pers. *Moghōl*, a Mogul; Rich. Pers. Dict. p. 1460.

**MOHAIR**, cloth made of fine hair. (Arab.) The E. spelling is a sophisticated one, from a ridiculous attempt to connect it with E. *hair*; just as in the case of *cray-fish*. Spelt *mohaire* in Skinner, ed. 1691; older spelling *moakire*, Hakluyt, Voy. ii. 273; whence was borrowed the MF. *mouaire*, cited by Skinner; the mod. F. is *moire*. Other MF. forms are *mohère*, *mouhaire*, cited by Scheler. The name was given to a stuff made from the hair of the Angora goat (Asia Minor). — Arab. *mukhayyar*, 'a kind of coarse camelot or hair-cloth'; Rich. Dict. p. 1369, col. 2. See Devic, in Supp. to Littré. Doublet, *moire*, from F. *moire*.

**MOHAMMEDAN**, a follower of Mohammed. (Arab.) From the well-known name. — Arab. *muḥammad*, praiseworthy; Rich. Dict. p. 1358. — Arab. root *ḥamada*, he praised; id. p. 581.

**MOHUR**, a gold coin current in India. (Pers.) From Pers. *muhur*, *muhur*, 'a seal, a gold coin current in India for about £1 16s.'; Rich. Dict. p. 1534, col. 1; Pers. *muhur*, *muhar*, a seal, a gold coin worth 16 rupees (H. H. Wilson). + Skt. *mudrā*, a seal.

**MOIDORE**, a Portuguese gold coin. (Port.—L.) 'Moidore, a Portugal gold coin, in value 27 shillings sterling'; Bailey's Dict., vol. ii. ed. 1731. — Port. *moeda d'ouro* or *moeda de ouro*, a moidore, £1 7s. Lit. 'money of gold'. — L. *monēta*, money; *dē*, of; *aurum*, gold. See **Money** and **Aureate**.

**MOIETY**, half, a portion. (F.—L.) See K. Lear, i. 1. 7, where it means 'a part' merely. It means 'a half' in All's Well, iii. 2. 69. — AF. *moyté*, Year-books of Edw. I, ii. 441; F. *moitié*, 'an half, or half part'; Cot. — L. *mediētātem*, acc. of *mediētās*, a middle course, a half. — L. *medius*, middle; see **Mediate**.

**MOIL**, to toil, to drudge. (F.—L.) Skinner, ed. 1691, explains *moil* by 'impigrē laborare,' i.e. to toil, drudge. But it is prob. nothing but a peculiar use of the word *moile*, given in Minshew, ed. 1627, with the sense 'to defile, to pollute'; cf. *moil*, 'to drudge, to dawb with dirt'; Phillips, ed. 1706. As Mr. Wedgwood suggests, *moil*, to drudge, is probably 'only a secondary application from the laborious efforts of one struggling through wet and mud;' or simply, from the dirty state in which hard labour often leaves one. γ. We find earlier quotations for both senses; Halliwell cites 'we moyle and toyle' from the Marriage of Wit and Humour, A.D. 1579. Rich. quotes from Gascoigne: 'A simple soule much like myself did once a serpent find, Which, almost dead for cold, lay moylng in the myre,' i.e. wallowing in the dirt; see Gascoigne, ed. Hazlitt, i. 94. So also Spenser uses *moyle* for 'to wallow'; see his Hymn of Heavenly

Love, st. 32. Still earlier, the sense is simply to wet or moisten. ME. *moillen*, to wet. 'A monk . . . moillid al hir patis,' i.e. moistened all their heads by sprinkling them with holy water; Introd. to Tale of Beryn, ed. Furnivall, p. 6, l. 139. — OF. *moiller*, *moiler* (Littré), later *mouiller*, 'to wet, moisten, soake'; Cot. The orig. sense was 'to soften,' which is effected, in the case of clay, &c., by wetting it. The OF. *moiller* answers to a L. type \**mollīare*, to soften (not found), formed directly from L. *mollis*, stem of *mollis* (OF. *mol*), soft. See **Mollify**.

**MOIRE**, watered silk. (F.—E.—Arab.) A later F. form of E. *Mohair*, q. v.; in a slightly altered sense. Körting suggests that, in the sense of 'watered silk,' it may represent L. *marmoreus*, shining like marble, from *marmor*, marble; because *moire* cannot well represent the Arabic form. But Hatzfeld derives F. *moire* from E. *mohair*; which explains the matter. We then reborrowed this F. form *moire*.

**MOIST**, damp, humid. (F.—L.) ME. *moiste*; 'a *moiste* fruit with-alle'; P. Plowman, B. xvi. 68. The peculiar use of ME. *moiste* is suggestive as to the derivation of the F. word. It means 'fresh' or 'new'; thus the Wife of Bath's shoes were 'ful *moiste* and newe'; Chaucer, C. T. 459 (A 457). The Host liked to drink '*moiste* and corny ale'; id. 12249 (C 315). And again '*moisty* ale' is opposed to old ale; id. 17009 (H 60). — OF. *moiste* (Littré), later *moite*, 'moist, liquid, humid, wet'; Cot. But the old sense of F. *moiste* must have agreed with the sense with which the word was imported into English. Etym. disputed. Either (1) from L. *mustus*, of or belonging to new wine or must, also new, fresh; as *mustus cāseus*, new cheese (Pliny). — L. *mustum*, new wine; a neut. form from *mustus*, adj., young, fresh, new. See Körting, § 6414; and cf. Prov. *mousti*, moist, allied to *moust*, new wine (Mistral). β. Or (2) from L. *mucidus*, mūcidus, mouldy; from L. *mūcus*, mucus (Körting); see **Mucus**. γ. Or from L. \**muscidus*, for L. *mūcidus*, the same (Hatzfeld). Perhaps the two L. words coalesced in French (N. E. D.). Der. *moist-ly*, *moist-ness*; *moist-en*, Spenser, F. Q. iii. 6. 34, where the final *-en* is really of comparatively late addition (by analogy with other verbs in *-en*), since Wyclif has 'bigan to *moiste* hise feet with teeris,' Luke, vii. 38; *moist-ure*, Gower, C. A. iii. 109; bk. vii. 730; from OF. *moisteur*, mod. F. *moiteur* (Littré).

**MOLAR**, used for grinding. (L.) 'Molar teeth or grinders'; Bacon, Nat. Hist. § 752. — L. *molaris*, belonging to a mill, molar. — L. *mola*, a mill. — √MEL, to grind; see **Mill**. Brugmann, ii. § 690.

**MOLASSES**, syrup made from sugar. (Port.—L.) Also *molasses*, in Phillips, ed. 1706. It ought rather to be *melasses*; as in Stedman's Surinam, i. 317 (1796). Spelt *malasses*, Hakluyt, Voy. ii. pt. 2, p. 4. As it came to us from the West Indies, where the sugar is made, it is either a Port. or a Span. word. The Span. spelling is *melaza*, where the z (though now sounded like *th* in *bath*) may well have had (ab. 1600) the sound of E. *ss*; see **Lasso**. Cf. also Port. *melago*, molasses; where the *ç* is sounded like E. *ss*; and this Port. form better represents the L. neuter sb. [We also find Ital. *melassa*, F. *mélasse*.] — L. *mellāceum*, a kind of must (Lewis); neuter of *mellāceus*, made with honey, hence honey-like; cf. Port. *melado*, mixed with honey. Formed with ending *-āc-e-us* from *mell-*, *mel*, honey. See **Mellifluous** (with which cf. also *marmalade*, another decoction).

**MOLE** (1), a spot or mark on the body. (E.) ME. *mole*. 'Many moles and spottes'; P. Plowman, B. xiii. 315. [As usual, the ME. o answers to AS. *ā*.] AS. *māl*, also written *maal* (where *aa* = *ā*). 'Stigmentum, fūl maal on rægel' = a foul spot on a garment; Ælfric's Gloss., in Voc. 125. 19. + OHG. *meil*, a spot; Goth. *mail*, a spot, blemish. Teut. type \**mailom*, n. Root unknown.

**MOLE** (2), a small animal that burrows. (E.) *Mole* seems to be quite distinct from another name of the animal, viz. *moldwarp*. Shak. has both forms, viz. *mole*, Temp. iv. 194; and *moldwarp*, 1 Hen. IV, iii. 1. 149. Palsgrave has *mole*. In the 15th cent., we find 'Talpa, *molle*'; Voc. 639. 14. + MDu. and Du. *mol*; Low G. *mull* (Berghaus). Teut. type \**mulloz* or \**mulluz*, m. (Franck). Prob. related to MDu. *mul*, 'the dust or crumbings of turf,' Hexham; ME. *mul*, AS. *myl*, dust; which are further related to **Mould** (1). The sense may have been 'earth-grubber' or 'crumbler,' from the weak grade of √MEL, to pound; see **Molar**. Cf. EFries. *mullen*, to grub; *mulle*, a child that grubs in the ground; *mulle*, *mul*, a mole; Low G. *mull-worm*, a mole (Danneil). 2. The other form appears as ME. *mold-werp*; Wyclif, Levit. xi. 30. From ME. *molde*, mould; and *werpen*, to throw up, mod. E. to *warp*. See **Mould** and **Warp**. So also MDu. *molworp* (Kilian); Icel. *moldvarpa*, a mole, similarly formed. Cf. Swed. *mull-sork*, *mull-vad*, a mole; from *mull*, mould. And note Icel. *mylja*, to crush. Der. *mole-hill*, Cor. v. 3. 30.

**MOLE** (3), a breakwater. (F.—Ital.—L.) 'A mole or peer' [pier]; Blount's Gloss., ed. 1674. 'The Mole, that defendeth the haven'; Sandys, Trav. (1632); p. 255. — MF. *mole*, 'a peer, a bank, or causey

on the sea-side; Cot. F. *môle*.—Ital. *molo*, *mole*, 'a great pile; Florio. —L. *mōlem*, acc. of *mōles*, a great heap, vast pile. A word of doubtful origin. Der. From L. *mōles* we also have *molecule*, q.v.

**MOLECULE**, an atom, small particle. (L.) Formerly written *molecula*. 'Molecula, in physics, a little mass or part of anything; Bailey's Dict. vol. ii. ed. 1751. A coined word; formed with double dimin. suffix *-cul-* (in imitation of *particula*, a particle) from L. *mōles*, a heap. See **Mole** (3). Der. *molecul-ar*.

**MOLEST**, to disturb, annoy. (F.—L.) ME. *molestēn*, Chaucer, Troilus, b. iv. l. 880. —F. *molester*, 'to molest; Cot. —L. *molestāre*, to annoy. —L. *molestus*, adj., troublesome, burdensome. β. Formed (with suffix *-tus*=Idg. *-to-s*) from a stem *moles-*, which is usually associated with *mōles*; see **Mole** (3). Der. *molest-er*; *molest-at-ion*, Oth. ii. 1. 16.

**MOLLA**, the same as **Mullah**, q.v.

**MOLLIFY**, to soften. (F.—L.) In Isa. i. 6 (A.V.). 'It [borage] mollyfyeth the bealy; Sir T. Elyot, Castel of Helth, b. ii. c. 9. Hoccleve has *mollifie*, Reg. of Princes, 2638. [The sb. *mollificacioun* is in Chaucer, C. T. 16322; G 854.] —OF. *mollifier*, 'to mollify; Cot. —L. *mollificāre*, to soften. —L. *mollis*, for *mollis*, soft; and *-fic-*, for *facere*, to make. β. L. *mollis* is akin to Skt. *mṛdu-*, soft; O. Ch. Slav. *mladŭ*, young, tender (Russ. *molodoi*); and to Gk. *μέλδεν*, E. *melt*; see **Melt**. Brugmann, ii. § 690. Der. *mollifi-able*, *mollifi-er*; also *mollific-at-ion*, allied to *mollificātus*, pp. of *mollificāre*. And see *moil*, *mollusc*.

**MOLLUSC**, an invertebrate animal, with a soft fleshy body, as a snail. (L.) Modern. Not in Todd's Johnson. Cf. F. *mollusque*, a mollusc (Littre). —L. *mollusca*, a kind of nut with a soft shell, which some molluscs were supposed to resemble; from *molluscus*, softish; allied to *mollescere*, to become soft. —L. *mollis*, soft; see **Mollify**.

**MOLTEN**, melted. (E.) In Exod. xxxii. 4; &c. The old pp. of *melt*; see **Melt**.

**MOLY**, the name of a certain plant. (L.—Gk.) In Spenser, Sonnet 26. —L. *mōly*. —Gk. *μῶλυ*; Homer, Od. x. 305; cf. Skt. *mūla-m*, an edible root.

**MOMENT**, importance, value, instant of time. (F.—L.) 'In a moment; Wyclif, 1 Cor. xv. 52. —F. *moment*, 'a moment, a minute, a jot of time; also moment, importance, weight; Cot. —L. *mōmentum*, a movement, hence an instant of time; also moving force, weight. β. For *mouimentum*; formed with the common suffix *-ment-* from *mouēre*, to move; see **Move**. Der. *moment-ar-y*, Temp. i. 2. 202, from L. *mōmentārius*; *moment-ar-i-ly*, -ness; *moment-an-y* (obsolete), Mids. Nt. Dr. i. 1. 143, from L. *mōmentāneus*; *moment-ly*; *momentous*, from L. *mōmentōsus*; *momentous-ly*, -ness. Doublets, *momentum* (=L. *mōmentum*); also *movement*.

**MONAD**, a unit, &c. (L.—Gk.) The pl. *monades* was formerly used as synonymous with digits. 'Monades, a term in arithmetick, the same as digits; Phillips, ed. 1706. —L. *monad-*, stem of *monas*, a unit. —Gk. *μόνας*, a unit. —Gk. *μόνος*, alone, sole. See **Mono-**.

**MONARCHY**, sole government, a kingdom. (F.—L.—Gk.) The word *monarchy* is (perhaps) older than *monarch* in English. Sir David Lyndsay's book entitled 'The Monarche,' written in 1552, treats of monarchies, not of monarchs; see l. 1979 of the poem. ME. *monarchie*, Gower, C. A. i. 27; prol. 695. —F. *monarchie*, 'a monarchie, a kingdom; Cot. —L. *monarchia*. —Gk. *μοναρχία*, a kingdom. —Gk. *μόναρχος*, adj., ruling alone. —Gk. *μον-*, for *μόνος*, alone; and *ἀρχειν*, to be first. See **Mono-** and **Arch-**. Der. *monarch*, Hamlet, ii. 2. 270, from F. *monarque* < L. *monarcha*, from Gk. *μονάρχης*, a sovereign; *monarch-al*, Milton, P. L. ii. 428; *monarch-ic*, from F. *monarchique* (Cot.), Gk. *μοναρχικός*; *monarch-ic-al*; *monarch-ise*, Rich. II, iii. 2. 165; *monarch-ist*.

**MONASTERY**, a house for monks, convent. (L.—Gk.) The older word was *minster*, q.v. Sir T. More has *monastery*, Works, p. 135 e. Also in Caxton, Golden Legend; Mary Magd. § 12. Englished from L. *monastērion*, a minster. —Gk. *μοναστήριον*, a minster. —Gk. *μοναστής*, dwelling alone; hence, a monk. —Gk. *μονάζειν*, to be alone. —Gk. *μόνος*, alone. See **Mono-**. Der. From Gk. *μοναστής* we also have *monast-ic*, As You Like It, iii. 2. 441 = Gk. *μοναστικός*, living in solitude; hence *monast-ic-al*, *monastic-ism*. Doublet, *minster*.

**MONDAY**, the second day of the week. (E.) ME. *monenday*, Rob. of Glouc. p. 495, l. 10180; later *Moneday*, *Monday*. AS. *Mōnan dæg*, Monday; rubric to John, vii. 32. The lit. sense is 'day of the Moon.' —AS. *mōnan*, gen. of *mōna*, the moon (a masc. sb. with gen. in *-an*); and *dæg*, a day. See **Moon** and **Day**.

**MONETARY**, relating to money. (L.) Modern; not in Todd's Johnson. Imitated from L. *monētārius*, which properly means 'belonging to a mint,' or a mint-master. —L. *monēta*, (1) a mint, (2) money; see **Mint** (1).

**MONEY**, current coin, wealth. (F.—L.) ME. *monie*; Chaucer,

C. T. 705 (A 703). —OF. *monie*; mod. F. *monnaie*. —L. *monēta*, (1) a mint, (2) money. See further under **Mint** (1). Der. *money-bag*, Merch. Ven. ii. 5. 18; *money-ed*, Merry Wives, iv. 4. 88; *money-changer*; *money-less*. Also *monetary*, q.v.

**MONGER**, a dealer, trader. (L.) Generally used in composition. ME. *wol-monger*, a wool-monger; Rob. of Glouc. p. 539, l. 11173. AS. *mangere*, a dealer, merchant; the dat. case *mangere* occurs in Matt. xiii. 45. Formed with suffix *-ere* (= mod. E. *-er*) from *mangian*, to traffic, barter, gain by trading, Luke, xix. 15. Cf. *mangung*, merchandise, Matt. xxii. 5. β. The form *mangian* is from L. *mango*, a dealer, of which *mangere* is a translation or equivalent. ¶ Prob. sometimes confused with AS. *mengan*, to mingle, already treated of under **Mingle**, q.v.; AS. *mang*, a mixture, preserved in the forms *ge-mang*, *ge-mong*, a mixture, crowd, assembly, Grein, i. 425. Der. *cheese-monger*, *fell-monger*, *fish-monger*, *iron-monger*, &c.

**MONGOOSE**; see **Mongoose**.

**MONGREL**, an animal of a mixed breed. (E.) In Macbeth, iii. 1. 93. Spelt *mungril*, *mungril* in Levins, ed. 1570. The exact history of the word fails, for want of early quotations; but we may consider it as short for *\*mong-er-el*, with double dimin. suffixes as in *cock-er-el*, *pick-er-el* (a small pike), so that it was doubtless orig. applied to puppies and young animals. β. As to the stem *mong-*, we may refer it to AS. *mang*, a mixture. The sense is 'a small animal of mingled breed.' See **Mingle**. ¶ We also find late ME. *mengrell*, Book of St. Albans, fol. f4, back. If not an error for *mongrell*, it is from AS. *mengan*, to mix; from *mang*, as above.

**MONITION**, a warning, notice. (F.—L.) 'With a good monicion; Sir T. More, Works, p. 245 g. Caxton has *monycion*, Golden Legend, St. Juliana, § 2. —F. *monition*, 'a monition, admonition; Cot. —L. *monitiōnem*, acc. of *monitio*, a reminding; cf. *monitus*, pp. of *monēre*, to remind; lit. to bring to mind or make to think. —✓MEN, to think. Brugmann, ii. § 794. Der. *monit-or*, from L. *monitor*, an adviser, from *monēre*; hence *monit-or-y*, Bacon, Henry VII, ed. Lumby, p. 73, l. 6; *monit-or-ship*; *monit-r-ess* (with fem. suffix *-ess*=F. *-esse*, L. *-issa*, Gk. *-ισσα*); *monit-or-i-al*. And see **Admonish**. The doublet of *monitor* is *mentor*.

**MONK**, a religious recluse. (L.—Gk.) ME. *monk*, Chaucer, C. T. 165. AS. *munec*, Grein, ii. 269; also *munuc*, Sweet's A. S. Reader. —L. *monachus*. —Gk. *μοναχός*, adj. solitary; sb. a monk. Extended from Gk. *μόν-ος*, alone; see **Mono-**. Der. *monk-ish*; *monk's-hood*. Also (from L. *monachus*) *monach-ism*. And see *monastery*, *minster*.

**MONKEY**, an ape. (Low G.—F.—Ital.—L.) Spelt *munkie* in Levins and Baret, *monkey*, *munkie*, in Palsgrave; perhaps not found much earlier. Borrowed from Low G. *Moneke*, the name of the ape's son in Reinke de Vos (1479); where *-ke* is for *-ken*, dimin. suffix; so that the F. version has *Monnekin* (Godefroy). Formed (with Low G. suffix *-ke*=*-ken*=G. *-chen*) from MF. *monne*, an ape. —MItal. *monna*, *mona*, 'an ape, a munkie, a pug, a kitlin [kitten], a munkie-face; also a nickname for women, as we say gammer, goodie, good-wife such a one; Florio. He notes that *mona* is also spelt *monna*; cf. mod. Ital. *monna*, mistress, dame, ape, monkey (Meadows). [Cf. also Span. *mona*, Port. *mona*, a she-monkey; Span. and Port. *mono*, a monkey.] The order of ideas is: mistress, dame, old woman, monkey, by that degradation of meaning so common in all languages. β. The orig. sense of Ital. *monna* was 'mistress,' and it was used as a title; Scott introduces *Monna Paula* as a character in the Fortunes of Nigel. As Diez remarks, it is a familiar corruption of *madonna*, i. e. my lady, hence, mistress or madam; see **Madonna**, **Madam**. ¶ The Span. and Port. *mona* were, apparently, borrowed from Italian; being feminine sbs., the masc. sb. *mono* was coined to accompany them. The MItal. has also *monicchio*, 'a puggle, a munkie,' Florio; which is the Ital. equivalent of the Low G. form.

**MONO-**, prefix, single, sole. (Gk.) From Gk. *μόνο-*, for *μόνος*, single. Shortened to *mon-* in *mon-arch*, *mon-ocular*, *mon-ody*; see also *mon-ad*, *mon-astery*, *mon-k*. Words with this prefix are numerous; e.g. *mono-ceros*, a unicorn, from Gk. *κέρας*, a horn; *mono-chrome*, painting in one colour, from *χρῶμα*, colour; *mon-æcious*, having stamens and pistils in different flowers on the same plant, from *οἶκος*, a house, dwelling.

**MONOCHORD**, a musical instrument with one chord. (F.—L.—Gk.) Spelt *monacorde*; in Hall's Chron. Hen. VII, an. 1. § 9. —F. *monocorde*. —L. *monochordon*. —Gk. *μονόχορδον*. —Gk. *μόνο-*; and *χορδή*, the string of a musical instrument. See **Mono-** and **Chord**.

**MONOCOTYLEDON**, a plant with one cotyledon. (Gk.) Modern and botanical. See **Mono-** and **Cotyledon**.

**MONOCULAR**, with one eye. (Hybrid; Gk. and L.) A coined word; used by Howell (R.). From Gk. *μόν-*, for *μόνος*, sole; and L. *oculus*, an eye. See **Mono-** and **Ocular**.

**MONODY**, a kind of mournful poem. (Gk.) 'In this monody,' &c.; Milton, Introd. to Lycidas. So called because sung by a single

person. — Gk. *μονοῦδια*, a solo, a lament. — Gk. *μόνος*, alone; and *ὕδῃ*, a song, ode, lay. See **Mono-** and **Odo-**. Der. *monodist*.

**MONOGAMY**, marriage to one wife only. (L.—Gk.) Spelt *monogamie* in Minshew, ed. 1627. Used by Bp. Hall, Honour of the Married Clergie, sect. 19, in speaking of a book by Tertullian. — L. *monogamia*, monogamy, on which Tertullian wrote a treatise. — Gk. *μονογαμία*, monogamy; *μονόγαμος*, adj., marrying but once. — Gk. *μόνος*, for *μόνος*, alone, sole; and *γαμεῖν*, to marry, *γάμος*, marriage. See **Mono-** and **Bigamy**. Der. *monogamist*, Goldsmith, Vicar of Wakefield, ch. xiv.

**MONOGRAM**, a single character, a cipher of characters joined together. (L.—Gk.) Used by Ben Jonson, but in a different sense; Underwoods, Poet to Painter, lxx. 11. — L. *monogramma*, a monogram. — Gk. *μονογράμματον*, a mark formed of one letter; neut. of *μονογράμματος*, consisting of one letter. — Gk. *μόνος*, sole; and *γραμματ-*, stem of *γράμμα*, a letter, from *γράφειν*, to grave, write. See **Mono-** and **Graphic**. Der. So also *mono-graph*, a modern word, from Gk. *γραφῆ*, writing.

**MONOLOGUE**, a soliloquy. (F.—Gk.) ‘Besides the chorus or monologues;’ Dryden, Essay of Dramatic Poesie. But Minshew, ed. 1627, distinguishes between *monologue*, a sole talker, and *monologie*, ‘a long tale of little matter.’ — F. *monologue*, given by Cotgrave only in the sense ‘one that loves to hear himselfe talke;’ but, as in *dialogue*, the last syllable was also used in the sense of ‘speech.’ — Gk. *μονόλογος*, adj., speaking alone. — Gk. *μόνος*, alone; and *λέγειν*, to speak. See **Mono-** and **Logic**.

**MONOMANIA**, mania on a single subject. (Gk.) A coined word; from **Mono-** and **Mania**. First in 1823.

**MONOPOLY**, exclusive dealing in the sale of an article. (L.—Gk.) ‘*Monopolies* were formerly so numerous in England that parliament petitioned against them, and many were abolished, about 1601–2. They were further suppressed by 21 Jas. I, 1624;’ Haydn, Dict. of Dates. ‘Thou hast a *monopoly* thereof;’ Sir T. More, Works, p. 1303 h. — L. *monopolium*. — Gk. *μονοπωλίον*, the right of monopoly; *μονοπωλία*, monopoly. — Gk. *μόνος*, sole (see **Mono-**); and *πωλεῖν*, to barter, sell; connected with Icel. *fal-r*, adj., venal, for sale (Prellwitz); Skt. *panya-*, saleable, *pan* (for *paln*), to buy. Der. *monopolise*, spelt *monopol-ize* in Bacon, Hist. Hen. VII, ed. Lumby, p. 147, l. 33; a coined word, formed by analogy, since the MF. word was simply *monopoler* (Cotgrave).

**MONOSYLLABLE**, a word of one syllable. (F.—L.—Gk.) In Minshew, ed. 1627; he makes it an adjective. Altered from F. *monosyllabe*, adj., ‘of one syllable;’ Cot. — L. *monosyllabus*, adj. — Gk. *μονοσύλλαβος*, adj., of one syllable. See **Mono-** and **Syllable**. Der. *monosyllabic*.

**MONOTONY**, sameness of tone. (Gk.) Bailey, vol. ii. ed. 1731, gives it in the form *monotonia*. — Gk. *μονοτονία*, sameness of tone. — Gk. *μόνοτονος*, adj., of the same tone, monotonous. See **Mono-** and **Tone**. Der. *monotonous*, formed from Gk. *μόνοτονος*, by change of *-os* into *-ous*; like the change of L. *-us* into E. *-ous* (as in *ardu-ous*, &c.). Also *monotone*, a late term. Also *monotonous-ly*, *-ness*.

**MONSOON**, a periodical wind. (Du.—Port.—Arab.) Spelt *monsoon* in Hakluyt’s Voyages, ii. 278. Sir T. Herbert speaks of the *monsoones*; Travels, ed. 1665, pp. 409, 413. Ray speaks of ‘the monsoons and trade-winds;’ On the Creation, pt. 1 (R.). — MDu. *monssoen*, in 1596 (Yule). — Port. *monção*, monsoon. — Arab. *mausim*, a time, a season; Rich. Dict. p. 1525; whence also Malay *mūsīm*, ‘a season, monsoon, year;’ cf. also *awal mūsīm*, ‘beginning of the season, setting in of the monsoon;’ Marsden, Malay Dict. pp. 340, 24. (See *Monsoon* in Yule.)

**MONSTER**, a prodigy, unusual production of nature. (F.—L.) ME. *monstre*, Chaucer, C. T. 11656 (F 1344). — F. *monstre*, ‘a monster;’ Cot. — L. *monstrum*, a divine omen, portent, monster. To be resolved into *mon-es-tru-m* (with Idg. suffixes *-es-* and *-tro-*, for which see Brugmann) from *mon-ēre*, to warn, lit. to make to think. — ✓MEN, to think; see **Mind**. Der. *monstrous*, formerly *monstruous*, as in Chaucer, tr. of Boethius, b. iv. met. 3, l. 22, from OF. *monstruēus* (Godefroy), MF. *monstruēux*, ‘monstrous’ (Cot.), which from L. *monstruōsus* (also *monstrōsus*), monstrous; *monstrous-ly*, *monstrous-ness*; *monstros-ly*, spelt *monstruosity*, Troilus, iii. 2. 87. Also *de-monstrate*, *re-monstrate*. Doublet, *muster*.

**MONTH**, the period of the moon’s revolution. (E.) Properly 28 days; afterwards so altered as to divide the year into 12 parts. ME. *moneth* (of two syllables), Rob. of Glouc., p. 59, l. 1369; sometimes shortened to *month*. AS. *mōnað*, sometimes *mōnd*, a month; Grein, ii. 262; properly ‘a lunation.’ Cf. AS. *mōna*, moon; see **Moon**. + Du. *maand*; Icel. *mánuðr*, *mánuðr*, *mōnuðr*; Dan. *maaned*; Swed. *månad*; Goth. *mēnōths*; G. *monat*. Teut. type \**mēnōth-*. Cf. also Lithuan. *mēnesis*, a month, *mėnų*, moon; Russ. *miesiats*, a month, also the moon; L. *mensis*, a month; Irish and W. *mis*, Gael. *mios*,

a month; Gk. *μήν*, month, *μήνη*, moon; Pers. *māh*, a moon, a month; Skt. *mās*, a month. Der. *month-ly*, adj., K. Lear, i. 1. 134; *month-ly*, adv., Romeo, ii. 2. 110.

**MONUMENT**, a record, memorial. (F.—L.) Tyndall speaks of ‘reliques and monuments;’ Works, p. 283, col. 1. — F. *monument*, ‘a monument;’ Cot. — L. *monumentum*, a monument. β. Formed, with suffix *-ment-um*, from *mon-u-* = *mon-i-*, seen in *monitus*, pp. of *monēre*, to remind, cause to think. — ✓MEN, to think; see **Monition**. Der. *monumental*, All’s Well, iv. 3. 20.

**MOOD** (1), disposition of mind, temper. (E.) It is probable that the sense of the word has been influenced by confusion with *mood* (2), and with *mode*. The old sense is simply ‘mind,’ or sometimes ‘wrath.’ ME. *mood*; ‘aslaked was his mood’ = his wrath was appeased; Chaucer, C. T. 1762 (A 1760). AS. *mōd*, mind, feeling, heart (very common); Grein, ii. 257. + Du. *moed*, courage, heart, spirit, mind; Icel. *mōðr*, wrath, moodiness; Dan. and Swed. *mod*, courage, mettle; Goth. *mōds*, wrath; G. *mut*, courage. β. All from a Teut. type \**mō-do-*; where *-do-* is a suffix. Cf. Gk. *με-μα-α*, I strive after. Brugmann, i. § 196. Der. *mood-y*, AS. *mōdig*, Grein, ii. 260; Sweet, New E. Gr. § 1608; *mood-i-ly*, *mood-i-ness*.

**MOOD** (2), manner, grammatical form. (F.—L.) A variant of *mode*, in the particular sense of ‘grammatical form of a verb.’ Spelt *mode* in Palsgrave. ‘*Mood*, or *Mode*, manner, measure, or rule. In Grammar there are 6 *moods*, well known;’ Blount’s Gloss., ed. 1674. See **Mode**. ¶ Perhaps it has often been confused with **Mood** (1); see *Mood* in Trench, Select Glossary.

**MOON**, the planet which revolves round the earth. (E.) ME. *monē*, of two syllables; Chaucer, C. T. 9759 (E 1885). AS. *mōna*, a masc. sb.; Grein, ii. 262. + Du. *maan*; Icel. *māni*, masc. sb.; Dan. *maane*; Swed. *måne*, masc.; Goth. *mēna*, masc.; G. *mond*, masc.; OHG. *māno*. Teut. type \**mā-non-*, m. + Lithuan. *mėnų*, masc.; Gk. *μήνη*. Cf. Skt. *mās*, a month; which Benfey refers to *mā*, to measure. — ✓ME, to measure, as it is a chief measurer of time. See also **Month**. Der. *moon-beam*, *moon-light*, *moon-shine*; *moon-calf*, Temp. ii. 2. 111; *moon-ish*, As You Like It, iii. 2. 430.

**MOONSHEE**, a secretary. (Hind.—Arab.) Hind. *munshi*, ‘a writer, a secretary; applied by Europeans usually to teachers or interpreters of Persian and Hindustani;’ H. H. Wilson, Gloss. of Indian Terms, p. 356. — Arab. *munshi*, a writer, secretary, tutor, language-master; Rich. Dict. p. 1508. (See *Moonshee* in Yule.)

**MOOR** (1), a heath, extensive waste ground. (E.) ME. *more*, King Alisaunder, 6074. AS. *mōr*, a moor, morass, bog; Grein, ii. 262. + MDu. *moer*, ‘mire, dirt, mud;’ *moerlandt*, ‘moorish land, or turfy land of which turfe is made,’ Hexham; OHG. *muor*. Teut. types \**mūroz*, m., \**mūrom*, n.; prob. related, by gradation, to Goth. *marei*, sea, lake; see **Mere** (1). Der. *moor-ish*, *moor-land*, *moor-cock*; *moor-hen*, ME. *mor-hen*, Polit. Songs, ed. Wright, p. 158, l. 6. Also *mor-ass*, q. v.

**MOOR** (2), to fasten a ship by cable and anchor. (E.) In Minshew, ed. 1627; Milton, P. L. i. 207. Not found in ME. or AS., but prob. E., and representing an AS. form \**mārian*, to moor a ship; for we find, as derivatives, AS. *mārels*, a mooring-rope or painter, Voc. 288. 28, and *mārels-rāp*, the same, Voc. 182. 30. Cognate with Du. *maaren*, *meeren* (Sewel), to tie, to moor a ship; MDu. *marren*, *maren*, to bind, or tie knots (Hexham); Du. *meren* (Franck); whence perhaps ME. *marlen*, to moor; Prompt. Parv. Der. *mooring*, *moor-age*; and see *marline*.

**MOOR** (3), a native of North Africa. (F.—L.) ‘A Moore, or one of Mauritania, a blacke moore, or neger;’ Minshew, ed. 1627. ME. *Mowres*, pl. Moors; Mandeville’s Travels, ch. xiv. p. 156. — F. *More*, ‘a Moor, Maurian, blackamore;’ Cot. — L. *Maurus*, a Moor; see Smith’s Class. Dict. Der. *Moor-ish*; and see *morris*, *morocco*, *Morian*. Also *black-a-moor*, spelt *blackamore*, in Cotgrave, as above; a corruption of *black moor* in Minshew, as above; also spelt *blackmoor* in Beaum. and Fletcher, Mons. Thomas, v. 2.

**MOOSE**, the American elk. (N. Amer. Indian.) ‘*Moos*, a beast bigger than a stagge;’ Capt. Smith, Works, p. 207. The native Virginian name; Abenaki *mus*, Penobscot *muns*; see N. and Q. 9 S. xii. 504. Cuoq cites Algonquin *mobs* (with *n*).

**MOOT**, to discuss or argue a case. (E.) Little used, except in the phr. ‘a moot point.’ ‘To moote, a tearme vsed in the innes of the Court, it is the handling of a case, as in the Vniuersitie, their disputations, problemes, sophismes, and such other like acts;’ Minshew, ed. 1627. The true sense is ‘to discuss in or at a meeting,’ and the verb is unoriginal, being due to AS. *mōt*, ME. *mote*, later *moot*, an assembly or meeting, whence also *moot-hall*, i.e. a hall of assembly, occurring in P. Plowman, B. iv. 135; cf. also *ward-mote*, i.e. meeting of a ward, id. prol. 94. Cf. ME. *motien*, *molen*, to moot, discuss, also to cite, plead, P. Plowman, B. i. 174; AS. *mōtian*, to cite, summon (to an assembly or court); ‘gif man . . . þane mannan mōte’ — if one summon (or cite) the man; Laws of Hlothhere, sect. 8; see

Thorpe, *Ancient Laws*, i. 31. — AS. *mōt*, a meeting, an assembly; usually spelt *gemōt*, a word familiar in the phrase *witena gemōt*, an assembly of wise men, a parliament. + Icel. *mōt*, a meeting, court of law; MHG. *muoz*, *mōz*, a meeting. β. From a Teutonic type \**mōtom*, n. Der. *moot-able*, *moot-case*, i.e. case for discussion; *moot-point*, i.e. point for discussion; *moot-hall*, a hall of assembly, law court. Also *meet*, q.v. ¶ Observe that *meet* is a mere derivative of *moot*, as shown by the vowel-change.

**MOP** (1), an implement for washing floors, &c. (F.—L.) In Torriano's Ital. Dict., the word *pannatore* is explained by 'a maulkin, a mop of rags or clouts to rub withal'; ed. 1688. Halliwell gives prov. E. *mop*, a napkin, as a Glouc. word. 'Not such mops as you wash houses with, but mops of countries;' Middleton, Span. Gipsy (acted in 1623); A. ii. sc. 2. Most likely borrowed from OF. *mappe*, a napkin, though this word was later corrupted to *nappe*. See *Nappe* in Littré, who cites the spelling *mappe* as known in the 15th century, though the corrupt form with initial *n* was already known in the 11th century. Both *mappe* and *nappe* are from L. *mappa*, a napkin; whence also **Map** and **Napkin**, the former being taken from the form *mappe*, whilst the latter was due to *nappe*. L. *mappa* is a word of Punic origin. See **Map**. We find Walloon *map*, a table-cloth, *mappe*, a napkin (Remacle); W. Flem. *moppe*, a (ship's) mop (De Bo). ¶ Cf. *strop*, *knop*, with *strap*, *knap*. The Celtic forms are from E. Der. *mop*, verb.

**MOP** (2), a grimace; to grimace. (E.) Obsolete. 'With mop and mow'; Temp. iv. 47. Also as a verbal sb.; 'mopping and mowing'; K. Lear, iv. 164. The verb to *mop* is allied to **Mope**, q.v. Hence also ME. *moppe*, a foolish person; in Weber, Met. Rom. iii. 56.

**MOPE**, to be dull or dispirited. (E.) In Shak. Temp. v. 240. Allied to ME. *mopisch*, foolish; Becket, l. 78. We also find *mop*, to grimace; see **Mop** (2). Cf. 'in the mops, sulky;' Halliwell. + Du. *moppen*, to pout; whence to grimace, or to sulk; MSwed. *mopa*, to mock (Ihre); Westphal. *möpen*, to grimace; Dan. *maabe*, to mope; cf. prov. G. *muffen*, to sulk (Flügel). Also ME. *mappen*, to bewilder, stupefy; Legends of the Holy Rood, p. 216. And see **Mow** (3). Der. *mop-ish*, *mop-ish-ness*.

**MORAINE**, a line of stones at the edges of a glacier. (F.—Teut.) Modern; well known from books of Swiss travel. — F. *moraine*, a moraine; Littré. [Cf. Port. *morraria*, a ridge of shelves of sand; *morro*, a great rock, a shelf of sand; Ital. *mora*, a pile of stones. (But not Span. *moron*, a hillock.)] β. Of Teut. origin; cf. Bavarian *mur*, sand and broken stones, fallen from rocks into a valley; Schmeller, Bayerisches Wörterbuch, col. 1642. Schmeller notes the name *moraine* as used by the peasants of Chamouni, according to Saussure. γ. The radical sense is 'mould' or 'crumbled material'; hence fallen rocks, sand, &c.; cf. G. *mürbe*, soft, OHG. *murwai*, soft, brittle; Icel. *merja*, to crush (Körting).

**MORAL**, virtuous, excellent in conduct. (F.—L.) 'O moral Gower'; Chaucer, Troilus, b. v, last stanza but one. — F. *moral*, 'moral'; Cot. — L. *mōrālis*, relating to conduct. — L. *mōr-*, from *mōs*, a manner, custom. Root uncertain. Der. *moral*, sb., *morals*, sb. pl.; *moral-er*, i.e. one who moralises. Oth. ii. 3. 301; *moral-ly*; *morale* (a mod. word, borrowed from F. *morale*, morality, good conduct); *moral-ise*, As You Like It, ii. 1. 44; *moral-ist*; *moral-ity*, Meas. for Meas. i. 2. 138, from F. *moralité*, 'morality,' Cot.

**MORASS**, a swamp, bog. (Du.—F.—Teut.) 'Morass, a moorish ground, a marsh, fen, or bog'; Phillips, ed. 1706. Todd says that P. Heylin, in 1656, noted the word as being 'new and uncouth'; but he omits the reference. It occurs in a list of 'uncouth words' at the end of Heylin, Obs. on the Hist. of K. Charles I, published by H[amon] L[estranger]; but Heylin should rather have attributed it to Fuller. — Du. *moeras*, marsh, fen (Sewel). The older Du. form is *moerasch*, adj., 'moorish' (Hexham); as if from the sb. *moer*, 'mire, dirt, or mud' (id.). But this *moerasch* is an altered form of MDu. *marasch*, *maerasch*, a marsh, pool (Kilian). — OF. *maresque*, *maresche*, adj., marshy; also, as sb.; a marsh, a pool; Low L. *mariscus*. — Teut. \**mari*, the sea; see **Marish**. Cf. G. *morast*, from Du. or Low G. (see *Morast* in Kluge); whence also Swed. *moras*; Dan. *morads* (a corrupt form). Doublet, *marsh*.

**MORBID**, sickly, unhealthy. (F.—L.) 'Morbid (in painting), a term used of very fat flesh very strongly expressed'; Bailey's Dict., vol. ii. ed. 1731. — F. *morbid*, sometimes similarly used as a term in painting (Littré). — L. *morbidus*, sickly (which has determined the present sense of the E. word). — L. *morbus*, disease. Allied to *mor-i*, to die, *mors*, death; see **Mortal**. Brugmann, ii. § 701. Der. *morbid-ly*, *morbid-ness*; also *morbi-fic*, causing disease, a coined word, from *morbi-*, for *morbus*, and L. suffix *-fic-us*, due to *facere*, to make.

**MORDACITY**, sarcasm. (F.—L.) Little used. It occurs in Cotgrave. — F. *mordacité*, 'mordacity, easie detraction, bitter tears'; Cot. — L. acc. *mordacitatem*, from nom. *mordacitās*, power to bite. —

L. *mordāci-*, decl. stem of *mordax*, biting; with suffix *-tās*. — L. *mordēre*, to bite. Cf. Skt. *mardaya*, to rub, break in pieces; from *myd*, to rub. Brugmann, ii. § 794. (✓MERD, SMERD.) β. Prob. from the same root as E. **Smart**, q.v. Der. *mordaci-ous*, little used, from the stem *mordāci-*; *mordaci-ous-ly*. Also *mordant*, biting, F. *mordant*, from L. *mordent-*, stem of pres. pt. of *mordēre*, to bite.

**MORE**, additional, greater. (E.) The mod. E. *more* does duty for two ME. words which were, generally, well distinguished, viz. *mo* and *more*, the former relating to number, the latter to size. 1. ME. *mo*, more in number, additional. 'Mo than thries ten' = more than thirty in number; Chaucer, C. T. 578 (A 576). AS. *mā*, both as adj. and adv., Grein, ii. 201. Thus 'þær byð wundra mā' = there are wonders more in number, lit. more of wonders (Grein). This AS. *mā* was originally an adverbial form; it is cognate with Goth. *mais*, more, adv. 2. ME. *more*, larger in size, bigger; 'more and lesse' = greater and smaller, Chaucer, C. T. 6516 (D 934). [The distinction between *mo* and *more* is not always observed in old authors, but very often it appears clearly enough.] AS. *māra*, greater, larger; Grein, ii. 212. Cognate with Icel. *meiri*, greater; Goth. *maiza* (stem *maizon-*), greater. See **Most**. Allied to OIrish *mār*, *mōr*, W. *mawr*, great; AS. *mære*, illustrious. ¶ *Mo* is an adverbial, but not a positive form; the positive forms are *much*, *mickle*, *many*. The *-r-* in *more* represents Teut. *-z-*, which in the adv. \**mais* (being final) was (regularly) lost in AS. Brugmann, i. § 200. Der. *more-over*.

**MOST**, the superl. form, answers to ME. *moste*, Chaucer, C. T. 2200 (A 2198), also spelt *meste*, *maste*, *measte*, in earlier authors (see Stratmann). AS. *mæst*, *most*; Grein, ii. 226. Cognate with Du. *meest*, Icel. *meistr*, G. *meist*, Goth. *maists*; Teut. type \**mais-toz*, the superl. form allied to the comp. \**maiz-on-* (above). Altered from ME. *mēste* to later *mōst* by the influence of *more* and *mo*.

**MOREL**, an edible fungus. (F.—OHG.) 'Spungy moréls'; Gay, Trivia, iii. 203. [Properly *morille*, but confused with another *morel*, the name of a herb, but lit. 'mulberry-colored'; MF. *morelle*, 'the herb morell, garden nightshade,' Cot. (cf. MF. *morelles*, 'morell cherries,' Cot.), ultimately from L. *mōrum*, a mulberry.] — F. *morille*, 'the smallest and daintiest kind of red mushroom,' Cot. — OHG. *morhila* (G. *morchel*), a morel; from OHG. *morha*, a root, a carrot, allied to AS. *more*, an edible root. See *morchel* in Kluge.

**MORGANATIC**, used with reference to a marriage of a man with a woman of inferior rank. (Low L.—G.) 'When the left hand is given instead of the right, between a man of superior and a woman of inferior rank, in which it is stipulated that the latter and her children shall not inherit the rank or inherit the possessions of the former. The children are legitimate. Such marriages are frequently contracted in Germany by royalty and the higher nobility. Our George I was thus married'; Haydn, Dict. of Dates. — Low L. *morganātica*. Ducange explains that a man of rank contracting a morganatic marriage was said 'accipere uxorem ad morganaticam.' This L. word was coined, with suffix *-ātica*, from the G. *morgen*, morning, which was in this case understood as an abbreviation for MHG. *morgengabe*, morning-gift, a term used to denote the present which, according to the old usage, a husband used to make to his wife on the morning after the marriage-night; esp. if the wife were of inferior rank. This G. *morgen* is cognate with E. *morn*; see **Morn**.

**MORIAN**, a blackamoor, a Moor. (F.—L.) 'The Morians' land'; Ps. lxxviii. 31 (P. B.). — OF. *Morien*, a Moor (Godefroy); also *Moriaine* (15th cent.). From a Late L. type \**Mauritānus* or \**Mauritānius*, a man of *Mauritānia*, the country of the *Mauri* or Moors. (A Student's Pastime, p. 254.)

**MORION**, an open helmet, without visor. (F.—Span.) In Spenser, Muirpotmos, l. 322. — F. *morion*, 'a murrian, or head-peece'; Cot. — Span. *morrión*. Cf. Port. *morrião*, Ital. *morione*, a morion. The word is Spanish, if we may accept the very probable derivation of Span. *morrión* from *morra*, the crown of the head. The latter word has no cognate form in Ital. or Port. Cf. Span. *morro*, anything round; *moron*, a hillock. Perhaps from Basque *murua*, a hill, heap (Diez).

**MORMONITE**, one of a sect of the Latter-day Saints. (E.; but a pure invention.) The *Mormonites* are the followers of Joseph Smith, 'called the prophet, who announced in 1823, at Palmyra, New York, that he had had a vision of the angel Moroni. In 1827 he said that he found the book of *Mormon*, written on gold plates in Egyptian characters'; Haydn, Dict. of Dates, q.v. We may call the word E., as used by English-speaking people; but it is really a pure invention. β. Joseph Smith's own explanation was that it meant 'more good'; from E. *more*, and Egypt. *mon*, good. (This was probably an afterthought.) See The Mormons; London, 1851. Der. *Mormon-ism*.

**MORN**, the first part of the day. (E.) ME. *morn*; a North E. form. 'On the morn' = on the morrow; Barbour's Bruce, i. 601;

*to-morn* - *to-morrow*; id. i. 621. *Morn* and *morrow* are merely doublets; the former being contracted from ME. *morwen*, and the latter standing for ME. *morwe*, the same word with loss of final *n*. The form *morwe* is in Chaucer, C. T., A 1492; the older form *morwen* is in the Ancien Riwle, p. 22, l. 16. AS. *morgen*, *morn*, *morrow*, Grein, ii. 264; whence *morwen* by the common change of *g* to *w*. Cf. OFries. *morn*, morning; + Du. *morgēn*; Icel. *morginn*; Dan. *morgen*; Swed. *morgon*; G. *morgen*; Goth. *maurgins*. Cf. Lith. *merk-ti*, to blink. Orig. sense prob. 'dawn.' Doublet, *morrow*.

**MORNING**, dawn, *morn*. (E.) ME. *morning*, P. Plowman, B. prol. 5; contracted from the fuller form *morwening*, Chaucer, C. T. 1064 (A 1062). *Morwening* signifies 'a dawning,' or 'a becoming morn'; formed with the substantival (not participial) suffix *-ing* (AS. *-ung*) from ME. *morwen* = AS. *morgen*, *morn*; see **Morn**. Cf. *even-ing*; from *even*. Der. *morning-star*.

**MOROCCO**, a fine kind of leather. (Morocco.) Added by Todd to Johnson's Dict. Named from Morocco, in N. Africa; whence also F. *maroquin*, morocco leather. So called from the *Moors*.

**MOROSE**, ill-tempered, gloomy, severe. (L.) In Blount's Gloss., ed. 1674. See Trench, Select Gloss., who shows that the word was once used as if it owed its derivation to L. *mora*, delay; but this use is obsolete. — L. *mōrosus*, self-willed; (1) in a good sense, scrupulous, fastidious, (2) in a bad sense, peevish, morose. — L. *mōr-*, decl. stem of *mōs*, (1) self-will, (2) usage, custom, character. See **Moral**. Der. *morose-ly*, *morose-ness*. Also *moros-i-ty*, in Minshew, ed. 1627, from OF. *morosité*, 'morosity, frowardnesse,' Cot.; but now obsolete.

**MORPHIA**, **MORPHINE**, the narcotic principle of opium. (Gk.) Modern; coined words from Gk. *Morpheus* (*Morpheus*), the god of sleep and dreams, lit. 'the shaper,' i.e. creator of shapes seen in dreams. — Gk. *μορφή*, a shape, form. Der. *meta-morph-osis*, *a-morph-ous*; from *μορφή*.

**MORRIS**, **MORRIS-DANCE**, an old dance on festive occasions. (Span.—L.) In Shak. Hen. V, ii. 4. 25. See Nares' Glossary. G. Douglas has the pl. *morisis*, Aen. bk. xiii. ch. ix. l. 112. The dance was also called a *morisco*, as in Beaumont and Fletcher, Wild Goose Chase, v. 2. 7. A morris-dancer was also called a *morisco*, 2 Hen. VI, iii. 1. 365; and it is clear that the word meant 'Moorish dance,' though the reason for it is not quite certain, unless it was from the use of the tabor as an accompaniment to it. — Span. *Morisco*, Moorish. Formed with suffix *-isco* (= L. *-iscus*, E. *-ish*) from Span. *Moro*, a Moor. — L. acc. *Maurum*, a Moor; see **Moor** (3). See Brand, Popular Antiquities. ¶ We also find *morris-like*, i.e. Moorish pike, Com. Errors, iv. 3. 28. Spelt *morys-pike*, Sir T. Elyot, Castel of Helth, b. ii. c. 33. 'The Mourish daunce' is mentioned in 1494; Excerpta Historica, p. 95.

**MORROW**, morning, *morn*. (E.) A doublet of *morn*. From ME. *morwe* by the change of final *-we* to *-ow*, as in *arr-ow*, *sparr-ow*, *sorr-ow*, &c. 'A *morwe*' = on the morrow, Chaucer, C. T. 824 (A 822). Again, *morwe* is from the older *morwen*, by loss of final *n*; and *morwen* = mod. E. *morn*. See **Morn**. Der. *to-morrow* = AS. *tō morgene*, where *tō* = mod. E. *to*; the sense is 'for the morrow'; see Grein, ii. 264.

**MORSE**, a walrus. (F.—Finnish.) Spelt *morsse*, Hakluyt's Voyages, i. 5 (margin). 'The tooth of a *morse* or sea-horse;' Sir T. Browne, Vulg. Errors, b. iii. c. 23. § 5. — F. *morse*. — Finnish *mursu*, a morse (Renvall); whence also Russ. *mory*, a morse (with *j* sounded as *zh*, i.e. as F. *j*). Cf. Lapp. *morsha*, a morse (Früs). The Russ. name is *morskaia korova*, i.e. sea-cow.

**MORSEL**, a mouthful, small piece. (F.—L.) ME. *morsel*, Chaucer, C. T. 128. Also *mossel*, Rob. of Glouc. p. 342, l. 7025; 'thys *mossel* bred' = this morsel of bread. The corrupt form *mossel* is still in common use in prov. E. — OF. *morsel*, *morcel*, mod. F. *morceau*, 'a morsell, bit,' Cot. (And see Burguy.) Cf. Ital. *morsello*. Dimin. from L. *mosum*, a bit. — L. *morsus*, pp. of *mordere*, to bite; see **Mordacity**.

**MORTAL**, deadly. (F.—L.) See Trench, Select Glossary. ME. *mortal*, Chaucer, C. T., A 61, 1592. — OF. *mortal* (Burguy); *mortel* (Cot.) — L. *mortalis*, mortal. — L. *mort-*, stem of *mors*, death. The decl. stem *mor-ti-* contains the Idg. suffix *-ti-*. ✓MER, to die; cf. Skt. *mṛ*, to die, pp. *mṛta-*, dead; L. *mori*, to die. Der. *mortal-ly*; *mortal-i-ty*, from F. *mortalité*, 'mortality' (Cot.), from L. acc. *mortalitatem*; *morti-fer-ous*, Blount's Gloss., ed. 1674, from L. *fer-re*, to bring, cause. And see *mort-gage*, *morti-fy*, *mort-main*, *mort-u-ary*.

**MORTAR** (1), **MORTER**, a vessel in which substances are pounded with a pestle. (L.) [A certain kind of ordnance was also called a *mortar*, from its orig. resemblance in shape to the mortar for pounding substances in. This is a French word.] ME. *morter*, P. Plowman, B. xiii. 44; King Alisaunder, l. 332. AS. *mortere*, a mortar; A. S. Leechdoms, ed. Cockayne, i. 142. [Cf. OF. *mortier*, 'a mortar to bray (pound) things in, also, the short and wide-

mouthed piece of ordnance called a *morter*,' &c.; Cot.] — L. *mortarium*, a mortar. Cf. L. *marculus*, a hammer. See **mortar** (2).

**MORTAR** (2), cement of lime, sand, and water. (F.—L.) ME. *mortier*, Rob. of Glouc., p. 128, l. 2715. — OF. *mortier*, 'morter used by dawbers;' Cot. — L. *mortarium*, mortar; lit. stuff pounded together; a different sense of the word above; see **Mortar** (1).

**MORTGAGE**, a kind of security for debt. (F.—L.) ME. *mortgage*, spelt *morgage* in Gower, C. A. iii. 234; bk. vii. 4228. — OF. *mortgage*, *mortgaige*, 'morgage, or mortgage;' Cot. 'It was called a *mortgage*, or *dead pledge*, because, whatever profit it might yield, it did not thereby redeem itself, but became lost or dead to the mortgager on breach of the condition;' Webster. — F. *mort*, dead, from L. *mortuus*, pp. of *mori*, to die; and F. *gage*, a pledge. See **Mortal** and **Gage** (1). Der. *mortgag-er*; *mortgag-ee*, where the final *-ee* answers to the F. *-é* of the pp.

**MORTIFY**, to destroy the vital functions, vex, humble. (F.—L.) ME. *mortifien*, used as a term of alchemy, Chaucer, C. T. 16594 (G 1126). — OF. *mortifier*, 'to mortify,' Cot. — L. *mortificare*, to cause death. — L. *morti-*, decl. stem of *mors*, death; and *-fic-*, for *fac-ere*, to make, cause; see **Mortal** and **Fact**. Der. *mortify-ing*; *mortific-at-ion*, Sir T. More, Works, p. 700 f, from OF. *mortification* (Cot.), from L. acc. *mortificationem*.

**MORTISE**, a hole in a piece of timber to receive the tenon, or a piece made to fit it. (F.) Spelt *mortesse* in Palsgrave; *mortaise* in Cot. Shak. has *mortise* as a sb., Oth. ii. 1. 9; and the pp. *mortised*, joined together, Hamlet, iii. 3. 20. ME. *morteys*, Prompt. Parv.; Mandeville, Trav. ch. 7, p. 76. — F. *mortaise*, 'a mortaise in a piece of timber;' Cot. Cf. Span. *mortaja*, a mortise. β. Of unknown origin; it cannot be from L. *mordere*, to bite, which could not have given the *t*. Devic (in a supplement to Littré) thinks the Span. word may be of Arabic origin. Der. *mortise*, verb.

**MORTMAIN**, the transfer of property to a corporation. (F.—L.) 'Agaynst all *mortmayn*;' Sir T. More, Works, p. 333 h. ME. *mayn mort*, Trevisa, tr. of Higden, viii. 265. The Statute of Mortmain was passed A.D. 1279 (7 Edw. I). Property transferred to the church was said to pass into *main mort* or *mort main*, i.e. into a dead hand, because it could not be alienated. — F. *mort*, dead; and *main*, a hand (L. *manus*). See **Mortgage** and **Manual**.

**MORTUARY**, belonging to the burial of the dead. (F.—L.) The old use of *mortuary* was in the sense of a fee paid to the parson of a parish on the death of a parishioner. 'And [pore over] Linwode, a booke of constitutions to gather tithes, *mortuaries*, offerings, customs,' &c.; Tyndall's Works, p. 2, col. 1. Lyndwode, to whom Tyndall here refers, died A.D. 1446. — AF. *mortuarie*, Year-books of Edw. I, 1302–3, p. 443. — Late L. *mortuarium*, a mortuary; neut. of L. *mortuarius*, belonging to the dead. — L. *mortu-us*, dead, pp. of *mori*, to die; see **Mortal**.

**MOSAIC**, **MOSAIC-WORK**, ornamental work made with small pieces of marble, &c. (F.—L.—Gk.) Spelt *mosaick*, Milton, P. L. iv. 700. 'Mosaicall-worke, a worke of small inlayed peeces;' Minshew's Dict., ed. 1627. — MF. *mosaïque*, 'mosaicall work;' Cot. — Ital. *mosaico*, mosaic; [Span. *mosaica obra*, mosaic work.] Formed from a Late L. *mūsāicus*, adj., an extended form from L. *mūsaeum opus* (also called *mūsium opus*), mosaic work. The Late L. form *mūsāicus* answers to a Late Gk. *\*μουσαϊκός*, an extended form in some way related to the Late Gk. *μουσαϊον*, mosaic work; neut. of *μουσαϊος*, of or belonging to the Muses (hence artistic, ornamental). — Gk. *μοῦσα*, a Muse; see **Muse** (2).

**MOSLEM**, a Mussulman or Mohammedan; as adj., Mahomedan. (Arab.) 'This low salam Replies of *Moslem* faith I am;' Byron, The Giaour (see note 29). — Arab. *muslim*, 'a musulman, a true believer in the Muhammadan faith;' Rich. Dict. p. 1418. A musulman is one who professes *islām*, i.e. 'obedience to the will of God, submission, the true or orthodox faith;' id. p. 91. A participial form, from the 4th conj. of *salama*, to be safe, be at rest. The words *moslem*, *mussulman*, *islam*, and *salaam* are all from the same root *salama*. Doublet, *mussulman*.

**MOSQUE**, a Mahomedan temple or church. (F.—Span.—Arab.) 'Mosche or Mosque, a temple or church among the Turks and Saracens;' Blount's Gloss., ed. 1674. Spelt *musque*, Sandys, Trav. (1632), p. 27. — F. *mosquée*, 'a temple or church among the Turks;' Cot. — Span. *mezquita*, a mosque. — Arab. *masjid*, a mosque, temple; Rich. Dict. p. 1415. Cf. Arab. *sajjādah*, 'a carpet, &c., place of adoration, mosque;' id. p. 812. — Arab. root *sajada*, to adore, prostrate oneself.

**MOSQUITO**, a kind of gnat. (Span.—L.) Spelt *muskitto* in Sir T. Herbert, Travels, ed. 1665, p. 128; *muskyto*, Hakluyt, Voy. iii. 107. — Span. *mosquito*, a little gnat; dimin. of *mosca*, a fly. — L. *musca*, a fly. Cf. Gk. *μύα*, a fly; Lithuan. *musė*, a fly.

**MOSS**, a cryptogamic plant. (E.) ME. *mos*, P. Plowman, C. xviii. 14; *mosse* (dat.), id. B. xv. 282. AS. *mos* (Bosworth). + Du. *mos*;

Icel. *mosi*, moss; also, a moss, moorland; Dan. *mos*; Swed. *mossa*; G. *moos*, MHG. *mos*, moss; also a moss, swamp. Teut. base \**mus-*, weak grade allied to MHG. *mies*, OHG. *mios*, moss; AS. *mēos*, moss (Teut. base \**meus-*); and to **Mire**. β. Further allied to Russ. *mokh'*, moss; L. *muscus*, moss. Brugmann, i. § 105. ¶ We may note the E. use of *moss* in the sense of bog or soft moorland, as in Solway Moss, Chat Moss; this sense comes out again in E. *mire*, which is certainly related to *moss*. Der. *moss-land*, *moss-rose*; *moss-trooper*, i.e. a trooper or bandit who rode over the mosses on the Scottish border; *moss-ed*, As You Like It, iv. 3. 105; *moss-grown*, 1 Hen. IV, iii. 1. 33; *moss-y*, *moss-i-ness*. Also *mire*.

**MOST**, greatest. (E.) ME. *most*, *mēst*. AS. *mēst*. + Du. *meest*; Icel. *mestr*; G. *meist*; Goth. *maists*. Teut. type \**ma-ist-oz*, superl. form allied to **More**, q.v. ¶ The *o* (for early ME. *ē*) is due to association with the *o* in *more*.

**MOTE**, a particle of dust, speck, spot. (E.) ME. *mot*, *mote*; Chaucer has the pl. *motēs*, C. T. 6450 (D 868). AS. *mot*, Matt. vii. 3. + Du. *mot*, saw-dust; EFries. *mut*, rubbish.

**MOTET**, a short piece of sacred music. (F.—L.) In Blount's Gloss., ed. 1674. ME. *motetis*, pl.; Wyclif, Works; ed. Matthew, p. 91. — F. *motet*, 'a verse in music, or of a song, a poesie, a short lay'; Cot. [Cf. Ital. *motetto*, 'a ditty, a verse, a jigge, a short song; a wittie saying'; Florio.] Dimin. of F. *mot*, 'a word; the note windy by a huntsman on his horne'; Cot. — L. *muttum*, a murmur; see **Motto**.

**MOTH**, a lepidopterous insect. (E.) ME. *motthe*, Chaucer, C. T. 6142 (D 560); also spelt *moþþe*, *mouþe*, *mouþte*, P. Plowman, C. xiii. 217. AS. *moððe*, Grein, ii. 261; also *moððe*, Matt. vi. 20, latest text; O. Northumbrian *moððe*, *moðða*, Matt. vi. 20. + Du. *mot*; Icel. *motti*; Swed. *mätt*, a mite; G. *motte*, a moth. Origin doubtful. β. We also find AS. *maðu*, a maggot, bug; 'Cimex, maðu', Ælfric's Gloss., Nomina Insectorum, in Wright's Vocab. i. 24; cognate forms being Du. and G. *made*, a maggot, Goth. *matha*, a worm; but connexion with *moth* is doubtful. A late example of ME. *mathe*, a maggot, occurs in Caxton's tr. of Reynard the Fox, ed. Arber, p. 69; 'a dede hare, full of *mathes* and wormes.' γ. Perhaps the latter word meant 'a biter' or 'eater'; Fick refers AS. *maðu* to the root of E. *mow*, to cut grass. Der. *moth-eaten*, ME. *moth-eten*, P. Plowman, B. x. 362.

**MOTHER** (1), a female parent. (E.) ME. *moder*, Chaucer, C. T. 5261 (B 841), where Tyrwhitt prints *mother*; but all the six MSS. of the Six-text ed. have *moder* or *mooder*. [The ME. spelling is almost invariably *moder*, and it is difficult to see how *mother* came to be the present standard form; it was probably due to dialectal influence.] AS. *mōder*, *mōdor*, *mōdur*; Grein, ii. 261. + Du. *moeder*; Icel. *mōðir*; Dan. and Swed. *moder*; G. *mutter*, OHG. *muotar*. + Irish and Gael. *mathair*; Russ. *mat'(e)*; Lithuan. *motė* (Schleicher); L. *māter*; Gk. *μήτηρ*; Pers. *mādar*; Skt. *mātā*, *mātr*. β. All formed from a root \**mā*, of uncertain meaning. Der. *mother-ly*, *mother-li-ness*, *motherhood*, *mother-less*. Cf. *matrix*, *matron*.

**MOTHER** (2), the hysterical passion. (E.) In K. Lear, ii. 4. 56. Spelt *moder* in Palsgrave; the same word as the above. So also Du. *moeder* means 'mother, womb, hysterical passion'; cf. G. *mutter-beschwerung*, mother-fit, hysterical passion.

**MOTHER** (3), lees, sediment. (E.) 'As touching the *mother* or lees of oile oliue'; Holland, tr. of Pliny, b. xxiii. c. 3. It is prob. the same word as **Mother** (1), as the dregs seem to be bred in the liquid. So also in mod. Du. we have *moer* signifying both sediment or dregs, also a matrix or female screw; G. *mutter*, mother, sediment in wine or other liquids. Cf. Gk. *γπαῦς*, an old woman; also, scum, mother. Perhaps affected by E. *mud*, MDu. *modder*, mud, lees, dregs; G. *moder*, mould. Der. *mother-y*.

**MOTION**, movement. (F.—L.) 'Of that *mocyon* his cardynalles were sore abashed'; Berners, tr. of Froissart, vol. i. c. 326. — F. *motion*, omitted in Cotgrave, but used by Froissart in this very passage, as quoted by Littré. — L. *mōtiōnem*, acc. of *mōtio*, a movement; cf. *mōtus*, pp. of *mouēre*, to move; see **Move**. Der. *motionless*, Hen. V, iv. 2. 50.

**MOTIV**, an inducement. (F.—L.) Properly an adj., but also used as a sb. ME. *motif*, a motive, Chaucer, C. T. 5048, 9365 (B 628, E 1491). — OF. *motif*, 'a motive, a moving reason'; Cot. — Late L. *mōtivum*, a motive; found A.D. 1452; but certainly earlier. — Late L. *mōtīvus*, moving, animating; found A.D. 1369. Formed with L. suffix *-ivus* from *mōt-*, stem of *mōtus*, pp. of *mouēre*; see **Move**. Der. *motiv-i-ty* (modern). Also *motor*, i.e. a mover, Sir T. Browne, Vulg. Errors, b. ii. c. 2. § 2, borrowed from L. *mōtor*, a mover.

**MOTLEY**, of different colours. (F.—G.) ME. *mottelee*, Chaucer, C. T. 273 (A 271). So called because spotted or clotted. Apparently formed, with pp. suffix *-ē*, from OF. *motel*, \**mottel*, MF. *molteau*, 'a clot of congealed moisture', Cot.; also used in the sense of MF. *moltelet*, 'a little clod, lump of earth,' id. A dimin. of OF. *mote*,

*motte*, MF. *motte*, 'a clod, lump, round sodd, or turfe of earth; also a little hill'; Cot. See **Moat**. Cf. Languedoc *moutel*, a clot of anything adhesive, dimin. of *mouto*, a clod (D'Hombres). Mistral gives Prov. *mouteloun*, 'petite pelote'; à *mouteloun*, 'en grumeaux.' β. Perhaps affected by OF. *mattélé*, 'clotted, knotted, curdled, or curd-like'; Cot. Cf. OF. *mattonné*, in the expression *ciel mattonné*, 'a curdled [i.e. mottled] skie, or a skie full of small curdled clouds'; id. The OF. *mattélé* answers to a pp. of a verb \**matteler*, representing an OHG. \**matteln*, a frequentative verb regularly formed from Bavarian *matte*, curds; Schmeller's Bayerisches Wörterbuch, col. 1685; MDu. *matte*, curds (Hexham). Der. *mottled*, Drayton, Muses' Elysium, Nymph. 6. l. 57.

**MOTTO**, a sentence added to a device. (Ital.—L.) In Shak. Per. ii. 2. 38. — Ital. *molto*, 'a word, a mot, a saying, a posie or briefe in any shield, ring, or emprese' [device]; Florio. — L. *muttum*, a mutter, a grunt, a muttered sound; cf. *mūtire*, *muttire*, to mutter, mumble. Formed from √MEU, to make a low sound; cf. Gk. *μῦ*, a muttered sound. See **Mutter**. And cf. **Motet**.

**MOULD** (1), earth, soil, crumbling ground. (E.) ME. *molde*, P. Plowman, B. prol. 67, iii. 80. AS. *molde*, dust, soil, earth, country; Grein, ii. 261. + Du. *moude*, *molde*, mould; cf. *molm*, mould; Icel. *molđ*, mould, earth; Dan. *mulđ*; Swed. *mull* (for *mulđ*); Goth. *mulda*, dust; Mk. vii. 11; prov. G. *molt*, *molten*, garden mould (Flügel); OHG. *molliā*. β. All from a Teut. type \**mul-dōn*, f.; from \**mal*, weak grade of √MEL, to grind; see **Meal** (1). Der. *mould-warp*, the old name for a mole (see *mole*); also *mould-er*, a frequentative verb, 'to crumble often,' hence, to decay, cf. 'in the mouldring of earth in frosts and sunne,' Bacon, Nat. Hist. § 337. ¶ The adj. *mouldy*, in its commonest sense, is unconnected.

**MOULD** (2), a model, pattern, form, fashion. (F.—L.) ME. *molde*, P. Plowman, B. xi. 341. ONorth F. *molde*, Les Rois, p. 244 (Moisy); OF. *molle*, *mole*, mod. F. *moule*, a mould. Littré gives *molle* as the spelling of the 14th century; a still earlier form was *modle*, in the 13th cent. — L. *modulus*, acc. of *modulus*, a measure, standard, size. See **Model**. Cf. Span. *molde*, from *modulus*, by transposition. Der. *mod-el*, a dimin. form. Also *mould*, vb., Mids. Nt. Dr. iii. 2. 211; *mould-er*, *mould-ing*.

**MOULD** (3), rust, spot. (E.) Spenser has: 'Upon the litle brest . . a litle purple *mold*;' F. Q. vi. 12. 7. But chiefly in the compound *iron-mould*. Here *mould* is a mere extension of *mole*, a spot; the added *d* was prob. due to confusion with *moled*, i.e. spotted. 'One droppe of poyson infecteth the whole tunne of Wine; . . one yron Mole defaceth the whole peece of Lawne'; Lyly, Euphues, ed. Arber, p. 39. See further under **Mole** (1).

**MOULDY**, musty, fusty. (Scand.) In Shak. 1 Hen. IV, ii. 4. 134; iii. 2. 119. This is an extremely difficult word. It has probably been confused with *mould* (1), supposed to mean dirt, though it properly means only friable earth. It has also probably been confused with *mould* (3), rust, spot of rust. But with neither of these words has it anything to do. It is formed from the sb. *mould*, fustiness, which is quite an unoriginal word, as will appear. For an example of this sb., compare: 'we see that cloth and apparell, not aired, doe breed moathes and *mould*;' Bacon, Nat. Hist. § 343. This sb. is due to the ME. verb *moulen*, to become mouldy, to putrefy or rot, as in: 'Let us not *moulen* thus in idlenesse'; Chaucer, C. T., Group B, 32. The pp. *mouled* was used in the precise sense of the mod. E. *mouldy*, and it is easy to see that the sb. was really due to this pp., and in its turn produced the adj. *mouldy*. Strattmann cites 'pi *mouldid* mete,' i.e. thy mouldy meat, Political Poems, &c., ed. Furnivall, p. 181; *mouillyde* brede, i.e. mouldy bread, Reliquiæ Antiquæ, i. 85; 'Pannes *mouled* in a wyche,' clothes lying mouldy in a chest; Test. of Love, b. ii. ch. ii. l. 29. So also *mouled*, *mouilde*, mucidus; from *mowle*, mucidare, Catholicon Anglicum, q.v. Todd cites: 'Sour wine, and *mouled* bread'; Abp. Cranmer, Ans. to Bp. Gardiner, p. 299. With which compare: 'Very coarse, hoary, *moulded* bread,' Knollys, Hist. of the Turks (Todd). β. The oldest spelling of the ME. verb is *muwlen*. 'Oðer leten þinges *muwlen* oðer rusten' = or let things grow mouldy or rusty; Ancrens Riwele, p. 344, l. 4. We also find '*mulede* þinges' = mouldy things, id. p. 104, note *h*. Hence *mowly*, adj.; 'All the brede [bread] . . waxed anon *mowly*;' Caxton, Golden Legend, St. Thomas, § 10. Cf. prov. E. *mouly*, mouldy; E.D.D. Of Scand. origin. Cf. ME. *moul*, sb., mouldiness, answering to MDan. *mul*, Swed. dial. *mul*, *muel*, *mujel*, Swed. *mögel*, mould. Cf. also Dan. *mullen*, mouldy, *mulne*, to become mouldy; Swed. dial. *mulas*, Swed. *möglas*, to grow mouldy; Icel. *mygla*, to grow musty, formed, by vowel-change of *u* to *y*, from Icel. *mug-*, as in *mugga*, mugginess. See **Muggy**. Thus *mould* is *mugginess*; the notions of muggy and mouldy are still not far apart. Der. *mouldi-ness*; also *mould*, verb, for *moul*, Spenser, F. Q. ii. 3. 41. See note on **Mould** (1) above.

**MOULT**, to cast feathers, as birds do. (L.) The *l* is intrusive,

just as in *fault* from ME. *faute*; see **Fault**. ME. *mouten*; 'his haire moutes,' i.e. falls off, Pricke of Conscience, l. 781. 'Mowtyn, as fowlys, Plumco, deplumeo,' Prompt. Parv. 'Mowter, moulter, quando animum pennae decidunt;' Gouldman, cited by Way to illustrate 'Mowlare, or mowlard [i.e. moulter, moulting bird], byrde, Plutor;' Prompt. Parv. AS. *bi-mūtian*, to exchange (Bosworth). -L. *mūtāre*, to change; whence F. *muer*, to moult; see **Mew** (3). So also OHG. *mūzōn*, to moult, is merely borrowed from L. *mūtāre*; now spelt *mausen* in mod. G. Der. *moulting*; also *mews*; and see *mutable*.

**MOUND**, an earthen defence, a hillock. (F.-L.) 'Compast with a mound;' Spenser, F. Q. ii. 7. 56. The sense of 'hillock' or 'heap' is found also in F. *mont*, Ital. *monte*, and Walloon *mont*, a heap, a mass (Sigart); as well as in L. *mons*. *Mound* is merely a variant of *mount* (1). -AF. *mund*, variant of *mount*, a hill; Vie de St. Auban, 848, 875; OF. *mont*. -L. *montem*, acc. of *mons*, a mountain, a heap. See below. ¶ Perhaps confused with AS. *mund*, protection; thus Baret (1580) has: 'A hedge, a mound, *sefes*.' Cf. prov. E. *mound*, a hedge.

**MOUNT** (1), a hill, rising ground. (L.) ME. *mount*, OEng. Homilies, ed. Morris, i. 11, l. 14. AS. *mnt*, Grein, ii. 269. [Immediately from Latin, but affected by AF. *mnt*.] -L. *montem*, acc. of *mons*, a mountain; stem *mon-ti-*. Formed (with suffix *-ti-*) from the second grade (*mon-*) of √MEN, to project, seen in L. *ē-min-ēre*, to jut out; cf. E. *pro-mon-tor-y*. See **Eminent**. Der. *mount-ain*, q.v.; *mount* (2), q.v.

**MOUNT** (2), to ascend. (F.-L.) ME. *mounten*, P. Plowman, B. prol. 67; older form *monten*, King Alisaunder, 784. -F. *monter*, 'to mount;' Cot. -F. *mont*, a mountain, hill. [The verb is due to the use of the OF. adverb *a mont*, up-hill; so also the adv. *a val*, down-hill, produced F. *aval*, to swallow, and *avalanche*.] -L. *montem*, acc. of *mons*, a hill. See **Mount** (1). Der. *mount-er*, *mount-ing*; also *mount-e-bank*, q.v. Also *a-mount*, q.v.; *para-mount*, *re-mount*, *sur-mount*, *tanta-mount*, *tra-mountane*.

**MOUNTAIN**, a hill. (F.-L.) In early use. ME. *montaine*, Layamon, l. 1282. -OF. *montaigne*, *montaine*; mod. F. *montagne*, a mountain. -Late L. *montūca*, by-form of *montāna*, a mountain; Ducange. -L. *montāna*, neut. pl., mountainous regions; from *montānus*, adj., hilly. -L. *mont-*, stem of *mons*, a mountain. See **Mount** (1). Der. *mountain-ous*, Cor. ii. 3. 127, from MF. *montaigneux*, 'mountainous,' Cot.; *mountain-er*, Temp. iii. 3. 44, with suffix *-er* = F. *-ier*.

**MOUNTEBANK**, a charlatan, quack doctor. (Ital.-L. and G.) Lit. 'one who mounts on a bench,' to proclaim his nostrums. See Trench, Select Glossary. In Shak. Hamlet, iv. 7. 142. 'Fellows, to mount a bank! Did your instructor In the dear tongues, never discourse to you Of the Italian mountebanks?' Ben Jonson, Volpone, ii. 1 (Sir Politick). -Ital. *montabanco*, a mountebank; Mtal. *monta in banco*, 'a mountibanke,' *montar* 'in banco,' to plaie the mountibanke; Florio. β. Hence the *e* stands for older *i*, which is short for *in*; the mod. Ital. must be divided *monta-m-banco*, where *-m-* (for *in*) has become *m* before the following *b*. -Ital. *montare*, to mount, cognate with F. *monter*, to mount; *in* = L. *in*, *in-* on; and Ital. *banco*, from OHG. *banc*, a bench, money-table. See **Mount** (2), **In**, and **Bank** (2). Cf. Ital. *saltimbanco* (for *saliar* 'in banco'), a quack.

**MOURN**, to grieve, be sad. (E.) ME. *moornen*, *mournen*, *mornen*; Chaucer, C. T., A 3704. AS. *murnan*, to grieve; Grein, ii. 269. +Icel. *morna*; Goth. *maurnan*; OHG. *mornēn*. β. The Goth. *-n-* before *-an* is a mere suffix, giving the verb an intransitive character; and the Teut. type is \**murn-n-an-*. Allied to AS. *meornan*, to care; Gk. *μέρ-μνα*, sorrow. From √SMER; cf. Skt. *smṛ*, to remember, to long for. Der. *mourn-ful*, Spenser, F. Q. i. 1. 54; *mourn-ful-ly*, *mourn-ful-ness*; *mourn-ing*, sb.; AS. *murnung*.

**MOUSE**, a small rodent quadruped. (E.) ME. *mous* (without final *e*), Chaucer, C. T. 144. AS. *mūs*, in Elfric's Gloss., Nomina Ferarum; Voc. 120. 16. The pl. is *mȳs*, by vowel-change; whence E. *mice*. +Du. *muis*; Icel. *mús*, pl. *mýss*; Dan. *mus*; Swed. *mus*; G. *maus*; Russ. *músh(e)*; L. *mūs*; Gk. *μῦς*; Pers. *músh*; Rich. Dict. p. 1325; Skt. *músha-*, a rat, a mouse. β. The sense is 'the stealing animal.' -√MEUS, to steal; whence Skt. *mush*, to steal, *músha-*, a stealer. Der. *mouse*, vb., Macb. ii. 4. 13, *mous-er*; *mouse-ear*, a plant, *mouse-tail*, a plant. Also *muscle*. (But not *tit-mouse*.)

**MOUSTACHE, MUSTACHE**, the hair on the upper lip. (F.-Ital.-Gk.) Formerly *mustachio*, Shak. L. L. L. v. 1. 110; this is taken from the Ital. form given below. Both *mustachio* and *mustache* are given in Blount's Gloss., ed. 1674. -F. *mustache*, 'a mustachoe;' Cot. -Ital. *mostaccio*, 'a face, a snout, a mostacho;' Florio. [Cf. Span. *mostacho*, a whisker, moustache; answering to the E. form *mostacho* in Florio.] -Gk. *μύσται-*, stem of *μύσται*, the upper lip, a moustache; Doric and Laconic form of *μύσται*, that

wherewith one chews, the mouth, the upper lip; cf. *μαστάειν*, to chew, eat. See **Mastic**.

**MOUTH**, the aperture between the lips, an aperture, orifice, outlet. (E.) ME. *mouth*, Chaucer, C. T. 153. AS. *mūð*, Grein, ii. 266. +Du. *mond*; Icel. *munur* (for \**mundr*); Dan. *mund*; Swed. *mun*; G. *mund*; Goth. *munths*. β. Teut. type \**monthoz*, m.; Idg. type \**mentos*; cf. L. *mentum*, the chin. Der. *mouth*, vb., Hamlet, iv. 2. 20; *mouth-ful*, Pericles, ii. 1. 35; *mouth-piece*.

**MOVE**, to set in motion, stir, impel. (F.-L.) ME. *mooven*, *moenen*, *meuen*; P. Plowman, B. xvii. 194 (where all three spellings occur in the MSS. The *u* is written for *v*; the form *meuen* is common). Also in Chaucer, Parl. of Foules, l. 150. -OF. *mouvoir*, mod. F. *mouvoir*. -L. *mouēre*, to move; pp. *mōtus*. Allied to Skt. *miv*, to push (with pp. *mūta-*, moved, corresponding to L. *mōtus*; also Gk. *ἀνέωπαί*, I surpass. Der. *mov-er*, Chaucer, C. T. 2989 (A 2987); *mov-able*, of which the ME. form was *meble* or *mooble*, P. Plowman, B. iii. 267, borrowed from F. *meuble*, L. *mōbilis*, movable; *mov-abl-y*, *mov-able-ness*; *move-ment*, Gower, C. A. iii. 107, bk. vii. 674, from OF. *mouvement* (Burguy); *mov-ing*, *mov-ing-ly*. Also *mobile*, from L. *mōbilis*, movable, often contracted to *mob*; see **Mob**. Also *mot-ion*, q.v., *mot-ive*, q.v., *mot-or*; cf. L. pp. *mōtus*. Also *mo-moment*, *com-mot-ion*, *e-mot-ion*, *pro-mote*, *re-mote*, *remove*; *mutiny*.

**MOW** (1), to cut down with a scythe. (E.) ME. *mowen*; 'Mowe other mowen' (other MSS. *mouwen*), i.e. mow (hay) or stack (in a mow); P. Plowman, C. vi. 14. The old pt. t. was *mew*, still common in Cambridgeshire; see Layamon, 1942. AS. *māwan*, Grein, ii. 213. (The vowel-change from AS. *ā* to E. *o* is regular; cf. *stān*, stone.) +Du. *maaijen*; G. *māhen*, OHG. *mān*, to mow. β. Teut. type \**māewan-*; allied to Gk. *ἀ-μά-ω*, I reap, L. *me-t-ere*, to reap. Brugmann, ii. § 680. Der. *mow-er*, *mow-ing*; also *mea-d*, *mea-d-ow*, *after-ma-th*.

**MOW** (2), a heap, pile of hay or corn. (E.) ME. *mowe*; 'mowe of scheues' = heap of sheaves, given as a various reading in Wyclif, Ruth, iii. 7 (later text). AS. *mūga*, a mow, Exod. xxii. 6, where the Vulgate has *aceruus frugum*. Oldest form *mūha*, Corpus Glos., 46. +Icel. *mūga*, *mūgi*, a swathe in mowing, also a crowd of people, a mob; Norw. *muga*, *mua*, a heap (of hay). β. The change from AS. *g* to ME. *w* is common; so also in ME. *morwe* (morrow) from AS. *morgen*; ME. *hawe*, a haw, AS. *haga*.

**MOW** (3), a grimace; *obsolete*. (F.-MDu.) 'With mop and mow;' Temp. iv. 47. 'Mopping and mowing;' K. Lear, iv. 1. 64. 'I mowe, I mocke one; he useth to mocke and mowe;' Palsgrave. Chaucer has ME. *mowes*, pl.; C. T., I 258. -OF. *moe*, mouth, lip, grimace; F. *moue*, 'a mow, or mouth, an ill-favoured extension or thrusting out of the lips;' Cot. -MDu. *mouwe*, the protruded underlip; see Oudemans, who cites the phrase *ma'en die mouwe* = to make a grimace, deride, in two passages. ¶ The word *mop*, its companion, is also foreign; see **Mop** (2).

**MUCH**, great in quantity. (E.) ME. *moche*, *much*, *miche*. Formerly also used with respect of size. 'A moche man' = a tall man; P. Plowman, B. viii. 70; where one MS. reads *mykil*. 'Muche and lyte' = great and small; Chaucer, C. T. 496 (A 494), where other MSS. have *moche*, *miche*, *meche*. β. When we compare ME. *miche*, *moche*, *much*, with the older forms *micel*, *mochel*, *michel*, we see at once that the former result from the latter by the loss of final *l*. *Muche* occurs in Layamon, 10350; but not in AS. *Muchel*, *mochel*, are variants of *micel* (the orig. form) due to form-association with ME. *lutel*, from AS. *lytel*. β. The orig. form was AS. *micel* (cf. Lowl. Sc. *mickle*), great. +Icel. *mikill*, great; OHG. *mihhil*; Goth. *mikils*. Allied to Gk. *μεγάλη*, great, *μέγας*, great; and to L. *magnus*. See **Magnitude**.

**MUCILAGE**, a slimy substance, gum. (F.-L.) Richardson cites the word from Bacon's Philosophical Remains. The adj. *mucilaginous* is in Blount's Gloss., ed. 1674. -F. *mucilage*, 'slime, clammy sap, glewy juice;' Cot. -L. *mucilāgo* (stem *mucilāgin-*), mouldy moisture; used by Theodorus Priscianus (iv. 1), a physician of the 4th century (Lewis). Extended from \**mucilus*, for *micius*, an adj. formed from *mūcus*; see **Mucus**. Der. *mucilaginous* (from the stem).

**MUCK**, filth, dung, dirt. (Scand.) ME. *muck*; spelt *muk*, Gower, C. A. ii. 290; bk. v. 4853; *muc*, Genesis and Exodus, ed. Morris, 2557. -Icel. *myki*, dung; whence *myki-reka*, a muck-rake, dung-shovel; cf. *moka*, to shovel dung out of a stable; Dan. *mög*, dung; Norw. *mok-dunge*, a muck-heap; prob. allied to Norw. *mukka*, a heap. Cf. Swed. *mocka*, to throw dung out of a stable, like prov. E. 'to muck out.' ¶ Not allied to AS. *meox*, dung, whence prov. E. *mixen*, a dung-heap. Der. *muck-y*, *muck-i-ness*; *muck-heap*, *muck-rake* (Bunyan's Pilg. Progress).

**MUCK, AMUCK**, a term applied to malicious rage. (Malay.) Only in the phrase 'to run amuck;' the word has been absurdly

turned into a *muck*. Dryden goes further, and inserts an adjective between *muck* and the supposed article! 'And runs an Indian *muck* at all he meets;' Hind and Panther, iii. 1188. 'To run amuck is to run about in a mad rage.—Malay *amuk*, 'engaging furiously in battle, attacking with desperate resolution, rushing in a state of frenzy to the commission of indiscriminate murder, running amuck. It is applied to any animal in a state of vicious rage;' Marsden, Malay Dict. p. 16.

**MUCKINDER**, a handkerchief. (Prov.—L.) 'Take my *muckinder*, And dry thine eyes;' Ben Jonson, Tale of a Tub, iii. i (Turfe). ME. *mokadou*, Lydgate, Minor Poems, p. 30.—Prov. *mocadour*, mod. Prov. *moucadou* (Mistral); the same as F. *mouchoir*.—L. type \**muccatōrium*, the same as *mucātōrium*, a wiper; given by Ducange in the sense of 'pair of snuffers.'—Late L. *muccāre*, to free from mucus.—L. *muccus*, *mūcus*; see **Mucus**.

**MUCUS**, slimy fluid. (L.) The adj. *mucous* is in older use, the sb. being modern. Sir T. Browne says the chameleon's tongue has 'a *mucous* and slimy extremity;' Vulg. Errors, b. iii. c. 21. § 7.—L. *mūcus*, *muccus*, slime from the nose; whence the adj. *mūcōsus*, Englished by *mucous*. Allied to Gk. *μύξα*, the discharge from the nose, *μύκης*, snuff of a wick; cf. Gk. *ἀπομύσσειν* (= ἀπο-μύκ-γειν), to wipe the nose; L. *ē-mungere*, to wipe the nose. Der. *muc-ous*; and see *mucilage*, *match* (2).

**MUD**, wet, soft earth, mire. (E.) ME. *mud*; the dat. *mudde* occurs in Allit. Poems, ed. Morris, B. 407; see Spec. of Eng., ed. Morris and Skeat, p. 156, l. 407. Not found in AS. Of Old Low G. origin, and prob. a native word. EFries. *mudde*. Cf. OLow G. *mudde*, mud; whence the adj. *muddig*, muddy, Bremen Wörterbuch; MSwed. *modd*, mud (Ihre); Pomeran. *modde*. Also in an extended form; cf. Du. *modder*, mud. β. The cognate High German form is found in the Bavarian *mott*, peat, already mentioned as the origin of E. *moat*; see **Moat**. This establishes it as a Teut. word. Cf. Skt. *mūtra-m*, urine. Der. *mudd-y*, *mudd-i-ly*, *mudd-i-ness*, *mudd-le*.

**MUDDLE**, to confuse. (E.) 'Muddle, to rout with the bill, as geese and ducks do; also, to make tipsy and unfit for business;' Kersey, ed. 1715. A frequentative verb, formed with the usual suffix *-le*, from the sb. *mud*. Thus to *mudd-le* is to go often in mud, to dabble in mud; hence, to render water turbid, and, generally, to confuse. Similarly, Dan. *muddre*, to stir up mud in water, said of a ship, from Dan. *mudder*, mud (from Du.). Cf. EFries. *muddelen*, to dirty; MDu. *moddelen*, 'to mudd water,' Hexham; Pomeran. *muddeln*, to disorder. See **Mud**.

**MUEZZIN**, a Mohammedan crier of the hour of prayer. (Arab.) Spelt *muezin* in Sir T. Herbert, Travels, ed. 1665, p. 339.—Arab. *mu'zin*, *mu'azzin*, 'the public crier, who assembles people to prayers by proclamation from a minaret;' Rich. Dict. p. 1523; *mu'azzin*, 'the crier of a mosque;' Palmer's Pers. Dict. col. 617. Connected with Arab. *azan*, the call to prayers, Palmer, col. 17; *uzn*, the ear, Rich. p. 48, Palmer, col. 17; *azina*, he listened, Rich. p. 48. (Here *z=ʃ*, with the sound of E. *th* in *that*.)

**MUFF** (1), a warm, soft cover for the hands. (Walloon—F.—Late L.) Spelt *muffe* in Minsheu, ed. 1627. Prob. from Walloon *mouffe* (Sigart), *mof* (Remacle), a muff. [Cf. Du. *mof*, Low G. *muff* (Berghaus); EFries. *muf*; from the same.] A shortened form of F. *moufle*, a kind of *muff*; see further under **Muffle**.

**MUFF** (2), a silly fellow, simpleton. (F.) A prov. E. word, of imitative origin. It simply means 'a mumbler' or indistinct speaker. Cf. prov. E. *muff*, *muffle*, to mumble (Halliwell); *moffle*, to do anything ineffectually; id. So also prov. E. *maffle*, to speak indistinctly, an old word, occurring in Richard the Redeles, ed. Skeat, iv. 63: 'And somme *mafflid* with the mouth, and nyst [knew not] what they mente.' Cf. Du. *muffen*, to dote; prov. G. *muffen*, to be sulky (Flügel); EFries. *muf*, a muff, simpleton; Du. *mof*, a (Westphalian) boor, a clown, used as a nickname. ¶ Cf. 'Almains, Rutters, *Muffles*, and Danes;' Marlowe, Tamb. pt. ii. A. i. sc. 1. 22. This is the same word; *Muffe* (Du. *mof*) was a nickname given by one Germanic people to another. 'The Low Dutch call the High *muffles* . . upbraiding them with their heaviness;' Sir J. Reresby, Travels (1657). And see Addit. to Nares.

**MUFFIN**, a kind of tea-cake. (F.?) Lanc. dial. *moufin*, *moufin*, a wheat-cake baked upon a bake-stone over the fire; tea-cake in general (E. D. D.). Cp. Norm. dial. *moufū*, adj., said of bread swollen up in the baking, Moisy, Corblet; OF. *mouflet*, soft bread (Roquefort); OF. *mofflet*, bread of a finer sort (Ducange); Prov. *pan mouflet*, soft bread (Mistral); OF. *pain moflet*, soft bread (Godefroy). Probably related to EFries. *muffeln*, to mumble food, as a toothless person does. See **Muff** (2).

**MUFFLE**, to cover up warmly. (F.—Late L.) Levins, ed. 1570, gives: 'A *muffle*, focale [i.e. a neck-cloth]; to *muffle* the face, velare; to *muffle* the mouth, obturare;' col. 184. 'I *muffyll*, je em-mouffle;' Palsgrave. The pp. *muffeld* is in Malory, ed. Caxton,

bk. viii. ch. 25; l. 34. Only the verb is now used, but it is derived from the sb. here given.—OF. *mofle*, *moufle* (13th cent., Littre); the same as *mouffle*, which Cot. explains by 'a winter mittaine.' [Cf. MDu. *moffel*, 'a muff, or muffle lined with furre;' Hexham; Norweg. *muffel*, a half-glove, mitten; Aasen; from OF.]—Late L. *muffula* (occurring A. D. 817), a winter glove (Ducange); also spelt *mulfola*. Of unknown origin. β. From the sb. *muffle* came the verb to *muffle*, in common use owing to analogy with the numerous frequentative verbs ending in *-le*. See **Muff** (1). To *muffle* a bell is to wrap a cloth round the clapper; a *muffled peal* is a peal rung with such bells, rung on the 31st of December. At midnight, the muffles are taken off, and the New Year is rung in. Hence the phrase 'a *muffled* sound;' the sense of which approaches that of prov. E. *muffle*, to mumble, from a different source, as explained under **Muff** (2). Der. *muffl-er*, Merry Wives, iv. 2. 73.

**MUFTI**, an expounder of the law, magistrate. (Arab.) In Sir T. Herbert's Travels, ed. 1665, pp. 175, 285; spelt *mufti*, Howell, Directions for Travel, ed. Arber, p. 85; *mufti* in Sandys, Trav. 1632, p. 36 (end).—Arab. *mufti*, 'a magistrate' (Palmer, col. 590); 'wise, one whose sentence has the authority of the law, an expounder of the Muhammedan law, the mufti or head law-officer amongst the Turks;' Rich. Dict. p. 1462. Connected with *fatwā*, 'a judicious or religious decree pronounced by a mufti, a judgment, sentence;' id. p. 1070. ¶ The phrase 'in mufti' means in civilian costume, as opposed to military dress. See Yule.

**MUG**, a cylindrical cup for liquor. (Low G.) 'A *mugge*, potte, *Ollula*;' Levins, 184. 24. 'Clay *mugis*,' pl.; G. Douglas, tr. of Virgil, prol. to bk. viii. st. 8. Perhaps from EFries. *mukke*, a cylindrical earthen vessel; Groningen *mokke* (Molema, p. 543); whence also Norm. dial. *moque*, Guernsey *mogue* (Moisy); Norw. *mugge*, *mugga*, an open can or pitcher; see Aasen, Larsen. The Irish *mugan*, a mug, is prob. from E. Cf. prov. E. *muggen*, made of earthenware.

**MUGGY**, damp and close, said of weather. (Scand.) Both *muggy* and *muggish* are in Ash's Dict., ed. 1775.—Icel. *mugga*, soft drizzling mist; whence *mugguveðr*, muggy, misty weather. Cf. Norw. *mugg*, fine rain; *muggen*, moist, muggy. Perhaps allied to Dan. *muggen*, musty, mouldy; *mugne*, to grow musty; Swed. dial. *muggen*, mouldy, from *mugg*, mould. Cf. also Swed. *mögel*, mould, Icel. *mygla*, to grow musty. Der. *muggi-ness*; cf. *mouldy*.

**MUGWORT**, the name of a wild flower. (E.) Spelt *mogwort* in Palsgrave. AS. *mucgwyrt*, the *Artemisia*; see numerous examples of the word in Cockayne's A. S. Leechdoms, iii. 339. It prob. means 'midge-wort;' see **Midge**. Perhaps regarded as being good against midges; cf. *flea-bane*. For the form, cf. OSax. *muggia*, Du. *mug*, Low G. *mugge*, a midge, *muggert*, mugwort. Note also Dan. *mygblomst*, 'midge-bloom,' bog orchis.

**MULATTO**, a child of a white person and a negro. (Span.—L.) Used by E. Young, The Centaur (1754), letter 2; Todd's Johnson. —Span. *mulato*, 'a mulatto, a son of a black and of a white;' Pineda (1740); 'the sonne of a black Moore and one of another nation;' Minsheu (1623). From Span. *mul-o*, a mule, with dimin. suffix *-at-*; see Diez. —L. *mūlum*, acc. of *mūlus*; see **Mule**.

**MULBERRY**, the fruit of a certain tree. (Hybrid; L. and E.) ME. *moolberry*. Trevisa translates *sycomoros* by *moolberyes*, i. 11, l. 4. Here the *l* stands for *r*; cf. ME. *murberie*, Voc. 557. 31. The AS. name for the tree was *mōr-bēam*; see Cockayne's A. S. Leechdoms, iii. 339. '*Morus*, vel *rubus*, mōr-bēam;' Ælfric's Gloss., Nomina Arborum, in Wright's Vocab. i. 32, col. 2. [The AS. *bēam*, a tree, is mod. E. *beam*.] β. *Berry* is an E. word; *mul*=ME. *mool*=AS. *mōr*-. The AS. *mōr*- is from L. *mōrus*, a mulberry-tree. Cf. Gk. *μῶρον*, *μῶρον*, a mulberry, *μωρέα*, a mulberry-tree; perhaps *μῶρον* is the origin of L. *mōrum*, a mulberry. ¶ The G. *maulbeere* (OHG. *mūrberi*) is similarly compounded, from L. *mōrus* and G. *beere*. See **Sycamore**. Der. *murrey*.

**MULCT**, a fine, penalty. (L.) Given as a sb. in Minsheu, ed. 1627.—L. *mulcta*, a fine, penalty; whence also OF. *multe* (Cotgrave). The older and better L. form is *multa*. Said to be of Sabine or Oscan origin. Der. *mulct*, vb.

**MULE**, the offspring of the horse and ass. (F.—L.) ME. *mule*, Rob. of Glouc. p. 189, l. 3913.—F. *mule*.—L. *mūlum*, acc. of *mūlus*, a mule. β. The long *ū* points to a loss; the word is cognate with Gk. *μύκλος*, an ass, *μυχλός*, a stallion ass. (See Prellwitz.) ¶ The L. *mūlus* is also the origin of AS. *mūl*, which is obsolete; it would have given the mod. E. form as *moul* or *wowl*. Der. *mul-ish*; *mul-et-er*, spelt *muleter* in old edd. of Shakespeare, 1 Hen. VI, iii. 2. 68, from F. *muletier*, 'a muletor' (Cot.), which from F. *mulet*, 'a moyle, mulet, or great mule' (id.), formed with suffix *-et* from F. *mule*<L. *mūlum*, acc. of *mūlus*.

**MULLAH, MOLLA**, a Mohammedan title of respect given to some religious dignitaries. (Arab.) Arab. *maulā*, a judge, the magis-

trate of a large city, a lord, a master; Rich. Dict. p. 1528; commonly pronounced *mollū* in Turkey (Devic).

**MULLED**, a term applied to sweetened ale or wine. (F.—L.?) Apparently from ME. *mullen*, to break to powder, crumble (Prompt. Parv. p. 348), from the sb. *mull*, powder, the sense of which was perhaps transferred (as Way suggests) to the 'powdered condiments' which the ale contained, esp. grated spices, and the like. Cf. ME. *mul*, AS. *myl*, dust, powder. But Blount's Gloss. has: '*Mulled sack* (*vinum molitum*), because softened and made mild by burning and a mixture of sugar.'—F. *mollir*, to soften.—L. *mollire*, to soften.—L. *mollis*, soft; see **Mollify**. Cf. *mull'd*, weak; Cor. iv. 5. 239.

**MULLEIN**, a kind of wild flower. (F.) The great mullein is *Verbascum thapsus*. Spelt *mullein* in Minshew, ed. 1627. ME. *moleyn*, Prompt. Parv.—AF. *moleine*, Voc. 556. 31; F. *molène*. The ME. name was *softe*, i.e. the soft. This suggests a der. from OF. *mol*, soft; from L. *mollis*, soft.

**MULLET** (1), a kind of fish. (F.—L.) ME. *molet*; '*Molet*, *fysche*, *Mullus*;' Prompt. Parv. Older form *mulet*, occurring as a gloss to L. *mālus* in a list of fishes of the 12th cent.; see Wright's Vocab. i. 98, l. 1.—OF. *mulet*, 'the mullet-fish;' Cot. Formed, with dimin. suffix *-et*, from L. *mullus*, Late L. *mālus*, the red mullet. Cf. Gk. *μῦλλος*, a sea-fish.

**MULLET** (2), a five-pointed star. (F.—L.) In Blount's Gloss., ed. 1674. A term in heraldry. ME. *molet*, a mullet (in heraldry); Book of St. Alban's, pt. ii. fol. f 7, back; pl. *molettys*, id. fol. b 3, back.—OF. and F. *molette*, a rowel; '*molette d'esperon*, the rowell of a spur,' Cot.; '*molette*, a mullet, the ramhead of a windlesse, the rowell of a spur;' id. Hatzfeld explains F. *molette* as the dimin. of F. *meule*, a mill-stone.—L. *mola*, a mill. See **Molar**, **Mill**.

¶ The transference of sense was from 'wheel of a water-mill' to any wheel, including the spur-rowel, which the mullet resembled.

**MULLIGATAWNY**, a hot soup. (Tamil.) It occurs in 1784; see Yule. From Tamil *milagu-tannir*, lit. pepper-water (Yule). Cf. Malayālam *mulaka*, pepper; Tamil *tannir*, water (H. II. Wilson).

**MULLION**, an upright division between the lights of windows. (F.) A variant of *munion*, with the same sense, which is still in use in Dorsetshire; Halliwell. It occurs in some edd. of Florio; see below.—F. *moignon*, 'a stump, or the blunt end of a thing; *moignon des ailes*, the stumps, or pinions of the wings; *moignon du bras*, the brawn, or brawny part of the arm;' Cot. β. Hence *munion*, just as OF. *troignon* gives E. *trunion*. Cf. MItal. *mugnione*, 'a carpenter's munion or trunion;' Torriano. As Wedgwood well observes, 'the munion or mullion of a window is the stump of the division before it breaks off into the tracery of the window.' It clearly took its name from the likeness to the stump of a lopped tree, which is one of the senses of F. *moignon*; see Littré. The word also occurs as Span. *muñon*, the brawn or muscle of the arm, the stump of an arm or leg cut off; Port. *munhões*, pl. of *munhão*, the trunnions of a gun. Further allied to Span. *muñeca*, the wrist, Port. *muneca*. γ. From OF. *moing*, maimed (Diez, 4th ed. p. 725). Of uncertain origin; see Körting, § 6369. ¶ The E. form may be Walloon. Sigart has: '*Mouyon*, *mouillon* (*d'cabiau*), tranche de cabillaud; peut-être de *moignon*.'

**MULTANGULAR**, having many angles. (L.) In Kersey, ed. 1715.—L. *multi*, stem of *multus*, many; and *angulāris*, angular. See **Multitude** and **Angular**. ¶ Similarly, *multi-lateral*, from *multi*=*multo*-, from *multus*, and E. *lateral*, q.v. So also *multi-form*.

**MULTIFARIOUS**, manifold, diversified. (L.) In Blount's Gloss., ed. 1674; he says it occurs in Bacon. Englished (by change of *-us* to *-ous*, as in *ardu-ous*, &c.) from L. *multifārius*, manifold, various. The orig. sense appears to be 'many-speaking,' i.e. speaking on many subjects.—L. *multi*=*multo*-, from *multus*, much; and *-fārius*, prob. connected with *fāri*, to speak. Cf. the rare word *fāriāri*, to speak. See **Multitude** and **Fate**.

**MULTIPLE**, repeated many times. (L.) In Kersey, ed. 1715. A coined word, analogous to *tri-ple*, *quadru-ple*, &c., the suffix being due to the L. suffix *-plex*; see **Multiply**.

**MULTIPLY**, to increase many times, make more numerous. (F.—L.) ME. *multiplen*, Chaucer, C. T. 16303 (G 835). He also has *multiplying*, sb., C. T. 12308 (C 374); and *multiplication*, C. T. 16317 (G 849).—F. *multiplier*, 'to multiply;' Cot.—L. *multiplicāre*, to render manifold.—L. *multiplic-*, stem of *multiplex*, manifold.—L. *multi*=*multo*-, for *multus*, much; and the suffix *-plex*, with the sense of 'fold.' See **Multitude** and **Complex**, **Plait**. Der. *multiplic-and*, from the fut. pass. part. *multiplicandus*; *multiplic-at-ion*, from F. *multiplication*<L. acc. *multiplicātiōnem*; *multiplic-at-ive*; *multiplier*; *multiplic-i-ty*, Drayton, The Mooncalf, l. 401 (R.).

**MULTITUDE**, a great number, a crowd. (F.—L.) ME. *multitude*, Gower, C. A. i. 220; bk. ii. 1810.—F. *multitude*, 'a multitude;' Cot.—L. *multitūdinem*, acc. of *multitudo*, a multitude.

Formed (with suffix *-tūdō*) from *multi*=*multo*-, from *multus*, many, much. Root unknown. Der. *multitudin-ous*, Mach. ii. 2. 62, from the stem *multitūdīn-*.

**MULTURE**, a toll or fee taken for grinding corn at a mill. (F.—L.) MF. *moulture*, 'a multure; a grist, or grinding; the corne ground; also, the toll or fee that's due for grinding;' Cot. (F. *mouture*).—L. *molitūra*, a grinding; from *molere* (pp. *molitus*), to grind. See **Molar**.

**MUM** (1), an interjection, impressing silence. (E.) In Shak. Temp. iii. 2. 59. ME. *mom*, *mum*, expressive of the least possible sound with the lips; P. Plowman, B. prol. 215; Lydgate, London Lyckpeny, st. 4, in Spec. of Eng. ed. Skeat, p. 24. So also L. *mu*, Gk. *μῦ*, the least sound made with the lips. Evidently of imitative origin. Der. *mum-ble*; and see *nummer*. Compare *new*, *murmur*, *mutter*, *myth*.

**MUM** (2), a kind of beer. (Low G.) 'Cold roast beef and *mum*;' Guardian, no. 34 (1713). 'Mugs of *mum*;' Pope, Dunciad, ii. 385. Named after Christian *Mumme*, a brewer of Brunswick (ab. 1492). Cf. Du. *mom*, G. *munne* (in Weigand).

**MUMBLE**, to speak indistinctly, to chew inefficiently. (E.) The *b* is excrement, and due to emphasis; the final *-le* is the usual frequentative ending. ME. *momelen*, *mamelen*, to speak indistinctly or weakly; P. Plowman, A. v. 21, B. v. 21. Formed with the frequent. suffix *-el-* from ME. *mom*, a slight sound. See **Mum** (1). Cf. Du. *mommen*, EFries. and G. *mummeln*, to mutter, mumble; similarly formed; Low G. *mummeln*, to mumble food (Schambach.) Der. *mumbl-er*, *mumbl-ing*.

**MUMMER**, a masker, buffoon. (F.—Du.) 'That goeth a *mumnyng*;' Tyndall, Works, p. 13, col. 2, l. 1. 'As though he came in in a *mummary*;' Sir T. More, Works, p. 975 b. 'Made prouysyon for a dysguysynge or a *mumnyng*;' Fabyan's Chron. an. 1399–1400. 'Mommery, *mommerie*;' Palsgrave. ME. *mommyere*, *mommyng*, a rude dramatic entertainment; Trevisa, tr. of Higden, viii. 539, 540. This early use of the F. form *mummary* shows that we took the word through the French, though it was orig. a Dutch or Platt-deutsch word. Cotgrave gives, however, no verb; but this was easily developed.—MF. *momneur*, 'a mummer, one that goes a mumming;' also *mommerie*, 'a mummary, a mumming;' Cot.—MDu. *mommen*, 'to goe a moming, or in a maske;' also *mom*, *mommer*, or *mommekaus*, 'a mommer, or a masker;' also *mommyere*, 'momming, or masking' (with F. suffix); Hexham. He also gives *mom-aensicht*, 'a vizard, or a mommers vizard.' Cf. Low G. *mummeln*, *bemummeln*, to mask, *mumme*, a mask; Bremen Wörterbuch. (Hence G. *vermummen*, to mask.) β. The origin is imitative, from the sound *num* or *mom*, used by nurses to frighten children, like the E. *bo!* See Wedgwood, who refers to the habit of nurses who wish to frighten or amuse children, and for this purpose cover their faces and say *num!* or *bo!* whence the notion of masking to give amusement. Cf. G. *mummel*, a bugbear. Thus the origin is much the same as in the case of *mum*, *mumble*; see **Mum** (1). Der. *mummer-y*.

**MUMMY**, an embalmed human body. (F.—Ital.—Pers.) Formerly used of stuff derived from mummies. '*Mummy*, *Mummy*, a thing like pitch sold by the apothecaries; . . one [kind] is digged out of the graves; in Arabia and Syria, of those bodies that were embalmed, and is called *Arabian Mummy*;' Blount's Gloss., ed. 1674. '*Mummy* hath great force in stanching of blood;' Bacon, Nat. Hist. § 980.—MF. *mumie*, 'mummy; man's flesh imbalmed; or rather the stuffe wherewith it hath been long imbalmed;' Cot.—Ital. *mummia*, *mumia* (cf. Span. *momia*).—Pers. *mūmiyā*, a mummy.—Pers. *mūm*, *mōm*, wax (much used in embalming); Rich. Dict. p. 1520.

**MUMP**, to mumble, sulk, whine, beg. (Du.) A *mumper* was an old cant term for a beggar; and to *mump* was to beg, also to be sulky; see Nares, ed. Halliwell and Wright. The original notion was to mumble, hence to mutter, be sulky, to beg; used derisively with various senses. 'How he *mumps* and bridles!' where the sense appears to be 'grimaces;' Beaum. and Fletcher, Maid in the Mill, iii. 2 (Pedro).—Du. *mompen*, to mump, to cheat (Sewel). Cf. MDu. *mompelen*, to mumble (Sewel); *mommelen*, *mompelen*, to mumble (Hexham). β. The form *mompelen* is nothing but an emphasised form of *mommelen*, and *mompen* of *mommen*, to say *mum*, to mask. That is, *mump* is merely a strengthened form of the imitative word *mum*; see **Mum** (1), **Mumble**, **Mummer**. Cp. Norw. *mumpa*, to munch; WFlem. *mompe*, a mouthful, also, one who pouts (De Bo). The curious Goth. verb *bi-mamp-jan*, to deride, mock at, Luke, xvi. 14, has a similar origin. Der. *mump-er*, *mump-ish* (sullen); *mumps*, q.v.

**MUMPS**, a swelling of the glands of the neck. (Du.) This troublesome disease renders speaking and eating difficult, and gives the patient the appearance of being sullen or sulky. 'To have the

*mumps* or 'to be in the *mumps*' was, originally, to be sullen; the sense was easily transferred to the disease which gave such an appearance. It is derived from the verb **Mump**, q.v. We find *mumps* used as a term of derision. 'Not such another as I was, *mumps*!' Beaum. and Fletcher, *Scornful Lady*, v. 1 (Elder Loveless). 'Sick o' the *mumps*,' i.e. sulky; B. and F., *Bonduca*, i. 2 (Petillius), near the end.

**MUNCH**, to chew, masticate. (E.) In Macb. i. 3, 5 (where ed. 1623 has *mouncht*). Udall has *maunch*, Apoph. of Erasmus, § 23. ME. *monchen*, Chaucer, *Troil.* i. 914. *Monch*- answers to an older form *monk*-, apparently an imitative word parallel to the base *mom*- in ME. *momelen*, to mumble; see **Mumble**. Kilian has MDu. *moncken*, *mompelen*, 'mussitare.' Cf. EFries. and Low G. *munkeln*, to mumble; and see **Mump**. ¶ We cannot deduce it from F. *manger*, for phonetic reasons; yet it is quite possible that this common F. word may have helped to suggest the special sense. The F. *manger* is from L. *mandūcare*, to chew, extended from *mandūcus*, a glutton, which is from *mandere*, to chew; see **Mandible**. Der. *munch-er*.

**MUNDANE**, worldly. (F.—L.) Taken from F., but now spelt as if from Latin. 'For folowinge of his pleasaunce *mondayne*,' Skelton, *Book of Three Fooles*, ed. Dyce, i. 205.—F. *mondain*, 'mundane'; Cot.—L. *mundānus*, worldly.—L. *mundus*, the world (lit. order, like Gk. κόσμος).—L. *mundus*, clean, adorned.

**MUNGOOSE, MONGOOSE**, an Indian ichneumon. (Telugu.) Spelt *mongoose* in 1673; *mangus* in 1685; see Yule, who says: 'The word is Telugu, *mangūsu*. Jerdon gives *mangūs* however as a Deccani and Mahratti word.' Forbes, in his *Hind. Dict.*, has: '*mangūs*, a weasel, a mongoose.'

**MUNICIPAL**, pertaining to a township or corporation. (F.—L.) In Cotgrave.—F. *municipal*, 'municipall'; Cot.—L. *municipālis*, belonging to a *municipium*, i.e. a township which received the rights of Roman citizenship, whilst retaining its own laws.—L. *municipi*-, from *mūniceps*, a free citizen, lit. one who takes office or undertakes duties.—L. *mūni*-, for *mūnus*, obligation, duty, and *capere*, to take; see **Capture**; and see below. Der. *municipal-i-ty*.

**MUNIFICENCE**, bounty, liberality. (F.—L.) Both *munificence* and *munificent* are in Minsheu, ed. 1627. The sb. is the more orig. word.—F. *munificence*, 'munificence'; Cot.—L. *mūnificentia*, bounty, bountifulness. Formed as if from an adj. \**mūnificēt*-, with secondary suffix *-ent*; the only related word found is the adj. *mūnificus*, bountiful, liberal, formed upon *mūni*-, for *mūnus*, a duty, a present, and *facere*, to make; so that *mūni-ficus* = present-making. [The verb *mūnificāre* is a mere derivative of *mūnificus*.] β. For the verb *facere*, see **Fact**. The L. *mūnus* signifies orig. 'obligation'; from an Idg. base \**moi*-, whence also E. *munition*, *muniment*, *common*, *com-mune*, *com-muni-cate*, *im-muni-ty*, *re-muner-ate*. See Bréal; and Brugmann, i. § 208. From ✓MEI, to exchange; see **Common**. Der. *munificent*, coined to suit the sb.; *munificent-ly*.

**MUNIMENT**, a defence, a record of a claim, title-deed. (F.—L.) In Shak. *muniments* means expedients or instruments; Cor. i. 1. 122.—F. *muniment*, 'a fortifying; also used in the sense of *munition*;' Cot.—L. *mūnimentum*, a defence, safeguard. Formed with suffix *-mentum* from *mūni-re*, to fortify, for an older form *moenire*, lit. to furnish with a wall.—L. *moenia*, neut. pl., ramparts, walls, defences. Allied to *munition*. Brugmann, i. § 208.

**MUNITION**, materials used in war; also, a fortress. (F.—L.) In Isaiah, xxix. 7, xxxiii. 16; and in Shak. K. John, v. 2. 98.—F. *munition*, 'munition, store, provision, provant or victuals for an army;' Cot.—L. *mūnitionem*, acc. of *mūnitio*, a blockading, defending, securing; cf. *mūnitus*, pp. of *mūnire*, to fortify. See **Muniment**. Der. *am-munition*.

**MUNNION**, the older and correct form of **Mullion**, q.v.

**MURAL**, belonging to a wall. (F.—L.) 'He [Manlius Capitolinus] . . . was honoured with a *murall* crown of gold;' Holland, tr. of Pliny, b. vii. c. 28.—F. *mural*, 'murall, of or belonging to a wall;' Cot.—L. *mūrālis*, mural.—L. *mūrus*, a wall; OL. *moerus*, *moirus*. β. Probably akin to *moenia*, walls. See **Muniment**. Der. *im-mure*.

**MURDER, MURTHUR**, wilful killing of another man. (E.) ME. *mordre*, *morder*; Chaucer, C. T. 15057 (B 4241). Also *morthre*, Rob. of Glouc. p. 560, l. 11736. AF. *murdre*, *Laws of Will.* I, § 22. AS. *morðor*, *morður*; Grein, ii. 263. + Goth. *maurthr*. β. The word appears without the suffix *-or* in AS. and OSax. *morð*, OFriesic *morth*, *mord*, Du. *moord*, G. *mord*, Icel. *morð*, death, murder, cognate with L. *mors* (base *mort*-), death; see **Mortal**. The change from *th* (as in AS. *morðor*) to *d* was due to Norman influence; note the AF. forms *murdre*, *murdrir*. Der. *murder*, vb., AF. *murdrir*, ME. *mortheren*, P. Plowman, B. xvii. 278; *murder-er*; *murder-ess*, spelt *moerdrice* in Gower, C. A. i. 351; bk. iii. 2162; *murder-ous* or *murtherous*, Macb. ii. 3. 147; *murder-ous-ly*.

**MURIATIC**, briny, pertaining to brine. (L.) In Johnson.—L. *muriaticus*, pickled or lying in brine.—L. *muria*, salt liquor, brine, pickle.

**MURICATED**, prickly. (L.) '*Muricated*, in botany, prickly, full of sharp points;' Ash's Dict., ed. 1775.—L. *mūricātus*, adj. of the form of a pp. formed from *mūric*-, stem of *mūrex*, a fish having sharp prickles, also, a sharp pointed stone, a spike.

**MURKY, MIRKY**, dark, obscure, gloomy. (Scand.) The -y is a modern addition. 'Hell is *murky*;' Macb. v. i. 41. ME. *mirke*, *merke*. 'The *merke* dale;' P. Plowman, B. i. 1. 'The *mirke* nith' [night]; Havelok, 404.—Icel. *myrkr* (for \**mirkwoz*, Noreen); Dan. and Swed. *mörk*, dark, murky. + AS. *mirce*; OSax. *mirki*. ¶ The AS. *mirce* would have become *mirch*; the final *k* shows that the origin is Scand. Cf. Skt. *marka*-, an eclipse (Macdonell); see Uhlenbeck, Skt. Dict. Der. *murki-ly*, *murki-ness*.

**MURMUR**, a low muttering sound; to mutter, complain in a low voice. (F.—L.) ME. *murmur*, sb., Chaucer, C. T. Pers. Tale, De Invidia (I 503); *murmuren*, vb., id. 10518 (F 204).—F. *murmure*, 'a murmur'; also *murmurer*, 'to murmur'; Cot.—L. *murmur*, a murmur; whence the verb *murmurare*. + Gk. *μurmύρειν*, to rush and roar as water; Skt. *marmara*-, the rustling sound of the wind. β. Evidently a reduplicated form from the imitative ✓MUR, expressive of a rustling noise; as in Icel. *murra*, G. *murren*, to murmur. Brugmann, i. § 499. Der. *murmur-ous*, Pope, tr. of Odyssey, b. xx. l. 19.

**MURRAIN**, an infectious disease among cattle. (F.—L.) ME. *moreyne*, *moreine*, P. Plowman, C. iv. 97.—OF. \**moreine*, not found; closely allied to OF. *morine*, a carcase of a beast, a malady or murrain among cattle. See Roquefort, who cites an OF. translation of Levit. xi. 8; 'tu eschiveras mortes *morines*' = thou shalt eschew dead carcases. [Cf. Norm. dial. *morine*, Span. *morriña*, Port. *morrinha*, *murrain*.]—OF. *morir* (mod. F. *mourir*), to die (Burguy).—Folk-L. *morire*, for L. *morī*, to die; see **Mortal**.

**MURREY**, dark red; *obsolete*. (F.—L.—Gk.) 'The leaves of some trees turn a little *murry* or reddish;' Bacon, Nat. Hist. § 512. Spelt *murrey*, Palsgrave; *murreye*, Hoccleve, De Regim. Principum, 695.—OF. *morée*, 'a kind of murrey, or dark red colour;' Cot. This OF. *morée* answers to a Late L. *mōrāta*, fem. of *mōrātus*. We actually find Late L. *mōrātum* in the sense of a kind of drink, made of thin wine coloured with mulberries; see Ducange. Cf. Ital. *morato*, mulberry-coloured, from Ital. *mora*, a mulberry; Span. *morado*, mulberry-coloured, from Span. *mora*. Hence the derivation is from L. *mōrum*, a mulberry; and the sense is properly 'mulberry-coloured.' See **Mulberry**.

**MURRION**, another spelling of **Morion**, q.v.

**MUSCADEL, MUSCATEL, MUSCADINE**, a rich fragrant wine, a fragrant pear. (F.—Ital.—L.—Gk.—Pers.) Shak. has *muscadell*, a wine, Tam. Shrew, iii. 2. 174. '*Muscadell*, mulsum apianum;' Levins. Spelt *muscadine*, Beaum. and Fletcher, Loyal Subject, iii. 4, last line. And see Nares.—MF. *muscadell*, 'the wine muscadell or muscadine;' Cot.—MItal. *moscadello*, *moscatello*, 'the wine muscadine;' cf. *moscardino*, 'a kinde of muske comfets, the name of a kind of grapes and peares;' *moscatini*, 'certaine grapes, peares, and apricocks, so called;' Florio. Dimin. forms from MItal. *moscato*, 'sweetened or perfumed with muske; also the wine muskadine;' id.—MItal. *musco*, 'muske; also, a muske or civet cat;' id.—L. *muscum*, acc. of *muscus*, musk; see **Musk**.

**MUSCLE** (1), the fleshy parts of the body by which an animal moves. (F.—L.) Sir T. Elyot has the pl. *muscles*; Castel of Helth, b. ii. c. 33. But this is a Latinised form. Spenser has *muscles*, Astrophel, 120.—F. *muscle*.—L. *musculus*, acc. of *musculus*, (1) a little mouse, (2) a muscle, from its creeping appearance. (Cf. F. *souris*, (1) mouse, (2) muscle.) Dimin. of *mūs*, a mouse, cognate with E. *mouse*; see **Mouse**. Der. *muscul-ar*, in Kersey, ed. 1715, substituted for the older term *musculous* (Blount's Gloss., ed. 1674), from L. *musculōsus*, muscular.

**MUSCLE** (2), **MUSSEL**, a shell-fish. (L.) Really the same word as the above, but borrowed at a much earlier period, and directly from Latin. ME. *muscle*, Chaucer, C. T. 7682 (D. 2100); P. Plowman, C. x. 94; which follows the F. spelling. AS. *muæle*; 'Muscula, *muæle*;' Voc. 319. 22; and again, 'Geniscula, *muæle*;' Voc. 261. 34. [Here the *æ* stands for *es*, by metathesis for *se*, just as in AS. *āxian* for *āscian*; see **Ask**.]—L. *musculus*, a small fish, sea-muscle; the same word as *musculus*, a little mouse; see **Muscle** (1). ¶ The double spelling of this word can be accounted for; the L. *musculus* became AS. *muscle* (Mone, Quellen, p. 340), early turned into *muæle*, whence E. *mussel*, the final *-el* being regarded as the AS. dimin. suffix. The spelling *muscle* is French. ¶ The remarkable change of sense in L. *musculus* from 'little mouse' to 'muscle' has its counterpart in Dan. *mus-ling*, a muscle (the fish), lit. 'mouse-ling.' Cf. Swed. *mus*, a mouse; *mussla*, a muscle (fish); Gk. *μῦς*, (1) mouse, (2) muscle, in both E. senses. We even find,

as Mr. Wedgwood points out, *F. souris*, 'a mouse, also, the sinewy brawn of the arm;' Cot.

**MUSCOID**, moss-like. (Hybrid; *L.*, with *Gk.* suffix.) Botanical. Coined from *L. musco-*, for *muscus*, moss; and the *Gk.* suffix *-eidos*, like, from *εἶδος*, form. See **MOSS**.

**MUSE** (1), to meditate, be pensive. (*F.*—*L.*) *ME. musen*, Chaucer, *C. T.* 5453 (*B* 1033); *P. Plowman*, *B. x.* 181. [We also find *ME. mosard*, *musard*, a dreamer, *Rob. of Brunne*, tr. of Langtoft, pp. 229, 266; from *F. musard*, sb. 'a muser, dreamer,' also as adj. 'musing, dreaming,' &c.; Cot.]—*F. muser*, 'to muse, dreame, study, pause, linger about a matter;' Cot.—*OF. muse*, the mouth, snout of an animal, Godefroy; whence the dimin. *musel*, later *museau*, whence *F. muzzle*; see **MUZZLE**. **β.** Strange as it may seem, this etymology, given by Diez, is probably the right one; it is well borne out by Florio's *Ital. Dict.*, where we find: '*Musare*, to muse, to thinke, to surmise, also to muzle, to muffle, to mocke, to iest, to gape idlie about, *to hould ones musle or snout in the aire*.' This is plainly from *Ital. muso*, 'a muscle, a snout, a face.' The image is that of a dog snuffing idly about, and *musing* which direction to take; and arose as a hunting term. Thus in the Book of St. Alban's, fol. c 6, we find: 'And any hound fynd or *musyng* of hir mace,' i.e. If any hound find her [a hare], or makes a scenting of her. See the *OF. musart*, *muse*, *musel*, *muser*. ¶ Disputed; see Diez, Körting, Scheler. **Der.** *mus-er*, *a-muse*.

**MUSE** (2), one of the nine fabled goddesses who presided over the arts. (*F.*—*L.*—*Gk.*) In *Shak. Hen. V.* prol. 1.—*F. muse*.—*L. mûsa*, a muse.—*Gk. μουσα*, a muse. **Der.** *mus-eum*, *q. v.*, *mus-ic*, *q. v.*, *mos-aic*, *q. v.*

**MUSEUM**, a repository for works of art, &c. (*L.*—*Gk.*) '*Museum*, a study, or library; . . . The *Museum* or *Ashmole's Museum*, a neat building in the city of Oxford . . . founded by Elias Ashmole, Esq.,' Phillips, *World of Words*, ed. 1706. This building was finished in 1683. 'That famous *Museum*;' Sandys, *Trav.* 1632; p. 111.—*L. mûseum*.—*Gk. μουσεῖον*, the temple of the muses, a study, school.—*Gk. μουσα*, a muse; see **MUSE** (2).

**MUSHROOM**, a kind of fungus. (*F.*—*OHG.*) In *Shak. Temp.* v. 39. The final *m* is put for *n*. *ME. muscheron*, explained as 'toodys hatte, *boletus, fungus*;' Prompt. Parv.—*MF. mouscheron*, *mousseron*, 'a mushrome;' Cot. Extended from *OF. mousse*, moss (*Hatzfeld*); where mushrooms grow.—*OHG. mos* (*G. moos*), moss; cognate with *E. moss*; see **MOSS**.

**MUSIC**, the science of harmony. (*F.*—*L.*—*Gk.*) *ME. musik*, *musyk*, *P. Plowman*, *B. x.* 172.—*F. musique*, 'music;' Cot.—*L. musica*.—*Gk. μουσική*, any art over which the muses presided, esp. music; fem. of *μουσικός*, belonging to the muses.—*Gk. μουσα*, a muse; see **MUSE** (2). **Der.** *music-al*, *L. L. iv.* 3. 342; *music-al-ly*; *music-i-an*, *Merch. Ven. v.* 106, from *F. musicien*.

**MUSIT**, a small gap in a hedge; *obsolete*. (*F.*—*C.*) In *Shak. Venus*, 683; and see *Two Noble Kinsmen*, iii. 1. 97, and my note thereon; also *Nares*.—*MF. mussette*, 'a little hole, corner, or hoord to hide things in;' Cot. Hence applied to the hole in a hedge through which a hare passes. Dimin. of *OF. musse*, 'a secret corner;' Cot.—*F. musser*, 'to hide, conceale;' id. Of Celtic origin; cf. *Irish mûch-aim*, I hide (*Thurneysen*, p. 108).

**MUSK**, a strong perfume obtained from the musk-deer. (*F.*—*L.*—*Gk.*—*Pers.*) In *Shak. Merry Wives*, ii. 2. 68. Spelt *muske* in *Palsgrave*.—*MF. musque* (*Palsgrave*); *F. musc*, 'musk;' Cot.—*L. muscum*, acc. of *muscus*, musk.—Late *Gk. μύσχος*.—*Pers. musk*, *misk*, musk; *Rich. Dict.* p. 1417. Cf. *Skt. mushka-s*, a testicle; because the musk was obtained from a bag behind the musk-deer's navel. Another sense of *mushka-s* was (probably) 'little mouse;' from *mush*, to steal. See **MOUSE**. **Der.** *musc-adel*, *q. v.*, *nut-meg*, *q. v.*; *musk-apple*, *musk-rose* (from the scent); *musk-y*.

**MUSKET**, a small hawk; a hand-gun. (*F.*—*Ital.*—*L.*) **α.** The old guns had often rather fanciful names. One was called the *falconet*, a dimin. of *falcon*; another a *saker*, which was also the name of a hawk; another a *basilisk*; another a *culverin*, i.e. snake-like; see **CULVERIN**. So also the *musket* was called after a small hawk of the same name. **β.** *Shak.* has *musket*, a hand-gun; *All's Well*, iii. 2. 111. *ME. musket*, spelt *muskytte* in *Prompt. Parv.*, and explained as a 'byrde.' '*Musket*, a lytell hauke, *mouchet*;' *Palsgrave*. See *Way's note*, who remarks that 'the most ancient names of fire-arms were derived from monsters, dragons, or serpents, or from birds of prey, in allusion to velocity of movement.'—*MF. mousquet*, 'a musket (hawke, or picce);' Cot. [Here *picce* = gun.] [Cotgrave also gives *MF. mouchet*, *mouschet*, 'a musket, the tassell of a spar-hauke; also the little singing-bird that resembles the *friquet*, [which is] a kind of sparrow that keeps altogether about walnut-trees.']—*Ital. moschetto*, 'a musket; also, a musket-hawke;' *Florio*. **γ.** Just as *MF. mouchet*, *mouschet*, is related to *MF. mouche*, *mousche*, a fly, so *Ital. moschetto* is related to *Ital. mosca*, a fly. [The connexion is

not very obvious, but see the remarks in *Scheler*, who shows that small birds were sometimes called flies; a clear example is in *G. gras-mücke*, a hedge-sparrow, lit. a 'grass-midge.' The particular hawk here spoken of was so named from his small size.]—*L. musca*, a fly. Observe also, in *Florio*, the forms *moscardo*, 'a kind of birde, also a musket hauke;' *moscherino*, 'a kind of flie, the name of a birde;' *moschetti*, 'a kinde of sparowes in India, so little, as with feathers and all one is no bigger then [than] a little walnut;' all of which words are derived from *mosca*. We may also compare the *Span.* and *E. mosquito*; see **MOSQUITO**. **Der.** *musket-eer*, spelt *musqueteer* in *Hudibras*, pt. i. c. 2, l. 567, from *MF. mousquetaire*, 'a musketeer, a souldier that serves with a musket;' Cot.; *musket-oon*, 'a short gun, with a very large bore,' *Kersey*, ed. 1715, from *Ital. moschettone*, a blunderbuss (*Baretti*); cf. *moscheltone*, a great horse-fly (*Florio*); *musket-r-y*.

**MUSLIN**, a fine thin kind of cotton cloth. (*F.*—*Ital.*—*Syriac.*) Spelt *musselin* and *muslin* in *Phillips*, ed. 1706.—*F. mousseline*, *muslin*.—*Ital. mussolino*, *muslin*; a dimin. form of *mussolo*, also used in the same sense.—*Syriac Mosul* (*Webster*), the name of a city in Kurdistan, in the *E.* of Turkey in Asia, where it was first manufactured, according to *Marco Polo*. The Arab. name of the city is *Mawsil*; *Rich. Dict.* p. 1526.

**MUSQUASH**, a rodent quadruped. (*N. Amer. Indian.*) *Capt. Smith* has the pl. *musquassus*, *Works*, p. 207; in his description of *New England*. From the old *N. Amer. Indian* name.

**MUSQUITO, MUSSEL**; see **MOSQUITO, MUSCLE** (2).

**MUSSULMAN**, a true believer in the Mohammedan faith. (*Pers.*—*Arab.*) 'The full-fed *Mussulman*;' *Dryden*, *Hind and Panther*, i. 377. 'A *Musselman*, which is a true beleever;' *Sandys*, *Trav.* 1632, p. 56. In *Richardson's Arab. and Pers. Dict.*, p. 1418, the form *musulmān*, an orthodox believer, is marked as *Persian*. The Arab. form is *muslim*, answering to *E. moslem*; see **MOSLEM**.

**MUST** (1), part of a verb implying 'obligation' (*E.*) This verb is extremely defective; nothing remains of it but the *past tense*, which does duty both for past and present. The infinitive (*mote*) is obsolete; even in *AS.* the infin. (*mōtan*) is not found. But the present tense is common in the Middle-English period. *ME. mot*, *moot*, pres. t., I am able, I can, I may, I am free to, very seldom with the sense of obligation; pt. t. *moste* (properly dissyllabic), I could, I might, I ought. 'As euer *mote* I drinke wyn or ale' = as sure as I can (or hope to be free to) drink wine or ale; *Chaucer*, *C. T.* 834 (*A* 832). In *Ch. C. T.* 734, 737, 740, 744, *Tyrwhitt* wrongly changed *moot* into *mote*, against both the *MSS.* and the metre. 'The right readings are: 'He *moot* rehearse' = he is bound to relate; 'he *moot* telle' = he will be sure to tell; 'He *moot* as wel' = he is bound as well; 'The wordes *mote* be' = the words should be. The pt. t. *moste*, *muste*, occurs in *l. 714*; 'He *muste* preche' = he will have to preach; where many *MSS.* have the spelling *moste*. *AS. \*mōtan*, not used in the infinitive; preterito-pres. t. *ic mōt*, I am able, I may, can, am free to, seldom with the sense of obligation; new pt. t. *ic mōste*; see *Grein*, ii. 265. + *OSax. \*mōtan* (not found); pres. t. *ik mōt*, *ik muot*; pt. t. *ik mōsta*; *OFries.* pres. t. *ik mōt*; pt. t. *ik mōste*; *Du. moeten*, to be obliged; pres. t. *ik moet*, pt. t. *ik moest*; *Swed. måste*, I must, both as pres. and pt. tense; so that the similar use in *E.* may be partly due to *Scand. influence*; *G. müssen*, *MHG. muezzen*, *OHG. mōzan*, of which the old sense was 'to be free to do' a thing, to be allowed; pres. t. *ich muss*; pt. t. *ich musste*; *Goth. \*mōtan*, not found; pres. t. *ik gamōt*; pt. t. *ik ga-mōsta*. In *Mark ii.* 2, *Goth. ni gamōstēdun* = 'they could not find room;' so that the orig. sense of *mōtan* was 'to find room.' **β.** Root uncertain; it may be connected with *meet*, *moet*; but this is not at all made out. Some connect it with the *E. vb. mete*, to measure.

**MUST** (2), new wine. (*L.*) In early use. *ME. must*, *most*; *P. Plowman*, *B. xviii.* 368; *Layamon*, 8723. *AS. must*, in a gloss (*Bosworth*).—*L. mustum*, new wine; neut. of *mustus*, young, fresh, new. **Der.** *must-ard*.

**MUSTACHE, MUSTACHIO**; see **MOUSTACHE**.

**MUSTANG**, a wild horse of the prairies. (*Span.*—*L.*) *MSpan. mestengo*, used in the same sense as *mostrenco*, adj., stray, having no owner; the spelling *mest-* shows confusion with *mesteño*, meaning (1) belonging to the *mesta* or graziers, and (2) the same as *mostrenco*, i.e., stray; see *Minshew*, *Pineda*, *Neumann*. It is difficult to estimate the extent to which these words respectively influenced the form *mestengo*. 1. *Mostrenco* answers to a *L.* type *\*monstrānium*, a stray animal, which the finder was bound to have publicly cried; from *L. monstrāre*, to show, inform (hence, to cry); see *Diez*, and cf. **MUSTER**. 2. *Mesteño* is from *Span. mesta*, a company of graziers; from *L. mixta*, fem. of pp. of *miscere*, to mingle, to mix; cf. *Span. mestura*, a mixture. **β.** *Minshew* shows how much the words were confused in 1623; he gives: '*Mesta*, a monethly faire among herd-men; also, the ordinance that all owners and keepers of cattell

are to observe.' Also: 'Mestengo, or Mostrenco, a strayer.' Also: 'Mostrenco, a strayer, a bill signed: belonging to shepherds faïres.'

**MUSTARD**, a condiment made from a plant with a pungent taste. (F.—L.; with Teut. suffix.) ME. *mustard*, Prompt. Parv.; *mostard*, Ayenbite of Inwyt, ed. Morris, p. 143, l. 30.—OF. *mostarde* (Hatzfeld), later *moustarde* (Cotgrave), mod. F. *moutarde*. Cf. Ital. and Port. *mostarda* [Span. *mostaza* (with a different suffix)]. β. The suffix *-ard* (fem. *-arde*) is of Teut. origin; from G. *hart*, lit. 'hard'; see Toynbee, Hist. F. Gr. The condiment took its name from the fact that it was made by mixing the pounded seeds of the mustard-plant with *must* or vinegar (Littre). The name was afterwards given to the plant itself (L. *sinapi*). γ. From OF. *\*most*, only found in the form *moust* (Supp. to Godefroy), mod. F. *mout*, *must*. Cf. Ital., Span., and Port. *mosto*.—L. *mustum*, must, new wine; see **MUST** (2).

**MUSTER**, an assembling in force, display, a fair show. (F.—L.) The E. sb. is older than the verb, and is nearly a doublet of *monster*. ME. *moustre*. 'And the *moustre* was thretti thousandis of men;' Wyclif, 3 Kings, v. 13, earlier version; the later version has *summe* [sum]. 'And made a gode *moustre*'=and made a fair show; P. Plowman, B. xiii. 362.—OF. *mostre* (13th cent.), another form of MF. *monstre*, fem. 'a pattern, also a muster, view, shew, or sight'; Cot. Mod. F. *montre*, which see in Littre. Cf. Port. *mostra*, a pattern, sample, muster, review of soldiers, *mostrar*, to show; Ital. *mostra*, a show, review, display, *mostrare*, to show.—Late L. *monstra*, a review of troops, show, sample.—L. *monstrāre*, to show.—L. *monstrum*, a divine omen, portent. See **MONSTER**, which differs in gender, being orig. neuter. Der. *muster*, vb., ME. *mustren*, Romance of Partenay, ed. Skeat, 3003; *muster-master*. Cf. OF. *moustrer*, variant of *monstrer*, ONorman *mustrer*, Gascon *mustra*, to show.

**MUSTY**, mouldy, sour, spoiled by damp. (Prov.—L.) 'Men shall find little fine flowre in them, but all very *mustie* branne, not worthy so muche as to fede either horse or hogges;' Sir T. More, Works, p. 649 h (not p. 694, as in Richardson). See Hamlet, iii. 2. 359. Minshew (1623) has Span. *mosto*, new wine; *mostoso*, 'mustie, of sweet wine.' Godefroy (Supp.) gives OF. *muste*, *moste*, *moete*, *muiste*, *moite*, all as variants of OF. *moiste*, moist; also *moiste* and *muste* with the sense 'moist.' The simplest solution is to take it as having come straight from Provence, with which we were connected by the wine trade from Bourdeaux.—Prov. *mousti*, *musti* (Gascon), adj., moist, humid (Mistral).—Prov. *moust*, must, new wine; see **MUST**, and cf. 'moisty ale' in Chaucer, C. T., H 60. We may suspect some confusion with OF. *moisi*, explained by Cotgrave as 'mouldy, musty, fusty.' But to derive the word from OF. *moisi* is, phonetically, impossible. Der. *must-i-ly*, *-ness*.

**MUTABLE**, subject to change. (L.) ME. *mutable*, Chaucer, tr. of Boethius, b. iv. pr. 6, l. 110.—L. *mūtābilis*, subject to change.—L. *mūtāre*, to change; see **MOULT**. For older *\*moitāre*; allied to L. *mūt-nus*, mutual, and to Gk. *μοῖρος*, thanks, favour (Prellwitz); Goth. *maidjan*, to change, corrupt; Skt. *mēth*, to associate with. Der. *mutabili-ty*, Chaucer, Troilus, i. 851. Also *mut-at-ion*, ME. *mutacioun*, Chaucer, Boeth. b. i. pr. 6, l. 61, from F. *mutation* (Cot.), from L. acc. *mūtātiōnem*. Also (from *mūtāre*) *com-mute*, *per-mute*, *trans-mute*, *mew* (3), *moult*. Cf. *mut-ual*.

**MUTCHKIN**, an E. pint. (Du.) 'Ix. pyntis and three *mutch-kinnis*;' Acts of Jas. I (1426), c. 80; ed. 1566 (Jam.). The Scotch pint was 4 E. pints.—MDu. *mudseken*, 'our halfe common pinte;' Hexham. For *\*mutseken*; lit. 'small cap;' a dimin., with suffix *-ken*, of MDu. *mutse*, Du. *muts*, a cap. Cf. G. *mütze*, a cap. See **AMICE** (2).

**MUTE** (1), dumb. (L.) In Shak. Temp. iv. i. 126.—L. *mūtus*, dumb. β. The form is that of a pp. from √MEU, to mutter with closed lips; cf. Gk. *μῦ*, alas! *μῦν*, to close; and esp. Skt. *mūka*, dumb, Gk. *μῦδος*, dumb; from the notion of attempting to mutter low sounds; from the imitative L. *mu*, Gk. *μῦ*, a muttered sound. See **MUMBLE**, **MUTTER**, **MUM**. ¶ The ME. *muet* (Chaucer, Troil. v. 194) is from OF. *muet*; from a L. type *\*mūt-ett-us*, a dimin. form. Der. *mute-ly*, *mute-ness*; also *mutter*.

**MUTE** (2), to dung; used of birds. (F.—MDu.) In Tobit, ii. 10 (A. V.); and in Palsgrave.—MF. *mutir*, 'to mute, as a hawk;' Cot. A clipped form of OF. *esmeutir*, 'to mute, as birds doe;' id. Spelt *esmeutir* in the 13th cent. (Littre, s. v. *ementir*, who fails to give the etymology, which is to be found in Scheler).—MDu. *smelten*, also *smilten*, to smelt, to liquefy; also used of liquid animal discharge, as in Hexham. See **SMELT**.

**MUTILATE**, to maim. (L.) Formerly a pp. 'Imperfect or mutilate,' i.e. mutilated; Frith, Works, p. 90, col. 1.—L. *mutilātus*, pp. of *mūtāre*, to maim.—L. *mutilus*, maimed.—Gk. *μῦτλος*, also *μῦτιλος*, curtailed, docked. Der. *mutilat-ion*, from F. *mutilation*, 'a mutilation,' Cot., from L. acc. *mutilātiōnem*.

**MUTINY**, a rebellion, insurrection, tumult. (F.—L.) *Mutin-y* is allied to the old verb to *mutine*. 'If thou canst *mutine* in a

matron's bones;' Hamlet, iii. 4. 83. [Hence were also formed *mutin-er*, Cor. i. 1. 254; *mutin-er*, Temp. iii. 2. 40; *mutin-ous*, Temp. v. 42.]—MF. *mutiner*, 'to mutine;' Cot.—MF. *mutin*, 'mutinous, tumultuous;' id. β. MF. *mutin* stands for *meutin*, extended from OF. *muele*, *mule*, *meute*, an armed expedition (Godefroy); better known by the mod. F. derivative *émeute*. The mod. F. *meute*, though the same word, is only used in the sense of 'a pack of hounds;' answering to Late L. *mōta canum* (Ducange).—Late L. *movita*, a movement, contention, strife; used in place of L. *mōta*, fem. of *mōtus*, pp. of *mouēre*, to move; see **MOVE**. γ. Thus the orig. sense is 'movement,' well expressed by our 'commotion.' Parallel forms are Ital. *mutino*, 'a mutinie' (Florio), *mutinare*, 'to mutinie' (id.), whence mod. Ital. *ammutinarsi*, to mutiny; also Span. *motin*, a mutiny, sedition, Port. *motim*, a mutiny, uproar. Der. *mutiny*, verb, As You Like It, i. 1. 24; *mutin-er* (as above), *mutin-er* (as above), *mutin-ous* (as above), *mutin-ous-ly*, *mutin-ous-ness*.

**MUTTER**, to murmur, speak in a low voice. (E.) ME. *motren*, Chaucer, Troil. ii. 541. Also *moteren*, whence the pres. part. *moterenge*, used to tr. L. *missitantes*, Wyclif, 2 Kings, xii. 19. The word is rather E. than borrowed from L. *mūtire*, to mutter. To be divided as *mut-er-en*, where *-er* is the usual frequentative verbal suffix, and *mut-* or *mut-* is an imitative sound, to express inarticulate mumbling; see **MUM**. Cf. EFries. *motjen*, to mutter; Swed. dial. *mutla*, *muttra*, Norw. *mutra*; also prov. G. *mustern*, to whisper, similarly formed from a base *mut-*; L. *mut-ire*, *mutt-ire*, *muss-äre*, to mutter, *muttum*, a muttered sound; &c.

**MUTTON**, the flesh of sheep. (F.—C.) ME. *motoun* (with one *t*), spelt *motone* in Prompt. Parv. In P. Plowman, B. iii. 24, the word *motoun* means a coin of gold, so called because stamped with the image of a sheep. The older spelling *molton* is in Gower, C. A. i. 39; prol. 1060.—OF. *moton* (mod. F. *mouton*), a sheep; a still older spelling is *multon* (Godefroy).—Low L. *multōnem*, acc. of *multo*, a sheep, also a gold coin (as in P. Plowman). Cf. Ital. *montone*, 'a ram, a mutton,' Florio; where *n* is substituted for *l*, preserved in the Venetian form *molton*, cited by Diez. β. Of Celtic origin; from a Celtic type *\*moltos*, a sheep; as in Irish and Manx *molt*, Gael. *mult*, W. *mollt*, Bret. *maout*, *meut* (for *\*molt*), a wether, sheep. See Stokes-Fick, p. 212. Miklosich cites Russ. *molit*(e), to castrate, s. v. *moli-*. Der. *mutton-chop*.

**MUTUAL**, reciprocal, given and received. (F.—L.) 'Conspiracy and *mutuall* promise;' Sir T. More, Works, p. 1019 c; *mutuall* in Palsgrave.—OF. *mutuël*, 'mutuall, reciprocal;' Cot. Extended from L. *mūtū-us*, mutual, by help of the suffix *-el* (<L. *-ālis*). β. The orig. sense is 'exchanged;' from L. *mūtāre*, to change; see **MUTABLE**. Cf. *mort-u-us*, from *mort-*. Der. *mutual-ly*, *mutual-i-ty*.

**MUZZLE**, the snout of an animal. (F.—L.) ME. *mosel*, Chaucer, C. T. 2153 (A 2151).—OF. *musel* (Burguy), *muzel* (A. D. 1521, Godefroy); later *museau*, 'the muzzle, snout, or nose of a beast;' Cot.; Norm. dial. *musel* (Du Bois). As Diez shows, an older form *morsel* is indicated by the Bret. *morzeel*, which (like Bret. *muzel*) means 'muzzle,' and is merely a borrowed word from OFrench. β. Again, the Provençal (according to Diez) not only has the form *mus*, but also *mursel*, in which the *r* is again preserved; but it is lost in Ital. *muso*, the muzzle, and in the E. **MUSE** (1). γ. The OF. *\*morsel* thus indicated is a dimin. (with suffix *-el*) from a form *\*mors*; cf. Ital. *muso*, standing for an older *\*morsio*, which may have meant 'muzzle' as well as 'bit, bridle, or snaffle for a horse' (Florio). Cf. F. *mors*, 'a bit, or biting;' Cot.—Late L. *morsus*, (1) a morsel, (2) a buckle, (3) remorse, (4) a beak, snout, in which sense it is found A. D. 1309; L. *morsus*, a bite, a tooth, clasp of a buckle, grasp, fluke of an anchor.—L. *morsus*, pp. of *mordere*, to bite. See **MORSEL**. ¶ Disputed; see Körting, §§ 244, 6307, 6411; and add. note on § 244. Der. *muzzle*, verb, spelt *mosell* in the Bible of 1551, Deut. xxv. 4.

**MY**, possessive pronoun. (E.) ME. *mi*, formed from ME. *min*, mine, by dropping the final *n*. 'Ne thenkest nowt of *mine* oþes That ich haue *mi* louerd sworn?' Havelok, 578; where grammar requires '*min* louerd' to answer to the plural '*minē* oþes.' See **MINE**. ¶ The final *n* is often retained before vowels, as in the case of *an*. Der. *my-self*, ME. *mi self*, a substitution for *me self*; see Stratmann, s. v. *self*.

**MYOPIA**, shortsightedness. (Gk.) Bailey has: '*Myopia*, purblindness;' vol. ii. ed. 1731.—Gk. *μωπία*, shortsightedness.—Gk. *μωπ-*, from *μῦν*, closing the eyes, blinking, shortsighted.—Gk. *μῦ-ω*, I am shut, said of the eyes, I wink or wince; and *ὤψ*, the eye, face. See **OPTIC**.

**MYRIAD**, ten thousand, a vast number. (Gk.) In Milton, P. L. i. 87, &c.; Ben Jonson, Fortunate Isles (Johphiel). Englished from Gk. *μυριάδ-*, stem of *μυριάς*, the number of 10,000.—Gk. *μυρίος*, numberless.

**MYRMIDON**, one of a band of men. (L.—Gk.) Gen. in pl.

*myrmidons*; the *Myrmidons* were the followers of Achilles; in Chapman, tr. of Homer, *Iliad* ii. 604; Surrey, tr. of *Æneid*, ii. l. 10; and Lydgate, *Hist. of Troye*, fol. M 5. col. 1.—L. *Myrmidones*, Verg. *Æn.* ii. 7.—Gk. *Μυρμιδόνες*, a warlike people of Thessaly, formerly in *Ægina* (Homer). 'There was a fable (to account for the name) that the *Myrmidons* were ants changed into men; Ovid, *Met.* vii. 635–654. Cf. Gk. *μυρμηδών*, an ant's nest; *μύρμηξ*, an ant, cognate with Pers. *mūr*, L. *formica*.

**MYROBALAN**, the dried drupaceous fruit of some *Terminalia*, having an astringent pulp. (F.—L.—Gk.) Spelt *mirabolan*, Hakluyt, *Voy.* ii. 1. 276.—F. *myrobalan*, 'an East-Indian plumb'; Cot.—L. *myrobalanum*.—Gk. *μυροβάλανος*, lit. 'acorn producing an unguent'.—Gk. *μύρο-*, for *μύρον*, a sweet juice, unguent; and *βάλανος*, acorn, allied to L. *glans*, whence E. *gland*.

**MYRRH**, a bitter aromatic gum. (F.—L.—Gk.—Arab.) ME. *mirre*, Ancren Riwle, p. 372, l. 7; now adapted to the L. spelling.—OF. *mirre* (11th cent.); mod. F. *myrrhe* (Littré).—L. *myrrha*.—Gk. *μύρρα*, the balsamic juice of the Arabian myrtle.—Arab. *murr*, (1) bitter, (2) myrrh, from its bitterness; Rich. Dict., p. 1381. + Heb. *mōr*, myrrh; allied to *mar*, bitter.

**MYRTLE**, the name of a tree. (F.—L.—Gk.—Pers.) In Shak. Meas. for Meas. ii. 2. 117.—MF. *myrtil*, 'a myrtle-berrie; also, the lesse kind of myrtle, called noble myrtle'; Cot. Dimin. of *myrte*, *meurte*, 'the myrtle-tree'; id.—L. *murtus*, *myrtus*, myrtle.—Gk. *μύρτος*.—Pers. *mīrd*, the myrtle; Palmer, col. 617; Rich. Dict. p. 1524.

**MYSTERY** (1), anything kept concealed or very obscure, a secret rite. (L.—Gk.) ME. *mysterie*, Wyclif, Rom. xvi. 25. Englished from L. *mysterium*, Rom. xvi. 25 (Vulgate).—Gk. *μυστήριον*, Rom. xvi. 25.—Gk. *μύστης*, one who is initiated.—Gk. *μνείν*, to initiate into mysteries.—Gk. *μνείν*, to close the eyes; suggested by Gk. *μῦ*, a slight sound with closed lips; of imitative origin. See **Mute**, **Mum**. Der. *mysteri-ous*, from F. *mysterieux*, 'mysterious'; Cot.; *mysteri-ous-ly*, *-ness*. And see *mystic*, *mystify*.

**MYSTERY** (2), **MISTERY**, a trade, handicraft. (F.—L.) Cotgrave translates OF. *mestier* by 'a trade, occupation, *mystery*, handicraft.' Spenser, *Mother Hubbard's Tale*, 221, speaks of the soldier's occupation as being 'the noblest *mystery*.' This is a different word from the above, but often confused with it. It should rather be spelt *mistery*. Indeed, it owes to the word above not only the former y, but the addition of the latter one; being an extension of ME. *mistere*, a trade, craft, Chaucer, C. T. 615 (A 613).—AF. *mister*, Stat. Realm, i. 311 (1351); OF. *mestier* (as above); mod. F. *métier*. [Cognate with Span. *menester*, want, need, employment, trade; Ital. *mestiere*, with same sense.]—L. *ministerium*, service, employment.—L. *minister*, a servant; see **Minister**.

**MYSTIC**, secret, allegorical. (F.—L.—Gk.) Milton has *mystick*, P. L. v. 178, ix. 442; also *mystical*, P. L. v. 620.—F. *mystique*, 'mystical'; Cot.—L. *mysticus*.—Gk. *μυστικός*, mystic.—Gk. *μύστης*, fem. *μύστις*, one who is initiated into mysteries; see **Mystery** (1). Der. *mystic-al*, in Skelton, ed. Dyce, i. 222; *mystic-ism*; and see *mystify*.

**MYSTIFY**, to involve in mystery, puzzle. (F.—Gk. and L.) Quite modern; not in Todd's Johnson.—F. *mystifier*, to mystify. An ill-formed jumble, from Gk. *μυστι-κός*, mystic (not well divided), and L. *-ficāre*, for *facere*, to make. See Littré, who remarks that it was not admitted into the F. Dict. till 1835 (rather in 1798; Hatzfeld). See **Mystic**. Der. *mystific-at-ion*, from mod. F. *mystification*.

**MYTH**, a fable. (Gk.) Now common, but quite a mod. word and formed directly from Gk. *μῦθος*, a fable; see **Mythology**, which is a much older word in our language. Der. *myth-ic*, *myth-ic-al*, *myth-ic-al-ly*.

**MYTHOLOGY**, a system of legends, the science of legends. (F.—L.—Gk.) In Sir T. Browne, *Vulg. Errors*, b. i. c. 8, Of Ctesias. Lydgate has *methologies*, *Hist. Troye*, fol. H 2, back, col. 2.—F. *mythologie*, 'an exposition, or moralising of fables'; Cot.—L. *μῦθολογία*.—Gk. *μυθολογία*, legendary lore, a telling of fables.—Gk. *μῦθος*, for *μῦθος*, a fable; and *λέγειν*, to tell. β. The Gk. *μῦθος* is from *μῦ*, a slight sound, hence a word, saying, speech, tale; see **Mute**, **Mum**. Der. *mytholog-ic*, *mytholog-ic-al*, *mytholog-ist*.

## N

**N**. A few remarks upon this letter are necessary. An initial *n*, in English, is very liable to be prefixed to a word which properly begins with a vowel; and again, on the other hand, an original initial *n* is sometimes dropped. α. In the former case, the *n* is probably due to the final letter of *an* or *mine*; thus *an ewt* becomes

a *newt*, *mine uncle* becomes *my nuncle*, and hence *newt* and *nuncle*, used independently. Another example occurs in *nickname* for *eke-name*. In Middle-English, numerous similar examples occur, such as a *noke* for an *oke*, an oak (cf. John Nokes = John an-oaks, i. e. John of the oaks); a *naye* = an *aye*, an egg; *thi nye* = *thin ye*, thine eye; *thi nyon* = *thin ynon*, thine eyes; examples of all these are given in Halliwell, under *noke*, *naye*, *nye*, and *nyon* respectively. In the case of *for the nonce*, the *n* belongs to the old dat. case of the article, the older phrase being *for then ones*; see **Nonce**. β. On the other hand, an original *n* is lost in *auger* for *nauger*, in the sense of a carpenter's tool; in *unpire* for *mumpire*, *adder* for *nadder*, *aprou* for *anpron*, *ouch* for *nouch*. See my note to P. Plowman, C. xx. 306.

**NAB**, to seize. (Scand.) A dialect word; also found as *nap*. Added by Todd to Johnson's Dict.—Swed. *nappa*, Dan. *nappe*, to catch, snatch at. ¶ Rich. cites the word *nab-cheats* from Beaum. and Fletcher, *Beggar's Bush*, ii. 1, with the sense of *caps*. This is a totally different word; here *nab* = *knob*, the head; *cheat* = a thing, in the cant language; and *nab-cheat* = head-thing, cap; see Harman's *Caveat*, ed. Furnivall, p. 82.

**NABOB**, an Indian prince, very rich man. (Hind.—Arab.) See Burke, *Speech on the Nabob of Arcot's debts*. The word signifies 'deputy' or vice-roy, esp. applied to a governor of a province of the Mogul empire (Webster). Also *nobobb*, a nobleman; so spelt by Sir T. Herbert, *Travels*, ed. 1665, p. 104, who assigns it that meaning 'in the language of the Mogul's kingdom, which hath mixt with it much of the Persian'.—Hind. *nawwāb* (pl. of *nā'ib*), 'vice-gerents, deputies; *nawwāb*, vulg. nabob'; Forbes. But the word is merely borrowed from Arabic; Devic notes that Hind. often employs Arab. plurals as sing.—Arab. *nawwāb*; which is properly a plural form (used honorifically), signifying vice-gerents, deputies; pl. of *nā'ib*, a vice-gerent, lieutenant, deputy. Cf. Arab. *nawb*, supplying the place of another. See Rich. Dict. pp. 1606, 1557, 1608. Palmer's Pers. Dict. col. 665, has: Arab. *nawwāb*, 'a viceroy, governor; in Persia, this title is given to princes of the blood'; cf. col. 639. Cf. Port. *nababo*, a nabob; see Yule.

**NACRE**, mother-of-pearl. (F.—Span.—Arab.) In Cotgrave.—F. *nacre*, 'a naker, a great and long shell-fish, the outside of whose shell is rugged . . the inside smooth and of a shining hue'; *nacre de perles*, 'mother of pearls, the beautiful shell of another fish, wherein the best, and most pearles be found'; Cot.—Span. *nacar*.—Arab. *naqrah*, a cavity (from the hollow inside of the shell); from Arab. root *naqara*, he hollowed out; Rich. Dict., p. 1596.

**NADIR**, the point of the sky opposite the zenith. (Arab.) Chaucer uses *nadir* to signify the point of the zodiac opposite to that in which the sun is situate; *Treatise on the Astrolabe*, pt. ii. sect. 6, l. 1.—Arab. *nazīr*'s 'samt' (or simply *nazir*), the point of the sky opposite the zenith.—Arab. *nazir*, over against, corresponding to; and *as' samt*, the azimuth, or rather an abbreviation of *as' samt*'r'ras, the zenith. Rich. Dict. pp. 1586, 848. See **Azimuth**, **Zenith**. The Arab. *z* (or *d*) here used is the 17th letter of the Arab. alphabet, an unusual letter with a difficult sound, which came to be rendered by *d* in Low L. and E.

**NAG** (1), a small horse. (MDu.) In Minshew, ed. 1627. ME. *nagge*. 'Nagge, or lytlyl beest, *bestula*, *equillus*'; Prompt. Parv. 'He neyt [neighed] as a *nagge*'; *Destruction of Troy*, ed. Panton and Donaldson, l. 7727.—MDu. *negghe*, a small horse (Kilian); *negge*, 'a nagg, a small horse'; Hexham; Du. *neg*; Du. dial. *knagge* (Molema). And compare Low G. *nikkel*, a nag; and perhaps Norw. *kneggja*, Icel. *gneggja*, *hneggja*, to neigh.

**NAG** (2), to worry, tease. (Scand.) Provincial; but a good word.—Norw. and Swed. *nagga*, to nibble, peck; Dan. *nage*, Icel. *gnaga*, to gnaw; Low G. *nagen*, *naggen*, to gnaw, vex, nag, *gnaggen*, to nag (Berghaus). Allied to **Gnaw**, q. v.

**NAIAD**, a water-nymph. (L.—Gk.) In Shak. Temp. iv. 128.—L. *naiad*, stem of *naias*, a water-nymph.—Gk. *ναΐας* (gen. *ναϊάδ-ος*), a water-nymph.—Gk. *ναίειν*, to flow; Æolic form *ναίειν* (= *νᾶειν*). From √SNĀ; cf. Skt. *snā*, to bathe; OIrish *snāim*, I swim. And see **Natation**.

**NAIL**, the horny scale at the end of the human fingers and toes; a spike of metal. (E.) ME. *nail*, *nayl*; the pl. *nayles*, used of the human nails, is in Havelok, 2163; the pl. *nailes*, i. e. iron spikes, is in Chaucer, C. T. 6351 (D 769). AS. *nægel*, in both senses, Grein, ii. 274. [The loss of *g* is regular, and occurs in *hail*, *sail*, &c.] + Du. *nagel*, in both senses; Icel. *nagl*, the human nail; *nagli*, a spike, peg; Dan. *nagle*, in both senses; Swed. *nagel*, in both senses; Goth. \**nagls*, only in the derived verb *ganagljan*, to nail; G. *nagel*, in both senses. β. Teut. type \**nagloz*, m. Allied to Lithuan. *nagas*, a claw, nail, Russ. *nogot*(e), a nail, Skt. *nakhā-m*, n., *nakhā-s*, m., a nail of the finger or toe; Pers. *nākhun*, the same. γ. The Gk. *ὄνυξ*, a nail, claw, L. *unguis*, Gael. and Irish *iunga*, OIrish *inga*, W. *ewin*, go

back to forms with a different gradation. Brugmann, §§ 539, 658, 702. Der. *nail*, vb., AS. *næglian*, whence the pp. *nægled*, in Grein; *nail-er*. Cf. *onyx*.

**NAILBOURN**, an intermittent stream. (E.) Given in N. E. D. s.v. *eylebourne*, as it was spelt in 1719. But spelt *nailbourne* in 1667, and *naylborne* in 1480. We find in Birch, Cart. Saxon. ii. 172:—‘thonne . . . of dune on stream on *næglesburnan*.’ I cannot explain the form; cf. Phil. Soc. Trans. 1903-6, p. 364.

**NAIVE**, artless, simple, ingenuous. (F.—L.) A late word; the adv. *naively* is used by Pope in a letter; see the quotation in Richardson. Dryden has: ‘it was so *naive*,’ and ‘’twas such a *naiveté*;’ Marriage à la Mode, iii. 1.—F. *naïve*, fem. of *naïf*, which Cot. explains by ‘lively, quick, naturall, kindly, . . . no way counterfeit.’—L. *naivus*, native, natural; see **NATIVE**. ¶ The fem. form *naïve* was chosen, because it appears in the adv. *naïvement*, and in the sb. *naïveté*; and, in fact, it is nearer the Latin original than the masc. *naïf*. Der. *naive-ly*, for F. *naïve-ment*; and *naive-té*, sb., directly from the French. Doublet, *native*.

**NAKED**, bare, uncovered, exposed. (E.) Always dissyllabic. ME. *naked*, Chaucer, C. T. 2068 (A 2066). AS. *nacod* (= *nac-od*), which is plainly an old pp., with the pp. suffix *-od*; Grein, ii. 272. +OFries. *nakad*, *naken*; Du. *naakt*; Icel. *nakinn*, *nökviðr*; Dan. *nøgen*; Swed. *naken*; G. *nackt*, MHG. *nacket*, OHG. *nachot*, *nakot*; Goth. *nakwaths* (where *-aths* is the usual pp. suffix). β. Most of these point to an old pp. form; the Du. *-t*, Icel. *-iðr*, G. *-z*, Goth. *-aths*, are all pp. suffixes of a weak verb, and lead us back to the orig. Teut. type *\*nákwaþhōz* (> *\*nákwaðōz*); Idg. type *\*nog(w)otós*. γ. But Icel. *nak-inn*, Dan. *nøg-en*, Swed. *nak-en*, OFries. *nak-en*, adopt the pp. suffixes of a strong verb from a base *NAQ*, answering to an Idg. ✓ *NOGW*, to strip, lay bare; cf. Skt. *nagna-*, naked, Russ. *nagoi*, naked, Lith. *nūgas*, naked, L. *nūdus* (= *\*noudos* for *\*nogwedos*). Further allied words are the Irish and Gael. *nochd*, naked, bare, exposed, desolate, W. *noeth*, Bret. *nōaz*. δ. Lastly, it is remarkable that English has evolved a verb from this pp. by back-formation, viz. ONorthumb. *ge-nacian*, Mark, ii. 4; ME. *naken*. The following are examples. ‘He *nakide* the hous of the pore man,’ Wyclif, Job, xx. 19, early version; the later version has ‘he *made nakid* the hows.’ ‘O nyce men, why *nake* ye youre bakkes’=O foolish men, why do ye expose your backs (to the enemy, by turning to flee); Chaucer, tr. of Boethius, b. iv. met. 7, l. 45. It is also found much later. ‘*Lus*, Come, be ready, *nake* your swords, Think of your wrongs;’ Tourneur, The Revenger’s Tragedy, Act v. sc. 1. We even find a derived verb *naknen*; ‘A! nu *nacnes* mon mi lef’=Ah! now men strip my beloved; O. Eng. Homilies, ed. Morris, i. 283, l. 10. Cf. Brugmann, i. § 165; Rhys, W. Phil. p. 95. Der. *naked-ly*, ME. *nakedliche*, Ancrén Riwle, p. 316; *naked-ness*, ME. *nakidnesse*, Wyclif, Rev. iii. 18. Also *stark-naked*, q. v. Doublet, *nude*.

**NAKER**, a kettle-drum. (F.—Arab.) Chaucer has *nakers*, pl., C. T., A 2511.—OF. *nacaire* (Godefroy).—Arab. *naqqārah*, a kettle-drum; Palmer’s Pers. Dict.

**NAMBY-PAMBY**, weakly sentimental. (E.) Coined from Ambrose, i.e. Ambrose Philips (d. 1749), a poet whose style was ridiculed by Carey and Pope. Johnson, in his Life of Philips says: ‘The pieces that please best are those which, from Pope and Pope’s adherents, procured him the name of *Namby Pamby*;’ see Chalmers, Eng. Poets, xiii. 103.

**NAME**, that by which a thing or person is called, a designation. (E.) ME. *name* (orig. dissyllabic); Chaucer, C. T. 3939 (A 3941). AS. *nama*, Grein, ii. 273. +Du. *naam*; Icel. *nafn*, *namn*; Dan. *navn*; Swed. *namn*; Goth. *namō*; G. *name*, OHG. *namo*. Teut. type *\*namon-*. β. Further allied to L. *nōmen*; Gk. *ὄνομα*, Pers. *nām*, Skt. *nāman*; and to Irish *ainm*, W. *enw*, *name*; Russ. *imja*. Brugmann, i. §§ 399, 425. ¶ Not allied to **KNOW**; see Prellwitz. Der. *name*, vb., AS. *nemnan*, Grein, ii. 280; *nam-er*; *name-ly*, ME. *name-liche*, *nomeliche*, Ancrén Riwle, p. 18, l. 16; *name-less*, ME. *nameles*, Chaucer, tr. of Boethius, b. iv. pr. 5, l. 5; *name-less-ly*, *name-less-ness*; also *name-sake* (= *name’s sake*, the *s* being dropped before *s* following), i.e. one whose name is given him for the sake of another’s fame, Dryden, Absalom, pt. ii. l. 323 (see **SAKE**). Allied words are *nominal*, *de-nominate*. Doublet, *noun*.

**NANKEEN, NANKIN**, a kind of cotton cloth. (China.) Added by Todd to Johnson. So called from Nankin in China.—Chinese *nan-king*, ‘south court;’ cf. *Pekin*, from *pe-king*, ‘north court’ (Yule).

**NAP** (1), a short sleep. (E.) We now say ‘to take a *nap*,’ and treat *nap* as a sb. We also say ‘to be caught *napping*.’ It was formerly a verb; ME. *nappen*, to doze. ‘See! how he *nappeth*;’ Chaucer, C. T. 16958 (H 9). AS. *hnæppian*, to nap; *hnæppað* is a gloss upon *dormit*, Ps. xl. 9, ed. Spelman. Cf. Bavarian *knappen*, to nod with the head (Schmeller); OHG. *huaffezen*, to nap. Der. *napp-ing*, sb., AS. *hnappung*, Grein, ii. 90.

**NAP** (2), the roughish surface of cloth. (MDu.) In Spenser, Muicopotmos, l. 333. Shak. has *napless*=threadbare; Cor. ii. 1. 250. The older form is *noppe* (Palsgrave). ME. *noppe*; ‘*noppe* of a cloth, *villus*;’ Prompt. Parv. See Way’s note, where he cites passages to show that *noppe* ‘denotes those little knots, which, after cloth has passed through the fulling-mill, are removed by women with little nippers; a process termed *curling* cloth.’ He cites: ‘*noppy*, as cloth is that hath a gross woffe [woof];’ Palsgrave. Also: ‘Clarisse, the *nopster* (*esbourysse*) can well her craft, syth whan she lerned it, cloth for to *noppe*;’ Caxton, Book for Travellers. We now apply the term, not to the rough surface, but to the *sheared* surface, by a natural change in the sense, due to our not seeing the cloth till the process is completed. Prob. introduced by Du. clothworkers. [AS. *\*hnoppa* is unauthorised.]—MDu. *noppe*, ‘the nap of wooll or cloath,’ Hexham; cf. MDu. *noppen*, ‘to sheare of [off] the nap,’ id. Cf. Du. *nop*, nap; Dan. *noppe*, frizzed nap of cloth; MSwed. *nopp*, nap; Low G. *nobben*, nap; Bremen Wörterbuch. Also Norw. *napp*, nap, and Norw. *nuppa*, to pluck off with the fingers; AS. *hnoppian*, to pluck, Voc. 480. 23; AS. *ā-hnēapan*, to pluck off; Goth. *dis-hnupnan*, to be torn in pieces; *dis-hnupnan*, to tear to pieces. All from Teut. base *\*hneup*, to pluck, pull. Der. *napless*, as above.

**NAPE**, the joint of the neck behind. (E.) In Shak. Cor. ii. 1. 43. ME. *nape*, Prompt. Parv. ‘Dedly woundid through the *nape*;’ King Alisaunder, l. 1347. The orig. sense is projection or ‘knob;’ and the term must have been first applied to the slight knob at the back of the head, felt on passing the finger upwards from the neck; cf. OFries. *halsknep*, nape of the neck. It is, in fact, a mere variant of ME. *knappe*, a knob, button, P. Plowman, B. vi. 272. Cf. Icel. *knappi*, a knob, stud, button; AS. *cnæp*, the top of a hill. See **KNOP, Neck**.

**NAPERY**, linen for the table. (F.—L.) ‘Manie farmers . . . have learned also to garnish their cupbords with plate, . . . and their tables with fine *naperie*;’ Harrison, Descr. of England, ed. Furnivall, b. ii. c. 12, p. 239. Palsgrave has: ‘*Naprie*, store of linnen.’—OF. *naperie*, table-linen (Godefroy); orig. the office in a household for providing table-linen (Roquefort).—Late L. *nāpāria*, the same; Ducange; also spelt *mappāria*.—Late L. *nāpa*, a cloth; corrupted from L. *mappa*, a cloth. See **Napkin**.

**NAPHTHA**, an inflammable liquid. (L.—Gk.—Pers.) In Milton, P. L. i. 729. Spelt *nephtha* by Sir T. Herbert, Travels, p. 182 (Todd).—L. *naphtha*.—Gk. *νάφθα*.—Pers. *naft*, *nift*, *naphtha*; Rich. Dict. p. 1591. Allied to Zend *napta-*, moist; Horn, § 1035. Cf. Arab. *naft*, *nift*, ‘naphtha, bitumen;’ Rich. Dict. p. 1593. The final letter of the Arab. word is the 16th letter of the alphabet, sometimes rendered by *th*; and the Arab. form is unoriginal; prob. from Gk.

**NAPKIN**, a cloth used at the table, a small cloth. (F.—L.; with E. suffix.) ME. *napekin*. ‘Napet or *napekyn*, Napella, manipularium, mapella;’ Prompt. Parv. Both these forms, *nap-et* and *nape-kyn*, are formed with dimin. suffixes from F. *nappe*, ‘a tablecloth;’ Cot.; OF. *nape*, *mappe* (Supp. to Godefroy).—Late L. *nāpa*; corruption of L. *mappa*, a cloth. See **Map**. Der. *ap-ron* (for *nap-ron*); *nap-er-y*, q. v.

**NARCISSUS**, a kind of flower. (L.—Gk.) In Cotgrave, to translate F. *narcisse*.—L. *narcissus*.—Gk. *νάρκισσος*, the narcissus; named from its *narcotic* properties; see **Narcotic**.

**NARCOTIC**, producing torpor; an opiate. (F.—Gk.) Chaucer, has the pl. *nercotikes* as a pl. sb., C. T. 1474 (A 1472). It is properly an adj.—F. *narcotique*, ‘stupefactive, benumbing;’ Cot. [The L. form does not appear.]—Gk. *ναρκωτικός*, benumbing.—Gk. *ναρκώω*, I benumb; *ναρκάω*, I grow numb.—Gk. *νάρκη*, numbness, torpor. For *\*νάρπιση*, i.e. contraction; see **Snare**. Der. *narcissus*, from *νάρκη*.

**NARD**, an unguent from an aromatic plant. (F.—L.—Gk.—Pers.) In the margin of A. V., Mark, xiv. 3, where the text has *spikenard*; and in Holland, tr. of Pliny, b. xii. c. 12. ME. *nard*, Wyclif, John, xii. 3.—F. *nard*, ‘spikenard;’ Cot.—L. *nardus*, Mk. xiv. 3 (Vulgate).—Gk. *νάρδος*, Mk. xiv. 3.—OPers. type *\*narda-* (Horn, § 1060), whence also Heb. *nērd*, and Skt. *nalada-*, the Indian spikenard, *Nardostachys jatamansi*; Benfey. β. The name is Persian; the Arab. *nardin* is borrowed, like the Skt. and Heb. forms. The interchange of *l* and *r* is common in many languages. Der. *spike-nard*.

**NARGILEH, NARGILE, NARGILI**, a pipe or smoking-apparatus in which the smoke is passed through water. (Pers.) ‘Making believe to puff at a *narghile*;’ Thackeray, Van. Fair, bk. ii. c. 16. From Pers. *nārgil*, a coco-nut; because these pipes were orig. made with a coco-nut, which held the water; Rich. Dict., p. 1548. Cf. Skt. *nārikera-s*, *nārikela-s*, a coco-nut. See Yule and Devic.

**NARRATION**, a tale, recitation. (F.—L.) [The verb *narrate* is late.] *Narration* is in Minshew, ed. 1627. It occurs earlier, in The Monk of Evesham, p. 65 (1482).—F. *narration*, ‘a narration;’

Cot. — L. *narrātiōnem*, acc. of *narrālio*, a tale. — L. *narrāre*, to relate, tell; lit. to make known. — L. *nārus*, another form of *gnārus*, knowing, acquainted with. From \**gnā-*, allied to ✓*GEN*, to know; cf. Skt. *ajā*, to know, Russ. *znate*, E. *know*; see **Know**. Der. From L. *narrāre* we also have *narrate*, vb., in Johnson's Dict.; *narrat-ive*, adj., from F. *narratif*, 'narrative' (Cot.); *narrat-ive*, sb., Bacon, Life of Hen. VII, ed. Lumby, p. 54, l. 14; *narrat-or*.

**NARROW**, of little breadth or extent. (E.) ME. *narowe*, *narewe*, *narwe* (with one *r*); Chaucer has *narwe* (= narrowly) as an adv., C. T. 3224; also as an adj., C. T. 627 (A 625). AS. *nearu*, *nearo*, adj.; *nearwe*, adv., Grein, ii. 287, 288. + OSax. *narū*, adj., *narawo*, adv.; Du. *naar*, dismal, sad (see Franck). Teut. type \**narwoz*. Connected by Curtius (i. 392) with *nerve*. Der. *narrow-ly*, *narrow-ness*, *narrow-mind-ed*.

**NARWHAL**, the sea-unicorn. (Scand.) In Ash's Dict., ed. 1775. 'Teeth of *narwhals*,' Sir T. Browne, Vulgar Errors, bk. iii. c. 23, § 6. — Dan. and Swed. *narhval*; Icel. *nūhvalr*, a narwhal. β. The latter part of the word is the same as E. *whale*. As to the sense of the prefix, the lit. sense of Icel. *nū-hvalr* is 'corpse-whale,' from Icel. *nūr* (in compounds *nū-*), a corpse; and the fish is often of a pallid colour. Such is the usual explanation; perhaps it is only a 'popular' etymology.

**NASAL**, belonging to the nose. (F.—L.) In Kersey, ed. 1715. Burton uses *nasals* for medicines operating through the nose; Anat. of Melancholy, p. 384 (R.); or p. 393 (Todd). — F. *nasal*, belonging to the nose; Cot. — Late L. *nāsālis*, nasal; a coined word, not used in good Latin. — L. *nās-us*, the nose, cognate with E. *nose*; see **Nose**. Der. *nas-turt-ium*, q. v.

**NASCENT**, springing up, arising. (L.) A late word, added by Todd to Johnson. — L. *nascens*, stem of pres. part. of *nasci*, to be born, to arise, an inceptive form with pp. *nātus*. See **Natal**.

**NASTURTIUM**, the name of a flower. (L.) In Ash's Dict., ed. 1775. 'Cresses tooke the name in Latine *nasturtium*, a *narium tormento*, as a man would say, nose-wring, because it will make one writh and shrink vp his nostrhills;' Holland, tr. of Pliny, b. xix. c. 8. — L. *nasturtium*, cress; better spelt *nasturcium*. — L. *nās-*, stem of *nāsus*, the nose; and *turc-* = *torc-*, from *torquēre*, to twist, torment. see **Nose** and **Torture**.

**NASTY**, dirty, filthy, unpleasant. (Scand.) In Hamlet, iii. 4. 94. Formerly also (as Wedgwood points out) written *nasky*. 'Maulavé, ill-washed, slubbered, *naskie*, *nasty*, foul;' Cot. In such cases, the form with *k* is the older; cf. ME. *naxty*; as in 'naxty, and needy, and nakut;' Three Met. Romances, ed. Robson, A. st. xv. Of Scand. origin; preserved in Swed. dial. *naskug*, nasty, dirty, foul (used of weather); we also find the form *nasket*, dirty, sullied (Rietz); cf. Dan. dial. *nasken*, *nasket*, old, worn out (said of clothes), Molbech. β. Perhaps allied to Swed. dial. *snaskig*, nasty, swinelike; Swed. *snuskig*, slovenly, nasty; Swed. dial. *snaska*, to eat like a pig, to eat greedily and noisily, to be slovenly (Rietz); Dan. *snaske*, to champ one's food with a smacking noise. These words are of imitative origin, like various other suggestive words of a like character. The word appears also in Low G. *nask*, nasty, Bremen Wörterbuch; and may be allied to Norweg. *nask*, greedy, *naska*, to eat noisily. Cf. Dan. *knaske*, *gnaske*, to crunch; and E. *gnash*. Der. *nasti-ly*, *nastiness*.

**NATAL**, belonging to one's birth. (F.—L.) 'By *natall* Joves feest' = by the feast of Jove, who presides over nativity; Chaucer, Troilus, iii. 150. — F. *natal*, in use at least as early as the 15th cent. (Littre); though the true OF. form is *nōel*. — L. *nātālis*, natal, also presiding over a birth. — L. *nātus* (for *gnātus*), born. Cf. Gk. *-γενος*, in *κασι-γενος*, a blood relation. From the base *gnā-*, allied to ✓*GEN*, to beget, produce; see **Kin**, **Genus**. Der. From L. *nātus* are *in-nate*, cognate; and see *nat-ion*, *nat-ive*, *nat-ure*.

**NATATION**, swimming. (L.) Used by Sir T. Browne, Vulgar Errors, bk. iv. c. 6. § 2. From the acc. of L. *natūtio*, a swimming. — L. *natāre*, to swim; frequent. of L. *nāre*, to swim. Cf. Gk. *νή-χew*, to swim; OIrish *snā-im*, I swim. See **Naiad**.

**NATION**, a race of people. (F.—L.) ME. *nation*, Chaucer, C. T. 4688 (B 268). — F. *nation*. — L. *nātiōnem*, acc. of *nātio*, a race; cf. *nātus*, born; see **Natal**. Der. *nation-al*, *nation-ally*, *nation-al-ity*, *nation-al-ise*.

**NATIVE**, original, produced by nature, due to birth. (F.—L.) 'O *native* land!' Surrey, tr. of Æneid, b. ii. l. 305; where the L. text has *patria*; see Spec. of English, ed. Skeat, p. 207. 'His *native* cuntry;' Sir T. More, Works, p. 306 a. — F. *natif*, masc. *native*, fem. 'native'; Cot. — L. *nātivus*, natural, native. — L. *nātus*, born; see **Natal**. Der. *native-ly*, *native-ness*; also *nativ-ly*, ME. *natiuitee*, Chaucer, C. T. 14022 (B 3206), from F. *nativité*, from L. acc. *nātivitatē*. Doublet, *naive*.

**NATRON**, native carbonate of sodium. (F.—Span.—Arab.—Gk.—Heb.) F. *natron*. — Span. *natron*. — Arab. *naṭrūn*, *nīṭrūn*, *natron*,

nitre; Rich. Dict., p. 1585. — Gk. *νίτρον*. — Heb. *nether*, nitre, Prov. xxv. 20. Doublet, *nitre*.

**NATTER-JACK**, a kind of toad. (E. and F.—L.—Gk.—Heb.) In Pennant (1769). 'It has a deep, hollow voice, which may be heard at a considerable distance;' Cent. Dict. Perhaps from prov. E. *natter*, *gnatler*, to make a rattling noise; see E. D. D. And see **Jack**.

**NATTY**, neat. (F.—L.) Formerly *nettie*; Tusser, Husbandry, § 68, l. 6. From *net*, adj.; see **Net** (2), **Neat** (2).

**NATURE**, kind, disposition. (F.—L.) ME. *nature*, in OEng. Miscellany, Ser. i., ed. Morris, p. 35, l. 29. — F. *nature*. — L. *nātūra*, nature. — L. *nātus*, born, pp. of *nasci*, to be born; see **Natal**. Der. *natur-al*, ME. *naturel*, OEng. Miscellany, Ser. i. p. 30, l. 17, from F. *naturel* < L. *nātūrālis*; *natur-al-ly*, *natural-ness*, *natur-al-ism*, *natur-al-ise*, *natur-al-ist* (see Trench, Select Gloss.), *natur-al-is-at-ion* (Minsheu); also *un-natural*, *preter-natural*, *super-natural*.

**NAUGHT, NOUGHT**, nothing. (E.) ME. *naught*, Chaucer, C. T. 758. Older spelling *nawiht*, Layamon, 473. AS. *nāwiht*, often contracted to *nāht*, Grein, ii. 274. — AS. *nū*, no, not; and *wiht*, a whit, thing; Grein, ii. 272, 703. See **No** and **Whit**. Der. *naught*, adj., i. e. worthless, As You Like It, i. 2. 68, 69, iii. 2. 15; whence *naught-y*, i. e. worthless (Prov. vi. 12), Sir T. More, Works, p. 155 e; *naught-i-ly*, *naught-i-ness*. Doublet, *not*.

**NAUSEOUS**, disgusting. (L.—Gk.) *Nauseous* and *nauseaie* are in Blount's Gloss., ed. 1674. Englished from L. *nauseōsus*, that produces nausea. — L. *nausea*, *nausia*, sea-sickness, sickness. — Gk. *vavōia*, sea-sickness. — Gk. *vavōs*, a ship, cognate with L. *nāuis*; see **Nave** (2). Der. *nauseous-ly*, *-ness*; *nause-ate*, from L. *nauseātus*, pp. of *nauseāre*, to feel sick, from *nausea*, sickness. We have also adopted the sb. *nausea*, which occurs in Phillips, ed. 1706.

**NAUTCH**, a kind of ballet-dance by women. (Hind.—Prakrit—Skt.) Spelt *nāch* by Bp. Heber in 1825, who speaks of 'the *nāch*-women.' — Hind. (and Mahratti) *nāch*, a dance; Prakrit *nachcha*. — Skt. *nytya*, dancing, acting; orig. fut. pass. part. of *nṛt*, to dance, act. (See Yule.) Der. *nautch-girl*, a dancing girl.

**NAUTICAL**, naval, belonging to ships. (L.—Gk.) Blount's Gloss., ed. 1674, has *nautical* and *nautick*, the latter being the more orig. form. — L. *nauticus*, nautical. — Gk. *ναυτικός*, pertaining to ships. Gk. *ναύτης*, a sea-man. — Gk. *vavōs*, a ship, cognate with L. *nāuis*; see **Nave** (2). Der. *nautical-ly*.

**NAUTILUS**, a kind of shell-fish. (L.—Gk.) 'The *Nautilus* or Sailer, a shell-fish, that swims like a boat with a sail;' Phillips, ed. 1706. — L. *nautilus*. — Gk. *ναυτίλος*, a sea-man, also, the nautilus. — Gk. *ναύτης*, a sea-man; see **Nautical**.

**NAVAL**, belonging to ships, marine. (F.—L.) In Cotgrave. — F. *naval*, 'navall'; Cot. — L. *nāuālis*, naval. — L. *nāuis*, a ship; see **Nave** (2).

**NAVE** (1), the central portion or hub of a wheel, through which the axle passes. (E.) ME. *nave* (with *u* = *v*), Chaucer, C. T. 7848 (D 2266). AS. *nafu*, *nafa*; Ælfred, tr. of Boethius, b. iv. pr. 6, cap. xxxix, § 7. + Du. *naaf*; Icel. *nōf*; Dan. *nav*; Swed. *naf*; G. *nabe*, OHG. *naba*. Teut. type *nabū*, fem. Allied to Skt. *nābhi-*, the navel, the nave of a wheel, the centre. See **Navel**. Der. *anger*, for *nau-ger*.

**NAVE** (2), the middle or body of a church. (F.—L.) In Phillips, World of Words, ed. 1706. Spelt *nef* in Addison, Travels in Italy, description of the church of St. Justina in Padua. — F. *nef*, 'a ship; also, the body of a church;' Cot. — Late L. *nāuem*, acc. of *nāuis*, the body of a church. The similitude by which the church of Christ is likened to a ship tossed by waves was formerly common. See my note to P. Plowman, C. xi. 32, where I cite the passage from Augustine about 'nauis, i. e. ecclesia;' S. Aug. Sermo lxxv. cap. iii. ed. Migne, v. 475. — L. *nāuis*, a ship. + Gk. *vavōs*, a ship; Skt. *nāu-*, a ship, boat; OIrish *naui*. Brugmann, i. § 184; Prellwitz. Der. *nav-al*, q. v., *nau-ti-c-al*, q. v., *nau-ti-lus*, q. v., *argo-naut*, q. v., *nav-igate* (see *navigation*), *nav-y*. From the same root are *nai-ad*, *nau-sea*.

**NAVEL**, the central point of the belly. (E.) A dimin. of *nave* (1). We find *nave* used for *navel*, Mach. i. 2. 22; and conversely *navels* (= *navels*) for the *naves* of a wheel, Bible, ed. 1551, 3 Kings, vii. 33. ME. *navel* (= *navel*), Chaucer, C. T. 1959 (A 1957). AS. *nafela*, Ælfred, tr. of Orosius, b. iv. c. 1. § 5. + Du. *navel*; Icel. *nafli*; Dan. *navle*; Swed. *nafle*; G. *nabel*. Teut. type \**naḥalon-*, from \**nabā*, a nave. Cf. also Pers. *nāf*, navel (Horn, § 1020); Skt. *nābhi-*, navel, nave, centre. See **Nave** (1). β. Further related, with a difference of gradation, to Gk. *ὀμφαλός*, navel, L. *umbilicus*, OIrish *imblin*. So also *nave* (1) is related to L. *umbō*, the boss of a shield. Brugmann, ii. § 76.

**NAVEW**, the wild turnip. (F.—L.) 'Rape-rottes and *Nauews*;' Sir T. Elyot, Castel of Helth, bk. ii. c. 9. — MF. *naveau*, 'the nawew gentle;' Cot. — Late L. *nāpellum*, acc. of *nāpellus*; dimin. of L. *nāpus*, a kind of turnip, a nawew. Cf. *tur-nip*.

**NAVIGABLE**, that may be travelled over by ships. (F.—L.) In Palsgrave.—F. *navigable*, 'navigable'; Cot.—L. *nāuigābilis*, navigable.—L. *nāuigāre*, to navigate; see **Navigation**. Der. *navigabl-y*, *navigable-ness*.

**NAVIGATION**, management of a ship. (F.—L.) In Shak. Macb. iv. 1. 54.—F. *navigation*, 'navigation, sailing'; Cot.—L. *nāuigātionem*, acc. of *nāuigātio*, a sailing.—L. *nāuigāre*, to sail, manage a ship.—L. *nāu-*, stem of *nāuis*, a ship; and *-ig-*, for *ag-*, base of *agere*, to drive. See **Nave** (2) and **Agent**. Der. *navigate*, from L. *nāuigātus*, pp. of *nāuigāre*, but suggested by the sb.; *navigat-or*, familiarly contracted to *navvy*, formerly applied to the labourers on canals for internal navigation, and now applied to labourers on railways! Also *circum-navigate*.

**NAVY**, a fleet of ships. (F.—L.) ME. *naue*, Chaucer, Ho. of Fame, i. 216.—OF. *navie*, a fleet (Burguy); the orig. sense was a single ship.—L. *nāuia*, a ship, vessel.—L. *nāui-*, decl. stem of *nāuis*, a ship; see **Nave** (2).

**NAWAB**, the same as **Nabob**.

**NAY**, no, a form of denial. (Scand.) There was a difference in usage between *nay* and *no* formerly; the former answered simple questions, the latter was used when the form of the question involved a negative expression. Besides this, *nay* was the simple, *no* the emphatic form, often accompanied by an oath. The distinction went out of use in the time of Henry VIII; see Skeat, Spec. of Eng. p. 192, l. 22, and the note; Student's Manual of the Eng. Language, ed. Smith, pp. 414, 422. Moreover, *nay* is of Scand. origin, whilst *no* is E. ME. *nay*, Chaucer, C. T., A 1667, 8693 (E 817); spelt *nai*, *nai*, Layamon, 13132.—Icel. *nei*, no, Dan. *nei*, Swed. *nej*; cognate with E. *no*; see **No**. Opposed to **Aye**.

**NAZARITE**, a Jew who made vows of abstinence, &c. (Heb.; with Gk. suffix.) 'To vowe a vowe of a Nazarite to separate [himself] vnto the Lorde;' Geneva Bible, 1561, Numb. vi. 5 (R.); [rather, vi. 2]. Formed with suffix *-ite* (=L. *-ita*, from Gk. *-ιτης*) from Heb. *nāzar*, to separate oneself, consecrate oneself, vow, abstain. Der. *Nazarit-ism*.

**NEAP**, scanty, very low; said of a tide. (E.) ME. *neep*; very rare. 'In the *neep*-seasons,' i.e. in the neap-tide seasons, when boats cannot come to the quay; Eng. Gilds, ed. Toulmin Smith, p. 425.—AS. *nēp*, in the term *nēp-flōd*, as opposed to *hēah-flōd*=high flood; Voc. 182. 38; also Voc. 1. 14. The spelling *neap* indicates an open *ē*; prob. *nēp* is an OMerian form, for *\*nēp*; from Teut. root *\*nēpan* (*\*neipan*), to pinch; whence Du. *nijpen*, to pinch, *neep*, a pinch, nip. Thus the sense is 'pinched,' or 'scanty.' Cf. EFries. *nēp-tange*, a pair of pincers. See Phil. Soc. Trans. 1903-6; p. 254. ¶ Quite a distinct word from *ebb*. Der. *neap-tide*.

**NEAR**, nigh, close at hand. (E.) By a singular grammatical confusion, this word, orig. used as the comparative of *nigh*, came to be used as a *positive*, from which the new comparative *nearer* was evolved. In Schmidt's Shakespeare Lexicon, the explanation is given wrongly; he says that *near* is put by contraction for *nearer*, whereas it is the old form of the word. Shak. uses both *near* and *nearer* as comparatives; both forms occur together, Macb. ii. 3. 146: cf. 'nor *near* nor farther off'; Rich. II, iii. 2. 64; 'being *ne'er* the *near*'; id. v. 1. 88. The form *near-er* is late, not found in the 14th cent., perhaps not in the 15th. Dr. Morris (Outlines of E. Accidence) observes that '*near*, for *nigh*, first came into use in the phrase *far and near*, in which *near* is an adverb.' But it first appears in 'comen *neer*,' Genesis and Exod. 2611 (ab. 1250). [He goes on to cite an AS. *neorran*, not given in the dictionaries.] It is clear that the precise form was first of all adverbial; the ME. form of *nigher* was *nerre*, whilst the adv. was *ner*, or *neer*. 'Cometh *neer*'=come near; Chaucer, C. T. 841 (A 839). AS. *nēar*, comp. adverb from *nēah*, nigh; Grein, ii. 283.—Icel. *nær*, adv.; both pos. and comp.; orig. the latter. See **Nigh**. Der. *near-ly*, Macb. iv. 2. 67; *near-ness*, Rich. II, i. 1. 119; *near-sight-ed*.

**NEAT** (1), black cattle, an ox, cow. (E.) ME. *neet*, both sing. and pl.; used as pl. in Chaucer, C. T. 599 (A 597). AS. *nēat*, neut. sb., unchanged in the plural (like *sheep*, *deer*, also neuters); Grein, ii. 288.—Icel. *naut*, neut. sb., unchanged in the plural, and gen. used to mean cattle, oxen; Swed. *nöt*; Dan. *nöd*; MHG. *nōz*, neut. sb., cattle. Teut. type *\*nautom*, n. β. So named from their usefulness and employment. From *\*naut*, 2nd grade of Teut. *\*neut-an-*, to employ, as seen in AS. *nēotan*, *niotan*, to use, employ; Grein, ii. 292; Icel. *njōta*, to use, enjoy; MHG. *niezen*, OHG. *niozan*, G. *geniessen*, to enjoy, have the use of; Goth. *niutan*, to receive joy (or benefit) from. From Idg. *\*neud*; whence Lithuan. *naudū*, usefulness, *naudingas*, useful (Nesselman). Brugmann, i. § 221. Der. *neat-herd*.

**NEAT** (2), tidy, unadulterated. (F.—L.) '*Neat and fine*;' Two Gent. of Verona, i. 2. 10. Also spelt *nett*; Spenser, F. Q. iii. 12. 20. 'To kepe it cleen and *nette*;' Caxton, Godfrey of Boloyne, ch. 6.

—F. *net*, masc., *nette*, fem., 'neat, clean, pure'; Cot. [Cf. *beast* from OF. *beste*.]—L. *nitidum*, acc. of *nitidus*, shining, clear, handsome, neat, elegant.—L. *nitēre*, to shine. Der. *neat-ly*, *neat-ness*. Doublet, *net* (2).

**NEB**, the beak of a bird, the nose. (E.) In Winter's Tale, i. 2. 183. ME. *neb*. '*Ostende mihi faciam*, scheau thi *neb* to me'=shew me thy face; Ancren Riwe, p. 90. AS. *nebb*, the face, John, xi. 44.—Du. *neb*, bill, beak, nib, mouth; Icel. *nef*, the nose; Dan. *næb*, beak, bill; Swed. *näbb*, beak, bill. β. The word has lost an initial *s*; we also find Du. *snebe*, a bill, beak, *snavel*, a bill; G. *schnabel*, a bill, beak, nib. The MHG. *snabel*, a bill, is derived from MHG. *snaben*, to snap. And cf. Lith. *snapas*, a bill. Doublet, *nib*.

**NEBULA**, a misty patch of light; a cluster of very faintly shining stars. (L.) Modern and scientific.—L. *nebula*, a mist.—Gk. *νεφέλη*, a cloud; dimin. of *νέφος*, cloud, mist.—G. *nebel*, mist, fog; Du. *nevel*, Icel. *nífl*. β. The Gk. *νέφος* is cognate with W. *nef*, OIrish *nem*, heaven, Russ. *nebo*, heaven; Skt. *nabhas*, sky, atmosphere, æther. Brugmann, i. § 554. Der. *nebul-ar*, *nebul-ose*, *nebul-ous*, *nebul-os-i-ty*.

**NECESSARY**, needful, requisite. (F.—L.) ME. *necessarie*, Chaucer, C. T. 12615 (C 681).—OF. *nécessaire*, 'necessary'; Cot.—L. *necessarius*, needful.—L. *nécessé*, neut. adj., unavoidable, necessary. β. The usual derivation from *ne*, not, and *cedere*, to give way, is not satisfactory. Der. *necessari-ly*, also *necessity*, ME. *necessitee*, Chaucer, C. T. 3044 (A 3042), from OF. *necessite* < L. acc. *necessitatem*; hence *necessit-ous*, *-ly*, *-ness*, *necessit-ate*, *necessit-ar-ian*.

**NECK**, the part of the body joining the head to the trunk. (E.) ME. *nekke* (dissyllabic), Chaucer, C. T. 5859 (D 277). AS. *hnecca*, Deut. xxviii. 35.—Du. *nek*, the nape of the neck; G. *genick*, MHG. *genicke*. Teut. type *\*hnakjon-*. Cf. Icel. *hnakki*, the nape of the neck, back of the head; Dan. *nacke*, the same; Swed. *nacke*, the same; G. *nacken*, nape, neck, crag; from Teut. type *\*hnakkon-*. Cf. Norw. *nakk*, a knoll, *nakke*, nape, neck; the orig. sense being 'projection,' as in the parallel form *nape*. Further allied to Irish *cnoc*, a hill. Der. *neck-cloth*, *neckerchief* (for *neck-kerchief*, see **Kerchief**), *neck-band*, *neck-tie*; *neck-lace*, Winter's Tale, iv. 4. 244, compounded of *neck* and *lace*; *neck-verse*, Tyndall's Works, p. 112, col. 1, on which see my note to P. Plowman, C. xv. 129.

**NECROLOGY**, a register of deaths. (Gk.) Added by Todd to Johnson. From Gk. *νεκρός*, stem of *νεκρός*, a corpse; and *-λογία*, due to λόγος, discourse, from λέγειν, to speak. See **Necromancy**.

**NECROMANCY**, divination by communion with the dead. (F.—L.—Gk.) The history of the word is somewhat concealed by our modern knowledge of Gk., which enables us to spell the word correctly. But the ME. forms are *nigromance*, *nigromancie*, and the like. Precisely the same 'correction' of the spelling has been made in modern French. Spelt *nygremauncye* in King Alisaunder, l. 138; *nigromancye* in P. Plowman, A. xi. 158, on which see my Notes to P. Pl., p. 246. Trench rightly remarks, in his Eng. Past and Present, that 'the Latin mediæval writers, whose Greek was either little or none, spelt the word *nigromantia*, as if its first syllables had been Latin.'—OF. *nigromance*, 'nigromancy, conjuring, the black art'; Cot. Spelt *nigromancie* in the Vie de S. Auban, l. 997.—Late L. *nigromantia*, corrupt form of *necromantia*.—Gk. *νεκρομαντεία*, necromancy.—Gk. *νεκρός*, for *νεκρός*, a corpse; and *μαντεία*, prophetic power, power of divination. β. The Gk. *νεκρός* is allied to *νεκνυς*, a corpse, dead body.—✓NEK, to perish, to kill; whence Skt. *naç*, to perish, *naçaya*, to destroy, L. *neçare*, to kill, and E. *inter-nec-ine*, q. v. γ. The Gk. *μαντεία* is from *μάντις*, a prophet, seer, inspired one; cf. Gk. *μαίνωμαι*, I rage; see **Mania**. Der. *necromancer*, Deut. xviii. 11 (A. V.); *necromantic*, from Gk. *νεκρο-*, and *μαντικός*, prophetic; *necromantic-al*. ¶ From the singular confusion with L. *niger*, black, above mentioned, the art of *necromancy* came to be called the *black art*!

**NECTAR**, a delicious beverage. (L.—Gk.) In Spenser, Sonnet 39, l. 13.—L. *nectar*.—Gk. *νέκταρ*, the drink of the gods; Homer, Il. xix. 38, Od. v. 93. Perhaps 'overcoming death'; cf. Gk. *νέκ-υς*, a corpse, and Skt. *tar-a-*, overcoming. Der. *nectar-e-an*, *nectar-e-ous*, *nectar-ous*, *nectar-y*; also *nectar-ine*, the name given to a variety of the peach, orig. an adj., as in '*Nectarine fruits*,' Milton, P. L. iv. 332.

**NEED**, necessity, distress. (E.) ME. *need*, *nede*, Chaucer, C. T. 4523 (B 103). OMer. *nēd*; AS. *nȳd*, *nied* (*nēad*); Grein, ii. 301.—Du. *nood*; Icel. *naud*; Dan. and Swed. *nöd*; Goth. *nauhts*; G. *noth*, OHG. *nōt*. β. The Teut. stem is *\*nauði-* (>*\*nauði-*); answering to Idg. stem *\*nau-ti-*; as in OPruss. *nautin*, need. (But *nēad* represents Teut. *\*nauði-*.) Brugmann, i. § 427 b. ¶ Confused in late AS. texts with *nēod*, *nied*, *nyd*, desire; which is related to OSax. *niud*, OHG. *niot*, earnestness; from the Teut. base *\*neud-*. Der. *need-ful*, ME. *neodful*, Ancren Riwe, p. 260, l. 10; *need-less*, *need-less-ly*, *need-less-ness*; *need-y*, ME. *nedy*, P. Plowman, B. xx. 40, 41, 47, 48; *need-i-ly*, *need-i-ness*. Also *need-s*, adv., ME. *needes*, *nedes*,

Chaucer, C. T. 1171 (A 1169), where the final *-es* is an adverbial ending, orig. due to AS. gen. cases in *-es*; but in this case *nedes* supplanted an older form *nede*, Layamon, l. 1051, which originated in AS. *nȳde*, gen. case of *nȳd*, which was a fem. sb. with gen. in *-e*.

**NEEDLE**, a sharp pointed steel implement, for sewing with. (E.) ME. *nedle*, *nedel*, also spelt *nelde*, *neelde*; P. Plowman, C. xx. 56, and various readings. AS. *nēdl*, Grein, ii. 274; earlier forms *nēdl*, *nēpl* (OE. Texts). +Du. *naald* (for *naadl*); Icel. *nāl* (by contraction); Dan. *naal*; Swed. *nål*; G. *nadel*, OHG. *nādelā*; Goth. *nēthla*. β. The Teut. type is *\*nēthlā*, from a base *nē* = Idg. *\*NE*, to sew, fasten with thread, preserved in OHG. *nāhen*, G. *nähen*, to sew, and also in L. *nēre*, Gk. *νήθαι*, *νέειν*, to spin. The suffix denotes the agent. γ. This is clearly one of the rather numerous cases in which an initial *s* has dropped off; the orig. root is *\*SNE*; as in Irish *snathad*, a needle, *snathaim*, I thread, or string together, *snaidhe*, thread, Gael. *snathad*, a needle, *snath*, thread, yarn; OIrish *snim*, a spinning. Stokes-Fick, p. 315; Brugmann, i. § 136. Der. *needle-book*, *-ful*, *-gun*, *-woman*, *-work*.

**NEESE, NEEZE**, to breathe hard, sneeze. (Scand.) 'To neeze' = to sneeze, Mids. Nt. Dr. ii. 1. 56. The sb. *neesing* is in Job, xli. 18 (A. V.). ME. *nesen*, vb., *nesing*, sb.; see Prompt. Parv., and Way's note. Not found in AS. — OIcel. *hnjósa*; Dan. *nyse*; Swed. *nysa*. +Du. *niezen*, G. *niesen*, OHG. *nīusan*. Teut. type *\*nheusan-*. Like the parallel form *sneeze*, it is of imitative origin; cf. Skt. *kshu*, to sneeze. ¶ In the later version of Wyclif, Job, xli. 9, the reading is *fuesynge*; this is not quite the same word, though of similar formation. The sense of *fuesynge* is 'violent blowing,' but it also means sneezing; cf. AS. *fneōsing*, sneezing, *fneast*, a puff, Du. *fniezen*, to sneeze. Cf. 'And *fueseth* faste' = and puffs hard, Chaucer, C. T., H 62. Teut. type *\*fneusan-*. It reminds us of Gk. *πνέειν*, to blow. Der. *nees-ing*, *neez-ing*, as above.

**NEFARIOUS**, unlawful, very wicked. (L.) In Butler, To the Memory of Du-Val, l. 20. Englished from L. *nefārius*, impious, very wicked; by change of *-us* to *-ous*, as in *arduous*, &c. — L. *nefās*, that which is contrary to divine law, impiety, great wickedness. — L. *ne-*, for *nē*, not; and *fās*, divine law, orig. that which is divinely uttered; cf. *fārī*, to speak; see **Fate**. Der. *nefario-us-ly*, *-ness*.

**NEGATION**, denial. (F.—L.) In Shak. Troilus, v. 2. 127. — F. *negation*, 'a negation'; Cot. — L. acc. *negātiōnem*, from nom. *negātio*; cf. *negātus*, pp. of *negāre*, to deny. β. *Negāre* is opposed to *āire*, to affirm; but is unconnected with it. Brugmann, ii. § 774, explains *neg-āre* by comparing Lith. *ne-gi*, not at all; cf. L. *neg-ōtium*. Der. *negat-ive*, adj., Wint. Tale, i. 2. 274, ME. *negatif*, *negative*, Usk, Test. of Love, bk. iii. ch. 2. 92, from F. *negatif* < L. *negātīvus*; *negative-ly*, *negative-ness*; also *negative*, sb., Twelfth Nt. v. 24. From the same L. *negāre* we have *de-ny*, *ab-negate*, *re-negate*, *re-negate*.

**NEGLECT**, to disregard. (L.) Orig. a pp. 'Because it should not be neglected or left undone'; Tyndall, Works, p. 276, col. 2. 'To neglect and set at nought'; Sir T. More, Works, p. 257 g. — L. *neglectus*, pp. of *negligere*, to neglect. *Negligere* = *neg-legere*. — L. *neg-*, a particle of negation, and *legere*, to gather, collect, select. See **Negation** and **Legend**. Der. *neglect-ful*, *neglect-ful-ly*, *neglect-ful-ness*; *neglect-ion*, a coined word, 1 Hen. VI, iv. 3. 49; and see *negligence*.

**NEGLECT**, to disregard. (F.—L.) ME. *negligence*, Chaucer, C. T. 1883 (A 1881). — F. *negligence*, 'negligence'; Cot. — L. *negligentia*, carelessness. — L. *negligent-*, stem of pres. part. of *negligere*, to neglect; see **Neglect**. Der. *negligent*, ME. *negligent*, Chaucer, C. T. 7398 (D 1816), from F. *negligent* (Cot.) < L. *negligentem*, acc. of pres. part. of *negligere*; *negligent-ly*; also *negligee*, from F. *negligé*, pp. of *negliger*, to neglect < L. *negligere*.

**NEGOTIATE**, to do business, transact. (L.) In Minshew, ed. 1627. 'She was a busy negotiating woman'; Bacon, Life of Hen. VII, ed. Lumby, p. 24, l. 14. — L. *negōtiātus*, pp. of *negōtiārī*, to transact business. — L. *negōtium*, business. Compounded of L. *neg-*, negative particle (see **Negation**); and *ōtium*, leisure. Der. *negotiat-or*, from L. *negōtiātōr*; *negotiat-ion*, from F. *negociation*, 'negociation', Cot., from L. acc. *negōtiātiōnem*; *negotia-ble*; *negotiat-or-y*. ¶ The right (historical) spelling is *negotiate* for the verb, *negociation* for the sb.; but this is not regarded.

**NEGRO**, one of the black race of mankind. (Span.—L.) In Shak. Merch. Ven. iii. 5. 42. 'Black as negro'; Hakluyt, Voy. iii. 649. — Span. *negro*, a black man. — L. *nigrum*, acc. of *niger*, black; see **Nigrescent**. ¶ Minshew gives the form *neger*; this is from the OF. *negre* (mod. F. *negre*), 'a negro' (Cot.), and answers to mod. E. *nigger*, q.v.

**NEGUS** (1), a beverage of wine, water, sugar, &c. (E.) 'The mixture now called *negus* was invented in Queen Anne's time by Colonel *Negus*'; Malone, Life of Dryden, p. 484 (Todd's Johnson). Col. Francis *Negus* died in 1732; N. E. D. The *Neguses* are a

Norfolk family; see Notes and Queries, 1 Ser. x. 10, 2 Ser. v. 224; Gent. Mag. Feb. 1799, p. 119.

**NEGUS** (2), a title of the kings of Abyssinia (Abyssinian). 'Th' empire of *Negus*'; Milton, P. L. xi. 397. '*Neguz* [which signifieth] a king'; John Pory, tr. Lee's Hist. Africa, Introd. p. 21 (Stanford Dict.).

**NEIF, NEAF**, the fist. (Scand.) In Shak. Mids. Nt. Dr. iv. 1. 20; 2 Hen. IV, ii. 4. 200. ME. *neue* (= *neve*, dat. case), Havelok, 2405. — Icel. *hnēfi*, the fist; Swed. *nūfve*; Dan. *næve*.

**NEIGH**, to make a noise as a horse. (E.) ME. *nezen*, Wyclif, Isa. xxiv. 14, earlier version. AS. *hnēgan*, to neigh; Ælfric's Grammar, p. 192, l. 8; whence the sb. *hnēgung*, a neighing, id. p. 4, l. 15 (Zupitza). +Low G. *neigen* (Lübben); MDu. *neyen*, to neigh. Cf. Icel. *gneggja*, *hneggja*; Swed. *gnägga*; Dan. *gnegge*. An imitative word.

**NEIGHBOUR**, one who dwells near. (E.) ME. *neighebour*, Chaucer, C. T. 9423 (E 1549). AS. *neahgebūr*, a neighbour, John, ix. 8; so that the trisyllabic form *neigh-e-bour* in Chaucer is easily explained. The AS. form *neahbūr* also occurs, but more rarely. — AS. *neah*, nigh; and *gebūr*, a husbandman, for which see the Laws of Ine, sect. vi, in Thorpe's Ancient Laws, i. 106. The AS. *gebūr* or *būr* is cognate with Du. *boer*, a boor (the prefix *ge-* making no difference). +MHG. *nāchgebūr*, *nāchbūr*; mod. G. *nachbar*. See **Nigh** and **Boor**. Der. *neighbour*, adj., Jerem. xlix. 18, l. 40 (A. V.); *neighbour-hood*, ME. *neighbourhede*, Prompt. Parv.; *neighbour-ing*, All's Well, iv. 1. 18; *neighbour-ly*, Merch. Ven. i. 2. 85; *neighbour-li-ness*.

**NEITHER**, not either. (E.) ME. *neither*, Havelok, 458. [Distinct from *noither*, *nouther*, *nother* (whence the contracted form *nor*); earlier *nouther* (Ormulum, 3124), *nawther*, *nauther*; see examples in Stratmann.] Formed by prefixing *ne*, not, to ME. *either* = AS. *ēgðer* = *ēghwæðer*, for *ā+ge+hwæðer*; where *ā* means 'ever.' Thus *neither* = *no-whether*; see **No** and **Whether**. With AS. *ne*, not, compare OSax. *ne*, *nī*; Goth. and OHG. *nī*, not.

**NEMESIS**, retributive justice. (L.—Gk.) In Shak. 1 Hen. VI, iv. 7. 78. — L. *Nemesis*. — Gk. *νέμεσις*, distribution of what is due, retribution. — Gk. *νέμειν*, to distribute, but see **Nomad**.

**NEMORAL**, belonging to a grove. (L.) Phillips (1658) has '*nemoral* or *nemorous*.' — L. *nemoralis* or *nemorosus*, woody. — L. *nemor-*, for *\*nemos*, in *nemus*, a grove. +Gk. *νέμος*, a pasture; from *νέμειν*, to distribute, to pasture; from *\*NEM*. See **Nomad**.

**NENUPHAR**, a kind of water-lily. (F.—Pers.—Skt.) '*Nenuphar*, water-lillie'; Baret (1580); and see the Stanford Dict. — MF. *nenuphar*, 'nenuphar, the water-lilly, or water-rose'; Cot. — Pers. *nīnūfar*, for *nīlūfar*, *nīlūpār*, *nīlūpāl*, a water-lily (Devic). — Skt. *nīlotpala*, a blue lotus. — Skt. *nīla*, blue; *utpala-*, a lotus, lit. 'bursting out,' from *ud*, out, and *paṭ*, to burst.

**NEOLOGY**, the introduction of new phrases. (Gk.) Modern. Compounded from Gk. *νέο-*, for *νέος*, new; and *-λογία*, from *λόγος*, discourse, which is from *λέγειν*, to speak. See **New** and **Logic**. Der. *neologi-c*, *neologi-c-al*, *neolog-ise*, *neolog-ism*, *neolog-ist*.

**NEOPHYTE**, a new convert, a novice. (L.—Gk.) 'There stands a *neophyte* glazing of his face'; Ben Jonson, Cynthia's Revels, iii. 2 (Crites). — L. *neophytus*. — Gk. *νεόφυτος*, lit. newly planted, hence, a novice; 1 Tim. iii. 6. — Gk. *νέο-*, for *νέος*, new; and *φυτόν*, a plant, *φυτός*, grown, from the vb. *φύειν*, (1) to cause to grow, (2) to grow, allied to E. *be*. See **New** and **Be**.

**NEOTERIC**, recent, novel. (L.—Gk.) Spelt *neoterique* in Minshew, ed. 1627; but not given in Cotgrave or Littre. — L. *neotericus*. — Gk. *νεωτερικός*, novel; expanded from *νεώτερος*, comp. of *νέος*, new, which is cognate with E. *new*. See **New**. Der. *neoteric-al*.

**NEPENTHE, NEPENTHES**, a drug which lulled sorrow. (Gk.) Spelt *nepenthe* in Spenser, F. Q. iv. 3. 43; better *nepenthes*, as in Holland, tr. of Pliny, b. xxi. c. 21. — Gk. *νηπενθής*, an epithet of a soothing drug in Homer, Od. iv. 221; neut. of *νηπενθής*, free from sorrow. — Gk. *νη-*, negative prefix allied to E. *no*; and *πένθος*, grief, allied to *πάθος*, suffering. See **No** and **Pathos**.

**NEPHEW**, a brother's or sister's son. (F.—L.) An old meaning is 'grandson,' as in 1 Tim. v. 4, &c. The *ph* is a substitute for the older *v*, often written *u*. ME. *neuw* (= *newew*), Chaucer, Legend of Good Women, l. 2659; *neuen* (= *neuen*), Rob. of Glouc. p. 169; l. 3529. — OF. *neuen*, 'a nephew'; Cot. — L. *nepotem*, acc. of *nepōs*, a grandson, a nephew. +Pers. *nawāda*, a grandson; Skt. *napāt*, a grandson. +AS. *nefa*, a nephew; Ælfred, tr. of Bede, b. iii. c. 6 (near the end). [This AS. word was supplanted by the F. form]; OHG. *nefo*, *nevo*, G. *neffe*; Du. *neef*. Idg. type *\*nepōt-*; whence orig. Teut. type *\*nefōd-*, later *\*nefon-*. The fem. type is Idg. *\*nepti-*, whence Skt. *naptī*, L. *neptis*; Teut. type *\*nefti* > *\*nifti*, as in AS. *nift*, Du. *nicht*. Brugmann, i. § 149. Der. *nefol-ism*, i. e. favouritism to relations, from L. stem *nepōt-*, with suffix *-ism*. See *niece*.

**NEREID**, a sea-nymph. (L.—Gk.) Minshew has the pl. form

**Nereides**.—L. *Nēreid-*, stem of *Nēreis* (pl. *Nēreides*), a sea-nymph, a daughter of Nereus.—Gk. *Νηρεΐς*, a sea-nymph, a daughter of Nereus.—Gk. *Νηρεΐς*, an ancient sea-god.—Gk. *νηρός*, wet; an allied word to *vaís*, *vaíds*, a naiad; see **Naiad**.

**NERVE**, physical strength, firmness, a fibre in the body conveying sensation. (F.—L.) ME. *nerfe*, Chaucer, Troilus, b. ii. l. 642.—F. *nerf*, 'a sinew, might'; Cot.—L. *neruum*, acc. of *neruus*, a sinew. Prob. allied to Gk. *νεῦρον*, a sinew, string; cf. Gk. *νεῦρά*, a string; Skt. *snāva*, a tendon. Der. *nerve*, verb, not in early use; *nervous*, formerly used in the sense of 'sinewy' (Phillips), from F. *nerveux*, 'sinewy' (Cot.), which from L. *neruōsus*, full of nerve; *nervous-ly*, *nervous-ness*; also *nerv-y*, i. e. sinewy (obsolete), in Shak. Cor. ii. 1. 177: *nerve-less*; cf. *neur-algia*.

**NESCIENT**, ignorant. (L.) Coles (1684) has *nescient* and *nescience*.—L. *nescient-*, stem of *nesciens*, pres. part. of *nescire*, not to know.—L. *ne-*, not; *scire*, to know. See **Nice** and **Science**.

**NESH**, tender, soft. (E.) Still in use in prov. E. ME. *nesh*; 'tendre *nesh*'; Court of Love, l. 1092 (16th cent.); 'That tendre was, and swithe [very] *nesh*'; Havelok, 2743. AS. *hnæsce*, *hnesce*, soft; Grein, ii. 91.—Goth. *hnaskwuns*, soft, tender, delicate, Matt. xi. 8.

**NESS**, a promontory. (E.) Preserved in place-names, as *Tot-ness*, *Sheer-ness*. AS. *næss*, *ness*, (1) the ground, (2) a promontory, headland, as in Beowulf, ed. Grein, l. 1360; the form *nassa* also occurs, Grein, ii. 277.—Icel. *nes*; Dan. *næs*; Swed. *näs*. β. The sense of 'promontory' suggests association with AS. *nasu*, nose, and E. *nose*.

**NEST**, the bed formed by a bird for her young. (E.) ME. *nest*, P. Plowman, B. xi. 336. AS. *nest*, a nest; Grein, ii. 282.—Du. *nest*; G. *nest*.—Bret. *neiz*; Gael. and Irish *nead*; Irish *net*; W. *nyth*; L. *nīdus* (for *\*niz-dus*); Lithuan. *lizdas* (for *nizdas*), Nesselmann; Skt. *nīḍa*, a nest, a den. β. Now usually explained as representing a form *\*nizdos* = *\*ni-sd-os*, 'a place to sit down in'; from *ni*, down, and the weak grade of the root *SED*, to sit. Cf. Skt. *nī-sad*, to sit down. See **Sit**. Brugmann, i. § 81. Der. *nest*, vb.; *nest-le*, AS. *nestlian*, to make a nest, a frequentative form, orig. 'to frequent a nest'; *nest-ling*, with double dimin. suffix (= *-ling*), as in *gos-ling*, *duck-ling*.

**NET** (1), an implement made of knitted or knotted twine for catching fish, &c. (E.) ME. *net*, *nett*, Wyclif, John, xxi. 6. AS. *net*, *nett*, Grein, ii. 282.—Du. *net*; Icel. and Dan. *net*; Swed. *nät*; Goth. *nati*; G. *netz*. Teut. type *\*natjom*, n. Cf. L. *nassa*, a wicker creel; Icel. *nōt*, a net. ¶ Not connected with *knet*, which has initial *k*. Der. *net*, verb, (1) to use a net, (2) to make a net; *nett-ing*, *net-work*.

**NET** (2), clear of all charges. (F.—L.) Merely a doublet of *neat*; see **Neat** (2). Caxton has: 'the ayer [air] was pure and *net*'; Troy-book, leaf 95, back, l. 23.

**NETHER**, lower. (E.) ME. *nethere*; 'the overe lippe and the *nethere*' = the upper lip and the lower one, Wright's Vocab. i. 146, l. 14. AS. *neōðera*, *neōðra*, Ps. lxxxvii. 6, ed. Spelman. A comparative adj. due to the compar. adv. *niðer*, *niōðor*, downward; Grein, ii. 294. Related forms are *niðe*, adv. below, *neōðan*, adv. below, Grein, ii. 294, 290; but these are really forms suggested by *niðer*, and not original ones. β. The word is to be divided as *ne-ther*, the suffix *-ther* being comparative, as in *o-ther*, and answering to the *-ter* in *af-ter*, and the Skt. *-tara-* (Gk. *-τερος*).—Icel. *neðri*, nether, lower; *neðarr*, adv. lower; cf. *neðan*, from below; Dan. *neder-*, in comp. *nederdel*, the lower part of a thing; cf. *neden*, adv. below, *nede*, *ned*, down; Swed. *nedre*, nether, as in *nedre läppen*, the nether lip; cf. *nedre*, below, *ned*, down; Du. *neder*; G. *nieder*, nether, lower. γ. As said above, the base is *ni-*; cf. Skt. *ni-tarīm*, adv., excessively; a comp. form from *ni*, downward, into. Cf. also Russ. *nije*, lower. Der. *nethermost*, 1 Kings, vi. 6; a false form, due to a popular etymology which connected the ending with *most*; but really a corruption of AS. *niðemesta*, in Ælfred, tr. of Boethius, b. ii. pr. 2 (cap. vii. § 3); and AS. *ni-ðe-m-est-* is from *ni*, down, with the Idg. suffixes *-te-mo-* (as in L. *op-ti-mus*, best) and the usual AS. superl. suffix *-est*. Cf. *be-neath*.

**NETTLE**, a well-known stinging plant. (E.) ME. *netle*, *nettelle* (better with one *t*); 'Netle in, dokke out'; Chaucer, Troil. iv. 461. AS. *nete*, *netle*; Cockayne, A. S. Leechdoms, iii. 340.—Du. *netel*; Dan. *nelde* (MDan. *nædle*); Swed. *nässla* (MSwed. *nätla*); G. *nessel*, OHG. *nezzila*, *nezila*. β. A dimin. form; Teut. type *\*nat-il-ōn-*, f.; the simple form appears in Swed. dial. *näta*, OHG. *nazza*, a nettle. Cf. OIrish *nenuid*, nettles. Der. *nettle-rash*; *nettle*, vb., Phillips, ed. 1706.

**NEURALGIA**, pain in the nerves. (Gk.) Modern; not in Todd's Johnson. Coined from Gk. *νεῦρ*, stem of *νεῦρον*, a nerve; and Gk. *ἄλγ*, stem of *ἄλγος*, pain; with Gk. suffix *-ia* (*-ia*). Perhaps the Gk. *νεῦρον* is allied to L. *neruus*; see **Nerve**. Der. *neuralg-i-c*.

**NEUTER**, neither, sexless, taking neither part. (L.) 'The duke . . . abode as *neuter* and helde with none of both parties';

Berners, tr. of Froissart, vol. i. c. 252 (R.).—L. *neuter*, neither. Compounded of *ne*, not; and *uter*, whether of the two; which some connect with **Whether**. Der. *neutr-al*, Macb. ii. 3. 115, from L. *neutrālis*; *neutr-al-ly*, *neutral-ise*, *neutral-is-at-ion*; *neutral-i-ty* = F. *neutralité* (Cotgrave), from L. acc. *neutrālītātē*.

**NEVER**, not ever, at no time. (E.) ME. *neuer* (with *u* for *v*), Chaucer, C. T. 1135 (A 1133). AS. *nāfre*; compounded of *ne*, not, and *āfre*, ever; Grein, ii. 275. See **Ever**. Der. *never-the-less*, ME. *neuerþeles*, Rob. of Brunne, tr. of Langtoft, p. 16, l. 9, substituted for the earlier form *napeles* = AS. *nā þi læs* (= no-the-less, not the less). In this phrase, the AS. *þi*, also written *þy*, is the instrumental case of the def. article *se*, and is cognate with Goth. *thē*, on that account, instrum. case of *sa*; for examples, see *læs* in Grein, ii. 164. See **The** (2).

**NEW**, recent, fresh. (E.) ME. *newe* (dissyllabic), Chaucer, C. T. 459, 8733 (A 457, E 857). AS. *nīwe*, *nēowe*, *nīowe*, Grein, ii. 298.—Du. *nieuw*; Icel. *nýr*; Dan. and Swed. *ny*; Goth. *nīwis*; G. *neu*, OHG. *nīawi*; L. *novus*; W. *newydd*; Irish *nua*, *nuadh*, Gael. *nuadh*; Lithuan. *naujas*; of which an older form was perhaps *nawas* (Nesselmann); Russ. *novuii*; Gk. *νέος*; Skt. *nava-*, new. Idg. types *\*newos*, *\*newios*; Brugmann, i. §§ 120, 318; ii. § 63. Allied to Skt. *nu*, *nū*, now; see **Now**. Thus *new* means 'that which is now,' recent. Der. *new-ly* = AS. *nīwlīce*, Grein, ii. 299; *new-ness*, spelt *newenness* in Sir T. More, Works, p. 1328 g; *new-ish*, *new-fashioned*; and see *new-fangled*, *news*, *re-new*; also *nov-el*, *nov-ice*.

**NEWEL**, the upright column about which a circular staircase winds. (F.—L.) 'The staires . . . let them bee upon a faire open *newell*, and finely raild in;' Bacon, Essay 45, Of Building. Cotgrave, s.v. *noyau*, spells it *nuell*, which is an older and better spelling. The right sense is much the same as that of *nucleus*, with which word it is connected. The form seems to show that the word was borrowed early.—OF. *nuel*, *noiel* (Godefroy); later F. *noyau*, 'the stone of a plumme, also, the *nuell* or spindle of a winding staire;' Cot. So called because it is the centre or nucleus of the staircase, round which the steps are ranged.—L. *nucāle*, neut. of *nucālis*, lit. belonging to a nut; hence applied to the kernel of a nut or the stone of a plum.—L. *nuc-*, stem of *nux*, a nut; with suffix *-ālis*. See **Nucleus**. Cf. F. *nuell*, a nut (dial. of La Meuse).

**NEWFANGLED**, fond of what is new, novel. (E.) The old sense is 'fond of what is new'; see Shak. L. L. L. i. 1. 106, As You Like It, iv. 1. 152; and in Palsgrave. The final *-d* is a late addition to the word, due to a loss of a sense of the old force of *-le* (see below); the ME. form is *newefangel* (4 syllables), fond of novelty, Chaucer, C. T. 10932 (F 618). So also Gower, C. A. ii. 273; l. 4366: 'Bot euery newe loue quemeth To him, that *newefongel* is' = but every new love pleases him who is fond of what is new. β. Compounded of *newe*, new; and *fangel*, ready to seize, snatching at, formed from the base *fang-*, to take (occurring in AS. *fang-en*, pp. of *fōn*, to take), with the suffix *-el* (= AS. *-ol*) used to form adjectives descriptive of an agent. γ. This suffix is preserved in mod. E. *witt-ol* = one who knows, sarcastically used to mean an idiot; cf. AS. *sprec-ol*, fond of talking, talkative; *wac-ol*, vigilant; and see **Nimble**. So also *fangel* = fond of taking, readily adopting, and *new-fangle* = fond of taking up what is new; whence *new-fangle-d*, by later addition of *d*. See **Fang**. Der. *newfangled-ness*, for ME. *newefangelnesse*, Chaucer, C. T. 10924 (F 610); formed by adding *-nes* (*-ness*) to ME. *newe-fangel*.

**NEWS**, what is new, tidings. (E.) Formerly *newes*, which does not seem to be older than about A.D. 1400. 'Desyrous to here *newes*;' Berners, tr. of Froissart, vol. i. c. 66. 'What *newes* he brought;' Surrey, tr. of Virgil, Æn. ii. l. 95. 'I bring the *newis* glad;' James I, The Kingis Quair, st. 179. It is nothing but a plural, formed from *new* treated as a sb.; so also *tidings*. It is a translation of F. *nouvelles*, news, pl. of *nouvelle*, new (Cotgrave); so also L. *noua* = new things, i. e. news. In Wyclif, Eccus. xxiv. 35, *in diebus novorum* is translated by 'in the dayes of *newes*;' later version, 'of *newe thingis*.' See **New**. Notes on E. Etym., p. 196. Der. *news-boy*, *-monger*, 1 Hen. IV, iii. 2. 25, *-paper*, *-room*, *-vender*.

**NEWT**, a kind of lizard. (E.) This is one of the words which has taken to itself an initial *n*, borrowed from the indef. art. *an*; see remarks on the letter **N**. A *newt* = an *ewt*. ME. *newte*, *ewte*. 'Newte, or ewte, wyrme, lacertus;' Prompt. Parv. p. 355. *Ewte* is a contraction of the older form *euete* (= *evete*). The OF. *iesard*, a lizard, is glossed by *evete* (the MS. prob. has *euete*), in Walter de Bibbesworth; see Wright's Vocab. i. 159. AS. *efeta*; 'Lacerta, *efeta*,' in a gloss; Wright's Voc. i. 78, col. 2. ¶ The mod. prov. E. *eft* is a contraction of AS. *efeta*. For further references, see King Alisaunder, l. 6126, Mandeville's Travels, p. 61, &c.; see Stratmann.

**NEXT**, highest, nearest. (E.) *Next* is a doublet of *nighest*, of which it is an older spelling. 'When þe bale is *hest*, þenne is þe ðote

*nest* = when the sorrow is highest, then is the remedy highest; Proverbs of Hendyng, st. 23. This is often cited in the form: 'When bale is *hext*, then bote is *next*;' and just as *hext* or *hest* is a contraction of ME. *hehest* (highest), so is *next* or *nest* a contraction of ME. *nehest* (highest). See Stratmann, s.v. *neh*. The AS. forms are *nēahst*, *nehst*, *nyhst*, *nihst*, *niehst*; Grein, ii. 283. See **Nigh**.

**NIAS**, a young hawk; also, a ninny. (F.—L.) See Nares' Glossary. The correct form of **Eyas**, q.v.

**NIB**, the point of a pen. (E.) Another form of *neb*, which is the older spelling. The spelling *nib* is in Johnson's Dict., but is not older than 1585. See **Nob**. Cf. EFries. *nibbe*, *nib*, Low G. *nibbe*, a nib; Norw. *nibba*, a sharp point. Der. *nipp-le*, q.v.

**NIBBLE**, to eat in small portions. (E.) In Shak. Temp. iv. 1. 62. Not connected with *nib*, or *neb*, but with *nip*, of which it is the frequentative form, and means 'to nip often.' In fact, it has lost an initial *k*, and stands for *knibble*, just as *nip* does for *knip*. G. Douglas has *knyp*, with the sense of 'nibbled'; tr. of Virgil, prol. to bk. xii. l. 94. + Low G. *nibbeln*, *knibbeln*, to nibble, gnaw slightly; Bremen Wört.; Westphalian *nibbeln*, *nippeln*, to nibble. Cf. also Du. *knibbelen*, to cavil, haggle; the same word, differently employed. See **Nip**. Cf. Du. *knabbelen*, to nibble, allied to E. *knap*. Cotgrave has: 'Brouter, to knap or nible off.' Der. *nibbl-cr*.

**NICE**, hard to please, fastidious, dainty, delicious. (F.—L.) ME. *nice*, foolish, simple; later, it took the sense of fastidious; and lastly, that of delicious. In Chaucer, C. T. 5508, 6520 (B 1088, D 938); in the latter passage 'wise and nothing *nice*' = wise and not simple at all. So also in P. Plowman, B. xvi. 33. 'For he was *nyce*, and ne couthe no wisdom' = for he was foolish, and knew no wisdom; Rob. of Glouc. p. 106; l. 2326. — OF. *nice*, 'lazy, slothful, idle, faint, slack, dull, simple'; Cot. The orig. sense was 'ignorant.' — Romanic type *\*necium* (cf. Span. *necio*); for L. *nescium*, acc. of *nescius*, ignorant. — L. *ne*, not; and *sci-*, related to *scire*, to know. See **No** and **Science**. ¶ The remarkable changes in the sense may have been due to some confusion with E. *nesch*, which sometimes meant 'delicate' as well as 'soft.' Der. *nice-ty*, ME. *nicelee*, Chaucer, C. T. 4044 (A 4046), from OF. *nicete*, 'sloth, simplicity' (Cot.); *nice-ness*.

**NICHE**, a recess in a wall, for a statue. (F.—Ital.—L.) In Minshew, ed. 1627. — F. *niche*, 'a niche'; Cot. — Ital. *nicchia*, a niche; closely allied to *nicchio*, a shell, hence a shell-like recess in a wall, so called (probably) from the early shape of it. Florio explains *nicchio* as 'the shell of any shell-fish, a nooke or corner, also such little cubboords in churches as they put images in or as images stand in.' — L. *mitulum*, *mytilum*, acc. of *mitulus*, *mytilus*, a sea-muscle. 'Derived in the same way as Ital. *secchia* from *situla*, a bucket, and Ital. *vecchio*, from L. *vetulus*, old; as to the change of initial, cf. Ital. *nespola* with L. *mespilum*, a medlar; Diez. A similar change of initial occurs in E. *napkin*, due to L. *mappa*, and in F. *matte*, a mat. β. Referred by some to Gk. *μύτιλος*, a muscle; but the Gk. word may be of Lat. origin. The L. *mytilus* is also found in the form *mitulus*, and is by some connected with *musculus*, a little mouse, also a sea-muscle. ¶ The similarity to E. *nick* is accidental.

**NICK** (1), a small notch, a cut. (E.) 'Though but a stick with a *nick*;' Fotherby, Atheom., p. 62, ed. 1622 (Todd's Johnson). 'To *nick*, to hit the time right; I *nick'd* it, I came in the *nick* of time, just in time. *Nick* and *notch*, i.e. *crena*, are synonymous words, and to *nick* a thing seems to me to be originally no more than to hit just the notch or mark;' J. Ray, pref. to Collection of English (dialectal) Words, ed. 1691. Palsgrave has: 'I *nycke*, I make *nyckes* on a taylor, or on a stycke;' where *taylor* = *tally*. *Nick* is an attenuated form of *nock*, and means a little notch; so also *tip* from *top*. See **Nock**. β. Hence *nick*, a score on a tally, a reckoning; 'out of all *nick*' = past all counting, Two Gent. iv. 2. 76. Der. *nick*, to notch slightly, Com. Errors, v. 175.

**NICK** (2), the devil. (F.—L.—Gk.) In the phrase 'Old *Nick*,' i.e. 'Old *Nicholas*' or 'Old *Nicolas*.' [Not really connected with AS. *nicor*, a water-sprite; Beowulf, ed. Grein, ll. 422, 575, 845, 1427; Icel. *nykr*, a fabulous water-goblin; Dan. *nök*; OHG. *nichus*, a water-sprite, fem. *nicchessa*; G. *nix*, fem. *nixe*. See **Nix** in Kluge.] — F. *Nicolas*. — L. *Nicolāus*. — Gk. *Νικόλαος*; cf. Acts, vi. 5.

**NICKEL**, a grayish white metal. (Swed.—G.) One of the few G. words in E. Added by Todd to Johnson's Dict. From Swed. *nickel*; so named by Cronstedt, a Swede, in 1754; he abbreviated the G. word *kupfernickel* to *nickel*, to denote the metal which he had discovered in 1751 (Weigand). The origin of the G. name is doubtful.

**NICKNACK**, the same as **Knickknack**, q.v.

**NICKNAME**, a surname, soubriquet. (E.) In Shak. Romeo, ii. 1. 12. One of the words which has acquired an unoriginal initial *n*; see remarks on the letter **N**. ME. *nekename*, corruption of *ekename*, an additional name; in later times changed to *nickname*,

from a popular etymology which connected the word with the verb *nick*, which properly means 'to notch,' not 'to clip.' It may further be remarked that a *nickname* is not so much a docking of the name, as an addition to it, a *sur-name*. 'Neke-name, or eke-name, agnomen;' Prompt. Parv. p. 352. Way cites in his note similar glosses, such as: 'Agnomen, an *ekename*, or a surname (*sic*),' Medulla; 'An *ekename*, agnomen;' Catholicon. Spelt *ekename*, Testament of Love; bk. ii. ch. 1. 96. There can be no doubt as to the purely E. origin of the word, which has just the sense of L. *agnomen*, and is parallel to ME. *toname*, a to-name, additional name, surname (cognate with G. *zuname*, a nickname), for which see P. Plowman, C. xiii. 211, Layamon, 9383. Thus the word is simply compounded of *eke* and *name*; see **Eke**, **Name**. + Icel. *auknafn*, a nickname; from *auka*, to eke, and *nafn*, a name; Swed. *öknamn*, from *öka*, to eke, and *namn*, a name; Dan. *ögenavn*, from *öge*, to eke. Der. *nickname*, verb, Hamlet, iii. 1. 151.

**NICOTIAN**, belonging to tobacco. (F.) 'Your *Nicotian* [tobacco] is good too;' Ben Jonson, Every Man, ed. Wheatley, A. iii. sc. 5, l. 89. — MF. *Nicotiane*, 'Nicotian tobacco, first sent into France by Nicot in 1560;' Cot. Coined, with fem. suffix *-iane* (= L. *-iāna*), from the F. name *Nicot*. Der. Hence also *nicot-ine*.

**NIECE**, the daughter of a brother or sister. (F.—L.) The fem. form of *nephew*. ME. *nece*, Rob. of Glouc. p. 353, l. 7252; spelt *neyce*, King Alisaunder, l. 1712. — OF. *niece*, mod. F. *nièce*. Cf. Prov. *nepta*, a niece, in Bartsch, Chrestomathie Provençale. — Late L. *neptia*, which occurs A. D. 809 (Brachet). — L. *neptis*, a granddaughter, a niece; used as fem. of *nepōs* (stem *nepōt-*); see **Nephew**.

**NIGGARD**, a miser. (Scand.) ME. *nigard* (with one *g*), Chaucer, C. T. 5915 (D 333); cf. *nigardye*, sb., id. 13102 (B 1362). The suffix *-ard* is of F. origin, as usual; and the F. *-ard* is of OHG. origin; see Brachet, Introd. to F. Etym. Dict. § 196. But this suffix was freely added to E. words, as in *drunk-ard*; and we find a parallel form in ME. *nygun*. '[He was] a *nygun* and auarous' = he was a niggard and an avaricious man; Rob. of Brunne, Handlyng Synne, l. 5578. We also find an adj. *niggish* (Richardson), from the sb. *nig*, a niggardly person; see Plowman's Tale, l. 757. Of Scand. origin. — Icel. *hnögg*, niggardly, stingy; Swed. *njugg*, niggardly, scanty; cf. MDan. *nygger*, Swed. dial. *nugger*, stingy; MDu. *nugger*, 'nimble, careful, or diligent;' Hexham; Swed. dial. *gnugger*, a miser, from *gnugga*, to be stingy. + AS. *hneaw*, sparing. The orig. sense was prob. 'scraping'; from Teut. base *\*hneu-*, allied to Gk. *κνέω*, to scratch, scrape; see Prellwitz. Der. *niggard*, adj., Hamlet, iii. 1. 13; *niggard-ly*, Hen. V, ii. 4. 46; *niggard-ly*, adv., Merry Wives, ii. 2. 205; *niggard-li-ness*.

**NIGGER**, a negro. (F.—Span.—L.) 'He takes us all for a parcel of *negers*;' Garrick, A Peep behind the Curtain, A. i. sc. 2. — MF. *negre*, 'a negro;' F. *négre*. — Span. *negro*, a negro; see **Negro**.

**NIGGLE**, to trifle, fret, mock. (Scand.) 'Take heed . . . You *niggle* not with your conscience;' Massinger, Emp. of the East, A. v. sc. 3. Cf. Norw. *nigla*, *gnigga*, to pinch, spare, save; Low G. *gnegeln*, to spare, save; Norw. *gnuka*, to rub, scrape, save.

**NIGH**, near, not far off, close. (E.) ME. *neh*, *neih*, *ney*, *neigh*, *ny*; Chaucer, C. T. 1528 (A 1526); Havelok, 464; &c. AS. *nēah*, *nēh*, Grein, ii. 282, used as adj., adv., and prep. + Du. *na*, adv., nigh; Icel. *nā*, adv., nigh; only used in composition, as *nā-búi*, a neighbour; Goth. *nēhw*, *nēhwa*, adv., nigh; whence *nēhujan*, to draw nigh; G. *nahe*, adj., *nach*, prep., nigh, next, &c. β. These forms belong to a Teut. type *\*nēhwoz*, adj., nigh; root unknown. Der. *near*, q. v., *neighbour*, q. v., *next*, q. v.

**NIGHT**, the time of the sun's absence. (E.) ME. *niht*, *night*; Chaucer, C. T. 23. AS. *niht*, *neht*, *neahht*, Grein, ii. 284. + Du. *nacht*; Icel. *nätt*, *nött*; Dan. *nat*; Swed. *natt*; Goth. *nahts*; G. *nacht*. + W. *nos*; Irish *nochd*; Lithuan. *naktis*; Russ. *noch(e)*; L. *nox* (stem *noct-*); Gk. *νύξ* (stem *νυκτ-*); Skt. *nakta-*. β. All from the Idg. type *\*nokt-*; whence Teut. *\*naht-*. Brugmann, i. §§ 420, 658 b. Der. *night-cap*, *-dress*, *-fall*, *-jar* (from its jarring noise), *-piece*, *-watch*; also *night-ly*, ME. *nihliche*, Reliquiae Antiquae, i. 131, *night-less*, *night-ward*; also numerous compounds in Shak., as *-bird*, *-crow*, *-dog*, *-fly*, *-foe*, *-gown*, &c. And see *night-mare*, *night-shade*, *night-in-gale*, *nocturn*. Also *fort-night*, *sen-night*.

**NIGHTINGALE**, the bird that sings by night. (E.) The *n* before *g* is excrement, as in *messenger* for *messager*, *passenger* for *passager*, &c. ME. *nightingale*, Chaucer, C. T. 98; earlier form *niztegale*, Reliquiae Antiquae, i. 241. AS. *nihtegale*, Voc. 247. 11. Lit. 'singer of [or in] the night.' — AS. *nihte*, gen. and dat. case of *niht*, *neahht*, night; and *gale* = singer, from *galan*, to sing (Grein). + Du. *nachttegaal*; Dan. *nattergal*; Swed. *näktergal*; G. *nachtigall*, OHG. *nahtagala*, *nahtegala*, *nahtigala*. β. The verb *galan* became *galen* in ME., and occurs in Chaucer, C. T. 6414 (D 832); it is cognate with Dan. *gale*, Swed. *gala*, to crow as a cock, OHG. *kalan*, to sing; and

is derived from \*gal, 2nd stem of the Teut. verb which appears as E. yell. See Yell.

**NIGHTMARE**, an incubus, a dream at night accompanied by pressure on the breast. (E.) ME. *nightmare*. 'Nyghte mare, or mare, or wytche, Epialtes, vel effialtes' [epialtes]; Prompt. Parv. — AS. *neahht, niht*, night; and *mare*, a night-mare, a rare word, occurring in Cockayne's A. S. Leechdoms, ii. 306, l. 12; older forms *mera*, m., Epinal gloss., 558; *maere*, f., Corpus gloss., 1111. + Du. *nachtmerrie*, a night-mare; an accommodated spelling, due to confusion with Du. *merrie*, a mare, with which the word has no connexion. A like confusion is probably common in modern English, though the AS. forms are distinct; Icel. *mara*, the nightmare, an ogress; Swed. *mara*; Dan. *mare*; Low G. *moor, nagt-moor*; Bremen Wörterbuch, iii. 184, where the editor, against the evidence, confuses *moor* with 'mare'; OHG. *mara*, a nightmare, incubus. + Polish *mora*, nightmare. β. The sense perhaps is 'crusher'; from a root \*mer; cf. Icel. *merja*, to crush (pt. t. *mar-ði*). The AS., Icel., and OHG. suffix -a (fem. -e) may denote the agent, as in numerous other cases; e. g. AS. *hunt-a*, a hunter, huntsman.

**NIGHTSHADE**, a narcotic plant. (E.) AS. *nihtscadu, niht-scada*, nightshade; Cockayne's A. S. Leechdoms, iii. 340. Compounded of *niht*, night, and *scadu*, shade; perhaps because thought to be evil, and loving the shade of night. See Night, Shade. β. But this may be 'popular' etymology. Cf. Du. *nachtschade*, MDu. *nachtschaede*, G. *nachtschatten*, nightshade. But the MHG. for 'nightshade' is *nahtschate*, and the Swed. dial. form is *nattschate-gräs*, lit. 'bat-grass,' from *naht-skata*, a bat. Notes on E. Etym., p. 197.

**NIGRESCENT**, growing black. (L.) In Todd's Johnson. — L. *nigrescent-*, stem of pres. pt. of *nigrescere*, to become black, inceptive form of *nigrēre*, to be black. — L. *nigr-*, stem of *niger*, black. Der. *nigritude*, from L. *nigritudo*, blackness; see Hood's Poems, A Black Job, last line but one. Also *negro*, q. v.

**NIHILIST**, one who rejects all positive beliefs. (L.) Formed with suffix -ist from L. *nihil*, nothing.

**NILGAU**, the same as Nylghau, q. v.

**NIMBLE**, active. (E.) The *b* is excrement. ME. *nimel, nimil*; see 'Nymyl, capax' in Prompt. Parv., and Way's note. Formed from AS. *nim-an*, to take, catch, seize, with the AS. suffix -ol, still preserved in E. *witt-ol*, lit. a wise man, used sarcastically to mean a simpleton. We find the parallel AS. forms *numol, numul, numel*, occurring in the compounds *scearp-numul*, lit. 'sharp-taking,' i. e. efficacious, and *teart-numul*, also lit. 'tart-taking,' i. e. efficacious; Cockayne's A. S. Leechdoms, i. 134, l. 10, 152, l. 3, and footnotes; these are formed from *num-*, the weak grade of the same verb *niman*. The sense is 'quick at seizing,' hence active, nimble. So also Icel. *næma*, keen, quick at learning, from *nema*, to take; Dan. *nem*, quick, apprehensive, adroit, from *nemme*, to apprehend, learn. β. The AS. *niman*, to seize, is cognate with Icel. *nema*, Dan. *nemme*, G. *nehmen*, Goth. *niman*, to take; a strong verb, with AS. and Goth. pt. t. *nam*. The orig. sense is 'to take as one's share.' — ✓NEM, to apportion, distribute, allot; whence also Gk. *νέμειν*, to distribute, L. *num-erus*, a number. &c.; see Prellwitz. Der. *nimbl-y, nimble-ness*. From the same root, *nem-esis, nem-ad, num-b-er, num-ism-at-ic*. And see Numb.

**NIMBUS**, a cloud, halo. (L.) L. *nimbus*, a cloud; allied to Nebula.

**NINCOMPOOP**, a simpleton. (L.) 'An old ninnyhammer, a dotard, a nincompoop;' The Guardian, no. 109 (1713). A corruption (by association with *ninny*) of L. *non compos*, short form of *non compos mentis*, not in possession of one's mind. 'Bo! the man's *non compos*;' Murphy, The Upholsterer, A. i. sc. 3. — L. *nōn*, not; *compos*, in control of, from *com-* (for *cum*, prep., with) and *-pos*, allied to *potis*, capable; see Potent.

**NINE**, a numeral, one less than ten. (E.) ME. *nyne, nune*, Chaucer, C. T. 24. Here the final -e is the usual pl. ending, and *nyne* stands for an older form *nizene*, extended form of *nizen*, Layamon, 2804. AS. *nigon, nigen*, Grein, ii. 296. + Du. *negen*; Icel. *nīu*; Dan. *ni*; Swed. *nio*; G. *neun*; Goth. *nīun*. + W. *naw*; Irish and Gael. *naoi*, L. *nouem*; Gk. *ἐννέα* (= *ē-néfa*); Zend *nava*, Pers. *nuh*, Skt. *nava*. Idg. type \*newan; Brugmann, ii. § 173. Der. *nine-fold, nine-pins; nine-teen, AS. nigontýne* (Grein); *nine-ty, AS. nigontig* (Grein); *nin-th*. AS. *nigoða, nigeða* (id.); *nine-teen-th, nine-ti-eth; nin-th-ly*. And see Novem-ber.

**NINNY**, a simpleton. (E.) 'What a pied *ninny's* this!' Temp. iii. 2. 71. Prov. E. *ninny, nonny*, or *nunny*, a simpleton; *ninny-hammer* (the same); E. D. D. Of imitative origin (see below). Cf. Westphal. *ninne*, an infant (Woeste); Picard *ninette* (Corblet); Ital. *ninno*, a child, a dialectal form cited by Diez, not given in Florio nor in Meadows' Dict., but the same word with Span. *niño*, a child, infant, one of little experience. Cf. also Span. *nene* (colloq.), an infant; Gascon *nenet, ninet*, an infant (Mistral). Cf. Ital. *ninna*, a lullaby, nurse's song to rock a child to sleep, *ninnare*, to lull to

sleep, *nanna*, 'a word that women use to still their children with' (Florio). From the repetition of the syllables *ni, ni*, or *na, na*, in humming or singing children to sleep. Körting, § 6545. See Nun.

**NIP**, to pinch, break off the edge or end. (E.) ME. *nippen*; 'nyppynghus lypyes' = biting his lips, pressing them with his teeth, P. Plowman, C. vii. 104. For *knip*; see G. Douglas, Prol. to XII Book of the Æneid, l. 94. Not found in AS., though the (possibly) cognate *cnif*, a knife, occurs; see Knife. From the weak grade (*knip-*) of a Teut. verb \**kneipan-*, to pinch, as seen in Du. *knijpen*, to pinch; Dan. *knibe*, to pinch, nip; Swed. *knipa*, to pinch, squeeze, catch; G. *kneifen*, to pinch, nip; *kneipen*, to pinch, twitch. Perhaps allied to Lith. *knėbti*, to pinch; or to Lith. *gnybti*, to pinch. Der. *nip, sb.*, a cut, Tam. Shrew, iv. 3. 90; *nipp-er, nipp-ers, nibb-le*. And see knife.

**NIPPLE**, a teat, a small projection with an orifice. (E.) In Shak. Macb. i. 7. 57; and in Minshew, ed. 1627. A dimin. of *nib*, just as *neble* is the dimin. of *neb*. 'Neble of a womans pappe, *bout de la mamelle*;' Palsgrave. *Nib* and *neb* are the same word; see Nib, Neb. Cf. Low G. *nibbe*, a beak; whence OF. *nifle, niffle*, a nose, Ital. *niffa, niffolo*, a snout. Körting, § 6526. Der. *nipple-wort*.

**NIT**, the egg of a louse or small insect. (E.) ME. *nite, nyte*, also used to mean a louse. 'Nyte, wyrme, Lens;' Prompt. Parv. AS. *hnitu*, to translate L. *lens*; Voc. 30. 2; 122. 2. + Du. *neet*; Icel. *nitr*, pl., Oícel. *gnit*; Dan. *gnid*; Swed. *gnet*; G. *niss*, MHG. *niz*. Cf. also Russ. *gnida*, a nit, Gk. *kónis* (stem *kónid-*); W. *nedd*, pl. nits. β. Teut. base \**hnit*, which may be the weak grade of the verb seen in AS. *hnitan*, only used of an ox, meaning 'to gore,' Exod. xxi. 28, Icel. *hnita*, to attack, strike. The corresponding Idg. root is KNEID, appearing in Gk. *κνίσειν* (= *kníð-yein*), to scrape, tease, make to itch. See Prellwitz.

**NITRE**, saltpetre. (F. — L. — Gk. — Heb.) Spelt *niter* in Minshew, ed. 1627. — F. *nitre*, 'niter'; Cot. — L. *nitrum*. — Gk. *νίτρον*, 'natron, a mineral alkali, our potassa or soda, or both (not our *nitre*, i. e. saltpetre);' Liddell and Scott. This means that the sense of the word has changed; but the form is the same. — Heb. *netzer*, nitre; Prov. xxv. 20; cf. Arab. *nitrūn, natrūn*, natron, native alkaline salt; Rich. Dict. p. 1585. Der. *nitr-ate, nitr-ic, nitr-ous, nitr-i-fy, nitr-ite*. Also *nitro-gen*, i. e. that which produces nitre, from *νίτρον*, for *νίτρον*, and *γεν-*, base of *γίγναι*, to produce; see Generate.

**NIZAM**, the title of a ruler in the Deccan, in Hindustan. (Hind. — Pers. — Arab.) Found in 1793; see Stanford Dict. Short for Hind. *nizām-ul-mulk*, administrator of the empire (Forbes). — Arab. *nizām*, government; which the Persians pronounce as *nizām*. Though the proper sense is 'government,' in the phrase *nizām-l-mulk* it is used as a title, meaning 'governor of the empire.' First used by Asaf Jah in 1713 (Yule). From Arab. root *naḡhama*, he arranged or ordered. See Devic and Richardson.

**NO** (1), a word of refusal or denial. (E.) ME. *no*, Will. of Palerne, 2701, 3115. There is a clear distinction in ME. between *no* and *nay*, the former being the stronger form; see Nay, which is of Scand. origin. AS. *nā*, adv., never, no. Compounded of *ne*, not, and *ā*, ever. The form *ā* became *oo* in ME., occurring in Genesis and Exodus, ed. Morris, l. 111; but this form was entirely superseded by the cognate word *ai, ay*, mod. E. *ay, aye*, which is of Scand. origin. See Aye, adv., ever. B. The neg. particle *ne*, signifying 'not,' is cognate with OHG. *nī*, MHG. *ne*, not; Goth. *nī*, not; Russ. *ne*, not; Irish, Gael., and W. *nī*, not; L. *ne*, in *non-ne*; Skt. *na*, not. C. In mod. E. this neg. particle is represented by the initial *n-* of *n-ever, n-aught, n-one, n-either, n-ay, n-or*, and the like. ¶ It is quite a mistake to suppose that the ME. *ne*, not, so common in Chaucer, is of F. origin. It is rather the AS. *ne*, which happens to coincide in form with F. *ne*, of L. origin; and that is all.

**NO** (2), none. (E.) Merely a shortened form of *none*, as *a* is of *an*; see None. Der. *no-body*, q. v.

**NOBLE**, illustrious, excellent, magnificent. (F. — L.) In early use. ME. *noble*, O. Eng. Homilies, ed. Morris, i. 273, l. 16. — F. *noble*. — L. *nōbilem*, acc. of *nōbilis* (= *gnō-bilis*), well-known, notable, illustrious, noble. — L. *gnō-*, base of *noscere* (= *gnoscere*), to know, cognate with E. *know*; with suffix -bilis. See Know. Der. *nobl-y, adv.*; *noble-man*, in O. Eng. Homilies, as above; *noble-ness* (a hybrid word, with E. suffix), Wint. Tale, ii. 3. 12. Also *nobil-i-ty*, K. John, v. 2. 42, from OF. *nobilite, nobilitet* < L. acc. *nobilitatem*.

**NOBODY**, no one. (E.) In Shak. Merry Wives, i. 4. 14. Compounded of *no*, short for *none*, and *body*; not in early use. It took the place of ME. *no man*, which is now less used. See None and Body.

**NOCK**, an indentation. (MDu.) 'The *nocke* of the shafte;' Ascham, Toxophilus, bk. ii. ed. Arber, p. 127. ME. *nokke*, Prompt. Parv., p. 357. 'Nokked and fethered aright,' said of arrows; Chaucer,

Rom. Rose, 942.—MDu. *nocke* (Kilian); also *nock*, 'een *nock* . . in een *pijl*, a notch in the head of an arrow; Hexham. +MSwed. *nocka*, an incision (Ihre); Swed. dial. *nokke*, *nokk*, an incision or a cut in timber (Rietz). **β.** The MSwed. *nocka* also denotes the same as Icel. *hnokki*, i. e. one of the small metal hooks holding the thread in a distaff. ¶ Constantly confused with *notch*, which is a different word. The Norman dial. *noque* (Du Bois), Ital. *nocca*, a nock (see Florio), are of Germanic origin.

**NOCTURN**, the name of a service of the church. (F.—L.) See Palmer, *Origines Liturgicæ*, i. 202, ed. 1832. 'A nocturne of the Psalter; Lord Berners, tr. of Froissart, vol. ii. c. 26 (R.). ME. *nocturne*, Ancrén Riwle, p. 270, l. 1.—F. *nocturne*, nocturnal; also, a nocturn.—Late L. *nocturna*, a nocturn; orig. fem. of L. *nocturnus*, belonging to night. **β.** To be divided as *noct-urnus*, from *noct-*, stem of *nox*, night, with a suffix imitating *di-urnus*. See **NIGHT**. Der. *nocturn-al*, spelt *nocturnall*, Hardyng's Chron., ch. 95, st. 10; and in Milton, P. L. iii. 40, viii. 134, from Late L. *nocturnālis*, extended from *nocturnus*; *nocturn-al-ly*.

**NOD**, to incline the head forward. (E.) ME. *nodden*, Chaucer, C. T. 16996 (II 47). Not found in AS., and difficult to trace. But it answers to a G. form *\*notten*, found in the frequentative form *notteln*, a prov. G. word, meaning to shake, wag, jog (Flügel). To *nod* is to shake the head by a sudden inclination forwards, as is done by a sleepy person; to make a butting movement with the head. Schmeller gives *notteln* as Bavarian. The orig. notion seems to be that of butting or pushing; and there is a connexion with Icel. *hnjóða*, to hammer, clinch, rivet, *hnyðja*, a rammer for beating turf; G. *nielen*, to rivet. Teut. base *\*hnuð-*, weak grade of *\*hneud-*. ¶ Not connected with L. *nuere*, to nod (base *nu*). Der. *nod*, sb.

**NODDLE**, a name for the head. (E.) In Shak. Tam. Shrew, i. 1. 64. Wedgwood well says: 'the *noddle*, *noddock*, or *niddock* is properly the projecting part at the back of the head, the nape of the neck, then ludicrously used for the head itself.' ME. *nodle*, *nodil*. 'Nodyl, or *nodle* of the heed, or *nolle*, *Occiput*;' Prompt. Parv. **β.** It really stands for *knoddel*, and is the dimin. of *knod*, a word lost in Early E., but preserved in E. dial. *nod*, nape, and in other languages; cf. MDu. *knodde*, a knob (Hexham); Icel. *knúðr*, a knob, ball; G. *knoten*, a knot, a knob; Du. *knod*, a club. Cf. Low G. *knuddel*, a ball of yarn, a hard swelling under the skin (Berghaus). **γ.** This *knod* is a variant of **Knot**, q. v.

**NODE**, a knot. (L.) 'Nodes, in astronomy, are the points of the intersection of the orbit of the sun or any other (!) planet with the ecliptick;' Phillips, ed. 1706. 'Nodus or Node, a knot, or noose, &c.;' id.—L. *nodus*, a knot. Allied to Skt. *naddha-*, tied, bound, pp. of *nah* (for *nadh*), to tie. From Idg. root NEDH, to fasten. Brugmann, i. § 700 (a), note 2. Der. *nod-al*, adj.; *nod-ous*, Sir T. Browne, Vulg. Errors, b. iv. c. 4, § 1, Englished from L. *nōdōsus*; *nod-os-ity*, id. b. v. c. 5, § 2, from F. *nodosité*, 'knottness' (Cot.) <L. acc. *nōdositatem*; *nod-ule*, Englished from L. *nōdulus*, a little knot, dimin. of *nōdus*.

**NOGGIN**, a wooden cup, small mug. (Scand.) 'Of drinking-cups . . we have . . mazers, broad-mouthed dishes, *noggins*, whisks, piggins, &c.;' Heywood, Drunkard Opened, &c., ed. 1635, p. 45 (Todd). Also in Minshew, ed. 1627. [Cf. Irish *noigin*, 'a noggin, a maggin, quarter of a pint,' O'Reilly; Gael. *noigean*, a wooden cup; Gael. *cnagan*, a little knob, peg, pin, an earthen pipkin; Gael. *cnagaire*, a knocker, a noggin; all from E. (Macbain).] We also find Lowl. Sc. *noggin*, *noggie*, spelt *knoggin* by Swift, in Lines to Dr. Sheridan (1719). For *\*knoggen*, with *-en* as in *wood-en*, from *knog*, a small cask, a firkin (E. D. D.), variant of *knag*, a keg (E. D. D.), which is prob. the same word as **Knag**, a knot in wood, a peg; q. v.; whence also *knaggie*, a keg.

**NOISE**, a din, troublesome sound. (F.—L.—Gk.) In early use. ME. *noise*, Ancrén Riwle, p. 66, l. 18.—F. *noise*, 'a brabble, brawle, debate, . . also a noise;' Cot. **β.** The OF. form is also *nose*; and the Provençal has *nausa*, *nauza*, *noisa*, *nueiza* (Bartsch). The origin is uncertain; it is discussed by Diez, who decides that the Prov. form *nausa* could only have been derived from L. *nausea*, so that a *noise* is so called because *nauseous*; see **NAUSEA**. If this be right, the word is really of Greek origin. So Körting, § 6471. Der. *nois-y*, for which formerly *noise-ful* was used, as in Dryden, Annus Mirabilis, st. 40; *nois-i-ly*, *nois-i-ness*; *noise-less*, *-ly*, *-ness*; also *noise*, verb, ME. *noisen*, Chaucer, tr. of Boethius, b. iii. met. 6, l. 7.

**NOISOME**, annoying, troublesome. (F.—L.; with E. suffix.) Formed from ME. *noy*, annoyance, injury; with E. suffix *-some* = AS. *-sum*, as in **Winsome**, q. v. We find three forms in use formerly, viz. *noy-ous*, Wyclif, 2 Thess. iii. 2; *noy-ful*, Sir T. More, Works, p. 481 e; and *noy-some*, id. p. 1389 h. **β.** *Noy* is a mere contraction of ME. *anoy*, *anoi*; see Romaunt of the Rose, 4404, &c. The derivation is from the L. phrase *in odiō habere*, as explained s. v. **Annoy**, q. v. ¶ Not connected with L. *nocere*, to hurt.

**NOLE, NOLL**, the head; see **Noule**.

**NOMAD**, wandering; one of a wandering tribe. (Gk.) 'The Numidian *nomades*, so named of changing their pasture;' Holland, tr. of Pliny, b. v. c. 3.—Gk. *νομάδ-*, stem of *νομάς*, roaming, wandering, esp. in search of pasture.—Gk. *νομός*, a pasture, allotted abode.—Gk. *νέμειν*, to assign, allot.—✓NEM, to assign; cf. Skt. *nam*, to bow to, bow, bend, *upa-nam*, to fall to one's share. Hence also *nem-esis*, *nim-ble*, *num-ber*; and the suffix *-nomy* in *astro-nomy*, *auto-nomy*, *gastro-nomy*, *anti-nomi-an*. Der. *nomad-ic*.

**NOMENCLATOR**, one who gives names to things. (L.) 'What? will Cupid turn *nomenclator*?' Ben Jonson, Cynthia's Revels, A. v. sc. 3 (2nd Masque). In Minshew, ed. 1627.—L. *nōmenclātor*, one who gives names, lit. 'name-caller'; fuller form *nōmenclātōr*.—L. *nōmen*, a name; and *calāre*, to call. See **Name** and **Calendar**. Der. *nomenclat-ure*, from L. *nōmenclātūra*, a calling by name, naming.

**NOMINAL**, pertaining to a name, existing only in name. (L.) 'One is a *reall*, another a *nominall*;' Tyndal's Works, p. 104, col. 1; see Spec. of English, ed. Skeat, p. 176, l. 316. This refers to the famous dispute between the *Nominalists* and *Realists*; the founder of the former sect was condemned by a council at Soissons, A. D. 1092; Haydn, Dict. of Dates.—L. *nōminālis*, nominal.—L. *nōmin-*, for *nōmen*, a name, cognate with E. **Name**, q. v. See **Nominate**.

**NOMINATE**, to name. (L.) In Shak. L. L. L. i. 2. 16.—L. *nōminātus*, pp. of *nōmināre*, to name.—L. *nōmin-*, for *nomen*, a name, cognate with E. **Name**, q. v. Der. *nominat-ion*, Fryth's Works, p. 58, col. 2, from F. *nominat-ion*, 'a nomination' (Cot.); *nominat-tor*; *nominat-ive*, ME. *nominatif*, Trevisa, i. 327, from OF. *nominatif*, in use in the 13th century (Littré), from L. *nōminātiuus*. Also *nomin-ee*, a term of law, formed as if from a F. verb *\*nominer*, with a pp. *nominé*; but the real F. verb is *nommer*.

**NON-**, prefix, not. (L.) In compounds, such as *non-appearance*, *non-compliance*.—L. *nōn*, not; orig. none, not one; compounded of L. *ne*, not, and *oinum*, old form of *unum*, neut. of *ūnus*, one (Bréal). Thus L. *nōn* is of parallel formation with E. **None**, q. v.

**NONAGE**, minority. (F.—L.) In Shak. Rich. III, ii. 3. 13. Orig. a law-term. AF. *nonage*, Stat. Realm, i. 38 (1275). Compounded of F. *non*, from L. *nōn*, not, and *age*; see **Non-**, **Age**.

**NONCE**, in phr. for the nonce. (E.) ME. for the nonces, Chaucer, C. T. 381 (A 379). The sense is 'for the once,' for the occasion or purpose. The older spelling is for *then ones*, still earlier for *then ones*, as in St. Juliana, ed. Cockayne, p. 71. Thus the *n* really belongs to the dat. case of the article, viz. AS. *ðām*, later *ðan*, *then*. *Ones* = mod. E. *once*; see **Once**. We may note that *ones* was first a gen. case, then an adv., and was lastly used as a sb.; as here.

**NONCHALANT**, careless. (F.—L.) In R. North's Examen, p. 463 (Davies).—F. *nonchalant*, 'careless,' Cot.; pres. pt. of OF. *nonchaloir*, 'to neglect, or be careless of;' Cot.—F. *non*, not; *chaloir*, 'to care, take thought for;' id. Cf. OF. *chaloir*, *caloir*, in Bartsch, orig. 'to glow,' hence, to be hot over, be fervent; also Anglo-F. *nunchaler*, to be careless, Life of Edw. Conf. 4519.—L. *nōn*, not; *calēre*, to glow, be animated. See **Caldron**. Der. *nonchalance*, sb., Whitehead's Poems, Variety, l. 284, from F. *nonchalance*, carelessness, indifference.

**NONCONFORMING**, refusing to conform. (L.; and F.—L.; with E. suffix.) The Act of Uniformity came into operation on 24 Aug. 1662; Haydn, Dict. of Dates. Hence arose the name *non-conformist*, and the adj. *nonconforming*. Compounded of L. *nōn*, not; and **Conform**, q. v. Der. *nonconform-ist*, *non-conform-i-ty*.

**NONDESCRIPT**, not yet described, novel, odd. (L.) 'Such as are *non-descripts*;' Letters of Eminent Men, ed. Ellis (Cam. Soc.) p. 203; A. D. 1696. Added by Todd to Johnson's Dict.—L. *nōn*, not; and *descriptus*, pp. of *describere*, to describe; see **Describe**.

**NONE**, not one. (E.) ME. *noon*, *non*; as in 'non other' = no other, Rob. of Brunne, tr. of Langtoft, p. 5. Before a consonant it commonly becomes *no*, as in mod. E.; but in very early authors we find *non* even before a consonant, as in 'none tonge;' Rob. of Glouc. p. 285, l. 5806. AS. *nan*, none, none; compounded of *ne*, not, and *an*, one; see **No** (1) § B, and **One**.

**NONENTITY**, a thing that does not exist. (L.) In The Tatler, no. 118, § 6 (1710). From **Non-** and **Entity**.

**NONES**, the ninth day before the ides. (L.) Also used of the old church service at the ninth hour, which is the older use in E. See P. Plowman, B. v. 378. This ninth hour or *nones* was orig. 3 P. M., but was changed to midday; whence our *noon*. See further under **Noon**.

**NONJUROR**, one who refuses to take the oath of allegiance. (L.; and F.—L.) First used of those who refused allegiance to Will. III. in 1689. From **Non-** and **Juror**.

**NONPAREIL**, one without equal, matchless. (F.—L.) In Shak. Temp. iii. 2. 108.—F. *non*, not, from L. *nōn*; and *pareil*, equal,

from Late L. *pariculus*, double dimin. from L. *par*, equal. See **Apparel**, and **Par**.

**NONPLUS**, a state of perplexity; to perplex. (L.) Most commonly a verb. 'He has *non-plus'd* me;' Dryden, *Kind Keeper*, iii. 1. The orig. phrase was 'to be at a *non-plus*,' which occurs in Cotgrave, s.v. *Latin*. A half-ludicrous coined term for a state of perplexity, in which one can do no more, nor go any further. — L. *nōn plūs*, no more. See **Non-** and **Plural**.

**NONSENSE**, language without meaning. (L.; and F.—L.) It occurs in Cowley, *The Mistress*; *The Incurable*, l. 2. From **Non-** and **Sense**. Der. *nonsens-ic-al*.

**NONSUIT**, a withdrawal of a suit at law. (L.; and F.—L.) In Blount's *Gloss.*, ed. 1674, which see; and in Baret (1580); AF. *nonsuite*. From **Non-** and **Suit**. Der. *nonsuit*, verb.

**NOOK**, a corner, recess. (E.) ME. *nōk*, Havelok, 820; pl. *nōkes*, *Cursor Mundi*, 17675. The comp. *fewer-nōked* = four-cornered, occurs in Layamon, ii. 500, l. 21999. The Lowland Sc. form is *neuk* (Jamieson); whence, probably, Irish and Gael. *niuc*, a nook, corner. The AS. *\*nōc* is not found. + Norw. *nōk*, a nook, corner (Suppl. to Aasen, p. 970); cf. Norw. *nakke*, a corner cut off (Ross); and perhaps even Dan. dial. *nogg*, a bend in a river.

**NOON**, midday. (L.) Orig. the ninth hour of the day, or 3 P.M., but afterwards the time of the church-service called *nones* was shifted back, and the term came to be applied to midday as early as the twelfth century; see Hampson, *Medii Ævi Calendarium*, i. 87. ME. *none*, Layamon, 17063; *nones*, pl., P. Plowman, B. v. 378, vi. 147 (see notes). AS. *nōn-tīd* (= *noon-tide*), the ninth hour, Mark, xv. 33, 34. — L. *nōna*, for *nōna hōra*, ninth hour; where *nōna* is the fem. of *nōnus*, ninth. *Nōnus* = *nouimus*, from *nouem*, nine; cf. *decimus* from *decem*, ten. The L. *nouem* is cognate with E. **Nine**, q. v. Der. *noon-tide*, AS. *nōn-tīd*, as above; *noon-day*, Jul. Cæsar, i. 3. 27. Also *nones*, *nun-chion*.

**NOOSE**, a slip-knot. (Prov.—L.) 'Caught in my own noose;' Beaum. and Fletcher, *Rule a Wife*, iii. 4 (Perez). Cotgrave explains F. *laqs courant* as 'a noose, a running knot.' Imported from Gascony by sailors. — Gascon *nus*, Prov. *nous*, a noose, a loop of cord. — L. *nōdus*, a knot. Cf. Prov. *nous courrant*, a running noose; pl. *nouses*; also *nous de l'araire*, a noose for mooring ships (whence the nautical word); see Mistral. Also Gascon *nouset*, a knot; *nousera*, to tie a knot. ¶ The F. *nœud* is from L. acc. *nōdum*; whereas Prov. *nous* is from the nom. *nōdus*. See **Node**. Der. *noose*, verb.

**NOR**, neither. (E.) ME. *nor*, short for ME. *nother*, *nauther*; from AS. *nāhwæðer* (no-whether); but partly confused with other forms of *or*. 'Vor hor hors were al astoned, and nolde after wylle Sywe noþer spore no brydel' = for their horses were all astonished, and would not, according to their will, obey *nor* spur *nor* bridle; Rob. of Glouc. p. 396; l. 8169. For a full account of the word, see N. E. D. See **Or**.

**NORMAL**, according to rule. (L.) A late word; added by Todd to Johnson. — L. *normālis*, made according to a carpenter's square. — L. *norma*, a carpenter's square, rule, pattern. Contracted from a form *\*gnōrima*, and perhaps merely a borrowed word from Gk. The corresponding Gk. word is *γνώριμν*, fem. of *γνώριμος*, well-known, whence the sense of 'exact' in Latin; allied to Gk. *γνώμων*, that which knows or indicates, an index, a carpenter's square. See **Gnomon**. Der. *normal-ly*; also *e-norm-ous*, q. v., *ab-norm-al* (modern). We also find *norm*, a rule, model; from L. *norma*.

**NORMAN**, a Northman. (F.—Scand.) ME. *Norman*, Rob. of Glouc. p. 360; l. 7418. — OF. *Normand*, 'a Norman'; Cot. — Dan. *Normand*; Icel. *Norðmaðr* (= *Norðmannur*), pl. *Norðmenn*, a Northman, Norwegian. See **North**. Der. *Norman-d-y*, ME. *Normandy*, Rob. of Glouc. p. 345, l. 7074, F. *Normandie*, Dan. *Normandi*, Icel. *Norðmannði*, Normandy, Norman's land, where the suffix is French (F. -ie, L. -ia).

**NORSE**, Norwegian. (Scand.) Short for *Norsk*, the Norwegian and Dan. spelling of Norse = Icel. *Norskr*, Norse, adj., which appears in the 14th cent. instead of the older Icel. *Norrænn*. *Norsk* is short for *\*North-isk*, i.e. *North-ish*; see **North**.

**NORTH**, the cardinal point opposite to the sun's place at noon. (E.) ME. *north*, Wyclif, Luke, xiii. 29. AS. *norð*, Grein, ii. 300. + Du. *noord*; Icel. *norðr*; Dan. and Swed. *nord*; G. *nord*. Root unknown. Some compare the Umbrian *nertru*, on the left hand (to one looking eastwards); Gk. *νέπρεπος*, lower. Der. *north-ern*, ME. *northren*, Chaucer, C. T. 1989 (A 1987), AS. *norðern* (Grein), cognate with Icel. *norr-ænn*, OHG. *nord-r-ōni*, northern; where the latter suffix is like the L. -ānus. Also *north-east*, -west, &c. Also *north-ward*; *north-er-ly* (short for *northen-ly*), &c. Also *Nor-man*, *Nor-se*.

**NOSE**, the organ of smell. (E.) ME. *nose* (orig. dissyllabic), Chaucer, C. T. 123, 152. AS. *nosu*, Grein, ii. 300. + Du. *neus*. Teut. type *\*nas-ā*, f., related by gradation to Teut. type *\*nas-ū*, f.; cf. AS. *nas-u*, nose; Icel. *nös*; Dan. *næse*; Swed. *näsa*; G. *nase*; Russ. *nos'*;

Lithuan. *nosis*. + L. *nāsus*; also *nār-es*, pl.; Skt. *nāsā*, dual. Der. *nose-bag*, *nose-less*; *nose*, v., Hamlet, iv. 3. 38; *nose-gay*, Mids. Nt. Dr. i. 1. 34, and Palsgrave, with which cf. *gay*, sb., a gay flower, as in 'gayes To make a Posie,' in Golding's Ovid, fol. 47, back, l. 4; and prov. E. (Essex) *gay*, a painted picture in a child's book, derived from *gay*, adj. And see *nos-tril*, *nozz-le*, *nuzz-le*.

**NOSOLOGY**, the science of diseases. (Gk.) In Bailey's Dict. — Gk. *νόσος*, for *νόσος*, disease; and -λογία, from *λόγος*, a discourse, which is from *λέγειν*, to speak.

**NOSTRIL**, one of the orifices of the nose. (E.) *Nostril* = *nose-thrill* or *nose-thirl*. ME. *noethirl*, Chaucer, C. T. 559 (A 557). AS. *nosðyrl*; the pl. *nosðyrla* (= *nosðyrlu*, the sb. being neuter) is used to translate L. *nāres* in Voc. 157. 15. — AS. *nos-*, for *nosu*, the nose; and *ðyrel*, *þyrel*, a perforation, orifice, Grein, ii. 613. See further under **Thrill**.

**NOSTRUM**, a quack medicine. (L.) In Pope, *Prol. to Satires*, l. 29. — L. *nostrum*, lit. 'our own,' i.e. a special drug peculiar to the seller of it. Neut. of *noster*, ours, possess. pron. formed from *nōs*, we. Cf. Skt. *nas*, us.

**NOT** (1), a word expressing denial. (E.) ME. *not*, often spelt *nought* or *noght*, Chaucer, C. T. 304. The less stressed form of *Naught*, q. v.

**NOT** (2), I know not, or he knows not. (E.) Obsolete. ME. *not*, *noot*, Chaucer, C. T. 286 (A 284). AS. *nūt*, I know not, or he knows not; Grein, ii. 274. Equivalent to *ne wāt*; from *ne*, not, and *wāt*, I know or he knows. See **Wot**, **Wit**.

**NOT** (3), to crop, shear closely; see **Not-pated**.

**NOTABLE**, remarkable. (F.—L.) ME. *notable*, Chaucer, C. T. 13615 (B 1875). — F. *notable*, 'notable'; Cot. — L. *notābilis*, remarkable. — L. *notāre*, to mark. — L. *nota*, a mark, note; see **Note**. Der. *notabl-y*, *notable-ness*; *notabil-i-ty*, ME. *notabilitee*, Chaucer, C. T. 15215 (B 4399), answering to F. *notabilité*, as if from L. acc. *\*notābilitātem*, from nom. *\*notābilitās*, a word not recorded.

**NOTARY**, a scrivener, one who takes notes. (F.—L.) The pl. *notaryes* occurs in the Ayenbite of Inwynt, p. 40, l. 8. Englished from AF. *notarie*, Langtoft, ii. 392; OF. *notaire*, 'a notary, a scrivener'; Cot. — L. *notārium*, acc. of *notārius*, a short-hand writer, one who makes notes; formed with the adj. suffix -rius from *notū-*, stem of *nota*, a mark; see **Note**.

**NOTATION**, a system of symbols. (L.) In Ben Jonson's Eng. Grammar, cap. viii is on 'the notation of a word,' by which he means the etymology. The word was really taken directly from Latin, but was put into a French form, by analogy. Formed as if from a F. *notation* (not in Cotgrave); from L. *notātiōnem*, acc. of *notātiō*, a designating, also, etymology; cf. *notātus*, pp. of *notāre*, to mark; from *nota*, a mark; see **Note**.

**NOTCH**, to make an indentation, or a small cut in an arrow-head, &c. (F.—L.) Much confused with *nock*, with the same sense; but it appears to be of different origin. The vb. to *notch* seems to be older than the sb.; Cotgrave has both (see below). 'He . . notched him like a carbonado;' Cor. iv. 5. 199. It seems to have acquired an initial *n*; from ME. *ochen*, to cut, as in Morte Arthure, 2:65, 4246, where it occurs as 'he *oches* in sondire,' and 'he *ochede* it in sondyre.' — MF. *ocher*, OF. *oschier* (*hoschier* in Godefroy), *ochier*, 'to nick, notch, notch, to cut as a tally'; Cot. Cognate with Prov. dial. *auscar* (Körting), spelt *ousca* in Mistral, Catalan *oscar*, to cut into; cf. Prov. *osco*, a notch (Mistral), Catalan *osca*. — L. *\*absecāre*, to cut off, whence L. *absegmen*, a piece cut off (Lewis). — L. *ab*, off; and *secāre*, to cut; see **Section**. Der. *notch*, sb.; cf. MF. *ocher*, 'a notch, nick, or notch,' Cot.; Norm. dial. *ocher*, *noche*, a notch (Le Héricher); F. *hoche*. ¶ So Körting, § 49; but the MF. *ocher* also answers to Late L. *occāre*, to cut (Duc.), L. *occāre*, to harrow; from *occa*, a harrow.

**NOTE**, a mark, sign. (F.—L.) In early use. ME. *note*, Chaucer, C. T. 13477 (B 1737); Layamon, 7000. — F. *note*. — L. *nota*, a mark, sign, note. β. The *o* is short, and perhaps *nota* stands for *\*gnō'a*, allied to *nōtus* (for *gnōtus*), known. The shortening of the syllable appears still more decisively in *cognītus* = *cognōtus*, known (Bréal). See **Notice**. Thus a *note* is 'a mark whereby a thing is known.' Der. *note*, verb, ME. *noten*, Gower, C. A. iii. 164; bk. vii. l. 2340; *not-ed*, *not-ed-ly*, *note-less*, *not-er*; *note-book*, Jul. Cæs. iv. 3. 98; *note-worthy* (= *worthy of note*), Two Gent. of Verona, i. 1. 13. And see *not-able*, *not-ary*, *not-at-ion*, *not-ice*, *not-ify*, *not-ion*, *not-or-i-ous*.

**NOTHING**, absence of being, insignificance. (E.) Merely an abbreviation, in pronunciation, of *no thing*. The words were formerly written apart. Thus, in Chaucer, C. T. 1756 (Six-text, A 1754), the Ellesmere and Hengwrt MSS. have *no thyng*, where the Camb. MS. has *noþyng*. See **No** (2) and **Thing**. Der. *nothing-ness*, in Bp. Hall, *Select Thoughts*, § 22 (R.).

**NOTICE**, an observation, warning, information. (F.—L.) In Shak. Hen. V, iv. 7. 122. — F. *notice*, 'notice'; Cot. — L. *notitia*, a being known, knowledge, acquaintance. Extended from *nōtus*, known,

pp. of *nōscere*, to know. See **Noto**, **Know**. **Dor.** *notice*, verb, *notice-able*, *notice-able-y*.

**NOTIFY**, to signify, declare. (F.—L.) In Minshew, ed. 1627; cf. Oth. iii. 1. 31. ME. *notifyen*, Chaucer, Troil. ii. 1591. —F. *notifier*, 'to notify'; Cot. —L. *nōtificāre*, to make known. —L. *nōti-*, for *nōtus*, known; and *-fic-*, for *fac-ere*, to make. See **Notice** and **Fact**. **Dor.** *notific-at-ion*.

**NOTION**, an idea. (F.—L.) Formerly, intellectual power, sense, mind; see Shak. Cor. v. 6. 107. —F. *notion*, omitted by Cotgrave, but given in Sherwood's Index to the same. —L. *nōtiōnem*, acc. of *nōtio*, an investigation, notion, idea; cf. *nōtus*, known; see **Notice**. **Dor.** *notion-al*.

**NOTORIOUS**, manifest to all. (L.) In Shak. All's Well, i. 1. 111. *Notoriously* is in Sir T. More, Works, p. 960f. Englished from L. *nōtōrius*, by changing *-us* into *-ous*, as in *arduous*, &c. This L. word is only represented in Lewis's Dict. by the fem. and neut. forms *nōtōria*, *nōtōrium*, both used substantively; cf. OF. *notoire*, 'notorious' (Cot.), which points back to the same L. adj. Formed from L. *nōtor*, a voucher, witness; which again is formed with agential suffix *-tor* from *nō-*, base of *nōscere*, to know, cognate with E. *know*; see **Know**. **Dor.** *notorious-ly*, *-ness*.

**NOTORIETY**, notoriousness. (F.—L.) Used by Addison, On the Christian Religion (Todd). —MF. *notoriété*, 'notoriousness'; Cot.; mod. F. *notoriété*. —Late L. *nōtōrietātem*, acc. of *nōtōriētus* (Ducange). —L. *notōrius*; see **Notorious**.

**NOT-PATED**, closely shorn or cropped. (E. and Late L.) See Shak. 1 Hen. IV, ii. 4. 78. Chaucer has *not-heed*, a closely cropped head; C. T. prol. 109. Cf. 'To *Nolte* his haire, *comas recidere*'; Baret (1580). From AS. *hnōt*, close shorn, smooth; and **Pate**.

**NOTWITHSTANDING**, nevertheless. (E.) ME. *noght withstondende*, Gower, C. A. ii. 181; bk. v. 1611. From *noght* = *naught*; and *withstanding*, pres. part. of *withstand*. Perhaps suggested by L. *nōn obstante*. See **Naught** and **Withstand**.

**NOUCH**, the same as **Ouch**, q. v.

**NOUGHT**, the same as **Naught**, q. v.

**NOULE**, **NOWL**, **NOLE**, **NOLL**, a head. (E.) 'An Asses *nole*'; Mids. Nt. Dream, iii. 2. 17 (1623). And see Nares. ME. *nol*. AS. *hnoll*, the crown of the head. —OHG. *hnol*, top.

**NOUN**, the name of a thing. (F.—L.) Used so as to include adjectives, as being descriptive. Rich. quotes 'that *nowne* knowledge, and that verbe knowledge' from Sir T. More, Works, p. 437 a. Also *nowne* in Cathol. Anglicum (1483); but the word is older, and belongs to the 14th cent.; first appearing in 1398 (N.E.D.). —OF. *non*, *nun*, *nom*, *num* (Godefroy); mod. F. *nom*, a name, a noun. In Philip de Thaun, Livre des Creatures, we have the AF. forms *nun*, l. 241, *num*, l. 233; see Wright's Popular Treatises on Science. —L. *nōmen*, a name, noun; cognate with E. **Name**, q. v. Doublet, name.

**NOURISH**, to feed or bring up. (F.—L.) In early use. ME. *norisen*, *norysen*, Rob. of Glouc. p. 238, l. 4901; whence the sb. *norysyng* in the preceding line. —OF. *noris-* (mod. F. *nourris-*), stem of parts of the verb *norir* (mod. F. *nourrir*), to nourish. —L. *nutrire*, to suckle, feed, nourish. **Dor.** *nourish-er*, Macb. ii. 2. 40, *nourish-able*; *nourish-ment*, Spenser, F. Q. vi. 9. 20. And see *nurse*, *nurture*, *nutri-ment*, *nutri-ti-ous*, *nutri-tive*.

**NOVEL**, new, strange. (F.—L.) In Shak. Sonnet 123. It seems to be less old in the language than the sb. *novelty*, which is ME. *noveltee*, Chaucer, C. T., E 1004. And it follows the OF. spelling of the sb. —OF. *novel* (Godefroy), later *nouvel*, mod. F. *nouveau*. —L. *novellus*, new; dimin. form from *novus*, which is cognate with E. **New**, q. v. **Dor.** *novel-ty*, ME. *noveltee* (as above), OF. *noveliteit*, from L. *novellitātem*, acc. of *novellitās*, newness; *novel*, sb., a late word in the mod. sense, but the pl. *novels* (=news) occurs in the Towneley Mysteries (see Trench, Select Glossary); *novel-ist*, formerly an innovator (Trench); and see *nov-ice*, *in-nov-ate*.

**NOVEMBER**, the eleventh month. (L.) In Chaucer, On the Astrolabe, pt. i. § 10, l. 11. —L. *November*, the ninth month of the Roman year. —L. *novem*, nine. See **Nine**.

**NOVICE**, a beginner. (F.—L.) In Shak. Meas. i. 4. 18. ME. *novys*, *novice*, Chaucer, C. T. 13945 (B 3129). —F. *novice*, 'a novice, a young monk or nunne'; Cot. —L. *novicius*, *novitius*, new, fresh, a novice; Juvenal, Sat. iii. 265. Extended from *novus*, new; see **Novel**, **New**. **Dor.** *noviti-ate*, Blount's Gloss., ed. 1674, from F. *novitiat*, 'the estate of a novice,' from Late L. *novitiātus*, sb.; see *novitiāri* in Ducange.

**NOW**, at this present time. (E.) ME. *now*, Chaucer, C. T. 763 (A 761); also spelt *non*, for older *nu*. AS. *nū*, Grein, ii. 301. —Du. *nu*; Icel. *nū*; Dan. and Swed. *nu*; OHG. *nu*; Goth. *nu*. —Skt. *nu*, *nū*, now (Vedic). —β. The G. *nu-n*, Gk. *νῦ-ν*, L. *nu-n-c*, are extended forms from the same source. Brugmann, i. § 1042. **Dor.** *now-a-*

*days* (=now on days), Mids. Nt. Dr. iii. 1. 148, Chaucer, C. T. 16864 (G 1396); see **A-** (2), prefix. Hence also *new*, *novel*.

**NOWAY**, **NOWAYS**, in no way. (E.) The older form is *noways*, for ME. *nānes weies*, in no way, by no way, Layamon, 11216. This answers to AS. *nānes weges*, the gen. case used adverbially, as usual. —AS. *nānes*, gen. of *nān*, none; and *weges*, gen. of *weg*, a way. See **No** (2) and **Way**.

**NOWHERE**, in no place. (E.) AS. *nāhwær*, nowhere; Grein, ii. 273. —AS. *nā*, no; and *hwær*, where. See **No** (1) and **Where**.

**NOWISE**, in no way. (E.) Short for *in no wise*, ME. *on none wise*, Castell of Love, ed. Weymouth, 573 (Stratmann). Here *on* = *in*, is a prep.; *none* is dat. case of ME. *noon*, AS. *nān*, none; *wise* = *wisan*, dat. of AS. *wise*, a wise, a way. See **No** (2) and **Wise**, sb.

**NOXIOUS**, hurtful. (L.) In Milton, Par. Reg. iv. 460. Englished from L. *noxius*, hurtful, by change of *-us* to *-ous*, as in *arduous*, &c. —L. *noxā*, harm, hurt; cf. *nocēre*, to hurt; *nex* (stem *nec-*), destruction. —✓**NIĒK**, to perish, or cause to perish; whence also Skt. *naṣ*, to be lost, disappear, Gk. *névns*, a corpse. Brugmann, i. § 143; ii. § 794. **Dor.** *noxious-ly*, *-ness*. From the same root are *nec-ro-mancy*, *inter-nec-ine*, *per-nic-i-ous*, *ob-nox-i-ous*, *nuis-ance*, &c.

**NOYAU**, a cordial flavoured with orange-peel and kernels of stone-fruits. (F.—L.) Found in 1818; see Stanford Dict. —F. *noyau*, lit. 'kernel' of a fruit. —L. *nucāle*, neut. of *nucālis*, like a nut. —L. *nuc-*, stem of *nux*, a nut. See **Newel**.

**NOZZLE**, a snout. (E.) Rare in books. Spelt *nozle* in Arbuthnot and Pope, Martinus Scriblerus (Todd); *nozzle* (E. D. D.). Cp. 'a candylstyck *nosled*'; Archæol. Cantiana, xvi. 315 (A. D. 1500). The dimin. of *nose*, with suffix *-le* (or *-el*); so also Westphal. *nüsel*, a nozzle (Woeste). See **Nose**, **Nuzzle**.

**NUANCE**, a shade of a colour, gradation of colour. (F.—L.) It occurs in 1781; see Stanford Dict. —F. *nuance*, a shade. —F. *nuer*, to shade. —F. *nue*, a cloud. —Folk-L. *\*nūba*, for L. *nūbes*, a cloud. Allied to L. *nimbus*, a cloud; see **Nimbus**, **Nebula**.

**NUCLEUS**, the kernel of a nut, core. (L.) In Phillips, ed. 1706. —L. *nucleus*, a small nut, a kernel; cf. *nucula*, a small nut. Dimin. from L. *nux*, a nut (stem *nuc-*). Root uncertain. ¶ *Not* allied to E. *nut*. Allied to *newel*, q. v.

**NUDE**, naked, bare. (L.) In Minshew, ed. 1627. Taken from the L. directly; cf. *nude contract*, Englished from L. law-term *nūdum pactum*, Blount's Nomolexicon. —L. *nūdus*, naked. L. *nūdus* = *\*nugdus*, for *\*nogwedos*, allied to Skt. *nagna-*, naked, and to E. **Naked**, q. v. Brugmann, i. § 165. **Dor.** *nude-ly*; *nud-i-ty*, spelt *nuditie* in Minshew, from F. *nudité*, 'nudity' (Cot.), from L. acc. *nuditātem*.

**NUDGE**, a slight push. (Scand.) 'Knudge, v. to kick with the elbow'; E. D. S. Glos. B. 1; A. D. 1781. Lowland Sc. *nodge*, 'a push or strike, properly with the knuckles, *nodge*, to strike with the knuckles'; Jamieson; North E. *nog*, to jog; Lowland Sc. *gnidge*, to press, squeeze; Jam. Cf. Norw. *gnugga*, *nugga*, to rub, push; allied to *gnyggja*, *nyggja* (pt. t. *nogg*), to push; Swed. dial. *nogga*, to move slightly. Also NFries. *nocke*, to jog. Allied to **Knock**. Cf. also Icel. *knúi*, a knuckle, *knýja*, to press down with the fists and knees; Swed. *knoge*, a knuckle; Dan. *knuge*, to press.

**NUGATORY**, trifling, vain. (L.) In Bacon, Adv. of Learning, bk. ii. 7. 5. —L. *nūgātōrius*, trifling. —L. *nūgātor*, a trifler. —L. *nūgāri*, to trifle. —L. pl. *nūgæ*, trifles. Root unknown. Cf. L. *naucum*, a trifle; and perhaps L. *nux*, a nut (Bréal).

**NUGGET**, a lump or mass of metal. (E.) Formerly also *niggot*. 'After the fire was quenched, they found in *niggots* of gold and silver mingled together, about a thousand talents'; North, tr. of Plutarch's Lives, p. 499; cited in Trench, Eng. Past and Present, without a statement of the edition used; it is not that of 1631. I find 'silver *niggots*' in the same, ed. 1631, p. 425 (Marius). Cf. prov. E. *nug*, a block of wood; *nigg*, a small piece (Essex); *nog*, *knog*, a block of wood, knob, peg; allied to **Knag**. See **Noggin**. Ross gives Norw. *knugg*, a rounded projection, a 'knot' on the body.

**NUISANCE**, a troublesome or annoying thing. (F.—L.) Spelt *nuissance* in Minshew, ed. 1627; but *nuisance* is better, as in Cotgrave. ME. *nuisance*, Hoccleve, De Regim. Princ., 810. —F. *nuisance*, 'nuisance, hurt, offence'; Cot. —F. *nuisant*, 'hurtfull' id.; pres. part. of *nuire*, to hurt. —L. *nocēre*, to hurt; see **Noxious**.

**NULL**, of no force, invalid. (F.—L.) In Dryden, tr. of Juvenal, Sat. i. 87. Cf. *nullity*, which occurs in Minshew, ed. 1627. —AF. *nul* (in law); Stat. of Realm, i. 334. —L. *nullum*, acc. of *nullus*, none, not any. —L. *ne*, not, related to L. *no*; and *ullus*, any, short for *\*ānullus*, dimin. from *ūnus*, one. See **No** (1) and **One**. **Dor.** *null-i-ty*, from F. *nullité*, 'a nullity' (Cot.), from Late L. acc. *nullitātem*; *nulli-fy*, formed (as if from F. *nullifier*) from L. *nullificāre*, to make void,

from *nulli-*, for *nullus*, and *-fic-*, for *facere*, to make; also *null*, verb, Milton, Samson, 935. Also *an-nul*, *dis-an-nul*.

**NULLAH**, a water-course, bed of a torrent. (Hind.) In 1776 (Yule).—Hind. *nāla*, a water-course (Yule); *nālā*, a ravine, rivulet (Forbes).

**NUMB**, deprived of sensation. (E.) The *b* is excrescent; spelt *numme* in Shak. 1 Hen. VI, ii. 5. 13 (first folio). ME. *nome*, a shortened form of *nomen*, which was orig. the pp. of ME. *nimen*, to take. Thus *nome*=taken, seized, hence overpowered, and lastly, deprived of sensation. 'Whan this was seid, into wepinge Sche fel, as sche that was thurgh-*nome* With love, and so fer overcome'=when this was said, she fell a-weeping, as being thoroughly overcome by love, &c.; Gower, C. A. ii. 249; bk. v. 3634. Gower uses the same word *nome* elsewhere in the ordinary sense of 'taken'; C. A. ii. 227 (bk. v. 2993); ii. 386 (bk. v. 7524).—AS. *numen*, pp. of *niman*, to take; see **NIMBLE**. So also Icel. *numinn*, the pp. of *nema*, to take, is similarly used; as in *numinn mǫli*, bereft of speech; *ffjörvi numna*, life-bereft. Der. *be-numb*, q. v.; also *numb*, verb, Spenser, F. Q. vi. 11. 45; *numb-ness*, Wint. Tale, v. 3. 102 (spelt *numnesse* in the first folio). Also *num-scurr*.

**NUMBER**, a unit in counting, a quantity. (F.—L.) The *b* is excrescent in the F. form. ME. *nombre*, *noumbre*, Rob. of Glouc. p. 60, l. 1397; Chaucer, C. T. 718 (A 716).—F. *nombre*; Norman F. *nombre* (see Philip de Thaur, Livre des Creatures, l. 127, in Wright, Popular Treatises on Science, p. 24).—L. *numerus*, acc. of *numerus*, a number.—✓NEM, to distribute; cf. Gk. *vóμ-os*, law, *véμ-ειν*, to distribute. Brugmann, i. § 442. Der. *number*, verb, ME. *nombren*, *noumbren*, Rob. of Glouc. p. 61, l. 1398; *number-er*; *number-less*; and see *numer-al*, *numer-ation*, *numer-ous*.

**NUMBLES**, the entrails of a deer. (F.—L.) 'Nombresles of a dere or beest, *entrailles*;' Palsgrave. ME. *noumbles*, Gawaine and Grene Knight, 1347.—OF. *nombres* (*d'un cerf*), 'the numbles of a stag,' Cot.; and see *nomble* in Godefroy. *Nomble* is for OF. *lomb*, by confusion with F. *nombril*, navel (from L. *umbilicus*). See *lomb* in Godefroy, who quotes the AF. *li mien lumble*, Ps. xxvii. 8, where the Vulgate version has *lumbi mei*, i.e. my reins or loins.—L. *lumbulum*, acc. of *lumbulus*, dimin. of *lumbus*, loin; see **LOIN**.

**NUMERAL**, a figure expressing a number. (L.) Orig. an adj. 'Numeral, of or belonging to number;' Blount's Gloss., ed. 1674; and in Palsgrave, p. 372.—L. *numeralis*, belonging to number. L. *numerus*; a numeral; see **NUMBER**. Der. *numeral-ly*.

**NUMERATION**, numbering. (F.—L.) In Sir T. Browne, Pseudodoxia, iii. 5. § 2.—F. *numération*; in use in the 15th cent.—L. *numerationem*, acc. of *numératio*, a counting out; cf. *numératus*, pp. of *numérare*, to number.—L. *numerus*, number; see **NUMBER**. Der. *numerate* (really due to the sb.), formed from L. *numératus*; *numera-tor*=L. *numérator*, a counter, numberer. Also *e-numerate*, *in-numer-able*.

**NUMEROUS**, many. (F.—L.) In Milton, P. L. i. 675, &c.—MF. *nombreux*, a less usual form than *nombreux*; both are in Cotgrave.—L. *numerosus*, numerous.—L. *numerus*, a number; see **NUMBER**. Der. *numerous-ly*, *numerous-ness*; also (obsolete) *numerosity*=F. *numerosité*, 'numerosity, a great number' (Cot.). So also *numer-ic*, Butler, Hudibras, pt. i. c. 3, l. 461, as if from L. \**numericus* (not used); *numeric-al*, *-al-ly*.

**NUMISMATIC**, relating to coins. (L.—Gk.) The pl. sb. *numismatics* was added by Todd to Johnson's Dict. Coined from L. *numismat-*, stem of *numisma*, current coin.—Gk. *vóμισμα*, a custom, also, current coin.—Gk. *vóμιζεν*, to practise, adopt, to use as current coin.—Gk. *vóμος*, usage.—Gk. *vέμειν*, to distribute; see **NOMAD**. Der. *numismatic-s*; *numismato-logy*, from *-λογία*, which from *λόγος*, a discourse, from *λέγειν*, to speak.

**NUN**, a female celibate, living in seclusion. (L.) ME. *nonne*, Chaucer, C. T. 118; but this is an alteration to the F. spelling; cf. F. *nonne*, a nun. The mod. E. agrees with the AS. spelling, and with ME. *nunne*, as found in the Ancien Riwle, p. 316, last line. AS. *nunne*, a nun; Laws of Ælfred (political), sect. 8; in Thorpe's Ancient Laws, i. 66.—Late L. *nunna*, more commonly *nonna*, a nun, orig. a title of respect, esp. used in addressing an old maiden lady, or a widow who had devoted herself to sacred duties. The old sense is 'mother,' answering to L. *nomus*, father, later, a monk; a word of great antiquity. +Gk. *vάννη*, *vénna*, an aunt; *vάννας*, *vénvos*, an uncle; Skt. *nanā*, a familiar word for mother, used by children; see the St. Petersburg Dict. iv. 25; answering to Skt. *tata*, father. β. Formed by repetition of the syllable *na*, used by children to a father, mother, aunt, or nurse; just as we have *ma-ma*, *da-da* or *daddy*, and the like. Compare **MAMMA**, and **DAD**. Der. *nunn-er-y*, ME. *nonnerie*; Rob. of Glouc. p. 291, l. 5918, from OF. *nonnerie*, spelt *nouerie* in Roquefort, which was formed from OF. *nonne*, a nun, from L. *nonna*.

**NUNCHION**, a luncheon. (Hybrid; L. and E.) In Butler,

Hudibras, i. 1. 346. Cotgrave explains MF. *ressie* by 'an afternoons *nunchion*, or drinking;' and rightly, for the old sense had relation to drinking, not to eating, as will appear. Florio has: '*merenda*, a repast betwene dinner and supper, a *nunchin*.' The ME. spelling, in one instance at least, is *nonechenche*. We find that certain donations for drink to workmen are called in the [London] Letter-book G, fol. iv (27 Edw. III), *nonechenche*; see Riley, Memorials of London, p. 265, note 7; see my note to P. Plowman, C. ix. 146. It should rather be spelt *noneschence*. β. The etymology is obvious, viz. from ME. *none*, noon; and *schenche*, a pouring out or distribution of drink. The *none-schenche* or 'noon-drink' was the accompaniment to the *none-mete* or 'noon-meat,' for which see *nunmete* in the Prompt. Parv. p. 360, and Way's note upon it. γ. The ME. *none*, noon, is from L. *nōna*, the ninth hour, as explained s. v. **NOON**. δ. ME. *schenche*, a pouring out of drink, is a sb. made from ME. *schenchen*, to pour out drink. 'Bachus the wyn hem *schenchith* al aboute'=Bacchus pours out the wine for them all round; Chaucer, C. T. (Harleian MS.), ed. Wright, l. 9596. Tyrwhitt's ed. has *skinketh*, l. 9596; the Six-text edition (E 1722) has *skynketh*, *shynketh*, *shenketh*, *schenketh*, as various readings. All these are various forms from the verb *skenken*, AS. *scencan*, to pour out drink, occurring in Beowulf, ed. Grein, l. 496. This AS. verb is cognate with Du. *schenken*, to pour out, fill, give, present, Icel. *skenkja*, to serve drink, fill one's cup, Dan. *skjenke*, G. *schenken*, *einschenken*. ε. The derivation of AS. *scencan* is very curious; it is a causal verb, derived with the usual vowel-change of *a* to *e*, from AS. *scanc*, usually written *seanc*, a shank; see **SHANK**. The explanation is, that a *shank* also meant a hollow bone, a bone of the leg, shin-bone, and hence 'a pipe;' in particular, it denoted the pipe thrust into a cask to tap it and draw off the liquor. Thus prov. E. *shank* means 'a tunnel for a chimney' (Halliwell), i.e. a chimney-pipe; the MDu. *schenkkan* means 'a pot with a pipe or a gullet to pour out,' Sewel. A precisely parallel interchange of sense occurs in G. *rohr*, a reed, tube, pipe; whence *röhrbein*, the hollow bone of a leg, shin-bone; *röhrbrunnen*, a jet of a fountain; *röhre*, a pipe, also a funnel, shaft, or tunnel (like the use of prov. E. *shank*). ¶ We can now understand the full force of the quotation in Way's note from Kennett's MS., viz. '*Nooning*, beaver, drinking, or repast *ad nonam*, three in the afternoon, called . . . in the North parts a *noonchion*, an afternoon's *nunchion*.' In many parts, the use of *nuncheon* was driven out by the use of *bever* (lit. a drinking) in the same sense, and in East Anglia by the more intelligible word *nooning*. Lastly, by a curious confusion with the prov. E. *lunch*, a lump of bread, *nuncheon* was turned into the modern *luncheon*; see **LUNCHEON**. The same change of initial *n* to *l* occurs in *lilac*, from Pers. *nīl*, blue; see **LILAC**. The verb *schenchen* was afterwards supplanted by *skink*, and occurs in Shakespeare in the deriv. *under-skinker*, 1 Hen. IV, ii. 4. 26.

**NUNCIO**, a messenger, esp. a papal ambassador. (Ital.—L.) In Minshew, ed. 1627; and in Shak. Tw. Nt. i. 4. 28.—Ital. *nuncio*, *nuntio*, 'an ambassador;' Florio.—L. *nuntium*, acc. of *nuntius*, a bringer of tidings; of doubtful origin. Cf. *announce*, *de-nounce*, *pronounce*, *e-nounce*, *re-nounce*.

**NUNCUPATIVE**, declared by word of mouth. (F.—L.) 'Nuncupative, called, named, pronounced, expresly declared by word of mouth;' Blount's Glos. ed. 1674. It occurs in Cotgrave; also in the sense of 'nominal,' in Hall's Chron. Hen. VII, an. 11, § 10.—F. *nuncupatif*, 'nuncupative;' Cot.—Late L. *nuncupātivus*, nominal.—L. *nuncupātus*, pp. of *nuncupāre*, to call by name. Prob. from *nōmen*, a name, and *capere*, to take (Bréal). We find *cup-* for *cap-* in *occup-āre*, to occupy. Der. *nuncupat-or-y*, formed from L. *nuncupātor*, a namer, caller by name.

**NUPHAR**, a yellow water-lily. (Pers.—Skt.) A corrupt form, due to **NENUPHAR**, q. v. Attributed in the Cent. Dict. to Sir J. E. Smith, 1806. The form is absurd, as the word can only be (etymologically) divided as *nen-uphar*; nevertheless, the form *nūfar* (for *nīnūfar*) occurs in Persian; see Rich. Dict., p. 1611.

**NUPTIAL**, pertaining to marriage. (F.—L.) 'Our *nuptial* hour;' Mids. Nt. Dr. i. 1. 1.—F. *nuptial*, 'nuptiall;' Cot.—L. *nuptialis*, belonging to a marriage.—L. sb. pl. *nuptiæ*, a wedding.—L. *nuptia*, a bride, fem. of *nuptus*, pp. of *nūbere*, to marry. Brugmann, i. § 877 (a), connects L. *nūbere* with Oslavonic *snubiti*, to love, to woo. Der. *nuptial*, sb., Meas. for Meas. iii. 1. 122, usually in pl. *nuptials*, Pericles, v. 3. 80. And see *con-nub-i-al*.

**NURSE**, one who nourishes an infant. (F.—L.) Contracted from ME. *nurice*, a nurse; Ancien Riwle, p. 82, l. 20. Also *norice*, King Alisaunder, l. 650.—OF. *norrice*, *nurrice* (Litttré), later *nourrice* (Cot.), a nurse.—L. *nutricia*, a nurse.—L. *nutric-*, stem of *nutrix*, a nurse, formed with fem. suffix from the same base as *nutrire*, to feed, nourish; see **NOURISH**. Der. *nurse*, verb, Wyatt, To his Ladie, cruel over her yelden Louer, l. 5, in Tottell's Miscellany, ed.

Arber, p. 62; *nurs-er*, 1 Hen. VI, iv. 7. 46; *nurs-er-y*, K. Lear, i. 1. 126, Cymb. i. 1. 59, and see Trench, Select Glossary; *nurs-ling*, spelt *noursling* in Spenser, Virgil's Gnat, 282, formed with double dimin. suffix *-l-ing*, as in *duck-ling*; *nurs-ing-father*, Numb. xi. 12. And see *nurture*.

**NURTURE**, nourishment, education. (F.—L.) ME. *norture*, Rob. of Brunne, tr. of Langtoft, p. 188, l. 3.—AF. *nurture*, Stat. Realm, i. 104; OF. *norriture* (Godefroy), mod. F. *nourriture*, 'nourishment, nutriment, . . . also nurture'; Cot. [Cf. Ital. *nutritura*, nutriment.] = L. *nutritura*; from *nutrire*, to nourish; see **Nourish**. Der. *nurture*, verb, spelt *nourter* in the Bible of 1551, Deut. viii. 5; *nurtur-er*. And see *nutriment*.

**NUT**, the fruit of certain trees, a hard shell with a kernel. (E.) ME. *note*, Havelok, 419; King Alisaunder, 3293; *nute*, O. Eng. Homilies, ed. Morris, i. 79, l. 14. AS. *hnutu*, to translate L. *nux*; Voc. 137. 18. +Du. *noot*; Icel. *hnót*; Swed. *nöt*; Dan. *nöd*; G. *nuss*. Teut. base \**hnut-*; allied to Irish *cnú*, Gael. *cnò*, W. *cnueu*, a nut; Stokes-Fick, p. 96. ¶ It cannot be brought under the same form with L. *nux*. Der. *nut*, verb, to gather nuts; *nut-shell*, ME. *note-schale*, Trevisa, iv. 141; *nut-brown*, ME. *nute-brun*, Cursor Mundi, 18846; *nut-cracker* (Baret); *nut-hatch*, a bird also called the *nut-jobber* or *nutpecker*, ME. *nuthake*, Squire of Low Degree, 55, the sense being *nut-hacker*, the bird that hacks or pecks nuts, see **Hack** (1). And see *nut-meg*.

**NUTMEG**, the musk-nut. (Hybrid; E. and F.—L.—Pers.) ME. *notemuge*, Chaucer, C. T. 13693 (B 1953); *nutmegge*, Rom. of the Rose, 1361. A hybrid word; the former half being E. *nut*; see **Nut**. β. The latter half is from OF. *mugue*, musk, standing for \**musgue*, which is ultimately from L. *muscum*, acc. of *muscus*, musk; see **Musk**. The OF. *mugue* and *muge* occur in quotations given by Godefroy. The form *musque* is a Southern F. (Dauphinois) form, the usual Prov. form being *musc*; see Mistral. The *s* also appears in OF. *musquette*, by-form of *muguelle* in the phr. *noix muguelle*, a nutmeg (Godefroy); whence MF. *muguelle*, 'a nutmeg', Cot. Cf. F. *noix muscade*, 'a nutmeg', id.; Span. *nuex moscada*, a nutmeg, Ital. *noce moscada*, the same; Late L. *muscāta*, a nutmeg, lit. 'musk-like', formed with suffix *-āta* from *musc-*, stem of *muscus*. The L. *muscus* is from the Pers., as shown s. v. *musk*.

**NUTATION**, a nodding, vibratory movement of the earth's axis. (L.) In Pope, Dunciad, ii. 409. Astronomical. Englished from L. *nūtatio*, a nodding, swaying.—L. *nūtāre*, to nod, frequentative form of *nuere*, to nod. +Gk. *νέωω*, to nod. From a base NEU, signifying 'to move slightly'. Der. Hence also *in-nu-endo*.

**NUTRIMENT**, nourishment, food. (L.) In Milton, P. L. v. 496.—L. *nutrimentum*, food; formed with suffix *-mentum* from *nutri-re*, to nourish; see **Nourish**. Der. *nutriment-al*; and see *nutritious*.

**NUTRITIOUS**, furnishing nutriment. (L.) In Blount's Gloss., ed. 1674. Englished from L. *nutritus*, by change of *-us* to *-ous*, as in *ardu-ous*, &c. The L. word is also (better) spelt *nutricius*.—L. *nutric-*, stem of *nutrix*, a nurse; see **Nurse**. Der. *nutritious-ly*, *-ness*. So also *nutrition*, Pope, Essay on Man, ii. 64; a coined word.

**NUTRITIVE**, nourishing. (F.—L.) In Minshew and Cotgrave. ME. *nutritiff*, Lydgate, Minor Poems, p. 195.—F. *nutritif*, 'nutritive'; Cot. Formed with suffix *-if* (<L. *-ivus*) from *nutrit-*, stem of pp. of *nutrire*, to nourish; see **Nourish**. Der. *nutritive-ly*, *-ness*.

**NUZZLE**, to thrust the nose in. (E.) Also spelt *nousle*; Shak. Venus, 1115; Pericles, i. 4. 42; *nosyll* in Palsgrave. A frequentative verb, with suffix *-le*, from the sb. *nose*. It means 'to nose often', i. e. to keep pushing the nose towards. Cf. Low G. *nusseln*; EFries. *nüsseln*, Swed. dial. *nösła*, with the same sense; Swed. *nösa på all ting*, to thrust one's nose into every corner (Widegren); Du. *neuzelen*, *neusen*. See **Nose**, and cf. **Nozzle**.

**NYLGHAU**, a large species of antelope. (Pers.) Lit. 'blue cow'; the males being of a bluish colour.—Pers. *nīlgāw*, 'the white-footed antelope of Pennant, and antelope picta of Pallas'; Rich. Pers. Dict. p. 1620.—Pers. *nīl*, blue; and *gāw*, a bullock, cow, cognate with E. *cow*; id. pp. 1619, 1226. See **Lilac** and **Cow**.

**NYMPH**, a bride, maiden. (F.—L.—Gk.) ME. *nimphe*, Chaucer, C. T. 2930 (A 2928).—F. *nymphé*, 'a nymph'; Cot.—L. *nympha*.—Gk. *νύμφη*, a bride. Der. *nymph-like*, Milton, P. L. ix. 452.

## O

**O** (1), **OH**, an interjection. (E.) ME. *o*, Ancren Riwele, p. 54; Layamon, 17126. Not in AS. +Du. *o*; Dan. and Swed. *o*; G. *o*; Goth. *o*, Mk. ix. 19. +L. *o*; Gk. *ὦ*, *ω*. β. A natural exclamatory sound, akin to **Ah**! ¶ There is no particular reason for the

spelling *oh*, which is not older than 1548. Some make a distinction in use between *o* and *oh*; this is merely arbitrary.

**O** (2), a circle. (E.) In Shak. Hen. V, prol. 13; Mids. Nt. Dr. iii. 2. 188. So called because the letter *o* is of a circular shape.

**OAF**, a simpleton. (Scand.) 'You *oaf*, you!' Dryden, Kind Keeper, i. 1; where the old ed. has *auph*; see ed. 1763, vol. iv. p. 302. In Drayton's Nymphidia, l. 79, the old ed. of 1627 has *aulf*; Prof. Morley prints *oaf*. It is the same word as prov. E. *awof*, an elf (Halliwell). Again, *auf* or *awof* stands for *aulf*, a dialectal variety of E. *elf*.—Icel. *álfr*, an elf, cognate with E. **Elf**, q. v. β. Thus *oaf* is the Northern or Scand. variant of *elf*; perhaps in some counties it resulted from AS. *ælf*.

**OAK**, the name of a tree. (E.) ME. *oke*, better *ook*, Chaucer, C. T. 3019 (A 3017). AS. *āc*, Grein, i. 14; the long *a* changes into ME. *oo*, by rule. +Du. *eik*; Icel. *eik*; Dan. *eeg*, *eg*; Swed. *ek*; G. *eiche*. β. All from the Teut. type \**aiks*, f. Root unknown. Cf. Gk. *αἰγ-ίλωψ*, a kind of oak. Der. *oak-en*, adj., AS. *ācen* (Bosworth), with adj. suffix *-en* as *gold-en*, *beech-en*, &c. Also *oak-apple*, ME. *oke-appul*, Henslow, Medical Werkes, p. 80, l. 20; *oak-leaf*, *oak-gall*. [But not *acorn*, as often wrongly supposed.]

**OAKUM**, tow, old ropes teased into loose hemp. (E.) Spelt *ockam* in Skinner, ed. 1671. Spelt *oakam* in Dampier's Voyages, v. i. p. 295, an. 1686 (R.); *okum*, Naval Accounts (1486); p. 18. AS. *ācumba*, tow, in a gloss, ed. Napier, 3293; cf. 'Stuppa, *ācumba*', Voc. 152. 15. [The L. *stuppa* means 'tow'.] β. The sense is 'that which is combed off'; the prefix is the AS. *ā-*, 'away, off', as in the OHG. *ā-chambi*. The rest of the word is related to AS. *cēmban*, to comb, and *camb*, a comb; see **Comb**. Mr. Wedgwood says: 'OHG. *ācambi* [*āchambi*], tow; MHG. *hanef-ācamb*, the combings or hards of hemp, tow, what is combed out in dressing it; as *āswinc*, the refuse swungled out in dressing flax. "Stuppa pectitur ferreis hamis, donec omnis membrana decorticatur;" Pliny, xix. 1. 3, cited by Aufrecht in Philological Transactions.' Holland's translation of the passage is as follows: 'Now that part thereof which is vtmost and next to the pill [peel] or rind, is called *tow* or *hurds*, and it is the worst of the line or flaxe, good for little or nothing but to make lampe-match or candle-wiek; and yet the same must be better kēmbed with hetchell teeth of yron, vntill it be cōmbed from all the grosse barke and rind among;' vol. ii. p. 4. Hence *ācumba* is used to gloss L. *putāmen*; Mone, Quellen, p. 407, col. 1.

**OAR**, a light pole with a flat blade, for rowing a boat. (E.) ME. *ore*, Havelok, 1871; Northern form *ar*, Barbour's Bruce, iii. 576, 691. AS. *ār*, Grein, i. 34; the change from *ā* to long *o* being quite regular. +Icel. *ār*; Dan. *aare*; Swed. *ära*. Teut. type \**airā*, f.; whence Finnish *airo* (Noreen, § 57). ¶ A connexion with Gk. *ἑρ-έτης*, an oarsman, cannot be established. Cf. rather Gk. *οἶαξ* (for \**οἶσαξ*), a tiller. Der. *oar*, verb, Temp. ii. 1. 118; *oar-ed*; *eight-oar*, i. e. eight-oared boat, &c.; *oar-s-man*, formed like *hunt-s-man*.

**OASIS**, a fertile spot in a desert. (L.—Gk.—Egyptian.) First in 1613; and now common.—L. *oasis*.—Gk. *οἶσις*, *αἶσις*, a name of the fertile islets in the Libyan desert; Herod. iii. 26. Of Egyptian origin; cf. Coptic *ouahe*, a dwelling-place, oasis; *ouih*, to dwell; Peyron. Copt. Lexicon, 1835, pp. 159, 160.

**OAST, OAST-HOUSE**, a kiln for drying hops. (E.) Spelt *oast* or *east* in Ray's Collection of South-Country Words, ed. 1691. [The form *east* is from Du. *east*.] ME. *ost*; Palladius on Husbandry, i. 457. AS. *āst*, a kiln. 'Siccatorium [i. e. a drying-house], cylnd, vel *āst*;' Voc. 185. 30. Thus the word is E., the change from *ā* to *oa* being quite regular; cf. AS. *āc*, an oak, *ār*, an oar. +Du. *eest*; MDu. *ast*; 'een *ast*, a place where barley is dried to make malt with;' Hexham. Teut. type \**aistoz*, for \**aid-toz*. β. Allied to AS. *ād*, a funeral pile (Leo), MHG. *eit*, a fire, oven; just as L. *æstus*, glow, is related to L. *ædes*, a hearth, house. Cf. Gk. *αἶθος*, a burning heat; Skt. *idh*, to burn.—✓EIDH, to kindle; see **Ether**.

**OATH**, a solemn vow. (E.) ME. *ooth*, *oth*; Chaucer, C. T. 120. AS. *ād*, Grein, i. 17; the change from *ā* to *oa* being regular, as in *āc*, oak, *ār*, oar. +Du. *eed*; Icel. *eidr*; Dan. and Swed. *ed*; Goth. *aiths*; G. *eid*; OHG. *eit*. β. The Teut. type is \**aithoz*, m.; Idg. type \**oitos*; allied to Olrish *oeth*, oath (Rhys).

**OATS**, the name of a kind of grain. (E.) ME. *otes*, s. pl., Chaucer, C. T. 7545 (D 1963). The sing. form appears in mod. E. *oat-cake*, *oat-meal*, and the adj. *oat-en*. AS. *āte*; we find *āta* as a gloss to *zizania* in the Northumb. gloss to Matt. xiii. 38; also *æcer-sæd āten*, an acre-seed of oats, AS. Chron. an. 1124, where *āten* is for *ātan*, pl. Perhaps allied to Icel. *eitill*, a nodule in stone, Norweg. *eitel*, a gland, knot, nodule in stone, Russ. *iadro*, a kernel in fruit, bullet, ball, shot, Gk. *οἶδος*, a swelling. If this be right, the orig. meaning of *oat* has reference to its swollen form; from ✓EID, to swell. Der. *oat-en*, adj., with suffix *-en* as in *gold-en*, *oak-en*; *oat-meal*, *oat-cake*.

**OB-**, prefix. (L.) A common prefix, changing to *oc-* before *c*, *of-* before *f*, and *op-* before *p*, as in *oc-cur*, *of-fer*, *op-pose*. L. *ob*, with

very variable senses; as, towards, at, before, upon, over, about, near. Cf. Oscan *op*, near, Gk. *ἐπ*, upon; Brugmann, i. § 557.

**OB DURATE**, hardened, stubborn. (L.) ‘*Obdurate* in malice;’ Sir T. More, Works, p. 503 b. — L. *obdūrātus*, pp. of *obdūrāre*, to render hard. — L. *ob*, prefix (which hardly affects the sense); and *dūrāre*, to harden, from *dūrus*, hard. See **Ob-** and **Dure**. Der. *obdurate-ly*, -ness; *obdurac-y*, 2 Hen. IV, ii. 2. 50.

**OBDIENT**, submissive, dutiful. (F.—L.) In early use. ME. *obedient*, Ancren Riwle, p. 424, l. 11. — OF. *obedient*, ‘obedient;’ Cot. — L. *obēdiēns*, stem of pres. pt. of *obēdire*, to obey. β. The old L. form was *oboedire*. — L. *ob-*, prefix (of little force); and *audire*, to hear, listen to. See **Ob-** and **Audience**. Brugmann, i. § 250. Der. *obedient-ly*, *obedience*, O. Eng. Homilies, ed. Morris, i. 213, l. 5 from bottom, = OF. *obedience*, L. *obedientia*. And see *obeissance*, *obey*.

**OBEISANCE**, a bow or act of reverence. (F.—L.) ME. *obeissance*, formerly also used in the orig. sense of obedience or act of obedience, Chaucer, C. T. 8106, 8378 (E 230, 502); cf. Gower, C. A. i. 370, ii. 219. — OF. *obeissance*, later *obeissance*, ‘obedience, obeissance, a dutiful observing of;’ Cot. — OF. *obeissant*, pres. pt. of *obeir*, to obey. See **Obey**.

**OBELISK**, a tall tapering pillar. (F.—L.—Gk.) In Holland, tr. of Pliny, b. xxxvi. c. 8 and c. 9; and in Minshew, ed. 1627. And see Trench, Select Glossary. — MF. *obelisque*, ‘an obeliske;’ Cot. — L. *obeliscum*, acc. of *obeliscus*. — Gk. *ὀβελίσκος*, lit. a small spit, hence a thin pointed pillar; dimin. of *ὀβελός*, a spit; Æolic and Doric *ὀβελός*. Root uncertain. See **Obolus**.

**OBESE**, fat, fleshy. (L.) The sb. *obesity* is in Bailey, vol. ii. ed. 1731. [The sb. *obesity* is older, and occurs in Cotgrave to translate MF. *obesité*, der. from L. acc. *obēsītātē*.] — L. *obesus*, (1) wasted, eaten away, (2) fat, lit. ‘that which has eaten away’ from something; pp. of *obedere*, to eat away. — L. *ob*, near; *edere*, to eat. See **Ob-** and **Eat**. Der. *obese-ness*, *obes-i-ty*.

**OBEY**, to submit, yield to, do as bid. (F.—L.) ME. *obeyen*, Gower, C. A. ii. 219; bk. v. 2571. — OF. *obeir*, ‘to obey;’ Cot. — L. *obēdire*, to obey; see **Obedience**.

**OBFUSCATE**, to darken, bewilder. (L.) ‘*Obfuscate*, or made darke;’ Sir T. Elyot, The Governour, b. iii. c. 23. — L. *obfuscātus*, pp. of *obfuscāre*, to darken over, obscure; also spelt *offuscāre*. — L. *ob*, over; and *fuscāre*, to darken, from *fuscus*, dark, swarthy. See **Ob-** and **Fuscous**.

**OBIT**, a funeral rite. (F.—L.) Almost obsolete. ‘Men shall care little for *obites* within a while;’ Sir T. More, Works, p. 880 d. ME. *obit*, Destr. of Troy, 5357. — OF. *obit*, ‘an obit, obsequy, buriall;’ Cot. — L. *obitus*, a going to, a going down, downfall, death. — L. *obitum*, supine of *obire*, to go near. — L. *ob*, near; and *ire*, to go, from ✓*EI*, to go. See **Ob-** and **Itinerant**. Der. *obit-u-al*, formed with suffix -*al* (= L. -*ālis*) from *obitu*, for *obitus*; also *obitu-ar-y*, adj. relating to a decease, whence *obitu-ar-y*, sb. notice of a decease.

**OBJECT**, to offer in opposition, oppose. (L.) ‘The kinges mother *objected* openly against his mariage;’ Sir T. More, Works, p. 60, l. 1. ‘To *objecte* [venture] their owne bodyes and lyues for their defence;’ Sir T. Elyot, Castel of Helth, b. iii. c. 12. — L. *objectāre*, to throw against, oppose; frequentative of *obicere* (*obicere*), to throw towards. — L. *ob*, towards, against; and *iacere*, to throw. See **Ob-** and **Jet** (1). Der. *object*, sb., a thing thrown before or presented to the senses or mind, Merch. Ven. i. 1. 20 (from the pp. *objectus*); *object-glass*; *object-ion*, 1 Hen. VI, iv. 1. 129, and in Palsgrave, from F. *objection* (*objection* in Cotgrave), from L. acc. *obiectiōnem*; *object-ion-able*; *object-ive*, in Bailey, vol. ii. ed. 1731, a coined word, *object-ive-ly*, *object-ive-ness*, *object-iv-i-ty*.

**OBJURGATION**, a blaming, reproving. (F.—L.) In Minshew, ed. 1627; and in Cotgrave. — F. *objurgation*, ‘an objurgation, chiding;’ Cot. — L. *obiurgātiōnem*, acc. of *obiurgātiō*, a chiding. — L. *obiurgāre*, to chide. — L. *ob*, against; and *iurgāre*, to sue, proceed against, quarrel, chide. β. L. *iurgāre* stands for *iūr-ig-ūre*, from *iūr-*, stem of *iūs*, law; and -*ig-*, for *ag-ere*, to drive (Bréal). See **Jurist** and **Agent**.

**OBLATE**, widened at the sides. (L.) Mathematical. — L. *oblātus*, pushed forwards, viz. at the sides, said of a sphere that is flattened at the poles, and (by comparison) protrudes at the equator. — L. *ob*, towards; and *lātus*, pushed, lit. borne, for \**tlātus* (= Gk. *τλητός*), pp. related to *tollere*, to bear, sustain. See **Ob-** and **Tolerate**. ¶ *Ob-lātus* is used as the pp. of *offerre*, with which it has no etymological connexion. Der. *oblate-ness*; also *oblat-ion*. (And see *prolate*.)

**OBLATION**, an offering. (F.—L.) ‘Blessed *oblacion* of the holy masse;’ Sir T. More, Works, p. 338 f. ME. *oblacion*, Lydgate, Siege of Troy, ii. 13. 159. — F. *oblation*, ‘an oblation, an offering;’ Cot. — L. *oblātiōnem*, acc. of *oblātiō*, an offering; cf. *oblātus*, used as pp. of *offerre*, to offer. See **Oblate**.

**OBLIGE**, to constrain, to bind by doing a favour to, to do a favour to. (F.—L.) ME. *obligen*, Rob. of Glouc. p. 12, l. 280. —

F. *obliger*, ‘to oblige, tie, bind;’ Cot. — L. *obligāre*, to bind together, oblige. — L. *ob*, to; and *ligāre*, to bind. See **Ob-** and **Ligament**. Der. *oblig-ing*, used as adj., Pope, Prol. to Satires, 208; *oblig-at-ion*, ME. *obligacion*, Rob. of Glouc. p. 391, l. 8042, from F. *obligation* < L. acc. *obligātiōnem*; *oblig-at-or-y*, from L. *obligatōrius*; *oblig-at-or-i-ly*, *oblig-at-or-i-ness*.

**OBLIQUE**, slanting, perverse. (F.—L.) In Shak. Timon, iv. 3. 18. — F. *oblique*, ‘crooked, oblique;’ Cot. — L. *obliquus*, *oblicus*, slanting, sideways, awry. — L. *ob*, towards; and a base \**liqu-* or \**lic-*. β. The orig. sense of this \**liquus* is ‘bent;’ cf. L. *licinus*, bent, *limus*, for \**licmus*, askew; and perhaps Lithuan. *lenkti*, to bend. Der. *obliqu-i-ty*, from F. *obliquité*, ‘obliquity’ (Cot.), from L. acc. *obliquitātē*; *oblique-ness*.

**OBLITERATE**, to efface. (L.) In Minshew, ed. 1627. — L. *obliteratus*, pp. of *obliterare* or *oblitterāre*, to efface, smear out. — L. *ob*, over; and *littera*, a letter; see **Letter**. β. It seems to have been associated with L. *oblitus*, pp. of *oblinere*, to smear over; but there is no etym. connexion. Der. *obliterat-ion*.

**OBLIVION**, forgetfulness. (F.—L.) ME. *obliuion* (for *oblivion*), Gower, C. A. ii. 23; bk. iv. 651. — F. *oblivion*. — L. *obliuīōnem*, acc. of *obliuio*, forgetfulness. — L. *obliu-*, base of the inceptive verb *obliuiscere*, to forget. Root uncertain; the prefix is the prep. *ob*. Perhaps connected with *luescere*, to become livid, turn black and blue (hence, perhaps, to become dark); see **Livid**. But Bréal connects it with *oblitus*, i.e. effaced, pp. of *oblinere*, to smear over. Der. *obliui-ous*, Minshew, *oblyvyouse* in Palsgrave, from F. *oblivieux* (Cot.) < L. *obliuīōsus*; *obliui-ous-ly*, *obliui-ous-ness*.

**OBLONG**, long from side to side. (F.—L.) In Cotgrave. — F. *oblong*, ‘oblong, somewhat long;’ Cot. — L. *oblongus*, long, esp. long across. — L. *ob*, across, over; and *longus*, long. See **Ob-** and **Long**.

**OBLQUY**, calumny. (L.) ‘From the great *obloquy* in which hee was;’ Sir T. More, Works, p. 44 f. Englished from L. *obloquium*, contradiction. — L. *obloqui*, to speak against. — L. *ob*, against; and *loqui*, to speak. See **Ob-** and **Loquacious**.

**OBNOXIOUS**, offensive, answerable. (L.) Formerly used in the L. sense of ‘liable to;’ as in Milton, Samson, 106; P. L. ix. 170, 1094. ‘The perils that you are *obnoxious* to;’ Ben Jonson, Silent Woman, ii. 1. See Trench, Select Glossary. — L. *obnoxius*, liable to hurt; confused with L. *noxius*, hurtful; whence the E. word was formed by change of -*us* to -*ous*. — L. *ob*, prefix; and *noxa*, harm. See **Ob-** and **Noxious**. Der. *obnoxious-ly*, -ness.

**OBOE**, a hautboy. (Ital.—F.—L.) The Ital. spelling of *hautboy*. — Ital. *oboe*, a hautboy (Meadows, Eng.-Ital. section). — F. *hautbois*. See **Hautboy**.

**OBOLUS**, a very small Gk. coin. (L.—Gk.) Sometimes used in mod. E. — L. *obolus*. — Gk. *ὀβολός*, a small coin, perhaps orig. in the shape of a small rod or nail; a collateral form of *ὀβελός*, a spit. See **Obelisk**.

**OBSCENE**, unchaste, foul. (L.) In Shak. Rich. II, iv. 1. 131. Spelt *obscae* in Minshew, ed. 1627. — L. *obscēnus*, *obscānus*, *obscānus*, repulsive, foul. Etym. very doubtful; as one sense of *obscēnus* is ill-boding, inauspicious, it may be connected with L. *scānus*, left, left-handed, unlucky, inauspicious. Der. *obscene-ness*, *obscen-i-ty*.

**OBSCURE**, dark, little known. (F.—L.) ‘Now is faire, and now *obscure*;’ Rom. of the Rose, 5348. — F. *obscur*, ‘obscure;’ Cot. — L. *obscurus*, dark, lit. ‘covered over.’ — L. *ob*, over; and -*scūrus*, covered, from ✓*SKEU*, to cover. Cf. Skt. *sku*, to cover; and see **Sky**. Der. *obscure-ly*, -ness; *obscure*, verb, used by Surrey to translate L. *caligāre* in Virgil, Æn. ii. 606; *obscur-i-ty*, ME. *obscurete*, Caxton, G. Legend, St. Hilary, § 1, from F. *obscurité*, ‘obscurity’ (Cot.), from L. acc. *obscuritātē*; also *obscur-at-ion*, directly from L. *obscurātiō*.

**OBSECRATE**, to entreat. (L.) ‘*Obsecrate*, heartily to request;’ Cockeram (1642). — L. *obsecrāt-us*, pp. of *obsecrāre*, to entreat, conjure. — L. *ob*, on account of; and *sacrāre*, to treat as sacred, from *sacr-*, for *sacer*, sacred. See **Ob-** and **Sacred**.

**OBSEQUIES**, funeral rites. (F.—L.) ME. *obsequies*, Chaucer, C. T. 995 (A 993). — AF. and OF. *obsequies*, MF. *obseques*, ‘obsequies;’ Cot. — L. *obsequiās*, acc. of *obsequia*, s. pl., funeral rites; lit. ‘followings;’ a late form, for *exsequiās* (Lewis). — L. *ob*, prep., near; and *sequi*, to follow. See **Ob-** and **Sequence**; also **Obsequious**.

**OBSEQUIOUS**, compliant. (L.) See Trench, Select Glossary. In Shak. Oth. i. 1. 46. [F. *obsequieux*, ‘obsequious;’ Cot.] — L. *obsequiōsus*, full of compliance. — L. *obsequium*, compliance. — L. *obsequi*, to comply with; lit. ‘to follow near.’ — L. *ob*, near; and *sequi*, to follow. See **Ob-** and **Sequence**. Der. *obsequious-ly*, -ness.

**OBSERVE**, to heed, regard, keep. (F.—L.) ME. *obseruen* (with *u=v*), Chaucer, C. T. 13561 (B 1821). — OF. *observer*, ‘to observe;’ Cot. — L. *observāre*, to mark, take notice of. — L. *ob* (scarcely affecting

the sense); and *servare*, to keep, heed. See **Ob-** and **Servo**. Der. *observ-er*, *observ-able*, *observ-abl-y*, *observ-able-ness*; *observ-ance*, ME. *observaunce*, Chaucer, C. T. 1502, 10830 (A 1500, F 516), from F. *observance*, which from L. *observantia*; *observ-ant*, Hamlet, i. 1. 71, from F. *observant*, pres. part. of the verb *observer*; *observant-ly*; *observ-at-ion*, L. L. L. iii. 28, and in Palsgrave, directly from L. *observatio*; *observ-at-or*, *observ-at-or-y*.

**OBSIDIAN**, a vitreous stone. (L.) Bailey (1735) has: '*Obsidianum marmor*, the touchstone;' and see Holland, tr. of Pliny, bk. xxxvi. c. 26.—L. *Obsidiānus lapis*, a false reading for *Obsidius lapis*; a stone found by one *Obsidius* (false reading for *Obsius*) in Aethiopia; in Pliny, lib. xxxvi. c. 26, and lib. xxxvii. c. 10.

**OBSCULESCENT**, going out of use. (L.) In Johnson's Dict., s. v. *Hereout*.—L. *obsolescent*, stem of pres. part. of *obsolescere*, to grow old, inceptive form of *obsolescere*, to decay. See **Obsoleto**. Der. *obsolescence*.

**OBSOLETE**, gone out of use. (L.) In Minshew, ed. 1627.—L. *obsoletus*, pp. of *\*obsolescere*, to grow old, decay. β. The etym. of this word is very doubtful; it is not even known how it should be divided. Perhaps from *ob*, against, and *solere*, to be wont, as if *obsolescere*=to go against custom; cf. *ex-olescere*, to become disused (to Tertullian). Der. *obsolete-ness*; and see *obsolescent*.

**OBSTACLE**, a hindrance. (F.—L.) ME. *obstacle*, Chaucer, C. T. 9533 (E 1659).—F. *obstacle*.—L. *obstaculum*, a hindrance, a double dimin. form with suffixes *-cu-lu-*.—L. *obstare*, to stand in the way.—L. *ob*, over against; and *stare*, to stand, from √STĀ, to stand. See **Ob-** and **Stand**; also **Obstetric**.

**OBSTETRIC**, pertaining to midwifery. (L.) In Pope, Dunciad, iv. 394. Shortened from *obstetricious*, occurring in Cudworth, Intellectual System, b. i. c. 4 (R.).—L. *obstetricius*, obstetric.—L. *obstetric-*, stem of *obstrix*, a midwife. β. In *obste-trix*, the suffix *-trix* is the fem. suffix answering to masc. suffix *-tor*; the lit. sense is 'a female who stands near or beside.'—L. *obstare*, to stand near.—L. *ob*, near; and *stare*, to stand. See **Obstacle**. Der. *obstetric-s*, *obstetric-al*.

**OBSTINATE**, stubborn. (L.) ME. *obstinat*, Gower, C. A. ii. 117; bk. iv. 3434. We find the sb. *obstinacy* 5 lines above, with the L. *obstinacio* in the margin.—L. *obstinatus*, resolute, stubborn; pp. of *obstinare*, to set about, be resolved on.—L. *ob*, over against; and a verb *\*stanare*, to cause to stand, set, allied to Cretic *stavvō*, I set; whence also the comp. *dē-stina*, a support, stay, prop. See **Ob-** and **Destine**. The root is √STĀ, to stand, stand firm. Brugmann, ii. § 603 (2). Der. *obstinate-ly*; *obstinac-y*, formed by analogy with *legacy* from *legatē*, &c.

**OBSTREPEROUS**, noisy, clamorous. (L.) In Beaum. and Fletcher, Maid in a Mill, iii. 1. 5.—L. *obstreperus*, clamorous; with change of *-us* to *-ous*.—L. *ob*, against, near; and *strepere*, to make a noise, rattle, roar, perhaps of imitative origin. Der. *obstreperously*, *-ness*.

**OBSTRUCTION**, obligation. (L.) Very rare. In Milton, Samson, 312. A coined word; made from L. *obstrictus*, bound, obliged, pp. of *obstringere*, to bind, fasten.—L. *ob*, over against; and *stringere*, to bind. See **Ob-** and **Strict**.

**OBSTRUCT**, to block up a way, &c. (L.) In Milton, P. L. v. 257, x. 636; and in Cotgrave, s. v. *Oppiler*. [Probably really due to the earlier sb. *obstruction*, occurring in Sir T. Elyot, Castel of Helth, b. ii. c. 32, a word taken directly from L. *obstructio*.]—L. *obstructus*, pp. of *obstruere*, to build in the way of anything.—L. *ob*, over against; and *struere*, to build. See **Ob-** and **Structure**. Der. *obstruction*, as above; *obstruct-ive*, *obstruct-ive-ly*.

**OBTAIN**, to get, gain, hold. (F.—L.) 'Possible for vs in this life to *obtaine*;' Sir T. More, Works, p. 7 d. Spelt *opteyne*, Dictes and Sayings, pr. by Caxton, fol. 19, l. 24.—F. *obtenir*.—L. *obtinere*, to hold, obtain.—L. *ob*, near, close to; and *tenere*, to hold. See **Ob-** and **Tenable**. Der. *obtain-able*.

**OBTEST**, to conjure, call to witness, supplicate. (F.—L.) '[They] *Obtest* his clemency;' Dryden, tr. of Virgil, Æn. xi. 151. 'He earnestly *obtested*' [besought]; Hall's Chron., Hen. VII, an. 4, § 8.—MF. *obtester*, 'to obtest, conjure, invoke;' Cot.—L. *obtestari*, to call as witness.—L. *ob*, near; *testari*, to witness, from *testis*, a witness. See **Testament**.

**OBTRUDE**, to thrust upon, thrust in upon. (L.) In Minshew, ed. 1627.—L. *obtrudere*, pp. *obtrusus*, to thrust against, obtrude on one.—L. *ob*, against; and *trudere*, to thrust, allied to E. *threaten*. See **Ob-** and **Threat**. Der. *obtrusion*, *obtrus-ive*, *obtrus-ive-ly*; from the pp. *obtrusus*.

**OBTUSE**, blunt, dull. (F.—L.) In Minshew, ed. 1627.—MF. *obtus*, 'dull, blunt;' Cot.—L. *obtusus*, blunt; pp. of *obtundere*, to beat against or upon, to dull, deaden.—L. *ob*, upon; and *tundere*, to beat, strike, from √TEUD, to strike; cf. Skt. *tud*, to strike. Der. *obtuse-ly*, *-ness*.

**OBVERSE**, lit. turned towards one, used of the face of a coin, as opposed to the reverse. (L.) 'Silver pieces, . . . with a rude head upon the *obverse*;' Sir T. Browne, Hydriotaphia, ch. ii. § 7.—L. *obversus*, pp. of *obvertere*, to turn towards.—L. *ob*, towards; and *vertere*, to turn. See **Ob-** and **Verse**. Der. *obverse-ly*.

**OBVIATE**, to meet in the way, prevent. (L.) '*Obviate*, to meet with one, withstand, resist;' Minshew, ed. 1627.—L. *obviatus*, pp. of *obviare*, to meet in the way, go towards.—L. *ob*, over against; and *via*, a way. See **Ob-** and **Voyage**. And see **Obvious**.

**OBVIOUS**, evident. (L.) Orig. 'meeting in the way,' as defined by Minshew, ed. 1627.—L. *obuius*, meeting, lying in the way, obvious.—L. *ob*, near; and *uia*, a way; see **Obviate**. Der. *obvious-ly*, *-ness*.

**OCA**, a name of *Oxalis crenata* and *Oxalis tuberosa*, cultivated for their tubers. (Span.—Peruvian.) 'The Papas and Ocas be the chiefe for nourishment;' E. G.; tr. of Acosta, bk. iv. c. 18; p. 261.—Span. *oca*.—Peruv. *occa*, an edible root; Peruv. Dict. p. 262.

**OCCASION**, opportunity, occurrence. (F.—L.) ME. *occasion*, *occasioun*, Chaucer, C. T. 12000 (C 66).—F. *occasion*.—L. *occāsiōnem*, acc. of *occāsio*, opportunity.—L. *oc-*, for *ob* before *c*; and *-cāsio*, allied to *cāsus*, pp. of *cadere*, to fall, befall; see **Ob-** and **Chance**. Der. *occasion-al*, *occasion-al-ly*. And see *occident*.

**OCCIDENT**, the west. (F.—L.) Not now common. ME. *occident*, Chaucer, C. T. 4717 (B 297).—OF. *occident*, 'the occident, the west;' Cot.—L. *occidentem*, acc. of pres. pt. of *occidere*, to set (as the sun), go down.—L. *oc-* (for *ob* before *c*); and *cadere*, to fall; see **Ob-** and **Chance**. Der. *occident-al*, All's Well, ii. 1. 166.

**OCCIPUT**, the back part of the skull. (L.) In Phillips, ed. 1706; and first in 1602. [The adj. *occipital* is found earlier, in Minshew, ed. 1627; and first in 1541].—L. *occiput*, the back of the head.—L. *oc-* (for *ob* before *c*), over against; and *caput*, the head. See **Ob-** and **Chief**. Der. *occipit-al*, formed from *occipit-*, decl. stem of *occiput*.

**OCCULT**, hidden, secret. (L.) In Blount's Gloss., ed. 1674; first in 1567. [Cf. F. *occulte*, 'hidden;' Cot.].—L. *occultus*, hidden, pp. of *occulere*, to cover over.—L. *oc-* (for *ob* before *c*); and *\*celere*, to hide (not found), from √KEL, to cover, hide, whence also Irish *cel-im*, I hide, and E. *hell*. See **Ob-** and **Hell**. Der. *occult-ly*, *-ness*; *occult*, verb, Hamlet, iii. 2. 85, from F. *occultes*, 'to hide' (Cot.), which from L. *occulere*, frequentative of *occulere*. Also *occult-at-ion*, in Palsgrave, an astronomical term, borrowed from L. *occultatio*, a hiding.

**OCCUPY**, to keep, hold, fill, employ. (F.—L.) ME. *occupien*, Chaucer, C. T. 4844 (B 424); P. Plowman, B. v. 409.—F. *occuper*.—L. *occupare*, to lay hold of, occupy.—L. *oc-* (for *ob* before *c*); and *capere*, to seize. See **Ob-** and **Captive**. The final *-y* is due to the *i* in the ME. infin. ending *-ien*, which was substituted for the ordinary ending *-en*, probably to strengthen the word; cf. the suffix *-ian* for *-an* in AS. causal verbs. Der. *occupi-er*; also *occup-at-ion*, ME. *ocupacion*, Gower, C. A. ii. 50, bk. iv. 1452, from F. *occupation*, which from L. acc. *occupatiōnem*; also *occup-ant*, from F. *occupant*, pres. pt. of *occuper*; *occup-anc-y*.

**OCCUR**, to happen. (F.—L.) The word occurs in a letter from Cromwell to Sir T. Wyatt dated Feb. 22, 1538 (R.).—MF. *occurrer*, 'to occur;' Cot.—L. *occurrere*, to run to meet, meet, appear, occur.—L. *oc-* (for *ob* before *c*); and *currere*, to run. See **Ob-** and **Course**. Der. *occurr-ent*, Bible, 1 Kings, v. 4, from MF. *occurrent*, 'occurrent, accidental' (Cot.), which from L. *occurrent-*, stem of the pres. part. of *occurrere*. Also *occurr-ence*, 1 Hen. V, v. chor. 40, from MF. *occurrence*, 'an occurrence or accident,' Cot.

**OCEAN**, the main sea. (F.—L.—Gk.) ME. *ocean*, *occean*, Chaucer, C. T. 4925 (B 505).—OF. *ocean*, fem. *oceane*; Cot. gives 'la mer oceane, the ocean, or maine sea.'—L. *ōceanum*, acc. of *ōceanus*, the main sea.—Gk. *ὠκεανός*, the great stream supposed to encompass the earth, Homer, Il. xiv. 245, xx. 7; a word of unknown origin. Der. *ocean-ic*.

**OCELOT**, a small carnivorous animal. (Mexican.) Described in a tr. of Buffon, London, 1793, i. 303. '*Ocelotl*, or leopard-cat of Mexico;' Clavigero, Hist. of Mexico, tr. by Cullen, ii. 319. '*Ocelotl* in Mexican is the name of the tyger, but Buffon applies it to the leopard-cat;' id., footnote.—Mex. *ocelotl*, a tiger, jaguar.

**OCHRE**, a fine clay, commonly yellow. (F.—L.—Gk.) In Holland, tr. of Pliny, b. xxxiii. c. 13. The *ch* is due to Gk. *χ*; it is spelt *occar* in Palsgrave, *oker* in Cotgrave.—OF. *ocere*, 'painters' oker;' Cot.—L. *ōchra*.—Gk. *ὠχρα*, yellow ochre, so called from its pale colour.—Gk. *ὠχρός*, pale, wan, esp. pale-yellow. Root uncertain. Der. *ochre-ous*, *ochr-y*.

**OCTAGON**, a plane figure with eight sides and angles. (Gk.) In Phillips, ed. 1706. Spelt *octogon* in Blount (1656). Coined from Gk. *ὀκτάγωνον*, for *ὀκτώ*, eight, cognate with E. *eight*; and *γωνία*, an angle, corner, allied to *γωνία*, the knee. See **Eight** and **Kneec**. Der. *octagon-al*.

**OCTAHEDRON**, a solid figure with eight equal triangular sides. (Gk.) Spelt *octaedron* in Phillips, ed. 1706; ed. 1658 has the adj. *octohedrical*. The *h* represents the Gk. hard breathing. Coined from *ὀκτώ*, for *ὀκτώ*, eight, cognate with E. *eight*; and *ἔδρα*, a base, a seat, from the base *ἑδ-*, cognate with E. *sit*. See **Eight** and **Sit**. And see **Decahedron**.

**OCTANGULAR**, having eight angles. (L.) In Blount's Gloss., ed. 1674. Formed with adj. suffix *-ar* (= L. *-āris*) from L. *octangul-us*, eight-angled. — L. *oct-*, for *octo*, eight; and *angulus*, an angle. See **Eight** and **Angle**.

**OCTANT**, the aspect of two planets when distant by the eighth part of a circle. (L.) In Phillips, ed. 1706. — L. *octant-*, stem of *octans*, an instrument for measuring the eighth of a circle. — L. *octo*, eight. See **Eight**.

**OCTAVE**, lit. eighth; hence eight days after a festival, eighth note in music. (F.—L.) [The true old F. form of *eight* was *oit*, whence ME. *utas*, an octave (Halliwell); occurring as late as in Palsgrave.] 'The *octauis* [octaves] of the Epyphany;' Fabyan's Chron. an. 1324–5, ed. Ellis, p. 428. — F. *octaves*, pl. of *octave*; Cot. gives 'octave, an octave, an eighth; l'octave d'une feste, the octave, eight days, [or] on the eighth day, after a holyday.' — L. *octāua*, fem. of *octāuus*, eighth. — L. *octo*, eight; see **Eight**. Der. *octav-o*, from L. *octāuo*, abl. case of *octāuus*; a book was said to be in *folio*, in *quarto*, in *octavo*, &c.

**OCTOBER**, the eighth month of the Roman year. (L.) In Chaucer, On the Astrolabe, pt. i. § 10, l. 4. — L. *October*; from *octo*, eight. The origin of the suffix *-ber* is doubtful.

**OCTOGENARIAN**, one who is eighty years old. (L.) Added by Todd to Johnson. Coined from L. *octogēnārius*, belonging to eighty. — L. *octogēni*, eighty each; distributive form belonging to *octoginta*, eighty. — L. *octo*, eight; and *-ginta* = *-cinta*, prob. short for *\*decinta*, a derivative from *decem*, ten, cognate with E. *ten*. See **Eight** and **Ten**. Brugmann, ii. § 164.

**OCTOPUS**, a cephalopod mollusc with eight arms or feelers. (L.—Gk.) Pl. *octopodes* or *octopuses*. First in 1758. — L. *octōpus*. — Gk. *ὀκτώπους* (gen. *ὀκτώποδος*), i.e. eight-footed. — Gk. *ὀκτώ*, eight; and *πούς* (gen. *πόδος*), foot. See **Eight** and **Foot**.

**OCTOROON**, the offspring of a white person and a quadroon. (L.) First in 1861. One who is, in an eighth part, black. Coined from L. *octo*, eight; in imitation of *quadroon*. See **Quadroon**.

**OCTOSYLLABIC**, having eight syllables. (L.—Gk.) Tyrwhitt, in his Introd. to Chaucer, § vii, speaks of 'the *octosyllable* metre,' without the suffix *-ic*. — L. *octosyllabus*, adj., having 8 syllables. — Gk. *ὀκτώ*, eight; and *σλλαβή*, a syllable. See **Eight** and **Syllable**.

**OCTROI**, a duty or toll on articles admitted into a town. (F.—L.) First in 1614; in the sense of 'grant.' — F. *octroi*; MF. *octroy*, 'a grant, a privilege conferred;' Cot. — MF. *octroyer*, 'to grant, allow,' Cot.; OF. *otroiier*, *otroiier*. — Late L. type *\*autoridiāre*, for Late L. *auctorizāre*, to authorise. — L. *auctor*, author; see **Author**.

**OCULAR**, pertaining to the eye. (L.) 'Ocular proof;' Oth. iii. 3. 360. — L. *oculāris*, adj., formed from *oculus*, the eye, a dimin. of *\*ocus*, the eye, a form not used, but cognate with Gk. *ὄμμα*, the eye. Der. *ocular-ly*, *bin-ocular*, *in-oculate*; also *ocul-ist*, from L. *oculus*.

**ODALISQUE**, a female slave in a Turkish harem. (F.—Turk.) Blount, ed. 1681, has 'Odalique, a slave.' 'Sleek *odaliques*;' Tennyson, Princess, ii. 63. — F. *odalique*, the same (Littré); better spelt *odalique* (Devic). — Turk. *ōdaliq*, a chambermaid. — Turk. *ōda(h)*, a chamber, a room; Zenker's Dict. p. 115.

**ODD**, not even, strange, queer. (Scand.) ME. *odde*. 'Odde or euen;' Gower, C. A. iii. 138; bk. vii. 1580. 'None *odde* zerez' = no odd years, Allit. Poems, ed. Morris, B. 426. 'None *odde* wedding' = no irregular marriage; Myre's Instructions for Parish Priests, ed. Peacock, l. 198. — Icel. *oddi*, a triangle, a point of land; metaph. from the triangle, an odd number, opp. to even; also used in the metaphorical phrase *standask i odda*, to stand at odds, be at odds, quarrel. In composition, we find Icel. *oddamaðr*, the odd man, the third man, one who gives a casting vote; *oddatala*, an odd number. Hence it is clear that the notion of 'oddness' arose from the figure of a triangle, which has two angles at the base and an odd one at the vertex. Also *oddi* is closely related to *oddr*, a point of a weapon, which stands for *\*ozdr*, by assimilation. — AS. *ord*, point of a sword, point, beginning, chief; Dan. *od*, a point; *odde*, a tongue of land; Swed. *udda*, odd, not even; *udde*, a point, cape, promontory; *udd*, a point, prick; G. *ort*, a place, region, MHG. *ort*, an extreme point. β. The common Teut. type is *\*uzdoz*; and the orig. sense seems to have been sharp point or edge, esp. of a weapon. ¶ The sense of 'strange,' or 'queer,' seems to be a mere development from that of uneven. The W. *od*, notable, excellent, odd, is merely borrowed from E. The phrase *odds and ends* means 'points and ends,' hence, scraps; different from the ME. *ord* and *ende* =

beginning and end; see Tyrwhitt's note to Chaucer, C. T. 14639, and my note to the same line in the Monkes Tale, B 3911. ¶ Quite distinct from **Orts**, q. v. Der. *odd-ly*, *odd-ness*, *odd-i-ty*, *odd-fellow*; *odds*, Oth. ii. 3. 185.

**ODE**, a song. (F.—L.—Gk.) In Shak. L. L. L. iv. 3. 99. — F. *ode*, 'an ode;' Cot. — L. *ōda*, *ōdē*. — Gk. *ὤδῃ*, a song; contracted form of *ἀοιδή*, a song. — Gk. *αἰδεῖν*, to sing; related to *ἀηδών*, a nightingale, singing bird. β. The base of *αἰδεῖν* is *ἀφείδ*, where *ἀ* is prosthetic, and *φείδ* represents a *✓WEID*, to cry out; whence also OIrish *faed*, W. *gwaeedd*, a cry, shout. Stokes-Fick, p. 259. Der. *ep-ode*, *com-ed-y*, *trag-ed-y*, *mel-od-y*, *mon-od-y*, *palin-ode*, *par-od-y*, *psalm-od-y*, *pros-od-y*, *rhaps-od-y*.

**ODIUM**, hatred. (L.) In Phillips, ed. 1706. [The adj. *odious* is much older; in Chaucer, C. T., D 2190.] — L. *odium*, hatred. — L. *ōdi*, I hate; an old pt. t. used as a present. Cf. Armenian *at-eam*, I hate. Brugmann, i. § 160. Der. *odi-ous*, Test. of Crescense, st. 33, l. 229, and as above, from F. *odieux*, 'odious' (Cot.), from L. *odiosus*, adj., formed from *odium*; *odi-ous-ly*, *-ness*. And see **annoy**.

**ODOUR**, scent, perfume. (F.—L.) ME. *odour*, Wyclif, Eph. v. 2; Cursor Mundi, 3701. — AF. *odour*, OF. *odor*, F. *odeur*, 'an odor, sent;' Cot. — L. *odōrem*, acc. of *odor*, a scent. — *✓OD*, to smell; whence also Gk. *ὀζειν* (= *ὀδ-yein*), to smell; and Lithuan. *ūdzīu*, I smell. Der. *odor-ous*, Mids. Nt. Dr. ii. 1. 110, from L. *odōrus*, by change of *-us* to *-ous*, and throwing back the accent; *odor-ous-ly*. Also *odori-fer-ous*, L. L. L. iv. 2. 128, Lydgate, Assembly of Gods, 336, coined from L. *odōri-fer*, odour-bearing; which from *odōri-*, decl. stem of *odor*, and *-fer*, bearing, from *ferre*, to bear; see **Bear** (1). And see **Olfactory**, **Osmium**, **Ozone**, **Redolent**.

**ŒSOPHAGUS**, the gullet. (L.—Gk.) 'The *oesophagus*, or meatpipe;' P. Fletcher, The Purple Island, c. iv. note 30. — Late L. *oesophagus*. — Gk. *οἰσφάγος*, the gullet; of uncertain origin.

**OF**, from, belonging to, among. (E.) ME. *of*; passim. AS. *of*, of; Grein, ii. 308. — Du., Icel., Swed., Dan., and Goth. *af*; G. *ab*; OHG. *aba*. — L. *ab*; Gk. *ἀπό*; Skt. *apa*, away. Brugmann, i. § 560. The E. *off* is merely another spelling of *of*; see **Off**. A comparative form occurs in E. *after*; see **After**. And see **A-** (6), **Ab-**, **Apo-**.

**OFF**, away, away from. (E.) Merely another form of *of*, due to an emphatic or stressed use of it; and in old authors there is no distinction between the words, the spelling *of* doing duty for both. 'Smiteth of my hed' = smite off my head; Chaucer, C. T. 784 (A 782, Harl. MS.). The spelling *off* for *of* occurs in Barbour's Bruce, i. 27, &c. An early instance occurs in the line: 'For thou art mon off strange lond;' Rob. of Glouc. p. 115, l. 15; ed. Hearne. In the 13th century the spelling *off* is (I believe) never found. See **Off**. Der. see below, *of-fal*, *off-ing*, *off-scouring*, *off-set*, *off-shoot*, *off-spring*.

**OFFAL**, waste meat, refuse. (E.) See Trench, Select Glossary. ME. *offal*; 'Offal, that ys bleuit of a thyng, as chyppys, or other lyke, Caducum;' Prompt. Parv. Cf. 'Offall of trees;' Palsgrave. Thus it was formerly used of chips of wood falling from a cut log; and is merely compounded of *off* and *fall*; see **Off** and **Fall**. — Du. *afval*, fall, windfall, refuse, offal; from *af*, off, and *vallen*, to fall; Dan. *affald*, a fall off, decline, refuse, offal; G. *abfall*, offal; from *ab*, off, and *fallen*.

**OFFEND**, to annoy, displease. (F.—L.) ME. *offenden*, Chaucer, C. T. 2396 (A 2394). — F. *offendre*, 'to offend, hurt;' Cot. — L. *offendere* (pp. *offensus*), to strike or dash against, hurt, injure. — L. *of-* (for *ob* before *f*), against; and *\*fendere*, to strike, only occurring in compounds. See **Defend**. Der. *offence* or *offense*, ME. *offence*, Chaucer, C. T. 5558 (B 1138), from OF. *offense* (Cot.), from L. *offensa*, an offence, orig. fem. of pp. *offensus*; *offens-ive*, K. Lear, iv. 2. 11, from F. *offensif* (Cot.), as if from L. *\*offensivus* (not used); *offens-ive-ly*, *offens-ive-ness*; also *offend-er*.

**OFFER**, to propose, present, lay before. (L.) Directly from Latin. In very early use; found even in AS. ME. *offren*, Chaucer, C. T. 12841 (C 907); Rob. of Glouc. p. 14, l. 325. AS. *offrian*, to offer; see exx. in Sweet's A. S. Reader. — L. *offerre*, to offer. — L. *of-* (for *ob* before *f*), near; and *ferre*, to bring, to bear, cognate with E. *bear*. See **Ob-** and **Bear** (1). Der. *offer*, sb., *offer-er*; *offer-ing* = AS. *offrung*, Mark, ix. 49. Also *offer-tor-y*, ME. *offertorie*, Chaucer, C. T. 712 (A 710), F. *offertoire* (Cot.), from L. *offertorium*, a place to which offerings were brought, an offertory, extended from *offertor*, an offerer, formed from the verb *offer-re* with agential suffix *-tor*.

**OFFICE**, duty, employment, act of worship, &c. (F.—L.) In early use. ME. *offiz*, *office*. 'On thin *offiz*' = in thy official position; Genesis and Exodus, ed. Morris, l. 2071. — F. *office*. — L. *officium*, duty, service. Perhaps from *of-* (for *ob* before *f*), and *-fic-*, for *facere*, to do (Bréal). See **Ob-** and **Fact**. Der. *office-bearer*; *offic-er*, ME. *officere*, Chaucer, C. T. 8066 (E 190), from F. *officier* < Late L. *officiarius*, one who performs an office; *offic-i-al*, P. Plowman, B. xx.

136, from OF. *official*, 'an official' (Cot.), which from L. *officiālis*; *offic-i-al-ly*; *offici-ate*, in Milton, P. L. viii. 22, from Late L. *officiātus*, pp. of *officiāre*, to perform an office, occurring A.D. 1314 (Ducange). Also *offici-ous* (see Trench, Select Glossary), used sometimes in a good sense, Titus Andron. v. 2. 202, from F. *officieux*, 'officious, dutiful, serviceable' (Cot.), which from L. *officiōsus*, obliging; *offici-ous-ly*, *offici-ous-ness*.

**OFFICINAL**, pertaining to or used in a shop or laboratory. (L.) 'Official, such drugs, plants, &c. as are sold in shops;' Bailey (1735). Formed with suffix *-al* (L. *-ālis*) from L. *officin-a*, a workshop, office; contracted form of *opificina* (Plautus).—L. *opific-*, decl. stem of *opifex*, a workman.—L. *opi-*, for *opus*, work; and *-fic-*, for *facere*, to do. See **Operate**.

**OFFING**, the part of the visible sea remote from the shore. (E.) 'Offin or Offing, the open sea, that part of it which is at a good distance from the shore;' Phillips, ed. 1706. Merely formed from *off* with the suffix *-ing*. See **Off**.

**OFFSCOURING**, refuse. (E.) Lit. anything scoured off; hence, refuse. In 1 Cor. iv. 13 (A.V.). From **Off** and **Scour**.

**OFFSET**, a young shoot, &c. (E.) Used in several senses. The sense 'shoot of a plant' occurs in Ray, as cited in Todd's Johnson (without a reference). From **Off** and **Set**.

**OFFSHOOT**, that which shoots off. (E.) Not in Todd's Johnson. Used figuratively in The Tatler, no. 157, § 10. From **Off** and **Shoot**.

**OFFSPRING**, progeny, issue. (E.) ME. *ofspring*, Rob. of Glouc. p. 164, l. 3433. The odd spelling *oxspring* occurs in Cursor Mundi, l. 11415. AS. *ofspring*, Gen. iii. 15.—AS. *of*, off, from; and *springan*, to spring. See **Off**, **Of**, and **Spring**.

**OFFUSCATE**, the same as **Obfuscate**, q.v.

**OFT**, **OFTEN**, frequently. (E.) *Oft* is the orig. form; this was lengthened into *ofte* (disyllabic), because *-e* was a common adverbial ending in the ME. period. Lastly, *ofte* was lengthened to *often* before a vowel or *h* in *hadde*, &c. Thus: 'Ful ofte tyme,' Chaucer, C. T. 358 (A 356), where Tyrwhitt prints *often* unnecessarily, the best MSS. having *ofte*. Again: 'That often hadde ben,' id. 312 (A 310); but Cursor Mundi has *ofte* before a consonant, 3520, &c. AS. *oft*, Grein, ii. 320. +Icel. *oft*, *opt* (pronounced *oft*); Dan. *ofte*; Swed. *ofta*; G. *oft*; OHG. *ofto*; Goth. *ufta*, adv. *oft*, Mk. v. 4; used as adj. in the phrase *thizō ufta sahtō*, frequent infirmities, 1 Tim. v. 23. Origin unexplained. Der. *often*, adj., esp. in the phr. *ofte tyme* or *often-tyme*, Chaucer, C. T. 52, 358 (A 52, 356); *often-ness*. We now say *often-er*, *often-est*; the old forms were *oft-er*, *oft-est*.

**OGEE**, **OGIVE**, a double curve. (F.—Span.—Arab.) Sometimes absurdly written OG, as if compounded of two letters of the alphabet. *Ogee* is another form of *ogive* (with *i* as in *machine*). 'An *Ogive* or *Ogee*, a wreath, circlet, or round band in architecture;' Minshew, ed. 1627. It is now generally used to mean a double curve —, formed by the union of a convex and concave line. An *ogee* arch is a pointed arch, with double-curved sides.—OF. *augive*, 'an ogive, a wreath, circlet, round band, in architecture;' *branches d'augives*, 'branches ogived, or limmes with ogives;' Cot. He also has: 'Ogive, an ogive, or ogee in architecture.' β. The suggestion in E. Müller is perhaps right; he compares the Span. *auge*, highest point. Excellent examples of the ogee curve are to be found in Moorish domes and arches, and we may derive the term from the pointed top of such domes, &c. Cf. Span. *cimacio ogee*, an ogee moulding, where *cimacio* is derived from *cima*, a summit, top; Late L. *cymatium*, an ogee curve (Vitruvius). Similarly, the F. *augive* is derived from Span. *auge*, highest point, also apogee (Pineda), which curious word is also found in Port. and Italian. γ. The Span. *auge* is from Arab. *āwǧ*, top, summit, vertex, altitude or ascendent of a planet; Rich. Dict. p. 200. Cf. Körtling, § 1049; Devic, s.v. *auge*. ¶ Prob. not an Arab. word, but from Gk. *ἀπόγειον*, apogee. Der. *ogiv-al*, adj., sometimes oddly corrupted to *ogee-fall*.

**OGHAM**, **OGAM**, used with reference to the alphabet of twenty characters employed by the ancient Irish and British. (Irish.) From Irish *ogham*, 'the occult manner of writing used by the ancient Irish;' O'Reilly. OIrish *ogum* (Windisch). Said to have been devised by a mythical inventor named *Ogma*.

**OGLE**, to look at sideways, glance at. (Du.) Not an old word in E. In Pope, Rape of the Lock, v. 23. 'I see him ogle still;' Dryden, Prol. to the Prophetess, 46. 'They say their wives learn ogling in the pit;' T. Shadwell, Tegue o Dively, Epilogue, p. 80 (1692); where a side-note says: 'A foolish word among the canters for glancing.' Certainly of Du. origin; answering to a Du. verb *\*oogelen* (not in the Dictt.), a regular frequentative of *oogen*, 'to cast sheep's eyes upon one;' Hexham. Such frequentative verbs are extremely common in Dutch, and may be numbered by hundreds;

and we actually find the Low G. *oegeln*, to ogle, in the Bremen Wörterbuch, used as a frequentative of *oegen*, to look at; Low G. *ogelen*, to ogle (Lübben); as well as MDu. *oogheler*, a flatterer, eyeservant, i. e. ogler (Oudemans).—Du. *ooge*, the eye; cognate with E. **Eye**, q.v.

**OGRE**, a monster, in fairy tales. (F.) Late. Added by Todd to Johnson's Dict. The quotation in Todd is from the E. version of the Arabian Nights (first in 1713), which was taken from the F. version.—F. *ogre*, an ogre; first used by Perrault in his *Contes*, 1697; see N. E. D. Diez proposed to connect it with Ital. *orco*, 'a sea-monster;' Florio; OSpan. *huergo*, *uerco*.—L. *orcum*, acc. of *orcus*, (1) the abode of the dead, (2) the god of the infernal regions, Orcus, Pluto. ¶ But it is difficult to guess what Perrault had in mind. Der. *ogr-ess*, from F. *ogresse*.

**OH**, a later spelling of **O**, q.v.

**OIL**, juice from the olive-tree, a greasy liquid. (F.—L.—Gk.) [We find in AS. the form *ele*, in Goth. *alew*, forms borrowed ultimately from the Gk., but at a very early period.] The ME. *oile* was borrowed from French; it occurs in Chaucer, C. T. 2963 (A 2961); and in Early E. Prose Psalter, Ps. xlv. 9.—AF. *oile*, St. Nicolas, by Wace, 636; OF. *oile*, later *huile* (Cotgrave).—L. *oleum*, oil; *olea*, an olive-tree.—Gk. *ἐλαιον*, oil; *ἐλαία*, an olive-tree, also an olive. See **Olive**. Der. *oil*, verb; the pp. *oiled* occurs in Hall's Satires, b. iv. sat. 4, l. 48. Also *oil-y*, K. Lear, i. 1. 227; *oil-i-ness*. Also *oil-bag*, *-cake*, *-cloth*, *-colour*, *-nut*, *-painting*. And see **Oleaginous**, **Oleaster**.

**OINTMENT**, a greasy substance for anointing wounds, &c. (F.—L.) The *t* is due to confusion with ME. *ointen*, vb., to anoint; the ME. form being *oinement* or *oynement*. '[They] bouzten [bought] swete-smelling oynementis, to come and to anoynte Jesu;' Wyclif, Mark, xvi. 1. Spelt *oinement* in Chaucer, C. T. 633 (A 631).—OF. *oignement*, an anointing, also an unguent, liniment; Burguy. Formed with suffix *-ment* (= L. *-mentum*) from OF. *oigner* (Godefroy), another form of OF. (and mod. F.) *oindre*, to anoint.—L. *ungere*, to anoint; see **Unguent**, **Anoint**.

**OLD**, aged, full of years, ancient. (E.) ME. *old*, def. form and pl. *olde*; Chaucer, C. T. 5240, 10023 (B 820, E 2149). OMerc. *ald*, later *āld* (written *āld*), Matt. ix. 16 (Rushworth MS.); AS. *eald*, ONorthumb. *ald*, Luke, i. 18. +Du. *oud* (for *old*); G. *alt*; Goth. *altheis*. Teut. type *\*alðoz*; Idg. type *\*altos*; cf. L. *ad-ultus*, an adult, one of full age. β. Like the *-ultus* in L. *ad-ultus*, it is a pp. form from the ✓AL, to nourish, as seen in Goth. *alan*, to nourish, L. *alere*, to nourish; cf. Goth. *us-althan*, to grow old. It means 'nourished, grown up.' See further under **Adult**, **Altitude**. Der. *old-en*, Macbeth, iii. 4. 75; Cursor Mundi, 18100 (Trin. MS.); apparently a Scand. word from Icel. *aldinn*, old, or (more probably) the adj. suffix *-en* was merely tacked on; cf. *gold-en*. Also *old-ness*, K. Lear, i. 2. 50; cf. *eldness*, Wyclif, Rom. vii. 6. Also *eld*, sb., *eld-er* (1), *eld-est*, *ald-er-man*.

**OLEAGINOUS**, oily. (L.—Gk.) In Blount's Gloss., ed. 1674. —L. *oleāginus*, belonging to olive-oil; by change of *-us* to *-ous*, as in *arduous*, &c. An adj. form from *olea*, the olive-tree. Not a true L. word, but borrowed from Gk. *ἐλαία*; see **Oil**.

**OLEANDER**, the rose-bay-tree. (F.—Late L.) 'Oleander, rose-bay;' Minshew.—MF. *oleandre*, 'the rose-tree, rose-bay, rose-lawrell, rose-bay-tree;' Cot. The same as Ital. *oleandro*, Span. *eloandro*, 'the rose-bay-tree,' Minshew (1623), Port. *eloandro*, *loandro*. All those forms are variously corrupted (it is supposed) from Late L. *lōrandrum*, a word cited by Isidore of Seville; Origines, xvii. 7. β. Again, Isidore has suggested that *lōrandrum* was corrupted from *rhododendron*: 'Rhododendron [v.r. *rodandarum*] quod corrupte *lorandrum* uocatur, quod sit foliis *lauri* similibus, flore ut rosa, arbor uenenata.' Perhaps we may rather guess *lorandrum* to represent *lauridendrum* (Ducange); from *lauri*- for L. *laurus*, laurel, and Gk. *δέρον*, a tree. γ. The change from *lōrandrum* to *oleandrum* is clearly due to confusion with *olea*, an olive-tree.

**OLEASTER**, the wild olive. (L.—Gk.) In Phillips, ed. 1706. Spelt *olaster*, Palladius on Husbandry, bk. iv. 115.—L. *oleaster*, Rom. xi. 17 (Vulgate). Formed with suffix *-ster* (as in *poeta-s-ter*) from *olea*, an olive-tree.—Gk. *ἐλαία*, an olive-tree. See **Oil**. See Bréal.

**OLFACTORY**, pertaining to smell. (L.) In Phillips, ed. 1658. —L. *olfactorius*, belonging to one that smells; only appearing in the fem. and neut. forms, *olfactoria*, *olfactorium*, a smelling-bottle. —L. *olfactor*, one who smells; (but only the fem. form *olfactrix* occurs); cf. *olfactus*, a smelling, also pp. of *olfacere*, to smell, to scent; of which a fuller form *olefacere* also occurs.—L. *olē-re*, to smell; and *facere*, to make; hence, to emit a scent. β. It is clear that *olēre* stands for *\*odēre*, whence *odor*, smell; cf. Gk. *ὀδμή*, scent. The change of *d* to *l* is a peculiarity of Latin, as in *Ulysses* for *Odysseus*, *lacruma* for *dacruma*; see **Tear** (2). See **Odour**.

**OLIGARCHY**, government by a few. (F.—L.—Gk. Spelt *oligarchie* in Minsheu, ed. 1627.—F. *oligarchie*, 'an oligarchie'; Cot.—Late L. *oligarchia* (Ducange).—Gk. ὀλιγαρχία, government in the hands of a few.—Gk. ὀλίγ-, for ὀλίγος, few, little; and -αρχία, from ἀρχεῖν, to rule. Der. *oligarchi-c-al*; also *oligarch*, Gk. ὀλιγαρχίας; *oligarch-al*.

**OLIO**, a mixture, medley. (Span.—L.) A mistaken form of *olia*, which is an E. spelling of Span. *olla*, sounded very nearly as *olia*, the Span. *ll* answering to E. *ly* or to E. *lli* in *million*. The mistake occurs in Eikon Basilike, cap. xv, and is noticed by Milton. 'Not to tax him for want of elegance as a courtier in writing *oglio* for *olla*, the Spanish word;' Milton, Answer to Eikon Basilike, cap. 15.—Span. *olla*, 'a round earthen pot, an oglio' (*sic*); Meadows. Properly, the latter sense is due to the Span. dish called *olla podrida*, a dish of various meats and vegetables, hence a mixture, medley, olio.—L. *olla*, a pot; from OL. *aula*, a pot. Root uncertain.

**OLIVE**, the name of an oil-yielding tree. (F.—L.—Gk.) ME. *oline* (with *u* for *v*), O. Eng. Homilies, ed. Morris, ii. 89, l. 5 from bottom.—F. *olive*.—L. *olīva*.—Gk. ἐλαία, an olive-tree. Brugmann, i. § 121. See further under **Oil**.

**OLYMPIAN**, belonging to Olympus, celestial. (L.—Gk.) 'Above th' Olympian hill;' Milton, P. L. vii. 3.—Late L. *Olympianus*, adj., for L. *Olympius*, Olympian.—Gk. Ὀλυμπία, a sacred region in Elis, where the Olympian games were held; Ὀλυμπος, a mountain in Thessaly, the fabled abode of the greater gods of Greece. Der. *Olympia-d* (from the same source), a period of four years, from one celebration of these games to another.

**OMADAUN, OMADHAWN**, a simpleton. (Irish.) First in 1818. Anglo-Irish.—Irish *amadán*, a simpleton.—Irish *amad* (the same).—Irish *am-*, for *an-*, negative prefix (cf. Gk. ἀν-); and *-mad*, OIrish *-met*, mind, cognate with L. *mens* and E. *mind*. Cf. L. *āmens*, mad.

**OMBRE**, a game at cards. (F.—Span.—L.) In Pope, Rape of the Lock, i. 56. The game came to England with Charles II, in 1660. A pamphlet called 'The Royal Game of Ombre' was published in that year (Chatto, p. 145).—F. *hombre*, ombre (Hamilton).—Span. *juego del hombre*, the game of ombre; lit. 'game of the man;' see Eng.-Span. part of Meadows' Dict. The Span. *juego* is from L. *iocus*; see **Joke**. The Span. *hombre* is from L. *hominem*, acc. of *homo*, a man; see **Human**. See Notes on E. Etym., p. 201.

**OMEGA**, the end. (Gk.) In Rev. i. 8. The sense 'end' is due to the fact that *omega* is the last letter of the Gk. alphabet. Its force is that of long *o*.—Gk. ὦ, called ὦ μέγα, i. e. great *o* or long *o*; where μέγα is the neut. of μέγας, great, allied to E. *mickle*; see **Mickle**. ¶ Opposed to *alpha*, the first letter; see **Alphabet**.

**OMELET**, a pancake made chiefly of eggs. (F.—L.) In Cotgrave.—F. *omelette*, 'an omelet or pancake of eggs;' Cot. An older form was *aumelette*; Cot. also gives: 'Aumelette d'œufs, an omelet, or pancake made of egges.' β. The forms of the word are various; a very common old form, according to Scheler, was *amelette*, but this was preceded by the forms *alemette*, *alemelle*, and *alumelle*. It is clear that *amelette* is a corruption from the older *alemette*; and it seems that *alemette*, in its turn, took the place of *alemelle*. γ. Now the OF. *alemelle* signified 'a thin plate,' esp. the blade of a knife, and is still preserved in the mod. F. *alumelle* (a corrupted spelling), with the sense of 'sheathing of a ship,' as a nautical term (Hamilton). That is, the *omelet* was named from its thin, flat, shape, and has nothing to do with F. *œufs*, eggs, as some have supposed; so that the old expression in Cotgrave, viz. *aumelette d'œufs*, is quite correct, not tautological. See *alemele*, the blade of a knife, in Godefroy, who has also *alemelle*; as well as (in the Supp.) the forms *alumette*, *amelette*, *omelette*, *œufmolette* (!), *aumelete*, an omelet; s. v. *omelette*. δ. Lastly, *alemelle* (or *alemele*) is a mistaken form, due to confusion of *la lemelle* (the correct form) with *l'alemelle*, as if the article had been elided before a vowel.—L. *lāmella*, a thin plate, properly of metal; dimin. of *lāmīna*, a thin, flat plate; see **Lamina**. ¶ There seems to be no reason for doubting the correctness of this curious etymology, due to Littré; see the articles in Littré and Scheler, under the words *omelette* and *alumelle*. Cf. Norm. dial. *amelette*, *omelette* (Moisy).

**OMEN**, a sign of a future event, prognostication. (L.) In Shak. Hamlet, i. 1. 123.—L. *ōmen*, an omen; OL. *osmen*. β. Root uncertain; Brugmann takes it to stand for \**ouis-men*, which he connects with Gk. οἶομαι, I think, suppose; §§ 877, 352 (3). Der. *omen-ed*, chiefly in *ill-omened*; *omin-ous* (Minsheu), imitated from L. *ōmin-ōsus*, adj., formed from *ōmin-*, decl. stem of *ōmen*; *omin-ously*, *omin-ous-ness*. Also *ab-omin-ate*.

**OMENTUM**, 'a fold or duplication of the peritoneum connecting the stomach with certain of the other viscera, as the liver, spleen, and colon; the caul;' N. E. D. (L.) Called *oment* in 1547.—L. *ōmentum*.

**OMIT**, to leave out, neglect. (L.) 'Nor omitted no charitable meane;' Sir T. More, Works, p. 887 c.—L. *ōmittere*, to omit; lit. 'to let go.' For \**ommittere*, which stands (by assimilation) for \**obmittere*.—L. *ob* (which often scarcely affects the sense); and *mittere*, to send, let go. See **Ob-** and **Mission**. Der. *omiss-ion*, Troil. iii. 3. 230, from F. *omission*, 'an omission' (Cot.), which from L. *ōmiss-ionem*, acc. of *ōmissio*, allied to the pp. *ōmissus*. Also *omitt-ance*, a coined word, As You Like It, iii. 5. 133.

**OMNIBUS**, a public vehicle. (L.) The name seems to have been first used in France. They were used in Paris about 1828; and were so called because intended for the use of all classes.—L. *omnibus*, for all, dat. pl. of *omnis*, all. Root uncertain; see Supp. note to Brugmann, § 762.

**OMNIPOTENT**, almighty. (F.—L.) ME. *omnipotent*, Chaucer, C. T. 6005 (D 423).—F. *omnipotent*; Cot.—L. *omnipotent-*, stem of *omnipotens*, all-powerful.—L. *omni-*, for *omnis*, all; and *potens*, powerful; see **Potent**. Der. *omnipotent-ly*, *omnipotence*, from F. *omnipotence* (Cot.).

**OMNIPRESENT**, everywhere present. (F.—L.) Milton has *omnipresence*, P. L. vii. 590, xi. 336. Coined from *omni-*, for *omnis*, all; and **Present**, q. v. Der. *omnipresence*.

**OMNISCIENT**, all-knowing. (L.) In Milton, P. L. vi. 430. Coined from *omni-*, for *omnis*, all; and *scient-*, stem of *sciens*, pres. part. of *scire*, to know; see **Science**. Der. *omniscience*.

**OMNIVOROUS**, all-devouring, feeding on all kinds of food. (L.) In Blount's Gloss., ed. 1674.—L. *omnivorus*, all-devouring; by change of *-us* to *-ous*.—L. *omni-*, for *omnis*, all; and *-vorus*, devouring, from *vorāre*, to devour; see **Voracious**.

**OMRAH**, a prince, lord. (Hind.—Arab.) 'Aigrettes by Omrahs worn;' Scott, Vision of Don Roderick, ii. 31.—Hind. *umarā*, a noble; lit. 'nobles,' pl., used as a title (Forbes).—Arab. *umarā*, pl. of *amīr*, a prince, emir; see **Emir**. Cf. the Arab. title *amīrū'l-umarā*, prince of princes (Yule).

**ON**, upon, at, near. (E.) ME. *on*; passim. AS. *on*; passim. +Du. *aan*; Icel. *ā* (for *an*); Dan. *an*, prep. and adv.; Swed. *ā*, prep.; G. *an*; Goth. *ana*, to, upon, on.—+Gk. *ἀνά*; Russ. *na*. Idg. type \**ana*. Der. *on*, adv.; *on-set*, *on-slaught*, *on-ward*, *on-wards*; and see *anon*.

**ONCE**, a single time, at a former time. (E.) ME. *ones*, *oones*, *onis*, Chaucer, C. T. 5592, 5595 (D 10, 13); cf. *at ones*, id. 767 (A 765). The final *s* was voiceless, not pronounced as *z*; and this is why the word is now spelt with *ce*, which is an attempt to show this. AS. *ānes*, once; orig. gen. case masc. and neut. of *ān*, one; the gen. case was sometimes used adverbially, as in *need-s*, *tui-ce*, *thri-ce*. See **One** (1). Der. *nonce*, in the phr. *for the nonce*; see **Nonce**.

**ONCE, OUNCE**, an animal; see **Ounce** (2).

**ONE** (1), single, undivided, sole. (E.) [The mod. pronunciation [wun] seems to have arisen in the W. of England; it is noticed by Jones, in 1701, as in use 'in Shropshire and some parts of Wales;' Ellis, On Early Eng. Pronunciation, p. 1012. It does not appear to be older in literature than about A. D. 1420; see N. E. D. Tindale has *wons* in Mark, vi. 31. At any rate, the ME. pronunciation was at first with long open *o*, later with long close *o*, whence the sound of *-one*, *on-*, in *al-one*, *at-one*, *on-ly*; we never say *wunly*. We do, however, say *wuns* (with voiceless *s*) for *once*.] ME. *oon*, *on*; also *oo*, *o*; dative *oone*, *one*; Chaucer, C. T. 343, 365, 681, 749 (A 341, &c.). AS. *ān*, one; Grein, i. 29.—+Du. *een*; Icel. *einn*; Dan. *een*; Swed. *en*; G. *ein*; Goth. *ains*.+W. *un*; Irish and Gael. *aon*; L. *ūnus*; OL. *oīnos*; Gk. \**oīnós*, one (fem. *oīnē*, an ace on a die). Teut. type \**ainoz*; Idg. type \**oinos*. Cf. Lith. *vėnas*, one; Brugmann, ii. § 165. Der. *one-sided*, *one-sided-ness*; *one-ness*; and see *on-ce*, *on-ly*, *al-one*, *l-one*, *at-one*; *un-ique*, *un-ite*, *un-ion*, *un-animous*, *uni-son*, *uni-versal*, *on-ion*; also *n-one*, *n-on-ce*, *an-on* (=in one), *an-other*. Doublet, *an* or *a* (from the unstressed form). The Gk. *εἷς*, one (base \**sem*) cannot be referred to the same source; Brugmann, i. § 408.

**ONE** (2), a person, spoken of indefinitely. (E.) In the phrase 'one says,' the *one* means a single person. Cf. 'One that moche wo wrouȝte, Sleuthe was his name' = one who wrought much wo, whose name was Sloth; P. Plowman, B. xx. 157. See Mätzner, Engl. Grammatik. 'The indefinite *one*, as in *one says*, is sometimes, but wrongly, derived from the F. *on*, L. *homo*. It is merely the use of the numeral *one* for the older *man*, *men*, or *me*;' Morris, Hist. Outlines of Eng. Accidence, p. 143; which see for examples. And see N. E. D.; **One**, § 20.

**ONEROUS**, burdensome. (F.—L.) In the Rom. of the Rose, l. 5633.—F. *oneroux*, 'onerous'; Cot.—L. *onerōsus*, burdensome.—L. *oner-*, for \**ones*, stem of *onus*, a burden. β. Benfey (Skt. Dict. p. 19) compares *onus* with Skt. *anas*, a cart; and so Brugmann, i. § 159. Der. *onerous-ly*, *-ness*; also *ex-oner-ate*.

**ONION**, the name of a plant. (F.—L.) ME. *oynon*, Chaucer,

**OPPIDAN**, at Eton, a student who boards in the town, not in the college. (L.) Formerly in more general use. 'Oppidan, a citizen or townsman;' Blount's Gloss., ed. 1674. — L. *oppidānus*, belonging to a town. — L. *oppidum*, a town; OL. *oppedum*. Cf. L. *Pedum*, the name of a town in Latium, Livy, ii. 39. 4. β. 'The word *oppidum* I derive from *pedum* (cf. *Pedum*) = Gk. *πέδον*, ground, country, Skt. *pada-m*, tread, step, place, spot, foot-print, track, and *ob*, on, near, over, and interpret it accordingly as orig. "What lies on or over the open ground;" . . . hence may well also be derived the old use of *oppida* for the barriers of a race-course, which lie on [or] over the arena;' Curtius, ii. 103, 303. Bréal compares Gk. *ἐμπεδος*, steadfast, firm (with prefix *ἐμ-*, for *ἐν*).

**OPPIATION**, a stopping up. (F.—L.) Sir T. Elyot has the pl. *oppilations*; Castel of Helthe, bk. ii. c. 7 (Of Fygges). — MF. *oppilation*, 'an obstruction;' Cot. — L. acc. *oppilationem*, allied to *oppilātus*, pp. of *oppilāre*, to stop up. — L. *op* (for *ob*), against; and *pilāre*, to ram, from *pilum*, a pestle. L. *pilum* is for \**pinslom*, from *pinsere*, to pound.

**OPPONENT**, one who opposes. (L.) In Minsheu, ed. 1627. — L. *oppōnent-*, stem of pres. pt. of *oppōnere*, to oppose, lit. set against. — L. *op-* (for *ob* before *p*); and *pōnere*, to place. See **Ob-** and **Position**.

**OPPORTUNE**, seasonable. (F.—L.) Spelt *oportune* in Lydgate, Siege of Thebes, prol. 139. — F. *opportun*, 'timely;' Cot. — L. *opportūnus*, convenient, seasonable; lit. near the harbour. — L. *op-* (for *ob* before *p*), near; and *portus*, a harbour, port. Cf. *im-portune*; and L. *Portūnus*, the protecting deity of harbours. See **Ob-** and **Port** (2). Der. *opportune-ly*, *opportune-ness*; also *opportuni-ly*, ME. *opportunité*, Wyclif, Matt. xxvi. 16, from F. *opportunité* (Cot.), which from L. acc. *opportunitatem*.

**OPPOSE**, to resist, withstand. (F.—L. and Gk.) ME. *opposen*, used commonly in the special sense of to contradict in argument, as an examiner used to do in the schools; see Chaucer, C. T. 7179 (D 1597), where Tyrwhitt prints *apposen*; Gower, C. A. i. 49; bk. i. 225. 'Aposen, or oposyn, Oppono;' Prompt. Parv. p. 13. — F. *opposer*; reflexively *s'opposer*, 'to oppose himself, to resist, withstand, gainsay, to object, except, or protest against;' Cot. — F. *op-* = L. *op-* (for *ob* before *p*), against; and F. *poser*, to place. See **Ob-** and **Pose**. Der. *oppos-er*, *oppos-able*.

**OPPOSITE**, over against, contrary, adverse. (F.—L.) ME. *opposite*, Chaucer, C. T., A 1894. — F. *opposite*, 'opposite;' Cot. — L. *oppositus*, pp. of *oppōnere*, to set against. — L. *op-* (for *ob* before *p*), against; and *pōnere*, to put, set; see **Ob-** and **Position**. Der. *opposite-ly*, *opposite-ness*; also *opposit-ion*, ME. *oppositioun*, Chaucer, C. T. 11369 (F 1057), from F. *opposition*, which from L. acc. *oppositiōnem*.

**OPPRESS**, to press against, constrain, overburden. (F.—L.) ME. *oppressen*, Chaucer, C. T. 11723 (F 1411). — F. *oppresser*, 'to oppresse;' Cot. — Late L. *oppressare*, to oppress; Ducange. — L. *oppress-us*, pp. of *opprimere*, to oppress, press upon. See **Ob-** and **Press**. Der. *oppress-ion*, Chaucer, C. T. 6471 (D 889), from F. *oppression*, which from L. acc. *oppressiōnem*; *oppress-ive*, *oppress-ive-ly*, *oppress-ive-ness*; *oppress-or*, Hamlet, iii. i. 71.

**OPPROBRIOUS**, reproachful, disgraceful. (L.) Spelt *opprobrious* in Trevisa, tr. of Higden, vii. 167; *opprobrious*, by a misprint, in The Remedie of Loue, st. 41, pr. in Chaucer's Works, ed. 1561, fol. 323, back. — L. *opprobriōsus*, full of reproach. — L. *opprobrium*, reproach. — L. *op-* (for *ob* before *p*), on, upon; and *probrum*, disgrace, infamy. Root uncertain. Der. *opprobrious-ly*, *-ness*. The sb. *opprobrium* is also sometimes used, having taken the place of the older word *opprobry*.

**OPPUGN**, to oppose, resist. (F.—L.) 'The true catholike faythe is, and euer hath been, *oppugned* and assaulted;' Sir T. More, Works, p. 571 h. — F. *oppugner*, 'to oppugne;' Cot. — L. *oppugnāre*, to buffet, beat with the fists. — L. *op-* (for *ob* before *p*), against; and *pugnāre*, to fight, esp. with the fists, from *pugnus*, the fist. β. *Pugnus* is from a base *pug-*, appearing in *pug-il*, a boxer, pugilist. See **Ob-** and **Pugilist**. Der. *oppugn-er*; *oppugn-anc-y*, Shak. Troil. i. 3. 111.

**OPTATIVE**, wishful, wishing. (F.—L.) The name of a mood in grammar, sometimes expressive of wishing. In Palsgrave, p. 84; and in Sherwood's Index to Cotgrave, where the F. *optatif* is also given. — F. *optatif*. — L. *optātūnus*, expressive of a wish; the name of a mood. — L. *optātus*, pp. of *optāre*, to wish; a frequentative verb from a base *op-*, perhaps connected with *ap-isci*, to obtain; cf. Skt. *āp*, *ap*, to obtain, attain. Der. *optative-ly*; from the same source, *opt-ion*, *ad-opt*.

**OPTIC**, relating to the sight. (F.—Gk.) Formerly *optick*. 'Through *optick* glass;' Milton, P. L. i. 288. = F. *optique*, 'of, or belonging to, the eie-sight;' Cot. — Gk. *οπτικός*, belonging to the sight; cf. *ὀπτήρ*, a spy, eye-witness. From the base *OH* (for *OQ*) occurring in Ionic *ὀπ-ωπ-α*, I have seen, *ὀφθαλμοι*, I shall see; Boeotian

*ὄκ-ταλλος*, for \**ὄκταν-λος* (cf. Skt. *akshan-*, the eye); also Lith. *ak-is*, eye, L. *oc-ulus*, Russ. *ok-o*, the eye. Der. *optic*, sb., an eye, as in 'the cleere casements of his own *optiques*;' Howell, Instructions for Foreign Travel, last sentence; *optics*, sb.; *optic-al*, *optic-al-ly*, *optic-i-an*. Also *aut-op-s-y*, *cat-op-tric*, *di-op-tric*, *syn-op-sis*; and see *oph-thalmia*.

**OPTIMISM**, the doctrine that all is for the best. (L.; with Gk. suffix.) Added by Todd to Johnson's Dict. Coined by adding the suffix *-ism* (= Gk. *-ισμος*) to *optim-*, stem of L. *optimus*, best, OL. *opitumus*; see Brugmann, ii. § 73. Perhaps related to L. *op-ēs*, riches (Bréal). Der. *optim-ist*, with Gk. suffix *-ιστης*.

**OPTION**, choice, wish. (F.—L.) In Minsheu. — F. *option*, 'option;' Cot. — L. *optiōnem*, acc. of *optio*, choice. Allied to *optāre*, to wish; see **Optative**. Der. *option-al*, *option-al-ly*.

**OPULENT**, wealthy. (F.—L.) In K. Lear, i. i. 88. — F. *opulent*, 'opulent;' Cot. — L. *opulentus*, wealthy. Extended from *op-*, stem of *opēs*, sb. pl., wealth, riches. Cf. Skt. *apnas*, wealth. Der. *opulence*; *opulenc-y*, Timon, v. i. 38. From the same source are *c-op-y*, *c-op-i-ous*, *c-op-ul-ate*, &c.

**OR** (1), conjunction, offering an alternative. (E.) Short for *other*, *owther*, *outher*, the older forms. 'Amys *other* elles' = amiss or else; P. Plowman, B. i. 175; where the Trin. MS. (printed by Wright) has 'amys *outher* ellis.' 'Other catell *other* cloth' = either property or cloth; P. Plowman's Crede, ed. Skeat, l. 116. 'Auther to lenge lye, or to longe sitte' = either to lie long, or to sit long; Gawain and the Grene Knight, l. 88. β. This *other* or *outher* is not the mod. E. *other*, nor allied to *either*; but seems to have been substituted for AS. *oððe*. Cf. AS. *oððe* . . . *oððe*, either . . . or. See N. E. D. Der. *n-or*.

**OR** (2), *ere*. (E.) The use of *or* for *ere* is not uncommon; see 'or ever I had seen that day;' Hamlet, i. 2. 183. Particularly in the phrase *or ere*, Temp. i. 2. 11; Macb. iv. 3. 173, &c. The forms *or*, *er*, *ar* occur as exact equivalents in the same passage in the three texts of P. Plowman, C. viii. 66, B. v. 459, A. v. 232. All are from AS. *ær*, *ere*, or from its equivalents in various E. dialects. See **Ere**.

¶ It is probable that *or ere* arose as a reduplicated expression, in which *ere* repeats and explains *or*; and this was confused with *or e'er*; whence *or ever*.

**OR** (3), gold. (F.—L.) A common heraldic term. — F. *or*, gold. — L. *aurum*, gold; see **Aureate**.

**ORACH**, **ORACHE**, a plant of the genus *Atriplex*, esp. mountain-spinach. (F.—L.—Gk.) Spelt *orech* in Turner, Names of Herbes, s. v. *Atriplex*; *orach* in Lyte, tr. of Dodoens, bk. v. ch. i; better spelt *arache* (see N. E. D.). — AF. *arasche*; in Voc. 559. i; MF. and F. *arroche*, Cot. A Picard form (Hatzfeld) for OF. \**arreuice* (not found). — L. *atriplicem*, acc. of *atriplex*, orach; Pliny, xix. 6. — Gk. *ἀτράφαξ*, *ἀτράφαξ*, orach; of unknown origin.

**ORACLE**, the utterance or response of a deity. (F.—L.) ME. *oracle*, Chaucer, Ho. of Fame, b. i. l. 11. — F. *oracle*, 'an oracle;' Cot. — L. *ōrāculum*, a divine announcement; formed with double dimin. suffix *-culu-* from *ōrāre*, to speak, announce, pray; from *ōr-* (for *ōs*), the mouth; see **Oral**. Der. *oracul-ar*, due to L. *ōrāculārius*, oracular; *oracul-ar-ly*, *-ness*.

**ORAL**, spoken, uttered by the mouth. (L.) In Blount's Gloss., ed. 1674. A coined word; formed with suffix *-al* (= F. *-al*, *-el*, L. *-ālis*) from *ōr-*, stem of *ōs*, the mouth. β. Allied to Skt. *āśya-m*, the mouth; Icel. *ōss*, the mouth of a river. Der. *oral-ly*; also *or-ac-le*, q. v., *or-at-ion*, q. v., *or-at-or*, q. v., *ori-fice*, q. v.; *ori-son*, q. v.; also *ad-ore*, *in-ex-or-able*.

**ORANG-OUTANG**, a large ape. (Malay.) 'Orang-outang is the name this animal bears in the E. Indies; *Pongo*, its denomination at Lowando, a province of Congo;' E. tr. of Buffon, London, 1792. 'An *oran-outang* o'er his shoulders hung;' Garth, Dispensary, c. v. l. 150 (1699). — Malay *ōrang ūtan*, 'the wild man, a species of ape;' Marsden, Malay Dict., p. 22. — Malay *ōrang*, a man, id.; and *hūtan*, *ūtan*, 'woods, a forest, wild or uncultivated parts of the country, wild, whether in respect to domestication or cultivation;' id. p. 364. Thus it means 'wild man.'

**ORANGE**, the name of a fruit. (F.—Ital.—Pers.) The pl. *oranges* is in Sir T. Elyot, Castel of Helth, b. ii. c. 7. 'Colour of orange' occurs in l. 11 of a 15th-century ballad beginning 'O mossie Quince,' pr. in Chaucer's Works, ed. 1561, fol. 344, back; and see *Oronge* in Prompt. Parv. Lydgate has the pl. *orengis*, Minor Poems, p. 15; the sing. *orange* occurs in Allit. Poems, ed. Morris, B. 1044. — OF. *orange* (14th century), Littré; later changed into *orange*, 'an orange;' Cot. [The form should rather have been *nareuge*, but the initial *n* was lost, and *areuge* became *orange* under the influence of F. *or* (L. *aurum*), gold; because the notion arose that the name denoted the golden colour of the fruit.] — Mltal. *narancia*, an orange (Florio); also *arancia*, id., as now. Cf. Span. *naranja*, Port. *laranja* (for *naranja*), an orange. — Pers. *nāranj*, *nārinj*, also *nārang*, an

orange; Rich. Pers. Dict. p. 1548; perhaps from Skt. *nāraṅga-s*, an orange-tree. Cf. Pers. *nār*, a pomegranate.

**ORATION**, a speech. (F.—L.) In Sir T. More, Works, p. 399 a. —F. *oration*, 'an oration, or harangue'; Cot.—L. *oratiōnem*, acc. of *oratio*, a speech.—L. *orāre*, to speak, pray; from *or-*, stem of *os*, mouth. See **Oral**.

**ORATOR**, a speaker. (F.—L.) Formerly *orator*, but now conformed to the L. spelling. ME. *oratur*, Chaucer, tr. of Boethius, b. 4. pr. 4, l. 183.—AF. *oratur*, F. *orateur*, 'an orator'; Cot.—L. *orātōrem*, acc. of *orator*, a speaker.—L. *orāre*, to speak; see **Oration**. Der. *oratori-c-al*, *oratori-c-al-ly*; *orator-y*, ME. *oratorie*, Chaucer, C. T. 1907 (A 1905), from F. *oratoire*, 'an oratory' (Cot.), from L. *orātorium*, a place of prayer, neut. of *orātorius*, belonging to prayer; *orator-i-o*, from Ital. *oratorio*, an oratory, also an oratorio, from the same L. *orātorius*.

**ORB**, a sphere, celestial body, eye. (F.—L.) In Shak. Merch. Ven. v. 60; and earlier.—F. *orbe*, an orb; omitted in Cotgrave, but given in Sherwood's Index, and in use in F. in the 13th century (Littré).—L. *orbem*, acc. of *orbis*, a circle, circuit, orb. Root unknown. Der. *orb-ed*, Hamlet. iii. 2. 166; *orbi-c-ul-ar*, Milton, P. L. iii. 718, from L. *orbiculāris*, circular; *orbi-c-ul-ar-ly*; also *orb-it*, Dryden, tr. of Virgil, xii. 1076, directly from L. *orbita*, a track, course, orbit, formed with suffix *-ita* from *orbi-*, decl. stem of *orbis*. Hence *orbit-al*.

**ORC, ORK**, a sea-monster. (L.) 'Seals and orks,' Milton, P. L. xi. 835. 'Epaular, an Orke, a great sea-fish, mortal enemy to the whale;' Cot.—L. *orca*, a sea-fish; perhaps the narwhal; Pliny, ix. 6. Holland's translation has: 'The Orcae, other monstrous fishes . . . deadly enemies they be vnto the foresaid whales.'

**ORCHARD**, a garden of fruit-trees. (L. and E.) ME. *orchard*, Ancrén Riwe, p. 378, l. 2 from bottom; *orchard*, Layamon, 12955. AS. *orcedard*, also spelt *orced*, Gen. ii. 8, 16; Wright, Popular Treatises on Science, p. 10, l. 3. The older form is *orogard*, Ælfred, tr. of Gregory's Pastoral, c. 40; ed. Sweet, p. 292, l. 4. [We also find *wyrtgeard*, to translate L. *promptuarium*, Ps. cxliii. 16, ed. Spelman.] Cognate with Goth. *aurtigards*, a garden, John, xviii. 1; cf. *aurtja*, a gardener, husbandman, Luke, xx. 10. β. The latter element is merely the mod. E. *yard*; see **Yard** (1). The former element is merely borrowed from L. *hortus*, a garden, both in E. and Gothic; and, as L. *hortus* is cognate with E. *yard*, the form *ort-geard* merely repeats the idea of 'yard.' ¶ So in Brugmann, i. § 767; but some have considered AS. *ort-geard* as wholly Teutonic, and have connected it with AS. *wyrt-geard* above (Dan. *urt-gaard*, Swed. *örtgård*), a kitchen-garden, from AS. *wyrt*, Dan. *urt*, Swed. *ört*, a wort. But the change from *wyrt* to *ort* (before A.D. 900) is incredible, and is now generally abandoned.

**ORCHESTRA**, the part of a theatre for the musicians. (L.—Gk.) In Holland, tr. of Suetonius, p. 242 (R.).—L. *orchēstra*.—Gk. *ὀρχήστρα*, an orchestra; which, in the Attic theatre, was a space on which the chorus danced.—Gk. *ὀρχέομαι*, I dance. Cf. Skt. *ṛghāya*, to rage. Root uncertain. Der. *orchestr-al*.

**ORCHIS**, a name for certain plants. (L.—Gk.) In Holland, tr. of Pliny, b. xxvi. c. 10; and in Swinburne, Trav. through Spain, (1779), p. 233, l. 1.—L. *orchis* (Pliny).—Gk. *ὄρχις*, a testicle; hence applied to a plant with tubers of testicular shape. Der. *orchid-ac-e-ous*, a coined word, as if from *orchid-*, stem of *orchis* (but the L. *orchis* makes gen. *orchis*, and Gk. *ὄρχις* makes gen. *ὀρχέως*); also *orchid*, similarly coined. ¶ A similar mis-coinage is seen in *ophidian*, for which see under **Ophicleide**.

**ORDAIN**, to set in order, arrange, regulate. (F.—L.) ME. *ordeynen*; P. Plowman, B. prol. 119; Rob. of Glouc. p. 236, l. 4864.—AF. *ordeiner*, Stat. Realm, i. 157; OF. *ordener*, later *ordonner*, as in Cotgrave.—L. *ordināre*, to set in order.—L. *ordin-*, stem of *ordo*, order; see **Order**. Der. *ordin-ance*, q.v.; *ordin-ate*, adj., ME. *ordinat*, Chaucer, C. T. 9160 (E 1284), from L. pp. *ordinātus*; *ordin-ate*, sb. (in mathematics); *ordin-ate-ly*; *ordin-at-ion*, in Phillips, ed. 1706, formed, by analogy with F. words in *-tion*, from L. *ordinatio*, an ordinance, also ordination. And see *ordin-al*, *ordin-ar-y*, *ord-nance*.

**ORDEAL**, a severe trial, a judgement by test of fire, &c. (E.) The spelling is artificial; from about A.D. 1605; see N.E.D. It is also remarkable that this word (from complete ignorance of its etymology) is commonly pronounced *ordē-al* in three syllables, though the *-deal* is related to the *deal* spoken of in *dealing* cards. ME. *ordal*, Chaucer, Troilus, iii. 1046. AS. *ordēl*, *ordāl*; the spelling *ordēl* is rare, but occurs in the Laws of Edward and Guthrum, sect. ix, in Thorpe's Ancient Laws, i. 172; this form would answer to mod. E. *ordeel*, or (by shortening due to want of stress) to a form *ordel*. The usual spelling is *ordāl*, as in the Laws of Ethelred, sect. i (in Thorpe, i. 281), and sect. iv (id. i. 294), and see numerous references in Thorpe's Index; this form answers to

Chaucer's *ordal* (the *a* having been shortened by lack of stress); though the latter part of the word (*dāl*) answers to mod. E. *dole*. The orig. sense is 'a dealing out,' separation, or discrimination; hence, a judgement, decision.—OFries. *ordēl*; OSax. *urdēli*, a judgement, decision; Du. *oordeel*, judgement; G. *urtheil*, OHG. *urteili*, judgement. β. The latter part of the word is (etymologically) the same as **Dole**; as shown by Du. *deel*, G. *theil*. The prefix is the Du. *oor-*, OSax. and G. *ur-*, answering to the OHG. prep. *ur*, Goth. *us*, out, out of, hence, thorough. It was common in AS., in such words as *or-māte*, immense, *or-mūd*, despondent, *or-sorg*, free from care, *or-trýwe*, wanting in trust, *or-wēna*, wanting in hope, &c.; see Grein, ii. 356–360.

**ORDER**, arrangement, system. (F.—L.) ME. *ordre*; occurring four times on p. 8 of the Ancrén Riwe.—F. *ordre*, substituted for OF. *ordine* (Godefroy), by the not uncommon change of *n* to *r*; see **Coffer**.—L. *ordinem*, acc. of *ordo*, order, arrangement. β. Supposed to be connected with L. *ord-iri*, to begin, esp. to begin to weave, to lay a warp; see Bréal, and Brugmann, ii. § 128. Der. *order*, verb, in Sir T. Wiat, Sat. ii. l. 87; *order-less*, K. John, iii. l. 253; *order-ly*, adj., Cymb. ii. 3. 52; *order-ly*, adv., Two Gent. i. l. 130; *order-li-ness*, *order-ing*. Also *dis-order*, *ordain*, *ordin-ance*, *ord-nance*, *ordin-ate*, *ordin-at-ion*, *ordin-al*, *ordin-ar-y*, *in-ordin-ate*, *co-ordin-ate*, *sub-ordin-ate*.

**ORDINAL**, showing order or succession. (L.) In Phillips, ed. 1706; chiefly in the phr. 'an ordinal number.' 'Ordinall Numerals;' Minsheu's Span. Grammar (1623); p. 12.—L. *ordinālis*, in order, used of an ordinal number.—L. *ordin-*, decl. stem of *ordo*, order; see **Order**. Der. *ordinal*, sb., 'a book of directions for bishops to give holy orders,' Blount's Gloss., ed. 1674, from Late L. *ordināle*, neut. of *ordinālis*.

**ORDINANCE**, an order, regulation. (F.—L.) ME. *orden-nance*, Rob. of Brunne, tr. of Langtoft, p. 83, last line.—OF. *ordenance*, later *ordonnance* (Cotgrave).—Late L. *ordinantia*, a command.—L. *ordinant-*, stem of pres. part. of *ordināre*, to set in order; see **Ordain**. Doublet, *ord-nance*.

**ORDINARY**, usual, customary. (F.—L.) 'The ordinary manner;' Sir T. More, Works, p. 583 d. *Ordinarily* occurs on p. 582 h.—F. *ordinaire*, 'ordinary'; Cot.—L. *ordinārius*, regular, usual.—L. *ordin-*, decl. stem of *ordo*, order; see **Order**. Der. *ordinary*, sb., from F. *ordinaire*, 'an ordinary' (Cot.), L. *ordinārius*, an overseer; *ordinari-ly*. Also *extra-ordinary*.

**ORDINATE, ORDINATION**; see **Ordain**.

**ORDNANCE**, artillery. (F.—L.) The same word as *ordin-nance*, which is the old spelling; see K. John, ii. 218; Hen. V, ii. 4. 126; cf. Gower, C. A. ii. 195; bk. v. 2040. It sometimes referred to the bore or size of the cannon; cf. **Caliver**. 'Engin de telle ordonnance, of such a bulk, size, or bore;' Cotgrave.

**ORDURE**, excrement. (F.—L.) In Shak. Hen. V, ii. 4. 39. ME. *ordure*, Chaucer, Pers. Tale, De Superbia (Six-text, Group I, 428).—F. *ordure*, 'ordure'; Cot.—OF. *ord* (fem. *orde*) 'filthy, nasty, foule, . . . ugly, or loathsome to behold'; Cot. Cf. OF. *ordir*, 'to foule, defile, soile'; id. [So also Ital. *ordura* is from the adj. *ordo*, dirty, slovenly, soiled, deformed.]—L. *horridus*, rough, shaggy, wild, frightful; see **Horrid**. So also Ital. *ordo* answers to MItal. *horrido*, mod. Ital. *orrido*, which Florio explains by 'horrid, hideous, . . . euill fauoured, . . . lothesome to behold.'

**ORE**, crude or unrefined metal. (E.) ME. *ore*, in Chaucer, C. T. 6646 (D 1064). From AS. *ōra*; 'hit is ēac berende on wecca *ōrum* āres and īernes,' it is fertile in ores of lumps of brass and iron; Ælfred, tr. of Bede, lib. i. c. 1. The word *ōra* was, sooner or later, entirely confused with the (unrelated) AS. *ār*, brass, also occurring in the above quotation; and the dat. case *āre*, meaning 'bronze,' occurs in Gregory's Pastoral, c. 37, ed. Sweet, p. 266. The change from AS. *ā* to long open *o* is seen again in E. *oar* from AS. *ār*; whilst the change from AS. *ō* to the same is illustrated by AS. *flōr*, E. *floor*. β. The AS. *ōra* is cognate with Du. *oer*. But *ār* is cognate with Icel. *eir*, brass; OHG. *ēr*, brass; Goth. *aiz*, *ais*, brass, coin, money, Mark, vi. 8; cf. *aizasmitha*, a copper-smith, 2 Tim. iv. 14; L. *æs*, bronze. Cf. Skt. *ayas*, iron; Max Müller, Lect. ii. 256.

**OREAD**, a mountain-nymph. (L.—Gk.) 'The Nymphs and Oreades;' Spenser, A Pastorall Aeglogue, l. 64.—L. *Orēad-*, stem of *Orēas*, a mountain-nymph.—Gk. *Opēias* (the same).—Gk. *ōpos*, a mountain. See **Origan**.

**ORGAN**, an instrument, esp. of music. (F.—L.—Gk.) In old books, the instrument of music is frequently called the *organs* or a pair of *organs*; *orgone* or *orgoon* (answering to L. pl. *organa*) occurs in P. Plowman, C. xxi. 7; Chaucer, C. T. 14857 (B 4041); the pl. *organs* is in Chaucer, C. T. 15602 (G 134); see my note to P. Plowman, C. xxi. 7.—F. *organe*, 'an organ, or instrument where-with anything may be made or done'; Cot.—L. *organa*; orig. pl. of *organum*, an implement.—Gk. *ὄργανον*, an implement; allied to

ἐργον, a work; see **Work**. And see **Orgies**. Der. *organ-ic*, *organ-ic-al*, *organ-ic-al-ly*, *organ-ism*, *organ-ist*, *organ-ise*, *organ-is-at-ion*. *☞* The AS. *organan*, sb. pl., used to translate L. *organa* in Ps. cxxvii. 2 (ed. Spelman), can hardly be called an AS. word.

**ORGIES**, sacred rites accompanied with revelry; revelry, drunkenness. (F.—L.—Gk.) In Milton, P. L. i. 415; Drayton, Polyolbion, s. 6, l. 111. —F. *orgies*, 'the sacrifices of Bacchus'; Cot.—L. *orgia*, sb. pl., a nocturnal festival in honour of Bacchus, orgies. —Gk. ὄργια, sb. pl., orgies, rites; from sing. ὄργιον, a sacred act; closely connected with ἐργον, work, action. See above. *☞* The sing. *orgy* is comparatively rare.

**ORGULOUS**, proud. (F.—OHG.) The reading in modern editions for *orgillous*, Shak. Troil. prol. 2. Palsgrave has: '*Orguyllous*, prowde, *orgueilleux*.' ME. *orgeilus*, O. E. Misc. p. 30, l. 23; cf. Sir T. Malory, Morte Arthure, bk. xxi. c. 1. Anglo-F. *orguyllus*, Langtoft's Chron. i. 54. —OF. *orguillus* (11th cent.), later *orgueilleux*, 'proud,' Cot.—OF. *orguil*, *orguel*, *orgoil*, mod. F. *orgueil*, 'pride,' id. [Cf. Span. *orgullo*, orig. *urgullo*, as shown by l. 1947 of the Poem of the Cid, Ital. *orgoglio*, pride.] From a supposed OHG. sb. \**urguoli*, pride; formed from OHG. *urguol*, remarkable, notable (Graff, iv. 153). See Diez, Scheler, Littré. Cf. AS. *orgellice*, arrogantly, in Ælfred, tr. of Boethius, c. 18, § 4; though connexion with this is uncertain. *β*. The OHG. word is compound; the prefix *ur-* answers to AS. *or-*, Goth. *us*, out, and has an intensive force, as explained under **Ordeal**. *γ*. The latter part of the word is not clear; the vowel suggests a connexion with AS. *gōl*, 2nd grade of *galan*, to sing loudly.

**ORIEL**, a recess (with a window) in a room. (F.—L.) 'It may generally be described as a recess within a building; Blount has *oriol*, the little waste room next the hall in some houses and monasteries, where particular persons dined, and this is clearly an authorised and correct explanation;' Halliwell's Dict., which see. Spelt *oryall* in the Squire of Low Degree, l. 93; in Ritson's Metrical Romances, vol. iii. —OF. *oriol*, *eurieul*, a porch, alley, gallery, corridor; Godefroy. We find *le oriol* glossed by 'de la chambre,' i.e. the oriel of a chamber, in Wright's Vocab. i. 166, l. 9. The Late L. form is *oriolum*, explained as a portico in Matt. Paris, in Ducange; see the citations in N. E. D. and Halliwell. *β*. Also specially applied to the small apartment in which it was the privilege of sick monks to dine; 'ut non in infirmaria sed seorsim in *oriolo* monachi infirmi carnem comederent;' Matt. Paris, v. 259; in Ducange. Also to an oriel-window, as in the Squire of Low Degree, l. 93, and in the Erl of Toulouse, l. 307; Ritson, Met. Rom. vol. iii. Of unknown origin; but the OF. *eu* points to orig. L. *ō*; see N. E. D. Perhaps the L. *ōri-* is the same as in E. *ori-fice*; from L. *ōs*, a mouth, an entrance, an opening; cf. E. *usher*, q.v. *☞* There is an article on the senses of the word *Oriel* in the Archæologia, vol. xxiii.

**ORIENT**, eastern. (F.—L.) ME. *orient*, in Chaucer, C. T. 14320 (B 3504). —F. *orient*. —L. *orient-*, stem of *oriens*, the rising sun, the east; properly pres. part. of *oriri*, to rise. See **Origin**. Der. *orient-al*, Chaucer, On the Astrolabe, pt. i. sect. 5, l. 4, from F. *oriental*, L. *orientālis*; *orient-al-ist*.

**ORIFICE**, a small opening. (F.—L.) Spelt *orifis* in Spenser, F. Q. iv. 12. 22. —F. *orifice*, 'orifice;' Cot.—L. *orificium*, an opening, lit. 'the making of a mouth.' —L. *ōri-*, decl. stem of *ōs*, a mouth; and *-fic-*, for *facere*, to make. See **Oral** and **Fact**.

**ORIFLAMME**, the old standard of France. (F.—L.) 'The *oriflamme*, a special releye that the Frenshe kynges vse to bere before them in all battayles;' Fabyan's Chron. an. 1355, ed. Ellis, p. 467. —OF. *oriflambe*, 'the great and holy standard of France;' Cot.—Late L. *auriflamma*, the standard of the monastery of St. Denis in France. The lit. sense is 'golden flame,' hence 'a golden banner;' so called because the banner was a red pennon with streamers, and was carried on a gilt pole. Cf. L. *flamula*, a little flame, also a small banner used by cavalry. —L. *auri-*, for *aurum*, gold; and *flamma*, a flame. See **Aureate** and **Flame**. *☞* But the Chanson de Roland, 3093, has *orie flambe* (L. *auream flammam*), as if the flag itself were golden; and a drawing, showing the shape of the oriflamme, is given in Gautier's edition, p. 278.

**ORIGAN, ORIGANUM**, wild marjoram. (F.—L.—Gk.) [An older name is *organy*, mentioned in Cotgrave. We also find AS. *organe*, for which see Cockayne's Leechdoms, iii. 340, borrowed directly from L. *origanum*.] In Holland, tr. of Pliny, b. xx. c. 17; Spenser, F. Q. i. 2. 40. —F. *origan*, 'garden organy, wild marjorome;' Cot.—L. *origanum* (Pliny). —Gk. ὀρίγανον, ὀρίγανος, marjoram; lit. 'mountain-pride.' —Gk. ὄρι-, for ὄρει-, from ὄρος, a mountain; and γάνος, brightness, beauty, ornament, delight. *β*. Gk. ὄρος is perhaps allied to Skt. *varshma*, height; γάνος is perhaps from the same root as L. *gaudēre*, to rejoice. Cf. **Oread**.

**ORIGIN**, source, beginning. (F.—L.) In Hamlet, i. 4. 26; the adj. *original* is much older, in Chaucer, C. T. 12434 (C 500). —F.

*origine*, 'an originall, beginning;' Cot.—L. *originem*, acc. of *origo*, a beginning. —L. *oriri*, to arise, begin. Allied to Gk. ἐρῆνμι, I stir up. Der. *origin-al* (as above), *origin-al-ly*, *origin-al-i-ty*, *origin-ate*, *origin-at-ion*, *origin-at-or*. And see *ori-ent*, *prim-ordial*.

**ORIOLE**, the golden thrush. (F.—L.) Called 'the golden oriole' in a translation of Buffon, London, 1792. The old names are golden thrush, witwall, wodewale, and heighaw. —OF. *oriol*, 'a heighaw, or witwall;' Cot.—L. *aureolus*, golden; extended from *aureus*, golden. —L. *aurum*, gold; see **Aureate**.

**ORISON**, a prayer. (F.—L.) ME. *oryson*, *orisoun*, Rob. of Glouc. p. 235, l. 4846; Chaucer, C. T. 5016 (B 596). —AF. *oreison*; OF. *orison*, *oresón*, *oreison* (Burguy), later *oraison*, 'orison, prayer;' Cot.—L. *ōratiōnem*, acc. of *ōratiō*, a speech, prayer. —L. *ōrāre*, to pray. —L. *ōr-*, from *ōs*, the mouth; see **Oral**. Doublet, *oration*.

**ORLE**, in heraldry, an ordinary like a fillet round the shield within it, at some distance from the edge; in architecture, a fillet. (F.—L.) F. *orle*, fem. 'a hem, selvidge, or narrow border; in blazon, an *urle*, or open border about, and within, a coat of arms;' Cot.; Late L. *orla*, a border, edge; in use A.D. 1244 (Ducange). This answers to a L. form \**ōrula*, not found, dimin. of *ōra*, border, edge, margin.

**ORLOP**, a deck of a ship. (Du.) '*Orlope*, the uppermost deck of a great ship, lying between the main and missen mast, and otherwise called the spare-deck; the second and lowest decks of a ship that has three decks, are likewise sometimes termed *orlopes*;' Phillips, ed. 1706. Also 'the second and lower deck of a ship;' id., ed. 1658. But properly applied only to the deck over the hold, which became the lower (or lowest) deck in ships having more decks than one. Contracted from *overlop*; spelt *overloppe* in Naval Accounts of Hen. VII, p. 176; l. 21. —Du. *overloop*, 'a running over; *de overloop van een schip*, the deck of a ship, the orlope;' Sewel. So called because it runs over or traverses the ship; cf. Du. *overloopen*, 'to run over, to run from one side to the other;' Sewel. —Du. *over*, cognate with E. *over*; and *loopen*, to run, cognate with E. *leap*. See **Over** and **Leap**.

**ORMOLU**, a kind of brass. (F.—L.) '*Ormolu*, an alloy in which there is less zinc and more copper than in brass, that it may present a nearer resemblance to gold. . . Furniture ornamented with *ormolu* came into fashion in France in the reign of Louis XV' [1715–1774]; Beeton's Dict. of Univ. Information. —F. or *moulu*, lit. pounded gold. —F. or, gold, from L. *aurum*; and *moulu*, pp. of *moudre*, to grind, pound, OF. *moldre*, *molre*, from L. *molere*, to grind; see **Aureate** and **Mill**.

**ORNAMENT**, that which beautifies, adornment. (F.—L.) ME. *ornament*; the pl. *ornamentes* occurs in Chaucer, C. T. 8134 (Six-text, E 258); where it is remarkable that the Ellesmere and Camb. MSS. have *aornementes*, and the Hengwrt MS. has *aournementes*. [These forms answer to OF. *aornement*, an ornament, from the verb *aornier* (< L. *adornāre*), to adorn.] Also *ornementes*, pl., Allit. Poems, ed. Morris, B. 1799. —F. *ornement*, 'an ornament;' Cot.—L. *ornūmentum*, an ornament; formed with suffix *-mentum* from *ornāre*, to adorn. *β*. According to Bréal, a contracted form of *ordināre*, to set in order; see **Ordain**. Der. *ornament*, verb, added by Todd to Johnson; *ornament-al* (in 1646); *ornament-al-ly*, *ornament-at-ion*; also (from L. pp. *ornātus*) *ornate*; *ornate-ly*, *ornate-ness*. Also *ad-orn*.

**ORNITHOLOGY**, the science of birds. (Gk.) [In Blount's Gloss., ed. 1674, where it is noted as being 'the title of a late book;' viz. Fuller's *Ornithologie*, or the Speech of Birds; which is a different usage.] First truly used by Ray (1678) in his tr. of Willughby's *Ornithologiae Libri Tres* (1676). —Gk. ὀρνιθο-, decl. stem of ὄρνις, a bird; and -λογία, allied to λόγος, a discourse; see **Logic**. *β*. The Gk. ὄρνις is interesting as being cognate with AS. *earn*, an eagle, Matt. xxiv. 28. A shorter form appears in Goth. *aar*, G. *aar*, an eagle; cf. also Russ. *orél*, an eagle. Named from its soaring; cf. Gk. ὀρνυμι, I stir up. Der. *ornithologi-c-al*, *ornitholog-ist*.

**ORNITHORHYNCHUS**, an Australian mammal. (Gk.) Lit. 'bird-snout;' so called from the resemblance of its snout to a duck's bill. —Gk. ὀρνιθο-, for ὄρνις, a bird (above); and ῥύγχος, a snout, muzzle.

**ORPHAN**, a child bereft of father or mother, or of both parents. (L.—Gk.) 'He will not leue them *orphanes*, as fatherlesse children;' Sir T. More, Works, p. 173 e; with a reference to John, xiv. [This form supplanted the older F. form *orphelin*, used by Chaucer, tr. of Boethius, b. ii. pr. 3, l. 21.] —L. *orphanus*, John, xiv. 18 (Vulgate). —Gk. ὀρφανός, destitute, John, xiv. 18; A. V. 'comfortless.' Cf. Gk. ὀρφός, with the same sense; whence ὀρφόβοτης, one who brings up orphans. The shorter form ὀρφός answers to L. *orbus*, deprived, bereft, destitute. Der. *orphan-age*, a coined word.

**ORPIMENT**, yellow trisulphide of arsenic. (F.—L.) ME. *orpiment*, Chaucer, C. T. 16291 (G 823). Lit. 'gold paint.' —F.

*orpiment*, 'orpiment'; Cot. — *L. auripigmentum*, orpiment. — *L. auri-*, for *aurum*, gold; and *pigmentum*, a pigment, paint. See **Auroato** and **Pigment**. Der. *orpine*.

**ORPINE, ORPIN**, a kind of stone-crop. (F.—L.) Also called *live-long*; whence Spenser speaks of the '*orpine* growing still,' i.e. growing continually; *Muipopotmos*, l. 193. ME. *orpyu*; Prompt. Parv. — F. *orpin*, 'orpin, or live-long; also orpine, orpiment, or arsenick'; Cot. Merely a docked form of F. *orpiment*, orpiment; so called from its yellow flowers. See **Orpiment**.

**ORRERY**, an apparatus for illustrating the motions of the planets, &c. (Ireland.) 'Constructed at the expense of Charles Boyle, [second] earl of Orrery, about 1715 [rather 1713];' Haydn, Dict. of Dates. Orrery is the name of a barony in the county of Cork, in Ireland; the chief town in it is Bannevant. It derives its name from the *Orbraighe*, or 'descendants of Orb'; see Cormac's Glossary, ed. Stokes, ed. 1868, p. 128. (A. L. Mayhew.)

**ORRIS**, the name of a plant. (Ital.—L.—Gk.) 'The nature of the *orris*-root is almost singular;' Bacon, Nat. Hist. § 863. Spelt *orice* in Cotgrave, who explains F. *iris* by 'the rainbow, also, a flowerdeluce; *iris de Florence*, the flowerdeluce of Florence, whose root yields our *orice*-powder.' The Spanish term for *orris*-root is *raiz de iris florentina* = root of the Florentine iris. In Holland, tr. of Pliny, b. xxi. c. 7, we read: 'but as for the flour-de-lis [commonly called *ireos*, Holland's note], it is the root only thereof that is comfortable for the odor.' It appears that *orris*, *orice*, and *orrice*, are English corruptions of the Ital. *irios* or *ireos*. Mital, *irios*, 'a kinde of sweete white roote called oris-roote;' Florio, ed. 1598; cf. mod. Ital. *ireos*, corn-flag, sword-grass (Meadows). β. The form of the Ital. *irios*, *ireos* is not easy to explain; it occurs as Late L. *yreos* in Synonima Bartholomæi, p. 25; but it is certainly connected with L. *iris*, which is the very word in Pliny, b. xxi. c. 7; and this is borrowed from Gk. *ἴρις*, 'the plant iris, a kind of lily with an aromatic root;' Liddell and Scott. γ. *Ireos* was specially used of the dried roots of the iris; see Lyte, tr. of Dodoens, b. ii. c. 35. It is prob. short for *ἵπεως πίζα*, where *ἵπεως* is a variant of the gen. *ἱπίδης* (see Prellwitz). See **Iris**.

**ORT**, a leaving, remnant, morsel left at a meal. (E.) Usually in the pl. *orts*, Troil. v. 2. 158; Timon iv. 3. 400. ME. *ortes*, sb. pl., spelt *ortus* in the Prompt. Parv. p. 371, which has: '*Ortus*, releef of beestys mete,' i.e. orts, remnants of the food of animals. Not found in AS., but it is in general dialectal use, and is found in MDu., Low G., and Friesic. The Friesic is *ort* (Outzen); the Low G. is *ort*, esp. used of what is left by cattle in eating; cf. Low G. *ortstro*, refuse-straw; Bremen Wörterbuch, iii. 272. The word is solved by the fuller form found in MDu., viz. *oorete*, *ooraele*, a piece left uneaten at a meal, also nausea due to over-eating; Oudemans, v. 403. β. This is a compound word, made up of MDu. *oor-*, cognate with AS. *or-*, OHG. *ur-* (mod. G. *er-*), Goth. *us*, prep. signifying 'out' or 'without'; and MDu. *aet*, victuals (Hexham). Thus the sense is 'what is left in eating,' an 'over-morsel,' if we may so express it. For the prefix, see further under **Ordeal**; and see **Eat**. Cf. AS. *æt*, food; from the 3rd grade of *etan*, to eat; whence \**or-æt*. γ. We may particularly note Swed. dial. *or-äte*, *ur-äte*, refuse fodder, orts, from *ur-*, *or-*, the prefix corresponding to Du. *oor-* above, and Swed. *äta*, victuals, food (Rietz). Dan. dial. *ored*, *orret*, an ort; cf. also NFries. *örte*, to leave remnants after eating. Also Bavarian *urässen*, *urezen*, to eat wastefully, *uräss*, *urez*, refuse; where *ur-* is the OHG. form of the same prefix, and *ässen* = G. *essen*, to eat; see Schmeller, Bav. Wört. i. 134. Also Norw. *orræta* (for *oræta*), orts; MDan. *orte*.

**ORTHODOX**, of the right faith. (F.—L.—Gk.; or L.—Gk.) Blount's Gloss., ed. 1674, has *orthodox* and *orthodoxal*; so also in Cotgrave. — F. *orthodoxe*, 'orthodoxe, orthodoxall'; Cot. — Late L. *orthodoxus* (Lewis). — Gk. *ὀρθόδοξος*, of the right opinion. — Gk. *ὀρθός*, for *ὀρθός*, upright, right, true; and *δόξα*, opinion. β. Gk. *ὀρθός* is cognate with L. *arduus*, high, Irish *ard*, high. γ. Gk. *δόξα* is from *δοκεῖν*, to seem, allied to L. *decet*, it is fitting; see **Decorum**. Brugmann, ii. § 143. Der. *orthodox-y*, Gk. *ὀρθοδοξία*.

**ORTHOEPY**, correct pronunciation. (Gk.) The word occurs in Bp. Wilkins, Essay towards a Real Character, pt. iii. c. 1 (R.). This work appeared in 1668. Imitated from Gk. *ὀρθοέπεια*, correct pronunciation. — Gk. *ὀρθός*, for *ὀρθός*, right, true; and *ἔπος*, a word. See **Orthodox** and **Epic**.

**ORTHOGRAPHY**, correct writing. (F.—L.—Gk.) In rather early use. 'Of this word the true *ortographie*;' Remedy of Love (15th cent.), st. 41, l. 6; pr. in Chaucer's Works, ed. 1561, fol. 323, back. The word was at first spelt *orto-*, as in French, but afterwards corrected. — OF. *ortographie*; Cot. only gives the verb *ortographier*, 'to ortographise, to write or use true ortography.' — L. *orthographia*, (Lewis). — Gk. *ὀρθογραφία*, a writing correctly. — Gk. *ὀρθός*, for *ὀρθός*, right; and *γράφειν*, to write; see **Orthodox** and **Graphic**. Der. *orthographi-c*, *-c-al*, *-al-ly*; *orthograph-er*, *-ist*.

**ORTHOPTEROUS**, lit. straight-winged; an order of insects. (Gk.) Modern and scientific: coined from *ὀρθός*, for *ὀρθός*, right, straight; and *πτερόν*, a wing. See **Orthodox** and **Diptera**. So also *orthoptera*.

**ORTOLAN**, the name of a bird. (F.—Ital.—L.) See Trench, Select Glossary; the word means 'haunting gardens,' and Trench cites *ortolan* in the early sense of 'gardener' from the State Papers, an. 1536, vol. vi. p. 534. — OF. *hortolan*, 'a delicate bird,' &c.; Cot. — Mital, *hortolano*, 'a gardiner; also a daintie bird so called;' Florio. — L. *hortulanus*, a gardener, belonging to a garden. — L. *hortulus*, a little garden, dimin. of *hortus*, a garden, cognate with E. *yard* and *garth*; see **Court**, **Garth**, **Yard** (1). ¶ The change from *u* to *o* is common in Italian.

**ORTS**, the pl. of *Ort*, q.v.

**OSCILLATE**, to swing. (L.) In Blount's Gloss., ed. 1674. — L. *oscillatus*, pp. of *oscillare*, to swing, sway. — L. *oscillum*, a swing. β. Vanicek (with a reference to Corssen in Kuhn's Zeitschrift, xv. 156) identifies *oscillum*, a swing, with *oscillum*, a little mouth, a little cavity, a little image of the face, mask or head of Bacchus which was suspended on a tree (Lewis); with the remark that it meant a puppet made to swing or dance. If so, *oscillum* is a dimin. of *osculum*, the mouth, itself a dimin. from *os*, the mouth; see **Oral**. Cf. Verg. Georg. ii. 389. Der. *oscillat-ion*, *oscillat-or-y*. And see *osculate*.

**OSULATE**, to kiss. (L.) In Blount's Gloss., ed. 1674. — L. *osculatus*, pp. of *osculari*, to kiss. — L. *osculum*, a little mouth, pretty mouth; double dimin. (with suffix *-cu-lu-*) from *os*, the mouth; see **Oral**. Der. *osculat-or-y*, *osculat-ion*.

**OSIER**, the water-willow. (F.—Late L.) In Shak. L. L. L. iv. 2. 112. ME. *osyere*; Prompt. Parv. p. 371; *osyer*, K. Alisaunder, ed. Weber, 6186. — F. *osier*, 'the ozier, red withy, water-willow tree'; Cot. Cf. AF. *osere*, an osier; A. Neckam; in Wright's Vocab. 1st Ser. p. 110. β. Origin uncertain; but obviously related to Late L. *osaria*, *ausaria*, a bundle of osiers or twigs of the willow, in Irminon's Polyptychum (9th cent.); Phil. Soc. Trans., 1902; p. 543. Godefroy has OF. *ausay*, an osier.

**OSMIUM**, a metal. (Gk.) Discovered in 1803 (Haydn). The oxide has a disagreeable smell; hence the name, coined from Gk. *ὀσμή*, a smell; earlier form, *ὀδμή*. Connected with *ὀσέειν* (= *ὀδ-yein*), to smell, and with L. *odor*; see **Odour**.

**OSPREY**, the fish-hawk. (F.—L.) In Shak. Cor. iv. 7. 34; cf. Two Noble Kinsmen, i. 1. 138. In the old texts, it is spelt *aspray* in both passages. Spelt *osprey*, *ospreie*, *orfraie* (F. *orfraie*), in Holland, tr. of Pliny, b. x. c. 3; all these forms are related to *ossifrage*, also occurring in the same chapter. Spelt *ospray* in Lydgate, Assembly of Gods, 813. The name signifies 'bone-breaker'; from the bird's strength. β. The form *orfraie* is from MF. *orfraye*, 'the osprey'; Cot. The form *osprey* appears to be an altered form of an OF. \**osfraie* (not found, but the form intermediate between F. *orfraie* and the L. word); perhaps by confusion with E. *prey*. All from L. *ossifragus*, *ossifraga*, the sea-eagle, osprey. — L. *ossifragus*, bone-breaking. — L. *ossi-*, decl. stem of *os*, a bone; and *frag-*, a stem of *frangere*, to break, cognate with E. *break*. See **Osseous** and **Break**. Doublet, *ossifrage*.

**OSSEOUS**, bony. (L.) A late word; added by Todd to Johnson. — L. *osseus*, bony; by change of *-us* to *-ous* (common). — L. *oss-*, from *os*, a bone. β. Allied to Gk. *ὀστέον*, Skt. *asthi*, a bone. Brugmann, i. § 703. Der. *ossi-fy*, to turn to bone, from *ossi-*, decl. stem of *os*, and F. *-fier* < L. *-ficere* (for *facere*), to make; *ossificat-ion*; *ossu-ar-y*, Sir T. Browne, Urn-burial, c. v. § 4, from L. *ossuarium*, a receptacle for the bones of the dead. Also *ossi-frage*, *os-prey*.

**OSSIFRAGE**, an osprey; also, the bearded vulture. (L.) In Levit. xi. 13; Deut. xiv. 12. — L. *ossifragus*, also *ossifraga*, a bone-breaker; see **Osprey**.

**OSTENSIBLE**, that may be shown, apparent. (L.) Late; see Todd's Johnson. Coined by adding the suffix *-ble* (F. *-ble*, L. *-bilis*) to *ostensi-*, for *ostensus*, pp. of *ostendere*, to show. β. *Ostendere* is for \**ops-tendere*, where \**ops* is related to *ob*, near, before, and *tendere* is to stretch; hence the sense is 'to spread before' one, to show. See **Ob-** and **Tend**. Der. *ostensi-bl-y*, *ostensi-bili-ty*; we also find *ostensive* = 'that serves to shew,' a term in logic; see Bacon, Adv. of Learning, bk. ii. § xiii. 3. And see *ostentat-ion*.

**OSTENTATION**, show, pomp. (F.—L.) 'Ostentacion and shew;' Sir T. More, Works, p. 1191 c. — F. *ostentation*, 'ostentation'; Cot. — L. *ostentationem*, acc. of *ostentatio*, display. — L. *ostentare*, intensive form of *ostendere*, to show; see **Ostensible**. Der. *ostentatious*, in 1673; *ostentatious-ly*, *-ness*. We also find *ostent*, Merch. Ven. ii. 2. 205, from L. *ostentus*, display.

**OSTEOLOGY**, the science of the bones. (Gk.) Scientific. — Gk. *ὀστέον*, decl. stem of *ὀστέον*, a bone; and *-λογία*, equivalent to *λόγος*, discourse, from *λέγειν*, to speak. See **Osseous** and **Logic**.

**OSTLER**, the same as **Hostler**, q.v. (F.—L.) Wyclif has *ostiler*, an innkeeper, Luke, x. 35.

**OSTRACISE**, to banish by a vote written on a potsherd. (Gk.) 'And all that worth from hence did *ostracise*;' Marvell, *Lachrymæ Musarum*; 1650 (R.). [The sb. *ostracisme* is in Minshew, ed. 1627, and the MF. *ostracisme* is in Cotgrave.] — Gk. *ὀστρακίζειν*, to banish by potsherds, to ostracise. — Gk. *ὀστρακον*, burnt clay, a tile, potsherd, tablet for voting; also, a shell, which appears to be the orig. meaning. β. Closely allied to Gk. *ὀστρεον*, an oyster, and to Gk. *ὀστέον*, a bone. See **Oyster** and **Osseous**. Der. *ostracis-m* (= F. *ostracisme*), from Gk. *ὀστρακισμός*.

**OSTRICH**, a very large bird. (F.—L. and Gk.) ME. *ostryche*, Squire of Low Degree, l. 226; in Ritson, *Met. Romances*, vol. iii. Earlier *ostrice*, Ancren Riwle, p. 132, note e. *Ostrice* is a weakened form of *ostruce*. — OF. *ostruce* (12th cent.), *ostruche*, Palsgrave, *ostruce*, Cotgrave, mod. F. *autruche*; see Littré. Cf. Span. *avestruz*, Port. *abestruz*, an ostrich. β. All from L. *avis struthio*, i.e. ostrich-bird. — L. *avis*, a bird; and *struthio*, an ostrich, borrowed from Gk. *στρουθίων*, an ostrich. γ. For the L. *avis*, see **Aviary**. The Gk. *στρουθίων* is an extension from *στρουθός*, a bird; which is prob. allied to Lith. *strazdas*, a thrush; see **Throstle**. ¶ The L. *avis* also occurs as a prefix in the singular word *bustard* (= *avis tarda*); see **Bustard**. N. B. We find also the spelling *estridge*, 1 Hen. IV, iv. 1. 98.

**OTHER**, second, different, not the same. (E.) A. The word *second* is the 'only ordinal number of F. origin, till we come to *millionth*; it has taken the place of *other*, which formerly frequently had the sense of 'second.' B. We constantly meet with *thet on*, *thet other* = the one, the other (lit. that one, that other); these phrases are often spelt *the ton*, *the tother*, the *t* being attached to the wrong word; and this explains the common prov. E. *the tother*, often used as *tother*, without *the*. It must be remembered that *thet* or *that* was orig. merely the neut. of the def. article. 'And euer whyl *that on* hire sorwe tolde *That other* wepte' = and ever, whilst the one told her sorrow, the other wept; Chaucer, C. T. 10809 (F 495). AS. *ōðer*, other, second, Grein, ii. 305. The long *ō* is due to older *on-*, for *an-*, as in *gōs* (goose) for *gans*; *tōð* (tooth) for *tanth*; hence *ōðer* stands for \**ander*. + Du. *ander*; Icel. *annarr* (for \**autharr*, by assimilation); Dan. *anden* (neut. *andet*, pl. *andre*); Swed. *andra*, next, second, other; G. *ander*; Goth. *anþar*. + Lithuan. *antras*, other, second (Nesselmann); Skt. *antara-s*, other. β. We also find Skt. *anya-s*, other; which at once shows the division of the word. [We must be careful, by the way, to separate Skt. *antara-s*, other, from Skt. *antara-s*, interior, connected with *antar* (L. *inter*), within.] In Skt. *an-tara-s*, Goth. *an-thar*, E. *o-ther*, the suffix is the usual comparative suffix appearing in Gk. *σοφώ-τερος*, wiser, &c.; seen also in E. *whe-ther*, *ei-ther*, *hi-ther*, &c.; the Idg. form being -TER-. γ. The base *an* is perhaps the Idg. pronominal base found in Lithuan. *an-as*, that one (Nesselmann, p. 5), and in Russ. *on*, he. Thus the orig. sense is 'more than that,' or 'beyond that,' used in pointing out something more remote than that which was first contemplated; hence its use in the sense of 'second.' Der. *other-wise*, ME. *other wise* = in another way, Will. of Palerne, l. 396; *an-other*.

**OTIOSE**, unemployed, idle, futile. (L.) First in 1794. — L. *ōtiōsus*, unemployed. — L. *ōtium*, leisure.

**OTTER**, the water-weasel. (E.) ME. *oter* (with one *t*); Old Eng. Miscellany, ed. Morris, p. 70, l. 358. AS. *otor*, as a gloss to L. *lutria* in Ælfric's Gloss., Nomina Ferarum; Voc. 118. 42; spelt *oter*, id. 320, 21. Hence the adj. *ytteren*, by vowel-change; Sweet's AS. Reader. + Du. *otter*; Icel. *otr*; Dan. *odder*; Swed. *utter*; G. *otter*; Russ. *vuïdra*; Lithuan. *udra*; Gk. *ὕδρα*, a water-snake, hydra. β. The common Teutonic type is \**otroz*, m.; Idg. types \**udros*, m., \**udrā*, f.; closely related to *water*; cf. Gk. *ὕδρις*, water-snake, with *ὕδωρ*, water. The sense is 'water-animal.' See **Water**, **Wet**. Doublet, *hydra*.

**OTTO**, a bad spelling of **ATTAR**, q.v. (Arab.)

**OTTOMAN**, a low stuffed seat. (F.—Arab.) F. *ottomane*, 'an ottoman, sofa'; Hamilton. — F. *Ottoman*, Turkish, Turk. So named from *Othman* or *Osman*, the founder of the Ottoman or Turkish empire in A.D. 1299. From Arab. *ʾothmān* (Devic).

**OUBIT**, a hairy caterpillar. (E.) Also *oobit*, *woubit*, *woubet*; see The Oubit in Kingsley's Poems. Spelt *woubet*, Montgomery's Poems, S. T. S., p. 68, l. 268. ME. *wolbode*, *wollebode*, 'multipes'; Catholicon Anglicum. — AS. *wull*, wool, and *budda*, a beetle; Voc. 543. 10. See Notes on E. Etym., p. 203.

**OUCH, NOUCH**, the socket of a precious stone, an ornament. (F.—OHG.) The orig. sense is 'socket of a gem,' but it is commonly used for gem or ornament. The true form is *nouch*, but the initial *n* is often dropped; see remarks upon the letter **N**. Spelt *ouches* in Exod. xxviii, xxxix; and in Shak. 2 Hen. IV, ii. 4. 53; *ouches* in Sir T. More, Works, p. 337 d. 'As a precious stone in

a riche *ouch*;' Sir T. Elyot, The Governour, b. iii. c. 30. ME. *nouche*, Chaucer, C. T. 8258 (E 382), after a word ending with a consonant; but an *ouch* (for a *nouch*) in C. T. 6325 (D 742). 'Nouche, monile;' Prompt. Parv. p. 359, and see Way's note; he cites: 'Fer-maglio, the hangeyng *ouch*, or flowre that women use to tye at the chaine or lace that they weare about their neckes,' W. Thomas, Ital. Grammar, 1548. So that one sense of the word is exactly mod. E. 'locket.' 'A golden lase or *nouche*;' Wyclif, 1 Macc. x. 89; where the A. V. has 'a buckle of gold.' — AF. *nouche*, Stat. Realm, i. 380; OF. *nouche*, *nosche*, *nusche*, a buckle, clasp, bracelet, given by Godefroy, s.v. *noche*. [It is, indeed, obvious that the Low L. *nouchia*, which occurs in the Inventory of jewels of Blanche of Spain (cited in Way's note) is nothing but the F. *nouche* Latinised.] The more correct Late L. form is *nusca* (Ducange). — MHG. *nusche*, *nuske*, OHG. *nusca*, *nuscha*, a buckle, clasp, or brooch for a cloak. Prob. ult. of Celtic origin; cf. Irish *nasc*, a tie, chain, ring; *nasgaim*, I bind (Schade, Stokes).

**OUGHT** (1), past tense of **Owe**, q.v. (E.)

**OUGHT** (2), another spelling of **Aught**, q.v. (E.) Spelt *ouȝt* in Wyclif, Luke, ix. 36.

**OUNCE** (1), the twelfth part of a pound Troy. (F.—L.) ME. *unce*, Chaucer, C. T. 16224, 16589 (G 756, 1121). — OF. *unce* (12th cent.), mod. F. *once* (Littré). — L. *uncia*, (1) an ounce, (2) an inch. β. The orig. sense is 'a small weight'; allied to Gk. *ὄγκος*, bulk, mass, weight. Doublet, *inch*.

**OUNCE** (2), **ONCE**, a kind of lynx. (F.—L.—Gk.) In Shak. Mids. Nt. Dream, ii. 2. 30; Milton, P. L. iv. 344; and in Holland, tr. of Pliny, b. xxviii. c. 8, last section. ME. *unce*, King Alisaunder, 5228. — F. *once*, an ounce; OF. *lonce*, Supp. to Godefroy, s.v. *once*; MF. *lonce*, 'the ounce'; Cot. Cf. Port. *onça*, Span. *onza*, Ital. *lonza*, an ounce. β. The OF. and MF. *lonce* show that the mod. F. *once* resulted from taking *lonce* to represent *l'once*, where *l* seemed to be the def. article. So also Florio (1598) gives an Ital. form *onza*; but *lonza* is in Dante, Inf. i. 32. All from a Late L. popular type \**luncia*, for L. *lyncea*, f., lynx-like. — L. *lynx*, stem of *lynx*, a lynx. — Gk. *λύγξ*, a lynx; see **Lynx**. For F. *o* < Gk. *υ*, cf. *grotto*, *tomb*, *torso*.

**OUPH, OUPHE**, an elf. (E.) In Merry Wives, iv. 4. 49. A variant of **Oaf**, q.v. And see **Oaf** in E. D. D.

**OUR**, possessive pronoun of the 1st pers. plural. (E.) ME. *oure*, older form *ure*; Havelok, l. 13. AS. *ūre*, gen. pl. of 1st personal pronoun; orig. meaning 'of us.' This gen. pl. was used as a possessive pronoun, and regularly declined, with gen. *ūres*, dat. *ūrum*, &c.; see Grein, ii. 633. It then completely supplanted the older AS. possess. pron. *ūser*, *usser* (Grein, ii. 633), cognate with G. *unsar* and Goth. *unsar*. β. Yet *ūre* is itself a contracted form for \**ūsere*, cognate with Goth. *unsara*, the Gothic form of the gen. pl. of the 1st pers. pronoun. Here -*ara* is the gen. pl. suffix, and a shorter form appears in Goth. *uns*, equivalent to E. *us*. γ. Briefly, *our* is the gen. pl. corresponding to the acc. pl. *us*; see **Us**. Der. *our-s*, ME. *oures*, Chaucer, C. T. 13203 (B 1463), due to AS. *ūres*, gen. sing. of *ūre*, when declined as above; also *our-selves*, or (in regal style) *our-self*; see **Self**. As to the dispute as to whether we should write *ours* or *our's*, it cannot matter; we write *day's* for AS. *dages* (gen. sing.), but *days* for AS. *dagas* (nom. pl.); thus marking the omission, strangely enough, only where the weaker vowel is omitted. The apostrophe is merely conventional, and better omitted.

**OURANG-OUTANG**; see **Orang-Outang**. (Malay.)

**OUSEL, OUZEL**, a kind of thrush. (E.) ME. *osel*, Wright's Vocab. i. 164, l. 3; *osul*, Trevisa, tr. of Higden, i. 237. AS. *ōsle*, gloss upon L. *merula*, Voc. 260. 26; older form *ōslæ*, id. 32. 27. Here, as in AS. *ōðer*, other = Goth. *anþar*, the long *ō* stands for *an* or *am*; thus *ōsle* < \**ansele* or \**amsele*; in this case, for the latter. + G. *amsel*, OHG. *amsala*, a blackbird, ousel. The L. *merula* (whence E. *merle*) can stand for \**mesula*, and may be connected with OHG. *amsala* by gradation. See **Merle**.

**OUST**, to eject, expel. (F.—L.) The word has come to us through Law French. 'Ousted, from the Fr. *oster*, to remove, or put out, as ousted of the possession (*Pecks Case*, Mich. 9 Car. 1. 3 Part Crokes Rep. fol. 349), that is, removed, or put out of possession;' Blount's Nomolexicon, ed. 1691. — AF. *ouster* (Bozon); OF. *oster*, 'to remove, withdraw,' Cot.; mod. F. *ôter*. Cf. Prov. *ostar*, *hostar* (Bartsch). β. Of disputed origin; it has been proposed to derive it from L. *obstāre*, to withstand, hinder, but this does not wholly suit the sense. Yet this is prob. right. Ducange has *obstāre vel ostāre viam*, to get in one's way, from which the change to the sense of 'to turn one out of the way' is not difficult. See Körtling, § 6643; and cf. Romaunsch *dustar* (\**de-obstāre*), to drive away flies, &c.; also Prov. *dousta*, to remove (Mistral). Der. *oust-er*.

**OUT**, without, abroad, completely. (E.) ME. *out*, prep.; ME. *oute*, older form *ūte*, adv., out. 'Out of alle charitee;' Chaucer, C. T., A 452. 'That hii ne ssolde *out* wende' = that they should not

go out; Rob. of Glouc. p. 170. AS. *ūtē*, *ūtan*, adv., out, without; Grein, i. 634. Formed with adv. suffix *-e* (or *-an*) from AS. *ūt*, adv. 'Flēogan of hūse *ūt*' = to fly out of the house; '*ūt* of earce' = out of the ark; Grein, ii. 633. (This shows the origin of the phrase *out of* = out from.) + Du. *uit*; Icel. *út*; Dan. *ud*; Swed. *ut*; G. *aus*; OHG. *ūz*; Goth. *ūt*; whence *ūta*, adv. (= AS. *ūtē*); *utana*, adv. and prep. (= AS. *ūtan*). + Skt. *ud*, up, out. It appears also in Gk. *ύδρεπος* *ūd-repos*, corresponding to E. *utler*, *outer*. All from Idg. types UD, UD, up, out. Der. *with-out*, *there-out*, *out-er*, *ut-ter*, *out-most*, *ut-most* (double superlatives); see **Uttor**, **Utmost**, **Uttermost**. Also as a prefix in numerous compounds, for which see below. (But not in *outrage*.)

**OUTBALANCE**, to exceed in weight. (Hybrid; E. and F.—L.) In Dryden, tr. of Ovid, Met. xiii. 397. From **Out** and **Balance**.

**OUTBID**, to bid above or beyond. (E.) In Shak. 2 Hen. IV, ii. 4. 363. See **Bid** (2).

**OUTBREAK**, an outburst. (E.) In Hamlet, ii. i. 33. See **Break**.

**OUTBURST**, a bursting forth. (E.) First in 1657, in imitation of *out-break*; but a good word. Neither in Rich. or Todd's Johnson. See **Burst**.

**OUTCAST**, one who is cast out, a wretch. (Hybrid; E. and Scand.) 'For yif it so be that a wikked wight be . . . the more *out cast* (L. *abiector*);' Chaucer, tr. of Boethius, b. iii. pr. 4. l. 31. See **Cast**.

**OUTCOME**, result, event. (E.) An old word; ME. *u'come*, a coming out, deliverance; Ancrén Riwle, p. 80. See **Come**.

**OUTCRY**, a crying out, clamour. (Hybrid; E. and F.—L.) In Shak. Romeo, v. 3. 193; and in Palsgrave. See **Cry**.

**OUTDO**, to surpass. (E.) In Shak. Cor. ii. i. 150. See **Do**.

**OUTDOOR**, in the open air. (E.) First in 1765; a modern contraction for *out of door*. See **Door**.

**OUTER, OUTERMOST**; see **Utter, Uttermost**.

**OUTFIT**, equipment. (Hybrid; E. and Scand.) First in 1769; added by Todd to Johnson. See **Fit**. Der. *oufitt-er*, *oufitt-ing*.

**OUTGO**, to surpass. (E.) In Shak. Timon, i. i. 285; and Palsgrave. See **Go**. Der. *outgo-ing*, sb., expenditure. And see *outwent*.

**OUTGROW**, to grow beyond. (E.) In Shak. Rich. III, iii. i. 104. See **Grow**.

**OUTHOUSE**, a small house built away from the house. (E.) In Beaum. and Fletcher, The Coxcomb, iii. i. 53. See **House**.

**OUTLANDISH**, foreign. (E.) Cf. AS. *ūtlendisc*, exiled, Levit. xxiv. 22. — AS. *ūt*, out; and *land*, land. See **Land**.

**OUTLAST**, to last beyond. (E.) In Beaum. and Fletcher, Nice Valour, iv. i (Shamont). See **Last** (3).

**OUTLAW**, one not under the protection of the law. (Scand.) ME. *outlawe*, Chaucer, C. T. 17173 (H 224). AS. *ūtlaga*, *ūtlah*, an outlaw; see numerous references in Thorpe, Ancient Laws, index to vol. i. Borrowed from Icel. *ūlagi*, an outlaw. See **Out** and **Law**. ¶ The word *law* is rather Scand. than E. Der. *outlaw*, verb, K. Lear, iii. 4. 172, from AS. *ūtlagian*, A. S. Chron. an. 1014; *outlaw-ry* (with F. suffix *-rie* = *-erie*), Jul. Cæs. iv. 3. 173.

**OUTLAY**, expenditure. (E.) Not in Todd's Johnson; but a good word; orig. Northern; first in 1798. See **Lay**.

**OUTLET**, a place or means by which a thing is let out. (E.) An old word. ME. *utlete*, Owl and Nightingale, l. 1752; lit. 'a letting out.' — AS. *ūllētan*, verb, to let out, let down; Luke, v. 5. See **Let** (1).

**OUTLINE**, a sketch. (Hybrid; E. and F.—L.) Used by Dryden; Parallel bet. Painting and Poetry; repr. 1882, p. 139; and in The Tatler, no. 182, § 6. Lit. a *line* lying on the *outer* edge, a sketch of the lines enclosing a figure. See **Line**.

**OUTLIVE**, to live beyond. (E.) In Shak. Merch. Ven. iv. i. 269. See **Live**.

**OUTLOOK**, a prospect. (E.) 'Which owe's to man's short *out-look* all its charms;' Young's Night Thoughts, Night 8, l. 264 from end. See **Look**. Der. *out-look*, verb, to look bigger than, K. John, v. 2. 115.

**OUTLYING**, remote. (E.) Used by Sir W. Temple and Walpole; see Richardson. See **Lie** (1).

**OUTPOST**, a troop in advance of an army. (Hybrid; E. and F.—L.) Late; see quotation in Richardson. See **Post**.

**OUTPOUR**, to pour out. (Hybrid; E. and F.) In Milton, P. R. iii. 311; Samson, 544. See **Pour**. Der. *outpour-ing*.

**OUTRAGE**, excessive violence. (F.—L.) ME. *outrage*, to be divided as *outr-age*, there being no connexion with *out* or *rage*; Chaucer, C. T. 2014 (A 2012); Rob. of Glouc. p. 46, l. 1062. — OF. *outrage*, earlier *oultage* (Godfrey); MF. *oultage*, 'outrage, excess'; Cot. Cf. Ital. *oltraggio*, outrage. β. Formed with suffix *-age* (< L. *-aticum*) from OF. *oltre*, *oultre*, beyond; spelt *oultre* in Cotgrave; cf.

Ital. *oltra*, beyond; from L. *ultrā*, beyond. See **Ulterior**. Der. *outrage*, verb, Spenser, F. Q. i. 6. 5; *outrag-e-ous*, ME. *outrageous*, Chaucer, C. T. 3996 (A 3998), from OF. *outrageux*, spelt *oultageux* in Cotgrave; *outrageous-ly*, *-ness*. Also *outré*, exaggerated, pp. of *outrer*, to pass beyond, from F. *oultre*, beyond.

**OUTREACH**, to reach beyond. (E.) In Beaum. and Fletcher, Love's Pilgrimage, v. 4 (Philippo). See **Reach**.

**OUTRIDE**, to ride faster than. (E.) In 2 Hen. IV, i. 1. 36. See **Ride**. Der. *outrid-er*, one who rides forth, Chaucer, C. T. 166.

**OUTRIGGER**, a naval term. (E. and Scand.) A projecting spar for extending sails, a projecting rowlock for an oar, a boat with projecting rowlocks (ab. 1840). See **Rig**.

**OUTRIGHT**, thoroughly, wholly. (E.) Properly an adverb. 'The frere made the foole madde *outright*;' Sir T. More, Works, p. 483a. See **Right**.

**OUTROAD**, an excursion. (E.) Lit. 'a riding out.' In 1 Macc. xv. 41 (A. V.). For the sense of *road* = a riding, see **Inroad**.

**OUTRUN**, to surpass in running. (E.) In John, xx. 4 (A. V.); and in Tyndale's translation (1526). See **Run**.

**OUTSET**, a setting out, beginning. (E.) Used by Burke (R.). See **Set**.

**OUTSHINE**, to surpass in splendour. (E.) In Spenser, F. Q. v. 9. 21. See **Shine**.

**OUTSIDE**, the exterior surface. (E.) In King John, v. 2. 109. See **Side**.

**OUTSKIRT**, the outer border. (E. and Scand.) 'All that *outskirte* of Meathe;' Spenser, View of the State of Ireland; Globe ed. p. 668, col. 1, l. 27. See **Skirt**.

**OUTSTRETCH**, to stretch out. (E.) ME. *outstrecchen*, pt. t. *outstraughte*, Rom. of the Rose, 1515. See **Stretch**.

**OUTSTRIP**, to outrun. (E.) In Hen. V, iv. 1. 177. From *out*, and *strip*, to run fast. 'The swiftest Hound, when he is hallowed [i. e. urged on] *stripes* forth;' Gosson, School of Abuse, ed. Arber, p. 58. See **Strip**.

**OUTVIE**, to exceed, surpass. (E. and F.—L.) In Tam. of the Shrew, ii. 387. See **Vie**.

**OUTVOTE**, to defeat by excess of votes. (E. and F.—L.) 'Sense and appetite *outvote* reason;' South's Sermons, vol. iii. ser. 6 (R.). See **Vote**.

**OUTWARD**, towards the outside, exterior. (E.) ME. *outward*, earlier *utward*, adv., Ancrén Riwle, p. 102, l. 3. AS. *ūte*, adv., out; and *-ward*, suffix indicating direction. See **Out** and **Toward**. Der. *outward*, adj., Temp. i. 2. 104; *outward*, sb., Cymb. i. 1. 23; *outward-ly*, Macb. i. 3. 54; *outward-s*, where the *-s* answers to the ME. adv. suffix *-es*, Hamlet, ii. 2. 392; *outward-bound*, as to which see **Bound** (3).

**OUTWEIGH**, to exceed in weight. (E.) In Shak. Cor. i. 6. 71. See **Weigh**.

**OUTWENT**, went faster than. (E.) In Mark, vi. 33 (A. V.). From **Out**, and *went*, pt. t. of **Wend**.

**OUTWIT**, to surpass in wit. (E.) 'To *outwit* and deceive themselves;' South's Sermons, vol. ii. ser. 7 (R.). See **Wit**.

**OUTWORKS**, external or advanced fortifications. (E.) 'And stormed the *outworks* of his fortress;' Butler, Hudibras, pt. iii. c. 1, l. 1136. See **Work**.

**OUZEL**, another form of **Ousel**, q. v.

**OVAL**, of the shape of an egg. (F.—L.) Spelt *ovall* in Minshew, ed. 1627. — MF. *oval*, 'oval, shaped like an egg;' Cot. Formed with suffix *-al* (< L. *-ālis*) from L. *ōvum*, an egg; there was prob. a Late Latin *ōuālis*, adj., but it is not recorded. β. L. *ōvum* is cognate with Gk. *ὄν*, an egg; and they answer to the Idg. types *\*ōwom*, *\*ōwiom*, related by gradation to L. *avis*, a bird; see **Aviary**. Perhaps connected with E. *egg*; see **Egg**. Der. (from L. *ōvum*) *ov-ar-y*, Sir T. Browne, Vulg. Errors, b. iii. c. 28, § 5, from Late L. *ōvāria*, the part of the body where eggs are formed in birds (Ducange); *ov-ate*, i. e. egg-shaped, L. *ōuātus*, with suffix *-ātus* like the pp. suffix of the 1st conjugation; and see *ovi-form*.

**OVATION**, a lesser Roman triumph. (F.—L.) In Minshew, ed. 1627. — F. *ovation*, 'a small triumph granted to a commander;' Cot. — L. *ōuātiōnem*, acc. of *ōuātiō*, lit. shouting, exultation. — L. *ōuāre*, to shout. + Gk. *εὐάειν*, to shout, call aloud; from *εὐαί*, *εὐοί*, interjections of rejoicing, esp. in honour of Bacchus.

**OVEN**, a furnace, cavity for baking bread, &c. (E.) ME. *oven* (with *u* for *v*), Wyclif, Luke, xii. 28. AS. *ofen*, *ofn*, Grein, ii. 310. + Du. *oven*; Icel. *ofn*, later *omn*; of which an earlier form *ogn* is found; Swed. *ugn*; G. *ofen*; Goth. *auhus*. β. It would appear that the Teut. types are *\*uhnō-*, *\*ufno-*; Idg. type *\*uqnos*. Allied to Skt. *ukhā*, a pot; and to Gk. *ἰνός*, an oven; the older sense is remarkably preserved in AS. *ofnet*, a pot, a closed vessel.

**OVER**, above, across, along the surface of. (E.) ME. *ouer* (with *u* for *v*), Chaucer, C. T. 3920 (A 3922). AS. *ofer* (Grein). + Du.

*over*; Icel. *yfir*; also *ofr*, adv., exceedingly; Dan. *over*; Swed. *öfver*; G. *über*, OHG. *ubar*; Goth. *ufar*; Gk. *ὑπέρ*; L. *super*; Skt. *upari*, above. **β.** The prefixed *s* in L. *s-uper* has not been satisfactorily explained; some think it is equivalent to Gk. *ἐξ*. The common Idg. base is *\*uper-*, closely related to *\*uperos*, upper (Skt. *upara-*, L. *s-uperus*, AS. *ufera*, Grein, ii. 614). **γ.** It is obvious that *\*up-eros* is a comparative form; the superlative takes a double shape, (1) with suffix *-MO*, as in L. *summus* (from *s-upmos*), highest, AS. *\*ufema*, highest (only found with an additional suffix *-est* in *ufemyst*, written for *\*ufemest*, in Gen. xl. 17); and (2) with suffix *-TO*, as in Gk. *ὑναρος*, highest. **δ.** The positive form is *\*upo-*; this appears in Skt. *upa*, near, on, under, Gk. *ὑπό*, under, L. *sub*, under, Goth. *uf*, under. A closely related adverbial form occurs in AS. *ufan*, above, G. *oben*, and E. *-ove* in *ab-ove*. The Goth. form *uf* appears to be further related to E. *up*, and G. *auf*, upon; so that there are two parallel Teutonic types, viz. UF (Goth. *uf*, G. *oben*, E. *ab-ove*) and UP (E. *up*, G. *auf*); with the parallel comparative forms seen in *over* and *upper*. **ε.** The senses of 'under' and 'over' are curiously mixed, as in L. *sub*, under, and *super*, above; Bréal suggests that L. *sub* refers to an upward movement; cf. L. *surgere* (for *\*sub-regere*) to rise. **ζ.** We may further note ME. *over*, adj., with the sense of 'upper,' Chaucer, C. T. 133; and ME. *overest*, with the sense of 'uppermost,' id. 292 (A 290). And see **Up, Sub-, Hypo-, Super-, Hyper-, Above, Sum, Summit, Supreme, Sovereign**. Der. verbs, as *over-act*, *over-awe*, &c.; adverbs, as *over-board*, &c.; sbs., as *over-coat*, &c.; adjectives, as *over-due*, &c.; see below.

**OVERACT**, to act more than is necessary. (E. and L.) Used by Ben Jonson; Catiline, ii. 3 (Curius). See **Act**.

**OVERALLS**, loose trousers worn above others. (E.) Modern; from **Over** and **All**.

**OVERARCH**, to arch over. (E. and F.—L.) In Milton, P. L. i. 304. See **Arch**.

**OVERAWE**, to keep in complete subjection. (E. and Scand.) In Shak. 1 Hen. VI, i. 1. 36. See **Awe**.

**OVERBALANCE**, to exceed in weight. (E. and F.—L.) 'For deeds always *overbalance* words,' South's Sermons, vol. vii. ser. 13 (R.). See **Balance**. Cf. *out-balance*. Der. *overbalance*, sb.

**OVERBEAR**, to overrule. (E.) Much Ado, ii. 3. 157; pp. *overborne*, 1 Hen. VI, iii. 1. 53. See **Bear**. Der. *overbearing*, adj.

**OVERBOARD**, out of the ship. (E.) Rich. III, i. 4. 19. ME. *ouer bord*; Chaucer, C. T., B 922. See **Board**.

**OVERBURDEN**, to burden overmuch. (E.) Spelt *ouerburdein*, Sir T. More, Works, p. 824 b. See **Burden**.

**OVERCAST**, to throw over, to overcloud. (E. and Scand.) The orig. sense is 'to throw over,' ME. *ouerkasten*, Rob. of Brunne, tr. of Langtoft, p. 70. l. 14. The sense 'overcloud' is old; Chaucer, C. T. 1538 (A 1536). See **Cast**.

**OVERCHARGE**, to overburden, charge too much. (E. and F.—C.) The old sense is 'to overburden,' Gascoigne, Steel Glass, 1062; and Palsgrave. See **Charge**. Der. *overcharge*, sb.

**OVERCLOUD**, to obscure with clouds. (E.) In Dryden, tr. of Virgil, *Æn.* xi. 1193. See **Cloud**.

**OVERCOAT**, a coat worn above the rest of the dress. (E. and F.—G.) Modern; see **Coat**.

**OVERCOME**, to subdue. (E.) ME. *ouercomen*, Wyclif, John, xvi. 33. AS. *ofercuman*, Grein, ii. 314. — AS. *ofer*, over; and *cuman*, to come. Cf. Icel. *yfirkominn*, pp. *overcome*. See **Come**.

**OVERDO**, to do too much, to fatigue, to cook too much. (E.) ME. *ouerdon*; 'That that is *ouerdon*' = a thing that is overdone; Chaucer, C. T. 16113 (G 645). AS. *oferdōn*. — AS. *ofer*, over; and *dōn*, to do. See **Do**.

**OVERDOSE**, to dose too much. (E. and F.—Gk.) Modern; not in Todd's Johnson. See **Dose**.

**OVERDRAW**, to exaggerate in depicting. (E.) First in 1844, in this sense; not in Johnson. See **Draw**.

**OVERDRESS**, to dress too much. (E. and F.—L.) In Pope, Moral Essays, iv. 52. See **Dress**.

**OVERDRIVE**, to drive too fast. (E.) In Gen. xxxiii. 13 (A. V.); and in the Bible of 1551. AS. *oferdrifan*, Ælfred, tr. of Orosius, b. i. c. 7; ed. Sweet, p. 40, l. 1. See **Drive**.

**OVERFLOW**, to flood, flow over. (E.) We find the pp. *over-flown*, inundated, Spenser, F. Q. iii. 5. 17. ME. *ouerflowen*, Wyclif, Luke, vi. 38. AS. *oferflōwan*, Luke, vi. 38. — AS. *ofer*, over; and *flōwan*, to flow; pt. t. *flēow*, pp. *flōwen*; so that the form *overflown* for the pp. is correct. See **Flow**. Der. *overflow*, sb.; *overflow-ing*.

**OVERGROW**, to grow over. (E.) Pp. *ouergrown*, Sir T. More, Works, p. 74 d; Gawayn and Grene Knight, 2190. See **Grow**.

**OVERHANG**, to project over, impend. (E.) Contracted to *o'erhang*, Hen. V, iii. 1. 13. See **Hang**.

**OVERHAUL**, to draw over, to scrutinise. (E. and F.—G.)

Spenser has *overhaile*, to hale or draw over; Shep. Kal. Jan. 75. See **Hale**, **Haul**.

**OVERHEAD**, above one's head. (E.) In Shak. L. L. L. iv. 3. 281. See **Head**.

**OVERHEAR**, to hear without being spoken to. (E.) In Shak. Meas. iii. 1. 161. See **Hear**.

**OVERJOYED**, transported with gladness. (E. and F.—L.) In Shak. Much Ado, ii. 1. 230. See **Joy**. Der. *overjoy*, sb., 2 Hen. VI, i. 1. 31.

**OVERLADE**, to lade with too heavy a burden. (E.) 'For men may *ouerlade* a ship or barge,' Chaucer, Legend of Good Women, Cleop. 42. The pp. *ouerladen* is in Ancren Riwe, p. 368, l. 21. See **Lade**.

**OVERLAND**, passing over the land. (E.) First in 1800; not in Todd's Johnson. See **Land**.

**OVERLAP**, to lap over. (E.) Spelt *overlop* in 1726; not in Todd's Johnson. See **Lap**.

**OVERLAY**, to spread over, to oppress. (E.) Often confused with *overlie*; in particular, the pp. *overlaid* is often confused with *overlain*, the pp. of *overlie*. Richardson confounds the two. Wyclif has '*ouerleiyng* of folkis' for L. *pressura gentium*; Luke, xxi. 25. See **Lay**.

**OVERLEAP**, to leap over. (E.) ME. *ouerlepen*, pt. t. *ouerleep*; P. Plowman, B. prol. 150, where the true sense is 'outran,' in conformity with the fact that ME. *lepen* (like G. *laufen*) commonly means 'to run.' AS. *oferhlēapan*; the pt. t. *oferhlēop* occurs in Ælfred's tr. of Bede, b. v. c. 6. — AS. *ofer*, over; and *hlēapan*, to run, to leap. See **Leap**.

**OVERLIE**, to lie upon. (E.) Often confused with *overlay*; the pp. *ouerlein*, in the sense of 'oppressed,' occurs in Gower, C. A. iii. 224; bk. vii. 3930. The verb *ouerliggen* occurs in O. Eng. Homilies, ed. Morris, i. 53, l. 16. See **Lie** (1).

**OVERLIVE**, to outlive, survive. (E.) ME. *ouerliuen*, Wyclif, Exod. xxi. 22 (later text). AS. *oferlibban*, in Bosworth-Toller's Dict. See **Live**.

**OVERLOAD**, to load overmuch. (E.) Gascoigne has *ouerlodng*, Steel Glass, l. 1009. See **Load**. Doublet, *overlade*, q.v.

**OVERLOOK**, to inspect, also to neglect, slight. (E.) ME. *ouerloken*, in the sense 'to look over,' or 'peruse,' Chaucer, Book of the Duchess, l. 232. See **Look**.

**OVERMATCH**, to surpass, conquer. (E.) ME. *ouermacchen*, Chaucer, C. T. 9096 (E 1220). See **Match**.

**OVERMUCH**, too much. (E.) Spelt *ouermuchel* in Chaucer, tr. of Boethius, b. iii. pr. 7; l. 13. See **Much**.

**OVERPASS**, to pass over. (E. and F.—L.) ME. *ouerpassen*, Chaucer, tr. of Boethius, b. v. pr. 6; l. 74. See **Pass**.

**OVERPAY**, to pay in addition. (E. and F.—L.) In All's Well, iii. 7. 16. See **Pay**.

**OVERPLUS**, that which is more than enough. (E. and L.) In Antony, iii. 7. 51, iv. 6. 22; ME. *ouerpluse*, Trevisa, tr. of Higden, i. 407. From E. *over*; and L. *plūs*, more; see **Nonplus**. Doublet, *surplus*.

**OVERPOWER**, to subdue. (E. and F.—L.) Contracted to *o'erpower*, Rich. II, v. 1. 31. See **Power**. Der. *overpower*, sb., i.e. excess of power, Bacon, Ess. 58.

**OVERRATE**, to rate too highly. (E. and F.—L.) Contr. to *o'errate*, Cymb. i. 4. 41. See **Rate**.

**OVERREACH**, to reach beyond, to cheat. (E.) ME. *ouer-rechen*, P. Plowman, B. xiii. 374. See **Reach**.

**OVERRIDE**, to ride over. (E.) ME. *ouerriden*, pp. *ouerriden*, Chaucer, C. T. 2024 (A 2022). AS. *oferridan*, to ride across (a ford); Ælfred, tr. of Bede, iii. 14. See **Ride**.

**OVERRULE**, to influence by greater authority. (E. and F.—L.) In K. Lear, i. 3. 16. See **Rule**.

**OVERRUN**, to spread or grow over, to outrun. (E.) ME. *ouer-rinnen*, Rob. of Brunne, tr. of Langtoft, p. 124, l. 10. See **Run**.

**OVERSEE**, to superintend. (E.) ME. *ouersien*, P. Plowman, B. vi. 115. AS. *ofersēon*, used in the sense to look down on, to despise; Ælfred, tr. of Boethius, c. 36, sect. 2. See **See**. Der. *overse-er*, Tyndall, Works, p. 252, l. 6; *over-sight*, (1) superintendence, Bible, 1551, 1 Chron. ix. 31; (2) omission, 2 Hen. IV, ii. 3. 47.

**OVERSET**, to upset, overturn. (E.) ME. *ouersetten*, to oppress; O. Eng. Homilies, ed. Morris, ii. 51; and see Prompt. Parv. p. 373. AS. *ofersettan*, to spread over, cover, Ælfred, tr. of Boethius, b. ii. pr. 7; c. xviii. sect. 1. See **Set**.

**OVERSHADOW**, to throw a shadow over. (E.) ME. *ouer-schadewen*, Luke, ix. 34. AS. *ofersceadian*, Luke, ix. 34. See **Shadow**.

**OVERSHOOT**, to shoot beyond. (E.) The pp. *ouershot*

(better *ouershot*) is in Sir T. More, Works, p. 1134 h. Palsgrave has *overshote my-selfe*. See **Shoot**.

**OVERSIGHT**; see **Oversee**.

**OVERSPREAD**, to spread over. (E.) ME. *ouerspreden*, pt. 1. *ouerspradde*, Chaucer, C. T. 2873 (A 2871); Layamon, 14188. AS. *ofersprædan*, to overspread (Bosworth). — AS. *ofer*, over; and *sprædan*; see **Spread**.

**OVERSTEP**, to step beyond, exceed. (E.) Contr. to *o'erstep*, Hamlet, iii. 2. 21. AS. *ofersteppan*. See **Step**.

**OVERSTOCK**, to stock too full. (E.) *O'erstock'd* is in Dryden, The Medal, 102. See **Stock**.

**OVERSTRAIN**, to strain too much. (E. and F. — L.) In Dryden, Art of Painting, § 54 (R.). See **Strain**.

**OVERT**, open, apparent, public. (F. — L.) 'The wey ther-to is so *ouerte*;' Chaucer, Ho. of Fame, b. ii. l. 210. — OF. *overt* (later *ouvert*), pp. of *ovrir* (later *ouvrir*), to open. β. The exact formation of the word is uncertain; but Littré's explanation is now accepted, that OF. *ovrir* was a perverted form of OF. *avrir*, to open; from L. *aperire*, to open; the change being due to frequent association with OF. *covrir* (F. *couvrir*), to cover. (So Korting, Hatzfeld.) For L. *aperire*, see **Aperient**. ¶ Diez cites Prov. *obrir*, *ubrir*, Mital. *oprire* (Florio), to open, which he distinguishes from Span. *abrir*, mod. Ital. *aprire*, derived directly from L. *aperire*, to open. As to *ovrir*, he supposes this to be a shorter form of OF. *a-ovrir*, *a-uvrir*, to open, words of three syllables, occurring in the Livre des Rois. These forms arose from Prov. *adubrir* (Raynourd, Lexique Roman, ii. 104), in which the prefixed *a-* (<L. *ad*) does not alter the sense, but is added as in *ablamar*, *afraher*; whilst *dubrir* is from the L. *dē-aperire*, to open wide, lit. 'uncover,' used by Celsus (White). He supports this by instancing mod. Prov. *durbir*, Piedmontese *durvi*, Walloon *drowi*, Lorraine *deurvi*, all corresponding to the same L. *dē-aperire*. L. *aperire* is for \**op-uer-ire*, parallel to Lith. *už-wer-ti*, to shut; just as L. *aperire* (for \**ap-uer-ire*) is parallel to Lith. *at-wer-ti*, to open; Brugmann, i. § 282. Cf. Skt. *vr*, to cover. Der. *overt-ly*; *overture*, meaning 'an open, unprotected place,' Spenser, Shep. Kal. July, 28, from OF. *overture*, later *ouverture*, 'an overture, or opening, an entrance, hole, beginning made, a motion made [i.e. proposal], also an opening, manifestation, discovery, uncovering,' Cot.

**OVERTAKE**, to come up with, in travelling. (E. and Scand.) ME. *overtaken*, Havelok, 1816; Ancrén Riwele, p. 244, note g. — AS. *ofer*, over; and Icel. *taka*, to take. Cf. Icel. *yfirtak*, an overtaking, surpassing, transgression; which prob. suggested the E. word. See **Take**.

**OVERTASK**, to task too much. (E. and F. — L.) In Milton, Comus, 309. See **Task**. ¶ So also *over-tax*.

**OVERTHROW**, to throw over, upset, demolish. (E.) ME. *ouerthrowen*, King Alisaunder, 1113. See **Throw**. Der. *overthrow*, sb., Much Ado, i. 3. 69.

**OVERTOP**, to rise above the top of. (E.) Temp. i. 2. 81. See **Top**.

**OVERTURE**, a proposal, beginning. (F. — L.) All's Well, iv. 3. 46. Also 'a disclosure,' K. Lear, iii. 7. 89. See **Overt**.

**OVERTURN**, to overthrow, upset. (E. and F. — L.) ME. *ouerturnen*, Ancrén Riwele, p. 356, l. 16. See **Turn**.

**OVERVALUE**, to value too much. (E. and F. — L.) Contracted to *o'ervalue*, Cymb. i. 4. 120. See **Value**.

**OVERWEENING**, thinking too highly, conceited. (E.) The pres. part. *ouerweeninde* occurs in the Ayenbite of Inwyrt, ed. Morris, p. 169, l. 26; where *-inde* is the Kentish form for *-inge* (*-ing*). Shak. even uses the verb *ouerween*, 2 Hen. IV, iv. 1. 149. AS. *oferwenian*, to be insolent. 'Insolesceret, *oberwenide*;' Corpus Gloss. 1099; spelt *oberuuaenidae*, Epinal Gloss. 538. Lit. 'going beyond what is customary.' — AS. *ofer*, beyond; *wenian*, to be accustomed; see **Wean**. Thus it is only remotely connected with *ween*, q.v.

**OVERWEIGH**, to outweigh. (E.) ME. *ouerweizen*; 'luue *ouerweid* hit' = love outweighs it, Ancrén Riwele, p. 386, l. 25. See **Weigh**. Der. *overweight*.

**OVERWHELM**, to turn over, bear down, demolish. (E.) ME. *ouerwhelmen*, Rom. of the Rose, 3775; Rob. of Brunne, tr. of Langtoft, p. 190, l. 10. 'The erthe sall thaim *ouer-whelme*;' St. Cuthbert, 4964. See **Whelm**.

**OVERWISE**, wise overmuch. (E.) In Beaum. and Fletcher, Philaster, last line of Act iv. See **Wise**. Der. *overwise-ly*, *-ness*.

**OVERWORK**, excess of work. (E.) 'The verb to *overwork* is in Palsgrave. The sb. is, etymologically, the more orig. word. See **Work**. Der. *overwork*, verb; whence the pp. *overwrought*.

**OVERWORN**, worn too much. (E.) In Twelfth Nt. iii. 1. 66. From *over*; and *worn*, pp. of *wear*. See **Wear**.

**OVERWROUGHT**, wrought to excess. (E.) In Dryden, Art of Poetry, c. i. l. 50. See **Overwork**.

**OVIFORM**, egg-shaped. (L.) Used by T. Burnet, Theory of

the Earth, 1759 (R.). — L. *ōvi-*, for *ōuim*, an egg; and *form-a*, form. See **Oval** and **Form**. ¶ So also *oviduct*, Phillips, ed. 1706, from L. *ductus*, a conducting, a duct; see **Duct**. Also *ovi-parous*, Phillips, ed. 1706, from L. *ōviparus*, egg-producing, from *parere*, to produce; see **Parent**. Also *ovoid*, egg-shaped, a clumsy hybrid compound, from L. *ōuo-*, for *ōuim*, an egg, and Gk. *ēidos*, form.

**OWE**, to possess; hence, to possess another's property, to be in debt, be obliged. (E.) ME. *azen*, *awen*, *ozen*, *owen*, orig. 'to possess'; hence, to be obliged to do, to be in debt. 'The dette that tu *owest* me' = the debt that thou owest me, Ancrén Riwele, p. 126, l. 13. 'Hou myche *owist* thou?' Wyclif, Luke, xvi. 5. For this important verb, see Mätzner's O. Eng. Dict. p. 49, s.v. *azen*; or Strätmann, p. 23; or N. E. D. The sense 'to possess' is very common in Shakespeare; see Schmidt. AS. *āgan*, to have, possess, Grein, i. 19. The change from *ā* to *o* is perfectly regular, as in *bān*, bone, *stān*, stone; the *g* passes into *w* after *ā*, as usual. + Icel. *eiga*, to possess, have, be bound, own; Dan. *eie*, to own, possess; Swed. *äga*, to own, possess, have a right to, be able to; OHG. *eigan*, to possess; Goth. *aigan*, to possess. Teut. type \**aig-an-*. β. Further related to Skt. *iç*, to possess, to be able; whence *içā*, a proprietor, owner; the form of the root being EIK. Brugmann, i. § 701. ¶ It may be noted that the Goth. *aigan* has the old past tense *aih*, used as a present tense; so also AS. *āh*.

**OUGH**. The pres. tense of AS. *āgan* is *āh*, really an old past tense; the past tense is *āhte* (Goth. *ahta*), really a secondary past tense or pluperfect; this became ME. *ahte*, *agte*, *aughte*, *ough*, properly dissyllabic, as in 'oghte be,' Chaucer, C. T. 16808 (G 1340); where Tyrwhitt has the inferior reading 'ought to be.' The pp. of AS. *āgan* was *āgen*, for which see **Own** (1). Der. *ow-ing*, esp. in phr. *owing to*, i.e. due to, because of. Also *own* (1), *own* (2).

**OWL**, a nocturnal bird. (E.) ME. *oule*, Chaucer, Parl. of Foules, 343; pl. *oules*, id. 599. AS. *ūle*, Levit. xi. 16. + Du. *uil*; Icel. *ugla*; Dan. *ugle*; Swed. *ugla*; G. *eule*, OHG. *ūwela*. Teut. types \**ūwalōn*, *ūwalōn-*, f. β. Allied to L. *ulula*, an owl, Skt. *ulūka-*, an owl. All from an imitative root, signifying to hoot, howl, screech; cf. Gk. *ulāō*, I howl, *ulolūceiv*, to howl, *ēleleū*, interjection; L. *ululāre*, to howl, *ulucus*, a screech-owl. γ. With a prefixed *h*, added for emphasis, we get G. *heulen*, whence OF. *huller*; see **Howl**. Somewhat similar is G. *uhu*, an owl, MHG. *hūwe*, OHG. *hūwo*; cf. E. *hoot*. Der. *owl-et*, dimin. form, also spelt *howlet*, Mach. iv. 1. 17; *owl-ish*.

**OWN** (1), possessed by any one, proper, peculiar, belonging to oneself. (E.) ME. *azen*, *awen* (North. E. *awin*), *owen*; later, contracted to *own* by omission of *e*. 'Right at min *owne* cost, and be your gyde;' Chaucer, C. T. 806 (A 804). 'Thar *awyn* fre' = their own free property; Barbour, Bruce, iii. 752. AS. *āgen*, own, Grein, i. 20; orig. the pp. of the anomalous strong verb *āgan*, to owe, i.e. to possess; see **Owe**. + Icel. *eigin*, one's own; orig. the old pp. of *eiga*, to possess; Dan. and Swed. *egen*, one's own; Goth. *aigin*, property, possessions; a neut. sb. formed from the adj. which was orig. the old pp. of *aigan*, to possess. Thus the orig. sense is 'possessed' or 'held.' Der. *own*, verb, to possess; see *own* (2), *own* (3).

**OWN** (2), to possess. (E.) ME. *aznien*, *ahnien*, *ohnien*, *ahnen*, *ohnen*; see Layamon, 11864, 25359; Ormulum, 5649. AS. *āgnian*, to appropriate, claim as one's own; Grein, i. 22. Formed with causal suffix *-ian* from *āgn*, contracted form of *āgen*, one's own; see **Own** (1). + Icel. *eigna*, to claim as one's own; from *eigin*, own; Goth. *ga-aiginōn*, to make a gain of, lit. make one's own, 2 Cor. ii. 11; from *aigin*, one's own property. ¶ It is thus evident that the verb is a derivative from the adjective. Der. *own-er*, ME. *oženere*, Ayenbite of Inwyrt, ed. Morris, p. 37, last line but one; *owner-ship*.

**OWN** (3), to grant, admit. (E.) 'You will not *own* it,' i.e. admit it, Winter's Tale, iii. 2. 60. A peculiar development of *own* (2); as if 'to make one's own,' or 'to take to oneself.' ¶ The ME. *unnen* (AS. *unnan*), to grant, comes near to the sense of *own* (3); but it does not seem to have influenced it, and soon became obsolete.

**OX**, a ruminant quadruped. (E.) ME. *ox*, pl. *oxen*, Chaucer, C. T. 889 (A 887); *oxis*, Wyclif, Luke, xvii. 7. AS. *oxa*, pl. *oxan*, Grein, ii. 360. + Du. *os*; Icel. *uxi*, also *oxi*; pl. *yxu*, *öxu*; Dan. *oxe*, pl. *oxer*; Swed. *oxe*; G. *ochse*, *ochs*, pl. *ochsen*; OHG. *ohso*; Goth. *auhsa*, *auhsus*. + W. *ych*, pl. *yehen*; Skt. *ukshan-*, an ox, bull; also, 'a Vedic epithet of the Maruts who, by bringing rain, i.e. by sprinkling, impregnate the earth like bulls,' Benfey. The Maruts are storms; see Max Müller, Lectures, ii. 416. Teut. base \**ohsan-*; Idg. base \**ukson-*. β. The Skt. *ukshan* is usually derived from *uksh*, to sprinkle. Further, *uksh* is allied to Gk. *ὕψος*, moist, as well as to Icel. *vökr*, moist, prov. E. *wakey*, moist (Halliwell); see Brugmann, ii. § 114; Benfey, p. 108. See **Wako** (2). Dor. *ox-eye*, a plant, *ox-eyed*, *ox-fly*, *ox-goat*; *ox-stall*; also *ox-lip*, q.v.

**OXALIS**, wood-sorrel. (L. — Gk.) In Holland, tr. of Pliny, b. xx,

c. 21. — L. *oxalis* (Pliny). — Gk. ὄξαλις, (1) a sour wine, (2) sorrel. So named from its sourness. — Gk. ὀξύς, sharp, keen, cutting, acid. Allied to L. *acer*, sharp, pungent; Brugmann, i. §§ 161, 536. Der. *oxali-c*; cf. *ox-ide*, *oxy-gen*, *oxy-mel*, *oxy-tone*.

**OXIDE**, a compound of oxygen with a non-acid base. (Gk.) A coined word; from *ox-*, short for *oxy-*, part of the word *oxy-gen*; and *-ide*, due to Gk. -εἶδος, like, which more commonly appears as *-id*, as in *ellipso-id*, *sphero-id*, *ovo-id*, and the like. See **Oxygen**. Der. *oxid-ise*, *oxid-is-er*, *oxid-is-able*, *oxid-at-ion*; all coined words.

**OXLIP**, the greater cowslip. (E.) In Mids. Nt. Dr. ii. 1. 250; Wint. Ta. iv. 4. 125. AS. *oxanslyppe*; see Cockayne's Leechdoms, iii. 340. — AS. *oxan*, gen. case of *oxa*, an ox; and *slyppe*, a slop, i.e. a piece of dung. [This confirms the etymology of *cowslip* already given; see **Cowslip**.] ¶ It should therefore be spelt *ox-slip*.

**OXYGEN**, a gas often found in acid compounds. (F.—Gk.) The sense is 'generator of acids;' and it is a coined word. The discovery of oxygen dates from 1774 (Haydn); but the name is French. — F. *oxygène*; in 1787 (Hatzfeld). — Gk. ὀξύ- (written *oxy-* in Roman characters), for ὀξύς, sharp, keen, acid; and γεν-, to produce, base of γί-γνομαι, I am produced or born. See **Oxalis** and **Generate**. Der. *oxygen-ate*, *oxygen-ise*, *oxygen-ous*; and see *ox-ide*.

**OXYMEL**, a mixture of honey and vinegar. (L.—Gk.) In early use; it occurs as AS. *oxumelle*; see Cockayne's A. S. Leechdoms, iii. 368. — L. *oxymeli* (Pliny). — Gk. ὀξύμελι. — Gk. ὀξύ-, for ὀξύς, acid; and μέλι, honey. See **Oxalis** and **Mellifluous**.

**OXYTONE**, having an acute accent on the last syllable. (Gk.) A grammatical term. — Gk. ὀξύτονος, shrill-toned; also, as a grammatical term. — Gk. ὀξύ-, for ὀξύς, sharp; and τόνος, a tone. See **Oxalis** and **Tone**.

**OYER**, a term in law. (F.—L.) An OF. law term. 'Oyer and terminer [lit. to hear and determine], is a commission specially granted to certain persons, for the hearing and determining one or more causes,' &c.; Blount's Law Dict., ed. 1691. Cf. AF. *oier et terminer*; Stat. Realm, i. 44 (1276); AF. *oyer*, as sb., a hearing, Year-books of Edw. I. i. 73. — AF. *oyer*, mod. F. *ouir*, to hear. — L. *audire*, to hear. See **Audience**. Der. *oyez*.

**OYEZ, OYES**, hear ye! (F.—L.) Henryson has: *oyas! oyas!* Parl. of Beistis, l. 53. The first word of every proclamation by a public crier; now corrupted into the unmeaning *O! yes!* 'O yes, a corruption from the F. *oyez*, i. e. hear ye, is well known to be used by the cryers in our courts,' &c.; Blount, Law Dict., ed. 1691. — AF. *oyez*, 2 p. pl. imp. of *oyer*, to hear; Stat. Realm, i. 211 (ab. 1286); see **Oyer**.

**OYSTER**, a well-known bivalve shell-fish. (F.—L.—Gk.) [The AS. form *ostre* was borrowed from Latin; cf. 'ostrea, ostre' in Voc. 261. 33. The diphthong shows the mod. E. form to be from the French.] ME. *oistre*, Chaucer, C. T. 182. — AF. *oyster*, Liber Albus, p. 244; OF. *oistre*, in the 13th cent. (Littre); whence mod. F. *huître*. — L. *ostrea*, more rarely *ostreum*. — Gk. ὀστρεον, an oyster; so called from its shell. — Gk. ὀστέον, a bone, shell; akin to L. *os* (gen. *ossis*), a bone. See **Osseous**, **Ostracise**.

**OZONE**, a substance perceived by its smell in air after electric discharges. (Gk.) 'Ozone, a name given in 1840 by M. Schönbein of Basel to the odour in the atmosphere developed during the electric discharge;' Haydn. — Gk. ὀζειν, smelling; pres. pt. of ὀζειν, to smell. Gk. ὀζειν stands for ὀδ-yeu, from the base ὀδ-, to smell, appearing also in L. *od-or*, smell; see **Odour**.

## P

**PABULUM**, food. (L.) 'Pabulum or food;' Bp. Berkeley, Siris (1747), § 197 (Todd). — L. *pabulum*, food. Formed with suffix *-bulu-* from *pā-*, base of *pascere*, to feed (pt. t. *pā-ui*); see **Pastor**. Der. *pabul-ous*, Sir T. Browne, Vulg. Errors, b. iii. c. 21. § 15; *pabul-ar*.

**PACE**, a step, gait. (F.—L.) ME. *pas*, *paas*, Rob. of Glouc. p. 149, l. 3129; Chaucer, C. T., A 825, 1033. — F. *pas*. — L. *passum*, acc. of *passus*, a step, pace, lit. a stretch, i.e. the distance between the feet in walking. — L. *passus*, pp. of *pandere*, to stretch. See **Expand**. Der. *pace*, verb, a doublet of **Pass**, q. v.; *pac-er*, Spectator, no. 104.

**PACHA**, the French spelling of **Pasha**, q. v.

**PACHYDERMATOUS**, thick-skinned. (Gk.) Modern and scientific. — Gk. παχύ-, for παχύς, thick; and δερματ-, stem of δέρμα, a skin; with suffix *-ous* (= L. *-osus*). β. The Gk. παχύς is cognate with Skt. *bahu-*, strong. γ. Gk. δέρμα is a hide, 'that which is flayed off;' from Gk. δέρειν, to flay, tear, cognate with E. **Tear**, verb, q. v. Der. *pachyderm*, an abbreviation for *pachydermatous animal*.

**PACIFY**, to appease, make peaceful. (F.—L.) Spelt *pacifie*, Sir T. More, Works, p. 871 b. — F. *pacifier*, 'to pacifie;' Cot. — L. *pacificare*, *pacificari*, to make peace. — L. *paci-*, decl. stem of *pax*, peace; and *-ficare*, for *facere*, to make; see **Peace** and **Fact**. Der. *pacifi-er*, spelt *pacysyer*, Sir T. More, Works, p. 872 d; *pacific-at-ion*, from F. *pacification*, 'a pacification' (Cot.), which from L. acc. *pacificatiōnem*, due to *pacificare*; *pacificat-or*, Bacon, Life of Hen. VII, ed. Lumby, p. 52, l. 10, from L. *pacificator*; *pacific*, formerly *pacifick*, Milton, P. L. xi. 860, from F. *pacifique*, 'pacificous' (Cot.), which from L. adj. *pacificus*, peace-making; *pacific-al*, *pacific-al-ly*.

**PACK**, a bundle, burden, set of cards or hounds, &c. (Low G.; ME. *pakke*, P. Plowman, B. xiii. 201; pl. *packes*, Ancren Riwele, p. 166, last line. — Low G. *pak*, *pak*; Du. *pak*, a pack; cf. Icel. *pakki*, a pack, bundle; Dan. *pakke*; Swed. *packa*; G. *pack*. β. It appears to be a true Teutonic word, though few Teutonic words begin with *p*. There is no proof that it was suggested by the L. base *pac-*, as in pp. *pac-tus*, from *pangere*, to fasten. [We also find Irish *pac*, Gall. *pac*, from E.; Bret. *pac*, borrowed from Romanic; Ital. *pacco*, F. *paquet*, Late L. *pacus*, from Teutonic.] Der. *pack*, verb, ME. *pakken*, P. Plowman, B. xv. 184; *pack-er*, *pack-horse*, 2 Hen. IV, ii. 4. 177; *pack-ing*; *pack-man*; *pack-needle* or *pack-ing-needle*, ME. *pakkenedle* or *paknedle*, P. Plowman, B. v. 212; *pack-saddle*, Cor. ii. 1. 99; *pack-thread* Romeo, v. 1. 47. Also *pack-age*, q. v., *pack-et*, q. v. ¶ Quite distinct from *bag*.

**PACKAGE**, a packet, small bundle. (Low G.; with F. suffix.) A late word; added by Todd to Johnson; formed by adding F. suffix *-age* (< L. *-aticum*) to *pack*; see **Pack**. Cf. *packet*.

**PACKET**, a small pack, package. (AF.—Low G.) In Hamlet, v. 2. 15. AF. *pacquet*, Black Book of the Admiralty, i. 277 (1463); whence MF. *pacquet*, *paquet*, 'a packet, bundle;' Cot. Formed with dimin. suffix *-et* from ME. *pakke*, a pack; cf. Low G. *pak*, a pack (Bremen Wörterbuch); MDu. *pack*, 'a pack' (Hexham); Icel. *pakki*. See **Pack**. Der. *packet-boat*, a boat for carrying mail-bags, Evelyn's Diary, Oct. 10, 1641; now often shortened to *packet*. Doublet, *package*.

**PACT**, a contract. (L.) In Bacon, Life of Hen. VII, ed. Lumby, p. 7, l. 19; and p. 27, l. 30. — L. *pactum*, an agreement. — L. *pactus*, pp. of *paciscere*, to stipulate, agree; inceptive form of OLat. *pacere*, to agree, come to an agreement about anything. — ✓ **PAK**, to bind; whence also Skt. *pag*, to bind; cf. Gk. πᾶννυμι, I fasten, L. *pangere* (pp. *pac-tus*), to fasten, fix. Brugmann, i. § 200; ii. § 79. Der. *pac-tion*, Fox's Martyrs, p. 272 (R.), from F. *paction* (Cot.) < L. *pactionem*, acc. of *pactio*, an agreement. Also *appease*, *com-pact*, *im-pact*, *im-pinge*. From the same root we have *peace*, *paci-fy*, *page* (2), *pale* (1), *pay*, *pro-pag-ate*, *peel* (3), *pole* (1), *re-pay*.

**PAD** (1), a soft cushion, &c. (E.?) 'He was kept in the bands, having under him but only a *pad* of straw;' Fox, Martyrs, p. 854 (R.). Spelt *padde*, Gascoigne, Fruits of War, st. 177. A stuffed saddle was called a *pad*; hence: 'Padde, saddle,' in Levins, ed. 1570. It also occurs in the sense of 'bundle;' see Halliwell. Of obscure origin. β. In the prov. E. sense of paw, or animal's foot, it agrees with MDu., Low G., and Pomeranian *pad*, sole of the foot; perhaps borrowed from Slavonic. Cf. Russ. *podoshva*, sole of the foot; *podushka*, a cushion; also Lith. *padas*, sole of the foot. And cf. **Pod**. Der. *pad*, verb; *padd-ing*.

**PAD** (2), a thief on the high road. (Du.) We now speak of a *foot-pad*. The old word is a *padder*, Massinger, A New Way, ii. 1, l. 15 from end; Butler, Hudibras, pt. iii. c. 1, l. 5 from end. This means 'one who goes upon the *pad* or foot-path.' A *pad* is also a 'roadster,' a horse for riding on roads; Gay's Fables, no. 46; also (more correctly) called a *pad-nag*, i.e. 'road-horse' (R.). — Du. *pad*, a path; MDu. *padt* (Hexham); cf. Low G. *pad*. Cognate with E. *path*; see **Path**. ¶ Many cant words are of Du. origin; see Beaum. and Fletcher, Beggar's Bush. Der. *pad*, v., to tramp along.

**PADDLE** (1), to finger; to dabble in water. (E.) 1. It means 'to finger, handle;' Hamlet, iii. 4. 185; Oth. ii. 1. 259. It is a parallel formation to *pattle*, which is the frequentative of *pat*; and cf. *patter*. 2. The sense 'to dabble in water' is in Palsgrave, who has: 'I *paddyl* in the myre;' cf. Low G. *paddeln*, to tramp about (Danneil); frequent. of *pedden*, to tread, or *padjen*, to take short steps (Brem. Wört.); from *pad*, the sole of the foot; see **Pad** (1). Der. *paddle*, sb., in the sense of broad-bladed oar, but there is probably some confusion with the word below; *paddl-er*, Beaum. and Fletcher, Wit at Several Weapons, i. 1. 20; *paddle-wheel*.

**PADDLE** (2), a little spade, esp. one to clean a plough with. (E.) In Deut. xxiii. 13 (A. V.). It seems to be a parallel form to *spaddle*, the dimin. of *spade*. 'Others destroy moles with a *spaddle*,' Mortimer's Husbandry (R.); and see *spud* and *spittle-staff* in Halliwell. Cf. also Irish and Gael. *spadal*, a plough-staff, paddle; words borrowed from English. See **Spade**. ¶ In the sense of 'broad-bladed oar,' see **Paddle** (1).

**PADDOCK** (1), a toad. (Scand.) In Hamlet, iii. 4. 190; Macb. i. 1. 9. ME. *paddok*, King Alisaunder, 6126. Dimin. with suffix *-ok* or *-ock* (as in *hill-ock*, *bull-ock*), from ME. *padde*, a toad, frog; in Wyclif, Exod. viii. 9 (later version), one MS. has the pl. *paddis* for *padlokis*, which is the common reading. — JEcl. *padde*, a toad; Swed. *padla*, a toad, frog; Dan. *padde*. + Du. *padde*, *pad*; EFries. *padde*. Cf. G. *schild-patt*, tortoise-shell. Origin obscure. Der. *paddock-stool*, a toad-stool.

**PADDOCK** (2), a small enclosure. (E.) 'Delectable country-seats and villas environed with parks, paddocks, plantations,' &c.; Evelyn (Todd; no reference). Here *park* and *paddock* are conjoined; and it is certain that *paddock* is a corruption of *parrock*, another form of *park*. *Parrocks* (Kent) is now called *Paddock Wood*; Hasted, Hist. Kent, Svo, v. 286. 'Parrocke, a lytell parke,' Palsgrave. See Way's note to Prompt. Parv., p. 384. He adds that 'a fenced enclosure of nine acres at Hawsted (Suffolk), in which deer were kept in pens for the course, was termed the *Parrock*;' Cullum's Hawsted, p. 210. See also *parrock* in Jamieson, and *parrick* in Halliwell. [The unusual change from *r* to *d* may have been due to some confusion with *paddock*, a toad, once a familiar word; cf. *poddish* for *porridge*.] AS. *pearroc*, *pearroc*, a small enclosure. 'On ðisum lytlum *pearroce*' = in this little enclosure; Ælfred, tr. of Boethius, c. xviii. § 2, b. ii. prosa 7. Perhaps formed, with dimin. suffix *-oc* (= mod. E. *-ock*, as in *padlock* (1), *hill-ock*, *bull-ock*), from a verb *\*parran*, to shut, enclose; only found in ME. *parren*; see **Park**.

**PADDY**, rice in the husk. (Malay.) Malay *pādi*, rice in the straw. (See Yule.) It seems to have been sometimes confused with Hind. *bhāt*, boiled rice (Forbes), derived from the Skt. *bhakta*-, (properly) boiled rice; orig. pp. of *bhaj*, to divide, take, possess (Benfey).

**PADISHAH**, great king, emperor. (Turk. — Pers.) A title given by the Turks to the Sultan and other kings. — Turk. *pādishāh*. — Pers. *pādshāh*, an emperor, sovereign; Rich. Dict., p. 315. The Pers. *pād* answers to OPers. *pati*- (= Skt. *pati*-), master, lord; and *shāh* is 'king.' See **Despot** and **Shah**; also **Pasha**.

**PADLOCK**, a loose hanging lock. (E.) A *padlock* is a loose hanging lock with a staple, suitable for hampers, baskets, &c., when the case to which it is affixed is not made of a solid substance. It occurs in Pope's Dunciad, iv. 162. Todd quotes from Milton's Colasterion (1645): 'Let not such an unmerciful and more than legal yoke be *padlocked* upon the neck of any Christian.' Ben Jonson has *padlock* in The Staple of News, Act v. sc. 1 (Picklock). Minshew's Span. Dict. has: '*Candado*, a hanging locke, a padlocke' (1623); cf. *lochetto*, 'a padlocke' in Florio (1598). Of uncertain origin; perhaps formed by adding *lock* to prov. E. *pad*, a pannier (Halliwell), given as a Norfolk word. This word is more commonly written *ped*, ME. *pedde*. '*Pedde*, idem quod *panere*;' Prompt. Parv. Of unknown origin; see further under **Pedlar**.

**PADUASOY**, a rich silk. (F.) 'Her crimson *paduasoy*;' Goldsmith, Vicar of Wakefield, ch. iv. § 5. As if 'Padua silk;' from *Padua* (in Italy); and F. *soie*, silk, from L. *sēta*, a pig's bristle, hence strong hair, silk (like Span. *seña*). But really a popular perversion of F. *pou-de-soie*, a silken stuff (Hatzfeld). Godefroy has *pout de soie* (1389); *poul de soie* (1394). The origin of *pou*- is unknown.

**PÆAN**, a hymn in honour of Apollo. (L. — Gk.) 'I have ever hung Elaborate *pæans* on thy golden shrine;' Ben Jonson, Cynthia's Revels, A. v. sc. 2; near the end. — L. *pæan*, (1) a name of Apollo, (2) a religious hymn, esp. to Apollo. — Gk. *Παιάν*, *Παιών*, (1) *Pæan*, *Pæon*, the physician of the gods, who cured Hades and Ares, Homer, Il. v. 401, 899; cf. Od. iv. 232; also Apollo; also his son Æsculapius; a deliverer, saviour; (2) a choral song, hymn, chant, song of triumph. Der. *pæon-y*, q. v.

**PÆDOBAPTISM**; the same as **Pedobaptism**, q. v.

**PAGAN**, a countryman, hence, a heathen. (L.) In Shak. Rich. II, iv. 95. [The ME. form is *paien* or *payen*, Chaucer, C. T. 4954 (B 534), from OF. *païen* (Burgun); which from L. *pāgānus*.] — L. *pāgānus*, (1) a villager, countryman, (2) a pagan, because the rustic people were supposed to be unconverted at a time when townsmen were converts. See Trench, On the Study of Words. — L. *pāgānus*, adj., rustic, belonging to a village. — L. *pāgus*, a district, canton. β. Some connect it with L. *pangere* (pt. t. *pēgi*), to fasten, fix, set, as being marked out by fixed limits; see **Pact**. Der. *pagan-ish*, *pagan-ism*, *pagan-ise*; and see *paynim*, *peasant*.

**PAGE** (1), a boy attending a person of distinction. (F. — Low Lat. — Gk?) ME. *page*, King Alisaunder, 835; Havelok, 1730. — F. *page*, 'a page;' Cot. [Cf. Span. *page*, Port. *pagem*, Ital. *paggio*.] — Late L. *pagium*, acc. of *pagus*, a servant (Ducange). ¶ See Littré, who does not admit the etymology suggested by Diez, viz. that Ital. *paggio* might have been formed from Gk. *παῖδιον*, a little

boy, dimin. of *παῖς*, a boy, child; for which see **Pedagogue**. But Körting accepts this solution.

**PAGE** (2), one side of the leaf of a book. (F. — L.) 'If one leafe of this large paper were plucked off, the more *pages* took harme thereby;' Holland, tr. of Pliny, b. xiii. c. 12. [ME. *pagine*, Ancien Riwle, p. 286; an older form.] — F. *page*, 'a page, a side of a leaf;' Cot. — L. *página*, a page, or leaf. β. Orig. 'a leaf;' and so called because the leaves were once made of strips of papyrus fastened together. — L. *pangere* (base *pāg-*), to fasten; see **Pact**. ¶ We also find ME. *pagent* (with added *t*), Romance of Partenay, prol. 79. The three forms *page*, *pagine*, *pagent*, from L. *página*, are parallel to the three forms *marge*, *margin*, *margent*, from L. *marginem*. Der. *pagin-at-ion*, a modern coined word.

**PAGEANT**, an exhibition, spectacle, show. (Late L. — L.) A. It orig. meant 'a moveable scaffold,' such as was used in the representation of the old mysteries. A picture of such a scaffold will be found in Chambers, Book of Days, i. 634. The Chester plays 'were always acted in the open air, and consisted of 24 parts, each part or *pageant* being taken by one of the guilds of the city. . . Twenty-four large scaffolds or stages were made,' &c.; Chambers, as above; see the whole passage. Phillips, ed. 1706, defines *pageant* as 'a triumphal chariot or arch, or other pompous device usually carried about in publick shows.' B. ME. *pagent*; also *pagyn*, as in Wyclif's Works, ed. Arnold, i. 129. The entry '*pagent*, *pagina*,' occurs in Prompt. Parv. p. 377; where there is nothing to show whether a *pageant* is meant or a page of a book, the words being ultimately the same; see **Page** (2). But Way's excellent note on this entry is full of information, and should be consulted. He says: 'the primary signification of *pageant* appears to have been a stage or scaffold, which was called *página*, it may be supposed, from its construction, being a machine *compagināta*, framed and compacted together. The curious extracts from the Coventry records given by Mr. Sharp, in his Dissertation on the Pageants or Mysteries performed there, afford definite information on this subject. The term is variously written, and occasionally appears as *pagyn*, *pagen*, approaching closely to the L. *página*. The various plays or pageants composing the Chester mysteries . . . are entitled *Pagina prima*, . . . *Pagina secunda*, . . . and so forth; see Chester Plays, ed. Wright. A curious contemporary account has been preserved of the construction of the *pageants* [scaffolds] at Chester during the xvth century, "which *pagiants* weare a high scaffold with 2 rowmes, a higher and a lower, upon 4 wheelles;" Sharp, Cov. Myst. p. 17. The term denoting the stage whereon the play was exhibited subsequently denoted also the play itself; but the primary sense . . . is observed by several writers, as by Higin, in his version of Junius's Nomenclator, 1585: "*Pegma*, lineæ machina in altum educta, tabulatis etiam in sublime crescentibus *compaginata*, de loco in locum portatilis, aut quæ vehi potest, ut in pompis fieri solet: *Escaffaut*, a pageant, or scaffold.'" Palsgrave has: '*Pagiant* in a playe, mystère;' and Cotgrave explains MF. *pegmate* as 'a stage or frame whereon *pageants* be set or carried.' See further illustrations in Wedgwood.

C. We may conclude that, just as ME. *pagent* is used as a variant of *pagine*, in the sense of page of a book, so the ME. *pagent* (or *pagiant*, &c.) was formed, by the addition of an excrescent *t* after *n*, from an older *pagen* or *pagin*, which is nothing but an Anglicised form of Late L. *página* in the sense of scaffold or stage. For examples of excrescent *t*, cf. *ancient*, *margent*, *tyrant*, *pheasant*. D. Though this sense of *página* is not given by Ducange, it was certainly in use, as shown above, and a very clear instance is cited by Wedgwood from Munimenta Gildhalliæ Londoniensis, ed. Riley, iii. 459, where we find: '*parabatur machina satis pulcra* . . . in eadem *página* erigebantur duo animalia vocata antelops;' showing that (in 1432) *machina* and *página* were synonymous. E. The true sense of *página* I take to have been simply 'stage' or 'platform;' we find one sense of L. *página* to be a slab of marble or plank of wood (White). Cf. L. *pāginātus*, planked, built, constructed (White). Hence the derivation is from L. *pangere* (base *pāg-*), to fasten, fix; see **Page** (2). ¶ Note that another word for the old stage was *pēgma* (stem *pēgmat-*, whence MF. *pegmate* in Cotgrave); this is the corresponding and cognate Greek name, from Gk. *πῆγμα* (stem *πῆγματ-*), a platform, stage, derived from the base of Gk. *πῆγνυμι*, I fix, cognate with L. *pangere*. Der. *pageant*, verb, to play, Shak. Troil. i. 3. 151; *pageant-r-y*, Pericles, v. 2. 6.

**PAGODA**, an Indian idol's temple. (Port. — Pers.) Spelt *pagotha* in Sir T. Herbert, Travels, ed. 1665, pp. 69, 393; *pagod* in Skinner, ed. 1671; *pagodes*, pl., in Hakluyt, Voy. ii. part 1. 221, 253. — Port. *pagoda*, now generally *pagode*; but both forms are given in the Eng. Port. part of Vieyra's Dict. Adapted from Pers. *but-kadah*, an idol-temple; Rich. Dict. p. 241, col. 2; spelt *but-kedah* in Palmer, Pers. Dict. col. 70. — Pers. *but*, an idol, image, God, id. p. 241, col. 1; and *kadah*, a habitation, id. p. 1175. β. The initial Pers.

sound is sometimes rendered by *p*, as in Devic. Yule suggests some confusion with Skt. *bhagavati*, f., lit. 'venerable,' as the name of a goddess.

**PAH, PA**, a fort. (New Zealand.) A Maori word, signifying a fort surrounded by a stockade. 'In Maori, the verb *pā* means to touch, to block up. *Pa*=a collection of houses to which access is blocked by means of stockades and ditches;' Morris, Austral English.

**PAIGLE**, the cowslip. (O. Low G.) 'Paggles, greene and yellow;' Tusser's Husbandry, § 43. 25 (E. D. S.) 'Pagyll, a cow-sloppe;' Palsgrave. As *cowslip*, formerly *cowstop*, orig. meant 'cow-dung,' it is possible that *paigle* may have meant 'horsedung.' Woeste's Westphal. glossary gives *päen-wiämel*, a dung-beetle; and he notes that the Hannover form is *pagel-worm*, where *pagel* means 'dung;' evidently from Low G. *page*, MDu. *paghe* (Oudemans), a horse.

**PAIL**, an open vessel of wood, &c. for holding liquids. (F.—L.) ME. *paile*, *payle*. 'Payle, or mylke-stoppe [milk-pail];' Prompt. Parv. AF. *paile*; glossed by ME. *stoppe*; Nominale, ed. Skeat, l. 496. — OF. *paele*, a pan; 'a footless posnet,' i. e. iron cooking-pot; saucepan; Cot.—L. *patella*, dimin. of *patina*, a pan; see **Paten**. β. Or from AS. *pægel*, occurring as a gloss upon L. *gillo* in Wright's Vocab., where it is misprinted *wægel*; see Voc. 124. 2, and Toller's A. S. Dict. It is cognate with Du. and G. *pegel*, G. *peil*, a gauge for liquids; cf. Dan. *pagel*, half a pint. But it seems to have been French; note the final -e. Der. *pail-ful*.

**PAIN**, bodily suffering, anguish. (F.—L.—Gk.) ME. *peine*, *peyne*, King Alisaunder, 4522. — F. *peine*, 'a paine, penalty;' Cot.—L. *pæna*, punishment, penalty, pain. — Gk. *πῶνῃ*, penalty. β. The L. word was borrowed from the Gk. very early. Idg. type \**qoinā*; cf. OIrish *cin* (Ir. *cion*), a fault; Zend *kaēnā*-, punishment, Pers. *kīn*, revenge; Russ. *tsiena*, a price; Gk. *τίνα*, to pay a price. Brugmann, i. § 202. Cf. **Pine** (1). Der. *pain*, verb, ME. *peinen*, Chaucer, C. T. 139; *pain-ed*; *pain-ful* (with E. suffix -ful=full), formerly used with the sense of 'industrious,' see exx. in Trench, Select Glossary; *pain-ful-ly*, *pain-ful-ness*, *pain-less*, *pain-less-ness*; also *pains-taking*, adj., i. e. taking pains or trouble, Beaum. and Fletcher, Span. Curate, iv. 5 (Diego); *pains-taking*, sb. And see *pen-al*, *pen-ance*, *pen-itent*, *pen-ish*, *pine* (2).

**PAINIM**; see **Paynim**.

**PAINT**, to colour, describe, depict. (F.—L.) ME. *peinten*, Chaucer, C. T. 11946, 11949 (C 12, 15); but the word must have been in use in very early times, as we find the derived words *peintunge*, painting, and *peinture*, a picture, in the Ancren Riwe, p. 392, l. 17, p. 242, l. 14. — OF. *peint*, *paint* (mod. F. *peint*), pp. of *peindre*, *peindre* (mod. F. *peindre*), to paint. — L. *pingere*, to paint. Allied to Skt. *piñj*, to dye, colour; *piñjara*-, yellow, tawny. β. The form of the root is PEIG, to colour; perhaps allied to ✓PEIK, to adorn, form, whence Skt. *piç*, to adorn, form, *pēças*, an ornament, and Gk. *ποικίλος*, variegated. Der. *paint*, sb. (a late word), Dryden, to Sir Robert Howard, l. 8; *paint-er*, Romeo, i. 2. 41; *paint-ing*, in early use, ME. *peintunge*, as above. And see *pict-ure*, *de-pict*, *pig-ment*, *pi-mento*, *or-pi-ment*, *or-pine*, *pint*.

**PAINTER**, a rope for mooring a boat. (F.—L.) 'Painter, a rope employed to fasten a boat;' Hawkesworth's Voyages, 1773, vol. i. p. xxix; spelt *payuter*, Naval Accounts (1485), p. 37. β. Some have supposed it to have been corrupted (by assimilation to the ordinary sb. *painter*) from ME. *panter*, a snare, esp. for catching birds; see Chaucer, Legend of Good Women, 131; Prompt. Parv. p. 381; spelt *paunter*, Polit. Songs, ed. Wright, p. 344. — AF. *panter* (Godefroy); MF. *pantiere*, a kind of snare for birds (Roquefort); *panthiere*, 'a great swoop-net;' Cot. Cf. Ital. *pantera*, 'a kinde of tramell or fowling-net,' Florio; *panthera*, 'a net or haie to catch conies with, also a kind of fowling-net;' id. — L. *panthēr*, a hunting-net for catching wild beasts; cf. *panthēra*, an entire capture. — Gk. *πᾶνθηρος*, catching all sorts of animals. — Gk. *pān*, neut. of *pās*, every; and *θήρ*, a wild beast; see **Pan-** and **Panther**. ¶ The Irish *painteir*, Gael. *painttear*, a gin, snare, are borrowed from E.; the ME. word occurs as early as the reign of Edw. II. It is remarkable that, in America, a *panther* is also called a *painter*; see Cooper, The Pioneers, cap. xxviii. γ. But ME. *panter* means 'net' rather than 'noose.' Perhaps *painter* represents MF. *penteur*, 'the name of one of the ropes which passe over the top of a mast,' Cot.; or OF. *pentoir*, *pendoir*, in Godefroy; a perch for hanging clothes to dry, part of a belt to which a sword is hung, also strong cordage; from L. *pendere*, to hang. But the history is obscure.

**PAIR**, two equal or like things, a couple. (F.—L.) ME. *peire*, *peyre*, applied to any number of like or equal things, and not limited, as now, to two only. Thus 'a *peire* of bedes'=a set of beads, Chaucer, C. T. 159. 'A *pair* of cards'=a pack of cards; Ben Jonson, Masque of Christmas (Carol). 'A *pair* of organs'=a set of organ-pipes, i. e. an organ; see my note to P. Plowman, C. xxi. 7.

'A *pair* of stairs'=a flight of stairs. Yet we also find 'a *peyre* hose'=a pair of hose; Rob. of Glouc. p. 390, l. 8013. — F. *paire*, 'a paire, or couple of;' Cot.; F. *pair*, 'like, alike, equall, matching, even, meet;' Cot. — L. *paria*, neut. pl., and *parem*, acc. of *pār*, alike. See **Par**, **Peer**. Der. *pair*, verb, Wint. Ta. iv. 4. 154. Also *um-pire*, q. v.

**PAJAMAS, PYJAMAS**, loose drawers. (Hind.—Pers.) Modern. Lit. 'leg-clothing.' — Hind. *pā'ejāma*, *pājāma*, drawers. — Hind. *pā'e*, leg, *pā*, foot; *jāma*, garment (Forbes, Yule). — Pers. *pāi*, cognate with E. *foot*; *jāmāh*, a garment. (Horn, § 412.) See *pyjamas* in Yule.

**PAL**, a brother, comrade. (Gipsy.) 'Pal is a common cant word for brother or friend, and it is purely Gipsy. On the Continent it is *prala* or *pral*;' C. G. Leland, Eng. Gipsies, vi.

**PALACE**, a royal house. (F.—L.) ME. *palais*, King Horn, ed. Lumby, 1256; *paleis*, Floriz and Blancheflur, 87. — F. *palais*, 'a palace;' Cot. — L. *palātium*, formerly a building on the Palatine hill at Rome. 'On this hill, the *Collis Palatinus*, stood . . . the houses of Cicero and Catiline. Augustus built his mansion on the same hill, and his example was followed by Tiberius and Nero. Under Nero, all private houses had to be pulled down on the *Collis Palatinus*, in order to make room for the emperor's residence . . . called the *Palatium*; and it became the type of all the palaces of the kings and emperors of Europe;' Max Müller, Lectures on Language, ii. 276. β. The *Collis Palatinus* is supposed to have been so called from *Pales*, a pastoral deity; see Max Müller, as above. *Pales* was a goddess who protected flocks; and the name may have meant 'protector;' cf. Skt. *pālā*-, one who guards or protects; *pā*, to protect, cherish. Der. *palati-al* (Todd), formed with suffix -al from I. *palāti-um*; also *palat-ine*, q. v.; *palad-in*, q. v.

**PALADIN**, a warrior, a knight of Charlemagne's household. (F.—Ital.—L.) In Blount's Gloss., ed. 1674. — F. *paladin*, 'a knight of the round table;' Cot. — Ital. *paladino*, 'a warrior, a valiant man at armes;' Florio. — L. *palātinus*; see **Palatine**. Properly applied to a knight of a palace or royal household. Doublet, *palatine*.

**PALÆO-**; see **Paleo-**.

**PALANQUIN, PALANKEEN**, a light litter in which travellers are carried on men's shoulders. (Port.—Hind.—Skt.) 'A *palankeen* or litter;' Sir T. Herbert, Travels, 1665, p. 72. Spelt *palankee* in Terry's Voyage to East India, 1655, p. 155 (Todd); *palanquin* in Skinner, ed. 1671; *palanchine* in Hakluyt, Voy. ii. part i. 222. — Portuguese *palanquin*. — Hind. *palang*, a bed, bedstead; otherwise *pālki*; Forbes, Hindustani Dict.; and (in the Carnatic) *pallakki* (H. H. Wilson); Pali *pallanko* (Yule). Cf. Pers. *palank*, *palang*, a bedstead; Rich. Dict. p. 335. All from Skt. *parāyānka* (Prakrit *palānka*), a couch-bed, a bed; the change from *r* to *l* being very common. — Skt. *pari*, about, round (Gk. *περί*); and *aika*-, a hook, the flank, &c. Apparently from the support given to the body. The Skt. *aika*- is allied to L. *uncus*, a hook, AS. *angel*, a hook. See **Peri-** and **Angle** (2).

**PALATE**, the roof of the mouth, taste, relish. (F.—L.) In Cor. ii. 1. 61. ME. *palet*, Wyclif, Lament, iv. 4; Prompt. Parv. p. 378. — AF. *palet*, palate, in Nominale, ed. Skeat, 29; OF. *palat*, in the 14th century; see Littre. — L. *palātum*, the palate. Root uncertain. ¶ The mod. F. *palais* answers to a Late L. *palātum*, which seems to have been used by mistake for *palātum*. See remarks in Max Müller, Lect. on Lang. ii. 276. Der. *palat-al*, *palat-able*, *palat-abl-y*. Also *palate*, verb, Cor. iii. 1. 104.

**PALATINE**, orig. pertaining to a palace. (F.—L.) Chiefly in the phr. 'count *palatine*,' where the adj. follows the sb., as in French; see Merch. Ven. i. 2. 49. — F. *palatin*, 'a generall and common appellation, or title, for such as have any speciall office or function in a sovereign princes palace;' Cot. He adds: '*Compte palatin*, a count palatine, is not the title of a particular office, but an hereditary addition of dignity and honour, gotten by service done in a domesticall charge.' — L. *palātinus*, (1) the name of a hill in Rome, (2) belonging to the imperial abode, to the palace or court. See **Palace**. Der. *palatin-ale*, from F. *palatinat*, 'a palatinaty, the title or dignity of a count palatine, also a county palatine;' Cot. Doublet, *paladin*.

**PALAUVER**, a talk, parley. (Port.—L.—Gk.) Frequently used in works of travel, of a parley with African chiefs; a word introduced on the African coast by the Portuguese. — Port. *palavra*, a word, parole. — L. *parabola*; from Gk. See **Parole**, **Parable**.

**PALE** (1), a stake, narrow piece of wood for enclosing ground, an enclosure, limit, district. (F.—L.) ME. *paal*, Wyclif, Ezek. xv. 3 (earlier version); the later version has *stake*; Vulgate, *paxillus*. Dat. *pale*, Wyclif, Luke, xix. 43. — F. *pal*, 'a pale, stake, or pole;' Cot. — L. *pālus*, a stake. For \**pacslus*, from *pac-*, to fasten; as in *pac-isci*, to stipulate. Brugmann, ii. § 76. See **Pact**. Der. *pal-ing*, Blackstone's Comment. b. ii. c. 3 (R.); *pale*, verb, 3 Hen. VI, i. 4.

103; *im-pale*; also *pal-is-ade*, q. v. **Doublet**, *pole* (1).  The heraldic term *pale* is the same word.

**PALE** (2), wan, dim. (F.—L.) ME. *palé*, Chaucer, C. T. 5065 (B 645).—OF. *pale*, *palle* (Burguy), later *paste* (Cot.), whence mod. F. *pâle*.—L. *pallidus*, acc. of *pallidus*, pale. On the loss of the last two atonic syllables, see Brachet, *Introd.* § 50, 51. Allied to Gk. *πολιός*, gray, and to F. *fallow*; see **Fallow** (2). Der. *pale-ly*, *pale-ness*, *pal-ish*. **Doublet**, *pallid*.

**PALEOGRAPHY**, the study of ancient modes of writing. (Gk.) Modern; coined from Gk. *παλαιός*, for *παλαιός*, old; and *γράφειν*, to write. *Παλαιός* is from *πάλαι*, adv., long ago.

**PALEOLOGY**, archaeology. (Gk.) Modern. From Gk. *παλαιός*, for *παλαιός*, old; and *-λογία*, from *λόγος*, a discourse, which from *λέγειν*, to speak. See **Paleography** and **Logic**. Der. *paleolog-ist*.

**PALEONTOLOGY**, the science of fossils, &c. (Gk.) Modern. Lit. 'a discourse on ancient creatures.' Coined from Gk. *πάλαι*, long ago; *ὄντο*, decl. stem of *ὢν*, existing; and *-λογία*, from *λόγος*, a discourse, which from *λέγειν*, to speak. See **Paleography**, **Sooth**, and **Logic**. Der. *paleontolog-ist*.

**PALESTRA**, a wrestling-school. (L.—Gk.) In Lyly, *Euphues*, ed. Arber, p. 447; *palestr-al*, adj., Chaucer, *Troilus*, v. 304.—L. *palaestra*.—Gk. *παλαίστρα*, a wrestling-school.—Gk. *παλαίειν*, to wrestle; cf. *πάλη*, wrestling. Connected with Gk. *παλάμη*, the palm of the hand (Prellwitz). See **Palm** (1). Der. *palestr-al*, as above.

**PALETOT**, a loose garment. (F.) Modern. Borrowed from mod. F. *paletot*, formerly *palletot*, for which see below. However, the word is by no means new to English; the ME. *paltok* is not an uncommon word; see numerous references in my note to P. Plowman, B. xviii. 25, where the word occurs; and see Prompt. Parv., and Way's note; cf. AF. *paltoke* (below). This form was borrowed from OF. *palletot*, 'a long and thick pelt, or cassock, a garment like a short cloak with sleeves, or such a one as the most of our modern pages are attired in;' Cot. Explained by Diez as *palle-toque*, a cloak with a hood; from L. *palla*, a mantle, and Bret. *tōk*, W. *toc*, a cap. β. Littré derives OF. *palletot* from MDu. *paltrok*, a mantle; but Franck says that this MDu. form was taken (with alteration) from the OF. word. Cf. Bret. *paltok*, a peasant's robe; from L. *palla* and Bret. *tōk*, a cap. See **Pall** (1). ¶ Way says that 'Sir Roger de Norwiche bequeaths, in 1370, *unum paltoke de uelute, cum armis meis*;' &c.

**PALETTE**, a small slab on which a painter mixes colours. (F.—L.) 'Pallet, a thin oval piece of wood, used by painters to hold their colours;' Kersey, ed. 1715. The word is used by Dryden; see Todd (who gives no reference).—F. *palette*, 'a lingell, tenon, slice, or flat tool wherewith chirurgians lay salve on plaisters; also, the saucer or porringer, wherinto they receive blood out of an opened vein; also, a battledoor;' Cot. Thus it orig. meant a flat blade for spreading things, and afterwards a flat slab for colours. Cf. Ital. *paletta*, 'a lingell, slice [such] as apothecaries use;' Florio; dimin. of *pala*, 'a spade;' id.—L. *pāla*, a spade, shovel, flat-bladed 'peel' for putting bread into an oven; see **Peel** (3). **Doublet**, *pallet* (2).

**PALFREY**, a saddle-horse, esp. a lady's horse. (F.—Low L.—Gk. and C.) In early use. ME. *palefrai*, O. Eng. Homilies, ed. Morris, i. 5, l. 20; *palfrei*, Chaucer, C. T. 2497 (A 2495).—OF. *palefrei* (13th century, Littré), MF. *palefroy*, 'a palfrey,' Cot.; mod. F. *palefroi*. Spelt *palefreid* in the 11th century; Littré.—Low L. *paraverēdus*, a post-horse, lit. 'an extra post-horse' (Lewis). Brachet gives quotations for the later forms *paraverēdus*, *parafrēdus*, and *palafrēdus* (10th century); and OF. *palefreid*=Low L. acc. *palafrēdum*; every step being traced with certainty. β. The Low L. *paraverēdus* is a hybrid formation from Gk. *παρά*, beside (hence extra); and Late L. *uerēdus*, a post-horse, courier's horse (Lewis). γ. Here *verēdus* stands for *\*vorēdus*, from a Celtic type *\*vo-reidos*, a carriage-horse.—Celtic *\*vo* (Irish *fo*, W. *go*), prep. under, in; and *\*reidā*, Gaulish L. *rhēda*, *rēda*, a carriage. The Celtic *\*vo-reidos* occurs in W. *gorwydd*, a horse. The Celtic *\*reidā* is from the verb seen in OIrish *riad-aim*, I travel, ride, cognate with E. *ride* (Stokes). ¶ The Low L. *paraverēdus* is also the original of G. *pferd*, Du. *paard*, a palfrey, horse.

**PALIMPSEST**, a manuscript which has been twice written on, the first writing being partly erased. (Gk.) *Palimpseston* in Phillips (1706).—Gk. *παλίμψηστον*, a palimpsest (manuscript); neut. of *παλίμψηστος*, lit. scraped again.—Gk. *πάλιμ*, for *πάλιν*, again, before the following ψ; and *ψηστός*, rubbed, scraped, verbal adj. from *ψάειν*, to rub, Ionic *ψέειν*. Cf. Skt. *psā*, to eat.

**PALINDROME**, a word or sentence that reads the same backwards as forwards. (Gk.) Examples are *Hannah*, *madam*, *Eve*; Todd quotes *subi dura a rudibus* from Peacham, Experience in these Times (1638). 'Curious *palindrōmes*;' Ben Jonson, An Execration

upon Vulcan, Underwoods, lxi. l. 34.—Gk. *παλινδρομος*, running back again.—Gk. *πάλιν*, back, again; and *δρόμος*, a running, from *δραμῖν*, to run; see **Dromedary**.

**PALINODE**, a recantation, in song. (F.—L.—Gk.) 'You, two and two, singing a *palinode*;' Ben Jonson, Cynthia's Revels, last speech of Crites.—F. *palinodie*, 'a palinody, recantation, contrary song, unsaying of what hath been said;' Cot.—L. *palinōdia*.—Gk. *παλινωδία*, a recantation, esp. of an ode.—Gk. *πάλιν*, back, again; and *ὥδή*, a song; see **Ode**.

**PALISADE**, a fence made of pales or stakes. (F.—L.) Shak. has the pl. *palisadoes*, 1 Hen. IV, ii. 3. 55; this is a pseudo-Spanish form; the mod. Span. word is *palizada*. Dryden has *palisades*, tr. of Virgil, b. vii. l. 214.—F. *palissade*, 'a palisadoe;' Cot.—F. *paliss-er*, 'to inclose with pales,' id.; with suffix *-ade*<L. *-āta*.—F. *palis*, a 'pale, stake, pole,' id.; extended from *pāl*, a pale. See further under **Pale** (1). Der. *palisade*, verb.

**PALL** (1), a cloak, mantle, archbishop's scarf, shroud. (L.) ME. *pāl*, Layamon, 897, 1296; pl. *palles*, id. 2368. AS. *pall*, purple cloth; we find *pallas* and *sidan*=purple cloths and silks, as a gloss to L. *purpuram et sericum* in Ælfric's Colloquy (the Merchant); see Thorpe, *Analecta*, p. 27.—L. *pallium*, a coverlet, pall, curtain, toga; allied to *palla*, a mantle, loose dress. Sievers, Gr. § 80. Der. *pall-i-ate*, q. v.

**PALL** (2), to become vapid, lose taste or spirit. (F.—L.) ME. *pallen*. 'Pallyn, as ale and drynke, *Emorior*;' Prompt. Parv. Way, in the note on the passage, quotes from Lydgate's Order of Fools: 'Who forsakith wyne, and drynkithe ale *pallid*, Such foltisshe foolis, God lete hem never the' [prosper]; Minor Poems, p. 168. He also cites from Palsgrave: 'I *palle*, as drinke or bloode dothe, by longe standyng in a thyng, *ie appallys*. This drink wyll *pall* (*s'appallyra*) if it stande vncovered all nyght. I *palle*, I fade of freshenesse in colour or beautye, *ie flaitris*. β. He also has: 'I *appalle*, as drinke dothe or wyne, when it leseth his colour, *je appallys*;' and again: 'I *appalle* ones colour, *je appallys*.' Thus *pall* is merely an aphetic form of *appal*, which meant both to wax pale and to make pale or to terrify. See **Appal**.

**PALLADIUM**, a safeguard of liberty. (L.—Gk.) 'A kind of *palladium* to save the city;' Milton, Of Reformation in England, B. 1 (Todd).—L. *Palladium*; Virgil, Æn. ii. 166, 183.—Gk. *Παλλάδιον*, the statue of Pallas on which the safety of Troy was supposed to depend.—Gk. *Παλλάδ*, stem of *Παλλάς*, an epithet of Athene (Minerva).

**PALLET** (1), a kind of mattress or couch, properly one of straw. (F.—L.) ME. *paillet*, Chaucer, *Troil.* iii. 229.—AF. *paillete*, straw, Bestiary, 475; F. *paillet*, a heap of straw, given by Littré as a provincial word. Cotgrave only gives *paillet*, 'a reek or stack of straw, also, bed-straw.' Dimin. of F. *paille*, 'straw;' Cot.—L. *palea*, straw, chaff. Allied to Skt. *palāla*, straw; Russ. *polova*, chaff; Lith. *pelai*, pl. chaff. See **Palliasse**.

**PALLET** (2), an instrument used by potters, also by gilders; also, a palette. (F.—Ital.—L.) See definitions in N. E. D.; it is, properly, a flat-bladed instrument for spreading plasters, gilding, &c., and for moulding; and is only another spelling of **Palette**, q. v.

**PALLIASSE**, a straw mattress. (F.—L.) Not in Todd's Johnson. The introduction of *i* is due to an attempt to represent the 'il mouillés' of the F. *paillasse*, which see in Littré. The MF. form in Cotgrave is *paillace*, 'a straw-bed.' The suffix *-ace*, *asse* (<L. *-āceus*) is a diminutive one; Brachet, Etym. Dict. *Introd.* § 272; and *paill-ace* is from *paille*, straw.—L. *palea*; see **Pallet** (1).

**PALLIATE**, to cloak, excuse. (L.) 'Being *palliated* with a pilgrim's coat and hypocritic sanctity;' Sir T. Herbert, *Travels*, ed. 1665, p. 341. Properly a pp., as in 'certain lordes and citezens . . in habite *palliate* and dissimuled;' Hall's Chron., Hen. IV. *introd.* § 11.—L. *palliātus*, cloaked, covered with a cloak.—L. *pallium*, a cloak, mantle. See **Pall** (1). Der. *palliat-ion*, *palliat-ive*.

**PALLID**, pale. (L.) 'Pallid death;' Spenser, F. Q. v. 11. 45.—L. *pallidus*, pale. See **Pale** (2). **Doublet**, *pale* (2).

**PALL-MALL**, the name of an old game. (F.—Ital.—L.) Discussed under **Mall** (2), q. v. See Notes on E. Etym., p. 204.

**PALLOR**, paleness. (L.) Used by Bp. Taylor, *Artificial Handsomeness*, p. 2 (Todd).—L. *pallor*, paleness.—L. *pallēre*, to be pale. Cf. L. *pallidus*, pale; see **Pale** (2).

**PALM** (1), the inner part of the hand. (F.—L.) ME. *paume*, the palm of the hand, P. Plowman, B. xvii. 141, 147, 150, 153.—F. *paume*, 'the palme of the hand;' Cot.—L. *palma*, the palm of the hand.—Gk. *παλάμη*; Skt. *pāṇi-* (for *\*palni-*).—AS. *folm*; Grein, i. 311; OIrish *lām*; W. *llaw*. Brugmann, i. § 529 (2). Allied to AS. *folm* is E. *fumble*; see **Fumble**. Der. *palmate*, from L. *palmātus*, marked with the palm of the hand, shaped like the palm; *palm-ist-ry*, in Sir T. Browne, *Vulg. Errors*, bk. v. ch. 24, pt. 1; ME. *pawmestry*, Lydgate, *Assembly of Gods*, 870.

**PALM** (2), the name of a tree. (L.) AS. *palni*, a palm-tree; borrowed directly from Latin. '*Palma*, palm-twig, *vel* palm; Wright's Vocab. i. 32, col. 2. So called from some resemblance of the leaves to the out-spread hand; see **Palm** (1). ¶ We may note that the L. spelling has prevailed over the French, as in *psalm*, &c. Der. *palm-er*, ME. *palmore*, Chaucer, C. T. 13, King Horn, ed. Lumby, 1027, i.e. one who bears a palm-branch in token of having been to the Holy Land; *palm-er-worm*, Joel, i. 4, ii. 25, a caterpillar supposed to be so called from its wandering about like a pilgrim, and also simply called *palmer* (see Eastwood and Wright's Bible Word-book); *Palm-sunday*, ME. *palme-suneday*, O. Eng. Miscellany, ed. Morris, p. 39, l. 65, AS. *palme-sunnandæg*, Luke, xix. 29 (margin); *palm-y*, Hamlet, i. 1. 113; *palm-ary*, i.e. deserving the palm (as token of a victory). ¶ The *palmer* or *palmer-worm* might have been named from prov. E. *palm*, the catkin of a willow; but we also find *palmer* in the sense of wood-louse, and in Holli-band's Dict., ed. 1593, a *palmer* is described as 'a worme having a great many feete;' see Halliwell.

**PALPABLE**, that can be felt, obvious. (F.—L.) In Macb. ii. 1. 40; Chaucer, Ho. Fame, 869. —F. *palpable*, omitted by Cotgrave, but in use in the 15th century (Littré), and given by Palsgrave, who has: '*Palpable*, apte or mete to be felte, *palpable*.' —L. *palpabilis*, that can be touched. —L. *palpāre*, to feel, *palpāri*, to feel, handle. β. An initial *s* has been lost, if it be related to Gk. *ψηλαφάω*, I feel; Skt. *sphālaya*, to strike, to touch. Der. *palpabl-y*, *palpable-ness*, *palpabili-ty*. And see *palpitate*.

**PALPITATE**, to throb. (L.) In Minshew, ed. 1627. [It is not unlikely that the E. verb to *palpitate* was really due to the sb. *palpitation*.] —L. *palpitātus*, pp. of *palpitāre*, to throb; frequentative of *palpāre*, to feel, stroke, pat. See **Palpable**. Der. *palpitat-ion*, from F. *palpitation*, 'a panting;' Cot.

**PALSY**, paralysis. (F.—L.—Gk.) ME. *palesy*, Wyclif, Matt. iv. 24; *pallesye*, Rob. of Brunne, Handlyng Synne, 11922; fuller form *parlesy*, Prick of Conscience, ed. Morris, 2996. —F. *paralyse*, 'the palsie;' Cot. —L. *paralysin*, acc. of *paralysis*; see **Paralysis**. Der. *palsy*, verb; *palsi-ed*, Cor. v. 2. 46.

**PALTER**, to dodge, shift, shuffle, equivocate. (Scand.) See Macb. v. 8. 20; Jul. Cæs. ii. 1. 126. Cotgrave, s. v. *harceler*, has: 'to haggle, hucke, hedge, or *paulter* long in the buying of a commodity.' It also means 'to babble,' as in: 'One whyle his tonge it ran and *paltered* of a cat, Another whyle he stammered styll upon a rat;' Gammer Gurton, ii. 3. Cf. prov. E. *polter*, to work carelessly, to go about aimlessly, to trifle. Prob. of Scand. origin. Cf. Swed. dial. *pallta*, to go about, to hobble about, to toddle; *pallter*, a poor wretch, who goes about aimlessly; from *pala*, to work slowly (Rietz). Perhaps of imitative origin; cf. *falter*.

**PALTRY**, mean, vile, worthless. (Scand.) In Shak. Merry Wives, ii. 1. 164; Marlowe, Edw. II, ii. 6. 57. Jamieson gives *paltrie*, *peltrie*, vile trash; Halliwell has *paltring*, a worthless trifle; Forby explains Norfolk *paltry* by 'rubbish, refuse, trash;' and Brockett gives *palterly* as the North. Eng. form of the adj. *paltry*. It stands for *palter-y* (North. E. *palter-ly*), formed with the adj. suffix *-y* (or *-ly*) from an old pl. *palt-er* (formed like ME. *child-er* = children, *breth-er* = brethren), which is still preserved in Swed. and Danish. This account is verified by the G. forms; see below. The sense of *palter* is 'rags,' and that of *palt-y* is 'ragged,' hence, vile, worthless, or, as a sb., trash or refuse. —Swed. *paltor*, rags, pl. of *palta*, a rag; Ihre gives MSwed. *paltor*, old rags, with a reference to Jerem. xxxviii. 11; Dan. *pjaltter*, rags, pl. of *pjalt*, a rag, tatter; hence the adj. *pjaltet*, ragged, tattered. + Low G. *palte*, *pulte*, a rag, a piece of cloth torn or cut off; whence the adj. *paltrig*, *pultrig*, ragged, torn; Bremen Wörterb. iii. 287; Prov. G. *paltier* (pl. *paltern*), a rag; whence *palterig*, paltry (Flügel). Cf. also MDu. *palt*, a piece, fragment, as, *palt brods*, a piece of bread (Oudemans, Kilian); NFries. *palt*, a rag (Outzen). β. The origin is by no means clear; Ihre connects Swed. *paltor* with MSwed. *palt*, a kind of garment. See Rietz, s. v. *pallt*. Possibly of Slavonic origin; cf. Russ. *polotno*, *platno*, linen; which may be allied to E. *fold* (as of linen); cf. Skt. *pata-*, woven stuff, piece of cloth. Der. *paltri-ly*, *paltri-ness*.

**PALUSTRAL, PALUSTRINE**, of the marshes, marshy. (L.) Coined from L. *paluster*, marshy. —L. *palus*, a marsh, morass.

**PAMPAS**, plains in South America. (Span.—Peruvian.) *Pampas* is the Span. pl. of *pampa*, a plain. From the Peruv. *pampa*, a plain; hence *Moyo-bamba*, *Chuqui-bamba*, places in Peru, with *bamba* for *pampa* (wrongly). Garcilasso, in his Comment. on Peru, bk. vii. c. 4, complains that the Spaniards often mispronounced *pampa* as *bamba*.

**PAMPER**, to feed luxuriously, glut. (Flemish.) In Much Ado, iv. 1. 61. '*Pampired* with ease;' Court of Love, l. 177 (first printed 1561). '*Oure pamperde* paunchys,' Skelton, ed. Dyce, i. 19, l. 25. But the word was known to Chaucer; '*They ne were nat forpampred* with owtrage;' Ætas Prima, l. 5. Wedgwood quotes from Reliquie

Antiquæ, i. 41: 'Thus the devil farith with men and wommen; First, he stirith him to *pappe* and *pampe* her fleisch, desyrynge delicious metis and drynkis.' Not found in AS., and prob. imported from the Netherlands. The form *pamp-er* is precisely the W. Flemish *pamperen*, to pamper (De Bo); a frequentative from *pamp* (as above), meaning to feed luxuriously; and this verb is a causal form from a sb. *pamp*, a nasalised form of *pap*. —Low G. *pampen*, more commonly *slampampen*, to live luxuriously; Brem. Wörterb. iv. 800. —Low G. *pampe*, thick pap, pap made of meal; also called *pampelbry*, i.e. pap-broth; and, in some dialects, *pappe*; id. iii. 287. So also Low G. (Altmark) *pampen*, *pappen*, to cram oneself (Danneil); vulgar G. *pampen*, *pampeln*, to cram, pamper, from *pampe*, pap, thick broth; Bavarian *pampfen*, to stuff, *sich anpampfen*, *vollpampfen*, to cram oneself with pap or broth (Schmeller, i. 392). ¶ The use of the prefix *for-* in Chaucer is almost enough in itself to stamp the word as being of Teutonic origin. Der. *pamper-er*.

**PAMPHLET**, a small book, of a few sheets stitched together. (F.—L.—Gk.) Spelt *pamflet*, Testament of Love, bk. iii. ch. 9. l. 54; ed. 1561, fol. 317 b, col. 1; *pamphlet* in Shak. i Hen. VI, iii. 1. 2. [The mod. F. *pamphlet* is borrowed from English (Littré).] Hoccleve has the form *pamflet* (trisyllabic) in l. 1 of a poem addressed to Richard, duke of York. It is obviously formed, with the F. suffix *-et*, from the name *Pamphil-us*, as in other similar instances. Thus the OF. *Esop-et* meant a book by Æsop, *Avion-et* meant one by Avianus (see note to P. Plowman, B. xii. 257), and *Chaton-et* one by Cato (Godefroy). Similarly, *Pamphil-et* or *Pamfil-et* meant one by *Pamphile*, i.e. Pamphilus. The allusion is to a medieval Latin poem (in 780 lines) of the 12th century referred to by Chaucer in C. T., F 1110. The title is: '*Pamphili Mauriliani Pamphilus*,' there is an edition by Goldastus. See my note on the passage. [There was also a *Pamphila*, a female historian of the first century, who wrote numerous *epitomes*; see Suidas, Aul. Gellius, xv. 17, 23; Diog. Laertius, in life of Pittacus.] The earliest record of the word in England is in the Late L. *panfletus*, a little book; in Richard of Bury, Philobiblon, c. 8 (A. D. 1344). Cf. F. *pamphile*, a name for the knave of clubs (Littré), due to the Gk. name *Pamphilus*; whence *Pam*, in Pope, Rape of the Lock, 349. Der. *pamphlet-eer*, Bp. Hall, Satires, b. ii. sat. 1, l. 30; *pamphlet-eer-ing*.

**PAN**, a broad shallow vessel for domestic use. (E.?) '*Pannes* and pottes;' Sir T. Elyot, The Governour, b. i. c. 1. ME. *panne*, Chaucer, C. T. 7196 (D 1614). AS. *panne*, a pan; '*Patella*, *panne*;' 'isen *panne*' = an iron pan; *fȳr-panne* = a fire-pan; Ælfric's Vocab. Nomina Vasorum, in Voc. 123. 6; 124. 10, 11. And see Ælfred, tr. of Gregory's Pastoral, c. xxi, ed. Sweet, p. 162, last line. [Irish *panna*, W. *pan*, are from E.] Cf. Icel. *panna*, Swed. *panna*, Dan. *pande* (for *panne*), Du. *pan*, G. *pfanne*; also Low Lat. *panna*, β. Perhaps of Teut. origin. If not, it may be a corrupted form of L. *patina*, a shallow bowl, pan, bason. Der. *brain-pan*, with which cf. ME. *panne* in the transferred sense of skull, Chaucer, C. T. 1167 (A 1165); *knee-pan*; *pan-cake*, As You Like It, i. 2. 67, and in Palsgrave; also *panmikin*, from MDu. *panneken*, 'a small panne,' Hexham; with MDu. dimin. suffix *-ken*. Also *pan-tile*, first in 1640 (N. E. D.).

**PAN-**, prefix, all. (Gk.) From Gk. *πᾶν*, neut. of *πᾶς*, all. The stem is *παντ-*.

**PANACEA**, a universal remedy. (L.—Gk.) '*Panacea*, a medicine . . . of much vertue;' Udall, pref. to Luke, fol. 8, back. Oddly spelt *panachæa*, Spenser, F. Q. iii. 5. 32. —L. *panacæa*. —Gk. *πανᾰκεια*, fem. of *πανᾰκειος*, allied to *παναής*, all-healing. —Gk. *πᾶν*, neut. of *πᾶς*, all; and *ακ-*, base of *ἀκέομαι*, I heal, *ἄκος*, a cure, remedy.

**PANCREAS**, a fleshy gland under the stomach, commonly known as the sweet-bread. (L.—Gk.) '*Pancreas*, the sweet-bread;' Phillips, ed. 1706. —L. *pancreas*. —Gk. *πάγκρεας*, the sweet-bread; lit. 'all flesh.' —Gk. *πᾶν*, neut. of *πᾶς*, all; and *κρέας*, flesh, for *\*κρέφ-ας*, allied to Skt. *kravya-m*, raw flesh, L. *crū-dus*, raw. See **Pan-** and **Crude**. Der. *pancreat-ic*, from the stem *παγκρεατ-*.

**PANDECT**, a comprehensive treatise, digest. (F.—L.—Gk.) 'Thus thou, by means which th' ancients never took, A *pandect* mak'st, and universal book;' Donne, Vpon Mr. T. Coryat's Crudities, l. 50. More properly used in the pl. *pandects*, as in Sir T. Elyot, The Governour, bk. i. c. 14. § 10. —MF. *pandectes*, 'pandects, books which contain all matters, or comprehend all the parts of the subject whereof they treat;' Cot. —L. *pandectas*, acc. of pl. *pandectæ*, the title of the collection of Roman laws made by order of Justinian, A. D. 529; see Gibbon, Rom. Empire, ch. 44. The sing. *pandecta* also appears; also *pandectēs*, the true orig. form. —Gk. *πανδέκτης*, all-receiving, comprehensive; whence pl. *πανδέκται*, pandects. —Gk. *πᾶν*, neut. of *πᾶς*, all; and *δεκ-*, base of *δέχομαι*, I receive, contain. See **Pan-**.

**PANDEMONIUM**, the home of all the demons, hell. (Gk.)

In Milton, *P. L.* i. 756. Coined from Gk. *pān*, all; and *δαίμων*, from *daímōn*, a demon; see **Pan-** and **Demon**.

**PANDER, PANDAR**, a pimp, one who ministers to another's passions. (L.—Gk.) Commonly *pander*; yet *pandar* is better. Much *Ado*, v. 2. 31; used as a proper name, *Troil.* i. 1. 98. ME. *Pandare*, shortened form of *Pandarus*; Chaucer uses both forms, *Troil.* i. 610, 618. — L. *Pandarus*, the name of the man 'who procured for Troilus the love and good graces of Chryseis; which imputation, it may be added, depends upon no better authority than the fabulous histories of Dictys Cretensis and Dares Phrygius;' Richardson. In other words, the whole story is an invention of later times. — Gk. *Πάνδαρος*, a personal name. Two men of this name are recorded: (1) a Lycian archer, distinguished in the Trojan army; see Homer (*Il.* ii. 827); (2) a companion of Aeneas; see Smith's Classical Dict. Der. *pander*, vb., Hamlet, iii. 4. 88; *pander-ly*, adj., Merry Wives, iv. 2. 122; *pander-er* (sometimes used, unnecessarily, for the sb. *pander*).

**PANDOURS**, soldiers in a certain Hungarian regiment. (F.—Low L.—Teut.) 'Hussars and *pandours* (1768); Foote, Devil upon Two Sticks, ii. 1.—F. *pandour*; from a Serbo-Croatian form *pāndūr* (earlier *bāndūr*), a constable, catchpole, mounted policeman, watcher of vineyards (N. E. D.). — Low L. *bandērius*, a follower of a banner, watcher of vineyards. — Low L. *bandum*, a banner; of Teut. origin; see **Banner**.

**PANE**, a patch, a plate of glass. (F.—L.) 'A *pane* of glass, or wainscote;' Minshew, ed. 1627. ME. *pane*, applied to a part or portion of a thing; see Prompt. Parv. p. 380, and Way's note. 'Vch *pane* of Jat place had þre zatez' = each portion of that place had three gates; Allit. Poems, ed. Morris, i. 1034 (or 1033). — F. *pan*, 'a pane, piece, or pannell of a wall, of wainscot, of a glasse window, &c.; also, the skirt of a gown, the *pane* of a hose, of a cloak, &c.;' Cot. — L. *pannum*, acc. of *pannus*, a cloth, rag, tatter; hence, a patch, piece. Allied to *pānus*, the thread wound upon a bobbin in a shuttle; and to Gk. *πήνος*, *πήνη*, the woof. Also to Goth. *fana*, and E. *vane*; see **Vane**. Der. *pan-ed*, in the phr. *paned hose*, ornamented breeches, which see in Nares; also *pan-el*, q. v. And see *pan-icle*.

**PANEGYRIC**, a eulogy, encomium. (L.—Gk.) Spelt *panegyricke* in Minshew, ed. 1627. — L. *panēgyricus*, a eulogy; from *panēgyricus*, adj., with the same sense as in Greek. — Gk. *πανηγυρικός*, fit for a full assembly, festive, solemn; hence applied to a festival oration, or panegyric. — Gk. *pān*, neut. of *pās*, all; and *-ηγυρι-*s, related to *ἀγορά*, a gathering, a crowd, *ἀγείρειν*, to assemble. See **Pan-** and **Gregarious**. Der. *panegyric*, adj. (really an older use); *panegyric-al*, *panegyric-al-ly*, *panegyry-ise*, *panegyry-ist*.

**PANEL, PANNEL**, a compartment with a raised border, a board with a surrounding frame. (F.—L.) In Shak. As You Like It, iii. 3. 89. ME. *panel*, in two other senses: (1) a piece of cloth on a horse's back, to serve as a sort of saddle, Cursor Mundi, 14982; (2) a schedule containing the names of those summoned to serve as jurors, P. Plowman, B. iii. 315. The general sense is 'a little piece,' and esp. a square piece, whether of wood, cloth, or parchment, but orig. of cloth only. — OF. *panel*, MF. *paneau*, 'a pannel of wainscot, of a saddle, &c.;' Cot. — Late L. *pannellus*, *panellus*, used in Prompt. Parv. p. 381, as equivalent to ME. *panele*. Dimin. of L. *pannus*, cloth, a piece of cloth, a rag; see **Pane**. Der. *em-panel*, *im-panel*; see **Empanel**.

**PANG**, a violent pain, a throe. (E.) In the Court of Love, l. 1150, we find: 'The *prang* of love so straineth thaim to crye;' altered, in modern editions, to 'The *pange* of love.' In Prompt. Parv. p. 493, we find: 'Throwe, womannys *pronge*, *sekeness*, Erumpna;' i. e. a throe, a woman's pang. So also: 'These *prongys* myn herte asonder thei do rende;' Coventry Myst., p. 287. But the pl. *pangus* is in The Tale of Beryn, 963. The sense is 'a sharp stab, severe prick.' It is clear that the word has lost an *r*; for the etymology, see **Prong**. β. In Skelton, Philip Sparowe, l. 44, the word occurs as a verb: 'What heyness dyd me *pange*;' it is also a sb., id. l. 62. Cf. also: 'For there be in us certayne affectionate *pangues* of nature;' Udall, Luke, c. 4. v. 12. Both sb. and vb. are common in Shakespeare. Cf. MDu. *prange*, 'oppression, or constraint;' Hexham.

**PANGOLIN**, the scaly ant-eater. (Malay.) See C. P. G. Scott and Yule. — Malay *peng-gōling*. Lit. 'the creature that rolls itself up.' From Malay *gōling*, a roller, that which rolls up; with the denominative prefix *pe-*, which becomes *peng-* before *g* (Marsden, Scott).

**PANIC**, extreme fright. (Gk.) When we speak of a *panic*, it is an abbreviation of the phrase 'a panic fear,' given in Blount's Gloss., ed. 1674. Camden has 'a *panicall* feare;' Remaines, chap. on Poems (R.). — Gk. *τὸ Πανικόν*, used with or without *δέμα* (= fear), *Panic fear*, i. e. fear supposed to be inspired by the god Pan. — Gk. *Πανυός*, of or belonging to Pan. — Gk. *Πάν*, a rural god of Arcadia, son of Hermes. Cf. Russ. *pan*, a lord, Lithuan. *ponas*, a lord,

also, the Lord. Cf. Skt. *pā*, to cherish. Der. *panic-struck* or *panic-stricken*.

**PANICLE**, a form of inflorescence in which the cluster is irregularly branched. (L.) Modern and scientific. — L. *pānicula*, a tuft, panicle. Double dimin. form from *pānus*, the thread wound round the bobbin of a shuttle, a swelling; as to which see **Pane**. Der. *panicul-at-ed*, *panicul-ate*.

**PANNAGE**, food of swine in woods; money paid for such food. (F.—L.) Obsolete; see Blount's Nomo-Lexicon, Todd's Johnson, &c. Also spelt *pawmage*, and even *pounage*; see Chaucer, The Former Age, 7. Anglo-F. *panage*, Year-Books of Edw. I, i. 63, ii. 135. — OF. *pasnage*, 'pawmage, mastage, monie . . . for feeding of swine with mast;' Cot. — Late L. *pasnāticum*, short for *pastināticum*, *pastionāticum*, pannage (Ducange). — Late L. *pastiōnāre*, to feed on mast, as swine. — L. *pastiōn-*, stem of *pastio*, a grazing, used in Late L. with the sense of right of pannage. — L. *past-um*, supine of *pascere*, to feed; see **Pastor**.

**PANNEL**, the same as **Panel**, q. v.

**PANNIER**, a bread-basket. (F.—L.) ME. *panier* (with one *n*), Havelok, 760. — F. *panier*, 'a pannier, or dossier;' Cot. — L. *pānārium*, a bread-basket. — L. *pānis*, bread; allied to *pascere* (pt. t. *pā-ū*), to feed. See **Pastor**. Der. see *pantry* and *company*.

**PANNIKIN**, dimin. of **Pan**, q. v.

**PANOPLY**, complete armour. (Gk.) In Milton, *P. L.* vi. 527, 760. 'Than all your fury, and the *panoply*;' Ben Jonson, Magnetic Lady, A. iii. sc. 4. — Gk. *πανοπλία*, the full armour of an *ὀπλίτης*, or heavy-armed soldier. — Gk. *pān*, neut. of *pās*, all; and *ὅπλ-α*, arms, armour, pl. of *ὅπλον*, a tool, implement. β. Gk. *ὀπ-λον* is connected with *ἐπώ*, I am busy about (whence *ἐπομαι*, I follow); Brugmann, ii. § 657. Der. *panopli-ed*.

**PANORAMA**, a picture representing a succession of scenes. (Gk.) Late; added by Todd to Johnson. Invented by R. Barker, A. D. 1788 (Haydn). Coined to mean 'a view all round.' — Gk. *pān*, neut. of *pās*, all; and *ὄραμα*, a view, from *ὄρώ*, I see, from ✓ **WER**, to protect. See **Pan-** and **Wary**. Der. *panoram-ic*.

**PANSY**, heart's-ease, a species of violet. (F.—L.) In Hamlet, iv. 5. 176. ME. *pensees*, pl., Assembly of Ladies, l. 62 (and note). 'Pensy floure, *pensee*;' Palsgrave. — F. *pensée*, 'a thought; . . . also, the flower paunsie;' Cot. Thus, it is the flower of thought or remembrance; cf. *forget-me-not*. The F. *pensée* is the fem. of *pensé*, pp. of *penser*, to think. — L. *pensūre*, to weigh, ponder, consider; frequentative form of *pendere*, to weigh (pp. *pensus*). See **Pensive**.

**PANT**, to breathe hard. (F.—L.—Gk.) In Shak. Tw. Nt. iii. 4. 323. 'To *pant* and quake;' Spenser, F. Q. i. 7. 20. ME. *panten*; Prompt. Parv. p. 381. And see Skelton, Phyllyp Sparowe, l. 132. A hawk was said 'to *pante*' when it was short-winded; Book of St. Alban's, fol. b 6, back. Obviously connected with F. *panteler*, to pant, a new formation from OF. *pantaisier* (below), MF. *pantiser*, 'to breath very fast, to blow thick and short;' Cot. From the same OF. verb was formed MF. *pantois*, 'short-winded, oft-breathing, out of breath;' *pantois*, sb., 'short wind, pursinence, a frequent breathing, or a difficult fetching of wind by the shortness of breath; in hawks, we call it the *pantais*;' Cot. [In Sherwood's index to Cotgrave we find: 'The *pantasse* or *pantois* in hawkes, *le pantais*.'] This use of the term in hawking appears to be old. β. All from AF. *pantoiser*, to pant, Vie de St. Auban, 697; OF. *panteisier*, *pantaisier* (Godefroy), to breathe with difficulty; cognate with Prov. *pantaisa*(r), to dream, to be oppressed, to pant. — Late L. \**phantasiāre*, by-form of *phantasiāri*, to dream, see visions in sleep, imagine (Ducange). — Gk. *φαντασία*, a fancy; see **Fancy**. ¶ So G. Paris, in Romania, vi. 628; Körting, § 7111. Cf. Gascon *pantaia*, to dream, to pant (Mistral); ME. *to panty*, Voc. 564. 7.

**PANTALOOON** (1), a ridiculous character in a pantomime, buffoon. (F.—Ital.—Gk.) In Shak. As You Like It, ii. 7. 158; Tam. of Shrew, iii. 1. 37. — F. *pantaloon*, (1) a name given to the Venetians, (2) a pantaloön; see Littré. — Ital. *pantalone*, a pantaloön, buffoon. 'The *pantalone* is the pantaloön of Ital. comedy, a covetous and amorous old dotard who is made the butt of the piece;' Wedgwood. The name, according to Zambaldi (Vocabulario Etimologico) was applied to the pantaloön as representing the old Venetian merchant; and Mahn (in Webster) says that St. *Pantaleone* was 'the patron saint of [rather, a well-known saint in] Venice, and hence a baptismal name very frequent among the Venetians, and applied to them by the other Italians as a nickname.' Lord Byron speaks of the Venetian name *Pantaleone* as being 'her very by-word;' Childe Harold, c. iv. st. 14. β. St. *Pantaleone's* day is July 27; he was martyred A. D. 303; Chambers, Book of Days, ii. 127. The name is also written *Pantaleon* (as in Chambers), which is perhaps better. It is certainly Gk., and he is said to be known in the Greek church as *Panteleēmōn*; from *παντ-*, for *pās*, all, and *ἐλεήμων*, pitying, merciful. The pres. pt. of *ἐλεῖν*, to pity, would give a by-form *Panteleōn*. ¶ The

etymology advocated by Lord Byron is extraordinary, and indeed ridiculous, viz. Ital. *pianta-leone*=the planter of the lion, i.e. the planter of the standard bearing the lion of St. Mark, supposed to be applied to Venice; see note 9 to c. iv of *Childe Harold*. Der. *pantaloons*.

**PANTALOONS**, a kind of trousers. (F.—Ital.—Gk.) ‘And as the French, we conquered once Now give us laws for *pantaloons* ;’ Butler, *Hudibras*, pt. i. c. 3, l. 923; on which Bell’s note says: ‘The *pantaloons* belongs to the Restoration. It was loose in the upper part, and puffed, and covered the legs, the lower part terminating in stockings. In an inventory of the time of Charles II *pantaloons* are mentioned, and a yard and a half of lutestring allowed for them.’ See also Blount’s Gloss., ed. 1674.—F. *pantalon*, a garment so called because worn by the Venetians, who were themselves called *Pantalon*, i.e. *Pantaloons* (Littré). See **Pantaloons**.

**PANTHEISM**, the doctrine that the universe is God. (Gk.) In Waterland, Works, vol. viii. p. 81 (R.). Todd only gives *pantheist*. Coined from **Pan-** and **Theism**. And see **Pantheon**. Der. so also *pan-theist*, from *pan-* and *theist*; hence *pantheist-ic*, *pantheist-ic-al*.

**PANTHEON**, a temple dedicated to all the gods. (L.—Gk.) ‘One temple of *pantheon*, that is to say, all goddesses ;’ Udall, on the Revelation, c. 16. fol. 311 B; and in Shak. Titus, i. 242.—L. *panthēon*.—Gk. *πάνθειον*, for *πανθείον ἱερόν*, a temple consecrated to all gods.—Gk. *πάνθειον*, neut. of *πάνθειος*, common to all gods.—Gk. *πάν*, neut. of *πᾶς*, all; and *θεός*, divine, from *θεός*, god. See **Pan-** and **Theism**.

**PANTHER**, a fierce carnivorous quadruped. (F.—L.—Gk.—Skt.) ME. *pantere*, King Alisaunder, 6820; *panter*, O. Eng. Miscellany, ed. Morris, p. 23. [Cf. AS. *pandher* (sic); Grein, ii. 361.]—OF. *panthere*, ‘a panther;’ Cot.—L. *panthēra*; also *panthēr*.—Gk. *πάνθηρ*, a panther. Foreign to Gk., and prob. of Skt. origin.—Skt. *panḍarika-s*, explained by Benfey as ‘the elephant of the south-east quarter;’ but also ‘a tiger;’ according to the St. Petersburg Skt. Dict. ¶ A popular etymology from *πάν*, all, and *θηρ*, a beast, gave rise to numerous fables; see Philip de Thaun, *Bestiaire*, l. 224, in Wright’s Pop. Treatises on Science, p. 82.

**PANTLER**, a servant who has charge of the pantry. (F.—L.) In Shak. 2 Hen. IV, ii. 4. 258. ME. *panlere*, Prompt. Parv.; *pantere*, Rob. of Brunne, tr. of Langtoft, p. 33. Altered from OF. *panetier*, ‘a pantler;’ Cot.; prob. by the influence of *but-ler*.—Late L. *panētarius* (*pānitārius*, Prompt. Parv.).—Late L. *panēta*, one who makes bread; see **Pantry**.

**PANTOMIME**, one who expresses his meaning by action; a dumb show. (F.—L.—Gk.) ‘*Pantomime*, an actor of many parts in one play,’ &c.; Blount’s Gloss., ed. 1674; so also in Butler, *Hudibras*, pt. iii. c. 2. 1287. [Such is the proper sense of the word, though now used for the play itself.]—F. *pantomime*, ‘an actor of many parts in one play,’ &c.; Cot.—L. *pantomīmus*.—Gk. *παντομίμος*, all imitating, a pantomimic actor.—Gk. *παντο-*, decl. stem of *πᾶς*, all; and *μίμος*, an imitator, from *μιμέομαι*, I imitate. See **Pan-** and **Mimic**. Der. *pantomim-ic*, *pantomim-ist*.

**PANTRY**, a room for provisions. (F.—L.) ME. *pantrye*, *pantrie*; Prompt. Parv.—OF. *paneterie*, ‘a pantry;’ Cot.—Late L. *panētaria*, *pānitāria*, a place where bread is made (hence, where it is kept); Ducange.—Late L. *panēta*, one who makes bread.—L. *pān-*, base of *pānis*, bread. Cf. Skt. *pā*, to nourish. Der. from the same base, *pann-ier*, *com-pan-y*, *ap-pan-age*.

**PAP** (1), food for infants. (E.) ‘An Englishe infant, whiche liueth with *pappe* ;’ Hall’s Chron. Hen. VI, an. 3. § 6. The ME. *pappe* is only found in the sense of ‘breast;’ we have, however, ‘*papmete* for chylder,’ Prompt. Parv. p. 382. To be considered as an E. word, and perhaps of considerable antiquity, though seldom written down. β. Of imitative origin, due to a repetition of the syllable *pa*. ‘Words formed of the simplest articulations, *ma* and *pa*, are used to designate the objects in which the infant takes the earliest interest, the mother and father, the mother’s breast, the act of taking or sucking food;’ Wedgwood. + Du. *pap*, ‘pap sod with milke or flower;’ Hexham; G. *pappe*, pap, paste. + L. *pāpa*, *pappa*, the word with which infants call for food. Cf. Dan. *pap*, Swed. *papp*, pasteboard; also Span. *papa*, Ital. *pappa*, pap, from L. *pappa*. This is one of those words of expressive origin which are not necessarily affected by Grimm’s law. See **Pap** (2), **Papa**.

**PAP** (2), a teat, breast. (E.) ME. *pappe*, Havelok, 2132; Ormulum, 6441. Probably a native word; see **Pap** (1). Cf. MSwed. *papp*, the breast; which, as Ihre notes, was afterwards changed to *patt*. Still preserved in Swed. *patt*, the breast. So also Dan. *patte*, suck, give *patte*, to give suck. The Swedish dialects retain the old form *pappe*, *papp* (Rietz). So also NFriesic *pap*, *pape*, *papke* (Outzen); Lithuan. *pāpas*, the pap. β. Doubtless ultimately the same word as the preceding; and due to the infant’s cry for food.

**PAPA**, a child’s word for father. (F.—L.) Seldom written down; found in Swift, in Todd’s Johnson (without a reference, but it occurs in his Directions for Servants, 1745, p. 13): ‘where there are little masters and misses in a house, bribe them, that they may not tell tales to *papa* and *mamma*.’ Spelt *pappa* by Steele in The Spectator, no. 479, § 4 (1712). Whilst admitting that the word might easily have been coined from the repetition of the syllable *pa* by infants, and probably was so in the first instance, we have no proof that the word is truly of native origin; the native word from this source took rather the form of *pap*; see **Pap** (1) and **Pap** (2). In the sense of father, we may rather look upon it as merely borrowed. —F. *papa*, *papa*; in Molière, *Malade Imaginaire*, i. 5 (Littré); spelt *pappa* in 1552 (Hatzfeld).—L. *pāpa*, found as a Roman cognomen. Cf. L. *pappas*, a tutor, borrowed from Gk. *πάππας*, *papa*. Nausicaa addresses her father as *πάππα φίλε*=dear *papa*; Homer, Od. vi. 57. See **Pope**.

**PAPAL**, belonging to the pope. (F.—L.—Gk.) ME. *papal*, *papall*, Gower, C. A. i. 257; bk. ii. 2925.—F. *papal*, ‘papall;’ Cot.—Late L. *pāpālis*, belonging to the pope.—L. *pāpa*, a bishop, spiritual father. See **Pope**. Der. *pap-ac-y*, ME. *papacie*, Gower, C. A. i. 256; bk. ii. 2895, from Late L. *pāpatia*, papal dignity, formed from *pāpat-*, stem of *pāpas*, *pappas*, borrowed from Gk. *πάππας*, *papa*, father. Also *pap-ist*, All’s Well, i. 3. 56, from F. *pape*, pope; the word *pap-ism* occurs in Bale’s Apology, p. 83 (R.); *pap-ist-ic*, *pap-ist-ic-al*, *pap-ist-ic-al-ly*.

**PAPAW**, a fruit. (Span.—WIndian.) ‘The fair *papā* ;’ Waller, *Battle of the Summer Islands*, i. 52.—Span. *papaya* (Pineda).—Cuban *papaya* (Oviedo, qu. by Littré); from the Carib *abúbai*, explained by ‘*grosses papaye*’ (sic) in R. Breton, Dict. Caraïbe-François (Auxerre, 1665).

**PAPER**, the substance chiefly used for writing on. (F.—L.—Gk.—Egyptian.) ME. *paper*, Gower, C. A. ii. 8; bk. iv. 198. Chaucer has *paper-white*=as white as paper; Legend of Good Women, 1198.—OF. (and F.) *papier*.—L. *papyrum*, acc. of *papyrus*, paper. See **Papyrus**. Der. *paper-faced*, 2 Hen. IV, v. 4. 12; *paper-mill*, 3 Hen. VI, iv. 7. 41; *paper*, adj., *paper*, vb., *paper-ing*; *paper-hangings*, *paper-hang-er*, *paper-money*, *paper-reed*, Isaiah, xix. 7, *paper-stainer*; and see *paper-maché*.

**PAPIER-MACHÉ**, paper made into pulp, then moulded, dried, and japanned. (F.—L.) First in 1753. F. *papier-mâché*, lit. chewed paper. The F. *papier* is from L. *papyrus*; and *maché* is the pp. of *mâcher*, OF. *mascher*, from L. *masticāre*, to masticate. See **Paper** and **Masticate**.

**PAPILIONACEOUS**, having a winged corolla somewhat like a butterfly. (L.) Botanical; in Glossographia Nova (1719). Used of the bean, pea, &c.—L. *\*papilionāceus*, a coined word from *papiliōn-*, stem of *papilio*, a butterfly. See **Pavilion**.

**PAPILLARY**, belonging to or resembling the nipples or teats. (L.) In 1667; see examples in Todd’s Johnson; Phillips, ed. 1706, gives the sb. *papilla*, a teat or nipple.—L. *papilla*, a small pustule, nipple, teat; dimin. of *papula*, a pustule. Again, *papula* is a dimin. from a base *PAP*, to blow out or swell. Cf. Lithuan. *pāpas*, a teat, *pampti*, to swell, Gk. *πομφός*, a bubble, blister on the skin. See Prellwitz, s. v. *πέμψις*. Der. *papul-ous*, full of pimples; from *papula*.

**PAPYRUS**, the reed whence paper was first made. (L.—Gk.—Egyptian.) In Holland, tr. of Pliny, b. xiii. c. 11 [not 21].—L. *papyrus*.—Gk. *πάπυρος*, an Egyptian kind of rush or flag, of which writing-paper was made by cutting its inner rind (*βύβλος*) into strips, and pressing them together transversely. The word is not Gk., but of Egyptian origin. See **Bible**.

**PAR**, equal value, equality of real and nominal value or of condition. (L.) ‘To be at *par*, to be equal;’ Phillips, ed. 1706.—L. *pār*, equal. Der. *pari-ty*, q. v.; also *pair*, *peer* (1), *ap-par-el*, *compeer*, *disparage*, *disparity*, *non-pareil*, *prial*, *umpire*.

**PARA-**, beside; prefix. (Gk.) A common prefix.—Gk. *παρά-*, beside. Allied to Skt. *parā*, away, from, forth, towards, *param*, beyond, *parē*, thereupon, further, *paratas*, further, &c. Also to E. *far*; see **Far**.

**PARABLE**, a comparison, fable, allegory. (F.—L.—Gk.) ME. *parable*, Chaucer, C. T. 6261 (D 679); Wyclif, Mark, iv. 2.—OF. *parabole*, ‘a parable;’ Cot.—L. *parabola*, Mark, iv. 2.—Gk. *παραβολή*, a comparison; also a parable, Mark, iv. 2.—Gk. *παραβάλλειν*, to throw beside, set beside, compare.—Gk. *παρά*, beside; and *βάλλειν*, to throw, cast. Brugmann, ii. § 713. Doublets, *parle* (old form of *parley*), *parole*, *palaver*; also *parabola*, as a mathematical term, from L. *parabola*, Gk. *παραβολή*, the conic section made by a plane parallel to a side of the cone. Hence *parabol-ic*, *parabol-ic-al*, *parabol-ic-al-ly*. And see *parley*, *parole*, *palaver*.

**PARACHUTE**, an apparatus like an umbrella for breaking the fall from a balloon. (F.—L.) Modern; borrowed from F. *parachute*, coined from *para-*, as in *para-sol*, and *chute*; lit. that which parries

or guards against a fall. *Para-* represents Ital. *para-* (see **PARASOL**, **PARAPOT**), from Ital. *parare*, to adorn, to guard; and *chute*, a fall, is allied to Ital. *caduto*, fallen, from L. *cadere*, to fall.

**PARACLETE**, the Comforter. (L.—Gk.) ‘Braggyng Winchester, the Pope’s *paraclete* in England;’ Bale, Image, pt. iii (R.).—L. *paracletus*.—Gk. *παράκλητος*, called to one’s aid, a helper, the Comforter (John, xiv. 16).—Gk. *παράκαλεῖν*, to call to one’s aid, summon.—Gk. *παρά*, beside; and *καλεῖν*, to call. See **Para-** and **Calendar**.

**PARADE**, show, display. (F.—Span.—L.) In Milton, P. L. iv. 780.—F. *parade*, ‘a boasting appearance, or shew, also, a stop on horseback;’ Cot. The last sense was the earliest in French (Littre).—Span. *parada*, a halt, stop, pause.—Span. *parar*, to stop, halt; a particular restriction of the sense ‘to get ready’ or ‘prepare.’—L. *parare*, to prepare, get ready. β. The sense of ‘display’ in F. was easily communicated to Span. *parada*, because F. *parer* (= Span. *parar*) meant ‘to deck, trimme, adorn, dress,’ as well as ‘to ward or defend a blow’ (which comes near the Spanish use); see Cotgrave. See **Pare**.

**PARADIGM**, an example, model. (F.—L.—Gk.) Philips, ed. 1658, gives *paradigme*, the F. form.—F. *paradigme* (Littre).—L. *paradigma*.—Gk. *παράδειγμα*, a pattern, model; in grammar, an example of declension, &c.—Gk. *παράδεικνυμι*, I exhibit, lit. show by the side of.—Gk. *παρά*, beside; and *δείκνυμι*, I point out. See **Para-** and **Diction**.

**PARADISE**, the garden of Eden, heaven. (F.—L.—Gk.—Pers.) In very early use; in Layamon, l. 24122.—F. *paradis*, ‘paradise;’ Cot.—L. *paradisus*.—Gk. *παράδεισος*, a park, pleasure-ground; an Oriental word in Xenophon, Hell. 4. 1. 15, Cyr. 1. 3. 14, &c., and used in the Septuagint version for the garden of Eden. See Gen. ii. 8 (LXX version); Luke, xxiii. 43 (Gk.). Cf. Heb. *pardēs*, a garden, paradise. β. Of Pers. origin, the Heb. word being merely borrowed, and having no Heb. root.—Zend *pairidaēza*, an enclosure, place walled in.—Zend *pairi* (= Gk. *περί*), around; and *diz* (Skt. *dih*), to mould, form, shape (hence to form a wall of earth); from √DHEIGH; see **Dough**. γ. It appears in other forms; cf. mod. Pers. and Arab. *firdaus*, a garden, paradise, Palmer’s Pers. Dict. col. 451, Rich. Dict. p. 1080; pl. *farādis*, paradises, Rich. Dict. p. 1075. For the Zend form, see Justi. And see Max Müller, Selected Essays, 1881; i. 130. Doublet, *parvis*.

**PARADOX**, that which is contrary to received opinion; strange, but true. (F.—L.—Gk.) In Ben Jonson, Cynthia’s Revels, A. ii. sc. 1 (Amorphus’ second speech). Spelt *paradoxe* in Minsheu, ed. 1627.—F. *paradoxe*, ‘a paradox;’ Cot.—L. *paradoxum*, neut. of *paradoxus*, adj.—Gk. *παράδοξος*, contrary to opinion, strange.—Gk. *παρά*, beside; and *δόξα*, a notion, opinion, from *δοκεῖν*, to seem. See **Para-** and **Dogma**. Der. *paradox-ic-al*, *paradox-ic-al-ly*, Sidney, Apologie for Poetrie, ed. Arber, p. 51, l. 6 from bottom; *paradox-ic-al-ness*.

**PARAFFINE**, a solid substance resembling spermaceti, produced by distillation of coal. (F.—L.) ‘First obtained by Reichenbach in 1830;’ Haydn, Dict. of Dates. It is remarkable for resisting chemical action, having little affinity for other bodies; whence its name.—F. *paraffine*, having small affinity. Coined from L. *par-um*, adv., little; and *affinis*, akin, having affinity. See **Affinity**.

**PARAGOGE**, the addition of a letter at the end of a word. (L.—Gk.) In Glossographia Nova (1719). Examples are common in English; thus in *soun-d*, *ancien-t*, *whils-t*, *tyran-t*, the final letter is paragogic. The word has 4 syllables, the final *e* being sounded.—L. *paragōgē*.—Gk. *παραγωγή*, a leading by or past, alteration, variety.—Gk. *παράγειν*, to lead by or past.—Gk. *παρά*, beside, beyond; and *ἄγειν*, to lead, drive, cognate with L. *agere*. See **Para-** and **Agent**. Der. *paragog-ic*, *paragog-ic-al*.

**PARAGON**, a model of excellence. (F.—Ital.—Gk.) In Shak. Temp. ii. 1. 75; Hamlet, ii. 2. 320.—F. *paragon*, ‘a paragon, or peerlesse one;’ Cot. [MSpan. *paragon*, a model of excellence.]—Ital. *paragone*, ‘a paragon, a match, an equal, a touch-stone,’ Florio; *paragonare*, to compare. The latter answers to Gk. *παράκοναίνω*, to rub against a whetstone (hence, probably, to try by a whetstone, to compare).—Gk. *παρά*, beside; *ἀκόνη*, a whetstone, allied to *αἶς*, a sharp point. (√AK.) See Körting, § 6859; Tobler, in Zt. für roman. Philol. iv. 373. Der. *paragon*, vb., Oth. ii. 1. 62.

**PARAGRAPH**, a distinct portion of a discourse; a short passage of a work. (F.—L.—Gk.) In Minsheu, ed. 1627. But the word was in rather early use, and was corrupted in various ways, into *pargrafte*, *pylcrafte* (by change of *r* to *l*), and finally into *pillerow* or *pyllerow*. ‘*Pylcrafte*, yn a booke, *paragrapheus*,’ Prompt. Parv. p. 398; see Way’s note for further examples. Even the sign ¶, which was used to mark the beginning of a paragraph, was called a *pillerow*; see Tusser’s Husbandry, A Lesson, &c., st. 3.—F. *paragraphe*, ‘a paragraphe, or pillerow;’ Cot.—Late L. *paragaphum*, acc. of *para-*

*graphus*, occurring in the Prompt. Parv., as above.—Gk. *παραγραφος*, a line or stroke drawn in the margin, lit. ‘that which is written beside.’—Gk. *παρά*, beside; and *γράφειν*, to write. See **Para-** and **Graphic**. Der. *paragraphe-ic*, *paragraphe-ic-al*.

**PARAKEET**; the same as **Paraquito**, q. v.

**PARALLAX**, the difference between the real and apparent place of a star, &c. (Gk.) In Milton, P. R. iv. 40; and Ben Jonson has ‘no *parallax* at all,’ i. e. no variation; Magnetic Lady, Act i. But since Milton’s time, the word has acquired special senses; he may have used it for ‘refraction.’—Gk. *παράλλαξις*, alternation, change; also, the inclination of two lines forming an angle, esp. the angle formed by lines from a heavenly body to the earth’s centre and the horizon.—Gk. *παράλλασσειν*, to make things alternate.—Gk. *παρά*, beside; and *ἀλλάσσειν*, to change, alter, from *ἄλλος*, other, cognate with L. *alius*. See **Para-** and **Alien**. See **Parallel**.

**PARALLEL**, side by side, similar. (F.—L.—Gk.) In Shak. Oth. ii. 3. 355.—MF. *parallele*, ‘parallel;’ Cot.—L. *parallelus*.—Gk. *παράλληλος*, parallel, side by side.—Gk. *παρ’* for *παρά*, beside; and *\*ἄλληλος*, one another, only found in the gen., dat., and acc. plural. β. The decl. stem *ἄλλ-ηλο-* stands for *ἄλλ’ ἄλλο-*, a reduplicated form; hence the sense is ‘the other the other,’ or ‘one another,’ i. e. mutual. *\*ἄλλος* is cognate with L. *alius*, other. See **Para-** and **Alien**. Der. *parallel*, sb., Temp. i. 2. 74; *parallel*, vb., Macb. ii. 3. 67; *parallel-ism*; also *parallelo-gram*, q. v., *parallelo-piped*, q. v.

**PARALLELOGRAM**, a four-sided rectilineal figure, whose opposite sides are parallel. (F.—L.—Gk.) In Cotgrave.—OF. *paralelogramme*, ‘a parallelogram, or long square;’ Cot. [He uses only two l’s.]—L. *parallelogrammum*, a parallelogram.—Gk. *παράλληλογραμμον*, a parallelogram; neut. of *παράλληλογραμμος*, adj., bounded by parallel lines.—Gk. *παράλληλο-*, for *παράλληλος*, parallel; and *γραμμή*, a stroke, line, from *γράφειν*, to write. See **Parallel** and **Graphic**.

**PARALLELOPIPED**, a regular solid bounded by six plane parallel surfaces. (L.—Gk.) Sometimes written *parallelopipedon*, which is nearer the Gk. form. In Phillips, ed. 1706. A glaring instance of bad spelling, as it certainly should be *parallelepiped* (with *e*, not *o*).—L. *parallelepipedum*, used by Boethius (Lewis).—Gk. *παράλληλεπίπεδον*, a body with parallel surfaces.—Gk. *παράλληλος*, parallel; and *ἐπίπεδον*, a plane surface. The form *ἐπίπεδον* is neut. of *ἐπίπεδος*, on the ground, flat, level, plane; from *ἐπί*, upon, and *πέδον*, the ground. The Gk. *πέδον* is from the same root as *πούς* (gen. *ποδ-ός*), the foot, and E. *foot*. See **Parallel**, **Epi-**, and **Foot**.

**PARALOGISM**, a conclusion unwarranted by the premises. (F.—L.—Gk.) In Minsheu, ed. 1627.—F. *paralogisme*, cited by Minsheu.—L. *paralogismus*.—Gk. *παρολογισμός*, a false reckoning, false conclusion, fallacy.—Gk. *παρολογίζομαι*, I misreckon, count amiss.—Gk. *παρά*, beside; and *λογίζομαι*, I reckon, from *λόγος*, a discourse, account, reason. See **Para-** and **Logic**.

**PARALYSE**, to render useless, deaden. (F.—L.—Gk.) Modern; added by Todd to Johnson’s Dict. Todd cites: ‘Or has taxation chill’d the aguish land And *paralysed* Britannia’s bounteous hand?’ London Cries, or Pict. of Tumult, 1805, p. 39.—F. *paralyser*, to paralyse; Littre. Formed from the sb. *paralytie*, palsy; see further under **Paralysis**.

**PARALYSIS**, palsy. (L.—Gk.) In Blount, ed. 1656.—L. *paralysis*.—Gk. *παράλυσις*, a loosening aside, a disabling of the nerves, paralysis.—Gk. *παράλυναι*, to loose from the side, loose beside, relax.—Gk. *παρά*, beside; and *λύειν*, to loosen. See **Para-** and **Lose**. Der. *paralytic*, from F. *paralytique* (Cot.), which from L. *paralyticus* < Gk. *παρλυτικός*, afflicted with palsy (Matt. iv. 24). Doublet, *palsy*.

**PARAMATTA**, a fabric like merino, of worsted and cotton. (New S. Wales.) So named from *Paramatta*, a town near Sydney, New South Wales. Also *Parramatta*, on a river of the same name. Said to mean ‘plenty of eels;’ others explain it from *para*, fish, and *matta*, water. See Morris, Austral English.

**PARAMOUNT**, chief, of the highest importance. (F.—L.) In Minsheu, ed. 1627. He also gives *paravail*, the term used in contrast with it. A lord *paramount* is supreme, esp. as compared with his tenant *paravail*, i. e. his inferior. ‘Let him [the pope] no longer count himselfe lord *paramount* over the princes of the world, no longer hold kings as his seruants *parauaile*,’ Hooker, A Discourse of Justification (R.). Neither words are properly adjectives, but adverbial phrases; they correspond respectively to OF. *par amont*, at the top (lit. by that which is upwards), and *par aval* (lit. by that which is downwards). Both are AF. phrases of law; see Blount’s Law Lexicon. The prep. *par*=L. *per*; see **Per-**, prefix. The F. *amont* is explained under **Amount**; and F. *aval* under **Avalanche**. Der. *paramount*, sb., Milton, P. L. ii. 508.

**PARAMOUR**, a lover, one beloved, now usually in a bad sense. (F.—L.) In Chaucer, C. T. 6036 (D 454). But orig. an adverbial phrase, as in: 'For *par amour* I louede hire first or thou;' id. C. T. 1157 (A 1155).—F. *par amour*, by love, with love.—L. *per*, by, with; and *amorem*, acc. of *amor*, love. See **Per-** and **Amour**.

**PARAPET**, a rampart, esp. one breast-high. (F.—Ital.—L.) In Shak. 1 Hen. IV, ii. 3. 55.—F. *parapet*, 'a parapet, or wall breast-high;' Cot.—Ital. *parapetto*, 'a cuirace, a breast-plate, a fence for the breast or hart; also, a parapet or wall breast-high;' Florio. Lit. 'breast-defence.'—Ital. *para-*, for *parare*, 'to adorn, . . . to ward or defende a blow,' Florio; and *petto*, the breast.—L. *parāre*, to prepare, adorn; and *pectus*, the breast. See **Parry** and **Pectoral**.

**PARAPHERNALIA**, ornaments, trappings. (L.—Gk.) Properly used of the property which a bride possesses beyond her dowry. 'In one particular instance the wife may acquire a property in some of her husband's goods; which shall remain to her after his death, and not go to his executors. These are called her *paraphernalia*, which is a term borrowed from the civil law; it is derived from the Greek language, signifying *over and above her dower*;' Blackstone's Commentaries, b. ii. c. 29 (R.). Formed from Late L. *parapherna*, the property of a bride over and above her dower, by adding *-alia*, the neut. pl. form of the common suffix *-ālis*.—Gk. *παράφερνα*, that which a bride brings beyond her dower.—Gk. *παρά*, beyond, beside; and *φέρνῃ*, a dowry, lit. that which is brought by the wife, from *φέρειν*, to bring, cognate with E. *bear*. See **Para-** and **Bear** (1).

**PARAPHRASE**, an explanation or free translation. (F.—L.—Gk.) See Udall's translation of Erasmus' '*Paraphrase* vpon the Newe Testamente,' 2 vols. folio, 1548-9.—MF. *paraphrase*, 'a paraphrase;' Cot.—L. *paraphrasin*, acc. of *paraphrasis*.—Gk. *παράφρασις*, a paraphrase.—Gk. *παράφραζειν*, to speak in addition, amplify, paraphrase.—Gk. *παρά*, beside; and *φράζειν*, to speak. See **Para-** and **Phrase**. Der. *paraphrase*, vb., in Dryden, Cymon, l. 21; *paraphrast*, one who paraphrases, Gk. *παράφραστής*; *paraphrast-ic*, *paraphrast-ic-al*, *paraphrast-ic-al-ly*.

**PARAQUITO**, a little parrot. (Span.—L.—Gk.) In Shak. 1 Hen. IV, ii. 3. 88; pl. *paraquitos*, Ford, Sun's Darling, A. i. sc. 1.—Span. *periquito*, a paroquet, small parrot; dimin. of *perico*, a parrot. β. Prob. the same as *Perico*, a pet-name for 'little Peter;' see Pineda; a dimin. from *Pedro*, Peter. See **Parrot**.

**PARASANG**, a distance of over three miles. (L.—Gk.—Pers.) 'Persian myles cauled *Parasange*;' R. Eden, ed. Arber, p. 342. From L. *parasanga* (Lewis).—Gk. *παρασάγγης*; of Pers. origin. Mod. Pers. *farsang*, *ferseng*, a league (Horn; § 818). See Notes on E. Etym., p. 206.

**PARASITE**, one who frequents another's table, a hanger-on. (F.—L.—Gk.) In Shak. Rich. II, ii. 2. 70.—F. *parasite*, 'a parasite, a trencher-friend, smell-feast;' Cot.—L. *parasitus*.—Gk. *παράσιτος*, eating beside another at his table, a parasite, toad-eater.—Gk. *παρά*, beside; and *σιτος*, wheat, flour, bread, food, of unknown origin. ¶ The invidious use of the word is unoriginal; see Liddell. Der. *parasit-ic*, from Gk. *παρασιτικός*; *parasit-ic-al*.

**PARASOL**, a small umbrella used to keep off the heat of the sun. (F.—Ital.—L.) 'Upon another part of the wall is the like figure of another great man, over whose head one officer holds a *parasol*;' Sir T. Herbert, Travels, ed. 1665, p. 153.—F. *parasol*, 'an umbrello;' Cot.—Ital. *parasole*, an umbrella (Torriano).—Ital. *para-*, for *parare*, to ward off, parry; and *sole*, the sun. See **Parry** and **Solar**. We find also Span. *parasol*, Port. *parasol*. ¶ Of similar formation is F. *para-pluie*, a guard against rain, an umbrella, from *pluie*, rain, L. *pluuiā*.

**PARBOIL**, to boil thoroughly. (F.—L.) It now means 'to boil in part,' or insufficiently, from a notion that it is made up of *part* and *boil*. Formerly, it meant 'to boil thoroughly,' as in Ben Jonson, Every Man, iv. 1. 16 (ed. Wheatley); on which see Wheatley's note. 'To parboyle, *præcoquere*;' Levins. 'My liver's *parboild*,' i. e. burnt up; Webster, White Devil, near the end. ME. *parboilen*; 'Parboylyd, parbullitus; Parboylyn metc, semibullio, parbullio;' Prompt. Parv. Here the use of *semibullio* shows that the word was misunderstood at an early time.—OF. *parboillir*, to cook thoroughly, also to boil gently (Godefroy); Cotgrave has: '*pour-bouillir*, to parboile thoroughly.'—Late L. *parbullire* (as in the Prompt. Parv.); L. *perbullire*, to boil thoroughly. See **Per-** and **Boil** (1). ¶ For a somewhat similar change in sense, see **Purblind**.

**PARCEL**, a small part, share, division, small package. (F.—L.) ME. *parcel*, P. Plowman, B. x. 63; *parcelle*, Rob. of Brunne, tr. of Langtoft, p. 135, l. 13. The old sense is 'portion.'—F. *parcelle*, 'a parcell, particle, piece, little part;' Cot. Cf. Port. *parcela*, an article of an account. Formed from Late L. *particella*, preserved in Ital. *particella*, a small portion, a word given in Florio; a dimin. of the true L. form *particula*; see **Particle**. Der. *parcel*, vb.

**PARCENER**, a co-heir. (F.—L.) A law term; see Blackstone, Comment. II. xi. The old spelling of **Partner**, q. v.

**PARCH**, to scorch. (F.—L.—Gk.?) ME. *parchen*, *paarchen*. '*Paarche* pecyn or benys [=to parch peas or beans], frigo, ustillo;' Prompt. Parv. [Assimilated in form to the ME. *perchen*, to pierce, an occasional form of *percen*, to pierce (F. *percer*); see **Pierce**. 'A knyghte . . . *perchede* the syde of Iesu;' Religious Pieces, ed. Perry (E. E. T. S.), p. 42; see another example in Halliwell, s. v. *perche*; and cf. *perche*, to pierce, Cathol. Anglicum, p. 276. *Persaunt*, lit. piercing, was used as an epithet of sunbeams; Lydgate, Compl. of Black Knight, l. 28, has: 'Til fyry Tytan, with his *persaunt hete*.' The prov. E. *pearch* means 'to pierce with cold;' cf. Milton, P. L. ii. 594.—F. (Norm. dial. and Picard) *percher*, to pierce (Moisy, Corblet); cf. Walloon *percher*, to pierce (Sigart); variant of F. *percer*; see **Pierce**.] β. But the sense of *percher* seems too remote. I suggest that ME. *parchen* really meant 'to dry or harden like parchment,' and was formed from OF. *parche*, a familiar contraction for *parchement*; of which we have sufficient evidence. 'Or est issuz Noe de l'arche, Si con gel truis escrit el *parche*,' then Noah went out of the ark, As I find it written in the parchment; Bartsch, Chrestomathie, 1887, col. 309, l. 15; whence Span. *parche*, the parchment end of a drum, and (probably) Rouchi *parche*, a page of a book (Hécart). In a Vocabulaire du Haut Maine, by C. R. de M. (Paris, 1859), we are told that a pea that is elsewhere called *pois sans parchemin* is there called *pois sans parche*. Compare with this the earliest example of the E. verb in 1398:—'Saresines put peper into an ouen when it is new igadered and *percheth* and rostith it so, and benemeth [take away] the vertu of burginge and of springinge,' i. e. of sprouting.

**PARCHMENT**, the skin of a sheep or goat prepared for writing on. (F.—L.—Gk.) The *t* is excrescent. ME. *perchemin*, *parchemyn*; P. Plowman, B. xiv. 191, 193.—F. *parchemin*, parchment.—L. *pergamēna*, *pergamēna*, parchment; orig. fem. of *Pergamēnus*, adj., belonging to Pergamos. [Parchment was invented by Eumenes, of Pergamus, the founder of the celebrated library at Pergamus, about 190 B.C.; Haydn.]—Gk. *περγαμήνη*, parchment; from the city of Pergamos in Asia, where it was brought into use by Crates of Mallos, when Ptolemy cut off the supply of bibulus from Egypt (Liddell and Scott). Crates flourished about B. C. 160. Either way, the etymology is clear.—Gk. *Πέργαμος*, more commonly *Πέργαμον*, Pergamus, in Mysia of Asia Minor; now called *Bergamo*.

**PARD**, a panther, leopard, spotted wild beast. (L.—Gk.) ME. *pard*, Wyclif, Rev. xiii. 2.—L. *pardus*, a male panther; Rev. xiii. 2 (Vulgate).—Gk. *πάρδος*, a pard; used for a leopard, panther, or ounce. An Eastern word; cf. Pers. *pārs*, *pārsh*, a pard; *pars*, a panther, Rich. Dict. pp. 316, 325; Skt. *prḍāku-*, a leopard. Der. *leo-pard*, *camelo-pard*.

**PARDON**, to forgive. (F.—L.) Common in Shakespeare. Rich. quotes 'nor *pardon*ed a riche man' from the Golden Boke, c. 47. But the verb first appears in 1430, being formed (in English) from the ME. sb. *pardoun*, *pardun*, *pardon*, a common word, occurring in Chaucer, C. T. 12860 (C 926). And see Chaucer's description of the *Pardonere*, l. 689.—F. *pardon*, sb., due to *pardonner*, vb., to pardon.—Late L. *perdonāre*, to remit a debt (used A. D. 819), to grant, indulge, pardon.—L. *per*, thoroughly; and *dōnāre*, to give, from *dōnum*, a gift. See **Per-** and **Donation**. Der. *pardon*, sb. (but see above); *pardon-er*, *pardon-able*, *pardon-abl-y*.

**PARÉ**, to cut or shave off. (F.—L.) ME. *paren*. 'To wey pens with a peys and *pare* the heuyest' = to weigh pence with a weight, and pare down the heaviest; P. Plowman, B. v. 243.—F. *parer*, 'to deck, trimme, . . . also to pare the hoofe of a horse;' Cot.—L. *parāre*, to prepare. Der. *par-ing*. From L. *parāre* we have *compare*, *pre-pare*, *re-pair* (1), *se-par-ate*, *sever*, *em-per-or*, *im-per-ial*, *ap-par-at-us*, *para-chute*, *para-pet*, *para-sol*, *rampart*, &c. And see **Parry**, **Parade**.

**PARÉGORIC**, assuaging pain; a medicine that assuages pain. (L.—Gk.) '*Paregorica*, medicines that comfort, mollify, and assuage;' Phillips, ed. 1706.—L. *parēgoricus*, assuaging; whence neut. pl. *paregorica*.—Gk. *παρηγορικός*, addressing, encouraging, soothing.—Gk. *παρήγορος*, addressing, encouraging; cf. *παρηγορεῖν*, to address, exhort.—Gk. *παρά*, beside; and *ἀγορά*, an assembly. Cf. Gk. *ἀγείπειν*, to assemble; and **Gregarious**.

**PARENT**, a father or mother. (F.—L.) In the Geneva Bible, 1561, Ephes. vi. 1 (R.).—F. *parent*, 'a cousin, kinsman, allie;' Cot.—L. *parentem*, acc. of *parens*, a parent, lit. one who produces, formed from *parere*, to produce, of which the usual pres. part. is *pariens*. Brugmann, i. § 515. Der. *parent-al*, from L. *parentālis*; *parent-al-ly*, *parent-less*; also *parent-age*, in Levins, from F. *parentage*, 'parentage,' Cot.

**PARENTHESIS**, a phrase inserted in another which would appear complete without it. (Gk.) Spelt *parentesis*, T. Heywood, Love's Mistress, Act i (last word). And in Cotgrave, to translate

MF. *parenthese*.—Gk. *παρέθεσις*, a putting in beside, insertion, parenthesis.—Gk. *παρ'*, for *παρά*, beside; *ἐν*, in; and *θέσις*, a placing, from  $\sqrt{\text{DIE}}$ , to place, set. See **Para-**, **In-**, and **Thosis**. Der. *parenthet-ic*, extended from Gk. *παρέθετος*, put in beside, parenthetic; *parenthet-ic-al*, -ly.

**PARERGON**, an incidental or subsidiary work. (L.—Gk.) L. *parergon* (Pliny).—Gk. *πάρεργον*, a by-work, subordinate work; neut. of *πάρεργος*, subordinate.—Gk. *παρ-*, for *παρ-ά*, beside; and *ἐργόν*, a work, cognate with E. *work*.

**PARGET**, to plaister a wall. (F.—L.) Nearly obsolete; once rather common. In Levins, Baret, Palsgrave, &c. ME. *pargeten*. 'Pargetyn walles, Gipso, linio (sic); Parget, or playster for wallys, Gipsum, litura;' Prompt. Parv., and see Way's note. It is frequently spelt *perget*.—OF. *pargeter*, to scatter (Chanson du Roland, 2634); variant of Norm. dial. *projeter*, to re-plaster (cf. *projet*, plaster); see Moisy; also spelt (in OF.) *porgeter*, to roughcast a wall (Godefroy). [Cf. Walloon *porgeti*, to parget (Remacle).]—L. *prōiectūre*, to cast forth.—L. *prō*, forth; and *iactūre*, to cast. See **Pro-** and **Jet** (1). ¶ The form *pargeter* gave rise to a Late L. *periactūre*; cf. 'Perjacio, Anglice, to *perjette*;' Vocab. 602. 7. See my Notes on E. Etym., p. 206.

**PARHELION**, a mock sun, a bright light sometimes seen near the sun. (L.—Gk.) Spelt *parhulium* and *parelium* in Phillips, ed. 1706.—L. *parēlion* (Lewis).—Gk. *παρήλιον*, a parhelion; neut. of *παρήλιος*, adj., beside the sun.—Gk. *παρ'*, for *παρά*, beside; and *ἥλιος*, the sun. See **Para-** and **Heliacal**. ¶ The insertion of *h* is due to the aspirate in *ἥλιος*; it hardly seems to be needed.

**PARIAH**, an outcast. (Tamil.) Spelt *paria* in the story called The Indian Cottage, where it occurs frequently. From 'Tamil *paraiyan*, commonly, but corruptly, *pariah*, Malayālim *parayan*, a man of a low caste, performing the lowest menial services; one of his duties is to beat the village drum (called *parai* in Tamil), whence, no doubt, the generic appellation of the caste;' H. H. Wilson, Glossary of Indian Terms, p. 401.

**PARIAN**, belonging to Paros. (Gk.) *Paros* is an island in the Ægean sea.

**PARIETAL**, forming the sides or walls, esp. applied to two bones in the fore part of the skull. (L.) In Phillips, ed. 1706.—L. *parietālis*, belonging to a wall.—L. *pariet-*, stem of *pariēs*, a wall. Der. *pellitory* (1), q.v.

**PARISH**, a district under one pastor, an ecclesiastical district. (F.—L.—Gk.) Orig. an ecclesiastical division. ME. *parishe*. Chaucer, C. T. 493 (A 491).—AF. *parosse*, Laws of Will. I., i. 1; F. *paroisse*, a parish.—L. *parochia*, late form of *paræcia*, a parish, orig. an ecclesiastical district.—Gk. *παροικία*, an ecclesiastical district, lit. a neighbourhood.—Gk. *παροικος*, neighbouring, living near together.—Gk. *παρ'*, for *παρά*, beside, near; and *οἶκος*, a house, abode, cognate with L. *uīcus*. See **Para-** and **Vicinage**. Der. *parish-ion-er*, formed by adding -er to ME. *parisshen*, P. Plowman, B. xi. 67; this ME. *parisshen* < OF. *paroissien* < Late L. *parochiānus*, with the same sense as (and a mere variant of) L. *parochiālis*; see **Parochial**. Also *paroch-i-al*. ¶ It follows that *parishioner* should rather have been spelt *parishener*; also that the suffix -er was quite unnecessary. Indeed *Paroissien* survives as a proper name; I find it in the Clergy List, 1873.

**PARITORY**, the same as **Pellitory** (1).

**PARITY**, equality, resemblance, analogy. (F.—L.) In Cotgrave.—F. *parité*, 'parity;' Cot.—L. *paritatem*, acc. of *paritās*, equality.—L. *pari-*, decl. stem of *pār*, equal; with suffix -itās. See **Par**.

**PARK**, an enclosed ground. (E.) In early use; ME. *parc*, in Layamon, l. 1432 (later text). *Park* = OF. *parc*, is a F. spelling, and is found in F. as early as in the 12th century; but the word is of E. origin, being a contraction of ME. *parrok*, from AS. *pearruc*, *pearroc*, a word which is now also spelt *paddock*. See further under **Paddock** (2). We find also Irish and Gaelic *paire*, W. *park* and *parug* (the latter preserving the full suffix), all from E.; and Du. *perk*, Swed. and Dan. *park*, G. *pferch* (an enclosure, sheepfold); also F. *parc*, Ital. *parco*, Span. *parque*, all from a Late L. type *parcicus*, *parcus*, an enclosure. β. The AS. *pearruc* and Late L. *parcicus* are from a base \**parr-*, which may be Teutonic, and possibly from an older base \**sparr-*. We actually find ME. *parr-en*, to enclose, confine; Havelok, 2439; Iwain and Gawain, 3228 (ed. Ritson). Also AS. *sparrian*, to shut, fasten, as in *gesparrado dure din*, thy door being shut, Matt. vi. 6 (Lindisfarne MS.). See **Spar**. Der. *park-ed*, 1 Hen. VI., iv. 2. 45; *park-er*, i. e. park-keeper (Levins); *park-keeper*; *im-park*.

**PARLEY**, a conference; treating with an enemy. (F.—L.—Gk.) 1. Shak. has *parley* as a sb., Macb. ii. 3. 87; also as a verb, Hamlet. i. 3. 123. Prob. for *parlee*, as spelt in Eng. Garner, ed. Arber, iii. 375; and in Decker, Seven Deadly Sins, ed. Arber, p. 32.—OF. *parlee*, sb. f. 'tour de parole;' Godefroy.—OF. *parlee*, pp. f. of

F. *parler*, vb., to speak. 2. Shak. also has the vb. *parle*, to speak, Lucrece, l. 100, whence the sb. *parle*, a parley, Hamlet. i. 1. 62. This is also from F. *parler*.—Late L. *parabolūre*, to discourse, talk.—Late L. *parabola*, a talk; L. *parabola*, a parable.—Gk. *παράβολή*, a parable; see **Parable**. Der. *parl-ance*, borrowed from F. *parlance*, formed from F. *parlant*, pres. part. of *parler*; *parl-ia-ment*, q.v., *parl-our*, q.v. And see *parole*, *palaver*.

**PARLIAMENT**, a meeting for consultation, deliberative assembly. (F.—L.—Gk.; with L. suffix.) ME. *parlement*, Havelok, 1006; Rob. of Glouc., p. 169, l. 3519; Chaucer, C. T. 2972 (A 2970). [The spelling *parliament* is due to Late L. *parliamentum*, frequently used in place of *parliamentum*, the better form.]—F. *parlement*, 'a speaking, parleying, also, a supreme court;' Cot. Formed with suffix -ment (= L. -mentum) from F. *parler*, to speak. See **Parley**. ¶ AF. *parlement*, Stat. Realm, i. 26 (1275); Late L. *parliamentum*, Matt. Paris, p. 696 (under the date 1246); Late L. *parliamentum*, Matt. Westminster, p. 352 (1253); see Stubbs, Select Charters, pt. vi. Der. *parliament-ar-y*, *parliament-ar-i-an*.

**PARLOUR**, a room for conversation, a sitting-room. (F.—L.—Gk.) ME. *parlour*, Chaucer, Troil. ii. 82; *parlur*, Ancren Riwle, p. 50, l. 17.—OF. *parleor* (Littre), later *parloir*, 'a parlour;' Cot.—F. *parl-er*, to speak, with suffix -oir (-eor) < L. -atōrium; so that *parloir* answers to a Late L. \**parabolatōrium*, a place to talk in; cf. ME. *dortour*, F. *dortoir* < *dormitōrium*, a place to sleep in. See further under **Parley**.

**PARLOUS**, old form of **Perilous**. (F.—L.) 'A *parlous* fear,' Mids. Nt. Dr. iii. 1. 14. See **Peril**.

**PAROCHIAL**, belonging to a parish. (L.—Gk.) In the Rom. of the Rose, 7687.—L. *parochiālis*.—L. *parochia*, another form of *paræcia*, a parish.—Gk. *παροικία*; see **Parish**.

**PARODY**, the alteration of a poem to another subject, a burlesque imitation. (L.—Gk.) 'Satiric poems, full of *parodies*, that is, of verses patched up from great poets, and turned into another sense than their author intended them;' Dryden, Discourse on Satire [on the Grecian *Silli*]; in Dryden's Poems, ed. 1851, p. 365.—L. *parōdia*.—Gk. *παρωδία*, the same as *παρωδή*, a song sung beside, a parody.—Gk. *παρ'*, for *παρά*, beside; and *ὥδή*, an ode. See **Para-** and **Ode**. Der. *parody*, verb; *parod-ist*.

**PAROLE**, a word, esp. a word of honour, solemn promise; a pass-word. (F.—L.—Gk.) In Blount's Gloss., ed. 1674.—F. *parole*, 'a word, a term, a saying;' Cot. The same word as Prov. *paraula* (Bartsch), Span. *palabra* (< *parabra* < *parabla*, by the frequent interchange of *r* and *l*), Port. *palavra*; all from Late L. *parabola*, a discourse, L. *parabola*, a parable. See further under **Parable**. Doublets, *parable*, *parle* (old form of *parley*), *palaver*.

**PARONYMOUS**, allied in origin; also, having a like sound, but a different origin. (Gk.) Rather a dubious word, as it is used in two senses, (1) allied in origin, as in the case of *man*, *manhood*; and (2) unallied in origin, but like-sounding, as in the case of *hair*, *hare*.—Gk. *παρώνυμος*, formed from a word by a slight change; i. e. in the former sense.—Gk. *παρά*, beside; and *ὄνομα*, a name, cognate with E. *name*. See **Para-** and **Name**. Der. *paronym-as-ia*, a slight change in the meaning of a word (in Dryden's pref. to Annus Mirabilis), from Gk. *παρωνομασία*, better *παρωνομασία*. Also *paronyme*, i. e. a paronymous word, esp. in the second sense.

**PAROXYSM**, a fit of acute pain, a violent action. (F.—L.—Gk.) 'Paroxisme, the accesse or fit of an ague;' Minsheu.—F. *paroxisme*, 'the return, or fit, of an ague;' Cot.—L. *paroxysmus*.—Gk. *παροξυσμός*, irritation, the fit of a disease.—Gk. *παροξύνειν*, to urge on, provoke, irritate.—Gk. *παρ'*, for *παρά*, beside; and *ὀξύς*, to sharpen, provoke, from *ὀξύς*, sharp. See **Para-** and **Oxygen**. Der. *paroxysm-al*.

**PARQUETRY**, a mosaic of wood-work for floors. (F.—Teut.) Modern.—F. *parqueterie*.—F. *parqueter*, to inlay a wooden floor.—F. *parquet*, a wooden floor; orig. a small enclosure; dimin. of F. *parc*, a park; see **Park**.

**PARRAKEET**; the same as **Paraquito**, q.v.

**PARRICIDE**, (1) the murderer of a father; (2) the murder of a father. (F.—L.) 1. The former is the older sense. Both senses occur in Shakespeare, (1) K. Lear, ii. 1. 48; (2) Macb. iii. 1. 32.—F. *parricide*, 'a parricide, a murderer of his own father;' Cot.—L. *parricida*, for an older form *pāricidas* (Brugmann, ii. 190), a murderer of a relative.—L. *pāri-*, a relative (cf. Gk. *πῶς*, a relative; Prellwitz, s. v. *πάποι*); and -*idas*, older form of -*ida*, i. e. a slayer, from *cid-*, a stem of *cæd-ere* (pt. t. *cæcid-i*), to cut, to slay. See **Cæsura**. 2. In the latter sense, it answers to L. *parricidium*, the murder of a father; formed from the same sb. and vb. ¶ There is the same ambiguity about *fratricide* and *matricide*. Der. *parricid-al*.

**PARROT**, a well-known tropical bird, capable of imitating the human voice. (F.—L.—Gk.) In Shak. Merch. Ven. i. 1. 53. Spelt *parat* in Levins, ed. 1570; but *parrot* in Skelton; see his poem called

'Speke, Parrot.' = F. *perrot*, 'a man's proper name, being a diminutive or derivative of Pierre'; Cot. Cf. F. *perroquet*, 'a parrot,' Cot.; also spelt *parroquet*. β. The F. *Perrot* or *Pierrot* is still a name for a sparrow; much as *Philip* was the ME. name for the same bird. The F. *perroquet* was probably an imitation of, rather than directly borrowed from, the Span. *perichito*, which may likewise be explained as a derivative of Span. *perico*, meaning both 'a parrot' and 'little Peter,' dimin. of *Pedro*, Peter. γ. For the mod. Ital. *parrocchetto* we find in Florio the MItal. forms *parochetto*, *parochito*, 'a kind of parrots, called a *parokito*;' which seems to be nothing but the Span. word adapted to Italian. We may refer all the names to L. *Petrus*, Peter. = Gk. *πέτρος*, a stone, rock; as a proper name, Peter.

**PARRY**, a defensive movement, in fencing. (F. — L.) 'Parrying, in fencing, the action of saving a man's self, or staying off the strokes offered by another;' Bailey's Dict., vol. ii. ed. 1731. Older form *parree*, a fencing-bout; 'a *parree* of wit;' R. North, Examen, ed. 1740, p. 589 (Davies). = F. *parée*, used as equivalent to Ital. *parata*, a defence, guard; properly fem. pp. of *parer*, 'to deck, trick, trimme, . . . also to ward or defend a blow;' Cot. = L. *parāre*, to prepare, deck. See **PARE**. Der. *par-a-chute*, q.v., *para-pet*, q.v., *para-sol*, q.v., *ram-part*, q.v.

**PARSE**, to tell the parts of speech. (L.) 'Let the childe, by and by, both construe and *parse* it ouer againe;' Ascham, Schoolmaster, b. i. ed. Arber, p. 26. An old school term; to *parse* is to declare 'quæ pars orationis' = what *part* of speech, a word is. It is merely the L. *pars* used familiarly. See **PART**. Der. *pars-ing*.

**PARSEE**, an adherent of the old Persian religion, in India. (Pers.) Spelt *Persee*, Sir T. Herbert's Travels, ed. 1665, p. 55. = Pers. *pārsī*, a Persian; from *Pārs*, Persia; Palmer's Pers. Dict. col. 106.

**PARSIMONY**, frugality. (F. — L.) Spelt *parsimonie* in Minshew, ed. 1627. = MF. *parsimonie*; Cotgrave. = L. *parsimōnia*, better *parsimōnia*, parsimony. = L. *parci-*, for *parcus*, sparing; with suffix *-mōnia*, formed by joining the Idg. suffixes *-mōn-* and *-yā*. Cf. L. *parcere*, to spare. Perhaps allied to E. *spare*; see **SPARE**. Der. *parsimoni-ous*, -ly, -ness.

**PARSLEY**, a well-known pot-herb. (F. — L. — Gk.) Formerly *persely*, Sir T. Elyot, Castel of Helth, b. iii. c. 5. ME. *percil*, P. Plowman, B. vi. 288; spelt *persely* in one of the MSS., id. A. vii. 273, footnote. = F. *persil*, 'parsley;' Cot. Spelt *peresil* in the 13th cent.; Wright's Vocab. i. 139, col. 2. = Late L. *petrosillum*, at the same reference; contr. from L. *petroselinum*, rock-parsley. = Gk. *πετρο-σέλινον*, rock-parsley. = Gk. *πέτρο-*, for *πέτρος*, a rock; and *σέλινον*, a kind of parsley, whence E. *Celery*.

**PARSNIP**, **PARSNIP**, an edible plant with a carrot-like root. (F. — L.) Formerly *parsnep*; the pl. *parsnepes* occurs in Sir T. Elyot, Castel of Helth, b. ii. c. 9. Palsgrave rightly drops the *r*, and spells it *pasneppe*; also spelt *passenep*, Pistyll of Susan, 107. Corrupted from OF. *pastenague*, 'a parsnip;' Cot. [For the change from *qu* to *p*, compare Lat. *quinque* with Gk. *πέμπε* (five). The *r* is due to the sound of the F. *a*; the *te* was dropped, and the latter *a* was weakened, first to *e*, and then to *i*.] Cotgrave also gives *pastenade* and *pastenaille* with the same sense. = L. *pastināca*, a parsnip. β. *Pastināca* prob. meant 'that which is dug up,' hence a parsnip, also a carrot; the root being the edible part. = L. *pastināre*, to dig up. = L. *pastinum*, a kind of two-pronged dibble for breaking the ground. ¶ The change in the final syllable may have been influenced by the AS. *næp*, L. *nāpus*, a kind of parsnip; cf. the later word *turnep* or *turnip*.

**PARSON**, the incumbent of a parish. (F. — L.) ME. *persone*, Chaucer, C. T. 480 (A 478). In the Ancrén Riwe, p. 316, *persone* means person. It is certain that *parson* and *person* are the same word; for the Late L. *persōna* is constantly used in the sense of 'parson.' See *persōna* in Ducange; it means dignity, rank, a choir-master, curate, parson, body, man, person; and see Selden's Table Talk, s. v. *Parson*. The sense of *parson* may easily have been due to the mere use of the word as a title of dignity; cf. 'Laicus quidam magnæ personæ' = a certain lay-man of great dignity; Ducange. β. The ME. *persone* is from OF. *persone*, 'curé, recteur d'une paroisse, prieur, dignitaire, bénéficiere ecclésiastique;' Godefroy. = L. *persōna* (above). ¶ The quotation from Blackstone is better known than his authority for the statement. He says: 'A *parson*, *persona ecclesiæ*, is one that hath full possession of all the rights of a parochial church. He is called *parson*, *persona*, because by his person the church, which is an invisible body, is represented;' Comment. b. i. c. 11. This is the usual sense in E. civil law, but is hardly required by the etymology. See **PERSON**. Der. *parson-age*, a coined word with F. suffix, Bp. Taylor, vol. iii. ser. 7 (R.).

**PART**, a portion, piece. (F. — L.) ME. *part*, sb., Floris and Blancheflur, ed. Lumby, l. 522; hence *parten*, vb., id. 387. = F. *part*, 'a part;' Cot. = L. *partem*, acc. of *pars*, a part. From the same root as *portion*. Brugmann, i. § 527. Der. *part*, vb., ME. *parten*, as

above; *part-ible*, from L. *partibilis*; *part-ly*, Cor. i. 1. 40; *part-ing*; and see *part-i-al*, *partake*, *parti-cip-ate*, *parti-cip-le*, *parti-cle*, *part-isan*, *part-it-ion*, *part-ner*, *part-y*; also *a-part*, *com-part-ment*, *de-part*, *im-part*, *re-part-ee*, *par-c-el*, *parse*, *port-ion*.

**PARTAKE**, to take part in or of, share. (Hybrid; F. — L., and Scand.) For *part-take*, and orig. used as *part take*, two separate words; indeed, we still use *take part* in much the same sense. 'The breed which we breken, wher it is not [*is it not*] the delynge, or *part takyng*, of the body of the lord?' Wyclif, 1 Cor. x. 16 (earlier version; later version omits *part*). In the Bible of 1551, we find: 'is not the breade whiche we breake, *partakyng* of the body of Christ?' in the same passage. See further in a note by Dr. Chance in N. and Q. 4th Series, viii. 481. Similarly, we find G. *theilnehmen* = *theil nehmen*, to take a part. Indeed, E. *partake* may have been suggested by the corresponding Scandinavian word (viz. Dan. *deeltage*, Swed. *deltaga*, to partake, participate) since *take* is a Scand. word. See **PART** and **TAKE**. Der. *partak-er*, spelt *partetaker* in Coverdale's Bible (1538), Heb. xii. 8; *partak-ing*, spelt *partetakyng*, Palsgrave.

**PARTERRE**, a laid-out garden, a system of plots with walks, &c. (F. — L.) 'Thus . . . was the whole *parterre* environ'd;' Evelyn's Diary, 8 Oct., 1641. = F. *parterre*, 'a floor, even piece of ground, part of a garden which consists of beds, without any tree;' Cot. = F. *par terre*, along the ground. = L. *per terram*, along the ground; see **PER-** and **TERRACE**.

**PARTHENOGENESIS**, reproduction by a virgin. (Gk.) A term in zoology. = Gk. *παρθένο-*, for *παρθένος*, a virgin; and *γένεσις*, birth; see **GENESIS**.

**PARTIAL**, relating to a part only. (F. — L.) Frequently in the sense of taking one part in preference to others, hence, inclined in behalf of. 'That in thine own behalf maist *partiall* seeme;' Spenser, F. Q. vii. 6. 35. = F. *partial*, 'solitary, . . . also partial, unequal, factious;' Cot. = Late L. *partiālis*; formed with suffix *-ālis* from L. *parti-*, decl. stem of *pars*, a part. See **PART**. Der. *partial-ly*; *partial-i-ty*, spelt *parcialité*, Lydgate, Minor Poems, p. 120, from F. *parcialité*, 'partiality,' Cot.

**PARTICIPATE**, to partake, have a share. (L.) In Shak. Tw. Nt. v. 245; properly a pp. or adj., as in Cor. i. 1. 106. = L. *participātus*, pp. of *participāre*, to have a share, give a share. = L. *particip-*, stem of *particeps*, sharing in. = L. *parti-*, decl. stem of *pars*, a part, and *capere*, to take. See **PART** and **CAPACIOUS**. Der. *participat-ion*, ME. *participacioun*, Chaucer, tr. of Boethius, b. iii. pr. 10, l. 110, from F. *participation*, which from L. acc. *participātiōnem*; also *particip-ant*, from the stem of the pres. part.; also *particip-le*, q.v.

**PARTICIPLE**, a part of speech. (F. — L.) So called because partaking of the nature both of an adjectival substantive and a verb. In Ben Jonson, Eng. Grammar, c. 6. ME. *participle*, Wyclif's Bible, Prologue, p. 57, l. 29. The insertion of the *l* is curious, and perhaps due to a misapprehension of the sound of the F. word; as in *principle* and *syllable*. = F. *participe*, 'a participle, in grammar;' Cot. = L. *participium*, a participle. = L. *particip-*, decl. stem of *particeps*, partaking; see **PARTICIPATE**.

**PARTICLE**, a very small portion, atom. (F. — L.) In Shak. Jul. Cæs. ii. 1. 139. An abbreviation for *particule*, due to loss of stress in the last syllable. = F. *particule*, not in Cot., but in use in the 16th cent. (Littré). = L. *particula*, a small part; double dimin. (with suffixes *-cu-* and *-la*) from *parti-*, decl. stem of *pars*, a part. Der. *particul-ar*, ME. *particuler*, Chaucer, C. T. 11434 (F. 1122), from F. *particulier*, which from L. *particulāris*, concerning a part; *particular-ly*; *particular-ise*, from F. *particulariser*, 'to particularize,' Cot.; *particular-i-ty*, from F. *particularité*, 'a particularity,' Cot. Doublet, *parcel*.

**PARTISAN** (1), an adherent of a party. (F. — Ital. — L.) 'These *partizans* of faction often try'd;' Daniel, Civil War, bk. ii. st. 4. = F. *partisan*, 'a partner, partaker;' Cot. = Ital. *partigiano*, formerly also *partegiano*, 'a partner;' Florio. Cf. Ital. *parteggiare*, 'to share, take part with,' Florio; answering to F. *partager*, to take part in. The form *partigiano* answers to a Late L. form *\*partensiānus*, not found; from *part-*, base of *pars*, a part; with suffixes *-ensi-* and *-ānus*. See **PART**, **PARTITION**. Der. *partisan-ship*.

**PARTISAN** (2), **PARTIZAN**, a kind of halberd. (F. — Ital. — L.?) In Hamlet, i. 1. 140. = F. *pertuisane*, 'a partisan, or leading-staffe;' Cot. β. But the spelling *pertuisane* is an accommodated form, to make it appear as if derived from F. *pertuiser*, to pierce (cf. *pertuis*, a hole). = Ital. *partegiana*, 'a partesan, a iuelin,' Florio; cf. Late L. *partesāna* (occurring A.D. 1488); *partisāna* (1493); *partixāna* (1468). Supposed to be closely related to the word above, as if the weapon of a partisan (Körting, § 6882).

**PARTITION**, a separate part, something that separates. (F. — L.) In Shak. meaning (1) division, Mid. Nt. Dr. iii. 2. 210; (2) a party-wall, id. v. 168. Spelt *particionne* in Lydgate, Minor Poems,

p. 170. — *F. partition*, omitted by Cot., but occurring in the 14th cent. (Littre). — *L. partitionem*, acc. of *partitio*, a sharing, partition. — *L. partiri*, to divide. — *L. parti-*, decl. stem of *pars*, a part. See **Part.** Der. *partition*, vb. So also *partit-ive*, from *F. partitif* (Littre), as if from *L. \*partitiuus*, not used; hence *partit-ive-ly*.

**PARTNER**, a sharer, associate. (*F.* — *L.*) A curious corruption, due to the eye, i. e. to the misreading of MSS. and books. In many MSS. *e* and *t* are just alike, and the ME. word which appears as *partener* or *parcener* is really to be read as *parcener*, with *e*, not *t*. The spelling *parcener* occurs as late as in Cotgrave, as will appear; and even in Blackstone's Commentaries, b. ii. c. 12 (*R.*, s. v. *parcel*). For the spelling *partener*, see Wyclif, 1 Cor. ix. 12; for the spelling *parcener*, id. Rev. xviii. 4. — *OF. parcener*, *MF. parsonnier*, 'a partner, or co-partener;' Cot. — Late *L. \*partitionarius*, not found; but we find *partitionarius* sometimes used in the sense of 'common' or 'mutual,' which seems to be a contracted form of it, and is the original of the *F.* form. — *L. partition-*, stem of *partitio*; see **Partition**. Thus *partner* = *partitioner*. Der. *partner-ship*.

**PARTLET**, a gorget or loose collar, a garment for the neck and shoulders, esp. for women. (*F.*) ME. *patelet*, Henryson, Garmond of Gude Ladeis, st. 7. — *OF. patelette*, dimin. of *patte*, a band of stuff (Godefroy); cf. *MF. patellette*, 'the broad piece of leather that runs over-crosse, or through, the top of a head-stall [for a horse];' Cot. Cf. *pate*, 'a plate or band of iron for the strengthening of a thing;' Cot. Of obscure origin; see Notes on Eng. Etym., p. 208. The *r* is unoriginal. Perhaps a dimin. of Late *L. pata*, a kind of 'limbus' or border worn by some ecclesiastics (Ducange). Or for *\*platelette*; cf. *OF. platel*, a flat piece (Godefroy); see **Plateau**.

**PARTRIDGE**, a well-known bird preserved for game. (*F.* — *L.* — *Gk.*) ME. *partriche*, *pertriche*, Richard the Redeles, ed. Skeat, iii. 38. — *ONorm. F. pertrix*, in Moisy, Gloss. Comparatif Anglo-Normand; *F. perdrix*, 'a partridge;' in which the second *r* is intrusive. — *L. perdicem*, acc. of *perdix*. — *Gk. πέδιξ*, a partridge; perhaps named from its cry or its noisy flight, as some connect it with *Gk. πέδομαι*, *Skt. pard* (Prellwitz).

**PARTURIENT**, about to produce young. (*L.*) In Blount's Gloss., ed. 1674. — *L. parturiens*, stem of pres. part. of *parturire*, to be ready to bring forth young. Cf. *partur-us*, fut. part. of *parere*, to produce; see **Parent**. Der. *partur-it-ion* = *F. parturition* (Littre), from *L. acc. parturitionem*, which from *parturire*.

**PARTY**, a company, faction, assembly. (*F.* — *L.*) ME. *partie*, King Alisaunder, 4756; *parti*, *party*, Cursor Mundi, 7470. — *F. partie*, 'a part, share, party, side;' Cot. We also find *F. parti*, 'a match, bargain, party, side;' Cot. The former is the fem. of the latter. — *L. partila*, fem. of *partilus*, pp. of *partiri*, to divide. — *L. parti-*, decl. stem of *pars*, a part. See **Part**. Cf. *Ital. partita*, a share, part; *Span. partida*, a party of soldiers, crew, &c. Der. *party-coloured*, *Merch. Ven. i. 3. 89*; *party-verdict*, *Rich. II. i. 3. 234*.

**PARVENÜ**, an upstart. (*F.* — *L.*) Modern. — *F. parvenu*, lit. one who has arrived at a place, hence, one who has thriven; pp. of *parvenir*, 'to achieve, arrive, thrive;' Cot. — *L. peruenire*, to arrive. — *L. per-*, through; and *uenire*, cognate with *E. come*. See **Per** and **Come**.

**PARVIS**, a porch; also, a room over a church-porch for a school. (*F.* — *L.* — *Gk.* — *Pers.*) See Halliwell, and Prompt. Parv. p. 385. ME. *parvis* (= *parvis*), Chaucer, C. T. 312 (A 310); see note. — *OF. parvis*, 'the porch of a church; also (or more properly), the utter court of a palace or great house;' Cot. A variant of *OF. parevis*, *pareis*, *paraïs* (Low *L. paravisus*), lit. paradise. — *L. paradisus*, paradise; also a church-porch, outer court. It is thus the same word as **Paradise**, q. v. Diez cites Neapolitan *paraviso* as a variant of *Ital. paradiso*. According to Littre, when the old mystery-plays were exhibited in the church-yard, the porch represented paradise. ¶ The *v* was inserted in *OF. pare-is*, to avoid hiatus.

**PASCH**, the Jewish passover; Easter. (*L.* — *Gk.* — *Heb.*) ME. *paske*, P. Plowman, B. xvi. 139; Ormulum, 15850. AS. *pascha*; the gen. *pasches* is in the A. S. Chron. an. 1122. — *L. pascha*. — *Gk. πάσχα*, the passover, John, vi. 4. — *Heb. pesakh*, a passing over, the pass-over; from *Heb. root pásakh*, he passed over. See *Exod. xii. 11, 27*. Der. *pasch-al*, from *F. paschal*, 'paschall,' Cot., from *L. paschalis*; *pasch-flower* or *pasque-flower*. (The *Heb. s* is *samech*.)

**PASH**, to dash, strike hard. (Scand.) 'As he was pashing it against a tree;' Ford, Lover's Melancholy, i. 1. And in Shak. Troil. ii. 3. 213, v. 5. 10. ME. *paschen*, P. Plowman, B. xx. 99. Cf. *Swed. dial. paska*, to dabble in water, *baska*, to beat (Rietz); *Norweg. baska*, to dabble in water, tumble, work hard, fight one's way on, *baksa*, to box (Aasen); *Dan. baske*, to slap, thwack, drub; *baxes*, to box. From *Swed. dial. bas-a*, to beat. Cf. *prov. E. bash*, of which *pash* is a variant. Also *G. patschen*, to strike, to dabble; *Low G. bat*, a stroke, a blow. And see **Basto** (1), **Box** (3).

**PASHA**, **PACHA**, **PASHAW**, **BASHAW**, a prince, lord.

(*Pers.*) Spelt *bashaw* in Evelyn's Diary, Dec. 17, 1684; *basha* in Sir T. Herbert, Travels, ed. 1665, p. 139. — *Pers. bāshā, bādshāh*, 'a governor of a province, counsellor of state, great lord, sometimes the grand vazir;' the same as *pādshāh*, 'an emperor, sovereign, monarch, prince, great lord;' *Rich. Dict. pp. 234, 228, 315*. — *Pers. pād-*, *OPers. pati-*, equivalent to the syllable *-pot* in *des-pot*; and *Pers. shāh*, whence the *E. shah*. See **Padishah**.

**PASQUE-FLOWER**; see under **Pasch**.

**PASQUIN**, **PASQUINADE**, a lampoon, satire. (*F.* — *Ital.*) Formerly also *pasquil*, from *MF. pasquille*, 'a pasquill;' Cot. — *F. pasquin*, 'the name of an image or post in Rome, whereon libels and defamatory rimes are fastened, and fathered; also, a pasquill;' Cot. [Hence *pasquinade*, which see in Littre]. — *Ital. Pasquino*, 'a statue in Rome on whom all libels are fathered;' Florio; whence *pasquinata*, a libel, the original of *F. pasquinade*. 'In the 16th century, at the stall of a cobbler named *Pasquin* [*Pasquino*], at Rome, a number of idle persons used to assemble to listen to his pleasant sallies, and to relate little anecdotes in their turn, and indulge themselves in raillery at the expense of the passers-by. After the cobbler's death the statue of a gladiator was found near his stall, to which the people gave his name, and on which the wits of the time, secretly at night, affixed their lampoons;' Haydn, Dict. of Dates. 'The statue still stands at the corner of the Palazzo Braschi, near the Piazza Navona;' note in Gloss. to Bacon, Adv. of Learning, ed. Wright.

**PASS**, to walk onward, pace, move on. (*F.* — *L.*) In early use; *Ancren Riwe*, p. 330, l. 20; *Layamon*, 1341 (later text). — *F. passer*, to pass. — Late *L. passūre*, to pass. — *L. passus*, a step, a pace. Diez considers *passūre* to be a frequentative from *pandere*, to stretch; but it makes little ultimate difference, since *passus* is itself derived from the same verb, and meant, originally, 'a stretch,' hence the difference of space between the feet in walking. Either way, we are led to *L. passus*, pp. of *pandere*, to stretch. See **Pace**. Der. *pass*, sb., *Hamlet*, ii. 2. 77; *pass-book*, *pass-key*, *pass-word*; *pass-able*, *Cor. v. 2. 13*; *pass-able-y*, *pass-able-ness*; *pass-age*, q. v.; *pass-er*, *passer-by*; *pass-ing*, *Two Gent. i. 2. 17*; *pass-ing*, adv., *L. L. L. iv. 3. 103*; *passing-bell*, *Shak. Venus*, 702; *pass-over*, *Exod. xii. 11, 27*; *pass-port*, q. v.; *past*; *pastime*, q. v.

**PASSAGE**, a journey, course. (*F.* — *L.*) ME. *passage*, King Horn, ed. Lumby, 1323. — *F. passage*, 'a passage;' Cot. — Late *L. passaticum*, a right of passage, occurring A. D. 1095; Ducange. [Cf. *Ital. passaggio*, *Span. pasage*.] — Late *L. passūre*, to pass; see **Pass**. Der. *passeng-er*, in which the *n* is merely excrement before the following *g*, the old spelling being *passager*, as in North's Plutarch, ed. 1631, p. 24 (Life of Romulus), where we read that some 'hold a false opinion, that the vulturs are *passagers*, and come into these parts out of strange countries.' See *F. passager* in Cotgrave.

**PASSERINE**, relating to sparrows. (*L.*) Scientific. — *L. passerinus*, adj., formed from *passeri-*, decl. stem of *passer*, a sparrow.

**PASSION**, suffering, strong agitation of mind, rage. (*F.* — *L.*) In early use. ME. *passion*; spelt *passiun*, O. Eng. Homilies, ed. Morris, i. 119, l. 6 from bottom. — *F. passion*, 'passion, perturbation;' Cot. — *L. passionem*, acc. of *passio*, suffering, &c.; cf. *passus*, pp. of *pāti*, to suffer; see **Patient**. Der. *passion-flower*, *passion-less*, *passion-week*; *passion-ate*, *Mids. Nt. Dr. iii. 2. 220*, from Late *L. passionātus*, occurring A. D. 1409 (Ducange), with which cf. *F. passioné* (Cot.); *passion-ate-ly*, *passion-ate-ness*; *com-passion*. Also *passible*, *F. passible*, from *L. passibilis*, capable of suffering; from *passi-*, for *passus*, with suffix *-bilis*; hence *passibili-ty*. And see **Passive**.

**PASSIVE**, enduring, unresisting. (*F.* — *L.*) In Shak. Timon, iv. 3. 254. — *F. passif*, 'passive, suffering;' Cot. — *L. passivus*, suffering. — *L. passus*, pp. of *pāti*, to suffer. See **Passion**. Der. *passive-ly*, *-ness*; *passiv-i-ty*, a coined word, in Bp. Taylor, vol. iii. ser. 10 (*R.*).

**PASSPORT**, a permission to travel. (*F.* — *L.*) 'A travelling warrant is call'd *Passport*, whereas the original is *paspe per tout*;' Howell, Familiar Letters, b. iv. let. 19. 'They gave us our *paspe-port*;' Hakluyt's Voyages, ed. 1598, vol. i. p. 71. Spelt *passeperte*, Gascoigne, Fruits of War, st. 116. [Howell's remark is wrong; a *passport* and a *paspe-partout* are different things; one is 'leave to quit a port,' the other is 'permission to travel everywhere;' he probably means that the former word came to signify much the same as the latter. Dryden has: 'with this *paspe par tout* I will instantly conduct her to my own chamber;' Kind Keeper, Act v. sc. 1.] — *F. passeport*, 'a passe, or passe-port, or safe conduct;' Cot. — *F. passer*, to pass; and *port*, a port, a seaport, from *L. acc. portum*, a port. See **Pass** and **Port** (2).

**PASTE**, dough prepared for pies, flour and water, &c. (*F.* — *L.* — *Gk.*) 'Paste for to make;' P. Plowman, B. xiii. 250. — *OF. paste*, 'paste, or dough;' Cot. Mod. *F. pâte*; *Span. and Ital. pasta*. — Late *L. pasta*, paste, used by Marcellus Empiricus, about A. D. 400 (Lewis). — *Gk. παστή*, a mess of food; strictly a fem. form from *πάσσειν*, besprinkled, salted, adj., formed from *πάσσειν*, to strew,

sprinkle, esp. to sprinkle salt. Thus the orig. sense was 'a salted mess of food.' **Der.** *paste-board*; *past-y*, ME. *pastee*, Chaucer, C. T. 4344 (A 4346), from OF. *pasté* (mod. F. *pâté*), 'a pie, or pastie,' Cot.; *past-r-y*, used in Shak. in the sense of a room in which pasties were made, Romeo, iv. 4. 2 (cf. 'Pastrye, *pistorium*,' Levins), and formed accordingly on the model of *pant-r-y* and *butt-er-y* (i.e. *bottl-er-y*), but now applied to articles made of paste; *pastry-cook*; *past-y* (as applied to oyster-patties), from mod. F. *pâté*.

**PASTEL**, a roll of coloured paste used like a crayon, a coloured crayon. (F.—Ital.—L.) An artist's term.—F. *pastel*, 'a pastel, crayon;' Hamilton.—Ital. *pastello*, 'a little bit of paste;' Barettil. Also 'a pastil;' Meadows. The pastel was named from being shaped like a roll of bread.—L. *pastillum*, acc. of *pastillus*, a little loaf or roll. Dimin. of *pastus*, food.—L. *pastus*, pp. of *pascere*, to feed. See **PASTOR**. Sometimes written *pastil*, very like *pastille*. However, *pastel* and *pastille* are doublets: and neither is at all related to *pasty* or *paste*, which are from Gk. Doublet, *pastille*.

**PASTER**, the part of a horse's foot from the fetlock to the hoof. (F.—L.) Spelt *pasterne* in Levins, ed. 1570. Palsgrave has: '*Pastron* of an horse, *pasturon*.'—MF. *pasturon*, 'the pastern of a horse;' Cot. Mod. F. *pâturon*. So called because when a horse was turned out to pasture, he was tethered to a peg by a cord passing round the *pastern*; the tether itself was called *pasture* in Old French. 'Le suppliant frappa icellui Godart deux ou trois coups par le costé d'un es cordes appelées *pastures*'=the petitioner beat this Godart twice or thrice on the side with cords called *pastures*; in a passage dated A.D. 1460, in Ducange, s.v. *pasturâle*, and cited by Littré.—OF. *pasture*, 'pasture, grasse, fodder;' Cot. See further under **PASTURE**. Thus OF. *pasturon* was formed from *pasture*, a tether, by adding the suffix *-on*, which gave various meanings to the sb.; see Brachet, *Introd.* § 231. So also Ital. *pasturale*, the pastern, from *pastura*, a pasture. Hence we may explain a passage in Beaum. and Fletcher, *The Chances*, i. 8. 16, viz. 'She had better have worn *pasterns*.' It means tethers, or clogs tied to her foot; i.e. she had better have been tethered up. Indeed Kersey, ed. 1715, gives: '*Pastern*, the hollow of a beast's heel, the foot of a horse, that part under the fetlock to the hoof; also, a *shackle for a horse*.' It is remarkable that this sense should have been retained in English, though unnoticed in Cotgrave's F. Dict.

**PASTILLE**, a small cone made of aromatic substances, to be burnt to purify the air of a room. (F.—L.) Modern. Borrowed from F. *pastille*. Cot. gives: '*Pastilles*, little lumps or loaves of wood, &c.'—L. *pastillum*, acc. of *pastillus*, a little loaf or roll. Dimin. from *pastus*, food. Also spelt *pastil*; cf. Walloon *pastil*, a pastille (Remacle). See **PASTEL**, which is a doublet.

**PASTIME**, amusement. (Hybrid: F.—L.; and E.) In Shak. Temp. v. 38. For *pass-time*. Spelt *passe-tyme* in Sir T. Elyot, *The Governor*, b. i. c. 22. It is a sort of half translation of F. *passe-temps*, 'pastime;' Cot. We also find, in old authors, the form *pastance* or *pastans*, which is the F. *passe-temps* Anglicised. Gawain Douglas has *pastans*, Prol. to *Æneid*, bk. xii. l. 212.

**PASTOR**, a shepherd. (L.) In Hamlet, i. 3. 47; spelt *pastour* in Skelton, ed. Dyce, i. 203, l. 23.—L. *pastor*, a shepherd, lit. feeder; cf. *past-us*, pp. of *pascere*, to feed, an inceptive verb, pt. t. *pā-ū*.—✓PĀ to feed; whence also E. *food*; see **FOOD**. **Der.** *pastor-al*, in Sir P. Sidney, *Apology for Poetrie*, ed. Arber, p. 43, l. 16, from F. *pastoral*, 'pastorall, shepherdly,' Cot., from L. *pastor-ālis*; *pastor-ship*; *pasture*, *Cursor Mundi*, 18445, from OF. *pasture* (mod. F. *pâturer*), 'pasture' (Cot.), which from L. *pastūra*, a feeding, like *pastūrus*, fut. part. of *pasci*, to browse, from *pascere*, to feed; *pastur-able*, from OF. *pasturable*, 'pasturable,' Cot.; *pastur-age*, from OF. *pasturage* (mod. F. *pâturage*), 'pasturage,' Cot. And see *pastern*, *pabulum*.

**PASTY**, a patty, a pie; see **PASTE**.

**PAT** (1), to strike lightly, tap. (E.) 'It is childrens sport, to prove whether they can rubbe upon their brest with one hand, and *pat* upon their fore-head with another;' Lord Bacon, *Nat. Hist.* § 63. ME. *pat*, sb. 'And gafe his sone soche a *patte*;' Sir Eglamour, 1241 (in Thornton Romances). Of imitative origin; like *tap*. Not in AS.; but a parallel formation to AS. *plattan*, to strike. 'Hi *plætton* hyne'=they smote him with their hands, John, xix. 3. So also Swed. dial. *pjätta*, to pat, to strike lightly and often (Rietz), allied to Swed. *plätta*, to tap, *plätt*, a tap, pat; MDu. *pletten*, to beat (Kilian). Cf. MF. (Gascon) *patact*, 'a tack, clack, knock, flap;' Cot.; Prov. *pata*, to beat, to pat, to tap, allied to *pato*, an animal's paw. Also Bavarian *patzen*, to pat, *patzen*, a pat on the hand; Schmeller; see **PATROL**. And see **PATCH** (1). Körting, § 6917. **Der.** *pat*, sb.; *pat-er*.

**PAT** (2), a small lump of butter. (E.) Cf. Irish *pait*, a hump, *paitiog*, a small lump of butter; Gael. *pait*, a hump, *paiteach*, humpy, *paitéag*, a small lump of butter; all from E. *fat*. Thus the orig.

sense is 'lump.' Prob. from the vb. *pat*, above; as being patted into shape; as *dab*, a small lump, is from *dab*, verb. Cf. prov. F. (Berry) *pater*, to stick to the shoes, said of mud.

**PAT** (3), quite to the purpose. (E.) Orig. an adv., as in '*Pat* he comes,' K. Lear, i. 2. 146; 'it will fall [happen] *pat*,' Mids. Nt. Dr. v. 188; 'now might I do it *pat*,' Hamlet, iii. 3. 73. This can hardly be other than the same word as *pat*, a tap; see **PAT** (1); cf. *dab*, an adept, from *dab*, verb, and the phrase to *hit pat*, to hit with a flat blow; see exx. in N. E. D. **β**. But the sense may have been affected by Du. *pas*, *pat*, fit, convenient, in time, which is used in exactly the same way as E. *pat*; cf. *komt het te pas*, 'if it comes convenient,' i.e. *pat*, *te pas dienen*, 'to serve just at the time;' Hexham. So also G. *pass*, *pat*, fit, suitable; *zu passe*, apropos; *passen*, to fit, suit, to be just right. These are not true Teutonic words, but borrowed from F.; cf. '*se passer*, whence *il se passe à peu de chose*, he is contented, he maketh shift, he doth well enough;' Cot.

**PATCH** (1), a piece sewn on a garment, a plot of ground. (E.?) ME. *pacche*, *patche*, Wyclif, Mark, ii. 21; Prompt. Parv. p. 377. The letters *tch* really appear as *ech* in old MSS.; the spelling *tch* is of later date, and sometimes due to the editors. The letters *ech* answer to an AS. *ec*, as in ME. *strecchen*, to stretch, from AS. *streccan*. **β**. It seems to be a by-form of *platch*. We find: '*Platch*, a large spot, a patch, or piece of cloth sewed on to a garment to repair it;' Dialect of Banffshire, by W. Gregor; cf. prov. E. *plack*, a plot of ground, E. D. D.; Low G. *plakke*, *plakk* (1), a spot; (2) a piece, both a piece torn away, and a patch put on; (3) a piece of land (cf. E. *patch* of ground); ME. *plekke*, a plot of ground. Hence the verb *plakken*, to patch, fasten. 'Frisch, from Alberi Lexicon, cites: *ich plack*, reconcinno, resarcino; *ich setze einen placken an*, assuo;' Bremen Wörterbuch. The orig. sense of *plakken* was 'to strike;' cf. MDu. *placken*, (1) to strike, (2) to plaster, besmear with lime or chalk, (3) to spot, to stain; *placke*, mod. Du. *plek*, a spot (*een mooi plek grondes*, a fine spot [patch] of ground, Sewel); see Oudemans. **γ**. With a change of *kk* to *tt*, we have Dan. *plette*, to strike, AS. *plattan*, to strike with the hands; and Goth. *plats*, a patch, Mark, ii. 21, where Wyclif has *pacche*. ¶ The AS. *place* means an open space, lit. 'a place.' The phrase 'in the corners of the streets' (Lat. *in angulis platearum*) is glossed by 'huommum ðæra *placena* vel worðum' in the Northumb. version of Matt. vi. 5. Here the AS. *place* is, apparently, merely Englished from L. *platea*; see **PLACE**. It is remarkable that the Norman dialect has *plache* (for *place*) in the sense of 'plot of ground.' **Der.** *patch*, verb, Tw. Nt. i. 5. 52; *patch-work*.

**PATCH** (2), a paltry fellow. (E.) In Shak. Temp. iii. 2. 71, Com. Err. iii. 1. 32, Merch. Ven. ii. 5. 46; &c. 'In these passages, the word is by most commentators interpreted . . . "a domestic fool," supposed to be so called from his parti-coloured dress;' Schmidt. 'Wolsey we find had two fools, both occasionally called *Patch*, though they had other names; see Douce, *Illustrations of Shak.*, i. 258; Nares. 'To *Peche*, the fole, in rewarde, 6s. 8d.;' Excerpta Historica, p. 88 (1492). The supposition that *patch* is a nick-name from the dress is most probably right; if so, the derivation is from *patch* (1); see above. In Mids. Nt. Dr. iii. 2. 9, the word merely means clown, or an ill-dressed mechanic. ¶ It is independent of Ital. *pazzo*, a fool, madman, which is used in a much stronger sense. **Der.** *patch-ock*, a dimin. form (cf. *bull-ock*, *hill-ock*); 'as very *patchockes* [clowns] as the wild Irish,' Spenser, *View of the State of Ireland*, Globe ed. p. 636, col. 2; this is the word spelt *pajock* in Shak. Hamlet, iii. 2. 295.

**PATCHOULI**, the name of a scent. (F.—Dravidian.) F. *patchouli*; of obscure origin. Apparently from E. *patcha-leaf*, i.e. green leaf, imitating the vernacular (Bengali) *pacha-pāt*, where *pāt* is Hind. for 'leaf.' Or from Dravidian words meaning 'green leaf.' Cf. Tamil *pachchai*, green, *ilai*, leaf (Knight); Malayālim *pachchila*, green leaf (Gundert); Canarese *pachcha*, green, *yela*, leaf (Reeve). Wilson gives the Telugu name as *pachchaku*, with the same sense, from Telugu *āku*, a leaf.

**PATE**, the head. (F.—L.) In Spenser, *Shep. Kal.*, June, l. 16. ME. *pate*; 'bi *pate* and by polle,' Polit. Songs, ed. Wright, p. 237, in a song of the time of Edw. II. The etymology may be disguised by the loss of *l*; *pate* may stand for *plate*, i.e. the crown of the head. —MF. *pate*, not recorded in the special sense here required, but Cotgrave gives: '*Pate*, a plate, or band of iron, &c. for the strengthening of a thing;' which suggests the loss of *l*. Cf. G. *platte*, a plate, bald pate, in vulgar language, the head (Flügel); MHG. *plate*, a plate, the shaven crown of the head. **β**. Cf. also Late L. *platta*, the clerical tonsure from ear to ear (Ducange); MDu. *platte krunne*, 'flat-crowned, or ball-pated,' Hexham; *platte*, the shaven crown, Kilian. **γ**. Even in Irish, we find *plata*, a plate; *plait*, the forehead, *plaitin*, a little pate, a skull, the crown of the head (with the usual change of *a* to *ai*); O'Reilly. These words

were prob. borrowed from OF. or ME. We may note a similar change in sense in the word *crown*, meaning (1) the clerical tonsure, (2) the top of the head, esp. if bald. See **PLATO**.

**PATEN**, the plate for the bread in the eucharist. (F.—L.—Gk.) Spelt *patine* in Cotgrave; Shak. has *patines* = plates of metal, *Merch. Ven.* v. 59. ME. *paten*, a paten, Havelok, 187. —OF. *patene*, 'the patine, or cover of a chalice'; Cot.—Late L. *patena*, the paten in the eucharist; L. *patena*, *patina*, a wide shallow bowl, basin. —Gk. *πατήνη*, a kind of flat dish. So named from its flatness; from  $\sqrt{\text{PET}}$ , to spread out, whence Gk. *πεπάννυμι*, I spread out; cf. L. *patēre*, to lie open, spread out, extend; see **Patent**. Brugmann, i. § 120, note. Doublet, *pan* (?).

**PATENT**, lit. open, hence conspicuous, public; gen. as sb., an official document conferring a privilege. (F.—L.) The use as an adj. is less common, but it occurs in Cotgrave. ME. *patente*, sb., a patent, Chaucer, C. T. 12271 (C 337). [The *patent* was so called because *open* to the inspection of all men.] —OF. *patent* (fem. *patente*), 'patent, wide open, discovered'; Cot.—L. *patent-*, stem of pres. part. of *patēre*, to lie open.  $\sqrt{\text{PET}}$ , to spread out; whence also Gk. *πεπάννυμι*, I spread out, unfold, unfurl, and E. *fath-om*. Der. *patent*, vb. (modern); *patent-ee*, where the suffix = F.  $-\epsilon < L. -ātus$ . And see *pace*, *pass*, *paten*, *pan*, *petal*, *fathom*, *ex-pand*, *compass*, *surpass*, *tres-pass*.

**PATERA**, a flat round ornament, in bas-relief. (L.) L. *patera*, a flat saucer. —L. *patēre*, to lie open. Cf. **Paten**.

**PATERNAL**, fatherly. (F.—L.) In Shak. King Lear, i. 1. 115. —F. *paternel*, 'paternal'; Cot.—Late L. *paternalis*, extended from L. *paternus*, paternal, fatherly. Formed with Idg. suffix  $-no-$  from *pater*, a father. Formed with suffix  $-ter$ ; but probably not from  $\sqrt{\text{PĀ}}$ , to guard, feed, cherish; cf. Skt. *pā*, to protect, cherish, and E. *food*. +Gk. *πατήρ*; E. *father*; see **Father**. Der. *paternal-ly*; also *patern-i-ty*, from F. *paternité*, 'paternity, fatherhood'; Cot., from L. acc. *paternitatem*. Also *pater-noster*, Chaucer, C. T. 3485, so called from the first two words, *pater noster*, i.e. Our Father. And see *patri-arch*, *patri-cian*, *patri-mony*, *patri-ot*, *patri-istic*, *patr-on*.

**PATH**, a way, track, road. (E.) ME. *path*, *paþ*, P. Plowman, B. xiv. 300; pl. *paþes*, Havelok, 268. AS. *pað*, *pað*, a path, Grein, ii. 361. +Du. *pad*; G. *pfad*. Der. *path-less*, *path-way*.

**PATHOS**, emotion, deep feeling. (Gk.) In South's Sermons, vol. iv. ser. 1 (R.); and in Phillips, ed. 1706. [But the adj. *pathetical* is in earlier use, occurring in Cotgrave, and is oddly used by Shak. As You Like It, iv. 1. 196, &c.] —Gk. *πάθος*, suffering, deep feeling; from *παθεῖν*, used as 2 aor. infin. of *πάσχειν*, to suffer (as if for  $\ast\alpha\theta\sigma\kappa\epsilon\iota\nu$ ). Allied to *πένθος*, grief; from the weak grade *παθ-* (for  $\pi\alpha\nu\theta$ ). Der. *path-et-ic*, from MF. *pathetique*, 'patheticall, passionate'; Cot., from L. *pathēticus* (Lewis), from Gk. *παθητικός*, extended from *παθῆνός*, subject to suffering; *path-et-ic-al*, *path-et-ic-al-ly*, *path-et-ic-al-ness*. Also *patho-logy*, in Blount's Gloss., ed. 1674, from MF. *pathologie*, 'that part of physick which intreats of the causes, qualities, and differences of diseases'; Cot., from Gk. *παθολογείν*, to treat of diseases; which is from *πάθος*, for *πάθος*, and *λέγειν*, to speak. Hence *patho-log-ic*, Gk. *παθολογικός*, *patholog-ic-al*, *patholog-ist*.

**PATIENT**, bearing pain, enduring, long-suffering. (F.—L.) ME. *patient*, *patient*, Chaucer, C. T. 486 (A 484). —OF. *patient*, 'patient.' —L. *patient-*, stem of pres. part. of *pati*, to suffer. Der. *patient-ly*; *patience*, ME. *pacience*, Ancren Riwle, p. 180, from F. *patience*, L. *patientia*. And see *passion*.

**PATINE**, a round plate; see **Paten**.

**PATOIS**, a vulgar dialect, esp. of French. (F.—L.) In Smollett, France and Italy, let. 21 (Davies). Borrowed from F. *patois*, 'gibridge, clownish language, rusticall speech'; Cot. *Patois* perhaps stands for an older (doubtful) *patrois*; see Godefroy, Diez and Littré. —Late L. *patriensis*, one who is indigenous to a country, a native; so that *patois* is the 'speech of the natives.' —L. *patria*, one's native country. See **Patriot**.

**PATRIARCH**, a chief father. (F.—L.—Gk.) The lit. sense is 'chief father.' ME. *patriarchie*, O. Eng. Homilies, ed. Morris, i. 131, l. 4; *patriarke*, P. Plowman, B. xviii. 138. —OF. *patriarchie*, 'a patriarke'; Cot.—L. *patriarcha*, also *patriarchēs*. —Gk. *πατριάρχης*, the father or chief of a race. —Gk. *πατρι-*, short for *πατριά*, a lineage, race, from *πατρι-*, for *πατήρ*, a father; and *ἄρχειν*, to rule. See **Father** and **Archaeic**. Der. *patriarch-al*, *patriarch-ic*, *patriarch-ate*. ☞ 'The ecclesiastical historian Socrates gives the title of *patriarch* to the chiefs of Christian dioceses about A.D. 440;' Haydn.

**PATRICIAN**, a nobleman in ancient Rome. (L.) In Shak. Cor. i. 1. 16, 68, 75. Formed with suffix  $-an$  ( $< L. -ānus$ ) from L. *patrici-us*, adj. patrician, noble; sb. a patrician, a descendant of the *patrēs*, senators, or heads of families. —L. *patri-*, for *pater*, a father. See **Paternal**.

**PATRIMONY**, an inheritance, heritage. (F.—L.) ME. *patri-*

*mony*, P. Plowman, C. xxlii. 234; spelt *patrimoine*, id. B. xx. 233. —F. *patrimoine*, 'patrimony'; Cot.—L. *patrimonium*, an inheritance. Formed (with suffix  $-mōn-ic-$  = Idg.  $-mōn-yo-$ ) from *patri-* decl. stem of *pater*, a father, cognate with E. *father*. See **Paternal** and **Father**. Der. *patrimonial*.

**PATRIOT**, one who loves his fatherland. (F.—Late L.—Gk.) 'A patriot, or countrey-man'; Minsheu, ed. 1627. —OF. *patriote*, 'a patriot, ones countreyman'; Cot.—Late L. *patriōta*, a native. —Gk. *πατριώτης*, properly, a fellow-countryman. —Gk. *πάτριος*, belonging to one's fathers, hereditary. —Gk. *πατρι-*, for *πατήρ*, a father. Der. *patriot-ic*, Gk. *πατριωτικός*, *patriot-ic-al-ly*, *patriot-ism*; also *com-patriot*, *ex-patriate*, *re-pair* (2). ☞ The peculiar use of *patriot* in its present sense arose in French.

**PATRISTIC**, pertaining to the fathers of the Christian church. (F.—Gk.) From F. *patristique*, which see in Littré. Coined from Gk. *πατρ-*, for *πατήρ*, a father; with suffix  $-ιστικός$ . ☞ Not a well-made word.

**PATROL**, to go the rounds in a camp or garrison; a going of the rounds. (F.—Teut.) It occurs, spelt *patroll*, in Phillips, ed. 1706, both as a sb. and verb. 'And being then upon *patrol*;' Butler, Hudibras, pt. ii. c. 3, l. 801. —MF. *patrouille*, 'a still night-watch in warre'; Cot. Lit. a paddling about, tramping about, from MF. (Picard) *patrouiller*, 'to paddle or pudder in the water'; Cot. The same word (with inserted *r*) as *patouiller*, 'to slabber, to paddle or dable in with the feet'; Cot. β. Formed, as a sort of frequentative verb, from OF. *pate* (mod. F. *patte*), 'the paw, or foot of a beast'; Cot. [Cf. Span. *pata*, a paw, beast's foot; *patallar*, to run through mud; *patrulla*, a patrol, *patrullar*, to patrol; Ital. *pattuglia*, patrol, watch, sentry (showing that the *r* is inserted).] γ. Prob. from a Teutonic base *pat-* appearing in Bavar. *patzen*, to pat; EFries. *patjen*, to splash; G. *patsche*, an instrument for striking the hand, *patsch-fuss*, web-foot of a bird, *patschen*, to strike, dabble, walk awkwardly. See **Pat** (1). The suffix  $-ouiller$  represents L.  $-uculāre$ .

**PATRON**, a protector. (F.—L.) ME. *patron*, Rob. of Glouc. p. 471, l. 9673. —F. *patron*, 'a patron, protector.' —L. *patrōnum*, acc. of *patrōnus*, a protector, lit. one who takes the place of a father. —L. *patr-*, for *pater*, a father, cognate with E. *father*. See **Paternal**. Der. *patron-age*, from MF. *patronage*, 'patronage'; Cot.; *patron-ess*, Cor. v. 5, 1; *patron-ise*. Doublet, *pattern*.

**PATRONYMIC**, derived from the name of a father or ancestor. (F.—L.—Gk.) 'So when the proper name is used to note one's parentage, which kind of nouns the grammarians call *patronymics*;' Ben Jonson, Eng. Grammar, b. ii. c. 3. —MF. *patronymique*, 'derived of the fathers or ancestors names'; Cot.—L. *patronymicus*. —Gk. *πατρωνυμικός*, belonging to the father's name. —Gk. *πατρωνυμία*, a name taken from the father. —Gk. *πατρο-*, for *πατήρ*, a father; and *ὄνομα*, a name, usually spelt *ὄνομα*. The *ω* results from the doubling of the *ο*. The Gk. *πατήρ* is cognate with E. *father*; and Gk. *ὄνομα* is cognate with E. *name*. Der. *patronymic*, sb.

**PATTEN**, a wooden sole supported on an iron ring; a clog. (F.—Teut.) 'Their shoes and *pattens*;' Camden's Remaines, On Apparel (R.). Spelt *paten*, *patin* in Minsheu, ed. 1627; *paten*, Palsgrave. —F. *patin*, 'a patten, or clog; also, the footstall of a pillar'; Cot.—OF. *pate*, *patte*, mod. F. *patte*, 'the paw or foot of a beast, the footstall of a pillar'; Cot. See **Patrol**. Cf. Ital. *pattino*.

**PATTER**, to strike frequently, as hail. (E.) 'Or *pattering* hail comes pouring on the main'; Dryden, tr. of Virgil, Æn. ix. 910. A frequentative of *pat*, with the usual suffix  $-er$ ; the double *t* being put in to keep the vowel short. See **Pat** (1). A dialectal (Lonsdale) variant is *patlle*, to pat gently (Peacock). Cf. Swed. dial. *padra*, to patter as hail does against a window (Rietz). ☞ It is probable that ME. *pateren*, in the sense 'to repeat prayers,' was coined from *pater*, the first word of the *pater-noster*. 'And *patred* in my *pater-noster*;' P. Plowman's Crede, ed. Skeat, l. 6; so also in the Rom. of the Rose, l. 6794. Hence *patter*, to prattle, and *patter*, sb. talk.

**PATTERN**, an example, model to work by. (F.—L.) In many parts, as in Lincolnshire and Cambs., the common people say *patron* for *pattern*; and rightly. 'Patron, a pattern'; Peacock, Manley Words (Lincoln); E. D. S. ME. *patron*; Chaucer, Book Duch. 910. 'Patrone, form to werk by, *patron* or example, *Exemplar*;' Prompt. Parv. 'Patrons of blacke paper'; Eng. Gilds, ed. Toulmin Smith, p. 321. —F. *patron*, 'a patron, protector,' also a pattern, sample; Cot. See **Patron**. Doublet, *patron*.

**PATTY**, a little pie. (F.—L.—Gk.) Mod. F. *pâté*; OF. *pasté*, a pasty. See **Paste**. Doublet, *pasty*. Der. *patty-pan*.

**PAUCITY**, fewness in number. (F.—L.) Spelt *paucitie* in Minsheu, ed. 1627. —F. *paucité*, 'paucity'; Cot.—L. *paucitatem*, acc. of *paucitās*, fewness. —L. *pauci-*, for *paucus*, few; with suffix  $-itas$ . β. Allied to Gk. *παῖος*, small; and to E. *few*; see **Few**.

**PAUNCH**, the belly. (F.—L.) ME. *paunche*, P. Plowman,

B. xiii. 87.—O. North F. *panche*; OF. *pance*, 'the paunch, maw, belly'; Cot.—L. *panticem*, acc. of *panlex*, the paunch.

**PAUPER**, a poor person. (L.) In Phillips, ed. 1706.—L. *pauper*, poor. β. The syllable *pau-* is the same as *pau-* in *paucus*, few, Gk. *παῦρος*; see **Paucity**. The second element in *pau-per* is prob. allied to *parāre*. See **Pare**. Der. *pauper-ise*, *pauper-ism*; and see *poor*, *poverty*.

**PAUSE**, a stop, cessation. (F.—L.—Gk.) In Shak. Hamlet, ii. 2. 509. Earlier, spelt *pause*, in Prompt. Parv.—F. *pause*, 'a pause, a stop'; Cot.—Late L. *pausa*, a pause. Adapted from Gk. *παῦσις*, a pause, stopping, ceasing, end.—Gk. *παύω*, I make to cease; *παύομαι*, I cease. See **Few**. Der. *pause*, vb., Much Ado, iv. 1. 202. Doublet, *pose*, q.v.

**PAVE**, to floor, as with stones. (F.—L.) ME. *pauen* (with *u=v*), Chaucer, C. T. 16094 (G 626).—OF. *pauer*, later *paver*, 'to pave,' Cot.—Late L. *\*pavāre*, for L. *pavire*, to beat, strike, also, to ram, tread down. Der. *pave-ment*, ME. *paviment* (with *u* for *v*, and trisyllabic), Rob. of Glouc. p. 476, l. 9791, *pauement*, Chaucer, C. T. 7686 (D 2104), from F. *pavement* (Cot.), which from L. *pavimentum*, a hard floor, from *pavire*, to ram; also *pav-i-or* (where the *-i-* is an English insertion, as in *law-y-er*, *bow-y-er*, *saw-y-er*, intended to give the word a causal force), from F. *paveur*, 'a paver,' Cot.

**PAVILION**, a tent. (F.—L.) The spelling with *li* is intended to represent the sound of the F. *li*. ME. *pavylon* (with *u=v*), Rob. of Glouc. p. 272, l. 5510.—F. *pavillon*, 'a pavillion, tent'; Cot. So called because spread out like the wings of a butterfly.—L. *pāpiliōnem*, acc. of *pāpilio*, (1) a butterfly, (2) a tent. 'Cubacula aut tentoria, quos etiam papilionēs uocant'; Augustine, cited in Ducange. Der. *pavilion-ed*, Hen. V, i. 2. 129; also *papilion-ac-e-ous*, q.v.

**PAVIN, PAVAN**, a stately Spanish dance. (F.—Span.—L.—Pers.—Tamil.) See exx. in Nares.—F. *pavane*, 'a pavane'; Cot.—Span. *pavana*, 'a daunce called a pavin, playing'; Minsheu. Prob. from a Late L. *\*pavānus*, peacock-like, from the row of stately dancers (Scheler); cf. Span. *pava*, a peahen, *pavo*, a peacock, *pavonear*, to walk with affected dignity.—Late L. *pāvus*, L. *pāvo*, a peacock. See **Peacock**.

**PAVISE**, a large shield. (F.—Ital.) Obsolete. See examples in N. E. D., Halliwell and R. Also spelt *pavese*, *pavish*, *pavesse*, *pauice*, *pauys*. 'That impenetrable pauice,' Sir T. More, Works, p. 1179 c. Spelt *pauys*, Reliquiæ Antiquæ, ii. 22; *paves*, Skelton, ed. Dyce, i. 8, l. 48; *pauys*, Lydgate, Minor Poems, p. 204.—OF. *pavais*, F. *pavois*, 'a great shield,' Cot. Cf. Span. *paves*, MItal. *pavese* (Florio).—Late L. *pavensis*, a large shield, occurring A.D. 1299. Usually said to have been named from the city of *Pavia*, in the N. of Italy. Godefroy has the adj. *pavinois*, *paviois*, *pavois*, *pavais*, 'de Pavie'; *escus pavais*, shields of *Pavia*.

**PAW**, the foot of a beast of prey. (F.—Teut.) ME. *paue*, Sir Isumbras, l. 181, in the Thornton Romances, ed. Halliwell; *poue*, Rich. Cœur de Lion, l. 1082, in Weber's Met. Romances. [Hence W. *pawen*, a paw, claw, Corn. *paw*, a foot (found in the 15th century); Bret. *pad*, *paw*, a paw, being from F.]—AF. *powe*, OF. *poe*, a paw; the same word as Prov. *paula*, Catalan *pota*, a paw. Perhaps from a Teut. source; cf. Low G. *pote*, a paw (Bremen Wörterbuch), the same word as Du. *poet*, G. *pfole*. Perhaps from an imitative root; see **Pat** (1). Or related to *potter*; see *poet* in Franck. Der. *paw*, verb, Job, xxxix. 21.

**PAWL**, a short bar, which acts as a catch to a windlass. (F.—L.) A mechanical term; borrowed from OF. *paul* (Godefroy), variant of *pal*, a stake.—L. *pālum*, acc. of *pālus*, whence also E. *pale*; see **Pale** (1), **Pole**. Cf. W. *paul*, a pole, stake, bar, from E.; Du. *pal*, Swed. *poll*, a pawl; from F. or E. Der. *pawl-windlass* (Halliwell).

**PAWN** (1), a pledge, something given as security for the repayment of money. (F.) Spelt *paune* in Minsheu, ed. 1627; Levins (ed. 1570) has the verb *to paune*.—F. *pan*, 'a pane, piece, or pannel of a wall; also a pawn, or gage, also the skirt of a gown, the pane of a hose, of a cloak, &c.,' Cot. β. But we must distinguish the senses. In the sense of 'pane' or 'skirt,' F. *pan* is of L. origin.—L. *pannum*, acc. of *pannus*, a cloth, rag, piece; see **Pane**. γ. In the sense of 'pawn or gage,' OF. *pan* is rather from Teutonic; from Du. *pand*, a pledge; cf. G. *pfand*, OHG. *phant*, a pledge. δ. Kluge connects G. *pfand* with OF. *paner*, *panner*, to seize upon, which Godefroy connects with OF. *panir*, *pannir*, to seize upon, despoil; which looks like an adaptation of OHG. *\*phant-jan*; cf. MHG. *phanten*, *phenten*, to pledge, also to rob of. I see no reason why all the forms may not be ultimately referred to L. *pannus*, a piece of cloth or of clothing, as being the readiest article to seize upon as a pledge. Der. *pawn*, vb., *pawn-er*, *pawn-broker*.

**PAWN** (2), one of the least valuable pieces in chess. (F.—L.) ME. *paune*, Chaucer, Book of the Duchess, l. 661 (Thynne); but spelt *poune*, *poun* in the Tanner and Fairfax MSS. (Chaucer Soc.)—OF. *paon*, a pawn at chess (Roquefort); spelt *poon* in the 12th cent.

(Littre); but also *peon*, *pehon*, *pedon* (Godefroy); whence also F. *pion*, explained by Cotgrave as 'a pawn at chests.' [Cf. Span. *peon*, a foot-soldier, a pawn, Port. *pião*, one of the lower people, a pawn, Ital. *pedone*, 'a footman' (Florio), *pedona*, 'a pawne at chesse,' id.]—Late L. *pedōnem*, acc. of *pedo*, a foot-soldier; from *ped-*, stem of *pēs*, a foot, cognate with E. **Foot**. ¶ For the form, cf. E. *fawn*, F. *faon*; from Late L. *fēlōnem*. Der. *pion-er*, q.v.

**PAWNEE**, drink; as in *brandy-pawnee*, Thackeray, Newcomes, ch. i. (Hind.—Skt.) Hind. *pānī*, water (also in Bengali, and other dialects); Wilson, Gloss. of Indian Terms, p. 397.—Skt. *pāniya-*, drink (Macdonell), allied to *pāna-*, drinking, beverage (Benfey).—Skt. *pā*, to drink; cf. E. *potation*.

**PAX**, a thin tablet bearing a picture of Christ, kissed by the congregation. (L.) In Shak. Hen. V, iii. 6. 42. 'Paxe to kysse;' Palsgrave.—L. *pax*, peace; with reference to the kiss of peace. See **Peace**. See Hone's Year-book, 321.

**PAXWAX**, the strong tendon in the neck of animals. (E.) Still common provincially; also called *paxywaxy*, *packwax*, *faxwax*, *fixfax*. ME. *paxwax*, Prompt. Parv.; see Way's note. He quotes: 'Le vendon, the fax-wax,' MS. Harl. 219, fol. 150. Again he says: 'Gautier de Bibbesworth [Bibbesworth] says, of a man's body, *Et si ad le wenne* (fex wex) *au col derere*,' i.e. and he has paxwax at the back of his neck. The orig. form is *fax-wax* or *fex-wex*, and it exactly corresponds to the equivalent G. *haarwachs*, lit. 'hair-growth'; presumably because the tendon is situate just where the hair ends. Compounded of ME. *fax*, hair, as in *Fair-fax*=fair-hair; and *wax*, growth.—AS. *feax*, *fex*, hair, Luke, vii. 38; and *weaxan*, to grow; see **Wax** (1). The AS. *feax*, OHG. *fahs*, is related to Gk. *πέειν*, to comb; see **Pectinal**.

**PAY** (1), to discharge a debt. (F.—L.) ME. *païen*, Ancrén Riwle, p. 108, l. 9; Layamon, 2340 (later text). It often has the sense of 'please' or 'content' in old authors. 'Be we *paied* with these thingis'=let us be contented with these things, Wyclif, 1 Tim. vi. 8.—OF. *paier* (also *paer*), later *payer*, 'to pay, satisfie, content'; Cot.—L. *pācare*, to appease, pacify; Late L. *pācare*, to pay (A.D. 1338).—L. *pāc-*, stem of *pax*, peace. See **Peace**. Der. *pay*, sb., ME. *paie*, satisfaction, P. Plowman, B. v. 556; *pay-able*, *pay-er*, *pay-ee* (=F. *payé*, pp.); *pay-master*; *pay-ment*, ME. *païement*, Chaucer, C. T. 5713 (D 131), from OF. *païement*, later *payement*, 'a payment,' Cot.

**PAY** (2), to pitch the seam of a ship. (F.—L.) A nautical term, as noticed by Skinner, ed. 1671; and in the proverb: 'the devil to *pay*, and no pitch hot.' 'To *pay* a rope, een kabel teeren,' lit. to tar a cable; Sewel's Eng.-Du. Dict. 1754.—AF. *\*peier*, answering to O. North F. *peier*, to cover with a plaister (a peculiar use, in Wace; see Godefroy); OF. *poier*, to pitch.—L. *pācare*, to pitch.—L. *pic-*, stem of *pix*, pitch; see **Pitch**. Cf. ME. *peys*, pitch, K. Alisaunder, 1620; from AF. *peis*, OF. *pois*, pitch; from L. acc. *picem*.

**PAYNIM, PAINIM**, a pagan. (F.—L.) 'The *paynim* bold;' Spenser, F. Q. i. 4. 41; cf. Fairfax, tr. of Tasso, xviii. 80. ME. *paynim*. 'The *paynymys* hii ouercome'=they overcame the pagans; Rob. of Glouc. ed. Hearne, p. 401; where the better reading is *paens*, i.e. pagans, as in ed. W. A. Wright, l. 8283. This E. use of the word is due to a singular mistake. A *paynim* is not a man, but a country; it is identical with *paganism*, which was formerly extended to mean the country of pagans, or heathen lands. It is correctly used in King Horn, ed. Lumby, l. 803, where we find 'a geaunt .. fram *paynyme*'=a giant from heathen lands.—AF. *paenime*, heathen lands, Life of Edw. Conf. 336; OF. *païenisme*, spelt *paianisme* in Cotgrave, who explains it by 'paganisme.' [The sense is borrowed from that of OF. *paënie*, *païënie*, the country inhabited by pagans (Burguy).]—Late L. *pāgānismus*, *paganism*; formed with suffix *-ismus* (Gk. *-ισμος*) from L. *pāgān-us*, a pagan. See **Pagan**. ¶ When a writer, wishing to use fine language, talks of a *paynim*, he had better say a *pagan* at once.

**PEA**, a common vegetable. (L.) [We now say *pea*, with pl. *peas*. This is due to mistaking the *s* of the older form for a plural termination; just as when people say *shay* for *chaise*, *Chinee* for *Chinese*, &c. Other words in which the same mistake is made are *cherry* (F. *cerise*), *sherry* (formerly *sherris*).] ME. *pese*, pl. *pesen* and *peses*. 'A *pese-lof*'=a loaf made of peas, P. Plowman, B. vi. 181; pl. *peses*, id. 189; *pesen*, id. 198. A later spelling of the pl. is *peason*; see examples in Nares. Shak. has *peas-cod*=pea-pod, Mids. Nt. Dr. iii. 1. 191; and otherwise only the form *pease*. We also find *pescods* in Lydgate, London Lyckpeny, st. 9. AS. *pise*, pl. *pisan* (Bosworth). Not an E. word, but borrowed from L. *pisa*, later by-form of L. *pisum*, a pea. [The vowel-change from *i* to *ea* occurs again in the case of *pear*, q.v.] +Gk. *πίος*, a pea.—✓PEIS, to grind, pound, whence L. *pinere*, to pound, Skt. *pish*, to grind; with reference to its round shape. Cf. Russ. *pesok'*, sand. Der. *pea-pod*, *peas-cod*.

**PEACE**, quietness, freedom from war. (F.—L.) ME. *pais*, occurring as early as in the A. S. Chron. an. 1135.—OF. *paix*, later *paix*, 'peace'; Cot.—L. *pācem*, acc. of *pax*, peace, orig. a compact made between two contending parties.—L. *pāc-*, seen in *pāc-isci*, to make a bargain; cf. OL. *pāc-ere*, to bind, to come to an agreement; see **Pact**. Der. *peace!*, interj.; *peace-able*, Much Ado, iii. 3. 61; *peace-abl-y*, *peace-able-ness*; *peace-ful*, K. John, ii. 340, *peace-ful-ly*, *peace-ful-ness*, *peace-maker*, As You Like It, v. 4. 108; *peace-offering*, *peace-officer*. Also *ap-peace*, pay (1), *paci-fy*.

**PEACH** (1), a delicious fruit. (F.—L.—Pers.) 'Of Peaches'; Sir T. Elyot, Castel of Helth, b. ii. c. 7. ME. *peche*, *peshe*, Prompt. Parv. p. 395; where it is also spelt *peske*, a form due to Late L. *pesca*.—OF. *pesche*, 'a peach'; Cot. [Cf. Port. *pêcego*, Ital. *persica*, shorter form *pesca*, a peach].—L. *Persicum*, a peach, Pliny, xv. 11. 12; so called because growing on the *Persicus* or peach-tree; where *Persicus* stands for *Persica arbor*, the Persian tree.—Pers. *Pārs*, Persia. See **Parsee**. Der. *peach-coloured*, *peach-tree*.

**PEACH** (2), to inform against. (F.—L.) From ME. *apechen*, by loss of *a*; and *apechen* is a variant of *impechen*, to impeach, with *a-* (<L. *ad*) for *im-* (<L. *in*); see **Impeach**.

**PEACOCK**, a large gallinaceous bird with splendid plumage. (Hybrid; L.—Gk.—Pers.—Tamil; and E.) ME. *pecok*, but also *pacok* and *pocok*. In P. Plowman, B. xii. 241, where the text has *pekok*, two other MSS. have *pokok*, *pacok*. In Chaucer, C. T. 104, the MSS. have *pekok*, *pokok*. We also find *po* used alone, Polit. Songs, ed. Wright, p. 159. The form *pekok* is due to AS. *pēa*, variant of AS. *pāwe*, a peacock, which is not a true E. word, but borrowed from L. *pāno*. 'Pano, Paus, pawe'; Ælfric's Gloss., Nomina Avium, in Voc. 131. 9. Here *pāwe* is the AS. form, whilst *pāno*, *pānus*, are L. forms. From L. *pāno* come also Du. *pauw*, G. *pau*, F. *paon*, &c. β. The L. word is not a native one, but borrowed from Gk. *ταῦς*, *ταῦν*, where the aspirate is a relic of the digamma, from a form *τᾱῦς*. See Liddell and Scott, and Curtius, ii. 101. The curious change from initial *t* to *p* indicates that both words are from a foreign source.—Pers. *tāwus*, *tāus*, Arab. *tāwūs*, a peacock; Rich. Dict., p. 962.—OTamil *tōkei*, *tōgei*, a peacock; Max Müller, Lect. i. 233. γ. The latter element of the word is E. *cock*, a native word of imitative origin. ¶ 'The name is Tamil, *tōkei*; and the peacock is still called by it in Ceylon'; Oxford Helps to the Study of the Bible. Der. *pea-hen*, similarly formed; ME. *pehen*, *pohen*, P. Plowman, B. xii. 240.

**PEA-JACKET**, a coarse thick jacket often worn by seamen. (Hybrid; Du. and F.) Prob. of modern introduction. The latter element is the ordinary word *jacket*. The former element is spelt so as to resemble *pea*, a vegetable, with which it has nothing to do. It is borrowed from Du. *pīj*, *pī'e*, a coat of a coarse woollen stuff; the word *jacket* being a needless explanatory addition. 'Een *pīje*, a *pīe-gowne*, or a rough gowne, as souldiers and seamen weare'; Hexham, 1658. As the Du. *pīj* is pronounced like E. *pīe*, it should rather be called a *pīe-jacket*, as the form *pīe-gowne* suggests. The material of which the jacket is made is called *pīj-laken*, where *laken* is cloth. β. The Du. *pīje* is the same word as Low G. *pīje*, a woollen jacket, called *pīgge*, *pyke* in the Osnabrück dialect (Bremen Wörterbuch). Prob. from F. *pīe*, a magpie; cf. E. *pie*, spotted. The variant *pyke* may be immediately from L. *pīca*. See **Pie** (1). ¶ Cf. ME. *courtepy* (short coat), Chaucer, C. T. 292 (A 290).

**PEAK**, a sharp point, top. (Low G.?) 'Seleucia, which is a great promontory, or *peake*'; Udall, on Acts, xiii. 4. Also *peake* in Palsgrave. Apparently a variant of *pike*, q.v. Cf. dial. of Normandy *pec*, a hob (or mark) in the game of quoits (Godefroy, Moisy); also Low G. *peek*, a pike, a pointed weapon. Allied to **Peck**, q.v., and **Pick**, q.v. Der. *peak-ed*, not quite the same word as ME. *piked* (Prompt. Parv.) though used in the same sense; the ME. form answers rather to mod. E. *pike*, sb., with the suffix *-ed* added. Also (probably) *peak*, verb, to become thin, dwindle, Macb. i. 3. 23. Cf. *peeked*, thin, Dorsetshire (Halliwell).

**PEAL**, a loud sound, summons, chime of bells, sound of a trumpet. (F.—L.) 'A *peale* of gunnes, &c.'; Levins. 'Peele of belles'; Palsgrave. 'Of the swete *pele* and melodye of bellys'; Monk of Evesham, c. lvii, ed. Arber. A shortened form of ME. *apele*, lit. 'appeal'; see '*apele* of bellis,' in Prompt. Parv., p. 13.—AF. *apel*, an appeal; 'Le clerk soune le dreynne *apel*, the clerk rings the last peal; Wright, Vol. of Vocab., i. 149.—OF. *apeler*, to call. We speak of a trumpet's *peal*; compare this with F. *appel*, a call with drum or trumpet (Hamilton). β. Besides the form *apel*, mod. F. *appel*, there was a later derived form *appeau*, now used in the sense of 'bird-call' (Hamilton). Cotgrave has: '*Appeau*, as *Appel*, also a bird-call; *Appeaux*, chimes, or the chiming of bells.' This at once explains our common use of the phrase 'a *peal* of bells.' Note also ME. *apel*, 'an old term in hunting music, consisting of three long moots'; Halliwell. This etymology is noticed by Minshew,

ed. 1627; he has: 'a *peal* of bells, from the F. *appeller*, i.e. *vocare*.' See **Appeal**. Der. *peal*, verb.

**PEAN**, the same as **Pæan**, q.v. (L.—Gk.)

**PEAR**, a well-known fruit. (L.) ME. *pere*, Chaucer, C. T. 10205 (E 2331). AS. *pere* or *peru*; Ælfric's Grammar, 6, 9 (Bosworth); spelt *pere*, Voc. 269. 33. [The AS. *pirige*, a pear-tree, occurs in 'Pirus, pirige'; Ælfric's Gloss., in Voc. 269. 32. Hence ME. *pery*, a pear-tree, Chaucer, C. T. 10199 (E 2325), or *pirie*, P. Plowman, B. v. 16.]—Late L. *pira*, fem. sing., for L. *pira*, pl. of L. *pirum*, a pear, Pliny, xv. 15, 16; whence also Norm. dial. *peire* (Moisy); F. *poire*. ¶ The vowel-change from *i* to *e* appears again in Ital. *pera*, a pear. Der. *pear-tree*, *perr-y*.

**PEARL**, a well-known shining gem. (F.—L.) ME. *perle*, Allit. Poems, ed. Morris, A. 1.—F. *perle*, 'a pearly, an union, also a berry'; Cot. β. Of disputed etymology, but prob. Latin. It is best to collect the forms; we find Ital., Span., Prov. *perla*, Port. *perola*, sometimes *perla*; OHG. *perala*, *perla*, *berala*, *berla*. All prob. from Late L. *pirula*, point of the nose, found in Isidore of Seville, in the 7th century. γ. Diez explains *pirula* as prob. meaning a little pear, from *pirum*, a pear; the change of vowel is well seen in Ital. *pera*, a pear. See **Pear**. This is perhaps the best solution; the change of sense from 'pear' to 'pearl' may easily have been suggested by the use of the L. *bacca*, which meant (1) a berry, (2) an olive-berry, (3) any round fruit growing on a tree, (4) a pearl (Horace, Epod. viii. 14). Diez also draws attention to Span. *perilla*, (1) a little pear, (2) a pear-shaped ornament. Perhaps we may add Mital. *perolo*, 'a little button or tassell of wooll on the top and middle of a knit cap'; Florio. And observe the sense of 'berry' which Cotgrave assigns to F. *perle*. δ. But it may be that a form *perula* (for *per'la*?) was a corruption of Late L. *perna*, a pearl (see *perne* in Duc.; cf. Norm. dial. *perne*, a pearl (from Sicil. *perna*), Mital. *perna*, 'a shell-fish called a nakre'; Florio.—L. *perna*, a sea-mussel. See *perne* in Moisy. Der. *pearl-y*, *pearl-i-ness*; *pearl-ash*, a purer carbonate of potash, named from its pearly colour.

**PEARL-BARLEY**. (F.—L.; and E.) A translation of F. *orge perlé*, lit. 'pearled barley'; but this looks like an adaptation of ME. *orge pelé*, lit. 'peeled barley'; Cot. See **Peel** (1) and **Barley**.

**PEASANT**, a countryman. (F.—L.) The *t* is excrescent, as in *ancien-t*, *tyran-t*, but it occurs in OF. In Gascoigne, Steele Glas, l. 647.—OF. *paisant*, 'a peasant, boor'; Cot.; Norm. dial. *paisant* (Moisy). Mod. F. *paysan*, and the more correct OF. form *paisan*, answer to Ital. *paisano*, Span. *paesano*, one born in the same country, a compatriot. β. Formed with suffix *-an* (=Ital. *-ano*, L. *-ānus*) from OF. *pais* (mod. F. *pays*), a country; answering to Ital. *paese*, Span. *país*, Port. *país*, *paiz*. All these latter forms answer to Late L. *pāgensis*, acc. of *pāgensis*, for *pāgensis ager*, country.—L. *pāgus*, a village. See **Pagan**. Der. *peasant-ry*, Bacon, Life of Hen. VII, ed. Lumby, p. 72, l. 16, a coined word.

**PEAT**, a vegetable substance like turf, found in boggy places, and used as fuel. (C.) 'There other with their spades the *peats* are squaring out'; Drayton, Polyolbion, s. 25. l. 143. 'Turf and *peat* . . . are cheape fuels'; Bacon, Nat. Hist. § 775. Spelt *peit*, Gloss. to Leslie's Hist. of Scotland (1596); S. T. S. Very common in Northumbrian. ME. *pete*, in comp. *pete-pot*, a hole out of which peats have been dug; Wyntown, viii. 24. 46 (Jamieson). Latinised as *peta* (Ducange); whence also *petūria*, a place whence peats were dug. Ducange quotes: 'Cum suis . . . turbariis, tresidiis, *petariis*, &c.; and again, 'Cum . . . *petariis*, turbariis, carbonariis' (1503). As a *peat* often meant 'a piece of cut turf,' it is likely that the Late L. *peta* was a by-form of Late L. *petia*, 'a piece,' from a Celtic source. We find OGael. *pett* (Book of Deer), borrowed from British; cf. W. *peth*, a thing, a piece; cognate with Gael. *cuid*, which see in Macbain. See Thurneysen, Keltoromanisches, p. 76. See **Piece**.

**PEBBLE**, a small round stone. (E.) In Shak. Cor. v. 3. 58; a *pebble-stone*, Two Gent. ii. 3. 11. ME. *pobbel*, Allit. Poems, ed. Morris, A. 117; *pibbil-ston*, Wyclif, Prov. xx. 17. AS. *papol-stān*, a pebble-stone; Ælfric's Homilies, i. 64, l. 3. Cf. AS. *pæbbel*, Birch, Cart. Saxon. ii. 403. Der. *pebbil-y*, *pebbel-ed*.

**PECCABLE**, liable to sin. (L.) Rare; Rich. gives quotations for *peccable* and *peccability* from Cudworth, Intellectual System (first ed. 1678, also 1743, 1820, 1837, 1845), pp. 564, 565. Englished from L. *\*peccābilis*, a coined word from *peccāre*, to sin. Brugmann, i. § 585. Der. *peccabili-ty*. See **Peccant**.

**PECCADILLO**, a slight offence, small sin. (Span.—L.) In Blount's Gloss., ed. 1674.—Span. *pecadillo*, a slight fault, dimm. of *pecado*, a sin.—L. *peccātum*, a sin; orig. neut. of *peccātus*, pp. of *peccāre*, to sin. See **Peccant**.

**PECCANT**, sinning. (F.—L.) Used in the phrase '*peccant humours*'; Bacon, Advancement of Learning, ed. Wright, bk. i. 4. 12, 5. 12; p. 37, l. 32, p. 43, l. 28.—F. *peccant*, 'sinning; l'humeur

*peccante*, the corrupt humour in the body; Cot.—L. *peccant-*, stem of pres. part. of *peccāre*, to sin. Der. *peccant-ly*, *peccanc-y*; and see *pecc-able*, *pecc-ad-illo*.

**PECCARY**, a hog-like quadruped of S. America. (F.—Caribbean.) '*Pecary*, a sort of wild hogs, called here [at Bahia] *pica*;' W. Dampier, New Voy. iii. 76; spelt *peccary*, id. i. 9 (1699).—F. *pécari*, a peccary. A S. American word.—Carib. *pakira*, the name used in Guiana; see N. and Q. 9 S. iv. 496. Cf. *pachira*, 'which is the name given to this quadruped in Oronoko;' Clavigero's Hist. of Mexico, tr. by Cullen, 1787, ii. 319. It is also called, in different parts of America, *saino*, *cojamell*, and *tatabro* (id.). And cf. Span. *pacquire* (Pineda). See my Notes on Eng. Etymology, p. 209.

**PECK** (1), to strike with something pointed, to snap up. (E.?) A mere variant of *pick*. In Chaucer, C. T. 14973 (Six-text, B 4157) we have: '*Pikke* hem up right as they growe,' in MS. C., where most MSS. have *Pekke* or *Pek*. *Pick* is the older form; see *Pick*. Some Swed. dialects have *pekka* for *pikka*; cf. W. Flem. *pekken* (De Bo); for Du. *pikken*. Der. *peck-er*, *wood-peck-er*.

**PECK** (2), a dry measure, two gallons. (F.—Low G.?) ME. *pekke*, Chaucer, C. T. 4008. Cf. AF. *pek*, Liber Albus, p. 335; OF. *pek* (Godefroy). The word is somewhat obscure, but it is probably related to *peck*, to snap up. As in the case of most measures, the quantity was once indefinite, and prov. E. *peck* merely means 'a quantity;' we still talk of 'a *peck* of troubles.' In particular, it was a quantity for eating; cf. prov. E. *peck*, meat, victuals, from the prov. E. verb *peck*, to eat. 'We must scat before we *peck*,' i.e. scratch (work) before we eat; Halliwell. Hence slang E. *pecker*, appetite. β. Similarly Scheler derives *picotin*, a peck, a measure, from the verb *picoter*, to peck as a bird does; and *picoter* is itself a mere extension from the Teut. root appearing also in E. *peck* and *pick*.

**PECTINAL**, comb-like, applied to fish with bones like the teeth of a comb. (L.) Sir T. Browne speaks of *pectinals*, i.e. pectinal fish; Vulg. Errors, b. iv. c. 1, last section. Coined from L. *pectin-*, decl. stem of *pecten*, a comb.—L. *pectere*, to comb.—Gk. *πεκτέιν*, to comb; lengthened form from *πέκειν*, to comb, to card wool, to shear. β. From ✓PEK, to pluck, pull hair, comb; preserved also in Lithuanian *pesz-ti*, to pluck, pull hair. From the same root is AS. *fæx*, a head of hair, whence *Fairfax*, i.e. fair hair. Der. Hence also *pectin-ate*, *pectin-al-ed*; and see *paxwax*.

**PECTORAL**, belonging to the breast or chest. (F.—L.) In Minsheu, ed. 1627.—F. *pectoral*, 'pectoral'; Cot.—L. *pectoralis*, belonging to the breast.—L. *pector-* for \**pectos*, stem of *pectus*, the breast. Der. *pectoral-ly*, *ex-pector-ate*.

**PECULATE**, to pilfer, steal. (L.) '*Peculator*, that robs the prince or common treasure;' Blount's Gloss., ed. 1674.—L. *pecū-lātus*, pp. of *pecūlārī*, to appropriate to one's own use. Formed as if from \**pecūlum*, with the same sense as *pecūlum*, private property, and allied to *pecū-nia*, property; see *Peculiar*, *Pecuniary*. Der. *peculat-ion*, *peculat-or*.

**PECULIAR**, appropriated, one's own, particular. (F.—L.) In Levins; and in Shak. Oth. i. 1. 60.—MF. *peculier*, 'peculiar'; Cot.—L. *pecūliāris*, relating to property, one's own.—L. *pecūlium*, property; allied to *pecū-nia*, property, money, from which it differs in the suffix. See *Pecuniary*. Der. *peculiar-ly*, *peculiar-i-ty*.

**PECUNIARY**, relating to property or money. (F.—L.) Spelt *pecuniarie* in Minsheu, ed. 1627.—MF. *pecuniaire*, 'pecuniary'; Cot.—L. *pecūniārius*, belonging to property.—L. *pecū-nia*, property. β. Formed from *pecu-*, as appearing in OL. *pecu*, cattle, and in L. pl. *pecu-a*, cattle of all kinds, sheep, money; the wealth of ancient times consisting in cattle.—Skt. *paçu*, cattle; Goth. *faihu*, property; AS. *feoh*, G. *vieh*, cattle. Der. *pecuniari-ly*.

**PEDAGOGUE**, a teacher, pedant. (F.—L.—Gk.) In Caxton's Golden Legend, St. Eutrope, § 1.—MF. *pedagogue*, 'a schoolmaster, teacher, pedant'; Cot.—L. *pädagogos*, a preceptor.—Gk. *παῖδαγωγός*, at Athens, a slave who led a boy to school, hence, a tutor, instructor.—Gk. *παῖδ-*, stem of *παῖς*, a boy; and *ἀγωγός*, leading, guiding, from *ἄγω*, to lead. β. The Gk. *παῖς* is for *παῖς*, i.e. *pau-is*, from a probable ✓PEU, to beget, whence L. *pu-er*, a boy, Skt. *pu-tra-*, a son. The Gk. *ἄγω*, to lead, is cognate with L. *agere*, whence E. *Agent*, q.v. Der. *pedagog-ic*; *pedagog-y*, MF. *pedagogie* (Cot.).

**PEDAL**, belonging to the foot. (L.) '*Pedal*, of a foot, measure or space;' Blount's Gloss., ed. 1674. '*Pedalls*, or low keys, of organs;' Sherwood, index to Cotgrave. Now chiefly used as a sb., as the *pedal* of an organ, i.e. a key acted on by the foot.—L. *pedālis*, (1) belonging to a foot, (2) belonging to a foot-measure (whence the old use, as in Blount).—L. *ped-*, stem of *pēs*, a foot; cognate with E. *Foot*, q.v.

**PEDANT**, a schoolmaster, vain displayer of learning. (F.—Ital.—Gk.?) In Shak. L. L. L. iii. 179.—MF. *pedant*, 'a pedant, or ordinary schoolmaster'; Cot. Borrowed from Italian (Littré).—

Ital. *pedante*, 'a pedante, or a schoolmaster, the same as *pedagogo*;' Florio. β. *Pedante* is a pres. participial form as if from a verb \**pedare*, which, as Diez suggests, is probably not the MItal. *pedare*, 'to foote it, to tracke, to trace, to tread or trample with one's feete' (Florio), but rather \**padāre*, an accommodation of the Gk. *παῖδεύειν*, to instruct, from *παῖδ-*, stem of *παῖς*, a boy. See *Pedagogue*. Diez cites from Varchi (Ercol., p. 60, ed. 1570), a passage in Italian, to the effect that 'when I was young, those who had the care of children, teaching them and taking them about, were not called as at present *pedanti* nor by the Greek name *pedagogi*, but by the more honourable name of *ripititori*' [ushers]. Der. *pedant-ic*, *pedant-ic-al*, *pedant-ry*.

**PEDDLE**, to deal in small wares. (E.) Bp. Hall contrasts '*pedling* barbarismes' with 'classick tongues;' Satires, bk. ii [not iii]. sat. 3, l. 25. Here *pedling* means 'petty,' from the verb *peddle* or *pedle*, to deal in small wares; a verb coined from the sb. *pedlar*, a dealer in small wares, which was in earlier use. See *Pedlar*.

**PEDESTAL**, the foot or base of a pillar. (Span.—Ital.—L. and G.) Spelt *pedestall* in Minsheu, ed. 1627.—Span. *pedestal*, 'the base or foot of a pillar,' Minsheu. Cf. MF. *ped-stal* in Cotgrave. As the Span. for 'foot' is *pie*, it is not a Span. word, but borrowed wholly from Ital. *pedestallo*, 'a footstall or treshall [threshold] of a doore;' Florio. Lit. 'foot-support.' β. A hybrid compound; from Ital. *pie*, 'a foote, a base, a footstall or foundation of anything' (Florio), which is from L. *pedem*, acc. of *pēs*, a foot; and Ital. *stallo*, a stable, a stall, from OHG. *stal*, G. *stall*, a stable, stall, cognate with E. *stall*. See *Foot* and *Stall*. Footstall (G. *fussgestell*) is a better word.

**PEDESTRIAN**, going on foot; an expert walker. (L.) Properly an adj. Blount's Gloss., ed. 1674, gives the form *pedestrial*. Both *pedestri-an* and *pedestri-al* are coined words, from L. *pedestri-*, decl. stem of *pedester*, one who goes on foot. Formed, it is supposed, from \**pedit-ter*, i.e. by adding the suffix *-ter* (Idg. *-ter*) to *pedit-*, stem of *pedes*, one who goes on foot. *Pedit-it-* is from *ped-*, stem of *pēs*, a foot; and *it-um*, supine of *ire*, to go, from ✓EI, to go. Cf. *com-es* (stem *com-it-*), a companion, one who 'goes with' another. The L. *pēs* is cognate with E. *foot*; see *Foot*. Der. *pedestrian-ism*.

**PEDICEL**, **PEDICLE**, the foot-stalk by which a flower or fruit is joined on to a tree. (F.—L.) *Pedicel* is modern, from mod. F. *pedicelle*; not a good form, since L. *pedicellus* means 'a little louse.' *Pedicle* is the better word, as used by Bacon, Nat. Hist. § 592.—MF. *pedicule*, 'the stalk of a leafe, or of fruit'; Cot.—L. *pediculum*, acc. of *pediculus*, a little foot, foot-stalk. Double dimin. from *pedit-*, decl. stem of *pēs*, cognate with E. *foot*. See *Foot*.

**PEDIGREE**, a register of descent, lineage, genealogy. (F.—L.) In Shak. Hen. V, ii. 4. 90. Spelt *pedegree* in Minsheu (1627); *pedigrew* in Levins (1570); *polygrew* in Palsgrave (1530). In the Prompt. Parv., A. D. 1440, we find the spellings *pedegru*, *pedegruw*, *pedygru*, *pedegrewe*, *polygru*, *polygru*, and it is explained by 'lyne of kynrede and awncetrye, *Stemma, in scalis*.' In the Appendix to Heame's ed. of Rob. of Gloucester, p. 585, he cites from a MS. of Rob. of Glouc. in the Herald's Office, a piece which begins: '*A petegreu*, fro William Conquerour . . vn-to kyng Henry the vi.' The last circumstance mentioned belongs to A. D. 1431, so that the date is about the same as that of the Prompt. Parv. Wedgwood cites from the Rolls of Winchester College, temp. Henry IV, printed in Proceedings of the Archaeological Institute, 1848, p. 64, a passage relating to the expenses 'Stephani Austinwell . . ad loquendum . . de evidenciis scrutandis de *pe de gre* progenitorum hæredum de Husey.' Lydgate has *pedegreue*; in Polit. Poems, ed. Wright, ii. 138; A. D. 1426; also *pedegrewe*, Hors. Shepe and Goos, l. 9; *pee de grewe*, Troybook, fol. Ee 1, back, l. 7. Thus the word does not appear till the 15th century. β. From AF. *pee de grue*, lit. 'foot of a crane;' so named from a three-line mark (like the broad arrow, or a bird's foot), which was used in denoting succession in pedigrees; indeed, the symbol † is still in use as the 'pedigree-sign.'—L. *pedem*, acc. of *pēs*, a foot; *dē*, of; *gru*, acc. of *grus*, a crane, related to E. *Crane*. ¶ First explained by Mr. C. Sweet, in The Athenæum, March 30, 1805. See my Notes on Eng. Etymology.

**PEDIMENT**, an ornament finishing the front of a building. (F.—L.) '*Fronton*, in architecture, a member that serves to compose an ornament, raised over cross-works, doors, niches, &c., sometimes making a triangle, and sometimes part of a circle; it is otherwise called a *pediment*, and *fastigium* by Vitruvius;' Phillips, ed. 1706. Evelyn, Hist. of Architecture, 1696, speaks of the *fronton*, 'which our workmen call *pediment*.' The older form was *periment*, as shown in the N. E. D.; and this was said to be a workman's term, and 'corrupt English.' β. I think it is likely that a *periment* was simply a mistaken way of pronouncing *operiment*, given in the N. E. D. with the sense of 'a covering,' and recorded with that sense in Blount's Glossographia, ed. 1656, and in Phillips, ed. 1658.—L. *operimentum*, a covering.—L. *operire*, to cover; see *Cover*. γ. When the

source of (o) *pediment* was lost sight of, it seems to have been associated with the L. (im) *pedimentum*, whence the form *pediment*.

**PEDLAR, PEDLER, PEDDLER**, a hawker, one who travels about selling small wares. (E.) The verb to *peddle*, to sell small wares, is later, and a mere derivative from the sb. We find *pedler* in Cotgrave, to explain F. *mercetot*, and *pedlar* in Sherwood's index. But a shorter form was *peddar* or *pedder*, appearing as late as in Levins, ed. 1570; although, on the other hand, *pedlere* occurs as early as in P. Plowman, B. v. 258; and Lydgate has: 'as *pedeler* to his pakke'; Minor Poems, p. 30. The Prompt. Parv. gives: '*Pedlare*, shapmann,' i. e. chapman, hawker. '*Peddare*, calatharius [basket-maker], *fiscarius*' [one who sells fish hawked about in baskets]; Prompt. Parv.; formed from *pedle*, explained by 'panere,' i. e. a pannier; id. See Way's excellent illustrative note. β. As Way remarks, in the Eastern counties, a pannier for carrying provisions to market, esp. fish, is called a *ped*; 'the market in Norwich, where wares brought in from the country are exposed for sale, being known as the *ped-market*; and a dealer who transports his wares in such a manner is termed a *pedder*.' Perhaps *pedlar* is due to a dimin. from *peddle*, i. e. little 'ped,' which is not recorded. The word *peddar* is old, and is spelt *peoddare* in the Ancien Riwle, p. 66, l. 17, where it has the exact sense of pedlar or hawker of small wares. And see Lowland Sc. *peddir*, a pedlar (Jamieson). Cf. 'A *haske* is a wicker *pad*, wherein they vse to carry fish'; Gloss by E. Kirke to Spenser, Shep. Kal. November, l. 16. See **Padlock**. Der. *peddle*, vb., q. v.

**PEDOBAPTISM**, infant baptism. (Gk.) In Blount's Gloss., ed. 1674. A coined word, as if from L. \**pædobaptismus*, Latinised form of Gk. παιδοβαπτισμός; from παιδο-, decl. stem of παῖς, a boy; and βαπτισμός, baptism. See **Pedagogue** and **Baptism**. Der. *pedobaptist*.

**PEDUNCLE**, a flower-stalk. (L.) Modern; cf. F. *péduncule*; used in 1798 (Hatzfeld). — L. *pedunculus*, variant of *pediculus*, a foot-stalk or pedicle. — L. *ped-*, stem of *pēs*, a foot. See **Pedal**, **Pedical**.

**PEEL** (1), to strip off the skin or bark. (F.—L.) In Shak. Merch. Ven. i. 3. 85. [Two F. verbs are mixed up here, viz. F. *peler* and F. *piller*. It is true that *peler* and *piller* are now well distinguished in French, the former meaning 'to peel, strip,' and the latter 'to plunder,' a sense preserved in E. *pillage*. But in OF. they were sometimes confused, and the same confusion appears in ME. *pilien*, *pillen*, used in the sense of 'peel.' 'Rushes to *pillie*'=to peel rushes, P. Plowman, C. x. 81; *pilled*=bald, Chaucer, C. T. 3933 (A 3935). A clear case is in Palsgrave, who has: 'I *pyll* rysshes, *le pille* des ioncz.' For further remarks on *pill*, see **Pillage**.] We may consider *peel*, in the present place, as due to *peler* only. — F. *peler*, 'to pill, pare, bark, unbind, unskin'; Cot. [Cf. Span. *pelar*, Ital. *pelare*, to strip, peel, Mital. *pellare*, 'to vnskin,' Florio.] — OF. *pel*, skin. — L. *pellēm*, acc. of *pellis*, skin; see **Fell** (2). ¶ But some senses of F. *peler* are due to L. *pilāre*, to deprive of hair, make bald. — L. *pilus*, hair. Der. *peel-ed*; *peel*, sb.

**PEEL** (2), to pillage. (F.—L.) '*Peeling* their provinces,' i. e. robbing them; Milton, P. R. iv. 136. This is not the same word as the above, but another spelling of the old verb *pill* (F. *piller*), to rob. See **Pillage**, and see remarks under **Peel** (1).

**PEEL** (3), a fire-shovel. (F.—L.) Once a common word. '*Pele* for an ouyn, *pelle* a four'; Palsgrave. — F. *pelle*, also spelt *pale*, 'a fire-shovel,' Cot. — L. *pāla*, a spade, shovel, peel. See **Palette**. Der. *pal-ette*.

**PEEL** (4), a small castle. (F.—L.) Used by Burns, The Five Carlins, st. 5; see Jamieson. ME. *pel* (also *pele*, *pell*), Chaucer, Ho. of Fame, l. 1310 (iii. 220); *peill*, pl. *pelis*, Barbour, Bruce, x. 137, 147. — OF. *pel* (given in Godefroy under *pal*), a stake, pale, stock, stockade. (The original *peels* were stockades or wooden structures; the name was retained after stone was used; see an Essay on the word *Peel* by G. Neilson, of Glasgow.) — L. *pālum*, acc. of *pālus*, a stake; see **Pale** (1). ¶ Different from ME. *pille*, P. Plowman, C. xxii. 366; cf. 'I dwelle in my *pile* of ston,' Torrent of Portugal, ed. Halliwell, 573; 'Grete *pyllis* and castellys'; Cov. Mysteries, p. 210. See **Pile** (2).

**PEEP** (1), to chirp, or cry like a chicken. (F.—L.) In Isaiah, viii. 19, x. 14; see Bible Wordbook. 'Now, suete bird, say ones to me *pepe*!' Kingis Quair, st. 57. Cf. 'A *pepe* of chekennys (chickens);' Book of St. Alban's, fol. f 7, l. 4. An imitative word, but it seems nevertheless to have been borrowed from F. — OF. *pepier*, 'to peep, cheep, or pule,' as a young bird in the nest,' Cot.; also *pipier* (Godefroy). Allied to *piper*, 'to whistle, or chirp, like a bird,' id.; cf. *pipée*, 'the peeping or chirping of small birds,' id. The latter form (*piper*) represents a Folk-L. \**pippāre*, allied to L. *pipāre*, *pipire*, to peep, chirp. Of imitative origin; due to repetition of the syllable *PI*. Cf. Gk. πῖπῖν, πῖπῖν, to chirp. See **Pipe** (1).

**PEEP** (2), to look out (or in) through a narrow aperture, to look

silly. (F.—L.) 'Where dawning day doth never *peepe*;' Spenser, F. Q. i. 1. 39. 'To *peepe*, inspicere;' Levins, ed. 1570. It seems to have arisen from the sound *peep*! used as an interjection. In his Du. dial. Dict.; Molesma explains how the exclamation *piep*! is made (as a slight guide) by a hider in the game of *peep-bo*, *bo-peep*, or hide and seek; whence Du. dial. *piepen*, (1) to cry *piep*! (2) to peep out. Prob. Palsgrave refers to this when he says: 'I peke or pric, *je pipe hors*,' i. e. I peep out. The F. *piper* usually meant 'to pipe;' Cot. gives: '*piper*, to whistle, chirp like a bird, cousten, deceive, cheat.' β. The old phrase 'at peep of day' answers to MF. *a la pipe du jour*, which Palsgrave explains by 'at *daye-pype*;' p. 804, col. 1; which has reference to the chirping of birds at day-break. All from L. *pipāre*, to chirp; see **Peep** (1), **Pipe** (1). See my Notes on Eng. Etymology. Der. *peep-bo* or *bo-peep*, a game of hide and seek; in its simplest form, a nurse says *peep* to an infant, in a squeaky voice, with her face behind her apron, and then *bo*! suddenly in a louder one, uncovering her face at the same time. Compare: 'Bo, Boe, cucullus lugubris oculos faciemque obstruens; *Kijke-boe*, lusus puerilis, in quo alicuius oculi, manu linteove, etc., obtecti, subito infantis in gratiam deteguntur;' Ten Kate, Anleiding tot de Kennisse van het verhevene Deel der Nederduitsche Sprake; 1723, vol. i. p. 279. Also W. Flem. *piepbeu*, *peep-bo* (De Bo).

**PEER** (1), an equal, a nobleman. (F.—L.) The orig. sense is 'equal'; the *twelve peers* of France were so called because of equal rank. ME. *pere*, Chaucer, C. T. 10990 (F 678); *per*, Havelok, 2241. — OF. *per*, *peer*, later *pair*, 'a peer, a paragon, also a match, fellow, companion;' Cot.; or, as an adj., 'like, equal,' id. [Cf. Span. *par*, equal, also a peer; Ital. *pare*, *pari*, alike, *pari*, a peer.] — L. *parem*, acc. of *pār*, equal. See **Par**, **Pair**. Der. *peer-ess*, a late word, with fem. suffix -ess, of F. origin, Pope, Moral Essays, ii. 70, iii. 140; *peer-age*, used in 1671 (see N. E. D.) in place of the older word *peerdom*, used by Cotgrave to translate F. *pairie*; also *peer-less*, Temp. iii. 1. 47; *peer-less-ly*, *peer-less-ness*.

**PEER** (2), to look narrowly, to pry. (E.?) '*Peering* [quarto, *Piring*] in maps for ports;' Merch. Ven. i. 1. 19. Of obscure origin; apparently altered, by confusion with *peer* (3), from ME. *piren*. 'Riht so doth he, whan that he *pireth* And tototh on hire wommanhiede;' = so does he, when he peers and looks upon her womanhood; Gower, C. A. iii. 29; bk. vi. 819. 'And preylich *pirith* till he dame passe' = and privily peers, or spies, till the mother-bird leaves the nest; Rich. Redeles, ed. Skeat, iii. 48. Cf. EFries. *piren*, Westphal. *piren*, Low G. *piren*, to look closely; esp. Westphal. *piren na wot*, to peer after something. Cf. also the parallel forms *pliren*, *plüren*; see Bremen Wörterbuch. For the loss of *l*, cf. **Patch**. +Swed. *plira*, to blink; Dan. *plire*, to blink. The orig. sense of Low G. *plüren* is to draw the eyelids together, in order to look closely. And see **Peer** (3).

**PEER** (3), to appear. (F.—L.) Distinct from the word above, though prob. sometimes confused with it. It is merely short for *appear*. ME. *peren*, short for *aperen*. 'There was I bidde, on pain of death, to *pere*;' Court of Love (16th cent.), l. 55. Cf. 'When daffodils begin to *peer*;' Shak. Wint. Ta. iv. 3. 1. As the ME. *aperen* was usually spelt with one *p*, the prefix *a-* easily dropped off, as in the case of *peal* for *appeal*; see **Peal**. Cf. Chaucer, Troil. ii. 909, where to *appere* is also written *tapere*; see further under **Appear**. ¶ In F. the simple verb *paraître* (L. *parēre*) was used in a similar way. '*Paraître*, to appear, to peep out, as the day in a morning, or the sun over a mountain;' Cot.

**PEEVISH**, cross, ill-natured, fretful. (E.) ME. *peuisch*; spelt *peyuesshe* in P. Plowman, C. ix. 151, where four MSS. have *peuysche*; the sense being 'ill-natured.' It occurs also in G. Douglas, tr. of Virgil, Æn. xi. 408 (Lat. text), where we find: 'Sik ane *peuysche* and cative saule as thyne' = such a perverse and wretched soul as thine. And again, Aruns is called 'thys *pewech* man of weir' [war], where it answers to L. *improbus*; Æn. xi. 767. Ray, in his North-country Words, ed. 1691, gives: '*Peevish*, witty, subtil.' Florio explains *schifezza* by 'coynes, quaintnes, *peenishnes*, fondnes, frowardnes.' *Peevish* in Shak. is silly, childish, thoughtless, forward. *Peevishness* = waywardness, Spenser, F. Q. vi. 7. 37. Thus the various senses are childish, silly, wayward, froward, uncouth, ill-natured, perverse, and even witty. All of these may be reduced to the sense of 'childish,' the sense of witty being equivalent to that of 'forward,' the child being *toward* instead of *froward*. β. A difficult word; but prob. of onomatopoeitic origin, from the noise made by fretful children. The origin is illustrated by Lowland Sc. *peu*, to make a plaintive noise, used in the Complaint of Scotland, ed. Murray, vi. 39, to denote the plaintive cry of young birds: 'the chekyns [chickens] began to *peu*.' *Peevish* answers to MDan. *pjæven*, tearful; adj. from *pjæve*, to whimper (Kalkar); and Wedgwood cites Dan. dial. *piæve*, to whimper or cry like a child; cf. Low G. *pau-en*, to whimper. Cf. F. *piuler*, 'to peep or cheep as a young bird, also to

pule, or howle as a young whelp; Cot. Cf. **Pewit**. In this view, the suffix *-ish* has the not uncommon force of 'given to,' as in *thievish*, *mopish*. Similarly, from Gael. *piug*, a plaintive note, we have *piugach*, having a querulous voice, mean-looking. Der. *peevish-ly*, *-ness*.

**PEEWIT**, another spelling of **Pewit**. (E.)

**PEG**, a wooden pin for fastening boards, &c. (E.?) ME. *pegge*; 'Pegge, or pynne of tymbyr;' Prompt. Parv. The nearest form is Swed. dial. *pegg*, variant of Swed. *pigg* (below); cf. Dan. *pig* (pl. *pigge*), weakened form of *pik*, a pike, peak; Swed. *pigg*, a prick, spike, from *pik*, a pike. Cf. also W. *pig*, a peak, point; Corn. *peg*, a prick. β. Perhaps we may also compare Du. and Low G. *pegel*, a measure of liquid capacity, such as was marked by the pegs in a 'peg-tankard.' Der. *peg*, verb, Temp. i. 2. 295; *pegg-ed*.

**PEISE, PEIZE**, to weigh, to poize. (F.—L.) 'To *peize* the time,' i.e. to weight or retard it; Shak. Merch. Ven. iii. 2. 22. ME. *peisen*, to weigh; P. Plowm. A. v. 131.—AF. *peiser*, Stat. Realm, i. 218; OF. *poiser*. See **Poise**, of which it is a doublet.

**PEITREL**, the AF. form of **Poitrel**, q.v. In Baret; 1580. Gaimar has AF. *peitreis*, pl.; l. 6385.

**PEJORATIVE**, depreciatory. (L.) From Late L. *pēiōrāt-us*, pp. of *pēiōrāre*, to impair.—L. *pēiōr*, from *pēior*, worse, used as the comp. of *malus*, bad. See **Pessimist**. Cf. mod. F. *péjoratif*.

**PEKOE**, a kind of black tea. (Chinese.) 'Pekoe Bohea;' H. Carey, Chrononhotonthologos, A. i.—Chinese (Amoy dialect) *pek-ho*; from *pek*, white, *ho*, down; the tea being picked young, with the down still on the leaves (N. E. D.).

**PELARGONIUM**, a flower of the order Geraniaceæ. (Gk.) From Gk. *πελαργός*, a stork; from the resemblance of the beaked capsules to a stork's bill. Perhaps from *πελ-ιός*, dusky, and *ἀργός*, white.

**PELERINE**, a kind of lady's tippet. (F.—L.) F. *pèlerine*, a tippet.—F. *pèlerin*, a pilgrim.—L. *peregrinum*, acc. of *peregrinus*; see **Pilgrim**.

**PELF**, lucre, spoil, booty, gain. (F.) 'But all his minde is set on mucky *pelfe*;' Spenser, F. Q. iii. 9. 4. ME. *pelfyr*, *pelfrey*, 'Spolium;' Prompt. Parv. *Pelf*, property; St. Cuthbert, 5989. *Pelf*, to rob, occurs as a verb, Cursor Mundi, l. 6149.—OF. *pelfre*, booty, allied to *pelfrer*, to pilfer (Godefroy); cf. also OF. *pelfir*, to pillage. Der. *pelfer*. Of unknown origin.

**PELICAN**, a large water-fowl. (F.—L.—Gk.) In Hamlet, iv. 5. 146. Spelt *pellican*, Ancrén Riwle, p. 118.—F. *pelican*, 'a pelican;' Cot.—L. *pelicānus*, *pelecānus*.—Gk. *πελεκάν* (gen. *πελεκάνος*), *πελεκās*, *πελέκας*, strictly, the wood-pecker, the joiner-bird of Aristophanes, Av. 884, 1155; also a water-bird of the pelican kind. The wood-pecker was so called from its pecking; and the pelican from its large bill.—Gk. *πελεκάω*, I hew with an axe, peck.—Gk. *πέλεκυς*, an axe, hatchet.—Skt. *paraqu-*, an axe, hatchet.

**PELISSE**, a silk habit, worn by ladies. (F.—L.) Formerly a furred robe. Of late introduction; added by Todd to Johnson. [The older E. form is *pilch*, q.v.]—F. *pelisse*, formerly also *pelice*, 'a skin of fur;' Cot.—L. *pellicca*, *pellicia*, fem. of *pelliceus*, *pellicius*, made of skins.—L. *pellis*, a skin, cognate with E. *fell*, a skin; see **Pell** and **Fell** (2). Der. *sur-plice*. Doublet, *pilch*.

**PELL**, a skin, a roll of parchment. (F.—L.) ME. *pell*, *pel* (pl. *pellis*); King Alisaunder, 7081.—OF. *pel* (Burguy); mod. F. *peau*, a skin.—L. *pellem*, acc. of *pellis*, a skin, cognate with E. *fell*, a skin; see **Fell** (2). Der. *pel-isse*, *pell-icle*, *pel-t* (2), *sur-plice*, *pell* (1).

**PELLET**, a little ball, as of lint or wax, &c. (F.—L.) ME. *pelet*. Formerly used to mean a gun-stone, or piece of white stone used as a cannon-ball. 'As pale as a *pelet*;' P. Plowman, B. v. 78. 'A *pelet* out of a gonne' [gun], Chaucer, Ho. of Fame, iii. 553.—OF. *pelote*, 'a hand-ball, or tennis-ball;' Cot. Cf. Span. *pelota*, a ball, cannon-ball, Ital. *pillotta*, a small ball. All diminutives from L. *pila*, a ball. Der. *pellet-ed*; *plat-oon*, q.v.

**PELLICLE**, a thin film. (F.—L.) 'A *pellicle*, or little membrane;' Sir T. Browne, Vulg. Errors, b. iii. c. 27, part 10.—F. *pellicule*, 'a little skin;' Cot.—L. *pellicula*, a small skin or hide; double dimin. from *pellis*, a skin. See **Pell**.

**PELLITORY** (1), **PARITORY**, a wild flower that grows on walls. (F.—L.) Often called *pellitory of the wall*, a tautological expression; spelt *pellitorie of the wall* in Baret (1580). *Pellitory* stands for *paritory*, by the common change of *r* to *l*. ME. *paritorie*, Chaucer, C. T. 16049 (G 531).—OF. *paritoire*, 'pellitory of the wall;' Cot.—L. *parietaria*, pellitory; properly fem. of adj. *parietarius*, belonging to walls.—L. *pariet-*, stem of *paries*, a wall.

**PELLITORY** (2), **PELLETER**, the plant pyrethrum. (Span.—L.—Gk.) ME. *peletyr*, Prompt. Parv. Sometimes called *pelleteer of Spain*, because it grows there (Prior). It is the *Anacyclus pyrethrum*, the name of which has been assimilated to that of the plant above, which was earlier known. On account of this it is called by

Cotgrave 'bastard pellitory, or right pellitory of Spain;' but the name is not from MF. *pirette* (Cot.), but from Span. *pelitre*, pellitory of Spain.—L. *pyrethrum*.—Gk. *πύρεθρον*, a hot spicy plant, feverfew (Liddell). So named from its hot taste.—Gk. *πῦρ*, fire, cognate with E. *fire*; with suffix *-θρο-*, denoting the agent. See **Fire**.

**PELL-MELL**, promiscuously, confusedly. (F.—L.) In Shak. K. John, ii. 406.—MF. *pesle-mesle* (mod. F. *pêle-mêle*), 'pell-mell, confusedly;' Cot.; also spelt *pelle-melle* in the 13th cent. (Littré.) The apparent sense is 'stirred up with a shovel;' as if from F. *pelle*, a shovel, fire-shovel (E. *peel*), from L. *pāla*, a spade, peel, shovel, and OF. *mesler*, to mix. But orig. it was only a reduplicated form of *mesle*; in fact, *mesle-mesle* and *melle-melle* also occur. See Körtling, § 6214. From Late L. *misculāre*, extended from *miscere*, to mix. See **Peel** (3) and **Medley**.

**PELLUCID**, transparent. (F.—L.) In Blount's Gloss., ed. 1674. 'Such a diaphanous *pellucid* dainty body;' Howell, Letters, v. i. sec. 1. let. 29 (1621).—F. *pellucide*, 'bright, shining;' Cot.—L. *pellucidus*, transparent.—L. *pellucere*, *perlucere*, to shine through.—L. *per*, through; and *lucere*, to shine, allied to *lux*, light. See **Per** and **Lucid**.

**PELT** (1), to throw or cast, to strike by throwing. (L.) 'The chidden billow seems to *pelt* the clouds;' Oth. ii. 1. 12. ME. *pelten*, *piltten*, *pultten*, to thrust, strike, drive; pt. t. *pelle*, *pilte*, *pulte*; pp. *pelt*, *pilt*, *pult*. 'And hire oðer eare *piltteð* hire tail *per-inne*'=and in her other ear she [the adder] thrusts her tail; O. Eng. Homilies, ed. Morris, ii. 197. 'Fikenhild azen hire *pelte* Wiþ his swerdes hiltte'=Fikenhild pushed against her with his sword-hilt; King Horn, ed. Lumby, 1415. The pp. *pilt*=thrust, put, is in Gen. and Exodus, ed. Morris, 2214. The pp. *ipult*=cast, thrown, is in Layamon, 10839 (later text). See further examples in Stratmann, to which add, from Halliwell: 'With grete strokes I shalle hym *pelle*,' MS. Ashmole 61; which comes very near the mod. usage. The sense of 'drive' comes out in the common mod. E. phrase *full pelt*=full drive. β. The easiest way of interpreting the vowel-sounds is to refer the word to an AS. form *\*pyltan*, to thrust, drive, not recorded. This would give ME. *pulten* or *piltten*; cf. AS. *pyt*, a pit, whence ME. *put*, *pit*. The *e* is a dialectal variety, like Kentish *pet* for *pit*. γ. Just as *pyt* is from L. *puteus*, such a form as AS. *\*pyltan* would result from *\*pult-jan*, from L. *pultūre*, to beat, strike, knock. δ. L. *pultūre*, like *pulsare*, is an iterative form from *pellere* (pp. *pulsus*), to drive; see **Pulsate**. The simple L. *pellere* appears, perhaps, in Havelok, 810: 'To morwen shal ich forth *pelle*'=to-morrow I shall drive forth, i.e. rush forth. Der. *pelt-ing*, *pelt*, sb.

**PELT** (2), a skin, esp. of a sheep. (F.—L.) Used in the North for the skin of a sheep; in hawking, a *pelt* is the dead body of a fowl killed by a hawk (Halliwell). The skin of a beast with the hair on (Webster). And see E. D. D. ME. *pelt*. 'Off shepe also comythe *pelt* and eke felle' [skin]; The Hors, Shepe, and Goos, l. 43 (by Lydgate), in Political, Religious, and Love Poems, ed. Furnivall. We also find prov. E. *peltry*, a skin (E. D. D., s. v. *pelt*); formerly *peltre-ware*, as in Berners, tr. of Froissart, vol. ii. c. 170 (R.); Hakluyt's Voyages, i. 192, l. 111 from bottom, where it occurs in a reprint of The Libell of E. Policie, l. 309. β. As *peltry*=MF. *pelletterie*, 'the trade of a skinner, or peltmonger;' Cot., from MF. *pelletier*, 'a skinner;' so *pelt* answers to OF. *pelete*, *pellete*, a small skin (Godefroy), the sense 'sheep's skin' being preserved in Norm. dial. *pelette* (pron. *plett*), a sheep-skin (Moisy). Dimin. of OF. *pel*, a skin; see **Pell**.

**PELTATE**, lit. 'shield-shaped.' (L.—Gk.) In botany; said of a leaf.—L. *pellātus*, furnished with a *pelta*, or light shield.—Gk. *πέλτη*, a light shield; prob. allied to *πέλλα*, skin, hide, and to E. *fell* (2).

**PELVIS**, the bony cavity in the lower part of the abdomen. (L.) In Phillips, ed. 1706.—L. *pelvis*, lit. a basin; hence, the pelvis, from its shape. Allied to Gk. *πέλις*, *πέλλα*, a wooden bowl, cup.

**PEMMICAN**, a preparation of dried meat. (N. Amer. Indian.) A Cree word; see Cree Dict. by Lacombe.—Cree *pimikkan*, pimican, a bag filled with a mixture of fat and meat; from *pimiy*, grease. Cf. Algonkin *pimite*, grease (Cuq). The *e* is an error for *i*.

**PEN** (1), to shut up, enclose. (L.) ME. *pennen*, O. Eng. Homilies, ed. Morris, ii. 43; also *pinnen*, see P. Plowman, C. vii. 219, and footnote. AS. *pennian*, only recorded in the comp. *on-pennian*, to un-pen. 'Ac gif sio pynding wierð *onpennad*'=but if the water-dam is unfastened or thrown open; Ælfred, tr. of Gregory's Pastoral, ed. Sweet, c. xxxviii, p. 276. Cf. Low G. *pennen*, to bolt a door, from *penn*, a pin, peg. *Pennian* is thus connected with *pin*, and is ultimately of Latin origin. See **Pin**. Note EFries. *penne*, *pinne*, *penn*, *pin*, a peg, a pin. Der. *pen*, sb., Merry Wives, iii. 4. 41; Allit. Poems, ed. Morris, B. 322. The verb *to pen* seems to have been connected with *pindar* at an early period; but *pindar* is related to a *pound* for cattle. See **Pinfold**.

**PEN** (2), an instrument used for writing. (F.—L.) ME. *penne*, Polit. Songs, ed. Wright, p. 156, l. 15; P. Plowman, B. ix. 39. —OF. *penne*, 'a quill, or hard feather, a pen-feather;' Cot. —L. *penna*, a feather; in Late L. a pen. β. The old form of *penna* was *pesna* (Festus); for \**petna* or \**petsna*, formed with suffix -*na* or -*sna* from ✓PET, to fly; whence also F. *feath-er*, *im-pet-us*, *pet-it-ion*, &c. See Feather. Brugmann, i. § 762 (2). Der. *pen*, vb., Skelton, Phyllyp Sparowe, l. 810; *pen-knife*, *pen-man*, *pen-man-ship*; *penn-er*, a case for pens, Chaucer, C. T. 9753 (E 1879); *penn-ate*, from L. *pennātus*, winged; *penn-on*, q. v. Also *pinn-ac-le*, *pinn-ate*, *pin-ion*. Doublet, *pin*.

**PENAL**, pertaining to or used for punishment. (F.—L.—Gk.) In Lewis, 1570. —MF. *penal*, 'penall;' Cot. —L. *penālis*, penal. —L. *pāna*, punishment. —Gk. *ποινή*, a penalty, requital. See Pain. Der. *penal-ty*, L. L. l. i. 1. 123, from MF. *penal-té*, not in Cotgrave, but in use in the 16th century (Littre), coined as if from a L. \**panālitās*. Also *pen-ance*, *pen-it-ence*, *pun-ish*.

**PENANCE**, repentance, self-punishment expressive of penitence. (F.—L.—Gk.) ME. *penance*, Rob. of Brunne, tr. of Langtoft, p. 303, l. 14; *penaunce*, in the sense of penitence or repentance, Wyclif, Matt. iii. 2. —OF. *penance*, older form *peneance*; formed from L. *penitētia*, penitence, by the usual loss of medial *t* between two vowels. It is thus a doublet of *penitence*; see Penitent.

**PENATES**, household gods. (L.) L. *Penātes*; allied to *penes*, with, in the house of; see Penetrate.

**PENCHANT**, a strong inclination, bias (in favour of). (F.—L.) In Dryden, Marriage-à-la-Mode, iii. 1. —F. *penchant*, sb.; orig. pres. part. of *pencher*, to lean, lean towards. —Late L. type \**pendicāre*; from L. *pendēre*, to hang.

**PENCIL**, a small hair-brush for laying on colours, a pointed instrument for writing without ink. (F.—L.) The old use of a *pencil* was for painting in colours; see Trench, Select Glossary. ME. *pensil*; 'With sotil *pencil* was depeynt this storie;' Chaucer, C. T. 2051 (A 2049). —OF. *pincel* (13th century, Littre), later *pincean*, 'a pensill, a white-limer's brush;' Cot. —L. *pēnicillus*, a small tail, also, a painter's brush; dimin. of *pēniculus*, a little tail, which again is a double dimin. of *pēnis*, a tail. For \**pes-nis*; cf. Skt. *paśa-*, Gk. *πέος*; Brugmann, i. § 877. Der. *pencil*, vb.; *pencilled*, Timon, i. 1. 159.

**PENDANT**, anything hanging, esp. by way of ornament. (F.—L.) 'His eare-rings had *pendants* of golde;' Hakluyt's Voyages, i. 346, l. 12. 'It was a bridge . . With curious corbes and *pendants* graven faire;' Spenser, F. Q. iv. 10. 6. —F. *pendant*, 'a pendant;' Cot. —F. *pendant*, hanging, pres. part. of *pendre*, to hang. —L. *pendēre*, to hang; allied to *pendere*, to weigh. β. The L. *pendere* is further allied to Gk. *σπενδώνη*, a sling, Skt. *spand*, to tremble, throb, vibrate. —✓SPHED, SPHEND, to tremble, vibrate. Der. *pend-ent*, hanging, Latinized form of F. *pendant*; *pend-ing*, Anglicized form of F. *pendant*, as shown by the F. phrase *pendant cela*, 'in the mean while, in the mean time,' Cot.; *pend-ence* (rare); *pend-ul-ous*, q. v., *pend-ul-um*, q. v., *pens-ile*, q. v. Also (from L. *pendēre*) *ap-pend*, *com-pend-i-ous*, *de-pend*, *ex-pend*, *im-pend*, *per-pend*, *per-pend-ic-u-lar*, *s-pend*, *sti-pend*, *sus-pend*, &c. Also (like pp. *pensus*) *pens-ion*, *pens-ive*, *com-pens-ate*, *dis-pense*, *ex-pense*, *pre-pense*, *pro-pens-i-ty*, *recom-pense*, *sus-pens-ion*; see also *poise*, *avoir-du-pois*, *counter-poise*, *pans-y*, *pent-house*, *ponder*, *pound* (1), *pre-ponderate*, *spencer*.

**PENDULOUS**, hanging, impending. (L.) In Shak. K. Lear, iii. 4. 69. Englished directly from L. *pendulus*, hanging, by change of -*us* to -*ous*, as in *ardu-ous*, &c. —L. *pendēre*, to hang; see Pendant. Der. *pendulous-ly*, -ness.

**PENDULUM**, a hanging weight, vibrating freely. (L.) 'That the vibration of this *pendulum*;' Butler, Hudibras, pt. ii. c. 3, l. 1024. —L. *pendulum*, neut. of *pendulus*, hanging; see Pendulous.

**PENETRATE**, to pierce into. (L.) In Palsgrave, ed. 1530. —L. *penetrātus*, pp. of *penetrāre*, to pierce into. β. L. *pene-trāre* is a compound. The part *pene-* is from the base of *penes*, with, *penitus*, within, *pen-us*, the inner part of a sanctuary; [prob. connected with *penus*, stored food, provisions kept within doors, Lithuan. *penas*, fodder.] 'The idea "stores, store-room," furnishes the intermediate step from *penus* to *penetrāre*;' Curtius, i. 336. γ. The suffix -*trāre*, to pass beyond, is the same as in *in-trāre*, to enter, connected with L. *in-trā*, within, *ex-trā*, without, *trans*, across; allied to Skt. *tara-*, a crossing. Der. *penetra-ble*, Hamlet, iii. 4. 36, immediately from L. *penetrābilis*; *impenetrable*; *penetrabl-y*, *penetrable-ness*, *penetrability*; *penetrat-ing*; *penetrat-ive*, from MF. *penetratif*, 'penetrative' (Cot.); *penetrat-ive-ly*, *penetrat-ive-ness*; *penetrat-ion*, Milton, P. L. iii. 585, immediately from L. *penetrātio*.

**PENGUIN, PINGUIN**, the name of an aquatic bird. (C.?) 'As Indian Britons were from *penguins*;' Butler, Hudibras, pt. i. c. 2, l. 60. It occurs still earlier, in the 15th note (by Selden) to Drayton's Polyolbion, song 9, ed. 1613, where we find: 'About the

year 1170, Madoc, brother to David ap Owen, Prince of Wales, made this sea-voyage [to Florida]; and, by probability, those names of *Capo de Breton* in Norumbeg, and *penguin* in part of the Northerne America, for a *white rock* and a *white-headed bird*, according to the British, were reliques of this discovery.' Certainly, the form *penguin* bears a striking resemblance to W. *pen gwyn*, where *pen* = head, and *gwyn* = white; and if the name was given to the bird by W. sailors, this may be the solution. We can go still further back, and show that the word existed in Sir F. Drake's time. Yule quotes from Drake's Voyage by F. Fletcher (Hakluyt Soc.), p. 72, with reference to the year 1578: 'In these Islands we founde greate relief and plenty of good victuals, for infinite were the number of fowle which the Welsh men named *Penguin*, and Magilanus [Magellan] teamed them geese.' In a tract printed in 1588, and reprinted in An English Garner, ed. Arber, vol. ii. p. 119, we read that: 'On the 6th day of January, 1587, we put into the straits of Magellan; and on the 8th, we came to two islands named by Sir F. Drake, the one Bartholomew Island, because he came thither on that Saint's day; and the other *Penguin Island*, upon which we powdered [salted] three tons (!) of *penguins* for the victualling of our ship;' cf. Hakluyt, Voy. iii. 805, 806, 849. We find in the same, iii. 161: 'Insula est ea, quam vestri *Penguin* vocant, ab auium eiusdem nominis multitudine,' in a letter dated Aug. 6, 1583. The etymology is open to the objection that the penguin's head is black, but the name may have been transferred to the penguin from the great auk, which has white patches below its eyes, or the puffin, with a whitish head. 2. Another story (in Littre) is that some Dutchmen, in 1598, gave the name to some birds seen by them in the straits of Magellan, intending an allusion to L. *pinguis*, fat. But this will not account for the suffix -*in*, and is therefore wrong; besides which the 'Dutchmen' turn out to be Sir F. Drake's men, some of whom named the island at least 20 years earlier than the date thus assigned. The F. *pingouin* is derived from the E. word.

**PENINSULA**, a piece of land nearly surrounded by water. (L.) Cotgrave has '*peninsule*, a peninsula.' —L. *pēninsula*, a piece of land nearly an island. —L. *pēn-e*, *pæn-e*, almost; and *insula*, an island; see Isle. Der. *peninsul-ar*, *peninsul-ate*.

**PENITENT**, repentant, sorry for sin. (F.—L.) ME. *penitent*, Chaucer, C. T. Persones Tale (I 81). —OF. *penitent*, 'penitent;' stem of pres. part. of *pēnitēre*, to cause to repent, frequentative form of *pēnīre*, the same as *punīre*, to punish; see Punish. Der. *penitent-ly*; *penitence*, OEng. Homilies, ed. Morris, ii. 61, l. 5 (doublet, *penance*); *penitent-i-al*, *penitent-i-al-ly*, *penitent-i-ar-y*.

**PENNON, PENNANT**, a small flag, banner, streamer. (F.—L.) *Pennant* is merely formed from *pennon* by the addition of *t* after *n*, as in *ancien-t*, *tyran-t*. It occurs in Drayton, Battle of Agincourt, st. 70. *Pennon* is in Shak. Hen. V, iii. 5. 49. ME. *penon*, *pennoun*, Chaucer, C. T. 980 (A 978). —MF. *pennon*, 'a pennon, flag, streamer; les *pennons d'une fleiche*, the feathers of an arrow;' Cot. [Cf. Span. *pendon*, a banner (with excrescent *d*); Ital. *pennone*, a pennon, of which the old meaning was 'a great plume or bunch of feathers' (Florio).] Formed, with suffix -*on*, from L. *penna*, a wing, feather; whence the sense of 'plume,' and lastly, of streamer or standard. See Pen (2). Der. *pennon-cel*, a dimin. form, from MF. *pennoncelet*, 'a pennon on the top of a lance, a little flag or streamer;' Cot.

**PENNY**, a copper coin, one twelfth of a shilling. (L. ? with E. suffix.) Formerly a silver coin; the copper coinage dates from A. D. 1665. ME. *peni*, Havelok, 705; pl. *penies*, Havelok, 776, also *pens* (pronounced like mod. E. *pence*) by contraction, P. Plowman, B. v. 243. The mod. E. *pence* is due to this contracted form. AS. *pening*, a penny, Mark, xii. 15, where the Camb. MS. has *penig*, by loss of *n* before *g*; the further loss of the final *g* produced ME. *peni*. A by-form is *pending* (A. D. 833), Thorpe, Diplomatarium, p. 471, l. 26; as if formed from the base *pand-* with dimin. suffix -*ing*. β. This *pand* = Du. *pand*, a pawn, pledge, OHG. *pfant*, G. *pfand*; a word possibly of L. origin; see Pawn (1). In this view, a *penny* is a little pledge, 'a token.' + Du. *penning*; Icel. *penningr*; Dan. and Swed. *penning*; G. *pfennig*, OHG. *phantinc*, *phentinc*, from *pfant*. Der. *penny-weight*, *penny-worth*, *penni-less*.

**PENNY-ROYAL**, a herb. (F.—L.) In Sir T. Elyot, Castel of Helth, b. ii. c. 9, it is spelt *penyryall*; but the first part of the word is a singular corruption of the old name *puliol* or *puliall*; we find Cotgrave translating MF. *pulege* by 'penny royall, puliall royall,' the name being really due to L. *pūleium rēgium*, penny-royal (Pliny, b. xx. c. 14), a name given to the plant (like E. *flea-bane*) from its supposed efficacy against fleas; from L. *pūlex*, a flea. The form *pūleium* is short for *pūlegium*, whence the dimin. \**pūlegi-olum* > OF. *puliol*, whence ME. *puliol*. And *rēgium* is the neuter of *rēgius*, royal; from *rēg-*, stem of *rex*, a king. See Puce and Royal. So also 'Origanum, puliol real, wde-minte,' i.e. wood-mint; Voc. 557. 20.

**PENSILE**, suspended. (F.—L.) 'If a weighty body be *pensile*;'

Bacon, Nat. Hist. § 763. — MF. *pensil*, 'sleightly hanging'; Cot. — L. *pensilis*, pendent; from \**pens-um*, unused supine of *pendere*, to hang; see **Pendant**.

**PENSION**, a stated allowance, stipend, payment. (F.—L.) In Shak. K. Lear, ii. 4. 217; *pençyon* in Palsgrave. — F. *pension*, 'a pension'; Cot. — L. *pensionem*, acc. of *pensio*, a payment. — L. *pensio*, pp. of *pendere*, to weigh, weigh out; pay; orig. to cause to hang, and closely connected with *pendere*, to hang; see **Pendant**. Der. *pension*, vb., *pension-er*, Mid. Nt. Dr. ii. 1. 10; *pension-ar-y*. And see **Pensive**.

**PENSIVE**, thoughtful. (F.—L.) ME. *pensif*, Gower, C. A. ii. 65; bk. iv. 1906. — F. *pensif*, 'pensive'; Cot. Formed, as if from a L. \**pensivus*, from *pensare*, to weigh, ponder, consider; intensive form of *pendere* (pp. *pensus*), to weigh; see **Pension**. Der. *pensive-ly*, -ness. And see **Pansy**.

**PENT**, for *penned*, pp. of **Pen** (1), q. v.

**PENTACLE**, a magical figure. (F.—Gk.) 'Their raven's wings, their lights, and *pentacles*;' B. Jonson, The Devil an Ass, i. 2. 8. See Nares. — OF. *pentacle*, a pentacle; also, a candlestick with five branches. Variant of ME. *pentangel*, in the same sense, Gawain and the Grene Knight, 620. — Gk. *πέντε*, five, cognate with E. *five*; and L. suffix *-aculum* (cf. Mital. *pentacolo* in Florio), in place of L. *angulus*, an angle, as in *rect-angle*. ¶ Ignorance of Gk. caused the substitution of a *pentacle* with six points for the *pentangle* of five points; see Notes on Eng. Etym., p. 212.

**PENTAGON**, a plane figure having five angles. (F.—L.—Gk.) The adj. *pentagonal* is in Minshew, ed. 1627. — F. *pentagone*, 'five-cornered'; Cot. — L. *pentagōnus*, *pentagōnius*, pentagonal. — Gk. *πεντάγωνος*, pentagonal; neut. *πεντάγωνον*, a pentagon. — Gk. *πέντα*, for *πέντε*, five, cognate with E. *five*; and *γωνία*, a corner, angle, lit. a bend, from *γώνυ*, a knee, cognate with E. *knee*. See **Five** and **Knee**. Der. *pentagon-al*.

**PENTAMETER**, a verse of five measures. (L.—Gk.) In Skelton's Poems, ed. Dyce, i. 193, l. 6. — L. *pentameter*. — Gk. *πεντάμετρος*. — Gk. *πέντα*, for *πέντε*, five, cognate with E. *five*; and *μέτρον*, a metre. See **Five** and **Metre**.

**PENTATEUCH**, the five books of Moses. (L.—Gk.) In Blount's Gloss., ed. 1674. Spelt *pentateuches* in Minshew, ed. 1627; *pentatheukes* in Palsgrave. — L. *pentateuchus*. — Gk. *πέντα*, for *πέντε*, five, cognate with E. *five*; and *τέυχος*, a tool, implement, in late Gk., a book. Hence applied to the collection of the five books of Moses. β. *Τέυχος* is allied to *τεύχειν*, to prepare, get ready, make; allied to *τύκος*, *τύχος*, an instrument for working stones with, a mason's pick or hammer, whence *τυκίζειν*, to work stones. Brugmann, i. § 780. Der. *pentateuch-al*.

**PENTECOST**, Whitsuntide; orig. a Jewish festival on the fiftieth day after the Passover. (L.—Gk.) ME. *pentecoste*, OEng. Homilies, ed. Morris, i. 89, l. 5. AS. *pentecosten*, rubric to John vi. 44. — L. *pentēcostēn*, acc. of *pentēcostē*. — Gk. *πεντηκοστή*, Pentecost, Acts, ii. 1; lit. fiftieth, fem. of *πεντηκοστός*, fiftieth (*ἡμέρα*=day, being understood). — Gk. *πεντήκοντα*, fifty. — Gk. *πεντη*, for *πέντε*, five; and *-κοντα*, tenth. Again, *-κοντα* is short for \**δέκοντα*, tenth, from *δέκα*, ten, cognate with E. *ten*. See **Five** and **Ten**. Der. *pentecost-al*.

**PENTHOUSE**, a shed projecting from a building. (F.—L.) In Shak. Much Ado, iii. 3. 110. A corruption of *pentice* or *pentis*, due to an effort at making sense of one part of the word at the expense of the rest, as in the case of *crayfish*, &c. ME. *pentice*, *pentis*. 'Pentice of an howse ende, *Appendicium*;' Prompt. Parv. Caxton, in the Boke of the Fayt of Armes, explains how a fortress ought to be supplied with fresh water, cisterns being provided 'where men may receiue inne the rayne-watres that fallen doune along the thackes of *thappentyzes* and houses;' Part ii. c. 17 (Way's note). Here *thackes*=thatches; and *thappentyzes*=the *appentices*, showing that *pentice* stands for *apentice*, the first syllable having been dropped, as in *peal* for *appeal*. Way further quotes from Palsgrave: 'Penthouse of a house, *appentis*;' and from the Catholicon: 'A pentis, *appendix*, *appendicium*.' Also spelt *pendize*, Met. Homilies, ed. Small, p. 63. The AF. pl. *pentyz* occurs in Liber Albus, p. 271; and *appentices*, pl., at p. 288. — MF. *apentis*, *appentis*, 'a penthouse'; Cot. — L. *appendicium*, an appendage; allied to *appendix*, an appendage; see **Append**. ¶ Thus a *penthouse* is an 'appendage' or out-building. See the next word.

**PENTROOF**, a roof with a slope on one side only. (Hybrid; F.—L. and E.) Given in Cent. Dict. I notice it because the F. original of this *pent-* may have affected the sense of *penthouse*. Compounded of F. *pente*, a slope; and E. *roof*. The F. *pente* is formed from *pendre*, to hang, like *vente* from *vendre*, to sell. — L. *pendere*, to hang; see **Pendant**.

**PENULTIMATE**, the last syllable but one. (L.) A grammatical term; coined from L. *pæn-e*, almost; and *ultima*, fem., last. See **Uterior**. Der. *penult*, the contracted form.

**PENUMBRA**, a partial shadow beyond the deep shadow of an eclipse. (L.) In Kersey, ed. 1721. Coined from L. *pæn-e*, almost; and *umbra*, a shadow. See **Umbrella**.

**PENURY**, want, poverty. (F.—L.) 'In great *penury* and misery;' Fabyan's Chron. vol. i. c. 157. 'For lacke and *penurye*;' Caxton, Golden Legend, Moses, § 17. — MF. *penurie*, 'penury'; Cot. — L. *pēnūria*, want, need. Allied to Gk. *πείνα*, hunger. Der. *penurious* (Levins); *penuri-ous-ness*.

**PEON**, a foot-soldier, orderly, messenger. (Port.—L.) See quotations in Yule. [Also, in Span. America, a serf; from the cognate Span. *peon*.] — Port. *pião*, a pawn at chess; one of the lower people. — Late L. *pedōnem*, acc. of *pedo*, a foot-soldier; see **Pawn** (2). Altered to the Span. spelling.

**PEONY**, **PÆONY**, a plant with beautiful crimson flowers. (L.—Gk.) The mod. E. *peony* answers to the AS. *peonie*, Leechdoms, i. 168; L. *παῶνια*. [The ME. forms were *pione*, *pioine*, *plane*, *planie*; P. Plowman, A. v. 155; B. v. 312; later, *peony*, Palsgrave. — OF. *pione* (mod. F. *pivoine*); Littré.] — L. *παῶνια*, medicinal, from its supposed virtues; fem. of *παῶνιος*, belonging to *Παῶν*, its supposed discoverer. — Gk. *Παῖών*, *Paëon*, the god of healing. See **Pæan**.

**PEOPLE**, a nation, the populace. (F.—L.) ME. *peple*, P. Plowman, A. i. 5; spelt *poeppe*, id. B. i. 5; spelt *peple*, *poeppe*, *pupe*, Chaucer, C. T. 8871 (Six-text, E. 995). [The spelling with *co* or *oe* is due to AF. *people*, *poeppe* (later *péple*).] — OF. *puéple*, mod. F. *peuple*, people. — L. *populum*, acc. of *populus*, people. β. *Populus* appears to be a reduplicated form; cf. L. *plē-bēs*, people. Allied to *plē-nus*, full, E. *full*. See *σίμπλημι* in Prellwitz. And see **Populace**.

**PEPPER**, the fruit of a plant, with a hot pungent taste. (L.—Gk.—Skt.) ME. *peper* (with only two *p*'s), P. Plowman, B. v. 312. AS. *pipor*; A. S. Leechdoms, ed. Cockayne, iii. 341. — L. *piper*. — Gk. *πέπερι*. — Skt. *pippalī* (1) long pepper; (2) the fruit of the holy fig-tree; Benfey, p. 552. Cf. Pers. *pūpul*, pepper; Palmer's Dict. col. 114. Der. *pepper-corn*, *pepper-mint*.

**PEPSINE**, one of the constituents of the gastric juice, helpful in the process of digestion. (F.—Gk.) From mod. F. *pepsine*, formed with suffix *-ine* from Gk. *πέψω*, base of *πέψις*, digestion; for \**πέπτισ* < \**pēq-tis*, related to *πέπτειν*, to cook. (✓PEQ). See **Cook**. Der. So also *pept-ic*, i. e. assisting in digestion, from Gk. *πεπτικός*; whence *dys-peptic*.

**PER-**, prefix, through. (L.) L. *per*, through; whence F. *per-*, *par-*, as a prefix. Orig. used of spaces traversed; allied to Gk. *παρά*, *pár*, by the side of, Skt. *parā*, away, from, forth, *param*, beyond, and to E. *from*. Also to Goth. *fair-*, G. *ver-*, prefix. The prefixes *para-* and *peri-*, both Gk., are nearly related. See Curtius, i. 334, 338.

**PERADVENTURE**, perhaps. (F.—L.) The *d* before *v* is an insertion, as in *adventure*. ME. *peraventure* (with *u=v*), Rob. of Glouc. p. 358, l. 7373; often shortened to *perauinter* or *paraunter*, spelt *parauntre* in the same passage, in MS. Cotton, Calig. A. xi. — F. *par*, by; and *aventure*, adventure. — L. *per*, through, by; and see **Adventure**.

**PERAMBULATE**, to walk through or over. (L.) Prob. made from the earlier sb. *perambulation*; Lambarde's 'Perambulation of Kent' was printed in 1576. Cf. L. *perambulātus*, pp. of *perambulāre*, lit. to walk through. — L. *per*, through; and *ambulāre*, to walk; see **Per-** and **Amble**. Der. *perambulat-ion*; also *perambulat-or*, an instrument for measuring distances, as in Phillips, ed. 1706, but now used to mean a light carriage for a child, and sometimes shortened to *pram*.

**PERCEIVE**, to comprehend. (F.—L.) ME. *perceyuen* (with *u=v*), also *parceyuen*, P. Plowman, B. xviii. 241. — OF. *perceiv-*, stressed stem of *percevoir* (Godefroy). Cot. gives only the MF. pp. *perceu*. [The mod. F. has the comp. *apercevoir*, with the additional prefix *a-* < L. *ad*.] — L. *percipere*, to apprehend. — L. *per*, through, thoroughly, and *capere*, to take, receive. See **Per-** and **Capacious**. Der. *perceiv-er*, *perceiv-able*. Also *percept-ion*, from F. *perception*, 'a perception' (Cot.), from L. *perceptionem*, acc. of *perceptio*, like the pp. *perceptus*; also *percept-ive*, *percept-ive-ly*, *percept-iv-i-ty*, *percept-ive-ness*; *percept-ible*, F. *perceptible*, 'perceptible' (Cot.), from L. *perceptibilis*, perceivable; *percept-ibl-y*, *percept-ibil-i-ty*. Also *per-cipient*, from the stem of the pres. part. of *percipere*.

**PERCH** (1), a rod for a bird to sit on; a long measure of five and a half yards. (F.—L.) The orig. sense is 'rod'; whether for measuring or for a bird's perch. ME. *perche*, Chaucer, C. T. 2206 (A 2204). — F. *perche*, 'a perch'; Cot. — L. *peritica*, a pole, bar, measuring-rod. Der. *perch*, vb., Rich. III, i. 3. 71, ME. *perchen*, Chaucer, Ho. Fame, 1901; *perch-er*.

**PERCH** (2), a fish. (F.—L.—Gk.) ME. *perche*, Prompt. Parv. p. 393; King Alisaunder, 5446. — F. *perche*. — L. *perca*. — Gk. *πέρκω*, a perch; so named from its dark marks. — Gk. *πέρκος*, *πέρκνος*, spotted, blackish. + Skt. *pr̥ṣni-*, spotted, pied, esp. of cows; Curtius, i. 340. β. Further allied to OHG. *forh-ana*, G. *for-elle*, AS. *for-u*, a trout.

**PERCHANCE**, by chance. (F.—L.) In Shak. Temp. ii. 2. 17; ME. *parchaunce*, Hampole, Priek of Conscience, 2489. [Another ME. phrase is *per cas* or *parcas*, Chaucer, C. T. 12819 (C 885); from F. *par cas*; see **CASO**.]—F. *par*, by; and *chance*, chance; see **Per-** and **Chance**.

**PERCIPIENT**; see under **PORCEIVE**.

**PERCOLATE**, to filter through. (L.) In Bacon, Nat. Hist. § 396. Prob. suggested by the sb. *percolation*, in Bacon, Nat. Hist. § 3.—L. *percolatus*, pp. of *percolare*, to strain through a sieve.—L. *per*, through; and *colare*, to filter, from *colum*, a filter. See **Per-** and **Colander**. Der. *percolat-ion*, *percolat-or*.

**PERCUSSION**, a shock, quick blow. (L.) Bacon has *percussion*, Nat. Hist. § 163; *percussus*, id. 164; *percutient*, id. 190. Formed, by analogy with F. sbs. in *-ion*, from L. *percussio*, a striking.—L. *percussus*, pp. of *percutere*, to strike violently.—L. *per*, thoroughly; and *quater*, to shake, which becomes *-cutere* in compounds. See **Quash**. Der. *percuss-ive*; *percuti-ent*, from the stem of the pres. participle.

**PERDITION**, utter loss or destruction. (F.—L.) ME. *perdicoun*, Wyclif, 2 Pet. ii. 1.—F. *perdition*; Cot.—L. *perditionem*, acc. of *perditio*, destruction; cf. L. *perditus*, pp. of *perdere*, to lose utterly, to destroy.—L. *per*, thoroughly, or away; and *-dere*, to put, place, representing Idg. \**dha*, weak grade of √DIE, to place; see **DO**. ¶ [L. *per-dere* = E. *do for*. Der. *perd-u*, hidden; from F. *perdu*, pp. of *perdre*, to lose, from L. *perdere*.

**PERDURABLE**, long-lasting. (F.—L.) In Shak. Othello, i. 3. 343; Chaucer, C. T. B 2699.—OF. *perdurable*, 'perdurable, perpetual'; Cot.—L. *perdurā-re*, to endure; with suffix *-ilis*.—L. *per*, through, throughout; *durare*, to last, from *durus*, hard, lasting. See **Dure**. Der. *perdurabl-y*, *perdura-bili-ty*.

**PEREGRINATION**, travel, wandering about. (F.—L.) In Cotgrave.—F. *peregrination*, 'peregrination'; Cot.—L. *peregrinātiōnem*, acc. of *peregrinatio*, travel.—L. *peregrināri*, to travel.—L. *peregrinus*, foreign, abroad; see **Pilgrim**. Der. *peregrinate*, verb, rare, from L. pp. *peregrinatus*; *peregrinat-or*. Also *peregrinate*, adj., L. L. v. 1. 15.

**PEREMPTORY**, authoritative, dogmatical. (F.—L.) In Spenser, F. Q. iii [not iv]. 8. 16. AF. *peremptorie*, Liber Albus, p. 217; MF. *peremptoire*, 'peremptory'; Cot.—L. *peremptorius*, destructive; hence, decisive.—L. *peremptor*, a destroyer; cf. L. *peremptus*, pp. of *perimere*, older form *peremere*, to take entirely away, destroy.—L. *per*, away (like Skt. *parā*, from); and *emere*, to take, also to buy. See **Per-** and **Example**. Der. *peremptori-ly*, *-ness*.

**PERENNIAL**, everlasting. (L.) In Evelyn's Diary, Nov. 8, 1644. Coined by adding *-al* (= L. *-ālis*) to *perenni*, for *perennis*, everlasting, lit. lasting through the year.—L. *per*, through; and *annus*, a year, which becomes *enni-* in compounds. See **Per-** and **Annual**. Der. *perennial-ly*.

**PERFECT**, complete, whole. (F.—L.) ME. *parfit*, *perfit*, Chaucer, C. T. 72. [The word has since been conformed to the L. spelling.]—OF. *parfit*, *parfeit*, ME. *parfait* (Cot.); mod. F. *parfait*.—L. *perfectus*, complete; orig. pp. of *perficere*, to complete, do thoroughly.—L. *per*, thoroughly; and *-ficere*, for *facere*, to make. See **Per-** and **Fact**. Der. *perfect-ly*, *-ness*; *perfect*, vb., Temp. i. 2. 79; *perfect-ible*, *perfect-ibil-i-ty*; *perfect-er*; *perfect-ion*, ME. *perfection*, Ancren Riwe, p. 372, l. 9, from F. *perfection*; *perfection-ist*.

**PERFIDIOUS**, faithless, treacherous. (L.) In Shak. Temp. i. 2. 68. Not a F. word, but formed (by analogy with words of F. origin) directly from L. *perfidiosus*, treacherous.—L. *perfidia*, treachery.—L. *perfidus*, faithless, lit. one that goes away from his faith.—L. *per*, away (like Skt. *parā*, from); and *fidēs*, faith. See **Per-** and **Faith**. Der. *perfidious-ly*, *-ness*; also *perfid-y* in Phillips, ed. 1706, F. *perfidie*, in Molière (Littre), from L. *perfidia*.

**PERFOLIATE**, having the stem passing through the leaf. (L.) 'Perfoliata, the herb thorough-wax'; Phillips, ed. 1706. Botanical.—L. *per*, through; and *foli-um*, a leaf; with suffix *-ate* (= L. pp. suffix *-ātus*). See **Per-** and **Folio**. ¶ Cf. MF. *perfoliate*, 'through-wax, an herb'; Cot.

**PERFORATE**, to bore through. (L.) Bacon uses *perforate* as a pp., Nat. Hist. § 470. 'A cros perforatid,' Book of St. Albans, pt. ii, fol. c 3.—L. *perforatus*, pp. of *perforare*, to bore through.—L. *per*, through; and *forare*, to bore, cognate with E. *bore*. See **Per-** and **Bore** (1). Der. *perforat-ion*, *-or*.

**PERFORCE**, by force, of necessity. (F.—L.) In Spenser, F. Q. i. 8. 38; spelt *parforce*, Lord Berners, tr. of Froissart, vol. ii. c. 38 (R.).—F. *par*, by (< L. *per*); and *force*, force. See **Per-** and **Forco**.

**PERFORM**, to achieve. (F.—OHG.; with L. prefix). ME. *parfournen*, P. Plowman, B. v. 607; *perfourmen*, Wyclif, John, v. 36.—OF. *parfournir*, 'to perform, consummate, accomplish'; Cot.—F. *par* (< L. *per*), thoroughly; and *fournir*, to provide, furnish, a word of OHG. origin. See **Per-** and **Furnish**. ¶ The ME.

form *parfournen* is thus accounted for; the ME. *parfourmen* is prob. due to association with *form*, with which it has no real connexion. Der. *perform-er*; *perform-ance*, Macb. ii. 3. 33, a coined word.

**PERFUME**, to scent. (F.—L.) The verb is the original word, and occurs in Shak. Temp. ii. 1. 48.—F. *parfumer*, 'to perfume'; Cot. Lit. 'to smoke thoroughly'.—F. *par* (< L. *per*), through; and *fumer*, to smoke, from L. *fumare*, vb. formed from *fumus*, smoke. See **Per-** and **Fume**. Der. *perfume*, sb., F. *parfum*; *perfum-er-y*.

**PERFUNCTORY**, done in a careless way. (L.) 'In a careless *perfunctory* way'; Howell, Foreign Travel, § 4, ed. Arber, p. 27. Englished from L. *perfunctōrius*, done in a careless way, done because it must be done; allied to *perfunctus*, pp. of *perfungi*, to perform, discharge thoroughly.—L. *per*, thoroughly; and *fungi*, to perform. See **Per-** and **Function**. Der. *perfunctori-ly*, *-ness*.

**PERHAPS**, possibly. (Hybrid; L. and Scand.) In Hamlet, i. 3. 14. A clumsy compound, which took the place of the ME. *per cas*, and formed also on the model of *perchance*; see **Perchance**. The *per* is rather from the F. *par* than the L. *per*, but it makes no difference. *Haps* is the pl. of *hap*, a chance, a word of Scand. origin. See **Hap**. Spelt *perhapis*, Roy, Rede me, ed. Arber, p. 98.

**PERI**, a fairy. (Pers.) See Moore's poem of 'Paradise and the Peri,' in Lalla Rookh.—Pers. *pari*, a fairy; Palmer's Pers. Dict. col. 112. See Horn, § 310.

**PERI-**, prefix, round, around. (Gk.) Gk. *περί*, around, about. + Skt. *pari*, round about. Also allied to L. *per-* in *permagnum*, &c.

**PERIANTH**, the floral envelope, whether calyx or corolla, or both. (Gk.) Botanical.—Gk. *περί*, around; and *άνθος*, flower.

**PERIAPT**, an amulet. (F.—Gk.) In Shak. i Hen. VI, v. 3. 2.—MF. *periaple*, 'a medicine hanged about any part of the body'.—Gk. *περιάπτων*, an amulet; neut. of *περιάπτω*, fitted or fastened round.—Gk. *περιάπτειν*, to fasten round.—Gk. *περί*, round; *ἄπτειν*, to fasten.

**PERICARDIUM**, the sac which surrounds the heart. (L.—Gk.) In Phillips, ed. 1706. Anatomical.—Late L. *pericardium*.—Gk. *περικάρδιον*, the membrane round the heart.—Gk. *περί*, round; and *καρδία*, cognate with E. *heart*. See **Peri-** and **Heart**.

**PERICARP**, a seed-vessel. (Gk.) Botanical.—Gk. *περικάρπιον*, the shell of fruit.—Gk. *περί*, round; and *καρπός*, fruit, allied to E. *harvest*. See **Peri-** and **Harvest**.

**PERICRANIUM**, the membrane that surrounds the skull. (Late L.—Gk.) The pl. *pericraniums* occurs in Beaum. and Fletcher, The Chances, iii. 2. 10.—Late L. *pericranium*.—Gk. *περικράνιον*, neut. of *περικράνιος*, passing round the skull.—Gk. *περί*, round; and *κρανίον*, the skull. See **Peri-** and **Cranium**.

**PERIGEE**, the point of the moon's orbit nearest the earth. (F.—L.—Gk.) Scientific. In Blount's Gloss., ed. 1674. Opposed to *apogee*.—MF. *perigée*; Cot.—Late L. *perigæum*.—Late Gk. *περίγειον*, neut. of *περίγειος*, near the earth. Coined from Gk. *περί*, about (here near); and *γη*, the earth, which appears in *geo-graphy*, &c.

**PERIHELION**, the point of a planet's orbit nearest the sun. (Gk.) Scientific. In Phillips, ed. 1706. Opposed to *aphelion*.—Gk. *περί*, around (here near); and *ήλιος*, the sun. See **Peri-** and **Aphelion**.

**PERIL**, danger. (F.—L.) ME. *peril*, Ancren Riwe, p. 194, l. 24.—OF. *peril*, 'perill'; Cot.—L. *periculum*, *periculum*, danger; lit. a trial, proof.—L. *periri*, to try, an obsolete verb of which the pp. *peritus*, experienced, is common. β. Allied to Gk. *πειράω*, I try, prove, *περάω*, I press through, pass through, as well as to Goth. *faran*, to travel, fare; see **Fare**. Thus a *peril* is a trial which one passes through. Der. *peril-ous*, Chaucer, C. T. 13925 (B 3109); *peril-ous-ly*, *-ness*.

**PERIMETER**, the sum of the lengths of all the sides of a plane figure. (L.—Gk.) Lit. the 'measure round.' In Blount's Gloss., ed. 1674.—L. *perimetros* (Lewis).—Gk. *περίμετρος*, the circumference of a circle; hence, the perimeter of a plane figure.—Gk. *περί*, round; and *μέτρον*, a measure; see **Peri-** and **Metre**.

**PERIOD**, the time of a circuit, date, epoch. (F.—L.—Gk.) In Shak. it often means 'conclusion, end'; Rich. III, ii. 1. 44; K. Lear, iv. 7. 97, v. 3. 204.—OF. *periode*, 'a period, perfect sentence, conclusion'; Cot.—L. *periodus*, a complete sentence.—Gk. *περίοδος*, a going round, way round, circuit, compass, a well-rounded sentence.—Gk. *περί*, round; and *ὁδός*, a way. See **Peri-** and **Exodus**. ¶ The sense of 'time of circuit' is taken directly from the orig. Gk. Der. *period-ic*; *period-ic-al* (Blount, 1674), *period-ic-al-ly*, *period-i-ci-ty*.

**PERIPATETIC**, walking about. (L.—Gk.) 'Peripatetical, that disputes or teaches walking, as Aristotle did; from whence he and his scholars were called *peripateticks*.' Blount's Gloss., ed. 1674.—L. *peripatēticus*.—Gk. *περιπατητικός*, given to walking about, esp. while disputing; Aristotle and his followers were called *περιπατητικοί*.—Gk. *περιπατέω*, I walk about.—Gk. *περί*, about; and *πατέω*, I walk; from *πάτος*, a path, which is allied to L. *pous*; see **Pontoon**.

**PERIPHERY**, circumference. (L.—Gk.) In Blount's Gloss., ed. 1674. ME. *periferie*; 'This air in *periferies* thre Devided is,' Gower, C.A. iii. 93 (bk. vii. 265); where the sidenote is: 'Nota qualiter aer in tribus *periferiis* diuiditur.'—L. *periferia*, *periphēria*.—*περιφέρεια*, the circumference of a circle.—Gk. *περί*, round; and *φέρειν*, to carry, cognate with E. *bear*. See **Peri-** and **Bear** (1).

**PERIPHRASTIC**, a roundabout way of speaking. (L.—Gk.) 'Periphrase, circumlocution;' Blount's Gloss., ed. 1674; but this is rather a F. form. 'The figure *periphrasis*;' Puttenham, Arte of Poesie, bk. iii. c. 18.—L. *periphrasis*.—Gk. *περίφρασις*.—Gk. *περί*, round; and *φρασις*, a speech, phrase. See **Peri-** and **Phrase**. Der. *periphrase*, vb.; *periphrast-ic*, adj., from Gk. *περιφραστικός*; *periphrast-ic-al*.

**PERISH**, to come to naught. (F.—L.) ME. *perisshen*, Cursor Mundi, 8789; *perischen*, Wyclif, John, vi. 27.—F. *periss-*, stem of some parts of the verb *perir*, 'to perish'; Cot. (The stem *periss-* is formed as if from a L. *\*periscere*, an imaginary inceptive form).—L. *perire*, to perish, come to naught.—L. *per*, thoroughly, but with a destructive force like that of E. *for-*; and *ire*, to go; thus *perire* = to go to the bad. *Ire* is from *√EI*, to go; cf. Skt. *i*, to go. And see **For-** (2). Der. *perish-able*, *perish-abl-y*, *perishable-ness*.

**PERITONEUM**, the membrane lining the abdominal cavity and investing its viscera. (Gk.) Late L. *peritonæum*, for Gk. *περιτόναιον*, the peritoneum; neut. of *περιτόναιος*, stretched around.—Gk. *περί*, around, and *τον-*, 2nd grade of *τεν-*, base of *τέννειν* (for *\*τέν-γειν*), to stretch. See **Tone**. Der. *periton-itis*, inflammation of the peritoneum.

**PERIWIG**, a peruke. (F.—Ital.—L.) In Shak. Two Gent. iv. 4. 196. The *i* after *r* is corruptly inserted; Minshew, ed. 1627, gives the spellings *perwigge* and *perwicke*. Of these forms, *perwigge* is a weakened form of *perwicke* or *perwick*; and *perwick* is a corrupted form of *peruke* or *perruque*; see **Perruque**. Du Wes has: 'the *perwyke*, la *perrucque*;' Supp. to Palsgrave, p. 902, col. i. β. The form *periwig* gave rise to a notion that *peri-* was a prefix, like Gk. *περί*; see **Peri-**. Hence, it was sometimes dropt, the resulting form being *wig*. See **Wig**.

**PERIWINKLE**, (1), a genus of evergreen plants. (L.) Formed with dimin. suffix *-le*, and insertion of *i*, from ME. *peruinke* (= *per-venke*), a periwinkle; Polit. Songs, ed. Wright, p. 218, l. 11. AS. *peruince*, as a gloss to L. *uinca*, in Voc. 322. 32.—L. *peruinca*, also called *uinca peruinca*, or (in one word) *uinca peruinca* (Lewis). β. The name was doubtless orig. given to a twining plant, as it is clearly allied to *uincere*, to bind; the prefix *per* being the usual L. prep.

**PERIWINKLE** (2), a small univalve mollusc. (E.; with Gk. prefix.) In Levins; and Palsgrave has: '*Periwinckle*, a shellysshe.' A corrupt form, due to a confusion with the word above. The best name is simply *winckle*, as in Holland, tr. of Pliny, b. ix. c. 32. *Periwinckle* is in Drayton, Polyolbion, song 25, l. 190; and is a corruption of the AS. name *pinewincla*; cf. 'sā-snāel, vel pinewinclan,' i.e. sea-snail, or periwinkles, in Voc. 122. 24. Cf. prov. E. *pennywinckle*, a periwinkle (E. D. D.); directly from AS. *pinewincla*. The prefix *pine-* is from L. *pina*, Gk. *πῖνα*, a kind of mussel. See **Winkle**.

**PERJURE**, to forswear (oneself), swear falsely. (F.—L.) The prefix has been conformed to the L. spelling. Shak. has *perjured*, Oth. v. 2. 63; also *perjure*, to render perjured, Antony, iii. 12. 30; also *perjure*, a perjured person, L. L. L. iv. 3. 47; *perjury*, L. L. L. iv. 3. 62. Skelton has *pariured*, perjured; How the Douty Duke of Albany, &c., l. 125. So also in Dictes and Sayings, pr. by Caxton, fol. 6, l. 10.—F. *parjurer*; whence *se parjurer*, 'to forswear himself'; Cot. Cf. F. *parjure* (also MF. *perjure*), a perjured person; Cot.—L. *periūrāre*, to forswear; *periūrus*, a perjured person.—L. *per-*, prefix used in a bad sense, exactly equivalent to the cognate E. *for-* in *forswear*; and *iūrāre*, to swear. See **Per-** and **Jury**. Der. *perjury*, AF. *perjurie*, Philip de Thaum, Bestiary, 1310, from L. *periūrium*; *perjur-er*.

**PERK**, to make smart or trim. (F.—L.) 'To be *perked up* [dressed up] in a glistering grief;' Hen. VIII, ii. 3. 21. Prov. E. *perk*, a perch; also, to perch, sit; *perk up*, to become brisk; *perked up*, elated; see E. D. D. [Cf. W. *perc*, compact, trim; *percu*, to trim, to smarten; *percus*, smart; prob. from E.] ME. *perken*, to trim its feathers, as a bird; 'The papeiayes *perken*' (another MS. *perchyn*); The Pistill of Susan, 81 (S. T. S.). From the sb. *perke*, a perch; cf. 'an hawk's *perke*,' Cavendish, Life of Wolsey, p. 81; ed. F. S. Ellis.—North F. *perque* (Norm. dial. *perque*, Moisy), a perch.—L. *pertica*, a perch. See **Perch** (1).

**PERMANENT**, enduring. (F.—L.) In Spenser, F. Q. vii. 6. 2; and in Skelton's Poems, ed. Dyce, i. 199, l. 19.—F. *permanent*, 'permanent'; Cot.—L. *permanent-*, stem of pres. part. of *permanēre*, to endure.—L. *per*, thoroughly; and *manēre*, to remain. See **Per-** and **Mansion**. Der. *permanent-ly*; *permanence*.

**PERMEATE**, to penetrate and pass through small openings or pores, pervade. (L.) In Phillips, ed. 1706. Sir T. Browne has

'*permeant parts*,' Vulg. Errors, b. ii. c. 5. § 8 (in speaking of gold).—L. *permeātus*, pp. of *permeāre*, to pass through.—L. *per*, through; and *meāre*, to pass, go. See Gk. *μεῖρος* in Prellwitz. Der. *permeation*; *permeant* (from the stem of the pres. part.); *permea-ble*, from L. *permeābilis*.

**PERMIAN**, an epithet given to a certain system of rocks. (Russian.) So named from *Perm*, in E. Russia (ab. 1841).

**PERMIT**, to let go, let pass, allow. (L.) In Skelton, Magnificence, l. 58. 'Yet his grace . . . wolde in no wise *permyt* and suffire me so to do;' State Papers, vol. i. Wolsey to Henry VIII, 1527 (R.).—L. *permittere* (pp. *permissus*), to let pass through, lit. to send through.—L. *per*, through; and *mittere*, to send; see **Per-** and **Mission**. Der. *permit*, sb.; also (like pp. *permissus*) *permiss-ible*, *permiss-ibl-y*, *permiss-ion*, Oth. i. 3. 340; *permiss-ive*, Meas. for Meas. i. 3. 38; *permiss-ive-ly*.

**PERMUTATION**, exchange, various arrangement. (F.—L.) ME. *permutacion*, P. Plowman, B. iii. 256.—F. *permutation*, 'permutation'; Cot.—L. *permutātionem*, acc. of *permutatio*, a changing.—L. *permutāre*, to change, exchange.—L. *per*, thoroughly; and *mutāre*, to change; see **Per-** and **Mutation**. Der. *permute*, vb., P. Plowman, B. xiii. 110, from L. *permutāre*; *permut-able*, *permut-abl-y*, *permutable-ness*.

**PERNICIOUS**, hurtful, destructive. (F.—L.) In Shak. Meas. for Meas. ii. 4. 150; *pernyciouse*, Sir T. Elyot, Castel of Helth, bk. ii. c. 3.—F. *pernicieux*, 'pernicious'; Cot.—L. *perniciōsus*, destructive.—L. *perniciēs*, destruction.—L. *per*, thoroughly; and *nici-*, for *neci-*, decl. stem of *nex*, violent death. See **Internecine**. Der. *pernicious-ly*, *-ness*.

**PERORATION**, the conclusion of a speech. (F.—L.) In Shak. 2 Hen. VI, i. 1. 105.—F. *peroration*, 'a peroration'; Cot.—L. *perorātionem*, acc. of *peroratio*, the close of a speech.—L. *perorāre*, to speak from beginning to end, also, to close a speech.—L. *per*, through; and *orāre*, to speak; see **Per-** and **Oration**.

**PERPENDICULAR**, exactly upright. (F.—L.) ME. *perpendicularer*, Chaucer, On the Astrolabe, pt. ii. § 23, l. 28.—F. *perpendiculaire*; Cot.—L. *perpendicularis*, according to the plumb-line.—L. *perpendicularum*, a plummet; used for careful measurement.—L. *perpendere*, to weigh or measure carefully, consider.—L. *per*, through; and *pendere*, to weigh. See **Per-** and **Pension**, **Pendant**. Der. *perpendicular-ly*, *perpendicular-i-ty*. Also *perpend*, to consider, Hamlet, ii. 2. 105, from *perpendere*.

**PERPETRATE**, to execute, commit. (L.) Orig. a pp. 'Which were *perpetrate* and done;' Hall, Hen. VI, an. 31 (end).—L. *perpetrātus*, pp. of *perpetrāre*, to perform thoroughly.—L. *per*, thoroughly; and *patrāre*, to make, accomplish. Der. *perpetrat-or*, from L. *perpetrāt-or*; *perpetrat-ion*.

**PERPETUAL**, everlasting. (F.—L.) ME. *perpetuel*, Chaucer, C. T. Pers. Tale (I 137).—F. *perpetuel*, 'perpetuall'; Cot.—L. *perpetuālis*, universal; later used in same sense as *perpetuārius*, permanent.—L. *perpetuus*, continuous, constant, perpetual.—L. *perpet-*, stem of *perpes*, lasting throughout, continuous.—L. *per*, throughout; and *pet-*, as in *pet-ere*, to seek, to direct one's course. See **Per-** and **Petition**. Der. *perpetual-ly*, ME. *perpetuelly*, Chaucer, C. T. 1344 (A 1342); *perpetu-ate*, Palsgrave, from L. pp. *perpetuātus*; *perpetu-at-ion*; *perpetu-i-ty*, from F. *perpetuité*, 'perpetuity' (Cot.), from L. acc. *perpetuitatem*.

**PERPLEX**, to embarrass, bewilder. (F.—L.) 'In such *perplexed* plight;' Spenser, F. Q. iii. 1. 59. Minshew gives only the participial adj. *perplexed*, not the verb; and, in fact, the form *perplexed* was really first in use, as a translation from the French. Spelt *perplexid* in Dictes and Sayings, pr. by Caxton, fol. 1.—F. *perplex*, 'perplexed, intricate, intangled'; Cot.—L. *perplexus*, entangled, interwoven.—L. *per*, thoroughly; and *plexus*, entangled, pp. of *plectere*, to plait, braid. See **Per-** and **Plait**. Der. *perplex-i-ty*, ME. *perplexitee*, Gower, C. A. iii. 348, bk. viii. 2190, from F. *perplexité*, which from L. acc. *perplexitatem*.

**PERQUISITE**, an emolument, small gain. (L.) Applied to a special allowance as being a thing sought for diligently and specially obtained. '*Perquisite* (L. *perquisitum*) signifies, in Bracton, anything purchased, as *perquisitum facere*, lib. ii. c. 30, num. 3, and lib. iv. c. 22. *Perquisites* of Courts, are those profits that accrue to a lord of a manor, by virtue of his *Court Baron*, over and above the certain and yearly rents of his land; as, fines for copyhold, waifes, estrays, and such like;' Blount's Gloss., ed. 1674.—L. *perquisitum*, as above; properly neut. of *perquisitus*, pp. of *perquirere*, to ask after diligently.—L. *per*, thoroughly; and *quarere*, to seek; see **Per-** and **Query**.

**PERRUQUE**, variant of **Peruke**, q. v.

**PERRY**, the fermented juice of pears. (F.—L.) In Phillips, ed. 1706. '*Perrie*, drinke of peares;' Minshew, ed. 1627. ME. *pereye*; '*Piretum*, *pereye*;' Voc. 603. 11.—OF. *peré*, perry, supp. to Gode-

froy; mod. F. *poiré*, 'perry, drink made of pears;' Cot. Cf. Norm. dial. *péré*, perry (Robin). Formed with suffix *-é* (< L. *-ātus*, i.e. made of) from OF. *peire*, F. *poire*, a pear. — L. *pirum*, a pear; see **PEAR**.

**PERSECUTE**, to harass, pursue with annoyance. (F.—L.) The sb. *persecution* is older in E. than the vb., and is spelt *persecucioun* in Wyclif, Second Prologue to Apocalypse, l. 1. Shak. has *persecute*, All's Well, i. 1. 16. — MF. *persecuter*, 'to persecute, prosecute;' Cot. Formed as if from a late L. *\*persecūtāre*, from L. *persecūtus*, pp. of *persequi*, to pursue, follow after. — L. *per*, continually; and *sequi*, to follow. See **PER-** and **SEQUENCE**. Der. *persecut-ion*.

**PERSEVERE**, to persist in anything. (F.—L.) Formerly accented and spelt *perséver*, Hamlet, i. 2. 92. ME. *perseueren* (with *u = v*), Chaucer, C. T. 15585 (G 117). — OF. *perseverer*, 'to persevere;' Cot. — L. *perseuēre*, to adhere to a thing, persist in it. — L. *perseuērus*, very strict. — L. *per*, thoroughly; and *seuērus*, strict; see **PER-** and **SEVERO**. Der. *persever-ance*, ME. *perseuerance*, Aynbite of Inwytt, p. 168, l. 22, from OF. *perseverance*, L. *perseuerantia*.

**PERSIFLAGE**, light banter. (F.—L.) In Greville's Memoirs, Mar. 15, 1831 (Cent. Dict.). — F. *persiflage*, banter (1735). — F. *persifler*, to jeer. — L. *per*, through, thoroughly; *sibilāre*, to hiss, from *sibilus*, adj., hissing. See **SIBILANT**.

**PERSIMMON**, a date-plum, the fruit of a tree of the genus *Diospyros*. (N. Amer. Indian.) Chiefly in use in N. America; said to be a Virginian Indian word. 'The fruit like medlers, they call *pu'chamins*, they cast vpon hurdles on a mat, and preserve them as prunes;' Capt. Smith, Works, ed. Arber, p. 57. (The preceding sentence treats of fruits that are dried to keep.) Spelt *persimmins* in 1612; not stressed on the second syllable (N. E. D.). 'The second element is the suffix *-min*,' i.e. grain, small fruit, N. E. D. — Algonkin *pasimine*, to cause fruits to dry; from *pas*, to be dry (Cuog).

**PERSIST**, to continue steadfast, persevere. (F.—L.) In Shak. All's Well, iii. 7. 42. — F. *persister*, 'to persist;' Cot. — L. *persistere*, to continue, persist. — L. *per*, through; and *sistere*, properly to make to stand, set, a causal form from *stāre*, to stand. See **PER-** and **STAND**. Der. *persistent*, from the stem of the pres. part.; *persistence*; *persistenc-y*, 2 Hen. IV, ii. 2. 50.

**PERSON**, a character, individual, body. (F.—L.) ME. *persone*, (1) a person, Chaucer, C. T. 10339 (F 25); (2) a parson, id. 480; earlier *persun*, Ancren Riwle, p. 126, l. 15. — OF. *persone*, F. *personne*, 'a person, wight, creature;' Cot. — L. *persōna*, a mask used by an actor, a personage, character, part played by an actor, a person. The large-mouthed masks worn by the actors were so called from the resonance of the voice sounding through them; at any rate, in popular etymology. Perhaps the long *ō* in *persōna* was due to the Gk. *πρόσωπον*, a mask, a dramatic character; but Walde (whom see) connects it with Gk. *ζώνη*, a zone. As if from L. *personāre*, to sound through. — L. *per*, through; and *sonāre*, to sound, from *sonus*, sound. See **PER-** and **SOUND**. (3) Doublet, *parson*, q. v. Der. *personable*, Spenser, F. Q. iii. 4. 5; *person-age*, id. F. Q. iii. 2. 26, from MF. *personnage* (Cot.); *person-al*, Macb. i. 3. 91, from MF. *personnel*, L. *personālis*; *person-al-ly*; *personal-i-ty*, also in the contracted form *personal-ty*, with the sense of personal property; *person-ate*, Timon, i. 1. 69, from L. pp. *personātus*; *person-at-ion*, *person-at-or*; *person-i-fy*, a coined and late word, in Johnson's Dict.; whence *person-i-fic-at-ion*.

**PERSPECTIVE**, optical, relating to the science of vision. (F.—L.) Properly an adj., as in 'the perspective or optike art;' Minshew, ed. 1627; but common as a sb., accented *perspective*, in the sense of an optical glass or optical delusion; see Rich. II, ii. 2. 18; also Skelton's Poems, ed. Dyce, i. 25, l. 22. — F. *perspective*, sb. f., 'the perspective, prospective, or optike art;' Cot. — L. *\*perspectiua* (not found), sb. f., the art of thoroughly inspecting; fem. of *\*perspectiuus*, relating to inspection. — L. *perspectus*, clearly perceived, pp. of *perspicere*, to see through or clearly. — L. *per*, through; and *specere*, to see, spy. See **PER-** and **SPY**. Der. *perspective-ly*, Hen. V, v. 2. 347. And see **PERSPICACITY**, **PERSPICUOUS**.

**PERSPICACITY**, keenness of sight. (F.—L.) In Minshew, ed. 1627; and in Cotgrave. — F. *perspicacité*, 'perspicacity, quick sight;' Cot. — L. *perspicacitatem*, acc. of *perspicacitas*, sharp-sightedness. — L. *perspicaci-*, from *perspicax*, sharp-sighted; with suffix *-itās*. *Perspicax* is formed with suffix *-ax* from *perspicere*, to see through; see **PERSPECTIVE**. Der. *perspicaci-ous*, a coined word, as an equivalent to L. *perspicax*; *perspicaciously*, *-ness*. And see **PERSPICUOUS**.

**PERSPICUOUS**, evident. (L.) In Shak. Troil. i. 3. 324. Taken immediately (by change of *-us* to *-ous*, as in *arduous*, &c.) from L. *perspicuus*, transparent, clear. — L. *per*, through; and *specere*, to see, spy. Der. *perspicuous-ly*, *-ness*; also *perspicu-i-ty*, from F. *perspicuité*, 'perspicuity,' Cot.

**PERSPIRATION**, a sweating. (F.—L.) The verb *perspire* is prob. later, and due to the sb.; it occurs in Sir T. Browne, Vulg.

Errors, b. iv. c. 7. § 4: 'A man in the morning is lighter in the scale, because in sleep some pounds have *perspired*.' The sb. is in Cotgrave; *perspirable* is in Minshew, ed. 1627. — F. *perspiration*, 'a perspiration, or breathing through.' — L. *perspirātionem*, acc. of *\*perspiratio*, not given in Lewis's Dict., but regularly formed from *perspirāre*, to breathe or respire all over. — L. *per*, through; and *spirāre*, to breathe; see **PER-** and **SPIRIT**. Der. *perspirat-ory*; also *perspire*, verb, answering to L. *perspirāre*.

**PERSUADE**, to prevail on, convince by advice. (F.—L.) Common in Shak., Meas. for Meas. i. 2. 191; *persuade* in Palsgrave. — F. *persuader*, 'to persuade;' Cot. — L. *persuādere* (pp. *persuāsus*), to persuade, advise thoroughly. — L. *per*, thoroughly; and *suādere*, to advise; see **PER-** and **SUASION**. Der. *persuad-er*; also (from pp. *persuāsus*) *persuas-ible*, from F. *persuasible*, 'perswasible,' Cot.; *persuasible-ness*, *persuasibili-ty*; also *persuas-ion*, Temp. ii. 1. 235; Skelton, Garland of Laurel, l. 34, from F. *persuasion*, 'perswasion,' Cot.; *persuas-ive*, from F. *persuasif*, 'perswasive,' Cot.; *persuas-ive-ly*, *persuas-ive-ness*.

**PERT**, forward, saucy. (F.—L.) In Shak. it means 'lively, alert,' L. L. L. v. 2. 272. 'Perte, saucy,' Palsgrave, p. 320. ME. *pert*, which, however, has two meanings, and two sources; and the meanings somewhat run into one another. 1. In some instances, *pert* is certainly a corruption of *apert*, and *pertly* is used for 'openly' or 'evidently;' see Will. of Palerne, 4930, also 53, 96, 156, 180, &c. In this case, the source is the F. *apert*, open, evident, from L. *apertus*, pp. of *aperire*, to open; see **APERIENT**. 2. But we also find 'proud and *pert*,' Chaucer, C. T. 3948 (A 3950); 'stout he was and *pert*,' Li Beaus Disconus, l. 123 (Ritson). This is likewise short for F. *apert*, better spelt *appert*, 'expert, ready, prompt, active, nimble,' Cot.; OF. *appert*, *aspert* (Godefroy); from L. *expertus*, expert; see **EXPERT**. γ. It is the latter sense that now prevails. See **MALAPERT**. Der. *pert-ly*, Temp. iv. 58; *pert-ness*, Pope, Dunciad, i. 112.

**PERTAIN**, to belong. (F.—L.) ME. *partenen*, Will. of Palerne, 1419; Wyclif, John, x. 13. Not a common word. — OF. *partenir*, to pertain; in Godefroy and Burguy, but not in Cotgrave. (It seems to have been supplanted by the comp. *apartenir*; see **APPERTAIN**.) — L. *pertinēre*, to pertain. See **PERTINENT**.

**PERTINACITY**, obstinacy. (F.—L.) Phillips, ed. 1706, gives both *pertinacity* and *pertinacy*; Minshew, ed. 1627, has only the latter form, which is the commoner one in old authors, though now disused. *Pertinacity* is from F. *pertinacité*, omitted by Cotgrave, but occurring in the 15th century (Godefroy). *Pertinacy* is from F. *pertinace*, cited by Minshew, but not found in Cotgrave or Littré. β. *Pertinacity* is a coined word; *pertinacy* (F. *pertinace*) is from L. *pertinācia*, perseverance. — L. *pertināci-*, for *pertinax*, very tenacious. — L. *per*, very; and *tenax*, tenacious, from *tenēre*, to hold. See **PER-** and **TENABLE**. Der. *pertinaci-ous*, Milton, Apology for Smectymnuus (R.), a coined word, to represent L. *pertinax*, just as *perspicacious* represents *perspicax*; *pertinacious-ly*, *-ness*.

**PERTINENT**, related or belonging to. (F.—L.) In Shak. Wint. Tale, i. 2. 221. — F. *pertinent*, 'pertinent;' Cot. — L. *pertinent-*, stem of pres. part. of *pertinēre*, to belong. — L. *per*, thoroughly; and *tenēre*, to hold, cling to; see **PER-** and **TENABLE**. Der. *pertinent-ly*, *pertinence*; and see *pertinacity*.

**PERTURB**, to disturb greatly. (F.—L.) ME. *perturben*, Chaucer, C. T. 908 (A 906). — F. *perturber*, 'to perturb, disturb;' Cot. — L. *perturbāre*, to disturb greatly. — L. *per*, thoroughly; and *turbāre*, to disturb, from *turba*, a crowd. See **PER-** and **TURBID**. Der. *perturb-at-ion*, spelt *perturbacyon*, Bp. Fisher, On the Seven Psalms, Ps. 38, ed. Mayor (E. E. T. S.), p. 53, l. 21, from F. *perturbation* (Cot.), which is from L. acc. *perturbātionem*.

**PERUKE**, an artificial head of hair. (F.—Ital.—L.) The same word as *periwig*, which, however, is a corrupt form of the word; see **PERIWIG**. For the form *peruke*, R. refers to a poem by Cotton to John Bradshaw, l. 185; and Todd refers to Bp. Taylor, Artificial Handsomeness, p. 44; and Cooper's Lat. Dict. (1565) has: 'Capillamentum, A false peruke.' — F. *perruque*, 'a lock of hair;' Cot. — Ital. *parrucca*, Mital. *parucca*, 'a periwigge,' Florio; who also gives the form *perucca*. β. The same word with Span. *peluca*, a wig, Port. *peruca*; Littré also cites Sardinian *pilucca*, and other forms. The key to the etymology is in remembering the frequent interchange of *r* and *l*; the true forms are those with *l*, such as Span. *peluca*, Sardinian *pilucca*. These are closely related to Ital. *piluccare*, now used in the sense 'to pick a bunch of grapes,' but formerly 'to pick or pull out haire or feathers one by one,' Florio. γ. The true old sense of *pilucca* was probably 'a mass of hair separated from the head,' thus furnishing the material for a peruke. Cf. also Ital. *pelluzzo*, very soft down, Mital. *pellucare*, *pelucare*, 'to plucke off the haire or skin of anything, to pick out haire;' Florio. Also F. *peluche*, 'shag, plush,' Cot.; see **PLUSH**. δ. The Mital. *pelucare* and Sard. *pilucca* are formed (by help of a dimin. suffix

-ucca) from Ital. *pel-o*, hair. = L. *pilum*, acc. of *pilus*, a hair. Doublets, *periwig*, *wig*.

**PERUSE**, to examine, read over, survey. (Hybrid; L. and F. —L.) In Shak. in the sense 'to survey, examine,' Com. Errors, i. 2. 13; also 'to read,' Merch. Ven. ii. 4. 39. 'That I *perused* then;' G. Turberville, The Louer to Cupid for Mercy, st. 12. 'Thus hauynge *perused* the effecte of the thirde booke, I will likewise *peruse* the fourth;' Bp. Gardiner, Explication, &c., Of the Presence, fol. 76 (R.). 'To *peruse*, *peruti*;' Levins, ed. 1570. And see Skelton, Phyllip Sparowe, l. 814. **β.** The older senses of the word are nearer to the etymology. Thus, in the Naval Accounts of Henry VII (1485–8), p. 57, there are notes of a ship's fittings that were 'spent and *perused*,' i.e. used up, 'in a voiage into Lumbardye.' Fitzherbert, in his Husbandry, § 131, l. 15 (E. D. S.) has a similar usage. In giving directions for stacking faggots, he shows how to lay them in courses 'and so to *peruse* them [go through with them], tyll thou haue layd all up;' which shows a truer use of the word. So also in § 124, l. 35. In § 40, l. 23, a shepherd is bidden to *peruse* all his sheep, i.e. to examine them separately, 'tyll he haue doone.' See also § 30, l. 7. **γ.** A coined word; from **Per-** and **Use**. L.; in imitation of OF. *paruser*, 'user entièrement, achever, consommer;' Godefroy. He quotes: '*paruser sa vie en seureté*,' to lead his life in safety. The difficulty lies solely in the change of sense. The old sense seems to have been 'to go through one by one,' and so to 'use up (things) till all were done with.' Thus, in Cavendish's Life of Wolsey, p. 36, some maskers paid certain compliments to all the ladies in turn, thus '*perusing* all the ladys and gentylwomen;' and again, at p. 65, a certain choir was directed to use a particular set of words in a litany; 'and so *perused* the lettany thorough.' It may further be noted that compounds with *per* were once far more common than they are now. I can instance *peract*, Dr. Henry More, Poems (Chertsey Worthies' Library), p. 133, l. 31; *perdure*, *perfixt*, *perplanted*, *perquire*, *persuay*, all in Halliwell; *perscrute*, *pertract*, Andrew Borde, Introduction of Knowledge, ed. Furnivall, p. 144, l. 32, p. 264, l. 25; *peruestigate*, *peruigilate*, both in Minshew; *peraction*, *perarate*, *percruciate*, *perduction*, *perendinate*, *perflation*, *perfratation*, *perfriction*, *perfusion*, *pergraphical*, *perpession*, *perplication*, *perside*, *persringe*, *pertereborate*, *peruagation*, all in Blount's Gloss., ed. 1674. **Der.** *perus-al*, Hamlet, ii. i. 90.

**PERVADE**, to penetrate, spread through. (L.) '*Pervade*, to go over or through;' Phillips, ed. 1706. —L. *peruādere*, to go through. —L. *per*, through; and *uādere*, to go, allied to E. *wade*. See **Per-** and **Wade**. **Der.** *per-vas-ive* (rare), like the pp. *peruāsus*, Shensstone, Economy, pt. iii.

**PERVERT**, to turn aside from the right, to corrupt. (F.—L.) ME. *peruerlen* (with *u* for *v*), Chaucer, tr. of Boethius, bk. ii. pr. i. l. 9. —F. *pervertir*, 'to pervert, seduce;' Cot. —L. *pervertiere*, to overturn, ruin, corrupt (pp. *peruersus*). —L. *per*, thoroughly; and *uertere*, to turn; see **Per-** and **Verse**. **Der.** *pervert-er*; also *perverse*, Fabian's Chron. vol. i. c. 112, in the description of Brunchieldis, from F. *peruers*, 'perverse, cross' (Cot.), which from L. pp. *peruersus*; hence *perverse-ly*, *perverse-ness*, *peruers-i-ty*, *peruers-ion*. Also *pervert-ible*.

**PERVICACIOUS**, wilful, obstinate. (L.) 'Why should you be so *peruicacious* now, Pug?' Dryden, Kind Keeper, A. ii. sc. 2 (ed. Scott). Coined by adding -ous to *peruicaci-*, from *peruicax*, wilful, stubborn; allied to *peruicax*, stubborn. **β.** Perhaps from *per-*, thoroughly, and the base *ui-*, weak grade of *ui-*, as seen in *ui-ci*, pt. t. of *uincere*, to conquer (Bréal). See **Per-** and **Victor**.

**PERVIOUS**, penetrable. (L.) In Dryden, tr. of Ovid, Meleager, l. 146. Borrowed directly from L. *peruius*, passable, by change of -us to -ous, as in *arduous*, &c. —L. *per*, through; and *uia*, a way; hence, 'affording a passage through.' See **Per-** and **Voyage**. **Der.** *peruious-ly*, -ness.

**PESETA**, a silver coin of modern Spain. (Span.—L.) Worth 2 silver reals, or about 9½d. —Span. *peseta*; dimin. of *pesa*, a weight, allied to *peso*, a weight, a Span. dollar. *Peso* is from L. *pensum*, a portion weighed out to spinsters. —L. *pensus*, pp. of *pendere*, to weigh; see **Poise**.

**PESSIMIST**, one who complains of everything as being for the worst. (L.) Modern; not in Todd's Johnson. Formed with suffix -ist (= L. -ista, from Gk. -ιστης) from L. *pessim-us*, worst. [So also *optim-ist* from *optim-us*, best.] **β.** *Pessimus* is connected with comp. *pēior*, worse; see **Impair**. Brugmann, ii. § 73.

**PEST**, a plague, anything destructive or unwholesome. (F.—L.) 'The hellish *pest*;' Milton, P. L. ii. 735. —F. *peste*, 'the plague, or pestilence;' Cot. —L. *pestem*, acc. of *pestis*, a deadly disease, plague. **Der.** *pest-house*; *pesti-ferous*, Sir T. Elyot, The Governor, b. i. c. 4. § 2, Englished from L. *pestiferus* (the same as *pestifer*), from *pesti-*, for *pestis*, and -fer, bringing, from *ferre*, to bring, cognate with E. **Bear** (1); also *pesti-lent*, q. v.

**PESTER**, to encumber, annoy. (F.—L.) The old sense is to 'encumber' or 'clog.' 'Neither *combred* wyth ouer greate multitude, nor *pestered* with much baggage;' Brende, tr. of Q. Curtius, fol. 23 b (1592). '*Pestered* [crowded] with innumerable multitudes of people;' North's Plutarch (in Shakespeare's Plutarch, ed. Skeat, p. 175). Hence *pesterous*, cumbersome, in Bacon, Life of Hen. VII, ed. Lumby, p. 196, l. 29 (wrongly explained as *pestiferous*). A shortened form of *impester*, by loss of the first syllable, as in the case of *fence* for *defence*, *sport* for *disport*, *story* for *history*, &c. Cotgrave explains the F. pp. *empestré* as 'impestered, intricaded, intangled, incumbered.' —MF. *empestrer*, to 'pester, intricate, intangle, trouble, incumber.' Mod. F. *empêtrer*. **β.** '*Empêtrer* signifie proprement à hobble a horse while he feeds afield, and *depêtrer* is to free his legs from the bonds. These words come from the medieval L. *pastorium*, a clog for horses at pasture. *Pastorium* (derived through *pastum* from *pascere*, to feed) is common in this sense in the Germanic laws: 'Si quis in exercitu aliquid furaverit, *pastorium*, capistrum, frenum,' &c. (Lex Bavar. tit. II. vi. 1). So also in the Lex Longobard. tit. I. xx. 5: 'Si quis *pastorium* de caballo alieno tulerit;' Brachet. **γ.** Thus *empestrer* represents Late L. \**impastoriare*, regularly formed from *in*, prep., and *pastorium*, a clog. *Pastorium* is a derivative from *pastus*, pp. of *pascere*, to feed, inceptive form from a base *pa-*; see **Pastor**. ¶ Unconnected with *pest*; but connected with **Pastern**, q. v.

**PESTIFEROUS**; see under **Pest**.

**PESTILENT**, bringing a plague, hurtful to health or morals. (F.—L.) In Hamlet, ii. 2. 315. [The sb. *pestilence* is much older; ME. *pestilence*, P. Plowman, B. v. 13.] —F. *pestilent*, 'pestilent, plaguy;' Cot. —L. *pestilent-*, stem of *pestilens*, unhealthy; we also find an old rare form *pestilentus*. **β.** *Pestilens* is formed as a pres. part. from a verb \**pestilēre* not in use, but founded on the adj. *pestilis*, pestilential. This adj. is formed with suffix -li- from *pesti-* decl. stem of *pestis*, a plague; see **Pest**. **Der.** *pestilence*, sb. (as above), from F. *pestilence* < L. *pestilentia*; *pestilent-ly*, *pestilent-i-al*.

**PESTLE**, an instrument for pounding things in a mortar. (F.—L.) ME. *pestel*, Tale of Gamelyn, l. 122. '*Pestel*, of stampynge, *Pila*, *pistillus*, *pistellus*;' Prompt. Parv. —OF. *pestel* (Godefroy), later *pesteil*, 'a pestle or pestell;' Cot. —L. *pistillum*, a pestle; regularly formed, as a dimin. of an unused sb. \**pistrum*, from *pistum*, supine of *pinsere*, to pound, rarely spelt *pīsere*. See **Pistil**, **Piston**.

**PET** (1), a tame and fondled animal, a child treated fondly. (F.?) 'The love of cronies, *petts*, and favourites;' Tatler, no. 266, Dec. 21, 1710. Cf. also *peat*, as in Shak. Tam. Shrew, i. 1. 78. 'Pretty *peat*;' Gascoigne, Flowers, Hir Question; Works, ed. Hazlitt, i. 48. Ray (A. D. 1691) calls *pet* a North-country word, and explains a *pet-lamb* as 'a cade lamb.' [Cf. Irish *peat*, sb. a pet, adj. petted; Gael. *peata*, a pet, a tame animal; borrowed from E.] Of uncertain origin. Perhaps suggested by MF. *peton*, 'a little foot, the slender stalke of a leaf; *mon peton*, my pretty springall, my gentle imp (any such flattering or dandling phrase, bestowed by nurses on their suckling boies);' Cot. Used by Rabelais; see Hatzfeld. Usually considered as a derivative of F. *piet*, a foot; from L. *ped-em*, acc. of *pēs*, a foot. Cf. also F. *petiot*, a dear little child (Godefroy); Norm. dial. *petiot* (Moisy); and see **Petty**. **Der.** *pet*, verb; *pett-ed*; and probably *pet* (2), q. v.

**PET** (2), a sudden fit of peevishness. (F.?) 'In a *pet* of temperance;' Milton, Comus, 721. Shak. has *pettish*, adj., i.e. capricious, Troil. ii. 3. 139; spelt *petish*, Levins. There was also an old phrase 'to take the *pet*,' or 'to take *pet*.' Cotgrave translates F. *se mescontenter de* by 'to take the *pet*, to be ill satisfied with.' The simplest and most probable derivation is from **Pet** (1), q. v. A *pet* is a spoilt child; hence *pettish*, capricious; to take the *pet*, to act like a spoilt child; whence, finally, the sb. *pet* in its new sense of 'capricious action' or peevishness. **Der.** *pett-ish*, *pett-ish-ly*, *pett-ish-ness*.

**PETAL**, a flower-leaf; part of a corolla. (Gk.) '*Petala*, among herbalists, those fine coloured leaves of which the flowers of all plants are made up;' Phillips, ed. 1706. Here *petala* is the Greek plural form, showing that the word was taken from the Greek immediately. —Gk. *πέταλον* (pl. *πέταλα*), a leaf; properly neut. of *πέταλος*, spread out, broad, flat. *Πέτα-λος* is formed with suffix -λος from the base *pet-* (whence also *πετ-άννυμι*, I spread out). Cf. L. *patulus*, spreading, *pat-ēre*, to lie open, be spread out. —✓**PET**, to spread out; see **Fathom**. **Der.** *petal-oid*.

**PETARD**, a war-engine, a case filled with explosive materials. (F.—L.) In Hamlet, iii. 4. 207; spelt *petar* in the quarto edd. of Hamlet, and by all editors down to Johnson. Cotgrave has both *petard* and *petarre*. —F. *petart*, *petard*, 'a petard or petarre; an engine . . . wherewith strong gates are burst open.' Lit. 'explosive.' Formed with suffix -art or -ard (of Germanic origin, from G. *hart*, hard, Brachet, Introd. § 196) from the verb *peter*, to break wind. —F. *pet*, a breaking wind, slight explosion. —L. *peditum*, a breaking

wind. — *L. pēdilis*, pp. of *pēdere* (contracted from \**pezdere*), to break wind. See Brugmann, i. § 857. ¶ The *E.* form *petar* arose from the fact that the *OF.* pl. of *petard* was *petars*.

**PETIOLE**, the footstalk of a leaf. (*F.* — *L.*) Modern; botanical. — *F. pēiole*, a petiole. — *L. petiolum*, acc. of *petiolus*, a little stem or stalk. Usually considered as a derivative of *L. pēs*, a foot.

**PETITION**, a prayer, supplication. (*F.* — *L.*) *MF. pelicion*, *petition*; *Rob. of Brunne*, tr. of Langtoft, p. 313, l. 18. — *F. petition*, 'a petition'; *Cot.* — *L. petitionem*, acc. of *petitio*, a suit; cf. *petitus*, pp. of *petere*, to attack, ask; orig. to fall on. — ✓ *PET*, to fly, fall; whence also *E. feather*; see **Feather**, **Impetus**. Der. *petition*, vb., *petition-ar-y*, *petition-er*, *petition-ing*.

**PETREL**, **PETEREL**, a genus of ocean-birds. (*F.* — *G.* — *L.* — *Gk.*) For the form *petrel*, see *Todd*. 'The *petrel* is a Bird not much unlike a Swallow. They fly sweeping like Swallows, and very near the water;' *W. Dampier*, *A New Voyage*, iii. 97. The spelling *petrel* is also used in a translation of Buffon's *Nat. Hist.*, London, 1792, where we are told that the stormy petrels 'sometimes hover over the water like swallows, and sometimes appear to run on the top of it;' vol. ii. p. 128. From the latter peculiarity they take their name. — *F. pétrel* (sometimes *pétrel*); *Littre* cites a letter written by Buffon, dated 1782, who gives his opinion that *pétrel* is a better spelling than *pétrel*, because the derivation is from the name *Peter*, which is pronounced, he says, as *Pêtre*. (The usual *F.* word for *Peter* is *Pierre*.) β. Thus *pétrel* is formed as a diminutive of *Pêtre* or *Peter*; and the allusion is to the action of the bird, which seems to walk on the sea, like St. Peter. The *G.* name *Petersvogel* (lit. Peter-fowl = Peter-bird) gives clear evidence as to the etymology. — *G. Peter*. — *L. Petrus*, *Peter*. — *Gk. Πέτρος*, a rock; a name given to the apostle by Christ; see *John* i. 42, in the orig. *Gk.* text. See **Petrify**. ¶ The *F. Pêtre* was prob. borrowed from *G. Peter*, not from the *L.* directly. Or the *F.* word may have been borrowed from *E.*; in which case *E. petrel* is from *L. Petrus*.

**PETRIFY**, to turn into stone. (*F.* — *Gk.* and *L.*) Properly transitive; also used intransitively. 'When wood and many other bodies do petrify;' *Sir T. Browne*, *Vulg. Errors*, bk. ii. c. i. § 3. — *F. petrifier*, 'to make stony'; *Cot.* Formed as if from *L. \*petrificāre*, a coined word, to make stony. — *L. petri-*, for *petra*, a rock, and *-ficāre*, for *facere*, to make. β. The *L. petra* is merely borrowed from *Gk. πέτρα*, a rock; cf. *Gk. πέτρος*, a mass of rock, a stone. Der. *petrification*, as if from a *L.* pp. \**petrifactus*, but the older word is *petrification*, from *F. petrification*, 'a petrification, a making stony' (*Cot.*); *petrification-ive*; also *petrific*, adj., *Milton*, *P. L.* x. 294.

**PETROLEUM**, rock-oil. (*L.* — *Gk.*) *Minsheu*, ed. 1627, explains *petrol* or *petroleum* as 'a kind of marle or chalky clay;' this is the same word, differently applied. Coined from *L. petr-*, for *petra*, a rock, a word borrowed from *Gk. πέτρα*; and *L. oleum*, oil, from *Gk. ἔλαιον*, oil. See **Petrify** and **Oil**. *Cooper's Thesaurus* (1565) has the form *petroleon*. ¶ There is a curious mention of rock-oil in *Plutarch's Life of Alexander*; see *North's Plutarch*, ed. 1631, p. 702.

**PETRONEL**, a large horse-pistol. (*F.* — *L.*) 'Their peeces then are called *petronels*;' *Gascoigne*, *Weedes*; *The Continuance of the Author*, upon the *Fruite of Fetters*, st. 7; *Works*, ed. *Hazlitt*, i. 408. Spelt *petrionel*, in *Ben Jonson*, *Every Man*, ed. *Wheatley*, iii. 1; some edd. have *petronel*. — *MF. petrinal*, 'a petronell, or horse-man's piece'; *Cot.* β. *Wedgwood* remarks that they are said to have been invented in the Pyrenees; *Godefroy* gives also *poitrinal* (1585), and says that it was fired by resting the butt-end against the chest (so also *Fairholt*). Cf. *Ital. pietranelli*, 'souldiers serving on horseback, well armed with a pair of cuirasses and weaponed with a fire-locke-piece or a snaphance or a petronell'; *Florio*. From *OF. peitrine*, *poitrine*, the chest, allied to *AF. feitral*, a poitrel; both are from *L. pector-*, for \**pectos*, stem of *pectus*, the breast; see **Poitrel**.

**PETTO**, the breast. (*Ital.* — *L.*) In the phr. in *petto*, within the breast, in secret. — *Ital. petto*, breast. — *L. pectus*, breast.

**PETTY**, small, insignificant. (*F.* — *C.*) Common in *Shak.*; see *Merch. Ven.* i. 1. 12, &c. *ME. petit*, *P. Plowman*, B. xiv. 242. — *F. petit*, 'little, small, . . . meane, petty'; *Cot.* β. Perhaps of Celtic origin; *Diez* connects it with Sardinian *piticu*, little, Wallachian *pitic*, a dwarf, *Oital. pitetto*, *petitto*, Prov. and Catalan *petit*, Wallachian *piti*, small, little, &c. All from a Gaulish stem \**pett-* = Celtic \**pett-*, which occurs again in *Piece*. Der. *petti-ly*; *petti-ness*, *Henry V.* iii. 6. 136; *petti-coat*, i. e. little coat, *As You Like It*, i. 3. 15 (see **Coat**); *petti-fogger*, *Marston*, *The Malcontent*, A. i. sc. 6 (R.), spelt *pettie fogger* in *Minsheu*, ed. 1627, whence *Prov. E. fog*, to hunt in a servile manner, to flatter for gain, used by *Dekker* (*Halliwell*), equivalent to *MDu. focker*, 'a monopole, or an engrosser of wares and commodities,' *Hexham*; and *focker* is prob. a corruption of the surname *Fugger*, Englished as *fogger*

(*N. E. D.*). Also *petti-loes*, usually pig's trotters; sometimes human feet (jocularly), as in *Shirley*, *Maid's Revenge*, iv. 1; see below.

**PETTITTOES**, pig's trotters. (*F.* — *C.* and *L.*) Understood as *petty-loes*, whence the present sense (see end of last article). But this is popular etymology. It formerly meant giblets or garbage (see *N. E. D.*) — *MF. pettose*, 'garbage of fowls,' *Cot.*; pl. of *pettose*, the same, *Palsgrave*, p. 224; *petite oye*, the same, *Cot.* (s. v. *oye*). Here *oye* (*F. oie*) is from Late *L. auca*, a goose; for *L. au'ca*, \**au-ca*, from *avis*, a bird.

**PETULANT**, peevish. (*L.*) In *Ben Jonson*, *Epigram* 2 (To My Book), l. 5. — *L. petulant-*, stem of *petulans*, forward, pert, petulant; lit. 'ready to attack in a small way,' as it answers to the form of a pres. part. of \**petulāre*, a dimin. of *petere*, to attack, seek. See **Petition**. Der. *petulant-ly*; also *petulance*, from *F. petulance*, 'petulancy,' *Cot.*; *petulance-y*.

**PETUNIA**, a plant or flower; of the order *Solanaceæ*. (*F.* — *Port.* — *Brazil.*) *F. pétunia* (*Hatzfeld*). Formed with suffix *-ia* from *F. petun*, *MF. petum*, 'tobacco,' *Cot.* — *Port. petum* (*Hatzfeld*). — *Guarani* (*Brazil*) *peti*, tobacco (with nasalized *i*); *P. Restivo*, *Vocab. de la Lengua Guarani*.

**PEW**, an enclosed seat in a church. (*F.* — *L.* — *Gk.*) — *ME. puwe*. 'Yparroked in *puwes*' = enclosed in pews; *P. Plowman*, C. vii. 144. Cf. *AF. pu*, a stage, platform; in *Liber Custumarum*, p. 216. — *OF. puie*, an elevated place, *MF. puye*, f., 'an open and outstanding terrace or gallery, set on the outside with rails to lean on'; *Cot.* Cf. *Span. poyo*, a stone-bench near a door, *Ital. poggio*, a hillock. [Prob. orig. applied to a raised desk to kneel at.] — *L. podia*, pl. of *podium*, an elevated place, a balcony next the arena, where the emperor and other distinguished persons sat. [The loss of *d* and change of *po-ia* to *OF. puie*, are regular.] — *Gk. πόδιον*, a little foot; whence the senses of footstool, support for the feet, gallery to sit in, &c., must have been evolved; for there can be no doubt as to the identity of the *Gk.* and *L.* words. — *Gk. ποδι-*, from *πούς*, a foot; with dimin. suffix *-ov*. *Gk. πούς* is cognate with *E. foot*; see **Foot**. Der. *pew-fellow*, *Rich. III.* iv. 4. 58. ¶ The *Du. puy*, 'a pue' (*Hexham*), is borrowed from *MF. puy*.

**PEWET**, **PEEWIT**, the lapwing. (*E.*) 'Pewet or Puet, a kind of bird;' *Phillips*, ed. 1706. 'Een Piewit-vogel, ofte [or] Kiewit, a puet, or a lap-winkle;' *Hexham's Du. Dict.*, ed. 1658. Spelt *puwyt*, *Skelton*; *Philip Sparowe*, l. 430. Named from its cry. So also *Du. piewit* or *kiewit*, *G. kibitz*; *Westphal. piwik*, *piwit*. See **Peevish**.

**PEWTER**, an alloy of lead with tin or zinc. (*F.* — *E.*?) *ME. pewtir*, *pewtyr*. 'Pewtyr, metalle;' *Prompt. Parv.* 'Pewter pottes;' *Lydgate*, *London Lyckpeny*, st. 12. 'xij pottes de pewtre;' *Earl of Derby's Expeditions*, 1390-1, p. 101. — *OF. peutre*, *peautre*, *piautre*, a kind of metal (*Roquefort*). *Peutre* stands, as usual, for an older form \**pettre*; cf. *Span. pettre*, *Ital. pettro*, pewter. *Diez* remarks that the Italians believe their word *pettro* was borrowed from England; but he rejects this solution, on the ground that the form *pewter* could not well become *pettro* in Italian. The Low *L.* form is *peltrum*; as in 'vasorum de *pettro*,' *York Wills*, ii. 146 (1450). The solution is, probably, that the *Ital.*, *Span.*, and *OF.* forms have lost an initial *s*, owing to the difficulty of sounding the initial *sp*; and the original word really does appear in *E.* in the form *spelter*. 'Spelter, a kind of metall, not known to the antients, which the Germans call zink;' *Blount's Gloss.*, ed. 1674; whence *OF. espeautre*, *espiautre*, a kind of metal (*Godefroy*). Cf. *MDu. peauter* or *speauter*, pewter; *Hexham*. Zinc and pewter are often confounded. See **Spelter**. Der. *pewter-er*, *Prompt. Parv.*

## PH

**PHAETON**, a kind of carriage. (*F.* — *L.* — *Gk.*) Properly *Phæthon*, but we took the word from French. Spelt *phaëton* (trisyllabic) in *Young*, *Night Thoughts*, bk. v. l. 825. — *F. phaëton*, a phaeton; occurring in a work written in 1792 (*Littre*). — *F. Phaëthon*, proper name. — *L. Phaëthōn*. — *Gk. Φαίθων*, son of *Helios*, and driver of the chariot of the sun. — *Gk. φαέθων*, radiant, pres. part. of *φαέθειν*, to shine; allied to *φαέειν*, to shine. — ✓ *BIH*, to shine; see **Phantom**.

**PHALANX**, a battalion of troops closely arrayed. (*L.* — *Gk.*) In *Minsheu*, ed. 1627; and *Milton*, *P. L.* i. 550, iv. 979. 'This legion he called the phalanx;' *Holland*, tr. of *Suetonius*, *Nero*, ch. 19. — *L. phalanx*. — *Gk. φάλαγξ*, a line of battle, battle-array, a battalion. See **Plank**. Der. *phalanger*, a marsupial mammal, in a tr. of *Buffon*, i. 292 (1792); named *phalanger* (*F.*) by *Buffon* (see *Littre*) from the structure of the hind feet; from *F. phalange* =

Gk. *φαλαγγ*, stem of *φάλαγξ*, the bone between two joints of the toes. ¶ The L. pl. is *phalanges*.

**PHALLUS**, an emblem of the generative power in nature, honoured in Bacchic festivals. (L.—Gk.) ‘Two *Phalli*,’ Purchas, Pilgrimage, bk. i. c. 15; p. 79.—L. *phallus*.—Gk. *φαλλός*, lit. *membrum virile*.+Irish *ball*, a limb, member; Olrish *ball*, glossed ‘*membrum*.’

**PHANTASM**, a spectre. (F.—L.—Gk.) *Phantasme*, Minshew, ed. 1627. ME. *fantasme*, Ancrén Riwle, p. 62.—OF. *fantasme*.—L. *phantasma*; see Jul. Cæs. ii. 1. 65.—Gk. *φάντασμα*, a spectre; see **Phantom**. Der. *phantasm-ageria*, lit. a collection of spectres, as shown by the magic lantern, from Gk. *ἀγορά*, an assembly, collection, which from *ἀγείρειν*, to assemble. Doublet, *phantom*.

**PHANTASTIC, PHANTASY**; see **Fantastic, Fancy**.

**PHANTOM**, a vision, spectre. (F.—L.—Gk.) Partly conformed to the Gk. spelling. ME. *fantome*, Chaucer, C. T. 5457 (B 1037); *fantum*, Wyclif, Matt. xiv. 26.—OF. *fantosme*, MF. *phantosme*, ‘a spirit, ghost;’ Cot.—L. *phantasma*.—Gk. *φάντασμα*, a vision, spectre, lit. an apparition, appearance.—Gk. *φαντάζειν*, to display; in passive, to appear; cf. the sb. *-φάντης*, one who shows, only used in the compounds *ἱερο-φάντης*, *συκο-φάντης*; see **Hierophant, Sycophant**.—Gk. *φαν-*, as seen in *φαίνειν* (= *φάν-yein*) to show, lit. ‘to cause to shine;’ where *φαν-* is an extended form of *φα-*, to shine; cf. *φάειν*, to shine, *φάος*, light.—√BHĀ, to shine; cf. Skt. *bhā*, to shine. Hence also *fan-tas-y* (shorter form *fancy*), *hierophant*, *sycophant*, *dia-phan-ous*, *phen-o-men-on*, *pha-se*, *em-phas-is*, *phaelon*, *photograph*, *phosphorus*. See **Fancy, Phenomenon, Phase**. Doublet, *phantasm*.

**PHARISEE**, one of a religious school among the Jews. (F.—L.—Gk.—Aramaic.) Partly conformed to Gk. spelling; ME. *farisee*, Wyclif, Matt. ix. 11.—OF. *pharisee*; Godefroy.—L. *pharisæus*, *pharisæus*, Matt. ix. 11 (Vulgate).—Gk. *φarisaios*, Matt. ix. 11; lit. ‘one who separates himself from men.’—Aram. *Perishin*, for Heb. *Perūshīm*, pl., ‘separated;’ Smith, Dict. of the Bible. Cf. Heb. *ṭārash*, to separate. Der. *Pharisa-ic*, *Pharisa-ic-al*.

**PHARMACY**, the knowledge of medicines; the art of preparing medicines. (F.—L.—Gk.) Partly conformed to the Gk. spelling. ME. *fermacy*, Chaucer, C. T. 2715 (A 2713).—OF. *farmacie*, later *pharmacie*, ‘a curing, or medicating with drugs;’ Cot.—L. *pharmacā*.—Gk. *φάρμακία*, pharmacy.—Gk. *φάρμακον*, a drug. β. Perhaps so called from its bringing help; allied to *φέρειν*, to bear, bring, cognate with E. *bear*; see **Bear** (1); cf. Skt. *bhṛtis*, nourishment, service, from *bhṛ*, to bear. Der. *pharmac-eu-t-ic*, formed with suffix *-ic* (Gk. *-ikos*) from *φαρμακευτ-ης*, a druggist, which again is formed with suffix *-της* from *φαρμακεύ-ειν*, to administer a drug, from *φαρμακ-εύς*, a druggist; hence *pharmaceutic-al*, *pharmaceutic-s*. Also *pharmacop-œia*, from *ποιεῖν*, to make, prepare.

**PHARYNX**, the cavity forming the upper part of the gullet. (L.—Gk.) In Phillips’ Dict. ed. 1706.—Late L. *pharynx*; merely the Latinized form of the Gk. word.—Gk. *φάρυγξ*, the joint opening of the gullet and windpipe; also, a cleft, a bore; closely allied to *φάραγξ*, a chasm, gully, cleft, ravine, and to *φάραειν*, to plough. All from the base *φάρ-*, to bore, cut, pierce, hence, to cleave; allied to L. *forāre* and E. *bore*.—√BHAR, to bore, cut; see **Bore** (1).

**PHASE, PHASIS**, an appearance; a particular appearance of the moon or of a planet at a given time. (L.—Gk.) The form *phase* does not appear to have been borrowed from F. *phase*, but to have resulted as an E. singular from the pl. sb. *phases*, borrowed immediately from Latin. ‘*Phases*, appearances; in astronomy, the several positions in which the moon and other planets appear to our sight, &c.’ Phillips’ Dict., ed. 1706. ‘*Phasis*, an appearance;’ Bailey, vol. ii. 1731. And see Todd’s Johnson.—Late L. *phasis*, pl. *phasēs*; merely the L. form of the Gk. word.—Gk. *φάσις*, an appearance; from the base *φα-*, to shine; cf. *φάος*, light.—√BHĀ, to shine; see **Phantom**. ¶ The Gk. *φάσις* not only means ‘appearance,’ as above; but also ‘a saying, declaration,’ in which sense it is connected with *φημί*, I speak, declare, from √BHĀ, to speak; see **Ban**. This explains the word *em-phasis*.

**PHEASANT**, a gallinaceous bird. (F.—L.—Gk.) Now conformed to the Gk. spelling as far as relates to the initial *ph*. Formed with excrement *t* (common after *n*, as in *tyran-t*, *ancien-t*, *parchmen-t*) from ME. *fesaun*, Will. of Palerne, 183; later form *fesaunt*, Chaucer, Parl. of Foules, 357.—AF. *fesaunt*, Liber Custumarum, p. 304; OF. *faisan*, ‘a pheasant;’ Cot.—L. *phasiāna*, a pheasant; for *Phasiāna auis*=Phasian bird, where *Phasiāna* is the fem. of *Phasiānus*, adj.; we also find *phasiānus*, masc., a pheasant.—Gk. *Φασιανός*, a pheasant, lit. Phasian, i. e. coming from the river *Phasis* (Φάσις) in Colchis. β. The river *Phasis* is now called the *Rioni*; it flows from the Caucasus into the Black Sea.

**PHENIX, PHCENIX**, a fabulous bird. (L.—Gk.) The word appears very early. Spelt *fenix*, it is the subject of an AS. poem

extant in the Exeter book; printed in Grein’s Bibliothek, i. 215. This poem is imitated from a L. poem with the same title.—L. *phoenix*; Pliny, Nat. Hist. x. 2. 2.—Gk. *φοῖνιξ*, a phoenix; see Herodotus, ii. 73, and Smith’s Classical Dictionary. β. The same word also means Phœnician or Punic (Gk. *φοῖνιξ*=L. *Pūnicus*); also, a palm-tree; also purple-red. ¶ Littre supposes that the phoenix was named from its bright colour; and that the colour was so named because invented by the Phœnicians.

**PHENOMENON**, a remarkable appearance, an observed result. (L.—Gk.) Formerly *phænomenon*, with pl. *phænomena*, as in Phillips, ed. 1706.—L. *phænomenon*, pl. *phænomena*.—Gk. *φαινόμενον*, pl. *φαινόμενα*, properly the neut. of the pass. part. of *φαίνειν*, to show (pass. *φαίνομαι*, to be shown, to appear). See **Phantom**. Der. *phenomen-al*, a coined adj.

**PHEON**, the broad barbed head of an arrow. (F.—Teut.?) Heraldic; spelt *feon*, Book of St. Alban’s, pt. ii. fol. B 5. Perhaps for \**fleon*; from Late L. *fletōnem*, acc. of *fleto*, *fletho*, an arrow-head (Ducange). Cf. Du. *flits*, an arrow.

**PHIAL**, a small glass vessel or bottle. (F.—L.—Gk.) Formerly spelt *vial*, *viall*, *viol*; altered to *phial* (a more ‘learned’ form) in some mod. edd. of Shakespeare. We find *phial* as well as *vial* in Blount’s Gloss., ed. 1674.—MF. *phiole*, ‘a violl;’ Cot.—L. *phiala*.—Gk. *φιάλη*, a broad, shallow cup or bowl (applied in F. to a small bottle). See **Vial**.

**PHILANDER**, a lover. (Gk.) ‘You and your *Philander*!’ Congreve, Way of the World, v. 1. From the use of the name *Philander* for a lover, as e. g. in Beaumont and Fletcher’s *Laws of Candy*.—Gk. *φιλανδρος*, lit. ‘loving men.’ Gk. *φιλ-εῖν*, to love; *ἀνδρ-*, from *ἀνὴρ*, a man.

**PHILANTHROPY**, love of mankind. (L.—Gk.) Spelt *philanthropie* in Minshew, ed. 1627. Englished from L. *philanthrōpia*.—Gk. *φιλανθρωπία*, benevolence.—Gk. *φιλάνθρωπος*, loving mankind.—Gk. *φιλ-*, for *φίλος*, friendly, kind; and *ἄνθρωπος*, a man. [The words *philo-sophy*, *philo-logy* show that *φιλ-* represents *φίλος*, adj., not *φιλεῖν*, verb.] See **Philosophy** and **Anthropology**. Der. *philanthrop-ic*; *philanthrop-ist*, Young, Night Thoughts, Night 4, l. 603.

**PHILHARMONIC**, loving music. (Gk.) Modern; not in Todd’s Johnson. Coined from Gk. *φιλ-*, for *φίλος*, friendly, fond of; and *harmonia*, Latinised form of Gk. *ἁρμονία*, harmony; with suffix *-κος*; as if from Gk. *φιλ-αρμονι-κός*. See **Philosophy** and **Harmony**.

**PHILIBEG**, a kilt (Gaelic). See **Filibeg**.

**PHILIPPIC**, a discourse full of invective. (L.—Gk.) In Minshew, ed. 1627; and in Dryden, tr. of Juvenal, sat. x. l. 196.—L. *Philippicum*, used by Juvenal (Sat. x. l. 125) in the pl. *Philippica*, used to denote the celebrated orations of Demosthenes against Philip.—Gk. *φίλιππος*, a lover of horses; also Philip, a personal name.—Gk. *φιλ-*, for *φίλος*, fond of; and *ἵππος*, a horse, cognate with L. *equus*. See **Philosophy** and **Equine**.

**PHILOLOGY**, the study of languages. (L.—Gk.) In Skelton, Why Come Ye Nat to Courte, 514. Spelt *philologie* in Minshew, ed. 1627; and in Chaucer, C. T., E 1734. Englished from L. *philologia*.—Gk. *φιλολογία*, love of talking; hence, love of learning and literature.—Gk. *φιλόλογος*, fond of talking; also a student of language and history.—Gk. *φίλο-*, for *φίλος*, fond of; and *λόγος*, discourse, from *λέγειν*, to speak. See **Philosophy** and **Legend**. Der. *philologic-al*, *philologi-c-al-ly*; *philologi-ist*.

**PHILOMEL**, a nightingale. (L.—Gk.) In Shak. Lucrece, 1079.—L. *philomēla*, a nightingale (Virgil).—Gk. *Φιλομήλη*, daughter of Pandion, who was changed into a nightingale.

**PHILOSOPHY**, love of wisdom, knowledge of the causes of phenomena. (F.—L.—Gk.) ME. *philosophie*, Rob. of Glouc. p. 130, l. 2748; Chaucer, C. T. 297 (A 295).—F. *philosophie*, ‘philosophy;’ Cot.—L. *philosophia*.—Gk. *φιλοσοφία*, love of wisdom.—Gk. *φιλόσοφος*, lit. loving a handicraft or art; also, a lover of true knowledge.—Gk. *φίλο-*, for *φίλος*, friendly, also, fond of; and *σοφ-*, base of *σφ-ος*, skilful, and *σοφία*, skill (see **Sophist**). Der. *philosophi-c*, *philosophi-c-al*, *philosophi-c-al-ly*; *philosoph-ise*, a coined word, spelt *philosophize* by Cotgrave, who uses it to translate the F. verb *philosopher* < L. *philosophari*, from Gk. *φιλοσοφείν*, to be a philosopher. Also *philosoph-er*, ME. *philosophre*, Chaucer, C. T. 299; here the *r* is a needless addition, as the F. word was *philosophe*, correctly answering to L. *philosophus* and Gk. *φιλόσοφος*.

**PHILTRE**, a love potion. (F.—L.—Gk.) In Minshew, ed. 1627.—F. *philtre*, ‘an amorous potion;’ Cot.—L. *philtrum* (Juv. vi. 611).—Gk. *φίλτρον*, a love charm, love potion, drink to make one love.—Gk. *φιλ-*, for *φίλος*, dear, loving; and suffix *-τρον* (Idg. *-ter*), denoting the agent.

**PHIZ**, face, visage. (F.—L.—Gk.) ‘What a furious *phiz* I have!’ Congreve, Old Bachelor, iv. 4 (Belinda). Short for *phisnomy* (ME.

*physiomic*), spelt *phismamy* in Palsgrave; and *phismomy* is short for **Physiognomy**, q. v.

**PHLEBOTOMY**, blood-letting. (F.—L.—Gk.) Spelt *phlebotomie* in Minshew, ed. 1627; *flabotomye* in Dictes and Sayings, pr. by Caxton, fol. 17, l. 10.—F. *phlebotomie*, 'phlebotomy, blood-letting'; Cot.—L. *phlebotomia*.—Gk. φλεβοτομία, blood-letting, lit. cutting of a vein.—Gk. φλεβο-, from φλέψ, a vein; and τομός, cutting. β. The sb. φλέψ is from φλέειν, to gush, overflow, from the base φλε-, allied to L. *flēre*, to weep. Brugmann, ii. § 590. γ. For Gk. τέμνειν, see **Tomo**. And see **Fleam**.

**PHLEGM**, slimy matter in the throat, sluggishness, indifference. (F.—L.—Gk.) Spelt *flegme* in Cotgrave. R. quotes from Arbuthnot, On Aliments, c. 6: 'Phlegm among the ancients signified a cold viscous humour, contrary to the etymology of the word, which is from φλέγειν, to burn; but amongst them there were two sorts of *phlegm*, cold and hot.' The use of the word was due to the supposed influence of the four 'humours,' which were blood, choler, phlegm, and gall; phlegm causing a dull and sluggish temperament. Chaucer, C. T. 625, has *sauecfelem*, a word formed from L. *salsum* *phlegma*, salt phlegm.—F. *phlegme*, 'ilegme'; Cot.—L. *phlegma*.—Gk. φλέγμα, base φλεγματ-, (1) a flame, (2) inflammation, (3) phlegm.—Gk. φλέγειν, to burn. β. Gk. φλέγμα (from φλέγειν) is allied to L. *flamma* (for \**flagma*, from the base *flag-* in *flagrāre*, to burn). Thus *phlegm* is almost a doublet of *flame*. See **Flame**, **Flagrant**. Der. *phlegmat-ic*, misused by Mrs. Quickly in Merry Wives, i. 4. 79, from the Gk. adj. φλεγματικός, from the base φλεγματ-; *phlegmat-ic-al*, *phlegmat-ic-al-ly*.

**PHLOX**, the name of a flower. (Gk.) It means 'flame,' from its colour. In Phillips, ed. 1706.—Gk. φλόξ, a flame.—Gk. φλογ-, 2nd grade of φλεγ-, as in φλέγειν, to burn; see **Phlegm**.

**PHOCINE**, pertaining to the seal family of mammals. (L.—Gk.) Scientific.—L. *phoca*, a seal.—Gk. φώκη, a seal; Homer, Od. iv. 404.

**PHŒNIX**, the same as **Phenix**, q. v.

**PHOLAS**, a mollusc that makes holes in stones. (Gk.) Modern.—Gk. φωλάς, lurking in a hole; allied to φωλεύς, a lurking-hole, a den. From a stem \**bhōl-*, for \**bhōu-l-*, where \**bhōu-* is allied to Teut. \**bau-*, whence G. *bau-en*, to live, and AS. *bū-an*, to live; see **Booth**. (So Prellwitz.)

**PHONETIC**, representing sounds. (Gk.) Modern; not in Todd's Johnson; the science of sounds was formerly called *phonics*, spelt *phonicks* in Blount's Gloss., ed. 1706.—Gk. φωνητικός, belonging to speaking.—Gk. φωνέω, I produce a sound.—Gk. φωνή, a sound; formed with suffix -νῃ (Idg. -nā) from φω-, allied by gradation to φη- in φημί, I speak.—√**BHA**, to speak; whence also E. *ban*. See **Ban**. Der. *phonetic-al*, *phonetic-al-ly*; also, from sb. φωνή, *phon-ics* (as above); *phono-graphy*, from γράφειν, to write; *phono-graph*, *phono-graph-er*, *phono-graph-ic*, *phono-graph-ic-al*; also *phono-logy*, from -λογία, a discourse, from λέγειν, to speak; *phono-type*, *phono-type-y*. Also, from Gk. φωνή, *anthem*=*anti-phon*.

**PHOSPHORUS**, a yellowish wax-like substance, of inflammable nature. (L.—Gk.) In Phillips, ed. 1706. Discovered in 1667 (Haydn). 'The very *phosphorus* of our hemisphere'; Congreve, Double-Dealer, ii. 1 (Lady Froth).—L. *phosphorus*.—Gk. φωσφόρος, bearing, bringing, or giving light.—Gk. φῶς, light, equivalent to φάος, light, from the base φα-, to shine; and -φορος, bringing, from φέρω, to bring. From √**BHĀ**, to shine; and √**BHER**, to bring, bear. With Gk. φῶς, cf. Irish *būn*, white; and see **Bale-fire**. Der. *phosphor-ic*, *phosphor-ous*, *phosphur-et*, *phosphur-et-ted*, *phosphorescence*.

**PHOTOGRAPHY**, the art of producing pictures by the action of light. (Gk.) Modern; Fox Talbot's photographs took the place of the old Daguerrotypes about 1839 (Haydn).—Gk. φωτο-, decl. stem of φῶς, light; and γράφειν, to write (hence, to produce impressions). The Gk. φῶς is equivalent to φάος, light (above). Der. *photograph*, short for *photographed picture*; *photograph-ic*, *photograph-er*. So also *photo-meter*, an instrument for measuring the intensity of light; see **Metre**.

**PHRASE**, part of a sentence, a short sentence. (F.—L.—Gk.) Frequent in Shak. Merry Wives, i. 1. 151, i. 3. 33, &c.—F. *phrase*, not in Cotgrave, but cited in Minshew; Littré cites the spelling *frase* in the 16th century.—L. *phrasis*.—Gk. φράσις, a speaking, speech, phrase.—Gk. φράζειν (=φράδ-ειν), to speak. β. The Gk. base *φραδ-* is probably allied to Irish *bard*, a poet; see **Bard**. Cf. Gk. *φραδ-ής*, shrewd. Der. *phrase*, vb., Hen. VIII, i. 1. 34; *phrase-less*, Shak. Lover's Complaint, 226; *phrase-o-logy*, Spectator, no. 616, a strange compound, in which the *-o-* is inserted to fill out the word, and conform it to other words in *-o-logy*; *phrase-o-logi-c-al*. Also *antiphrasis*, *para-phrase*, *peri-phrasis*.

**PHRENOLOGY**, the science of the functions of the mind. (Gk.) 'Phrenology, a compound term of modern formation, in very common

use, but not very clearly explained by those who employ it;' Richardson.—Gk. φρενός, decl. stem of φρήν, the mind; and -λογία, from λόγος, a discourse, which from λέγειν, to speak. Der. *phrenologi-c-al*, *phrenolog-ist*.

**PHTHISIS**, consumption of the lungs. (L.—Gk.) In Phillips, ed. 1706. [The disease was formerly called 'the *phthisick*,' as in Blount's Gloss., ed. 1674. This is an adjectival form, from L. *phthisica* (*passio*), fem. of *phthisicus*=Gk. φθισικός, consumptive. The difficulty of sounding *phth* was easily got over by the substitution of *t* for the compound sound; hence Phillips has 'Phthisis, the *phthisick* or *tissick*;' and it is still called 'the *tizic*.' The spelling *tysyk* occurs as early as in Hampole, Pricke of Conscience, 701. So also Ital. *tisica*, Span. *tisica*, *tisis*, consumption. Milton speaks of 'a broken-winded *tizzic*;' Animadversions on the Remonstrants' Defence (R.).]—L. *phthisis*.—Gk. φθίσις, consumption, a decline, decay.—Gk. φθίειν, to decay, wane, dwindle. The Gk. φθ answers to Skt. *ksh*, and φθίειν is allied to Skt. *kshi*, to destroy, whence pp. *kshita-*, decayed, and *kshitis*=φθίσις; Curtius, ii. 370. Brugmann, i. § 652. Der. *phthi-si-c*, *phthi-si-c-al*.

**PHYLACTERY**, a charm, amulet, esp. among the Jews, a slip of parchment inscribed with four passages from scripture. (F.—L.—Gk.) Spelt *philaterie* in Tyndall's version, A. D. 1526; ME. *filaterie*, Wyclif, Matt. xxiii. 5.—OF. *filatere*, *filatiere*, forms given in Littré, s. v. *phylactère*; Cotgrave spells it *phylacterie*. [The *c*, omitted in Wyclif and Tyndall, was afterwards restored.]—L. *phylactērion*, *phylactērion*.—Gk. φυλακτήριον, a preservative, amulet; Matt. xxiii. 5.—Gk. φυλακτήρ, a guard, watchman.—Gk. φυλάσσειν (fut. φυλάξω, from φυλάκ-), to guard. Cf. φύλαξ, a watchman, guard.

**PHYLLOPHOROUS**, leaf-bearing. (Gk.) Modern.—Gk. φυλλοφόρος, bearing leaves.—Gk. φύλλον, for φύλλον, a leaf; *φορ-*, 2nd stem of φερ-, as in φέρειν, to bear, cognate with E. *bear* (1). β. Gk. φύλλον=L. *folium*, a leaf. The prefix *phyllo-* occurs in many scientific words, as in *phyllo-xera*, the insect that attacks grapes, lit. 'leaf-drying' or 'leaf-withering,' from Gk. ξηρ-ός, dry.

**PHYSIC**, the art of healing diseases; hence, a remedy for disease. (F.—L.—Gk.) 'Throw *physic* to the dogs;' Macb. v. 3. 47. 'A doctor of *phisike*;' Chaucer, C. T. 413. Spelt *fisike*, Seven Sages, ed. Weber, 186.—OF. *phisike*, *phisique*. 'Phisque est une science par le [la] quele on connoist toutes les manieres du cors de l'homme, et par le quele on garde le [la] santé du cors et remue les maladies;' Alebrant, fol. 2 (13th cent.; cited in Littré). In Cotgrave's time, the word had a more 'learned' meaning; he gives 'Physique, naturall philosophy,' and 'Physicien, a naturall philosopher.'—L. *physica*, *physicē*, natural science.—Gk. φυσική, fem. of φυσικός, natural, physical.—Gk. φύσις, for φύσις, nature, essence of a thing; with suffix -ικός. β. Gk. φύσις=\*φύ-τις, formed with suffix -τις (Idg. -ti-) from the base φυ- appearing in φύειν, to produce, also, to grow, wax.—√**BHEU**, to grow, to be; whence also Skt. *bhū*, to be, L. *fore*, and E. *be*. See **Be**. Der. *physic*, verb, As You Like It, i. 1. 92; *physic-s*, *physic-al*, *physic-al-ly*, *physic-ist*. Also *physic-i-an*, ME. *fiscian*, *fiscien*, spelt *fiscien* in King Alisaunder, ed. Weber, 3504, from OF. *physicien*, coined as if from L. \**physiciānus*. Also *physiognomy*, q. v.; *physiology*, q. v.; cf. *phytoïd*.

**PHYSIOGNOMY**, visage, expression of features. (F.—L.—Gk.) Lit. 'the art of knowing a man's disposition from his features;' but frequently used as merely equivalent to features or face. Sometimes shortened to *phiz*, as in Congreve, The Old Bachelor, iv. 4 (Belinda). ME. *fisnomie*, *visnomie*; also *fisnamy*, *fyssnamy*. 'The fairest of *fyssnamy* that fourmede was euer;' Allit. Morte Arthure, ed. Brock, 3331; cf. l. 1114.—OF. *phisonomie*, which occurs in the 13th century (Littré); Cotgrave has 'Physiognomie, physiognomie, a guess at the nature, or the inward disposition, by the feature, or outward lineaments;' and he gives *physionomie* as an old form of the word. The mod. F. is *physionomie*. [Observe that, though the *g* is now inserted in the word, it is not sounded; we follow the F. pronunciation in this respect.] Cf. Ital. and Span. *fisnomia*, features, countenance. Formed as if from a L. \**physiognōmīa*, but really corrupted from a longer form *physiognōmōnīa*, which is merely the L. form of the Gk. word.—Gk. φυσιογνωμία, the art of reading the features; for which the shorter form *φυσιογνωμία* is occasionally found.—Gk. φυσιογνώμων, skilled in reading features, lit. judging of nature.—Gk. φυσιο-, extended from φύσις, from φύσις, nature; and γνῶμων, an interpreter; see **Physic** and **Gnomon**. Der. *phiz*, *physiognom-ist*.

**PHYSIOLOGY**, the science of nature. (F.—L.—Gk.) In Blount's Gloss., ed. 1674.—F. *physiologie*, in Cotgrave.—L. *physiologia*.—Gk. φυσιολογία, an inquiry into the nature of things.—Gk. φυσιο-, extended from φύσις, from φύσις, nature; and -λογία, a discourse, from λόγος, speech, which from λέγειν, to speak. See **Physics** and **Legend**. Der. *physiologi-c-al*, *physiologi-c-al-ly*.

**PHYTOID**, plant-like; resembling plants. (Gk.) A term

in zoology. — Gk. *φυτόν*, a plant; and *εἶδος*, form, appearance. Gk. *φύ-ρόν* (lit. 'product') contains the same base as *φύσις*, nature; see **Physic**, **Be**.

## PI-PY

**PIACULAR**, expiatory, or requiring expiation. (L.) Little used now. Blount, ed. 1694, has both *piacular* and *piaculous*. — L. *piaculāris*, expiatory. — L. *piaculum*, an expiation; formed, with suffixes *-cu-lu-*, from *piāre*, to expiate, propitiate, make holy. — L. *pius*, sacred, pious; see **Pious**, **Expiate**.

**PIANOFORTE**, **PIANO**, a musical instrument. (Ital. — L.) Generally called *piano*, by abbreviation. Added by Todd to Johnson's Dict. Invented A.D. 1717; first made in London, 1766 (Haydn). So called from producing both *soft* and *loud* effects. — Ital. *piano*, soft; and *forte*, strong, loud. — L. *plānus*, even, level (hence, smooth, soft); and *fortis*, strong. See **Plain** and **Force** (1). Der. *pian-ist*, a coined word.

**PIASTRE**, an Italian coin. (F. — Ital. — L. — Gk.) '*Piaster*, a coyn in Italy, about the value of our crown;' Blount's Gloss., ed. 1674. — F. *piastre*, in Cot. — Ital. *piatra*, 'any kind of plate or leaf of mettall;' *piatra d'argento*, 'a coine or plate of silver used in Spaine' (Florio). [But the form of the word is Italian.] Closely allied to Ital. *piastro*, 'a plaister;' Florio. Cf. also Mital. *plasma*, 'a kind of coine or plate of silver in Spaine,' id. In fact, the word is a mere variant of **Plaster**, q.v. The lamina of metal was likened to a plaster or 'flattened piece.'

**PIAZZA**, a square surrounded by buildings; a walk under a roof supported by pillars. (Ital. — L.) Properly pronounced *piatza*, as in Italian, with the Ital. vowel-sounds. First in Foxe (1583); described in Blount's Gloss., ed. 1674, at which time it was applied to the *piazza* in Covent Garden. 'The *piazza* or market-stead;' Foxe, Martyrs, p. 1621, an. 1555 (R.). — Ital. *piazza*, 'a market-place, the chiefest streete or broad way or place in a town;' Florio. — Folk-L. \**plattea*, for L. *platea*; see **Place**. Doublet, *place*.

**PIBROCH**, the music of the bag-pipe, a martial tune. (Gaelic — E. — L.) '*Pibrochs* or airs;' Smollett, Humphrey Clinker, letter dated Sept. 3. 'The *pibroch* resounds, to the piper's loud number, Your deeds on the echoes of dark Loch na Garr;' Byron, Lachin y Gair (1807). '*Pibroch* is not a bag-pipe, any more than duet means a fiddle;' Edinb. Review, on the same. — Gael. *piobaireachd*, 'the art of playing on the bag-pipe, piping; a pipe-tune, a piece of music peculiar to the bag-pipe,' &c. — Gael. *piobair*, a piper. — Gael. *piob*, a pipe, a bag-pipe; from E. *pipe*; see **Pipe**.

**PICA**, a kind of printer's type. (L.) See **Pie** (1) and (2).

**PICADOR**, in bull-fighting; a horseman armed with a light lance. (Span. — Teut.) Span. *picador*; lit. 'pricker;' from *picar*, to prick; see **Piccadill**.

**PICANINNY**, **PICCANINNY**, a baby, a child, esp. among the negroes. (Span.) Spelt *pekeneneene* in Stedman's Surinam, ii. 258; dimin. of *pekeen*, small, little. — Span. *pequeño*, small; allied to Ital. *piccolo*, small. Of uncertain origin.

**PICCADILL**, **PICKADILL**, a piece set round the edge of a garment, whether at the top or bottom; most commonly the collar; Nares. (F. — Span. — Teut.) See **Piccadell** in Nares. '*Pickadill*, the round hem, or the several divisions set together about the skirt of a garment, or other thing, also a kind of stiff collar, made in fashion of a band;' Blount's Gloss., ed. 1674. Also in Minsheu, ed. 1627. — F. *piccadille*, *picadille*; Cot. explains the pl. *piccadilles* by 'piccadilles, the several divisions or peeces fastened together about the brim of the collar of a doublet.' The form of the word shows it to be of Spanish origin; it is formed, with dimin. suffix *-illo*, from Span. *picado*, pp. of *picar*, to prick, to pierce with a small puncture (Neuman). Cf. *picada*, a puncture, incision made by puncture; *picadura*, a puncture, an ornamental gusset in clothes (Neuman). — Span. *pica*, a pike, a long lance, a word of Teut. origin; see **Pike**. Der. *Piccadilly*, the street so named, according to Blount and Nares; first applied to 'a famous ordinary near St. James's.'

**PICE**, a small copper coin in the E. Indies. (Marāthī.) From Hind. and Marāthī *paisā*, a copper coin, of varying value; the Company's *paisā* is fixed at the weight of 100 grains, and is rated at 4 to the *ana*, or 64 to the rupee; H. H. Wilson, Gloss. of Indian Terms, p. 389. And see **Yule**.

**PICK**, to prick with a sharp-pointed instrument; hence, to peck, to pierce, to open a lock with a pointed instrument, to pluck, &c. (E.) The sense 'to choose' or 'gather flowers' is due to a niceness of choice, as if one were picking them out as a bird with its beak. All he senses ultimately go back to the idea of using a sharply pointed instrument. ME. *pikken*, *picken*, Chaucer, C. T. 14973; in the Six-

text edition (B 4157) the Camb. MS. has *pikke*, where the rest have *pekke*. 'Get wolde he teteren and *pikelen* mid his bile' = yet would tear in pieces and pluck with his bill; where another MS. has *pikken* for *pikelen*; Ancrén Riwle, p. 84. β. Allied to ME. *piken* (with one *k*), as in 'to *pyken* and to weden it,' P. Plowman, B. xvi. 17; AS. *pican*, to pick. 'And lēt him *pȳcan* ūt his ēgan' = and caused his eyes to be picked out; Two Saxon Chronicles, ed. Earle, an. 796, p. 267. From AS. *pic*, a point, pike; see **Pike**. γ. Cf. also Icel. *picka*, to pick, to prick; Du. *pikken*, to pick; G. *picken*, to pick, peck. [Also Irish *piocaim*, I pick, pluck, nibble; Gael. *pioc*, to pick, nip, nibble; W. *pigo*, to pick, peck, prick, choose; Corn. *piga*, to prick, sting; from E.] Der. *pick-er*, Hamlet, iii. 2. 348; *pick-lock*, *pick-pocket*, *pick-purse*, Chaucer, C. T. 1900; also *pickax* q.v., *picket*, q.v., *piquet*. Also *pitch-fork* = ME. *pykkforke*, Prompt. Parv. Perhaps *pick-le*, *pic-nic*. Doublets, *peck* (1), *pitch*, verb.

**PICKAX**, a tool used in digging. (F. — Teut.) A *pickax* is not an ax at all, but very different; the name is an ingenious popular adaptation of the ME. *pikois* or *pikeys*; see my note to P. Plowman, C. iv. 465. '*Pykeys*, *mattokke*;' Prompt. Parv. '*Mattok* is a *pykeys*, Or a *pyke*, as sum men seys;' Rob. of Brunne, Handlyng Synne, 940. The pl. appears as *pikoys* in the Paston Letters, ed. Gardner, i. 106; and as *pikeys*, Riley, Memorials of London, p. 284. — AF. \**pikais*; OF. *picois*, MF. *picquois*, 'a pickax;' Cot. — OF. *piquer*, 'to prick, pierce, or thrust into;' Cot. — F. *pic*, 'a mason's pickax;' Cot.; still called 'a pick' by English workmen. — Late L. *pica*, a pickax; of Teut. origin; see **Pike**.

**PICKET**, a peg for fastening horses; a small outpost. (F. — Teut.) The sense of 'outpost' is secondary, and named from the *picketing* of the horses, i.e. fastening them to pegs. Not in early use; in Phillips, ed. 1706. — F. *piquet*, spelt *picquet* in Cotgrave, who explains it as 'a little pickax, also the peg or stick thrust down into the earth by a surveyor that measures with cord or a chain.' Dimin. of *pic*, a pickax (above). Der. *picket*, verb. Doublet, *piquet*.

**PICKLE**, a liquid in which some eatables are preserved. (E.?) ME. *pikil*, *pykyl*. '*Pykyl*, sawce, *Picula*;' Prompt. Parv. Cf. Du. *pekel*, pickle, brine; Low G. *pekel*, the same (Bremen Wörterb.). β. Origin uncertain; the old story that *pickle* took its name from its inventor, whose name is given as *William Beukeler* in Pennant's British Zoology, vol. iii, and as *William Böckel* in the Bremen Wörterbuch, is an evident fable; *b* would not thus become *p*. By way of mending matters, the name is turned into *Pökel* in Mahn's Webster, to agree with G. *pökel*, pickle; but then *Pökel* will not answer to the Du. form *pekel*. γ. Wedgwood's suggestion is preferable to this, viz. that the word is E., and is the frequentative of the verb to *pick*, in the sense 'to cleanse,' with reference to 'the gutting or cleansing of the fish with which the operation is begun.' The prov. E. *pickle*, to pick, to peck at, is still in use; and the Prompt. Parv. has: '*pykelynge*, purgulacio,' derived from '*pykyn*, or clensyn, or cullyn owte the onclene, purgo, purgulo, segrego.' Also '*pykyng*, or clensynge, purgacio.' See **Pick**. Der. *pickle*, sb., brine; whence the phr. *a rod in pickle*, i.e. a rod soaked in brine to make the punishment more severe; also *to be in a pickle*, i.e. in a mess.

**PICNIC**, an entertainment in the open air, at which each person contributes some article to the common table. (F. — Teut.) Added by Todd to Johnson's Dict. The word found its way into French as early as 1692 (Ménage), and was then spelt as *piquenique*. It also found its way into Swedish before 1788, as we find in Widegren's Swed. Dict. of that date the entry '*picknick*, an assembly of young persons of both sexes at a tavern, where every one pays his club,' i.e. his share. β. A coined word; from Teut. elements; there can be little doubt that the first element is MDu. *picken*, to pick up (as a bird), to reap; cf. E. *pick*. γ. The latter element is difficult to explain; in reduplicated words, with riming elements, one of the elements is sometimes unmeaning, so that we are not bound to find a sense for it. At the same time, we may, perhaps, assign to *nique* the sense of 'trifle;' cf. MF. *niquet*, 'a knick, snap with the teeth or fingers [Du. *knikken*, to snap], a trifle, matter of small value;' Cot. Cf. E. *knick-knacks*, trifles, spelt *nick-naeks* in Hotten's Slang Dictionary. Indeed Foote calls a picnic a *nicknack*; Nabob, Act I; see Davies, Supp. Glossary.

**PICOTEE**, a variety of the carnation. (F. — Teut.). Lit. 'spotted.' — F. *picoté*, spotted; pp. of *picoter*, to spot. — F. *piquer*, to prick. — F. *pic*, a pickax. Of Teut. origin; see **Pike**.

**PICRIC**, as in *picric acid*, used in dyeing. (Gk.) Formed by adding *-ic* to Gk. *μικρ-ός*, bitter. Allied to Gk. *πέικειν*, to cut, shear, and to *ποικίλος*, variegated, AS. *fah*, variegated (Prellwitz).

**PICTURE**, a painting, drawing. (L.) 'The *picture* of that lady's head;' Spenser, F. Q. ii. 9. 2. Englished (in imitation of F. *peinture*, a picture) from L. *picture*, the art of painting, also a picture. — L. *pict-us*, pp. of *pingere*, to paint; see **Paint**. Der.

*pictur-esque*, in Johnson's Dict., ed. 1755, s.v. *Graphically*, Englished from Ital. *pittorresco*, like what is in a picture, where the suffix is the L. *-iscus*, Gk. *-iskos*, cognate with AS. *-isc*, E. *ish*; hence *picturesquely*, *-ness*. Also *pictor-i-al*, Sir T. Browne, *Vulg. Errors*, b. iii. c. 24, § 2, formed with suffix *-al* from L. *pictōri-us*, pictorial, from *pictōri-*, decl. stem of *pictor*, a painter, allied to *pictus*, pp. of *pingere*.

**PICUL**, the same as **Pikul**, q. v.

**PIDDLE**, to trifle with. (Scand.) 'Neuer ceasynge piddelynge about your bowe and shaftes;' Ascham, *Toxophilus*, ed. Arber, p. 117. Perhaps a weakened form of *pittle*, to keep picking at, to trifle with (see E. D. D.)—Swed. dial. *pittla*, to keep picking at, frequent. of Swed. *peta*, to pick, poke (Rietz). Hence *piddling*, paltry, used as an adj.; see E. D. D.

**PIE** (1), a magpie; mixed or unsorted printer's type. (F.—L.) The unsorted type is called *pie* or *pi*, an abbreviation of *pica*; from the common use of *pica*-type. It is ultimately the same word as *pie* = magpie, as will appear; see **Pio** (2). ME. *pie*, *pye*, a magpie, Chaucer, C. T. 10964 (F 650).—F. *pie*, 'a pie, pyannat, meggatapy;' Cot. (See **Magpie**).—L. *pica*, a magpie. β. Doubtless allied to L. *picus*, a woodpecker; and prob. to Skt. *pika-*, the Indian cuckoo. Note also Irish *pighead*, Gael. *piغهaid*, a magpie, Gael. *piغهid*, a robin, W. *pi*, *pia*, *piog*, *piogen*, a magpie; from E. or L. Der. *pi-ed*, variegated like a magpie, L. L. v. 2. 904; *pi-ed-ness*, variegation, Wint. Tale, iv. 4. 87; and see *pie-bald*.

**PIE** (2), a book which ordered the manner of performing the divine service. (F.—L.) 'Moreover, the number and hardness of the rules called the *pie*;' Intro. to Book of Common Prayer, 1661. Here, as in the case of **Pio** (1), the word *pie* is a F. form of the L. *pica*, which was the old name for the Ordinale: 'quod usitato vocabulo dicitur *Pica*, sive directorium sacerdotum,' Sarum Breviary, fol. 1, cited in Procter, *On the Book of Common Prayer*, p. 8. The name *pica*, lit. magpie, was perhaps given to these rules from their 'pied' appearance, being printed in the old black-letter type on white paper, so that they resembled the colours of the magpie. β. The word *pica* is still retained as a printer's term, to denote certain sizes of type; and a hopeless mixture of types is *pie*. ¶ In the oath 'by cock and pie,' Merry Wives, i. 1. 316, *cock* is for the name of God, and *pie* is the Ordinal or service-book.

**PIE** (3), a pasty. (F.—L.?) ME. *pie*, Chaucer, C. T. 386 (A 384). Probably the same as **Pie** (2); the name may be due to a medieval pleasantry, as denoting the miscellaneous nature of the contents. In the *Babes Book*, ed. Furnivall, pt. ii. p. 37, l. 51, we find the L. pl. *picē* (= *picæ*) apparently in the sense of pies or pasties; the next word is *pastilli*, i.e. pasties; cf. 'pyes et pastellis' in quot. dated 1303 in N. E. D. ¶ Gael. *piغهe*, a pie, is from E.

**PIEBALD**, of various colours, in patches. (Hybrid: F.—L.; and C.) 'A *piebald* steed;' Dryden, tr. of Virgil, *Æn.* ix. l. 54. Richardson quotes it in the form 'A *pie-ball'd* steed;' which is a correct old spelling. Compounded of *pie* and *bald*. β. Here *pie* signifies 'like the magpie,' as in the word *pied*. *Bald*, formerly *ball'd* or *balled*, signifies 'streaked,' from W. *bal*, having a white streak on the forehead, said of a horse. See further under **Pie** (1) and **Bald**. ¶ A like compound is *skew-bald*, i.e. streaked in a skew or irregular way.

**PIECE**, a portion, bit, single article. (F.—C.) ME. *pece*, Rob. of Glouc. p. 555, l. 11590; the spelling *piece* is rarer, but occurs in Gower, C. A. i. 295; bk. iii. 465.—OF. *piece*, mod. F. *pièce*, a piece. [Cf. Span. *pieza*, a piece; Prov. *pessa*, *pesa* (Bartsch); Port. *peça*; Ital. *pezza*.]—Late L. *\*pettia*, *petia*; allied to Late L. *petium*, a piece of land, used as early as A.D. 730. From a Gaulish type *\*petti-*, answering to Oceltic type *\*getti-*, a piece, a portion; evidenced by W. *peth*, a piece, a thing, Corn. *peth*, Bret. *pez*, a piece; cf. *\*gotti-*, as in Irish and Gael. *cuid*, OIrish *cuit*, a piece, share. So Thurneysen, Stokes, Körting. Der. *piece*, vb., Hen. V. prol. 23; *piece-less*, *piec-er*, *piece-work*; also *piece-meal*, q. v.

**PIECE-MEAL**, by portions at a time. (Hybrid; F. and E.) ME. *pece-mele*; Rob. of Glouc. has by *pece-mele*, p. 216, l. 4422. The sense is reduplicated, meaning 'by piece-pieces.' For the first element, see **Piece**. β. The second element is the ME. termination *-mele*, found also in *flokmele*, in a flock or troop, lit. 'in flock-pieces,' Chaucer, C. T. 7962 (E 86); *lim-mele*, limb from limb, lit. 'in limb-pieces,' Layamon, 25618. A fuller form of the suffix is *-melum*, as in *wukemelum*, week by week, Ormulum, 536; *hipyllmelum*, by heaps, Wyclif, Wisdom, xviii. 23. See Koch, *Eng. Gram.* ii. 292. ME. *-melum* = AS. *mêlum*, dat. pl. of *mêl*, a portion; see **Meal** (2).

**PIEPOWDER COURT**, a summary court of justice formerly held at fairs. (F.—L.) Explained in Blount's *Nomolexicon*, ed. 1691; he says, 'so called because they are most usual in summer, and suiters to this court are commonly country-clowns with dusty feet.' At any rate, the L. name was *curia pedis pulverizati*, the court

of the dusty foot; see Ducange, s.v. *curia*. And see AF. *pe-poudroux* in Liber Albus, p. 67; i.e. F. *pied poudreux*. The E. *piepowder* is an adaptation of OF. *pied pouldré*, i.e. dusty foot.—F. *pied*, a foot, from L. acc. *pedem*; and OF. *pouldré*, dusty, pp. of *pouldrer*, *poudrer*, to cover with dust, from *poudre*, *poudre*, dust. See **Foot** and **Powder**. ¶ Blount refers us to the statute 17 Edw. IV. cap. 2; &c. Cf. 'Les pletz . . . qe lem appele *pepoudroux*;' Black Book of the Admiralty, ii. 22.

**PIER**, a mass of stone-work. (F.—L.—Gk.) In Shak. *Merch. Ven.* i. 1. 19. ME. *pere*, 'Pere, or pyle of a brygge [bridge], or other fundament' [foundation]; Prompt. Parv. Early E. *pere*, Birch, Cart. Saxon. iii. 659.—AF. *pere*, a stone; Langtoft, i. 124.—L. *petra*, stone; see **Petrify**. (And see the Supplement.) Der. *pier-glass*, orig. a glass hung on the stone-work between two windows.

**PIERCE**, to thrust through, make a hole in, enter. (F.—L.?) ME. *percen*, Rob. of Glouc. p. 17, l. 391.—F. *percer*, 'to pierce, gore;' Cot. OF. *percier* (Roland-song). β. Origin uncertain; the suggestion in Diez, that *percer* is contracted from OF. *pertuisier*, with the same sense, is ingenious, but somewhat violent; Hatzfeld equates *percer* to a Late L. type *\*pertūsīare*, which may have become *\*pert-siāre*. *Pertuisier*, occurring in the 12th century, is from *pertuis*, a hole, and is parallel to Ital. *perugiare*, to pierce, from *perugio*, a hole; and to Prov. *pertusar*, to pierce. γ. The Ital. *perugiare* answers to a Late L. type *\*pertūsīare*, from L. *pertūsus*, pp. of *pertundere*, to thrust through, bore through, pierce, a compound of *per*, through, and *tundere*, to beat; see **Contuse**. δ. The suggestion above is supported by these considerations: (1) that the L. *per*, through, seems certainly to be involved in F. *percer*; and (2) that L. *pertundere* gives the right sense. Ennius has *latu' pertudit hasta*, which is exactly 'the spear pierced his side.' ¶ Bartsch suggests a type *\*per-itiāre*, to go through; see Körting, §§ 7057, 7082. Der. *pierc-er*; also *pierce-able*, spelt *perceable* in Spenser, F. Q. i. 1. 7.

**PIETY**, the quality of being pious. (F.—L.) In Shak. *Timon*, iv. 1. 15; Lyly, *Euphues*, p. 103.—F. *piété*, piety; omitted by Cotgrave, but given in Sherwood's index.—L. *pietatem*, acc. of *pietās*, piety. Formed, with suffix *-tās*, from *pie-*, for *pīus*, pious; see **Pious**. Doublet, *pity*.

**PIG**, a porker, the young of swine. (E.) ME. *pigge*, Ancren Riwe, p. 204, l. 9. Cf. prov. E. *peg*, a pig (Berks.). Perhaps the AS. form was *\*picga* (for *\*peg-joz*?). Cf. also the AS. form *peeg*; as in 'of swinforda oð *pegges* ford,' Birch, Cart. Saxon. iii. 223. But the connexion is doubtful. Allied to MDu. *pigge*, 'a pigge,' Hexham; and perhaps to Du. *bigge*, *big*, a pig; Low G. *bigge*, a pig, also, a little child; 'de biggen *lopet enem under de vôte*,' the children run under one's feet; Bremen Wörterbuch. Der. *pig*, verb; *pig-ish*, *pig-er-y*; *pig-head-ed*, used by Ben Jonson, *News from the New World* (near beginning), *pig-tail*; *pig-nut*, Temp. ii. 2. 172. Also *pig-iron*: 'A *sow* of iron is an ingot; *Pano di metallo*, a mass, a *sow* or ingot of metal (Florio). When the furnace in which iron is melted is tapped, the iron is allowed to run into one main channel, called the *sow*, out of which a number of smaller streams are made to run at right angles. These are compared to a set of pigs sucking their dam, and the iron is called *sow* and *pig* iron respectively. Probably the likeness was suggested by the word *sow* having previously signified an ingot.'—Wedgwood. But probably the original use of *sow* and *pig* referred merely to size. Add to this, that *sow* may very well have been applied jocularly to an ingot, owing to its bulk and weight. Ray mentions these *sows* and *pigs* in his 'Account of Iron-work;' see Ray's Glossary, ed. Skeat (E. D. S.), Gloss. B. 15, p. 13.

**PIGEON**, the name of a bird. (F.—L.) Spelt *pyione* (= *pijon*) in the Prompt. Parv. p. 396; *pygeon* in Caxton, tr. of Reynard the Fox (1481), ed. Arber, p. 58.—F. *pigeon*, 'a pigeon, or dove;' Cot. [Cf. Span. *pichon*, a young pigeon; Ital. *piccione*, *pippione*, a pigeon.]—L. *pipiōnem*, acc. of *pipiō*, a young bird, lit. 'a chirper' or 'piper.'—L. *pipire*, to chirp, cheep, pipe; see **Pipe**, **Peep**. Of imitative origin, from the cry *pi*, *pi* of the young bird. Der. *pigeon-hole*, *pigeon-hearted*; *pigeon-livered*, Hamlet, ii. 2. 605.

**PIGGIN**, a small wooden vessel. (E.) 'Piggin, a small wooden cylindrical vessel, made with staves and bound with hoops like a pail;' Brockett. Cotgrave translates F. *trayer* by 'a milking pale, or piggin.' 'Iij *pigginus*,' Lanc. and Chesh. Wills, p. 113 (1541). [Cf. Gael. *pigeon*, a little earthen jar, pitcher, or pot; diminutive of *pigeadh* (also *pige*), an earthen jar, pitcher, or pot; Irish *pigin*, a small pail, *pighead*, an earthen pitcher; W. *picyn*, a piggin; all from E.] Extended from *pig*, in the sense of 'earthen vessel,' as in G. Douglas, tr. of Virgil, bk. vii. ch. 14, l. 25. The suffix is the E. *-en*, as in *wood-en*; or, possibly, Gael. *-an*, dimin.

**PIGHT**, old form of *pitched*; see **Pitch** (2).

**PIGMENT**, a paint, colouring matter. (L.) In Blount's Gloss.,

ed. 1674. — *L. pigmentum*, a pigment; formed with suffix *-mentum* from *pig-*, base of *pingere*, to paint; see **Paint**. Der. *or-piment*, *or-pine*. Doublet, *pimento*.

**PIGMY**, the same as **Pygmy**, q.v. (F. — L. — Gk.)

**PIKE**, a sharp-pointed weapon, a fish. (E.) 1. ME. *pike*, *pyke*, in the sense of a pointed staff, P. Plowman, B. v. 482; spelt *pic*, in the sense of spike, Layamon, 30752. AS. *pic*: 'Acisculum, *pic*;' Voc. 3, 13. And cf. Northumb. *horn-pic*, as a gloss to *L. pinnam*. Luke, iv. 9. (Hence Irish *pice*, a pike, fork; *picidh*, a pike or long spear, a pickax; Gael. *pic*, a pike, weapon, pickax; W. *pig*, a point, pike, bill, beak, *picell*, a javelin; Bret. *plk*, a pick, pickax.) β. The orig. sense is 'sharp point' or 'spike.' Allied to **Spoke**, **Spoke**; and see **Pick**. 2. ME. *pike*, a fish; 'Bet is, quod he, a *pyk* than a *pikerel*,' Chaucer, C. T. 9293 (E 1419). So called from its sharply-pointed jaws; see **Hake**. The young pike is called a *pikerel*, or *pickerel* (Nares), formed with dimin. suffixes *-er* and *-el*, like *cock-er-el* from *cock*. Der. *pick-ed*, old form of *peaked*, Rob. of Brunne, tr. of Langtoft, p. 328, l. 8; *pike-head*, Spenser, F. Q. i. 7. 37; *pike-man*; *pike-staff*, i.e. *piked-staff* or staff with a spike. ME. *pyk-staf*, P. Plowman, B. vi. 105. Also *pick*, vb., *peck*, *pitch*, vb.; *pickax*; *piccadill*, *picket*, *piquet*, *picnic*. Doublets, *peak*, *pick*, sb., *pique*, sb.

**PIKUL**, the name of a weight. (Malay.) See *Pecul* in Yule. — Malay *pikul*, the Malay name for the Chinese weight of 100 catties or *kātis*. About 133½ pounds avoirdupois. See **Caddy**.

**PILASTER**, a square pillar or column, usually set in a wall. (F. — Ital. — L.) Spelt *pilaster*, *pillaster* in Phillips, ed. 1706. *Pilaster* in Chapman, tr. of Homer, Od. vii. 121. Also in Cotgrave. — F. *pilastre*, 'a pilaster or small pillar;' Cot. — Ital. *pilastro*, 'any kind of pillar or pilaster;' Florio. Formed with suffix *-stro* from Ital. *pila*, 'a flat-sided pillar;' Florio. — L. *pila*, a pillar; see **Pile** (2). Der. *pilaster-ed*.

**PILAU**, an Oriental dish; see **Pillau**.

**PILCH**, a furred garment. (L.) For the various senses, see N. E. D. It orig. meant a warm furred outer garment. ME. *pilche*, Ancren Riwle, p. 362, last line. AS. *fylice*, in Screadunga, ed. Bouterwek, p. 20, l. 28; *fylice*, Voc. 328. 11. — L. *pellicea*, fem. of *pelliceus*, made of skins; see further under **Pelisse**. Cf. **Pelt**. Doublet, *pelisse*.

**PILCHARD**, the name of a fish. (E.?) 'A *Pilcher* or *Pilchard*;' Minshen, ed. 1627; *pilchard*, Baret, ed. 1580. 'Pylcher, a fyssh, sardine;' Palsgrave. Spelt *pilcher* in Shak. Tw. Nt. iii. 1. 39 (first folio). Of uncertain origin; cf. Irish *pilseir*, a pilchard (from E.). β. The prov. E. *pilch* means to filch, to pick; see E. D. D. and N. E. D.; whence *pilch-er* might be derived.

**PILCROW**, a curious corruption of **Paragraph**, q.v. And see Notes on E. Etym., p. 215.

**PILE** (1), a tumour, lit. a ball; only in the pl. *piles*. See **Piles**.

**PILE** (2), a pillar; a heap. (F. — L.) ME. *pile*, *pyle*; P. Plowman, B. xix. 360; C. xxii. 366. — F. *pile*, 'a pile, heap, or stack;' Cot. — L. *pila*, a pillar; a pier or mole of stone. Der. *pile-driver*; also *pillar*, q.v., *pil-aster*, q.v. ¶ *Pile* in the heraldic sense is an imitation of a sharp stake; see **Pile** (3). In the old phrase *cross and pile*, equivalent to the modern *head and tail*, the allusion is to the stamping of money. One side bore a cross; the other side was the under side in the stamping, and took its name from the *pile* or short pillar (L. *pila*) on which the coin rested. Thus Cot. translates F. *pile* (which here = *pila*, not *pila*) by 'the *pile*, or under-iron of the stamp, wherein money is stamped; and the *pile-side* of a piece of monie, the opposite whereof is a *crosse*; whence, *Je n'ay croix ne pile*' = I have neither cross nor pile.

**PILE** (3), a stake. (L.) ME. *pile*, P. Plowman, B. xvi. 86. AS. *pil*, a pointed stick, something pointed. — L. *pilum*, a javelin; orig. a pestle. For *\*pins-lom*. — L. *pinere*, to pound. + Skt. *pish*, *pimsh*, to pound. ¶ The heraldic *pile* is a sharp stake; from F. *pile*, m. 'a javelin;' Cot.; from L. *pilum*. Brugmann, ii. § 76.

**PILE** (4), a hair, fibre of wool. (L.) In Shak. All's Well, iv. 5. 103; cf. *three-piled*, L. L. L. v. 2. 407. Directly from L. *pilus*, a hair (the F. form being *poil*). Cf. Gk. *πῖλος*, felt. Brugmann, ii. § 76. Der. *pil-ose*, *three-piled*. Also *de-pil-at-or-y*, *pl-ush*, *per-uke*, *per-i-wig*, *wig*.

**PILES**, hemorrhoids. (L.) In Minshen, ed. 1627. Spelt *pyles* in Sir T. Elyot, Castel of Helth, b. iii. c. 9. Small tumours; directly from L. *pila*, a ball. Cf. MF. *pile*, 'a ball to play with;' Cot.

**PILFER**, to steal in a small way, filch. (F.) In Shak. Hen. V. i. 2. 142. — OF. *pelfrer*, to pilfer. — OF. *pelfre*, booty, pelf. See **Pelf**. Der. *pilfer-ings*, K. Lear, ii. 2. 151.

**PILGRIM**, a wanderer, stranger. (Ital. — L.) ME. *pilgrim*, Chaucer, C. T. 26; earlier forms *pilegrim*, *pelegrim*, Layamon, 30730, 30744. [The final *m* is put for *n*, by the frequent interchange between liquids.] — Ital. *pellegrino*, 'a wandrer, pilgrim, stranger;'

Florio. (Cf. Prov. *pellegrinus*, a pilgrim (Bartsch), Port. and Span. *peregrino*.) — L. *peregrinus*, a stranger, foreigner; used in Heb. xi. 13, where the A. V. has 'pilgrims.' Orig. an adj. signifying strange, foreign, formed from adv. *peregrī*, away from home; allied to the sb. *pereger*, a traveller. This sb. was also orig. an adj. signifying 'on a journey,' abroad or away from home, lit. 'passing through a (foreign) country.' — L. *per*, through; and *ager*, a land, country, cognate with E. *acre*. The vowel-change from *a* in *ager* to *e* in *pereger* is regular. See **Per-** and **Acre**. Der. *pilgrim-age*, Chaucer, C. T. 12; formed with suffix *-age* in imitation of OF. *pelerinage*, 'a peregrination or pilgrimage;' Cot. Doublet, *peregrine*, chiefly used of the *peregrine* or 'foreign' falcon, Chaucer, C. T. 10742 (F 428). And see **Peregrination**. ¶ The form is Italian, notwithstanding its early use; due to the fact that English pilgrims frequently went (like King Alfred) to Rome. The OF. *pelerin* had no *g*; but cf. Roumansch *pelegrin*.

**PILL** (1), a little ball of medicine. (L.) 'Pocions, electuaries, or *pylles*;' Sir T. Elyot, Castel of Helth, b. iii. c. 5. Contracted, like MDu. *pille*, a pill, Late L. *pilla*, from L. *pilula* (as recipes were in Latin). The Late L. *pilla* occurs in Gemma Gemmarum, Coloniae, 1507. The same book has the spelling *pillula*. Cf. OF. *pile*, a pill; F. *pilule*, 'a physical pill;' Cot. — L. *pilula*, a little ball, globule, pill. Dimin. of *pila*, a ball; see **Piles**.

**PILL** (2), to rob, plunder. (F. — L.) Also spelt *peel*; see **Peel** (2). [But the words *peel*, to strip, and *peel*, to plunder, are from different sources, though much confused; we even find *pill* used in the sense 'to strip.' The sense of 'stripping' goes back to L. *pellis*, skin, as shown under **Peel** (1).] ME. *pillen*, most MSS. *pilen*, Chaucer, C. T. 6944 (D 1362); also *pilen*, Rob. of Brunne, tr. of Langtoft, p. 42, l. 9. — F. *pillier*, 'to pill, ravage, ransack, rifle, rob;' Cot. — L. type *\*pilāre*, for L. *pilāre*, to plunder, pillage; a rare verb, used by Ammianus Marcellinus; a later use of *pilāre*, to deprive of hair; from *pilus*, a hair. Der. *pill-age*, plunder; we find 'such as delyte them in *pyllage* and robbery' in Fabyan, Chron. vol. i. c. 114, ed. Ellis, p. 87; from F. *pillage* (as if from a L. *\*pilaticum*). Hence *pill-ag-er*, for which *pillier* was formerly used, spelt *pillour* in Chaucer, C. T. 1009 (A 1007).

**PILLAGE**, plunder; see under **Pill** (2).

**PILLAR**, a column, support. (F. — L.) In early use. ME. *pilar*, O. Eng. Homilies, ed. Morris, i. 281, l. 29. — OF. *pilar* (Littre), later *pilier*, 'a pillar;' Cot. [Cf. Span. and Port. *pilar*, a pillar.] — Late L. *pilāre*, a pillar; formed (with adj. suffix) from L. *pila*, a pier of stone; see **Pile** (2).

**PILLAU, PILAU**, a dish of meat or fowl with rice and spices. (Pers.) In Terry, Voy. to India, p. 195 (Pegge). — Pers. *pilāw*, the same; Rich. Dict., p. 335.

**PILLION**, the cushion of a saddle, a cushion behind a saddle. (C. — L.) Spenser speaks of a horseman's '*shamuck-pillion* (shank-pillion) without stirrups;' View of the State of Ireland, Globe ed. p. 639, col. 2, l. 21. [Not the same word as *pylion*, a kind of hat, in P. Plowman's Crede, 839; which is from L. *pileus*.] 'Pyllyon for a woman to ryde on;' Palsgrave. Lowl. Sc. *pilyane* (1503); N. E. D.; prob. borrowed from Gaelic. Cf. Irish *pillium*, *pillin*, a pack-saddle; Gael. *pilllean*, *pillin*, a pack-saddle, riding-cloth; allied to Irish and Gael. *peall*, a skin; all from L. *pellis*, a skin. See **Pell**, **Fell** (2).

**PILLORY**, a wooden frame with an upright post, to which criminals were fastened for punishment. (F.) ME. *pilory*, Polit. Songs, ed. Wright, p. 345; *pillory*, P. Plowman, B. iii. 78, C. iv. 79 (see my note on the line). — F. *pilori*, 'a pillory;' Cot. β. Of unknown origin; other remarkable variants occur, viz. OF. *pilorin*, *pellorin*, Port. *pelourinho*, Prov. *espillori*, Late L. *piloricum*, *spiliorium*, &c., cited by Littre and Scheler. There seems to have been a loss of initial *s*.

**PILLOW**, a cushion for the head. (L.) ME. *pilwe*, Gower, C. A. i. 142; bk. i. 2986. The change from ME. *-we* to E. *-ow* is regular; cf. *arrow*, ME. *arwe*. But it is less easy to explain the ME. form, as the usual AS. form is *pyle*, Ælfred, tr. of Orosius, b. v. c. 11. § 1. However, there is a by-form *pylu*, which is more correct; it occurs in the gloss: 'ceruical, *pylu*;' Napier's glosses, 29. 4. This AS. *pylu* is from a type *\*pulwi-*; from L. *puluinum*, acc. of *puluinus*, 'a cushion, pillow, bolster; a word of uncertain origin.' β. The L. *puluinus* also gave rise to Du. *peuluw*, a pillow; OHG. *phulwi*, MHG. *phulwe*, G. *pfühl*, a pillow; Westphalian *pülf*. Der. *pillow*, vb., Milton, Ode on Christ's Nativity, l. 231; *pillow-case*.

**PILOT**, one who conducts ships in and out of harbour. (F. — Ital. — Gk.) Spelt *pylot* in Gascoigne, Voyage into Holland, A. D. 1572, l. 44; cf. Macb. i. 3. 28. — MF. *pilot*, 'a pilot or steersman;' Cot. Mod. F. *pilote*; whence *piloter*, to take soundings, a word used by Palsgrave, ed. 1852, p. 709. Corrupted from OF. *pedot*, a pilot (Godefroy). — MItal. *pedota*, 'a pilot or guide by sea;' Florio. — Late

Gk. \**μηδώνης*, a steersman; regularly formed, with suffix *-της* (of the agent) from *μηδών*, a rudder, the blade of an oar. Körting, § 6986. *Der. pilot*, vb., *pilot-age*, *pilot-cloth*, *pilot-fish*.

**PIMENTO**, all-spice or Jamaica pepper; or, the tree producing it. (Port.—L.) Also called *pimenta*; both forms are in Todd's Johnson. —Port. *pimenta*, pepper (Vieyra); there is also (according to Mahn) a form *pimento*. The Spanish has both *pimienta* and *pimiento*; but the E. word clearly follows the Port. form. *β.* The OF. *piment* meant 'a spiced drink,' and hence the ME. *piment*, Rom. of the Rose, 6027. All these forms are from L. *pimentum*, (1) a pigment, (2) the juice of plants. See **Pigment**.

**PIMP**, a pandar, one who procures gratification for the lust of others. (F.—L.?) Not an old word. '*Fol.* Let me see; where shall I chuse two or three for *pimps* now?' Middleton, *A Mad World*, Act iii (end). Of unknown origin; but perhaps suggested by MF. *pimpreneau*, *pimperneau*, 'a grig (kind of cel); also, a knave, rascal, varlet, scoundrell;' Cot. So also OF. *pimpernel*, a small cel, a lively fellow, in an unfavourable sense (Godefroy). Cf. Norm. dial. *pimperneau*, *piperneau*, a kind of small cel (Moisy); Late L. *pipernella*, *pipella* (Ducange). *β.* Or perhaps allied to MF. *pimper*, 'to sprucify, or finifie it;' Cot. Allied to the Prov. verb *pimpar*, to render elegant, from the Prov. sb. *pimpa*, equivalent to F. *pipeau*, meaning (1) a pipe, (2) a bird-call, (3) a snare; with an allusion to an old proverb *piper en une chose*, to pipe in a thing, i.e. to excel in it. Hence *pimper* came to mean (1) to pipe, (2) to excel, (3) to beautify or make smart. Cf. also F. *pimpant*, 'spruce' (Cot.), especially applied to ladies whose dress attracted the eye (Littre). *γ.* Thus *pimper* is from *piper*, to pipe; see **Pipe**.

**PIMPERNEL**, the name of a flower. (F.—L.) Spelt *pympernell* in Sir T. Elyot, *Castel of Helth*, b. iii. c. 6. '*Hec pimpernella*, pimpernelle;' Voc. 645. 10; 'Piponella, *pympernele*,' Voc. 603. 7. Also: '*Pimpernele*, (AF.) *pinpre*, (ME.) *briddes-tunge*;' Voc. 557. 35. —MF. *pimpernelle*, *pimpinelle*, 'the burnet,' Cot.; mod. F. *pimprerelle*; Norm. dial. *pimprerelle* (Moisy). Cf. Span. *pimpinela*, burnet; Ital. *pimpinella*, *pimpernel*; Late L. *pipinella* (Hatzfeld). *β.* Diez derives it from L. *\*bipinella* < *\*bipennula*, a dimin. from *bipennis*, i.e. double-winged. The *pimpernel* was confused with burnet (see Prior), and the latter (*Poterium sanguisorba*) has a feather-like arrangement of its leaves. Cf. *Rosa pimpinellifolia*. *γ.* If this be right (which is highly doubtful), we trace the word back to *bi-*, for *bis*, twice; and *penna*, a wing; see **Bi-** and **Pen**. *δ.* Diez also cites Catalan *pampinella*, Piedmontese *pampinela*, but regards these as corrupter forms, since we can hardly connect *pimpernel* with L. *pampinus*, a tendril of a vine.

**PIMPLE**, a small pustule. (Scand.?) Spelt *pimpel* in Minshew, ed. 1627; *pimple* in Baret (1580). Prov. E. *pumple* (E. D. D.). '*Pimples* or little wheales;' Udall, tr. of Erasmus' *Apophthegmes*, Diogenes, § 6. '*Pymple*, pustule;' Palsgrave. [The alleged AS. *pinpel* is Lye's misprint for *winpel*; Voc. 125. 8.] Apparently not an E. word, but perhaps Scand. Prob. allied to Norw. *pump-en*, swollen up, particularly in the face (Ross). There seems to have been a Scand. strong verb *\*pimpa* (pt. t. *\*pamp*, pp. *\*pump-in*), of which traces are found in Swed. dial. *pimp-ug*, swelling out, *full-pemp-ad*, pregnant, Dan. dial. *pamp-er*, a thickset man, Norw. *pump*, a small fat man (Ross); cf. Bavar. *pampfen*, to stuff, *pumpf-grob*, very coarse or thick, *pumpet*, thick-set. Hence perhaps also F. *pompette*, 'a pumple or pimple on the nose, or chin,' Cot. Cf. **Pamper**.

**PIN**, a peg, a small sharp-pointed instrument for fastening things together. (L.) ME. *pinne*, Chaucer, C. T. 196, 10630 (F 316). AS. *pin*, a pin, also a pointed style for writing (Toller). The ME. *pinne* or *pin* often means 'a peg' rather than a small pin in the modern sense. *β.* We also find Irish *pinne*, a pin, peg, spigot, stud, *pin*, a pin, peg; Gael. *pinne*, a pin, peg, spigot; W. *pin*, a pin, style, pen; Du. *pin*, pin, peg; MDu. *pennne*, a wooden pin, peg (Hexham); *pinne*, a small spit or ironshod staff, the pinnacle of a steeple (id.); Swed. *pinne*, a peg, Dan. *pind*, a (pointed) stick; Icel. *pinni*, a pin; G. *pinnen*, to pin; *penn*, a peg. *γ.* All borrowed words from L. *pinna*, a wing, fin, pinnacle; cognate with E. *fin*. See Brugmann, ii. § 66 (note). *Der. pin*, verb, L. L. v. 2. 321, ME. *pinuen*, Prompt. Parv.; *pin-afore*, so called because formerly pinned in front of a child, afterwards enlarged and made to tie behind; *pyn-case*, Skelton, *Elinor Rummyng*, 529; *pin-cushion*; *pin-money*, Spectator, no. 295; *pin-point*; *pinu-er*, (1) a pin-maker, (2) the lappet of a head-dress, Gay, *Shepherd's Week*, Past. 5, l. 58; *pin-t-le* (= *pin-et-el*), a little pin, a long iron bolt (Webster). And see *pinu-ac-le*, *pinu-ate*, *pin-i-on*. ¶ The sense of peg or pointed instrument arose from that of 'pinnacle,' as in *pinnum templi*, Luke, iv. 9.

**PINCH**, to nip, squeeze, gripe. (F.) ME. *pinchen*, Chaucer, C. T. 328 (A 326); P. Plowman, B. xiii. 371. O. North. F. *pinchier*, Norm. dial. *pincher*, Moisy; Guernsey *pinchier*, Métivier; F. *pincer*, 'to pinch, nip, twitch;' Cot. *β.* This is a nasalised form of M. Ital.

*picciare*, *pizzare*, 'to pinch, to snip' (Florio), mod. Ital. *pizzicare*, to pinch; see Diez for other related forms. *γ.* These verbs are allied to the sb. which appears as Ital. *pinzo*, a sting, a goad, *pinzette*, pincers. *δ.* The orig. sense seems to have been 'a slight pricking with some small pointed instrument;' the word being formed from a base *pic* (probably Tent.) allied to E. *pick*; see **Pick**. Cf. Du. *pitsen*, *pinsen*, to pinch (Hexham). *Der. pinch-er*; *pinch-ers* or *pincers*, ME. *pynsors*, Voc. 627. 19; with which cf. F. *pinces*, 'a pair of pincers,' Cot. And cf. **Pink** (1).

**PINCHBECK**, the name of a metal. (Personal name.) It is an alloy of copper and zinc, to resemble gold. Added by Todd to Johnson's Dict.; also in Ash's Dict., ed. 1775. So named from the inventor, Mr. Christopher Pinchbeck, the elder, a London watch-maker (ab. 1670–1732). See Notes and Queries, Ser. I. vol. xii. p. 341; Ser. II. vol. xii. p. 81. Cf. Mason's Ode to Mr. Pinchbeck [the younger] on his patent snuffers (1776). *β.* The name was probably taken from one of the villages named East and West *Pinchbeck*, near Spalding, Lincolnshire.

**PINDER, PINNER**, one who impounds stray cattle. (E.) See the anonymous play, 'A pleasant conceyted Comedie of George-a-Greene, the *pinner* of Wakefield,' London, 1599. Spelt *pinder* in the reprint of 1632. ME. *pinder*, *pinner*; spelt *pyndare*, *pinnar* in Prompt. Parv. p. 400; and see Way's note. Formed, with suffix *-er* of the agent, from AS. *pyndan*, to pen up; Ælfred, tr. of Gregory's Pastoral Care, c. xxxix, ed. Sweet, p. 282, l. 13. *Pyndan* is formed (with the usual vowel-change from *u* to *y*) from the AS. sb. *pund*, a pound for cattle; see **Pound** (2), **Pinfold**. The spelling *pinner* is due to a supposed connexion with the verb *to pen up*; but there is no real relationship. See **Pen** (2).

**PINE** (1), a cone-bearing, resinous tree. (L.) ME. *pine*, Legends of the Holy Rood, ed. Morris, p. 70, l. 307; spelt *pigne*, Gower, C. A. ii. 161; bk. v. 1010. AS. *pin*; *pin-treow*, a pine-tree; Voc. 138. 3. —L. *pinus*. *β.* L. *pinus* is allied to Gk. *πίτυς*, a pine, Skt. *pītu-dāru-*, lit. 'resin-tree;' and to L. *pitu-ita*, phlegm, also 'resin'. See **Pip** (1). *Der. pine-apple*, because the fruit resembles a pine-cone, which was called a *pine-apple* in ME.; cf. Palladius on Husbandry, bk. iii. 1049, where a pine is called *pynappultree*; *pine-cone*; *pin-ery*, a place for pine-apples, a coined word. Also *pinu-ace*.

**PINE** (2), to suffer pain, waste away, be consumed with sorrow. (L.) ME. *pinen*, almost always transitive, signifying 'to torment;' Rom. of the Rose, 3511; Chaucer, C. T. 15065 (B 4249); merely formed from the sb. *pine*, pain, torment, Chaucer, C. T. 1326 (A 1324). AS. *pinian*, to torment, A.S. Chron. an. 1137; AS. *pin*, pain, torment, A.S. Chron. an. 1137. See also *pinian*, verb, in Toller. *β.* Not a Teut. word, but borrowed from L. *poena*, pain; see **Pain**. Hence also G. *pein*, Du. *pijn*, &c.

**PINFOLD**, a pound for cattle. (E.) In Shak. K. Lear, ii. 2. 9. For *bind-fold*, i.e. pound-fold; see P. Plowman, B. xvi. 264, C. xix. 282, where we find *poundfold*, *pondfold*, *pynfold*. See **Pound** (2), **Pinder**. The AS. variant *pundfold* occurs in Birch, Cart. Saxon. iii. 309.

**PINION**, a wing, the joint of a wing. (F.—L.) Used in Shak. to mean 'feather,' Antony, iii. 12. 4; he also has *nimble-pinioned* = nimble-winged, Rom. ii. 5. 7. ME. *pinion*. '*Pynyon* of a wyng, *pennula*;' Prompt. Parv. —F. *pignon*, only given by Cotgrave in the sense of 'a finial, cop, or small pinnacle on the ridge or top of a house,' like mod. F. *pignon*, a gable-end. The sense of the E. word was derived from OF. *pignon*, a feather (Godefroy, s. v. *pennon*); and the Span. *piñon* means 'pinion,' as in English. *β.* Both F. *pignon* and Span. *piñon* are derivatives from L. *pinna*, variant of *penna*, a wing; whence E. *pen* (1); confused with L. *pinna*, a fin. The Late L. *pinna* means 'a peak,' whence the sense of F. *pignon*; the same sense appears in L. *pinna-culum*. See **Pin**, **Pinnacle**. ¶ The E. *pinion*, in the sense of 'a small wheel working with teeth into another,' is really the same word; it is taken from F. *pignon*, with the same sense (Littre), which is from L. *pinna*, in the sense of 'float of a water-wheel.' Cotgrave gives '*pinon*, the pinnion of a clock.' *Der. pinion*, verb, lit. to fasten the pinions of a bird, hence, to tie a man's elbows together behind him, K. Lear, iii. 7. 23.

**PINK** (1), to pierce, stab, prick. (E.) Esp. used of stabbing so as to produce only a small hole, as, for instance, with a thin rapier. The word, though unusual, is still extant. '*Pink*, to stab or pierce; in the days of rapier-wearing a professed duellist was said to be "a regular *pinker* and driller;"' Slang Dictionary. Todd quotes from Addison's *Drummer*, iv. 2: 'They grew such desperate rivals for her, that one of them *pinked* the other in a duel.' Cotgrave has: '*Eschiffeur*, a cutter or *pinker*.' Shak. has *pink'd porringer*, i.e. a cap reticulated or pierced with small holes, Hen. VIII. v. 4. 50. ME. *pinken*, to prick. '*Heo pynkys* with heore penne on heore parchemyn' — they prick with their pens on their parchment; Polit. Songs, ed. Wright, p. 156. *β.* It is best to regard *pink* as the regular nasalised

form of *pick*, in the sense 'to peck, prick;' see **PICK**. In fact, the E. *pink*, to cut silk cloth in round holes or eyes (Bailey), is parallel to MF. *piquer*, with the same sense (Cotgrave). See also **Pinch**, which is an allied word.

**PINK** (2), half-shut, as applied to the eyes. (Du.) Obsolete. 'Plumpy Bacchus, with *pink* eyne;' Shak. Ant. ii. 7. 121. It means 'winking, half-shut;' from MDu. *pincken*, or *pinck-oogen*, 'to shut the eyes,' Hexham; where *ooge* = eye. The notion is that of bringing to a point, narrowing, or making small. Cf. prov. E. *pink*, to contract the eyes. The same notion comes out in the verb to *pinch*; also in prov. E. *pink*, a minnow, i.e. a very small fish. See also **Pink** (3). Der. *pink-eyed*, q.v.

**PINK** (3), the name of a flower, and of a colour. (E.) Spelt *pincke*, as the name of a flower, Spenser, Shep. Kal. April, l. 136. [The name of the colour is due to that of the flower, as in the case of *violet*, *mauve*. Again, the phrase 'pink of perfection' is prob. due to Shakespeare's 'pink of courtesy,' a forced phrase, as remarked by Mercutio; Romeo, ii. 4. 61.] The flower seems to have been named from the delicately cut or peaked edges of the petals; see **Pink** (1) and **Pink** (2). Cf. 'The jagged *pinkes*;' Baret (1580). See also Lyte, tr. of Dodoens, bk. i. c. 7. The use of *pink* in the sense to pierce, to cut silk cloth into round holes or eyes, has already been noted; see **Pink** (1). We may note 'pink'd porringer,' i.e. cap ornamented with eyelet-holes, in Shak. Hen. VIII, v. 4. 50. Cf. MF. *pince*, 'a pink,' Cotgrave (see also *pince*); from *pincer*, to pinch, nip.

**PINK** (4), a kind of boat. (Du.) See Nares. 'Hoy's, *pink*s, and sloop's;' Crabbe, The Borough, let. 1, l. 52. 'Pinke, a little ship;' Baret (1580).—Du. *pink*, a fishing-boat. Short for MDu. *espincke*, as shown by Hexham, who has: 'Espincke, or pincke, a pinke, or a small fisher's boat' (whence also F. *pinque*, Span. *pingue*, a pink). This is the same word as Swed. *esping*, Icel. *espingr*, a long boat; formed with suffix -ing from *esp*, signifying 'aspens,' of which wood it must have been first made. Cf. Icel. *espi*, aspen-wood; MDu. *espe*, 'an aspe-tree;' Hexham. See **Aspen**.

**PINK-EYED**, having small eyes. (Hybrid; Du. and E.) 'Them that were *pinke-eyed* and had very small eies, they termed *ocelle*;' Holland, tr. of Pliny, b. xi. c. 37 (on the Eye). See Nares. 'Plumpy Bacchus, with *pink* [half-closed] eyne;' Antony, ii. 7. 121. —Du. *pinken*, to wink. Hexham has: 'pincke, light, or an eye; *pincken*, ofte [or] *pinck-oogen*, to shut the eyes; *pimpooge*, ofte [or] *pimpooogen*, pinck-eyes, or pinck-eyed.' See **Pink** (2).

**PINNACE**, a small ship. (F.—Ital.—L.) In Shak. Merry Wives, i. 3. 89. —F. *pinasse*, 'the pitch-tree; also, a pinnacle;' Cot. —MItal. *pinaccia*, *pinazza*, 'a kind of ship called a pinnacle;' Florio. So called because made of pine-wood. —L. *pinus*, a pine; see **Pine** (1). ¶ There is also an OF. *espinace*, a pinnacle (Ducange, s.v. *spinacium*), found in 1451; perhaps it obtained its initial *es-* by confusion with MDu. *espincke*; see **Pink** (4). Cf. the form *espyne* in Barbour, Bruce, xvii. 719.

**PINNACLE**, a slender turret, small spire. (F.—L.) ME. *pinacle*, Gower, C. A. ii. 124; bk. iv. 3662; spelt *pyracle*, Wyclif, Matt. iv. 5. —F. *pinacle*, 'a pinnacle, a spire;' Cot. —L. *pinnaculum*, a pinnacle, peak of a building; Matt. iv. 5 (Vulgate). Double dimin. (with suffixes -cu-lu-), from *pinna*, a wing, fin; Late L. a pinnacle (Luke, iv. 9). See **Pin**.

**PINNATE**, feather-like. (L.) A botanical term. 'Pinnata folia, among herbalists, such leaves as are deeply indented, so that the parts resemble feathers;' Phillips, ed. 1706. —L. *pinnatus*, substituted for *pennatus*, feathered. —L. *penna*, a feather. See **Pen** (2).

**PINT**, a measure for liquids. (F.—Span.—L.) ME. *pinte*, *pynte*; Prompt. Parv. —F. *pinte*, 'a pint;' Cot. —Span. *pinta*, a spot, blemish, drop, mark on cards, pint. So called from the pint being marked by a mark outside (or inside) a vessel of larger capacity. —Late L. *pincta*, a pint (A.D. 1249); for L. *picta*, fem. of *pictus*, painted, marked, pp. of *pingere*, to paint. Cf. Span. *pintor*, a painter, *pintura*, a painting.

**PIONEER**, a soldier who clears the way before an army. (F.—L.) Formerly written *pioner*, Hamlet, i. v. 163. This may have been merely an E. modification, as the whole word appears to be F. Richardson quotes the spelling *pyoner* from Berners' tr. of Froissart, vol. i. c. 138. —F. *pionnier*, 'a pioner;' Cot. β. F. *pionnier*, OF. *peonier*, is a mere extension of F. *pion*, OF. *peon*, a foot-soldier; with the more special meaning of foot-soldier who works at digging mines. For the etymology of OF. *peon*, see **Pawn** (2).

**PIONY**, the same as **Peony**, q.v.

**PIOUS**, devout. (F.—L.) In Macb. iii. 6. 12, 27; Hamlet, iii. i. 48. —F. *pieux* (fem. *pieuse*); 'pious, godly;' Cot. The OF. form was *pius* (Littré), directly from L. *pius*, holy; not from a form \**piōsus*. Brugmann, ii. § 643. Der. *pious-ly*; *piety*, Timon, iv. i. 15, a coined word, and a doublet of *pity*, q.v.; *piet-ist*, borrowed from G. *pietist*,

the name of a Protestant sect in Germany instituted about 1689 (Haydn), and taking their name from their *collegia pietatis*, the word being a mere coinage (with suffix -ist) from a part of the stem (*piet-*) of L. *pietās*. And see *pity*.

**PIP** (1), a disease of fowls, in which a horny substance grows on the tip of the tongue. (Du.—L.) ME. *pippe*, *pyppe* (once dissyllabic). 'Pyppe, sekenesse [sickness], *Pituita*;' Prompt. Parv. 'Pyppe, a sicknesse, *pepye*;' Palsgrave. —MDu. *pippe*, the pip; Hexham. Cf. also Walloon, *pipie* (Sigart), MF. *pepie*, 'pip;' Cot.; Norm. dial. *pipie*, pip; Span. *pepita*, the pip (Neuman); Ital. *pipita*, Port. *pevide* (in the phrase *pevide de gallinhas*, the pip). β. All from L. *pituita*, phlegm, rheum, the pip; which must have passed into the form \**pituita*, whence \**pipita*, Late L. *pipida*, and afterwards into that of *pepida*. We find also OHG. *phiphis*, the pip, cited by Diez; Du. *pip*; Swed. *pip*, &c. γ. L. *pituita* is formed (with suffix -ita, like -itus in *crin-itus*) from a stem *pitui-*; for which see **Pine** (1).

**PIP** (2), the seed of fruit. (F.—L.—Gk.) This is nothing but a contraction of the old name *pipin* or *pepin*, for the same thing. *Pippin* is in Cotgrave; *pepin* in Holland, tr. of Pliny, b. xv. c. 14, ed. 1634, p. 438 l; b. xvii. c. 10, p. 511 a, b. —MF. *pipin*, 'a pipin or kernel, the seed of fruit;' Cot. Allied to Span. *pepita*, a pip, kernel; and prob. to Span. *pepino*, a cucumber. β. It is conjectured that the name was first applied to the pips of the melon or cucumber, and that the derivation is, accordingly, from L. *pepō*, a melon, borrowed from Gk. *πέπων*, a melon, orig. an adj. signifying 'ripe.' The Gk. *πέπων* meant 'ripened by the heat of the sun,' lit. 'cooked,' from *πεπ-*, base of *πέπειν*, to cook, allied to Skt. *pach*, to cook, and to L. *coquere*; see **Cook**. Körtling, § 7023. ¶ The odd resemblance between Span. *pepita*, a pip, and *pepita*, the pip in fowls, is due to mere confusion; see **Pip** (1). They are not connected. See **Pippin**.

**PIP** (3), a spot on cards. (F.—L.?) Cf. prov. E. *pip*, a spot on a dress, or on the face. But the old spelling is *peep*, or *peepe*, as in Shakespeare, Tam. Shrew, i. 2. 33. It sometimes meant a small blossom. Perhaps from the verb to *peep*; cf. prov. E. *peep*, a peep-hole, or an eye. See **Peep** (2).

**PIPE**, a musical instrument formed of a long tube; hence, any long tube, or tube in general. (L.) The musical sense is the orig. one. ME. *pipe*, Wyclif, Luke, vii. 32; Chaucer, C. T. 2752. The pl. *pipen* is in Layamon, 5110. AS. *pipe*, a pipe, A. S. Leechdoms, ed. Cockayne, ii. 126, l. 3; and in comp. *sang-pipe*, a song-pipe, in the Glosses to Prudentius, 130. An imitative word; but borrowed from Latin. —Late L. *pipa*, a pipe; from L. *pipāre*, to chirp. β. It well denotes a 'peeping' or chirping sound; the pipe was frequently used to imitate and decoy birds. It is very widely spread. We find Irish and Gael. *piob*, a pipe, flute, tube; Irish *pib*, a pipe, tube; W. *pib*, a pipe, tube, *pipian*, to pipe, *pibo*, to pipe, squirt. Also Du. *pijp*, Icel. *pipa*, Swed. *pipa*, Dan. *pibe*, G. *pfeife*. Cf. also L. *pipire*, to peep or chirp as a young bird, Gk. *πιπιζειν*, to chirp. All from the repetition *pi-pi* of the cry of a young bird. Der. *pipe*, verb, Chaucer, C. T. 3874 (A 3876); *pip-er*, *pip-ing*; *pipe-clay*; and see *pip-kin*, *pib-roch*. See also *peep* (1), *peep* (2). For *pipe*, 'a tun,' see below. Doublet, *ife*.

**PIPKIN**, a small earthen pot. (L.; with E. suffix.) 'A *pipkin*, or little pot;' Minsheu, ed. 1627. A dimin. (with suffix -kin) of E. *pipe*, in the sense of a vessel, chiefly applied to a cask of wine. 'I *pipe* vinei rubei;' York Wills, iii. 14 (1400). This particular sense may have been imported. It occurs in French, Spanish, Provençal, and Dutch. 'Pipe, a measure called a pipe, used for corn as well as wine;' Cot. Span. *pipa*, Prov. *pipa*. 'Een *pijpe* met oyle ofte wijn, a pipe or caske with oyle or wine;' Hexham.

**PIPPIN**, a kind of tart apple. (F.—L.—Gk.?) In Shak. Merry Wives, i. 2. 13; and in Minsheu, ed. 1627. Cotgrave explains F. *renette* as 'the apple called a *pippin*, or a kind thereof.' Spelt *pepyn*, Babees Book, p. 122, l. 79. AF. *pepynes*, pl.; Wright's Vocab., 1st Ser. p. 150. Sometimes said to be named from *pip* (3), because of the spots upon it, which fails to explain the suffix -in. We must rather connect it with *pip* (2), of which the old spelling was actually *pipin*, as has been shown. That is, it was named with reference to the pips inside it (not outside); 'prob. an apple raised from the *pip* or seed,' Wedgwood; cf. Norm. dial. *pepin*, an apple raised from seed (Robin). See **Pip** (2). Hence we find: 'To plante trees of greynes and *pepins*;' Arnold's Chron., 1502; ed. 1811, p. 167. ¶ Hexham has MDu. 'pippinck, *puppink*, a pipping, an apple so called;' also 'pupping, an apple called a pippinck.' But the Du. word seems to have been borrowed from E. Thus Sewel's Du. Dict. has yet another form *pippeling*, with the example 'Engelsche *pippelingen*, English pippins.'

**PIQUE**, wounded pride. (F.—Tent.) Oddly spelt *pike* in Cotgrave, who is an early authority for it. —MF. *picque*, *pique*, 'a pike; also, a pikeman; also a pike, debate, quarrel, grudge;' Cot. β. Of Teut. origin; see **Pike**. Der. *pique*, verb; *piqu-ant* (as in 'piquant sauce,'

Howell, Familiar Letters, vol. i, sect. 5, let. 38 [not 36], where, by the way, the spelling is *pickant*, from F. *piquant*, *piques*, part. of *piquer*, verb. Hence *piquant-ly*, *piquancy*.

**PIQUET**, a game at cards. (F.—Teut.) ‘*Piquet*, or *Picket*, a certain game at cards, perhaps so called from *piquer*, as it were a small contest or scuffle;’ Phillips, ed. 1706. ‘This is ingenious, and perhaps true; Littré says the game is supposed to have been named from its inventor; but Hatzfeld derives it from F. *piquer*, vb., to prick, to vex. Darmesteter derives it from the phrases *faire pic*, *faire repic*, employed in the game. Cf. F. *pie*, ‘a pickax, a thrust,’ Cot.; MF. *pieque*, ‘a spade at cards,’ id.; whence prov. E. *pick*, a spade (or a diamond) at cards. In any case, *piquet* is a doublet of *Picket*, q. v.

**PIRATE**, a sea-robber, corsair. (F.—L.—Gk.) In Shak. Merch. Ven. i. 3. 25. —F. *pirate*, ‘a pirat;’ Cot. —L. *pirāta*. —Gk. *πειρατής*, one who attempts or attacks, an adventurer (by sea). Formed with suffix *-της* from *πειράω*, I attempt. —Gk. *πειρα*, an attempt, trial, essay. For \**πép-ia*, and allied to E. *ex-per-ience* and *fare*; see **Fare**, **Experience**. Der. *pirat-ic-al*, *pirat-ic-al-ly*; *pirate*, verb; *piracy*.

**PIROGUE**, a sort of canoe. (F.—W. Indian.) Sometimes spelt *piragua*, which is the Span. spelling. ‘*Pereago*, or large Canoa;’ W. Dampier, A New Voyage, i. 3 (1699). Both F. *pirogue* and Span. *piragua* are from the native W. Indian name. The word is said by Oviedo to be Caribbean. ‘*Llamanlos los Caribes piraguas*;’ Oviedo, 1851, i. 171.

**PIROUETTE**, a whirling round, quick turn, esp. in dancing. (F.) Formerly used as a term in horsemanship. ‘*Pirouette*, *Piroet*, a turn or circumvolution, which a horse makes without changing his ground;’ Bailey’s Dict., vol. ii. ed. 1751. —F. *pirouette*, ‘a whirligig, also a whirling about;’ Cot. β. Origin unknown, according to Littré; but in Métyvier’s Dict. Franco-Normand appears the Guernsey word *piroue*, a little wheel or whirligig, a child’s toy, also Norm. dial. *piroue*, a top (Robin), of which *pirouette* is obviously the diminutive. [The spelling has prob. been affected by confusion with F. *roue* (L. *rota*), a wheel.] Prob. allied to Mital. *pirolo*, a peg, a child’s top; origin unknown. Cf. also ME. *pirle*, *prille*, a whirligig, child’s toy, Prompt. Parv. p. 413; MF. *pirevollet*, a whirligig (Cot.); Mital. *pirla*, ‘a top or a gigge, also a twirle;’ Florio. Der. *pirouette*, vb.

**PISCES**, the Fish; a zodiacal sign. (L.) ME. *Pisces*, Chaucer, C. T. 6286 (D 704). —L. *piscēs*, pl. of *piscis*, a fish; cognate with E. **Fish**, q. v. Der. *pisc-ine*; *pisc-ina*, a basin, from L. *pisc-ina*, a fish-pool, basin; *pisci-vorous*, fish-eating, from L. *vorāre*, to devour; *pisc-at-or-y*, from L. *piscātorius*, belonging to fishing, from *piscātor*, a fisherman, formed from *piscāri*, to fish.

**PISH**, an interjection, expressing contempt. (E.) In Shak. Oth. ii. 1. 270; iv. 1. 42. Of imitative origin; it begins with expulsion of breath, as in *pooh!*, and ends with a hiss.

**PISMIRE**, an ant. (Hybrid; F. and E.) In Shak. 1 Hen. IV, i. 3. 240. ‘The old name of the ant, an insect very generally named from the sharp urinous smell of an ant-hill;’ Wedgwood. ME. *pissemire* (four syllables), Chaucer, C. T. 7407 (D 1825). —ME. *pissee*, urine; and *mire*, an ant, Bestiary, 234. See **Piss**. β. The AS. *mīre*, given in Benson’s A. S. Dict., is unauthorised, but may be correct; still, the usual E. word is *emmet* or *ant*. Cf. Du. *mier*, MDu. *miere*, EFries. *mīre*, an ant; Teut. type \**mīr-ōn-*. γ. We also find the somewhat similar (but unrelated?) forms: Swed. *myra*, Dan. *myre*, Icel. *murr*, an ant. Also Irish *moirbh*, W. *morg-grugyn*, Bret. *merienen*, Russ. *mur-avei*, Gk. *μύρ-μυξ*, Pers. *mūr*, *mōr*, all meaning ‘ant.’ The Cornish *murrian* means ‘ants.’ ¶ Wedgwood notes a similar method of naming an ant in the Low G. *miegemke*, an ant; from *miegen* = L. *mingere*. And cf. Pomeran. *pissmiren*, pl., pismires.

**PISS**, to discharge urine. (F.) ME. *pisser*, Mandeville’s Travels, ed. Halliwell, ch. 23, p. 249. —F. *pisser*; supposed to be a Romance word, and of imitative origin. Der. *piiss*, sb., Chaucer, C. T. 6311 (D 729); *pis-mire*, q. v.

**PISTACHIO**, **PISTACHO**, the nut of a certain tree. (Span. —L.—Gk.—Pers.) In Sir T. Herbert’s Travels, ed. 1665, p. 80. Spelt *pistachoe* or *pistake-nut* in Phillips, ed. 1706. —Span. *pistacho* (with *ch* as in English), a pistachio, pistich-nut. —L. *pistācium*. —Gk. *πιστάκιον*, a nut of the tree called *πιστάκη*. —Pers. *pistā*, *pistah*, the pistachio-nut; Rich. Dict. pp. 331, 332. Cf. Ital. *pistacchio*, whence the form *pistachio*.

**PISTIL**, the female organ in the centre of a flower. (L.) In Ash’s Dict., ed. 1775. Named from the resemblance in shape to the pestle of a mortar. —L. *pistillum*, a small pestle; dimin. of an obsolete form \**pistrum*, a pestle. —L. *pistum*, supine of *pinsere*, to pound. Cf. Skt. *piśh*, to pound. (✓ **PIS**.) See **Pestle**. Doublet, *pestle*.

**PISTOL**, a small hand-gun. (F.—Ital.) In Shak. Merry Wives, v. 2. 53; and as a proper name. —F. *pistole*, ‘a pistoll, a great

horseman’s dag;’ Cot. [Here *dag* is an old name for a pistol.] Shortened from F. *pistolet*, the same. β. We also find Ital. *pistolese*, ‘a great dagger,’ in Florio; and it seems to be agreed that the two words are closely connected; that the word *pistolese* is the older one; and that the name was transferred from the dagger to the pistol, both being small arms for similar use. The E. name *dag* for *pistol* confirms this; since *dag* must be the F. *daguer*, a dagger. γ. The Ital. *pistolese* is known to have been named from a town in Tuscany, near Florence, now called *Pistoja*. The old name of the town must have been *Pistolia*; and this is rendered extremely probable by the fact that the old Latin name of the town was *Pistōrium*, which would easily pass into *Pistolia*, and finally into *Pistoja*. ‘*Pistols* were first used by the cavalry of England about 1544;’ Haydn. Der. *pistol*, vb., Tw. Nt. ii. 5. 42; *pistol-et*. Doublet, *pistole*.

**PISTOLE**, a gold coin of Spain. (F.—Ital.) In Dryden, The Spanish Friar, A. v. Sc. 2. The dimin. form *pistolet* is, in Beaum. and Fletcher, The Spanish Curate, Act i. sc. 1 (Jamie). Yet the word is not Spanish, but French. The forms *pistole* and *pistolet*, in the sense of ‘pistole,’ are the same as *pistole* and *pistolet* in the sense of *pistol*. —MF. *pistolet*, ‘a pistolet, a dag, or little pistoll, also, the gold coin teamed a pistolet;’ Cot. Diez cites from Claude Fauchet (died 1599) to the effect that the crowns of Spain, being reduced to a smaller size than French crowns, were called *pistolets*, and the smallest *pistolets* were called *bidets*; cf. ‘*Bidet*, a small pistoll;’ Cot. Thus the name is one of jocular origin; and the words *pistole* and *pistol* are doublets. *Pistol*, being more Anglicized, is the older word in English.

**PISTON**, a short cylinder used in pumps, moving up and down within the tube of the pump. (F.—Ital.—L.) In Bailey’s Dict., vol. ii. ed. 1731. —F. *piston*, ‘a pestell, or pounding-stick;’ Cot. In mod. F. ‘a piston.’ —Ital. *pistone*, a piston; the same word as *pestone*, a large heavy pestle. —Ital. *pestare*, to pound. —Late L. *pistūre*, to pound; allied to *pistus*, pp. of *pinsere*, *pisere*, to pound. See **Pestle**, **Pistil**, **Pea**.

**PIT**, a hole in the earth. (L.) ME. *pit*, Wyclif, Luke xiv. 5; *put*, Ancrén Riwle, p. 58, l. 4. AS. *pyt*, *pytt*; Luke xiv. 5. —L. *puteus*, a well, pit; Luke xiv. 5 (Vulgate). β. Perhaps orig. a well of pure water, a spring; and so connected with L. *putus*, pure, from the same root as *pūrus*; see **Pure**. Der. *pit*, verb, to set in competition, a phrase taken from cock-fighting. ‘A *pit* is the area in which cocks fight; hence, to *pit* one against the other, to place them in the same *pit*, one against the other, for a contest;’ Richardson. The *pit* of a theatre was formerly called a *cock-pit*; Hen. V, prol. 11. Also *pit-fall*, Macb. iv. 2. 35; *pit-man*, *pit-saw*; *cock-pit*.

**PITAPAT**, with palpitation. (E.) In Dryden, Epilogue to Tamerlane. A repetition of *pat*, weakened to *pit* in the first instance. Sir T. More says the old folks ‘walked *pit-pat* upon a paire of patens;’ Works, p. 94 d. See **Pat**.

**PITCH** (1), a black sticky substance. (L.) ME. *pitch*, *pych*; Rob. of Glouc. p. 410, l. 8485; O. Eng. Homilies, ed. Morris, i. 251, l. 24; older form *pik*, id. i. 269, l. 22. AS. *pic*, Exod. ii. 3. —L. *pic-*, stem of *pix*, pitch. Hence also G. *pech*. β. Allied to Gk. *πίσσα* (for *πίκ-ya*). Cf. **Pine** (1). Der. *pitch*, verb; *pitch-y*, All’s Well, iv. 4. 24. Also *pay* (2).

**PITCH** (2), to throw, to fall headlong, to fix a camp, &c. (E.) Spelt *pytche* in Palsgrave. A palatalized form of *pick*, to throw, Cor. i. 1. 204; esp. used of throwing a pike or dart. ‘I *pyche* with an arrowe, *Je darde*;’ Palsgrave. It was particularly used of forcibly plunging a sharp peg into the ground; hence the phrase ‘to *pitch* a camp,’ i. e. to fasten the poles, tent-pegs, palisades, &c. ‘At the eest Judas schal *picche* tentis;’ Wyclif, Numb. ii. 3, where the later version has ‘sette tentis.’ The old pt. t. was *pihte* or *pighte*, pp. *piht*, *pight*. ‘A spere that is *pight* into the erthe,’ Mandeville’s Travels, ed. Halliwell, p. 183. ‘He *pighte* him on the pomel of his heed’ = he pitched [fell] on the top of his head; Chaucer, C. T. 2691 (D 2689). ‘Ther he *pihte* his staf’ = there he fixed his staff; Layamon, 29653. Allied to *pick*, verb; and probably related to *pike*. See **Pick**, **Pike**. Der. *pitch*, sb., Tw. Nt. i. 1. 12; *pitch-fork*, allied to ME. *pikforke* = pick-fork, Prompt. Parv.; *pitch-pipe*.

**PITCHER**, a vessel for holding liquids. (F.—OHG.—L.) ME. *piccher*, *pycher*; English Gilds, ed. Toulmin Smith, p. 354, l. 12; *pychere*, Sir Perceval, l. 454, in Thornton Romances, ed. Halliwell. —OF. *piccher*, *pecher*, a pitcher; spelt *pichier* in Cotgrave, who gives it as a Languedoc word. Cf. OProv. *pichiers*, *pechiers* (Bartsch); Prov. *pichié*, *pechié* (Mistral); Haut-Maine *piche*; Span. and Port. *pichel*, a tankard, Ital. *pecchero*, *bicchiere*, a goblet, beaker. —OHG. *pechāri* (G. *becher*). —Late L. *bicārium*, a goblet, beaker, wine-cup. The suggested connexion with Gk. *βῆκος*, an earthen wine-vessel, is by no means certain. See **Boaker**, which is a doublet. Der. *pitcher-plant*.

**PITH**, the soft substance in the centre of stems of plants, marrow. (E.) ME. *pith*, *pithe*, Chaucer, C. T. 6057 (D 475). AS. *piða*, Ælfred, tr. of Boethius, c. xxxiv. § 10; lib. iii. pr. 11. + Du. *pit*, pith; MDu. *pitte* (Hexham); Low G. *peddik*, pith (Bremen Wörterbuch). Der. *pith-y*, Tam. Shrew, iii. 1. 68; *pith-i-ly*, *pith-i-ness*; *pith-less*, 1 Hen. VI. ii. 5. 11.

**PITTANCE**, an allowance of food, a dole, small portion. (F.) ME. *pitance* (with one *t*), *pitance*, P. Plowman, C. x. 92; Ancrén Riwle, p. 114, l. 5. — F. *pitance*, 'meat, food, victuall of all sorts, bread and drinke excepted;' Cot. β. Of disputed etymology; cf. Span. *pitanza*, a pittance, the price of a thing, salary; Ital. *pietanza*, a pittance, portion. In all probability the Ital. *pietanza* is a popular corruption, due to a supposed connexion with *pietà*, pity, mercy, as if to give a pittance were to give alms. The Lombard form is still *pitanza* (Diez). Diez connects *pitance* with OF. *pîte*, a thing of little worth, which he further connects with *petit*, small; see **PIECE**. γ. The Span. *pitar* means to distribute allowances of meat, &c., and is clearly a connected word; this seems at once to set aside any connexion with *piety* or *pity*. But Ducange gives the Late L. *pictantia* as a pittance, a portion of food (given to monks) of the value of a *picta*, which he explains to be a very small coin issued by the counts of Poitiers (*moneta comitum Pictavensium*). This answers to OF. *pîte*, 'the half of a maille, a French farthing;' Cot. δ. This brings us back to the same OF. *pîte*, but suggests a different origin for that word, viz. Late L. *picta*, a Poitiers coin. And this L. *picta* is supposed to be due to Late L. *Pictāva*, i.e. Poitiers (5th cent.).

**PITY**, sympathy, mercy. (F.—L.) ME. *pitē*, Floriz and Blaunchefflor, ed. Lumby, 529; Ancrén Riwle, p. 368, l. 14. — OF. *pîte* (*pitē*), 13th cent. (Littré); *pitet*, 12th cent. (id.). — L. *pietatem*, acc. of *pietās*; see **PIETY**. Der. *pity*, verb, As You Like It, ii. 7. 117; *piti-able*, *piti-able-y*, *piti-able-ness*; *piti-ful*, All's Well, iii. 2. 130; *piti-ful-ly*, *piti-ful-ness*; *piti-less*, As You Like It, iii. 5. 40; *piti-less-ly*, *piti-less-ness*; *pity-ing-ly*. Also *pite-ous*, a corruption of ME. *pit-ous*, Chaucer, C. T. 8956 (E 1080), spelt *pitos*, Rob. of Glouc., p. 204, l. 4180, from OF. *piteus*, mod. F. *piteux*, 'pitiful, merciful,' Cot.; from Late L. *pietōsus*, merciful. And hence *piteous-ly*.

**PIVOT**, a pin upon which a wheel or other object turns. (F.—Ital.—Late L.) In Cotgrave. — F. *pivot*, 'the pivot or, as some call it, the tampion of a gate, or great doore, a piece of iron, &c., made, for the most part, like a top, round and broad at one end and sharp at the other, whereby it enters into the *crappaudine* [iron wherein the pivot plays]; and serves as well to bear up the gate as to facilitate the motion thereof;' Cot. Formed, with dimin. suffix *-ot*, from Ital. *piva*, a pipe. — Late L. *pīpa*, a pipe; connected with L. *pīpāre*, *pīpūre*, to chirp as a bird; see **PIPE**. β. The Ital. *piva* meant (1) a pipe, (2) a tube with a fine bore; and so came to mean a solid peg, as well shown in the Mital. dimin. form *pivolo*, or *piviolo*, 'a pin or peg of wood, a setting or poaking sticke to set ruffles with, also a gardeners toole to set herbes with called a dibble;' Florio. ¶ Much disputed; see Diez; and see the articles *piva* and *pivolo* or *piviolo* in Florio.

**PIX**, an old form of **Pyx**, q.v.

**PIXY**, a fairy (Scand.). 'If a *pixie*, seek thy ring;' Scott, Pirate, ch. 23 (song). Also *pisky*, which is an older form. — Swed. dial. *pysk*, *pyske*, a little goblin (Rietz); cf. Norw. *pjusk*, an insignificant person (Ross). See Notes on E. Etym., p. 218; and E. D. D.

**PLACABLE**, forgiving, easy to be appeased. (L.) In Minshew, ed. 1627; and in Milton, P. L. xi. 151. Taken directly from L. *placabilis*, easily appeased; formed with suffix *-bilis* from *placāre*, to appease. Allied to *placere*; see **PLEASE**. Der. *placabl-y*, *placableness*. Also *placabili-ty*, Sir T. Elyot, The Governor, b. ii. c. 6.

**PLACARD**, a bill stuck up as an advertisement. (F.—Du.) In Minshew, ed. 1627; he notes that it occurs in the 2nd and 3rd years of Philip and Mary (1555, 1556). — F. *placard*, *placard*, 'a placard, an inscription set up; also a bill, or libell stuck upon a post; also, rough-casting or pargetting of walls;' Cot. The last is the orig. sense. Formed with suffix *-ard* (of OHG. origin, from G. *hart* = E. *hard*) from the verb *plaquer*, 'to target or to rough-cast, also, to clap, slat, stick, or paste on;' Cot. — Du. *plakken*, to paste, glue; formerly also 'to dawbe or to plaister,' Hexham. [The Du. *plakkaat*, a placard, is merely borrowed back again from the French.] The Du. *flakken* is prob. of imitative origin (Franck). Der. *placard*, verb. And see *plack*, *plaque*, *placket*.

**PLACE**, a space, room, locality, town, stead, way, passage in a book. (F.—L.—Gk.) In early use. In King Horn, ed. Lumby, 718. — F. *place*, 'a place, room, stead, . . . a faire large court;' Cot. — Folk-L. \**plattia*; L. *platea*, a broad way in a city, an open space, courtyard. Sometimes *platēa*, but properly *platiā*, not a true L. word, but borrowed. — Gk. *πλατεία*, a broad way, a street; orig. fem. of *πλάτος*, flat, wide. + Lithuan. *platus*, broad; Skt. *prathu-*, large, great; cf. Skt. *prath*, to spread out. And prob. allied to **Flat**.

Hence also *plant*, q.v. Der. *place*, verb, K. Lear, i. 4. 156; *plac-er*; *place-man*, added by Todd to Johnson. And see *plaise*, *plant*. Doublet, *piazza*.

**PLACENTA**, a substance in the womb. (L.) Called *placenta uterina* in Phillips, ed. 1706. — L. *placenta*, lit. a flat cake. + Gk. *πλακοῦς*, a flat cake; cf. *πλαῖς*, a flat surface. Der. *placent-al*.

**PLACID**, gentle, peaceful. (F.—L.) In Milton, P. R. iii. 217. — F. *placide*, 'calm;' Cot. — L. *placidus*, gentle, lit. pleasing. — L. *placere*, to please; see **PLEASE**. Der. *placid-ly*; *placid-i-ty*, directly from L. *placiditās*, the F. *placidité* being late.

**PLACK**, a small copper coin, worth 4 pennies Scots. (F.—Du.) First used, spelt *plak*, of a somewhat different coin, in the reign of James III of Scotland (1460–88). Ducange has *placa* as the Latinized form (1426). — F. *plaque*, a coin; 'En ce temps (1425) courroit une monnoie a Paris nommee *plaques*;' qu. in Hatzfeld. Also a flat plate (Cot.). — F. *plaquer*, 'to lay flat upon;' Cot. — Du. *plakken*, to paste, glue, &c. Cf. MDu. *placke*, 'a French sous;' Hexham. See **Placard**.

**PLACKET**, an apron, petticoat, a woman; a slit in a petticoat. (Du.) See Troil. and Cress. ii. 3. 22; K. Lear, iii. 4. 103. A variant of *placard*; see N. E. D. — Du. *plakkaat*, a placard; from Du. *plakken*, to stick up; with F. suffix *-ard*; see **Placard**.

**PLAGIARY**, one who steals the writings of another, and passes them off as his own. (F.—L.) Spelt *plagiairie* in Minshew, ed. 1627, with the same definition as in Cotgrave (given below). [Sir T. Browne uses the word in the sense of *plagiarism*, Vulg. Errors, b. i. c. 6. § 7, yet he has *plagiarism* in the very next section. Bp. Hall has *plagiary* as an adj., Satires, b. iv. sat. 2. l. 84.] — F. *plagiaire*, 'one that steals or takes free people out of one country, and sells them in another for slaves; . . . also a book-stealer, a book-thief;' Cot. — L. *plagiarius*, a man-stealer, kidnapper. — L. *plagium*, kidnapping; whence also *plagiare*, to steal or kidnap a free person; lit. to ensnare, net. — L. *plaga*, a net. Der. *plagiari-ize*, *plagiari-ism*, *plagiari-ist*.

**PLAGUE**, a pestilence, a severe trouble. (F.—L.) ME. *plage* (not common), Wyclif, Rev. xvi. 21, to translate L. *plāgam*; the pl. *plagis* (= *plages*, *plagues*) is in Wyclif, Gen. xii. 17, where the Vulgate has the L. abl. *plāgis*. — OF. *plage*, *plague* (Godefroy). But the E. word was prob. taken directly from Latin, and spelt with final *-ue* at a later date. — L. *plāga*, a stroke, blow, stripe, injury, disaster. + Gk. *πληγή*, a blow, plague, Rev. xvi. 21. From the base *πληγ-*, as in *πληγ-ή*, a blow, and in *πλήσσειν* (for \**πληγ-ειν*), to strike; cf. Lithuan. *plakti*, to strike; L. *plangere*, to strike. See Brugmann, i. § 569. ¶ The spelling *plage* occurs as late as in the Bible of 1551, Rev. xvi. 21. The *u* was introduced to keep the *g* hard. Der. *plague*, vb., Temp. iv. 192; spelt *plaghe* in Caxton's Reynard the Fox, p. 70, l. 9; *plague-mark*, *plague-spot*. And see **Plaint**.

**PLAICE**, a kind of flat fish. (F.—L.) ME. *plaise*, *playce*; Havelok, 896. Spelt *place*, *plaise* in Minshew, ed. 1627. — OF. *plaïs*, noted by Littré, s. v. *plie*; he also gives *plaise* as a vulgar F. name of the fish, the literary name being *plie*, as in Cotgrave. — Late L. *platissa*, *platissa* (Voc. 40. 7, 94. 28); for L. *platessa*, a plaice (Lewis); whence the F. forms by the regular loss of *t* between vowels, and before a stressed vowel. β. So called from its flatness; from the base **PLAT**, flat, which appears also in Gk. *πλατ-ύς*, flat, broad. See **Place**. Cf. **Flounder** and **Flawn**.

**PLAID**, a loose outer garment of woollen cloth, chiefly worn by the Highlanders of Scotland. (Gael.—L.) Spelt *plad* in Sir T. Herbert, Travels, p. 313, who speaks of a 'Scotch *plad*;' also in Phillips, ed. 1706, and in Kersey, ed. 1715. 'Heland [Highland] *plaidis*;' Ane littil Interlud (Bannatynes MS.); l. 32. *Plaid* is in Johnson. — Gael. *plaide*, a blanket; cf. Irish *plaide*, a plaid, blanket. β. Macleod and Dewar consider *plaide* to be a contraction of Gael. (and Irish) *peallaid*, a sheep-skin. Cf. Gael. *peallag*, a shaggy hide, a little covering. These words are from Gael. (and Irish) *peall*, a skin, hide, also a covering or coverlet. All from L. *pellis*, a skin; cognate with E. *fell*. See **Fell** (2). Der. *plaid-ed*.

**PLAIN**, flat, level, smooth, artless, evident. (F.—L.) ME. *plein*, *plain*. 'Thing that I speke it moot be bare and *pleyn*;' Chaucer, C. T. 11032 (F 720). 'The cuntre was so *playne*;' Will. of Palerne, 2217. 'Upon the *pleyn* of Salesbury;' Rob. of Glouc. p. 7. l. 155; where it is used as a sb. — F. *plain*, 'plain, flat;' Cot. — L. *plān-um*, acc. of *plānus*, plain, flat. β. Idg. type \**plā-nos*; cf. Celtic type \**plā-ros*, flat surface, W. *llawr*; see **Floor**. Prob. \**plā-* is lengthened from \**pel-*; see *πλά-avos* in Prellwitz. Der. *plain*, sb., *plain-ly*, *plain-ness*; *plain*, adv.; *plain-dealer*, Com. of Errors, ii. 2. 88; *plain-deal-ing*, adj., Much Ado, i. 3. 33; *plain-deal-ing*, sb., Timon, i. 1. 216; *plain-hearted*; *plain-song*, Mids. Nt. Dr. iii. 1. 134; *plain-spoken*, Dryden, Preface to All for Love, § 3; *plain-work*. Also *ex-plain*. And see *plan*, *plane* (1), *planisphere*, *placenta*, *piano*.

**PLAINT**, a lament, mourning, lamentation. (F.—L.) ME. *pleinte*, Havelok, 134; Ancrén Riwle, p. 96, l. 18. — OF. *pleinte* (11th

century, *Littre*), later *plainte*, 'a complaint, complaint'; Cot. — Late L. *planctus*, a complaint; closely allied to L. *planctus*, lamentation. Both are allied to *plangere* (fem. *plancta*), pp. of *plangere*, to strike, beat, esp. to beat the breast as a sign of grief, to lament aloud. A nasalized form from the base *PLAG*, to strike; see **PLAGUE**. Der. *plaint-iff*, q.v., *plaint-ive*, q.v.; also *com-plain*. The verb *to plain*, i.e. to mourn, is perhaps obsolete; it is equivalent to F. *plaindre* from L. *plangere*; see K. Lear, iii. 1. 39.

**PLAINTIFF**, the complainant in a law-suit. (F.—L.) It should have but one f. ME. *plaintif*; spelt *playntyf*, Eng. Gilds, ed. Toulmin Smith, p. 360, l. 18. — F. *plaintif*, 'a plaintiff'; Cot. Formed with suffix *-if* (L. *-ius*) from L. *planctus*, pp. of *plangere*, to lament, hence, to complain; see **PLAINT**. Doublet, *plaintive*.

**PLAINTIVE**, mournful. (F.—L.) Really the same word as the above, but differently used. In Daniel, Sonnet iv, To Delia. — F. *plaintif*, fem. *plaintive*, adj., 'lamenting, mournful'; Cot. See **PLAINTIFF**. Der. *plaintive-ly*, *-ness*.

**PLAIT**, a fold, braid; to fold together, interweave. (F.—L.) Minsheu, ed. 1627, has 'to platte or wreath.' Shak. has *plat*, Romeo, i. 4. 89. For *plaited*, in K. Lear, i. 1. 183, the quartos have *pleated*, the folios *plighted*. Cotgrave translates F. *plier* by 'to fould, plait.' ME. *plaiten*, *pletten*, verb; *plait*, sb. 'Playte of a clothe, Plica; *Playtyd*, *Plicatus*; *Playtyn*, *Plico*;' Prompt. Parv. The pt. t. *plaited* is in P. Plowman, B. v. 212; spelt *pletede*, id. A. v. 126. The verb is formed from the sb., which alone is found in French. — OF. *plait*, *plet*, a fold (Burguy; Godefroy gives *plait* only); the mod. F. word is *pli*; *Littre*, s.v. *pli*, gives an example of the use of the form *plait* in the 13th century. — Late L. *pliatum*, for *plicatum*, by-form of L. *plicatum*, acc. of *plicatus*, pp. of *plicare*, to fold. The F. verb *plier* = L. *plicare*, and also appears as *ployer*, 'to plie,' Cot. See **PLY**. Der. *plait-er*. Doublets, *pleat*, *plight* (2).

**PLAN**, a drawing of anything on a plane or flat surface; esp. the ground-plot of a building; a scheme. (F.—L.) In Phillips, ed. 1706; Pope, Essay on Man, i. 6. — F. *plan*, 'the ground-plot of a building'; Cot. — F. *plan*, adj. (fem. *plane*), flat, which first occurs in the 16th century (*Littre*); a 'learned' form of F. *plain*. A late formation from L. *planus*, plain, flat; the earlier F. form being *plain*; see **PLAIN**. Der. *plan*, verb, Pope, Satires from Horace, Ep. II. i. 374. Hence *plann-er*.

**PLANE** (1), a level surface. (F.—L.) In Phillips, ed. 1706, who speaks of 'a geometrical plane,' 'a vertical plane,' &c. — F. *plane*, fem. of the adj. *plan*, flat; with the E. sense of 'a plane,' it occurs in Forcadell, *Éléments d'Euclide*, p. 3 (*Littre*), in the 16th century. See **PLAN**. We also find E. *plane* as an adj., as 'a plane surface.' See **PLANE** (2). Der. *planei-sphere*, q.v.

**PLANE** (2), a tool; also, to render a surface level. (F.—L.) 1. The carpenter's plane was so called from its use; the verb is older than the sb. in Latin. We find ME. *plane*, sb., a carpenter's tool, in the Prompt. Parv. This is the F. *plane* (Cot.), from Late L. *plāna*, a carpenter's plane (Lewis). 2. The verb is ME. *planen*, Chaucer, C. T., D 1758; spelt *planyn* in the Prompt. Parv. — F. *planer*, to plane. — L. *plānāre*, to plane (Lewis). ¶ Lewis gives Corippus as the authority for the verb *plānāre*; Prof. Mayor gives me a reference to St. Augustine, de gen. c. Manich. I. § 13. See **PLAIN**.

**PLANE** (3), **PLANE-TREE**, the name of a tree, with spreading boughs. (F.—L.—Gk.) ME. *plane*; Wyclif, Gen. xxx. 37; Squire of Low Degree, ed. Ritson, l. 40; *plane-leef*, leaf of a plane, Trevisa, tr. of Higden, i. 187, l. 9. — F. *plane*, 'the great maple'; Cot. — L. *platanum*, acc. of *platanus*, a plane. — Gk. *πλάτανος*, the oriental plane; named from its broad leaves and spreading form (Liddell). — Gk. *πλατός*, wide, broad. See Brugmann, i. § 444. ¶ Sometimes called *platane* (an inferior form) from L. *platanus*; ME. *platan*, Trevisa, tr. of Higden, ii. 303.

**PLANET**, a wandering star. (F.—L.—Gk.) So called to distinguish them from the fixed stars. ME. *planete*, Rob. of Glouc., p. 112, l. 2436. — OF. *planete*, 13th cent. (*Littre*); mod. F. *planète*. — L. *planēta*. — Gk. *πλανήτης*, a wanderer; lengthened form of *πλανής*, a wanderer, of which the pl. *πλάνητες* was esp. used to signify the planets. — Gk. *πλανάω*, I lead astray, cause to wander; pass. *πλανάομαι*, I wander, roam. — Gk. *πλάνη*, a wandering about. Der. *planet-ar-y*, Timon, iv. 3. 108; *planet-oid* (see **ASTEROID**); *planet-stricken* or *planet-struck*, see Hamlet, i. 1. 162.

**PLANE-TREE**; see **PLANE** (3).

**PLANGENT**, clashing, dashing, resounding, striking. (L.) Rare. In Sir H. Taylor, Philip van Artevelde, Part I, i. 1. 97. L. *plangent-*, stem of *plangens*, pres. pt. of *plangere*, to strike; see **PLAINT**.

**PLANISPHERE**, a sphere projected on a plane. (Hybrid; L. and Gk.) 'Planisphere, a plain sphere, or a sphere projected in plano; as an astrolabe;' Blount's Gloss., ed. 1674. A barbarous hybrid compound. From *plāni*, for L. *planus*, flat; and *sphere*, a word of Gk. origin. See **PLAIN** and **SPHERE**.

**PLANK**, a board. (F.—L.) ME. *planke*, Will. of Palerne, 2778; Rob. of Brunne, Handlyng Synne, 5261. — North F. (Picard) *planke*; Norm. dial. *planguer*. — L. *planca*, a board, plank. So called from its flatness; it is a nasalized form from the base *PLAK*, with the idea of flatness. Cf. Gk. *πλάξ* (gen. *πλακ-ός*), a flat stone; *πλακ-ίος*, made of board. See **PLACENTA**. Der. *plank*, verb. The Central F. form *planche* accounts for *planched*, Meas. for Meas. iv. 1. 30.

**PLANT**, a vegetable production, esp. a sprout, shoot, twig, slip. (L.) ME. *plante*, Chaucer, C. T. 6345 (D 763). AS. *plante*; the pl. *plantan* occurs in the entry 'Plantaria, gesāwena plantan' in Voc. 149. 22. — L. *planta*, a plant; properly, a spreading sucker or shoot. From the base *PLAT*, spreading, seen in Gk. *πλᾶνός*, spreading, broad. See **PLACE**. ¶ The L. *planta* also means the flat sole of the foot; hence 'to plant one's foot,' i.e. to set it flat and firmly down. Der. *plant*, verb, Chaucer, C. T. 6346 (D 764); AS. *geplantian*, Mercian version of Psalm, ciii. 16; *plant-er*; *plant-at-ion*, see Bacon, Essay 33, Of Plantations, from L. *plantatio*, a planting, which from *plantare*, to plant. Also *plant-ing*, *plant-ain*, *planti-grade*.

**PLANTAIN** (1), the name of a plant. (F.—L.) ME. *plantain*, Chaucer, C. T. 16049 (G 581). — F. *plantain*, 'plantain, waybread'; Cot. — L. *plantāginem*, acc. of *plantāgo*, a plantain; Pliny. β. So named from its flat spreading leaf, and connected with *planta*; see **PLANT**. So also arose the ME. name *waybred*, AS. *wegbrēde*, 'properly way-broad, but called way-bread,' Cockayne's A.S. Leechdoms, vol. ii. Glossary; however, the AS. *-brēde* represents the sb. *brēdu*, breadth. So also the G. name *wegebreit*.

**PLANTAIN** (2), a tree resembling the banana. (F.—Span.—L.) 'Oranges and plantans, which is a fruit that groweth upon a tree;' Hakluyt, Voy. vol. ii. pt. 2, p. 129. — OF. *plantain*, variant of *platane*, orig. a plane-tree (Godefroy). — Span. *plantano*, a plantain; variant of *platanos*, (1) a plane-tree, (2) a plantain. — L. *platanum*, acc. of *platanus*, a plane. See **PLANE** (3).

**PLANTIGRADE**, walking on the sole of the foot. (L.) Scientific. Coined from *planti-*, for *planta*, the sole of the foot, also a plant; and *grad-i*, to walk. See **PLANT** and **GRADE**. For the form *planti-*, cf. L. *planti-ger*, bearing shoots.

**PLAQUE**, an ornamental plate, a (metal) tablet for a wall. (F.—Du.) Modern; F. *plaque*, sb.; from *plaquer*, vb., to plate; MF. *plaquer*, to fix, fasten up. — Du. *plakken*, to paste up; see **PLACK**, **PLACARD**.

**PLASH** (1), a puddle, a shallow pool. (E.) ME. *plasche*, Allit. Morte Arthure, ed. Brock, 2798; Prompt. Parv. AS. *plasc*, Birch, Cort. Saxon. iii. 356; now *Plash* park, near Cardington, Salop; cf. EFries. *plas*, *plasse*, a shallow pool. + MDu. *plasc*; 'een plas ofte [or] *plasc*, a splash of water: een *plasregen*, a sudden flash [flush] of rain; cf. *plasschen in't water*, to splash, or plunge in the water;' Hexham. Hence OF. *plascq*, *plassis*, a pool (Godefroy). β. Cf. also G. *platschen*, to splash, dabble, Dan. *pladske* (for *\*platske*), to splash, dabble about, Swed. *plaska* (for *\*platska*), to dabble, showing that a *t* has been lost before *s*, the Du. *plasc* standing for *\*plat-sch*. γ. The various forms are extensions from the base *PLAT*, to strike, beat, appearing in AS. *plattan*, to strike with the palm, slap, John, xix. 3; also in Swed. dial. *plätta*, to strike softly, slap, whence the frequentative *plättsa*, to tap with the finger-points (Rietz).

**PLASH** (2), another form of **PLEACH**, q.v. In Nares.

**PLASTER**, a composition of lime, water, and sand, for walls; an external medical application for wounds. (L.—Gk.) ME. *plastre*, Chaucer, C. T. 10950 (F 636). [This is a F. spelling, from OF. *plastre*, used in the 13th and 14th century (*Littre*). The spelling *plaster* in English answers to the occasional 14th cent. F. spelling *plastre*.] AS. *plaster*, a plaster for wounds; Cockayne's Leechdoms, i. 298, l. 12. — L. *emplastrum*, a plaster; the first syllable being dropped; cf. Late L. *plastreus*, made of plaster (Ducange). — Gk. *ἐμπλαστρον*, a plaster; a form used by Galen instead of the usual word *ἐμπλαστον*, a plaster, which is properly the neut. of *ἐμπλαστος*, daubed on or over. — Gk. *ἐμπλασσειν*, to daub on. — Gk. *ἐμ-* for *ἐν*, in, before the following *π*; and *πλάσσειν*, to mould, form in clay or wax. See **IN** and **PLASTIC**. ¶ Cf. ME. *emplaster*, sb., Reliq. Antiq. i. 54. Der. *plaster*, verb, ME. *plasteren*, Prompt. Parv., from MF. *plastrer* (F. *plâtrer*), 'to plaster,' Cot. Also *plaster-er*, *plaster-ing*. And see *piastre*.

**PLASTIC**, capable of moulding; also, capable of being moulded. (L.—Gk.) Used in the active sense by Pope, Essay on Man, iii. 9; Dunciad, i. 101. — L. *plasticus*. + Gk. *πλαστικός*, fit for, or skilful in moulding. Formed with suffix *-ικ-ος* from *πλασ-ός*, formed, moulded. — Gk. *πλάσσειν*, to mould. β. Gk. *πλάσσειν* appears to be put for *\*πλάτ-ειν*, and to be related to E. *fold*, vb. Der. *plastic-i-ty*, from mod. F. *plasticité* (*Littre*).

**PLAT** (1), **PLOT**, a patch of ground. (E.) Now commonly written *plot*, which is also the AS. form. Spelt *plat* in 2 Kings ix.

26, A.V. 'So three in one small *plat* of ground shall ly;' Herrick, *Hesperides*; to *Anthea*. 'A garden *platte*;' Udall's *Erasmus*, Luke xxiii. 50, fol. 182, b. See further under **Plot**, **Patch**. The spelling *plat* is prob. due to ME. *plat*, F. *plat*, flat; for which see **Plate**.

**PLAT** (2), to plait. (F.—L.) In Shak. *Romeo*, i. 4. 89. The same as **Plait**, q.v.

**PLATANE**, a plane-tree; see **Plane** (3).

**PLATE**, a thin piece of metal, flat dish. (F.—L.) ME. *plate*, Chaucer, C. T. 1213 (A 2121).—OF. and F. *plate*, in use in the 12th century; see Littré. Hamilton, s.v. *plat* (flat), gives 'Vaisselle plate, hammered plate; particularly, plate, silver plate.' *Plate* is merely the fem. of F. *plat*, flat. Cf. Late L. *plata*, a lamina, plate of metal; Ducange; and esp. Span. *plata*, plate, silver (whence *La Plata*). But the Span. word was derived from the French; Littré.—Late L. *platta*, a lamina, 'plate of metal'; fem. of Folk-L. \**plattus*, flat; whence Du. and Dan. *plat*, G. and Swed. *platt*, are borrowed. Allied to Gk. *πλατ-ύς*, broad; see **Place**. Der. *plate*, vb., Rich. II, i. 3. 28; *plate-glass*, *plat-ing*. And see *platt-er*, *plat-eau*, *plat-form*, *plat-ina*, *plat-it-ude*.

**PLATEAU**, a flat space, tableland. (F.—L.) 'A rising ground or flattish hill . . . called a *plateau*;' Annual Register (1807), p. 11, col. 2.—F. *plateau*; Cotgrave gives the pl. *plateaux*, 'flat and thin stones.' The mod. F. *plateau* also means 'tableland'; Hamilton. OF. *platel*, a small plate, used in the 12th century; Littré. Dimin. of *plat*, a platter, dish, which is a sb. made from the adj. *plat*, flat. See **Plate**. Doublet, *platter*, q.v.

**PLATFORM**, a flat surface, level scaffolding. (F.—L.) In Shak. meaning (1) a terrace, Hamlet, i. 2. 213; (2) a scheme, plan, 1 Hen. VI, ii. 1. 77.—F. *plateforme*, 'a platform, modell'; Cot.—F. *plate*, fem. of *plat*, flat; and *forme*, form; so that the sense is 'ground-plan.' See **Plate** and **Form**.

**PLATINA**, a heavy metal. (Span.—F.—L.) Added by Todd to Johnson's Dict.—Span. *platina*, so called from its silvery appearance.—Span. *plata*, silver. See **Plate**. Now called *platinum*.

**PLATITUDE**, a trite or dull remark. (F.—L.) Modern. Not in Todd's Johnson.—F. *platitude*, flatness, insipidity (Hamilton). A modern word, coined (on the model of *latitude*) from F. *plat*, flat. See **Plate**.

**PLATOON**, a group of men, sub-division of a company of soldiers. (F.—L.) 'Platoon, a small square body of 40 or 50 men,' &c.; Bailey's Dict., vol. ii. ed. 1731. Adapted from F. *peloton*, 'pronounced *plo-tong*, a ball, tennis-ball, group, knot, platoon'; Hamilton. Formed, with suffix *-on*, from MF. *pelote*, a ball; whence also E. *pellet*. See **Pellet**.

**PLATTER**, a flat plate or dish. (F.—L.) ME. *plater* (with one *t*), Wyclif, Matt. xxiii. 25. AF. *plater*; N. Bozon, p. 33. A parallel formation to OF. *platel*, a plate (Burguy), which is the origin of mod. F. *plateau*, still used in the sense of 'waiter, tray, tea-board'; Hamilton. See **Plateau**.

**PLAUDIT**, applause. (L.) The form *plaudit* is due to misreading the L. *plaudite* as if it were an E. word, in which the final *e* would naturally be considered as silent. Sometimes the pronunciation in three syllables was kept up, with the singular result that the suffix *-itè* was then occasionally mistaken for the ordinary E. suffix *-ity*. Hence we find 3 forms; (1) the correct Latin form, considered as trisyllabic. 'After the *plaudite* stryke up Our plausible assente;' Drant, tr. of Horace, Art of Poetry, Av. (2) The form in *-ity*. 'And give this virgin crystal *plaudities*;' Cyril Tourneur, The Revenger's Tragedy, Act ii. sc. 1 (R.). (3) The clipped E. form. 'Not only the last *plaudit* to expect;' Denham, Of Old Age, pt. iv. l. 44.—L. *plaudite*, clap your hands; a cry addressed by the actors to the spectators, requesting them to express their satisfaction. It is the imperative pl. of *plaudere*, to applaud, also spelt *plōdere*; see **Plausible**. Der. *plaudit-or-y*, an ill-coined word, neither French nor Latin.

**PLAUSIBLE**, deserving applause, specious. (L.) In Shak. it means 'contented, willing;' Meas. iii. i. 253. Englished from L. *plausibilis*, praiseworthy. Formed, with suffix *-ibilis*, from *plausi-*, for *plausus*, pp. of *plaudere*, *plōdere*, to strike, beat, clap hands, applaud. Der. *plausibl-y*, *plausibili-ty*, *plausible-ness*. And see *plaudit*, *ap-plaud*, *ex-plode*.

**PLAY**, a game, sport, diversion. (E.) ME. *play*, Chaucer, C. T. 8906 (E 1330). AS. *plega*, a game, sport, Grein, ii. 361. β. We may note how frequently the AS. *plega* was used in the sense of fight, skirmish, battle. Thus *æsc-plega*, ash-play, is the play of spears, i. e. fighting with spears; *sweord-plega*, sword-play, fighting with swords. Even in the Bible, 2 Sam. ii. 14, to *play* really means to fight; but this is due to the use of *ludere* in the L. version; Wyclif uses the same word. To play on an instrument is to strike upon it. Cf. 'tympanan *plegiendra*' = of them that strike the timbrels;

AS. version of Ps. lxxvii. 27, ed. Spelman. And again, '*plegað mid handum*' = clap hands; Ps. xlvii. 1. Thus the orig. sense of *plega* is a stroke, blow, and *plegian* is to strike, to clap hands. Perhaps of imitative origin. ¶ E. Müller connects AS. *plega* with G. *pflēge*, care; the form answers, and the verb may have meant 'to be busy with.' See note in N. E. D.; and see **Plight**. Der. *play*, verb, ME. *pleyen*, Chaucer, C. T. 3333, AS. *plegian* (above). Also *play-bill*, *-book*, *-fellow*, *-house* (AS. *pleg-hūs*, in Mone, Quellen, p. 366), *-mate*, *-thing*; *play-er*, *play-ing*, *play-ing-card*; *play-ful*, ME. *pleiful*, Old Eng. Homilies, ed. Morris, i. 205, l. 20; *play-ful-ly*, *-ness*.

**PLEA**, an excuse, apology. (F.—L.) ME. *plee*, Chaucer, Parl. of Fowles, 485; *ple*, Rob. of Glouc. p. 471, l. 9679; *play*, Eng. Gilds, ed. Toulmin Smith, p. 350, l. 13.—AF. *plee*, N. Bozon, p. 157; OF. *ple*, *plai*, occasional forms of OF. *plait*, *plaid*, a plea. Littré cites the pl. forms *plez*, *plais*, *plaiç* (12th century) from Ducange, s.v. *Placitum*. Cotgrave gives *plaid*, 'sute, controverſie, . . . also a plea, or a pleading, also, a court of pleading.'—Late L. *placitum*, a judgement, decision, decree, sentence; also a public assembly, conference, or council, so called because of the decisions therein determined on; L. *placitum*, an opinion. [The order of ideas is: that which is pleasing to all, an opinion, decision, conference for obtaining decisions, public court, law-court, proceedings or sentence in a law-court, and finally pleading, plea. The word has run a long career, with other meanings beside those here cited; see Ducange.]—L. *placitum*, neut. of *placitus*, pp. of *placēre*, to please; see **Please**. Der. *plead*.

**PLEACH**, **PLASH**, to intertwine boughs in a hedge, to strengthen a hedge by enweaving boughs or twigs. (F.—L.) 'The hedge to *plash*;' Hood, The Lay of the Labourer, st. 5. 'The *pleached* bower;' Much Ado, iii. 1. 7. ME. *plechen*, used in the sense 'to propagate a vine;' Palladius on Husbandry, ed. Lodge, b. iii. l. 330.—OF. *plecier*, *plessier*, later, *pleſſer*, 'to plash, to bow, fold, or plait young branches one within another, also, to thicken a hedge or cover a walk by plashing;' Cot. Norm. dial. *pleſſer* (Moisy). Formed from a Late L. type \**plectiāre*, later *pleſſāre*, to pleach; from Late L. \**plectia*, later *pleſsa*, a thicket of interwoven boughs, occurring A.D. 1215 (Ducange). We also find *pleſseium*, a pleached hedge; and numerous similar forms. β. All from L. *plectere*, to weave. *Plec-t-ere* is extended from the base PLEK, to weave, appearing in Gk. *πλέκ-ειν*, to weave, and in L. *plē-āre*, to fold. See **Ply**, **Plait**. The form *pleach* answers to an OF. dial. form *plechier*.

**PLEAD**, to urge an excuse or plea. (F.—L.) ME. *pleden*. 'Pledoures shulde peynen hem to *plede* for such' = pleaders should take pains to plead for such; P. Plowman, B. vii. 42. [We also find the form *pleten*, id. vii. 39.] Also *plaiden*, Owl and Nightingale, 184.—OF. *plaidier*, 'to plead, argue, or open a case before a judge, also, to sue, contend, goe to law;' Cot.—OF. *plaid*, a plea; see **Plea**. ¶ The form *pleten* is due to OF. *plet*, an occasional form of *plaid* which preserves the *t* of L. *placitum*. Der. *plead-er* = ME. *pledour*, as above, from F. *plaideur*, 'a lawyer, arguer, pleader,' Cot. Also *plead-ing*, *plead-ing-ly*.

**PLEASE**, to delight, satisfy. (F.—L.) ME. *plesen*, P. Plowman, B. xiv. 220; Chaucer, C. T. 11019 (F 707).—OF. *plesir*, *plaisir*, mod. F. *plaire*, to please.—L. *placēre*, to please. Allied to *plācāre*, to appease. Der. *pleas-er*, *pleas-ing*, *pleas-ing-ly*. Also *pleas-ant*, ME. *plesant*, Wyclif, Heb. x. 8, from OF. *plesant*, pres. part. of *plesir*, to please. Hence *pleas-ant-ly*, *-ness*; also *pleas-ant-r-y*, Walpole, Anecdotes of Painting, vol. i. c. 3 (R.), from F. *plaisanterie*, 'jeasting, merriment,' Cot. And see *pleas-ure*, *plac-able*, *plac-id*, *com-pla-cent*, *dis-please*, *plea*, *plead*.

**PLEASURE**, agreeable emotion, gratification. (F.—L.) Formerly *plesure*, as in The Nut-brown Maid (about A.D. 1500), l. 93; see Spec. of Eng. ed. Skeat, p. 102. Also *pleasure*, Skelton, Phyllip Sparowe, 1004; id. p. 147. Formed, by the curious change of *-ir* into *-ure*, from ME. *plesir* (spelt *plesyr*), Flower and Leaf, l. 113; *playsir*, Caxton, IIist. Troye, leaf 331.—F. *plaisir*, pleasure; the same change occurs in *leis-ure*, whilst in *treas-ure* the suffix takes the place of *-or*. The object seems to have been to give the word an apparent substantival ending. β. Again, the F. *plaisir* is merely a substantival use of the OF. infin. *plaisir*, to please; just as F. *loisir* (leisure) is properly an infinitive also. See **Please**. Der. *pleasure*, verb, in Tottell's Miscellany, ed. Arber, p. 128, l. 16 of Poem on the Death of Master Deuerox; also *pleasure-boat*, *pleasure-ground*; *pleasur-able*, a coined word; *pleasur-abl-y*, *pleasur-able-ness*.

**PLEAT**, the same word as **Plait**, q.v.

**PLEBEIAN**, pertaining to the common people, vulgar. (F.—L.) In Shak. Cor. i. 9. 7; ii. 1. 10; &c.—OF. *plebeien*, mod. F. *plébēien*; omitted by Cotgrave, but in use in the 14th century; Littré. Formed with suffix *-en* (<L. *-ānus*) from L. *plēbēius*, plebeian.—L. *plēbē-*, old stem of *plēbēs*, more usually *plebs* (stem *plēbi-*), the people. β. *Ple-bs*

orig. meant 'a crowd, a multitude,' and is connected with *plē-rique*, very many, *plē-nus*, full; Gk. *πλήθος*, a multitude, *πληρής*, full. See **Plenary**. Der. *plebeian*, sb.

**PLECTRUM**, a small instrument for plucking the strings of a lyre or harp. (L.—Gk.) L. *plectrum*.—Gk. *πλήκτρον*, an instrument to strike with.—Gk. *πλήσσειν* (for *\*πλήγ-ειν*), to strike; cf. pt. t. *πέ-πληγ-α*. Allied to *πληγ-ή*, a stroke, L. *plāga*; see **Plague**.

**PLEDGE**, a security, surety. (F.—O.FlowG.) ME. *plegge*, a hostage, Trevisa, iii. 129, l. 6, and 321, l. 8; Eng. Gilds, ed. Toulmin Smith, p. 382, l. 26; also a security, Prompt. Parv.—OF. *plege*, 'a pledge, a surety,' Cot.; mod. F. *pleige*. Connected with OF. *plevir* (Burguy), later *pleuvir*, 'to warrant, assure,' Cot.; see **Roplovy**. β. Of uncertain etymology; but Kluge proposes to derive it from OSax. *plegan*, to attend to, to promise, to pledge oneself; cf. OHG. *pflegan*, to answer for (G. *pflegen*); also AS. *pleon*, to risk; *pleoh*, risk (Frankk). See **Plight** (1). Der. *pledge*, verb, 3 Hen. VI, iii. 3. 250; *pledg-er*.

**PLEIAD**, one of the group of stars in the constellation Taurus, called the Pleiades. (L.—Gk.) 'The sweet influences of Pleiades;' Job xxxviii. 31.—L. *Pleiades*, pl.—Gk. *Πλειάδες*, a group of seven stars in the constellation Taurus; Ionic *Πληιάδες*. (Not, as fabled, allied to *πλέειν*, to sail.)

**PLEIOCENE**, more recent; **PLEISTOCENE**, most recent. (Gk.) Terms in geology referring to strata. Coined from Gk. *πλείων*, more, *πλείστος*, most; and *καινός*, recent, new. β. Gk. *πλείων*, *πλείστος* are comp. and superl. forms from *πολύς*, much, allied to *πλέ-ως*, full; see **Plenary**. The adj. *καινός* is allied to Skt. *kanyā*, a maiden; Brugmann, i. § 647.

**PLENARY**, full, complete. (Late L.—L.) Spelt *plenarie* in Minsheu, ed. 1627. Englished from Late L. *plenarius*, entire, occurring in St. Augustine (N. E. D.); which is extended, with suffix *-ārius*, from L. *plēnus*, full. β. L. *plē-nus* is connected with Gk. *πλέ-ως*, full, *πίμ-πλη-μι*, I fill; from the base *\*plē*, to fill. ✓PEL; cf. E. Full, q.v. Der. *pleni-potent-i-ar-y*, q.v., *pleni-tude*, q.v., *plent-y*, q.v. From the same root are *com-plete*, *com-ple-ment*, *de-plet-ion*, *ex-plet-ive*, *im-ple-ment*, *re-plete*, *re-plen-ish*, *sup-ple-ment*, *sup-ply*, *ac-com-plish*, *pleb-ian*, *plu-ral*, &c. Also (of Gk. origin) *ple-o-nasm*, *ple-thora*, *plei-o-cene*, *police*. Also full, q.v.

**PLENIPOTENTIARY**, having full powers. (L.) Sometimes used as a sb., but properly an adj., as in 'the plenipotentiary ministers' in Howell, Famil. Letters, bk. ii. let. 44. Dec. 1, 1643. Coined from L. *plēni-*, for *plēnus*, full; and *potenti-*, decl. stem of *potens*, powerful; with suffix *-ārius*. See **Plenary** and **Potent**. ¶ Milton has *plenipotent*, P. L. x. 404.

**PLENITUDE**, fulness, abundance. (F.—L.) In Shak. Complaint, 302.—OF. *plenitude*, 'plenitude,' Cot.—L. *plēnitudo*, fulness. —L. *plēni-*, for *plēnus*, full; with suffix *-itudo*. See **Plenary**, **Plenty**.

**PLENTY**, abundance. (F.—L.) In early use. ME. *plente*, *plente*, Ancrén Riwe, p. 194, l. 6.—OF. *plente*, *plentet*, later *plente*, 'plenty,' Cot.—L. *plēnitātem*, acc. of *plēnitās*, fulness.—L. *plēni-*, for *plēnus*, full; with suffix *-itās*. See **Plenary**, **Plenitude**. Der. *plente-ous*, ME. *plenteus*, Rob. of Glouc. p. 23, l. 531, frequently spelt *plentiuous* (= *plentivous*), Wyclif, Matt. v. 12, 1 Thess. iii. 12, from OF. *plentivos*; this form appears to be made with suffix *-os* (= L. *-ōsus*) from OF. *plentif*, answering to a L. form *\*plēnitivus*. Hence *plenteous-ly*, *-ness*. Also *plentiful*, Hamlet, ii. 2. 202; *plenti-ful-ly*, *-ness*.

**PLEONASM**, redundancy of language. (L.—Gk.) Spelt *pleonasm* in Minsheu, ed. 1627.—L. *pleonasmus* (Lewis).—Gk. *πλεονασμός*, abundance, *pleonasm*.—Gk. *πλεονάζειν*, to abound, lit. to be more.—Gk. *πλέον*, neut. of *πλέων*, *πλείων*, more. See **Pleiocene**. Der. *pleonast-ic*, from Gk. *\*πλεοναστικός*, redundant; *pleonast-ic-al-ly*.

**PLESIOSAURUS**, an extinct genus of Reptilia. (Gk.) The name signifies 'like a lizard.'—Gk. *πλησίος*, near, allied to *πέλας*, near; and *σαύρος*, a lizard.

**PLETHORA**, excessive fulness, esp. of blood. (L.—Gk.) 'Fullness, in greke *plethora*, in latyne *plenitudo*;' Sir T. Elyot, Castel of Helth, b. iii. c. 1. The *o* is long. A Latinized spelling of Gk. *πληθύρη*, fulness.—Gk. *πλήθ-ος*, a throng, crowd; with the suffix *-ωρη*. β. Gk. *πλήθ-ος* (like *πλή-ρης*, full) is from the base *πλη*, seen in *πίμ-πλη-μι*, I fill; see **Plenary**. Der. *plethor-ic*.

**PLEURISY**, inflammation of the pleura, or membrane which covers the lungs. (F.—L.—Gk.) [Quite different from *plurisy*, q.v.] Spelt *pleurisie* in Baret, ed. 1580, and in Cotgrave.—MF. *pleuresie*, 'a pleurisie,' Cot.—L. *pleurisis*, another form of *pleuritis*.—Gk. *πλευρίτις*, pleurisy.—Gk. *πλευρά*, a rib, the side, the 'pleura.' Der. *pleurit-ic*, from Gk. *πλευρητικός*, suffering from pleurisy; *pleurit-ic-al*. Also *pleuro-pneumon-ia*, inflammation of the pleura and lungs, from Gk. *πνεύμων*, a lung; see **Pneumatic**.

**PLIABLE**, **PLIANT**, **PLIERS**; see under **Ply**.

**PLIGHT** (1), an engagement, promise; usually as a verb, to pledge. (E.) ME. *pliht*, *pligt* (1) danger, Layamon, 3897; (2) engagement, Story of Genesis and Exodus, ed. Morris, 1269. AS. *pliht*, risk, danger, used to translate L. *periculum* in Ælfrie's Colloquy, in the Merchant's second speech; whence the verb *plihtan*, to endanger (and later, to promise under peril of forfeiture); see Toller. β. The sb. *pliht* is formed with the substantival suffix *-t* (Idg. *-to-*) from the strong verb *pleon* (<*\*pleh-an*), to risk, imperil, in Ælfred's tr. of Gregory's Pastoral Care, ed. Sweet, p. 229, l. 20; the pt. t. *pleah* occurs in the same, p. 37, l. 7.—OFries. *plicht*, peril, risk, care; we also find the OFries. *ple*, *pli*, danger, answering to AS. *plioh*, danger, in Ælfred, tr. of Gregory, p. 393, l. 9; MDu. *plicht*, 'duty, debt, obligation, administration, office, custom, or use,' Hexham; cf. *plegen*, 'to be accustomed, to experiment, or trie' [i.e. to risk]; id.; G. *pflicht*, duty, obligation, faith, allegiance, oath; from the OHG. strong verb *plegan*, to promise or engage to do. ¶ The base is *pleh*, whence *\*pleh-t* > *plih-t*; perhaps the same base occurs in *pleg-an*, to play. Der. *flight*, verb, ME. *plizten*, *plikten*, P. Plowman, B. vi. 35, AS. *plihtan*, weak verb, to imperil, Laws of King Cnut (Secular), § 67, in Thorpe's Ancient Laws, i. 410; *flight-er*, Antony, iii. 13. 126.

**PLIGHT** (2), to fold; as sb., a fold; also, a state, a condition. (F.—L.) Shak. has 'plighted cunning,' K. Lear, i. 1. 283; where the quarto editions have *pleated*. Spenser has 'with many a folded plight;' F. Q. ii. 3. 26; also *plight* (= *plighted*) as a pp. meaning 'folded' or 'plaited,' F. Q. ii. 6. 7, vi. 7. 43. Palsgrave has: 'I *plyght* or *folde*; I *plyght* a gowne, I set the *plyghtes* in ordre.' β. The word is really misspelt, by confusion with *plight* (1), and should be *plite*, without *gh*. Chaucer has the verb *pliten*, to fold, Troilus, ii. 697, 1204. It is clearly a mere variant of *plait* or *pleat*, due to the feminine form of the L. pp.; whereas *plait* is from the masculine. See **Plait**. γ. ME. *plyte*, state, condition, is the same word; 'To bringe our craft al in another *plyte*;' Chaucer, C. T., G 952. Palsgrave has: 'Plyte or state.'—AF. *plyte*, state, condition; given by Godefroy as a doubtful word in Littleton, Instit. 306; but it is merely the fem. of OF. *plait*, a fold, *plait*, also 'manière d'être, situation,' Godefroy. See Littleton's Tenures, ed. 1612, foll. 69 and 83 back; and see Roquefort, who explains *plyte*, *pliste*, as 'condition, state.'—Folk-L. type *\*plecta*, for *plicata*, by-form of *plicāta*, fem. of *plicātus*, pp. of *plīcāre*, to fold. Cf. F. lit < L. *lectum*. ¶ 'Plite of lawne, &c., seemeth to be a certayne measure, or quantitie thereof. Anno 3 Edw. IV, cap. 5;' Minsheu.

**PLINTH**, the lowest part of the base of a column. (L.—Gk.) 'Plinthe, the neather part of a pillars foot, of the forme of a four-square bricke or tile;' Minsheu, ed. 1627. Cotgrave gives F. *plinthe*, 'a plinth,' &c.—L. *plinthus*.—Gk. *πλίνθος*, a brick or tile, a brick-shaped body, a plinth. Cognate with E. Flint, q.v.

**PLIOCENE**; see **Pleiocene**.

**PLOD**, to trudge on laboriously, labour unintermittingly. (E.) In Shak. Sonnet 50, Merry Wives, i. 3. 91, All's Well, iii. 4. 6. 'The primitive sense of *plod* is to tramp through the wet, and thence, figuratively, to proceed painfully and laboriously,' Wedgwood. It particularly means to wade through pools; the E. D. D. gives *plodder*, mud; also, to walk through mud; *plod*, *plowd*, to walk through mire and water. The ME. sb. *plod* (dat. *plodde*) meant a filthy pool or puddle; 'In a foul *plodde* in the strete suththe me hym slong' = people then threw him into a foul puddle in the street; Rob. of Glouc. p. 536, l. 11077. So also Northern *plud*, a puddle; E. D. D.; cf. Irish *plod*, *plodan*, a pool, standing water, *plodach*, a puddle; Gael. *plod*, a pool, standing water, *plodan*, a small pool; the Irish and Gael. forms being from ME. *plod* (Macbain). Cf. also EFries. *pludern*, to splash about in water; Dan. dial. *pludder*, Dan. *pladder*, mud; Low G. *pladdern*, to splash about in water (cf. *plad*, to wade, in Nares). Of indifferent origin; see **Plash** (1). Der. *plodd-er*, *plodd-ing*, *plodd-ing-ly*.

**PLOT** (1), a conspiracy, stratagem. (F.—L.) An early instance of the word seems to be in Spenser, F. Q. vii. 6. 23 (about A. D. 1590); he also has *plot* as a verb, id. iii. 11. 20. Perhaps shortened from *complot*, used in exactly the same sense, both as a sb. and verb. The sb. *complot* is in Shak. Rich. III, iii. 1. 192; and the pp. *complotted* in Rich. II, i. 1. 96. We have numerous examples of the loss of an initial syllable, as in *fence* for *defence*, *sport* for *disport*, *story* for *history*. Shak. has both *plot* and *complot*, and both words are employed by him both as sb. and verb. Minsheu, ed. 1627, gives *complot*, but does not recognise *plot*, except as a ground-plan.—F. *complot*, 'a complot, conspiracy,' whence *comploter*, 'to complot, conspire,' Cot. The OF. *complot* means (1) crowd, in the 12th century, (2) a battle, (3) a plot; and is of disputed origin. β. *Complot* and *plot* are nearly of the same date, and were sometimes associated. Shak. has: 'To *plot*, contrive, or *complot* any ill;' Rich. II, i. 3. 189. Chapman has: 'All *plots* and *complots* of his villany;' Alphonsus,

v. 4. *γ*. But it is not unlikely that *plot* was sometimes an abbreviation of *platform*, a variant of *platform*, i. e. a plan, orig. a map or sketch of a place; it occurs in Gascoigne's *Art of Venerie*, l. 40 (1575). It is certain that *flat* was used as an abbreviation of *platform*, a map; as in Higgins, *Mirror for Mag.*, ed. 1815, i. 315 (1574). Cf. 'I am devising a *platform* in my head'; Lyly, *Campaspe*, Act v. Sc. 4. 'The *flat* and fabrick of our purpose'; Letters of Eminent Men, ed. Sir H. Ellis (Camden Soc.), p. 155. 'The Captain did *flat* out and describe the situation of all the islands'; Hakluyt, *Voy.* iii. 98 (we now say *plot* out). See **Platform**; and see Notes on E. Etym., p. 219. **Der.** *plot*, verb; *plott-er*.

**PLOT** (2), **PLAT**, a small piece of ground. (E.) A *plot* is a patch of ground; and it also meant, in ME., a spot on a garment. 'Many foule *plottes*' = many dirty spots (on a garment); P. Plowman, B. xiii. 318. [In the Prompt. Parv. p. 405, we are told that *plot* means the same as *plek*; and we also find 'Plecke, or *plotte*, portuincula.' Way's note adds that 'Plecke is given by Cole, Ray, and Grose as a North-Country word, signifying a place, and is likewise noticed by Tim Bobbin; and he correctly refers it to AS. *plæc*, Matt. vi. 5 (Northumb. version).] The expression 'plot of floures faire' occurs in the Flower and the Leaf, l. 499 (15th century). AS. *plot*, a patch of ground; A. S. Leechdoms, ed. Cockayne, iii. 286, l. 19 (the same passage is in Schmid, *Die Gesetze der Angelsachsen*, App. XI, l. 5; p. 408, ed. 1858). Cf. Goth. *plats*, a patch, Mark ii. 21; MDu. *plets*, 'a peece or a patch of cloth'; Hexham; Dan. *plet*, a spot, plot; *græs-plet*, a grass-plot. We also find AS. *splott*, a plot of land (Toller). ¶ For the spelling *flat*, see **Plat** (1).

**PLOUGH**, an instrument for turning up the soil. (E.) ME. *plouh*, *plou*, *plow*; Chaucer, C. T. 889 (A 887); Havelok, 1017. The traces of it in AS. are but slight; we find *plōh* = a plough-land, in A. S. Leechdoms, ed. Cockayne, iii. 286, l. 19, where is the phrase 'ne plot ne *plōh*' = neither plot of ground nor plough-land. EFries. *plōg*. + Icel. *plōgr*, a plough (the usual Norse word being *arðr*); Swed. *plög*; Dan. *plow*. We find also OFries. *ploch*, G. *pflog*, OHG. *pfluoc*. The Lithuan *plugas*, Russ. *pluge*, a plough, are borrowed words from the Teutonic. **Der.** *plough*, verb, Cor. iii. 1. 71; *plough-er*, see Latimer's Sermon on the Ploughers; *plough-able*; *plough-boy*; *plough-iron*, 2 Hen. IV, v. 1. 20; *plough-man*, ME. *plowman*, Chaucer, C. T., 531 (A 529); *plough-share*, spelt *plowh-schare* in Trevisa, ii. 353, and derived from the verb to *shear*.

**PLOVER**, the name of a wading bird. (F.—L.) ME. *plouer* (with *u* for *v*), P. Plowman's Crede, ed. Skeat, 764; Gower, C. A. iii. 33; bk. vi. 943; Prompt. Parv.—OF. *plovier*, in the 13th century (Littré), later *pluvier*, 'a plover'; Cot. Formed as if from a Late L. type \**pluvārius*, equivalent to L. *pluviālis*, belonging to rain, because these birds were said to be most seen and caught in a rainy season. — L. *pluvia*, rain. — L. *pluit*, it rains. See **Pluvial**. ¶ 'We derive it from the F. *pluvier*, pour ce qu'on le prend mieux en temps pluvieux qu'en nulle autre saison'; Belon, Oyseaux, 260; cited in Pennant, Zoology, vol. ii (R.). Perhaps it was only a fancy. Wedgwood remarks that the G. name is *regenpfeifer*, the rain-piper.

**PLUCK**, to pull away sharply, to snatch. (E.) ME. *plukken*, P. Plowman, B. v. 591; xii. 249; Wyclif, Matt. xii. 1. AS. *pluccian*, Matt. xii. 1. + Du. *plukken*; Icel. *plukka*, *plukka*, perhaps a borrowed word; Dan. *plukke*; Swed. *plocka*; G. *pfücken*. β. Some think the word to be not orig. Teutonic, but borrowed from Late L. \**piluccāre* (whence Ital. *piluccare*, to pluck out hair), from L. *filus*, a hair; see **Pile** (3). This is doubtful. **Der.** *pluck*, sb., a butcher's term for the heart, liver, and lights of an animal, prob. because they are plucked out after killing it; Skinner, ed. 1671, has 'pluck, a sheep's *pluck*, i. e. cor animalis, an animal's heart. Hence *pluck* in the sense of 'spirit, courage'; whence the adj. *plucky*. Cf. the phrase 'pluck up thy spirits', Tam. Shrew, iv. 3. 38; 'pluck up, my heart', Much Ado, v. 1. 207.

**PLUG**, a block or peg used to stop a hole. (Du.) Skinner, ed. 1671, has 'a *plug*, or *splug*;' but that the initial *s* is a true part of the word may be doubted. The word is also in Hexham, ed. 1658, and was probably borrowed from Dutch. — MDu. *plugge*, 'a plugge, or a wooden pegg'; also *pluggen*, 'to plugge, or pegge'; Hexham. Mod. Du. *plug*, a peg, bung. We find also Swed. *plugg*, a plug; G. *pflock*, a wooden nail, plug, peg, pin; Low G. *plugge*, *flagge*, a peg (Lübben). **Der.** *plug*, verb.

**PLUM**, the name of a fruit. (L.—Gk.) ME. *ploume*, *plowme*, Prompt. Parv. 'Piries and *plumtrees*' = pear-trees and plum-trees, P. Plowman, B. v. 16. AS. *plūme*, Ælfric's Grammar, ed. Zupitza, p. 20; cf. *plūm-slā*, lit. plum-sloe, *plūm-treow*, plum-tree, in Ælfric's Gloss., Nomina Arborum. Here *plūm-slā* translates L. *pruniculus*, and *plūm-treow* translates *prunus*. β. The AS. *plūme* is a mere variation of L. *prūna*, pl. of *prūnum*, a plum, with change of *r* to *l*, and of *n* to *m*. The change from *r* to *l* is very common, and hardly needs illustration; the Span. *coronel* = E. *colonel*; cf. Westphal. *plūme*, *prūme*, a plum; and

L. *plūmum* in the Corpus Glossary, l. 1600. The change from *n* to *m* is not infrequent, as in *lime-tree* for *line-tree*, *venom* for L. *ueniēnum*, *vellum* from F. *velin*, *megrin* from F. *migraine*. Thus *plum* is a doublet of *prune*; see **Prune**, which is of Gk. origin. The Swed. *plommon*, Dan. *blomme*, G. *pflaume*, are all alike due to *prūnum*. **Der.** *plum-tree*, as above; *plum-cake*, *plum-pudding*. Doublet, *prune* (2).

**PLUMAGE**, the whole feathers of a bird. (F.—L.) 'Pruning his *plumage*, cleansing every quill'; Drayton, Noah's Flood (the dove); *plumage*, Book of St. Alban's, fol. a 7, back. — F. *plumage*, 'feathers'; Cot. — F. *plume*, a feather; see **Plume**.

**PLUMB**, a mass of lead hung on a string to show a perpendicular direction. (F.—L.) 'Plumbe of leed [lead], *Plumbum*;' Prompt. Parv. The older spelling is *plomb*, shortened to *plom* in the comp. *plomreule*, a plumb-rule, Chaucer, On the Astrolabe, ed. Skeat, pt. ii. § 38, l. 6. — F. *plomb*, 'lead, also, a carpenter's plummet or plumb-line'; Cot. — L. *plumbum*, lead. β. Probably cognate with Gk. *μόλυβος*, *μόλυβδος*, lead. **Der.** *plumb*, verb, to sound the depth of water with a plumb-line, from F. *plomber*, 'to sound,' Cot.; *plumb-line*, *plumb-rule*, used by Cot. to translate F. *plombet*; *plumb-er*, also spelt *plummer*, as by Cot. to translate F. *plombier*; *plumb-er-y*, i. e. plumber's shop, Bp. Hall, Satires, Bk. v. sat. 1, l. 5 from end. Also *plumb-e-an*, *plumb-e-ous*, leaden, both formed from L. *plumbeus*, leaden. Also *plumb-ago*, q. v.; *plumm-et*, q. v.; *plump* (2), *plunge*.

**PLUMBAGO**, black-lead. (L.) A mineral resembling lead, but really different from it. In Ash's Dict., ed. 1777, but only as a botanical term, 'lead-wort.' — L. *plumbāgo*, a kind of leaden ore; black-lead. — L. *plumbum*, lead. Cf. *lumb-ago*, from L. *lumbus*.

**PLUME**, a feather. (F.—L.) In Shak. Cor. iii. 3. 126; the ME. pl. *plumes* occurs in Richard the Redeles, iii. 49. — F. *plume*, 'a feather, plume of feathers'; Cot. — L. *plūma*, a small soft feather, piece of down. β. Prob. so called from its floating in the air; from ✓ **PLEUGH**, to fly; see **Fly** (1). Brugmann, i. § 681 (d). **Der.** *plume*, verb, esp. in pp. *plumed*, K. Lear, iv. 2. 57, Oth. iii. 3. 349; *plum-ose*; also *plum-age*, q. v.

**PLUMMET**, a leaden weight, a plumb-line. (F.—L.) ME. *plommet*, Wyclif, Deeds [Acts], xxvii. 28. — OF. *plommet* (Godefroy); MF. *plombet*, 'a plummet,' Cot. Dimin. of *plomb*, lead; it thus means 'a small piece of lead.' See **Plumb**.

**PLUMP** (1), full, round, fleshy. (E.) 'Plump Jack,' 1 Hen. IV, ii. 4. 527; 'plumpy Bacchus,' Antony, ii. 7. 121. ME. *plomp*, rude, clownish (as in Dutch), Caxton, tr. of Reynard the Fox, ed. Arber, p. 100, l. 12. The word is in rather early use as a sb., meaning 'a cluster, a clump,' applied either to a compact body of men, or to a clump of trees. 'Presede into the *plumpe*' = he pressed into the throng; Morte Arthure, ed. Brock, 2199. Though it cannot be traced much further back, the word may be E., as the radical verb is preserved in the prov. E. *plim*, to swell, to swell out; used in many dialects; so also prov. E. *plum*, *plump*, to swell; see E. D. D. β. Hence *plump* means orig. 'swollen,' and since that which is swollen becomes tight and firm, we find *plump* further used in the sense of 'hard'; as 'the ways are *plump*' = the roads are hard (Kent); E. D. S. Gloss. B. 11; C. 5. In Oxfordshire the word *plim* is also used as an adj., in the sense of *plump*. The word appears in other Teutonic tongues. Cf. EFries. and Low G. *plump*, bulky, thick, + MDu. *plomp*, 'rude, clownish, blockish, or dull'; Hexham. This is a metaphorical use, from the notion of thickness; Swed. *plump*, clownish, coarse; Dan. *plump*, clumsy; vulgar; G. *plump*, heavy, clumsy, blunt. **Der.** *plump-ly*, *plump-ness*. Also *plump-er*, a vote given at elections, when a man who has a vote for two separate candidates gives a single vote to one, thus (in my opinion) *swelling out* that candidate's number of votes as compared with the rest; see Todd's Johnson. Also *plump-y*, as above. Also *plump*, sb., a cluster, as above; *plump* or *plump out*, verb, to swell out.

**PLUMP** (2), straight downward. (F.—L.) Formerly also *plum*, *plumb*. 'Plumb down he drops,' Milton, P. L. ii. 933; cf. 'Which thou hast *perpendicularly* fell,' K. Lear, iv. 6. 54. 'They do not fall *plumb* down, but decline a little from the perpendicular'; Bentley, Sermon 2 (Todd). Of French origin; but altered to *plump* by the influence of *plump* (3) below. Really due to *plumb*, and derived from F. *plomb*, L. *plumbum*, lead. 'To fall like lead' must have been a favourite metaphor from the earliest times, and Diez shows, in his article on Ital. *piombare*, to fall like lead, that this metaphor is widely spread in the Romance languages. Cf. Ital. *cadere a piombo*, to fall plump, lit. like lead; F. *à plomb*, 'down-right'; *à plomb sur*, 'direct, or downright'; Cot. See *plumb* in N. E. D., and **Plumb** (above).

**PLUMP** (3), vb., to fall heavily down. (E.) 'It will give you a notion how Dulcissa *plumps* into a chair,' Spectator, No. 492. Apparently of imitative origin; cf. prov. E. *plump*, a plunge; also, to plunge heavily, to sink. ME. *plumpen*; 'Plump hym in water';

Liber Cure Cocorum, p. 51. +EFries. *plumfen*, to fall heavily, *plumfen*, to plunge into water; so also Du. *plompen*, G. *plumpen*, Swed. *plumpa*, to fall heavily. Under the influence of this word, the adv. *plumb*, 'straight downward,' became *plump*; see **Plump** (2).

**PLUNDER**, to rob, pillage. (G.) A note in Johnson's Dict. (ed. Todd) says that 'Fuller considers the word as introduced into the language about 1642.' R. gives a quotation for it from Prynne, Treachery and Disloyalty, pt. iv. pp. 28, 29 (not dated, but after A. D. 1642, as it refers to the civil war). He also cites a quotation dated 1642; but it first occurs in 1632, in the Swedish Intelligencer, ii. 179 (N. E. D.). Hexham, in his Du. Dict., ed. 1658, gives MDu. *plunderen*, *plonderen*, 'to plunder, or to pillage;' the mod. Du. spelling is *plunderen*. It is one of the very few G. words in English, and seems to have been introduced directly rather than through the Dutch. — G. *plündern*, to plunder, pillage, sack, ransack; provincially, to remove with one's baggage. Derived from the G. sb. *plunder*, trumpery, trash, baggage, lumber; the E. keeping the vowel of the sb. β. Connected with Low G. *plunnen*, formerly also *plunden*, rags; Bremen Wörterbuch. The orig. sense of the sb. was 'rags,' hence, worthless household stuff; the verb meant, accordingly, to strip a household even of its least valuable contents. The Dan. *plyndre*, Swed. *plundra*, Du. *plunderen*, are all alike borrowed from the G. or Low G. ¶ See Trench, Eng. Past and Present.

He says that '*plunder* was brought back from Germany about the beginning of our Civil Wars, by the soldiers who had served under Gustavus Adolphus and his captains.' And again, 'on *plunder*, there are two instructive passages in Fuller's Church History, b. xi. § 4, 33; and b. ix. § 4; and one in Heylin's Animadversions thereupon, p. 196.' Der. *plunder*, sb., which seems to be a later word in E., though really the original word; *plunder-er*.

**PLUNGE**, to cast or fall suddenly into water or other liquid. (F.—L.) ME. *ploungen*; 'and wenen [imagine] that it be right blisful thing to *ploungen* hem in voluptuous delyt;' Chaucer, tr. of Boethius, b. iii, pr. 2, l. 29. — F. *plonger*, 'to plunge, dive, duck;' Cot. Formed from a Late L. type *\*plumbicāre*, not found, but the existence of which is verified by the Picard *plonger*, to plunge, dive, due to the same form; see Diez, s.v. *piombare*. β. Thus *plonger* is a frequentative of *plomber*, to cover with lead, to sound the depth of water; from F. *plomb*, lead; see **Plumb**. Cf. Ital. *piombare*, 'to throw, to hurle, . . . to fall heaulie as a plummet of leade;' Florio; also Roumantsch *plumbar*, to fall heavily (Carigiet). Cf. AF. *se plunge*, plunges, Bestiary, 832. See also **Plump** (2). Der. *plunge*, sb., *plung-er*, *plung-ing*.

**PLUPERFECT**, the name of a tense in grammar. (L.) In the Grammar prefixed to Cotgrave's F. Dict. will be found the expression 'the preterpluperfect tense;' he gives '*J'avoies esté*, I had been,' as an example. The E. word is a curious corruption of the L. name for the tense, viz. *plusquamperfectum*. We have dropped the syllable *quam*, and given to *plus* the F. pronunciation. — L. *plūs*, more; *quam*, than; and *perfectum*, perfect. See **Plural** and **Perfect**.

**PLURAL**, containing or expressing more than one. (F.—L.) A term in grammar. In Shak. Merry Wives, iv. 1. 59. ME. *plural*; '*pe plural nombre*;' Trevisa, ii. 171, l. 25; *plurel*, id. ii. 173, l. 11. — OF. *plurel* (12th century, Littré); mod. F. *pluriel*. — L. *plūralis*, plural; because expressive of 'more' than one. — L. *plūr-*, decl. base of *plūs*, more, anciently spelt *plous*. Connected with Gk. *πλείων*, full, *πλείων*, more; see **Plenary**. Brugmann, ii. § 135. Der. *plural-ly*, *plural-ist*, *plural-ism*. Also *plural-i-ty*, ME. *pluralite*, P. Plowman, C. iv. 33, from F. *pluralité*, 'plurality, or moreness,' Cot., which from L. acc. *plūralitatem*. And see **Plurisy**.

**PLURISY**, superabundance. (L.; *misformed*.) Shak. has *plurisy* to express 'plethora,' Hamlet, iv. 7. 118. So also in Massinger, The Picture, iv. 2 (Sophia): 'A *plurisy* of ill blood you must let out.' And in The Two Noble Kinsmen, v. 1. 66; and in Ford, Fancies Chaste and Noble, A. iv. sc. 1; 'Into a *plurisy* of faithless impudence.' Formed as if from L. *plūri-*, decl. stem of *plūs*, more; by an extraordinary (prob. an ignorant) confusion with **Pleurisy**, q.v.

**PLUSH**, a variety of cloth-like velvet. (F.—L.) 'Waistcoats of silk *plush* laying by;' Chapman, tr. of Homer's Iliad, b. xxiv, l. 576. And in Cotgrave. — F. *peluche*, 'shag, plush;' Cot. [Thus the E. has dropped *e*; the word should be *pelush*. The form *pluche* occurs in Walloon (Remacle); and Godefroy gives *pluchine* as a variant of the dimin. form *peluchine*.] Cf. Span. *pelusa*, down on fruit, nap on cloth; Ital. *peluzzo*, fine hair, soft down. All from the fem. of a Late L. type *\*pilicius*, hairy (not found), from L. *pilus*, hair. See **Peruke**. ¶ The Du. *pluis*, fluff, plush, G. *plüsch*, are mere borrowings from French.

**PLUVIAL**, rainy. (F.—L.) Little used. '*Pluviall*, rainie;' Minsheu, ed. 1627. — F. *pluvial*, 'rainy;' Cot. — L. *pluviālis*, rainy. — L. *pluvia*, rain. — L. *plu-it*, it rains. — ✓PLEU, to float, swim. Cf. Gk. *πλέω*, to swim, Brugmann, i. § 381. Der. We also find

*pluvius*, Sir T. Browne, Vulg. Errors, b. v, c. 24, part 4, Englished from L. *pluvius*, rainy. And see **plover**.

**PLY**, to bend, to work at steadily, urge. (F.—L.) ME. *plien*, to bend, Chaucer, C. T. 9045; to mould, as wax, id. 9304 (E 1169, 1430). Since moulding wax, &c. requires constant and continued application of the fingers, we might hence obtain the metaphor of toiling at; as in to *ply* a task, to *ply* an oar; but these extensions are really due to the use of *plien* for ME. *aplien*, to apply. — F. *plier*, 'to fold, plait, ply, bend, bow, turne;' Cot. — L. *plicāre*, to fold. + Gk. *πλέκω*, to weave; Russ. *pleste*, to plait, wind; G. *flechten*, strong verb, to braid, plait, twist, entwine. All from ✓PLEK, to weave, plait. Der. *pli-able*, spelt *plyable* in Fabyan's Chron. b. i, c. 147, ed. Ellis, p. 133, l. 31, from F. *pliable*, 'pliable,' Cot.; *pliabil-ty*, *pliable-ness*; *pli-ant*, Oth. i. 3. 151, from F. *pliant*, pres. part. of *plier*; *pliant-ly*, *pliant-ness* or *plianc-y*; *pli-ers* or *ply-ers*, pincers for bending wire. From L. *plicāre* we also have *ap-ply*, *im-ply*, *re-ply*; *accom-plice*, *ap-plic-at-ion*, *com-plic-ate*, *com-plex*, *ex-plic-ate*, *ex-plic-it*, *im-plic-ate*, *im-plic-it*, *in-ex-plic-able*, *per-plex*; also *de-ploy*, *dis-play*, *em-ploy*. Also *sim-ple*, *sim-plic-ity*, *sim-plic-ly*; *dou-ble*, *du-plic-ity*, *du-plic-ate*; *tri-ple*, *tri-plet*, *tre-ble*; *quadru-ple*, *multi-ple*, *multi-ply*, &c. Also *plait*, *pleach*, *pleat*, *plight* (2), *splay*, *sup-ple*, *sup-plic-ate*, *sup-pli-ant*, &c. And see **flax**. See also **Apply**.

**PNEUMATIC**, relating to air. (L.—Gk.) Bacon speaks of '*pneumaticall* substance in some bodies;' Nat. Hist. § 842. — L. *pneumaticus*. — Gk. *πνευματικός*, belonging to wind, breath, or air. — Gk. *πνευματ-*, stem of *πνεῦμα*, wind, air. — Gk. *πνέειν*, to blow, breathe; for *πνέειν* (base *πνευ-*). See **Neessing**. Der. *pneumatic-al*, *-al-ly*; *pneumatic-s*. And see **pneumonia**.

**PNEUMONIA**, inflammation of the lungs. (Gk.) Modern. Todd adds to Johnson only the word '*pneumonicks*, medicines for diseases of the lungs;' but omits *pneumonia*. The *o* is short. — Gk. *πνευμονία*, a disease of the lungs. — Gk. *πνευμον-*, stem of *πνεῦμων* (also *πλεύμων*), a lung. — Gk. *πνέειν*, to breathe. See **Pneumatic** and **Pulmonary**. Der. *pneumon-ic*.

**POACH** (1), to dress eggs. (F.—OLow G.) Formerly *poche*. 'Egges well *poched* are better than roasted. They be moste hole-some when they be *poched*;' Sir T. Elyot, Castel of Helth, b. ii, c. 17. Spelt *potch* in Palsgrave; Levins; Bacon, Nat. Hist. § 53; and in Cotgrave. — F. *pocher*; Cotgrave gives '*Poché*, poched, thrust or digged out with the fingers; *œuf poché*, a potched egge.' Here two verbs have been confused; for the former sense see **Poach** (2).

β. Littré unhesitatingly derives *pocher* from F. *pocher*, a pouch, pocket; and Scheler explains that 'a poached egg' means 'an egg dressed in such a manner as to keep the yolk in a rounded form,' and that the sense rests upon that of 'pouch.' In this view, it is, in fact, 'a pouched egg.' Hatzfeld explains it still more simply by supposing that the egg is likened to a pouch, because the art is to dress it in such a way as not to let the yolk escape. Cf. 'eyron en *poche*,' i.e. eggs in pouch; Two Cookery Books, ed. T. Austin, p. 24. See **Pouch**.

**POACH** (2), to intrude on another's preserves, for the purpose of stealing game. (F.—OLow G.) 'His greatest fault is, he hunts too much in the purlieus. Would he would leave off *poaching*!' Beaum. and Fletcher, Philaster, iv. 1 (Thrasiline). — F. *pocher*; '*pocher le labeur d'autrui*, to poach into, or inchoach upon, another man's im-ploiment, practise, or trade;' Cot. β. There is here some difficulty in assigning the right sense to F. *pocher*. Cotgrave gives it only as meaning 'to thrust, or dig at with the fingers;' perhaps from Low G. *poken*, to thrust into; see **Poke** (2). Cf. prov. E. *poach*, to tread into holes. γ. The MF. *pocher* is also spelt *poucher*, as if from *pouce*, the thumb; see Littré. Cf. Picard *pocher*, 'tâter un fruit avec le pouce;' *peucher*, 'presser avec le pouce;' Corblet; perhaps from L. *pollicem*, acc. of *pollex*, the thumb; cf. OF. *pochier*, *poucier*, the thumb, from the L. adj. *pollicāris*. Der. *poach-er*.

**POCK**, a small pustule. (E.) We generally speak of 'the small *pox*;' but the spelling *pox* is absurd, since it stands for *pocks*, the pl. of *pock*, a word seldom used in the singular. [We might as well write *sox* as the pl. of *sack*; indeed, I have seen that spelling used for abbreviation.] The word *pock* is preserved in the adj. *pocky*, Hamlet, v. 1. 181. The term *small pox* in Beaum. and Fletcher, Fair Maid of the Inn, ii. 2 (Clown), is spelt *pocks* in the old edition, according to Richardson. Cotgrave explains F. *morille* by 'the small *pox*,' but in Sherwood's Index it is 'the small *pockes*;' and in fact, the spelling *pocks* is extremely common. The pl. was once dissyllabic. Fabyan has: 'he was vysyted with the sykenesse of *pockys*;' vol. ii. an. 1463, ed. Ellis, p. 653. ME. *pokke*, pl. *pokkes*, P. Plowman, B. xx. 97. AS. *poc*, *pocce*, a pustule. 'Gif *poc sý* on eāgan' = if there be a pustule on the eye; A. S. Leechdoms, ed. Cockayne, iii. 4. The nom. pl. is *poccas*; Voc. 520. 25. +EFries. *pok*, *pokke*; Du. *pok*; G. *pocke*, a pock. Perhaps related to **Poke** (1), with the notion of 'bag.' ¶ Macbain derives Gael. *bucaid*, a pustule,

from Brittonic *L. buccutus*, from *L. bucca*, the puffed cheek. If this be so, it is unconnected with *E. pock*. **Der.** *pox* (= *pocks*); *pock-y*.

**POCKET**, a small pouch. (F.—Tent.) **ME.** *poket*, Prompt. Parv. 'Cered *pokets*'=small waxed bags; Chaucer, C. T. 16276 (G 808). From North F. (Norm. dial.) *\*poquette*, variant of *pouquette*, a little bag; also in the form *pouquet*, m.; Moisy. Métiévier gives the modern Guernsey form as *pouquette*, dimin. of *pouque*, a sack or pouch. He cites a Norman proverb: 'Quant il pleut le jour Saint Marc, Il ne faut ni *pouque* ni sac'=when it rains on St. Mark's day (April 25), one wants neither poke nor bag. It is therefore a dimin. of O. North F. *poque*, Parisian F. *poche*.—Icel. *poki*, a bag; MDu. *poke*, a bag, Hexham; see **Pouch**, **Poke** (1). **Der.** *pocket*, verb, Temp. ii. 1. 67; *pocket-book*, *pocket-money*.

**POD**, a husk, a covering of the seed of plants. (E.) 'Pod, the husk of any pulse;' Phillips, ed. 1706. Perhaps it merely meant 'bag;' being related to *pad*, a cushion, i.e. a stuffed bag, and to *pudding*, of which the old meaning was 'sausage,' i.e. stuffed skin. **β.** The nearest word, in form, is MDu. *puden*, pl. 'huskes, pillen, or shales,' i.e. shells. Cf. also AS. *puđuc*, a wen (Toller); Westphal. *puđdek*, a lump, a pudding; Low G. *puđdig*, thick, E. dial. *poddy*. **Der.** *pod-ware*, plants having pods; R. Scot, Disc. of Witchcraft, b. xii. c. 6. See **Pudding**.

**POEM**, a composition in verse. (F.—L.—Gk.) In Hamlet, ii. 2. 419.—F. *poëme*, 'a poeme;' Cot.—L. *pcēma*.—Gk. *ποιήμα*, a work, piece of workmanship, composition, poem.—Gk. *ποιεῖν*, to make; see **Poet**.

**POESY**, poetry, a poem. (F.—L.—Gk.) **ME.** *poesie*, Gower, C. A. ii. 36, bk. iv. 1038.—MF. *poésie*, 'poesie;' Cot.—L. *poēsin*, acc. of *poēsis*, poetry.—Gk. *ποίησις*, a making, poetic faculty, poem.—Gk. *ποιεῖν*, to make; see **Poet**. **Der.** Hence 'a *posy* on a ring,' Hamlet, iii. 2. 162, because such mottoes were commonly in verse; see examples in Chambers, Book of Days, i. 221. *Posy* stands for *poesy*, by contraction. See **Posy**.

**POET**, a composer in verse. (F.—L.—Gk.) **ME.** *poete*, Wy-clif, Deeds [Acts], xvii. 28; Gower, C. A. iii. 374, note; bk. viii. 2942\*.—F. *poète*, 'a poet, maker;' Cot.—L. *poēta*.—Gk. *ποιητής*, a maker, composer, versifier; formed with suffix *-της* (Idg. *-tā-*) denoting the agent, from *ποιεῖν*, to make. **Der.** *poet-ic*, Gk. *ποιητικός*; *poetic-al*, As You Like It, iii. 3. 16; *poetic-al-ly*; *poet-ize*, a coined word. Also *poet-aster*, in Ben Jonson, as the name of a drama, answering to a L. form *\*poētaster*, formed from *poēt-a* with the double suffix *-as-ter*, with which cf. MF. *poēt-astre*, 'an ignorant poet,' Cot. Also *poet-ess*, North's Plutarch, pt. ii. p. 25 (R.), formed with F. suffix *-ess(e)*=L. *-issa*=Gk. *-ισσα*. Also *poet-r-y*, **ME.** *poetrye*, Prompt. Parv., from MF. *poëterie*, 'poetry,' Cot. From the same Gk. verb. *onomato-paia*, *pharmaco-paia*.

**POIGNANT**, stinging, sharp, pungent. (F.—L.) **ME.** *poinant*, Chaucer, C. T. Pers. Tale, Group I, 130; now conformed to the F. spelling.—F. *poignant*, 'pricking, stinging,' Cot.; pres. part. of F. *poindre*, to prick.—L. *pungere* (pt. t. *pu-pug-i*), to prick; base **PEUG**. See **Pungent**, **Point**. **Der.** *poignant-ly*, *poignanc-y*. Doublet, *pungent*.

**POINT**, (1) a dot, prick; (2) a sharp end. (F.—L.) 1. **ME.** *point*, Ancren Riwle, p. 178, l. 7.—F. *point* (*pointin* in Cotgrave), 'a point, a prick, a centre;' Cot.—L. *punctum*, a point; orig. neut. of pp. of *pungere*, to prick, pt. t. *pupugi*. See **Pungent**. 2. **ME.** *point*, Chaucer, Good Women, 1795.—F. *pointe*, MF. *pointe*, 'the point of a weapon;' Cot.—L. *puncta*, fem. of pp. of *pungere*. The two forms are confused in E. **Der.** *point*, verb, **ME.** *pointen*, P. Plowman, C. ix. 298; *point-ed*, *point-ed-ly*, *point-ed-ness*; *point-er*, a dog that points; *point-ers*, pl., the stars that point to the pole, Greene, Looking-glass for London, ed. Collins, iii. 1. 67; *point-ing*; *point-less*; *point-s-man*, a man who attends to the points on a railway. Also *point-device*, L. L. L. v. 1. 21, shortened form of the phrase at *point device*=with great nicety or exactitude, as: 'With limes [limbs] wrought at *point-devys*;' Rom. of the Rose, l. 830; a translation of OF. *à point devis*, according to a point [of exactitude] that is devised or imagined, i.e. in the best way imaginable. (The OF. *a point devis* does not appear, but see *a point* in the Supp. to Godefroy.) Also *point-blank*, with a certain aim, so as not to miss the centre, which was a blank or white spot in the old butts at which archers aimed; Merry Wives, iii. 2. 34.

**POISE**, to balance, weigh. (F.—L.) **ME.** *poisen*, *poisen*, to weigh, P. Plowman, B. v. 217 (and various readings).—OF. *poiser* (Supp. to Godefroy, s.v. *peser*), later *peser*, 'to peise, poise, weigh;' Cot. [Cf. OF. *pois*, *peis*, a weight; now spelt *poids*, by confusion with L. *pōndus*, from which it is not derived.]—L. *pensāre*, to weigh, weigh out.—L. *pensum*, a portion weighed out as a task for spinners, a task; Late L. *pensum*, *pensa*, a portion, a weight.—L. *pensus*, pp. of *pendere*, to weigh, weigh out; allied to *pendere*, to hang; see

**Pendent**, **Pensive**. **Der.** *poise*, sb., used in the sense of weight, Sir T. Elyot, Castel of Helth, b. ii. end of c. 33. Also *avoir-du-pois*, q.v. The form *peise* is from AF. *peiser*=OF. *poiser*.

**POISON**, a deadly draught. (F.—L.) Merely 'a potion;' the bad sense is unoriginal. In early use; spelt *poyson*, Rob. of Glouc. p. 122, l. 2605; *puisun*, Hali Meidenhad, ed. Cockayne, p. 33, l. 16.—F. *poison*, 'poison;' Cot.—L. *pōtōnem*, acc. of *pōtio*, a drink, draught, esp. a poisonous draught.—L. *pōtāre*, to drink; *pōtus*, drunken. **β.** *Pōtus* is formed with Idg. suffix *-to-* from *pō-*, a grade of  $\sqrt{P}$ ō, to drink; cf. Skt. *pā*, to drink; Gk. *πόσις*, drink, *πώμα*, drink. Brugmann, i. § 172. **Der.** *poison*, verb, **ME.** *poisonen*, K. Alisaunder, 600; *poison-er*, *poison-ous*, *poison-ous-ly*, *-ness*. Doublet, *potion*.

**POITREL**, **PEITREL**, armour for the breast of a horse. (F.—L.) *Poytrell* (Palsgrave); also *pewtrel* in Levins. [**ME.** *peitrel*, Chaucer, C. T. 16032 (G 564).]—OF. *poitral*, MF. *poitral*, *poitral*, 'a petrel for a horse;' Cot.—L. *pectorāle*, belonging to the breast; neut. of *pectorālis*. See **Pectoral**. ¶ The form *peitrel* is from AF. *peitrel*, Gaimar, 6385.

**POKE** (1), a bag, pouch. (Scand.) 'Two pigges in a *poke*'=two pigs in a bag, Chaucer, C. T. 4276 (A 4278). Havelok, 555. [Cf. Irish *poc*, a bag; Gael. *poca*, a bag; from E. or Scand.] Prob. from Icel. *poki*, a bag; cf. MDu. *poke*, 'a poke, sack,' Hexham. The relationship to AS. *poha*, *pohha*, a bag, is not clear. **Der.** *pock-et*. Doublet, *pouch*.

**POKE** (2), to thrust or push, esp. with something pointed. (E.) **ME.** *poken*, Chaucer, C. T. 4167 (A 4169); *pukken*, P. Plowman, B. v. 620, 643. [Not in AS.; cf. Irish *poc*, a blow, a kick; Corn. *poc*, a push, shove; Gael. *puc*, to push, jostle; from E.]—Du. *poken*; E. Fries. *pokern*, frequent., to keep on poking about; Low G. *poken*, to thrust into; Pomeran. *pōken*; G. *pochen*. Cf. MDu. *poke*, a dagger, lit. 'a thruster,' Hexham. Teut. base *\*puk*; perhaps imitative. **Der.** *poke*, sb., *pok-er*; and see *puck-er*.

**POLACK**, a Pole, an inhabitant of Poland. (Polish.) In Shak. Hamlet, ii. 2. 63.—Pol. *Polak*, a Pole. Cf. *Polska*, Poland.—Pol. *pole*; Russ. *polē*, a field, plain, flat country; allied to E. *field*.

**POLDAVY**, **POLEDAVY**, a coarse cloth or canvas. (Breton.) See Nares, s.v. *Polldavy*; and Halliwell. Named from Bret. *Pouldavid*, a small village near Douarnenez, in Finistère.—Bret. *poul*, pool; *David*, David.

**POLE** (1), a stake, long thick rod. (L.) **ME.** *pole*, P. Plowman, B. xviii. 52. The E. long o presupposes an AS. *ā*, as in *stone* from AS. *stān*, &c. Thus *pole*=AS. *pāl*. We find '*Palus*, pal' in Voc. 334. 2; where the *a* is long in both words. Merely a borrowed word, from L. *pālus*, a stake. Cf. W. *pawl*, a pole. See **Pale** (1). ¶ Similarly the G. *pfahl*, a stake, is merely borrowed from the Latin. Doublets, *pale* (1), *pawl*.

**POLE** (2), a pivot, either end of the axis of the earth. (F.—L.—Gk.) 'The north *pole*;' L. L. L. v. 2. 699. **ME.** *pol*, Chaucer, On the Astrolabe, pt. i. § 14, l. 6.—MF. *pol*, 'a pole; *pol artique*, the north pole;' Cot.—L. *polum*, acc. of *polus*, a pole.—Gk. *πόλος*, a pivot, hinge, axis, pole.—Gk. *πέλειν*, to be in motion; the *poles* being the points of the axis round which motion takes place. Allied to Russ. *kolесо*, a wheel, ( $\sqrt{Q}$ EL). Brugmann, i. § 652. **Der.** *pol-ar*, Milton, P. L. v. 269, from L. *polāris*; hence *pol-ar-i-ty*, *pol-ar-ize*, *pol-ar-iz-at-ion*.

**POLE-AXE**, a kind of ax. (E.; also L. and E.) Spelt *polaxe* in Palsgrave. **ME.** *pollax*, Chaucer, C. T. 2546 (A 2544); Rich. Coer de Lion, 6870. **β.** *Axe* (more correctly *ax*) is from AS. *æx*; see **Ax**. **γ.** The prefix has changed; orig. *poll-ax*, a weapon for striking one on the poll or head. But later altered to *pole-ax*, and in the cognate Westphal. *pāl-exe*, it is clearly Westphal. *pāl*, a pole; denoting an ax fastened to a pole. The Low G. *pollexe* (as if from *folle*, the poll, the head) is also spelt *bollexe*, which seems to represent the obs. E. *bole-ax* (N. E. D.), Icel. *bolōxi*, from the *bole* of a tree. See **Poll**.

**POLE-CAT**, a kind of weasel which emits a disagreeable odour. (Hybrid; F.—L. and E.) **ME.** *polcat*, Chaucer, C. T. 12789 (C 855); also *pulkat*, Voc. 601. 13. For the latter syllable, see **Cat**. The former syllable, **ME.** *pol-*, *pul-*, represents the OF. *pole*, *poule*, a hen; the form *pole* occurs in OF. *poletier*, variant of *pouletier*, a seller of poultry; and the mod. E. *poul-try* is sounded with the *poul*=*pole*-in *pole-cat*. The pole-cat is well known as a chicken-thief; cf. the quotation from Chaucer above. See further under **Poult**.

**POLEMICAL**, warlike, controversial. (Gk.) In Blount's Gloss., ed. 1674. Formed with suffix *-al* (=L. *ālis*), from Gk. *πολεμικός*, warlike.—Gk. *πόλεμος*, war. **β.** Formed with suffix *-ε-μος* (like *ἀν-ε-μος*=L. *an-i-mus*) from *πολ-*; perhaps allied to L. *pell-ere*, to drive. **Der.** *polemic-al-ly*; also *polemic-s*, from Gk. *πολεμικ-ός*.

**POLICE**, the regulation of a country with respect to the preservation of order; hence, the civil officers for preserving order. (F.—L.—Gk.) The expression *the police* signifies *the police-force*, i.e.

the force required for maintaining *police*, or public order. The sb. is in Todd's Johnson; but we already find the expression 'so well a *policed* [regulated] kingdom' in Howell, Instructions for Foreign Travel, ed. Arber, p. 78, last line but one; A.D. 1642. — F. *police*, 'policy, politick regiment, civil government;' Cot. — L. *politia*. — Gk. *πολιτεία*, citizenship, polity, condition of a state. — Gk. *πολίτης*, a citizen. — Gk. *πολις*, for *πόλις*, a city; with suffix *-της*. β. Related to Gk. *πολύς*, much; Skt. *purī-*, a town. From the same root as **Plenary**. With Skt. *furi-*, cf. Indian *-poor* in *Blurt-poor*, *Futteh-poor*, &c. And see **Full**. Der. *police-y*, ME. *policie*, Chaucer, C. T. 12534 (C 600), answering to OF. *policie* (< L. *politia*), a learned form of F. *police*. Also *polity*, in Hooker, Eccl. Polity, from L. *politia*; *polit-ic*, spelt *politick* in Minshew, from L. *politicus*, Gk. *πολιτικός*; *polit-ic-ly*; *politicks*, spelt *politickes* in Minshew; *polit-ic-al*, Minshew; *polit-ic-al-ly*; *polit-ic-i-an*, used as adj. in Milton, Samson, 1195. And see *acro-polis*, *metro-polis*, *cosmo-polite*.

**POLICY**, a warrant for money in the public funds, a writing containing a contract of insurance. (F. — Late L. — Gk.) [Quite distinct from *policy* as connected with **Police**, q.v.] 'A policy of insurance is a contract between A and B;' Blackstone. And see Phillips' Dict., ed. 1706. The form is prob. due to confusion with *policy* in the other sense, or the final syllable may have been due to the Span. or Ital. form. — F. *police*, a policy; *police d'assurance*, policy of insurance; Hamilton. Cf. Span. *poliza*, a written order to receive a sum of money; *poliza de seguro*, a policy of insurance; MItal. *poliza*, a schedule (Florio); Ital. *polizza*, a bill, ticket, invoice. β. The Port. form is *afolice*, a government security (Vieyra); MSpan. *poliza* (Minshew). These forms (and MItal. *poliza*, *polisa*) prob. represent Late L. *afódissa*, *afódixa*, 'cautio de sumpta pecunia;' Ducange. Cf. Port. *afodixe*, a plain proof. All from Late Gk. *ἀποδείξις*, a showing forth, a proof. — Gk. *ἀποδείκνυμι*, I point out. — Gk. *ἀπό*, from, forth; *δείκνυμι*, I show. (See Körting, § 6294.) ¶ This is to be preferred to the solution in Diez, who refers it to Late L. *polyptychum*, a register; Gk. *πολυπτυχον*, a piece of writing in many folds, a long register; from *πολύ-*, much, and *πτυχον*, for *πτύξ*, a fold, leaf, *πτύσσειν*, to fold. See Notes on E. Etym., p. 220.

**POLISH**, to make smooth, glossy, or elegant. (F. — L.) ME. *polischen*, Chaucer, C. T. 9456 (E 1582); sometimes contracted to *polschen*, as in P. Plowman, B. v. 482. 'A marble stone *polished*;' Caxton, Reynard the Fox, ed. Arber, p. 11. — F. *poliss-*, stem of *polissant*, pres. part. of *polir*, to polish. — L. *polire*, to polish, to make smooth. Der. *polish-er*; also *polite*, in Phillips, ed. 1706, from L. *politus*, pp. of *polire*; *polite-ly*, *polite-ness*.

**POLKA**, a dance. (Polish.) Said to have been first danced by a Bohemian peasant-girl in 1831, and to have been named *polka* at Prague in 1835. — Pol. *Polka*, a Polish woman. Similarly, another dance is called the *Polonaise*, lit. Polish woman; another the *Croconienne*, lit. woman of Cracow; another the *Mazurka*, q.v.

**POLL**, the head, esp. the back of it, a register of heads or persons, the voting at an election. (OLow G.) All the meanings are extended from *poll*, the rounded part of the head; hence, a head, person, &c. ME. *pol*, pl. *polles*. 'Pol bi pol' = head by head, separately, P. Plowman, B. xi. 57. 'Bi pate ant by *polle*' = by pate and poll; Polit. Songs, ed. Wright, p. 237, in a MS. of the reign of Edw. II. [Not in AS.] An OLow G. word, found in MDu. *polle*, *pol*, or *bol*, 'the head or the pate,' Hexham; also in Low G. *polle*, the head, Bremen Wörterbuch; Swed. dial. *pull* (Reitz), Dan. *puld* (for *pull*), the crown of the head. Cf. EFries. *pol*, round, full, fleshy. Der. *poll*, verb, to cut off the hair, Num. i. 2, iii. 47; *poll-tax*, a tax by the head, i.e. on each person. Also *pole-axe*, formerly *pollax*, Chaucer, C. T. 2546, OLow G. *pollexe*, Bremen Wörterbuch, from OLow G. *polle*, the poll, head, and *exe*, an ax (later altered to *pole*, with reference to the handle); hardly the same as Icel. *bolöxi*, which is rather an ax for lopping branches, from *bolr*, *bulr*, the trunk of a tree. Also *poll-ard*, used as a sb. in Bacon, Nat. Hist. § 424, and in Sir T. Browne, Cyrus Garden, c. iii. § 13, in which the use of the suffix *-ard* gives the sense of 'round-headed;' it is, etymologically, the same as in *drunk-ard*, i.e. F. *-ard*, from OHG. *-hart*, hard. And see **Pole-axe**.

**POLLEN**, the powder on the anthers of flowers. (L.) In Johnson; it is also used for fine flour. — L. *pollen*, *pollis*, fine flour. Connected with Gk. *πάλη*, fine sifted meal; L. *pal-ea*, straw; *pul-vis*, dust.

**POLLOCK**, **POLLACK**, a kind of codfish, the whiting. (E.) In Carew (Survey of Cornwall); Todd's Johnson. Cf. Gael. *pollag*, a kind of fish, the gwyniad (i.e. whiting); Irish *pullog*, a pollock; borrowed from E. Prob. from *poll*, the head (above); cf. E. *poll-ard*, which is a name of the chub. (Doubtful.)

**POLLUTE**, to defile, taint, corrupt. (L.) In Shak. Lucrece, 854, 1063, 1726. Milton has *pollute* as a pp., Hymn on Christ's Nativity, 41; but we already find *polluted* in Skelton, Ware the Hauke, 44, 161, 174; *pollutyd* in the Coventry Mysteries, p. 154; and *pollut*

in Chaucer, tr. of Boethius, bk. i. pr. 4. 180. — L. *pollutus*, pp. of *polluere*, to defile. — L. *pol-*, a prefix, of which the older form was *por-* or *port-*, towards; and *\*luere*, to defile (distinct from *luere*, to wash), the origin of the sb. *luēs*, filth. Der. *pollut-ion*, Lucrece, 1157, from L. acc. *pollutionem*.

**POLO**, a game; hockey on horseback. (Balti.) 'It comes from Balti; *polo* being properly, in the language of that region, the ball used in the game;' Yule. Balti is in the high valley of the Indus.

**POLONY**, a kind of sausage. (Ital.) In Thackeray, Newcomes, xviii. § 1. A corruption for *Bologna sausage*; which city is 'famous for sausages;' Evelyn's Diary, May 21, 1645. So also 'Bologna sausages;' Chapman, The Ball, Act iii. And *Bolony*, Bologna; Webbe's Trav., ed. Arber, p. 30. See Hotten's Slang Dict.

**POLTROON**, a dastard, coward, lazy fellow. (F. — Ital. — L.) In Shak. 3 Hen. VI, i. 1. 62. Earlier, spelt *pultrowne*, in Skelton, The Douty Duke of Albany, l. 170. — F. *poltron*, 'a knave, rascal, varlet, scoundrell, dastard, sluggard;' Cot. — Ital. *poltrone*, 'a poltroon, an idle fellow, a lazy companion, a dastard;' Torriano. — Ital. *poltro*, 'a colt, . . . also a bed or a couch;' Florio. He also gives *poltrare*, *poltrire*, *poltraggiare*, *poltroneggiare*, 'to play the coward, to loll or wallow in idleness, to lie idly a bed.' β. The old sense is clearly a sluggard, one who lies in bed; from *poltro*, a bed, couch. *Poltro* orig. meant 'a colt;' and afterwards a bedstead; cf. MF. *poutre*, 'a filly,' Cot.; F. *poutre*, a beam, from the support it gives (like E. *clothes-horse*). — Late L. *pullitrum*, acc. of *pullitrus*, a colt (Ducange). — L. *pullus*, a colt, a foal; see **Foal**. For the change of sense, cf. *pulley*, *chevron*. Der. *poltroon-er-y*, a clumsy word; it should rather be *poltroon-y* = F. *poltronie*, 'knavery,' Cot.

**POLY-**, many; prefix. (L. — Gk.) L. *poly-*, for Gk. *πολυ-*, from *πολύ-*, for *πολύς*, much. Cognate with Skt. *puru-*, much; and closely allied to Gk. *πλέως*, full, and E. *full*; see **Full**.

**POLYANTHUS**, a kind of flower. (L. — Gk.) A kind of primrose bearing many flowers; lit. 'many-flowered.' In Thomson, Spring, 532. A Latinized form of Gk. *πολύανθος*, more commonly *πολυανθής*, many-flowered. — Gk. *πολυ-*, many; and *άνθος*, a flower. See **Poly-** and **Anther**.

**POLYGAMY**, marriage with more than one wife. (F. — L. — Gk.) *Polygamie* in Minshew, ed. 1627. — F. *polygamie*, 'polygamy, the having of many wives;' Cot. — L. *polygamia*. — Gk. *πολυγαμία*, a marrying of many wives. — Gk. *πολυ-*, much, many; and *-γαμία*, a marrying, from *γάμος*, marriage. See **Poly-** and **Bigamy**. Der. *polygam-ous*, *polygam-ist*.

**POLYGLOT**, written in or speaking many languages. (Gk.) Howell applies it to a man; 'A *polyglot*, or linguist;' Familiar Letters, b. iii. let. 8, near the end. Coined from *poly-* = Gk. *πολυ-*, many; and *γλῶττα* = *γλῶσσα*, the tongue. See **Poly-** and **Glottis**.

**POLYGON**, a plane figure having many angles. (L. — Gk.) Spelt *polygone* in Blount's Gloss., ed. 1674. — L. *polygōnum* (White). — Gk. *πολύγωνον*, a polygon. — Gk. *πολυ-*, many; and *γων-ία*, a corner, angle, allied to *γωνν*, the knee; see **Poly-** and **Knee**. Der. *polygon-al*, *polygon-ous*. We also find *polygon-y*, knot-grass, Spenser, F. Q. iii. 5. 32, from L. *polygonium* or *polygonon*, Gk. *πολύγονον*, knot-grass, so called from its many bends or knots.

**POLYHEDRON**, a solid body with numerous sides. (Gk.) Mathematical; coined from *poly-* = Gk. *πολύ-*, many; and *-εδρον*, from *ἔδρα*, a base, from *ἔδ-*, cognate with E. *sit*. See **Poly-** and **Sit**. Der. *polyhedr-al*.

**POLYNOMIAL**, an algebraical quantity having many terms. (Hybrid; F. — L. and Gk.) Mathematical; an ill-formed word, due to the use of *binomial*; from F. *polynôme*, *binôme*. — Gk. *πολυ-*, many; and L. *nōm-en*, a name. It should rather have been *polynōminal*, and even then would be a hybrid word. See **Poly-** and **Binomial**.

**POLYPUS**, an animal with many feet; &c. (L. — Gk.) The pl. *polypī* is in Holland, tr. of Pliny, b. ix. c. 30, near beginning. — L. *polypus* (gen. sing. and nom. pl. *polypī*), a polypus. — Gk. *πολύπους*, occasional form of *πολύπους*, lit. many-footed. — Gk. *πολυ-*, many; and *πούς*, cognate with E. *foot*. See **Poly-** and **Foot**. ¶ Cf. F. *polype*, Ital. and Span. *polipo*; all false forms, due to treating the Gk. ending *-πους* as if it were *-pos*. Cf. *poly-podi-um*, a fern.

**POLYSYLLABLE**, a word of many syllables. (Gk.) In Blount's Gloss., ed. 1674. A coined word; ultimately of Gk. origin. The spelling *syllable* is due to French. See **Poly-** and **Syllable**. Der. *polysyllab-ic*, from L. *polysyllabus* = Gk. *πολυσύλλαβος*, having many syllables.

**POLYTECHNIC**, concerning many arts. (F. — Gk.) From F. *polytechnique* (1795). — Gk. *πολυ-*, many; and *τεχνικ-ός*, belonging to the arts, from *τέχνη*, art; see **Technical**.

**POLYTHEISM**, the doctrine of a plurality of gods. (Gk.) In Johnson's Dict. Coined from Gk. *πολυ-*, much, many; and *θε-ός*, a god; with suffix *-ism* = Gk. *-ισμος*. See **Poly-** and **Theism**. Der. *polythe-ist*, *polythe-ist-ic-al*.

**POMADE, POMMADE**, a composition for dressing the hair. (F.—Ital.—L.) Properly with two *m*'s. '*Pommade*, an ointment used by ladies;' Blount's Gloss., ed. 1674.—F. *pommade*, 'pomatum, or pomata, an ointment;' Cot. So called because orig. made with apples; cf. F. *pomme*, an apple.—Ital. *pomada*, *pomata*, 'a pomado to supple ones lips, lip-salve;' Florio. Formed with participial suffix *-ata* from *pom-o*, an apple.—L. *pōmum*, an apple, the fruit of a tree. Doublet, *pomatum*, Ben Jonson, Sejanus, ii. 1, which is a Latinized form. And see *pome-granate*, *pomm-el*.

**POMANDER**, a globe-shaped box for holding perfumes. (F.—L. and Span.—Arab.) Spelt *pomaander*, Skelton, Garl. of Laurel, 1027; '*Pommaundre*, to smell to;' Palsgrave. For *pomamber*; spelt *pomeamber* in Bullein, Dial. against Fever (1578); p. 49, l. 25, but also *pomeander*, p. 53, l. 29. ME. *pomum ambre*; Medical Workes of 14th Cent., ed. Henslow, p. 122.—AF. *pomme ambre*, for OF. *pomme d'ambre*, 'apple of amber;' see my Notes on E. Etym., p. 223. See **Pommel** and **Amber**.

**POMEGRANATE**, a kind of fruit. (F.—L.) 'Of pomegranates;' Sir T. Elyot, Castel of Helth, b. ii. c. 7. ME. *pome-garnate*, Lydgate, Minor Poems, p. 15; *pomgaruet*, Trevisa, i. 107, l. 7.—OF. *pome grenate*, which was turned into *pome de grenate* by some confusion or misunderstanding of the sense. In Li Contes del Graal, a poem of the 12th century, we find 'Dates, figues, et noiz mugates, Girofle et pomes de grenates;' see Bartsch, Chrestomathie Française, col. 172, ll. 4, 5. Cf. Ital. *pomo granato*, a pomegranate; Florio.—L. *pōmum*, an apple; and *grānātum*, used also alone to signify a pomegranate. β. *Grānātum* is neut. from *grānātus*, filled with grains or seeds; the fruit abounding in hard seeds. *Grānātus* is formed, with pp. suffix *-ātus*, from *grān-um*, a grain, seed. See **Grain**.

**POMMEL**, a knob, the knob on a sword-hilt, a projection on a saddle-bow. (F.—L.) ME. *pomel*, a boss; P. Plowman's Crede, l. 562.—OF. *pomel* (Burguy), later *pommeau*, 'the pommel of a sword, &c.;' Cot. Lit. 'small apple.' Formed with dim. suffix *-el* (L. *-ellus*) from *pōmum*, an apple. Der. *pommel*, verb, to beat with the handle of a sword or any blunt instrument or with the fists. Cf. '[He] . . . all too *pommel*ed the same with his handes;' Udall. tr. of Erasmus's Apophthegmes, Aug. Caesar, § 7.

**POMP**, great display, ostentation. (F.—L.—Gk.) ME. *pompe*, in Chaucer, C. T., A 525.—F. *pompe*, 'pomp;' Cot.—L. *pompa*, a solemn procession, pomp.—Gk. *πομπή*, a sending, escorting, solemn procession.—Gk. *πέμπειν*, to send. Der. *pomp-ous*, in Palsgrave, from F. *pompoux*, L. *pompōsus*, full of pomp; *pompous-ly*, *-ness*; *pomp-os-i-ty*.

**POMPELMOOSE**, a shaddock. (Du.) In Stedman's Surinam, i. 22.—Du. *pampelmoes*, a shaddock (Calisch).

**PONCHO**, a sort of cloak, resembling a narrow blanket with a slit in the middle for the head to go through. (Span.—Araucan.) The form *poncho* is Spanish; but it is adapted from an Araucan name *pontho* or *poncho*; D. D. Granada, Vocab. of La Plata words (Montevideo, 1890). The Araucans are the Indians in the S. of Chili. (Notes on Eng. Etym., p. 224.)

**POND**, a pool of water. (E.) ME. *pond*, *ponde*, Trevisa, i. 69, l. 4; pl. *pondus*, id. i. 61, l. 5. *Pond* is a pool of standing water; strictly, one caused by damming water up. It is a variant of *pond*, an inclosure. Thus the Irish *pont* (borrowed from E.) means both 'a pound for cattle' and 'a pond.' See **Pound** (2).

**PONDER**, to weigh in the mind, consider. (L.) 'In balance of unegall [unequal] weight he [Love] *pondereth* by aime;' Surrey, Description of the Fickle Affections, l. 8; in Tottell's Miscellany, 1557, ed. Arber, p. 6; and see Skelton, ed. Dyce, i. 132, l. 1. Lydgate has *ponder*, imp. s., in Assembly of Gods, l. 134.—L. *ponderāre*, to weigh.—L. *ponder-*, decl. base of *pondus*, a weight; see **Pound** (1). Der. *ponder-er*. From the stem *ponder-* we also have *ponder-ous*, Sir T. Elyot, The Governour, b. i. c. 1, from F. *pondereux*, L. *ponderōsus*; *ponder-ous-ly*, *-ness*; *ponderos-i-ty*, from F. *ponderosité*, 'ponderosity,' Cot., from L. acc. *ponderositātem*. Also *ponder-able*, in Sir T. Browne, Vulg. Errors, b. iii. c. 27, part II, from L. *ponderābilis*, that can be weighed; *ponderabil-i-ty*; *im-ponderable*.

**PONENT**, western. (F.—L.) In Levins; and in Milton, P. L. x. 704.—F. *ponent*, 'the west;' Cot.—L. *pōnent-*, stem of pres. part. of *pōnere*, to lay, abate; with reference to *sunset*. See **Position**.

**PONIARD**, a small dagger. (F.—L.; with G. suffix.) In Hamlet, v. 2. 157.—F. *poignard*, 'a poinadoe, or poniard;' Cot. Formed, with suffix *-ard* < OHG. *hart* (lit. hard), from F. *poing*, the fist. Similarly, Ital. *pugnale*, a poniard, is from *pugno*, the fist. Cf. also Span. *puño*, fist, handful, hilt, *puñal*, a poniard, *puñada*, a blow with the fist. β. The F. *poing*, Ital. *pugno*, Span. *puño*, are from L. *pugnus*, the fist; see **Pugnacious**.

**PONTIFF**, a Roman high-priest, the Pope. (F.—L.) The pl. *pontifes* is in Bacon, Nat. Hist. § 771.—F. *pontif*, *pontife*, 'a chief

bishop;' Cot.—L. *pontificem*, acc. of *pontifex*, *pontufex*, a Roman high-priest; in eccl. Lat., a bishop.—L. *ponti-*, decl. stem of *pōns*, orig. a path, way, later a bridge; and *-fex* (stem *-fic-*), a maker, from *facere*, to make. Cf. Gk. *πόντος*, the sea. Brugmann, i. § 140. ¶ The reason for the name is not known; the lit. sense is 'path-maker;' hence, perhaps, one who leads to the temple, or leads the way in a procession. Der. *pontific-al*, in Levins, from F. *pontifical*, L. *pontificālis*, from the stem *pontific-*; *pontific-ate*, from F. *pontifical*, 'a prelature,' Cot., from L. *pontificātus*.

**PONTOON**, a buoyant vessel, for the quick construction of bridges. (F.—L.—C.) Formerly *ponton*. '*Ponton*, a floating bridge;' Phillips, ed. 1706.—F. *ponton*, 'a wherry, or ferry-boat;' hence, a bridge of boats; Cot.—L. *pōntōnem*, acc. of *pōnto*, a boat; hence, a bridge of boats. Of Celtic origin; see **Punt**.

**PONY**, a small horse. (F.—L.) In Johnson. Explained as 'a little Scotch horse' in Boyer's Dict., A.D. 1727 (Wedgwood).—OF. *poulenet*, a little colt (Godefroy); dimin. of *poulain*, a colt.—Late L. *pullānus*, a colt (Ducange).—L. *pullus*, a foal. The *l* is lost before *n*, as in *Colney Hatch*. Cf. Lowl. Sc. *powney*. See **Foal**.

**POODLE**, a fancy dog with curly hair (G.) One of the very few G. words in English. Modern; not in Johnson. It occurs in Miss Swanwick's tr. of Goethe's Faust, 1864, p. 37.—G. *pudel* (Goethe), a poodle; Low G. *pudel*, *pudel-hund*, so called (it may be presumed) because he looks fat and clumsy on account of his thick hair; allied to Low G. *pudeln*, to waddle, used of fat persons; cf. Low G. *pudel-dikk*, unsteady on the feet, *puddig*, thick; Bremen Wörterbuch. Danneil gives Low G. *puddel*, a little dog just beginning to walk.

**POOH**, an interjection of disdain. (F.) Spelt *puh!* Marston, What You Will, A. ii. sc. 1. Adapted from MF. *pouac*, 'faugh!' Cot. Cf. Icel. *pū*, *pooh!* Cf. *puf*. '*Puf*, said the foxe;' Caxton, tr. of Reynard the Fox, ed. Arber, p. 59. So also *buf!* Chaucer, C. T. 7516 (D 1934); *baw!* P. Plowman, B. xi. 135. Due to blowing away from one. See **Puff**.

**POOL** (1), a pond, small body of water. (E.) ME. *pol*, *pool*; dat. *pole*, Layamon, 21748; pl. *poles*, Havelok, 2101. AS. *pol*, Ælfred, tr. of Gregory's Pastoral Care, ed. Sweet, p. 278, l. 15. [Irish *poll*, *pull*, a hole, pit, mire, dirt; Gael. *poll*, a hole, pit, mire, bog, pond, pool; W. *pull*, a pool; Corn. *pol*, a pool, pond, mire, pit; Manx, *poyl*; Bret. *poull*; are all borrowed words.] + Du. *poel*, a pool; G. *pfuhl*; OHG. *pfuol*. Teut. type \**pōloz*; cf. Lith. *balū*, a swamp. Brugmann, i. § 567.

**POOL** (2), the receptacle for the stakes at cards. (F.—L.) Formerly also spelt *poule*, as in Todd's Johnson.—F. *poule*, (1) a hen, (2) a pool, at various games; Hamilton. It seems to be so named, because the stakes are regarded as eggs, to be gained from the hen.—Late L. *pulla*, a hen (Ducange); fem. of *pullus*, a young animal, allied to Gk. *πῶλος*, and E. *foal*; see **Foal**, **Pony**.

**POOP**, the stern of a ship; a deck above the ordinary deck in the after-part of a ship. (F.—Ital.—L.) In Shak. 1 Hen. IV, iii. 3. 29. Surrey (iv. 746) has *poupe* to translate L. *puppis* in Virgil, Æn. iv. 554.—F. *poupe*, *pouppie*, 'the poop or hinder part of a ship.'—Ital. *poppa*, poop (Hatzfeld).—L. *puppis*, acc. of *puppis*, the hinder part of a ship, a ship. Der. *poop*, verb, to strike a ship in the stern, to sink it, Pericles, iv. 2. 25.

**POOR**, possessed of little, needy, weak. (F.—L.) In early use. Also *pover*, as in Roy, Rede Me, ed. Arber, p. 76 (1528). ME. *poure* (perhaps = *povre*), O. Eng. Homilies, ed. Morris, 2nd Ser. p. 47, l. 18; Ancrén Riwle, p. 260, l. 3.—OF. *povre*, poor; cf. F. dial. *poure* (Berry).—L. *pauperem*, acc. of *pauper*, poor. β. L. *pau-per* means 'provided with little,' or 'preparing little for oneself;' from *pau-*, little, few, as seen in L. *pau-cus*, Gk. *παῦ-πος*, E. *few*; and *-per*, providing, connected with L. *par-āre*, to provide, prepare. Der. *poor-ly*, *poor-ness*, *poor-house*, *-laws*, *-rate*, *-spirited*; *poverty*, q. v.

**POP**, to make a sharp, quick, sound; to thrust suddenly, move quickly, dart. (E.) '*Popped* in between th' election and my hopes;' Hamlet, v. 2. 65. '*A pops* me out from 500 pound;' K. John, i. 68. '*To poppe*, coniectare;' Levins. '*I poppe*, or stryke in-to a thyng;' Palsgrave. Chaucer has '*A joly popper*,' i. e. thruster, dagger; C. T. 3929 (A 3931). The word is of imitative origin; and allied to ME. *poupen*, to make a loud sound, as in blowing a horn; see Chaucer, C. T. 15405 (B 4589). Hence *poupe* in the sense of 'pop-gun;' Prompt. Parv. Cf. **Puff**. Der. *pop*, sb.

**POPE**, the father of a church, the bishop of Rome. (L.) ME. *pope*, Owl and Nightingale, 746. In Layamon, 14886, the older version has the dat. *ƿapen*, where the latter version has *pope*. These forms show that the word was not taken from the F. *pape*, but from AS. *pāpa* (dat. *pāpan*), which was borrowed immediately from the Latin. The AS. homily on the Birthday of S. Gregory (ed. Elstob) begins with the words 'Gregorius se hālgā pāpa' = Gregory, the holy pope.—L. *pāpa*. + Gk. *pāpa*, *pāpna*, voc. of *pāpas*, *pāppas*,

papa, father. See **PAPA**. Der. *pope-dom*, AS. *pāfedōm*, A.S. Chron., an. 1124; *pop-ish*, Titus Andron., v. 1. 76; *pop-er-y*.

**POPINJAY**, a parrot; a mark like a parrot, put on a pole to be shot at; a cockcomb. (F.—G. and L.; with modified suffix.) ME. *popingay*, Chaucer, C. T. 13299, where the Ellesmere MS. has *papeiay* (= *papejay*); Six-text ed., Group B, 1559. The pl. *papeiayes* occurs in Allit. Poems, ed. Morris, B. 1465. Thus the *n* is excrecent, as in other words before a *j*-sound; cf. *messenger* for *messager*, *passenger* for *passager*, &c. — AF. *papeiay*, Royal Wills, ed. Nichols, p. 35 (1355); OF. *papegai*, *papegay*, 'a parrot or popinjay; also a wooden parrot, . . . whereat there is a general shooting once every year;' Cot. Mod. F. *papegai*, *papegant*; the last spelling has a needless suffixed *t*, and is due to OF. *papegau*, found in the 13th century (Littré). Cf. Span. *papagayo* (whence Arab. *babaghā*), Port. *papagaio*, Ital. *papagallo*, a parrot. β. It is clear that we have here two distinct forms; (1) F. *papegai*, Span. *papagayo*, *papagaio*, in which the base *papa-* is modified by the addition of F. *-gai*, Span. *-gayo*, due to a popular etymology which regarded the bird as chattering like the jay; and (2) OF. *papegau*, Ital. *papagallo*, in which the bird is regarded as a kind of cock, L. *gallus*; and the latter form appears to be the older; i.e. jay was substituted for 'cock,' because the jay seemed to come nearer than the cock to the nature of a parrot. γ. I adopt the suggestion of Wedgwood, that the syllables *pa-pa-* are imitative, and were suggested by the Bavarian *pappeln*, *pappelen*, or *pappern*, to chatter, whence the sb. *pappel*, a parrot, lit. a babbler; Schmeller, i. 398, 399. δ. Bavar. *pappeln* is cognate with E. *Babble*, q.v. Cf. *bubblycock* (i.e. babbler-jack), the Lowland Scotch name for a turkey-cock; so named from the gobbling sound which it makes.

**POPLAR**, a kind of tall tree. (F.—L.) ME. *poplere*, Chaucer, C. T. 2923 (A 2921); *popler*, Palladius on Husbandry, b. iii. l. 194. — OF. *poplier* (13th cent.), mod. F. *peuplier*, a poplar; Littré. Formed with suffix *-ier* (L. *-arius*) from OF. \**pople* (not recorded), later form *peuple*, 'the poplar;' Cot. Cf. prov. E. *popple*, a poplar; Nares, ed. Halliwell. — L. *pōpulum*, acc. of *pōpulus*, a poplar. Cf. OF. *popelin*, *popelin*, a poplar; Godefroy.

**POPLIN**, a fabric made of silk and worsted. (F.) Added by Todd to Johnson's Dict. — F. *popeline*, of which an older form was *papeline*, first mentioned in A.D. 1667 (Littré). β. Origin unknown; it has been supposed to be connected with F. *papal*, *papal*, because it may have been first made at Avignon, where there was once a papal court, A.D. 1309–1408. The chronology does not bear out this suggestion. Cf. Span. *popelens*, *populina*, *poplin*. γ. The spelling *papeline* separates it from *Poppeling* or *Popperingen*, near Ypres, in W. Flanders; with which some would connect it.

**POPPY**, the name of a flower with narcotic properties. (L.) ME. *popi* (with one *p*), Gower, C. A. ii. 102; bk. iv. 3007. AS. *popig*; 'Papauer, *popig*,' Voc. 134. 33; also *popæg*, Voc. 16. 17. Merely borrowed from L. *papāuer*, a poppy, by change of *u* (*w*) to *g*, and loss of *-er*.

**POPULACE**, the common people. (F.—Ital.—L.) 'And calm the peers, and please the populace;' Daniel, Civil Wars, b. vii. st. 78. — F. *populace*, 'the rascall people;' Cot. — Ital. *popolazzo*, *popolaccio*, 'the grosse, base, vile, common people;' Florio. Formed with the depreciatory suffix *-azzo*, *-accio*, from Ital. *popol-o*, the people. — L. *populum*, acc. of *populus*, the people; see **PEOPLE**.

**POPULAR**, belonging to, or liked by the people. (F.—L.) In Temp. i. 2. 92. — F. *populaire*, 'popular;' Cot. — L. *populāris*, adj., from *populus*, the people; see **PEOPLE**. Der. *popular-ly*, *-i-ty*, *-ize*.

**POPULATE**, to people. (L.) In Levins, ed. 1570. 'Great shoales of people, which goe on to populate;' Bacon, Essay 58. — Late L. *populātus*, pp. of *populāre*, to people; (whereas the classical L. *populāri* means to ravage, destroy). — L. *populus*, people; see **PEOPLE**. Der. *populat-ion*, in Bacon, Essay 29, § 5, from Late L. *populatiōnem*, acc. of *populatio*, a population (White). Also *populous*. Rich. II, v. 5. 3, from F. *populeux*, 'populous,' Cot., which from L. *populosus*, full of people; *popul-ous-ly*, *-ness*.

**PORCELAIN**, a fine kind of earthenware. (F.—Ital.—L.) In Dryden, Annus Mirabilis, st. 29; spelt *porcellan*, Sir T. Herbert, Travels, ed. 1665, pp. 391, 396; *porcellane*, Hakluyt, Voy. ii. 1. 229, l. 4; and see extract from Florio below. *Porcelain* was so named from the resemblance of its finely polished surface to that of the univalve shell of the same name, called in English the Venus' shell; as applied to the shell, the name goes back to the 13th century, when it occurs in the F. version of Marco Polo in place of the Ital. name (Littré). Cotgrave gives *porcelaine*, *pourcelaine*, 'the purple fish, also, the sea-snail, or Venus shell.' — Ital. *porcellana*, 'a purple fish, a kinde of fine earth called *porcelane*, whereof they make fine China dishes, called *porcellan* dishes;' Florio, ed. 1598. β. Again, the shell derived its name from the curved shape of its

upper surface, which was thought to resemble the raised back of a little hog. [It is very easy to make a toy-pig with a Venus' shell and some putty; and such toys are often for sale.] — Ital. *porcella*, 'a sow-pig, a porkelin;' *porcello*, 'a yong hog, or pig, a porkelin;' Florio. Dimin. of Ital. *porco*, a hog. — L. *porcum*, acc. of *porcus*, a pig; see **PORK**.

**PORCH**, a portico, covered way or entrance. (F.—L.) ME. *porche*, Rob. of Glouc., p. 271, l. 5841. — F. *porche*, a porch. — L. *porticum*, acc. of *porticus*, a gallery, arcade, porch; for the letter-changes, see Brachet. Cf. E. *perch*, from F. *perche*, L. *pertica*. β. Sometimes derived from *porti-*, for *porta*, a gate, door; see **PORT** (3); but this is doubtful; see Walde. Doublet, *portico*.

**PORCINE**, relating to swine. (L.) In Todd's Johnson, who quotes an extract dated 1660. — L. *porcinus*, adj., formed from *porcus*, a pig; see **PORK**.

**PORCUPINE**, a rodent quadruped, covered with spines or quills. (F.—L.) α. In Shakespeare, old edd. have *porpentine*; a spelling which also occurs in Ascham, Toxophilus, ed. Arber, p. 31. Levins has *porpin*. Huloet has: 'Porpy, beaste, havinge prickes on his backe.' The Prompt. Parv. has: 'Poork-poynt, *porpoynte*, *perpoynt*, beste, Ilistrix;' p. 409. 'Porkepyn, a beest, *porc espin*;' Palsgrave. β. We thus see that the animal had two very similar names, (1) *porkepyn*, shortly *porpin*, easily lengthened to *porpint* by the usual excrement *t* after *n*, and finally altered to *porpentine* as a by-form of *porkepyn*; and (2) *pork-point*, *porpoint*; the latter of which forms would also readily yield *porpentine*. γ. We conclude that *porpentine* is late; that *porkpoint* was little used, and simply meant a 'pork' or pig furnished with points or sharp quills; and that the modern *porcupine* is due (by substitution of obscure *u* for obscure *e*) to the ME. form *porkepyn*, pronounced in three syllables, and with the *y* long. δ. The ME. *porkepyn* is obviously derived from OF. *porc espin*, a word known to Palsgrave, A.D. 1530, but now obsolete, and supplanted by *porcépic*, in the 13th century *porc espi* (Littré), a form which is also given by Cotgrave, who has: 'Porcespi, a porcupine.' ε. Thus the OF. names for the animal were also double; (1) *porc-espi* = *porc-espic*, the pig with spikes (see **SPIKE**); and (2) *porc-espin*, the pig with spines. The English has only to do with the latter, which, though obsolete in French, is preserved in Span. *puerco espin*, Port. *porco espinho*. ζ. Finally, the F. *porc* is from L. *porcus*; and OF. *espin* is a by-form of OF. *espine* (F. *épine*), from L. *spina*, a thorn. See **PORK** and **SPINE**.

¶ Holland, in his tr. of Pliny, b. viii. c. 35, has *pork-pen*, where *pen*, i.e. quill, is an ingenious substitution for *-epine*. **PORE** (1), a minute hole in the skin. (F.—L.—Gk.) ME. *pore*, Prompt. Parv. p. 409; Lanfranc, Chirurgie, p. 43, l. 11. The pl. *porus* (= *pores*) is in Trevisa, i. 53. — F. *pore*, 'a pore;' Cot. — L. *porum*, acc. of *porus*, a pore. — Gk. *πόρος*, a ford, passage, way, pore. — ✓PER, to fare; see **FARE**. Brugmann, i. § 474. Der. *por-ous*, from F. *poroux*, 'pory,' Cot.; *porous-ly*, *-ness*; *por-os-i-ty*, *pori-form*. **PORE** (2), to look steadily, gaze long. (E.?) ME. *poren*, Chaucer, C. T. 185, 5877, 16138 (A 185, D 295, G 670). Apparently a native word; cf. prov. E. *pore*, to cram, to thrust, to intrude; North Fries. *porre*, to stick, stir, provoke; Du. *porren*, to poke, thrust; EFries. *puren*, *porren*, to stick, thrust, bore, stir, vex; Low G. *purren*, to poke about, clean out a hole; Norw. *pora*, to finger, poke, stir, thrust; W. Flem. *peuren*, to poke after (De Bo); Swed. dial. *para*, *pura*, *påra*, to work slowly and gradually, to do anything slowly; Rietz. β. The idea seems to be that of poking or thrusting about in a slow and toilsome way, as in the case of clearing out a stopped-up hole; hence to *pore over* a job, to be a long while about it. γ. We also find Gael. *purrr*, to push, thrust, drive, urge, Irish *purraim*, I thrust; from ME. *pouren*, *poren*; cf. Lowl. Sc. *porr*, to stab.

**PORK**, the flesh of swine. (F.—L.) ME. *pork*, Rich. Coer de Lion, 3049. — F. *porc*, 'a pork, hog; also pork, or swines flesh;' Cot. — L. *porcum*, acc. of *porcus*, a pig. + Lithuan. *parszas*, a pig (Nesselmann), Irish *orc*, with the usual loss of initial *p*. + AS. *feah*, a pig; whence E. *farrow*. Brugmann, i. § 486. See **FARROW**. Der. *pork-er*, a young pig, Pope, tr. of Homer, Od. xvii. 201; lit. an animal that supplies pork; substituted for the older term *pork-el*, from OF. *porquet*, 'a young pork,' Cot., dimin. of *porc*. Also *porcine*, q.v. And see *porc-u-pine*, *por-poise*, *pork-el-ain*.

**PORPHYRY**, a hard, variegated rock, of purple and white colour. (F.—L.—Gk.) ME. *porphurie*, Chaucer, C. T. 16243 (G 775). — OF. \**porphyrie* (?), not found; Cotgrave has only *porphyre*, 'porphiry;' but the E. form appears fuller and older. Abbreviated from L. *porphyrites*, *porphyry*. — Gk. *πορφύριος*, *porphyry*; so named from its purple colour. Formed with suffix *-ιτης*, signifying 'resemblance,' from *πορφύρα*, the purple-fish, purple-dye; cf. *πορφύρεος*, purple; see **PURPLE**. Der. *porphyrit-ic*, from L. *porphyrit-es*.

**PORPOISE, PORPESSE**, the hog-fish. (F.—L.) Spelt *porpesse* in Ray, On the Creation, pt. i. (R.); *porpaise*, *porpui*, in Minshew; *porpisce*, Spenser, Colin Clout, l. 249. ME. *purpeys*, Prompt. Parv. —AF. *purpeys*, Liber Albus, p. 236; *porpeis* (Godefroy, s. v. *porpois*); OF. *porpois*, a porpoise; a term now obsolete in F. (except Guernsey *pourpeis*), and supplanted by the name *marsouin* (lit. mere-swine), borrowed from G. *meerschwein*. For \**porc-peis*. —L. *porcum*, acc. of *porcus*, a pig; and *piscem*, acc. of *piscis*, a fish, cognate with E. *fish*. See **Pork** and **Fish**. So also Mital. *pesce-porco*, 'a sea-hogge, a hogge-fish'; Florio. The mod. Ital. name is *porco marino*, marine pig; Span. *puerco marino*. Cf. Guernsey *pourpeis*, a porpoise.

**PORRIDGE**, a kind of broth. (F.—Teut.) In Shak. Temp. ii. 1. 10. Apparently it took the place of the older word *pottage* (Palsgrave), ME. *potage*, occurring as early as in Ancrén Riwlé, p. 412; whence also prov. E. *poddish*. Cotgrave has F. *potage*, 'pottage, porridge'; formed with suffix -age (L. -aticum) from Low L. *potius*, a pot, of Teut. origin. —Low G. *pott*, Du. *pot*; see **Pot**. [There was an intermediate form, represented by prov. E. *poddish* and by *podech* in Tyndale's Obedience of a Christian Man, 1528, fol. 109, qu. in Brand's Antiq., ed. Ellis, iii. 384.] β. It may have been influenced by ME. *porree*, *poré*, also with the sense of 'pottage.' We find, '*Porré*, or *puré*, pottage,' Prompt. Parv.; and Way's note gives the spelling *porray*. Way adds: 'this term implies generally pease-pottage, still called in French *purée*; . . according to the Ortus, it seems to have denoted a pottage of leeks; *poratum* est cibus de *poris* factus, Anglicé *porray*;' he also notes the Late L. form *porrata*. —OF. *porée*, *porrée*, 'beets, also pot-herbs, and thence also, pottage made of beets or with other herbs'; Cot. —Late L. *porrata* (also *porrecta*), broth made with leeks; Ducange. Cf. Ital. *porrata*, leek-soup. Formed with L. pp. fem. suffix -ata, from L. *porr-um* or *porr-us*, a leek. γ. *Porrum* stands for an older form \**porsum*, as shown by the cognate Gk. *πρόσσω*, a leek. Der. *porring-er*, q. v.

**PORRINGER**, a small dish for porridge. (F.—Teut.) In Shak. Tam. Shrew, iv. 3. 64; Bacon, Nat. Hist. § 31. '16 *porengers*,' temp. Hen. VIII, in Strutt, Manners and Customs, iii. 65; *poreger*, Bury Wills, p. 115 (1522); *porrynger*, id., p. 136; *poddinger*, id., p. 142. The last is the intermediate form between *pottanger* and *porringer*. Suggested by, or corrupted from, *pottanger* (Palsgrave), a dish for *pottage*; spelt *potenger* ab. 1450, Excerpta Historica, p. 418, l. 1 (ed. 1831). For \**pottager*, with inserted *n*, as in *messenger* for *messager*. Cf. F. *potager*, 'of, or belonging unto, pottage'; Cot. The ME. *potagere* meant 'a maker of pottage'; Piers Plowman, B. v. 157. See **Porridge**.

**PORT** (1), demeanour, carriage of the body. (F.—L.) ME. *port*, Chaucer, C. T. 69, 138. —F. *port*, 'the carriage, behaviour, or demeanor of a man'; Cot. Cf. Ital. *porto*, carriage; Span. *porte*, deportment. A sb. due to the F. verb *porter*, to carry. —L. *portāre*, to carry. Allied to **Fare**. Der. *port*, verb, to carry, little used except in the phr. 'to *port arms*,' and in Milton's expression '*ported spears*,' P. L. iv. 980. Also *port-able*, Macb. iv. 3. 89, from L. *portābilis*, that can be carried or borne; *port-able-ness*; *port-age*, Prompt. Parv., from F. *portage*, 'portage, carriage,' Cot. Also *port-er*, in the sense of 'carrier of a burden' (Phillips, ed. 1706), substituted for ME. *portour* (Prompt. Parv.), from OF. *portour*, F. *porteur*, 'a carrier,' Cot. And hence *porter*, the name of malt-liquor, so called because it was a favourite drink with London porters, supposed to be not older than A.D. 1750, see Todd's Johnson; also *porter-age*, a coined word. *Port-folio*, a case large enough to carry folio paper in, a coined word, with which cf. F. *portefeuille*. *Port-manteau*, Middleton, Widow, iv. 2, from F. *port-manteau* (Cot.), lit. that which carries a mantle (see **Mantle**); but we also find *port-mantua*, Dryden, Kind Keeper, Act i. sc. 1, and *portmantue*, used by Cot. to translate F. *portmanteau*; here *port-mantua* is not quite the same word, but is derived from F. *port-er* and *Mantua*, q. v. Also *port-mantle*, Howell, Letters, vol. i. sec. 3, let. 15. Also *port-ly*, Merc. of Ven. i. 1. 9; *port-li-ness*. From the L. *portāre* we also have *com-port*, *de-port*, *de-port-ment*, *dis-port* (and *sport*), *ex-port*, *im-port*, *im-port-ant*, *pur-port*, *re-port*, *sup-port*, *trans-port*.

**PORT** (2), a harbour, haven. (L.) ME. *port*; Rob. of Glouc. speaks of 'the fif *portes*,' now called the Cinque Ports, p. 51, l. 1169. The pl. *porz* (for *ports*) occurs in Layamon, 24415. AS. *port*; 'to *ðām porte*'=to the haven, Ælfred, tr. of Bede, b. iv. c. 1, near the end. —L. *portus*, a harbour; cognate with E. **Ford**. β. Closely allied to L. *porta*, a gate; see **Port** (3). Der. (from L. *portus*), *im-port-une*, *op-port-une*.

**PORT** (3), a gate, entrance, port-hole. (F.—L.) 'So, let the *ports* be guarded'; Cor. i. 7. 1. ME. *port*, Trevisa, tr. of Higden, i. 213. —F. *porte*, 'a port or gate'; Cot. —L. *porta*, a gate. β. Formed with suffix -ta from the base *por-* seen in Gk. *πόρος*, a ford, way; from ✓**PER**, to pass through, fare, travel; see **Fare**.

¶ Though *port* is not common in ME., there is an AS. form *porte* (Grein), borrowed directly from L. *porta*. Der. *port-er*, ME. *porter*, Floriz and Blancheflur, ed. Lumby, l. 138, from OF. *portier*, L. *portarius* (Lewis); whence (with fem. suffix -ess=F. -esse<L. -issa, Gk. -ισσα), *porter-ess*, or shortly *port-r-ess*, Milton, P. L. ii. 746. Also *port-al*, Hamlet, iii. 4. 136, from OF. *portal* (Burguy), L. *portāle*, a vestibule, porch. Also *port-hole*, Dryden, Annus Mirabilis, st. 188. Also *port-cullis*, q. v. (but perhaps not *portico*, porch). And see **Port** (1), **Port** (2), **Port** (4), and **Porte**.

**PORT** (4), a dark purple wine. (Port.—L.) So called from *Oporto*, in Portugal; *port* being merely an abbreviation from *Oporto wine*. —Port. *o porto*, the port; where *o* is the def. art.=Span. *lo* <L. *illum*; and *porto* is from L. *portum*, acc. of *portus*, a port. See **Port** (2).

**PORTCULLIS**, a sliding door of cross-timbers pointed with iron, let down to protect a gateway. (F.—L.) ME. *porte-colys*, Rom. of the Rose, 4168. —AF. *porte colice*, Excerpta Historica, p. 73 (A.D. 1250); OF. *porte coleice* (13th cent., Littré), later *porte coulisse*, or simply *coulisse*, 'a portcullis'; Cot. —F. *port*, from L. *porta*, a gate; and OF. *colēice*, answering to a Late L. \**cōlātica* (not found), with the sense of flowing, gliding, or sliding, regularly formed from *cōlātus*, pp. of *cōlāre*, to flow, orig. to strain through a sieve. See **Port** (3) and **Colander** and **Cullis**. We find the Late L. forms *cōlādissus*, *cōlācius*, *porta cōlācia* (port-cullis) from the same source.

**PORTE**, the Turkish government. (F.—L.) The Turkish government is 'officially called the Sublime *Porte*, from the *port* (gate) of the sultan's palace, where justice was administered;' Webster. See **Port** (3). It is 'a perverted F. translation of Babi Ali, lit. "the high gate," the chief office of the Ottoman government;' Wedgwood. Cf. Arab. *bāb*, a gate, '*aliy*, high; Rich. Dict. pp. 224, 1027.

**PORTEND**, to betoken, presage, signify. (L.) In K. Lear, i. 2. 113; Spenser, F. Q. v. 7. 4. —L. *portendere*, to foretell, predict. —L. *por-*, for OL. *port*, towards; and *tendere*, to stretch forth; so that *portend* is 'to stretch out towards,' or point out. See **Position** and **Tend**. Der. *portent*, Oth. v. 2. 45, F. *portente*, 'a prodigious or monstrous thing,' Cot., which from L. *portentum*, a sign, token; formed from *portentus*, pp. of *portendere*. Hence *portent-ous*, from F. *portenteux*, 'prodigious,' Cot., which from L. *portentōsus*.

**PORTER** (1), a carrier. (F.—L.) See **Port** (1).

**PORTER** (2), a gate-keeper. (F.—L.) See **Port** (3).

**PORTER** (3), a dark kind of beer, orig. *porter's beer* (Wedgwood); see **Port** (1).

**PORTESSE, PORTOS, PORTOUS**, a breviary. (F.—L.) Spelt *portesse* in Spenser, F. Q. i. 4. 19. '*Poortos*, booke, portiforium, breviarium;' Prompt. Parv. ME. *portous*, *portos*, *porthos*, *porthors*, P. Plowman, B. xv. 122, and footnotes; and see note to the line for further examples. All various corruptions of OF. *porte-hors*, i. e. that which one carries abroad, a word compounded as the F. equivalent of L. *portiforium*, a breviary. This OF. *portehors* is given by Godefroy; and occurs in La Clef d'Amors, l. 102. Compounded of F. *porter*, from L. *portāre*, to carry; and F. *hors*, older form *foris*, out of doors, abroad, from L. *foris*, abroad, adv., due to sb. pl. *fores*, doors. See **Port** (1) and **Door**.

**PORTICO**, a porch. (Ital.—L.) In Chapman, tr. of Homer, Od. iv. 405, 410. —Ital. *portico*. —L. *porticum*, acc. of *porticus*, a porch; see **Porch**. Doublet, *porch*.

**PORTION**, a part, share. (F.—L.) ME. *portion*, *portioun*, *porcioun*, Wyclif, Luke xv. 12. —F. *portion*. —L. *portiōnem*, acc. of *portio*, a share, lit. 'a sharing'; closely allied to *part-*, stem of *pars*, a part; see **Part**. Der. *portion*, vb.; *portion-ed*, *portion-er*, *portion-less*; and see *apportion*.

**PORTLY**, orig. of good demeanour; see **Port** (1).

**PORTRAIT**, a picture of a person. (F.—L.) In Shak. Merch. of Ven. ii. 9. 54; spelt *pourtrait*, Spenser, F. Q. ii. 1. 39. —MF. *pourtraict*, 'a pourtrait'; Cot. —MF. *pourtraict*, *pourtrait*, pp. of *pourtraire*, to portray; see **Portray**.

**PORTRAY**, to draw, depict. (F.—L.) ME. *purtreye*, Chaucer, C. T. 96; *purtreyn*, King Alisaunder, l. 1520. —OF. *portraire*, later *pourtraire*, 'to portray, draw,' Cot.; mod. F. *portraire*. —Late L. *prōtrahere*, to paint, depict; L. *prōtrahere*, to drag or bring forward, expose, reveal. —L. *prō-*, forward; and *trahere*, to draw; see **Pro** and **Trace** (1). Der. *portrait*, q. v.; whence *portraiture*, ME. *pour-treture*, Gower, C. A. ii. 83, bk. iv. 2421, from OF. *portraiture*, MF. *pourtraicture*, 'a pourtraiture,' Cot., as if from L. *prōtractūra*. And see *protract*.

**POSE** (1), a position, attitude. (F.—L.—Gk.) We speak of 'the *pose* of an actor;' see Webster. Quite modern; not in Todd's Johnson; but the word is of importance. —F. *pose*, 'attitude, posture,' Hamilton; MF. *pose*, 'a pawse, intermission, stop, ceasing, repose, resting;' Cot. —F. *poser*, 'to place, set, put,' Hamilton; 'to put,

pitch, place, to seat, settle, plant, to stay, or lean on, to set, or lay down; Cot. — Late L. *pausare*, to cease; also, to cause to rest, and hence used in the sense of L. *pōnere*, to place (Ducange); L. *pausare*, to halt, cease, pause, to repose (in the grave), as in the phr. *pausat in pace* = (here) rests in peace (Lewis). — L. *pausa*, a pause; a word of Greek origin; see **Pause**. Cf. Ital. *posare*, to put, lay down, rest, from *posa*, rest; Span. *posar*, to lodge, *posada*, an inn. ¶ One of the most remarkable facts in F. etymology is the extraordinary substitution whereby the Late L. *pausare* came to mean 'to make to rest, to set,' and so usurped the place of the L. *pōnere*, to place, set, with which it has no etymological connexion. And this it did so effectually as to restrict the F. *pōndre*, the true equivalent of L. *pōnere*, to the sense of 'to lay eggs;' whilst in all compounds it completely thrust it aside, so that *compausare* (i.e. F. *composer*) took the place of L. *compōnere*, and so on throughout. 2. Hence the extraordinary result, that whilst the E. verbs *compose*, *depose*, *impose*, *pro-pose*, &c. exactly represent in sense the L. *compōnere*, *depōnere*, *impōnere*, *prōpōnere*, &c., we cannot derive the E. verbs from the L. ones, since they have (as was said) no real etymological connexion. Indeed, these words are not even of L. origin, but Greek. 3. The true derivatives from the L. *pōnere* appear in the verbs *compound*, *ex-pound*, &c., in adjectives such as *ponent*, *component*, and in the substantives, such as *position*, *composition*, *deposition*; see under **Position**. Der. *pose*, verb, to assume an attitude, merely an E. formation from the sb. *pose*, an attitude, and quite modern. Also (from F. *poser*) the compounds *ap-pose*, *com-pose*, *de-pose*, *dis-pose*, *ex-pose*, *im-pose*, *inter-pose*, *op-pose*, *pro-pose*, *pur-pose*, *re-pose* (in which the sense of L. *pausa* appears), *sup-pose*, *trans-pose*.

**POSE** (2), to puzzle, perplex by questions. (F. — L. and Gk.) 'Say you so? then I shall *pose* you quickly;' Meas. for Meas. ii. 4. 51. Here, as in the case of *peal*, the prefixed syllable *ap-* has dropped off; the older form of the verb was commonly to *appose*, ME. *apposen*, *aposen*; see examples in N. E. D., or in Richardson, s.v. *Appose*. To *appose* was to question, esp. in a puzzling way, to examine. 'When Nicholas Clifford sawe himselfe so sore *aposed* [posed, questioned], he was shamfast;' Berners, Froissart's Chron. c. 373 (R.). 'She would *appose* mee touching my learning and lesson;' Stow's Chronicle, an. 1043. And see Chaucer, C. T. 7179, 15831 (D 1597, G 363); P. Plowman, B. i. 47, iii. 5, vii. 138, xv. 376. β. The word appears at first sight to answer to F. *apposer*, but that verb is not used in any such sense; and it is really nothing but a corruption of *oppose*, which was used convertibly with it. Thus we find 'Aposen, or oposyn, Opponere,' Prompt. Parv., p. 13. 'I *oppose* one, I make a tryall of his lernyng, or I laye a thyng to his charge, *Ie apose*. I am nat to lerne nowe to *oppose* a felowe, à *apposer vng gallant*;' Palsgrave. [Here the OF. *aposer*, *apposer*, is, in the same way, a corruption of F. *opposer*.] 'Bot sche, which al honour supposeth, The falsē prestēs than *opposeth* [questions], And axeth [asks], &c.; Gower, C. A. i. 71, bk. i. 879. γ. The word arose in the schools; the method of examination was by argument, and the examiner was the umpire as to questions put by an *opponent*; hence to examine was also to *oppose*, or *pose*. 'Opponere, in philosophicis vel theologicis disputationibus contra argumentari; argumenter contre quelqu'un;' Ducange, ed. Migne. For the etymology, see **Oppose**. δ. Lastly, the confusion can be accounted for, viz. by confusion of *opponere*, to question, argue, with the word *apposite*, applied to a neat answer; see **Apposite**, which really answers to L. *appositus*. Der. *pos-er*, Bacon, Essay 32; on which Mr. Aldis Wright says: 'an examiner, one who *poses* or puts questions; still in use at Eton and Winchester.' Hence also ME. *posen*, to put a case, Chaucer, C. T. 1164 (A 1162). Der. *puzzle*, q.v.

**POSE** (3), a cold in the head. (C.) Probably obsolete; noted by Ray (1691). ME. *pose*, Chaucer, C. T. 4150 (A 4152). AS. *ge-fo-s*, a cough; 'wid *geposu*, for coughs; L. ad tussim gravem;' A.S. Leechdoms, ed. Cockayne, i. 148. Not an E. word; but borrowed from an OBritish word represented by W. *pūs* or *jesuch*, a cough; allied to Irish *cas-achdach*, Russ. *kash-ele*, prov. E. *hoas-t*, a cough; Skt. *kās*, to cough. (✓QAS; the *q* becomes *c* in Irish, but *p* in Welsh.)

**POSITION**, a situation, attitude, state, place. (F. — L.) In Shak. Tw. Nt. ii. 5. 130. ME. *posicioun*, Chaucer, tr. of Boethius, b. v. pr. 4, l. 30. — F. *position*, 'a position;' Cot. — L. *positionem*, acc. of *positio*, a putting, placing; cf. L. *positus*, pp. of *pōnere*, to place, put. β. L. *pōnere* (pp. *positus*) is generally thought to stand for \**pos-sinere* (Bréal), where \**pos-* is a variation of what appears to be an old prep. (*port*); and *sinere* (pp. *situs*) is to let, allow, on which see **Sito**. The prefix *por-*, *port-*, is prob. allied to Gk. *pori*, towards. Der. *com-position*, *de-position*, *dis-position*, *im-position*, *inter-position*, *op-position*, *pro-position*, *sup-position*, *trans-position*. Also (from L. *pōnere*) *pon-ent*, *com-ponent*, *de-ponent*, *ex-ponent*, *op-ponent*; *com-pound*, *ex-pound*, *post-pone*. And see *ap-posite*, *com-posite*, *de-posit*,

*ex-posit-or*; also *post*, *positive*, *post-ure*, *com-post*, *im-postor*, *pro-vost*, &c. ¶ And see remarks under **Pose** (1).

**POSITIVE**, actual, undoubted, decisive, certain. (F. — L.) The lit. sense is 'settled;' hence, certain. ME. *positif*, Chaucer, C. T. 1169 (A 1167). — F. *positif*, omitted by Cotgrave, but in use in the 14th century. — L. *positivus*, settled, esp. by agreement. — L. *positus*, pp. of *pōnere*, to place; see **Position**. Der. *positive-ly*, *-ness*. Also *positiv-ism*, due to Comte, born in 1798, died 1857.

**POSNET**, an iron pot, saucepan. (F. — Low G.) A dialect word; see E. D. D. ME. *posnet*, Prompt. Parv.; Way's note quotes the form *possenet* from Horman; spelt *pocenet*, Rel. Antiq. i. 54. — OF. *poçonet* (Godefroy), dimin. of *poçon*, *posson*, a pot. — Late L. type \**pottionem*, acc. of \**pottio*; from Late L. *pott-us*, a pot. — Low G. *pott*. See **Pot**.

**POSSE**, power. (L.) See Butler, Hudibras, iii. 2. 1166. 'Posse comitalis, or power of the county;' Blount's Nomo-lexicon, ed. 1691. — L. *posse*, to be able; used as sb. See **Possible**.

**POSSESS**, to own, seize, have, hold. (L.) The verb is probably due to the sb. *possession*, which was in earlier use, occurring in Chaucer, C. T. 2244 (A 2242), and in Robert of Brunne, tr. of Langtoft, p. 239, l. 19. *Possess* is extremely common in Shak.; see L. L. L. v. 2. 383, &c. — L. *possessus*, pp. of *possidēre*, to possess, to have in possession. β. Prob. derived from L. \**port-*, towards; and *sedēre*, to sit, remain, continue; as if the sense were 'to remain near,' hence to have in possession. See **Position**, § β, and **Sit**. Der. *possess-ed*, Much Ado, i. 1. 193; *possess-or*, Merch. Ven. i. 3. 75, from L. *possessor*; *possess-ive*, from L. *possessivus*; *possessive-ly*. Also *possession-ion*, ME. *possessoun*, *possession*, as above, from F. *possession*, 'possession,' Cot., from L. acc. *possessionem*. Also ME. *possession-er*, P. Plowman, B. v. 144.

**POSSET**, a drink composed of hot milk, curdled by some strong infusion. (F. and E.) In Shak. Merry Wives, i. 4. 8; v. 5. 180; Macb. ii. 2. 6. ME. *possyl*, Voc. 666. 9; *posset*, Voc. 793. 15; *poshet*, Voc. 567. 22; cf. MF. *possette*, 'a posset of ale and mylke;' Palsgrave (not otherwise known). β. But we also find what is prob. an older form; ME. *poshoote*, Voc. 625. 18; *poshote* of ale, Cookery Books, ed. Austin, p. 15; *poshote* of ale, id., p. 36. γ. The latter element seems to be the ME. *hote*, E. *hot*; cf. ME. *possot* in Prompt. Parv. But this leaves the former element unexplained, unless it can be equated to Norm. dial. *pous*, pap, OF. *pous*, *pouls*, *pols*, L. *puls*, pap. Cf. prov. E. *pulse*, pottage; and (for the phonology) cf. ME. *possen*, to push about, from OF. *poulser* (L. *pulsare*). [Cf. W. *posel*, curdled milk, posset; Irish *pusoid*, a posset; from E.] Der. *posset*, vb., to curdle, Hamlet, i. 5. 68.

**POSSIBLE**, that may be done, that may happen. (F. — L.) ME. *possible*, Chaucer, C. T. 8832 (E 956). — F. *possible*, 'likely, possible,' Cot. — L. *possibilis*, that may be done, possible. β. Not well formed; it should rather have been \**potibilis*; the form *possibilis* is due to the influence of *posse*, to be able, whence *possum*, I am able. L. *possum* (short for *potissum*) is due to *potis*, powerful, properly 'lord' or 'master,' cognate with Skt. *pati-*, a master, owner, governor, lord, husband, Lithuan. *patis*, a husband (Nesselmann), Russ. *-pode* as seen in *gos-pode*, the Lord. Brugmann, i. § 158. See **Potent**. And see **Host** (1). Der. *possibil-y*; *possibil-i-ty*, ME. *possibilitēe*, Chaucer, C. T. 1293 (A 1291), from F. *possibilité* (Cot.), which from L. acc. *possibilitatem*.

**POST** (1), a stake set in the ground, a pillar. (L.) ME. *post*, a pillar; see Chaucer, C. T. 214. In very early use; see Layamon, 28032. AS. *post*; 'Basis, post,' Voc. 164. 32; and see Judges, xvi. 3. — L. *postis*, a post, a door-post. β. The orig. sense was 'something firmly fixed;' cf. L. *postus*, a form used by Lucretius for *positus*, pp. of *pōnere*, to place, set; see **Position**, and see **Post** (2).

**POST** (2), a military station, a public letter-carrier, a stage on a road, &c. (F. — L.) Shak. has *post*, a messenger, Temp. ii. 1. 248; a post-horse, Romeo, v. 1. 21. 'A *post*, runner, Veredarius;' Levins, ed. 1570. *Post* 'originally signified a fixed place, as a military post; then, a fixed place on a line of road where horses are kept for travelling, a stage, or station; thence it was transferred to the person who travelled in this way, using relays of horses, and finally to any quick traveller;' Eastwood and Wright, Bible Wordbook. See Job, ix. 25; Jer. li. 31. Four men are mentioned in 1491 as 'lying as *posts*, i.e. messengers; Excerpta Historica, p. 113. — F. *poste*, masc. 'a post, carrier, speedy messenger,' Cot.; fem. *post*, posting, the riding post, as also, the furniture that belongs unto posting; id. Cf. Ital. *posta*, a post, station; Span. *posta*, post, sentinel, post-house, post-horses. — Late L. *posta*, a station, site; fem. of *postus*, a shortened form (used by Lucretius) of *positus*, placed, pp. of *pōnere*, to place. See **Position**, and **Post** (1). Der. *post*, vb., L. L. L. iv. 3. 188; *post*, adv., in the phr. 'to travel *post*;' *post-boy*, *-chaise*, *-haste*, *-horse*, *-man*, *-mark*, *-master*, *-office*, *-paid*, *-town*. Also *post-al*, a modern coined word, from F. *postal*, also modern. Also *post-age*, an E. coinage, not used in

French, but used by Dryden; see his Spanish Friar, A. ii. sc. 2 (end). And see *post-illion*.

**POST-**, *prefix*, after, behind. (L.) *L. post*, prep., after, behind.

**POST-DATE**, to date a thing after the right time. (L.) 'Those, whose *post-dated* loyalty now consists only in decrying that action;' South, vol. iii. ser. 2 (R.). From **Post-** and **Date**. Similarly are formed *post-diluvial*, *post-diluvian*, &c.

**POSTERIOR**, hinder, later, coming after. (L.) In Shak. *L. L. L. v. i. 94, 96, 126*.—*L. posterior*, comp. of *posterus*, coming after, following.—*L. post*, after; see **Post-**, prefix. ¶ Bacon, Nat. Hist., end of § 115, has *posterious*, answering to MF. *postérieur*, 'posterior, hinder,' Cot., from the L. acc. *posteriorem*. Der. *posterior-s*, s. pl., for *posterior parts*; *posterior-ly*, *posterior-i-ly*. And see *posterity*, *postern*, *posthumous*, *postil*.

**POSTERITY**, succeeding generations, future race of people. (F.—L.) Spelt *posteritie*, Spenser, Ruines of Rome, 434; *posteryté*, in Caxton, Golden Legend, Adam, § 7.—MF. *posterité*, 'posterity,' Cot.—*L. posteritatem*, acc. of *posteritās*, futurity, posterity.—*L. posteri-*, for *posterus*, following after; see **Posterior**.

**POSTERN**, a back-door, small private gate. (F.—L.) ME. *posterne*, Rob. of Glouc. p. 19, l. 447; spelt *postorne*, K. Alisaunder, 4593.—OF. *posterle*, also *posterne* (by change of *l* to *n*), Burguy; later *poterne*, 'a posterne, or posterne-gate, a back-door to a fort,' Cot.—*L. posterula*, a small back-door, postern; formed with dimin. suffix *-la* from *posteru-s*, behind; see **Posterior**.

**POSTHUMOUS** (better **POSTUMOUS**), born after the father's death, published after the author's decease. (L.) The spelling with *h* is false; see below. Shak. has *Posthumus* as a name in Cymb. i. i. 41, &c. Sir T. Browne has 'posthumous memory;' Urn-burial, c. v. § 12.—*L. postumus*, the last; esp. of youngest children, the last-born; hence, late-born, and, as sb., a posthumous child. β. In accordance with a popular etymology, the word was also written *posthumus*, as if derived from *post humum*, lit. after the ground, which was forced into the meaning 'after the father is laid in the ground or buried;' and, in accordance with this notion, the sense of the word was at last chiefly confined to such a usage. Hence also the F. spelling *posthume*, Port. *postumo*; but Span. and Ital. have *postumo*; all in the usual sense attached to E. *posthumous*. γ. The *L. postumus* = \**post-tu-mus*, a superlative formed from *post*, behind; cf. *L. op-tu-mus*, best. See **Posterior**. Der. *post-humous-ly*.

**POSTIL**, an explanatory note on the Bible, marginal note or commentary. (F.—L.) ME. *postille*, Wyclif, gen. prologue to Isaiah, ed. Forshall and Madden, p. 225; the word is now obsolete, except in theological writings.—F. *postille*, 'a postill, glosse, compendious exposition;' Cot. [Hence, with prefix *ap-* (=L. *ad* before *p*) was formed MF. *apostille*, 'an answer to a petition, set down in the margin thereof; and, generally, any small addition unto a great discourse in writing;' Cot.]—Late *L. postilla*, a marginal note in a bible, in use A.D. 1228; Ducange. β. The usual derivation, and doubtless the correct one, is that of Ducange, viz. from *L. post illa*, i. e. *post illa verba*, after those words; because the glosses were added afterwards. Cf. Ital. and Port. *postilla*, Span. *postila*, a marginal note. Der. *postil*, verb, to write marginal notes, to comment on, annotate, Bacon, Life of Hen. VII, ed. Lumby, p. 193, l. 3.

**POSTILLION**, a post-boy, rider of post-horses in a carriage. (F.—Ital.—L.) 'Those swift *postillions*, my thoughts;' Howell, Famil. Letters, vol. i. let. 8; A.D. 1619. And in Cotgrave.—F. *postillon*, 'a postillon, guide, posts-boy;' Cot. Introduced in the 16th cent. from Ital. *postiglione*, 'a postilion,' Florio (and see Brachet). Formed with suffix *-iglione* (=L. *-il-i-onem*) from Ital. *post-a*, a messenger, post; see **Post** (2).

**POST-MERIDIAN**, **POMERIDIAN**, belonging to the afternoon. (L.) Howell uses the form *pomeridian*, speaking of his 'privat *pomeridian* devotions;' Famil. Letters, vol. i. sect. 6. let. 32.—*L. pomeridiānus*, also *postmeridiānus*, belonging to the afternoon.—*L. post*, after; and *meridiānus*, belonging to midday. See **Post-** and **Meridian**.

**POST-MORTEM**, after death. (L.) A medical term.—*L. post*, after; *mors*, death. See **Post-** and **Mortal**.

**POST-OBIT**, a bond by which a person receiving money undertakes to repay a larger sum after the death of the person who leaves him money. (L.) A law term. Shortened from *L. post obitum*, after death. See **Post** and **Obit**.

**POSTPONE**, to put off, delay. (L.) *Postponed* is in Blount's Nomolexicon, ed. 1691, q.v. 'Postpone, to let behind or esteem less, to leave or neglect;' Phillips, ed. 1706. 'Thow didst postpone;' How Dumbard was desyred to be ane Freir, l. 28. [Formerly, the form was also *postpose*, which occurs in Howell, Famil. Letters, vol. i. sect. 4. let. 15, cited by Richardson with the spelling *postpone*. This is from F. *postposer*, 'to set or leave behind;' Cot. He also has: 'Postposé, postponed.']—*L. postponere*, to put after.—*L. post*, after; and

*pōnere*, to put; see **Post-** and **Position**. Der. *postpone-ment*, a clumsy word, with F. suffix *-ment*.

**POSTSCRIPT**, a part added to a writing after it was thought to be complete. (L.) In Shak. Hamlet, iv. 7. 53. From *L. postscriptum*, that which is written after; from *post*, after, and *scriptus*, pp. of *scribere*, to write. See **Post-** and **Scribe**.

**POSTULATE**, a proposition assumed without proof, as being self-evident. (L.) 'Postulates and entreated maxims;' Sir T. Browne, Vulg. Errors, b. vi. c. 6. § 6.—*L. postulātum*, a thing demanded; hence also, a thing granted; neut. of *postulātus*, pp. of *postulāre*, to demand. β. It seems probable that *postulare* stands for \**por-stllāre*, allied to *poscere*, for \**por-scere*, to ask. γ. It is further proposed to assume for *poscere* a still older form \**porc-scere*, thus bringing it into alliance with ✓**PREK**, to pray, whence Skt. *prach*, to ask, *L. precūri*, to pray; see **Pray**. Brugmann, i. §§ 483(7), 502. Der. *postula'e*, verb, Sir T. Browne, Vulg. Errors, b. ii. c. 3 [not 4], last section; *postulat-or-y*, id. b. ii. c. 6. § 2.

**POSTURE**, position, attitude. (F.—L.) In Shak. Wint. Tale, v. 3. 23.—F. *posture*, 'posture;' Cot.—*L. positūra*, position, arrangement; allied to *posit-us*, pp. of *pōnere*, to place; see **Position**. Der. *posture-master*; *posture*, verb.

**POSY**, a verse of poetry, a motto, a bouquet or nosegay. (F.—L.—Gk.) The word, in all its senses, is merely a contraction of **Poesy**, q.v. 1. It was usual to engrave short mottoes on knives and on rings; and as these were frequently in verse, they were called *posies*. Thus, in Shak. Merch. Ven. v. 148, we have: 'a ring . . . whose *posy* was . . . like cutler's poetry Upon a knife, Love me, and leave me not;' see note to the line in Wright's edition. So also in Hamlet, 'the *posy* of a ring;' iii. 2. 162. See Chambers, Book of Days, i. 221, for examples, such as 'In thee, my choice, I do rejoice;' &c. As these inscriptions were necessarily brief, any short inscription was also called a *posy*, even though neither in verse nor poetically expressed. Thus, Udall, on St. Luke, c. 23, v. 38, speaking of the handwriting above the cross, calls it 'a superscription or *poisee* written on the top of the crosse' (R.). So also in the following: 'And the tente was replenished and decked with this *poysie*, After busie labour commeth victorious reste;' Hall's Chron. Hen. V, an. 7. § 2. And see Lydgate, Minor Poems, p. 65, l. 20. [Another old name for a motto was a *reason*; see Fabyan's Chron. Hen. V, an. 8, ed. Ellis, p. 587.] 2. Mr. Wedgwood well accounts for *posy* in the sense of bouquet, as follows: 'A nosegay was probably called by this name from flowers being used enigmatically, as is still common in the East. Among the tracts mentioned in the Catalogue of Heber's MSS, no. 1442, is "A new yeares guifte, or a *posie* made upon certen flowers presented to the Countess of Pembroke; by the author of Chloris, &c.;" see Notes and Queries, Dec. 19, 1868 (4 S. ii. 577). So also in Beaum. and Fletcher, Philaster, Act i. sc. 1 [sc. 2 in Darley's ed.]; "Then took he up his garland, and did shew What every flower, as country people hold Did signify;" and see Hamlet, iv. 5. 175. To this I may add, that a *posy* was even sometimes expressed by precious stones; see Chambers, as above. The line 'And a thousand fragrant *posies*' is by Marlowe; The Passionate Shepherd, st. 3. See Puttenham, Arte of E. Poesie, bk. i. c. 30. Doublet, *posy*.

**POT**, a vessel for cooking, or drinking from. (E.) ME. *pot*, Ancrén Riwe, p. 368, l. 21. [Cf. Irish *pota*, *potadh*, a pot, vessel; Gael. *poit*; W. *pot*; all from E.] AS. *pot*; Leechdoms, i. 378. +EFries. Du. *pot*; Low G. *pot*; Icel. *pottr*, Swed. *potta*, Dan. *potte*. Tent. type \**puttoz*. Hence Low L. *pottus*, also spelt *pōtus* (as if from *L. pōtūre*, to drink); F. *pot*, Bret. *pōd*, Span. *pote*. ¶ The phrase 'to go to *pot*' meant to be put into the cooking-pot; see Squire of Low Degree, 448; my Notes on Eng. Etym., p. 226; Brand, Pop. Antiq., ii. 58. Der. *pot-ash*, i. e. *ash* obtained from the *pot*, so called because the alkaline salt was obtained by burning vegetable substances; Chaucer mentions fern-ashes, as used for making glass, C. T. 10569 (F 255); 'Pot-ashes' (anno 12 Car. 2. cap. 4) are made of the best wood or fern-ashes; Blount's Nomolexicon, ed. 1691; perhaps from Du. *potasch* (from *pot* and *asch*, ashes), G. *pottasche* (from *arche*, ashes); Latinized in the form *potassa*, whence *potass-ium*. We find *pot-asshes* in Arnold's Chron. (1502); ed. 1811, p. 187. Also *pot-herb*, *pot-hook*, *pot-sheer* (see **Sherd**). Also *pot*, verb; *pot-er*, ME. *potter*, Cursor Mundi, 16536 (cf. Irish *potoir*, a potter); *potter-y*, from F. *poterie* (Cot.). And see *pot-teen*, *potl-age*, *potl-le*, *pot-walloper*.

**POTABLE**, that may be drunk. (F.—L.) In Shak. 2 Hen. IV, iv. 5. 163.—F. *potable*, 'potable, drinkable;' Cot.—*L. pōtābilis*, drinkable; formed with suffix *-bilis* from *pōtā-re*, to drink.—*L. pōtus*, drunken; formed with suffix *-tus* from a base *pō-*, as in Gk. *pō-ma*, drink; cf. Skt. *pā*, to drink, Gk. *pō-tos*, a drinking, *pō-sis*, drink. Der. *potable-ness*; and see *potation*, *potion*.

**POTASH, POTASSIUM**; see under **Pot**.

**POTATION**, a draught. (L.) Not a F. word. In Shak. Oth.

ii. 3. 56. Spelt *potacion*, Coventry Myst., p. 138. — L. *pōtātōnem*, acc. of *pōtātio*, a drinking. — L. *pōtāre*, to drink. — L. *pōtus*, drunken; see **Potable**.

**POTATO**, a tuber of a plant much cultivated for food; the plant itself. (Span. — Hayti.) In Shak. Merry Wives, v. 5. 21. 'Potatoes, natives of Chili and Peru, originally brought to England from Santa Fé, in America, by Sir John Hawkins, 1563; others ascribe their introduction to Sir Francis Drake, in 1586; while their general culture is mentioned by many writers as occurring in 1592; Haydn, Dict. of Dates. They are also mentioned by Ben Jonson, Cynthia's Revels, Act ii. sc. 1. — Span. *patata*, a potato; also *batata*, which is a better form. — Hayti *batata*. 'Peter Martyr, speaking of Haiti, says (in Decad. 2. c. 9), "Effodiunt etiam e tellure suapte naturā nascentes radices, indigēte *batatas* appellant, quas ut vidi insubres napos existimavi, aut magna terre tubera." . . . Navagerio, who was in the Indies at the same time, writes in 1526, "Io ho vedute molte cose dell' Indie ed ho avuto di quelle radice che chiamano *batatas*, e le ho mangiate; sono di sapor di castagno." Doubtless these were sweet potatoes or yams, which are still known by this name in Spanish.' — Wedgwood. Spelt *botata* (as a Hayti word) in R. Eden's books on America, ed. Arber, p. 131; also *battata*, p. 159.

**POTCH**, to thrust, poke. (F. — L.) In Shak. Cor. i. 10. 15. merely a variant of **Poach** (2).

**POTEEN**, whisky illicitly distilled in Ireland. (Irish — E.) From Irish *poitín*, a little pot; dimin. of *poite*, a pot. — E. *pot*; see **Pot**.

**POTENT**, powerful. (L.) In Shak. Temp. i. 2. 275. Rich. gives a quotation from Wyatt, showing that the word was used in 1539. — L. *potent-*, stem of *potens*, powerful, pres. part. of *possum*, I am able; see **Possible**. Der. *potenc-y*, Hamlet, iii. 4. 170, a coined word, due to L. *potentia*, power; *potent-ial*, ME. *potencyal*, Chaucer, House of Fame, b. iii. l. 5 [but only in Thynne's edition of 1532, and later edd.; MSS. *poetical*], from F. *potentiel*, 'strong, forcible,' Cot., which from L. *potentiālis*, forcible (only found in the derived adverb *potentiāliter*), formed with suffix *-ālis* from the sb. *potentia*; whence *potential-ly*, *potential-i-ty*. Also *potent-ate*, L.L.L. v. 2. 684, from F. *potentat*, 'a potentate, great lord,' Cot., which from Late L. *potentātus*, a supreme prince (Ducange), from *potentāre*, to exercise authority (id.). Also *omni-potent*, q.v.; and *armi-potent*, Chaucer, C. T. 1084 (A 1982). Doublet, *puissant*, q.v.

**POTHER**, bustle, confusion, constant excitement. (E.) In Pope, Horace, Sat. ii. 2. 45. 'To make a *potther*, to make a noise or bustle;' Bailey's Dict., vol. i. ed. 1735. Older form *pudder*. 'Pudder, noise, bustle; to keep a *pudder* about trifles;' Phillips, ed. 1706. Spelt *poother* in ed. 1623 of Shak. Cor. ii. 1. 234; *pudder* in K. Lear, iii. 2. 50. ME. *puðeren*, apparently in the sense 'to poke about;' see Ancren Riwle, p. 214, note c. Another form is *potter*; 'To *potter*, to stir or disorder anything;' Bailey, vol. i. 'Potter, to stir, poke, confuse, do anything inefficiently;' also 'Pother, to shake, to poke, West;' Halliwell. See **Potter**. The sense 'to stir about' seems the orig. one; hence that of 'turmoil' as the result of stirring. ¶ Prob. confused with *poother*, *pudder*, dust, dialect forms of *powder*; indeed, Butler has *potther* in Hudibras, i. 1. 32, but *powder* in the same, iii. 1. 1055. See **Powder**. And see **Bother**.

**POTION**, a drink. (F. — L.) In Shak. Romeo, v. 3. 244. ME. *poçion*, K. Alisaunder, 3509. — F. *poçion*, 'a potion;' Cot. — L. *pōtōnem*, acc. of *pōtio*, a drink; see **Poison**. Doublet, *poison*.

**POTTAGE**, broth, thick soup. (F. — Teut.) ME. *potage*, Ancren Riwle, p. 412, l. 27. — F. *potage*, 'pottage, porridge;' Cot. Formed with suffix *-age* (L. *-āticum*), from F. *pot*, which is from a Teut. source; see **Pot**. Doublet, *porridge*.

**POTTER**, to go about doing nothing. (E.) A provincial word, but in common use. 'Potter, to go about doing nothing, to saunter idly; to work badly, do anything inefficiently; also, to stir, poke, North; also, to confuse, disturb, Yorksh.;' Halliwell. 'To stir or disorder anything;' Bailey's Dict., vol. i. ed. 1735. It is the frequentative form, with the usual suffix *-er*, of E. *put*, to thrust; see **Put**. Cf. also MDu. *poteren*, 'to search one thoroughly' (Hexham), from the notion of poking a stick into every corner; Du. *puteren*, to fumble, to poke about; Norw. *pota*, MSwed. *potta*, to poke. See **Pother**. And cf. E. dial. *polter*, to potter about.

**POTTLE**, a small measure, basket for fruit. (F. — Teut.) ME. *potel*, to translate L. *laguncula*; Wyclif, Isaiah, x. 33. — OF. *potel*, a small pot, a small measure (Godefroy); cf. AF. *potel*, Stat. Realm, i. 321. Dimin. of F. *pot*, from Low G. *pott*; see **Pot**.

**POTWALLOPER**, lit. one who boils a pot. (Hybrid; E. and F. — Teut.) 'Potwalloper, a voter in certain boroughs in England, where all who boil (wallop) a pot are entitled to vote;' Webster. Corrupted to *pot-wabblers* (Halliwell); also found as *pot-walliners*, given as a Somersetshire word in Upton's MS. additions to Junius (Halliwell). *Wallop*, to boil fast, is from ME. *walopen*, to gallop.

Golding has: 'seething a-wallop,' i.e. boiling rapidly; tr. of Ovid, fol. 82. (Prob. confused with ME. *wallen*, AS. *weallan*, to boil.) See **Pot** and **Gallop**.

**POUCH**, a poke, or bag. (F. — Scand.) ME. *pouche*, Chaucer, C.T. 3929 (A 3931). — OF. *pouche*, found in the 14th cent. as a variant of *poche*, 'a pocket, pouch, or poke;' Cot. See Littré; and *pouche*, variant of Norm. dial. *pouque*, a pouch; Moisy. Of Scand. origin; see **Poko** (1). Der. *pouch*, verb. Doublet, *poke* (1).

**POULT**, a chicken, fowl. (F. — L.) *Poult* is used by W. King (died A.D. 1712), in a poem on The Art of Cookery, l. 33. Also in Chapman, Revenge for Honour, i. 1. 21. ME. *pulte*, Prompt. Parv. — F. *poulet*, 'a chicken;' Cot. Dimin. of *poule*, a hen. — Late L. *pulla*, a hen; fem. of *pullus*, a young animal, cognate with E. **Foal**, q.v. Der. *poult-er*, one who deals in fowls, 1 Hen. IV, ii. 4. 480, ME. *pulter*, Prompt. Parv., AF. *pulleter*, Liber Albus, p. 465; whence the later form *poult-er-er* (Dekker, Honest Whore, pt. ii, iii. 3), by the unnecessary reduplication of the suffix *-er*, denoting the agent. Also *poult-r-y*, ME. *pultrie*, Prompt. Parv., AF. *poletrie*, *pultrie*, Liber Albus, p. 231, formed with F. suffix *-er-ie*, as in the case of *pant-r-y*, &c. And see **Pullet**. Doublet, *pullet*.

**POULTICE**, a soft plaster applied to sores. (F. — L.) In Shak. Romeo, ii. 5. 65. Gascoigne, Steel Glas, 997 (ed. Arber, p. 77), has the pl. form *pultesses*. Burton has the pl. *pultises*, Anat. Mel. ii. 4. i. 5. Formed with suffix *-ice* (*-esse*, *-is*) from MF. *pulte*, 'a poultice,' Cot. — L. *pultem*, acc. of *puls*, a thick pap, or pap-like substance. + Gk. *πόλτος*, porridge. ¶ Godefroy also has OF. *pols*, *pous*, from L. nom. *puls*, pap; sometimes used in the sense of 'poultice;' as, 'Cil qui . . . metent . . . lor *pols* mollificatives sor toutes plaies.' Cf. Ital. *poliglia*, 'a pultis;' Florio. The form may have been due to L. pl. *pultes*. Der. *poultice*, verb.

**POUNCE** (1), to seize with the claws, as a bird, to dart upon suddenly. (F. — L.) Orig. a term in hawking. A hawk's claws were called *pounces*, as in Spenser, F. Q. i. 11. 19; hence to *pounce upon*, to seize with the claws, strike or pierce with them. G. Douglas speaks of an eagle's *punsys*, Æn. xiii. ch. 5 (near end); and a hawk's *pownces* are mentioned in the Book of St. Alban's, fol. a8. The orig. sense of the verb was 'to pierce,' to prick, to adorn with pierced work. A *pounce* is also a punch or stamp; see Nares. In Chaucer, Pers. Tale, De Ira, Group I, l. 421, we read of 'pownsoned and dagged clothyng' in three MSS., whilst two others have 'pounsed and dagged clothyng.' β. Here *pownsoned* has the same sense, but is a derivative word, being made from the sb. *pounson* or *punsoun*, a bodkin or dagger; for which see Barbour's Bruce, i. 545, and my note on the line. The form *pounson* answers to Late L. acc. *punctionem*, OF. *ponçon*, F. *poignon*, a punch or puncheon for piercing holes. We must refer the verb *pounsen* and the sb. *pounce* to the OF. *ponç-on* (above). [The mod. F. *poncer* is related to **Pounce** (2).] γ. We have, however, parallel forms in other languages, viz. Span. *punchar*, to prick, punch, *puncha*, a thorn, prickle, sharp point, exactly equivalent to the *pounce* or talon of the hawk; mod. Prov. *puncha*, to prick; Ital. *punzecchiare*, to prick slightly (which presupposes a form *punzare*, to prick); *punzone*, a puncher. δ. The OSpan. *pungar*, Span. *punchar*, answer to a Late L. *\*punctiare*, to prick, not found, but readily formed from *punctus*, pp. of *pungere*, to prick. See **Point**, **Pungent**, **Punch** (1).

**POUNCE** (2), fine powder. (F. — L.) Merely a doublet of *pumice*, and orig. used for powdered pumice-stone, but afterwards extended to other kinds of fine powder, and to various uses of it. 'Long effeminate pouldred [powdered] *pounced* haire;' Prynne, Histrio-Mastix, pt. i. Act vi. sc. 15. 'Pounce, a sort of powder strew'd upon paper to bear ink, or to soak up a blot;' Phillips, ed. 1706. — F. *ponce*; 'Pierre ponce, a pumis stone,' Cot. 'Ponce, pumice;' Hamilton. — L. *pūmicem*, acc. of *pūmex*, pumice; whence *ponce* (= *pom'ce*) is regularly formed. Der. *ponce*, to sprinkle with pounce (F. *poncer*); *ponce-box*; *ponce-et-box*, 1 Hen. IV, i. 3. 38. Doublet, *pumice*.

**POUND** (1), a weight, a sovereign. (L.) The sense of 'weight' is the orig. one. ME. *pund*, later *pound*, frequently with the pl. the same as the singular, whence the mod. phrase 'a five-pound note,' 'An hundred *pund*' = a hundred pounds, Havelok, 1633. AS. *pund*, pl. *pund*, a weight, a pound; see Luke xix. 16, John xii. 3. — L. *pōndō*, a pound, used as an indeclinable sb., though orig. meaning 'by weight;' allied to *pōndus*, a weight. Hence also were borrowed G. *pfund*, &c. Allied to *pēndere*, to weigh; and to *pēndere*, to hang; see **Pendant**. Der. *pound-age*; see Blount's Nomolexicon, ed. 1601. And see *ponder*.

**POUND** (2), an enclosure for strayed animals. (E.) The same word as *pound*. 'Which thus in *pound* was pent;' Gascoigne, A Deuise for Viscount Mountacute; see Gascoigne's Works, ed. Hazlitt, i. 84, l. 1. Rich. has the reading *pound*. ME. *pōnd*; in the comp. *pōnd-folde* (other readings *ponfolde*, *punfolde*, *pounfolde*, *pyn-*

*fold*), P. Plowman, B. v. 633; with the sense 'pifold' or 'pound.' AS. *pund*, an enclosure; the compound *pund-breche*, explained by *infractura parci*=the breaking into an enclosure, occurs in the Laws of Hen. I., c. 40; see Thorpe's Ancient Laws, vol. i. p. 540. Hence AS. *forpyndan*, to shut in, repress; Grein, i. 329. Cf. Icel. *pynda*, to shut in, torment. [Irish *pont*, a pound for cattle, a pond, is borrowed from E.] Der. *pound*, verb, Cor. i. 4. 17; *im-pound*. Also *pin-fold*, K. Lear, ii. 2. 9, for *pind-fold*=*pound-fold*, as shown by ME. *pynfold* cited above, the vowel *i* being due to the *y* in the derived AS. *pyndan*; as also in *pind-ar*, q. v. Doublet, *pond*.

**POUND** (3), to beat, bruise in a mortar. (E.) Here the *d* is excremental; it stands for *poun*, from an older form *pūn*. Cf. *soun-d* for ME. *soun*; *goun-d*, vulgar form of *gown*. ME. *pounen*, to bruise, Wyclif, Matt. xxi. 44, earlier version. AS. *pūnian*, to pound, Liber Scintillarum, p. 95, l. 18; the pp. *gepūnod* occurs as a various reading for *gecnucud* (=knocked, pounded) in Cockayne's Leechdoms, i. 176, footnote 4. Der. *pound-er*.

**POUR**, to cause to flow, send forth, utter, flow. (F.—L.) 'I poore out the lycoure'; Palsgrave. ME. *pouren*, P. Plowman, B. v. 220; often used with *out*, Gower, C. A. i. 302; bk. iii. 679. The orig. sense in F. was to purify, clarify, esp. by wringing or squeezing out; cf. Lowl. Sc. *poor*, to drain off water, E. D. D.—OF. *purer*, to clarify, also to pour out or to drip; so also *depurer*, to drip or run out; Norm. dial. *purer*, to pour, flow, drip, as in *puis soit celle eue puree en un autre vaisseil*, let this water be then poured into another vessel; Guernsey, *j'o l'cidre qui pure dans l'auge*, I hear the cider pouring into the trough (Moisy).—Late L. *pūrāre*, to purify.—L. *pūrus*, pure. ¶ The development of the vowel is exceptional; observe that it rhymes with *shower*, *flower*, in Pope, Messiah, 13, and in Gay, The Fan, i. 97; cf. E. *flower* from AF. *flur*; the sound may have been affected by *pore*, sb., and *pore*, verb. See **Pure**.

**POURPOINT, PURPOINT**, a quilted doublet. (F.—L.) ME. *purpoynt*; Paston Letters, i. 482.—F. *pourpoint*, 'a doublet'; Cot. A corruption of OF. *parpoint* (Godefroy); by the frequent confusion of *pour* and *par*.—Late L. *perpunctum*.—L. *perpunct-us*, pp. of *perpungere*, to pierce with a needle; hence, to quilt.—L. *per*, through; *pungere*, to prick. Cf. Norm. dial. *parpointer*, to quilt.

**POURTRAY**, the same as **Portray**, q. v.

**POUT** (1), to look sulky or displeased, to puff out the lips or cheeks. (E.) In Shak. Cor. v. 1. 52. ME. *pouten*, in Reliquiae Antiquae, ii. 211. [Cf. W. *pwdu*, to pout, to be sullen, which I suppose to be a form borrowed from English.] For the derivative *eel-pout*, see **Pout** (2) below. We also find Du. *puil-aal*, an eel-pout, *puil*, a frog (from its swollen shape); Swed. *puta*, a cushion, Dan. *pude*, a pillow. Cf. Swed. dial. *puta*, to be blown out, to be swollen out (Rietz). Der. *pout* (2), *pout-er*, *pout-ing*.

**POUT** (2), a kind of fish. (E.) 'It has the power of inflating a membrane which covers the eyes and neighboring parts of the head'; Webster. '*Pout*, or *eel-pout*'; Minsheu. We find AS. *æle-pūtan*, eel-pouts, in Ælfric's Colloquy (Fisherman), in Voc. 94. 7. *Pūta* is lit. 'pouter,' from a verb *\*pūtan*, to pout, found in the cognate Swed. dial. *puta*, to be blown out or inflated (Rietz); and see EFries. *pūt-āl*, an eel-pout, in Koolman. Cf. Skt. *bud-bud-a*, a bubble, from an imitative root BEU-; cf. the root BHEU in Gk. *φυσάω*, I puff out. ¶ The Sc. *pout*, chicken (Jamieson)=*poult*, q. v.

**POVERTY**, the state of being poor. (F.—L.) Inearly use. ME. *pouertè* (with *u=v*), O. Eng. Homilies, ed. Morris, i. 143, last line.—OF. *poverie*, later *pourelé*, 'poverty,' Cot. Mod. F. *pauvreté*.—L. *paupertātem*, acc. of *paupertās*, poverty.—L. *pauper*, poor; see **Poor**.

**POWDER**, dust. (F.—L.) ME. *poudre*, Rob. of Glouc. p. 345, l. 7080.—F. *poudre*, 'powder,' Cot., who also gives the spelling *pouldre*. OF. *poldre*, *puldre*, in Burguy and Supp. to Godefroy. Formed with excremental *d* after *l*; the oldest form is *polre*.—L. *puluerem*, acc. of *puluis*, dust. Allied to *pollen*, fine meal, *palea*, chaff; Gk. *πάλη*, meal. See **Pulverise**. Der. *powder*, verb, ME. *pouderen*, Rich. Redeles, Pass. i. l. 46; *powder-y*.

**POWER**, might, ability, strength, rule. (F.—L.) ME. *poër*, Popular Treatises on Science, ed. Wright, p. 133, l. 36; also *pouër*, Allit. Poems, ed. Morris, B. 1654. Hence *power*, where the *w* is used to avoid the appearance of an hiatus; Prick of Conscience, 5884.—AF. *poër*, Stat. Realm, i. 28; OF. *poër*, also *pooir*, and (in order to avoid hiatus) *pouvoir*, power; mod. F. *pouvoir*. The OF. *poër* stands for *poter*, as shown by Ital. *potere*, power; cf. also Span. *poder*, power. β. The word is merely due to a substantival use of an infinitive mood, as in the case of *leisure*, *pleasure*; the Ital. *potere*, Span. *poder*, are both infinitives as well as sbs., with the sense 'to be able.'—Late L. *potēre*, to be able, which (as shown by Diez) took the place of L. *posse* in the 8th century. The L. *posse* is itself a contraction for *pot-esse*, used by Plautus and Lucretius; and *pot-esse*, again, stands for *poti-esse*, to be powerful; from *potis*, powerful, and

*esse*, to be. See **Possible** and **Essence**. Der. *power-ful*, Spenser, F. Q. iv. 10. 36; *power-ful-ly*, *power-ful-ness*; *power-less*, *power-less-ly*, *power-less-ness*. Doublet, *posse*.

**POX**, an eruptive disease. (E.) Written for *pocks*, pl. of *pock*, a pustule; see **Pock**. Cf. 'small *pocks*;' Sir T. Elyot, Castel of Helth, bk. iv. [iii. in the head-line], ch. 6.

**PRACTICE**, a habit of doing things, performance. (F.—L.—Gk.) Spelt *practyse* in Palsgrave. A back-formation from the verb to *practyse* (in the same).—OF. *practiser*, to practise (Godefroy).—Late L. type *\*practiciūre*, for Late L. *practicāre*, to practise.—L. *practicus* (below). β. But the older form of the sb. was *praktike*. ME. *praktike*, Chaucer, C. T. 5769 (D 187); *practique*, Gower, C. A. ii. 89; bk. iv. 2612.—OF. *practique*, 'practise, experience,' Cot.—L. *practica*, fem. of *practicus*.—Gk. *πρακτικός*, fit for business, practical; whence *ἡ πρακτική* (*ἐπιστήμη*), practical science, practice.—Gk. *πρακτός*, to be done; verbal adj. of *πράσσειν* (= *\*πρακεῖν*), to do, to accomplish. From a base *prā-k*; Brugmann, ii. § 86. Der. *practise*, verb, K. John, i. 214, as above (cf. *practisour*=*practis-er*, in Chaucer, C. T. 424); *practis-er*. Also *practic-able*, used by Bp. Taylor, vol. iii. ser. 2 (R.), formed from MF. *practiquer*, 'to practise,' Cot.; hence *practic-abl-y*, *practic-abil-i-ty*; also *practic-al*, North's Plutarch, pt. ii. p. 18 (R.), *practic-al-ly*, *-ness*. Also *practitioner-er*, formed with a needless suffixed *-er* from the older term *practician*, with the same sense (both *practician* and *practitioner* are in Minsheu), from MF. *practicien*, 'a practicer or practitioner in law,' Cot. And see **pragmatic**.

**PRÆTOR, PRETOR**, a Roman magistrate. (L.) In Shak. Jul. Cæs. i. 3. 143.—L. *prator*, lit. a goer before, a leader; contracted form of *\*præ-itor*.—L. *præ*, before; and *\*itor*, a goer, from *it-um*, supine of *ire*, to go, which is from *\*EI*, to go. See **Pre-** and **Itinerant**. Der. *prætor-ium*, the prætor's hall, Mark xv. 16; *prætor-i-an*; *prætorship*.

**PRAGMATIC**, well-practised, fit for business, active. (F.—L.—Gk.) 'These *pragmatic* young men'; Ben Jonson, The Devil is an Ass, Act i. sc. 3, end of Fitzdottrel's long speech. '*Pragmaticall*, practised in many matters'; Minsheu, ed. 1627.—F. *pragmatique*; chiefly in the phrase *la pragmatique sanction*, 'a confirmation of a decree made in the council of Basil,' &c., Cot.—L. *pragmaticus*.—Gk. *πραγματικός*, skilled in business.—Gk. *πραγματ-*, stem of *πράγμα* (= *\*πρακ-μα*), a deed, thing done.—Gk. *πράσσειν* (= *\*πρακεῖν*), to do; see **Practice**. Der. *pragmatic-al*, *-al-ly*. Note also *praxis*, an example for exercise, from Gk. *πράξις*, a deed, action.

**PRAIRIE**, an extensive meadow or tract of grass. (F.—L.) A word imported from America in the 18th cent. 'The wondrous, beautiful *prairies*;' Longfellow, Evangeline, part ii. iv. 12.—F. *prairie*, 'a meadow, or meadow ground'; Cot.—Late L. *prātāria*, meadow-land; used A. D. 832; Ducange.—L. *prāt-um*, a meadow; with adj. fem. suffix *-āria*.

**PRAISE**, commendation, tribute of gratitude. (F.—L.) ME. *preis*, *preys*, Chaucer, C. T. 14565 (B 3837). [The verb *preisen*, to praise, is found much earlier, in the Ancien Riwle, p. 64, l. 22.]—OF. *preis*, price, value, merit; from OF. *preisier*, to praise.—L. *pretiāre*, to price, prize, value; from *pretium*, price, value; see **Price**. Der. *prais-er*; *praise-worthy*, Much Ado, v. 2. 90; *praise-worthy-ness*. Also *ap-praise*, *dis-praise*, *ap-prec-i-ate*, *de-prec-i-ate*; *precious*. Doublets, *price*, *prize* (2).

**PRAM**, a flat-bottomed boat. (F.—Du.—Slav.) Spelt *prame* in Johnson's Dict.—F. *prame* (1752), Hatzfeld; but AF. *prame* occurs in The Earl of Derby's Expeditions, p. 42, l. 24.—Du. *praam*.—OChSlavon. *pramū*; Polish *pram*, a boat, vessel; from the Idg. *\*PAR*, whence also Goth. *far-an*, to travel, E. *fare* (Kluge).

**PRANCE**, to strut about; in mod. E., to bound gaily, as a horse. (E.) Spelt *prauce* in Spenser, where it is used of a giant stalking along; F. Q. i. 7. 11. In Shak. it is used of a young man, 1 Hen. VI, ii. 1. 24. The old sense is to strut about, as if for display; and the word is a variant of *prank*. Used of a horse, Skelton, Bowge of Courte, l. 411. ME. *prancen*; 'the horse may pryk and *prauce*,' Lydgate, Horse, Sheep, and Goose, l. 29. Also *prancen*, Gower, C. A. iii. 41; bk. vi. 1191. Allied to *prank* (below); cf. Dan. dial. *prandse*, *pranse*, to go proudly, as a prancing horse; *pransk*, proud; Swed. dial. *prånga*, Swed. *prunka*, to show off; Dan. dial. *pranje*, *pranne*, to prance. So also MDu. *pronken*, 'to make a fine show, to brag, strut; *langs straat gaan pronken*, to strut along, to walk proudly along the streets,' Sewel. See **Prank**. Der. *pranc-ing*.

**PRANK** (1), to deck, to adorn. (E.) The old senses are to display gaudily, set out ostentatiously, to deck, dress up. 'Some *pranke* their ruffes'; Spenser, F. Q. i. 4. 14. ME. *pranken*; '*Pranky*, as clothes, *plicatus*,' Prompt. Parv. 'I *pranke* ones gowne, I set the plyghtes [pleats] in order, *ie mets les plies d'une robe à poynt*. Se yonder olde man, his gowne is *pranked* as if he were but a yonge man'; Palsgrave. '*Pranked* with pletes'; Skelton, Elinour Rum-

myng, 69; *prank*, a fold, pleat, Prompt. Parv. β. Closely connected with *prink*, used in the same sense; see examples in Nares. 'But marke his plumcs, The whiche to *prinke* he dayes and nights consumes;' Gascoigne, Weeds, Farewell with a Mischief, st. 6, ed. Hazlitt. [Here Rich. reads *pranke*.] *Prink* is a nasalised form of *prick*; cf. Lowland Scot. *preek* (lit. to prick), to be spruce; 'a bit *preekin* bodie, one attached to dress, self-conceited,' Jamieson; *prick-me-dainty*, finical; *prink*, *primp*, to deck, to prick. See **PRICK**. γ. Allied words are MDu. *pronck*, 'shewe, or ostentation,' Hexham; *proncken*, to display one's dress, *pronckepinken*, *pronckeprincken*, to glitter in a fine dress, Oudemans. Without the nasal, we have MDu. *pryken*, 'to make a proud shew;' Sewel. Cf. also Low G. *prunken*, to make a fine show, *prunk*, show, display, Bremen Wörterbuch; G. *prunk*, show, parade; Dan. and Swed. *prunk*, show, parade; and perhaps G. *prangen*, Dan. *prange*, to make a show. δ. The forms suggest a Teut. type *\*prenkan*, str. vb. (pt. t. *\*prank*, pp. *\*prunkanoz*). Der. *prank* (2), *prance*.

**PRANK** (2), a trick, mischievous action. (E.) In Shak. Hamlet, iii. 4. 2; K. Lear, i. 4. 259, Oth. ii. 1. 143; Skelton, Why Come Ye Nat to Courte, 365. 'Pranke, *tour, finesse*;' Palsgrave. Mr. Wedgwood well says: 'A *prank* is usually taken in a bad sense, and signifies something done in the face of others that makes them stare with amazement.' It is, in fact, an act done 'to show off;' and is the same word as *prank*, show; see above.

**PRATE**, to talk idly. (Low G.) ME. *praten*, Lydgate, Minor Poems, ed. Halliwell, p. 155; Coventry Plays, ed. Halliwell, 353 (Stratmann). Cf. MSwed. *prata*, to talk (Ihre); Dan. *prate*, to prate; also Swed. *prat*, Dan. *prat*, talk, prattle. — MDu. *praten*, 'to prate,' Hexham; mod. Du. *praat*, tattle; Low G. *praten*, to prate, *praat*, tattle, Bremen Wörterbuch. Perhaps of imitative origin, from a base *\*prat*. Der. *prate*, sb., *prat-er*, *prat-ing*. Also *pratt-le*, Temp. iii. 1. 57, the frequentative form, with the usual suffix *-le*; cf. Low G. *prateln*, to prattle (Schambach); *prattle*, sb., Rich. II, v. 2. 26; *prattl-er*.

**PRAWN**, a small crustacean animal, like the shrimp. (Scand.?) ME. *prane*, Prompt. Parv. Of doubtful origin. Florio has: '*Parnocchie*, a fish called shrimps or praunes;' where *parnocchie* can hardly be other than a dimin. form of L. *perna*, a sea-mussel (lit. a ham), whence MItal. *perna*, 'a shell-fish called a nakre or a narre,' Florio; also Span. *perna*, flat shell-fish. But we cannot connect *prawn* with L. *perna*. β. We find also prov. E. *prankle*, a prawn, and *prankle*, to prance (Isle of Wight). This suggests a connexion between *prawn* and *prance*; with a possible allusion to its bright appearance or quick movements; cf. Jutland *pranni*, to strut, *prannis*, a showy person (Feilberg).

**PRAY**, to entreat, ask earnestly. (F.—L.) In early use. ME. *preien*, *preyen*; O. Eng. Homilies, ed. Morris, i. 287, l. 9; Havelok, 1440. — AF. and OF. *preier*, later *prier*, 'to pray,' Cot. — L. *precāri*, to pray. — L. *prec-*, stem of *prex*, a prayer; see **PRECARIOUS**. Der. *pray-er*, ME. *preiere*, *preyere*, Chaucer, C. T. 231, 1206 (A 1204), from OF. *preiere*, *proiere*, mod. F. *prière* (Ital. *preghiera*), from L. *precāria*, fem. of *precārius*; see **PRECARIOUS**. Hence *prayer-ful*, *prayer-less*.

**PRE-**, prefix, beforehand. (L.; or F.—L.) Used both as a F. and L. prefix; OF. *pre-*, L. *pre-* (in *pre-hendere*), usually *præ-*. — L. *præ*, prep., before; for *\*prai*, a locative form. Closely connected with *pro*; see **PRO-**. Also allied to the prefixes *per-*, *para-*, *pur-*. Hence numerous compounds, of which several, like *pre-caution*, are of obvious origin.

**PREACH**, to pronounce a public discourse on sacred matters. (F.—L.) ME. *prechen*, Ancren Riwle, p. 70, ll. 22, 24. — OF. *prechier* (*prescher* in Cot.), mod. F. *prêcher*. — L. *prædicāre*, to make known in public, declare publicly. — L. *præ*, before, before men, publicly; and *dicāre*, to proclaim, allied to *dicere*, to say. See **PRE-** and **DICTION**. Der. *preach-er*, *preach-ing*; *preach-ment*, 3 Hen. VI, i. 4. 72. Doublet, *predicate*, vb.

**PREAMBLE**, an introduction, preface. (F.—L.) ME. *preamble*, Chaucer, C. T. 6413 (D 837). — OF. *preamble*, 'a preamble, preface, prologue;' Cot. — L. *præambulus*, adj.; from *præambulāre*, to walk before. — L. *præ*, before; and *ambulāre*, to walk; see **PRO-** and **AMBLE**. Der. *preambul-at-ion*, Chaucer, C. T. 6419 (D 837).

**PREBEND**, a portion received for maintenance by a member of a cathedral church. (F.—L.) Defined in Minshew, ed. 1627. — OF. *prebende*, 'a prebendry,' Cot.; mod. F. *prébende*, a prebend. — L. *præbenda*, a payment to a private person from a public source; fem. of *præbendus*, fut. pass. part. of *præbēre*, to afford, supply, give. — L. *præ*, before; and *habēre*, to have; whence *præhibēre*, to hold forth, proffer, offer, contracted to *præbēre*. See **PRO-** and **HABIT**. Der. *prebend-al*; *prebend-ar-y*, Spenser, Mother Hubbard's Tale, 422.

**PRECARIOUS**, uncertain, held by a doubtful tenure. (L.)

'Powers which he but *precariously* obeys;' Sir T. Browne, Vulg. Errors, b. i. c. 10, near end of § 10. Formed (by change of *-us* to *-ous*, as in numerous instances) from L. *precārius*, obtained by prayer, obtained as a favour, doubtful, precarious. — L. *precāri*, to pray. — L. *prec-*, stem of *prex*, a prayer. + G. *frag-en*, to ask; Goth. *frāih-nan*, AS. *frig-nan*, to ask; Lith. *praszyti*; Russ. *prositi*; Pers. *persidan*; Skt. *prach*, to ask; W. *erchi* (for *\*perchi*), to ask. (✓**PREK**). Brugmann, i. § 607. Der. *precarious-ly*, *-ness*.

**PRECAUTION**, a caution taken beforehand. (F.—L.) In Minshew, ed. 1627. — ME. *precaution*, 'a precaution,' Cot. Mod. F. *précaution*. — L. *præcautiōnem*, acc. of *præcautio*; comp. of *præ*, before, and *cautio*, a caution; see **PRE-** and **CAUTION**. Der. *precautionary*.

**PRECEDE**, to go before. (F.—L.) In Hamlet, i. 1. 122; and in Palsgrave. — MF. *preceder*, 'to precede,' Cot.; mod. F. *précéder*. — L. *præcēdere*, to go before; comp. of *præ*, before, and *cēdere*, to go; see **PRE-** and **CEDO**. Der. *preced-ence*, L. L. L. iii. 83, from MF. *precedence*, 'precedence,' Cot., which from L. *præcēdētia*, a going forward, an advance; *preced-enc-y*. Also *præcēd-ent*, adj., Hamlet, iii. 4. 98, from MF. *precedent*, 'precedent, foregoing,' Cot.; *preced-ent-ly*. Hence, with a change of accent, *præcēd-ent*, sb., Temp. ii. 1. 291 (spelt *presidente*, Skelton, ed. Dyce, i. 7. l. 23), *precedent-ed*, *un-precedent-ed*; *preced-ing*. Also *precess-ion*, q. v.

**PRECENTOR**, the leader of a choir. (L.) In Todd's Johnson, with a quotation dated A.D. 1622. — L. *præcentor*, a leader in music, precentor. — L. *præ*, before; and *cantor*, a singer, from *cantāre*, to sing, chant; see **PRE-** and **CHANT**.

**PRECEPT**, a rule of action, commandment, maxim. (F.—L.) ME. *precept*, Wyclif, Acts, xvi. 24. — OF. *precept*; MF. *precepte*, 'a precept,' Cot.; mod. F. *précepte*. — L. *præceptum*, a precept, rule; orig. neut. of *præceptus*, pp. of *præcipere*, to take beforehand, also, to give rules. — L. *præ-*, before; and *capere*, to take; see **PRE-** and **CAPTURE**. Der. *precept-ive*; *precept-ial*, Much Ado, v. 1. 24; *precept-or*, from L. *præceptor*, a teacher; *precept-or-ial*, *precept-or-y*, *precept-r-ess*.

**PRECESSION**, a going forward. (L.) Chiefly in the phrase *precession of the equinoxes*, defined in Phillips, ed. 1706. From L. *præcessiōnem*, acc. of *præcessio*, a late word; cf. *præcessus*, pp. of *præcēdere*; see **PRECEDE**.

**PRECINCT**, a territorial district. (L.) Spelt *precynct* in Fabyan, Chron. vol. i. c. 172, ed. Ellis, p. 168, l. 27; *precinct*, Will of Hen. VI, Royal Wills, ed. Nichols, p. 299. — Late L. *præcinctum*, a boundary; Ducange. — L. *præcinctum*, neut. of *præcinctus*, pp. of *præcingere*, to enclose, surround, gird about. — L. *præ*, before, used as an augmentative, with the sense of 'fully;' and *cingere*, to gird; see **PRE-** and **CINCTURE**.

**PRECIOUS**, valuable, costly, dear. (F.—L.) ME. *precious*, P. Plowman, A. ii. 12 (footnote); Wyclif, 1 Pet. ii. 6. — OF. *precios*, *precieus*, mod. F. *précieux*, precious. — L. *pretiōsus*, valuable. — L. *pretium*, a price, value; see **PRICE**. Der. *precious-ly*, *-ness*.

**PRECIPICE**, a very steep place, an abrupt descent. (F.—L.) In Minshew, and in Shak. Hen. VIII, v. 1. 140. — MF. *precipice*, mod. F. *précipice* (Littre). — L. *præcipitum*, a falling headlong down; also, a precipice. — L. *præcipiti-*, decl. stem of *præceps*, head-foremost. — L. *præ*, before; and *capiti-*, decl. stem of *caput*, the head; see **PRE-** and **CAPITAL**. Der. *precipit-ous*, Sir T. Browne, Vulg. Errors, b. iii. c. 6. last §, from MF. *precipiteux*, 'headlong,' Cot.; *precipit-ous-ly*, *-ness*. Also *precipit-ate*, adj., properly a pp., from L. *præcipitāre*, to cast headlong; used as a verb in Minshew, and in Shak. K. Lear, iv. 6. 50; *precipit-ate-ly*; *precipit-ant*; *precipit-ance*, *precipit-anc-y*; also *precipit-at-ion*, from MF. *præcipitation*, 'precipitation,' Cot.

**PRECISE**, definite, exact. (F.—L.) We find *presysely*, adv., in Fabyan, Chron. vol. i. c. 245; ed. Ellis, p. 287, l. 44. — OF. *precis*, fem. *precise*, 'strict, precise;' Cot. Mod. F. *précis*. — L. *præcisus*, cut off, shortened, brief, concise; the sense of 'strict' arose from that of 'concise,' because an abstract is precise, to the exclusion of irrelevant matter. — L. *præcidere*, to cut off near the end. — L. *præ*, before, in front; and *cædere*, to cut. See **PRE-** and **CÆSURA**. Der. *precise-ly*, *-ness*; *precis-ion*, a late word. Also *precis-ian*, a precise person; a coined word; see Nares.

**PRECLUDE**, to hinder by anticipation, shut out beforehand. (L.) First in 1618; used by Pope and Burke; see Todd's Johnson and Richardson. — L. *præcludere*, to close, shut up, hinder from access. — L. *præ*, in front; and *cludere*, to shut; see **PRE-** and **CLAUDE**. Der. *preclus-ion*, *preclus-ive*.

**PRECOCIOUS**, premature, forward. (L.) 'Many *precocious* trees;' Sir T. Browne, Vulg. Errors, b. ii. c. 6, part 4. [Evelyn, as cited in R., uses *precocce*, answering to mod. F. *précoce*.] A coined word; from *præcoci-*, decl. stem of *præcox*, ripe before its time, premature; also spelt *præcoquus*, *præcoquis*. — L. *præ*, before; and *coquere*, to cook, to ripen; see **PRE-** and **COOK**. Der. *precocious-ly*, *-ness*; *precoci-ty*.

**PRECONCEIVE**, to conceive beforehand. (F.—L.) Used by Bacon, *Colours of Good and Evil*, sec. 5, § 2. Coined from **Pre-** and **Conceive**. Der. *preconcept-ion*; from **Pre-** and **Conception**.

**PRECONCERT**, to concert or plan beforehand. (F.—Ital.—L.) 'Some *preconcerted* stratagem;' Warton, *Hist. of E. Poetry*, iii. 138, ed. 1840. Coined from **Pre-** and **Concert**.

**PRECURSOR**, a forerunner. (L.) In Shak. *Temp.* i. 2. 201. —L. *præcursor*, a forerunner. —L. *præ*, before; and *cursor*, a runner, from *currere*, to run; see **Pre-** and **Course**. Der. *precur-sor-y*; note also *præcurse*, a forerunning, Hamlet, i. 1. 121.

**PREDATORY**, given to plundering. (L.) Rich. gives a quotation from Reliquiæ Wottonianæ, p. 455. First in Puttenham, *Arte of E. Poesie*, bk. i. c. 18. Englished from L. *prædatorius*, plundering; from *prædator*, a plunderer. —L. *prædāri*, to plunder, get booty. —L. *præda*, prey, booty; see **Prey**.

**PREDECESSOR**, one who has preceded another in an office. (L.) In Shak. *Hen. V.* i. 1. 181; also an ancestor, *Hen. V.* i. 2. 248. Spelt *predecessour* (as if from F.) in Du Wes; printed with Palsgrave, p. 897, l. 3. —L. *prædecessor*, a predecessor. —L. *præ*, before; and *decessor*, one who retires from an office; cf. *dēcessus*, pp. of *dēcedere*, to depart, which is compounded of *dē*, from, away, and *cedere*, to go. See **Pre-**, **De-**, and **Cede**.

**PREDESTINE**, to destine by fate. (F.—L.) [We find ME. *predestinacioun* in Chaucer, tr. of Boethius, b. iv. pr. 6, l. 19. *Predestinate* is well used as a pp. in: 'They were *predestynate* to suffre yet more plagues,' Hall's *Chron. Hen. V.* an. 4. § 2.] 'From our *predistin'd* plagues that privileged be;' Drayton, *Polyolbion*, song 2. *Predistin'd* is Englished from MF. *predestiné*, 'predestined, predestinated;' Cot. —L. *prædestinātus*, pp. of *prædestināre*, to determine beforehand. —L. *præ*, before; and *destināre*, to destine; see **Pre-** and **Destine**. Der. *predestin-ate*, as above, from L. *prædestinātus*; *predestin-at-or*, *predestin-at-ion*, as above, from MF. *predestination*. Also *predestin-ar-i-an*, a coined word.

**PREDETERMINE**, to determine beforehand. (F.—L.) 'But he did not *predetermine* him to any evil;' Bp. Taylor, vol. i. ser. 9 (R.). Coined from **Pre-** and **Determine**. Der. *predetermin-ate*, *predetermin-at-ion*.

**PREDICATE**, to affirm one thing concerning another. (L.) A term in logic. 'Which may as truly be *predicated* of the English play-haunters now, as of the Romans then;' Prynne, *Histrion-Mastix*, pt. i. Act vi. sc. 2 (R.). —L. *prædicātus*, pp. of *prædicāre*, to publish, proclaim; see **Preach**. Der. *predicat-ion*, *predica-ble*, *predicat-ive*. Also *predica-ment*, one of the most general classes into which things can be distributed; see Tyndale, *Obedience of a Christian Man* (1528), in *Specimens of English*, ed. Skeat, p. 176, l. 317, from Late L. *prædicamentum*. Doublet, *preach*.

**PREDICT**, to tell beforehand, prophesy. (L.) In Milton, *P. R.* iii. 356. Shak. has *predict* as a sb., with the sense of 'prediction;' *Sonnet xiv.* 8. —L. *prædictus*, pp. of *prædicere*, to tell beforehand. —L. *præ*, before; and *dicere*, to say; see **Pre-** and **Diction**. Der. *predict-ion*, Macb. i. 3. 55, from MF. *prediction*, 'a prediction,' Cot.; and this sb. probably suggested the verb to *predict*, as it is in earlier use. Also *predict-ive*, from L. *predictivus*.

**PREDILECTION**, a choosing beforehand, partiality, choice. (F.—L.) A late word, added by Todd to Johnson's Dict. —F. *prédilection* (first in 1519). Coined from L. *præ*, before, beforehand; and *dilectio*, choice, love, from *diligere*, to choose out from others, to love. *Diligere* is compounded of *di-*, for *dis-*, apart; and *legere*, to choose. See **Pre-**, **Dis-**, and **Legend**.

**PREDISPOSE**, to dispose beforehand. (F.—L. and Gk.) In Phillips, ed. 1706. —F. *prédisposer* (15 cent.). Coined from L. *præ*, beforehand; and F. *disposer*. See **Pre-** and **Dispose**. Der. *predispos-it-ion* (but see **Pose** and **Position**, where the difference in origin of these two words is explained).

**PREDOMINATE**, to rule over, reign. (L.) In Shak. *Merry Wives*, ii. 2. 294; *Timon*, iv. 3. 142. Coined from **Pre-** and **Dominare**. Der. *predomin-ant*, in Minsheu, ed. 1627, from *dominant*, stem of pres. part. of *domināri*, to rule; *predomin-ance*; *predomin-anc-y*, Bacon, *Colours of Good and Evil*, vii. § 3.

**PRE-EMINENCE**, eminence above the rest. (F.—L.) Spelt *preemyence* in Palsgrave; *prehemynence*, Bacon, *Essay ix.* § 12; *preemyence*, Skelton, *Why Come Ye Nat to Court*, 406. —MF. *pré-eminence*, 'prehemynence,' Cot. [The insertion of *h* was due to a wish to avoid the hiatus.] —L. *præēminentia*, a surpassing, excelling. —L. *præ*, before; and *ēminentia*, eminence; see **Pre-** and **Eminence**. Der. *pre-eminent*, from L. *præēminent*, stem of the pres. part. of *præēminere*, to excel; *pre-eminent-ly*.

**PRE-EMPTION**, a purchasing before others. (L.) 'Right of *preemption* of first choice of wines in Bourdeaux;' Howell, *Famil. Letters*, b. ii. let. 55 [not 14]; dated 1634. Coined from L. *præ*,

before; and *emptio*, a buying, allied to *emptus* or *emtus*, pp. of *emere*, to buy; see **Pre-** and **Example**.

**PRE-ENGAGE**, to engage beforehand. (F.—L.) Todd gives two quotations for this word from Dryden, both without references. The former is from *Cymon*, l. 246. From **Pre-** and **Engage**. Der. *pre-engage-ment*.

**PRE-EXIST**, to exist beforehand. (L.) 'But if thy *pre-existing* soul;' Dryden, *On Mrs. Killigrew*, l. 29. From **Pre-** and **Exist**. Der. *pre-exist-ent*, *pre-exist-ence*.

**PREFACE**, the introduction to a book. (F.—L.) In Shak. *1 Hen. VI.* v. 5. 11; Chaucer, *C. T.*, G 271. —OF. and MF. *preface*, fem. 'a preface,' Cot.; mod. F. *préface*. Cf. Ital. *prefazio*, Span. *prefacio*, corresponding to an OF. *preface* of the masc. gender. β. Suggested by L. *præfatio*, a preface, which produced the Ital. *prefazione* and Span. *prefacion*, and would have given a F. form *préfaison*. —L. *præfari*, to say beforehand. —L. *præ*, before; and *fari*, to speak. See **Pre-** and **Fate**. Der. *preface*, verb; *prefat-or-y*, as if from a L. *\*præfatorius*.

**PREFECT**, a governor, one placed in office, president. (F.—L.) ME. *prefect*, Chaucer, *C. T.* 15830 (G 362), (where he is translating from Latin). —OF. and MF. *prefect*; mod. F. *préfet*. —L. *præfectus*, a prefect, one set over others. —L. *præ*, before; and *factus*, made, set, pp. of *facere*, to make; see **Pre-** and **Fact**. Der. *prefect-ship*; also *prefect-ure*, from mod. F. *préfecture*, L. *præfectūra*, a prefectship.

**PREFER**, to regard before others, esteem more highly, to advance or exalt. (F.—L.) Common in Shak. *Cor. iii.* 1. 152, &c.; spelt *preferre* in Palsgrave. —OF. *preferer*, 'to prefer, like better,' Cot. —L. *præferre* (pres. t. *præfero*), to carry in front; also to set in front, prefer. —L. *præ*, before; and *ferre*, cognate with F. *bear*; see **Pre-** and **Bear** (1). Der. *prefer-able*, from MF. *preferable*, 'preferable,' Cot., also written *preferr-ible*; *prefer-abl-y*, *prefer-able-ness*; *prefer-ence*, from MF. *preferencia*, 'preferment;' Cot.; *prefer-ment*, *Oth. i.* 1. 36.

**PREFIGURE**, to suggest by types. (F.—L.) '*Prefigured* by the temple of Solomon;' Bale, *Ymage of both Churches* (1550), pt. i (R.). From **Pre-** and **Figure**; but suggested by Late L. *præfigurāre* (Lewis). Der. *prefigure-ment*, *præfigurat-ion*, *præfigurat-ive*.

**PREFIX**, to fix beforehand. (F.—L.) 'I prefixe, *je prefixe*;' Palsgrave. Spenser has the pp. *prefixed*, *Sonnet 46*, l. 1; Lydgate has *prefyxyd*, *Assembly of the Gods*, 549. This is due to the MF. *præfix*, 'prefixed, limited;' Cot. —L. *præfixus*, pp. of *præfigere*, to fix in front. —L. *præ*, before; and *figere*, to fix; see **Pre-** and **Fix**. Der. *prefix*, sb., lit. that which is prefixed.

**PREGNANT** (1), pressing, urgent, cogent; as a proof or reason. (F.—L.) 'A *pregnant* argument;' Chaucer, *Troilus*, b. iv. 1179. —OF. *pregnant*, *pregnant*, 'pregnant, pithy;' Cot. Here *pregnant* is the pres. pt. of OF. *preindre*, *prembre*, to press (Godefroy). —L. *premere*, to press; see **Press**.

**PREGNANT** (2), fruitful, with child; imaginative. (F.—L.) In Milton, *P. L.* ii. 779. —L. *prægnantem*, acc. of *prægnans*, pregnant. *Prægnans* has the form of a pres. part. from a verb *\*prægnāre*, to be before a birth, to be about to bear. —L. *præ*, before; and *\*gnāre*, to bear, of which the pp. *gnātus*, usually spelt *nātus*, born, is in common use. See **Pre-** and **Natal**. Der. *pregnant-ly*; *pregnanc-y*, 2 *Hen. IV.* i. 2. 192.

**PREHENSILE**, adapted for grasping. (L.) Modern; not in Todd's Johnson. Coined with suffix *-ilis* from *prehens-us*, usually *prehensus*, pp. of *prehendere*, also *prehendere*, to lay hold of. —L. *præ*, before; and (obsolete) *-hendere*, to seize, get, cognate with F. *get*; see **Pre-** and **Get**. Der. *prison*, *prize* (1).

**PRE-HISTORIC**, before history. (F.—L.) Modern; from **Pre-** and **Historic**.

**PREJUDGE**, to judge beforehand. (F.—L.) In Bacon, *Life of Hen. VII.* ed. Lumby, p. 8, l. 17. —MF. *prejurer*, 'to prejudicate, prejudice,' Cot. —L. *præiudicare*; from *præ*, before; and *iudicare*, to judge; see **Pre-** and **Judge**. Der. *prejudicate*, All's *Well*, i. 2. 8, from L. *præiudicātus*, pp. of *præiudicare*; *prejudicat-ion*, *prejudicat-ive*; and see *prejudice*.

**PREJUDICE**, a prejudgement, an ill opinion formed beforehand. (F.—L.) In Shak. *Hen. VIII.* i. 1. 182, ii. 4. 154. ME. *prejudice*, Shoreham's *Poems* (Percy Soc.), p. 36, l. 21. —OF. *prejudice*, 'a prejudice,' Cot. —L. *præiudicium*, a judicial examination previous to a trial; also, a damage, prejudice. —L. *præ*, before; and *iudicium*, a judgement. See **Prejudice**; also **Pre-** and **Judicial**. Der. *prejudice*, verb, 1 *Hen. VI.* iii. 3. 91; *prejudic-ial*, 3 *Hen. VI.* i. 1. 144; *prejudic-ial-ly*.

**PRELATE**, a bishop, church dignitary. (F.—L.) In early use; in Layamon, 24502; pl. *prelaz* (for *prelats*), Ancren *Riwe*, p. 10, l. 8. —OF. *prelat*, 'a prelate,' Cot. —L. *prælatus*, set above, used as pp. of the verb *præferre*, to prefer, advance, but from a different root: —L. *præ*, before; and *lātus*, for *ilātus* (= Gk. *τλητός*), from

✓TEL, to lift; see **Pro-** and **Elate**. Der. *prelat-ic*, little used; *prelat-ic-al*, Milton, Reason of Church Government, b. ii. sect. 3. ch. 1 (R.); *prelat-ic-al-ly*; *prelat-ist*; *prelac-y*, Skelton, Why Come Ye Nat to Courte, 500.

**PRELIMINARY**, introductory. (F.—L.) In Blount's Gloss., ed. 1674. 'Some preliminary considerations;' Bp. Taylor, vol. iii. ser. 3 (R.). Coined from **Pro-**, q.v., and MF. *liminaire*, 'set before the entry, or at the beginning of, dedicatory,' Cot. From L. *liminārem*, acc. of *limināris*, of or belonging to a threshold, coming at the beginning. —L. *limin-*, decl. stem of *limen*, a threshold, allied to *limes*, a boundary; see **Limit**. Der. *preliminari-ly*.

**PRELUDE**, an introduction to a piece of music, a preface. (F.—L.) The L. form *preludium* was once in use, and is the form given in Minsheu, Cotgrave, and Blount. In Dryden, Britannia Rediviva, 187, *prelude* seems to be used as a verb. —MF. *prelude*, 'a prelude, preface, preamble,' Cot. —Late L. \**prēlūdium*, \**prālūdium*, a prelude, perhaps a coined word; it is not in Ducange. —L. *prælūdēre*, to play beforehand, also, to give a prelude beforehand, which is just Dryden's use of it. —L. *præ*, before; and *lūdēre*, to play; see **Pre-** and **Ludicrous**. Der. *prelude*, verb; *prelus-ive*, from pp. *prælūs-us*, with suffix *-ive*.

**PREMATURE**, mature before the right time, happening before the proper time. (L.) In Blount's Gloss., ed. 1674. Not F., but Englished from L. *prēmātūrus*, too early, untimely, premature. —L. *præ*, before; and *mātūrus*, ripe; see **Pre-** and **Mature**. ¶ Cotgrave only gives the MF. sb. *prematūrité*, 'prematurity.' Der. *premature-ly*, *prematūri-ty*, *premature-ness*.

**PREMEDITATE**, to meditate beforehand. (L.) In Shak. Hen. V, iv. 1. 170. —L. *præmeditātus*, pp. of *præmeditāri*; see **Pre-** and **Meditate**. Der. *premeditat-ion*, in Sir T. Elyot, The Governour, b. ii. c. 1. § 13, from MF. *premeditation*, 'premeditation,' Cot., from L. acc. *præmeditationem*.

**PREMIER**, chief or first, a chief, a prime minister. (F.—L.) The law-phrase *premier seisin*, first possession, was in use in common law; Minsheu notes this use of it, A.D. 1627. Rich. quotes 'the Spaniard challengeth the premier place' from Camden's Remains. —F. *premier*, 'prime, first,' Cot. —L. *primārius*, acc. of *primārius*, chief, principal; formed with suffix *-ārius* from *prim-us*, first. See **Prime** (1). Der. *premier-ship*.

**PREMISE**, **PREMISS**, a proposition, in logic, proved or assumed for the sake of drawing conclusions; one of the two propositions in a syllogism from which the conclusion is drawn. (F.—L.) The spelling *premise* stands for *premiss*, the true F. spelling; the spelling *premiss* is perhaps due to the L. form, but may also be for *premiss*. Minsheu has 'the premises;' but the correct pl. *premisses* is in Chaucer, tr. of Boethius, b. iii. pr. 10, l. 83. —OF. *premiss* (mod. F. *prémisse*), omitted by Cotgrave, but in use in the 14th century (Littré). —L. *præmissa* (*sententia* being understood), a premiss, lit. that which is sent or put before. —L. *præ*, before; and *mittere*, pp. of *mittere*, to send; see **Pre-** and **Missile**. Der. *premise*, verb, orig. 'to send before,' as in Shak. 2 Hen. VI, v. 2. 41, from F. *pre-* (<L. *præ*), before; and *mis* (fem. *mise*), pp. of *mettre* (<L. *mittere*), to send, to put. Also *premises*, s. pl., the adjuncts of a building, a sense due to the custom of beginning leases with the *premises* setting forth the names of the grantor and grantee of the deed, as well as a description of the thing granted; later, the sense was transferred from the description of these to that of the thing leased only, and came to be used in the present vague way; so in Blount's Nomolexicon, 1691. Wedgwood explains it more simply 'from the use of the term in legal language, where the appurtenances of a thing sold are mentioned at full in the first place, and subsequently referred to as the premises,' i.e. the things premised or mentioned above. Thus, in Lady Margaret's Will (1508) we find: 'All which maners, londs, and tenements, and other the premisses, we late purchased;' Royal Wills, ed. Nichols, p. 378. See examples in Caxton's print of the Statutes of Hen. VII; fol. a 6, &c.

**PREMIUM**, profit, bounty, reward, payment for a loan, &c. (L.) In Blount's Gloss., where he not only explains it by 'recompence,' but notes the mercantile use of it in insurances. —L. *præmium*, profit, lit. 'a taking before;' for \**præ-inium* (<\**præ-emiū*). —L. *præ*, before; and *emere*, to take, also to buy; see **Pre-** and **Example**.

**PREMONISH**, to warn beforehand. (F.—L.) In Minsheu, ed. 1627. A coined word, from *pre-*, before; and *monish*, a corrupted form of ME. *monesten*, to warn, Wyclif, 2 Cor. vi. 1; just as *admonish* is corrupted from ME. *amonesten*. See **Pre-**, **Admonish**, and **Monition**. Der. *premonit-ion*, Chapman, tr. of Homer, Od. ii. 321, coined from *pre-* and *monition*. Also *premonit-ive*; *premonit-or*, from L. *præmonitor*; *premonit-or-y*, *premonit-or-i-ly*. Also *premonish-ment* (obsolete), used by Bale (R.).

**PRENTICE**; short for **Apprentice**, q.v.

**PREOCCUPY**, to occupy beforehand. (F.—L.) In Shak. Cor.

ii. 3. 240. —MF. *preoccupere*, 'to preoccupate, anticipate,' Cot. —L. *præoccupāre*; from *præ*, before, and *occupāre*, to occupy; see **Pre-** and **Occupy**. ¶ The peculiar ending of *occupy* is discussed under that word. Der. *preoccupat-ion*, from MF. *preoccupation* (Minsheu), 'a preoccupation,' Cot.; also *preoccup-anc-y*.

**PREORDAIN**, to ordain beforehand. (F.—L.) In Milton P. R. i. 127. From **Pre-** and **Ordain**; cf. MF. *preordonner*, 'to preordinate, or fore-ordain,' Cot. ¶ The adj. *preordinate* (L. *præordinātus*) occurs in Sir T. Elyot, The Governour, b. ii. c. 12. § 3; and see Palsgrave. Der. *preordin-at-ion*, used by Bale (R.); MF. *preordination* (Hatzfeld); from MF. *pre-* and *ordination*.

**PREPARE**, to make ready beforehand, arrange, provide. (F.—L.) In the Bible of 1551, Luke iii. 4; and in Palsgrave. —MF. *preparer*, 'to prepare,' Cot. —L. *præparāre*; comp. of *præ*, beforehand, and *parāre*, to get ready; see **Pre-** and **Parade**. Der. *prepar-er*, *prepar-ed*, *prepar-ed-ly*, *-ness*. Also *prepar-at-ion*, Sir T. Elyot, The Governour, b. ii. c. 1. § 1, from MF. *preparation*, 'a preparation,' Cot.; *prepar-at-ive*, ME. *preparatif*, Lydgate, Minor Poems, p. 168, from MF. *preparatif*, 'a preparative, or preparation,' Cot.; *prepar-at-ive-ly*; *prepar-at-or-y*, suggested by MF. *preparatoire*, 'a preparatory,' Cot. Also *prepare*, sb., 3 Hen. VI, iv. 1. 131.

**PREPAY**, to pay beforehand. (F.—L.) Modern; not in Todd's Johnson. From **Pre-** and **Pay**. Der. *prepay-d*, *pre-payment*.

**PREPENSE**, premeditated, intentional. (F.—L.) 1. As if from F. *pre-* (L. *præ*), beforehand, and F. *penser*, to think. 2. But in the phrase 'malice prepense,' formerly written 'malice prepensed,' it is an altered form of AF. *purpensé*, pp. of *purpenser*, to meditate on, with prefix *pur-* (F. *pour-*), from L. *prō*. See my Notes on Eng. Etym., p. 230; Elyot's Governor, ed. Croft, ii. 375; and the Laws of Will. I. § 2. The expression 'prepensed murder' occurs in the Stat. 12 Hen. VII, cap. 7; see Blount's Nomolexicon, ed. 1691. 'Malice prepensed is malice forethought;' Blount's Gloss., ed. 1674. See **Pansy**. Der. *prepense-ly*.

**PREPONDERATE**, to outweigh, exceed in weight or influence. (L.) In Blount's Gloss., ed. 1674. —L. *præponderātus*, pp. of *præponderāre*, to outweigh. —L. *præ*, before, hence, in excess; and *ponderāre*, to weigh, from *ponder-*, decl. base of *pondus*, a weight; see **Pre-** and **Ponder**. Der. *preponder-at-ion*; *preponder-ant*, *preponder-ance*.

**PREPOSITION**, a part of speech expressing the relation between objects, and governing a case. (F.—L.) In Minsheu, ed. 1627; and in Palsgrave, p. xxiv. —MF. *preposition*, 'a preposition, in grammar;' Cot. —L. *præpositionem*, acc. of *præpositio*, a putting before; in grammar, a preposition. —L. *præ*, before; and *positio*, a putting, placing; see **Pre-** and **Position**. Der. *preposition-al*.

**PREPOSSESS**, to possess beforehand, preoccupy. (L.) 'Prepossesses the hearts of His servants;' Bp. Taylor, vol. iii. ser. 10 (R.). From **Pre-** and **Possess**. Der. *prepossession-ing*, *prepossession-ion*.

**PREPOSTEROUS**, contrary to nature or reason, absurd. (L.) 'Preposterouse, præposterus;' Levins, ed. 1570. —L. *præposterus*, reversed, inverted; lit. the last part forwards, hind side before. —L. *præ*, before, in front; and *posterus*, latter, coming after; see **Pre-** and **Posterior**. Der. *preposterous-ly*, *-ness*.

**PREROGATIVE**, an exclusive privilege. (F.—L.) In Spenser, F. Q. iv. 12. 31; ME. *prerogatif*, Lydgate, Minor Poems, p. 118. —MF. *prerogative*, 'a prerogative, privilege,' Cot. —L. *prærogātia*, a previous choice or election, preference, privilege. Orig. fem. of *prærogātius*, one who is asked for an opinion before others. —L. *præ*, before; and *-rogātius*, allied to *rogātus*, pp. of *rogāre*, to ask. See **Pre-** and **Rogation**.

**PRESAGE**, an omen. (F.—L.) In Shak. King John, i. 28; as a verb, Merch. Ven. iii. 2. 175. —MF. *presage*, 'a presage, divining;' Cot. —L. *præsāgium*, a presage. —L. *præsāgire*, to perceive beforehand. —L. *præ*, before; and *sāgire*, to perceive quickly. See **Pre-**, **Sagacious**. Der. *presage*, verb, answering to MF. *presagier*; *presag-er*, Shak. Sonn. 23.

**PRESBYTER**, a priest, elder of the church. (L.—Gk.) 'Presbyters, or fatherly guides;' Hooker, Eccl. Polity, b. v. s. 78 (R.). —L. *presbyter*. —Gk. πρεσβύτερος, elder; comp. of πρεσβύς, old; see 1 Pet. v. 1. Cf. L. *priscus*, ancient. See **Priest**. Der. *Presbyter-ian*, a term applied to tenets embodied in a formulary A.D. 1560, Haydn, Dict. of Dates, which see; *Presbyter-ian-ism*. Also *presbyter-y*, 1 Tim. iv. 14, where the Vulgate has *presbyterium*, from Gk. πρεσβυτέριον.

**PRESCIENCE**, foreknowledge. (F.—L.) In Chaucer, tr. of Boethius, b. v. pr. 3, l. 17. —OF. *prescience*, 'a prescience,' Cot. —L. *præscientia*, foreknowledge. —L. *præ*, before; and *scientia*, knowledge; see **Pre-** and **Science**. Der. *prescient*, Bacon (see R.), a later word, from *præscient-*, stem of pres. part. of *præscire*, to know beforehand.

**PRESCRIBE**, to give directions, appoint by way of direction. (L.) In Levins, ed. 1570. —L. *præscribere*, to write beforehand, appoint, prescribe. —L. *præ*, before; and *scribere*, to write; see **Pre-** and **Scribe**. Der. *prescriber*; *prescript* (= prescribed), More's Utopia (English version), b. ii. c. 5, ed. Arber, p. 89, from L. pp. *præscript-us*; hence also *prescript*, sb., *prescript-ible*. Also *prescript-ion*, Cor. ii. 1, 127, from MF. *prescription*, 'a prescription,' from L. acc. *præscriptiōnem*, from nom. *præscriptio*, a prescribing, precept, whence the medical use readily follows. Also *prescript-ive*, from L. *præscriptivus*.

**PRESENCE**, a being present or within view, mien, personal appearance, readiness. (F.—L.) ME. *presence*, Chaucer, C. T. 5095 (B 675). —OF. *presence*. —L. *præsentia*, presence. —L. *præsent-*, stem of *præsens*, present; see **Present** (1). Der. *presence-chamber*.

**PRESENT** (1), near at hand, in view, at this time. (F.—L.) ME. *present*, Wyclif, 1 Cor. iii. 22. —OF. *present*. —L. *præsent-*, stem of *præsens*, present, lit. being in front, hence, being in sight. —L. *præ*, before, in front; and *-sens*, being (cognate with Skt. *sant-*, being), for \**es-ens*, pres. pt. of *es-se*, to be. (✓ES); see **Pre-**, **Absent**, and **Sooth**. Der. *present-ly*, Temp. i. 2. 125; *presence*, q. v.; *present* (2), q. v.

**PRESENT** (2), to give, offer, exhibit to view. (F.—L.) ME. *presenten*, Rob. of Brunne, tr. of Langtoft, p. 63, l. 21; Chaucer, C. T. 12190 (C 256). —OF. *presenter*, 'to present,' Cot. —L. *præsentāre*, to place before, hold out, present; lit. 'to make present.' —L. *præsent-*, stem of *præsens*, present; see **Present** (1). Der. *present-er*, *present-able*, *present-at-ion*, As You Like It, iv. 4. 112, from MF. *presentation*, 'a presentation,' Cot., from L. acc. *præsentatiōnem*; *present-ee*, one who is presented to a benefice, from MF. pp. *présenté* (Cot.); *present-ment*, Hamlet, iii. 4. 54, and (as a law-term) in Blount's Nomolexicon, ed. 1691. Also *present*, sb., ME. *present*, Ancren Riwle, p. 114, l. 2, p. 152, l. 12; from OF. *present*, 'a present, gift,' Cot.

**PRESENTIMENT**, a perceiving beforehand, a conviction of some future event. (F.—L.) 'A presentiment of what is to be hereafter,' Butler, Analogy of Religion, pt. i. c. 6. § 11. —OF. *presentiment*, 'a fore-feeling,' Cot.; suggested by L. *præsentire*, to perceive beforehand; see **Pre-** and **Sentiment**.

**PRESERVE**, to guard, keep, save. (F.—L.) ME. *preserven* (with *u=v*), Gower, C. A. iii. 221; bk. vii. 3856. —OF. *preserver*, 'to preserve,' Cot. —L. *præ*, beforehand; and *servāre*, to keep; see **Pre-** and **Serve**. Der. *preserve*, sb.; *preserver-er*; *preserv-at-ion*, Temp. ii. 1. 7, from OF. *preservation*, omitted by Cotgrave, but in use in the 14th century (Littré); *preserv-at-ive*, Sir T. Elyot, The Governor, b. iii. c. 4. § 1, Lydgate, Minor Poems, p. 91, from MF. *preservatif*, 'preservative,' Cot.; *preserv-at-or-y*.

**PRESIDE**, to superintend, have authority over others. (F.—L.) In Cotgrave. —MF. *presider*, 'to preside, govern,' Cot. —L. *præsidere*, to sit before or above, to preside over. —L. *præ*, before; and *sedere*, to sit, cognate with E. *sit*; see **Pre-** and **Sit**. Der. *president*, Wyclif, Deeds [Acts], xxiii. 24, 26, from OF. *président*, 'a president,' Cot., from L. *præsidens*, stem of pres. part. of *præsidere*; *president-ship*; *presidency*; *presidential*.

**PRESS** (1), to crush strongly, squeeze, drive forcibly, urge, push. (F.—L.) ME. *pressen*, *pressen* (with voiceless *s*), Chaucer, C. T. 2582 (A 2580). —F. *presser*, 'to press, strain,' Cot. —L. *pressāre*, to press; frequentative formed from *press-um*, supine of *premere*, to press. Der. *press*, sb., ME. *presse*, Chaucer, Fortune, l. 52, Ancren Riwle, p. 168, last line, from F. *presse*, 'a pease, throng,' Cot.; *press-er*, *press-ing*, *press-ing-ly*; *press-ure*, Prompt. Parv., from OF. *pressure*, 'pressure,' Cot., from L. *pressūra*, allied to pp. *pressus*. Also *press-fat*, a pressing-vat, Haggai, ii. 16; see **Fat** (2) and **Vat**. Also *print*, *im-print*.

**PRESS** (2), to hire men for service, to engage men by earnest-money for the public service, to carry men off forcibly to become sailors or soldiers. (F.—L.) It is certain, as Wedgwood has shown, that *press* is here a corruption of the old word *prest*, ready, because it was customary to give earnest-money to a soldier on entering service, just as to this day a recruit receives a shilling. This earnest-money was called *prest-money*, i.e. ready money advanced, and to give a man such money was to *imprest* him, now corruptly written *impress*. 'At a later period, the practice of taking men for the public service by compulsion made the word to be understood as if it signified to force men into the service, and the original reference to earnest-money was quite lost sight of,' Wedgwood. β. *Prest* was once a common word for ready money advanced, or ready money on loan. 'And he sent thyder iii. somers [sumpter-horses] laden with nobles of Castel [Castile] and floreyns, to gyve in prest [as ready money] to knyghtes and squyers, for he knewe well otherwyse he sholde not have them come out of theyr houses;' Berners, tr. of

Froissart, vol. ii. c. 64 (R.). 'Requiring of the city a *prest* [an advance] of 6000 marks;' Bacon, Life of Hen. VII, ed. Lumby, p. 18, l. 28. See also Skelton, Colin Clout, 350–354, and Dyce's note; North's Plutarch, ed. 1594, p. 638. Both *prest-money* and *imprest-money* are in Minsheu, ed. 1627; and Cotgrave explains MF. *imprestance* by 'prest, or imprest money, received and to be employed for another.' —MF. *prester*, 'to lend, also, to trust out [advance] or sell unto daies' [unto an appointed time], Cot. Cf. OF. *prest*, 'prest, ready, full dight, furnished, . . . prompt, nere at hand,' id. Ital. *prestare*, 'to lend,' Florio; *imprestare*, 'to lend or give to lone,' id. (Mod. F. *prêter*). —L. *præstāre*, to come forward or stand before, surpass, to become surety for, give, offer, furnish, provide. —L. *præ*, before; and *stāre*, cognate with E. *stand*; see **Pre-** and **Stand**. Der. *impress*, *impress-ment*; also *press-gang*, q. v.

**PRESS-GANG**, a gang of men employed to 'press' sailors into the public service. (F.—L.; and E.) In Johnson's Dict. This word seems to be of rather late formation, and also to be associated with the notion of compulsion or pressing; at the same time, it certainly took its origin from the verb *press*, in the sense of 'to hire men for service;' see therefore **Press** (2), as orig. quite distinct from **Press** (1). Cf. *press-money*, K. Lear, iv. 6. 87. And see **Gang**.

**PRESTIGE**, a delusion; also, influence due to former fame or excellence. (F.—L.) This word is in the very rare position of having achieved a good meaning in place of a bad one; the reverse is more usual, as noted in Trench, Study of Words. Cf. mod. F. *prestige*, 'fascination, magic spell, magic power, prestige,' Hamilton. In some authors it had a bad sense, in E. as well as in F., but it is not an old word with us. 'Prestiges, illusions, impostures, juggling tricks;' Phillips, ed. 1706. —F. *prestige*; Cot. gives pl. *prestiges*, 'deceits, impostures, juggling tricks.' —L. *præstigiūm*, a deceiving by juggling tricks, a delusion, illusion; we also find L. pl. *præstigiæ*, tricks, deception, trickery. β. For \**præstrigium*, the second *r* being lost; Brugmann, i. § 483. —L. *præstringere*, to bind fast, to dull, dim, blind. —L. *præ*, before; and *stringere*, to bind. See **Stringent**.

**PRESTO**, quickly. (Ital.—L.) 'Well, you'll come? Presto!' Ben Jonson, The Case is Altered, i. 1. —Ital. *presto*, adv., quickly. —L. *præsto*, at hand, ready, present. —L. *præ*, before; and *stāre*, to stand. See **Pre-** and **State**.

**PRESUME**, to take for granted, suppose, to act forwardly. (F.—L.) 'When she presumed tasten of a tree;' Occleve, Letter of Cupid, st. 51, l. 355 (A.D. 1402). [*Presumption*, ME. *presumcioun*, occurs earlier, spelt *presumciun*, Ancren Riwle, p. 208, l. 20.] —OF. *presumer*, 'to presume, or think too well of himselfe, . . . to presume, think, ween, imagine,' Cot. —L. *præsumere*, to take beforehand, anticipate, presume, imagine. —L. *præ*, before; and *sūmere*, to take; where *sūmere* is from *emere*, to take, buy; the prefix was prob. subs. See **Pre-** and **Example**. Der. *presum-ing*, *presum-able*, *presum-abl-y*; *presumpt-ion* (as above), from OF. *presumpcion* (13th cent., Littré), later *presomption*, 'presumption,' Cot., from L. *præsumptiōnem*, acc. of *præsumptio*, allied to *præsumptus*, pp. of *præsumere*. Also *presumpt-ive*, Daniel, Civil War, b. iii. st. 17, from MF. *presumptif*, 'likely,' Cot.; *presumpt-ive-ly*; *presumpt-u-ous*, Skelton, ed. Dyce, i. 131, l. 160, Lydgate, Minor Poems, p. 175, spelt *presumptiouse* in Levins, from OF. *presomptiueux* (13th cent. *presumptiouse*, 14th cent. *presumptiueux*, Littré), which from L. *præsumptuosus*, *præsumptiōsus*. Hence *presumptuous-ly*, *-ness*.

**PRESUPPOSE**, to suppose beforehand. (F.—L. and Gk.) 'Wherefore it is to presuppose;' Fabyan, Chron. an. 1284–5, ed. Ellis, p. 389; and in Falsgrave. —OF. *presupposer*, 'to presuppose,' Cot. See **Pre-** and **Suppose**. Der. *presuppos-it-ion* (really from a different root; see **Pose**, **Position**).

**PRETEND**, to affect to feel, to feign. (F.—L.) ME. *pretenden*, to lay claim, Chaucer, Troilus, b. iv. l. 922. —OF. *pretendre*, 'to pretend, lay claim to,' Cot. —L. *prætendere*, to spread before, hold out as an excuse, allege, pretend. —L. *præ*, before; and *tendere*, to stretch, spread; see **Pre-** and **Tend**. Der. *pretend-er*, esp. used of the Old and Young Pretenders, so called because they laid claim to the crown. Also *pretence*, Macb. ii. 3. 137 (first folio), a mistaken spelling for *pretense*, from Late L. *prætensus*, pp. of *prætendere* (the usual L. supine is *prætentum*, but *tendere* gives both *tensum* and *tentum*); the right spelling *pretense* is in Spenser, F. Q. iv. 5. 23, with which cf. *pretensed*, i.e. intended, in Robinson's tr. of More's Utopia, ed. Arber, p. 20, l. 7. Cf. MF. *pretente*, 'a pretence,' Cot. Also *pretension*, Bacon, Of a War with Spain (R.), formed as if from L. type \**prætensio*.

**PRETER-**, prefix, beyond. (L.; or F.—L.) OF. *preter-*, prefix, from L. *præter*, beyond, which is a compar. form of *præ*, before, with Idg. suffix *-ter-*.

**PRETERIT, PRETERITE**, past; the past tense. (F.—L.)

ME. *preterit*, Chaucer, tr. of Boethius, b. v. pr. 6, l. 13. — OF. *preterit*, m. *preterite*, fem. 'past, overpast,' Cot. — L. *prateritus*, pp. of *praterire*, to pass by. — L. *prater*, beyond; and *ire*, to go, from *√IRI*, to go.

**PRETERMIT**, to omit. (L.) In Minshew, ed. 1627. — L. *pratermittere*, to allow to go past, let slip. — L. *prater*, past, beyond; and *mittere*, to let go, send; see **PRETER-** and **MISSION**. Der. *pretermis-sion*, from MF. *pretermis-sion*, 'a pretermis-sion,' Cot., from L. acc. *pratermissionem*.

**PRETERNATURAL**, supernatural, extraordinary. (L.) 'Simple aire, being preternaturally attenuated;' Bacon, Nat. Hist. § 30. From **PRETER-** and **NATURAL**. ¶ So also *preter-perfect*, *preter-imperfect*, *preter-pluperfect*.

**PRETEXT**, a pretence, false reason. (F.—L.) In Shak. Cor. v. 6. 20. — MF. *pretexte*, m. 'a pretext,' Cot. — L. *prætextum*, a pretext; orig. neut. of *prætextus*, pp. of *prætexere*, lit. 'to weave in front.' — L. *præ*, before; and *texere*, to weave; see **PRE-** and **TEXT**.

**PRETOR, PRETORIAL**; see **PRÆTOR**.

**PRETTY**, pleasing, tasteful, beautiful. (E.; or L.—Gk.) Spelt *pretie* in Minshew and Levins. ME. *prati*, *praty*, Prompt. Parv.; Destruction of Troy, ed. Panton and Donaldson, 2622, 10815, 13634. The old senses are 'comely' and 'clever,' as used in the above passages; but the true sense was rather 'tricky,' 'cunning,' or 'full of wiles;' though the word has acquired a better sense, it has never quite lost a sort of association with pettiness. AS. *prætig*, *prættig*, tricky, deceitful; 'Wille ge bēon prætige,' tr. of L. 'Vultis esse versipelles;' Ælfrie's Colloquy, in Voc. 101. 1. A rare word; formed with the usual suffix *-ig* (as in *stān-ig*, E. *ston-y*) from a sb. *præt*, *prætt*, deceit, trickery; see *prattas*, as a gloss to L. *artēs* (in a bad sense), Mone, Quellen, p. 347, col. 1. So also we have Lowland Scotch *pratty*, *pretty*, tricky, from *prat*, a trick, used by G. Douglas (Jamieson). + EFries. *prettig*, jocose, droll, pleasant, from *pret*, a trick; W. Flem. *prettig*; Icel. *prettugr*, tricky, from *prettir*, a trick, *prettja*, to cheat, deceive; Norweg. *prettlen*, *prettlevis*, tricky, roguish, from *prettja*, a trick, piece of roguery, *prettja*, to play a trick (Aasen). So also MDu. *pratte*, *perre*, Du. *part*, a trick, deceit. ¶ Possibly all from L. *practica*; cf. E. *practice*, in the sense of 'guile.' Der. *pretti-ly*, spelt *pretily*, Court of Love, 420; *pretti-ness*, Hamlet, iv. 5. 189; also *pretty*, adv.

**PREVAIL**, to overcome, effect, have influence over. (F.—L.) Spelt *prevayle* in Levins; *preuaille* in Minshew. — OF. *prevail*, 1 p. pr. of *prevaloir*, 'to prevail,' Cot. — L. *prævalēre*, to have great power. — L. *præ*, before, hence expressive of excess; and *ualēre*, to be strong, have power; see **PRE-** and **VALIANT**. Der. *prevail-ing*; *prevail-ent*, Milton, P. L. vi. 411, from L. *prævalent-*, stem of pres. part. of *prævalēre*; *prevail-ence*, from OF. *prevailence* (Cot.), from Late L. *prævalentia*, superior force; *prevailenc-y*. Also *prevail-ment*, Mids. Nt. Dr. i. 1. 35.

**PREVARICATE**, to shift about, to quibble. (L.) 'When any of us hath prevaricated our part of the covenant,' i.e. swerved from it, Bp. Taylor, vol. ii. ser. 5 (R.). [*Prevaricator* and *prævarication* are both in Minshew's Dict.; but not the verb.] — L. *prævaricātus*, pp. of *prævaricārī*, to spread the legs apart in walking, to straddle, to walk crookedly; hence to swerve, shuffle, &c. — L. *præ*, before, here used as an intensive prefix; and *varīcus*, straddling, extended (with suffix *-ic-*) from *uārus*, bent, grown awry (esp. of the legs). Cf. L. *Vārus* as a proper name, orig. a nickname. See **VARICOSE**. Der. *prevaricat-or*; *prevaricat-ion*, from MF. *prevarication*, 'prevarication,' Cot.

**PREVENT**, to hinder, obviate. (L.) The old sense is 'to go before, anticipate;' Tw. Nt. iii. 1. 94, Hamlet, ii. 2. 305; Spenser, F. Q. vi. 1. 38, vi. 8. 15; and in Palsgrave. Cf. MF. *prevenir*, 'to prevent, outstrip, anticipate, forestall;' Cot. — L. *prævenire*, to come or go before. — L. *præ*, before; and *venire*, cognate with E. *come*; see **PRE-** and **COME**. Der. *prevent-ion*, from MF. *prevention*, 'a prevention, anticipation,' Cot. Also *prevent-ive*, adj., Phillips, ed. 1706, a coined word; *prevent-ive*, sb.

**PREVIOUS**, going before, former. (L.) 'Som previous meditations;' Howell, Famil. Letters, vol. i. sect. 6. let. 32, § 3; A.D. 1635. Englished (by change of *-us* to *-ous*, as in *ardu-ous*, &c.) from L. *præuius*, on the way before, going before. — L. *præ*, before; and *uia*, a way; see **PRE-** and **VOYAGE**. Der. *previous-ly*.

**PREWARN**, to warn beforehand. (Hybrid; L. and E.) 'Comets prewarn;' Two Noble Kinsmen, v. 1. 51. A coined word; see **PRO-** and **WARN**.

**PREY**, booty, spoil, plunder. (F.—L.) ME. *preie*, *preye*, Rob. of Glouc. p. 270, l. 5466; p. 303, l. 6163; *praie*, O. Eng. Homilies, ed. Morris, i. 273, l. 6. — OF. *praie*, *preie*; mod. F. *proie*, *prey*. — L. *præda*, booty. β. *Præda* is thought to stand for \**prai-hid-a*, that which is got or seized beforehand; from *præ*, before, and *hed-*, base

of *-hendere*, to seize, cognate with E. *get*. Similarly *prendere* is short for *prehendere*, as is well known. See **PRE-** and **GET**. See **PRE-datory**. From L. *præda* we also have W. *praidd*, flock, herd, booty, prey, Gael. and Irish *spreidh*, cattle of any kind. Der. *prey*, vb., Rich. III. i. 1. 133.

**PRIAL**, three of a sort, at cards. (F.—L.) An unmeaning corruption of *pair-royal*. See *Pair-royal* in Nares, who fully illustrates it. Fuller has: 'that *paroyal* of armies;' Pisgah Sight of Palestine, bk. iv. ch. 2. § 22.

**PRICE**, value, excellence, recompence. (F.—L.) ME. *pris*, Havelok, 283; Ancrén Riwe, p. 392, l. 15. — OF. *pris*, *preis*; mod. F. *prix*. — L. *pretium*, price. See **PRECIOUS**. Der. *price-less*; *precious*, *prize* (2), verb. Doublet, *praise*.

**PRICK**, a sharp point, puncture, sting, remorse. (E.) ME. *prike*, *pricke*, *prikke*, Ancrén Riwe, p. 228, last line. AS. *pricu*, a point, dot, Ælfred, tr. of Boethius, b. ii. pr. 7, cap. xviii. § 1; *prica*, a point, jot, tittle, Matt. v. 18; *prician*, v., to prick, Ælfrie's Hom. ii. 88. + MDu. *prick*, a prick, whence mod. Du. *prikkel*; see Kilian; Dan. *prik*, a dot; *prikke*, to mark with dots; Swed. *prick*, a point, dot, prick, tittle; *pricka*, to point, to mark with pricks; Low G. *prik*, a dot; *prikken*, to prick. Apparently from a Teut. base \**prek-*, to prick, dot; cf. OSax. *prek*, a thorn (Gallée); MDu. *prekel*, a prick (Hexham); Cornwall *preckle*, to prick. Der. *prick*, verb, ME. *priken*, *prikien*, Havelok, 2639, P. Plowman, B. xviii. 11; AS. *prician* (above); hence *prick-er*. Also *prick-le*, ONorthumb. *pricle*, Matt. v. 18 (Lindisfarne MS.), a dimin. form, with the orig. sense 'a little dot' or 'speck.' Hence *prick-ly*, which seems to be formed from *prickle* rather than from *prick* with suffix *-ly*; *prick-li-ness*. Also *prick-et*, Spenser, Shep. Kal., Dec. 1. 27, a buck in his second year, so named from his young horns; also *prick-song*, Rom. and Juliet, ii. 4. 21, for *pricked song*, i.e. song pricked down or written, spelt *prykked songe*, Bury Wills, p. 18, l. 27.

**PRIDE**, the feeling of being proud. (F.—L.) ME. *pride*, *pryde*, P. Plowman, B. v. 15; spelt *pruide*, id. A. v. 15; *prude*, id. C. vi. 118, Ancrén Riwe, p. 140, l. 6. AS. *prýte*, pride, Ælfrie's Homilies, ii. 220, l. 32. (Thus *pride* is a weakened form of *prite*.) β. The AS. *prýte* is regularly formed from the adj. *prūt*, proud, with mutation of *ū* to *ȳ*; see **PROUD**. We find also AS. *prūting*, pride; Mone, Quellen, p. 355, col. 1. Cf. Icel. *prýði*, an ornament, from *prūðr*, proud; both borrowed from E., but they exhibit the length of the vowel. Der. *pride*, vb. reflexive.

**PRIEST**, a presbyter, one in holy orders, above a deacon and below a bishop. (L.—Gk.) ME. *preest*, Chaucer, C. T. 505; *preost*, Ancrén Riwe, p. 16, l. 25. AS. *prēost*, Laws of K. Edgar, i. 2 (see Thorpe's Ancient Laws, i. 262); and, earlier, in the Laws of Ethelbert, § 1 (id. p. 2). Contracted from L. *presbyter* (<Gk. *πρεσβύτερος*), as clearly shown by the OF. *prestre* (13th cent.), mod. F. *prêtre*; OSax. *prēstar*, G. *priester*. Cf. *Prester John* in Mandeville's Travels, where *prester* (like AS. *prēost*) seems to have arisen from \**prevster*, for \**preb(y)ster*, a mistaken form of *presbyter*. β. *πρεσβύτερος* is comp. of *πρεσ-* *bus*, Doric *πρεσ-γυς*, old; cf. L. *pris-cus*, ancient. Der. *priest-ess* (with F. suffix); *priest-hood*, AS. *prēost-hād*, Ælfred, tr. of Bede, b. i. c. 7 (near beginning); *priest-craft*; *priest-ly*, Pericles, iii. 1. 70; *priest-li-ness*; *priest-ridden*. Doublet, *presbyter*.

**PRIG** (1), to steal. (E.) This is a cant term of some antiquity; *prig*, sb., a thief, occurs in Shak. Wint. Ta. iv. 3. 108. It arose in the time of Elizabeth, and is merely a cant modification of E. *prick*, which orig. meant to ride, as in Spenser, F. Q. i. 1. 1, P. Plowman, B. xviii. 11, 25. Hence it came to mean to ride off, to steal a horse, and so, generally, to steal. This we learn from Harman's Caveat, 1567, where we find: 'to *prygge*, to ryde,' p. 84, col. 3; and at p. 42: 'a *prigger* of *prancers* be horse-stealers; for to *prigge* signifieth in their language to steale, and a *prancer* is a horse.' Again, at p. 43, he tells how a gentleman espied a *pryggar*, and charged 'this prity *prigging* person to walke his horse well' for him; whereupon 'this peltynge *priggar*, proude of his praye, walkethe his horse vp and downe tyll he sawe the Gentleman out of sighte, and leapes him into the saddell, and awaye he goeth a-mayne.' That is how it was done. We find a similar weakening of *k* to *g* in Lowl. Sc. *prigga-trout*, a banstickle, or stickleback (evidently for *pricker-trout*), and in Lowl. Sc. *prigmedainty*, the same as *prickmedainty*, one who dresses in a finical manner (or as we now say, a *prig*). Halliwell also gives *prygman*, a thief, which occurs in Awdelay's Fraternyte of Vacabondes, ed. Furnivall, p. 3; and *prig*, to ride, in Dekker's Lanthorne, sig. C. ii. So also *trigger* stands for *tricker*.

**PRIG** (2), a pert, pragmatical fellow. (E.) 'A cane is part of the dress of a *prig*;' Tatler, no. 77 (1709). From the verb to *prick*, in the sense to trim, adorn, dress up; Latimer (Works, i. 253, Parker Soc.) speaks of women having 'much *pricking*,' and inveighs against their '*pricking up* of themselves.' Cf. Lowl. Sc. *prig-me-dainty* for

*prick-me-dainty*, a prig, which occurs in Udall, Roister Doister, ii. 3, ed. Arber, p. 36. See **Prig** (1).

**PRIM**, precise, affectedly neat or nice. (F.—L.) Bailey (vol. i. ed. 1735) has: 'to *prim*, to set the mouth conceitedly, to be full of affected ways.' Phillips, ed. 1706, has: 'to *prim*, to be full of affected ways, to be much conceited.' An older example is *prym*, sb. a neat girl, in Barclay's Fifth Eclogue, cited in Nares. [From the E. word are derived the Lowland Scotch *primp* (with excrement *p*), to assume prudish or self-important airs, to deck oneself in a stiff and affected manner (Jamieson); and *primzie*, demure, in Burns, Hallowe'en, st. 9.] **β**. The sense of 'slender' or 'delicate' is the orig. one, as shown in Cotgrave.—MF. *prim*, masc., *prime*, fem., 'prime, forward'; also *prin*, 'thin, subtil, piercing, sharp'; also *prime*, both masc. and fem., 'thin, slender, exile, small; as *cheveux primes*, smooth or delicate hair'; Cot. This last example comes sufficiently near to the E. use. **γ**. The MF. *prim* (corrupter form *prin*) is from the L. masc. acc. *primus*; the form *prime* answers to the L. fem. *prima*. The nom. case is *primus*, first, chief; see **Prime** (1). So also mod. Prov. *prim*, m., *primo*, f., fine, delicate (Mistral). Cf. also prov. E. *prime*, to trim trees; and the phrase 'to *prime* a gun'; see **Prime** (2). ¶ The sense of 'thin' as derived from that of 'first' or 'foremost' is hard to account for; perhaps there is an allusion to the growth of newly grown shoots and buds; cf. *filer prim*, 'to run thin, or by little and little'; Cot. In E., it is possible that the sense of *prim* was affected by some confusion with the old verb *prink*, to adorn, dress well, be smart and gay, to be pert or forward (Halliwell); which is merely a nasalised form of the verb *to prick*, used in the sense of 'to trim' by Palsgrave and others; cf. Lowland Scotch *prickmaleerie*, stiff and precise, *prickmedainty*, finical (Jamieson). Der. *prim-ly*, *prim-ness*.

**PRIME** (1), first, chief, excellent. (F.—L.) ME. *prime*, properly an adj. (as in Temp. i. 2. 72), but almost always used of 'prime,' the first canonical hour, as in Ancrén Riwe, p. 20, Chaucer, C. T. 12596 (C 662), &c.—F. *prime*, 'the first hour of the day,' Cot. [A fem. form, the OF. masc. being *prim*.]—L. *prima*, i. e. *prima hōra*, the first hour; fem. of *primus*, first. **β**. *Primus* is a superl. form, and stands for \**pris-mus*; cf. *pris-cus*, ancient; Bruggmann, i. § 868, ii. § 72. The suffix is the same as in *min-i-mus* (where *-mu-* is the Idg. superl. suffix *-mo-*, appearing also in AS. *for-ma*, Goth. *fru-ma*, first. See **Prior**. Der. *prime*, sb., as already explained; *prime-number*, *prime-minister*; *prim-ar-y*, Phillips, ed. 1706, from L. *primārius*; *prim-ar-i-ly*. Also *prim-ate*, ME. *primat*, Layamon, 29736, from OF. *primat*, 'a primat or metropolitan,' Cot., which from L. *primātem*, acc. of *primās*, a principal or chief man; *primat-ship*; *prim-ac-y*, from AF. *primacie*, Polit. Songs, ed. Wright, p. 311; cf. MF. *primace*, 'primacy,' Cot. Also *prim-er*, P. Plowman, C. vi. 46, from OF. *primer*, variant of *premier* (see Supplement to Godefroy), from L. *primārius*, primary; and hence, an elementary book. Also *prima-donna*, from Ital. *prima*, first, chief, and *donna*, lady, L. *domina*; see **Dame**. Also *prim-al*, Hamlet, iii. 3. 37; *prim-y*, id. i. 3. 7; *prim-er-o*, q. v. And see *prime-val*, *prim-it-ive*, *prime-ge-ni-ture*, *prim-ordial*, *prim-rose*, *prince*, *prior*, *pristine*, *priest*, *presbyter*, *premier*, and *prime* (2).

**PRIME** (2), to put powder on the nipple of a fire-arm, to make a gun quite ready. (F.—L.) 'Neither had any [of us] one piece of ordinance *primed*;' Hakluyt's Voyages, vol. ii. pt. ii. p. 61. It is not quite clear how the word came into use; perhaps we may look upon *prime* as expressing 'to put into *prime* order,' to make quite ready; from *prime* in the sense of 'ready'; see Nares. But whatever the exact history may be, we may be sure that the etymology is from the E. adj. *prime*. Cf. prov. E. *prime*, to trim trees (Halliwell). See **Prime** (1), and **Prim**. Der. *prim-ing*.

**PRIMERO**, an old game at cards. (Span.—L.) Cotgrave translates MF. *prime* by 'primero at cards,' &c.; and see Shak. Merry Wives, iv. 5. 104.—MSpan. *primera*, 'the game called Primero at cards,' Minshew (1623); the E. form being incorrect. Fem. of Span. *primero*, first. But the game is obsolete, and little is known about it; it probably derives its name from some chief or principal card.—L. *primārius*, primary; from *primus*, first; see **Prime** (1).

**PRIMEVAL**, original, lit. belonging to the first age. (L.) Also spelt *primaval*. In Pope, Dunciad, iv. 630. A coined word; an older form was *primevous*, in Blount's Gloss., ed. 1674.—L. *primævus*, primeval.—L. *prim-*, for *primus*, first; and *ævum*, an age. See **Prime** (1) and **Age**.

**PRIMITIVE**, original, antiquated. (F.—L.) In Shak. Troil. v. i. 60.—F. *primitif*, masc., *primitive*, fem., 'primitive,' Cot.—L. *primitivus*, earliest of its kind; extended from *primus*, first. See **Prime** (1). Der. *primitive-ly*, *-ness*.

**PRIMOGENITURE**, a being born first, the right of inheritance of the eldest-born. (F.—L.) Blount, in his Gloss., ed. 1674,

says that the word is used by Sir T. Browne; see his Vulgar Errors, bk. vii. c. 5. § 2.—MF. *primogeniture*, 'the being eldest, the title of the eldest,' Cot. Formed as if from a L. \**primogenitūra*.—L. *primogenitus*, first-born.—L. *primo-*, for *primus*, first; and *genitus*, pp. of *gignere* (base *gen*), to beget, produce. See **Prime** (1) and **Genus**.

**PRIMORDIAL**, original. (F.—L.) Used as a sb., with the sense of 'beginning,' by Skelton, Why Come Ye Nat to Courte, l. 486.—F. *primordial*, 'originall,' Cot.—L. *primordiālis*, original.—L. *primordium*, an origin.—L. *prim-*, for *primus*, first; and *ordiri*, to begin, allied to *ordo*, order. See **Prime** (1) and **Order**.

**PRIMROSE**, the name of a spring flower. (F.—L.) A. 'Two noble *primroses*;' Ascham, Scholemaster, pt. i., ed. Arber, p. 66. Cf. 'Prymerose, primula;' Prompt. Parv.—F. *prime rose*, lit. first rose, so called because it comes early in the spring.—L. *prima rosa*; see **Prime** (1) and **Rose**. B. The above is the popular and obvious etymology of the word as it stands; but *primrose* is, historically, a corruption (due to popular etymology) of ME. *primerole*, a primrose, Chaucer, C. T. 3268; from OF. *primerole* (Godefroy). This answers to a Late L. type \**primerula*, a regular dimin. of Late L. *primula*, a primrose (see Prompt. Parv.), now the botanical name. Again, *primula* is a dimin. form from *primus*; see **Prime** (1), as before. ¶ The name *primrose* was sometimes given to the daisy.

**PRINCE**, a chief, sovereign, son of a king. (F.—L.) ME. *prince*, St. Marharete, ed. Cockayne, p. 2, l. 15.—F. *prince*. Cf. Ital. *principe*.—L. *principem*, acc. of *principes*, taking the first place, hence, a principal person.—L. *prin-* (for *prim-* before *c*), from *primus*, first; and *capere*, to take. See **Prime** (1) and **Capital**. Der. *prince-dom*; *prince-ly*, Temp. i. 2. 86, *prince-ly*, adv., *prince-li-ness*. Also *princ-ess*, ME. *princesse*, Prompt. Parv., from F. *princesse*, Cot. And see **Principal**, **Principle**.

**PRINCIPAL**, chief. (F.—L.) ME. *principal*, *princypal*, Rob. of Glouc., p. 446, l. 9154.—F. *principal*, 'principall,' Cot.—L. *principālis*, chief; formed, with suffix *-ālis*, from *princip-*, stem of *principes*; see **Prince**. Der. *principal-ly*; *principal-i-ty*, ME. *principalitee*, Prompt. Parv., from OF. *principalité*, which from L. acc. *principālitatem*, orig. meaning 'excellence.'

**PRINCIPLE**, a fundamental truth or law, a tenet, a settled rule of action. (F.—L.) Used by Spenser with the sense of 'beginning;' F. Q. v. 11. 2. The *l* is an E. addition to the word, as in *participle*, *syllable*.—F. *principe*, 'a principle, maxime; also, a beginning,' Cot.—L. *principium*, a beginning.—L. *principi-*, decl. stem of *principes*, chief; see **Prince**. Der. *principl-ed*, *un-principl-ed*.

**PRINT**, an impression, engraving, impression of type on paper. (F.—L.) It would appear that *print* is short for *emprint*, or rather for the F. form *empreinte*; cf. in *emprinte*, i. e. in *print*, in Dictes and Sayings, pr. by Caxton, fol. 73 back, l. 3. The use of the word is much older than the invention of printing. ME. *printe*, *prente*. In Chaucer, C. T. 6186, Six-text, D 604, the Wife of Bath says: 'I hadde the *prente* of seynt Venus seel.' In three MSS. it is spelt *prunte*; in one MS. it is *preente*. It is also spelt *preente*, *preynte* in the Prompt. Parv. 'And to a badde peny, with a good *preynte*;' Plowman, C. xviii. 73. Formed, by loss of the first syllable, from OF. *empreinte*, 'a stamp, a print,' Cot., in use in the 13th century (Littré).—OF. *empreinte*, fem. of *emprint*, pp. of *empreindre*, 'to print, stamp,' Cot.—L. *imprimere*, to impress.—L. *im-*, for *in* before *p*, upon; and *primere*, to press. See **Im-** (1) and **Press**. ¶ The MDu. *print*, a print, was prob. borrowed from English rather than from French. Der. *print*, verb, ME. *preenten*, Prompt. Parv., later *prunte*, Surrey, in Tottel's Miscellany, ed. Arber, p. 7, l. 14. Also *print-er*, *print-ing*, *im-print*.

**PRIOR** (1), former, coming before in time. (L.) The use of *prior* as an adj. is modern; see example in Todd's Johnson.—L. *prior*, sooner, former. **β**. It is a comparative form from a positive *pris-*; cf. Gk. *πρό-τερος*, former, Skt. *pra-ta-ma-*, first; and see **Pro-**. Der. *prior-i-ty*, Cor. i. 1. 251, from F. *priorité*, 'priority,' Cot., from Late L. acc. *prioritatem*. And see **Prior** (2), **Pristine**.

**PRIOR** (2), the head of a priory or convent. (F.—L.) Now conformed to the L. spelling. ME. *priour*, Rob. of Brunne, tr. of Langtoft, p. 333, l. 10.—OF. *priour*, later *prieur*, 'a prior,' Cot.—L. *priorem*, acc. of *prior*, former, hence, a superior; see **Prior** (1). Der. *prior-ess*, Chaucer, C. T. 118, from OF. *prioress*, given by Littré, s. v. *prieure*. Also *prior-y*, ME. *priorie*, Havelok, 2581; *prior-ship*.

**PRISE, PRIZE**, a lever. (F.—L.) 'Prise, a lever;' Halliwell. It occurs in the legend of St. Erkenwald, l. 70. Hence 'to *prise* open a box,' or, corruptly, 'to *pry* open.' This seems to be nothing but a derivative of F. *prise* in the sense of a grasp, or hold; cf. *prise*, 'a lock or hold in wrestling, any advantage,' Cot.—F. *prise*, fem. of *pris*, pp. of *prendre*, to seize.—L. *prendere*, *prehendere*, to seize; see **Prehensile**. See **Prize** (1).

**PRISM**, a solid figure whose ends are equal and parallel planes,

and whose sides are parallelograms. (L.—Gk.) In Blount's Gloss., ed. 1674.—L. *prisma*.—Gk. *πίσμα* (stem *πρίσματ-*), a prism, lit. a thing sawn off.—Gk. *πρίειν* (for *\*πρίσ-ειν*), to saw. (Gk. *✓πρίσ*). Der. *prism-at-ic*, Pope, Essay on Criticism, 311; *prism-at-ic-all*, Blount; *prism-at-ic-al-ly*.

**PRISON**, a gaol, a place of confinement. (F.—L.) ME. *prison*, *prisonn*, Rob. of Glouc., p. 37, l. 875; *prison*, Ancrer Riwle, p. 126, l. 1; A. S. Chron. an. 1137.—OF. *prison*, *prison*; F. *prison*, 'a prison'; Cot. Cf. OProv. *preizos* (Bartsch); Span. *prision*, a seizure, prison; Ital. *prigione*.—L. acc. *prisionem*, acc. of *prisio*, a seizing; with loss of *n* before *s*. β. *Prisio* is short for *prehensio*, formed from *prehensum*, supine of *prehendere*, to seize; see **PREHENSILE**. Der. *prison-er*, Will. of Palerne, 1267; in Gen. and Exod., ed. Morris, 2042, it means 'the keeper of a prison,' a gaoler.

**PRISTINE**, ancient, former. (F.—L.) In Mach. v. 3. 52. [Formerly, the word *pristinate* was also in use; Sir T. Elyot, The Governor, b. i. c. 2. § 13.]—MF. *pristine*, 'former, old, ancient'; Cot.—L. *pristinus*, ancient, former. β. The syllable *pris-* occurs also in *pris-cus*, ancient; cf. Gk. *πρίσ-δus*, old; and see **PRIME** (1). γ. The suffix *-tinus* is the same as in *cras-tinus*, *diu-tinus*; perhaps from *ten-*, base of *ten-ēre*, to hold.

**PRIVATE**, apart, retired, secret, not publicly known. (L.) Common in Shak.; and see Minsheu and Levins.—L. *privātus*, apart; pp. of *privāre*, to bereave, make single or apart.—L. *privus*, single. Der. *private-ly*, *private-ness*; *privat-ive*, causing privation, in Blount's Gloss., ed. 1674, from F. *privatif*, or directly from L. *privātus*; *privat-ive-ly*; *privac-y*, Minsheu, a coined word, the MF. word being *privanté* (Cot.). Also *privat-ion*, from F. *privation*, 'privation,' Cot. Also *privat-er*, in Phillips, ed. 1706, an armed private vessel; a coined word. And see *privilege*, *de-privé*. Doublet, *privy*, q. v.

**PRIVET**, a half-evergreen shrub. (F.—L.) Also called *prim-print*, *prim*, and *primet*. 'Mondhout, privet, prime-print, or white-withbinde;' Hexham's Du. Dict. 'Priuet or primprint;' Holland's Pliny, Index to vol. ii. 'Priuet or primprint;' Topsell's Hist. of Serpents, p. 103 (Halliwell). 'Priuet or primpriuet [misprinted *primpriuet*] tree;' Minsheu, ed. 1627. Cotgrave explains MF. *fresillon* and *troesne* by 'privet, primprint.' Florio, ed. 1598, explains Ital. *ligustro* by 'the priuet or primeprint tree.' In Tusser's Husbandry, ed. Herrtage (E.D.S.), § 15. st. 42, we find the forms *pruiue* and *prim*. In the Grete Herball (as cited in Prior, Popular Names of British Plants), we find the form *primet* applied to the *primrose*; the confusion being due to the fact that the Lat. *ligustrum* was applied to both plants. 'Ligustrum, a primerose;' Voc. 592. 41; so also OF. *primerole*, 'ligustrum;' Godefroy. β. It thus appears that the orig. short name was *prim*, whence the dimin. *prim-et*, corruptly *priv-et*, or (by elision of the *e*) *prim't* or *print*. The form *prim-print* (= *prim-prim-et*) is a reduplicated one. And the syllable *prim-* is clearly due to a connexion with OF. *primerole*; perhaps from association with spring-time. See **PRIME** (1). γ. Sometimes said to be so named from its being formally cut and trimmed; cf. prov. E. *prime*, to trim trees; see **PRIM**; but this seems to be baseless, and will not explain why the OF. name was *primerole*. The mod. Prov. *primet*, adj., means 'very small.' ¶ No connexion with the river called *Pryfetes-flöd*, A. S. Chron. an. 755, or with *Privet*, near Petersfield, Hants.

**PRIVILEGE**, a prerogative, peculiar advantage. (F.—L.) ME. *priviilege* (with *u=v*); earliest form *privilegie*, A. S. Chron. an. 1137.—OF. *privilege*, 'a privileged'; Cot.—L. *privilegium*, (1) a bill against a person, (2) an ordinance in favour of a person, a privilege. β. Properly a law relating to a single person.—L. *privi-* for *privus*, single; and *lēgi-*, decl. stem of *lex*, a law. See **PRIVATE** and **LEGAL**.

**PRIVY**, private. (F.—L.) ME. *prive*, *privee* (with *u=v*), Layamon, 6877, later text.—OF. *prive*, *preve* (mod. F. *privé*); a pp. form.—L. *privātus*, private; see **PRIVATE**. Der. *privy-council*, *privy-council-lor*, *privy-purse*, *privy-seal*. Also *privy*, sb., ME. *prive*, *privee*, Chaucer, C. T. 9828 (E 1954); *privi-ly*; *privi-ty*, ME. *priviite* (= *privitee*), Ancrer Riwle, p. 152, l. 14.

**PRIZE** (1), that which is captured from an enemy, that which is won in a lottery or acquired by competition. (F.—L.) 'As his owne prize;' Spenser, F. Q. iv. 4. 8.—F. *prise*, 'a taking, a seizing, . . . a booty, or prize;' Cot. Orig. fem. of *pris*, pp. of *prendre*, to take.—L. *prendere*, *prehendere*, to take, seize; see **PREHENSILE**. Der. *prize-court*, *-fighter*, *-money*.

**PRIZE** (2), to value highly. (F.—L.) In Shak. Temp. i. 2. 168. ME. *prisen*, to set a price on (Prompt. Parv.—F. *priser*, 'to prise, esteem, . . . to set a price on'—OF. *pris*, 'a price, rate,' id.; mod. F. *prix*.—L. *pretium*; see **PRICO**. Der. *prize*, sb., Cymb. iii. 6. 77.

**PRIZE** (3), to open a box; see **PRISE**.

**PRO-**, prefix, before, forward, in front. (L.; or Gk.; or F.—L.)

This prefix may be either F., L., or Gk. If F., it is from Latin.—L. *prō-*, prefix, before; whence *prō* (= *prōd*), an ablative form, used as a preposition.—Gk. *προ-*, prefix, and *πρό*, prep., before; Skt. *pra-*, prefix; *pra*, before, away. All allied to E. *for*, prep.; see **FOR** (1). Der. Cf. *pre-*, prefix; *pro-ue*, *pro-w*, *provost*, &c.

**PROA, PROW, PRAU**, a small vessel or ship. (Malay). Sir T. Herbert, Travels, ed. 1665, p. 385, notes *prau* as a Malay word. 'Prawes and boats;' (1599) J. Davis, Voy., Hakluyt Soc. p. 143. It is gen. spelt *proa* in mod. books of travel.—Malay *prau*, 'a general term for all vessels between the *sampun* or canoe, and the *kapal* or square-rigged vessel;' Marsden's Dict., p. 222.

**PROBABLE**, that may be proved, likely. (F.—L.) In Shak. As You Like It, iii. 5. 11.—F. *probable*, 'probable, proveable;' Cot.—L. *probabilem*, acc. of *probabilis*, that may be proved; formed with suffix *-bilis* from *probā-re*, to prove; see **PROVE**. Der. *probabil-y*; *probabili-ty*, from F. *probabilité*, 'probability;' Cot. And see *probation*.

**PROBATION**, a trial, time of trial or of proof. (F.—L.) In Shak. even used with the sense of 'proof,' Mach. iii. 1. 80. ME. *probacion*, Caxton, Golden Legend, Of the Resurrection, § 1.—F. *probation*, 'a probation, proof;' Cot.—L. *probationem*, acc. of *probatio*, a trial, proof.—L. *probāre*, to prove; see **PROVE**. Der. *probation-al*, *probation-ar-y*, *probation-er*. Also *probate*, proof of a will; 'probates of testaments,' Hall's Chron., Hen. VIII, an. 17, § 21, from L. *probātus*, pp. of *probāre*. Also *probat-ive*, *probat-or-y*. And see *probable*, *probe*, *probity*.

**PROBE**, an instrument for examining a wound. (L.) 'Probe, a chirurgians proove,' &c.; Minsheu, ed. 1627. Apparently a coined word; cf. L. *proba*, a proof.—L. *probāre*, to prove; see **PROVE**. ¶ Similarly, Span. *tienta*, a probe, is from L. *tentāre*, to search into. Der. *probe*, verb, Dryden, Hind and Panther, iii. 80.

**PROBITY**, uprightness, honesty. (F.—L.) In Blount's Gloss., ed. 1674.—F. *probité*, 'honesty;' Cot.—L. *probitatem*, acc. of *probitas*, honesty.—L. *probi-*, for *probus*, honest; with suffix *-tās*. Root uncertain. See **PROVE**.

**PROBLEM**, a question proposed for solution, esp. a difficult one. (F.—L.—Gk.) ME. *probleme*, Chaucer, C. T. 7801 (D 2219).—OF. *probleme*, 'a problem,' Cot. Mod. F. *problème*.—L. *problēma*.—Gk. *πρόβλημα*, anything thrown forward, a question put forward for discussion.—Gk. *πρό*, forward; and *βλήμα*, a casting, formed with suffix *-μα* from *βλη-*, lengthened grade of *βελ-*, whence also *βάλλειν*, to cast. See **PRO-** and **BELEMNITE**. Der. *problematic*, from the stem *προβληματ-*; *problematic-al*, *-ly*.

**PROBOSCIS**, the trunk of an elephant. (L.—Gk.) 'Their long snoute or trunk, which the Latins call a *proboscis*;' Holland, tr. of Pliny, b. viii. c. 7.—L. *proboscis*.—Gk. *προβοσκίς*, an elephant's trunk; lit. 'a front-feeder.'—Gk. *πρό*, before, in front; and *βόσκειν*, to feed. See **PRO-** and **BOTANY**.

**PROCEED**, to advance. (F.—L.) ME. *proceden*, Gower, C. A. i. 17; prol. 405.—OF. *proceder*, 'to proceed,' Cot.—L. *prōcēdere*.—L. *prō-*, before; and *cēdere*, to go; see **PRO-** and **CEDERE**. Der. *proceed-ing*, Two Gent. ii. 6. 41; *proceed-ure*, from MF. *procedure*, 'a procedure,' Cot.; *proceed-s*, sb. pl. Also *process*, ME. *processe*, Chaucer, C. T. 2969 (A 2967), OF. *proces* (14th cent.), later *procēs* (mod. F. *procès*), 'a proces or sute,' Cot., from L. *processum*, acc. of *processus*, a progress, which from *processus*, pp. of *prōcēdere*. Also *process-ion*, ME. *processiun*, *processiun*, Layamon, 18223, from F. *procession* < L. acc. *processionem*, an advance. Hence *process-ion-al*.

**PROCLAIM**, to publish, announce aloud. (F.—L.) ME. *proclamen*, Gower, C. A. i. 6; prol. 88.—F. *proclamer*, 'to proclaim,' Cot.—L. *prōclāmāre*.—L. *prō-*, before; and *clāmāre*, to cry aloud; see **PRO-** and **CLAIM**. Der. *proclaim-er*; *proclam-at-ion*, All's Well, i. 3. 180, from F. *proclamation* < L. acc. *prōclāmationem*.

**PROCLITIC**, a monosyllable which is so closely connected with the following word as to have no independent accent. (Gk.) In Greek grammar; from a form *\*προκλιτικός*, coined (like *ἐγκλιτικός*) from *προκλίνειν*, to lean forward.—Gk. *πρό*, before, forward; and *κλίνειν*, to lean, cognate with E. *lean*; see **LEAN** (1).

**PROCLIVITY**, a tendency, propensity. (L.) Spelt *proclinitie* in Minsheu, ed. 1627; he also has the obsolete adj. *proclive* = *proclive*. Englished directly from L. *prōclivitas*, a declivity, propensity.—L. *prōclivus*, sloping forward or downward.—L. *prō-*, before; and *clivus*, a slope, hill, allied to *clināre*, to bend, incline, which is allied to E. *lean*. See **PRO-**, **DECLIVITY**, and **LEAN** (1).

**PROCONSUL**, orig. the deputy of a consul. (L.) In Cymb. iii. 7. 8; and in Caxton, Golden Legend, St. John, § 6.—L. *prōconsul*.—L. *prō-*, in place of; and *consul*; see **PRO-** and **CONSUL**. ¶ Similarly, *pro-frator*. Der. *proconsul-ate*, *proconsul-ar*.

**PROCRASTINATE**, to postpone, delay. (L.) In Shak. Com. Errors, i. 1. 159.—L. *procrastināt-us*, pp. of *procrastināre*, to put off

till the morrow, delay. — *L.* *prō-*, forward, hence, off; and *crastin-us*, put off till the morrow, belonging to the morrow. *β.* *Crastinus* is compounded of *cras*, to-morrow, and *-tinus*, perhaps allied to *tenuis*, lit. stretching or reaching onward, from *✓TEN*, to stretch. *Der.* *procrastin-ation*, from *F.* *procrastination*, 'a procrastination, delay,' Cot. < *L.* acc. *procrastinātionem*; *procrastinat-or*.

**PROCREATE**, to generate, propagate. (*L.*) In Minsheu, ed. 1627. — *L.* *prōcreātus*, pp. of *prōcreāre*, to generate, produce. — *L.* *prō-*, forth; and *creāre*, to create, produce; see **Pro-** and **Create**. *Der.* *procreat-ion*, Chaucer, C. T. 9322 (E 1448), from OF. *procreation* < *L.* acc. *prōcreātiōnem*. Also *procreat-or*, *procreat-ive*; *procreant*, Macb. i. 6. 8, from *prōcreant-*, stem of pres. part. of *L.* *prōcreāre*.

**PROCTOR**, a procurator, an attorney in the spiritual courts, an officer who superintends university discipline. (*L.*) In Minsheu, ed. 1627. ME. *proketour*, spelt *proketowre* in Prompt. Parv., where it is explained by *L.* *prōcūrator*. And, whilst *proctor* is a shortened form of *prōcētōr* (in three syllables), the latter is in its turn an abbreviated form of *prōcūrator*. See further under **Procure**. *Der.* *proctor-ship*; *proctor-i-al*; *proxy*. Doublet, *procurator*.

**PROCUMBENT**, prostrate, lying on the ground. (*L.*) Kersey, ed. 1715, gives *procumbent leaves* as a botanical term. — *L.* *prōcumbent-*, stem of pres. part. of *prōcumbere*, to incline forward. — *L.* *prō-*, forward; and *-cumbere*, to lean or lie upon (only used in compounds), a nasalized form of *cubāre*, to lie down. See **Pro-** and **Incubus**.

**PROCURE**, to obtain, cause, get. (*F.*—*L.*) ME. *procuren*, Rob. of Brunne, p. 257, l. 20. — *F.* *procurer*, to procure, get. — *L.* *prōcūrāre*, to take care of, attend to, manage. — *L.* *prō-*, for, in behalf of; and *cūrāre*, to take care of, from *cūra*, care. See **Pro-** and **Cure**. *Der.* *procur-able*, *procur-er*, *procur-ess*, *procur-ment*. Also *procur-at-or*, ME. *procuratour*, also *procutour*, *procatour*, Chaucer, C. T. 7178 (D 1596, Six-text edition), from OF. *procurator*, in use in the 13th century (Littré), mod. *F.* *procurateur*, from *L.* *prōcūrātōrem*, acc. of *prōcūrator*, a manager, agent, deputy, viceroy, administrator; the more usual *F.* form is *procoreur* (see Cotgrave), and the more usual *E.* form is the much abbreviated *proctor*, q. v. Also *procurat-ion*, Minsheu, ed. 1627, from *F.* *procurat-ion*, 'a procurat-ion, a warrant or letter of attorney,' Cot. Also *proxy*, q. v.

**PROD**, a pointed stick for making holes, a skewer, peg. (Scand.) A variant of *brod*, a goad, short nail, awl. 'A *brod*, stimulus,' Catholicon Anglicum (1483). — Norw. and MSwed. *brodd*, Icel. *broddr*, a prick, goad; see **Brad**. *Der.* *prod*, vb. 'to poke.'

**PRODIGAL**, wasteful, lavish. (*F.*—*L.*) Spelt *prodigall* in Levins and Palsgrave. 'Some *prodigallie* spend and waste all their gooddes;' Golden Boke, c. 45. [The sb. *prodegalite* (so spelt) occurs in Gower, C. A. iii. 153; bk. vii. 2026.] — *F.* *prodigal*, 'prodigall,' Cot. — Late *L.* *\*prōdigālis*, not found, though the sb. *prōdigalitās* occurs; see Ducange. — *L.* *prōdigus*, wasteful. — *L.* *prōdigere*, to drive forth or away, squander, waste. — *L.* *prōd*, forth, older form of *prō*, allied to *pro-*, prefix; and *agere*, to drive. See **Pro-** and **Agent**. *Der.* *prodigal-ly*; *prodigal-i-ty*, from *F.* *prodigalité*, 'prodigality,' from *L.* acc. *prōdigalitatem*.

**PRODIGY**, a portent, wonder. (*F.*—*L.*) In Shak. Jul. Cæs. i. 3. 28, ii. 1. 198. Formed from *F.* *prodige*, 'a prodigy, wonder,' Cot.; by the addition of the *-y* so often appearing in words borrowed from French; thus we have *continency*, *excellency*, *fragrancy*, as well as *continence*, *excellence*, *fragrance*; the *E.* form answering to a possible AF. form *\*prodigie*. — *L.* *prōdigium*, a showing beforehand, sign, token, portent. *β.* Of uncertain origin; but prob. for *prōd-agiūm*, where *prōd*, forth, before, is an old form of *prō*, before; and *\*agiūm* means 'a saying,' as in the compound *ad-agiūm*, a saying, adage. Brugmann, i. § 759. In this case, the orig. sense is 'a saying beforehand,' hence a sign, prophecy, or token. See **Pro-** and **Adage**. *Der.* *prodigi-ous*, Spenser, F. Q. iv. i. 13, from *F.* *prodigieux*, 'prodigious,' Cot., which from *L.* *prōdigiosus*; *prodigious-ly*, -ness.

**PRODUCE**, to lead or bring forward, bear, yield, cause. (*L.*) In Shak. All's Well, iv. i. 6; and in Palsgrave. — *L.* *prōducere*, to bring forward. — *L.* *prō-*, forward; and *dūcere*, to lead, whence *E.* *duke*. See **Pro-**, **Duke**. *Der.* *produc-er*; *produce*, sb., formerly *produce*, as shown by an extract from Dryden, Ep. to John Dryden, 118, in Todd's Johnson. Also *produc-ible*, *produc-ible-ness*. Also *prōduct*, sb., Pope, Messiah, 94, accented *prōduct*, Milton, P. L. xi. 683, from *prōductus*, pp. of *prōducere*. Also *product-ion*, from *F.* *production*, 'a production, proof, evidence,' Cot., which from *L.* acc. *prōductiōnem*, orig. a lengthening, but in Late *L.*, the production of a document and even the document or proof itself. Also *product-ive*, *product-ive-ly*, *product-ive-ness*.

**PROEM**, a prelude, preface. (*F.*—*L.*—*Gk.*) Chaucer has the

spelling *proheme*, C. T. 7919 (E 43), where the *h* is merely inserted to keep the vowels apart. — OF. *proème*, 'a proem, preface,' Cot.; mod. *F.* *proème*. — *L.* *proœmium*. — *Gk.* *προοίμιον*, an introduction, prelude. — *Gk.* *πρό*, before; and *οἶμος*, a way, from *οἶ-*, 2nd grade of *✓EI*, to go, with Idg. suffix *-mo-*. See **Pro-** and **Itinerant**.

**PROFANE**, unholy, impious. (*F.*—*L.*) Commonly spelt *profane* in the 16th century; see Rich. II, v. i. 25 (first folio); and Robinson's tr. of More's Utopia, ed. Arber, p. 145, l. 6. — *F.* *profane*, 'prophane,' Cot. — *L.* *prōfānus*, unholy, profane. *β.* The orig. sense seems to have been 'before the temple,' hence, outside of the temple, secular, not sacred. — *L.* *prō-*, before; and *fānum*, a fane, temple. See **Pro-** and **Fane**. *Der.* *profane*, verb, Rich. II, iii. 3. 81; *profane-ly*, *profane-ness*; *profan-at-ion*, Meas. for Meas. ii. 2. 128, from *F.* *profanation*, 'a profanation or prophaning,' Cot., from *L.* acc. *prōfānātiōnem*. Also *profan-i-ty*, Englished from *L.* *prōfānitās*.

**PROFESS**, to own freely, declare openly, undertake to do. (*F.*—*L.*) Not orig. from *F.* *professer*, for this is a late form, in Palsgrave. The ME. word is *professed*, used as a pp.; 'Which in hire ordre was *professed*,' Gower, C. A. ii. 157; bk. v. 890. This is Englished from OF. *profes*, masc., *professe*, fem., applied in the same way; 'Qui devant iert nonain *professe*' = who was before a professed nun; Rom. de la Rose, 8844 (Littré). — *L.* *prōfessus*, manifest, confessed, avowed; pp. of *prōfiteri*, to profess, avow. — *L.* *prō-*, before all, publicly; and *fateri*, to acknowledge. See **Pro-** and **Confess**. *Der.* *profess-ed* (see above); *profess-ed-ly*; *profess-ion*, ME. *professioun*, *professiun*, Ancræn Riwe, p. 6, l. 20, from *F.* *profession*; *profess-ion-al*, *profess-ion-al-ly*; *profess-or*, i Hen. VI, v. i. 14, ME. *professour*, Trevisa, tr. of Higden, i. 7, from *L.* *prōfessor*, a public teacher; *profess-or-ial*, *profess-or-ship*.

**PROFFER**, to offer, propose for acceptance. (*F.*—*L.*) ME. *proffren* (with one *f*), Chaucer, C. T. 8028 (E 152); *profferen*, K. Alisaunder, 3539. — OF. *profrir*, *porofrir* (Godefroy), also AF. *profrer* (Bozon). — OF. *por-*, prefix, *L.* *prō*; and *ofrir*, *offrir*, from *L.* *offerre*, to offer. See **Pro-** and **Offer**. ¶ Not from MF. *proferer*, 'to produce,' Cot.; as the sense and usage show. The senses of *proffer* and *offer* are very near together. *Der.* *proffer-er*.

**PROFICIENT**, competent, thoroughly qualified. (*L.*) In Shak. i Hen. IV, ii. 4. 19. — *L.* *prōficiēnt-*, stem of pres. part. of *prōficere*, to make progress, advance. — *L.* *prō-*, forward; and *facere*, to make; see **Pro-**, **Fact**, and **Profit**. *Der.* *proficiency*, *proficiency-y*.

**PROFILE**, an outline, the side-face. (*Ital.*—*L.*) [Not a *F.*, but an *Ital.* word. The *F.* word was formerly spelt *porfil* or *pourfil*, which forms see in Cotgrave; hence ME. *purfiled*, bordered, Chaucer, C. T. 193.] 'Draw it in *profile*;' Dryden, Parallel of Poetry and Painting, § 9. 'Profile (*Ital.* *profilo*) that design which shows the side, . . . a term in painting;' Blount's Gloss., ed. 1674. — *Ital.* *profilo*, 'a border, a limning or drawing of any picture;' Florio. Hence *profilare*, 'to draw, to limne, to paint;' id. — *Ital.* *pro-*, before (= *L.* *prō-*); and *filo*, 'a thread, a line, a strike' [stroke], Florio; from *L.* *filum*, a thread. Thus the sense is a 'front-line' or outline. See **Pro-** and **File** (1). ¶ The mod. *F.* *profil* is (like the *E.* word) from the *Italian*. *Der.* *profile*, vb.; and see *purl* (3).

**PROFIT**, gain, benefit. (*F.*—*L.*) ME. *profit*, P. Plowman, B. prol. 169. — *F.* *profit*, 'profit;' Cot. [Cf. *Ital.* *profitto*.] — *L.* *prōfectum*, acc. of *prōfectus*, advance, progress. — *L.* *prōfectus*, pp. of *prōficere*, to make progress, advance, be profitable. — *L.* *prō-*, before; and *facere*, to make; see **Pro-** and **Fact**. *Der.* *profit*, vb. ME. *profiten*, Wyclif, Heb. iv. 2, from *F.* *profiter*; *profit-able*, Wyclif, 2 Tim. iii. 16; *profit-able-y*, *profit-able-ness*; *profit-ing*, *profit-less*.

**PROFLIGATE**, dissolute. (*L.*) Minsheu gives; 'to *profligate*, to ouerthrow, to vndoe, to put to flight;' ed. 1627. But it is properly a pp. used as an adj. Cf. 'thy father, . . . which hath *profligate* [put to flight] and discomfited so many of them;' Hall's Chron., Hen. VI, an. 31. — *L.* *prōfligātus*, pp. of *prōfligāre*, to dash to the ground, overthrow; whence *prōfligātus*, cast down, abandoned, dissolute. — *L.* *prō-*, forward; and *fligere*, to strike, dash. See **Pro-** and **Afflict**. *Der.* *profligate-ly*, -ness, *profligac-y*.

**PROFOUND**, deep, low, abstruse, occult. (*F.*—*L.*) In Early Eng. Poems and Lives of Saints, ed. Furnivall (Phil. Soc.), xvii. 221; and in Fisher's Works, ed. Mayor, p. 37, ll. 12, 16. — *F.* *profond*, 'profound,' Cot. — *L.* *prōfundum*, acc. of *prōfundus*, deep. — *L.* *prō-*, forward, hence, downward, far, deep; and *fundus*, the ground, bottom, cognate with *E.* *bottom*. See **Pro-**, **Found** (1), and **Bottom**. *Der.* *profound-ly*, *profound-ness*; also *profund-i-ty*, formerly *profoundyte*, Fisher, On the Seven Psalms, Ps. cii., p. 138, l. 28, from *F.* *profundité*, 'profundity,' Cot.

**PROFUSE**, liberal to excess, lavish. (*L.*) 'A rhetoric so *profuse*;' Chapman, tr. of Homer, Od. iii. 172. — *L.* *prōfusus*, pp. of *prōfundere*, to pour out. — *L.* *prō-*, forth; and *fundere*, to pour; see **Pro-** and **Fuse**. *Der.* *profuse-ly*, *profuse-ness*; *profus-ion*, from *L.* *prōfusio*.

**PROG**, to search for provisions; as sb., provisions. (*L.*) The sb.

is from the verb. Orig. 'to beg, demand'; see Todd's Johnson. App. a weakened form of ME. *prokken*; 'Prokkyng, or styfly askyn, procor'; Prompt. Parv. Prob. a monkish word; adapted from L. *procūre*, *procūri*, to demand.—L. *procus*, a suitor.—L. *proc-*, 2nd grade of *prec-*, in *prec-āri*, to pray. See **Pray**. Perhaps influenced by ME. *proccen*, *procker*, to procure, obtain; see Gloss. to Dest. of Troy and to Alexander and Dindimus, short for *procuren*; and a doublet of **Procure**.

**PROGENITOR**, a forefather, ancestor. (F.—L.) Now conformed to the L. spelling; but formerly *progenytour*, Sir T. Elyot, Castel of Helth, b. ii. c. 7; Fabyan, Chron. an. 1336–7, ed. Ellis, p. 416; Caxton, Reynard, p. 91.—F. *progeniteur*, 'a progenitor', Cot.—L. *prōgenitōrem*, acc. of *prōgenitor*, an ancestor.—L. *prō-*, before; and *genitor*, a parent, from ✓**GEN**, to beget, with suffix denoting the agent; see **Pro-** and **Genus**. See **Progeny**.

**PROGENY**, descendants, a race, offspring. (F.—L.) ME. *progenie*, Gower, C. A. ii. 166; bk. v. 1161; *progenye*, Wyclif, Gen. xliii. 7.—OF. *progenie*, 'a progeny'; Cot.—L. *prōgeniem*, acc. of *prōgeniēs*, lineage, progeny.—L. *prō-*, forth; and stem *gen-*, as in *gen-us*, kin, from ✓**GEN**, to beget. See **Progenitor**.

**PROGNOSTIC**, a foreshowing, indication, presage. (F.—L.—Gk.) 'The whiche . . . they adjudged for *pronostikyky*s and tokens of the kynges deth'; Fabyan, Chron. b. i. c. 246; ed. Ellis, p. 289.—OF. *pronostique* (14th cent.), *prognostique*, Cot.; mod. F. *pronostic* (Littré).—L. *prōgnōsticon*.—Gk. *προγνωστικόν*, a sign or token of the future.—Gk. *prō-*, before; and *γνωστικόν*, neut. of *γνωστικός*, good at knowing, which from *γνωστός*, *γνωτός*, known, *γινῶναι*, to know. See **Pro-** and **Gnostic**. Der. *prognostic*, adj. from Gk. *προγνωστικός*; *prognostic-ate*, spelt *pronosticate* in Palsgrave; *prognostic-at-ion*, spelt *pronostication* in Sir T. Elyot, Castel of Helth, b. iii. c. 4, from OF. *pronostication* or *prognostication*, 'a prognostication', Cot.; *prognostic-at-or*.

**PROGRAMME, PROGRAM**, a public notice in writing, a sketch of proceedings. (F.—L.—Gk.) The etymological spelling is *programme*, according to F. *programme*; but it is quite a modern word. We find the L. form *programma* in Phillips, ed. 1706, and in Todd's Johnson.—Gk. *πρόγραμμα*, a public notice in writing.—Gk. *προγράφειν*, to give public notice in writing.—Gk. *prō-*, before, publicly; and *γράφειν*, to write. See **Pro-** and **Graphic**.

**PROGRESS**, advancement. (F.—L.) In Spenser, F. Q. iii. 11. 20; Court of Love, 1067.—MF. *progrez*, 'a progression, going forward', Cot. Mod. F. *progrès*.—L. *progressum*, acc. of *progressus*, an advance.—L. *progressus*, pp. of *progredi*, to advance.—L. *prō-*, forward; and *gradī*, to walk, step, go. See **Pro-** and **Grade**. Der. *progress*, vb., accented *prōgress*, K. John, v. 2. 46; *progress-ion*, Chaucer, C. T. 3015 (A. 3013), from F. *progression* (not in Cotgrave, but found in 1425, see Hatzfeld), from L. acc. *progressionem*; *progress-ion-al*, Blount, ed. 1674; *progress-ive*, Phillips, ed. 1706; *progress-ive-ly*, -ness.

**PROHIBIT**, to hinder, check, forbid. (L.) In Minshew, ed. 1627, and in Palsgrave.—L. *prōhibitus*, pp. of *prōhibere*, to prohibit; lit. to hold before or in one's way.—L. *prō-*, before; and *habere*, to have, hold; see **Pro-** and **Habit**. Der. *prohibit-ion*, Cymb. iii. 4. 79, from F. *prohibition*, 'a prohibition', from L. acc. *prōhibitionem*; *prohibit-ive*; *prohibit-or-y*, from L. *prōhibitōrius*.

**PROJECT**, sb., a plan, purpose, scheme. (F.—L.) In Shak. Much Ado, iii. 1. 55.—MF. *project*, 'a project, purpose', Cot. Mod. F. *projet*.—L. *prōiectum*, acc. of *prōiectus*, pp. of *prōicere* (*prōicere*), to fling forth, cast out, hold out, extend; whence the sense to set forth, plan, not found in classical Latin.—L. *prō-*, forward; and *iacere*, to throw; see **Pro-** and **Jet** (1). Der. *project*, verb, to cast forward, Spenser, F. Q. vi. 1. 45; also, to plan, accented *prōject*, Antony, v. 2. 121; *project-ion*, also in the sense of 'plan' in Hen. V, ii. 4. 46, from F. *projection*, 'a projection, . . . extending out', Cot.; *project-or*; *project-ile*, in Phillips, ed. 1706, a coined word.

**PROLATE**, extended, elongated in the direction of the polar axis. (L.) Chiefly in the phrase 'prolate spheroid', Bailey's Dict., vol. i. ed. 1735. [*Prolate* is used as a verb by Howell; see Rich. and Todd's Johnson.]—L. *prōlātus*, lengthened, extended.—L. *prō-*, forward; and *lātus* (for *ilātus*), borne, from ✓**TEL**, to lift, bear; see **Pro-** and **Oblate**.

**PROLEPSIS**, anticipation. (L.—Gk.) A rhetorical term; in Phillips, ed. 1706. [Blount, ed. 1674, gives *prolepsie*, from MF. *prolepsie* in Cotgrave.]—L. *prōlēpsis*.—Gk. *πρόληψις*, an anticipation or anticipatory allusion.—Gk. *prō-*, before; and *λήψις*, a seizing, catching, taking, from *λήψ-ομαι*, fut. of *λαμβάνειν*, to seize. See **Pro-** and **Catalapsy**. Der. *prolep-tic*, as in 'proleptick disease, a disease that always anticipates, as if an ague come today at 4 o'clock, tomorrow an hour sooner', Phillips, ed. 1706, from Gk. *πρόληπτικός*, anticipating; *prolep-tic-al*, Blount's Gloss., ed. 1674; *prolep-tic-al-ly*.

**PROLETARIAN**, belonging to the lower orders, vulgar. (L.) 'Low proletarian tything men'; Butler, Hudibras, i. 1. 720. Formed with suffix *-an* from L. *prōletāri-us*, a citizen of the lowest class, but regarded as useful as being a parent.—L. *prōlē-*, for *prōlē-*, offspring; with suffix *-t-ārius*; see below.

**PROLIFIC**, fruitful. (F.—L.) Spelt *prolifick*, in Phillips, ed. 1706, and in Bp. Taylor, vol. i. ser. 23 (R.).—F. *prolifique*, 'fruitfull', Cot.—Late L. *\*prōlificus*, not recorded, though Ducange gives the derivatives *prōlificatio* and *prōlificātus*; it means 'producing offspring'.—L. *prōli-*, for *prōlē-*, offspring; and *-ficus*, making, from *facere*, to make; see **Fact**. β. L. *prōlē-*=*\*pro-olēs*; from *pro-*, before; and *\*olere*, to grow, whence the inceptive form *olescere*, appearing in *ad-olescere*, to grow up; see **Adolescent**, **Adult**. Cf. *sub-olēs*, *ind-olēs*. Der. *prolific-al*, Blount's Gloss., ed. 1674.

**PROLIX**, tedious, lengthy. (F.—L.) 'A longe and *prolix*e exhortacion'; Hall's Chron., Hen. VII, an. 6. § 3. G. Douglas has the corrupt form *prolixt*, Palace of Honour, pt. ii. st. 18, ed. Small. [The sb. *prolixity*, ME. *prolixitee*, is in Chaucer, C. T. 10719 (F 405), and Troilus, b. ii. l. 1564.]—F. *prolix*e, 'prolix', Cot.—L. *prōlixus*, extended, prolix. β. *Prōlixus* must be compared with *elixus*, soaked, boiled, allied to OL. *lixa*, water, and *liqūi*, *liquēre*, to flow. We then get the true sense; *prōlixus* means 'that which has flowed beyond its bounds', and the usual sense of 'broad' or 'extended' is clearly due to the common phenomenon of the enlargement of a pond by rain.—L. *prō-*, forward; and *-lixus*, supplying the place of the unrecorded pp. of *liqūi*, to flow. See **Pro-** and **Liquid**. Der. *prolix-ity* (see above), from OF. *prolixite*, in use in the 13th cent. (Littré); from L. acc. *prōlixitatem*, Brugmann, i. § 665.

**PROLOCUTOR**, the speaker, or chairman of a convocation. (L.) 'Prolocutor of the Convocation house, is an officer chosen by persons ecclesiasticall, publickly assembled by the Kings Writ at euery Parliament'; Minshew, ed. 1627.—L. *prōlocūtor*, an advocate.—L. *prō-*, before, publicly; and *locūtor*, a speaker, allied to *locūtus*, pp. of *loqui*, to speak. See **Pro-** and **Loquacious**.

**PROLOGUE**, a preface, introductory verses to a play. (F.—L.—Gk.) ME. *prologue*, Gower, C. A. prol. And see MSS. of the Cant. Tales.—F. *prologue*, 'a prologue, or fore-speech', Cot.—L. *prologus*.—Gk. *πρόλογος*, a fore-speech.—Gk. *prō-*, before; and *λόγος*, a speech; see **Pro-** and **Logic**.

**PROLONG**, to continue, lengthen out. (F.—L.) ME. *prolongen*. 'Purlongyn or prolongyn, or put fer a-wey'; Prompt. Parv. p. 417.—F. *prolonger*, 'to prolong, protract', Cot.—L. *prōlongāre*, to prolong.—L. *prō-*, forward, onward; and *longus*, long. See **Pro-** and **Long**. Der. *prolong-at-ion*, from F. *prolongation*, 'a prolongation', Cot.; cf. L. pp. *prōlongātus*. Doublet, *purlain*.

**PROMENADE**, a walk, place for walking. (F.—L.) In Blount's Gloss., ed. 1674, we find both *promenade* and *pourmenade*.—F. *promenade*, formerly *pourmenade*; Cot. gives only the latter form. Formed from OF. *pourmener* or *promener*, to walk, both of which forms are given in Cotgrave, the prefix being really the same (L. *prō-*) in either case. The suffix *-ade* is borrowed from the Prov. suffix *-ada*, for L. *-āta*, the fem. form of *-ātus*, the pp. suffix of the 1st conjugation.—L. *prōmināre*, to drive forwards, orig. to drive on by threats.—L. *prō-*, forward; and Late L. *mināre*, to drive on, allied to L. *mināri*, to threaten. See **Pro-** and **Menace**. Der. *promenade*, verb. Cf. *e-minent*, *im-minent*.

**PROMINENT**, projecting, conspicuous, eminent. (F.—L.) 'Some prominent rock'; Chapman, tr. of Homer, Iliad, xvi. 389.—F. *prominent*, 'prominent'; Cot.—L. *prōminēt-*, stem of pres. part. of *prōminere*, to project.—L. *prō-*, forth; and *-minere*, to jut, project. See **Menace**. Der. *prominent-ly*; *prominence*, from F. *prominence*, 'a prominence', Cot.

**PROMISCUOUS**, mixed, confused. (L.) In Minshew, ed. 1627; and in Cotgrave, to translate F. *promiscuē*.—L. *promiscuus*, mixed.—L. *prō-*, lit. forward, but here of slight force; and *misc-ere*, to mix, whence E. *mix*. See **Pro-** and **Miscellaneous**. Der. *promiscuous-ly*, -ness.

**PROMISE**, an engagement to do a thing, an expectation. (F.—L.) For *promes* or *promesse*. 'And this is the promise that he hath promised vs'; Bible, 1551, 1 John, ii. 25. 'Payre behestis and promysys'; Fabyan, Chron. an. 1336–7.—F. *promesse*, 'a promise', Cot. [Cf. Span. *promesa*, Ital. *promessa*, a promise.]—L. *prōmissa*, fem. of *prōmissus*, pp. of *prōmittere*, to send or put forth, to promise.—L. *prō-*, forth; and *mittere*, to send; see **Pro-** and **Mission**. Der. *promise*, verb (as above); *promis-er*, *promis-ing*, *promis-ing-ly*; *promis-or-y*, formed with suffix *-y* (<L. *-ius*) from the (rare) L. *prōmissor*, a promiser.

**PROMONTORY**, a headland, cape. (L.) In Shak. Temp. v. 46. Englied from L. *prōmontōrium*, a mountain-ridge, headland; cf. F. *promontoire* (Cot.).—L. *prō-*, forward; *mont-*, stem of *mons*, a mountain; and the adj. neut. suffix *-ōrium*. See **Pro-** and **Mountain**.

**PROMOTE**, to further, advance, elevate. (L.) 'A great furtherer or promoter;' Fabyan, Chron. an. 1336-7, ed. Ellis, p. 445. 'He was promoted to so high an office;' Grafton, Chron. Hen. VI, an. 14 (R.).—L. *promōtus*, pp. of *promouēre*, to promote, further.—L. *prō-*, forward; and *mouēre*, to move; see **Pro-** and **Move**. Der. *promot-er*; *promot-ion*, ME. *promocion*, Prompt. Parv., from F. *promotion*, from L. acc. *promōtiōnem*.

**PROMPT**, prepared, ready, acting with alacrity. (F.—L.) 'She that was prompte and redy to all euyl;' Fabyan, Chron. vol. i. c. 116; ed. Ellis, p. 91, l. 1. Cf. 'Promptyd, Promptus;' Prompt. Parv.—F. *prompt*, 'prompt;' Cot.—L. *promptus*, acc. of *promptus*, *promptus*, brought to light, at hand, ready, pp. of *prōmere*, to take or bring forward.—L. *prō-*, forward; and *emere*, to take; whence *prōmere*, for *prōd-imere*. See **Pro-** and **Example**. Der. *prompt-ly*, *prompt-ness*; *prompt*, verb, ME. *prompten*, Prompt. Parv.; *prompt-er*, ME. *promptare*, Prompt. Parv.; *prompt-ing*; *prompt-i-tude* (Levins), from F. *promptitude*, 'promptness,' Cot., from Late L. *promptitudo*, which occurs A.D. 1261 (Ducange).

**PROMULGATE**, to publish. (L.) In Shak. Oth. i. 2. 21; and both as vb. and pp. in Palsgrave.—L. *prōmulgātus*, pp. of *prōmulgāre*, to publish. β. Of unknown origin; the prefix is *prō-*, as usual. Some refer it to OLat. *promellere*, 'item promouere,' which is not satisfactory. Der. *promulgat-or*, *promulgat-ion*.

**PRONE**, with the face downward, headlong, inclined, eagerly, ready. (F.—L.) In Shak. Wint. Tale, ii. 1. 108.—F. *prone*, 'prone, ready,' Cot.—L. *prōnum*, acc. of *prōnus*, inclined towards. β. *Prōnus* has been compared with Ionic Gk. *πρηνής*, Doric *πρᾶνης*, headlong; and is connected with the prep. *prō-*, *prōd*; whence \**prōd-nus*. See **Pro-**. Der. *prone-ly*, *prone-ness*.

**PRONG**, the spike of a fork. (E.) 'Iron teeth of rakes and prongs;' Dryden, tr. of Virgil, Georg. ii. 487. 'A prong or pitch-fork;' Minsheu, ed. 1627. 'A prongue, hasta furcata;' Levins, 166. 47, ed. 1570. The ME. *pronge*, a pang, sharp pain (Prompt. Parv.) is the same word. Cf. ME. *franglen*, to constrain, Havelok, 639; from a Teut. base \**prang-*, to compress, nip, push, pierce. Hence also Du. *prangen*, to press; G. *pranger*, a pillory; Goth. *ana-praggan* (= *ana-prangan*), to press; Low G. *prange*, a stake; MDu. *prange*, 'a horse-mussle (muzzle); a shackle or a neck-iron; oppression or constraint;' Hexham; Dan. *prange*, to crowd sail. See **Pang**.

**PRONOUN**, a word used in place of a noun, to denote a person. (F.—L.) In Ben Jonson, Eng. Grammar, c. xv; Shak. Merry Wives, iv. 1. 41. Spelt *pronowne* in Palsgrave, p. xxiv. Compounded of **Pro-** and **Noun**; and suggested by L. *prōnōmen*, a pronoun, or by F. *pronom*, a pronoun, found in 1482 (Hatzfeld). Cf. Span. *pronombre*, Ital. *pronome*. Der. *pronom-in-al*, from *prōnōmin-*, stem of L. *prōnōmen*.

**PRONOUNCE**, to utter, express, speak distinctly. (F.—L.) ME. *pronouncen*, Chaucer, C. T. 16767 (G 1299).—F. *prononcer*, 'to pronounce,' Cot.—L. *prōnuntiāre*, to pronounce.—L. *prō-*, forth; and *nuntiāre*, to tell. See **Pro-** and **Announce**. Der. *pronounc-er*, *pronounce-able*, *pronounce-ing*; *pronomi-at-ion*, from ME. *prononciation*, 'pronunciation,' Cot., from L. acc. *prōnōnitiōnem*.

**PROCEMIUM**, a proem; see **Proem**.

**PROOF**, a test, demonstration, evidence. (F.—L.) The vowel has undergone some alteration; we find the spelling *profe* in the Bible of 1551, 2 Cor. ii. 9. ME. *preef*, in many MSS. of Wyclif, 2 Cor. ii. 9, later text, where the reading of the text itself is *preuyng*. Earliest spelling *preoue*, Ancrén Riwe, p. 52, l. 13; where *eo* is put for F. *eu*, as in E. *people* for F. *peuple*.—F. *preuve*, 'a prooffe, tryall,' Cot.—Late L. *proba*, a proof (Lewis); which seems to be merely formed from the verb *prōbāre*, to prove; see **Prove**. Cf. Port. and Ital. *prova*, Span. *prueba*, a proof.

**PROP**, a support, stay. (E.) The sb. appears earlier than the verb. ME. *proppe*, a long staff; Prompt. Parv. [Whence were borrowed Irish *propa*, a prop; *propadh*, propping; Gael. *prop*, a prop, support, *prop*, to prop, pp. *propta*, propped.] Not in AS. + Du. *proppe*, 'an yron branch, *proppen*, to prop, stay, or beare up,' Hexham; and with a change of meaning to fastening or stopping up, Dan. *prop*, Swed. *propp*, G. *pfropf*, a cork, stopple, G. *pfropfen*, to cram, stuff, or thrust into. All from a Teut. base \**prup-*, to stop up, to support; cf. MDan. *priffuld*, Dan. *propfuld*, chokeful; Swed. dial. *primpa*, *prippa*, to cram (oneself). ¶ In the sense of 'graft,' G. *pfropf* is due to L. *propāgo*; see **Propagate**. Der. *prop*, verb.

**PROPAGATE**, to multiply plants by layers, extend, produce. (L.) In Shak. Per. i. 2. 73; and in Levins, ed. 1570.—L. *prōpāgātus*, pp. of *prōpāgāre*, to peg down, propagate by layers, produce, beget; allied to *prōpāges*, *prōpāgo*, a layer, and from the same root as *com-pāges*, a joining together, structure.—L. *prō-*, forward; and *-pāg-es*, a fastening, pegging, from *pāg-*, base of *pangere*, to fasten, set (hence, to peg down); see **Pro-** and **Pact**. Der. *propagat-or*;

*propagat-ion*, Minsheu; *propagand-ism*, *propagand-ist*, coined words from the name of the society entitled *Congregatio de Propaganda Fide*, constituted at Rome, A.D. 1622 (Haydn). And see *prune* (1).

**PROPEL**, to drive forward, urge on. (L.) 'The blood . . . that is propelled out of a vein of the breast;' Harvey (died 1657); cited in Todd's Johnson, without a reference. ME. *propellen*, Palladius on Husbandry, bk. i. 1034. [But the word *propulse* was sometimes used instead of it; see Richardson.]—L. *prōpellere* (pp. *prōpulsus*), to propel.—L. *prō-*, forward; and *pellere*, to drive; see **Pro-** and **Pulsate**. Der. *propell-er*; *propul-ion*, *propuls-ive*, like the pp. *prōpulsus*.

**PROPENSITY**, an inclination. (L.; with F. suffix). 'Propension or Propensity;' Phillips, ed. 1706. [The old word was *propension*, as in Minsheu, and in Shak. Troil. ii. 2. 133, from F. *propension*, 'a propension or proneness,' Cot.] A coined word, with suffix *-ity* (F. *-ité*), from L. *prōpens-us*, hanging forward, inclining towards, prone to; pp. of *prōpendere*, to hang forwards.—L. *prō-*, forwards; and *pendere*, to hang; see **Pro-** and **Pendent**. And see **Prepense**.

**PROPER**, one's own, belonging to, peculiar, suitable, just, comely. (F.—L.) ME. *propre*, whence *propremen*=proper man, Ancrén Riwe, p. 196, l. 15; *proprelliche*=properly, id. p. 98, l. 11.—F. *propre*, 'proper,' Cot.—L. *proprius*, acc. of *proprius*, one's own. β. Etym. doubtful; Bréal connects it with the phr. *prō priuō*, for one's own; from *prius*, single, peculiar; whence also **Private**. Der. *properly*; also *proper-ly*, ME. *proprieté*, Gower, C. A. i. 239; bk. ii. 2377, from OF. *proprieté*, explained as 'fitness' by Cotgrave, but found in old texts with the sense of 'property' (Littre), from L. acc. *propriētatem*; see **Propriety**.

**PROPHECY**, a prediction. (F.—L.—Gk.) The distinction in spelling between *prophecy*, sb., and *prophecy*, verb, is unoriginal and arbitrary; both should be *prophecy*. ME. *prophecie*, Ancrén Riwe, p. 158, l. 15.—OF. *prophecie*, variant of *prophetie*, 'a prophesie,' Cot.—L. *prōphētia*.—Gk. *προφητεία*, a prediction.—Gk. *προφήτης*, a prophet; see **Prophet**. Der. *prophecy*, verb, ME. *profhecien*, Trevisa, i. 421, l. 33.

**PROPHET**, one who predicts, an inspired teacher. (F.—L.—Gk.) ME. *prophete*, Rob. of Glouc. p. 38, l. 893; Ormulum, 5195.—OF. *prophete*.—L. *prōphēta*.—Gk. *προφήτης*, one who declares things, an expounder, prophet.—Gk. *πρό*, publicly, before all; also, before; and *φη-*, base of *φημί*, I say, speak; with suffix *-της*, denoting the agent. From ✓BHA, to speak; see **Pro-** and **Fame**. Der. *prophet-ess*, *prophet-ic*, *prophet-ic-al*, *prophet-ic-al-ly*; also *prophec-y*, q.v.

**PROPHYLACTIC**, preventive, defending from disease. (F.—Gk.) From F. *prophylactique*, employed by Rabelais; see Hatzfeld.—Gk. *προφυλακτικός*, guarding from.—Gk. *προφυλάσσειν*, to keep guard before.—Gk. *πρό*, before; *φυλάσσειν*, to guard. See **Phylactery**.

**PROPINE**, to drink to one's health, give, offer. (L.—Gk.) 'The lovely sorceress mix'd, and to the prince Health, joy, and peace *propin'd*;' C. Smart, The Hop-garden, i. 228.—L. *propināre*, to drink to one's health, give.—Gk. *προπίνειν*, the same.—Gk. *πρό*, before; *πίνειν*, to drink.

**PROPINQUITY**, nearness. (F.—L.) ME. *propinquitee*, Chaucer, tr. of Boethius, b. ii. pr. 3, l. 24.—OF. *propinquitē* (Godefroy).—L. *propinquitātem*, acc. of *propinquitās*, nearness.—L. *propinqui-*, for *propinquus*, near, with suffix *-tās*. β. *Propinquus*=\**propi-n-cus*, extended from *prope*, near. Der. from the same source, *ap-proach*, *re-proach*, *prox-imity*.

**PROPTICE**, favourable. (L.) [The old adj. was *proptice*, from OF. *propice*, 'propitious;' see exx. in R.] In Minsheu, ed. 1627. Englished, by change of *-us* to *-ous*, as in *arduous*, &c., from L. *propitiūs*, favourable. β. *Prob*. a term of augury; it seems to mean 'flying forwards;' the form shows the derivation from *prō-*, forwards, and *petere*, orig. to fly, from ✓PET, to fly. See **Pro-** and **Feather**. Der. *propitious-ly*, *-ness*. Also *propiti-ate*, orig. used as a pp., as in a quotation from Bp. Gardner, Explication of the Sacrament, 1551, fol. 150, cited by R.; from L. *propitiātus*, pp. of *propitiāre*, to render favourable. Hence *propitiat-ion*, Minsheu, from F. *propitiation*, 'a propitiation,' Cot.; *propitiat-or-y*, ME. *propiciatorie*, Wyclif, Heb. ix. 5, from L. *prōpitiātorium*, Heb. ix. 5.

**PROPORTION**, relation of parts, equality of ratios, analogy, symmetry. (F.—L.) ME. *proporcion*, Chaucer, C. T. 11598 (F 1286).—F. *proportion*, 'proportion,' Cot.—L. *prōportiōnem*, acc. of *prōportio*, comparative relation.—L. *prō-*, before, here used to signify as regards or in relation to; and *portio*, a portion, part; see **Pro-** and **Portion**. Der. *proportion*, vb.; *proportion-able*, *proportion-abl-y*, *proportion-al*, *-al-ly*, *-ate*, *-ate-ly*.

**PROPOSE**, to offer for consideration. (F.—L.—Gk.) In Shak. Tam. Shrew, v. 2. 69. [We also find *propone*, whence *proponing* in

Sir T. More, Works, p. 1107 g; this is from L. *propōnere*, and is really a different word; see **Propound**.] — F. *proposer*, 'to purpose, also, to propose,' Cot. Compounded of *pro-*, prefix; and F. *poser*, which is not from L. *pōnere*, but is of Gk. origin, as shown under *pose*; see **Pro-** and **Pose**. Littré remarks that in this word, as in other derivatives of F. *poser*, there has been confusion with L. *pōnere*. Der. *propos-er*; *propos-al*, spelt *proposall* in Minsheu, a coined word, like *bestow-al*, *refus-al*, &c. Doublet, *purpose* (1), q. v. But *propound*, *proposition*, are unrelated.

**PROPOSITION**, an offer of terms, statement of a subject, theorem, or problem. (F.—L.) ME. *proposicioun*, in the phrase *looues of proposicioun*, to translate L. *pānēs prōpositiōnis*, Wyclif, Luke vi. 4. — F. *proposition*, 'a proposition,' Cot. — L. *prōpositiōnem*, acc. of *prōpositio*, a statement; cf. *prōpositus*, pp. of *prōpōnere*, to propound; see **Propound**. Der. *proposition-al*.

**PROPOUND**, to offer for consideration, exhibit. (L.) Used as equivalent to *propose*, but really distinct, and of different origin. Formed with excrescent *d* from the old verb to *propone*, Sir T. More, Works, p. 1107 g. 'Artificially *propounded* and oppugned;' Hall's Chron. Hen. VII, an. 6. § 4. 'The glorie of God *propounded*;' Bale, Image, pt. iii (R.). — L. *prōpōnere*, to set forth. — L. *prō-*, forth; and *pōnere*, to put, set, pp. *positus*; see **Pro-** and **Position**. Der. *propound-er*; *proposit-ion*, q. v. Also *purpose* (2), q. v.

**PROPRIETY**, fitness. (F.—L.) 'Proprietie, owing, specialtie, qualitie, a just and absolute power over a free-hold;' Minsheu. I.e. it had formerly the sense of *property*, of which it is a doublet; see Robinson, tr. of More's Utopia, ed. Lumby, p. 62, l. 32. — F. *proprieté*, 'a property, propriety, . . . a freehold in; also, a handsome or comely assortment, &c.;' Cot. — L. *propriētatem*, acc. of *propriētās*, a property, ownership; also proper signification of words, whence the mod. sense. — L. *proprius*, one's own. See **Proper**. Der. *propriet-or*, an incorrect substitute for *proprietary*, from MF. *proprietaire*, 'a proprietary, an owner,' Cot., from L. *propriētārius*, an owner. Cf. also MF. *proprietaire*, adj. 'proprietary,' Cot. Doublet, *property*.

**PROPULSION, PROPULSIVE**; see **Propel**.

**PROROGUE**, to continue from one session to another, defer. (F.—L.) Spelt *prorogue* in Minsheu, ed. 1627; earlier spelling *proroge*, Levins, ed. 1570; and in Hardyng, Chron. ch. 36. st. 3. — F. *proroger*, 'to prorogue,' Cot. — L. *prōrogāre*, to propose a further extension of office, lit. 'to ask publicly;' hence to prorogue, defer. — L. *prō-*, publicly; and *rogāre*, to ask; see **Pro-** and **Rogation**. Der. *prorog-at-ion*, from F. *prorogation*, 'a prorogation,' Cot.; from L. acc. *prōrogātiōnem*.

**PROS-**, prefix, to, towards. (Gk.) Properly Gk., but also appearing in F. and L. words borrowed from Gk. — Gk. *prōs*, towards; fuller form *πρὸς*, extended from *πρό*, before. + Skt. *prati*, towards; extended from *pra*, before, forward, away. See **Pro-**. Der. *proselyte*, *pros-ody*, *pros-opo-pæia*.

**PROSCENIUM**, the front part of a stage. (L.—Gk.) Not in Todd's Johnson; merely L. *proscēnium*. — Gk. *προσκήνιον*, the place before the scene where the actors appeared. — Gk. *πρό*, before; and *σκηνή*, a scene; see **Pro-** and **Scene**.

**PROSCRIBE**, to publish the name of a person to be punished, to outlaw or banish, prohibit. (L.) In Levins, ed. 1570. — L. *proscribere*, pp. *proscriptus*, lit. 'to write publicly.' — L. *prō-*, forth, publicly; and *scribere*, to write; see **Pro-** and **Scribe**. Der. *proscript-ion*, Jul. Cæs. iv. 1. 17, from F. *proscription*, 'a proscription,' Cot., from L. acc. *proscriptiōnem*; *proscript-ive*.

**PROSE**, straightforward speech, not poetically arranged. (F.—L.) ME. *prose*, Chaucer, C. T. 4516 (B 96). — F. *prose*, 'prose,' Cot. — L. *prōsa*, for *prorsa*, in the phr. *prorsa oratio*, straightforward (or unembellished) speech; fem. of *prorsus*, forward, a contracted form of *prōuersus*, lit. turned forward. — L. *prō-*, forward; and *uersus*, pp. of *uertere*, to turn. See **Pro-** and **Verse**. ¶ The result, that *prose* is partly derived from L. *uersus*, whence E. *verse*, is remarkable. Der. *prose*, vb., *pros-er*, *pros-y*, *pros-i-ly*, *pros-i-ness*; *pros-a-ic*, from L. *prō-aicus*, relating to prose.

**PROSECUTE**, to pursue, continue, follow after, sue. (L.) In Levins, ed. 1570. Spelt *prosequute*, Robinson's tr. of More's Utopia, ed. Lumby, p. 132, l. 17, p. 133, l. 32. — L. *prosecūtus*, *prosequūtus*, pp. of *prosequi*, to pursue; see **Pursue**. Der. *prosecut-ion*, Antony, iv. 14, 65, from L. acc. *prōsecutiōnem*; *prosecut-or* = L. *prōsecūtor*; *prosecut-r-ix*, formed with suffixes *-r* (<-or) and *-ix*, as in L. *testat-r-ix*. Doublet, *pursue*.

**PROSELYTE**, a convert. (F.—L.—Gk.) ME. *proselite*, Wyclif, Deeds [Acts], ii. 10; afterwards conformed to the L. spelling with *y*. — OF. *proselite*, 'a proselite,' Cot. — L. *proselytūm*, acc. of *proselytus*. — Gk. *προσῆλυτος*, one who has come to a place, hence, as sb. a stranger, esp. one who has come over to Judaism, a convert, Acts ii. 10. Allied to Gk. perf. tense *προσελήλυθα*, 2nd aor.

*προσῆλθον* (= *προσ-ηλυθόν*); of which the pres. tense (*προσέρχομαι*) is from a different root. — Gk. *πρός*, to; and *ἤλυθ-*, as in *ἤλυθον*, I came, of which the fut. tense is *ἐλεύσομαι*, from ✓LEUDH; whence also Skt. *ruh*, orig. *rudh*, to grow, increase, Goth. *liudan*, to grow. Der. *proselyt-ise*, *proselyt-ism*.

**PROSODY**, the part of grammar that treats of the laws of verse. (F.—L.—Gk.) In Ben Jonson, Eng. Grammar, c. 1. Spelt *prosodie* in Minsheu, ed. 1627; *prosodye*, Coventry Mysteries, p. 189. — F. *prosodie*, in use in the 16th cent. (Littré). — L. *prosōdia*. — Gk. *προσῳδία*, a song sung to an instrument, a tone, accent, prosody. — Gk. *πρός*, to, accompanying; and *ὥδή*, an ode, song; see **Pros-** and **Ode**. Der. *prosod-i-al*, *prosodi-c-al*, *prosodi-an*, *prosod-ist*.

**PROSOPOPEIA**, personification. (L.—Gk.) Spelt *prosopopeia*, Sir P. Sidney, Apology for Poetry, ed. Arber, p. 24. — L. *prosōpopæia*. — Gk. *προσωποποιία*, personification. — Gk. *προσωποποιεῖν*, to personify. — Gk. *προσωπο-*, for *πρόσωπον*, a face, person; and *ποιεῖν*, to make. β. Gk. *πρόσωπον* is from *πρός*, towards; and *ὤπ-*, stem of *ὤψ*, face, appearance. See **Pros-**, **Optic**, and **Poet**.

**PROSPECT**, a view, scene, expectation. (L.) In Shak. Much Ado, iv. 1. 231; and in Levins. — L. *prospect-us*, a look out, distant view, prospect. — L. *prospectus*, pp. of *prospicere*, to look forward. — L. *prō-*, before; and *spicere*, *specere*, to look; see **Pro-** and **Spy**. Der. *prospect*, vb., in Levins; *prospect-ive*, ME. *prospective*, Chaucer, C. T. 10548 (F 234), from F. *prospective*, 'the prospective, perspective, or optick art,' Cot., from L. adj. *prospectivus*; *prospect-ive-ly*; *prospect-ion*; also *prospectus* (modern) = L. *prospectus*.

**PROSPEROUS**, according to hope, successful. (L.) In Levins; and in Surrey, tr. of Virgil, Æn. iv. 773 (L. text, 579). Englished, by change of *-us* to *-ous*, as in *arduous*, &c., from L. *prosperus*, also spelt *prosper*, according to one's hope, favourable. — L. *prō-*, for, according to; and *spa-*, weak grade of *spē-*, as in *spē-s*, hope; with suffix *-ro-*. β. *Spēs* is related to E. *speed*; see Brugmann, i. § 156, ii. § 74. Der. *prosperous-ly*; *prosper*, verb, Bible of 1551, 3 John, 2, and in Palsgrave, from MF. *prosperer*, 'to prosper,' Cot., which from L. *prosperāre*, v., from *prosper*, adj. Also *prosper-i-ty*, in early use; ME. *prosperite*, Ancrén Riwle, p. 194, l. 14, from OF. *prosperité* < L. acc. *prosperitatem*.

**PROSTHETIC**, prefixed. (Gk.) Modern; as if for Gk. *προσθετικός*, lit. disposed to add, giving additional power; allied to Gk. *πρόσθετος*, added, put to; cf. *πρόσθεσις*, a putting to, attaching. — Gk. *πρός*, to; *θε-τός*, placed, put, verbal adj. from the base *θε-*, weak grade of *θη-*, to place; see **Theme**. Cf. Gk. *ἐπι-θετικός* = L. *adiectivus*.

**PROSTITUTE**, to expose for sale lewdly, to sell to lewdness, devote to shameful purposes. (L.) Minsheu, ed. 1627, has *prostitute*, verb, and *prostitution*. The verb is in Shak. Per. iv. 6. 201; and in Palsgrave. — L. *prostitut-us*, pp. of *prostituere*, to set forth, expose openly, prostitute. — L. *prō-*, forth; and *statuere*, to place, set; see **Pro-** and **Statute**. Der. *prostitute*, sb. < L. *prostituta*, fem.; *prostitut-ion*, from F. *prostitution*, 'a prostitution,' Cot., from L. acc. *prostitutiōnem*; *prostitut-or* = L. *prostitutōr*.

**PROSTRATE**, lying on the ground, bent forward on the ground. (L.) 'It is good to slepe *prostrate* on their bealies;' Sir T. Elyot, Castel of Helth, b. ii. c. 50. 'Prostrat byfore thi person'; Coventry Mysteries, p. 75. — L. *prostrātus*, pp. of *prosternere*, to throw forward on the ground. — L. *prō-*, forward; and *sternere*, to throw on the ground. See **Pro-** and **Stratum**. Der. *prostrate*, vb., Spenser, F. Q. i. 12. 6; *prostrat-ion*, from F. *prostration*, 'a prostrating,' Cot., from L. acc. *prostrātiōnem*.

**PROTEAN**, readily assuming different shapes. (L.—Gk.) 'The Protean transformations of nature;' Cudworth, Intellectual System, p. 32 (R.). Coined, with suffix *-an* (< L. *-ānus*), from L. *Prote-us*, a sea-god who often changed his form; cf. Roy, Rede me, p. 118. — Gk. *Πρωτεύς*, a sea-god; cf. *πρωτος*, first, chief.

**PROTECT**, to cover over, defend, shelter. (L.) In Shak. Tw. Nt. ii. 4. 75. [We find ME. *protectour*, Henrysoun, Test. of Creseide, l. 556; *proteccioun*, Chaucer, C. T. 2365 (A 2363).] — L. *prōtect-us*, pp. of *prōtegere*, to protect. — L. *prō-*, before; and *tegere*, to cover; see **Pro-** and **Tegument**. Der. *protect-ion*, from F. *protection*, 'protection,' Cot., from L. acc. *prōtectiōnem*; *protect-ion-ist*; *protect-ive*; *protect-or*, formerly *protecteur*, from F. *protecteur*, 'a protector,' from L. acc. *prōtectōrem*; *protect-or-al*, *protect-or-ship*, *protect-or-ate*; *protect-r-ess*, ME. *protectrice*, Lydgate, A Ballad in Commendacion of Our Ladie, l. 57, from F. *protectrice*, 'a protectrix,' Cot., formed from the acc. case of a L. \**prōtectrix*, a fem. form similar to *testātrix*. Also *protégé*, borrowed from mod. F. *protégé*, pp. of *protéger*, to protect, from L. *protegere*; fem. form *protégée*.

**PROTEST**, to bear public witness, declare solemnly. (F.—L.) In Spenser, F. Q. ii. 10. 28, and Palsgrave; the sb. *protest* occurs in The Tale of Beryn, ed. Furnivall, l. 3905. — F. *protester*, 'to protest,' Cot. — L. *prōtestāre*, *prōtestārī*, to protest. — L. *prō-*, publicly; and

*testāri*, to bear witness, from *testis*, a witness. See **Pro-** and **Testify**. Der. *protest*, sb., *protest-er*; *Protest-ant*, from F. *protestant*, pres. part. of *protester*; *Protest-ant-ism*; *protest-at-ion*, Chaucer, C. T. 3139 (A 3137), from F. *protestation*, 'a protestation,' from L. acc. *protestātiōnem*.

**PROTHALAMIUM**, a song written on the occasion of a marriage. (L.—Gk.) See the *Prothalamion* written by Spenser.—Late L. *prothalamium*, or *prothalamion*.—Gk. *προθαλάμιον*, a song written before a marriage; not in Liddell and Scott, but coined (with prefix *pro-*) as a companion word to **Epithalamium**, q. v.

**PROTOCOL**, the first draught or copy of a document. (F.—L.—Gk.) In Minshew, ed. 1627.—MF. *protocole*, also *protecole*, 'the first draught or copy of a deed,' Cot. [Cf. Ital. *protocollo*, 'a booke wherein scriveners register all their writings, anything that is first made, and needeth correction;' Florio.]—Late L. *protocollum*.—Late Gk. *πρωτόκολλον*, not in Liddell and Scott, but explained by Scheler. It meant, in Byzantine authors, orig. the first leaf glued on to MSS., in order to register under whose administration, and by whom, the MS. was written; it was afterwards particularly applied to documents drawn up by notaries, because, by a decree of Justinian, such documents were always to be accompanied by such a first leaf or fly-leaf. It means 'first glued-on,' i. e. glued on at the beginning.—Gk. *πρωτο-*, for *πρωτος*, first; and *κολλᾶν*, to glue, from Gk. *κόλλα*, glue. β. Gk. *πρωτος* is a superl. form from *πρό*, before; see **Pro-**. The root of *κόλλα* is unknown; cf. Russ. *klei*, glue.

**PROTOMARTYR**, the first martyr. (F.—L.—Gk.) 'The holy *prothomartyr* seynt Alboon;' Fabyan, Chron. vol. i. c. 151; ed. Ellis, p. 138.—MF. *protomartyr*, 'the first martyr,' Cot.—Late L. *protomartyr*.—Gk. *πρωτόμαρτυρ*; coined from *πρωτο-*, for *πρωτος*, first, superl. of *πρό*, before; and *μάρτυρ*, a martyr, later form of *μάρτυς*, a witness. See **Pro-** and **Martyr**.

**PROTOTYPE**, the original type or model. (F.—L.—Gk.) 'There, great exemplar, *prototype* of kings;' Daniel, A Panegyric to the King's Majesty, l. 177. And in Minshew.—F. *prototype*, 'the first form, type, or pattern of,' Cot.—L. *prototypum*, neut. of *prototypus*, adj., original.—Gk. *πρωτότυπον*, a prototype; neut. of *πρωτότυπος*, according to the first form.—Gk. *πρωτο-*, for *πρωτος*, first, superl. of *πρό*, before; and *τύπος*, a type. See **Pro-** and **Type**. ¶ So also, with the same prefix, we have *proto-plasm*, *proto-phyte*, &c.

**PROTRACT**, to prolong. (L.) 'Without longer *protracting* of tyme;' Hall's Chron., Henry VI. an. 38. § 6; and in Shak.—L. *protract-us*, pp. of *protrahere*, to draw forth, prolong.—L. *prō-*, forth; and *trahere*, to draw; see **Pro-**, **Trace**, **Portray**. Der. *protract-ion* (not F.); *protract-ive*, Shak. Troil. i. 3. 20; *protract-or*.

**PROTRUDE**, to push forward, put out. (L.) In Sir T. Browne, Vulg. Errors, b. iii. c. 20, § 4.—L. *protrudere*, to thrust forth.—L. *prō-*, forth; and *trudere*, to thrust, allied to E. *threat*; see **Pro-** and **Threat**. Der. *protrus-ion*, coined from L. pp. *protrūsus*; *protrus-ive*.

**PROTUBERANT**, prominent, bulging out. (L.) 'Protuberant, swelling or puffing up;' Blount's Gloss., ed. 1674. Phillips, ed. 1706, has both *protuberant* and *protuberance*. The rare verb *protuberate* sometimes occurs; see Rich.—L. *protuberant-*, stem of pres. part. of *protuberāre*, to bulge out.—L. *prō-*, forward; and *tuber*, a swelling; see **Pro-** and **Tuber**. Der. *protuberance*.

**PROUD**, haughty, arrogant. (E.; or F.?) ME. *prud* (with long *u*), Havelok, 302; Ancrén Riwe, p. 176, l. 17; later *proud*, P. Plowman, B. iii. 178. Older form *prut* (with long *u*), Ancrén Riwe, p. 276, l. 19; Layamon, 8828 (earlier text; later text, *prou*). AS. *prūt*, proud; a word of which the traces are slight; the various reading *prūtne* for *rancne* in the AS. Chron. an. 1006, is only found in MS. F, of the 12th century; see Earle, Two AS. Chronicles, notes, p. 336. It occurs also in the Liber Scintillarum, § 17, p. 85, and § 46, p. 152; and we find the derived words *prūtung*, pride, Mone, Quellen, p. 355, and *prȳte* in Ælfric's Homilies, ii. 220, formed by the usual vowel-change from *ū* to *ȳ*; see **Pride**. β. Moreover, we find Icel. *prūðr*, proud, borrowed from AS.; with which cf. Dan. *prud*, stately, magnificent. γ. Borrowed (according to Kluge) from OF. *prod*, *prud* (fem. *prode*, *prude*), valiant, notable (taken in a bad sense); see further under **prowess**. But the occurrence of *prȳte* in Ælfric makes this very doubtful. Der. *proud-ly*; also *pride*, q. v.

**PROVE**, to test, demonstrate, experience. (L.) In old authors, it commonly means 'to test,' as 'prove all things,' 1 Thess. v. 21. ME. *prouen*, *preuen* (with *u* for *v*), P. Plowman, B. viii. 120, A. ix. 115. Older spelling *preouen*, Ancrén Riwe, p. 390, l. 22. AS. *prōfian* (below). [Cf. also OF. *prover*, *pruver*, later *prouver*, 'to prove, try, essay, verifie, approve, assure, &c.,' Cot.]—L. *probāre*, to test, try, examine, orig. to judge of the goodness of a thing.—L. *probus*, good, excellent. β. From the L. *probāre* are also derived, not only Port. *provar*, Span. *probar*, Ital. *provare*, but also AS. *prōfian*, Laws of Ine, § 20, in Thorpe's Ancient Laws, i. 116. Du.

*proeven*, Icel. *prōfa*, Swed. *prōfva*, Dan. *prøve*, G. *proben*, *probiren*. The mod. E. *prove* seems to be due to AS., in which the *o* was arbitrarily lengthened. Der. *prov-able*, *prov-abl-y*, *provable-ness*; and see *proof*, *probable*, *probation*, *probe*, *probity*, *ap-prob-ation*, *ap-prove*, *dis-ap-prove*, *dis-prove*, *im-prove*, *re-prove*, *re-prieve*, *re-pro-bate*.

**PROVENDER**, dry food for beasts, as hay and corn. (F.—L.) In Shak. Hen. V, iv. 2. 58; Oth. i. 1. 48. The final *r* is an OF. addition.—OF. *provendre* (Godefroy); usually *provende*, 'provender, also, a prebendry,' Cot., whence ME. *prouendè*, *provendè*, orig. a trisyllabic word. Shak. has also the shorter form *provand*, Cor. ii. 1. 267. The ME. *prouende* also meant 'prebend,' as in: 'Prouendè, rent, or dignité;' Rom. of the Rose, 6931. According to Stratmann, *provende* occurs in the sense of 'provender' in Robert Manning's Hist. of England, ed. Furnivall, l. 11188. [In OF. it also has the sense of 'prebend;' see Littré.]—L. *præbenda*, a payment; in Late L. a daily allowance of provisions, also a prebend; Ducange. Fem. of *præbendus*, pass. fut. part. of *præbēre*, to afford, give; see **Prebend**. ¶ Note also ME. *prouendre*, which meant 'a prebendary,' or person enjoying a prebend. See the passages quoted in Richardson, esp. from Rob. of Brunne, tr. of Langtoft, p. 81, l. 2, p. 210, l. 27. But it also means 'prebend;' as in Trevisa, tr. of Higden, ii. 171.

**PROVERB**, a short familiar sentence, an adage, a maxim. (F.—L.) ME. *prouerbe* (with *u*=*v*), Wyclif, John, xvi. 29.—F. *proverbe*, 'a proverb.'—L. *prōuerbium*, a common saying, proverb.—L. *prō-*, publicly; and *uerbum*, a word. See **Pro-** and **Verb**. Der. *proverb-i-al*, from L. *prōuerbiālis*, formed from *prōuerbi-um* with suffix *-ālis*; *proverb-i-al-ly*.

**PROVIDE**, to make ready beforehand, prepare, supply. (L.) In Shak. Com. Errors, i. 1. 81; and in Palsgrave.—L. *prōuidēre*, to act with foresight, lit. to foresee.—L. *prō-*, before; and *uidēre*, to see. See **Pro-** and **Vision**. Der. *provid-er*, Cymb. iii. 6. 53. Also *provid-ent*, Skelton, ed. Dyce, i. 11, l. 139, from L. *prōuidēt-*, stem of pres. part. of *prōuidēre*; *provid-ent-ly*; also *provid-ence*, ME. *providence*, Chaucer, tr. of Boethius, b. v. pr. 6, l. 83, from F. *providence*. < L. *prōuidētia*; whence *providenti-al*, *providenti-al-ly*. Also (like L. pp. *prōuis-us*) *provis-ion*, Sir T. Elyot, The Governor, b. ii. c. 12, § 4, from F. *provision* < L. acc. *prōuisiōnem*; *provis-ion*, verb, *provis-ion-al*, *provis-ion-al-ly*; *provis-or*, ME. *prouisour*, P. Plowman, B. iv. 133, from F. *provisieur*, 'a provider,' Cot. < L. acc. *prōuisōrem*; *provis-or-y*, *provis-or-i-ly*. Also *provis-o*, 1 Hen. IV, i. 3. 78, from the Late L. law-phrase *prōvisio quod*=it being provided that, in use A.D. 1350 (Ducange); pl. *provisos*. Doublet, *purvey*; doublet of *provident*, *prudent*.

**PROVINCE**, a business or duty, a portion of an empire or state, a region, district, department. (F.—L.) ME. *prouynce*, *province* (with *u*=*v*), Wyclif, Deeds [Acts], xxiii. 34.—F. *province*, 'a province,' Cot.—L. *prōvincia*, a territory, conquest. β. Of unknown origin; Bréal says that the primary sense was 'obligation;' possibly from *prō-*, prefix, and *uincire*, to bind. (But see Walde.) Der. *provinci-al*, Meas. for Meas. v. 318; *provinci-al-ly*, *provinci-al-ism*.

**PROVISION, PROVISIO**; see under **Provide**.

**PROVOKE**, to call forth, excite to action or anger, offend, challenge. (F.—L.) ME. *prouoken*, Prompt. Parv.—F. *provoquer*, 'to provoke,' Cot.—L. *prōuocāre*, to call forth, challenge, incite, provoke.—L. *prō-*, forth; and *uocāre*, to call; allied to *uoc-*, stem of *uox*, the voice. See **Pro-** and **Vocal**. Der. *provok-ing*, *provok-ing-ly*; *provoc-at-ion*, in Fabyan's Chron. vol. i. c. 64, from F. *provocation*, 'a provocation,' Cot., from L. acc. *prōuocātiōnem*; *provoc-at-ive*, Henrysoun, Test. of Creseide, l. 226; *provoc-at-ive-ness*.

**PROVOST**, a principal or chief, esp. a principal of a college or chief magistrate of a Scottish town, a prefect. (L.) ME. *prouost* (with *u*=*v*), Chaucer, tr. of Boethius, b. i. pr. 4, l. 43; *prouest*, Rob. of Brunne, tr. of Langtoft, p. 268, l. 7. AS. *prāfoſt*, Exod. v. 15; *prōfoſt*, Ælfric, Hom. ii. 172. [Cf. MF. *prevost*, 'the provost or president of a college;' Cot.]—L. *præpositus*, a prefect; lit. 'one who is set over,' pp. of *præponere*, to set over.—L. *præ*, before; and *pōnere*, to place. See **Pre-** and **Position**. ¶ In Italian we find both *prevosto* and *preposto*; showing that *v* is due to the older *p*. Der. *provost-marshal*, *provost-ship*.

**PROW**, the fore-part of a ship. (F.—L.—Gk.) In Minshew, ed. 1627.—OF. *prouē* (mod. F. *proue*), 'the prow, or forepart of a ship;' Cot. [Cf. Ital. *proda*, *prua*.]—L. *prōra*, the prow of a ship; the second *r* disappearing in order to avoid the double trill. [Cf. Prov. Span., Port. *proa*, Genoese *prua*.]—Gk. *πρῶρα* (also *πρῶipa*), the prow; connected with *πρό*, before; see **Pro-**.

**PROWESS**, bravery, valour. (F.—L.) Originally 'excellence.' ME. *prowes*, *prowesse*, Rob. of Glouc. p. 12, l. 279; p. 112, l. 2418; *pruesse*, King Horn, ed. Lumby, l. 556.—OF. *prouesse*, 'prowesse,' Cot.; formed with suffix *-esse* (< L. *-itia*) from OF. *prou*, brave,

mod. F. *preux*, 'hardy, doughty, valiant, full of prowess'; Cot. β. The etym. of OF. *frou* is much disputed; it occurs also in the forms *prod*, *prud*, *pros*, *proz*, &c., fem. *prode*, *prude*; we also find Prov. *proz*, Ital. *prode*. γ. But, besides the adj. *frou*, we also find a sb. *frou*, formerly *prod*, in the sense of 'advantage'; thus *bon frou leur face*—much good may it do them. This is the common ME. *frou*, meaning profit, advantage, benefit, as in Chaucer, C. T. 12234, 13338 (C 300, B 1598). δ. It is certain that *prouesse* was used to translate L. *probitas*, and that *frou* was used to translate *probus*, but the senses of the words were, nevertheless, not quite the same, and they seem to have been drawn together by the influence of a popular etymology which supposed *frou* to represent *probus*. But the *d* is very persistent; we still find the fem. *prude* even in mod. E., and we must observe that Ital. *prode* means both 'advantage' and 'valiant,' whilst the F. *prud'homme* simply meant, at first, 'brave man.' ε. It seems best to accept the suggestion that the word is due to the L. prep. *prōd-*, appearing in L. *prōd-esse*, to be useful to, to do good, to benefit. This would also explain the use of OF. *prod*, *frou*, as an adverb. Cot. has: 'Prou, much, greatly, enough'; cf. Kōrting, § 7451. See **Pro-** and **Prude**.

**PROWL**, to rove in search of plunder or prey. (OLow G.) 'To *proule* for fishe, *fercontari*; To *proule* for riches, *omnia appellere*;' Levins. ME. *prollen*, to search about; Chaucer, C. T. 16880 (G 1412). 'Prollyn, as ratchys [dogs that hunt by scent], Scrutor,' Prompt. Parv. 'Prollynge, or sekyng, Perscrutacio, investigacio, scrutinium'; id. 'Purlyn, idem quod Prollyn'; id. 'I prolle, I go here and there to seke a thyng, *ie tracasse*. Prollynge for a promocyon, *ambition*;' Palsgrave. 'Prolle, to search, or prowl about; to rob, poll, or steal; to plunder;' Halliwell. Of uncertain origin. Perhaps, like *plunder*, it meant 'to filch trifles'; from Low G. *prull*, *prulle*, a trifle, thing of small value (Bremen). Cf. Du. *prul*, 'a bawble' (Sewel), *prullen*, 'lumber, luggage, pelf, trumpery, toys' (id.); *prullen-kooper*, a ragman (Calisch); EFries. *prülle*, *prüll*, a trifle.

**PROXIMITY**, nearness. (F.—L.) Spelt *proximitie* in Minshew, ed. 1627. —F. *proximité*, 'proximity'; Cot. —L. *proximitatem*, acc. of *proximitas*; formed with suffix *-tās* from *proximi-*, for *proximus*, very near, which is a superl. form from *prope*, near; see **Propinquity**. Der. Also *proxim-ate*, rather a late word, see exx. in R. and Todd's Johnson, from L. *proximatus*, pp. of *proximāre*, to approach, from *proximus*, very near; *proxim-ate-ly*.

**PROXY**, the agency of one who acts for another; also an agent. (F.—Late L.—L.) 'Vnles the King would send a *proxie*;' Foxe, Martyrs, p. 978, an. 1536 (R.). *Proxy* is merely a contraction for ME. *prokecy*, itself a contracted form of *procuracy*, which is properly an agency, not an agent. 'Procurator is used for him that gathereth the fruits of a benefice for another man; An. 3 Rich. II, stat. 1. cap. 2. And *procuracie* is used for the specialtie whereby he is authorized, *ibid*;' Minshew, ed. 1627. *Procuracy* is from AF. *procuracie*, Liber Albus, p. 423, l. 1. —Late L. *prōcūrātia*, a late form used as equivalent to L. *prōcūrātiō*, a management. Similarly, *proctor* is a contraction for *prōcūrātor*, a manager; see **Proctor**, **Procure**. The contracted forms *proketour* and *prokecy*, later *proctor* and *proxy*, seem to have come into use at the close of the 14th century. Cf. 'Prokecy, procuracia; Proketoure, Procurator;' Prompt. Parv. Also *prockesy*, Palsgrave. It thus appears that the syllable *-ra-* was dropped, whilst *u* was first weakened to *e* and afterwards disappeared.

**PRUDE**, a woman of affected modesty. (F.—L.) In Pope, Rape of the Lock, i. 63, iv. 74, v. 36; Tatler, no. 102, Dec. 3, 1709. —F. *prude*, orig. used in a good sense, excellent, as in 'preude femme, a chaste, honest, modest matron,' Cot. MF. *prude*; from OF. *preuz*, objective case *preu*, valiant, excellent; the etymology of which is discussed under **Prowess**, q.v. β. The mod. F. *prud'homme* arose from misunderstanding the OF. *preu d'homme*; and hence was made a MF. *preude femme*, *prude femme* (for *preu de femme*); whence the fem. form *prude* was evolved. See Hatzfeld. Der. *prud-ish*; *prud-ish-ly*, Pope, Dunciad, iv. 194; *prud-e-ry*, Pope, Answer to Mrs. Howe, l. 1, from F. *pruderie*.

**PRUDENT**, discreet, sagacious, frugal. (F.—L.) ME. *prudent*, Chaucer, C. T. 12044 (C 110). —F. *prudent*, 'prudent,' Cot. —L. *prudent-em*, acc. of *prudens*, prudent. β. *Prudens* is a contracted form of *prudens*; see **Provident**. Der. *prudent-ly*; *prudence*, ME. *prudence*, Wyclif, 1 Cor. i. 19, from F. *prudence* < L. *prudentia*; *prudenti-al*, Blount's Gloss., ed. 1674, coined from L. *prudentia*.

**PRUNE** (1), to trim trees, divest of what is superfluous. (F.—L.) The old form is *proine*, *proin*; see exx. of *proin* in Nares and Jamieson. In Chaucer, C. T. 9885 (E 2011), it is said of Damian, when dressing himself up smartly: 'He kembeth him [combs himself], he *proyneth* him and pyketh,' where the Harl. MS. has *pruneth*. It here means to trim, trick out, adorn. Gascoigne speaks

of *imps*, i.e. scions of trees, which 'growe crookt, bycause they be not *proynd*,' i.e. pruned; Steel Glas, 458. It was esp. used of birds, in the sense 'to pick out damaged feathers and arrange the plumage with the bill' (Schmidt), Cymb. v. 4. 118; cf. L. L. L. iv. 3. 183. β. Tyrwhitt, with reference to *proinen* in Chaucer, says: 'It seems to have signified, originally, to take cuttings from vines, in order to plant them out. From hence it has been used for the cutting away of the superfluous shoots of all trees, which we now call *pruning*; and for that operation, which birds, and particularly hawks, perform upon themselves, of picking out their superfluous or damaged feathers. Gower, speaking of an eagle, says: "For there he *pruneth* him and piketh As doth an hauke, whan him wel liketh;" Conf. Amant. iii. 75; bk. vi. 2203.' γ. Hence the etymology is from OF. *proignier*, to prune (Godefroy), Norm. dial. *prognier* (Moisy); the same as MF. *provigner*, 'to plant or set a stock, staulke, slip, or sucker, for increase; hence to propagate, multiply,' &c.; Cot. Littre gives the Berry forms of *provigner* as *preugner*, *prognier*, *prominer*. This verb is from the F. sb. *provin*, 'a slip or sucker planted,' Cot.; OF. *provain* (Hatzfeld); cf. Ital. *propaggine*, a vine-sucker laid in the ground. —L. *propāginem*, acc. of *propāgo*, a layer, sucker. See **Propagate**. Der. *prun-er*.

**PRUNE** (2), a plum. (F.—L.—Gk.) In Sir T. Elyot, Castel of Helth, b. ii. c. 7. —F. *prune*, 'a plum,' Cot. —L. *prunum*, a plum. —Gk. *προυνον*, shorter form of *προυνος*, a plum; *προυνος*, shorter form of *προυνος*, a plum-tree. Der. *prun-ella*, or *prun-ello*, Pope, Essay on Man, iv. 204, the name of a strong woollen stuff of a dark colour, so named from *prunella*, the Latinized form of F. *prunelle*, a sloe, dimin. of *prune*. Doublet, *plum*.

**PRURIENT**, itching. (L.) In Blount's Gloss., ed. 1674. —L. *prurient-*, stem of *pruriens*, pres. part. of *prurire*, to itch, orig. to burn; cognate with E. *freeze*; see **Freeze**. Brugmann, i. § 562. Der. *prurience*, *pruriency*.

**PRY**, to search inquisitively. (F.—L.) ME. *pryen*, *prien*, Chaucer, C. T. 3458; P. Plowman, B. xvi. 168; Will. of Palerne, 5019; Polit. Songs, ed. Wright, p. 222, l. 11. —OF. *prier*, *preer*, *preier*, to pillage [to search for plunder]. —Late L. *prēdare*, to plunder, also to investigate; Ducange. —L. *præda*, prey; see **Prey**.

**PSALM**, a sacred song. (L.—Gk.) ME. *psalm*, frequently *salm*, in very early use, Layamon, 23754. AS. *sealm*; see Sweet's AS. Reader. —L. *psalmus*. —Gk. *ψαλμός*, a touching, a feeling, esp. the twitching of the strings of a harp; hence, the sound of the harp, a song, psalm. —Gk. *ψάλλειν*, to touch, twitch, twang; from base PSAL, for SPAL. Perhaps allied to Skt. *sphālaya* (with *ā*), to strike, to touch. See Prellwitz. Der. *psalm-ist*, Levins, F. *psalmiste* (Cot.), from L. *psalmista*, Late Gk. *ψαλμιστής*; *psalm-ody*, spelt *psalmodie* in Minshew, F. *psalmodie* (Cot.), from Late L. *psalmōdia*, from Gk. *ψαλμοδία*, a singing to the harp, which is from *ψαλμ-*, stem of *ψαλμός*, and *ὠδή*, a song, ode (see **Ode**); *psalmodi-c-al*, *psalmod-ist*. Also *psaltery*, q.v.

**PSALTERY**, a kind of stringed instrument. (F.—L.—Gk.) In Shak. Cor. v. 4. 52. ME. *sautrie*, Chaucer, C. T. 3213. —OF. *psalterie*, in use in the 12th cent.; see Littre, s. v. *psalterion*, which is the mod. F. form. —L. *psalterium*. —Gk. *ψαλτήριον*, a stringed instrument. —Gk. *ψαλτήρ*, a harper; formed from *ψαλ-*, base of *ψάλλειν*, to harp; with suffix denoting the agent. See **Psalm**. Der. *psalter*, ME. *sauter*, Hali Meidenhad, ed. Cockayne, p. 3, from OF. *psaltier*, 'a psalter, book of psalms,' Cot. from L. *psalterium*, (1) a psalter, (2) a song sung to the psalter, the Psalter.

**PSEUDONYM**, a fictitious name. (F.—Gk.) Modern; not in Todd's Johnson. Borrowed from F. *pseudonyme*, used by Voltaire, A.D. 1772 (Littre). —Gk. *ψευδώνυμος*, adj., called by a false name. —Gk. *ψέυδο-*, for *ψεύδος*, a falsehood (cf. *ψευδής*, false); and *ὄνομα*, *ὄνομα*, a name. β. The Gk. *ψεύδος* is allied to *ψυδρός* (base *ψυδ-*), false; and to *ψύθ-ος*, a lie, orig. a whisper; cf. *ψυθίζειν*, to whisper. γ. For the Gk. *ὄνομα*, see **Name**. Der. *pseudonym-ous*.

**PSHAW**, interjection of disdain. (E.) 'A peevish fellow . . . disturbs all . . . with *pishes* and *psaws*;' Spectator, no. 438 (1712). An imitative word, like *pish*; from the sound of blowing. Cf. also *pooh*.

**PSYCHICAL**, pertaining to the soul. (L.—Gk.) Modern; formed with suffix *-al* from *psychic-us*, the Latinized form of Gk. *ψυχικός*, belonging to the soul or life. —Gk. *ψυχή*, the soul, life, orig. breath. —Gk. *ψύχ-ειν*, to blow; extended from the base *ψν-*, from a *✓SPEU*, to blow. Der. *psycho-logy*, where the suffix *-logy* = Gk. suffix *-λογία*, from *λόγος*, discourse, which from *λέγειν*, to speak; hence, *psychologi-c-al*, *-al-ly*; *psycholog-ist*. Also *met-em-psychosis*, q.v.

**PTARMIGAN**, a species of grouse. (Gaelic.) 'The *ptarmigan* grous' is mentioned in an E. translation of Buffon's Nat. Hist., London, 1792, vol. ii. p. 48. Formerly *termagant*. 'Heath-cocks, capercaillies, and *termagants*;' Taylor the Water-Poet, The Penniless

Pilgrimage, 1618 (ed. Hindley); cited in Palmer's Folk-Etymology, p. 386. Spelt *termigant* in 1617; Newton, Dict. of Birds, p. 392. The singular spelling *ptarmigan*, with a needless initial *p*, appears in Littre's Dict. — Gael. *tarmachan*, 'the bird ptarmigan'; Irish *tarmochan*, 'the bird called the termagant.' I do not know the sense of the word; the Gael. verb *tarmaich* means 'to originate, be the source of, gather, collect, dwell, settle, produce, beget.' Cf. OIrish *tor-mag-im*, I increase; cognate with *L. mag-nus*, great.

**PTERODACTYL**, an extinct reptile. (Gk.) Scientific. Coined from Gk. *πτερόν*, a wing; and *δάκτυλος*, a finger, a digit; from the long digit which helped to spread the wing. Gk. *πτερόν* is from *πτ-*, weak grade of *✓PET*, to fly; and see **Dactyl**.

**PUBERTY**, the age of full development, early manhood. (F.—L.) Spelt *pubertie* in Minsheu, ed. 1627. — F. *puberté*, 'youth,' Cot. — L. *pūbertātem*, acc. of *pūbertās*, the age of maturity. — L. *pūbes*, the signs of manhood, hair. β. Allied to *pū-pus*, a boy, *pū-pa*, a girl; from *✓PEU*, to beget; see **Puppet**, **Pupil**. Der. *pub-esc-ent*, arriving at puberty, from *pūbescent-*, pres. part. of *pūbescere*, inceptive verb formed from sb. *pūb-es*; *pubescence*. Cf. *puerile*.

**PUBLIC**, belonging to the people, general, common to all. (F.—L.) 'Publike toke his [its] begynnynge of people;' Sir T. Elyot, The Governour, b. i. c. i. § 2. And in Palsgrave. — MF. *public*, masc., *publique*, fem., 'publick,' Cot. — L. *publicus*, public; OLat. *publicos*, *poplicos* (in inscriptions). Formed from *populus*, people; see **People**. Der. *public-ly*, *public-house*, *public-ist*, one skilled in public law; *public-i-ty*, a modern word, from F. *publicité*, coined as if from a L. acc. *\*publicitātem*. And see *public-an*, *public-at-ion*, *publish*.

**PUBLICAN**, a tax-gatherer; inn-keeper. (L.) ME. *publican*, Ormulum, 10147; spelt *pupplian* in Wyclif, Luke, iii. 12, where it is used to translate L. *publicānus*, with the sense of tax-gatherer. [The sense of 'inn-keeper' is modern.] — L. *publicānus*, a farmer of the public revenue, from *publicānus*, adj., belonging to the public revenue. Extended from *publicus*, public; see **Public**.

**PUBLICATION**, a publishing, that which is published. (F.—L.) In Shak. Troil. i. 2. 326. — F. *publication*, 'a publication,' Cot. — L. *publicatiōnem*, acc. of *publicatio*. — L. *publicāre*, to make public. — L. *publicus*, public; see **Public**.

**PUBLISH**, to make public. (F.—L.) ME. *publischen*, *publischen*. 'He was riȝtful, and wolde not *publische* hir;' Wyclif, Matt. i. 19. Also *publischen*, Chaucer, C. T. 8291 (E 415). This is a new formation, conformed to other E. verbs in *-ish*, which are usually formed from F. verbs in *-ir* making the pres. part. in *-issant*. It is founded on F. *publier*, 'to publish,' Cot. — L. *publicāre*, to make public. — L. *publicus*, public. See **Public**. Der. *publish-er*.

**PUCE**, the name of a colour. (F.—L.) 'Puce, of a dark brown colour;' Todd's Johnson. — F. *puce*, a flea; *couleur puce*, puce-coloured; Hamilton. Thus it is lit. 'flea-coloured.' The older spelling of *puce* was *pūce* (Cotgrave). — L. *pūlicem*, acc. of *pūlex*, a flea. + Gk. *ψύλλα* (= *ψύλα*), a flea. ¶ Todd wrongly says that *puce* is the same as *puke*, an old word occurring in Shak. in *puke-stocking*, 1 Hen. IV, ii. 4. 78. Todd also cites 'Cloths... *puke*, brown-blue, blacks' from Stat. 5 and 6 Edw. VI, c. vi. 'Blacks, *pukes*, or other sad colours;' Hakluyt, Voy. i. 357. 'That same gowne of *puke*;' Paston Letters, iii. 153. The form *puke* is difficult to explain; the Picard and Walloon form of *puce* is *puche*. See **Puke**.

**PUCK**, a goblin, mischievous sprite. (E.) In Shak. Mids. Nt. Dr. ii. 1. 40. ME. *pouke*, P. Plowman, C. xvi. 164, on which passage see my note. It also appears in Richard Coeur de Lion, l. 566, in Weber, Met. Romances, ii. 25. AS. *pūca*, a goblin; 'larbula, *puca*,' OE. Glosses, ed. Napier, 23. 2; whence the dimin. *pūcel* (Toller). Hence also were borrowed Irish *puca*, an elf, sprite, hobgoblin; W. *puca*, *pucci*, a hobgoblin. + Icel. *pūki*, a wee devil, an imp. See **Pug**.

**PUCKER**, to gather into folds, to wrinkle. (Scand.) 'Pucker, to shrink up or lie uneven, as some clothes are apt to do;' Phillips, ed. 1706. 'Saccolare, to pucker, or gather, or cockle, as some stufes do being wet;' Florio, ed. 1598. 'He fell down; and not being able to rise again, had his belly *puckered* together like a sachel, before the chamberlain could come to help him;' Junius, Sin Stigmatised (1639), p. 19; in Todd's Johnson. The allusion is here to the top of a *poke* or bag, when drawn closely together by means of the string; cf. 'to *purse* up the brows,' from *purse*, sb., and Ital. *saccolare* from *sacco*; and Norm. dial. *pocher*, to crease, to pucker, from *poche*, a bag (Moisy). A frequentative form due to prov. E. *pook*, *poke*, a bag; from Icel. *poki*, a bag. Cf. Norm. dial. *pouque*, a bag (F. *poche*). See **Poke** (1). Der. *pucker*, sb.

**PUDDING**, an intestine filled with meat, a sausage; a soft kind of meat, of flour, milk, eggs, &c. (E.) ME. *pudding*, P. Plowman, B. xiii. 106; *puding*, as a gloss to *tucetum*, Wright's Voc. p. 104

(ab. 1200). The older sense was doubtless 'bag,' from a Teut. base *\*pud-*, to swell out, similar to *\*pūt-*, to swell out (see **Pout**). Cf. AS. *pud-uc*, a wen (Toller); and see **Poodle**. Hence also prov. E. *puddle*, short and fat, *poddy*, round and stout in the belly, *pod*, a large protuberant belly (Halliwell). Cf. also E. *pad*, *pod*; see **Pad**, **Pod**. β. The Low G. *pudding* has much the same sense as E. *pudding*; and is clearly related to Low G. *puddewurst*, a thick black-pudding, and to *puddig*, thick, stumpy; Westphal. *puddek*, a lump, a pudding. γ. For the parallel base *\*put-*, cf. Gael. *pūt*, a buoy, an inflated skin; W. *putog*, a short round body; Corn. *pot*, a bag, a pudding; all borrowed from Teutonic. The Irish *putog*, Gael. *putag*, a pudding, are borrowed from E. *pudding*.

**PUDDLE** (1), a small pool of muddy water. (E.) ME. *podel*, Rob. of Brunne, tr. of Langtoft, p. 54, l. 5. Spelt *poddell* in Palsgrave. Dimin., with E. suffix *-el*, from AS. *pudd*, a ditch, a furrow (Toller). Der. *puddle* (2).

**PUDDLE** (2), to make muddy; to make thick or close with clay, so as to render impervious to water; to work iron. (E.) Shak. has *puddle*, to make muddy or thick, Com. Err. v. 173; Oth. iii. 4. 143. Hence the various technical uses. From **Puddle** (1). Der. *puddl-er*, *puddl-ing*.

**PUERILE**, childish. (F.—L.) In Phillips, ed. 1706. [The sb. *puerility* is in much earlier use, occurring in Minsheu, ed. 1627.] — MF. *pueril*, omitted by Cotgrave, but in use in the 16th cent. (Littre); mod. F. *puéril*. — L. *puerilis*, boyish. — L. *puer*, a boy, lit. 'one begotten.' — *✓PEU*, to beget; cf. Skt. *pota-*, the young of any animal, *putra-*, a son. Der. *pueril-i-ty*, from F. *puerilité*, 'puerility,' Cot. So also *puer-peral*, relating to child-birth, from L. *puerpera*, fem. adj., child-bearing; from *puer-*, stem of *puer*, a child, and *parers*, to bear, produce, for which see **Parent**.

**PUFF**, to blow. (E.) ME. *puffen*, Ancren Riwle, p. 272, l. 1. Not found in AS., but the vb. *pyffan*, to puff, blow away (in Napier's Glosses) suggests a sb. *\*puf*; of imitative origin. Cf. G. *puffen*, to puff, pop, strike, Dan. *puffe*, to pop, Swed. *puffa*, to crack, to push; also W. *puff*, a puff, a sharp blast, *puffio*, to come in puffs (borrowed from E.). Also G. *puff*, a puff; *puff!* interjection, &c. Der. *puff-er*, *puff-er-y*, *puff-y*, *puff-i-ly*, *puff-i-ness*. Also *puff-in*, q. v.

**PUFFIN**, the name of a bird. (E.) 'Puffin, a fowle so called;' Minsheu, ed. 1627. 'Puffin, a sort of coot or sea-gull, a bird supposed to be so called from its round belly, as it were swelling and puffing out;' Phillips, ed. 1706. And in Skelton, Phylip Sparowe, 454. (The F. *puffin* is borrowed from E.) *Puffin Island*, near Anglesea, abounds with these birds, or formerly did so; but the W. name for the bird is *pal*. The reason assigned by Phillips is prob. the right one; Webster thinks it is named from its peculiar swelling beak, which somewhat resembles that of the parrot. The suffix is apparently diminutival, answering to E. *-en* in *kitt-en*.

**PUG**, a monkey, small kind of dog. (E.) The orig. sense is 'imp' or 'little demon,' as in Butler, Hudibras, pt. ii. c. 3, l. 635, and in Ben Jonson's play The Devil is an Ass, in which 'Pug, the lesser devil,' is one of the characters. A weakened form of **Puck**, q. v. Cf. Dan. dial. *puge*, a 'puck,' sprite; and (perhaps) Dan. dial. *pugge*, a toad. 'A *pug-dog* is a dog with a short monkey-like face;' Wedgwood.

**PUGGRY, PUGGERY**, a scarf round the hat. (Hind.) From Hind. *pagrī*, a turban (Forbes).

**PUGILISM**, the art of boxing. (L.) *Pugilism* and *pugilist* are late words, added by Todd to Johnson's Dict. Coined from L. *pugil*, a boxer. Allied to L. *pūg-nus*, Gk. *πύγμη*, the fist. And see *pugnacious*.

**PUGNACIOUS**, combative, fond of fighting. (L.) Rather a late word. R. quotes 'a furious, *pugnacious* pope as Julius II,' from Barrow, On the Pope's Supremacy. [The sb. *pugnacity* is in Bacon, Adv. of Learning, book II. viii. 4.] A coined word (with suffix *-ous* = L. *-ōsus*) from L. *pugnāci-*, decl. stem of *pugnax*, combative. — L. *pugnā-re*, to fight, allied to *pugnus*, the fist; and Gk. *πύγμη*, the fist; *πύγ*, adv., with the fist. Der. *pugnacious-ly*; also *pugnacity*, from L. acc. *pugnācitatē*. And see *ex-pugn*, *im-pugn*, *op-pugn*, *re-pugn-ant*, *pug-il-ist*, *poni-ard*.

**PUISNE**, inferior in rank, applied to certain judges in England. (F.—L.) A law term. 'Puisne or *puinie*, vied in our common law-books... for the younger; as in Oxford and Cambridge they call Junior and Senior, so at Innes of Court they say *Puisne* and *Ancient*;' Minsheu, ed. 1627. The same word as **Puny**, q. v.

**PUISSANT**, powerful, strong. (F.—L.) In Skelton, ed. Dyce, i. 203, l. 3 from bottom. 'This is so *puysant* an enemy to nature;' Sir T. Elyot, Castel of Helth, b. iii. c. 12. — F. *puissant*, 'puissant, mighty,' Cot. Cf. Ital. *possente*, powerful. β. The Ital. form suggests that the F. word is formed from a barbarous L. type *\*possiens*, for *\*possens* (stem *possent-*), substituted for the true form *potens*, powerful; see **Potent**. γ. This barbarism was due to confusion

between the pres. part. *potens* and the infin. *posse*, to be able, have power; see **POSSIBLE**. Dor. *puissant-ly*; *puissance*, Lydgate, Minor Poems, p. 25, from F. *puissance*, power. Doublet, *potent*.

**PUKE** (1), to vomit. (E.?) In Shak. As You Like It, ii. 7. 144. Prov. E. *puke*, E. D. D. Prob. imitative; and partly suggested by the verb to *spew*, with the same meaning. Cf. G. *spucken*, to spit. See **Spew**, **Spit**; and cf. OF. *espu*, a spitting, L. *spūtare*, to spit.

**PUKE** (2), the name of a colour; *obsolete*. (MDu.) Explained by Barct as a colour between russet and black. '*Pewke*, a colour, *pers*;' Palsgrave. See Nares and Halliwell; and cf. **Puce** (above), from which it certainly differs. It prob. referred at first to the quality of the cloth; see Privy Expenses of Eliz. of York, pp. 120, 254.—MDu. *puijck*, 'wollen cloth,' Hexham; *puyck*, pannus laneus, Kilian; Du. *puik*, choice, excellent.

**PULE**, to chirp as a bird, whine like an infant, whimper. (F.) In Shak. Cor. iv. 2. 52; Romeo, iii. 5. 185.—F. *piuler*, 'to peep, or cheep, as a young bird; also, to *pule* or howle, as a young whelp;' Cot. In Gascon, *pioula*. Cf. Ital. *pigolare*, to chirp, moan, complain. These are imitative words; cf. L. *pīpīlare*, to chirp, *pīpāre*, to chirp.

**PULL**, to draw, try to draw forcibly, to pluck. (E.) ME. *pullen*, P. Plowman, B. xvi. 73; Allit. Poems, ed. Morris, B. 68. 'And let him there-in *pull*'—and caused him to be thrust into it; lit. and caused (men) to thrust him into it; Legends of the Holy Rood, ed. Morris, p. 60. Prob. an E. word; the AS. *pullian* and the pp. *āpullod*, given in Somner's Dict., are correct forms; *āpullud* is in AS. Leechdoms, i. 362, l. 10. β. We find, also, Low G. *pulen*, to pick, pinch, pluck, pull, tear, which is the same word; Brem. Wörterb. iii. 372; Dan. dial. *pulle*, to pull. Cf. also Low G. *pullen*, to drink in gulps (E. to take a pull). Der. *pull*, sb., Chaucer, Parl. of Fowls, l. 164.

**PULLET**, a young hen. (F.—L.) ME. *polete* (with one l), P. Plowman, B. vi. 282.—OF. *polete* (13th cent., Littré), later *poulette*, 'a young hen,' Cot. Fem. form of F. *poulet*, a chicken, dimin. of *poule*, a hen.—Late L. *pulla*, a hen; fem. of *pullus*, a young animal, cognate with E. **Foal**, q. v. Doublet, *poult*, q. v.

**PULLEY**, a wheel turning on an axis, over which a cord is passed for raising weights. (F.—L.—Gk.?) Spelt *pulley* in Minshew, ed. 1627; *polley* in Caxton, tr. of Reynard the Fox, ed. Arber, p. 96, l. 6 from bottom. [But, in the Prompt. Parv., we have the form *poleyne*; and in Chaucer, C. T. 10498 (F 184), we find *polyuē* (*polivē*), riming with *dryuē* (*drivē*). β. The last form is difficult to explain; but we may derive *poleyne* from F. *poulain*, 'a fole, or colt, also the rope wherewith wine is let down into a seller, a pully-rope,' Cot. 'Par le *poulain* on descend le vin en cave;' Rabelais, Garg. i. 5 (Littré).—Late L. *pullānum*, acc. of *pullūnus*, a colt.—L. *pullus*, a young animal; see **Pullet** (above). Cf. Late L. *polānus*, a pulley or pulley-rope. γ. The transference of sense causes no difficulty, as the words for 'horse' or 'goat' are applied in other cases to contrivances for the exertion of force or bearing a strain; thus MF. *poutre*, a filly, also means 'a beam' (Cot.); and F. *chèvre*, a goat, also means a kind of crane. The Late L. words for 'colt' are remarkably numerous, including (besides *pullanus*) the forms *pullinus*, *pullenrus*, *polassus*, *poledrus*, *polenus*, *poletus*; also *poleria*, *polina*, a filly.] δ. But the mod. E. *pulley* is from F. *poulie*, 'a pulley;' Cot. OF. *poulie*, *polie*, *pollye*, Supp. to Godefroy; cf. Late L. *poledia*, a crane, Ital. *puleggia*, a pulley. Perhaps from Late L. *\*pōlīdia*, pl. of *\*pōlīdium*, representing Late Gk. *\*πωλίδιον*, a little colt, dimin. of Gk. *πῶλος*, a colt. Cf. OF. *poulier*, a pulley, answering to Late Gk. *πωλάριον*, a little colt. ¶ Diez derives E. *pulley* from F. *poulie*, and then, conversely, F. *poulie* from E. *pull*; which is very unlikely. G. Paris (*Romania*, July, 1898, p. 486) suggests Gk. *\*πωλίδιον*, dimin. of *πῶλος*, a pivot, axis; see **Pole** (2).

**PULMONARY**, affecting the lungs. (L.) Blount, Gloss., ed. 1674, has *pulmonarius*, diseased in the lungs. Englished from L. *pulmōnārius*, belonging to the lungs, diseased in the lungs.—L. *pulmōn-*, stem of *pulmo*, a lung. β. The L. *pulmo* is cognate with Gk. *πλεύμων*, more commonly *πνεύμων*, a lung; the change to the latter form being due to association with *πνεύμα*, breath, from *πνέειν* (for *πνέφειν*), to blow. But *pulmo* (for *\*plu-mo*?) and Gk. *πλεύμων* are from a root **PLEU**; whence also Lith. *plaučiai*, pl. the lungs (Prellwitz). Der. *pulmon-i-c*, from L. *pulmōni-*, decl. stem of *pulmo*.

**PULP**, the soft fleshy part of bodies, any soft mass. (F.—L.) 'The *pulpe* or pith of plants;' Minshew.—F. *pulpe*, 'the pulp or pith of plants;' Cot.—L. *pulpa*, the fleshy portion of animal bodies, pulp of fruit, pith of wood. Dor. *pulp-y*, *pulp-i-ness*; *pulp-ous*, *pulp-ousness*.

**PULPIT**, a platform for speaking from. (F.—L.) ME. *pulpit*, P. Plowman's Crede, ed. Skat., l. 661; *pulpet*, Chaucer, C. T. 12325

(C 391).—OF. *pulpile*, 'a pulpit,' Cot.—L. *pulpitum*, a scaffold, platform, esp. a stage for actors.

**PULSATE**, to throb. (L.) A modern word, directly from L. *pulsātus*, pp. of *pulsāre*, to beat. It is no doubt due to the use of the sb. *pulsation*, in Blount's Gloss., ed. 1674, from F. *pulsation*; from L. *pulsātiōnem*, acc. of *pulsātiō*, a beating; from the same verb. β. The orig. sense of *pulsāre* was simply 'to beat;' it is a frequentative verb, formed from *puls-us*, pp. of *pellere*, to drive. L. *pello* is for *\*pel-no*; cf. Gk. *πῆλ-να-μαι*, 'I draw near quickly;' Brugmann, ii. § 612. Der. *pulsat-ion*, as above; *pulsat-ive*, *pulsat-or-y*; *pulse* (1), q. v. From the L. *pellere* we have also *ap-peal*, *peal*, *com-pel*, *dis-pel*, *ex-pel*, *im-pel*, *inter-pell-at-ion*, *pro-pel*, *im-pulse*, *re-peal*, *re-pel*, *re-pulse*; and see *pelt* (1), *pursy*, *pulse* (1), *push*.

**PULSE** (1), a throb, vibration. (F.—L.) *Puls* in Palsgrave. ME. *pous* (in which the l is dropped), P. Plowman, B. xvii. 66.—F. *pouls*, 'the pulse,' Cot.—L. *pulsus*, acc. of *pulsus*, a beating; also the beating of the pulse, a pulse.—L. *pulsus*, pp. of *pellere*, to drive; see **Pulsate**.

**PULSE** (2), grain or seed of beans, pease, &c. (L.) ME. *puls*. 'All manner *puls* is goode, the fitchet outetake'=every kind of pulse is good, except the vetch; Palladius on Husbandry, b. i. l. 723.—L. *puls*, a thick pap or pottage made of meal, pulse, &c., the primitive food of the Romans before they became acquainted with bread (White). Cf. Gk. *πόλτος*, porridge. ¶ Perhaps through the intermediate OF. *pols*, *pous* (Norm. dial. *pouls*), porridge; cf. Somersets. *pulse*, pottage. Der. *poullice*, q. v.

**PULVERISE**, to pound to dust. (F.—L.) 'To pulverate or to pulverize, to beat into dust;' Minshew, ed. 1627.—MF. *pulverizer*, 'to pulverize,' Cot.—Late L. *pulverizāre*, to pulverise; L. *pulverāre*, to scatter dust, also to pulverise.—L. *pulver-*, decl. base of *pulvis*, dust. The suffix *-ise* answers to the usual F. *-iser* (occasional *-izer*), Late L. *-izāre*, imitated from Gk. *-ίζειν*. β. L. *pulvis* is allied to L. *pollis*, *pollen*, fine meal; Gk. *πάλη*, meal, dust. See **Powder**.

**PUMA**, a large carnivorous animal. (Peruvian.) 'The American animal, which the natives of Peru call *puma*, and to which the Europeans have given the denomination of lion, has no mane;' tr. of Buffon's Nat. Hist., London, 1792.—Peruvian *puma*.

**PUMICE**, a hard, spongy, volcanic mineral. (F.—L.) ME. *pomeys*, *pomyce*, Prompt. Parv. [AS. *pumic-stān*, pumice-stone; Voc. 148. 3.] But the ME. *pomyce* is from OF. *pomis* (Godefroy).—L. *pūmicem*, acc. of *pūmex*, pumice. β. So named from its light, spongy nature, resembling sea-foam. From an Idg. base *\*spōim-*, whence also AS. *fām*, foam; see **Spume**. Doublet, *founce* (2).

**PUMMEL**, the same as **Pommel**, q. v.

**PUMP** (1), a machine for raising water. (F.—Teut.) ME. *pump*, Prompt. Parv.—F. *pompe*, 'a pump;' Cot. Of Teut. origin.—Low G. *pumpe*, a pump; of which a fuller form is *plumpe*, which is likewise an imitative form. Cf. prov. G. *plumpfen*, to pump. The Low G. *plumpfen* also means to plump, to fall plump, to move suddenly but clumsily; so that the sense of 'pumping' arose from the plunging action of the piston or, as it is sometimes called, the plunger, esp. when made solid, as in the force-pump. Allied to **Plump** (3), of imitative origin. Cf. prov. E. *plump*, a pump, *plumpy*, to pump (Cornwall); also Du. *pomp*, Swed. *pump*, Dan. *pumpe*, and even Russ. *pompa*, a pump; all borrowed words from Teutonic. Also the imitative forms Span. and Port. *bomba*, a pump, a bomb; and Hamburg *pümpel*, a piston (Richey). Der. *pump*, verb; spelt *pumpe* in Palsgrave.

**PUMP** (2), a thin-soled shoe. (F.—L.—Gk.) In Shak. Mids. Nt. Dr. iv. 2. 37; explained by Schmidt to mean 'a light shoe, often worn with ribbons formed into the shape of flowers.' So called because worn for 'pomp' or ornament, by persons in full dress.—F. *pompe*, 'pomp, state, solemnity, magnificence, ostentation; à pied de *plomb* et de *pompe*, with a slow and stately gait' [gait]; Cot. The use of this MF. proverb connects the word particularly with the foot and its ornament. Cf. Low G. *pump*, pomp; whence *pump-boxe*, old-fashioned large stockings (Bremen). See further under **Pomp**.

**PUMPTION, PUMPKIN**, a kind of gourd. (F.—L.—Gk.) Spelt *pumpkin* in W. Dampier, A New Voyage (1699), i. 203. The form *pumpkin* is a corruption from the older word *pompon* or *pumpion*, in which the suffix, not being understood, has been replaced by the E. dimin. suffix *-kin*. *Pumpion* is in Shak. Merry Wives, iii. 3. 43. Better *pompon*, as in Holland, tr. of Pliny, b. xix. c. 5.—MF. *pompon*, 'a pumpion, or melon;' Cot. [Ital. *porone* (Florio).] Formed, with inserted *m*, from L. *perōnem*, acc. of *perō*, a large melon, pumpkin.—Gk. *πέπων*, a kind of melon, not eaten till quite ripe.—Gk. *πέπων*, cooked by the sun, ripe, mellow; from the base *πεπ-*, seen in *πέπειν*, to cook; see **Cook**, and **Pip** (2).

**PUN**, to play upon words. (E.) 'A corporation of dull punning drolls;' Dryden, Art of Poetry, l. 358. The older sense of *pun* was to pound, to beat; hence to *pun* is to pound words, to beat them

into new senses, to hammer at forced similes. 'He would *pun* thee into shivers with his fist;' Shak. Troil. ii. 1. 42; and see Nares. *Pun* is a dialect form of *pound*, to bruise; see **Pound** (3); cf. Swed. dial. *punna*, to slap one playfully; *punn*, a playful slap on the back (Rietz). Der. *pun*, sb., Spectator, no. 61; *punn-ing*; *punster*, Guardian, no. 29, a coined word, like *trick-ster*.

**PUNCH** (1), to pierce or perforate with a sharp instrument. (F.—L.) '*Punch*, or *Punching-iron*, a shoemaker's tool to make holes with;' Phillips, ed. 1706. In Shak. Rich. III, v. 3. 125. ME. *punchen*, to prick; see Prompt. Parv. This verb seems to have been coined from the older sb. *punchion* or *punchon*, spelt *punchon* in Prompt. Parv., denoting the kind of awl used for punching or perforating; shortened to *punche*, spelt *ponche*, Wills and Invent., i. 365 (1572). See further under **Puncheon** (1). Der. *punch*, a kind of awl, as above. ☞ Distinct from *punch* (2), q. v.

**PUNCH** (2), to beat, bruise. (F.—L.) In the phrase 'to *punch* one's head,' the word is not the same as *punch* (1), but is a mere abbreviation of *punish*. In fact, 'to *punish* a man about the head' has still the same meaning. This is clearly shown by the entries in the Prompt. Parv., p. 416. '*Punchyn*, or *chastysyn*, *punysshen*, Punio, castigo;' and again, '*Punchynge*, *punysshinge*, Punicio.' So also: '*Punchyth* me, Lorde,' i. e. punish me; Cov. Myst., p. 75. See **Punish**. ☞ For the suppression of the *i* in *punish*, cf. ME. *pulshen*, to polish, P. Plowman, A. v. 257, foot-notes; and *vanshen*, to vanish, id. C. xv. 217. In the present instance, *punchen* was readily suggested by the like-sounding word *bunchen*, with much the same sense. Hence the entry: '*Punchyn*, or *bunchyn*, Trudo, tundo;' Prompt. Parv.

**PUNCH** (3), a beverage composed of spirit, water, lemon-juice, sugar, and spice. (Hindi—Skt.) '*Punch*, a strong drink made of brandy, water, lime-juice, sugar, spice, &c.;' Phillips, ed. 1706. Wedgwood cites two most interesting quotations. 'At Nerule is made the best arrack or Nepo da Goa, with which the English on this coast make that enervating liquor called *punch* (which is Hindostan for five) from five ingredients;' Fryer, New Account of East India and Persia, 1697. 'Or to drink *palepuntz* (at Goa) which is a kind of drink consisting of aqua-vitæ, rose-water, juice of citrons, and sugar;' Olearius, Travels to the Grand Duke of Muscovy and Persia, 1669. It was introduced from India, and apparently by the way of Goa; and is named from consisting of five ingredients. — Hindi *panch*, five; Bate's Dict., 1875, p. 394; cf. Hindustani *panj*. — Skt. *pānchan*, five, cognate with E. *five*; see **Five**. ☞ Perhaps it is interesting to observe that, whereas we used to speak of *four* elements, the number of elements in Sanskrit is *five*; see Benfey, p. 658, col. 2, l. 5; cf. Skt. *pañchatva*-, the five elements; *pañchaka*-, consisting of five. It is, at any rate, necessary to add that the Hindi and Skt. short *a* is pronounced like E. *u* in *mud* or *punch*; hence the E. spelling. See **Punch** in Yule.

**PUNCH** (4), a short, hump-backed fellow in a puppet-show. (Ital.—L.) In this sense, *Punch* is a contraction of *Punchinello*. In the Spectator, no. 14, the puppet is first called *Punchinello*, and afterwards *Punch*. '*Punch*, or *Punchinello*, a fellow of a short and thick size, a fool in a play, a stage-puppet;' Phillips, ed. 1706. The pl. *Punchinellos* occurs twice in Butler, Sat. on our Imitation of the French, ll. 26, 99; it occurs as early as A.D. 1666 (Nares). β. *Punchinello* is a corruption of Ital. *pulcinello*, by the change of *l* to *n* (cf. *Palermo* from L. *Panormus*); and the E. sound of *chi* corresponds to Ital. *ci*. *Pulcinello* was a character in Neapolitan comedy representing a foolish peasant who utters droll truths (Scheler); Barettili and Meadows only give the fem. *pulcinella*, 'punch, buffoon of a puppet-show.' These are dimin. forms of Ital. *pulcino*, 'a young chicken,' Florio; fem. *pulcina*. The latter form is from the same source (with a different suffix) as Ital. *pulcella*, a girl, maiden (F. *pucelle*), and all the words are from L. *pullus*, the young of any animal, whence also F. *poule* (from Late L. *pulla*), a young hen. Thus the lit. sense of Ital. *pulcinello* is 'little chicken.' See further under **Pullet**. ☞ Perhaps the E. form is due to confusion with prov. E. *punch*, short, fat, *punchy*, pot-bellied (Halliwell); words which are prob. closely connected with **Bunch**, q. v. 'Did hear them call their fat child *Punch*, . . . a word of common use for all that is thick and short;' Pepys' Diary, Apr. 30, 1669. In the phrase '*Punch and Judy*,' *Judy* is the usual abbreviation from *Judith*, once common as a female name.

**PUNCHEON** (1), a steel tool for stamping or perforating; a punch. (ONorth F.—L.) Our mod. sb. *punch* is a familiar contraction of *puncheon*, which occurs rather early. ME. *punchon*, Prompt. Parv. *Punsounne*, a dagger, occurs in Barbour's Bruce, i. 545; see my note on the line. ONorth-F. *ponchon* (Supp. to Godefroy, s. v. *poisson*), also *poinchon* (as in mod. Norman dial.); corresponding to OF. *poisson*, MF. *poisson*, 'a bodkin, also a puncheon, also a stamp, mark, print, or seale;' Cot. Mod. F. *poisson*; cf. Gascon *pouchoun*

(Moncant), Prov. *pouchoun* (Mistral), Span. *punzon*, a punch; Ital. *punzone*, 'a bodkin, or any sharp pointed thing, also a piece [wine-vessel], a barell,' Florio. — L. *punctiōnem*, acc. of *punctio*, a pricking, puncture; Diez remarks that this sb., which in L. is feminine, changes its gender to masc. in F., &c., whilst changing its sense from 'pricking' to the concrete 'pricking-instrument.' Allied to *punctus*, pp. of *pungere*, to prick; see **Pungent**. Der. *punch* (1). And see below.

**PUNCHEON** (2), a cask, a liquid measure of 84 gallons. (ONorth-F.—L.) 'Butte, pipe, *puncheon*, whole barrell, halfe barrell, firken, or other caske;' Hakluyt's Voyages, vol. i. p. 273. — ONorth-F. *ponchon* (see Norm. dial. *poinchon* in Moisy, OF. *poisson* in Supp. to Godefroy); MF. *poisson*, 'a wine-vessel;' Cot. β. It is not certain that OF. *poisson*, MF. *poisson*, a bodkin, and *poisson*, a cask, are the same word. It is gen. supposed that they are quite distinct, owing to the wide difference in sense. But I am inclined to think that F. *poisson* remains the same word in all its senses, the wine-vessel being so named from the 'stamp, mark, print, or seale' upon it, the stamp being produced by a *puncheon* or stamping-instrument. That is, I regard **Puncheon** (2) as identical with **Puncheon** (1). Cf. MItal. *punzone*, 'a bodkin, barell, hoghead for wine, goldsmith's pouncer, little stamp;' Florio.

**PUNCHINELLO**, the same as **Punch** (4), q. v.

**PUNCTATE, PUNCTATED**, punctured. (L.) A botanical term. Coined with suffix *-ate* (= L. *-atus*) from L. *punctum*, a point, dot. See **Puncture, Pungent**.

**PUNCTILIO**, a nice point in behaviour. (Span.—L.) 'Your courtier practice, is he that is yet in his path, his course, his way, and hath not touched the *punctilio* or point of his hopes;' Ben Jonson, Cynthia's Revels, Act ii. sc. 1 (Amorphus). Rather from Span. *puntillo*, a nice point of honour, than from the equivalent Ital. *puntiglio*. In fact, the word is spelt *puntillo* in Blount's Gloss., ed. 1674. The *c* is an E. insertion, due to confusion with *punctuate*, &c. The *li* represents the sound of the Span. *ll*. β. Span. *puntillo* is a dimin. of *punto*, a point. — L. *punctum*, a point; see **Point**. Der. *punctili-ous*, *-ly*, *-ness*.

**PUNCTUAL**, exact in observing appointed times. (F.—L.) Minshew, ed. 1627, has *punctuall* and the sb. *punctualitie*. See Trench, Select Glossary. — F. *punctuel*, 'punctually,' Cot. — Late L. *\*punctuālis*, not recorded; but the adv. *punctuāliter*, exactly, occurs A.D. 1440; Ducange. — L. *punctu-*, for *punctum*, a point; with suffix *-ālis*. (Perhaps *punctālis*, from the stem *punct-*, would have been more correct.) See **Point**. Der. *punctual-ly*, *punctual-i-ty*.

**PUNCTUATE**, to divide sentences by marks. (L.) A modern word; added by Todd to Johnson's Dict. Suggested by F. *punctuer*, 'to point, . . . mark, or distinguish by points;' Cot. — Late L. *punctuāre*, to determine, define. Formed from L. *punctu-*, for *punctum*, a point; see **Point**. (Perhaps *punctate*, from the stem *punct-*, would have been a more correct form.) Der. *punctuat-ion*, from F. *punctuation*, 'a pointing;' Cot.

**PUNCTURE**, a prick, small hole made with a sharp point. (L.) 'Wounds and *punctures*;' Sir T. Browne, Vulg. Errors, b. ii. c. 3. § 28. ME. *puncture*, Lanfrank, Science of Cirurgie, p. 16, l. 9. — L. *punctūra*, a prick, puncture. Allied to *punctus*, pp. of *pungere*, to prick; see **Pungent, Point**. Der. *puncture*, verb.

**PUNDIT**, a learned man. (Skt.) Not in Todd's Johnson. — Skt. *paṇḍita-* (with cerebral *n* and *d*), adj., learned; sb. a wise man, scholar. — Skt. *paṇḍ*, to heap up or together. ☞ The E. *u* represents Skt. short *a*, as in **Punch** (3).

**PUNGENT**, acrid to taste or smell, keen, sarcastic. (L.) In Phillips, ed. 1706. *Pungency* occurs earlier, in Blount's Gloss., ed. 1674. — L. *pungent-*, stem of pres. part. of *pungere*, to prick, pt. t. *pu-pug-i*, pp. *punctus*; from the base PEUG, to prick. See **Point**. Der. *pungent-ly*, *pungent-y*. From the L. *pungere* we also have *point*, with its derivatives; also *punct-ate*, q. v., *punct-ilio*, q. v., *punct-u-al*, q. v., *punct-u-ate*, q. v., *punct-ure*, q. v. Also *com-punct-ion*, *ex-punge*, *pounce* (1), *punch* (1), *puncheon* (1). Doublet, *poignant*.

**PUNISH**, to chasten, chastise. (F.—L.—Gk.) ME. *punischen*, P. Plowman, B. iii. 78. — F. *puniss-*, stem of pres. part. of *punir*, to punish. — L. *pūnīre*, to punish, exact a penalty; OLat. *poenīre*. — L. *poena*, a penalty. — Gk. *ποινή*, a penalty; whence E. **Pain**, q. v. Der. *punish-able*, from F. *punissable*, 'punishable,' Cot.; *punishment*, L. L. L. iv. 3. 63, a coined word, substituted for ME. *punicion* (spelt *punysyon* in Berners, tr. of Froissart, v. ii. c. 39), which is from F. *punition*, 'a punishment,' Cot., from L. acc. *pūnitionem*. Also *punish-er*, and (from L. *pūnīre*) *im-punity*. And see *penance*, *penitence*, *punch* (2).

**PUNK**, a prostitute. (Low G.) In Shak. Merry Wives, ii. 2. 141. Cotgrave explains F. *gouge* as 'a souldier's pug, or punk.' Evidently a slang word, and probably imported by soldiers from the Low Countries. According to the Bremen Wörterbuch, it may have

come (ultimately) from Bremen; for *Punken-diek* was the name of a dike, with houses near it on the river Weser, in the eastern suburb of Bremen, which was formerly notorious for evil-livers; whence probably the E. word *punk*. (According to Schmeller, the Bavarian word *punken* meant a kind of cabbage.)

**PUNKAH**, a large fan. (Hind.—Skt.) Hind. *pankhā*, a fan; allied to *pankh*, a wing, feather; Forbes.—Skt. *paksha*, a wing. Cf. Pers. *pankan*, 'a sieve, a fan'; Rich. Dict. p. 338.

**PUNT** (1), a ferry-boat, a flat-bottomed boat. (L.—C.) 'Ulysses in a punt, or small bottom;' Holland's Pliny, bk. 35, ch. x. p. 537 a. AS. *punt*; 'Pontonium, *punt*;' Voc. 166. 2; 'Caudex, *punt*;' Voc. 181. 31. (*Caudex* means a boat hollowed out of a tree.) Abbreviated from L. *ponto*, a punt, Caesar, Bellum Civile, iii. 29; also, a pontoon. Of Celtic origin; Celt. type *\*qontos*; Stokes-Fick, p. 62. Given by Caesar as a Gaulish word.

**PUNT** (2), to play at the game of cards called basset. (F.—Span.—L.) 'I would *punt* no more;' Pope, The Basset-table, l. 68. '*Punter*, a term used at the game of cards called basset;' Phillips, ed. 1706.—F. *ponte*, 'a punter; a punt;' also *punter*, 'to punt;' Hamilton. Hatzfeld gives F. *ponte* as a term in the game of *ombre*, meaning an ace of hearts or diamonds.—Span. *punto*, a point, also, a pip at cards.—L. *punctum*, a point; see **Point**. ¶ Perhaps immediately from Spanish.

**PUNY**, small, feeble, inferior in size or strength. (F.—L.) In Shak. Rich. II, iii. 2. 86; also *puisny*, As You Like It, iii. 4. 46. And see Trench, Select Glossary.—AF. *puiné*, Year-books of Edw. I, i. 83; spelt *puisne*, iii. 317; MF. *puiné*, 'puny, younger, born after,' Cot. Mod. F. *puiné*, younger. Thus the lit. sense is 'born after,' hence, younger, junior, inferior.—L. *post natus*, born after. See **Posterior** and **Natal**. Doublet, *puisne*, q. v.

**PUPA**, a chrysalis. (L.) A scientific term.—L. *pūpa*, a girl, doll, puppet; hence, the sense of undeveloped insect. Fem. of *pūpus*, a boy, child. Allied to *pustus*, *pu-er*, a boy; from ✓PEU, to beget; see **Puerile**. Der. *pup-il*, *pupp-et*, *pupp-y*.

**PUPIL** (1), a scholar, a ward. (F.—L.) In Spenser, F. Q. ii. 8. 7.—MF. *pupile*, 'a pupill, ward;' Cot. Mod. F. *pupille*. Properly a masc. sb.—L. *pupillum*, acc. of *pupillus*, an orphan-boy, orphan, a ward; dimin. from *pūpus*, a boy; see **Pupa**. Der. *pup-il-age*, Spenser, Verses to Lord Grey, l. 2; *pup-il-ar-y*, from F. *pupilaire*, 'pupillary,' Cot., L. *pupillāris*, belonging to a pupil. Also *pupil* (2).

**PUPIL** (2), the central spot of the eye. (F.—L.) Spelt *pupill* in Bacon, Nat. Hist. § 868.—F. *pupille*, the pupil (Hatzfeld). A fem. sb.; which distinguishes it from the word above.—L. *pupilla*, a little girl; also, the apple of the eye, or pupil. Fem. of *pupillus*; see **Pupil** (1). ¶ The name seems to be due to the small images seen in the pupil; cf. the OE. phrase 'to look *babies* in the eyes.'

**PUPPET**, a small doll, little figure. (F.—L.) ME. *popet*, King Alisaunder, l. 335; Chaucer, C. T. 13631 (B 1891).—OF. *poupette*, Godefroy; MF. *poupette*, 'a little baby, puppet;' Cot. Dimin. from L. *puppa*, a doll; variant of *pūpa*; see **Pupa**.

**PUPPY**, (1) a whelp; (2) a dandy. (F.—L.) 1. In Shak. Oth. i. 3. 341; a *puppy-dog*, K. John, ii. 460. Here (as in *lev-y*, *jur-y*) the final -y answers to F. -*ce*.—F. *poupée*, 'a baby, a puppet;' Cot. Here, by 'baby,' Cotgrave means a doll; but it is clear that in E. the word was made to mean a lap-dog; cf. 'smale ladies *popis*;' Book of St. Alban's, fol. f 4, back. The F. *poupée* (as if from L. *\*puppāta*) is due to L. *pūpa*; see **Puppet**. 2. In the sense of 'dandy,' *puppy* occurs in the Guardian (Todd's Johnson). This is the same word, used in contempt, as in Henry VIII, v. 4. 30; perhaps affected by the MF. *poupin* or *popin*, 'spruce, neat, trimme, fine,' Cot. Cf. *se popiner*, 'to trimme or trick up himself,' id.; mod. F. *faire le poupin*, to play the fop. This word answers to a Late L. *\*puppīnus* (not found), and is a derivative from L. *pūpus*, a boy. Der. *puppy-ism*. Also *pup*, which is an abbreviation for *puppy*; whence *pup*, verb, formerly *puffy*, as in Holland, tr. of Pliny, b. xxx. c. 14.

**PUR-**, prefix. (F.—L.) E. *pur-* answers to OF. *pur-*, F. *pour-*, prefix, which is the F. prep. *pour*, for, a curious variation of L. *prō*, for. Thus *pur-* and *pro-* are equivalent; and words like *purvey* and *provide* are mere doublets. ¶ In the word *pur-blind*, the prefix has a different value.

**PURBLIND**, nearly blind. (Hybrid; F.—L., and E.) This word has suffered a considerable change of sense, almost parallel to the strange change in the case of *Parboil*, q. v. The orig. sense was *wholly* blind, as in Rob. of Glouc., p. 376, l. 7713: 'Me ssolde pulte oute boþe is eye, and makeþ him *pur blind*'=they should put out both his eyes, and make him quite blind. See Spec. of Eng. ed. Morris and Skeat, p. 14, l. 390. Sir T. Elyot writes *poreblynde*, The Governour, b. iii. c. 3. § 3; so also in Levins. In Wyclif,

Exod. xxi. 26, the earlier version has *pure blynde*, where the later has *oon ized* (i. e. one-eyed), and the Vulgate has *luscus*. So also '*pur-blynde*, luscus;' Prompt. Parv. Even in Shak. we have *both* senses: (1) wholly blind, L. L. L. iii. 181, Romeo, ii. 1. 12; and (2) partly blind, Venus, 679, 1 Hen. VI, ii. 4. 21. β. It is clear that 'wholly blind' is the orig. sense, and that which alone needs an etymology; whilst 'partly blind' is a secondary sense, due perhaps to some confusion with the verb *to pore*, as shown by the spelling *poreblind*; or to a mistaken derivation from Gk. *παρός*, blind. *Purblind*=*pure-blind*, i. e. wholly blind; see **Pure** and **Blind**. For the use of *pure* as an adv., cf. '*pure* for his love'=merely for his love, Tw. Nt. v. 86. Der. *purblind-ly*, *purblind-ness*.

**PURCHASE**, to acquire, obtain by labour, obtain by payment. (F.—L.) ME. *purchasen*, *purchacen*, Rob. of Glouc. p. 16, l. 360; Chaucer, C. T. 610 (A 608). The usual sense is 'to acquire.'—OF. *purchacer*, later *purchasser*, 'eagerly to pursue, . . purchase, procure,' Cot.—OF. *pur*, F. *pour*, for; and *chasser*, to chase. Formed after the analogy of F. *poursuivre* (Scheler). See **Pur-** and **Chase**; also **Pursue**. Der. *purchase*, sb., ME. *purchas*, *pourchas*, Chaucer, C. T. 258 (A 256), from OF. *purchas*, later *pourchas*, 'eager pursuit,' Cot.; *purchas-er*, *purchas-able*.

**PURE**, unmixed, real, chaste, mere. (F.—L.) ME. *pur*, Rob. of Glouc., p. 8, l. 184; where it rhymes with *fur*=fire. Pl. *purè* (disyllabic), Chaucer, C. T. 1281 (A 1279).—F. *pur*, masc., *pure*, fem., 'pure,' Cot.—L. *pūrum*, acc. of *pūrus*, pure, clean.—✓PEU, to purify, cleanse; cf. Skt. *pū*, to purify; see **Fire**. Der. *pure-ly*, *pure-ness*; *pur-ist*, *pur-ism* (coined words); and see *pour*, *purge*, *pur-i-fy*, *pur-i-tan*, *pur-i-ty*, *spurge*. From the same root, *fire*, *bureau*, *com-pute*, *de-pute*, *dis-pute*, *im-pute*, *re-pute*, *am-put-ate*, *de-put-y*, *count* (2), &c.

**PURFLE**, the older form of *purl*; see **Purl** (3).

**PURGE**, to purify, clear, carry away impurities. (F.—L.) ME. *purgen*, Chaucer, C. T. 14953 (B 4143).—F. *purger*, 'to purge,' Cot.—L. *purgare*, to cleanse, purge. β. L. *purgare*=*pūrigāre* (Plautus has *expūrigatio*); from *pūr*, stem of *pūrus*, pure, and -*ig-*, weakened form of *ag-* (*ag-ere*), to do, make, cause. See **Pure** and **Agent**. Der. *purg-at-ion*, ME. *purgacioun*, Wyclif, Heb. i. 3, from F. *purgation*<L. acc. *purgationem*, from *purgare*; *purgat-ive*, orig. adj., Macb. v. 3. 55, from L. *purgātivus*; *purgat-or-y*, ME. *purgatorie*, Ancrén Riwe, p. 126, l. 8, from F. *purgatoire* (of which an old form was prob. *\*purgatorie*), which from L. *purgā-tōrius*, adj., cleansing, purifying; *purgat-or-i-al*; *purg-ing*, sb., *expurge-ate*. And see *spurge*.

**PURIFY**, to make pure. (F.—L.) ME. *purifien*, Wyclif, Deeds [Acts], xxi. 26.—F. *purifier*, 'to purifie,' Cot.—L. *pūrificare*, to make pure.—L. *pūri-*, for *pūrus*, pure; and *fic-*, for *fac-* (*facere*), to make. Der. *purifi-er*, *purify-ing*; also *purific-at-ion*, ME. *purificacioun*, Wyclif, John, iii. 25, from F. *purification*, from L. acc. *pūrificatiōnem*; *purific-at-or-y*, a coined word, as if from a L. adj. *\*pūrificātorius*.

**PURIM**, an annual Jewish festival; the feast of lots. (Heb.—Pers.) In Esther, iii. 7; ix. 26.—Heb. *pūrim*, lots; pl. of *pūr*, a lot. Of Pers. origin (Gesenius).

**PURITAN**, one who pretends to great purity of life. (L.) The name was first given, about A.D. 1564, to persons who aimed at greater purity of life, &c., than others (Haydn). Frequently in Shak. All's Well, i. 3. 56, 98; Tw. Nt. ii. 3. 152, 155, 159; Wint. Tale, iv. 3. 46; Pericles, iv. 6. 9. A barbarous E. formation, with suffix -*an* (=L. -*ānus*), from the word *purit-y* or the L. *pūrit-ās*. See **Purity**. Der. *Puritan-i-c-al*, *Puritan-ism*. ¶ The F. *puritain* is borrowed from E.

**PURITY**, the condition of being pure, pureness. (F.—L.) ME. *pureté*, Ancrén Riwe, p. 4, l. 21; the *e* (after *r*) was afterwards altered to *i*, to bring the word nearer to the L. spelling.—F. *pureté*, 'purity,' Cot.—L. *pūritatem*, acc. of *pūritas*, purity; formed with suffix -*itās* from *pūri-*, for *pūrus*, pure; see **Pure**.

**PURL** (1), to flow with a soft murmuring sound. (Scand.) 'A pipe, a little moistened, . . maketh a more solemne sound, than if the pipe were dry; but yet with a sweet degree of sibilation, or *purling*;' Bacon, Nat. Hist. § 230. The word is rather Scand. than E., being preserved in Norw. *purla*, to well up, MSwed. *porla* (Ihre), Swed. *porla*, to purl, bubble as a stream. β. But it is merely a frequentative form, with the usual suffixed -*l* from the imitative prov. E. word *purr* or *purr*, for which see **Purr**. Cf. Irish and Gael. *bururus*, a purling noise, a gurgling; Du. *borvelen*, to bubble up, Low G. *burreln*, *purreln*, to bubble up, AS. *bur-na*, a well; see **Bourn** (2). ¶ *Purl*, to curl, Shak. Lucr. 1407, is from the rippling of a purling stream.

**PURL** (2), spiced or medicated beer or ale. (F.—L.?) 'Purl, a sort of drink made of ale mingled with the juice of wormwood;' Phillips, ed. 1706. 'A double mug of *purle*;' Spectator, no. 88.

But I suppose the spelling to be a mistaken one, due to confusion with **Purl** (1). It should surely be *pearl*, from F. *perle*, a pearl; see **Pearl**. See *perlé*, adj., and *perler*, verb, in Littré. The word was a term in cookery; thus *sucré perlé* is sugar boiled twice; *bouillon perlé*, jelly-broth (Hamilton). So also Du. *parelen*, *paarlen*, to pearl, sparkle, rise in small bubbles, like pearls (Calisch); G. *perlen*, to rise in small bubbles like pearls, to pearl (Flügel); *perle*, a pearl, drop, bubble. Hence *purl*, a drink with bubbles on the surface.

**PURL** (3), to form an edging on lace, to form an embroidered border, to invert stitches in knitting. (F.—L.) ‘Needlework *purled* with gold;’ An Eng. Garner, ed. Arber, ii. 37 (1532). Just as the word above should be spelt *pearl*, it is found, conversely, that the present word is often misspelt *pearl*; by the same confusion. It is a contraction of the old word to *purfle*, to embroider on an edge. ‘*Purfled* with gold and pearl of rich assay;’ Spenser, F. Q. i. 2. 13. ME. *purfilen*, Chaucer, C. T. 193. —OF. *porfiler*, later *pourfiler*. ‘*Pourfiler d’or*, to purfle, tinsell, or overcast with gold thread, &c.;’ Cot. —OF. *por*, F. *pour*, from L. *prō*, from (which is often confused, as Scheler remarks, with F. *par*, L. *per*, throughout, and such seems to be the case here); and F. *filer*, to twist threads, from *fil*, a thread. See **Pur-** and **File** (1). ¶ Cotgrave also gives MF. *pourfil* in the sense of *profile*; *profile* and *purl* (3) are really the same word, the difference in sense being due to the peculiar use of the F. prefix *pour-* as if it were = L. *per*. ‘To *purl* is ‘to work along an edge,’ or ‘to overcast all along with thread.’ Doublet, *profile*.

**PURL** (4), to upset. (E.) A slang term; a huntsman who is thrown off his horse is *purled* or *spilt*. Prov. E. *pirl*, to spin round, to tumble; E. D. D. *Purl* should rather be *pirl*; from ME. *pirle*, a whirligig, formed by the frequentative suffix *-l* from the imitative word *pirr*, to whirl. So also MItal. *pirla*, a whipping-top; *pirlare*, ‘to twirl round;’ Florio. Allied to **Purl** (1).

**PURLIEU**, the borders or environs of any place (orig. only of a forest); esp. when used, as is usual, in the plural. (F.—L.) ‘In the *purlieus* of this forest;’ As You Like It, iv. 3. 77. ‘*Purlieu*, or *Purlue*, is all that ground neere any forest, which being made forest by Henry II, Rich. I, or King John, were, by perambulations granted by Henry III, seuered again from the same; Manwood, par. 2 of his *Forest Lawes*, cap. 20. And he calleth this ground either *pourallee*, i. e. *perambulationem*, or *purlieu* and *purluy*, which, he saith, be but abusively taken for *pourallee*;’ Minshew, ed. 1627. Manwood’s definition is: ‘*Purlieu* is a certain territorie of ground adjoining unto the forest, meared [marked] and bounded with immoveable marks, meeres, and boundaries;’ Reed’s note on As You Like It. ‘*Purlieu*: land which having once been part of the royal forest has been severed from it by perambulationem (*pourallée*, OF. *puralee*) granted by the crown. The preamble of 33 Edw. I. c. 5 runs: “Cume aucune gentz que sount mys hors de forest *par la puralee* . . . aient requis a cest parlement quilz soient quites . . . des choses que les foresters leur demandent.” In the course of the statute mention is made of “terres et tenements deaforestes *par la puralee*.” These [lands] would constitute the *purlieu*. A *purlieu-man* or *purlie-man* is a man owning land within the *purlieu*, licensed to hunt on his own land;’ Wedgwood. β. It is thus clear that *purlieu* was ‘land set free’ from the forest laws, and hence called *pur lieu* (L. *pūrus locus*). γ. The perambulation itself was denoted by the OF. *puralee* or *poralee*. This OF. *puralee* appears to be a mere translation of L. *perambulatiōnem*, by that confusion whereby OF. *pur* (F. *pour*), though really answering to L. *prō*, is made to do duty for the L. *per*, as in several instances noted by Scheler. See AF. *pouralee* (to translate *perambulatio*) in Liber Custumarum, p. 197; from OF. *pur* = L. *prō*; and OF. *alee*, a going, for which see **Alley**.

**PURLLOIN**, to steal, plagiarise. (F.—L.) In Shak. Lucrece, 1651. ME. *purloynen*; the pp. is ill spelt *perloyned* in the York Plays, p. 271. Cf. ME. *purlongen*; ‘*Purlongyn*, or *prolongyn*, or *put fer away*, *Prolongo*, alieno;’ Prompt. Parv. Thus the orig. sense is simply to prolong, put away, keep back, or remove. [Cf. OF. *esloigner* (< L. *elongāre*), ‘to remove, banish, drive, set, put, far away;’ Cot.] —OF. *porloignier*, *purloignier*, to prolong, retard, delay; Godefroy. —L. *prolongāre*, to prolong; see **Prolong**. Der. *purloin-er*. Doublet, *prolong*.

**PURPLE**, a very dark-red colour. (F.—L.—Gk.) In Spenser, F. Q. i. 2. 7. For ME. *purpre*, by change of *r* to *l*, as in ME. *marbre*, now *marble*, and in *Molly*, *Dolly*, for *Mary*, *Dorothy*. The ME. *purpre* is in early use, occurring in Layamon, l. 5928. —OF. *porpre* (13th cent., Littré), later *pourpre*, ‘purple,’ Cot. Cf. Ital. *porpora*, Span. *purpura*. —L. *purpura*, the purple-fish, purple-dye. —Gk. *πορφύρα*, the purple-fish; cf. G. *πορφύρεος*, purple. β. The orig. sense of Gk. *πορφύρεος*, as an epithet of the sea, seems to have been ‘troubled’ or ‘raging,’ hence dark, and lastly purple. The sea

dark with storms was also called *αἰνός*, wine-coloured, wine-dark; apparently from the dark shade of brooding clouds. Hence the etymology is from Gk. *πορφύρεω*, to grow dark, used of the surging sea; a reduplicated form (= \**φορ-φύρ-ειν* = \**φύρ-φύρ-ειν*) of Gk. *φύρεω*, to mix up, mingle, confound, orig. to stir violently. Allied to Skt. root *bhur*, to be active, L. *furere*, to rage; see **Fury**. ¶ The AS. *purpur* is borrowed directly from Latin. So also G. *purpur*, &c.

Der. *purple*, verb. And see *porphyry*.

**PURPORT**, to imply, mean, intend. (F.—L.) In Bacon, Life of Hen. VII, ed. Lumby, p. 146, l. 27. (And prob. a much older word.) —OF. *porporter*, *pourporter*, to intend, whence the sb. *purport*, tenour. Not in Cotgrave; but Godefroy gives the verb *porporter*, *pourporter*, to declare, inform, and the sb. *purport*, tenour; and notes the phrase *selon le purport*, according to the purport. —OF. *pur*, F. *pour*, from L. *prō*, according to; and F. *porter*, to bear, carry, from L. *portāre*, to carry. A similar application of F. *porter* occurs in E. *import*. See **Pur-** and **Port** (1). Der. *purport*, sb., used by Spenser with the sense of ‘disguise,’ F. Q. iii. 1. 52, the lit. sense being rather ‘declaration’ or ‘pretext.’

**PURPOSE** (1), to intend. (F.—L.—Gk.; with F. prefix.) ME. *purposen*, Gower, C. A. i. 5, prol. 53. —OF. *porposer* (Godefroy), a variant of *proposer*, to propose. Thus *purpose* and *propose* are doublets; see **Propose**, which is strictly from L. *proposāre*, of Gk. origin, though there has been confusion with L. *pōnere*. ¶ Distinct in origin from **Purpose** (2), though much confounded with it in association. Doublet, *propose*.

**PURPOSE** (2), intention. (F.—L.) Though from a different origin, this sb. has become altogether associated with the verb to *purpose*, owing to the extraordinary confusion, in French, of the derivatives of *proposāre* and *pōnere*. ME. *purpos*, Chaucer, C. T. 3979 (A 3981); spelt *porpos*, Rob. of Glouc., p. 121, l. 2572. —OF. *pourpos* (of which another form was *porpost*), a resolution, design (Godefroy); a variant of F. *propos*, ‘a purpose, drift, end,’ Cot. —L. *propositum*, a thing proposed, design, resolution. —L. *propositus*, pp. of *proponere*, to propose; see **Propound**. Der. *purpose-ly*, *purpose-less*; also *a-propos*, q. v.

**PURR, PUR**, to utter a murmuring sound, as a cat. (E.) ‘A *pur* . . . of fortune’s cat;’ All’s Well, v. 2. 20; ‘*Pur*, the cat is gray;’ King Lear, iii. 6. 47. An imitative word, not unlike *buzz*. Cf. Scotch *pirr*, a gentle wind, Icel. *byrr*, wind; also Irish and Gael. *burburus*, a gurgling sound. Intended to imitate the sound of a gentle murmur. Der. *pur-l* (1), a frequentative form.

**PURSE**, a small bag for money. (L.—Gk.) ME. *purs*, *burs*; Prompt. Parv. p. 417. Spelt *fors*, P. Plowman, A. v. 110. In early use; the pl. *forres* occurs in the later text of Layamon, l. 5927. AS. *purs*; Engl. Studien, xi. 65. [Cf. OF. *burse* (Burguy), later *bourse*, ‘a purse,’ Cot.] —Late L. *bursa*, a purse; Ducange. —Gk. *βύρση*, a hide, skin; of which purses were made. ¶ The change from initial *b* to *p* is rare, but accords with Grimm’s Law, and we find similar examples in E. *apricot* as compared with F. *abricot*, and mod. E. *gossip* as compared with ME. *gossib*, Chaucer, C. T. 5825 (D 243). Der. *purs-er* (doublet, *burs-ar*, q. v.); *purs-er-ship*; *purse-proud*; *purse-bearer*, Tw. Nt. iii. 3. 47. Also *purse*, verb, to wrinkle like a bag drawn together, Oth. iii. 3. 113.

**PURSLAIN, PURSLANE**, an annual plant, sometimes used in salads. (F.—L.) Spelt *purcelaine*, Hakluyt’s Voyages, vol. ii. pt. ii. p. 109, l. 43; *pourslane*, Sir T. Elyot, Castel of Helth, b. ii. c. 8. ME. *purslane*, to translate L. *portulāca*, Prompt. Parv., p. 417. —OF. *porcelaine* (Godefroy). [Cf. Ital. *porcellana*, ‘the hearbe called purcelane;’ Florio.] Formed from L. *portulāca*, *purslain*, Pliny, b. xx. c. 20; the usual form of the word being *portulāca*. Walde derives *portulāca* from *portula*, dimin. of *porta*, a door, with reference to some peculiarity of the seed-capsules.

**PURSUE**, to follow after, chase, prosecute. (F.—L.) ME. *pursuen*, Wyclif, John, xv. 20, where the AV. has *persecute*; also in P. Plowman, B. xix. 158. —OF. *porssuir*, *poursuir*; Norm. dial. *porssuir*; mod. F. *poursuivre*, ‘to pursue, prosecute, persecute,’ Cot. Cotgrave gives the spellings *poursuir*, *poursuyr*, and *poursuivre*. —OF. *pur*, *por*, mod. F. *pour*, answering to L. *prō*; and Late L. *sequere*, in place of L. *sequi*, to follow; so that *poursuir* = L. *prōsequi*, to prosecute. See **Prosecute**; also **Pur-** and **Sue**. β. Owing to the confusion between the F. prefixes *pour* (*prō*) and *par* (*per*), the verb *poursuivre* also had the sense of *persecute*; we even find in OF. (11th cent.) the expression *à persuir son apel* = to pursue his appeal (Littré). See **Persecute**. Der. *pursu-er*, which in Scots law means ‘a plaintiff,’ lit. a prosecutor. Also *pursu-ant*, ‘following, according, or agreeable to,’ Phillips, ed. 1706, formed with the F. pres. part. suffix *-ant* from OF. *pursu-ir*, though the usual form of the pres. part. was *pursuivant* or *poursuivant* (see below); *pursu-ance*, Phillips, ed. 1706, apparently coined from the adj. *pursuant*. Also *pursu-ir*, spelt *poursuitt* in Spenser, F. Q. ii. 4. 1, *pursu-ir* in Trevisa,

tr. of Higden, i. 195, from F. *poursuite*, fem. sb., a participial form answering to L. fem. pp. *prosecuta*; *pursuiv-ant*, an attendant on heralds, lit. 'one who is following,' Rich. III, iii. 4. 90, MF. *pursuaint*, Chaucer, House of Fame, 1321, from F. *poursuivant d'armes*, 'herald extraordinary, or young herald,' Cot., from F. *poursuivant*, pres. part. of *poursuivre*.

**PURSY**, short-winded. (F.—L.) In Shak. Timon, v. 4. 12. Spelt *pursy* and *pursif* in Levins. ME. *jurcy* (for *pursy*), Prompt. Parv. 'Pursyfe, shorte-wynded, or stuffed aboute the stomacke, *poursif*;' Palsgrave.—MF. *poursif*, in Palsgrave, as just cited; which is a variant (by change of *l* to *r*) of MF. *poulsif*, 'pursie, short-winded,' Cot. Mod. F. *poulsif*. Formed, with suffix *-if* (< L. *-iūs*), from MF. *poulser* (mod. F. *pousser*), 'to push,' Cot. Cotgrave also gives the form *pousser*, which he explains not only by 'to push,' but also by 'to breathe or fetch wind.'—L. *pulsare*, to beat, push; see **PUSH**. The word has reference to the pantings or quick *pulsations* of breath made by a pursy person. Der. *pursy-ness*.

**PURTENANCE**, that which belongs to; the intestines of a beast. (F.—L.) In Exod. xii. 9; the usual translation of the same Heb. word being 'inwards.' Spelt *perテナunce* in Coverdale's translation. 'Portenauunce of a beest, *fresseure*;' Palsgrave. In P. Plowman, B. ii. 103, where most MSS. have *purtenuances*, MS. W. has *appurtenuances*. Thus *purtenance* is merely an abbreviation of *appurtenance*, from AF. *apurtenance*, Langtoft's Chron., i. 438; variant of *apartenance* (Burguy), from OF. *apartenir*, to appertain. Cotgrave has: 'appartenance, an appurtenance, an appendant.' β. The variation in the syllable *pur*, *par*, is due to the frequent confusion between OF. *pur* (L. *prō*), and *par* (L. *per*). In the present case, the syllable is due to L. *per*. See **APPURTENANCE**, **APPERTAIN**.

**PURULENT**, **PURULENCE**; see **PUS**.

**PURVEY**, to provide. (F.—L.) A doublet of *provide*. ME. *purueien*; *porueien* (with *u=v*), Rob. of Glouc. p. 39, l. 911; Rob. of Brunne, tr. of Langtoft, p. 74.—AF. *purveier*, to provide, Liber Custumarum, p. 216; OF. *porvoir* (Burguy), mod. F. *pourvoir*, to provide.—L. *prōuidere*; see **PROVIDE**. β. The F. *voir*, to see, has numerous forms in OF., such as *veoir*, *veor*, *veir*, *veer*, *veier*, *veier*, &c.; see Burguy. The E. spelling *-vey* answers to AF. *veier*; cf. E. *sur-vey*. Der. *purvey-ance*, ME. *porueance*, Rob. of Glouc. p. 457, l. 9387, from AF. *purveance*, Polit. Songs, p. 231, answering to MF. *pourvoyance*, 'providence, forecast,' Cot.; and therefore a doublet of *providence*. Also *purvey-or*, ME. *purveour*, P. Plowman, B. xix. 255, footnote, from AF. *purveour*, Stat. Realm, i. 137 (1300), answering to MF. *pourvoyeur*, 'a provider or purveyor,' Cot. Doublet, *provide*.

**PURVIEW**, a proviso, enactment. (F.—L.) Now applied to the enacting part of a statute as opposed to the preamble, and so called because it formerly began with the words *purveu est*, it is provided. Spelt *purvieu* in Blount.—AF. *purveu*, Polit. Songs, p. 231; MF. *purveu*, provided, Cotgrave; mod. F. *pourvu*. Pp. of AF. *purveier*, OF. *porvoir*, F. *pourvoir*; see **PURVEY**.

**PUS**, white matter issuing from a sore. (L.) In Phillips, ed. 1706. [The adj. *purulent* is in Blount's Gloss., ed. 1674.]-L. *pūs* (gen. *pūris*), matter.—Gk. *πύον*, matter; Skt. *pūya-*, pus; from *pūy*, to stink.—✓PEU, to be corrupt, stink; whence also *pu-irid*, &c. Allied to **FOUL**. Brugmann, i. § 113. Der. *pur-u-ent*, from F. *purulent*, 'mattary, corrupt,' Cot., from L. *pūulentus*, full of matter, from the stem *pūr-* and suffix *-lentus*. Hence *purulence*.

**PUSH**, to thrust against, urge, drive forward. (F.—L.) ME. *possen*, *pussen*; infin. *posse*, K. Horn, ed. Lumby, l. 1011; pt. t. *puste*, K. Horn, ed. Ritson, l. 1079; *possed*, P. Plowman, B. prol. 151. At a later time *puss* became *push*, by change of double *s* to *sh*, as in *anguish* from *anguisse*, *brush* from F. *brosse*, *embellish* from F. *embelliss-*, &c.—OF. *pousser*, MF. *poulser*, 'to push, thrust,' Cot.—L. *pulsare*, to beat, strike, thrust; frequentative form of *pellere* (pp. *pulsus*), to drive. See **PULSE** (1), **PULSATE**. Der. *push*, sb., Spenser, F. Q. i. 3. 35; *push-ing*; *push-pin*, L. L. L. iv. 3. 169. ¶ The prov. E. *push*, a pustule, is spelt *poushe* in Sir T. Elyot's Castel of Helth, bk. iii. c. 6; from the same verb.

**PUSILLANIMOUS**, mean-spirited. (L.) 'Womanish and pusillanimous,' Chapman, tr. of Homer, b. i. Commentary, note 7. From L. *pusillanimus*, mean-spirited, by change of *-us* to *-ous*, as frequently; the more usual form is *pusillanimis*.—L. *pusill-*, stem of *pusillus*, very small; and *animus*, mind, soul. β. *Pusillus* is allied to *pūsus*, a little boy, *pu-er*, a boy; see **PUERILE**. For L. *animus*, see **ANIMOSITY**. Der. *pusillanimous-ly*, *-ness*. Also *pusillanim-i-ty*, ME. *pusillanimitee* (shortened to *pusillanité*), Gower, C. A. ii. 12; bk. iv. 314; from F. *pusillanimité* < L. acc. *pusillanimitatem*.

**PUSS**, a cat, a hare. (E.) Spelt *pusse* in Minsheu, ed. 1627; *puseat*, in Friar Bacon's Prophecie (Hazlitt, E. Eng. Popular Poetry, iv. 274). This may be called an E. word, though it is widely

spread. Prob. imitative, from the sound made by a cat spitting (Wedgwood). So also Du. *poes*, Low G. *puus*, *puus-katte*, a puss, puss-cat; Swed. dial. *pus*, a cat (Rietz), &c.; Irish and Gael. *pus*, a cat. β. That the word is imitative, appears from its occurrence in Tamil. 'Pusei, a cat, esp. in the S. Tamil idiom. In the Cashgar dialect of the Affghan, *pusha* signifies a cat;' Caldwell, Comp. Grammar of the Dravidian Languages, p. 465; cited in N. and Q., 3 S. ix. 288. Lithuan. *puž*, a word to call a cat.

**PUSTULE**, a small pimple. (F.—L.) 'A *pustule*, wheale, or blister;' Minshen, ed. 1627. ME. *pustulis*, pl., in Lanfrank, Science of Cirurgie, p. 197, l. 17.—F. *pustule*, 'a push, blain, wheale, small blister;' Cot.—L. *pustula*, another form of *pūsula*, a blister, pimple. Allied to Lith. *puslė*, a bladder, pimple; *pūsti* (1 pers. sing. *puttu*), to blow; Gk. *φυσάλις*, *φύσκη*, a bladder, pustule, *φυσάω*, I blow, Skt. *pupphusa-*, *phupphusa-*, the lungs. ¶ Note that *pustule* has nothing to do with *pus*, with which it is associated by Richardson, and even in White. Der. *pustul-ous*, *pustul-ate*, *pustul-ar*.

**PUT**, to push, thrust, cast, set, lay, place, &c. (E.) ME. *putten*, *puten*; pt. t. *putte*, pp. *put*, *i-put*; P. Plowman, A. iii. 75, B. iii. 84; Havelok, 1033, 1051; the pt. t. *putte* occurs in Layamon, 18092. AS. *potian*, to thrust; Ælfric's Homilies, i. 522, l. 25; also \**putian*, whence the sb. *putung*, instigation (Napier). [Hence Gael. *put*, to push, thrust; W. *putio*, to push, to poke; Corn. *poot*, to kick like a horse.] The orig. sense seems to have been to push, cast; cf. 'to put a stone,' + Du. *poten*, to plant, set; *poot*, a twig, MDu. *pote*, a scion, plant (see Franck); NFries. *putje*, Dan. *putte*, to put, place; Swed. dial. *putta*, to push; Pomeran. *putten*, to drive on. Der. *pott-er*, verb, q. v.

**PUTATIVE**, reputed, supposed. (F.—L.) In Minsheu, ed. 1627.—F. *putatif*, 'putative,' Cot.—L. *putātivus*, imaginary, presumptive. Formed with suffix *-ivus*; cf. L. *putātus*, pp. of *putāre*, to think. The orig. sense was to make clean or clear; hence, to come to a clear result.—L. *putus*, clean. (✓PEU.) Cf. **PURE**.

**PUTREFFY**, to make or become corrupt. (F.—L.) 'Grosse meate . . . makyth putrified matter;' Sir T. Elyot, Castel of Helth, b. ii. c. 1. 'Apte to receyne putryfaction;' id. b. ii. c. 1. (The spelling with *i* was prob. due to confusion with *putrid*).—F. *putrefier*, 'to putrifie,' Cot. Formed by analogy with other verbs in *-fier* as if from L. \**putreficāre*; but the true L. forms are *putrefacere*, to make putrid; and *putrefieri*, to become putrid.—L. *putre-*, as seen in *putrere*, to be rotten, with which cf. *puter*, *putris*, rotten; and *facere*, to make, or *fieri*, to become. See **PUTRID**. Der. *putrefaction*, from F. *putrefaction*, from L. acc. *putrefactionem* (Lewis); regularly formed from *putrefacere*. Also *putrefact-ive*. Also *putrescent*, becoming putrid, from L. *putrescent-*; stem of pres. part. of *putrescere*, inceptive form of *putrere*; whence *putrescence*.

**PUTRID**, stinking, rotten, corrupt. (F.—L.) In Blount's Gloss., ed. 1674; and in Cotgrave.—F. *putride*, 'putride,' Cot.—L. *putridus*, putrid. Extended from L. *putri-*, decl. stem of *put-er*, *put-ris*, rotten; allied to *putrere*, to be rotten. Allied to *pūt-ere*, to stink; from ✓PEU, to stink. Cf. Skt. *pūy*, to stink; see **PUS** and **FOUL**.

**PUTTOCK**, a kite, kind of hawk. (E. ?) In Shak. Cymb. i. i. 140; see Nares and Palsgrave. ME. *puttocke*, Book of St. Alban's, fol. b 2; *potok*, Voc. 762. 5. Of unknown origin. It seems to have been used in a contemptuous sense. AS. *Puttoc* occurs as a name or nickname; Birch, Cart. Saxon., iii. 668.

**PUTTY**, an oxide of tin, or lead and tin, for polishing glass; more commonly a cement of whiting and oil, for windows. (F.—Low G.) 'Putty, a powder made of calcin'd tin;' Blount's Gloss., ed. 1674. 'Putty, pottain, and pot-brass . . . seem all to mean the same thing;' Rich. Dict.; this opinion is supported by extracts from Holland, tr. of Pliny, b. xxxiv. c. 9, and Boyle, Works, i. 721. Pliny explains that in brass-founding, it was often found desirable to add to the ore *collectaneum*, i. e. bits of old vessels, called by Holland 'pottain or old metall,' or *ollaria*, called by Holland 'pot-brasse;' showing that *pottain* simply means the metal of old pots. β. The difficulty is in the history of the word rather than in its etymology. The old sense of it was 'powder made of calcin'd tin,' as in Blount, resembling what is now called *putty powder*. 'Putty powder, a pulverised oxide of tin sometimes mixed with oxide of lead; extensively used in glass and marble works, and the best kinds are used for polishing plate;' Weale's Dict. of Terms used in the Arts, 4th ed., 1873. The same work tells us that *putty* is 'composed of whiting and linseed oil, with or without white lead.' It thus appears that the successive senses are (1) calcin'd tin or oxide of tin, (2) the same, with oxide of lead, or (3) with white lead, (4) a preparation containing white lead, the name being continued even after the white lead was omitted. The result is that the mixture now called *putty* frequently contains nothing that could be called *putty* in the older sense. γ. Adapted from MF. *potée*, 'brasse, copper, tin,

pewter, &c., burnt or calcinated; also, a pot-full of anything; Cot. The mod. F. *potée* means 'putty,' showing a similar change of meaning. '*Potée d'étain*, tin-putty;' Hamilton. The mod. F. *potée* also means (as formerly), a potful. Cf. also MF. *potlein*, 'broken pieces of metall, or of old vessels, mingled one with another;' Cot. Also MF. *potlin*, 'solder of metall;' id. *β. Potée* is formed with suffix *-ée* (< L. *-āta*), from F. *pot*, a pot, of Teutonic origin; see *Pot*. Der. *putty*, vb.

**PUZZLE**, a difficult question, embarrassment, problem, perplexity. (F.—L. and Gk.) As a verb in Shak. Hamlet, iii. 1. 80; and it was prob. regarded as a frequentative form of *pose*, with suffix *-le*. But this was not the way in which the word arose; and, in fact, the suffix *-le* is not usually added to words of F. origin. It was orig. a sb., and stands for *opposal*, which is used in the ordinary sense of 'opposition' in Sir T. Herbert's Travels, p. 81 (R.). It has been shown, s. v. *Pose*, that *pose* is short for *oppose*, which again is a corruption of *oppose*. From the F. *opposer* was formed ME. *opposaille*, a question for solution; whence mod. E. *puzzle*. 'And to pouert she put this *opposayle*' [question], Lydgate, Fall of Princes, ed. Wayland, sig. B. iii, leaf lxvi; cited in Dyce's Skelton, ii. 304. Hence corruptly, *opposaille*. 'Made vnto her this vncouth *opposayle*, Why wepe ye so?' id., sig. B. v, leaf cxxviii (Dyce). 'Madame, your *opposelle* is wele inferrid,' i. e. your question is well put; Skelton, Garland of Laurel, l. 141; where the MS. copy has *opposelle* (Dyce). The ME. *opposaille* seems to have been a coined word, like *deni-al*, *refus-al*, &c. The loss of the first syllable is due to the loss of the same in *pose*. For the etymology, see *Oppose*, *Pose* (2). See A Student's Pastime, p. 129. Der. *puzzle*, verb.

**PYGARG**, a white-rumped antelope. (L.—Gk.) In Deut. xiv. 5. 'A kinde of fallow Deere called *Pygargi*;' Holland, tr. of Pliny, bk. viii. c. 53.—L. *pygargus*; Deut. xiv. 5.—Gk. *πύγαργος*, a kind of antelope.—Gk. *πυγ-ή*, rump; *ἀργός*, shining, white.

**PYGMY**, a very diminutive person or thing. (F.—L.—Gk.) ME. *pigmy*, Trevisa, i. 11, l. 7.—MF. *pygmé*, adj., 'dwarfie, short, low, of a small stature;' Cot.—L. *pygmaeus*, adj., dwarfish, pygmy-like; from pl. *Pygmaei*, the race of Pygmies.—Gk. *Πυγμαῖοι*, the race of Pygmies, fabulous dwarfs of the length of a *πυγμή*, which was reckoned from the elbow to the fist or knuckles, containing about 13½ inches.—Gk. *πυγμή*, the fist; allied to L. *pugnis*; see *Pugnacious*.

**PYLORUS**, the lower orifice of the stomach. (L.—Gk.) In Phillips, ed. 1706.—L. *pylorus*.—Gk. *πυλωρός*, a gate-keeper; also the pylorus, because it is gate-keeper to the intestines, or at the entrance to them. Contracted from *\*πύλα-φωρός* (Prellwitz).—Gk. *πύλ-α* = *πύλ-η*, a gate; and *\*φωρός*, allied to *οἶρος*, a keeper, watcher. *β.* The Gk. *πύλη* is perhaps allied to Gk. *πόλις*, a city; see Prellwitz. *γ.* The Gk. *οὔρος* is from *ὄρο-μαι* (= *φόρομαι*), I heed, guard, from *✓WER*, to guard; see *Wary*. Der. *pyloric*.

**PYRAMID**, a solid figure with triangular sides meeting in an apex, upon a triangular, square, or polygonal base. (L.—Gk.) The word was rather taken directly from the Latin than from the French. Thus Shak. has the sing. *pyramis*, 1 Hen. VI, i. 6. 21; pl. *pyramides* (four syllables), Antony, v. 2. 61; as well as *pyramid*, Macb. iv. 1. 57. Cotgrave strangely translates F. *pyramide* by 'a pyramides.'—L. *pyramid-*, stem of *pyramis*.—Gk. *πυραμῖς* (gen. *πυραμίδος*), a pyramid. Prob. of Egyptian origin. Der. *pyramid-al*, *pyramid-ic-al*.

**PYRE**, a pile of wood for burning a body. (L.—Gk.) In Sir T. Browne, Urn Burial, cap. v. § 13.—L. *pyra*.—Gk. *πυρά*, a pyre; allied to *πῦρ*, fire; cognate with E. *Fire*, q. v. And see *pyrethrum*, *pyretic*, *pyr-ites*, *pyrotechnic*.

**PYRETHRUM**, a plant; feverfew. (L.—Gk.) L. *pyrethrum*.—Gk. *πύρεθρον*; so named from the hot spicy taste of the root.—Gk. *πῦρ*, fire. Doublet, *pellitory* (2).

**PYRETIC**, feverish, relating to fever. (Gk.) For *pyretic*.—Gk. *πυρεκτικός*, feverish.—Gk. *πυρέσσειν*, to be in a fever; allied to *πυρετός*, burning, heat, fever.—Gk. *πῦρ*, fire.

**PYRITES**, a stone which gives out sparks when struck with steel. (L.—Gk.) '*Pyrites*, a marchasite or fire-stone;' Phillips, ed. 1706.—L. *pyrites*.—Gk. *πυρίτης*, a flint, pyrites; orig. an adj., belonging to fire.—Gk. *πῦρ*, fire; cognate with E. *Fire*, q. v. Der. *pyrit-ic*.

**PYROTECHNIC**, pertaining to fireworks. (Gk.) *Pyrotechnic*, adj., and *pyrotechny* are given in Phillips, ed. 1706. Coined from Gk. *πυρο-*, used in compounds in place of *πῦρ*, fire, cognate with E. *fire*; and *τεχνικός*, artistic, technical, from *τέχνη*, an art, craft. See *Fire* and *Technical*. Der. *pyrotechnic-s*, *pyro-techny* (short for *pyrotechnic art*); *pyro-technist*. So also *pyro-meter*, a fire-measurer (see *Mètre*); *pyro-gen-ous*, produced by fire, from Gk. base *γεν-*, to produce (see *Genus*).

**PYTHON**, a large serpent. (L.—Gk.) 'The raging *Python*;' Prior, Hymn to the Sun, st. 3.—L. *Pythōn*, a serpent slain by Apollo

near Delphi.—Gk. *Πύθων* (the same).—Gk. *Πυθώ*, a former name of Delphi.

**PYX**, the sacred box in which the host is kept after consecration; at the mint, the box containing sample coins. (L.—Gk.) Spelt *pixe* in Minshew, ed. 1627. Abbreviated from L. *pyxis*, a box.—Gk. *πυξίς*, a box; so-called because orig. made of box-wood.—Gk. *πύξος*, box-wood. Allied to *Box* (1) and *Box* (2).

## Q

**QUACK** (1), to make a noise like a duck. (E.) An imitative word. 'The goos, the cockow, and the doke also So cryden "*kek!* *kek!*" "*cuckow!*" "*quek, quek!*" hye;' Chaucer, Parl. of Foules, 499. Here the cry *kek! kek!* is assigned to the cackling goose, and *quek! quek!* to the quacking duck. In Ch. C. T. 4150 (A 4152), the dat. case *quakke* is used to mean 'hoarseness.' + Du. *kwaken*, *kwakken*, to croak, quack, chat; G. *quaken*, to quack, croak; Icel. *kvaka*, to twitter; Dan. *kvække*, to croak, quack, cackle. Cf. L. *coaxāre*, to croak, Gk. *κοάξ*, a croaking; Lithuan. *kwakėti*, to croak; *kwaksėti*, to cackle. Cf. *Cackle*. Der. *quack* (2), q. v. Also *quail* (2), q. v.

**QUACK** (2), one who cries up pretended nostrums. (Du.) Abbreviated from the older word *quacksalver* (below). Hence also *quack*, vb., to act as a quack, to sing the praises of a nostrum, to pretend to medical skill. 'To *quack off* universal cures;' Butler, Hudibras, pt. iii. c. 1. l. 330. We find also *quack-salver*, Blount's Gloss., ed. 1674, i. e. one who puffs up his *salves* or ointments, borrowed from Du. *kwak-zalver*, a quack, charlatan, cf. Du. *kwak-zalven*, to quack, puff up *salves* (see *Salve*) by quacking or prating about them; see also *quack-salvers*, in Ben Jonson, Every Man, ii. 1. 123; *quack-doctor*, a later word which took the place of *quack-salver*, Pope, note to Dunciad, iii. 192. Hence also *quack* = quack-doctor; *quack-ery*.

**QUADRAGESIMA**, the forty days of Lent. (L.) '*Quadragesima* Sunday is six weeks before Easter;' Tables in the Book of Common Prayer. [Hence *quadragesimal*, adj., = *Lenten*, Milton, Areopagitica, ed. Hales, p. 5, l. 8.]—L. *quadrāgēsima*, lit. 'fortieth,' fem. of *quadrāgēsimus*, fortieth; in late authors used to mean 'Lent.' Older form *quadrāgensumus* (= *\*quadrāgenti-mus*).—L. *quadrāginta*, forty.—L. *quadr-us*, square, fourfold, related to *quater*, four times, *quatuor*, four; and *-ginta*, for *\*de-kin-ta*, tenth, from *decem*, ten. See *Four* and *Ten*; and *Forty*. Der. *quadragesim-al*.

**QUADRANGLE**, a square figure, or plot of ground. (F.—L.) In Shak. 2 Hen. VI, i. 3. 156; and in Levins.—F. *quadrangle*, 'a quadrangle;' Cot.—L. *quadrangulum*, sb.; neut. of *quadrangulus*, four-cornered.—L. *quadr-us*, square, allied to *quatuor*, four; and *angulus*, an angle. See *Four* and *Angle*. Der. *quadrangul-ar*. Also *quad*, *quod*, a court (in Oxford), short for *quadrangle*.

**QUADRANT**, the fourth part of a circle. (L.) Chiefly used of an instrument for measuring angles (like a *sextant*), graduated with degrees along the arc. ME. *quadrant*, Prompt. Parv.—L. *quadrant-*, stem of *quadrans*, sb., a fourth part. Formed like the pres. part. of *quadrāre*, to make square; from *quadr-us*, square, allied to *quatuor*; see *Four*. Der. *quadrant-al*. From the same source are *quarrel* (2), *quarry* (1), *squad*, *squadron*, *square*.

**QUADRATE**, squared, well-fitted. (L.) Used as a vb. in Levins; as adj. and vb. in Minshew; as sb. in Milton, P. L. vi. 62, to mean 'square phalanx.'—L. *quadrātus*, squared, pp. of *quadrāre*, to make or be square.—L. *quadrus*, square; see *Quadrant*. Der. *quadrat-ic*; *quadrat-ure*, Milton, P. L. x. 381; Ben Jonson, New Inn, A. ii. sc. 2.

**QUADRENNIAL**, once in four years. (L.) More correctly *quadiennial*, as in Blount's Gloss., ed. 1674. Formed with adj. suffix *-al* (L. *-ālis*) from *quadienni-um*, a space of four years.—L. *quadri-*, for *quadrus*, square, fourfold; and *annus*, a year. See *Quadrant*, *Biennial*, *Annual*.

**QUADRILATERAL**, having four sides. (L.) In Blount's Gloss., ed. 1674.—L. *quadrilater-us*, four-sided; with suffix *-al* (= L. *-ālis*).—L. *quadri-*, for *quadrus*, square; and *later-*, decl. stem of *latus*, a side. See *Quadrant* and *Lateral*.

**QUADRILLE**, 1. the name of a game at cards; 2. the name of a dance. (F.—Span.—L.) The name of the dance dates from about 1773; it is added by Todd to Johnson; so called because danced by 4 persons, or by sets of four. Not improbably suggested by the game at cards, which was a game for 4 persons with 40 cards; see Pope, Moral Essays, iii. 76; Sat. i. 38. [But the Span. name was affected by confusion with F. *quadrille*, 'a squadron containing 25 (or fewer) souldiers,' Cot.; borrowed from Ital. *quadriglia*, short

for MItal. *squadriglia*, 'a route, a troop, a crue, a band of men,' Florio; which is connected with *Squadron*, q.v.] On the other hand, *F. quadrille*, the game at cards, was masc.; and like *ombre*, is prob. of Span. origin.—Span. *cuadrillo*, a small square, allied to *cuadrilla*, 'a meeting of four or more persons,' Neuman.—Span. *cuadra*, a square.—*L. quadra*, fem. of *quadrus*, fourfold; see *Quadrant*. Cf. *L. quadrula*, a little square.

**QUADRILLION**, a million raised to the fourth power. (*L.*) An oddly coined word; made by prefixing *quadr-* (short for *quadrus*, square, fourfold) to *-illion*, which is the word *million* with the *m* left out. See *Billion* and *Quadrant*.

**QUADROON**, the child of a mulatto and a white person. (*Span.*—*L.*) Better *quarteroon* or *quartroon*; and spelt *quarteron* in 1707. So called because of having black blood only in a fourth part. Modern; and imported from America.—*Span. cuarteron*, the child of a creole and Spaniard (Neuman); also, a fourth part. Formed with suffixes *-er-* and *-on* from *cuarto*, a fourth part.—*L. quartum*, acc. of *quartus*, fourth. See *Quart*, *Quartern*.

**QUADRUPE**, a four-footed animal. (*L.*) The adj. *quadrupedal* is in Blount's Gloss., ed. 1674; *quadruped*, sb., is in Phillips, ed. 1706; the pl. *quadrupedes* is in Sir T. Browne, *Vulg. Errors*, bk. iii. c. i. § 2.—*L. quadruped-*, stem of *quadrupēs*, *quadripēs*, four-footed.—*L. quadru-*, fourfold, four times; and *fēs*, a foot. See *Quadrant* and *Foot*. Der. *quadruped-al*.

**QUADRUPLE**, fourfold. (*F.*—*L.*) As a verb in Chapman, tr. of Homer, *Iliad*, i. 129. As adj. in Minshew, ed. 1627.—*F. quadruple*, 'quadruple'; Cot.—*L. quadruplum*, acc. of *quadruplus*, fourfold.—*L. quadru-*, four times; and *-plus*, signifying 'fold.' See *Quadrant* and *Double*. Der. *quadruple*, verb. Also *quadruplicate*, from *L. quadruplicātus*, pp. of *quadruplicāre*, to multiply by four. Cf. *Complicate*.

**QUAFF**, to drink in large draughts. (*E.*) In Shak. *Tw. Nt.* i. 3. 14; &c. And in Levins. Apparently of Northern origin. [In later times, it seems to have affected the spelling of the Lowl. Sc. *quaich*, *quech*, a cup, which became *quaff* in 1711; see *quaich* in Jamieson, and *Quaigh*.] 'I quaght, I drinke all oute;' Palsgrave. Spelt *quaf* by Sir T. More; N. E. D. Later forms are *quaf*, *quaff*. β. A Southern form of Lowl. Sc. *waucht*, to quaff, from *waucht*, sb. a deep draught (Jamieson). From ONorthumb. \**waht* = AS. *weaht*, moistened (Genesis, 1922), pp. of *weccan*, to moisten (Daniel, 577). Cf. Icel. *vefja*, to moisten; from *vak-*, base of *vökr*, moist; Icel. *vökva sig*, to moisten oneself, to drink, quaff. Allied to Du. *wak*, moist, *wak*, a hole in ice. See *Wake* (2). Der. *quaff-er*.

**QUAGGA**, a quadruped of the horse tribe. (Hottentot.) The name is said to be Hottentot; and is supposed to be imitative, from the noise made by the animal. The name is now current in the Xosa-Kaffir form *iqwara*, with clicking *q* and guttural *r*. See Athenæum, 19 May, 1901; N. and Q. 9 S. v. 3.

**QUAGMIRE**, boggy, yielding ground. (*E.*) In Shak. *K. Lear*, iii. 4. 54. From *quag*, variant of *quake*; and equivalent to *quake-mire*; see *Quake* and *Mire*. 'It is spelt *quake-mire* in Stanishurst's Descr. of Ireland, p. 20; *quave-myre*, in Palsgrave;' Halliwell, s. v. *quave-mire*, q. v. Cf. ME. *quauen* (= *quaven*), to quake; P. Plowman, B. xviii. 61. So also *quagg-y* (i.e. *quak-y*), adj., used of boggy ground.

**QUAIGH, QUAICH**, a kind of drinking-cup in Scotland, usually made of small wooden staves hooped together, with two handles. (*C.*—*L.*) See Jamieson and E. D. D. First found as *quech* in 1673.—Gael. *cuach*, a cup (cf. OIrish *cuach*, W. *cawg*).—*L. caucis*, a cup; cf. Gk. *καύκα*, a cup. ¶ Also spelt *quaff*, as in Smollett, Humphrey Clinker, Sep. 3, 1771.

**QUAIL** (1), to cower, shrink, fail in spirit. (*F.*—*L.*) An old meaning of *quail* was 'to suffer decline, pine, fail, wither away;' hence to faint, esp. used of the spirits. 'My false spirits quail,' Cymb. v. 5. 149; 'their quailing breasts;' 3 Hen. VI, ii. 3. 54. 'The braunch once dead, the budde eke nedes must quaille,' i.e. die; Spenser, *Shep. Kal.* November, 91. 'This deuise quailed;' Sir T. More, *Life of Rich. III.*, ed. Lumby, p. 65. The phonology shows that the word was prob. of *F.* origin, and not from the ME. *quelen* (AS. *cwelan*), to die; though this may have been confused with it. β. And, in spite of the change in sense, I suppose it to be ultimately the same word as the prov. *E. quail*, to curdle, used of milk; for which see Prompt. Parv. p. 418, and Way's note. [We also find confusion between *quail*, to fail, and *quell*, to kill, as in 'to quail and shake the orb,' Antony, v. 2. 85. Cf. Devonshire *queal*, to faint away; Halliwell.] The ME. *quailen*, to curdle, coagulate, is from OF. *coailier*, *quailier*, later *cailler*, to curdle (see Littré, and Supp. to Godefroy); from *L. coāgulāre*; see *Coagulate*. γ. Note Ital. *cagliare*, MItal. *quagliare*, 'to cruddle as milk, to begin to be afraid;' Torriano. Meadows explains it by 'to curdle, congeal; to want courage, to begin to fear.'

**QUAIL** (2), a migratory bird. (*F.*—Low *L.*—Low *G.*) ME. *quaille*, Chaucer, C. T. 9082 (E 1206); *quayle*, Wright's Vocab. i. 177, l. 13.—OF. *quaille* (13th cent., Littré), mod. F. *caille*. Cf. Ital. *quaglia*, a quail.—Low *L. quaquila*, a quail.—MDu. *quackel*, 'a quaille;' Hæxham. Lit. 'a quacker.'—MDu. *quacken*, 'to croake,' id.; cognate with E. *Quack* (1), q. v.

**QUAINT**, neat, odd, whimsical. (*F.*—*L.*) ME. *queint*, Chaucer, C. T. 10553 (F 239); commonly with the sense of 'famous, excellent.' Also spelt *quoynt*, Rob. of Glouc. p. 72, l. 1635. Also *cwoint*, Ancren Riwe, p. 140, l. 21; *coint*, *coynt*, Will. of Palerne, 653, 1981; *koynt*, 4090.—AF. *queint*, Vie de S. Tomas, i. 194; OF. *coint*, 'quaint, compt, neat, fine, spruce, brisk, trim;' Cot. Cf. Ital. *conto*, 'known, noted, counted;' Florio. Certainly derived from *L. cognitum*, acc. of *cognitus*, known, well-known, famous; though perhaps confused (more in *F.* than in *E.*) with *L. comptus*, neat, adorned, pp. of *cōmere*, to arrange, adorn. β. *Cognitus* is used as the pp. of *cognoscere*, to know, and is compounded of *co-* (for *com* = *cum*, with) and *-gnitus* (for *-gnotus* = *gnōtus*), known, used as pp. of *gnoscere*, *noscere*, to know; see *Cognition*. γ. I may add that *L. cōmere* = *co-imere*, comp. of *co-* (for *com* = *cum*), and *emere*, to take. ¶ In *F.* the word took the sense of 'trim,' as noted; in *E.* it meant famous, remarkable, curious, strange, &c. Der. *quaint-ly*, *quaint-ness*, *ac-quaint*.

**QUAKE**, to shake, tremble. (*E.*) ME. *quaken*, Chaucer, C. T. 11172 (F 860); earlier *cwakiën*, Ancren Riwe, p. 116, l. 20. AS. *cwacian*, to quake; Ælfred, tr. of Orosius, b. ii. c. 6. § 3. Cf. AS. *cweccan*, to wag, Mark, xv. 29. Also EFries. *quakkelen*, to be unsteady. We find variants, such as *quag*, *quap*, *quave*, *quab*, all meaning 'to shake about.' The author of P. Plowman has the strong pt. t. *quook*; P. Pl., C. xxi. 64. Der. *quak-er*, q. v.

**QUAKER**, one of the Society of Friends. (*E.*) 'Quakers, orig. called *Seekers*, from their seeking the truth, afterward *Friends*. Justice Bennet, of Derby, gave the Society the name of *Quakers* in 1650, because G. Fox (the founder) admonished him, and those present, to quake at the word of the Lord;' Haydn, Dict. of Dates. But the name seems to have been used a little earlier, in 1647. From the vb. above; see *Quake*. Der. *Quaker-ism*.

**QUALIFY**, to render suitable, limit, abate. (*F.*—*L.*) Frequent in Shak. Meas. i. 1. 66, &c.; and in Levins. Latimer has *qualifyeth*; Seven Sermons, ed. Arber, p. 107 (last line).—*F. qualifier*, 'to qualify;' Cot.—Late *L. qualificāre*, to endue with a quality.—*L. quāli-*, for *quālis*, of what sort; and *-fic-*, for *fac-ere*, to make. See *Quality* and *Fact*. Der. *qualific-at-ion*, due to Late *L. qualificāt-us*, pp. of *qualificāre*.

**QUALITY**, property, condition, sort, title. (*F.*—*L.*) ME. *qualite*, *qualitee*, Ayenbite of Inwyt, p. 153, l. 11.—*F. qualité*, 'a quality;' Cot.—*L. quālitātem*, acc. of *quālitās*, sort, kind.—*L. quāli-*, for *quālis*, of what sort, allied to *E. Which*, q. v. Der. *qualit-at-ive*, a coined word.

**QUALM**, a sudden attack of illness, prick of conscience. (*E.*) ME. *qualm*, often in the sense of pestilence, mortal illness; Chaucer, C. T. 2016 (A 2014). AS. *cwealm*, pestilence, Luke, xxi. 11.—OSax. *qualm*, destruction, death; Du. *kwal*, only in the sense 'thick vapour,' from its suffocating properties; Dan. *kvalm*, suffocating air; *kvalme*, qualm, nausea; Swed. *qualm*, sultriness; G. *qualm*, vapour. Teut. type \**kwal-moz*, masc.; from \**kwal*, 2nd grade of \**kwel-an-*, AS. *cwelan*, to die. Allied to Lith. *gel-ti*, to pain; *gel-a*, pain. From Idg. root *g(w)el*; see Brugmann, i. § 656. Der. *qualm-ish*.

**QUANDARY**, an evil plight. (Perhaps *L.*) In Beaum. and Fletcher, Knight of the Burning Pestle, Act i. sc. 1 (Humphrey). 'Leaving this olde gentleman in a great *quandarie*;' Lily, Euphues, ed. Arber, p. 45. Stanishurst has *quandāre* (accent on *a*), Æn. iv. l. 1, ed. Arber, p. 94. Conjectured to be a corruption of some term of scholastic Latin. Expressly said by Mulcaster, in 1582, to be a word 'of a Latin form, . . vsed English like;' see A. J. Ellis, E. E. Pronunciation, p. 912, col. 2. Perhaps for *quantum dare*, 'how much to give.'

**QUANTITY**, size, bulk, large portion. (*F.*—*L.*) ME. *quantite*, *quantitee*; Chaucer, C. T. 4662 (B 242).—*F. quantité*, 'quantity;' Cot.—*L. quantitātem*, acc. of *quantitās*, quantity.—*L. quanti-*, for *quantus*, how much; with suffix *-tās*. Related to *L. quam*, and to *quis*, who; see *Who*. Brugmann, i. § 413. Der. *quantit-at-ive*.

**QUARANTINE**, a space of forty days. (*F.*—*Ital.*—*L.*) Spelt *quarentine* in Minshew, who gives it the old legal sense, viz. a space of forty days during which a widow might dwell unmolested in her husband's house after his decease. Blount gives this form and sense, and derives it from OF. *quarantine*. He also gives *quarantain*, meaning (1) Lent, (2) a forty days' truce or indulgence, (3) 'the forty days which a merchant, coming from an infected port, stays on shipboard for clearing himself;' the last sense being the usual one in mod. *E.*—OF. *quarantine* (Roquefort), usually *quarantaine*, 'Lent,

a term of forty days,' &c.; Cot. — Ital. *quarantina*, also *quarantana*, *quarantena*, the space of forty days that travellers from infected places are forced to live in outhouses (Torriano). — Ital. *quaranta*, forty, answering to F. *quarante*; this *quaranta* being nothing but a shortened form of L. *quadrāginta*, forty. See **Quadragesima**. Cf. also Ital. *fare la quarantana*, 'to keepe lent, . . . to keepe fortie daies from company, namely if one come from infected places, as they vse in Italy'; Florio. See Pepys, Diary, Nov. 26, 1663.

**QUARREL** (1), a dispute, brawl. (F. — L.) It should rather be *querrel*, but has been assimilated in spelling to the word below. ME. *querele* (with one r), Chaucer, tr. of Boethius, b. iii. pr. 3, l. 49. — OF. *querele*, later *querelle*, 'a quarrel'; Cot. (He gives both forms.) — L. *querēla*, a complaint. — L. *queri*, to complain, lament. See **Querulous**. Der. *quarrel*, verb, Romeo, i. 1. 39, 59, &c.; *quarrel-er*; *quarrel-some*, As You Like It, v. 4. 85; *quarrel-some-ness*; *quarrel-ous*, Cymb. iii. 4. 162.

**QUARREL** (2), a square-headed cross-bow bolt. (F. — L.) Nearly obsolete. In Spenser, F. Q. ii. 11. 24. ME. *quarel*, King Alisaunder, ed. Weber, 1594, 2781. — OF. *quarrel*, later *quarreau*, 'a diamond at cardes, a square tile, a quarrell or boulte for a crosse-bow'; Cot. Mod. F. *carreau*. — Late L. *quadrillum*, acc. of *quadrillus*, a quarrel, a square tile. — L. *quadr-us*, square; with dimin. suffix. See **Quadrant**.

**QUARRY** (1), a place where stones are dug, esp. for building purposes. (F. — L.) In Shak. Oth. i. 3. 141. The proper sense is a place where stones are squared for building purposes; hence, a place where stones are procured which are afterwards squared for building; lastly, a place where stones are dug, without any reference to squaring. A better form was *quarrer*, but we also find *quarry*; which is distinct from *quarry*, sometimes used as a variant of *quarrel*, a square pane of glass (Halliwell). ME. *quarrere*, *quarrer*, Will. of Palerne, 2232, 2281, 2319, 4692; spelt *quarere*, *quarer*, *quarrye*, *quar* in Prompt. Parv. — OF. *quarriere*, 'a quarry of stone'; Cot. Mod. F. *carrière*. — Late L. *quadrāria*, a quarry for squared stones. — L. *quadrāre*, to square. — L. *quadr-us*, square; see **Quadrant**. ¶ The sense was suggested by L. *quadrārius*, a stone-squarer, a stone-cutter; from the same source. Der. *quarry*, vb., *quarry-man*, *quarri-er*.

**QUARRY** (2), a heap of slaughtered game. (F. — L.) In Shak. Cor. i. 1. 202; Hamlet, v. 2. 375. ME. *querrē*, Sir Gawain and the Grene Knight, 1324; *quirrē*, Sir Tristram, 499. Altered from OF. *cuiree* (Supp. to Godefroy), *curee*, certain parts of a slain animal; the part which was given to the hounds. Cotgrave has: 'Curée, a dogs reward, the hounds fees of, or part in, the game they have killed.' So called because wrapped in the skin; see Reliq. Antiq. i. 153. — F. *cur*, a skin, hide. — L. *corium*, skin. See **Cuirass**.

**QUART**, the fourth part of a gallon. (F. — L.) ME. *quart*, *quarte*, Chaucer, C. T. 651 (A 649). — F. *quarte*, 'a French quartie, almost our pottle'; Cot. — L. *quarta* (i. e. *pars*), a fourth part; fem. of *quartus*, fourth. Related to L. *quatuor*, cognate with E. **Four**, q. v. Der. *quart-an*, *quart-er*, *quart-ern*, *quart-ette*, *quart-o*; and see *quatern-ary*, *quatern-ion*, *quatrain*.

**QUARTAN**, recurring on the fourth day. (F. — L.) Said of an ague or fever. 'Feuer *quartain*;' Cursor Mundi, 11828. 'Quarteyne, fevyr, Quartana;' Prompt. Parv. — F. *quartaine*, *quartan*, only used of a fever; in use in the 13th cent.; Littré. — L. *quartāna* (*febris*), a quartan fever; fem. of *quartānus*, belonging to the fourth; formed with suffix *-ānus* from *quart-us*, fourth; see **Quart**.

**QUARTER**, a fourth part. (F. — L.) ME. *quarter*, Rob. of Glouc. p. 528, l. 10875. — OF. *quarter* (12th cent., Littré), also *quartier*, as in mod. F. — L. *quartārius*, a fourth part, quarter of a measure of anything; formed with suffix *-ārius* from *quart-us*, fourth; see **Quart**. Der. *quarter-day*, *-deck*, *-ly*, *-master*, *-sessions*, *-staff*. Also *quarter-n*.

**QUARTERN**, a fourth of a pint, a gill. (F. — L.) Short for *quartern*. ME. *quarternoun*, *quartroun*, *quartron*, P. Plowman, B. v. 217, and footnotes. — OF. *quartern*, 'a quarter of a pound, also a quarterne'; Cot. — Late L. *quarternem*, acc. of *quartern*, a fourth part of a pound; extended from Late L. *quarter-us*, which is from *quartus*; see **Quarter**. Cf. Norm. dial. *quartern*, a fourth part.

**QUARTET, QUARTETTE**, a musical composition of four parts. (Ital. — L.) First in 1790; the spelling *quartette* is F., but the word is really Italian. — Ital. *quartetto*, a dimin. form from *quarto*, fourth; see **Quart, Duet**.

**QUARTO**, having the sheet folded into four leaves. (L.) In Johnson. First in 1589. The word is due to the L. phr. *in quarto*, i. e. in a fourth part of the orig. size; where *quarto* is the abl. case of *quartus*, fourth; see **Quart**. And see **Folio**. Der. *quarto*, sb.

**QUARTZ**, a mineral composed of silica. (G.) Added by Todd

to Johnson. — G. *quarz*, rock-crystal; the G. z being sounded as *ts*. MHG. *quarz*; of unknown origin.

**QUASH**, to crush, annihilate, annul. (F. — L.) ME. *quaschen*; see 'Quaschyn, quasso' in Prompt. Parv. Properly transitive; but used intransitively in P. Plowman, C. xxi. 64. And see Owl and Nightingale, 1388. — AF. *quasser*, Year-books of Edw. I, 1292-3, p. 111; OF. *quasser*, later *casser*, 'to breake, . . quash asunder'; Cot. (He gives both spellings.) — L. *quassāre*, to shatter; frequentative of *quātere* (supine *quassum*), to shake. Root uncertain. ¶ The OF. *quasser* also means 'to abrogate, annul' (Cot.), as in E. 'to quash an indictment.' The slight likeness to AS. *cwisan*, to break, is accidental. Der. (from L. *quātere*) *casque*, *cask*, *con-cuss-ion*, *dis-cuss*, *fer-cuss-ion*.

**QUASSIA**, a South-American tree. (Personal name.) Added by Todd to Johnson. Botanical names in *-ia* are formed by adding the L. suffix *-ia* to a personal name, as in *dahl-ia*, *fuchs-ia*. *Quassia* was named by Linnæus after a negro named *Quassi*, who first pointed out the use of the bark as a tonic about 1730; see the portrait of him in Stedman's Surinam, ii. 347. Waterton quotes a Barbadoes song in Journey 4, cap. ii: 'Quashi scrapes the fiddle-string, And Venus plays the flute'; these lines are altered from the finale to G. Colman's Inkle and Yarico. *Quassi* is, in fact, quite a common negro name, generally given to one who is born on a Sunday. See Notes and Queries, 6 S. i. 104, 141, 166; 8 S. viii. 388; 9 S. iii. 146.

**QUATERNARY**, consisting of fours. (L.) Rare; see exx. in Richardson. Cf. F. *quaternaire*, 'every fourth day'; Cot. — L. *quaternārius*, consisting of four each. — L. *quaternū*, pl., four at a time; from *quatuor*, four; see **Four**.

**QUATERNION**, a band of four soldiers, a band of four. (L.) In Acts, xii. 4 (A.V. and Wyclif); Milton, P. L. v. 181. — L. *quaterniōn*, stem of *quaternio*, used in Acts, xii. 4 (Vulgate); it means 'the number four,' or 'a band of four men.' — L. *quaternū*, pl.; see **Quaternary**.

**QUATRAIN**, a stanza of four lines. (F. — L.) Used by Dryden, in his letter to Sir R. Howard, prefixed to Annus Mirabilis, which is written in quatrains. — F. *quatrain*, 'a staffe or stanza of 4 verses'; Cot. Formed with suffix *-ain* (L. *-ānus*) from F. *quatre* < L. *quatuor*, four. See **Four**.

**QUATREFOIL**, lit. having four leaves. (F. — L.) 'With *quarier-foyles* gilt;' Fabyan, Hist., ed. Ellis (1811), p. 600. From OF. *quatre*, four; and *foil*, a leaf. — L. *quatuor*, four; *folium*, a leaf; see **Foil**.

**QUAVER**, to shake, to speak or sing tremulously. (E.) In Levins; and in Minshew, ed. 1627. It is the frequentative form, with suffix *-er*, of *quave*. ME. *quauen* (with *u=v*), to tremble; Prompt. Parv. And see P. Plowman, B. xviii. 61. It first occurs as a various reading in St. Marharete, ed. Cockayne, p. 48, l. 3 from bottom. Allied to Low G. *quabbeln*, to tremble (Brem. Wört.), Norw. *kveppa*, to be shaken (Aasen). Also to ME. *quappen*, to palpitate, Chaucer, Troil. iii. 57, Legend of Good Women, 865. β. From a base KWAF, variant of KWAP, to throb, which is parallel to KWAK, to quake; see **Quake**. Der. *quaver*, sb., lit. a vibration, hence a note in music. Also *quiver* (1), q. v.

**QUAY**, a wharf for vessels. (F. — C.) Spelt *quay* and *kay* in Phillips, ed. 1706; *key* in Cotgrave; *keie* in Minshew, ed. 1627. ME. *key*, spelt *keye*, Eng. Gilds, ed. Toulmin Smith, p. 374, l. 23; and see Prompt. Parv. — AF. *kaie*, Gloss. to Liber Albus; MF. *quay* (F. *quai*), 'the key of a haven'; Cot. The orig. sense is 'enclosure,' a space set apart for unloading goods. Of Celtic origin. — Bret. *kaē*, an enclosure; W. *cae*, an enclosure, hedge, field, of which the old spelling was *cai* (Rhys); cognate with OIrish *cae*, a house; whence OIr. *cerdd-chae*, 'officina.' Celtic type *\*kaion*, a house; from the same root as E. *home*. Stokes-Fick, p. 65.

**QUEAN**, a contemptible woman, a hussy. (E.) In Shak. Merry Wives, iv. 2. 180. A word very closely related to *queen*; the orig. sense being 'woman.' The difference in spelling is due to a difference in the length of the AS. vowel. The best passage to illustrate this word is in P. Plowman, C. ix. 46, where the author says that in the grave all are alike; you cannot there tell a knight from a knave, or a *queen* from a *quean*. AS. *cwene*, a woman, *quean*; cognate with OHG. *quena*, and Goth. *kwinō*, a woman. The former *e* in *cwene* is short; whence, by lengthening, the Tudor E. *ea*. Teut. type *\*kwen-ōn-*, a lengthened form of the stem *\*kwen-* = Idg. *\*g(w)en-*; whence also Idg. *\*g(w)enā*, as in Gk. *γυνή*, Russ. *jena*, a wife, Irish *ben*, Pers. *zan*, a woman. See **Queen**.

**QUEASY**, sickly, squeamish, causing or feeling nausea. (Scand. ? or F. ?) 'His *queasy* stomach;' Much Ado, ii. 1. 399. 'A *queysy* mete;' Skelton, Magnificence, 2295. 'Quaisy as meate or drinke is, *dangereux*;' Palsgrave. *Quaisy* is used as a sb., in the sense of 'nausea,' in Polit., Religious, and Love Poems, ed. Furnivall, p. 215, l. 22. Perhaps formed as adj. from a Scand. source. —

Norw. *kveis*, sickness after a debauch (Aasen); Icel. *kveisa*, a whitlow, boil; *íðra-kveisa*, bowel-pains, colic; Swed. dial. *kvesa*, a pimple, soreness, blister. Cf. Swed. *kväsa*, to bruise, wound; Low G. *quēse*, a blood-blister, *quēsig*, troubled with blisters (Schambach).  $\beta$ . But the form *coisy* also occurs, and the earliest sense seems to be ticklish or unsteady; as in: 'here is a *coisy* werc' (world); and 'the werlde is ryght *quesye*'; Paston Letters, i. 497, iii. 4. This points to a F. origin; cf. OF. *coissié*, *coisié*, wounded, injured (Godefroy).  $\gamma$ . Perhaps this is allied to MF. *cuissant*, 'smarting, itching,' and to F. *cuire*, 'to seeth, boyle, bake, itch, smart,' Cot. Cf. Ital. *cocere*, *cuocere*, 'to concoct, boyl, burn, grieve, molest;' Torriano. From L. *coquere*, to cook. Der. *queasi-ness*, 2 Hen. IV, i. 1. 106.

**QUEEN**, a woman, a female sovereign. (E.) ME. *queen*, *queene*; P. Plowman, C. ix. 46. AS. *cwēn* (common). + Icel. *kvēn*, a wife; Goth. *kwēns*, *kwēins*, a woman, wife. Teut. type *\*kwēniz*, f.; from the 3rd grade of Teut. base *\*kwēn-*, as seen in *\*kwēn-ūn-*, a woman; for which see **QUEAN**. Idg. type *\*g(w)ēni-*; whence also Skt. *-jūni-* (in compounds), wife. Der. *queen-ly*, *queen-mother*. Allied to *quean*.

**QUEER**, strange, odd. (O. Low G.) 'A *queer* fellow;' Spectator, no. 474, § 2. Much earlier, in Dunbar's Flyting: 'our awin *queir* clerk;' l. 218. A cant word; and prob. introduced rather from Low than High German. — Low G. *queer*, across; *quere*, obliquity. In Audeley's Fraternity of Vagabonds, ed. Furnivall, p. 4, 'a *quire* fellow' is one who has just come out of prison; cf. the slang phrase 'to be in *queer* street;' and Low G. *in der quere liggen*, to lie across, lie queerly. + G. *quer*, transverse; *querkoff*, a queer fellow. The OHG. form is *twer*, transverse; cf. Dan. *tvær*, cross-grained, sullen, perverse (Larsen), Swed. *tvär*, cross, rude; Icel. *þværr*, whence E. *thwart*. See **Thwart**. Der. *queer-ly*, *queer-ness*.

**QUELL**, to crush, subdue, allay. (E.) ME. *quellen*, to kill; Chaucer, C. T. 12788 (C 854). AS. *cwellan*, to kill, Grein, i. 174. + OSax. *quellian*, to torment, causal of *quelan*, to suffer martyrdom; Du. *kwellen*, to plague, vex; Icel. *kvelfja*, to torment; Swed. *quälja*, to torment; Dan. *kvæle*, to strangle, choke; to plague, torment.  $\beta$ . Teut. type *\*kwaljan-*, causal form, 'to make to die;' from *\*kwal*, and stem of *\*kwel-an-*, to die. Allied to Lith. *gel-ti*, to pain; *gel-a*, pain. From Idg. root *\*g(w)el*; Brugmann, i. § 656. See **QUALM**.

**QUENCH**, to extinguish, check, put out. (E.) ME. *quenchen*, Wyclif, Matt. iii. 12. (*Quench* is formed from an obsolete verb *quink*, to be put out, to be extinguished; just as *drench* is from *drink*.) AS. *cwencan*, in the comp. *ācwencan*, to extinguish utterly, Mark, ix. 44. Causal of AS. *cwincan*; the pt. t. *ā-cwanc* (= was extinguished) occurs in a various reading in Ælfred, tr. of Bede, b. ii. c. 7, ed. Whelock.  $\beta$ . Further, the verb *cwincan* is an extension of a shorter form *cwīnan*, to be extinguished (which is a strong verb, with pt. t. *cwān*, pp. *cwinen*); hence 'ðæt fyr ācwīnen wæs and ādwæsced' = the fire was put out and extinguished; Bede, ii. 7 (as above). Cf. OFries. *kwinka*, to be extinguished. Der. *quench-able*, -less.

**QUERIMONIOUS**, fretful, discontented. (L.) 'Most *querimoniously* confessing;' Denham, A Dialogue, l. 2. Formed with suffix -ous (= F. -eux, L. -ōsus) from *querimōnia*, a complaint. — L. *queri*, to complain; with Idg. suffixes -mōn-yā. See **Querulous**. Der. *querimonious-ly*, -ness.

**QUERN**, a handmill for grinding grain. (E.) ME. *querne*, Chaucer, C. T. 14080 (B 3264). AS. *cweorn*, *cwyrn*, Matt. xxiv. 41. + Du. *kweern*; Icel. *kværn*; Dan. *kværn*; Swed. *qværn*; Goth. *kwairnus*. Teut. base *\*kwer-n-*, from Idg. root *\*g(w)er*, to grind (?); whence also Lith. *gerna*, a stone in a handmill; Russ. *jernov(e)*, a millstone, Irish *bro*, W. *breuan*, a millstone; Skt. *grāvan-*, a stone. Brugmann, i. § 670.

**QUERULOUS**, fretful. (L.) In Phillips, ed. 1658. Englished from Late L. *querulōsus* or L. *querulus*, full of complaints. — L. *queri*, to complain. The pt. t. *questus sum* points to an older form *\*quesi*. + Skt. *qvas*, to pant, to hiss, to sigh. —  $\checkmark$  KWES, to wheeze; whence also E. **Wheeze**, q.v. Der. *querulous-ly*, -ness. And see **quarrel** (1), *querimonious*, *cry*.

**QUERY**, an inquiry, question. (L.) In Phillips, ed. 1706. Formerly *quere*, as used by Warner, Albion's England, b. vi. c. 30, l. 238; Ben Jonson, New Inn, A. ii. sc. 2. Put for *quare*, seek thou, inquire thou, 2 p. imp. of L. *querere*, to seek.  $\beta$ . *Querere* is for *\*quasere* (= *\*quai-sere*); cf. L. *quaso*, I beg. Brugmann, ii. § 662. Der. *query*, verb; *quer-ist*; also *quest*, q.v., *quest-ion*, *quest-or*. Also (from *querere*), *ac-quire*, *con-quer*, *dis-quis-it-ion*, *ex-quis-ite*, *in-quire*, *in-quis-it-ive*, *per-quis-ite*, *re-quest*, *re-quire*, *re-quis-ite*.

**QUEST**, a search. (F. — L.) In Levins. ME. *queste*, P. Plowman, B. xx. 161. — OF. *queste*, 'a quest, inquirie, search;' Cot. F. *quête*. — Folk-L. *questa*; for L. *quæsitā*, a thing sought; fem. of *quæsitus*, pp. of *querere*, to seek; see **Quory**.

**QUESTION**, an inquiry. (F. — L.) ME. *questioun*, Wyclif, John, iii. 25. — F. *question*. — L. *quæstionem*, acc. of *quæstio*, a seeking, a question; formed with suffix -tio from *quæs-*, base of *\*quas-ere*, old form of *querere*, to seek; see **Quory**. Der. *question*, verb, Hamlet, ii. 2. 244; *question-able*, id. i. 4. 43; *question-able-ness*; *question-less*, Merch. Ven. i. 1. 176; *question-ist* (Levins). Also *questor* (Levins), from L. *questor*; *questor-ship* (id.).

**QUEUE**, a twist of hair formerly worn at the back of the head. (F. — L.) In late use. Added by Todd to Johnson. — F. *quene*, 'a tail;' Cot. — L. *cauda*, a tail. See **Cue**.

**QUIBBLE**, an evasion, shift. (L.) 'This is some trick; come, leave your *quibblins*, Dorothy;' Ben Jonson, Alchemist, iv. 4 (Face, to Dol). A dimin. of *quib*, with suffix -le. 'Quib, a taunt or mock,' Coles (Halliwell); but the word is not in ed. 1684 of Coles' Dict. Perhaps *quib* is a weakened form of *quip* or *quippy*. See **Quip**.  $\beta$ . The peculiar sense of evasion is prob. due to association with *quiddity* and *quillet*; see those words. Der. *quibble*, verb; *quibbl-er*.

**QUICK**, living, moving, lively. (E.) ME. *quik*, Chaucer, C. T. 1017 (A 1015). AS. *cwic*, sometimes *cuc*, Grein, i. 175; also *cwicu*, *cūcu*. + Du. *kwik*; Icel. *kvikr*, *kykr*; Dan. *kvik*; Swed. *quick*; Prov. G. *queck*, *quick*, quick, lively (Flügel).  $\beta$ . All from a Teut. type *\*kwikwoz*, lively, which took the place of an older form *\*kwiwoz*; this older type occurs in Goth. *kwins*, living, cognate with L. *uiuus*, Lith. *gywas*, Russ. *jivoi*, alive, living; Irish *beo*, W. *byw*, alive; Idg. type *\*g(w)iuos*. Further allied to Skt. *jiv*, to live, L. *uiuere*, and Gk. *bios*, life. See **Vivid**. Brugmann, i. §§ 85, 318, 677. Der. *quick*, sb., *quick-ly*, *quick-ness*; *quick-lime*; *quick-sand*, 3 Hen. VI, v. 4. 26; *quick-silver*, Chaucer, C. T. 16240 (G 772), AS. *cwic-seolfor*; *quick-set*, i.e. set or planted alive; *quick-sighted*. And see *quick-en*.

¶ The prov. E. *quitch-grass* = *quick-grass*; it is also spelt *couch-grass*, where *couch* is due to the occasional AS. *cūcu*.

**QUICKEN**, to make alive. (E.) ME. *quikenen*, *quiknen*, Wyclif, John, vi. 64; Chaucer, C. T. 15949 (G 481). The true form is *quik-nen*, and the suffix -nen = Goth. -nan, which was used only to form intransitive verbs; so that the true sense of *quiknen* is rather 'to become alive,' as in King Lear, iii. 7. 39. But this distinction was early lost, and the suffixes -ien, -nen were used as convertible. The Goth. keeps them distinct, having *gakuin-jan*, to make alive, *gakuin-nan*, to become alive. From AS. *cwic*, alive; see **Quick**. Cf. Icel. *kvikna*, Swed. *quickna*, intr., to quicken, come to life.

**QUID**, a mouthful of tobacco. (E.) A dialectal variant of *cud*; 'Quid, the cud' (Halliwell); AS. *cwidu*. It occurs in Bailey's Dict., vol. ii. ed. 1731; and see E. D. D. See **Cud**.

**QUIDDITY**, a trifling, nicety, cavil. (L.) A term of the schools. 'Their predicamentes, . . . *quidities*, hecseities, and relatives!' Tyndal, Works, p. 104, col. 1, l. 8 (and in Spec. of Eng., ed. Skeat, p. 176, l. 318). Englished from Late L. *quidditās*, the essence or nature of a thing, concerning which we have to investigate 'what it is' (*quid est*). — L. *quid*, what, neuter of *quis*, who; see **Who**.

**QUIDNUNC**, an inquisitive person. (L.) Applied to one who is always saying—'what's the news?' 'The laughers call me a *quidnunc*;' The Tatler, no. 10, § 2. — L. *quid nunc*, what now?

**QUIESCENT**, still, at rest. (L.) In Blount's Gloss., ed. 1674. — L. *quiescent-*, stem of pres. part. of *quiescere*, to be at rest. See **Quiet**. Der. *quiescence*.

**QUIET**, still, at rest, tranquil. (L.) 'A *quyet* and a pesible lijf;' Wyclif, 1 Tim. ii. 2; where the Vulgate has *quētam*. [Rather from L. than from F.; the F. form is **Coy**, q.v.] — L. *quētus*, quiet; orig. pp. of *\*quiere*, only used in the inceptive form *quiescere*, to rest. Cf. *quē-s*, rest.  $\beta$ . Allied to OPers. *shiyāti-*, a place of delight, home; Pers. *shād*, pleased; and to E. **While**. Brugmann, i. §§ 130, 675; Horn, § 767. Der. *quiet*, sb., ME. *quiete*, Chaucer, C. T. 9269 (E 1395); *quiet*, verb, 1 Hen. VI, iv. i. 115; *quiet-ly*, *quiet-ness*; *quiet-ude*, from Late L. *quēitūdo* (White), a contraction for *\*quēititūdo*. Also *quiet-us*, a final settlement, from L. *quēitus*, adj.; *quiet-ism*, *quiet-ist*. From L. *quiescere* we also have *ac-quiete*; and see *re-quietem*, *quit*, *quite*, *re-quite*, *ac-quit*, *dis-quiet*. Doublet, *coy*.

**QUILL** (1), a feather of a bird, a pen. (E.) ME. *quille*, *quylle*. 'They take a *quil*' (tube?); Lydgate, Troy-book, fol. E 2, col. 2. 'Quylle, a stalke, Calamus;' Prompt. Parv. Halliwell gives: 'Quill, the stalk of a cane or reed, the faucet of a barrel.' This is a difficult and doubtful word; probably the sense of 'hollow stalk' was the original one. The word appears to be E., and of Teut. origin. + Low G. *kiil*, a goose-quill (Berghaus); *kil* (Schambach); Westphalian *kwiele* (Woeste); G. *kiel*, Bavarian and MHG. *kil*.

**QUILL** (2), to pleat a ruff. (F. — L.; or E.) 'What they called his cravat, was a little piece of white linen *quilled* with great exactness;' Tatler, no. 257, Nov. 30, 1710. 1. Supposed to be so called from being folded as if over quills; or, to form into small folds resembling quills. See **Quill** (1). 2. Wedgwood quotes from Métyvier the Guernsey word *enquiller*, to pleat, gather, wrinkle,

which Métyvier derives from OF. *cuillir*, to gather, collect, cull; whence also E. **Cull**, q. v. I do not know which is right. ¶ The phrase in the quill, in Shaks. 2 Hen. VI. i. 3. 4, certainly means 'in the collection' or 'in a body'; where *quill* (variant of *coil*) is from OF. *cuillir*, L. *colligere*, to collect, to cull.

**QUILLET**, a sly trick in argument. (L.) 'His quiddities, his quillies;' Hamlet, v. i. 108. There is also a form *quiddit*; the N.E.D. cites from Greene (in Harl. Misc. ii. 232), 'such quibs and quiddits.' Prob. *quillet* is for *quiddit*, shortened from *quiddity*; see **QUIDDITY**. Note that, in Torriano (1688) we find Ital. *quiddità*, *quiddità*, 'the quiddity, the whatness, or substance of any thing'; and, just below, *quillità*, *quillità*, 'a quillity'; which seems to prove the change from *d* to *l*.

**QUILT**, a bed-cover, a case filled with wool, flock, down, &c. (F.—L.) ME. *quille*, *quylte*. 'Unum quylt,' York Wills, iii. 3 (1395). A. Neckam has L. *culcitra*, glossed by AF. *quille*; Wright's Vocab. i. 100. 'Quylte of a bedde, Culcitra;' Prompt. Parv.—OF. *cuille* (12th cent., Littré, s. v. *couette*), also spelt *cotre* (Burguy), and *coute*, as in *contrepoincter*, to quilt (Cotgrave).—L. *culcita* (also *culcitra*, giving OF. *cotre*), a cushion, mattress, pillow, quilt. Root uncertain. Der. *quilt*, verb. And see **COUNTERPANE** (1).

**QUINARY**, consisting of or arranged in fives. (L.) The L. form *quinarius*, as a sb., is in Phillips, ed. 1706; *quinary* is in Cudworth's Intellectual System, p. 625 (R.).—L. *quinarius*, arranged by fives.—L. *quinī*, pl. adj., five each. For \**quinc-nī*, where *quinc* = *quinque*, five, which is cognate with E. **Five**, q. v. See **QUINQUAGESIMA**.

**QUINCE**, a fruit with an acid taste. (F.—L.—Gk.) In Romeo, iv. 4. 2. Spelt *quince*, *wince*, Pistill of Susan, 102; *quence* in Prompt. Parv. [Cf. MF. *coignasse*, 'a female quince, or pear-quince, the greatest kind of quince'; Cot.; *coignacier*, 'the great, or pear, quince-tree'; id.] For *quins*; orig. the pl. of *quin* or *quyne*, a quince; but the usual ME. form is *coine*, or *coin*; Rom. of the Rose, 1374. Cf. *quyns-tre*, Voc. 573. 48; *quoynt-tre*, id. 646. 35. Walter de Bibbesworth has AF. *coigner*, glossed by *coyn-tre*, *quince-tre*; Wright's Vocab. i. 163. 'Quyne-able tre, coingz;' Du Wes, in Palsgrave, p. 914; *quynce*, p. 260.—OF. *coin*, mod. F. *coing*, a quince. [Cf. Prov. *codoing*, Ital. *cologna* (Littré).]—L. \**cotōnium*, for \**cydōnium*; (the Ital. *cologna* representing L. *cydōnia*, a quince).—Gk. *κυδωνία*, a quince-tree; *κυδώνιον μῆλον*, a quince, lit. a Cydonian apple.—Gk. *Κυδωνία*, *Κυδωνίς*, Cydonia, one of the chief cities of Crete, named from the *Κύδωνες* (Cydones), a Cretan race. See Smith's Classical Dict.

**QUINCUNX**, an arrangement by fives. (L.) Applied to trees, &c., arranged like the five spots on the side of a die marked 5. See Sir T. Browne, Garden of Cyrus, c. 5. § 12.—L. *quincunx*, an arrangement like five spots on a die.—L. *quinc-*, for *quinque*, five, cognate with E. **Five**; and *uncia*, an ounce, hence a small mark, spot on a die; see **OUNCE** (1).

**QUININE**, extract of Peruvian bark. (F.—Span.—Peruvian.) Ab. 1820. Borrowed from F. *quinine*, an extension (with suffix *-ine* < L. *-ina*) from F. *quina*.—Span. *quina*, *quinaquina*, a Span. spelling of Peruvian *kina*, or *kina-kina*, which is said to mean 'bark,' and is applied to that which we call Peruvian bark. Granada, in his Vocab. Rioplatense, gives *quina*, a thorny shrub, good against fever; and *quinaquina*, a large tree with medicinal bark.

**QUINQUAGESIMA**, the next Sunday before Lent. (L.) So called because about 50 days before Easter.—L. *quingagesima* (*diēs*), fiftieth day; fem. of *quingagesimus*, fiftieth.—L. *quingua-*, for *quinque*, five; and *-gesimus*, for \**gensimus*, tenth, ultimately from *decem*, ten. See **Five** and **Ten**.

**QUINQUANGULAR**, having five angles. (L.) Formed from *quinque*, five, just as *quadrangular* is from *quadrus*, fourfold. See **QUADRANGULAR**.

**QUINQUENNIAL**, lasting five years, recurring in five years. (L.) Formed from *quinque*, five, and *annus*, a year; see **Biennial**.

**QUINSEY**, inflammatory sore throat. (F.—Gk.) 'The throting quinsy;' Dryden, Palamon, 1682. A contraction of the older form *squinacy* or *squinancy*, spelt *squinancie* in Minshew, ed. 1627. Sir T. Elyot has 'squynances, or quinses in the throte;' Castel of Helth, bk. iii. c. 7. ME. *squynacy*, *squynancy*, Trevisa, iii. 335.—OF. *quinancie* (Supp. to Godefroy, s. v. *esquinance*); also *squinancie*; mod. F. *esquinancie*. Cot. gives *esquinance*, 'the squincy or squinancy,' and *squinance*, 'the squinancy or squinzie.' β. Formed (sometimes with prefixed *s-* or *es-*, for OF. *es-*, L. *ex*, very) from Gk. *κυνάγχη*, lit. 'a dog-throttling,' applied to a bad kind of sore throat.—Gk. *κύν-*, stem of *κύων*, a dog, cognate with E. **Hound**; and *ἀγχ-ειν*, to choke, throttle, from **ANGII**, to choke; see **Anger**.

**QUINTAIN**, a post with arms, set up for beginners in tilting to run at. (F.—L.) In As You Like It, i. 2. 263. 'When, if neede

were, they could at *quintain* run;' Sidney, Arcadia, b. i (song, l. 56). ME. *quaintan* (for *quintan*), Destr. of Troy, 1627.—F. *quintaine*, 'a quintane, or whintane, for country youths to run at;' Cot. Cf. Prov. *quintana*, Ital. *quintana* (Littré). From Late L. *quintēna*, a quintain, Matt. Paris, v. 367; also *quintāna*, a quintain, also a certain measure of land, also a part of a street where carriages could pass (Ducange). β. The form of the word is so explicit that we may connect it with L. *quintāna*, a street in the camp, which intersected the tents of the two legions in such a way as to separate the fifth maniple from the sixth, and the fifth turma from the sixth; here was the market and business-place of the camp (White). We can hardly doubt that this public place in the camp was sometimes the scene of athletic exercises and trials of skill, whence it is an easy step to the restriction of the term to one particular kind of exhibition of martial activity. And *quintāna* is the fem. of *quintānus*, formed with suffix *-ānus* from *quintus*, fifth, which is for \**quinc-tus*, from *quinque*, five. See **Five**. Picard *quintaine*; described by Corblet.

**QUINTAL**, a hundredweight. (F.—Span.—Arab.—L.) 'Twelve pence upon euerie quintall of copper;' Hakluyt's Voyages, i. 137, l. 18; also *kintal*, id. ii. (part 2). 162. Spelt *quyntall*, Palsgrave.—F. *quintal*, 'a quintal or hundred-weight;' Cot.—Span. *quintal*, a quintal, hundred-weight.—Arab. *qinfār*, a weight of 100 pounds of twelve ounces each; Rich. Dict. pp. 1150, 737.—L. *centum*, a hundred; see **Cent**. And see **Kilderkin**.

**QUINTESENCE**, the pure essence of anything. (F.—L.) 'Aristoteles . . hath put down . . for elements, foure; and for a fifth, *quintessence*, the heavenly body which is immutable;' Holland, tr. of Plutarch, p. 662 (R.). Palsgrave has *quyntessence*. Misspelt *quyntencense*, Lydgate, Minor Poems, p. 51. And see The Book of *Quinte Essence* or the Fifth Being, about A.D. 1460, ed. Furnivall; 1866 (E. E. T. S.).—F. *quintessence*, 'a quintessence, the vertue, force, or spirit of a thing extracted;' Cot.—L. *quinta essentia*, fifth essence or nature.—L. *quinta*, fem. of *quintus* (for \**quinc-tus*), from *quinque*, five; see **Five**. And see **Essence**. ¶ The idea is older than Aristotle; cf. the five Skt. *bhūtam*'s, or elements, which were earth, air, fire, water, and æther. Thus the fifth essence is æther, the most subtle and highest; see Benfey, Skt. Dict., p. 658, col. 1.

**QUINTILLION**, the fifth power of a million. (L.) Coined from L. *quint-us*, fifth; and *-illion*, part of the word *million*; see **Quadrillion**, **Billion**.

**QUINTUPLE**, fivefold. (F.—L.) In Sir T. Browne, Cyrus' Garden, c. 5. § 3.—F. *quintuple*, in use in the 15th cent. (Hatzfeld).—L. \**quintuplus*, a coined word; formed from *quintus*, fifth, just as *duplus* is from *duo*, two. See **Quintessence** and **Double**. Der. *quintuple*, verb.

**QUIP**, a taunt, cavil. (L.) 'This was a good *quip* that he gave unto the Jewes;' Latimer, Sermon on Rom. xiii. an. 1552 (R.). Sir T. More has: 'this goodly *quyppe* agaynste me;' Works, p. 709. We also find *quippy*, as in Drant's tr. of Horace, bk. ii. sat. 1.—L. *quippe*, forsooth (used ironically). For \**quid-fe*; Brugmann, i. § 585. Der. *quibb-le*, q. v.

**QUIRE** (1), a collection of so many sheets of paper, often 24. (F.—L.) Also *quair*, as in The Kingis *Quair*, i. e. small book. Spelt *quayer*, Trevisa, tr. of Higden, ii. 193. In the Ancien Riwele, p. 248, last line but 1, we find the curious form *cwaer*, in the sense of a small book or pamphlet.—AF. *quaer*, as a gloss to *quaternus*; A. Neckam, in Wright's Vocab. i. 116, l. 6; OF. *quaier* (13th cent., Littré); spelt *quayer*, *cayer*, in Cotgrave, who explains it 'a quire of written paper; a peece of a written booke.' Mod. F. *cahier*.—Late L. *quāternum*, a collection of four leaves, a small quire; from L. *quāternū*, nom. pl., four each, which from *quatuor*, four, cognate with E. **Four**. Cf. Ital. *quaderno*, a quire of paper; and the instance of F. *enfer* from L. *infernum* shows that the suffix *-num* would easily be lost.

**QUIRE** (2), a band of singers. (F.—L.—Gk.) Another spelling of **Choir**, q. v. Der. *quir-ister* (for *chorister*); Nares.

**QUIRK**, a cavil, subtle question. (Scand.—G.) In Minshew, ed. 1627. The orig. sense seems to have been 'angle;' cf. prov. E. *quirk*, a twist, a clock in a stocking, a quibble. 'The quiddities and *queerks* of logique darke;' Drant, tr. of Horace, Sat. i. 5. Being found in many dialects, it may be a Scand. word. β. Prob. from Icel. *kverkr*, the angle below the chin, the inner angle of an ax (Vigfusson); Molbech gives Dan. *quærk* (*kværk*) as an angle in a knee-timber of a ship (cf. E. *quirk*, an angle or groove in a moulding); see N.E.D. and E.D.D.; Jutland *kværke*, the angle between two rows of houses (Feilberg). Not of Scand. origin; but borrowed from G. *quer*, transverse; see **Queer**. Cf. MHG. *twerh*, G. *zuerch*, going across; AS. *þwearh*; see **Thwart**. Distinct from Icel. *kverkr*, pl., the throat.

**QUIT**, freed, released, discharged from. (F.—L.) In the phr. 'to be quit,' the word is really an adj., though with the force of a pp.

The verb *to quit* is derived from it, not *vice versa*; as is easily seen by comparing the F. *quitter* (OF. *quiter*) with F. *quite* (OF. *quite*). In the phrases 'quit rent' and 'quit claim,' the old adjectival use is retained, and the latter represents an OF. verb *quite-clamer*. Moreover, the adj. was introduced into E. before the verb, appearing as *cwile* in the Ancien Riwle, p. 6, l. 12. Cf. 'Tho was Wyllam our kyng all *quyl* of thulke fon,' i.e. all free of those foes; Rob. of Glouc. p. 392, l. 8062. [Hence was derived the verb *quyten*, to satisfy a claim, pay for. 'He mai *quiten* hire ale'=he will pay for her ale, Old Eng. Miscellany, ed. Morris, p. 190, l. 77; and see Chaucer, C. T. 772 (A 770).]—OF. *quite*, 'discharged, quit, freed, released; Cot. Mod. F. *quille*; Span. *quilo*, quit.—Late L. *quiltus*, *quiltus*, popular forms of L. *quiescens*, at rest, hence free, satisfied. Thus *quit* is a shorter form of *quiet*. See **Quiet**. Der. *quit*, verb, from OF. *quiter*, 'to quit,' Cot. (mod. F. *quitter*). And hence *quitt-ance*, ME. *quittance*, spelt *cwitaunce* in Ancien Riwle, p. 126, l. 7, from OF. *quittance*, 'an acquittance,' Cot.; cf. Late L. *quittantia*. And see *quite*.

**QUITE**, entirely. (F.—L.) ME. *quite*, *quyte*. 'And chased him out of Norweie *quyte* and clene;' Rob. of Brunne, tr. of Langtoft, p. 50. This is merely an adverbial use of the ME. adj. *quyte*, now spelt *quit*. Thus the sense is 'freely,' hence 'entirely.' See **Quit**.

**QUIVER** (1), to tremble, shiver. (E.) Possibly allied to *quaver*, q. v. It does not appear very early, yet is probably old. 'A *quiver*ing dart;' Spenser, F. Q. iii. 5. 19. 'I *quyver*, I shake;' Palsgrave. 'Dido *quynered* and shoke;' Caxton, Eneydos, ch. 27, p. 103. Allied to the obsolete adj. *quiver*, full of motion, brisk, Shak. 2 Hen. IV, iii. 2. 301; which occurs, spelt *cwiuer* (= *cwiver*) in the Ancien Riwle, p. 140, l. 21; also as AS. *cwiſer*, as in the adv. *cwiſerlice*, anxiously, eagerly; Rule of St. Benet, ed. Schröer, p. 133, l. 38. Prob. of imitative origin; cf. *quaver* and *quake*. Cf. also EFries. *kwiſer*, lively, *kwiſern*, to be lively (Koolman); MDu. *kuyven*, *kuyveren*, to quiver (Kilian).

**QUIVER** (2), a case for arrows. (F.—OHG.) 'Thair arwes in a *quiuver* sente;' E. E. Metr. Psalter, x. 3. 'Quyver, Pharetra;' Prompt. Parv.—OF. *cuiure*, *cuevre*, *covire*, a quiver. And see Diez, s. v. *covire*.—OSax. *cokar*, a quiver; OHG. *kohhar* (cited by Diez), mod. G. *köcher*, a quiver. Cognate with AS. *cocur*, *cocer*, a quiver, Gen. xxvii. 3. Teut. type \**kukuro-*, whence Med. L. *cucurum*, a quiver. Der. *quiver-ed*.

**QUIXOTIC**, absurdly chivalrous. (Spanish.) Formed as adj., with suffix *-ic*, from the name *Don Quixote*, or *Quijote*, the hero of the famous novel by Cervantes. (The OSpan. *x* is now commonly written as *j*; the sound of the letter is guttural, something like that of G. *ch*.)

**QUIZ**, an eccentric person; one who ridicules oddities; a hoax. (E.) History obscure; said to have been coined by one Daly in 1791; yet already in 1782 Madame D'Arblay, Early Diary, p. 24, has: 'He's a droll *quiz*.' The toy also called a *bandalore* was known as a *quiz* in 1790; which suggests a connexion with *whiz*. It seems, in any case, to have been a coined word. Perhaps suggested by *in-quis-itive*. See Davies, Supp. Glossary; Notes on E. Etym., p. 238.

**QUOIF**, a cap or hood. (F.—MHG.—L.) In Shak. Wint. Tale, iv. 4. 226. The same word as **Coif**, q. v.

**QUOIN**, a technical term, orig. a wedge. Used in architecture, gunnery, and printing. (F.—L.) The orig. sense is 'wedge;' and, as a verb, 'to wedge up.' 'A printers *quoyn*, Cuneus;' Levins, 215. 17. Merely another spelling of **Coin**, q. v. A like change of *c* to *qu* occurs in *quoit*. Der. *quoin*, verb.

**QUOIT**, **COIT**, a ring of iron for throwing at a mark in sport. (F.—L.?) The older spelling is *coit*. 'Coyle, Petreluda; Coyter, or caster of a coyle, Petreludus;' Prompt. Parv. 'Casting of *coitis*,' Pecoock's Repressor (A. D. 1449); in Spec. of Eng., ed. Skeat, p. 51, l. 70. AF. *coytes*, pl. (1388); N. E. D. β. We find W. *coetan*, a quoit (where W. *oe*=E. *oi* nearly); but this is borrowed from E., having no radical, and therefore does not help us. γ. We also find, on the other hand, the Lowland Scotch *coit*, to juggle or push about, occurring in Fordun's Scotichronicon, ii. 376; much like the OF. *coiter*. We there read of a woman who 'Gangis *coitand* in the curt, hornit like a gait' [goat]. δ. The spelling *coit* suggests a F. origin; and the word is prob. connected with the curious OF. *coiter*, to press, to push, to hasten, incite, instigate (Burguy); cognate with mod. Prov. *coucha*, *coita*, *coita*, to drive before one (Mistral); the Span. *coitarse* is to hurry oneself, to hasten. If the OF. *coiter* could have had the sense 'to drive,' as seems possible, we may look on a *quoit* as being a thing driven or whirled; but of this we have no evidence. *Coit*, to push along the ice, as in the game of curling (Jamieson), may have been the older sense in English, which may help. ε. The origin of OF. *coiter* is very doubtful; hardly from L. *coactare*, to

force, from *coactus*, pp. of *cōgere*; see **Cogent**. It ought rather to represent a Late L. type \**cocture*, a frequentative of L. *coquere*, to cook, which in late authors also meant to harass or vex the mind (Lewis). See Körtling, § 2297. Der. *quoit*, verb, 2 Hen. IV, ii. 4. 266.

**QUORUM**, a number of members of any body sufficient to transact business. (L.) In Minsheu, ed. 1627. 'Be of the *quorum*;' Stat. of Hen. VII, fol. b 5, l. 6. It was usual to enumerate the members forming a committee, of *whom* (in L., *quorum*) a certain number must be present at a meeting. L. *quorum* is the gen. pl. of *qui*, cognate with E. *who*; see **Who**.

**QUOTA**, a part or share assigned to each member of a company. (L.) Used by Addison; Spectator, No. 439, § 2.—L. *quota* (*pars*), how great (a part), how much; fem. of *quotus*, how many.—L. *quot*, how many; allied to *qui*, cognate with E. **Who**. Cf. Ital. *quota*, a share (Baretti). Der. (from L. *quotus*) *quote*, q. v., *quoti-dian*; (from L. *quot*) *quot-ient*.

**QUOTE**, to cite, repeat the words of any one. (F.—L.) In Shak. Hamlet, ii. 1. 112. Sometimes written *cote* (Schmidt).—MF. *quoter*, 'to quote;' Cot. Mod. F. *coler*, which is also in Cotgrave.—Late L. *quotāre*, to mark off into chapters and verses; thus the real sense of *quote* is to give a reference; see *coted*, Trevisa, tr. of Higden, viii. 205 (L. *quotāvi*). The lit. sense of *quotāre* is 'to say how many,' with reference to the numbering of chapters.—L. *quota* (*pars*), fem. of *quotus*, how much, how many; see **Quota**. ¶ Sometimes from L. *quotāre*, immediately; esp. in early instances. Der. *quot-able*, *quot-er*, *quot-at-ion*.

**QUOTH**, he says, he said. (E.) Properly a pt. t., though sometimes used as a present. The form of the infin. is *queath*, only used in the comp. *bequeath*. ME. *quoth*, *quod*; Chaucer, C. T. 790 (A 788); and common in both forms. AS. *cwædan*, to speak, say; pt. t. *cwæð*, pl. *cwædon*; pp. *cweden*; Grein, i. 173. +Icel. *kveða*; pt. t. *kvað*, pp. *kveðinn*; OSax. *quedan*; OHG. *quedan*, pt. t. *quat*, *quod*; Goth. *kwiþan*, to say, pt. t. *kwiþ*. β. All from a Teut. type \**kwethan-*, to say, pt. t. \**kwath*. Allied to Skt. *gad*, to speak, *gada-s*, m. speech. Der. *quotha*, for *quoth he*.

**QUOTIDIAN**, daily. (F.—L.) ME. *quotidian*, spelt *cotidian*, Gower, C. A. ii. 142; bk. v. 464.—OF. *cotidian* (13th cent., Littré); later *quotidien*, 'daily;' Cot.—L. *quotidiānus*, daily.—L. *quoti-*, for *quotus*, how many; and *di-ēs*, a day; with suffix *-ānus*. Hence *quotidiānus*=on however many a day, on any day, daily. See **Quota** and **Diurnal**.

**QUOTIENT**, the result in arithmetical division. (F.—L.; or L.) In Minsheu, ed. 1627. [Perhaps directly from Latin.]—F. *quotient*, 'the part which, in the division of a thing among many, falls unto every ones share;' Cot.—L. \**quotient-*, the imaginary stem of L. *quotiens*, which is really an adv., and indeclinable; it means 'how many times.'—L. *quot*, how many; see **Quota**.

## R

**RABBET**, to cut the edges of boards so that they overlap and can be joined together. (F.—L.) ME. *rabet*, sb.; see Prompt. Parv. 'Many deep *rabbotted* incisions;' Holland, tr. of Plutarch, p. 902 (R.). 'Rabetyng of bordes, *rabetture*;' Palsgrave. The Halifax gibbet, in Harrison's Descr. of England, b. ii. c. 11, ed. Furnivall, p. 227, is described as having a block of wood 'which dooth ride vp and downe in a slot, *rabet*, or regall betwene two peeces of timber.' Bailey has: 'Rabbit, to channel boards;' and also 'Rebate, to channel, to chamfer.' Apparently from OF. *rabatre*, 'to abate, deduct, diminish,' Cot.; hence, to thin down; mod. F. *rabattre*.—F. *re-* (L. *re-*), again, back; and OF. *abatre*, to abate. See **Abate**. β. Confused, as above, with *rebate*, q. v. Also, as shown by the spelling *rabboted*, with F. *raboter*, 'to plane, levell, make or lay even,' Cot.; from F. *rabot*, 'a joiners plane,' id. See **Rebate**.

**RABBI**, **RABBIN**, sir, a Jewish title. (L.—Gk.—Heb.) 'Rabi, that is to seye maister;' Wyclif, John, i. 38. Also in the AS. version.—L. *rabbi* (Vulgate).—Gk. *ῥαββί*; John, i. 38.—Heb. *rabbi*, lit. my master; from *rab*, great, or as sb. master, and *i*, my. We also find *Rabboni*, John, xx. 16; of similar import. 'Rabbi was considered a higher title than *Rab*; and *Rabban* higher than *Rabbi*;' Smith, Dict. of the Bible, q. v.—Heb. root *rābāb*, to be great. Cf. Arab. *rabb*, being great; or, as sb., a master; *rabbi*, my lord; Rich. Dict. p. 719. The form *rabbīn* is French. Der. *rabbīn-ic-al*, *rabbīn-ist*.

**RABBIT**, a small rodent quadruped. (Walloon—MDu.) ME. *rabet*; Prompt. Parv. The older word is *cony*. It is a dimin. form

only found in Walloon *robett* (Remacle); formed with F. suffix *-et* from MDu. *robbe*, 'a rabet'; Hexham; see also Kilian and De Bo. Kilian also gives the dimin. form *robbeken*. Origin unknown; perhaps cf. Norw. *rabba*, to snatch, snap up; *rabben*, snatching, tearing, quick (Ross). See Notes on E. Etym., p. 239.

**RABBLE**, a noisy crowd, mob. (MDu.) Levins has *rabil*, *rabbe*, *rabblement*. Halliwell has: 'rabble, to speak confusedly,' with an example of ME. *rablen* used in the same sense; also: 'rabblement, a crowd, or mob.' ME. *rabell*, a rout, Gawain and the Grene Knight, 1703, 1899. So named from the noise which they make; cf. MDu. *rabbelen*, 'to chatter, trifle, toy'; Hexham. So also prov. G. *rabbeln*, to chatter, prattle; Flügel. So also Gk. *ῥαββάσσειν*, to make a noise; whence *ῥαββάς*, a dancer, a brawler. The suffix *-le* gives a frequentative force; a *rabble* is 'that which keeps on making a noise.' And see **Rapparee**. Der. *rabble-ment* (with F. suffix), Jul. Caesar, i. 2. 245.

**RABID**, mad, furious. (L.) 'All the *rabid* flight Of winds that ruin ships;' Chapman, tr. of Homer, Odys. b. xii. l. 418.—L. *rabidus*, furious.—L. *rabere*, to rage; see **Rage**. Der. *rabid-ly*, -ness.

**RACA**, a term of reproach. (Chaldee.) Matt. v. 22. 'Critics are agreed in deriving it from the Chaldee *rēkā*, with the sense of worthless;' Smith, Dict. of the Bible.

**RACCOON**, **RACON**, a carnivorous animal of N. America. (N. American Indian.) It occurs in a tr. of Buffon, London, 1792. The name of the animal in Buffon is *raton*; but this is only a F. corruption of the native name, just as *raccoon* is an E. corruption. Spelt *rackoon* in Bailey, 1735. 'Arathkone, a beast like a fox;' in a glossary of Indian words at the end of A Historie of Travaile into Virginia, by Wm. Strachey; ab. 1610–12; published by the Hakluyt Society in 1849. 'A beast they call *aroughcun*, much like a badger;' Capt. Smith, Works, ed. Arber, p. 59. Evelyn speaks of 'the Egyptian *raccoon*;' Diary, May 18, 1657. From the old Virginian dialect of Algonquin. The F. *raton* is assimilated to F. *raton*, a rat.

**RACE** (1), a trial of speed, swift course, swift current. (E.) ME. *ras*, a Northern form. 'In a *ras*;' Met. Homilies, ed. Small; p. 141. 'In a *raiss*;' Barbour, Bruce, v. 638. [The corresponding Southern form is ME. *rees*, *res* (with long *e*), Gower, C. A. i. 335; bk. iii. 167; Tale of Gamelyn, l. 543 (Wright), or l. 547 (Six-text); from AS. *rās*, a rush, swift course; Luke, viii. 33.] +Icel. *rās*, a race, running. Cf. Icel. *rasa*, to rush headlong; Du. *razen* (G. *rasen*), to rage. β. The form of the Teut. base is \**rās-*. Cf. Gk. *ῥάσ-η*, a quick motion. Der. *race*, verb; *race-course*, *race-horse*, *race-er*.

**RACE** (2), a lineage, family, breed. (F.) In Spenser, F. Q. i. 10. 60. —F. *race*, 'a race, linnage, family;' Cot. Cf. Port. *raça*, Span. *raza*, Ital. *razza*. Of unknown origin; not from OHG. *reiza*, a line, stroke, mark; as suggested by Diez. See Körting (§ 7716), who suggests rather a L. type \**raptia*. Der. *rac-y*, q. v.

**RACE** (3), a root. (F.—L.) 'A *race* of ginger;' Wint. Tale, iv. 3. 50; spelt *raze*, 1 Hen. IV, ii. 1. 27.—OF. *rais*, *raiz*, a root (Burguy); cf. Span. *raiz*, a root.—L. *radicem*, acc. of *radix*, a root; see **Radix**.

**RACEME**, a cluster. (F.—L.) A botanical term; borrowed from F. *racème*, a cluster, in botany.—L. *racēum*, acc. of *racēmus*, a cluster of grapes. Der. *racem-ed*. Doublet, *raisin*.

**RACK** (1), a grating above a manger for hay, an instrument of torture; a frame-work, a toothed bar. (MDu.) The word *rack* is used in a great many senses, see **Rack** (2), &c., below; and, in several of these, the origin is quite different. The word *rack* is seldom to be found in early literature, in any sense. The oldest E. word etymologically connected with *rack* (1) is AS. *reccan*, to stretch. β. The radical sense of *rack* is to extend, stretch out; hence, as a sb., that which is extended or straight; a straight bar (cf. G. *rack*, a rail, bar; hence, a frame-work, such as the bars in a grating above a manger, a frame-work used as an instrument of torture, a straight bar with teeth in which a cog-wheel can work. The ME. forms are *rakke*, *rekke*. 'A peyre *rakkes* of yryne;' E. Eng. Wills, ed. Furnivall, p. 56, l. 27; 'rakkes and brandemes of erno' [iron]; id., p. 57, l. 27; A. D. 1424; 'pro i. pari de *rakkez*,' in a kitchen inventory, York Wills, iii. 15; A. D. 1400. 'A *rakke*, Præsepe,' i. e. a rack for hay; Prompt. Parv. 'Rekke and manger' = rack and manger; Romance of Partenay, l. 913.—MDu. *recke*, 'a perch or a long pole,' Hexham; Low G. *rakk*, a rack, frame-work for hanging things on, a shelf (as in E.). Related words are Icel. *rekja*, to stretch, trace, *rekka*, to strain, *rakr*, straight; MDu. *recken*, 'to stretch, reach out, also to rack,' Hexham; Swed. *rak*, straight; G. *rack*, a rack, rail, prov. G. *reck*, a scaffold, wooden horse, *reckbank*, a rack for torture, *recke*, a stretcher; *recken*, to stretch. See below.

**RACK** (2), to stretch a person's joints, to torture on the rack. (MDu.) Allied to **Rack** (1) above. The verb seems to have been

introduced before the sb. 'As though I had ben *racked*;' Skelton, Phillip Sparowe, l. 47. 'Worthi to been enhangid . . Or to be *rakkid*;' Lydgate, St. Edmund, ed. Horstmann, bk. ii. 277.—MDu. *racken*, 'to rack, to torture,' variant of *recken*, 'to rack,' also 'to stretch, reach out, or to extend,' Hexham; Low G. *rekken*, to stretch. +Icel. *rekja*, to stretch; Goth. *uf-rakjan*, to stretch out; AS. *reccan*, to stretch, extend. Teut. type \**rak-jan-*, from \**rak*, 2nd grade of Teut. \**rek* = Idg. √REG, as in Gk. *ῥέγ-ειν*, to stretch, L. *reg-ere*; see **Regent**. Brugmann, i. § 474. Der. *rack*, sb.; *rack-rent*, i. e. a rent stretched to its full value, or nearly so.

**RACK** (3), light vapoury clouds, the clouds generally. (Scand.) 'Still in use in the Northern counties, and sometimes there applied to a mist;' Halliwell. Used in Shak. of floating vapour; see Hamlet, ii. 2. 506, Antony, iv. 14. 10, Sonnet 33, l. 6. So also (probably) in the disputed passage in the Tempest, iv. 156; where Halliwell hesitates, though he gives instances of its use in earlier English. Thus we find: 'As Phebus doeth at mydday in the southe, Whan every *rak* and every cloudy sky Is voide clene;' Lydgate, MS. Ashmole 39, fol. 51. 'The *rac* dryuez' = the storm-cloud drives; Allit. Poems, ed. Morris, B. 433; a decisive passage. 'A *rac* [driving storm] and a royd wynde;' Destruction of Troy, 1984. 'The windes in the vpper region, which move the clouds above (which we call the *racke*) and are not perceived below;' Bacon, Nat. Hist. § 115. [Frequently confused with *reek*, but this is quite a different word.] It is the same word with *wrack*, and allied to *wreck*; but *wrack* is to be taken in the sense of 'drift,' as rightly explained in Wedgwood.—Norw. *rak*, Swed. dial. *rak* (Swed. *vrak*, Dan. *vrag*), wreckage, that which is drifted about; cf. Icel. *rek*, drift, motion; given in Vigfusson only in the sense 'a thing drifted ashore,' but Wedgwood cites *isinn er i reki*, the ice is driving; *skýrek*, the rack or drifting clouds; cf. 'racking clouds' = drifting clouds, 3 Hen. VI, ii. 1. 27. From Icel. *reka*, to drive, toss, thrust, cognate with Swed. *vräka*, to reject, and E. *wreak*; see **Wreak**. Cf. Swed. *skeppet vräker*, the ship drifts. Der. *rack*, for *wrack*; as in the phr. 'to go to *rack* and ruin;' see **Wrack**.

**RACK** (4), to pour off liquor from the lees. (Prov.) See Halliwell. In Minsheu, ed. 1627, who speaks of '*rackt* wines, i. e. wines cleansed and purged.' 'The reboyle to *rakke* to the lies;' Russell, Boke of Nurture, 115; in Babees Book, ed. Furnivall, p. 125. Like some other words connected with the wine-trade, it is of Gascon origin.—OProv. *arracar*, Prov. *arraca* (Gascony), to decant wine (Mistral). Wedgwood quotes Languedoc *araca le bi*, to decant wine.—Prov. *raca*, mod. *raco*, *draco*, lees, husks left after pressing out wine or oil. Hence also MF. *raqué*; Cotgrave explains *vin raqué* as 'small, or corse wine, squeezed from the dregs of the grapes, already drained of all their best moisture.' Of uncertain origin; but initial *d* may have been dropped, as in **Rankle**, q. v. The mod. Prov. *draco* answers to OF. *drache*, husks of grapes; perhaps of Teut. origin. Cf. ME. *drast*, dregs (N. E. D.); and Körting, § 3109.

**RACK** (5), a short form of **Arrack**, q. v. Cf. Span. *raque*, *arrack*.

**RACK** (6), &c. We find (6) prov. E. *rack*, a neck of mutton; from AS. *hracca*, neck, according to Somner; but this is prob. an error. The AS. '*hreacca*, occiput' in OE. Texts (see p. 549) seems to be miswritten for *hnecca*; still, we find 'Occiput, *hracca*,' in Voc. 463. 21. Also (7) *rack*, for *reck*, to care; see **Reck**. Also (8) *rack*, a pace of a horse (Palsgrave); of uncertain origin. Also (9) *rack*, a track, cart-rut; cf. Icel. *reka*, to drive; see **Rack** (3).

**RACKET** (1), **RAQUET**, a bat with network in place of a wooden blade. (F.—Span.—Arab.) ME. *rakket*. 'Sa mony *rakketis*;' Dunbar, Poem xiv. l. 66 (ed. Small).—MF. *raquette*, 'a racket;' Cot. [The game of 'fives,' with the hands, preceded rackets; to this day, tennis is called in French *paume* = game of the palm of the hand.]—Span. *raqueta*, a racket, battle-dore (Minsheu). Perhaps from Arab. *rūha*(t), the palm of the hand; Rich. Dict. p. 714. See Devic, in Supp. to Littré; who suggests that the Span. *raqueta* may have been confused with Port. *rasqueta*, the wrist, OF. *rachete*, *rasquette*; which also is prob. of Arab. origin, viz. from Arab. *rusgh*, the wrist joint; Rich. Dict. p. 733.

**RACKET** (2), a noise. (E.) 'After all this *Racket*;' Spectator, no. 336, § 3. Of imitative origin; cf. prov. E. *rattick*, to rattle; *rackle*, noisy talk; also *rabble*. The Gael. *racaid*, racket, is merely the E. word borrowed; but cf. Irish *racan*, noise, riot; Gael. *rac*, to make a noise like geese or ducks; Rouchi *raque*, *ric-rac*, words imitating noises.

**RACCOON**; see **Raccoon**.

**RACY**, of strong flavour, spirited, rich. (F.—L. (?) ; with E. suffix.) *Racy* means indicative of its origin, full of the spirit of its *race*; and so is a derivative from **Race** (2); esp. in the sense of a characteristic flavour or 'raciness' of a wine, supposed to be due to the soil; see N. E. D. 'Fraught with brisk *racy* verses, in which we

The soil from whence they came taste, smell, and see;' Cowley, An Answer to a Copy of Verses sent me from Jersey, ll. 7, 8. With respect to a pipe of Canary wine, Greedy asks 'Is it of the right *race*?' Massinger, New Way to pay Old Debts, i. 3. 10. Der. *raci-ness*. ☞ Probably sometimes used with some notion of reference to L. *rādix*; but *race* (2) is not derived from *rādix*, which appears only in *Race* (3).

**RADDLE**, red ochre; for marking sheep. (F.) Fitzherbert has *radel-marke*, i.e. mark made with red ochre; Husbandry, § 52. Allied to *red*; see *Rod*. And see *Ruddlo*.

**RADIAL, RADIANT**; see *Radius*.

**RADICAL, RADISH**; see *Radix*.

**RADIUS**, a ray. (L.) In Phillips, ed. 1710. Chiefly used in mathematics. — L. *radius*, a ray; see *Ray*. Der. *radi-al*, from F. *radial*, 'of, or belonging to, the upper and bigger bone of the arme,' Cot., formed with suffix *-ālis* from L. *radius*, sometimes used to mean the exterior bone of the fore-arm. Also *radi-ant*, spelt *radyaunt* in Fisher, On the Seven Psalms, Ps. 130, ed. Mayor, p. 231, last line, from *radiant*, stem of pres. part. of L. *radiāre*, to radiate, from *radius*; and hence *radi-ant-ly*, *radiance*. Also *radiate*, from L. *radiātus*, pp. of *radiāre*. Also *radiat-ion*, in Bacon, Nat. Hist. § 125, near the end, from F. *radiation*, 'a radiant brightness,' Cot., which is from L. *radiātiōnem*, acc. of *radiātiō*, a shining, from *radiāre*.

**RADIX**, a root, a primitive word, base of a system of logarithms. (L.) L. *rādix* (stem *rādic-*), a root; chiefly used as a scientific term. + Gk. *ῥάδις*, a branch, rod. Cognate with E. *Root*, q. v. Der. *radic-al*, spelt *radycall* in Sir T. Elyot, Castle of Helth, b. iii. c. 3, from F. *radical*, 'radicall,' Cot., formed with suffix *-al* (< L. *-ālis*) from *rādic-*, stem of *rādix*; *radic-al-ly*, *radic-al-ness*; also *radic-le*, a little root, a dimin. form from the stem *rādic-*. Also *radish*, called '*radishe rootes*' by Sir T. Elyot, Castel of Helth, b. ii. c. 9, from F. *radis*, 'a raddish root,' Cot.; not a true F. word, but borrowed from Prov. *raditz* (Littre), or from Ital. *radice* (Hatzfeld), from L. *rādicem*, acc. of *rādix*. From L. *rādix* we also have *e-radic-ate* and *rash* (3). Doublets, *radish*, *race* (3).

**RAFFLE**, a kind of lottery. (F.—G.) ME. *rafle* (a game at dice), Chaucer, C. T. Pers. Tale, De Avaritia; Group I, l. 793 (Six-text). — MF. *rafle* (spelt *raffle* in Cotgrave), 'a game at three dice, wherein he that throws all three alike, winnes whatsoever is set; also, a rifling,' Cot. — F. *rafter*, 'to catch, or seise on violently,' Cot. Perhaps from G. *raffeln*, to snatch up; frequentative of *raffen*, 'to raff, sweep, carry away, carry off hastily,' Flügel. Cognate with Icel. *hrapa*, to hurry; see *Rap* (2). Der. *raffle*, verb.

**RAFT**, a collection of spars or planks, tied together to serve as a boat. (Scand.) ME. *raft*; spelt *rafte*, and used in the sense of 'spar' or 'rough beam,' Avowing of Arthur, st. 25, in Robson's Met. Rom. p. 69. The orig. sense is 'rafter.' — Icel. *raptr* (pron. *rafr*, in which *r* is merely the sign of the nom. case), a rafter; Dan. *raft*, a rafter; see *Rafter*.

**RAFTER**, a beam to support a roof. (E.) ME. *rafter*, Chaucer, C. T. 992 (A 990). AS. *ræfter*, Ælfred, tr. of Bede, b. iii. c. 16. An extension (with Idg. suffix *-ro-*) from the base *RAFT* appearing in MSwed. *raft*, Dan. *raft*, Icel. *raptr* (*rafr*), a rafter, beam. Again, Dan. *raft* is an extension (with suffix *-to-*) from the base *RAF* related to Icel. *rāf*, *ræfr*, a roof, which is cognate with OHG. *rāfo*, a spar, a rafter. Further allied to Gk. *ῥάφος*, to cover; *ῥοφος*, a roof. (✓REBH). Der. *rafter*, verb. And see *raft*. ☞ It does not seem to be allied to *roof*, which has an initial *h*; AS. *hrōf*.

**RAG**, a shred of cloth. (Scand.) ME. *ragge*, Gower, C. A. i. 100; bk. i. 1723. 'A ragged colt' = a shaggy colt, King Alisaunder, 684. We only find AS. *raggie*, adj. rough, shaggy; 'Setosa, *raggie*,' Mone, Quellen, p. 436; as if from a sb. \**ragg*. — Norw. *ragg*, rough hair, whence *ragged*, shaggy (E. *ragged*); Swed. *ragg*, rough hair; *raggig*, shaggy; Swed. dial. *raggi*, having rough hair, slovenly; Icel. *rōgg*, shagginess; *raggaðr*, shaggy. Thus the orig. sense is that of shagginess, hence of untidiness. Root unknown. The resemblance to Gk. *ῥάκος*, a shred of cloth, is accidental. Der. *ragg-ed*, as above, also applied by Gower to a tree, Conf. Amant. ii. 177; bk. v. 1509; *ragg-ed-ly*, *ragg-ed-ness*; *rag-stone* (a rugged stone), spelt *ragston* in Riley, Memorials of London, p. 262; *rag-wort*, spelt *rag-worte* in Levins and in a Glossary (in Cockayne's Leechdoms) apparently of the 15th century.

**RAGE**, fury, violent anger. (F.—L.) ME. *rage*, King Alisaunder, ed. Weber, 980. — F. *rage*. — L. *rabies*, acc. of *rabies*, madness, rage. — L. *rabere*, to rave, to be mad. Der. *rage*, verb, *rag-ing*, *rag-ing-ly*. Also *en-rage*, *rave*.

**RAGOUT**, a dish of meat highly seasoned. (F.—L.) Spelt *ragoo* in Phillips and Kersey, to imitate the F. pronunciation. Butler has *ragusts*, pl.; Hudibras, pt. ii. c. 1. 598. — F. *ragout*, a seasoned dish. — F. *ragouiter*, to bring back to one's appetite, with

reference to one who has been ill. — L. *re-*, back; F. *a* < L. *ad*, to; and *gout*, taste; see *Re-*, *A-* (5), and *Gout* (2).

**RAID**, a hostile invasion, inroad. (North E.) A Northern border word; and merely a doublet of the Southern E. *road*. Cf. 'That, when they heard my name in any *road*,' i. e. *raid*; Greene, George-a-Greene, ed. Dyce, vol. ii. p. 169; ed. Collins, A. i. sc. 3. Jamieson gives the Sc. pl. *radis* from Wyntown, viii. 34. 34. North. form of AS. *rād*; cf. Icel. *reid*, a riding, a raid; Dan. *red*, Swed. *redd*, a road. See *Road*, *Ride*. Doublet, *road*.

**RAIL** (1), a bar of timber, an iron bar for railways. (F.—L.) ME. *rail*; dat. *raile*, Gower, C. A. iii. 75; bk. vi. 2201. Not found in AS.—OF. *reille*, a rail, bar; Norm. dial. *raile* (Moisy). — L. *rēgula*, a bar; see *Rule*. Cf. Low G. *regel*, a rail, a cross-bar; Swed. *regel*, a bar, bolt; G. *riegel*, OHG. *rigil*, a bar; if these are from Latin; but Franck (s. v. *regel*) considers them to be Teutonic, and therefore distinct. Der. *rail*, verb, *rail-ing*, *rail-road*, *rail-way*.

**RAIL** (2), to brawl, to use reviling language. (F.—L.) In Skelton, Poems Against Garnesche; see Skelton, ed. Dyce, i. 130, ll. 119, 137. 'Rayler, a jestar, *raillieur*,' Palsgrave. — F. *railler*, 'to jest, deride, mock,' Cot. [Cf. Span. *rallar*, to grate, scrape, molest, vex; Port. *ralar*, to scrape; apparently from L. *rallum*, a scraper (Pliny); for a Lat. type \**rad-lum*, from *rādere*, to scrape. The change of sense from scraping to vexing is in accordance with the usual course of metaphors.] The F. *railler* answers to a Late L. type \**rādulare*, from L. *rādula*, a scraper (Lewis), formed from *rādere*, to scrape. See *Rase*. See Littre and Scheler; and Körtling, §§ 7719, 7733. Der. *rail-er-y* = F. *raillerie*, 'jeasting, merriment, a flowt, or scoff,' Cot. Also *rally* (2).

**RAIL** (3), a genus of wading birds. (F.) Given by Phillips, ed. 1710, as 'a sort of bird.' Spelt *rayle* in Levins, and in the Catholicon Anglicum; but *raale* in the Book of St. Alban's, fol. f 7, back. — OF. *raale*, *raalle* (Hatzfeld); MF. *rasle*, 'the fowle called a rayle,' Cot. Mod. F. *raile*. Littre notes *raale* as the 14th cent. spelling; also that the Picard form is *reille*, showing that the mod. E. word agrees rather with the Picard than the Central F. form. β. Probably the bird was named from its cry; but we can hardly connect the form *raale* with the OF. *raller*, 'to rattle in the throat,' Cot., mod. F. *râler*.

**RAIL** (4), part of a woman's night-dress. (E.) For *hrail*. Obsolete; see Halliwell. 'Rayle for a womans necke, *crevechief*, *en quarttre doubles*,' Palsgrave. ME. *rejel*, Owl and Nightingale, 562; see *hræjel* in Stratmann. AS. *hrægl*, *hregl*, swaddling-clothes, Luke, ii. 12. + OFries. *hreil*, *reil*, a garment; OHG. *hregil*, a garment, dress. Teut. type \**hregilom*, neut. Root unknown.

**RAIMENT**, clothing. (F.—L. and Scand.; with F. suffix.) 'With ruffled *rayments*,' Spenser, F. Q. i. 6. 9. ME. *raiment*, Plowman's Tale, pt. iii. st. 30, l. 936 (date uncertain). Short for *arrayment*, of which the ME. form was *araiment*, and the initial *a* easily fell away. 'Rayment, or arayment, Ornatus,' Prompt. Parv. Cf. MF. *arreement*, 'good array, order, equipage,' Cot. See *Array*.

**RAIN**, water from the clouds. (E.) ME. *rein*; spelt *reyn*, P. Plowman, B. xiv. 66. AS. *regn*, frequently contracted to *rēn*, Grein, i. 371. + Du. *regen*; Icel., Dan., and Swed. *regn*; G. *regen*; Goth. *riqn*. β. All from Teut. types \**reg-noz*, m., \**reg-nom*, n. Prob. not allied to L. *rigāre*, to moisten; nor even to Lith. *rokė*, sb., drizzling rain. Der. *rain*, verb, AS. *hregnian*, *regnian*, Matt. v. 45 (Northumb. version); *rain-y*, AS. *rēnig*, Grein, i. 372; *rain-bow*, AS. *rēnboga*, Gen. ix. 13; *rain-gauge*.

**RAINDEER**, the same as *Reindeer*, q. v.

**RAISE**, to lift up, exalt. (Scand.) A Scand. word; the E. form is *rear*. ME. *reisen*, Wyclif, John, xi. 11; spelt *reysenn*, Ormulum, 15599. — Icel. *reisa*, to raise, make to rise; causal of *risa* (pt. t. *reis*), to rise. So also Dan. *reise*, Swed. *resa*, to raise, though these languages do not employ the verb 'to rise'; Goth. *raisjan*, causal of *reisan*. See *Rise*. Doublet, *rear*.

**RAISIN**, a dried grape. (F.—L.) ME. *reisin*; spelt *reysin*, Wyclif, Judges, viii. 2 (later version); King Alisaunder, 5193. — OF. *raisin*, 'a grape, raisin, bunch, or cluster of grapes,' Cot. Cf. Span. *racimo*, a bunch of grapes. — Folk L. *racimūm*, for L. *racēmum*, acc. of *racēmus*, a bunch of grapes; see *Raceme*. Doublet, *raceme*.

**RAJAH**, a king, prince. (Skt.) In Sir T. Herbert's Travels, p. 53, ed. 1665. Of Skt. origin; from Skt. *rājā*, nom., a king; from the stem *rājan*, a king. The Skt. *rājan* is allied to L. *rex*; see *Regal*. See Yule and Stanford Dict.

**RAJPOOT**, a prince. (Hind.—Skt.) Hind. *rajput*, a prince, lit. the son of a rajah; Wilson, Gloss. of Indian Terms, p. 434. — Skt. *rāj-ā*, a king; *putra-*, a son; so that the lit. sense is 'son of a king.' See Yule and Stanford Dict.

**RAKE** (1), an instrument for scraping things together, smoothing earth, &c. (E.) ME. *rake*, Chaucer, C. T. 289 (A 287). AS. *raca*, to translate L. *rastrum* in Ælfrie's Gloss., l. 9. + Du. *rakel*, a dimin.

form; Dan. *rage*, a poker; Swed. *raka*, an oven-rake (with base *rak-*); allied to Icel. *reka*, a shovel, G. *rechen*, a rake (with base *rek-*). **β.** From the notion of collecting or heaping up. The root appears in Goth. *rikan* (Teut. type *\*rekan-*, pt. t. *rak*), to collect, heap up, Rom. xii. 20. Perhaps allied to L. *rog-us*, a funeral pile. **Der.** *rake*, verb, from Icel. *raka*, to rake.

**RAKE** (2), a wild, gay, dissolute fellow. (E.) 'A gay, dissipated rake;' Sheridan, Duenna, ii. 3. First in 1653. Abbreviated from *rake-hell*; which see in Nares. The latter is usually explained to be a 'corruption' of ME. *rakel*, rash; but the examples in the N. E. D. show that this is unfounded. And in fact *rake-hell* is really compounded of *rake* and *hell*. It arose from the phrase given in Udall, Apophthegmes of Erasmus, p. 116 b:—'Suche a feloe as a manne should *rake helle* for.' Hence it meant, as it were, the off-scouring of hell, i.e. one who is very wicked. See **Rake** (1) and **Hell**. **Der.** *rak-ish*, *rak-ish-ly*.

**RAKE** (3), the projection of the extremities of a ship beyond the keel; the inclination of a mast from the perpendicular. (Scand.) 'In sea-language, the *rake* of a ship is so much of her hull or main body, as hangs over both the ends of her keel;' Phillips, ed. 1710. Evidently from *rake*, to reach; Halliwell. Of Scand. origin; preserved in Swed. dial. *raka*, to reach; *raka fram*, to reach over, project; see *raka* (3) in Rietz. The Dan. *rage*, to project, protrude, jut out, is borrowed from G. *ragen*, to project; perhaps the Swed. word is the same.

**RAKEHELL**, a rascal. (E.) See **Rake** (2).

**RAKI**, arrack, spirits. (Turk.—Arab.) See Stanford Dict. Turk. *rāqī*, arrack.—Arab. *'araq*, arrack. See **Arrack**.

**RALLENTANDO**, in music, a direction to play slower; gradually. (Ital.—L.) Ital. *rallentando*, pres. part. of *rallentare*, to slacken, retard.—Ital. *re-*, again; and *allentare*, to slacken.—L. *re-*, again; *ad-*, to; and *lentāre*, to prolong, from *lentus*, slow. Cf. *relent*, q. v.

**RALLY** (1), to gather together again, reassemble. (F.—L.) Properly a trans. verb; also used as intransitive. Spelt *rallie* in Cotgrave. It stands for *re-ally*; and Spenser uses *re-allie* nearly in the same sense as *rally*; F. Q. vii. 6. 23.—F. *rallier*, 'to rallie;' Cot.—L. *re-*, again; *ad-*, to; and *ligāre*, to bind; see **Re-** and **Ally**. Cf. prov. F. *raller*, to rally, grow convalescent; dial. de la Meuse (Labourasse). ¶ The form *rely* in Barbour's Bruce, iii. 34, &c., is used in the same sense; and is the same word, with the omission of L. *ad*.

**RALLY** (2), to banter. (F.—Teut.) 'Rally, to play and droll upon, to banter or jeer;' Phillips, ed. 1710. He also gives: 'Rallery, pleasant drolling.' Here *rallery* is another form of *rallier*, and to *rally* is merely another form of *to rail*, which agrees more closely with F. *rallier*. See **Rail** (2).

**RAM**, a male sheep. (E.) ME. *ram*, Chaucer, C. T. 550 (A 548). AS. *ram*, *rom*, Grein; also *ramm*; Du. *ram*; OHG. *ramm*. Cf. Icel. *ramr*, strong. **Der.** *ram*, verb, to butt as a ram, hence to thrust violently forward, ME. *rammen*, Prompt. Parv., p. 422. Also *ramm-ish*, fetid, Chaucer, C. T. 16355 (G 887). Also *ram-rod*, *ramm-er*.

**RAMADAN**, a great Mohammedan fast. (Arab.) Spelt *Ramazān*, in Sandys, Trav., p. 56; see Stanford Dict. So called because kept in the ninth month, named *Ramadan*.—Arab. *Ramādān*, pron. *Ramazān* in Turkish and Persian. As it is in the ninth month of the lunar year, it may take place in any season; but it is supposed to have been first held in a hot season. The word implies 'consuming fire;' from the Arab. root *ramaḍa*, it was hot. See Devic and Richardson.

**RAMBLE**, to stray, rove, roam. (E.) The frequentative of a form *rame*; of which there are no clear traces. 'Rame, to gad about, to sprawl, to spread out too much;' Holderness Glossary (E. D. S.); but this is usually *ream* or *raum*. It does not occur till after 1600, though we find ME. *romblynge*, rambling, as a variant of *romynge*, roaming, in P. Plowman, C. vi. 11; cf. Shropsh. *romble*, to ramble. Hence it may have arisen as a frequentative of *roam*. 'Nor is this lower world but a huge Inn, And men the *rambling* passengers;' Howell, Poema, prefixed to his Familiar Epistles, and dated Jan. 1, 1641. And the pl. sb. *rambles* is in Butler, Hudibras, pt. iii. c. 2. 1016 (ed. Bell, vol. ii. p. 161, l. 34). The b is excrement; and *ram-b-le* is for *ramm-le*. 'Rammle, to ramble;' Whitby Glossary. ¶ Perhaps it has been somewhat influenced by the words *ramp* and *romp*; the metaphorical sense 'to wander in talk,' presents no difficulty. **Der.** *ramble*, sb., *rambl-er*, *rambl-ing*.

**RAMIFY**, to divide into branches. (F.—L.) 'To ramify and send forth branches;' Sir T. Browne, Vulg. Errors, b. ii. c. 5. part 6.—F. *ramifier*, 'to branch, put out branches;' Cot. Formed as if from L. *\*rāmificāre*; from *rāmi-*, for *rāmus*, a branch; and *-ficāre*, due to *facere*, to make. **β.** Probably *rāmus* = *\*urad-mus*; allied to Gk. *ράδμνος*, a young branch; and to L. *rūdi-*; Brugmann, i. § 529.

**Der.** *ramific-at-ion* (as if from L. *\*rāmificāre*, whence sb. *\*rāmificā-tio*). Also (from L. *rām-us*) *ram-ous*, *ram-ose*, *ram-e-ous*.

**RAMP**, to leap or bound, properly, to climb, scramble, rear. (F.—Teut.) 'Ramp, to rove, frisk or jump about, to play gambols or wanton tricks;' Phillips, ed. 1706; and in Palsgrave. Not much used, except in the deriv. *rampant*. ME. *rampen*, used by Chaucer in the sense 'to rage, be furious with anger;' C. T. 13910 (D 3094). Cf. mod. E. *romp*, which is the same word. Gower uses *rampend*, rearing, said of a dragon, in the same way as the F. pp. *rampant*; C. A. iii. 74; bk. vi. 2182. Cf. Prick of Conscience, 2225.—F. *ramper*, 'to creep, run, crawl, or traile itself along the ground; also, to climb;' Cot. **β.** From a Teut. source. Cf. Bavarian *rampfen*, explained by Schmeller, ii. 96, by the G. *raffen*, to snatch. Scheler, following Diez, says that the old sense of F. *ramper* was to clamber, preserved in mod. F. *rampe*, a flight of steps; and that it is allied to Ital. *rampa*, a claw, grip, *rampare*, to claw, and *rampo*, a grappling-iron. **γ.** The Ital. *rampare* (appearing in Prov. in the form *rapar*) is, according to Diez, a nasalised form of *rappare*, only used in the comp. *arrappare*, to snatch up, carry off, seize upon; and the base is Teut. *RAP*, to be in haste, found in Low G. *rappen*, to snatch hastily (Bremen Wörterbuch), Dan. *rappe*, to hasten, make haste, Dan. *rap*, quick, Swed. *rappa*, to snatch, *rapb*, brisk, G. *raffen*, to snatch; see **Rape** (1). **δ.** But Körtling derives Ital. *rampa*, a grip, from Low G. *ramp* (Lübben), Bavar. *rampf*, a cramp, seizure; which is allied to OHG. *rampf*, 2nd grade of OHG. *rimpfan*, to cramp. Cf. **Ripple** (2), **Skimble**. **Der.** *ramp-ant*, chiefly used of a lion rampant, as in Skelton, Against the Scottes, 135, from F. *rampant*, pres. part. of *ramper*; hence *rampant-ly*, *rampant-y*.

**RAMPART**, a mound surrounding a fortified place. (F.—L.) We frequently find also *rampire*, *rampier*, or *ramper*. Spelt *rampyre*, Tottell's Miscellany, ed. Arber, p. 172, l. 18 (Assault of Cupid, st. 5); *rampart*, Gascoigne, Fruites of Warre, st. 45. *Rampire* stands for *rampar* (without the final t).—MF. *rempart*, *rempar*, 'a rampier, the wall of a fortress;' Cot. Cf. *remparer*, 'to fortifie, enclose with a rampier;' id. **β.** The OF. *rempar*, *rampar* (Supp. to Godefroy), is the true form; in *rempart*, the t is excrement. *Rempar* corresponds (nearly) to Ital. *riparo*, a defence, and is a verbal sb. from *remparer*, to defend, answering (nearly) to Ital. *riparare*, to defend. **γ.** F. *remparer* is 'to put again into a state of defence;' from *re-*, again, *em-* for *en*, in, and *parer*, to defend, borrowed from Ital. *parare*, which is from L. *parāre*, to prepare, make ready. The Ital. *riparare* is the same word, with the omission of the preposition. See **Re-**, **Em-**, and **Parry**.

**RAMPION**, a species of bellflower, sometimes used for salads. (F.—L.?) In Tusser's Husbandrie; § 40. Apparently evolved from *rampions*, which was taken to be plural.—F. *raiponce*, 'rampions;' Cot. The m may have been suggested by the Ital. *ramponzoli*, pl. (Florio). Kluge, s. v. *rapunzel*, cites Late L. *rapuncium*, which he connects with L. *rāpa*, a turnip. So also in Körtling, § 7759. Hatzfeld thinks the connexion with *rāpa* unlikely.

**RAMSONS**, broad-leaved garlic. (E.) For *hramsons*. 'Allium ursinum, broad-leaved garlic, ramsons;' Johns, Flowers of the Field. *Ramsons* = *rams-en-s*, a double pl. form, where *-en* represents the old AS. plural, as in E. *ox-en*, and *-s* is the usual E. plural-ending. We also find ME. *ramsis*, *ramzys*, *ramseys*, Prompt. Parv. p. 422; and Way says that Gerarde calls the *Allium ursinum* by the names 'ram-sies, ramsons, or buckrams.' Here again, the suffixes *-is*, *-eys*, *-ies* are pl. endings. AS. *hramsan*, ramsons; Gloss. to Cockayne, AS. Leechdoms; a pl. form, from sing. *hramsa*.+OLow G. *hramsa*, sing. (Gal-lée); Swed. *rams-lök* (*lök* = leek), bear-garlic; Dan. *rams*, or *rams-lög* (*lög* = leek); Bavarian *ramsen*, *ramsel* (Schmeller); Lithuan. *kermuszė*, *kermuszis*, wild garlic (Nesselmann). Further allied to Gk. *κρόμμυον*, an onion, Irish *creamh*, garlic, W. *craf*; Stokes-Fick, p. 98; Brugmann, i. § 647. All from an Idg. base *\*krem-* (*\*krom-*).

**RANCH**, **RANCHO**, a cattle-breeding farm. (Span.—Teut.) *Ranch* is the Anglicised form of Span. *rancho*, a mess, a set of persons who eat together; applied in America to the *ranchos*, or rude huts for herdsmen to lodge and mess together. Minshew gives Span. *rancho* with the sense of 'a ranke, an order or place where euery one is to keep or abide;' mod. *rancheria*, 'a cottage where labourers mess.' Allied to F. *rang*; see **Rank** (1). From OHG. *hring*, a ring; also (like Span. *rancho*) a clear space in the midst of a ring of people. So in Körtling, § 8088. See my Notes on E. Etym., p. 241.

**RANCID**, sour, having a rank smell. (L.) A late word; in Bailey, vol. i. ed. 1735; first found in 1646.—L. *rancidus*, *rancid*.—L. *\*rancēre*, to stink; only used in the pres. part. *rancens*, stinking. ¶ This word has probably influenced the sense of the E. adj. *rank*; see **Rank** (2). **Der.** *rancid-ly*, *-ness*; also *ranc-our*, q. v.

**RANCOUR**, spite, deep-seated enmity. (F.—L.) ME. *rancour*, Chaucer, C. T. 2786 (A 2784).—OF. *rancour*, 'rankor,

hatred; Cot.—L. *rancōrem*, acc. of *rancor*, spite, orig. rancidness. —L. *\*rancēre*, to be rancid; see **Rancid**. Cf. Norm. dial. *rancaur* (Moisy). Der. *rancor-ous*, *rancor-ous-ly*.

**RANDOM**, done or said at hazard, left to chance. (F.—Teut.) The older form is *randon*, or *randoun*; and the older sense is 'force,' impetuosity, &c., the word being used as a sb. It was often used with respect to the rush of a battle-charge, and the like. 'Kyng and duyck, eorl and baroun Prikid the stedis with gret *randoun*;' King Alisaunder, l. 2483. It often formed part of an adverbial phrase, such as *in a randoun*, in a furious course, Barbour's Bruce, vi. 139, xvii. 694, xviii. 130; *intill a randoun*, id. xix. 596; *in randoun richt*, with downright force, id. v. 632. So also at *randon*, orig. with rushing force, hence, left without guidance, left to its own force, astray, &c. 'The gentle lady, loose at *randon* leste, The greene-wood long did walke, and wander wide At wilde adventure, like a forlorne wofle;' Spenser, F. Q. iii. 10. 36. [The change from final *-n* to *-m* may have been due to the influence of *whilom*, *seldom*; so also *ransom*.]—OF. *randon*, 'the swiftnesse and force of a strong and violent stream; whence *aller à grand randon*, to goe very fast, or with a great and forced pace;' Cot. Thus the E. adv. at *random* answers to F. *à randon*. β. A difficult word; Diez compares OF. *randir*, to press on, Span. *de rendon*, *de rondon*, rashly, intrepidly, abruptly (nearly like E. at *random*), OF. *randonner*, 'to run swiftly, violently,' Cot., and refers them all to G. *rand*, an edge, rim, brim, margin. Hence also Ital. *a randa*, near, with difficulty, exactly; of which the lit. sense is 'close to the edge or brim,' Span. *randa*, lace, border of a dress. γ. The difficulty is in the connexion of ideas; but Cotgrave really gives the solution, viz. that *randon* refers to the force of a *brimming* river. Whoever has to cross a mountain-stream must feel much anxiety as to whether it is full or not; at one time it is a mere rill, a few hours later its force sweeps all before it. This common and natural solution is probably the right one. Cf. G. *bis am rande voll*, full to the brim; *am rande des Todes*, on the brink of death, at death's door; *eine sache zu rande bringen*, to bring a thing to the brim, to fulfil or accomplish it. So also OF. *sang respandus à gros randons*, blood shed 'by great gushes, or in great quantity,' Cot.; lit. in brimming streams. δ. The G. *rand* is cognate with AS. *rand*, rim, rim of a shield, verge (Grein), Icel. *rönd*, a rim, border, Dan. *rand*, a rim, streak, Swed. *rand*, a stripe; all from a Teut. base *\*rand-*, Idg. *\*ram-t-* (Kluge); allied to **Rim** and to **Rind**. Cf. prov. G. *ranft*, a crust, a margin (Flügel); OHG. *ramft*, rind.

**RANEE, RANI**, a Hindoo queen. (Hind.—Skt.) Hind. *rānī*, queen (Forbes).—Skt. *rājñī*, queen; fem. of *rājā*, king. See Yule. See **Rajah**.

**RANGE**, to rank, or set in a row, to set in order, to rove. (F.—OHG.) The sense of 'to rove' arose from the scouring of a country by small troops or ranks of armed men; the orig. sense is 'to set in a rank,' to array. ME. *rengen* (corresponding to OF. *renger*, the form used in the 14th cent., according to Littré), Rob. of Brunne, p. 40, l. 26. 'The helle liun *rengeth* euer abuten' = the lion of hell is always *ranging* (roving) about; Ancrén Riwe, p. 164. Also *ringen*: 'rangit all on raw,' arrayed all in a row; Barbour, Bruce, xi. 431.—F. *ranger* (OF. *ranger*, *renger*), 'to range, rank, order, array;' Cot.—F. *rang*, 'a ranke,' id. See **Rank** (1). Der. *range*, sb., Antony, iii. 13. 5. Also, *rang-er*, esp. one who ranges a forest, Minshew, ed. 1627 (see his explanation); *rang-er-ship*.

**RANK** (1), row or line of soldiers, class, order, grade, station. (F.—OHG.) Spelt *rank*, Spenser, F. Q. iii. 6. 35 (the verb to *rank* is in the same stanza). [The ME. form is *reng*, Chaucer, C. T. 2596; also *renk*, St. Brandan, ed. Wright, p. 12 (Stratmann); see *reng* in Stratmann. *Reng* became *renk*, altered afterwards to *rank* in accordance with a similar change made in the F. original.]—OF. *reng*, later *rang*, 'a ranke, row, list, range;' Cot. He gives both forms; and Godefroy (in Supp.) has *renc*, *reng*, *rang*. Scheler gives the Picard form as *ringue*, Prov. *renc*.—OHG. *hring* or *hrinc*, a ring; cognate with E. **Ring**, q.v. And see **Harangue**. The sense changed from 'ring' of men to a 'row' of men, or a file irrespective of the shape in which they were ranged. The Bret. *renk* is borrowed from OF., and the other Celtic forms from F. or E. The G. *rang* is borrowed back again from F. *rang*. Der. *rank*, verb (Spenser, as above); also *range*, q.v.; also *ar-range*, *de-range*.

**RANK** (2), adj., coarse in growth, very fertile, rancid, strong-scented. (E.) The sense 'rancid' or 'strong-scented' is late, and perhaps due to association with L. *rancidus*, E. *rancid*, or with OF. *rance*, 'musty, fusty, stale,' Cot.; but the sense may have been developed independently of this. 'As *rank* as a fox;' Tw. Night, ii. 5. 136. ME. *rank*, *rouk*. 'Rouk and ryf;' Allit. Poems, ed. Morris, A. 843 (or 844). Often with the sense of 'proud' or 'strong;' thus *rouke* is a various reading for *strouge*, Ancrén Riwe, p. 268, note c. AS. *ranc*, strong, proud, forward; Grein, ii. 363.+

Du. *rank*, lank, slender (like things of quick growth); MDu. *ranck*, slender; Low G. *rank*, slender, grown high; whence (perhaps), NFries. *rank*, Icel. *rakkr* (for *\*rankr*), straight, slender; Swed. *rank*, long and thin; Dan. *rank*, erect. β. Perhaps allied to OSax. *rink*, AS. *rinc*, a grown man, a warrior (N. E. D.). Apparently from *\*renk*, nasalised form of *\*rek*, to stretch out; see **Rack** (2).

**RANKLE**, to fester. (F.—L.—Gk.) In Levins; spelt *rankyll* in Palsgrave. It is rare in ME., but appears in Sir Beves of Hamptoun, ed. Kölbing, 2832; also in the Boke of St. Alban's, fol. a 3, back: 'make the legges to *rankle*.' The corresponding AF. verb is *rancier*; the f. pp. *ranclee*, festered, occurs in the Life of Edw. Confessor, 4166; whence *aranclee*, putrefied, in the same, 2615. The verb is formed from the sb. *rancle*, a festering sore, Reliq. Antiq. i. 52; from AF. *rancle*, Edw. Conf. 2677.—OF. *rancle*, *rauncle*, forms which have lost an initial *d*. Godefroy gives *drauncle*, *rauncle*, *drancle*, *rancle*, an eruption on the skin; and the verb *drauncler*, *rancler*, to suppurate, rankle.—Late L. *dracunculus*, a kind of ulcer or cancer; lit. 'little dragon;' called also *dranculus morbus* (Ducange), as dragons were thought to be venomous. Dimin. from L. *draco*, a dragon; see **Dragon**. See my Notes on E. Etym., p. 243. Corblet gives the Picard *drauncler*, to fester, and its etymology.

**RANSACK**, to search thoroughly. (Scand.) ME. *ransaken*, Chaucer, C. T. 1007 (A 1005); Genesis and Exodus, ed. Morris, 2323.—Icel. *ransaka*, to search a house, to ransack; Swed. *ransaka*, Dan. *ransage*.—Icel. *rann*, a house, abode; and *-saka*, allied to *sækja*, to seek. β. The Icel. *rann* stands for *rasn*, by the assimilation so common in Icelandic; and is cognate with Goth. *razn*, a house, AS. *ærn*, a cot; from Teut. base *\*ras*, to dwell; see **Rest** (1). Icel. *sækja* is cognate with AS. *sēcan*, to seek; see **Seek**. Cf. Guernsey and Norm. dial. *ransaquer*, Gael. *ransaich*; from Scand. ¶ Not connected with AS. *rān*, Icel. *rān*, plunder, which is quite different from Icel. *rann*.

**RANSOM**, redemption, price paid for redemption, release. (F.—L.) ME. *ransoun*, *raunson*, Chaucer, C. T. 1178 (A 1176). The change from final *n* to final *m* is not uncommon; cf. *random*. Spelt *raunson*, Ancrén Riwe, p. 124, l. 24.—OF. *raenson* (12th cent., Littré), MF. *rangon*, 'a ransome,' Cot.—L. *redemptiōnem*, acc. of *redemptio*, redemption, by the usual loss of *d* between two vowels and preceding an accented syllable. See **Redemption**. Der. *ransom*, vb.; *ransom-er*. Doublet, *redemption*.

**RANT**, to use violent language. (Du.) In Hamlet, v. 1. 307. Also in the form *rand*; as in Marston, Malcontent, iv. 4.—MDu. *ranten*; 'randen, or ranten, to dote, or to be enraged;' Hexham. Cf. Low G. *randen*, to attack any one, to call out to one; Westphal. *rantern*, to prate; prov. E. *randy*, wild, unmanageable, mad. +G. *ranzen*, to toss about, to make a noise, to couple (as animals). Root uncertain. Der. *rant-er*.

**RANTIPOLE**, a romping child. (MDu. or Low G.) See E. D. D. First known in 1700 (N. E. D.). The word is a mere variant of *frampold*. The former element appears in EFries. *urante-pot*, also *frante-pot*, a peevish man; cf. MDu. *uranten*, to chide, MDu. *urantigh*, quarrelsome. The second element is prob. E. *poll*, head. See **Frampold**. *Rantipole* also means a see-saw (E. D. D.); the second element is then prob. E. *pole*.

**RANUNCULUS**, a genus of plants, including the buttercup. (L.) In Evelyn's Diary, Apr. 1, 1644.—L. *rānunculus*, a little frog; also, a medicinal plant. Formed with double dimin. suffix *-cu-lu-s* from *rān-un-*, extended from *rāna*, a frog.

**RAP** (1), to strike smartly, knock; as sb., a smart stroke. (E. or Scand.) 'Rappe, a stroke;' Palsgrave. ME. *rap*, sb., *rappen*, vb., Prompt. Parv. Cf. Dan. *rap*, a rap, tap; Swed. *rapp*, a stroke, blow; *rappa*, to beat; G. *rappeln*, to rattle. From a base RAP, allied to RAT, the base of *ratt-le*; of imitative origin. Cf. *rat-a-tat-tat*, a knocking at a door. Der. *rapp-er*.

**RAP** (2), to snatch, seize hastily. (Scand.; partly L.) There is some confusion in the forms and senses. α. The ME. *rappen*, to hasten, is obsolete. It occurs in P. Plowm. A. iv. 23: 'rappynge swipe,' hastening greatly; related to Dan. *rappe sig*, to make haste, Swed. *rappa sig*; and to Swed. *rapp*, quick, swift. Allied to Icel. *hrapa*, MSwed. *rapa*, to hasten; whence ME. *rapen*, as in 'rape he to shrifte,' hasten to confession; P. Plowm. B. v. 399; which is also obsolete. β. We also find the allit. phrase *rappe* and *rende*, to snatch up and carry off, as in Roy, Rede Me, ed. Arber, p. 74; but Chaucer has *rape* and *renne*, C. T. G 1422. Here *rap* answers to Swed. *rappa*, to pilfer, allied to G. *rappen*, to snatch; but *rape* seems to correspond to AF. *raper*, *rappier*, to seize upon, carry off, which may be from L. *rapere*, to seize; see Godefroy. Palsgrave has: 'I *rappe*, I raunysshie;' also, 'I *rappe* or *rende*, je rapine.' γ. Shak. has: 'What, dear sir, thus *raps* you?' Cymb. i. 6. 51. Here the verb *rap* is almost certainly a back-formation from the

pp. *rapt* (from L. *raptus*, pp. of *rapere*, above); cf. 'How our partner's *rapt*!' Macb. i. 3. 142. See **Rapt**.

**RAPACIOUS**, ravenous, greedy of plunder. (L.) In Milton, P. L. xi. 258. 'Who more *rapacious*?' Cowley's Prose Works, ed. Lumby, p. 68, l. 10. A coined word, formed with suffix *-ous* from L. *rapāci-*, decl. stem of *rapax*, grasping. — L. *rapere*, to seize, grasp; see **Rapid**. Der. *rapacious-ly*, *-ness*; also *rapac-i-ty*, from F. *rapacité* 'rapacity,' Cot., which from L. acc. *rapacitatem*.

**RAPE** (1), a seizing by force, violation. (L.) Levins has: 'a *rape*, raptura, rapina;' and 'to *rape*, rapere.' Caxton has: 'murdre, *rape*, and treson;' Reynard the Fox, ed. Arber, ch. 33; p. 95. The word is apparently from L. *rapere*, to seize; whence AF. *rap*, sb., rape, Stat. Realm, i. 211 (and see Britton); cf. F. *rapt*, 'a violent snatching,' Cot. β. Perhaps affected by the (obsolete) ME. *rape*, haste, occurring in the old proverb '*ofte rap reweth*' = haste often repents, Proverbs of Hendyng, l. 256, in Spec. of Eng. ed. Morris and Skeat, p. 42. Chaucer accused Adam Scrivener of 'negligence and *rape*,' i.e. haste. And see King Horn, ed. Lumby, 1418; P. Plowman, B. v. 333; Gower, C. A. i. 296; bk. iii. 517. From Icel. *hrapa*, vb., to hasten; cf. *hrapaðr*, a hurry; Swed. *rapp*, Dan. *rap*, brisk, quick. See **Rap** (2). Der. *rape*, verb.

**RAPE** (2), a plant nearly allied to the turnip. (L.) ME. *rape*, Prompt. Parv. — L. *rāpa*, a turnip, rape; also spelt *rāpum*; whence also MF. *rave*, 'a rape;' Cot. + Gk. *ράπυς*, a turnip; cf. *ράπαβις*, a radish; Russ. *riepa*, a turnip; G. *rübe*. Der. *rape-oil*, *rape-cake*.

**RAPE** (3), a division of a county, used in Sussex. (E.) Still in use. It occurs in Arnold's Chron. (1502), ed. 1811, p. 181; and also in Domesday Book in the form *rap* (N. E. D.). It is prob. a native word. It cannot be borrowed from Icel. *hreppr*, a district, as suggested by Vigfusson. The spelling *rope*, occurring in 1380, suggests an AS. form *\*rāp*; so that a connexion with AS. *rāp*, a rope, is possible; cf. prov. E. *rope*, a measure, a rood (of land).

**RAPID**, swift. (F.—L.; or L.) In Milton, P. L. ii. 532, iv. 227. — F. *rapide*, 'violent;' Cot. [Or directly from Latin.] — L. *rapidum*, acc. of *rapidus*, rapid, quick; lit. snatching away. — L. *rapere*, to snatch. Brugmann, i. § 477. Der. *rapid-ly*, *-ness*; *rapid-i-ty*, from F. *rapidité* < L. acc. *rapiditatem*. And see *rap-ine*, *rav-age*, *rav-en* (2), *rav-ine*, *rav-ish*, *rapt-or-i-al*, *rapt-ure*, *rapt*.

**RAPIER**, a light, narrow sword. (F.) In Shak. Temp. v. 84. In A. D. 1579, 'the long foining *rapier*' is described in Bullein's Dialogue between Sorenesse and Chirurge as 'a new kynd of instrument;' see note in Ben Jonson's Every Man, ed. Wheatley, introd. pp. xlv, xlv. — F. *rapierre* (mod. F. *rapière*), 'an old rusty rapier;' Cot. β. Of unknown origin, see Scheler and Littré; but Mr. Wheatley's note shows that, in 1530, *la rapiere* was 'the spanische sworde;' see Supp. to Palsgrave, p. 908, l. 1. This makes it probable that Diez's solution (rejected by Littré) is right, and that *rapiere* is for *raspiere*, a name given in contempt, meaning a rasper or poker. Hence also 'a *proking-spit* of Spaine' means a Spanish rapier (Nares). So also mod. Prov. *raspiere*, *rapiero*, a rapier, an old sword (Mistral), allied to *raspo*, a rasp, a dough-knife (id.). Cf. Span. *raspadera*, a raker (Neuman), from *raspar*, to rasp, scrape, file, scratch; also *raspa*, a shoemaker's knife (Pineda), as well as a rasp; see **Rasp**.

**RAPINE**, plunder, violence. (F.—L.) In Shak. Titus, v. 2. 59. ME. *rapyne*, Hoccleve, De Regimine Principum, 4834. — F. *rapine*, 'rapine, ravine,' Cot. — L. *rapina*, plunder, robbery. — L. *rapere*, to seize; see **Rapid**. Doublet, *ravine*.

**RAPPAREE**, an Irish robber. (Irish.) 'The Irish formed themselves into many bodies . . . called *rapparees*,' &c.; Burnet, Hist. of Own Time, b. v. an. 1690 (R.). '*Rapparees* and banditti,' Bolingbroke, A Letter on Archbp. Tillotson's Sermon (R.). — Irish *rapaire*, a noisy fellow, sloven, robber, thief; cf. *rapal*, noise, *rapach*, noisy. So also Gael. *rapair*, a noisy fellow. All perhaps from E. *rabble*. See **Rabble**.

**RAPPEE**, a kind of snuff. (F.—OHG.) Not in Todd's Johnson. 'Tis good *rapee*;' Garrick, High Life below Stairs, A. i. Sc. 2. — F. *rapé*, lit. rasped; Littré quotes: 'J'ai du bon tabac . . . j'ai du fin et du *rapé*;' Lattaignant, Chanson. Pp. of *ra-per*, to rasp, of Teut. origin. See **Rasp**.

**RAPT**, carried away. (L.) '*Rapt* in a chariot drawn by fiery steeds;' Milton, P. L. iii. 522. Where Higden (i. 196) has 'a Iove *raptam*,' the 15th c. E. trans. has '*rapte* by Iupiter.' — L. *raptus*, pp. of *rapere*, to seize, snatch away; see **Rapid**. And see **Rap** (2).

**RAPTORIAL**, in the habit of seizing. (L.) Used of birds of prey. Formed with suffix *-al* (< L. *-ālis*) from *raptōri-*, decl. stem of *raptor*, one who seizes. — L. *rapere*, to seize; see **Rapture**, **Rapid**.

**RAPTURE**, transport, ecstasy. (L.) In Shak. Troil. ii. 2. 122; iii. 2. 138. The word seems to be a pure coinage; there is no

F. *rapture*, nor Late L. *raptūra*. Formed with suffix *-ure* (as in *conject-ure*, &c.) from *rapt-us*, pp. of *rapere*, to seize; see **Rapid**. Der. *raptur-ous*, *raptur-ous-ly*.

**RARE**, thin, scarce, excellent. (F.—L.) In Levins, ed. 1570. — F. *rare*, 'rare;' Cot. — L. *rārum*, acc. of *rārus*, rare. Cf. Gk. *ἀραιός*, thin. Der. *rare-ly*, *rare-ness*. Also *rari-fy*, from MF. *rarefier*, 'to rarify,' Cot., as if from L. *\*rāreficāre*, but the classical L. word is *rārefacere*, from *facere*, to make. Also *rarefact-ion*, from F. *rarefaction*, 'a making thin,' Cot. < L. acc. *\*rārefactiōnem*, from *rārefacere*. Also *rari-ty*, Temp. ii. 1. 58, from F. *rarité*, 'rareness, rarity,' Cot., from L. acc. *rāritatem*.

**RASCAL**, a knave, villain. (F.) ME. *raskaille*, used collectively, 'the common herd,' Morte Arthur, ed. Brock, 2881. See Prompt. Parv., and Way's note. 'The route of *rascaille*,' i.e. the rabble; Rob. of Brunne, tr. of Langtoft, p. 276. 'Certain animals, not accounted as beasts of chace, were so termed; . . . the hart, until he was six years old, was accounted *rascaille*;' Way. He also cites: '*plebecula*, lytell folke or *raskalle*; *plebs*, folk or *raskalle*.' Cf. '*Rascall*, refuse beast;' Palsgrave. β. As the word was a term of the chase, and as it has the F. suffix *-aille*, it must needs be of F. origin. — AF. *rascaille*, Gaimar, 1826; AF. *raskayle*, rabble, Langtoft, i. 136 (F. *rascaille*); OF. *rascaille*, *rescaille* (Supp. to Godefroy); 'the rascality or base and rascall sort, the scumme, dregs, offals, outcasts, of any company,' Cot. γ. Of unknown origin; but the form *rescaille* suggests a comparison with mod. Prov. *rascala*, *rescala*, *rascalha* (Mistral), to take off the inner skin of the chestnut, i.e. to 're-scale;' as if it were a sb. formed from OF. *re-*, again, and *escaille*, a scale (F. *écaille*). Hatzfeld, s. v. *écaille*, notes that this is a Normanno-Picard form. Cf. **Scale** (1). Moisy gives Norm. *écaler*, to shell oysters, to break or tear to pieces. The sense of 'fragments' or 'second scalings' would be appropriate; in fact, we find ME. '*rascaly*, or refuse, *Caducum*,' in Prompt. Parv., and mod. F. *racaille*, trash, rubbish. Der. *rascal-ly*, *rascal-i-ty*.

**RASE**, to scrape, efface, demolish, ruin. (F.—L.) Often spelt *raze*, esp. in the sense to demolish; but it makes no real difference. See **Raze**. ME. *rasen*, to scrape; Prompt. Parv. — F. *raser*, 'to shave, sheere, raze, or lay levell, to touch or grate on a thing in passing by it,' Cot. — Late L. *rāsāre*, to demolish, graze; frequentative verb formed from *rāsūm*, supine of L. *rādere*, to scrape. Allied to *rōdere*, to gnaw. — √**RAD**, to scratch; cf. Skt. *rad*, to split, divide, *rada-s*, a tooth. Fick, i. 739. Der. *ras-ure*, from F. *rasure*, 'a razing out,' Cot.; *ab-rade*; *e-rase*, q. v., *e-ras-ure*; *ras-or-i-al*, q. v.; *raz-or*, q. v.; *rash* (2), q. v. And see *rodent*, *rat*. Doublet, *raze*.

**RASH** (1), hasty, headstrong. (E.) ME. *rcsch*, *rasch*, Allit. Poems, ed. Morris, A. 1166 (or 1167). The final *-sch* suggests as AS. form *\*rasc*, with AS. *sc* = Scand. *-sk*, as usual. + Dan. and Swed. *rask*, brisk, quick, rash; Icel. *röskr*, vigorous; Du. *rasch*, quick; G. *rasch*, quick, vigorous, rash; NFries. *radsk*, quick. Brugmann, i. § 795, connects this word with OHG. *rado*, AS. *raðe*, quickly. Der. *rash-ly*, *-ness*; perhaps *rash-er*. Cf. *rush* (2).

**RASH** (2), a slight eruption on the body. (F.—L.) In Johnson's Dict. 'A pimple or a *rash*;' Tatler, no. 38, § 11. — MF. *rasche*, 'a scald, or a running scurfe, or sore; a Languedoc word,' Cot.; also spelt *rasque*. F. *rache*, an eruption on the head, scurf (Littré). Cf. Prov. *rasca*, the itch (Littré). So called because it is scratched; cf. Prov. *rascar*, Span. *rascar*, to scratch, scrape, formed from a Late L. type *\*rāscāre*, to scratch, due to L. *rāsūm*, supine of *rādere*, to scrape. See **Rase**.

**RASH** (3), to pull, or tear violently. (F.—L.) '*Rash*, to snatch or seize, to tear or rend;' Halliwell. 'The second he took in his arms, and *rashed* him out of the saddle;' Arthur of Little Britain, ed. 1814, p. 83 (R.). Cf. ME. *aracen*, afterwards shortened to *racen*. 'The children from hir arm they gonne *arace*,' i.e. tore away; Chaucer, C. T. 8979 (E 1103). 'Hur heere of can she *race*' = she tore off her hair (Halliwell, s. v. *race*). — F. *arracher*, 'to root up, to pull away by violence,' Cot. — L. *extrādicāre* = *ērādicāre*, to root up; see **Eradicate**, **Radix**.

**RASH** (4), a kind of inferior silk. (F.—L.) See exx. in Nares. Adapted from F.; with *sh* for *s*. — MF. *ras*, 'the stuffe called serge.' [The same as Ital. *raso*, 'the stuffe called sattine; also shauen, smooth;' Florio.] Named from its smoothness. — F. *ras*, 'shaven;' Cot. — L. *rāsus*, pp. of *rādere*, to scrape. See **Rase**. ¶ Not from Ital. *rascia*, which Florio (perhaps wrongly) explains to mean 'silke rash;' see N. E. D.

**RASHER**, a thin slice of broiled bacon. (E.?) In Shak. Merch. Ven. iii. 5. 28. '*Rasher* on the coales, *quasi* rashly or hastily roasted;' Minshen, ed. 1627. This etymology is prob. the right one; cf. '*rashed*, burnt in cooking, by being too hastily dressed,' Halliwell; and see his examples. 'In my former edition of Acts and Monuments, so hastily *rashed* vp at that present, in such shortnesse of

time; 'Foxe, Martyrs, p. 645, an. 1439 (R.). See **Rash** (1). **β**. If it meant 'slice,' it is from *rash*, v., to cut, variant of **Raso**, q. v.

**RASORIAL**, the name of a family of birds. (L.) It includes birds which, like hens, scrape the ground for food. Coined with suffix *-al* (= L. *-ālis*) from *rāsōri*, decl. stem of *rāsor*, one who scrapes; see **Razor**.

**RASP**, to scrape, rub with a coarse file. (F.—OHG.) ME. *raspen*, Allit. Poems, ed. Morris, B. 1545.—OF. *rasper*, mod. F. *raïper*, to rasp.—OHG. *raspōn*, whence mod. G. *raspeln*, to rasp, a frequentative form. Cf. OHG. *hrespan*, MHG. *respen*, to rake together. Der. *rasp*, sb.; *rasper*; and perhaps *rapier*. Also *raspberry*, q. v.

**RASP-BERRY**, a kind of fruit. (F.—OHG.; and E.) The word *berry* is E.; see **Berry**. The old name was *raspis-berry* or *raspise-berry*; see Richardson. '*Raspo*, a fruit or beric called *raspise*;' Florio. '*The raspis* is called in Latin *Rubus Idæus*;' Holland, tr. of Pliny, b. xxiv. c. 14; the chapter is headed: 'Of Cynosbates, and the *raspice*.' 'Ampes, *raspises*;' Cot. **β**. *Raspice*, *raspise* may have been due to MF. *raspeux*, 'rough as a raspe,' Cot.; but this should have given a form *raspous*. But the word was evidently confused with the forms *raspise*, *raspice*, *respice*, which was the name of a thin wine; spelt *respice* in The Squire of Low Degree, 756. **γ**. This is also a difficult form, but answers to Late L. *raspecia*, *raspis-wine*, in Ducange; closely allied to Late L. *raspetum*, and to OF. *raspé*, *raspeit*, with the same sense, in Supp. to Godefroy; cf. Span. *vinu raspado*, 'a small liquor made by putting water to the grapes after the wine is pressed out, and pressing them over again;' Pineda. All from Late L. *raspa*, a grape (properly, pressed grapes); cf. OF. *raspe*, pressed grapes (Supp. to Godefroy). The connexion with E. *rasp* is shown by the Prov. *raspa*, to rasp, to scrape the ground, to glean grapes (Mistral). Hence this form *raspise* also goes back to the verb to *rasp*. **δ**. Lastly, *raspise* became *raspis*, *raspes*, and was taken to be a pl. form, whence *raspe*, *rasp*. Indeed, the prov. E. name for *rasp-berries* is *rasps*, to this day; and *raspes* is used by Bacon, Essay 46. The Ital. *raspo* also means a rasp. See **Rasp**.

**RAT**, a rodent quadruped. (E.) ME. *rat*; or *ratte*, P. Plowman, B. prol. 200. AS. *rat*, Ælfric's Gloss., Nomina Ferarum; in Wright's Voc. p. 22, col. 2. +MDu. *ratte*, 'a ratt'; Hexham; Du. *rat*; Dan. *rotte*; Swed. *råtta*; G. *ratte*, *ratz*. Cf. also Low L. *ratus*, *rato*, Ital. *ratto*, Span. *rato*, F. *rat*. Also Irish and Gael. *radan*, Bret. *raz*. **β**. Perhaps from ✓**RAD**, to scratch; see **Rodent**. Cf. Skt. *rada-s*, a tooth, elephant; *vajra-rada-s*, a hog. Der. *rat*, verb, to desert one's party, as rats are said to leave a falling house. Also *rat's-bane*, *ratten*.

**RATAFIA**, the name of a liquor. (F.—Malay.) In Congreve, Way of the World, i. 1. See Stanford Dict. '*Ratafia*, a delicious liquor made of apricocks, cherries, or other fruit, with their kernels bruised and steeped in brandy;' Phillips, ed. 1710.—F. *ratafia*, the same; cf. F. *tafia*, rum-arrack. The etymology is perhaps that pointed out in Mahn's Webster.—Malay *araq*, 'arrack, a distilled spirit,' Marsden's Dict., p. 5; and *tāfia*, 'a spirit distilled from molasses (the French name for rum); *araq bram tāfia*, three kinds of spirit, enumerated in an old Malayan writing,' id. p. 65. Again, at p. 39 of the same we find *araq bram tāfia*, arrack, bram, and rum. Omitting *bram*, we have *araq tāfia*, whence *ratafia* is an easy corruption, esp. when it is remembered that *araq* is also called *raq*, in Spanish *raque*, or in English *rack*; see **Rack** (5). **β**. The use of *both* words together is explicable from the consideration that *araq* is a very general term, and is not a true Malay word, being borrowed from Arabic; see **Arrack**. Thus *ratafia* may mean 'the rack (spirit) called *tafia*.'

**RATCH**, a rack or bar with teeth. (G.?) '*Ratch*, in clock-work, a wheel with twelve large fangs,' &c.; Phillips, ed. 1710. It is the wheel which makes the clock strike. It seems to answer to G. *ratsche* (N. E. D.). Weigand gives G. *ratsche*, a watchman's rattle, also, a clapper used during Passion Week instead of a bell in a clock-tower. From the verb *ratschen*, to rattle, MHG. *ratzen*, allied to G. *raßeln*, to rattle, and to E. *rattle*; a verb of imitative origin. The Low G. *ratsch* means 'the sound made by tearing a thing forcibly.' Cf. Bavarian *rätschen*, to rattle, &c. in Schmeller. Hence also the dimin. *ratch-et*, in watch-work, 'the small teeth at the bottom of the fusee or barrel that stop it in winding up' (Phillips); but here the *-et* is clearly due to the F. word *rochet*, as in *la roue à rochet*, the ratchet-wheel of a clock (Hatzfeld); this is a different word, and cognate with Ital. *rochetto*, a bobbin to wind silk on, a rocket or squib, the wheel 'about which the cord or string of a clock goeth,' Torriano. From OHG. *rocco*, G. *rocken*, a distaff; see **Rock** (3) and **Rockot**.

**RATE** (1), a proportion, allowance, standard, price, tax. (F.—L.) In Spenser, F. Q. iv. 8. 19.—OF. *rate*, price, value (Roquefort); not

in Cotgrave.—L. *rata*, fem. of *ratus*, determined, fixed, settled, pp. of *reor*, I think, judge, deem. Both *ration* and *rata* occur as sbs. in Late L. Cf. Brugmann, i. § 200. Der. *rate*, verb; *rat-able*, *rat-ably*, *rat-able-ness*, *rate-payer*. And see *ratio*, *ration*, *reason*, *rat-i-fy*.

**RATE** (2), to scold, chide. (F.—L.) In Shak. Merch. Ven. i. 3. 108. Sometimes supposed to be a peculiar use of the word above, as though to *rate* meant to *tax*, and so to chide. But, if this were so, we should expect to find *rate*, to value, in earlier use; whereas, on the contrary, the present word is the older of the two, being found in the 14th century. Palsgrave distinguishes between 'I *rate* one, I set one to his porcyon or stynte,' and 'I *rate* or chydle one.' ME. *raten*, to chide; 'He shal be *rated* of his studying' = he shall be scolded for his studying, Chaucer, C. T. 3463. Moreover, we find the fuller form *araten*, to reprove; see P. Plowman, B. xi. 98; 'rebuked and *arated*,' id. xiv. 163.—OF. *aratter*, variant of *areter*, to accuse (Godefroy); also *rater*, variant of *reter*, *repter*, to accuse, blame (id.).—L. *\*adrepūtāre*; from *ad*, to (prefix), and *repūtāre*, to repute, which in Late L. meant to impute to, ascribe to (Lewis). See **Repute**.

**RATH**, early, **RATHER**, sooner. (E.) *Rather*, sooner, earlier, is the comp. form of *rath*, soon, now obsolete. We also find *rathest*, soonest. ME. *rath*, early, ready, quick, swift, *rathe*, adv., soon; comp. *rather*; superl. *rathest*, soonest. 'Why rise ye so *rathe*?' = why rise ye so early, Chaucer, C. T. 3766 (A 3768). The word has lost an initial *h*, and stands for *hrath*. AS. *hraðe*, adv., quickly, comp. *hraðor*, superl. *hraðost*; from the adj. *hræð*, *hrœð*, also written *hræd*, *hred*, quick, swift, Grein, ii. 99, 100. +Icel. *hraðr*, swift, fleet; MHG. *hrad*, quick; (perhaps) Du. *rad*, swift.

**RATIFY**, to sanction, confirm. (F.—L.) In Levins; and in Skelton, Colin Clout, 716. Spelt *ratyfy* in Palsgrave.—F. *ratifier*, 'to ratify;' Cot.—Late L. *ratificāre*, to confirm.—L. *rati*, for *ratus*, fixed; and *-ficāre*, for *facere*, to make. See **Rate** (1) and **Fact**. Der. *ratific-ation*.

**RATIO**, the relation of one thing to another. (L.) Mathematical; in Phillips, ed. 1706.—L. *ratio*, calculation, relation; cf. L. *ratus*, determined, pp. of *reor*, I think, deem. See **Rate** (1). Doublets, *ration*, *reason*.

**RATION**, rate or allowance of provisions. (F.—L.) In Phillips, ed. 1706.—F. *ration*, a ration; see Littré.—L. *rationem*, acc. of *ratio*, a calculation, reckoning; so that a *ration* is a computed share for soldiers, &c., according to the reckoning of their number; cf. *ratus*, determined; see **Rate** (1). Der. *ration-al*, reasonable, Minshew, ed. 1627, from F. *rational*, 'reasonable,' Cot.; hence, *ration-al-ly*, *ration-al-ise*, *-ism*, *-ist*, *-ist-ic*; *ration-al-i-ty*. Also *ratio-cin-at-ion*, Minshew, from F. *rationation*, 'a discoursing, discussion,' from L. *rationātionem*, acc. of *rationātio*, which from *rationārī*, to reckon, compute, a verb formed from the sb. *rationinūm*, a computation = *ratio-ci-ni-um*, formed by various suffixes from the base of *ratio*. Doublets, *ratio*, *reason*.

**RATLINES, RATLINS, RATTLINGS**, the small transverse ropes traversing the shrouds of a ship and forming a ladder. (F.?) '*Rare-lines* or *Rattlings*, in a ship, those lines with which are made the steps ladderwise to get up the shrouds,' &c.; Phillips, ed. 1710. But the old form was *raddelyne*, or *radelynyng* of the shroudes, Naval Accounts (1485–97), ed. Oppenheim, pp. 185, 277. Perhaps the same as prov. E. *raddlings*, or *raddles*, long rods twisted between upright stakes (which the *rattlins* resemble). *Raddle* appears to be the same word as *radyll*, the rail of a cart (Palsgrave). Perhaps from AF. *reidel*, OF. *ridelle*, *rudelle* (Supp. to Godefroy, s. v. *ridelle*), F. *ridelle*, 'raile of a cart,' Cot. **β**. The Du. word is *weeflijn*, i. e. weaving line or web-line, prob. because they cross the shrouds as if interwoven with them. *Rare-lines*, i. e. thin lines, is obviously a corruption.

**RATTAN**, a Malacca cane. (Malay.) In Sir T. Herbert, Travels, ed. 1665, p. 95. Spelt *rattoon* in Pepys, Diary, Sept. 13, 1660. See Stanford Dict. Spelt *ratān* in Todd's Johnson.—Malay *rōtan*, 'the rattan-cane, *Calamus rotang*;' Marsden's Dict., p. 152. Made of the peeled stem of a climbing palm.—Malay *rātut*, to peel, pare.

**RATTEN**, to take away a workman's tools for not paying his contribution to the trades' union, or for having offended the union. (F.—Late L.—Teut.) Modern; in Halliwell. The word was frequently used in connexion with Sheffield, where *ratten* is the local word for a rat. '*Ratten*, a rat;' Hunter's Hallamshire Glossary. The usual sense is 'to do secret mischief,' which is afterwards attributed to the *rattens* or *rats*. 'I have been *rattened*; I had just put a new cat-gut band upon my lathe, and last night the *rats* have carried it off;' Notes and Queries, 3 S. xii. 192; see E. D. D. **β**. The prov. E. *ratten* is the same as ME. *raton*, *ratoun*, a rat, P. Plowman, B. prol. 158.—F. *raton*, 'a little rat;' Cot.—Late L. *rationem*, acc. of *rato*, the same as *ratus*, a rat; a word of Teut. origin. See **Rat**.

**RATTLE**, to clatter, to make a din. (E.) For *hrattle*, initial *h*

being lost. ME. *ratelen*, Arthur and Merlin, 7858 (Stratmann). — AS. \**hrætelan*, only preserved in AS: *hrætele*, *hrætele*, or *hrætelwyr*, rattle-wort, a plant which derives its name from the rattling of the seeds in the capsules; A. S. Leechdoms, ed. Cockayne, iii. 333. + Du. *ratelen*, to rattle; *ratel*, a rattle; G. *rasseln*, to rattle; *rassel*, a rattle. β. The form of the word is frequentative; and the sense is 'to keep on making a noise represented by the syllable *hrat*,' this syllable being of imitative origin; allied to Gk. *κραδαίνειν*, to shake. Cf. *rat-a-tat-lat* as the imitation of a knock at a door. So also Gk. *κρότος*, a loud knock, *κροτεῖν*, to knock, make to rattle, *κροταλίζειν*, to rattle; *κρόταλον*, a rattle. Der. *rattle*, sb.; *rattle-snake*, a snake with a rattle at the end of its tail; in Capt. Smith's Works, ed. Arber, p. 955; also *rattle-traps*, small knick-knacks, from *traps* = goods; see *Trap* (2).

**RAUCOUS**, hoarse. (L.) Added by Todd to Johnson. — L. *raucus*, hoarse; by changing -us to -ous (as often). Allied to L. *rāuus*, hoarse, Skt. *ru*, to sound; cf. *Rumour*. Der. *rauc-ity*, Bacon, Nat. Hist. § 700.

**RAUGHT**, pt. t. and pp. of *Reach*, q. v.

**RAVAGE**, plunder, devastation, ruin. (F.—L.) The sb. is the more orig. word. Both sb. and verb are in Minshew, ed. 1627. — F. *ravage*, 'ravage, havoc, spoil,' Cot. Formed, with the usual suffix -age (<L. -aticum), from *rav-ir*, to bear away suddenly; the sb. *rav-age* was esp. used of the devastation caused by storms and torrents; see Littré. — Folk L. \**rapire*, for L. *rapere*, to seize, snatch, bear away; see *Ravish*. Der. *ravage*, vb., from F. *ravager*, 'to ravage,' Cot.; *ravag-er*.

**RAVE**, to be mad, talk like a madman. (F.—L.) ME. *raven*, Chaucer, C. T. 16427 (G 959). — OF. *raver*, cited by Diez (s. v. *réver*), as a Lorraine word; the derivative *ravasser*, 'to rave, to talk idly,' is given in Cotgrave, who also explains *resver* (F. *réver*) by 'to rave, dote, speak idly.' Godefroy has OF. *resver*, *raver*, *rever*, to stroll about, also to rave; cf. F. *râver*, dial. de la Meuse (Labourasse); mod. Prov. *rava*, to rave (Mistral). β. The word presents great difficulties; see *réver* in Diez and Scheler; but the solution offered by Diez is plausible, viz. that OF. *râver* is allied to Span. *rabi*, to rave, both verbs being formed from the Late L. and Span. *rabia*, rage, allied to L. *rabîs*, rage. From L. *rabere*, to rage. See *Rage*.

**RAVEL**, to untwist, unweave, entangle. (MDu.) The orig. sense has reference to the untwisting of a string or woven texture, the ends of the threads of which become entangled together in a confused mass. To *unravel* is to disentangle, to separate the confused threads. 'The *ravelled* sleeve [the entangled floss-silk] of care;' Mach. ii. 2. 37. To *ravel out* is hardly to disentangle (as in Schmidt), but rather to unweave. 'Must I *ravel out* My *weaved-up* folly;' Rich. II, iv. 228; cf. Hamlet, iii. 4. 186; and see examples in Richardson. 'To *rauell* or untwist;' Minshew, ed. 1627. — MDu. *ravelen*, 'to ravel, or cadgell,' Hexham; he also explains *verwerren* by 'to embroile, to entangle, to bring into confusion or disorder, or to cadgill.' The same as mod. Du. *rafelen*, EFries. *rafeln*, to fray out, to unweave; Low G. *reffeln*, to fray out, ravel, pronounced *rebeln* or *rebelln* in Hanover and Brunswick (Bremen Wörterbuch); Pomeranian *rabbeln*, *uprabbeln*, to ravel out; Low G. *rebbeln ut*, to ravel out (Danneil). We even find AS. *â-rafan*, to unravel; Gregory's Pastoral Care, ed. Sweet, p. 245, l. 22. Der. *un-ravel*.

**RAVELIN**, a detached work in fortification, with two embankments raised before the counterscarp. (F.—Ital.) 'In bulwarks, *rav'lins*, ramparts for defence;' Ben Jonson, Underwoods, xiii. On the Poems of Sir J. Beaumont, l. 4. — F. *ravelin*, 'a ravelin;' Cot. Cf. Span. *rebellin*, Port. *rebelim*, Ital. *rivellino*, a ravelin. β. It is supposed that the Ital. word is the original, as seems indicated by the old spelling in that language. — MItal. *ravellino*, *revellino*, 'a ravelin, a wicket, or a postern-gate; also the uttermost bounds of the wals of a castle, or sconces without the wals;' Florio. γ. But the origin of the Ital. word is unknown. The suggestion, from L. *re-*, back, and *uallum*, a rampart, is unlikely; see Körting, § 8046.

**RAVEN** (1), a well-known bird. (E.) For *hraven*, an initial *h* being lost. ME. *raven*, Chaucer, C. T. 2146 (A 2144). AS. *hræfn*, *hræfn*, a raven, Grein, ii. 100. + Du. *raaf*, raven; Icel. *hrafn*; Dan. *ravn*; OLow G. *hraban* (Gallée); G. *rabe*, OHG. *hraban*. Teut. type \**hrabnoz*, m. β. No doubt named from its cry. Cf. L. *crepûre*, to rattle.

**RAVEN** (2), to plunder with violence, to devour voraciously. (F.—L.) Quite unconnected with the word above, and differently pronounced. The verb is made from an obsolete sb., viz. ME. *ravine*, plunder, which accounts for the spelling *ravin* in Shak. Meas. for Meas. i. 2. 133. 'Foules of *ravyn*' = birds of prey, Chaucer, Parl. of Foules, l. 23. So also *rauyne*, plunder, Ch. tr. of Boethius, b. i. pr. 4, l. 51; *rauyner*, a plunderer, id. b. i. pr. 3, l. 57. — AF. *ravine*, plunder; Liber Custumarum, p. 18; l. 26; OF. *ravine*, rapidity, impetuosity (Burguy); mod. F. *ravine*; see *Ravine*. [This OF.

*ravine* must orig. have had the sense of plunder, as in AF.] — L. *rapina*, plunder, pillage; see *Rapine*. Der. *raven-ing*; *raven-ous*, ME. *ravynous*, Lydgate, Minor Poems, p. 159, from F. *ravineux*, 'ravenous, violent, impetuous, like a forcible stream,' Cot.; *raven-ous-ly*, -ness. Note that ME. *ravine*, mod. E. *ravine*, and E. *rapine* are all one and the same.

**RAVINE**, a hollow gorge among mountains. (F.—L.) Modern; added by Todd to Johnson. — F. *ravine*, a hollow worn away by floods; explained by Cotgrave to mean 'a great floud, a ravine or inundation of waters;' showing that, even in E., a *ravine* was a flood. In still older French, it means impetuosity, violence. — L. *rapîna*, plunder, hence violence; see *Rapine*. And see *Raven* (2).

**RAVISH**, to seize with violence, fill with ecstasy. (F.—L.) ME. *rauischen* (with *u* for *v*), Chaucer, tr. of Boethius, b. i. pr. 3, l. 25; *rauisen*, id. b. iv. pr. 5, l. 16; b. i. met. 5, l. 3. — F. *raviss-*, stem of pres. part. of *ravir*, to ravish, snatch away hastily. Cf. Ital. *rapire*. — Folk L. \**rapire*, for L. *rapere*, to snatch; with a change of conjugation; see *Rapine*, *Rapid*. Der. *ravish-er*, *ravish-ing*, Macb. ii. 1. 55; *ravish-ment*, All's Well, iv. 3. 281, from F. *ravisement*, 'a ravishing, a ravishment,' Cot.

**RAW**, uncooked, unprepared, sore. (E.) For *hraw*, an initial *h* being lost. ME. *raw*, K. Alisaunder, 4932. AS. *hrēaw*; spelt *hrēw*, Cockayne's Leechdoms, i. 254, l. 4. + Du. *raauw*; Icel. *hrār*; Dan. *raa*, raw, crude; Swed. *rå*, raw, green; OHG. *rāo* (declined as *rāwer*, *rouwer*), MHG. *rou*, G. *roh*. Teut. types \**hrawoz*, \**hrēwōz*. β. Allied to L. *crūdus*, raw, and to Skt. *krūra-*, sore, cruel, hard; also to Gk. *κρέας* (for \**κρέφας*), raw flesh, Skt. *kravya-*, raw flesh; L. *cruru*, blood; Russ. *krove*, Lith. *kraujas*, Irish *crū*, W. *crau*, blood. Brugmann, i. § 492. (✓KREU.) See *Crude*. Der. *raw-ly*, *raw-ness*, *raw-boned*.

**RAY** (1), a beam of light or heat. (F.—L.) ME. *ray*, Early E. Allit. Poems, ed. Morris, A 160. The pl. '*rayes* or beames' occurs in Sir T. Elyot, The Governour, b. ii. c. 12. § 2. — OF. *raye*, 'a ray, line,' Cot.; mod. F. *rai*. Cf. Span. *rayo*, Ital. *raggio*. — L. *radius*, acc. of *radius*, a ray, radius. Doublet, *radius*.

**RAY** (2), a class of fishes, such as the skate. (F.—L.) ME. *raye*. 'Hec *ragadia*, *raye*;' Wright's Vocab. i. 222, col. 2, l. 2. — AF. *raie*, Liber Albus, p. 234; OF. *raye*, 'a ray, skate,' Cot.; mod. F. *raie*. — L. *rāia*, a ray; Pliny, ix. 24.

**RAY** (3), a dance. (MDu.) 'Pipers of the Duche tonge, To lerne . . . *reyes*;' Chaucer, Ho. Fame, 1236. — MDu. *rey*, *reie*, 'a round dance;' Hexham. Du. *rei*; see Franck.

**RAYAH**, a person, not a Mahometan, who pays the capitation-tax; a word in use in Turkey. (Arab.) In Byron, Bride of Abydos, ii. 20. It may be explained as 'subject,' though the real meaning is 'a flock,' or pastured cattle. — Arab. *ra'yah*, a flock; from *ra'y*, pasturing, feeding, tending flocks; Rich. Dict. pp. 716, 739. Doublet, *ryot*, q. v.

**RAZE**, to lay level with the ground, destroy. (F.—L.) In Shak. Meas. ii. 2. 171. Also 'to graze, strike on the surface,' Rich. III, iii. 2. 11. Also 'to erase,' K. Lear, i. 4. 4. All various uses of the verb which is also spelt *rase*; see *Rase*. Der. *raz-or*, q. v., *ras-ori-al*, q. v.

**RAZOR**, a knife for shaving. (F.—L.) ME. *rasour*, Chaucer, C. T. 2419 (A 2417). Lit. 'a shaver;' OF. *rasor*, *rasour*, from F. *raser*, to shave; closely allied to mod. F. *rasoir*, from Late L. *rasorium*. See *Rase*, *Raze*. Der. *razor-strop*.

**RAZZIA**, a sudden raid. (F.—Arab.) F. *razzia*, *razia*; borrowed from an Algerine *razia*, a peculiar pronunciation of Arab. *ghāzīa*, a raid, an expedition against infidels (Devic); cf. Arab. *ghāzī*, a hero, a leader of an expedition. — Arab. *ghazw*, making war; Rich. Dict., pp. 1041, 1059. ¶ Spelt *ghrazzie* in 1826 (N. E. D.).

**RE-**, **RED-**, prefix, again. (F.—L.; or L.) F. *re-*, *red-*; from L. *re-*, *red-*, again. The form *re-* is most common, and is prefixed even to E. words, as in *re-bellow*, *re-word* (Shak.), but this is unusual; remarkable words of this class are *re-mind*, *re-new*. The form *red-* occurs in *red-eem*, *red-integrate*, *red-olent*, *red-dition*. The true etymology of this prefix is still unsolved. ¶ As this prefix can be arbitrarily set before almost any verb, it is unnecessary to give all the words which are found with it. For the etymology of *re-address*, *re-adjust*, *re-arrange*, *re-bellow*, &c., &c., see the simple forms *address*, *adjust*, *arrange*, &c.

**REACH** (1), to attain, extend to, arrive at, gain. (E.) ME. *rechen*, pt. t. *raghte*, *raughte*, pp. *raught*; P. Plowman, B. xi. 353; Chaucer, C. T. 136. We even find *raught* in Shak. L. L. L. iv. 2. 41, &c. AS. *rēcan*, *rēcean*, to reach; pt. t. *rēhte*; Grein, ii. 364. + Du. *reiken*; OFriesic *reka*, *retsia*, *resza*; G. *reichen*. β. Further connected with the rare sb. *ge-rēc*, occasion, due time, occurring in Ps. ix. 9, ed. Spelman. This would give the orig. sense 'to seize the opportunity' or 'to attain to;' Teut. type \**raikjan-*. Perhaps

allied to *rice*, sb., power, and to the adj. *rich*, powerful; G. *reich*, kingdom. Der. *reach*, sb., Oth. iii. 3. 219; also a 'stretch' of a river.

**REACH** (2), to try to vomit; see **Retch**.

**READ**, to interpret, esp. to interpret written words. (E.) ME. *reden*, pt. t. *redde*, *radde*, pp. *red*, *rad*; P. Plowman, B. iii. 334; Chaucer, C. T. 6371, 6373 (D 789, 791). AS. *rādan*, to discern, advise, read; a weak verb, pt. t. *rādde*, pp. *gerād*, Grein, ii. 366. Allied to AS. *rād*, counsel, advice, id. 365. Also to AS. *rādan*, to advise, persuade; a strong verb, with the remarkable reduplicated pt. t. *rēord*. β. This strong verb answers to Goth. *rēdan*, in comp. *garēdan*, to provide, a strong verb; also to Icel. *rāda*, to advise, pt. t. *rēð*, pp. *rāðinn*; also to G. *rathen*, pt. t. *rieth*, pp. *gerathen*. Observe also G. *berathen*, to assist. All ultimately from the Teut. type *\*rādan-*. Allied to Skt. *rād*, to make favourable, propitiate, to be favourable to; Russ. *radiete*, to take care. Brugmann, i. § 136, 149. Der. *read-able*, *read-able-y*, *read-able-ness*; *reader*, *read-ing*, *read-ing-book*, *read-ing-room*. Also *ridd-le*.

**READY**, dressed, prepared, prompt, near. (E.) ME. *redi*, *redy*; spelt *rædi*, Layamon, 8651 (later text *readi*); *rædi*, Ormulum, 2527. AS. *ræde*, ready, Grein, ii. 366. [In this instance the suffix *-e* was turned into *-i* by confusion with the AS. suffix *-ig* (answering to ME. *-i*, *-y*, E. *-y*)]. The MSwed. adj. *reda*, ready, is cognate, and is connected with *reda*, to prepare. So also Dan. *rede*, ready; OHG. *reiti*, ready; mod. G. *bereit*. β. The Icel. *greiðr* (= *ga-reiðr*), ready, only differs in the prefix and suffix; so also Goth. *garaiþs*, commanded. These adjectives are closely related to Icel. *reiði*, harness, outfit, implements, gear, and to OHG. *reita*, Icel. *reið*, a raid. We may look upon *ready* as expressing either 'prepared for a raid' or 'prepared for riding, equipped.' All from a Teut. base *raid*, 2nd stem of Teut. *\*reidan-*, to ride; see **Ride**, **Raid**. Cf. G. *fertig*, ready; from *fahren*, to go. ¶ The use of *ready* in the sense of 'dressed' is found as late as the beginning of the 17th century. 'Is she ready?' is she dressed; Cymb. ii. 3. 86. Der. *readi-ly*, *readi-ness*, *ready-made*.

**REAL** (1), actual, true, genuine. (L.) Spelt *reall* in Levins; and in Tyndall's Works, p. 104, col. 1, l. 5, where it is opposed to *nominall*. ME. *real*; Prompt. Parv. The famous disputes between *Realists* and the *Nominalists* render it probable that the word was taken immediately from the familiar Late L. *reālis* rather than the MF. *real*, 'reall,' given by Cotgrave. The mod. F. form is *réel*, also given by Cotgrave. β. The Late L. *reālis*, 'belonging to the thing itself,' is formed from *rē-*, stem of *rēs*, a thing, with suffix *-ālis*. +Skt. *rāi-*, property, wealth; cf. *rā*, to give, bestow. Der. *real-ly*; *real-ise*, from MF. *realiser*, 'to realize,' Cot.; *real-is-able*; *real-is-at-ion*, from MF. *realisation*, 'a realization, a making real,' Cot.; *real-ism*, *real-ist*, *real-ist-ic*; *real-ist-y*, from F. *réaliste* (Littré).

**REAL** (2), a small Spanish coin. (Span.—L.) In Swinburne's Travels through Spain (1779), letter 9, p. 56. And see Stanford Dict.—Span. *real*, lit. 'a royal' coin.—L. *rēgālis*, royal. See **Regal**.

**REALGAR**, red arsenic. (F.—Span.—Arab.) A term in chemistry and alchemy. Spelt *resalgar*, Chaucer, C. T. Group G, l. 814 (l. 16282).—F. *réalgar*; cf. the Low L. *risigallum*.—Span. *rejalgar*.—Arab. *raḥj al-ghār*, powder of the mine, mineral powder.—Arab. *raḥj*, dust, powder; *al*, the; and *ghār*, a cavern, hence a mine. See Rich. Dict., pp. 759, 1040. This etymology is due to Dozy; and see Devic, supp. to Littré.

**REALM**, a kingdom. (F.—L.) ME. *realme*, Gower, C. A. iii. 199; bk. vii. 3179; *ryalme*, Sir Gawain and the Grene Knight, l. 691; *reaume*, Will. of Palerne, 1964; *reume*, Rom. of the Rose, 495.—OF. *realme*, *reaume*, *roialme* (Burguy); mod. F. *royaume*, a kingdom; answering to a Late L. form *\*rēgālimen* (not found).—L. *rēgālis*, regal; see **Regal**.

**REAM**, a bundle of paper, usually twenty quires. (F.—Span.—Arab.) In Skelton, Works, i. 131, l. 174; spelt *reme*. Spelt *reame*, in Minshew, ed. 1627, and in Levins. We even find ME. *reeme* in Prompt. Parv. p. 429; and 'j rem papiri' in the Earl of Derby's Expeditions, 1390–3 (Camd. Soc.), p. 154.—OF. *raime*, *rayme*, (Littré), a ream; mod. F. *rame*. Palsgrave has: 'Reame of paper, *ramme de papier*.'—Span. *resma*, 'a reame of paper'; Minshew. (Cf. Ital. *risma*).—Arab. *rizma(t)*, (pl. *rizam*); a bundle, esp. a bundle of clothes; Rich. Dict. p. 731. See Littré, Devic's supp. to Littré, and Scheler's note on Diez; all agree that this etymology has been completely established by Dozy. Devic remarks that we even find the F. expression 'coton en rame,' cotton in a bundle, and that it is hopeless to connect this, as Diez proposes, with the Gk. *ἀριθμός*, number. Cotton paper was manufactured in Spain, where it was introduced by the Moors.

**REAP**, to cut, as grain, gather a crop. (E.) ME. *repen*, sometimes a strong verb; pt. t. *rep*, pl. *ropen*, P. Plowman, B. xiii. 374;

pp. *rofen*, Chaucer, Leg. of Good Women, 74. OMerc. *reopan*, Vesp. Psalter, Ps. 125. 5; AS. *repan*, pt. t. *ræp*, pt. t. pl. *rēpon*. [But a commoner form is AS. *ripan* (pt. t. *rāp*); allied to E. *ripe*; see **Ripe**. The occurrence of these two strong verbs with the same sense is remarkable.] +Pomeran. *reepen*, to reap.

**REAR** (1), to raise. (E.) ME. *rerēn*, Rob. of Glouc. p. 28, l. 657. AS. *rēran*, to rear, Deut. xxviii. 30. The form *rēran* exhibits the common substitution of *r* for *s*, and is cognate with Icel. *reisa* (mod. E. *raise*). It is the causal of *rise*; and means 'to make to rise.' Teut. type *\*raisjan-*, from *\*rais*, 2nd stem of *\*reisan-*, to rise. See **Rise**. Doublet, *raise*.

**REAR** (2), the back part, last part, esp. of an army. (F.—L.) 'To the abject rear;' Troil. iii. 3. 162. But usually in phr. 'in the rear,' Hamlet, i. 3. 34. ME. *rere*, but perhaps only in the compounds *rereaward* (see **Rearward**) and *arere*, adv., also spelt *arriere*, P. Plowman, B. v. 354.—OF. *riere*, 'backward, behind,' Cot. The ME. *arere*, in the rear, answers to OF. *ariere* (Burguy), F. *arrière*, 'behind, backward,' adv.—L. *retro*, backward; whence *ad retro* > OF. *ariere*. See **Retro**. Der. *rear-admiral*, *rear-guard*, *rear-rank*; also *rear-ward*, q. v.

**REAR** (3), insufficiently cooked. (E.) (For *hrear*.) Obsolete, except provincially. Dryden has: 'roasted rare;' Baucis and Philemon, 98. ME. *rere*; Prompt. Parv., p. 430. 'If they [eggs] be *rere*;' Sir T. Elyot, Castel of Helth, b. ii. c. 17. AS. *hrēr*, half-cooked, AS. Leechdoms, ed. Cockayne, ii. 272. Cf. Skt. *grai*, to cook.

**REARMOUSE**, the same as **Reremouse**, q. v.

**REARWARD**, the rear-guard. (F.—L. and G.) Spelt *rereaward*, 1 Sam. xxix. 2, Isaiah lii. 12, lviii. 8; this is merely the old spelling preserved. [Not to be read *re-reward*, as is sometimes done.] ME. *rerewarde*, Gower, C. A. i. 220; bk. ii. 1827; Morte Arthure, ed. Brock, 1430. Cf. AF. *rerewarde*, a rearguard, Langtoft, i. 18; *rere-gard*, id., ii. 282. Short for *arere-warde*, compounded of ME. *arere*, behind, and *warde*, a guard; see **Rear** (2) and **Ward**. *Warde* is an OF. form of *garde*; cf. *arriere-garde*, 'the rereguard of an army,' Cot. Doublet, *rear-guard*.

**REASON**, the faculty of mind by which man draws conclusions as to right and truth, motive, cause, justice. (F.—L.) ME. *resoun*, Chaucer, C. T. 37; *reisun*, Ancrén Riwele, p. 78, last line.—OF. *raisun*, *reson*; mod. F. *raison*.—L. *rationem*, acc. of *ratio*, reckoning, reason; allied to L. *ratus*, pp. of *reor*, I think. See **Rate** (1). Der. *reason*, verb, *reason-er*, *reason-ing*; *reason-able*, ME. *resonable*, P. Plowman, C. i. 176; *reason-able-y*, *reason-able-ness*. Doublet, *ration*.

**REASTY**, rancid, as applied to bacon. (F.—L.) 'Much bacon is *reastie*;' Tusser, Husbandry, § 20. 2. 'Restie, attained;' Baret. ME. *reest*, also *resty*; Prompt. Parv. In Wright's Vol. of Vocab. i. 155, the AF. *chars restez* is glossed by *resty flees*, i.e. flesh. Hence *resty* is from AF. *resté*, left over, not eaten; and therefore not fresh.—OF. *rester*, to remain; see **Rest** (2). ¶ Sometimes ingeniously altered to *rusty*; 'you *rusty* piece of Martlemas bacon;' Middleton, A Fair Quarrel, iv. 1. N.B. I now find that Wedgwood gave the same solution long ago.

**REATA**, a rope of raw hide, for picketing animals; a lariat. (Span.—L.) Spelt *riata* by Bret Harte; Cent. Dict.; Stanford Dict.—Span. *realta*, a rope for tying.—Span. *reatar*, to tie.—L. *re-*, back; *aptare*, to fit together; see **Apt**.

**REAVE**, to rob, take away by violence. (E.) Not common in mod. E., except in the comp. *be-reave*, and in the pt. t. and pp. *reft*. 'Reaves his son of life;' Shak. Venus, 766. And see Com. Errors, i. 1. 116, Much Ado, iv. 1. 198; &c. ME. *reuen* (with *u=v*), Chaucer, C. T. 4009 (B 3288); pp. *raft*, *reft*, 11329 (F 1017). AS. *rēafian*, to spoil, despoil, Exod. iii. 22; lit. to take off the clothes, despoil of clothing or armour.—AS. *rēaf*, clothing, spoil, plunder, Exod. iii. 22.—AS. *\*rēaf*, 2nd stem of *\*rēof-an*, to deprive, a strong verb (pt. t. *rēáf*, pp. *rofen*), only in the comp. *birēofan*, *berēofan* (Grein). Cf. Icel. *raufa*, to rob, from sb. *rauf*, spoil; which from *rjufa* (pt. t. *rauf*, pp. *rofinu*), to break, rip up, violate; G. *rauben*, to rob, from *raub*, plunder. Cf. Goth. *biraubon*, to despoil. β. All from the Teut. strong verb *\*reubān-*, pt. t. *\*raud*. Allied to L. *rum-pere*, to break; see **Rupture**. Brugmann, i. § 466. Der. *be-reave*; and see *robe*, *rob*. Doublet, *rob*.

**REBATE**, to blunt the edge of a sword. (F.—L.) In Shak. Meas. i. 4. 60. ME. *rebate*=abate, Coventry Mysteries, p. 76.—OF. *rebattre* (Hatzfeld); MF. *rebatre*, 'to repel, repulse, beat or drive back again;' Cot.—F. *re-* (L. *re-*), back; and OF. *batre* (mod. F. *battre*), to beat, from L. *battere*, *batere*, popular forms of *batuere*, to beat. Der. (from OF. *batre*) *a-bate*, q. v. Also *rebate*, sb., discount; *rebate-ment*, a diminution, narrowing, 1 Kings, vi. 6, margin, where the A. V. has 'narrowed rests.' Cf. also *rebato*, *rabato*, a kind of ruff, Much Ado, iii. 4. 6, where the final *-o* seems to be an E.

addition, as the word is not Span. or Ital., but French; from F. *rabat*, 'a rebate for a woman's ruffe' (Cot.), which from *rabattre*, to turn back, for *re-abattre*.

**REBECK**, a three-stringed fiddle. (F.—Arab.) 'And the jocund *rebecks* sound;' Milton, *L'Allegro*, 94. *Hugh Rebeck* is a proper name in *Romeo*, iv. 5. 135. An old woman is called 'an old *rebeke*,' and again, 'an old *ribybe*,' in Chaucer, C. T. 7155, 6959 (D 1573, 1377).—OF. *rebec*, 'the fiddle termed a rebeck;' Cot. Also spelt *rebebe* (Hatzfeld, Roquefort).—Arab. *rabāb*, *rabāba*(t), a rebeck, an instrument played with a bow; Devic.

**REBEL**, adj., rebellious, opposing or renouncing authority. (F.—L.) The verb is from the sb., and the sb. was orig. an adj. ME. *rebel*, rebellious, Rob. of Glouc. p. 72, l. 1625. 'And alle that he *rebel* founde;' King *Alisaunder*, ed. Weber, l. 3033. 'Avaunt! *rebel*!' Lydgate, *Minor Poems*, Percy Soc., p. 35.—F. *rebelle*, adj., rebellious, wilful.—L. *rebellis*, acc. of *rebellis*, rebellious, lit. renewing war.—L. *re-*, again; and *bell-um*, war. See **Re-**, **Belligerent**, and **Duel**. Der. *rebel*, verb, Barbour, Bruce, x. 129 (Edinburgh MS.); *rebell-ion*, Wyclif, 3 Kings, xi. 27, from F. *rebellion*, 'rebellion,' Cot.; *rebell-i-ous*, Rich. II, v. 1. 5; *rebell-i-ous-ly*, -ness.

**REBOUND**, to bound back. (F.—L.) 'I *rebounde*, as a ball dothe, *je bondys*;' Palsgrave. And in Surrey, The Lover describes his state, l. 19; in Tottell's Misc., ed. Arber, p. 24. Trevisa has *reboundyng*, sb., tr. of Higden, i. 189.—F. *rebondir*, 'to rebound, or leap back;' Cot.—F. *re-*, back; and *bondir*, to leap, bound. See **Re-** and **Bound** (1). Der. *rebound*, sb., Antony, v. 2. 104; and in Palsgrave.

**REBUFF**, a sudden check or resistance, repulse. (Ital.) 'The strong *rebuff* of some tumultuous cloud;' Milton, P. L. ii. 936.—Ital. *ribuffo*, *ribuffo*, 'a check, a chiding, a taunt, a skoulding, a rating;' connected with Ital. *ribuffare*, 'to check, to chide;' Florio. Mod. Ital. *ribuffo*, a reproof; *ribuffare*, to repulse.—Ital. *ri-* (<L. *re-*), back; and *buffo*, a puff, a word of imitative origin, like E. *puff*. See **Re-** and **Puff**. Der. *rebuff*, verb.

**REBUKE**, to reprove, chide. (F.—L.) ME. *rebuken*, P. Plowman, B. xi. 419.—AF. *rebuken*, Langtoft, ii. 108; ONF. *rebuken*, to defeat (a plan), Chardry, Vie des Set Dormans, l. 1589; *rebukier*, OF. *rebuchier*, the same (Godefroy).—OF. *re-* (L. *re-*), again; and ONF. *bucquer*, *busquier*, OF. *buschier*, to beat, to knock, orig. to cut trees, to cut logs for the fire, to lop (Godefroy, s. v. *buschier*), mod. F. *bûcher*, 'to rough-hew, to destroy,' Hamilton. β. This OF. *buschier*, F. *bûcher*, is from OF. *busche*, F. *bûche*, a log; from Late L. *busca*, a log (Ducange). Cf. Picard *busker*, *buker*, to beat, strike, knock (Corblet); Walloon *busquer*, *buquer*, to strike, *buque*, a log (Sigart); Norm. dial. *bûquette*, a billet. Orig. 'to cut back.' Der. *rebuke*, sb., Sir Degrevant, 863; *rebuk-er*.

**REBUS**, an enigmatical representation of words by pictures of things. (L.) 'As round as Gyges' ring, which, say the ancients, Was a hoop-ring, and that is, round as a hoop. *Lovel*. You will have your *rebus* still, mine host;' Ben Jonson, New Inn, Act i. sc. 1. 'Excellent have beene the conceipt[s] of some citizens, who, wanting armes, have coined themselves certaine devices as neere as may be alluding to their names, which we call *rebus*;' Henry Peacham (1634), The Gentleman's Exercise, p. 155, § 2, B. 3. It refers to representing names, &c., by things; thus a *bolt* and *tun* expresses *Bolton*; and so on.—L. *rebus*, by things, by means of things; abl. pl. of *rēs*, a thing; see **Real**. ¶ Cf. *omnibus*.

**REBUT**, to oppose by argument or proof. (F.—MHG.; with L. prefix.) 'Rebutit of the prey'—driven away from the prey, repulsed; Dunbar, The Golden Targe, l. 180.—AF. *rebouter*, OF. *rebouter*, 'to repulse, foyle, drive back, reject,' &c.; Cot.—F. *re-* (=L. *re-*), back; and *bouter*, to thrust. See **Re-** and **Butt** (1). Der. *rebutt-er*, a plaintiff's answer to a defendant's rejoinder, a law term.

**RECALL**, to call back. (Scand.; with L. prefix.) In Shak. Lucrece, 1671. From **Re-** and **Call**. Der. *recall*, sb., Milton, P. L. v. 885.

**RECAANT**, to retract an opinion. (L.) 'Which duke . . . did *recant* his former life;' Contin. of Fabyan's Chron., an. 1553; ed. Ellis, p. 712.—L. *recantare*, to sing back, re-choir, also to recant, recall (Horace, Od. i. 16. 27); the orig. sense was perhaps to reverse a charm.—L. *re-*, back; and *cantare*, to sing; see **Re-** and **Chant**. Der. *recant-er*, *recant-at-ion*. ¶ This throws some light on the word *cant*, and renders the derivation of *cant* from L. *cantare* more easy and probable.

**RECAST**, to cast or mould anew. (Scand.; with L. prefix.) Also, to throw back again; 'they would *cast* and *recast* themselves from one to another horse;' Florio, tr. of Montaigne, bk. i. c. 48. From **Re-** and **Cast**.

**RECEDE**, to retreat. (L.) In Phillips, ed. 1658.—L. *recedere*, to give ground, retreat. See **Re-** and **Cede**. Der. *recess*, in Hall,

Hen. VIII, an. 34. § 7, from L. *recessus*, a retreat, which from *recessus*, pp. of *recedere*. Also *recess-ion*, from L. *recessio*.

**RECEIVE**, to accept, admit, entertain. (F.—L.) ME. *receiuen*, *receyuen* (with *u* for *v*). 'He that *receyueth* other *recetteth* hure ys *reccetor* of gyle;' P. Plowman, C. iv. 501.—AF. *receiv-*, a stem of *receivre*, OF. *receivre*; mod. F. *recevoir*.—L. *recipere* (pp. *receptus*), to receive.—L. *re-*, back; and *capere*, to take; with the usual vowel-change from *a* to *i* in composition. See **Re-** and **Capacious**. Der. *receiv-er*. Also *receipt*, ME. *receit*, Chaucer, C. T. 16821 (G 1353), from AF. *receite*, Year-books, 1304-5, p. 295, OF. *receite*, *recepte*, *recoite* (Littré), MF. *recepte*, 'a receipt,' Cot., mod. F. *re-cette* < L. *recepta*, a thing received, fem. of *receptus*. And see *receptacle*, *recipe*.

**RECENT**, new, fresh, modern. (F.—L.) In Minshew.—MF. *recent* (F. *récent*), 'recent, fresh.'—L. *recent-*, stem of *recens*, fresh, new. Der. *recent-ly*, -ness.

**RECEPTACLE**, a place in which to store things away. (F.—L.) In Shak. *Romeo*, iv. 3. 39.—MF. *receptacle*, 'a receptacle, storehouse,' Cot.—L. *receptāculum*, a receptacle; formed with dimin. suffixes -*cu-lo-* from *receptāre*, frequentative form of *recipere*, to receive; see **Receive**. Der. (like pp. *receptus*) *recept-ion*, formerly a term in astrology, Gower, C. A. iii. 67, bk. vi. 1962, from F. *reception*, 'a reception,' Cot., from L. acc. *receptionem*; also *receptive*, from OF. *receptif* (Godefroy); hence *recept-iv-i-ty*, from mod. F. *réceptivité*, a coined word.

**RECESS, RECESSION**; see **Recede**.

**RECHEAT**, a signal of recall, in hunting. (F.—L.) In Shak. Much Ado, i. 1. 242.—AF. *rechet*, ONorth F. *rechet*, variant of *recet*, a retreat, hence, a note of retreat; see Godefroy, and cf. Norm. dial. *recheveir*, to receive (Moisy).—L. *receptum*, acc. of *receptus*, a retreating, a retreat.—L. *receptus*, pp. of *recipere*, to receive; see **Receive**. Influenced by OF. *racheter* (< L. *re-ad-captare*), to reassemble, to rally (Godefroy).

**RECIPE**, a medical prescription. (L.) In Phillips, ed. 1706; he rightly explains that it is so called because it begins with the word *recipe*, i.e. take so and so. B. Jonson has the pl. *recipes*, Alchemist, ii. 1. 443.—L. *recipe*, imp. sing. of *recipere*, to take. See **Receive**. So also *recipi-ent*, one who receives, from the stem of the pres. part. of *recipere*.

**RECIPROCAL**, acting in return, mutual. (L.) In King Lear, iv. 6. 267. Formed by adding -*al* to L. *reciproc-us*, returning, alternating, reciprocal; whence also MF. *reciproque*, and obsolete E. *reciproque*, of which see examples in R. Lit. 'directed backwards and forwards;' from L. *\*re-co-*, backwards, and *\*pro-co-*, forwards, allied to *procul*, afar off. Brugmann, ii. § 86. Der. *reciprocal-ly*; also *reciprocal-ate*, given in Phillips as a grammatical term, from *reciprocātus*, pp. of *reciprocāre*, to go backwards and forwards, to reciprocate; *reciprocal-at-ion*, from F. *reciprocation*, 'a reciprocation, returning,' Cot.; *reciprocal-i-ty*, from mod. F. *reciprocité*.

**RECITE**, to repeat aloud, narrate. (F.—L.) In Levins, ed. 1570. 'Reciteth in the gospel;' Caxton, Golden Legend, St. John Evang. § 5.—F. *reciter*, 'to recite, repeat,' Cot.—L. *recitāre*, to recite; see **Re-** and **Cite**. Der. *recit-al*, North's Plutarch, p. 14 (R.), *recit-er*; *recit-at-ion*, from F. *recitation*, in use in the 15th cent. (Littré), though omitted by Cotgrave; *recit-at-ive*, mod. F. *recitatif*, from Ital. *recitativo*, recitative in music.

**RECK**, to regard. (E.) ME. *rekken*, frequently also *recchen*, Chaucer, C. T. 1400, 2259; P. Plowman, B. iv. 65. The vowel has been shortened, being orig. long. AS. *reccan*, also *rēcan* (for *\*rōcian*); 'þu ne *rēcst*'=thou carest not, Mark, xii. 14.—OSax. *rōkian*; Icel. *rækja*; Pomeran. *rōken*; MHG. *ruochen*, OHG. *rōhhjan*, *ruohhjan*, to reck, heed, have a care for. β. The *ē* results, as usual, from *ō* followed by *i* in the next syllable. The verb is a denominative, i.e. from a sb. The sb. exists in MHG. *ruoch*, OHG. *ruah*, *ruoh*, care, heed, answering to a Teut. type *\*rōk-oz*, m. From Teut. *\*rōk-*, 2nd grade of *\*rak-*, as seen in Icel. *rök*, a reason, AS. *racu*, account, reckoning, OSax. *raka*, an affair, OHG. *rahha*, subject, thing. See **Reckon**. Der. *reck-less*, AS. *reccelēas*, Ælfred, tr. of Gregory's Pastoral Care, ed. Sweet, p. 4, l. 23, spelt *reccelēas*, id. p. 5, l. 23; cf. Du. *roekeloos*; *reck-less-ly*, *reck-less-ness*.

**RECKON**, to count, account, esteem. (E.) ME. *rekenen*, *reknen*; Chaucer, C. T. 1956 (A 1954); P. Plowman, B. ii. 61. AS. *ge-recenian*, to explain, Grein, i. 440; the prefixed *ge-*, readily added or dropped, makes no real difference. A derivative verb; allied to AS. *ge-reccan*, *reccan*, to rule, direct, order, explain, ordain, tell; Grein, i. 440, ii. 369.—Du. *rekenen*; (whence Icel. *reikna*, Dan. *regne*, Swed. *räkna*); G. *rechnen*, MHG. *rechenen*, OHG. *rehhanōn*, to compute, reckon. β. All from Teut. base *\*rak-*, as in AS. *rac-u*, account, Icel. *rök*, neut. pl., a reason, ground, origin, cognate with MHG. *racha*, OHG. *rahha*, a thing, subject. Der. *reckon-er*; also *reck-on-ing*, cognate with G. *rechnung*.

**RECLAIM**, to tame, bring into a cultivated state, reform. (F.—L.) ME. *reclēimen*, *reclāimen*, esp. as a term in hawking; Chaucer, C. T. 17021 (H 72).—OF. *reclāim*-, a stem of *reclamer*, 'to call often or earnestly, exclaim upon, sue, claime'; Cot. Mod. F. *reclamer*.—L. *reclāmāre*, to cry out against.—L. *re-*, back, again; and *clāmāre*, to cry out. See **Re-** and **Claim**. Der. *reclaim-able*; also *reclam-at-ion*, from MF. *reclamation*, 'a contradiction, gain-saying,' Cot., from L. acc. *reclāmātiōnem*, a cry of opposition.

**RECLINE**, to lean back, lie down. (L.) In Milton, P. L. iv. 333.—L. *reclināre*, to lean back.—L. *re-*, back; and *clināre*, to lean, cognate with E. *Lean* (1).

**RECLUSE**, secluded, retired. (F.—L.) ME. *reclus*, masc.; Fifty Early E. Wills, ed. Furnivall, p. 7, l. 31 (1395). The form *recluse* is properly feminine, and it first appears with reference to female anchorites. ME. *recluse*, Ancrēn Riwe (Rule of Female Anchorites), p. 10, l. 5.—OF. *reclus*, masc., *recluse*, fem., 'closely kept in, or shut up as a monk or nun'; Cot. Pp. of OF. *reclorre*, 'to shut or close up again'; Cot.—L. *recludere*, to unclose, but in late L. to shut up.—L. *re-*, back; and *cludere*, to shut. See **Re-** and **Clause**.

**RECOGNISE**, to know again, acknowledge. (F.—L.) In Levins. The MF. verb is *reconoistre* in Cot., mod. F. *reconnaître*. The E. verb is not immediately derived from this, but is merely made out of the sb. *recognisance*, which was in rather early use, and occurs in Chaucer as a legal term, C. T. 13260 (B 1520).—AF. *reconnaissance*, Stat. Realm, i. 53 (1283); OF. *recoignisance* (13th cent., Littré), later *reconoissance*, 'a recognizing, also an acknowledgement of tenure,' Cot.—OF. *reconoissant*, pres. part. of *reconoistre* (F. *reconnaître*).—L. *recognoscere*.—L. *re-*, again; and *cognoscere*, to know. See **Re-** and **Cognisance**. Der. *recognis-able*; also *recognit-ion*, in Blount's Gloss., ed. 1674, from L. acc. *recognitiōnem*, nom. *recognitio*, allied to *recognit-us*, pp. of *recognoscere*. And see *reconnoitre*.

**RECOIL**, to start back, rebound. (F.—L.) ME. *recoilen*, used transitively, to drive back, Ancrēn Riwe, p. 294, l. 6. Also *recule*; 'I *recule*, I go back, *ie recule*,' Palsgrave. Cf. AF. pres. pt. *recuillant*, Langtoft, ii. 176.—F. *reculer*, 'to recoyle, retire, defer, drive off,' Cot. Lit. to go backwards.—F. *re-* (= L. *re-*), back; and *cil*, the hinder part, from L. *cūlum*, acc. of *cūlus*, the hinder part, the posteriors. Der. *recoil*, sb., Milton, P. L. ii. 880.

**RECOLLECT**, to remember. (F.—L.) Used in Shak. in the lit. sense 'to gather,' to collect again, Per. ii. i. 54. From **Re-** and **Collect**. Der. *recollect-ion*.

**RECOMMEND**, to commend to another. (F.—L.) ME. *recommenden*, Chaucer, C. T. 16012 (G 544). From **Re-** and **Commend**; in imitation of F. *recommander*, 'to recommend,' Cot. Der. *recommend-able*, *recommend-at-ion*, *recommend-at-ory-y*.

**RECOMPENSE**, to reward, remunerate. (F.—L.) ME. *recompense*, Gower, C. A. ii. 278; bk. v. 4505.—OF. *recompenser* (F. *récompenser*), 'to recompence,' Cot.—L. *re-*, again; and *compensāre*; see **Re-** and **Compensate**. Der. *recompense*, sb., Timon, v. i. 153.

**RECONCILE**, to restore to friendship, cause to agree. (F.—L.) ME. *reconcilen*, Gower, C. A. iii. 138; bk. vii. 1578.—OF. *reconcilier*, 'to reconcile,' Cot.—L. *reconciliāre*, to reconcile, lit. to bring into counsel again. See **Re-** and **Conciliate**. Der. *reconcil-er*, *reconcil-able*; *reconciliat-ion*, from OF. *reconciliation* (Cot.) < L. acc. *reconciliātiōnem*.

**RECONDITE**, secret, profound. (L.) In Phillips, ed. 1706.—L. *reconditus*, put away, hidden, secret; pp. of *recondere*, to put back again.—L. *re-*, again; and *condere*, to put together. β. The L. *condere* (in which the prefix is *con-*, for *com-*=*cum*, with), contains the weak grade of the ✓DHE, to put, place. Brugmann, i. § 573. Cf. *abs-cond*. And see **Do**.

**RECONNOITRE**, to survey, examine from a military point of view. (F.—L.) 'She *reconnoitres* fancy's airy band,' Young, Night Thoughts, Nt. ii. l. 265. See Spectator, no. 165, § 5.—OF. *reconoistre* (Littré), mod. F. *reconnaître*, 'to recognize; . . also, to take a precise view of,' Cot. See **Recognise**. Der. *reconnaissance*, from mod. F. *reconnaissance*; of which *recognisance* is a doublet.

**RECORD**, to register, enrol, celebrate. (F.—L.) ME. *recorden*, to repeat, remind, Ancrēn Riwe, p. 256, l. 10; Chaucer, C. T. 831 (A 829).—OF. *recorder*, 'to repeat, recite, report,' Cot.—L. *recordāre*, more usually *recordāri*, to call a thing to mind.—L. *re-*, again; and *cord-*, stem of *cor*, the heart, cognate with E. *heart*. See **Re-** and **Heart**. Der. *record*, sb., Chaucer, C. T. 7631 (D 2049), from OF. *record*, 'a record, witness,' Cot.; *record-er*, *record-er-ship*.

**RECOUNT**, to tell again, narrate. (F.—L.) In Skelton, Philip Sparowe, l. 613. 'Who may *recounte*,' &c.; Caxton, G. Legend, St. Pawlyne, § 8.—OF. *reconter*, to tell again (Godefroy). From **Re-**

and **Count**. The F. *conter* often has the sense 'to relate,' the F. compound verb is written *raconter*, which Cotgrave explains by 'to tell, relate, report, rehearse;' where the prefix *ra-* represents L. *re-ad-*.

**RECOUP**, to diminish a loss by keeping back a part as a claim for damages. (F.—L. and Gk.) Spelt *recoupe* in Phillips, ed. 1706; whom see. It means lit. to secure a piece or shred.—F. *recoupe*, 'a shred,' Cot.—F. *recouper*, to cut again.—F. *re-* (= L. *re-*), again; and *couper*, to cut, a word of Gk. origin. See **Re-** and **Coppice**.

**RECOURSE**, a going to or resorting to for aid. (F.—L.) ME. *recours*, Chaucer, C. T. 10389 (F 75).—F. *recours*, 'a recourse, refuge,' Cot.—L. *recursum*, acc. of *recursus*, a running back, return, retreat.—L. *recursus*, pp. of *recurrere*. See **Recur** and **Course**.

**RECOVER**, to get again, regain. (F.—L.) ME. *recoeuren* (with *u* for *v*), P. Plowman, B. xix. 239; also *recoeuren*, *rekeueren*, id. C. xxii. 245; King Alisaunder, 5835.—OF. *recouvrer*, *recuvrer* (Burguy), F. *recouvrer*, 'to recover,' Cot.—L. *recuperāre*, to recover; also to recruit oneself. β. A difficult word; not connected with Sabine *cuprus*, good. Also spelt *reciperāre*, and extended from *recipere*, like *tolerāre* from *tollere*. From *re-*, back again, and *capere*, to take. Cf. Brugmann, i. § 244 (4). For the vowel *u*, cf. *oc-cup-ūre*. Der. *recover-able*; *recover-y*, All's Well, iv. i. 38. Doublet, *recuperate*.

**RECREANT**, cowardly, apostate. (F.—L.) ME. *recreant*, Rob. of Brunne, tr. of Langtoft, p. 9, l. 24; *recreaunt*, P. Plowman, B. xviii. 100.—OF. *recreant*, 'tired, toyled, faint-hearted,' Cot.; properly the pres. part. of *recoire*, 'to believe again; also, to restore, deliver, or give back,' id.; (hence, to give in). And cf. MF. *recreu*, 'tired, wearie, faint-hearted,' id. β. The pres. part. *recreant* and pp. *recreu* partook of the sense of Late L. *recrēdere*, from which MF. *recoire* is derived. This verb, lit. to believe again, or to alter one's faith, was also used in the phrase *se recrēdere*, to own oneself beaten in a duel or judicial combat. The same sense reappears in Ital. *ricreduto*, 'a miscreant, recreant, a misbelieving wretch,' Florio.—L. *re-*, again; and *crēdere*, to believe; see **Re-** and **Creed**. Der. *recreant-y*. And see *mis-creant*.

**RECREATION**, amusement. (F.—L.) ME. *recreation*, Gower, C. A. iii. 100; bk. vii. 477.—F. *recreation*, 'recreation, pastime,' Cot.—L. *recreātiōnem*, acc. of *recreātio*, recovery from illness (Pliny); cf. L. *recreātus*, pp. of *recreāre*, to refresh, revive; whence the sense of to amuse by way of invigorating the system or mind. Lit. 'to create anew.' See **Re-** and **Create**. Der. *recreate*, in Palsgrave, from L. pp. *recreātus*. Also *recreat-ive*.

**RECRIMINATE**, to accuse in return. (L.) In Phillips, ed. 1706.—L. *re-*, again; and *criminātus*, pp. of *crimināri*, to accuse of crime; from *crimin-*, stem of *crimen*; see **Crime**. Der. *recrimin-at-ion*, from MF. *recrimination*, 'a recrimination,' Cot.; *recriminat-ory-y*, *recriminat-ive*.

**RECRUDESCENCE**, a reopening, renewal. (L.) In North's Examen, ed. 1740, p. 632. From L. *recrūdescēt-*, stem of pres. part. of *recrūdescere*, to become raw again, to open again (as a wound).—L. *re-*, again; and *crūdus*, raw; see **Crude**.

**RECRUIT**, to enlist new soldiers. (F.—L.) 'To *recrute* and maintain their army when raised;' Prynne, Treachery and Disloyalty, pt. iv. p. 33 (R.). 'A *recruit* [supply] of new people;' Howell, Famil. Letters, vol. i. pt. i. let. 38, § 7.—F. *recruter*, not given in Cotgrave, but explained by Littré by 'to levy troops.' He tells us that it is an ill-formed word, first found in the 17th century. Formed from \**recrute*, a mistaken or provincial form for *recrue*, fem. of *recrū*, pp. of *recroître*, to grow again. See also Hatzfeld. The sb. *recrut* occurs in Roumansch. β. The word *recrue* is used as a sb., and means 'a levy of troops.' [The *t* appears in MF. *recroisti*, 'a re-increase, a new or second growth,' Cot.; cf. *recroistre*, 'to re-increase,' id.]—F. *re-*, again; and *croître* (OF. *croistre*), to grow.—L. *re-*, again; and *crescere*, to grow; see **Re-** and **Crescent**. Der. *recruit*, sb.; *recruit-er*, *recruit-ing*.

**RECTANGLE**, a four-sided figure, of which all the angles are right angles. (F.—L.) In Phillips, ed. 16; 8; he says it was used to denote a right angle.—F. *rectangle*, 'a straight or even angle,' Cot.—L. *rectangulus*, having a right angle.—L. *rect-us*, right; and *angulus*, an angle; see **Rectify** and **Angle**. Der. *rectangl-ed*, *rectangul-ar*.

**RECTIFY**, to make right, adjust. (F.—L.) 'To *rectifye* and amend,' Skelton, Colin Clout, 1265. ME. *rectifien*, Lanfrank, Chirurgie, p. 80, l. 3.—F. *rectifier*, 'to rectifie,' Cot.—Late L. *rectificāre*, to make right.—L. *recti-*, for *rectus*, right, cognate with E. *right*; and *-fic-*, for *fac-ere*, to make. See **Right** and **Fact**. Der. *rectifi-able*, *rectific-at-ion*, *rectifi-er*.

**RECTILINEAL, RECTILINEAR**, bounded by right or straight lines. (L.) Spelt *rectilineal* in Phillips, ed. 1706. Formed with suffix *-al* (< L. *-ālis*) or *-ar* (< L. *-āris*) from *rectiline-us*,

rectilinear. — *L. recti-*, for *rectus*, right; and *line-a*, a line. See **Right** and **Line**.

**RECTITUDE**, uprightness. (F.—L.) ‘By the *rectitude* of his justice;’ Golden Book, let. 11 (R.). — *F. rectitude*, omitted by Cotgrave, but used in the 14th cent. (Littre). — *L. rectitudo*, straightness, uprightness; formed with suffix *-tudo* from *recti-*, for *rectus*, straight, cognate with *E. Right*, q. v. ¶ So also *rect-or*, lit. a ruler, All’s Well, iv. 3. 69, from *L. rector*, a ruler; which is for *\*reg-tor*; from *regere*, to rule; see **Regiment**. Hence *rector-ship*, Cor. ii. 3. 213; *rector-ate*, *rector-al*, *rector-y*.

**RECUMBENT**, lying back or upon, reclining. (L.) *Recumbency* is in Phillips, ed. 1710. *Recumbent* seems later; it is in Cowper, The Needless Alarm, l. 47. — *L. recumbent-*, stem of pres. part. of *recumbere*, to recline. — *L. re-*, back; and see **Incumbent**. Der. *recumbency*.

**RECUPERATIVE**, tending to recovery. (L.) *Recuperable*, i. e. recoverable, is in Levins, but is now disused. *Recuperacion* (sic) is in Caxton, Godeffroy of Boloyn, p. 4, l. 16. *Recuperator* is in Phillips, ed. 1706. *Recuperative* appears to be modern. — *L. recuperātivus*, (properly) recoverable. — *L. recuperātus*, pp. of *recuperāre*, to recover; see **Recover**.

**RECUR**, to resort, return to the mind, happen again at stated intervals. (L.) In Phillips, ed. 1706. *Recurrent* is in Blount’s Gloss., ed. 1674. — *L. recurrere*, to run back, return, recur. — *L. re-*, back; and *currere*, to run; see **Re** and **Current**. Der. *recur-rent*, from the stem of the pres. part.; whence *recur-rence*; also *recourse*, q. v.

**RECUSANT**, opposing an opinion, refusing to acknowledge supremacy. (F.—L.) In Minshew, ed. 1627. — *MF. recusant*, ‘rejecting, refusing,’ Cot.; pres. part. of *recuser*. — *L. recūsare*, to reject; properly, to oppose a cause or opinion. — *L. re-*, back, hence, withdrawing from; and *caussa*, a cause; see **Re** and **Cause**. β. The same change takes place in *accuse* (*accūsare*), also from *L. caussa*. Der. *recusancy*.

**RED**, one of the primary colours. (E.) ME. *reed* (with long vowel), sometimes *rede*, *red*; Chaucer, C. T. 637. AS. *rēad*, red; Grein, ii. 373. + Du. *rood*; Icel. *rauðr*; Dan. *rød*; Swed. *röd*; G. *roth*; Goth. *rauds*. β. All from Teut. type *\*raudoz*; Idg. type *\*roudhos*. Further allied to Skt. *rudhira-*, blood, Gk. *ἐρυθρεῖν*, to redder, *ἐρυθρός*, red, Irish and Gael. *ruadh*, W. *rhudd*, L. *ruber*, red. Note also the strong verb appearing as AS. *rēodan*, Icel. *rjóða* (pt. t. *rauð*), to redder. (✓REUDH.) Der. *red-ly*, *red-ness*; *redd-en* (with *-en* as in *strength-en*, *length-en*); *redd-ish*, *redd-ish-ness*; *red-breast* (a bird with red breast), Skelton, Phillip Sparrow, 399, Lydgate, Floure of Curteisie, st. 9; *red-shank* (a bird with red shanks or legs); *red-start* (a bird with a red tail, from AS. *steort*, a tail, Exod. iv. 4), in Levins; *red-hot*, *red-heat*, *red-lead*, *red-letter*, *red-tape*. Allied words are *ruby*, *ruDESCENT*, *rubric*, *ruddy*, *russet*.

**REDACT**, to reduce, to edit. (L.) Becon has *redact* in the sense ‘reduced;’ Works, i. 46 (Parker Soc.). — *L. redactus*, pp. of *redigere*, to bring back, reduce. — *L. red-*, back; and *agere*, to bring; see **Agent**. Der. *redaction*.

**REDDITION**, a rendering, restoring. (F.—L.) In Cotgrave; and Minshew, ed. 1627. — *F. reddition*, ‘a reddition;’ Cot. — *L. redditiōem*, acc. of *redditiō*, a rendering; cf. *redditus*, pp. of *reddere*, to restore; see **Render**. Der. *redditive*.

**REDEEM**, to ransom, atone for. (F.—L.) Lit. to buy back. Latimer has *redemed* and *redeming*, sb., Seven Sermons, ed. Arber, p. 202. Wyclif has *redempcion*, Luke, i. 68. — *F. redimer*, ‘to redeem, ransom,’ Cot. [But the change of vowel is remarkable; perhaps partly due to *L. emere*.] — *L. redimere*, to buy back, redeem. — *L. red-*, back; and *emere*, to buy, orig. to take, from ✓EM, to take. See **Re** and **Example**. Der. *redeem-er*, *redeem-able*; *redempt-ion*, from *F. redemption* < *L. acc. redemptiōem*, nom. *redemptio*, allied to *redempt-us*, pp. of *redimere*; *redempt-ive*, *redempt-or-y*. Doublet (of *redemption*), *ransom*.

**REDGUM**, a disease of infants. (E.) Fully explained in my Notes to P. Plowman, C. xxiii. 83, p. 444. ME. *reed gounde*, Prompt. Parv. — AS. *rēad*, red; *gund*, matter of a sore.

**REDINTEGRATION**, renovation. (L.) Minshew has *redintegration* and *redintegrate*, verb. — *L. redintegrātiō*, sb.; allied to *redintegrātus*, pp. of *redintegrāre*, to restore, renovate. — *L. red-*, again; and *integrāre*, to renew, from *integr-*, for *integer*, whole. See **Re** and **Integer**.

**REDOLENT**, fragrant. (F.—L.) In the Tale of Beryn, ed. Furnivall, l. 2765. — *MF. redolent*, ‘redolent;’ Cot. — *L. redolent-*, stem of pres. part. of *redolere*, to emit odour. — *L. red-*, again; and *olere*, to be odorous. See **Re** and **Olfactory**. Der. *redolence*, Lydgate, Assembly of Gods, 1611; *redolency*.

**REDOUBLE**, to double again. (F.—L.) ‘I *redoubyll*, I *doubyll* agayne, je *redouble*;’ Palsgrave. — *F. redoubler*; from *re-* and *doubler*, to double. See **Re** and **Double**.

**REDOUBT**, an intrenched place of retreat. (F.—Ital.—L.) Used by Bacon, according to Todd’s Johnson; Ben Jonson has *redouts*; Under-woods, lxxxix; l. 8. Phillips, ed. 1706, gives the spellings *reduit* (which is a F. form) and *reduct* (which is Latin). — *F. redoute*. — Ital. *ridotto*, ‘a withdrawing-place;’ Florio. Formed as sb. from *ridotto*, ‘reduced, brought or led vnto, brought back safe and sound againe;’ Florio. This is the same word as *ridutto*, pp. of *ridurre*, to bring back, bring home. — *L. reducere*, to bring back; see **Reduce**. ¶ The spelling *redoubt* is due to confusion with *MF. redoubter*, to dread, as if a *redoubt* were a place into which men retire out of fear! See **Redoubtable**.

**REDOUBTABLE**, terrible. (F.—L.) In Cotgrave; the verb to *redoubt*, to fear, was formerly in use, as in Minshew. ME. *redoutable*, Chaucer, tr. of Boethius, b. iv. pr. 5, l. 6. — OF. *redoutable*; MF. *redoubtable*, ‘redoubtable;’ Cot. — OF. and F. *redouter*, to fear. See **Re** and **Doubt**.

**REDOUND**, to abound, be replete with, result. (F.—L.) ‘*Redounding* teares;’ Spenser, F. Q. i. 3. 8. ‘I *redounde*, je *redonde*;’ Palsgrave. And in Caxton, Siege of Troye, lf. 205, back, l. 19. — *F. redonder*, ‘to redound;’ Cot. — *L. redundāre*, to overflow, abound. — *L. red-*, again, back, hence over; and *undāre*, to surge, flow, abound, from *unda*, a wave. See **Re** and **Undulate**. Der. *redund-ant*, from the stem of the pres. part. of *redundāre*; *redund-ant-ly*, *redund-ance*, *redund-anc-y*.

**REDRESS**, to set right again. (F.—L.) ME. *redressen*, Chaucer, C. T. 8307 (E. 431). — *F. redresser*, ‘to redresse, straighten;’ Cot. — *F. re-* (< *L. re-*) again; and *dresser*; see **Re** and **Dress**. Der. *redress*, sb., Skelton, Magnificence, 2438; *redress-ible*, *redress-ive*.

**REDUCE**, to bring down, subdue, arrange. (L.) In Palsgrave. Used in the sense ‘to bring back;’ Rich. III, v. 5. 36. — *L. reducere*, to bring back, restore, reduce. — *L. re-*, back; and *ducere*, to lead, bring. See **Re** and **Duct**, **Duke**. Der. *reduc-ible*, spelt *reduce-able* in Levins; also *reduct-ion*, from MF. *reduction*, ‘a reduction, reducing;’ Cot., from *L. acc. reductionem*, from nom. *reductio*, allied to *reduct-us*, pp. of *reducere*.

**REDUNDANT**; see under **Redound**.

**REDUPLICATE**, to multiply, repeat. (L.) In Levins. — *L. reduplicātus*, pp. of obsolete *reduplicāre*, to redouble. See **Re** and **Duplicate**.

**RE-ECHO**, to echo back. (L. and Gk.) In Spenser’s Fairie Queene, Mutability, c. vi. st. 52. From **Re** and **Echo**.

**REECHY**, dirty. (E.) Lit. ‘smoky;’ another form of *reeky*. In Shak. Cor. ii. 1. 225, Hamlet, iii. 4. 184; Much Ado, iii. 3. 143. Cf. ‘Auld reekie’ as a name for Edinburgh. See **Reek**.

**REED**, a common name for certain grasses. (E.) ME. *reed*, Wyclif, Matt. xi. 7. AS. *hrēod*, Matt. xi. 7. + Du. *riet*; G. *riet*, *ried*. Teut. type *\*hreudom*, neut. Der. *reed-ed*, *reed-y*.

**REEF** (1), a ridge of rocks. (Du.) Formerly *riff*. ‘A *riff* or ridge of rocks;’ Dampier’s Voyages, vol. i. an. 1681; pp. 47, 50 (R.). Of late introduction. — Du. *rif*, a reef, riff, sand. Sewel (ed. 1754) explains it by ‘a flat in sea, a *riff*.’ Hexham has *rif*, *riffe*, ‘a foard, or a shallow place.’ + Icel. *rif*, a reef in the sea; Dan. *rev*, a reef, bank; cf. *revle*, a shoal; Swed. *ref*, a sandbank; Pomeran. *reff*. The G. *riff*, a reef, is prob. borrowed from Dutch. β. The Du. and Icel. *rif*, Dan. *rev*, n., may represent a Teut. type *\*rebjom*, n. Perhaps allied to **Rib**, q. v. Cf. Norw. *ribbe*, a mountain-ridge, MF. *coste*, ‘a rib, also a little hill, or descent of land;’ Cot. Der. *reef-y*.

**REEF** (2), a portion of a sail that can be drawn close together. (Du.) Fully explained in Phillips, ed. 1706. ‘Up, aloft, lads; come, reef both topsails;’ Dryden, Enchanted Island, Act i. sc. 1 (R.). ME. *riff*, Gower, C. A. iii. 341; bk. viii. 1983. — Du. *reef*, ‘a riff in a sail;’ Sewel, ed. 1754. MDu. *rif*, also *rift* (Kilian). ‘*Een rif van een zeyl inbinden*, to binde up a peece of a saile when the wind blowes too hard;’ Hexham. Hence is formed Du. *reeven*, to reeve. + Low G. *reeff*, *riff*, a little sail, which is added to a large one when there is little wind; cf. *reeffen*, to reeve; EFries. *ref*, *rēf*; Pomeran. *räff*, a little extra sail, a bonnet; Swed. *ref*, a reef; *refva*, to reeve; Dan. *reb*, a reef; *rebe*, to reeve; Icel. *rif*, a reef in a sail. Of uncertain origin; cf. Icel. *reifa*, to swaddle, AS. *rāfan*, to wrap up. Der. *reef*, verb; also *reeve*, verb, q. v.

**REEK**, vapour, smoke. (E.) ME. *reke*, Cursor Mundi, 2744; where the Trinity MS. has *reech*. AS. *rēc*, vapour; Grein, ii. 369; Omerc. *rēc* (O. E. Texts); OFries. *rēk*. + Du. *rook*; Icel. *reykr*; Swed. *rök*; Dan. *rög*; G. *rauch*; OHG. *rouk*. β. Teut. base *\*rauk-*; from *\*rauk*, 2nd grade of the str. vb. *\*reukan-*, to smoke, as in AS. *rēocan*, Icel. *rjúka*, OHG. *riohhan*, G. *riechen*. Brugmann, i. § 217. Der. *reek*, verb = AS. *rēcan*, weak verb (Grein); *reek-y*; also *reech-y*, q. v.

**REEL** (1), a small spindle for winding yarn. (E.) ME. *rele*. ‘Hoc alabrum, a *rele*;’ Wright’s Voc., p. 269, col. 1. At p. 180 of

the same vol., *alabrum* is again glossed by *reele*. AS. *hrēol*; 'alibrum (*sic*), *hreol*;' Wright's Voc. p. 59; *riul*, p. 66. Ducange explains the Late L. *alabrum* as a reel. [Not Icel. *hrall* or *rall*, a weaver's rod or sley; EFries. *rēl*; North Fries. *reel* (Outzen). Kluge derives AS. *hrēol* from a form \**hrōchil*, but this would give a form \**hrēl*; see Eng. Studien, xi. 512.] **Der.** *reel*, verb, ME. *relien*, *relen*, orig. to wind on a reel (P. Plowman, C. x. 81, Prompt. Parv.), hence to turn round and round (Allit. Poems, C. 147), and so to stagger, Temp. v. 279. 'They relyd backward;' Malory, Morte Arthur, bk. vii. c. 16, l. 49. Cf. NFries. *reele*, to wind on a reel. *Reel* Not allied to *roll*.

**REEL** (2), a Highland dance. (Scand.?) Commonly called 'a Scotch reel.' Todd gives the following: 'Geilles Duncane did goe before them, playing this *reill* or daunce upon a small trump;' News from Scotland (1591), sig. B. iii; hence Gael. *righil*, a reel, a Scottish dance; also written *ruithil*. Perhaps a Scand. word. Cf. Dan. dial. *riid*, *riil*, a reel, dance; described at length by Molbech, but perhaps from E. So also Norw. *ril* (pron. *riil*); Aasen. Or possibly from *reel*, verb; see **Reel** (1).

**RE-ELECT, RE-EMBARK, RE-ENACT, RE-ENFORCE, RE-ENTER, RE-ESTABLISH, RE-EXAMINE**; see **Elect, Embark, &c.**

**REEST**, the mould-board or breast of a plough. (E.) Also (wrongly) *wreest*; see E. D. D. AS. *rēost*; 'sules *rēost*, dentale;' Bosworth + Olow G. *rioster*, a share-beam (Gallée).

**REEVE** (1), to pass the end of a rope through a hole or ring. (Du.) A nautical word; not in Todd's Johnson. — Du. *reeven*, to reeve. — Du. *reef*, a reef; because a reeved rope is used for reefing. See **Reef** (2). ¶ The pt. t. is usually *rove*; but this is a mere invention, as the verb, like all other verbs derived from sb., is properly a weak one; made by analogy, like *have* from *heave*.

**REEVE** (2), an officer, steward, governor. (E.) See Chaucer's *Reeve's Tale*. AS. *gerēfa*, an officer, governor; Grein, i. 441. The orig. sense was perhaps 'numberer' or registrar (of soldiers); as if for \**ge-rōf-ja*, from *rōf*, a host (as in *sege-rōf*), a host of men. Cf. OHG. \**ruoba*, *ruova*, a number. See Kemble, Saxons in England, ii. 154. ¶ Not allied to G. *graf*. **Der.** *borough-reeve*, *port-reeve*; *sheriff*, q.v.

**REEVE** (3), a bird, the female of the ruff; see **Ruff** (2).

**REFECTION**, refreshment, a repast. (F.—L.) 'With a little *refection*;' Sir T. Elyot, The Governour, b. iii. c. 22. § 4; Caxton, Siege of Troy, leaf 81, l. 6.—F. *refection*, 'a refection, repast;' Cot.—L. *refectiōnem*, a restoring, refreshment; lit. a remaking; cf. L. *refectus*, pp. of *reficere*, to remake, restore.—L. *re-*, again, and *facere*, to make. See **Re-** and **Fact**. **Der.** *refector-y*, Dryden, Hind and Panther, iii. 530, spelt *refectorie* in Minsheu, from Late L. *refectorium*, a hall for meals in a convent.

**REFEL**, to refute. (L.) In Shak. Meas. v. 94; and Palsgrave.—L. *refellere*, to show to be false, refute.—L. *re-*, back again, in reply; and *fallere*, to deceive, &c. See **Re-** and **Fail, False**.

**REFER**, to reduce, assign, direct to an umpire. (F.—L.) '*Referre* you' = betake yourself; Henrysoun, Test. of Creseide, st. 43, l. 297.—OF. *referer* (14th cent., Littré), F. *référer*, to refer.—L. *referre*, to bear back, relate, refer.—L. *re-*, back; and *ferre*, cognate with E. *bear*. See **Re-** and **Bear** (1). **Der.** *refer-able*, also spelt *referr-ible* (see exx. in N. E. D.); *refer-ee*, in which the suffix answers to F. pp. suffix *-é*, as in other cases; *refer-ence*, Oth. i. 3. 238; *referend-ar-y*, i. e. a referee, Bacon, Essay 49, from MF. *referendaire*, which see in Cotgrave.

**REFINE**, to purify, make elegant. (F.—L.) In Spenser, Hymn 2, l. 47. Coined from *re-* and *fine*, but imitated from F. *raffiner*, 'to refine,' Cot. The F. *raffiner* is from *re-* and *affiner*, 'to refine, to fine as metals,' Cot.; where *af-* = L. *af-*, for *ad*, to, before *f* following; also *-finer* is due to F. *fin*, fine. The E. word ignores the second element. See **Re-** and **Fine** (1). **Der.** *refin-er*, *refin-er-y*; also *refine-ment*, imitated from F. *raffinement*, 'a refining,' Cot.

**REFLECT**, to throw or bend back, to ponder, think. (L.) In Shak. Rich. III, i. 4. 31. 'I *reflecte*, as the sonne beames do;' Palsgrave. [The sb. *reflexion* is in Chaucer, C. T. 10544 (F. 230).] —L. *reflectere*, to bend backwards.—L. *re-*, back; and *flectere*, to bend. See **Re-** and **Flexible**. **Der.** *reflect-ing*; *reflect-or*; *reflective*, also *reflect-ion*, for *reflex-ion*; *reflex-ive*, from F. *reflexif*, 'reflexive, reflexing,' Cot.; *reflect-ive-ly*, -ness; *reflex*, adj., from L. *reflexus*, pp. of *reflectere*; *reflex-ible*, *reflex-ibil-i-ty*.

**REFLUENT**, flowing back. (L.) Rare; in Pope, Odys. v. 550.—L. *refluent-*, stem of pres. part. of *refluere*, to flow back.—L. *re-*, back; and *fluere*, to flow; see **Re-** and **Fluent**. **Der.** *reflux*, sb., in Lydgate, Minor Poems, p. 194; from F. *reflux*, 'the ebb of the sea,' Cot.; see **Flux**.

**REFORM**, to shape anew, amend. (F.—L.) ME. *reformen*, Gower, C. A. i. 273; bk. ii. 3494.—F. *reformer*, 'to reform,' Cot.—L. *re-*, again; and *formāre*, to form, from *forma*, form; see **Re-** and

**Form**. **Der.** *reform-er*; *reform-at-ion*, Skelton, Garland of Laurel, 411, from F. *reformation*, 'reformation,' Cot. < L. acc. *reformātiōnem*, from *reformāre*; *reform-at-ive*, *reform-at-or-y*.

**REFRACT**, to bend aside rays of light. (L.) 'Visual beams *refracted* through another's eye;' Selden, Introd. to Drayton's Polyolbion (R.).—L. *refractus*, pp. of *refringere*, to break back, hence, to turn aside.—L. *re-*, back; and *frangere*, to break; see **Fragile**. **Der.** *refract-ion*, Chapman, Monsieur D'Olive, Act ii. sc. 1 (Vandome's 6th speech), from F. *refraction*, 'a rebound,' Cot.; *refract-ive*, *refract-ive-ness*. Also *refract-or-y*, Troil. ii. 2. 182, a mistaken form for *refractory*, from MF. *refractaire*, 'refractory,' Cot. < L. *refractūrius*, stubborn, obstinate. Hence *refract-or-i-ly*, *refract-or-i-ness*. Also *refrang-ible*, a mistaken form for *refring-ible*, from L. *refringere*; *refrang-ibil-i-ty*, Phillips, ed. 1706; cf. mod. F. *réfrangible*, *réfrangibilité*; but the F. words were borrowed from English works on optics. And see *refrain* (2).

**REFRAGABLE**, that may be refuted. (L.) In Bailey; who also has *refragability*; see **Irrefragable**.

**REFRAIN** (1), to restrain, forbear. (F.—L.) ME. *refreinen*, *refreyuen*; Wyclif, James, i. 26.—OF. *refrenere*, 'to bridle, repress;' Cot. [Cf. E. ordain < F. ordener.] —L. *refrenāre*, to bridle, hold in with a bit.—L. *re-*, back; and *frēnum*, a bit, curb, pl. *frēna*, curb and reins, a bridle. β. The L. *frē-num* may be for L. \**frēnd-num*; from *freudere*, to champ. ¶ As Littré well remarks, Cotgrave also has MF. *refreindre*, 'to bridle, restrain, hold in;' this is from L. *refringere*, to break back, and it seems probable that *refreiner* and *refreindre* were sometimes confused; see **Refract** and **Refrain** (2).

**REFRAIN** (2), the burden of a song. (F.—L.) ME. *refraïne*, Chaucer, Troil. ii. 1571. The sb. *refraining*, i. e. singing of the burden of a song, occurs in the Rom. of the Rose, 749.—F. *refrain*; '*refrain d'une balade*, the refret, or burden of a ballade,' Cot. Cf. Prov. *refranhs*, a refrain, *refranher*, to repeat (Bartsch); mod. Prov. *refrin*, *refrein*, *refrain* (Mistral); Port. *refrão*, Span. *refran*, a proverb, short saying in common use. So called from frequent repetition; the OF. *refreindre*, to hold in, pull back (Cotgrave), is the same word as Prov. *refranher*, to repeat; both are from L. *refringere*, to break back, hence, to pull back (and so to come back to, to repeat). β. So also the MF. *refret*, OF. *refrait* (12th c.), used in the same sense (whence E. *refret*, as in Cotgrave above), is from the L. *refractus*, pp. of *refringere*; see **Refract**. γ. The Prov. *refranhs* has its a from L. *frangere*. Körting, § 7894.

**REFRESH**, to enliven, revive. (F.—L. and G.) ME. *refreschen*, *refreschen*; Chaucer, C. T. 5620 (D 38); Gower, C. A. iii. 25; bk. vi. 710.—OF. *refreschir*, 'to refresh, coole;' Cot.—F. *re-* (= L. *re-*), again; and OHG. *frisc* (G. *frisch*), cognate with E. *fresh*, q.v. ¶ The element *fresh* is, in fact, also native English; but the compound *refresh* was nevertheless borrowed from French, as shown further by the early use of the derived sb. *refreshment*. **Der.** *refreshment*, in the Testament of Love, pt. iii. ch. 7, l. 31, OF. *refreschement*; cf. MF. *refreschissement*, 'a refreshment,' Cot.

**REFRIGERATE**, to cool. (L.) 'Their fury was asswaged and *refrigerate*;' Hall, Chronicle, Henry VII, an. 4. § 1; where it is used as a pp. Spelt *refrigerat*, Caxton, G. Legend, St. Silvester, § 1.—L. *refrigerātus*, pp. of *refrigerāre*, to make cool again.—L. *re-*, again; and *frigerāre*, to cool, from *frigus*, sb., cold. See **Re-** and **Frigid**. **Der.** *refrigerat-or*, *refrigerat-ion*, *refrigerat-ive*, *refrigerat-or-y*; also *refriger-ant*, from the stem of the pres. part. of *refrigerāre*.

**REFT**, pt. t. and pp. of **Reave**, q.v.

**REFUGE**, a shelter, retreat. (F.—L.) ME. *refuge*, Chaucer, C. T. 1722 (A 1720).—F. *refuge*, 'a refuge,' Cot.—L. *refugium*, an escape, a refuge.—L. *refugere*, to flee back, retreat.—L. *re-*, back; and *fugere*, to flee. See **Re-** and **Fugitive**. **Der.** *refug-ee*, Dryden, tr. of Juvenal, Sat. iii. 129, from F. *réfugié*, pp. of *se réfugier*, to take shelter.

**REFULGENT**, shining, brilliant. (L.) In Ben Jonson, The Barriers, Opinion's 4th speech.—L. *refulgent-*, stem of pres. part. of *refulgere*, to shine back, glitter.—L. *re-*, back; and *fulgere*, to shine. See **Re-** and **Fulgent**. **Der.** *refulgent-ly*, *refulgence*.

**REFUND**, to repay. (L.) '*Refund*, to melt again, reflow, cast out again, pay back;' Blount's Gloss., ed. 1674. [The sense answers to that of MF. *refonder*, 'to restore, pay back,' Cot. Perhaps it was borrowed from French, and accommodated to the L. spelling.]—L. *refundere*, to pour back, restore.—L. *re-*, back; and *fundere*, to pour. See **Re-** and **Fuse** (1). Perhaps allied to *refuse*, q.v.

**REFUSE**, to reject, deny a request. (F.—L.) ME. *refusen*, Rob. of Brunne, tr. of Langtoft, p. 103, l. 21.—OF. *refuser*, 'to refuse,' Cot. Cf. Port. *refusar*, Span. *rehusar* (for *refusar*), Ital. *refusare*. β. Of disputed origin. Diez supposes it to have arisen as another form of *refute* (L. *refutāre*), by confusion with L. *recūsāre*, to refuse. But Scheler well suggests that F. *refuser* clearly answers to a Late L. form \**refūsāre*, a frequentative form of *refundere* (pp.

*refusus*). The L. *refundere* meant to pour back, repay, restore, give back; and the sense of 'refusing' may have arisen from giving back a present. See above. Cf. *confuse*. Körtling, § 7897. Der. *refuse*, sb. (Levins), ME. *refuce*, Prompt. Parv., from MF. *refus*, 'refuse, outcasts, leavings,' Cot.; from the vb. Cf. OF. *mettre en refus*, *faire refus* à, to abandon, reject (Godefroy). Also *refus-al* (Levins), in which the suffix was added by analogy with *propos-al*, &c.

**REFUTE**, to oppose, dispose. (F.—L.) In Minshew, ed. 1627. —MF. *refuter*, 'to refute, confute,' Cot. —L. *refutāre*, to repel, repress, rebut, refute. The orig. sense was probably 'to pour back.' See **Re-** and **Confute**; also **Futile**. Der. *refut-able*; *refut-at-ion*, from MF. *refutation*, 'a refutation,' Cot.; *refut-at-or-y*, from L. adj. *refutātorius*.

**REGAIN**, to gain back. (F.—L. and Teut.) The sb. *regainyng* is in Hall's Chron. Hen. VI, an. 15. § 5. —MF. *regaigner*, 'to regaine,' Cot.; F. *regagner*. —F. *re-* (=L. *re-*, again); and MF. *gaigner* (F. *gagner*), to gain, a word of German origin, as shown under **Gain** (2).

**REGAL**, royal, kingly. (F.—L.) *Regall* occurs as a sb. in The Plowman's Tale, st. 19, l. 202; and as an adj. in Levins, ed. 1570. —MF. *regal*, 'regall, royal,' Cot. —L. *rēgālis*, royal, kingly. —L. *rēg-*, stem of *rex*, a king, with suffix *-ālis*. —L. *regere*, to rule. —**REG-**, to stretch, to govern; whence Skt. *rāj*, to govern. Cf. Skt. *rājan-*, a king; OIrish *ri*, a king. Brugmann, i. §§ 135, 549 c. Der. *regal-ly*, *regal-ity*; also *regal-ia*, q.v. From the same root are numerous words, such as *cor-rect*, *di-rect*, *e-rect*, *rectangle*, *rect-itude*, *rect-ify*, *rect-or*; *rajah*; *reach*, *right*, *rack* (1); *rig-id*, *reg-ent*, *regicide*, *regi-men*, *regi-ment*, *reg-ion*, *reg-ular*, *regnant*, *reign*, *rule*; also *dress*, *address*, *adroit*, *alert*, *dirge*, *escort*, *insurgent*, *insurrection*, *inter-regnum*, *real* (2), *realm*, *resource*, *resurrection*, *rule*, *sortie*, *source*, *surge*, *unruly*; cf. *rajah*, *rich*, *right*. Doublet, *royal*.

**REGALE**, to entertain, refresh. (F.—Ital.?) In Blount's Gloss., ed. 1674. —F. *régaler*, to entertain; see Littré. Cotgrave only gives *se regaler*, 'to make as much account of himself as if he were a king;' evidently in order to connect the word with F. *régal*, *regal*, *royal*; but this can hardly be right. Godefroy has OF. *regallir*, to feast. β. The word offers great difficulties. Minshew's Span. Dict. gives *regalar*, 'to cocker, to make much of, to melt.' Diez takes the sense 'to melt' to be the orig. one; whence to warm, cherish, entertain. He makes the Span. *regalar* = L. *regelāre*, to thaw, to melt, supposing that it was a very old word, adopted at a time when *g* had the same sound before both *a* and *e*. The L. *regelāre* is from *re-*, again, back, and *gelāre*, to freeze; the orig. sense being 'to unfreeze,' i.e. to thaw. See **Re-** and **Gelatine**. γ. But Hatzfeld connects F. *régaler* with Ital. *regalare*, to give presents to, from *gala*, mirth; cf. Span. *gala*, parade. See **Gala**. See further in Diez, Körtling, and Littré. Der. *regale-ment*.

**REGALIA**, insignia of a king. (L.) In Blount (1656). Merely L. *rēgālia*, lit. royal things, neut. pl. of *rēgālis*, royal; see **Regal**.

**REGARD**, to observe, respect, consider. (F.—L. and OHG.) In Palsgrave, spelt *regarde*. The sb. *regard* seems to be in earlier use in E., occurring in Chaucer, in the phr. *at regard of*, Pers. Tale, (Six-text, Group I, 788); but the verb is the orig. word in French. —F. *regarder*, 'to look, eye, see, view,' Cot. —F. *re-*, again; and *garder*, 'to keep, heed, mark,' Cot. See **Re-** and **Guard**. Der. *regard*, sb., as above; *regard-er*; *regard-ful*; *regard-ful-ly*, Timon, iv. 3. 81; *regard-less*, *regard-less-ly*, -ness. Doublet, *reward*, vb.

**REGATTA**, a rowing or sailing match. (Ital.) Properly a rowing match; a Venetian word, as explained in the quotation from Drummond's Travels, p. 84, in Todd's Johnson; a book which Todd dates A.D. 1744, but Lowndes in 1754. —Ital. *regatta*, *rigatta*, 'a strife or contention for the maistrise,' Florio. Cf. Mital. *rigattare*, 'to wrangle, sell by retail as hucksters do, to contend, to cope or fight,' Florio. This is allied to Span. *regatear*, to haggle, retail provisions, also to rival in sailing (Neuman); Span. *regateo*, a haggling, a regatta. Of unknown origin.

**REGENERATE**, to renew, produce anew. (L.) In Caxton, G. Legend, St. Genevefe, § 2. —L. *regenerātus*, pp. of *regenerāre*, to generate again. —L. *re-*, again; and *generāre*; see **Re-** and **Gene-rate**. Der. *regenerat-ion*, ME. *regeneracioun*, Wyclif, Matt. xix. 28, from OF. *regeneration* (14th cent., Littré) < L. acc. *regenerātiōnem*; *regenerat-ive*.

**REGENT**, invested with authority for an interim period. (F.—L.) In Skelton, Against the Scottes, l. 114. —MF. *regent*, 'a regent, protector, vice-gerent,' Cot. —L. *regent-*, stem of pres. part. of *regere*, to rule. See **Regal**. Der. *regent-ship*; also *regency*, formed with suffix *-y* from F. *regence*, 'the regency,' Cot.

**REGICIDE**, the slayer of a king; or, the slaying of a king. (F.—L.) 1. The former is the older sense. 'Regicide, a king-killer,' Minshew. —F. *regicide*, omitted by Cotgrave, but cited by Minshew. Coined from L. *rēgi-*, from *rex*, a king; and *-cida*, a

slayer, as in *fratri-cida*, *matrī-cida*. See **Fatricide**, **Matricide**, **Parricide**. 2. The latter answers to a word coined from L. *rēgi-* and *-cidium*, a slaying. Der. *regicid-al*.

**REGIMEN**, a prescribed rule, rule of diet. (L.) In Phillips, ed. 1706; ME. *regimen*, Lanfrank, Chirurgie, p. 60. —L. *regimen*, guidance; formed with suffix *-men* from *regere*, to rule; see **Regal**.

**REGIMENT**, a body of soldiers commanded by a colonel. (F.—L.) Shak. has it in this sense, All's Well, ii. 1. 42; and also in the sense of 'government,' or sway; Antony, iii. 6. 95. In the latter sense, the word is old, and occurs in Gower, C. A. i. 218; bk. ii. 1751. —MF. *regiment*, 'a regiment of souldiers,' Cot. In older F., it meant 'government;' see Littré. —L. *regimentum*, rule, government; formed with suffixes *-men-to* from *regere*, to rule; see **Regimen**, **Regal**. Der. *regiment-al*.

**REGION**, a district, country. (F.—L.) ME. *regioun*, King Alisaunder, l. 82. —MF. *region*, 'a region,' Cot. —L. *regiōnem*, acc. of *regio*, a direction, quarter, district (Bréal). —L. *regere*, to rule, direct. See **Regal**.

**REGISTER**, a written record of past events. (F.—L.) ME. *registre*, P. Plowman, B. xx. 269. —F. *registre*, 'a record, register,' Cot. Cf. Ital. and Span. *registro*, Port. *registro*, *registro*, the last being the best form. —Late L. *registrum*, more correctly *regestum*, a book in which things are recorded (*regeruntur*); see Ducange. —L. *regestum*, neut. of *regestus*, pp. of *regerere*, to record, lit. to bring back. —L. *re-*, back; and *gerere*, to bring; see **Re-** and **Jest**. Der. *register*, verb, L. L. L. i. 1. 2, and in Palsgrave; *registr-ar*, ME. *registrere*, P. Plowman, B. xix. 254; *registr-ar-ship*; *registr-ar-y* (Late L. *registrār-ius*); *registr-y*; *registr-at-ion*.

**REGLET**, a strip of wood, less than type-high, used in printing for making blanks between lines. (F.—L.) F. *réglet* (Hatzfeld); dimin. of *règle*, a rule. —L. *rēgula*, a rule; see **Rule**.

**REGNANT**, reigning. (L.) Mere Latin. —L. *regnant-*, stem of pres. pt. of *regnāre*, to reign. —L. *regnum*, a kingdom; see **Reign**. Der. *regnanc-y*.

**REGRESS**, return. (L.) In Shak. Merry Wives, ii. 1. 226; and in Minshew, ed. 1627. —L. *regressus*, a return. —L. *regressus*, pp. of *regredi*, to go back. —L. *re-*, back; and *gradī*, to go. See **Re-** and **Grade**. Der. *regress*, verb; *regress-ion* (L. *regressio*); *regress-ive*.

**REGRET**, sorrow, grief. (F.—L. and Scand.?) The verb is in Pope, Epitaph on Fenton, l. 8. ME. *regretten*, The Pearl, 243. The sb. is in Spenser, F. Q. i. 7. 20. 'Hie regrate And still mourning,' Henrysoun, Test. of Crescide, st. 57, l. 397. —F. *regret*, 'desire, wille, also griefe, sorrow,' Cot. He also gives: *à regret*, 'loathly, unwillingly, with an ill stomach, hardly, mauer his head, full sore against his will,' Cot. Cf. *regretter*, 'to desire, affect, wish for, bewaile, bemoane, lament,' id. The F. *regretter* corresponds to an OF. *regrater*, of which Scheler cites two examples; cf. AF. *regretant*, pres. pt., bewailing, in Wace, St. Nicholas, l. 187. β. The etymology is much disputed; but, as the word occurs in no other Romance language, it is prob. of Teut. origin, the prefix *re-* being, of course, Latin. Perhaps from the Scand. verb which appears in Icel. *grāta*, to weep, bewail, mourn, Swed. *grāta*, Dan. *græde*, allied to Goth. *grētan*, AS. *grētan*, ME. *greten*, Lowland Sc. *greit*. See **Greet** (2). Wedgwood well cites from Palsgrave: 'I mone as a chylde doth for the wantyng of his nourse or mother, *je regrette*.' Others suggest L. *requiritāri*, but *quiritāri* became F. *crier*; see **Cry**. See the whole discussion in Scheler, and Körtling, § 7989. Der. *regret*, verb, as above; *regret-ful*, *regret-ful-ly*.

**REGULAR**, according to rule. (L.) 'And as these chanouns regulers,' i.e. regular canons; Rom. of the Rose, 6694. Rather directly from L. *regulāris* than from OF. *regulier*. —L. *rēgula*, a rule. L. *reg-ere*, to rule, govern; see **Regal**. Der. *regular-ly*; *regular-ity*, from OF. *regularité* (14th cent., Littré); *regul-ate*, from L. *regulātus*, pp. of *regulāre*; *regul-at-ion*, *regulat-ive*, *regulat-or*.

**REHEARSE**, to repeat what has been said. (F.—L.) ME. *rehercen*, *rehercen*; P. Plowman, C. xviii. 25; A. i. 22. —OF. *rehercer*, 'to harrow over again,' Cot.; better spelt *rehercer*, as in AF. *rehercer*, to repeat, in A Nominale, ed. Skeat, l. 405. From the sense of harrowing again we easily pass to the sense of 'going again over the same ground,' and hence to that of repetition. Cf. the phrase 'to rake up an old story.' —F. *re-* (=L. *re-*), again; and *hercer*, 'to harrow,' Cot., from *herce*, a harrow. The sb. *herce*, whence E. *hearse*, changed its meaning far more than the present word did; see **Re-** and **Hearse**. Der. *rehears-al*, spelt *rehersall* in Palsgrave; ME. *rehersaille*, Chaucer, C. T., G 852.

**REIGN**, rule, dominion. (F.—L.) ME. *regne*, Chaucer, C. T. 1638; spelt *rengne*, King Horn, ed. Lumby, 901, 908. —OF. *regne*, 'a realme,' Cot. —L. *regnum*, a kingdom. —L. *reg-ere*, to rule; see **Regal**. Der. *reign*, verb, ME. *regnēn*, Havelok, 2586, from OF. *regner*, from L. *regnāre*, to reign. And see *regn-ant*.

**REIMBURSE**, to refund, repay for a loss. (F.—L. and Gk.) In Cotgrave; and in Phillips, ed. 1706. An adaptation of F. *rembourser*, made more full in order to be more explicit; the F. prefix *rem-* answering to L. *re-im-*, where *im-* stands for *in* before *b* following. ‘*Rembourser*, to re-imburse, to restore money spent;’ Cot. For the rest of the word, see **PURSE**. Der. *reimburse-ment*, from F. *rem-boursement*, ‘a re-imbursement;’ Cot.

**REIN**, the strap of a bridle. (F.—L.) ME. *reine*, *reyne*, King Alisaunder, 786. —OF. *reine*, ‘the reign of a bridle;’ Cot. Mod. F. *rêne*. The OF. also has *resne*, *redne*, corresponding to Ital. *redina*, and to Span. *rienda* (a transposed form, for *redina*); and these further correspond to a Late L. type *\*retina* (Ital. *retina*), easily evolved from L. *retinēre*, to hold back, restrain, whence was formed the classical L. *retinaculum*, a tether, halter, rein. See **RETAIN**. Der. *rein*, verb, *rein-less*.

**REINDEER, RAINDOER**, a kind of deer. (Scand. and E.) Spelt *raynedere*, Morte Arthure, ed. Brock, 922. Perhaps the obscure word *ron*, in An Old Eng. Miscellany, ed. Morris, p. 92, l. 71, means a reindeer, as suggested by Stratmann. Formed by adding *deer* (an E. word) to Icel. *hreinn*, a reindeer, answering to MSwed. *ren*, and to AS. *hrān*, in Ælfred’s tr. of Orosius, i. 1. § 15. [The AS. *hrān* accounts for ME. *ron* (above).] We find also Dan. *rendyr*, Du. *rendier*, G. *renthier*, all borrowed forms. A genuine Teut. word, as the forms show. Teut. type *\*hrainoz*. β. Diez refers us to the Lapp and Finnish word *raingo*, but this is a mere misspelling of Swed. *renko*, lit. ‘rein-cow,’ the female of the reindeer. The true Lapp word for reindeer is *pātso*, and the word *reino*, pasturage or herding of cattle, does not help us.

**REINS**, the lower part of the back. (F.—L.) ME. *reines*; spelt *reynes* in Wyclif, Wisdom, i. 6, later version; *reenus*, earlier version. —OF. *reins*, ‘the reines;’ Cot. —L. *rēnēs*, s. pl., the kidneys, reins, loins. Hardly allied to Gk. *φρήν*, the midriff; pl. *φρένες*, the parts about the heart or liver. See **FRENZY**. Der. *ren-al*.

**REINSTATE, REINVEST, REINVIGORATE, REISSUE, REITERATE**; see **INSTATE, INVEST, &c.**

**REJECT**, to throw away or aside. (F.—L.) ‘I *reecte*, I caste away, *je reecte*;’ Palsgrave, ed. 1530. —MF. *rejecter*; mod. F. *rejeter*. The F. word was spelt *rejecter* in the 16th century, and our word seems to have been borrowed from it rather than from Latin directly; the still older spelling in OF. was *regeter*. —OF. *re-* (= L. *re-*), back; and OF. *geter*, *getter*, mod. F. *jeter*, to throw, from L. *iactāre*. See **Re-** and **Jet** (1). Cf. L. *rejectus*, pp. of *reicere*, to reject, compounded of *re-* and *iacere*, to throw. Der. *reject-ion*, from MF. *rejection*, ‘a rejection;’ Cot.

**REJOICE**, to feel glad, exult. (F.—L.) ME. *reioisen*, *reioicen* (with *i=j*), to rejoice; Chaucer, C. T. 9867 (E 1993); P. Plowman, C. xviii. 198. —OF. *resjoīs*, stem of pres. part. of *resjoīr*, mod. F. *réjoir*, to gladden, rejoice. —OF. *re-* (= L. *re-*), again; and *esjoīr* (mod. F. *éjoir*), to rejoice, used reflexively. β. Again, the OF. *esjoir* is from L. *ex-*, and the vb. *joir* (mod. F. *jouir*), derived, like Ital. *godere*, from L. *gaudēre*, to rejoice. See **Re-**, **Ex-**, and **Joy**. Der. *rejoicing*, *rejoic-ing-ly*.

**REJOIN**, to join again. (F.—L.) Esp. used in the legal sense ‘to answer to a reply.’ ‘I *rejoyne*, as men do that answer to the lawe and make answer to the byll that is put up agaynst them;’ Palsgrave. —F. *rejoign-*, a stem of *rejoindre*, ‘to rejoin;’ Cot. See **Re-** and **Join**. Der. *rejoinder*, Sir T. Elyot, The Governour, b. i. c. 14. § 8, which is the F. infin. mood used substantively, like *attainder*, *remainder*.

**REJUVENATE**, to make young again. (L.) From L. *re-*, again; and *iuvēn-*, for *iuvēnis*, young; with pp. suffix *-ātus*. See **Juvenile**.

**RELAPSE**, to slide back into a former state. (L.) As sb. in Minshew, ed. 1627, and in Shak. Per. iii. 2. 110. Cotgrave translates the MF. *relaps* by ‘relapsed.’ [There is no classical L. sb. *relapsus*.] —L. *relapsus*, pp. of *relābī*, to slide back. See **Re-** and **Lapse**. Der. *relapse*, sb.

**RELATE**, to describe, tell. (F.—L.) In Spenser, F. Q. iii. 8. 51; and in Palsgrave. —F. *relater*, ‘to relate;’ Cot. —Late L. *relātāre*, to relate. —L. *relātum*, used as supine of *referre*, to relate; which is, however, from a different root. —L. *re-*, back; and *lātum*, supine, *lātus*, pp., for *tlātus*, pp. of *tollere*, to lift, bear. See **Re-**; and see **Elate**. Der. *relat-ed*; *relat-ion*, P. Plowman, C. iv. 363, from F. *relation*, ‘a relation;’ Cot.; *relat-ive*, ME. *relatif*, P. Plowman, C. iv. 391, from F. *relatif*; *relat-ive-ly*.

**RELAX**, to slacken, loosen. (L.) In Milton, P. L. vi. 599. [Bacon has *relax* as an adj., Nat. Hist. § 381.] —L. *relaxāre*, to relax. —L. *re-*, back; and *laxāre*, to loosen, from *laxus*, loose; see **Re-** and **Lax**. Der. *relax-at-ion*, in Minshew, from F. *relaxation*, ‘a relaxation;’ Cot. Doublet, *release*.

**RELAY** (1), a set of fresh dogs or horses, a fresh supply. (F.—

L.) Orig. used of dogs. ‘What *relays* set you? None at all, we laid not in one fresh dog;’ Ben Jonson, Sad Shepherd, Act i. sc. 2. ME. *relaye*, in the same sense, Chaucer, Book of the Duchess, 362. —F. *relais*, a relay; *par relais*, ‘by turns,’ i. e. by relays, Cot. He also gives: ‘*chiens de relais*, dogs layd for a backset,’ i. e. kept in reserve; ‘*chevaux de relais*, horses layed in certain places on the highway, for the more haste making.’ He explains *relais* as ‘a seat or standing for such as hold *chiens de relais*,’ i. e. a station. See OF. *relais*, that which remains, in Godefroy. β. The word presents some difficulty. Mr. Wedgwood quotes from Torriano: ‘*Canis di rilasso*, fresh hounds laid for a supply set upon a deer already hunted by other dogs.’ Also spelt *rilascio*, and allied to Ital. *rilasciare* (from L. *relaxāre*), OF. *relaissier*, to relinquish, and E. **Relax, Release**, q. v. Körting, § 7930. Cf. ‘à *relais*, spared, at rest, that is not used,’ Cot. γ. It will be seen that *relay* was a new singular, due to a mistaken notion that the F. *relais* was a plural. So also in French, an OF. verb *relayer* was made out of a false sing. *\*relai*. The OF. *relais*, though usually sing., is sometimes treated as a plural, preceded by *les* instead of *le*. See **Relish**.

**RELAY** (2), to lay again. (Hybrid; L. and E.) Simply compounded of **Re-** and **Lay**; and distinct from the word above.

**RELEASE**, to set free, relieve, let go. (F.—L.) ME. *relessen*, P. Plowman, B. iii. 58; *relesen*, Chaucer, C. T. 8029 (E 153). —OF. *relessier*, MF. *relaissier*, ‘to release,’ Cot. —L. *relaxāre*, to relax; see **Relax**. Der. *release*, sb., OF. *reles*, for *relais*. Doublet, *relax*.

**RELEGATE**, to consign to exile. (L.) ‘To *relegate*, or exile;’ Minshew, ed. 1627. —L. *relegātus*, pp. of *relegāre*, to send away, dispatch, remove. —L. *re-*, back, away; and *legāre*, to send. See **Re-** and **Legate**. Der. *relegat-ion*, from MF. *relegation*, ‘a relegation;’ Cot.

**RELENT**, to grow tender, feel compassion. (F.—L.) In The Lamentacion of Mary Magdalene, st. 70, l. 489. Altered from F. *ralentir*, ‘to slacken, . . to relent in;’ Cot. Cf. L. *relentescere*, to slacken. —F. *re-* and *a* (shortened to *ra-*), from L. *re-* and *ad-*; and *lentus*, slack, slow, also tenacious, pliant, akin to E. *lithe*; see **Lithe**. The L. *relentescere* is simply from *re-* and *lentus*, omitting *ad*. Der. *relent-less*, *-ly*, *-ness*.

**RELEVANT**, relating to the matter in hand. (F.—L.) ‘To make our probations and arguments *relevant*;’ King Chas. I, Letter to A. Henderson, p. 55 (R.). It means ‘assisting’ or helpful. —F. *relevant*, pres. part. of *relever*, ‘to raise up, also to assist;’ Cot. —L. *relevāre*, to lift up again. —L. *re-*, again; and *levāre*, to lift, from *levis*, light; see **Re-** and **Levity**. Der. *relevance*, *relevanc-y*; *irrelevant*.

**RELIC**, a memorial, remnant, esp. a memorial of a saint. (F.—L.) Chiefly in the plural; ME. *relykes*, s. pl., Rob. of Glouc. p. 177, l. 3688; Chaucer, C. T. 703 (A 701). —F. *reliques*, s. pl., ‘reliques;’ Cot. —L. *reliquiās*, acc. of *reliquiā*, pl., remains, relics. —L. *relinquere* (pt. t. *reliqui*, pp. *relictus*), to leave behind. —L. *re-*, back, behind; and *linquere*, to leave, allied to E. *loan*. See **Re-** and **Loan**. And see **Relinquish, Relict**. Der. *reliqu-ar-y*, q. v.

**RELICT**, a widow. (F.—L.) In Phillips, ed. 1658. First in 1545 (N.E.D.). —OF. *relicte*, f., a widow (Godefroy). —L. *relicta*, fem. of *relictus*, left behind, pp. of *relinquere*; see **Relic, Relinquish**.

**RELIEVE**, to ease, help, free from oppression. (F.—L.) ME. *releuen* (with *u=v*), P. Plowman, B. vii. 32; Chaucer, C. T. 4180 (A 4182). —F. *relever*, ‘to raise up, relieve;’ Cot. —L. *relevāre*, to lift up. —L. *re-*, again; and *levāre*, to lift, from *levis*, light. See **Re-** and **Lever**. Der. *relief*, ME. *relief*, Gower, C. A. iii. 23, bk. vi. 640; from OF. *relief*, mod. F. *relief*, a sb. due to the verb *relever*; hence *bas-relief*; also *rilievo*, from Ital. *rilievo*, the relief or projection of a sculptured figure. And see *relev-ant*.

**RELIGION**, piety, the performance of duties to God and man. (F.—L.) In early use. Spelt *religiun*, O. Eng. Homilies, ed. Morris, ii. 49, l. 13; Ancren Riwle, p. 8. —F. *religion*. —L. *religiōnem*, acc. of *religio*, piety. Allied to *religens*, fearing the gods, pious. [And therefore not derived from *religāre*, to bind.] The opposite of *nēgligens*, negligent; see **Neglect**. Allied also to *dī-ligens*, diligent. β. ‘It is clear that ἀλέγω is the opposite of L. *nec-lego* [*neglego*, *negligo*], and θεῶν ὄπιν οὐκ ἀλέγοντες (Homer, Il. xvi. 388) is the exact counterpart of L. *religens* and *religio*;’ Curtius, i. 454. Thus *religion* and *neglect* are from the same root LEG, which appears also in Gk. ἀλέγειν, to have a care for, to heed; cf. also Gk. ἄλγος, care, sorrow. Der. *religion-ist*; *religi-ous*, from F. *religieux*, ‘religious;’ Cot., which from L. *religiōsus*; *religi-ous-ly*.

**RELINQUISH**, to leave, abandon. (F.—L.) In Levins, ed. 1570. —MF. *relinquiss-*, stem of pres. part. of *relinquir* (Burguy); cf. Norm. dial. *relenquir* (Moisy). —L. *relinquere*, to leave; by a change of conjugation, of which there are several other examples. See **Relic**. Der. *relinquish-ment*.

**RELIQUARY**, a casket for holding relics. (F.—L.) In

Blount's Gloss., ed. 1674. — F. *reliquaire*, 'a casket wherein reliques be kept;' Cot. — Late L. *reliquiāre*, neut. sb., or *reliquiārium*, a reliquary; Ducange. — L. *reliquiū-*, stem of *reliqua*, relics. See **Relic**.

**RELIQUE**, the same as **Relic**, q. v.

**RELISH**, orig. an after-taste; hence, as verb, to have a pleasing taste, to taste with pleasure. (F. — L.) The verb is in Shak. Temp. v. 23; Wint. Tale, v. 2. 132. The sb. is in Tw. Nt. iv. 1. 64; and in Palsgrave. ME. *reles*, an after-taste, Sir Cleges, 208; *reles*, 'tast or odowre,' Prompt. Parv. — OF. *reles*, *relais*, that which is left behind; also a relay; see **Relay** (1). Cf. mod. Prov. *relais*, a slight return of a disease. See Notes on Eng. Etym. p. 246.

**RELUCTANT**, striving against, unwilling. (L.) In Milton, P. L. iv. 311. — L. *reluctant-*, stem of pres. part. of *reluctāre*, *reluctārī*, to struggle against. — L. *re-*, back, against; and *luctārī*, to struggle, wrestle, from *lucta*, a wrestling. β. *Luc-ta* stands for \**lug-ta*; cf. Gk. *λυγ-ίξω*, to bend, twist, writhe in wrestling, overmaster; Lith. *lūgnas*, flexible. (✓LEUG.) Der. *reluctant-ly*, *reluctance*, Milton, P. L. ii. 337; *reluctanc-y*.

**RELY**, to rest or repose on, trust fully. (F. — L.; influenced by E.) The mod. sense suggests that it is a barbarous word, compounded of L. *re-* and E. *lie*, verb, to rest; but if this were so, the pt. t. would be *relay*, and the pp. *reliain*. Shakespeare is an early authority for it, and he always uses it with the prep. *on* (five times) or *upon* (once). He also has *reliance*, followed by *on*, Timon, ii. 1. 22. So also to *rely on*, Drayton, Miseries of Q. Margaret, st. 123; Dryden, Epistle to J. Dryden, 139; *relying in*, P. Fletcher, Eliza, an Elegy, l. 34; *reliers on*, Beaum. and Fletcher, Woman's Prize, i. 3 (Petruchio's 24th speech). Thus to *rely on* often suggests the notion of to lie back on, to lean on.

β. But the right origin is rather the OF. *relier*, from the L. *religāre*, lit. to bind again. — L. *re-*, again; and *ligāre*, to bind; see **Ligament**. The E. verb signified at first 'to rally,' whence the sense of to trust to, depend upon, &c. F. Hall, in his work on Eng. adjs. in *-able*, gives examples. Thus we find: 'Therefore [they] must needs *relye* their faith *upon* the sillie ministers;' H. T.; in Anth. Wotton's Answer to a Popish Pamphlet, 1605, p. 19. 'Whereon these [men] . . . rest and *relye* themselves;' A World of Wonders, 1607; p. 21. Der. *reli-able*, a compound adj. which has completely established itself, and is by no means a new word, to which many frivolous and ignorant objections have been made; it was used by Coleridge in 1800, in the Morning Post of Feb. 18; see F. Hall, On Eng. Adjectives in *-able*, with special reference to *Reliable*, p. 29. Hence *reli-abil-i-ty*, used by Coleridge in 1816; *reli-able-ness*, also used by the same writer. Also *reli-ance*, in Shak., as above, from OF. *reliance* (< L. *religantia*), in Godefroy. Also *reli-er*, as above.

**REMAIN**, to stay or be left behind. (F. — L.) Spelt *remayne* in Palsgrave. Due to the OF. 1 p. pres. sing. *je remain*; cf. the impers. verb *il remaint*, as in the proverb '*beaucoup remaint de ce que fol pense*, much is behind of that a fool accounts of, a fool comes ever short of his intentions,' Cot. The infin. *remanere* is preserved in our sb. *remainder*; cf. E. *rejoinder* from F. *rejoindre*, E. *attainder* from F. *atteindre*. Cf. L. *remanet*, it remains; *remanēre*, to remain. — L. *re-*, behind; and *manēre*, to remain; see **Re-** and **Manor**. Der. *remains*, s. pl., Titus Andron., i. 81; *remain-der*, Temp. v. 13, see above. And see **remnant**.

**REMAND**, to send back. (F. — L.) 'Wherevpon he was *remaunded*;' Berners, tr. of Froissart, v. ii. c. 206 (R.). — OF. *remander*, 'to send for back again;' Cot. — L. *remandāre*, to send back word. — L. *re-*, back; and *mandāre*, to enjoin, send word; see **Re-** and **Mandate**.

**REMARK**, to take notice of. (F. — L. and Tent.) Shak. has *remark'd*, Hen. VIII, v. 1. 33; and *remarkable*, Antony, iv. 15. 67. — F. *remarquer*, 'to mark, note, heed;' Cot. — L. *re-*, again; and *marquer*, to mark, allied to *marque*, sb., a mark, OF. *merc* (Hatzfeld); which is from G. *marke*, cognate with E. *mark*; see **Re-** and **Mark** (1). Der. *remark-able*, from F. *remarquable*, 'remarkable,' Cot.; *remark-abl-y*; *remark-able-ness*.

**REMEDY**, that which restores, repairs, or heals. (F. — L.) ME. *remedie*, Chaucer, C. T. 1276 (A 1274); Ancren Riwle, p. 124, l. 22. — AF. *remedie*, Stat. Realm, i. 28 (1275); cf. MF. *remede*, mod. F. *remède*, a remedy. [Cf. OF. *remedier*, verb, to remedy.] — L. *remedium*, a remedy; lit. that which heals again. — L. *re-*, again; and *mederi*, to heal; see **Re-** and **Medical**. Der. *remedy*, verb (Levins, Palsgrave), from F. *remedier*; *remedi-able* (Levins); *remedi-al*, a coined word; *remedi-al-ly*.

**REMEMBER**, to recall to mind. (F. — L.) ME. *remembren*, Chaucer, C. T. 1503 (A 1501). — OF. *remembrer*, used reflexively, 'to remember;' Cot. Formed, with excrement *b* after *m*, due to stress, from L. *rememorārī*, to remember; which gave rise to \**remem'rer* in OF. — L. *re-*, again; and *memorāre*, to make mention of,

from *memor*, mindful. See **Re-** and **Memory**. Der. *remembrance*, Chaucer, C. T. 8799 (E 923), from F. *remembrance*; *remembranc-er*, Macb. iii. 4. 37.

**REMIND**, to bring to the mind again. (Hybrid; L. and E.) A barbarous compound; from L. *re-*, again; and E. *mind*. Rather a late word; in Bailey's Dict. vol. ii. ed. 1731. See **Re-** and **Mind**.

**REMINISCENCE**, recollection. (F. — L.) In Blount's Gloss., ed. 1674. Spelt *reminiscens*, Pottenham, E. Poesie, ed. Arber, b. iii. c. 25; p. 312. — MF. *reminiscence*, 'remembrance of things;' Cot. — L. *reminiscentia*, remembrance. — L. *reminiscent-*, stem of pres. part. of *reminisci*, to remember, an inceptive verb, with suffix *-sci*. — L. *re-*, again; and *min-*, as in *me-min-i*, I remember, think over again, from ✓**MEN**, to think. Allied to Gk. *μν-μν-a*, I yearn, Skt. *man*, to think. Brugmann, i. § 431 (2). See **Re-** and **Mental**.

**REMIT**, to pardon, abate. (L.) 'Whether the consayle be good, I *remytte* [leave] it to the wyse reders;' Sir T. Elyot, The Governour, b. iii. c. 27 (near the end). '*Remyttinge* [referring] them . . . to the workes of Galene;' id., Castel of Helth, b. iii. c. 1. — L. *remittere*, to send back, slacken, abate. — L. *re-*, back; and *mittere*, to send; see **Re-** and **Mission**. Der. *remitt-er*, *remitt-ance*, *remitt-ent*; *remiss*, adj. (spelt *remysse*, Barclay, Ship of Fools, ii. 243), from L. *remissus*, pp. of *remittere*; *remiss-ly*, *remiss-ness*; *remiss-ible*, from L. *remissibilis*; *remiss-ibil-i-ty*; *remiss-ive*. Also *remiss-ion*, ME. *remission*, Ancren Riwle, p. 346, l. 21, from MF. *remission* (Cot.) < L. acc. *remissionem*, from nom. *remissio*.

**REMNANT**, a remainder, fragment. (F. — L.) ME. *remenant*, *remenaunt*, King Alisaunder, 5707. — OF. *remanant*, MF. *remenant*, *remanent*, 'a remnant, residue;' Cot. — L. *remanent-*, stem of pres. part. of *remanēre*, to remain; see **Remain**.

**REMONSTRATE**, to adduce strong reasons against. (L.) See Trench, Select Glossary. See Milton, Animadversions upon the Remonstrant's Defence. The sb. *remonstrance* is in Shak. Meas. v. 397. — Late L. *remonstrātus*, pp. of *remonstrāre*, to expose, exhibit; used A.D. 1482 (Ducange); hence, to produce arguments. — L. *re-*, again; and *monstrāre*, to show, exhibit; see **Re-** and **Monster**. Der. *remonstrant*, from the stem of the pres. part.; *remonstrance*, from MF. *remonstrance*, 'a remonstrance,' Cot., Late L. *remonstrantia*.

**REMORA**, the sucking-fish. (L.) 'A little fish, that men call *remora*;' Spenser, Visions of the World's Vanitie, l. 108. Cf. MF. *remore*, 'the suck-stone; a little fish, which cleaving to the keele of a ship, hinders the course of it;' Cot. Such was the old belief. — L. *remora*, a hindrance, delay; afterwards used as the name of the fish. — L. *re-*, back; and *mora*, delay.

**REMORSE**, pain or anguish for guilt. (F. — L.) ME. *remors*. 'But for she had a maner *remors*;' Lydgate, Storie of Thebes, pt. iii (Of the wife of Amphiorax). 'Som *remors* of conscience;' Chaucer, Troil. i. 554. — OF. *remors*, 'remorse;' Cot. — Late L. *remorsus* (also *remorsio*), remorse; Ducange. — L. *remorsus*, pp. of *remordere*, to bite again, vex. — L. *re-*, again; and *mordere*, to bite; see **Re-** and **Mordacious**. ¶ Chaucer has the verb *remord* (< OF. *remordre*), tr. of Boethius, b. 4, pr. 6, l. 182. Der. *remorse-ful*, Rich. III, i. 2. 156; *remorse-ful-ly*; *remorse-less*, Hamlet, ii. 2. 609; *remorse-less-ly*, *-ness*.

**REMOTE**, distant. (L.) In Spenser, F. Q. iii. 4. 6. [Cf. MF. *remot*, m., *remote*, f., 'remote, removed;' Cot.] Directly, from L. *remōtus*, pp. of *remouēre*, to remove; see **Remove**. Der. *remote-ly*, *-ness*; also *remot-ion* = removal, Timon, iv. 3. 346.

**REMOUNT**, to mount again. (F. — L.) Also transitively, to cause to rise again, as in ME. *remounten*, Chaucer, tr. of Boethius, b. iii. pr. 1, l. 6. — F. *remonter*, 'to remount;' Cot. — F. *re-*, again; and *monter*, to mount; see **Re-** and **Mount** (2).

**REMOVE**, to move away, withdraw. (F. — L.) ME. *remeuen* (*remeven*), Chaucer, Troil. i. 691, where *remeue* rimes with *preue*, a proof. Just as we find ME. *remeuen* for mod. E. *remove*, so we find ME. *preuen* for mod. E. *prove*, *preue* for *proof*. Palsgrave uses *remeue* and *remove* convertibly: 'I *remeue*, as an armye . . . *removeth* from one place to another.' — OF. *remouvoir*, 'to remove, retire;' Cot. — F. *re-*, again; and OF. *mouvoir*, to move; see **Re-** and **Move**. ¶ The ME. *remewen*, to remove, Chaucer, C. T. 10495 (F 181), has nearly the same sense, but is quite a different word, answering to OF. *remuēr*, 'to move, stir,' Cot., from L. *re-* and *mūtāre*, to change. Der. *remov-able* (Levins), *remov-abil-i-ty*; *remov-al*, a coined word; *remov-er*, Shak. Sonn. 116, *remov-ed-ness*, Wint. Tale, iv. 2. 41. Also *remote*, q. v.

**REMUNERATE**, to recompense. (L.) In Shak. Titus, i. 398. — L. *remunerātus*, pp. of *remunerāre*, *remunerārī*, to reward. — L. *re-*, again; and *munerāre*, *munerārī*, to discharge an office, also to give, from *mūner-*, decl. stem of *mūnus*, a gift. See **Re-** and **Munificent**. Der. *remuner-able*, *remunerat-ion*, L. L. L. iii. 133, ME. *remuneration*, Dictes, pr. by Caxton, fol. 6, from MF. *remuneration*, 'a remuneration,' Cot. < L. *remunerātiōnem*, acc. of *remunerātiō*; *remunerat-ive*.

**RENAISSANCE**, a revival; esp. used of the revival of the classical art and letters, chiefly at the end of the fifteenth century. (F.—L.) Also called *renascence*, which is the L. form.—F. *renaissance*, a new birth; Cot.—L. *re-*, again; and *nascentia*, birth (Vitruvius), from *nascent-*, pres. pt. stem of *nasci*, to be born; see **Nascent**.

**RENAL**, pertaining to the reins. (F.—L.) Medical.—MF. *renal*, 'belonging to the kidneys'; Cot.—L. *renālis*, adj., formed from *rēn-ēs*, the reins; see **Reins**.

**RENARD**, a fox; see **Roynard**.

**RENASCENT**; from **Re-** and **Nascent**.

**RENCOUNTER, RENCONTRE**, a meeting, collision, chance combat. (F.—L.) Now commonly *rencontre*; formerly *ren-counter*, used as a verb by Spenser, F. Q. i. 4. 39; and as a sb., iii. 1. 9.—F. *rencontre*, 'a meeting, or encounter . . . by chance'; Cot. Cf. *rencontrer*, verb, 'to encounter, meet'; id. Contracted forms for \**reïncontre*, \**reïncontrer*.—F. *re-* (= L. *re-*), again; and *encontrer*, to meet; see **Re-** and **Encounter**. ¶ Hence the spelling *reencounter* in *Berners*, tr. of *Fröissart*, v. ii. c. 29 (R.).

**REND**, to tear, split. (E.) ME. *renden*, pt. t. *rente*, pp. *rent*; Chaucer, C. T. 6217 (D 635). AS. *hrendan*, *rendan*, not common. In the ONorthumb. versions of Luke, xiii. 7, *succidite* [cut it down] is glossed by *hrendas vel scearfað* in the Lindisfarne MS., and by *ceorfas vel rendas* in the Rushworth MS. Again, in Mark, xi. 8, the L. *cadēbant* [they cut down] is glossed by *gebugun vel rendon*. Thus the orig. sense seems to be to cut or tear down.—OFries. *renda*, *randa*, to tear, break. β. The AS. *hrendan* answers to a theoretical form \**hrandian*, which may be connected with *hrand*, the pt. t. of *hrindan*, to push (Grein). Icel. *hrinda*, to push, kick, throw, which may be referred to ✓QERT, to cut. Cf. Skt. *kṛt*, to cut down (base of the present tense, *kṛnta*); Lithuan. *kirsti*, to cut, hew (see *kertu* in Nesselmann). Cf. also Skt. *kṛntana-m*, neut. sb., a cutting. Der. *rent*, sb., Jul. Caesar, iii. 2. 179; *rent*, vb., ME. *renten*, Chaucer, Leg. Good Women, 843; both formed from the pp. *rent*.

**RENDER**, to restore, give up. (F.—L.) ME. *rendren*, P. Plowman, B. xv. 601.—F. *rendre*, 'to render, yield'; Cot.—Late L. *rendere*, nasalised form of L. *reddere*, to restore, give back.—L. *red-*, back; and *dare*, to give. See **Re-**, **Red-**, and **Date** (r). Der. *render-ing*. Also *rent* (2), q.v.; *redd-it-ion*; *rendez-vous*, q.v.

**RENDEZVOUS**, an appointed place of meeting. (F.—L.) In *Hamlet*, iv. 4. 4.—F. *rendezvous*, 'a rendezvous, a place appointed for the assemble of souldiers'; Cot. A substantival use of the phrase *rendez vous*, i. e. render yourselves, or assemble yourselves, viz. at the place appointed. β. *Rendez* is the imperative plural, 2nd person, of *rendre*, to render; and *vous* (< L. *uōs*) is the pl. of the 2nd pers. pronoun. See **Render**.

**RENEGADE, RENEGADO**, an apostate, vagabond. (Span.—L.) Massinger's play called *The Renegado* was first acted in 1624. In Shak. Tw. Nt. iii. 2. 74, the first folio has 'a verie *Renegatho*'; a spelling which represents the sound of the Spanish *d*. The word was at first *renegado*, and afterwards *renegade* by loss of the final syllable.—Span. *renegado*, 'an apostata', Minshew; lit. one who has denied the faith; pp. of *renegar*, 'to forsake the faith,' id.—Late L. *renegāre*, to deny again.—L. *re-*, again; and *negāre*, to deny; see **Re-** and **Negative**. ¶ 1. The word was not really new to the language, as it appears in ME. as *renegat*; but the ME. *renegat* having been altered to *runagate*, the way was cleared for introducing the word over again; see **Runagate**. 2. The odd word *renege* (with *g* hard), in King Lear, ii. 2. 84, = Late L. *renegāre*; cf. ME. *reneye*, P. Plowman, B. xi. 120; from OF. *reneier*. Doublet, *runagate*.

**RENEW**, to make new again. (Hybrid; L. and E.) ME. *renewen*, Wyclif, 2 Cor. iv. 16; where the L. *renouātur* is translated by *is renewid*. From **Re-** and **New**. Der. *renew-al*, a coined word; *renew-able*, also coined. Doublet, *renovate*.

**RENNET** (1), the prepared inner membrane of a calf's stomach, used to make milk coagulate. (E.) 'Renet, for chese, coagulum'; Levins. ME. *rennet*; 'Lactis, rennet, or renmynge'; Voc. 591. 19; cf. 574. 13. The word is found with various suffixes, but is in each case formed from ME. *rennen*, to cause to run, because *rennet* causes milk to run, i. e. to coagulate or congeal. This singular use of E. *run* in the sense 'to coagulate' is not always noticed in the Dictionaries. Pegge, in his *Kentisms* (E. D. S. Gloss. C. 3) uses it; he says: 'Runnet, the herb *gallium* [*Galium verum*], called in Derbyshire *erning*, Anglice cheese-runnnet; it runs the milk together, i. e. makes it curdle.' 'Earn, Yearn, to coagulate milk; earning, yearning, cheese-rennet, or that which curdles milk'; Brockett. Here *earn* (better *ern*) is put, by shifting of *r*, for *ren*; just as AS. *yrnan* (*irnan*) is a causal form of *rinnan*, to run. Cf. Gloucestersh. *running*, rennet (E. D. S. Gloss. B. 4). 'Renlys, or rendlys, for mylke, [also] renels, Coagulum'; Prompt. Parv. 'As nourishing milk, when runnet is put in, Runs all in heaps of tough thick curd, though in his nature

thin'; Chapman, tr. of Homer, II: v, near the end. So also AS. 'rynning, coagulum; gerunnen, coagulatus'; Wright's Vocab. i. 27, last line, i. 28, first line. All from AS. *rinnan*, to run. See **Run**. +MDu. *rinsel, runsel, or renninge*, 'curds, or milk-runnet,' Hæxham; from *rinnen*, 'to presse, curdle'; id. Cf. *geronnen melck*, 'curded or rennet milke'; id. Cf. G. *rinnen*, to run, curdle, coagulate.

**RENNET** (2), a sweet kind of apple. (F.—L.) Formerly spelt *renat* or *renate*, from a mistaken notion that it was derived from L. *renātus*, renewed or born again. 'The *renat*, which though first it from the pippin came, Grown through his pureness nice, assumes that curious name'; Drayton, Polyolbion, song 18; l. 671.—F. *reinette, rainette*, a pippin, rennet; Hamilton. Scheler and Littré agree to connect it with MF. *rainette*, 'a little frog' (Cot.), the dimin. of *raïne*, a frog, because the apple is speckled like the skin of a frog. (So also Hatzfeld.) From L. *rāna*, a frog. See **Ranunculus**.

**RENOUCE**, to give up, reject, disown. (F.—L.) ME. *renoucen*, Gower, C. A. i. 258; bk. ii. 2931.—F. *renouer*, 'to renounce'; Cot.—L. *renunciāre*, better *renuntiāre*, to bring back a report, also, to disclaim, renounce.—L. *re-*, back; and *nuntiāre*, to bring a message, from *nuntius*, a messenger; see **Re-** and **Nuncio**. Der. *renounce-ment*, Meas. for Meas. i. 4. 35; *renunciation*, q.v.

**RENOVATE**, to renew. (L.) In Thomson's Seasons, Winter, 704; Hakluyt, Voy. ii. 1. 37. The sb. *renovation* is in Bacon, Life of Henry VII, ed. Lumby, p. 203, l. 33.—L. *renouātus*, pp. of *renouāre*, to renew.—L. *re-*, again; and *nous*, new, cognate with E. *new*; see **Re-** and **New**. Der. *renovat-ion*, from MF. *renovation*, 'a renovation,' Cot.; *renovat-or*. Doublet, *renew*.

**RENOWN**, celebrity, fame. (F.—L.) ME. *renoun*, Chaucer, C. T. 14553 (B 3825); Rob. of Brunne, tr. of Langtoft, p. 131, l. 5; King Alisaunder, 1448. [But also *renomé, renommé*, in three syllables, with final *e* as F. *é*; Gower, C. A. ii. 43; bk. iv. 1250; Barbour's Bruce, iv. 774; *renownee*, Barbour's Bruce, viii. 290.] In Bruce, ix. 503, one MS. has the pp. *renounit*, spelt *renomyt* in the other.—AF. *renoun*, Lib. Custom. p. 23; OF. *renon*; MF. *renom* [also *renommée*], 'renowne, fame'; Cot. Cf. *renommé*, 'renowned, famous'; Cot. [Cf. Port. *renome*, *renown*; Span. *renombre*, *renown*, also a surname; and Span. *renombrar*, to renown.]—F. *re-* (= L. *re-*), again; and AF. *noun*, F. *nom*, a name; hence *renown* = a renaming, repetition or celebration of a name. See **Re-** and **Noun**. Der. *renoun*, verb, in Barbour, as above.

**RENT** (1), a tear, fissure, breach. (E.) See **Rend**.

**RENT** (2), annual payment for land, &c. (F.—L.) In early use; occurring, spelt *rente*, in the A. S. Chron. an. 1137; see Thorpe's edition, p. 383, l. 12.—F. *rente*, 'rent, revenue'; Cot. Cf. Ital. *rendita*, rent; which shows the full form of the word. From a nasalised form (*rendita*) of L. *reddita*, i. e. *reddita pecūnia*, money paid; fem. of *redditus*, pp. of *reddere*, to give back, whence F. *rendre*, and E. *render*. *Rent* = that which is rendered; see **Render**. Der. *rent-er*, *rent-roll*; also *rent-al*, P. Plowman, B. vi. 92.

**RENUNCIATION**, a renouncing. (F.—L.) In Cotgrave. It is neither true F. nor true L., but prob. taken from F., and modified by a knowledge of the L. word.—F. *renonciation*, 'a renunciation'; Cot.—L. *renuntiātionem*, acc. of *renuntiātio*, a renouncing; cf. *renuntiātus*, pp. of *renuntiāre*; see **Renounce**.

**REPAIR** (1), to restore, fill up anew, amend. (F.—L.) 'The fishes flete with new repaired scale'; Lord Surrey, Description of Spring, l. 8.—OF. *reparer*, 'to repaire, mend'; Cot.—L. *reparāre*, to get again, recover, repair.—L. *re-*, again; and *parāre*, to get, prepare; see **Re-** and **Parade**. Der. *repair*, sb., *repair-er*; *reparable*, in Levins, from MF. *reparable*, 'repairable,' Cot., from L. *reparābilis*; *repar-able-y*; *repar-at-ion*, Palsgrave, from MF. *reparation*, 'a reparation,' Cot.; *repar-at-ive*.

**REPAIR** (2), to resort, go to. (F.—L.) ME. *repairen*, Chaucer, C. T. 5387 (B 967).—F. *repaire*, 'to haunt, frequent, lodge in'; Cot. Older form *reparier* (Burguy); cf. Span. *repatriar*, Ital. *ripatriare*, to return to one's country.—L. *repariāre*, to return to one's country.—L. *re-*, back; and *patria*, one's native land, from *pater*, decl. stem of *pater*, a father, cognate with E. *father*. See **Re-** and **Father**. Der. *repair*, sb., *Hamlet*, v. 2. 228.

**REPARTEE**, a witty reply. (F.—L.) A misspelling for *repartie* or *reparty*. 'Some witty reply, some witty strain'; Howell, Famil. Letters, b. i. sect. 1. let. 18.—F. *repartie*, 'a reply'; Cot. Orig. fem. of *reparti*, pp. of MF. *repartir*, 'to redvide, to answer a thrust with a thrust, to reply'; Cot.—F. *re-* (= L. *re-*), again; and *partir*, to part, divide, also to dart off, rush, burst out laughing, from L. *partire, partiri*, to share, from *parti*, stem of *pars*, a part. See **Re-** and **Part**.

**REPAST**, a taking of food; the food taken. (F.—L.) ME. *repast*, P. Plowman, C. x. 148; Gower, C. A. iii. 25; bk. vi. 698.—OF. *repast* (Littré), later *repas*, 'a repast, meale'; Cot.—F. *re-* (= L. *re-*), again; and OF. *past*, 'a meale, repast,' Cot., from L. *pastum*,

acc. of *pastus*, food; cf. *pastus*, pp. of *pasce*, to feed. See **Re-** and **Pasture**. Der. *repast*, vb., Hamlet, iv. 5. 157.

**REPAY**, to pay back, recompense. (F.—L.) Spelt *repaye* in Palsgrave. —OF. *repayer*, to pay back; given in Palsgrave and in use in the 15th cent. (Littre); obsolete. See **Re-** and **Pay**. Der. *repay-able*, *repay-ment*.

**REPEAL**, to abrogate, revoke. (F.—L.) ME. *repele(n)*, Hoccleve, Reg. of Princes, 2960. AF. *repeler*, Langtoft, ii. 352. Altered (by putting *re-* for *F. ra-*) from OF. *rapeler*, *F. rappeler*, 'to repeal, revoke,' Cot. —F. *r-*, for *re-* (=L. *re-*), again, back; and OF. *apeler*, later *appeler*, to appeal. Thus *repeal* is a substitution for *re-appeal*; see **Re-** and **Appeal**. Der. *repeal*, sb., Cor. iv. 1. 41; spelt *rapeell*, i. e. recall, Caxton, Troy-book, fol. 294, bk.; *repeal-er*, *repeal-able*.

**REPEAT**, to say or do again, rehearse. (F.—L.) 'I *repete*, I rehearse my lesson, *je repete*;' Palsgrave. —MF. *repeter*, 'to repeat;' Cot. —L. *repetere*, to attack again, reseek, resume, repeat; pp. *repetitus*. —L. *re-*, again; and *petere*, to seek; see **Re-** and **Petition**. Der. *repeat-ed-ly*, *repeat-er*; *repet-it-ion*, from MF. *repetition*, 'a repetition,' Cot., from L. acc. *repetitionem*.

**REPEL**, to drive back, check. (L.) 'I *repelle*, I put backe (Lydgat);' Palsgrave, who thus refers us to Lydgate. —L. *repellere*, to drive back; pp. *repulsus*. —L. *re-*, back; and *pellere*, to drive; see **Re-** and **Pulse**. Der. *repell-ent*, from the stem of the pres. part.; *repell-er*; and see *repulse*.

**REPENT**, to feel sorrow for what one has done, to rue. (F.—L.) ME. *repenten*, King Alisaunder, 4224. —F. *repentir*, reflexive verb, 'to repent;' Cot. —L. *re-*, again; and Folk-L. *\*penitire*, for L. *pœnitēre*, used impersonally in the sense 'repent;' see **Re-** and **Penitent**. Der. *repent-ant*, ME. *repentant*, Rob. of Glouc., p. 291, l. 5917, from F. *repentant*, pres. part. of *repentir*; *repent-ance*, Rob. of Brunne, tr. of Langtoft, p. 55, from F. *repentance*.

**REPERCUSSION**, reverberation. (F.—L.) 'That, with the *repercussion* of the air;' Drayton, The Owl; l. 1137. 'Salute me with thy *repercussive* voice;' Ben Jonson, Cynthia's Revels, Act i. sc. 1 (Mercury). —MF. *repercussion*, 'repercussion;' Cot. —L. acc. *repercussio-nem*; see **Re-** and **Percussion**. Der. *repercuss-ive*, from MF. *repercussif*, 'repercussive,' Cot.

**REPERTORY**, a treasury, magazine. (F.—L.) Formerly also a list, index. 'A *repertorie* or index;' Holland, tr. of Pliny, b. xxx. c. 1 (Of Hermippus). Altered from MF. *repertoire*, 'a repertory, list, roll;' Cot. —L. *repertorium*, an inventory. —L. *repertor*, a discoverer, inventor; cf. *reperitus*, pp. of *reperire*, to find out, invent. —L. *re-*, again; and *parire* (Ennius), usually *parere*, to produce; see **Re-** and **Parent**.

**REPETITION**; see under **Repeat**.

**REPINE**, to be discontented. (L.) Spelt *repyne* in Palsgrave; compounded of *re-* (again) and *pine*, to fret. No doubt *pine* was, at the time, supposed to be a true E. word, its derivation from the Latin having been forgotten. But, by a fortunate accident, the word is not hybrid, but wholly Latin. See **Re-** and **Pine** (2).

**REPLACE**, to put back. (F.—L.) 'To chase th'usurper, and *replace* their king;' Daniel, Civil War, b. iii. st. 30. From **Re-** and **Place**. Suggested by F. *remplacer*, 'to re-implace;' Cot. Der. *replace-ment*.

**REPLENISH**, to fill completely, stock. (F.—L.) ME. *replenissen*. 'Replenished and fulfillid;' Chaucer, tr. of Boethius, b. i. pr. 4, l. 197. —OF. *repleniss-*, stem of pres. part. of *replenir*, to fill up again (Burguy); now obsolete. —L. *re-*, again; and a L. type *\*plēnīre*, formed as a verb from *plēnus*, full. See **Re-** and **Plenitude**. Der. *replenish-ment*. And see *replete*.

**REPLETE**, quite full. (F.—L.) Chaucer has *replete*, C. T. 14963 (B 4147); *repletion*, id. 14929 (B 4113). —MF. *replet*, m., *replete*, f., 'repleat;' Cot. —L. *repletum*, acc. of *replētus*, filled up, pp. of *replēre*, to fill again. —L. *re-*, again; and *plēre*, to fill; see **Plenary**. Der. *replet-ion*, from MF. *repletion*, 'a repletion,' Cot.

**REPLEVY**, to get back, or return, goods detained for debt, on a pledge to try the right in a law-suit. (F.—L. and Teut.) 'Replevie, to redeliver to the owner upon pledges or surety; it is also used for the bailing a man;' Blount, Nomolexicon, ed. 1691. Spelt *replevie*, Spenser, F. Q., iv. 12. 31. Butler has *replevin* as a verb, Hudibras, The Lady's Answer, l. 4. —F. *re-* (=L. *re-*), again; and *plevir*, 'to warrant, be surety, give pledges,' Cot. The E. word follows the form of the pp. *plevi*. Cf. AF. *replevi*, pp., reprieved, Stat. Realm, i. 361 (1311). See **Re-** and **Pledge**. Der. *replev-in*, properly a sb., from F. *re-* and OF. *plevine*, 'a warranty,' Cot.

**REPLY**, to answer. (F.—L.) ME. *replien*, *replyen*; Chaucer, Prologue to Legend of Good Women, 343. —OF. *replier*, the old form which was afterwards replaced by the 'learned' form *repliquer*, to reply. —L. *replicare* (pp. *replicatus*), to fold back; as a law term, to reply. —L. *re-*, back; and *plicare*, to fold. See **Re-** and **Ply**.

Der. *reply*, sb., Hamlet, i. 2. 121; *replic-at-ion*, Chaucer, C. T. 1848 (A 1846); <L. acc. *replicatiōnem*, from nom. *replicatio*, a reply, a law-term, as at first introduced. Also *replica*, a copy, lit. a repetition, from Ital. *replica*, a sb. due to *replicare*, to repeat, reply.

**REPORT**, to relate, recount. (F.—L.) ME. *reporten*, Chaucer, C. T. 4572 (B 152). —F. *reporter*, 'to recarre, bear back;' Cot. —L. *reportare*, to carry back. See **Re-** and **Port** (1). Der. *report*, sb., Chaucer, Troilus, i. 593; *report-er*.

**REPOSE**, to lay at rest, to rest. (F.—L. and Gk.) 'A mynde With vertue fraught, *reposed*, voyd of gile;' Surrey, Epitaph on Sir T. W., l. 24; Tottell's Misc., ed. Arber, p. 29. —F. *reposer*, 'to repose, pawse, rest, or stay,' Cot. Cf. Ital. *riposare*, Span. *reposar*, Port. *repousar*, Prov. *repasuar* (Bartsch); all answering to Late L. *repausare*, whence *repausatio*, a pausing, pause (White). —L. *re-*, again; and *pausare*, to pause, from *pausa*, a pause, of Greek origin; see **Re-** and **Pause**. ¶ This word is of much importance, as it appears to be the oldest compound of *pausare*, and gave rise to the later confusion between L. *pausare* (of Gk. origin), and the pp. *positus* of L. *ponere*. See **Pose**. Der. *repose*, sb., Spenser, F. Q. iii. 4. 6, from F. *repos*, 'repose,' Cot.; *repos-al*, King Lear, ii. 1. 70.

**REPOSITORY**, a place in which things are stored up, store-house. (F.—L.) Spelt *repositorie* in Levins and Minsheu. Altered from MF. *repositoire*, 'a store-house,' Cot. —L. *repositōrium*, a repository. Formed with suffix *-ōri-um* from *reposit-us*, pp. of *reponere*, to lay up. See **Re-** and **Position**.

**REPOUSSÉ**, raised in relief by being beaten up from the under side; said of metal-work. (F.—L.) F. *repoussé*, lit. pushed back; pp. of *repousser*. —F. *re-*, back; and *pousser*, to push; see **Push**.

**REPREHEND**, to blame, reprove. (L.) ME. *reprehenden*, Chaucer, Troilus, i. 510. It must have been taken from L., as the OF. form was *reprendre* in the 12th century. —L. *reprehendere* (pp. *reprehensus*), to hold back, check, blame. —L. *re-*, back; and *prehendere*, to hold, seize. See **Re-** and **Comprehend**. Der. *reprehension*, Chaucer, Troil. i. 684, prob. direct from L. acc. *reprehensionem*, though the OF. *reprehension* occurs in the 12th century (Hatzfeld); *reprehens-ive*; *reprehens-ible*, from L. *reprehensibilis*; *reprehens-ibl-y*. And see *reprisal*.

**REPRESENT**, to describe, express, exhibit the image of, act the part of. (F.—L.) ME. *representen*, Rom. of the Rose, 7402. —OF. *representer*, 'to represent, express;' Cot. —L. *repræsentare*, to bring before one again, exhibit. —L. *re-*, again; and *præsentare*, to present, hold out, from *præsent-*, stem of *præsens*, present. See **Re-** and **Present** (1). Der. *represent-able*, *represent-at-ion*, *represent-at-ive*.

**REPRESS**, to restrain, check. (F.—L.) ME. *repressen*, Gower, C. A. iii. 166; bk. vii. 2410. Coined from **Re-** and **Press** (1), with the sense of L. *reprimere*, pp. *repressus*. Der. *repress-ion*, *repress-ive*. And see *reprimand*.

**REPRIEVE**, to delay the execution of a criminal. (F.—L.) In Spenser, F. Q. iv. 12. 31. It is formally the same word as *reprove*, of which the ME. form was commonly *repreuen* (= *repreven*), with the sense to reject. Palsgrave has *repreue* for *reprove*. 'The stoon which men bildynge *repreueden*' = the stone which the builders rejected; Wyclif, Luke, xx. 17. Cf. OF. *repreuve*, 3rd pers. sing. indic. of *reprover* (F. *réprouver*), to reprove. Cf. Schwan, § 348 (4). β. But the sense is really due to the obs. verb to *repy*, as in 'they were *repyed*,' lit. 'taken back,' but used to mean 'reprieved;' Fabyan, Chron., ed. Ellis, p. 389. And again, 'the sayd Turbyr-uylye was *repyed* to pryson;' id. p. 672. —OF. *repris*, pp. of *reprendre*, 'to resume, receive, take back; also to reprehend;' Cot. See **Reprehend**, **Reprisal**. Der. *reprieve*, sb., Cor. v. 2. 53. Doublet, *reprove*.

**REPRIMAND**, a reproof, rebuke. (F.—L.) In the Spectator, no. 112. —F. *réprimande*, formerly *reprimende*, 'a check, reprehension, reproof,' Cot. —L. *reprimenda*, a thing that ought to be repressed; fem. of fut. part. pass. of *reprimere*, to repress; see **Re-** and **Press** (1). Der. *reprimand*, verb.

**REPRINT**, to print again. (F.—L.) Prynne refers to a book 'printed 1599, and now *reprinted* 1629;' Histrio-mastix, part i. p. 358 (R.). From **Re-** and **Print**. Der. *reprint*, sb.

**REPRISAL**, anything seized in return, retaliation. (F.—Ital.—L.) It means 'a prize' in Shak. 1 Hen. IV, iv. 1. 118. Spelt *reprisels*, pl., in Minsheu, ed. 1627. —MF. *represaille*, 'a taking or seizing on, a prize, or a reprisal;' Cot. [The modern vowel is due to the obsolete verb *reprise*, to seize in return, Spenser, F. Q. iv. 4. 8, from the pp. *repris* of OF. *reprendre* <L. *reprehendere*.] —MItal. *ripresaglia*, 'booties, preyes, prisals, or anything gotten by prize, bribing, or bootie;' Florio. —Ital. *ripresa*, 'a reprisal or taking again;' id. Fem. of *ripreso*, pp. of *riprendere*, 'to reprehend, also to take again, retake;' id. —L. *reprehendere*; see **Reprehend**, **Reprieve**. And see **Prize** (1).

**REPROACH**, to upbraid, revile, rebuke. (F.—L.) In Shak. Meas. for Meas. v. 426. 'The sb. is spelt *reproche* in Skelton, Bowge of Courte, l. 26. We find ME. *reproce*, sb., Early E. Psalter, xxx (xxx). 14; and *reprocen*, vb., id., xxxiv (xxxv). 8.—F. *reprocher*, 'to reproach, . . . object or impute unto,' Cot.; whence the sb. *reproche*, 'a reproach, imputation, or casting in the teeth;' id. Cf. Span. *reprochar*, vb., *reproche*, sb.; Prov. *repropehar*, to reproach (cited by Diez). We also find Prov. *reprochiers*, *reprogers*, sb., a proverb (Bartsch). β. The etymology is disputed, yet is hardly doubtful; the Late L. *appropiare* became OF. *aprocher* and E. *approach*, so that *reproach* answers to a L. type *\*reprofiäre*, not found, to bring near to, hence to cast in one's teeth, impute, object. From L. *re-*, again; and *propi-us*, adv., nearer, comp. of *prope*, near; see **Propinquity**. See Diez, who shows that other proposed solutions of the word are phonetically impossible. γ. Scheler well explains the matter, when he suggests that *\*reprofiäre* is, in fact, a mere translation or equivalent of L. *obicere* (*objicere*), to cast before one, to bring under one's notice, to reproach. So also the G. *vorwerfen*, to cast before, to reproach. δ. And hence we can explain the Prov. *reprochiers*, lit. a bringing under one's notice, a hint, a proverb. Der. *reproach*, sb.; *reproach-able*, *reproach-ably*; *reproach-ful*, Titus Andron., i. 308; *reproach-ful-ly*.

**REPROBATE**, depraved, vile, base. (L.) Properly a pp. used as an adj., Trevisa, tr. of Higden, vi. 407; also in L. L. L. i. 2. 64; also as sb., Meas. iv. 3. 78.—L. *reprobatus*, censured, reprobated, pp. of *reprobare*; see **Reprove**. Der. *reprobat-ion*, a reading in the quarto editions for *reprobance*, Oth. v. 2. 209, from MF. *reprobation*, omitted by Cotgrave, but in use in the 14th cent. (Hatzfeld) < L. acc. *reprobationem*.

**REPRODUCE**, to produce again. (L.) In Cotgrave, to translate F. *reproduire*. From **Re-** and **Produce**. Der. *reproduct-ion*, *reproduct-ive*.

**REPROVE**, to condemn, chide. (F.—L.) ME. *reproven* (*reproven*), P. Plowman, C. iv. 389. [Also spelt *repreuen*; see **Reprive**.]—OF. *reprover*, mod. F. *réprover*, to reprove; Littré.—L. *reprobare*, to disapprove, condemn.—L. *re-*, again; and *probare*, to test, prove; hence 'to reprove' is to reject on a second trial, to condemn. See **Re-** and **Prove**. Der. *reprov-er*; *reprov-able*, *reprov-ably*. Also *reproof*, ME. *reprove*, *reproof*, Gower, C. A. iii. 230, bk. vii. 4108; see **Proof**. And see *reprob-ate*. Doublet, *reprive*.

**REPTILE**, crawling, creeping. (F.—L.) In Cotgrave. ME. *reptil*, Gower, Conf. Amant. iii. 118; bk. vii. 1011.—F. *reptile*, 'reptile, creeping, crawling;' Cot.—L. *reptilem*, acc. of *reptilis*, creeping; formed with suffix *-ilis* from *rept-us*, pp. of *repere*, to creep. + Lithuan. *retloti*, to creep (Nesselmann). Der. *reptil-i-an*.

**REPUBLIC**, a commonwealth. (F.—L.) Spelt *republicque* in Minshew, ed. 1627.—MF. *republicque*, 'the commonwealth;' Cot.—L. *rēspública*, a commonwealth; for *rēs publica*, lit. a public affair. See **Real** and **Public**. Der. *republic-an*, *republic-an-ism*.

**REPUDIATE**, to reject, disavow. (L.) In Levins. Used as a pp. or adj. in Harding's Chron. ch. 90, st. 4.—L. *repudiātus*, pp. of *repudiāre*, to put away, reject.—L. *repudium*, a casting off, divorce, lit. a rejection of what one is ashamed of.—L. *re-*, away, back; and *pud-*, base of *pudēre*, to feel shame, *pudor*, shame; cf. *prō-pudum*, a shameful action. Der. *repudiat-or*; *repudiat-ion*, from MF. *repudiation*, 'a refusal,' Cot.

**REPUGNANT**, hostile, adverse. (F.—L.) In Minshew, ed. 1627; and in Sir T. Elyot, The Governour, b. ii. c. 11. § 4. The word is rather F. than L.; the sb. *repugnance* is in Levins, ed. 1570, and occurs, spelt *repugnance*, in Skelton, Garland of Laurell, 211. The verb to *repugn* was in rather early use, occurring in Wyclif, Acts, v. 39; also in Palsgrave.—MF. *repugnant*, pres. part. of *repugner*, 'to repugne, crosse, thwart;' Cot.—L. *repugnāre*, lit. to fight against.—L. *re-*, back, hence against; and *pugnāre*, to fight; see **Re-** and **Pugnacious**. Der. *repugnance*, from MF. *repugnance*, 'repugnancy,' Cot.

**REPULSE**, to repel, beat off. (L.) Surrey translates L. *repulsi* in Virgil, Æn. ii. 13, by *repulst*. 'Often times the *repulse* from promocyon is cause of dyscomforte;' Sir T. Elyot, Castel of Helth, b. iii. c. 12.—L. *repulsus*, pp. of *repellere*, to repel; see **Repel**. β. The sb. answers to L. *repulsa*, a refusal, repulse; orig. fem. of the pp. *repulsus*. Der. *repulse*, sb., as above; *repuls-ive*, *-ly*, *-ness*; *repuls-ion*.

**REPUTE**, to estimate, account. (F.—L.) 'I *repute*, I estyme, or judge, *Ie repute*;' Palsgrave. The sb. *reputation* is in Chaucer, C. T. 12536 (C 602).—OF. *reputer*, 'to repute;' Cot. (And in Godefroy.)—L. *reputāre*, to repute, esteem.—L. *re-*, again; and *putare*, to think; see **Re-** and **Putative**. Der. *reput-able*, *reput-ably*, *reput-able-ness*; *reput-ed-ly*; *reput-at-ion*, from MF. *reputation*, 'reputation, esteem,' Cot. Also *repute*, sb., Troil. i. 3. 337.

**REQUEST**, an entreaty, petition. (F.—L.) ME. *requeste*, Chaucer, C. T. 2687 (A 2685).—OF. *requeste*, 'a request;' Cot.—L. *requisita*, a thing asked, fem. of pp. of *requirere*, to ask; see **Re-** and **Quest**; and see **Require**. Der. *request*, verb, Two Gent. i. 3. 13.

**REQUIEM**, a mass for the repose of the dead. (L.) 'The *requiem-masse* to synge;' Skelton, Phylip Sparowe, 401. The Mass for the Dead was so called, because the anthem or *officium* began with 'Requiem æternam dona eis, Domine,' &c.; Procter, On the Common Prayer.—L. *requiem*, acc. of *requies*, rest.—L. *re-*, again; and *quies*, rest; see **Re-** and **Quiet**. And see **Dirge**.

**REQUIESCENCE**, repose, quiet. (L.) From L. *re-*, again; and *quiescentia*, quietness, from *quiescent-*, stem of pres. part. of *quiescere*, to rest; see **Quiescent**.

**REQUIRE**, to ask, demand. (F.—L.) Spelt *requyre* in Palsgrave. ME. *requiren*, Chaucer, C. T. 8306 (E 430); in l. 6634 (D 1052), we find *requere*, riming with *there*. The word was taken from F., but influenced by the L. spelling.—MF. *requerir*, 'to request, intreat,' Cot.; OF. *requerre*, with 1 pers. sing. ind. *requier*.—L. *requirere*, lit. to seek again (pp. *requisitus*).—L. *re-*, again; and *quærere*, to seek; see **Re-** and **Quest**. Der. *requir-able*; *requirement*, a coined word; *requis-ite*, adj., Wint. Tale, iv. 4. 687, from L. pp. *requisitus*; *requis-ite*, sb., Oth. ii. 1. 251; *requis-it-ion*, from MF. *requisition*, 'a requisition,' Cot.; *requis-it-ion-ist*.

**REQUITE**, to repay. (F.—L.) In Shak. Temp. v. 169. Surrey (Æn. ii. 205) translates *si magna rependam* (Æn. ii. 161) by 'requite thee large amendes.' The word ought rather to be *requit*; cf. 'hath requit it,' Temp. iii. 3. 71. But just as *quite* occurs as a variant of *quit*, so *requite* is used for *requit*; see **Re-** and **Quit**. Der. *requital*, Merry Wives, iv. 2. 3.

**REREDOS**, a screen at the back of an altar. (F.—L.) 'A *reredosse* in the hall;' Harrison, Desc. of Eng. b. ii. c. 12; ed. Furnivall, p. 240. Hall, in his Chronicle (Henry VIII, an. 12. § 22), enumerates 'harthis, *reredorses*, chimnays, ranges;' Richardson. Spelt *reredos*, Earl of Derby's Expeditions in 1390-3 (Camd. Soc.), p. 219, l. 8. Compounded of *rear*, ME. *rere*, i.e. at the back, and F. *dos* (< L. *dorsum*), the back; so that the sense is repeated. See **Rear** (2) and **Dorsal**.

**REREMOUSE, REARMOUSE**, a bat. (E.) Still in use in the South and West of England; E. D. D. The pl. *reremys* occurs in Rich. the Redeles, ed. Skeat, iii. 272. AS. *hræremis*, a bat; Wright's Vocab., p. 77, col. 1, last line. β. Apparently due to a popular etymology (like prov. E. *flutter-mouse*, a bat) from the flapping of the wings; from AS. *hræran*, to agitate, a derivative of *hrōr*, motion (with the usual change from *ō* to *ē*), allied to *hrōr*, adj., active, quick; see Grein, ii. 102, 108. Cf. Icel. *hræra*, G. *rühren*, to stir; Icel. *hræra tungu*, to wag the tongue. β. But the early form is *hræatha-mūs*, a bat; Epinal Gloss., 978; spelt *hræædemus*, Corpus Gloss., 2103; *hreadæmus*, *hreadamus*, Ep. Gl. 1098. Cognate with OLow G. *hrōða-mūs*, a bat (Gallée).

**REREWARD**, the same as **Rearward**, q. v.

**RESCIND**, to repeal, annul. (F.—L.) In Blount's Gloss., ed. 1674.—F. *rescinder*, 'to cut or pare off, to cancel;' Cot.—L. *rescindere*, to cut off, annul.—L. *re-*, back; and *scindere* (pp. *scissus*), to cut; see **Re-** and **Schism**. Der. *rescission*, from MF. *rescision*, 'a rescision, a cancelling,' Cot., from L. acc. *rescissionem*.

**RESRIPT**, an official answer, edict. (F.—L.) In Cotgrave.—MF. *rescript*, 'a rescript, a writing back, an answer given in writing;' Cot.—L. *rescriptum*, a rescript, reply; neut. of *rescriptus*, pp. of *rescribere*, to write back; see **Re-** and **Scribe**.

**RESCUE**, to free from danger, deliver from violence. (F.—L.) ME. *rescouen*, *rescouen*, Chaucer, tr. of Boethius, b. iv. met. 5, l. 15.—OF. *rescourre*, 'to rescue;' Cot. [The same word as Ital. *riscuotere*.]—Late L. *rescutere*, which occurs A.D. 1308 (Ducange); it stands for *reëxcutere*. So also the OF. *rescousse*, a rescue, answers to Late L. *rescussa* < L. *reëxcussa*, fem. pp. of the same verb; and mod. F. *recousse* is from *recussa*, the same sb. with the omission of *ex*. β. From L. *re-*, again; and *excutere* (pp. *excussus*), to shake off, drive away, comp. of *ex*, off, and *quātere*, to shake; see **Re-**, **Ex-**, and **Quash**. Der. *rescue*, sb., ME. *rescous*, Chaucer, C. T. 2645 (A 2643), from the OF. *rescousse*, 'rescue,' Cot. ¶ We find AF. *rescure*, vb., Vie de St. Auban, and *rescusse*, id. In the Coventry Myst., p. 114, is the sb. *rescu*. Either this sb. was formed anew from the vb., or the AF. *rescusse* (ME. *rescous*) was supposed to be a pl. form. Mrs. Quickley says: 'bring a *rescue* or two;' 2 Hen. IV, ii. 1. 62.

**RESEARCH**, a careful search. (F.—L.) 'Research, a strict inquiry;' Phillips, ed. 1706. From **Re-** and **Search**. Cf. MF. *recherche*, 'a diligent search,' Cot.; Norm. dial. *recherche*; mod. F. *recherche*.

**RESEMBLE**, to be like. (F.—L.) ME. *resemblen*, Gower, C. A.

iii. 117; bk. vii. 982. — OF. *resembler*, 'to resemble'; Cot. Mod. F. *resembler*. — F. *re-*, again; and *sembler*, 'to seem, also to resemble,' id. — L. *re-*, again; and *similare*, more generally *simulare*, to imitate, copy, make like, from *similis*, like; see **Re-** and **Similar**. Der. *resemblance*, ME. *resemblaunce*, Gower, C. A. ii. 83, bk. iv. 2424, from OF. *resemblance*, 'a resemblance'; Cot.

**RESENT**, to take ill, be indignant at. (F.—L.) Orig. merely to be sensible of a thing done to one; see Trench, Select Glossary. In Joseph Beaumont, *Psyche*, canto iv. st. 156. Used in the modern sense, Milton, P. L. ix. 300. 'To resent, to be sensible of, or to stomach an affront'; Phillips, ed. 1706. Blount's Gloss. has only the sb. *resentment*, also spelt *ressentiment*. — MF. *resentir*, *ressentir*. 'Se ressentir, to taste fully, have a sensible apprehension of; se ressentir de iniure, to remember, to be sensible or desire a revenge of, to find himself aggrieved at a thing'; Cot. Thus the orig. sense was merely 'to be fully sensible of,' without any sinister meaning. — F. *re-*, again; and *sentir*, to feel, from L. *sentire*, to feel; see **Re-** and **Sense**. Der. *resentment*, from F. *ressentiment*; *resent-ful*, -ly.

**RESERVE**, to keep back, retain. (F.—L.) ME. *reserven* (with *u=v*), Chaucer, C. T. 188. — OF. *reserver*, 'to reserve'; Cot. — L. *reservare*, to keep back. — L. *re-*, back; and *servare*, to keep; see **Re-** and **Serve**. Der. *reserve*, sb., from OF. *reserve*, 'store, a reservation'; Cot.; *reserv-ed*, *reserv-ed-ly*, -ness; *reserv-at-ion*; also *reserv-oir*, a place where any thing (esp. water) is stored up, Evelyn's Diary, 17 Oct., 1644, from F. *reservoir*, 'a store-house,' Cot., which from Late L. *reservatōrium* (Ducange).

**RESIDE**, to dwell, abide, inhere. (F.—L.) See Trench, Select Glossary. In Shak. Temp. iii. i. 65. [The sb. *residence* is much earlier, in Chaucer, C. T. 16128 (G 660).] — MF. *resider*, 'to reside, stay,' Cot. — L. *residere*, to remain behind, reside. — L. *re-*, back; and *sedere*, to sit, cognate with E. *sit*; see **Re-** and **Sit**. Der. *residence*, as above, from F. *residence*, 'a residence, abode,' Cot.; *resid-ent*, Berners, tr. of Froissart, vol. ii. c. 210, and c. 129 (R.); *resid-ent-i-al*, *resid-ent-y*; *resid-ent-i-ar-y*. And see *resid-ue*.

**RESIDUE**, the remainder. (F.—L.) ME. *residue*, P. Plowman, B. vi. 102. — AF. *residue*, fem., Royal Wills, p. 39 (1360); cf. MF. *residu*, 'the residue, overplus,' Cot. — L. *residuum*, a remainder; neut. of *residuius*, remaining; the AF. *residue* answers to the fem. *residua*. — L. *resid-ere*, to remain, also to reside; see **Reside**. Der. *residu-al*, *residu-ar-y*. Doublet, *residium*, which is the L. form.

**RESIGN**, to yield up. (F.—L.) ME. *resignen*, Chaucer, C. T. 5200 (B 780). — OF. and MF. *resigner*, 'to resigne, surrender'; Cot. — L. *resignare*, to unseal, annul, assign back, resign. Lit. 'to sign back or again.' See **Re-** and **Sign**. Der. *resign-at-ion*, from MF. *resignation*, 'a resignation'; Cot.

**RESILIENT**, rebounding. (L.) 'Whether there be any such resilience in Echo's'; Bacon, Nat. Hist. § 245. — L. *resilient*, stem of pres. part. of *resilire*, to leap back, rebound. — L. *re-*, back; and *salire*, to leap; see **Re-** and **Salient**. Der. *resilience*. Also *result*, q. v.

**RESIN, ROSIN**, an inflammable substance, which flows from trees. (F.—L.—Gk.) *Resin* is the better form. 'Great abundance of rosin'; Holland, tr. of Plutarch, b. xvi. c. 10. ME. *roseyne*, Earl of Derby's Expeditions, 1390–3 (Camden Soc.), p. 64, l. 6; *recyn*, *recyne*, Wyclif, Jer. li. 8. — OF. *resine*, 'rosin'; Cot. Mod. F. *résine*; Norman dial. *rousine* (Moisy). — L. *resina*, Jer. li. 8 (Vulgate); Late L. *rosina*, Voc. 714. 32. β. Borrowed from Gk. *ῥηῖν* (with long *i*), resin, gum from trees. For the change from *τ* to *s*, cf. Doric *φῶρι* as compared with Attic *φῶσι*, he says, and Gk. *σῦ* for L. *tu*, thou. Moreover, there is a place called *Retina*, of which the mod. name is *Resina* (White). γ. Perhaps allied to Gk. *πέειν*, to flow; see Prellwitz. Der. *resin-ous*, from MF. *resineux*, 'full of rosin,' Cot.; *resin-y*.

**RESIST**, to stand against, oppose. (F.—L.) Spelt *resyste* in Palsgrave; *resyst* in Skelton, On the death of Edw. IV, l. 11; *resyste* in Caxton, G. Legend, St. Peter, § 4. — OF. *resister*, 'to resist'; Cot. — L. *resistere*, to stand back, stand still, withstand. — L. *re-*, back; and *sistere*, to make to stand, set, also to stand fast, a causal verb formed from *stare*, to stand, cognate with E. *stand*. See **Re-** and **State**. Der. *resistance*, ME. *resistence*, Chaucer, C. T. 16377 (G 909), from OF. *resistence* (later *resistance*, as in Cotgrave, mod. F. *résistance*), which from L. *resistent-*, stem of pres. part. of *resistere*; *resist-ible*, *resist-ibil-i-ty*, *resist-less*, *resist-less-ly*, *resist-less-ness*.

**RESOLVE**, to separate into parts, analyse, decide. (L.) Chaucer has *resolved* (with *u=v*) in the sense of 'thawed'; tr. of Boethius, b. iv. met. 5, l. 20. — L. *resolvere*, to untie, loosen, melt, thaw. — L. *re-*, again; and *soluere*, to loosen; see **Re-** and **Solve**. Der. *resolvable*; *resolv-ed*; *resolv-ed-ly*, All's Well, v. 3. 332; *resolv-ed-ness*. Also *resolute*, L. L. L. v. 2. 705, from the pp. *resolutus*; *resolute-ly*, *resolute-ness*; *resolut-ion*, Mach. v. 5. 42, from MF. *resolution*, 'a resolution,' Cot.

**RESONANT**, resounding. (L.) In Milton, P. L. xi. 563. — L. *resonant-*, stem of pres. part. of *resonare*, to resound. Cf. MF. *resonant*, 'resounding'; Cot. See **Resound**. Der. *resonance*, suggested by MF. *resonnance*, 'a resounding'; Cot.

**RESORT**, to go to, betake oneself, have recourse to. (F.—L.) 'Al I refuse, but that I might *resorte* Unto my loue'; Lamentation of Mary Magdalene, st. 43, l. 299; Hoccleve, Reg. of Princes, 1397. The sb. *resort* is in Chaucer, Troilus, iii. 134. — OF. *ressortir*, later *ressortir*, 'to issue, goe forth againe, resort, recourse, repaire, be referred unto, for a full tryal, . . . to appeale unto; and to be removeable out of an inferior into a superior court'; Cot. (It was thus a law term.) Hence the sb. *resort*, later *ressort*, 'the authority, prerogative, or jurisdiction of a sovereign court,' Cot. Cf. Late L. *resortire*, to be subject to a tribunal. It looks like a compound of L. *re-*, again; and *sortiri*, to obtain; as if to re-obtain, gain by appeal; and this may have affected the sense. The L. *sortiri* is lit. 'to obtain by lot'; from *sorti-*, decl. stem of *sors*, a lot. See **Re-** and **Sort**. β. But this does not well account for the development of the senses; and it is probable that the Ital. *risorto*, jurisdiction; is allied to Ital. *risorto*, pp. of *risorgere* (L. *resurgere*), to rise again; see **Resurrection**. So also MF. *ressort* means 'the spring of a lock,' Cot.; and F. *sortir* means 'to go out.' The latter is from \**surculus*, short for *surrectus*, pp. of *surgere*, to rise. Cf. MSpan. *surtir*, 'to rise, to rebound'; Minshew. See *sortir* in Diez, *Sortir* (1) and (2) in Hatzfeld, and Körting, § 8018. See **Source**. Der. *resort*, sb., as above.

**RESOUND**, to echo, sound again. (F.—L.) The final *d* is excessent after *n*, as in the sb. *sound*, a noise. ME. *resoumen*, Chaucer, C. T. 1280 (A 1278). — OF. *resonner*, *resoner*, omitted by Cotgrave, but in use in the 12th cent. (Littré); mod. F. *résonner*. — L. *resonare*. — L. *re-*; and *sonare*, to sound, from *sonus*, a sound; see **Re-** and **Sound** (3). Der. *reson-ant*, q. v.

**RESOURCE**, a supply, support, expedient. (F.—L.) In Cotgrave, to translate F. *ressource*; he also gives the older form *resource*, 'a new source, or spring, a recovery.' The sense is 'new source, fresh spring'; hence, a new supply or fresh expedient. Compounded of **Re-** and **Source**.

**RESPECT**, regard, esteem. (F.—L.) In The Court of Love (not earlier than A.D. 1500), l. 155. — F. *respect*, 'respect, regard'; Cot. — L. *respectum*, acc. of *respectus*, a looking at, respect, regard. — L. *respectus*, pp. of *respicere*, to look at, look back upon. — L. *re-*, back; and *specere*, to see, spy. See **Re-** and **Spy**. Der. *respect*, verb, Cor. iii. i. 307, and very common in Shak.; *respect-able*, from F. *respectable*, 'respectable,' Cot.; *respect-abil-y*, *respect-abil-i-ty*; *respect-ful*, *respect-ful-ly*; *respect-ive*, from F. *respectif*, 'respective,' Cot.; *respect-ive-ly*. Doublet, *respite*.

**RESPIRE**, to breathe, take rest. (F.—L.) In Spenser, F. Q. iii. 3. 36. — F. *respirer*, 'to breathe, vent, gaspe'; Cot. — L. *respirare*, to breathe. — L. *re-*, again; and *spirare*, to blow; see **Re-** and **Spirit**. Der. *respir-able*, *respir-abil-i-ty*; *respir-at-ion*, from F. *respiration*, 'a respiration,' Cot.; *respir-at-or*, *respir-at-or-y*.

**RESPITE**, a delay, pause, temporary reprieve. (F.—L.) 'Three dayes haf *respit*'; Rob. of Brunne, tr. of Langtoft, p. 275, l. 2. Better spelt *respit* (with short *i*). — OF. *respit* (12th cent.), 'a respite, a delay, a time or term of forbearance; a protection of one, three, or five yeares granted by the prince unto a debtor, &c.'; Cot. Mod. F. *répit*. The true orig. sense is regard, respect had to a suit on the part of a prince or judge, and it is a mere doublet of *respect*. — L. acc. *respectum*; see **Respect**. Der. *respit*, verb, Chaucer, C. T. 11886 (F 1582). Doublet, *respect*.

**RESPLENDENT**, very bright. (L.) (Not from OF., which has the form *resplendissant*; see Cotgrave.) 'Resplendent with glory'; Craft of Lovers, st. 5, l. 3; in Chaucer's Works, ed. 1561, fol. 341. — L. *resplendent-*, stem of pres. part. of *resplendere*, to shine brightly, lit. to shine again. — L. *re-*, again; and *splendere*, to shine; see **Re-** and **Splendour**. Der. *resplendent-ly*, *resplendence*.

**RESPOND**, to answer, reply. (F.—L.) 'For his great deeds *respond* his speeches great,' i.e. answer to them; Fairfax, tr. of Tasso, b. x. c. 40. — OF. *respondre*, 'to answer; also, to match, hold correspondency with'; Cot. — L. *respondere* (pp. *responsus*), to answer. — L. *re-*, back, in return; and *spondere*, to promise; see **Re-** and **Sponsor**. Der. *respond-ent*, Tyndall, Works, p. 171, col. 2, l. 47; from L. *respondent-*, stem of pres. part. of *respondere*; *response*, ME. *response*, spelt *respondens* in Rob. of Brunne, tr. of Langtoft, p. 98, l. 14, from OF. *response*, 'an answer,' Cot., from L. *responsum*, neut. of pp. *respondus*; *respons-ible*, *respons-ibl-y*, *respons-ibil-i-ty*; *respons-ive*, Hamlet, v. 2. 159, from MF. *responsif*, 'responsive, answerable,' Cot.; *respons-ive-ly*. Also *cor-respond*, q. v.

**REST** (1), repose, quiet, pause. (E.) ME. *reste* (dissyllabic), Chaucer, C. T. 9729 (E 1855). The final *e* is here due to the form of the oblique cases of the AS. sb. AS. *rest*, *ræst*, fem. sb., *rest*,

quiet; but the gen., dat., and acc. sing. take final *-e*, making *reste*, *ræste*; see Grein, ii. 372. + Du. *rust*; Dan. and Swed. *rast*; Icel. *röst*, the distance between two resting-places, a mile; Goth. *rasta*, a stage of a journey, a mile; O.H.G. *rasta*, rest; also, a measure of distance. β. From the Teut. type *\*rast-jā*, fem., 'a halting-place,' from Teut. base *\*ras*, to dwell, as seen in Goth. *raz-us*, a house. See Ransack. Brugmann, i. § 903 c. Cf. W. *aros*, to tarry; Stokes-Fick, p. 235. Der. *rest*, verb, AS. *restan*, Grein, ii. 373; *rest-less*, *rest-less-ly*, *rest-less-ness*.

**REST** (2), to remain, be left over. (F.—L.) Perhaps obsolete; but common in Shak. 'Nought *rests* for me but to make open proclamation;' 1 Hen. VI, i. 3. 70. The sb. *rest*, remainder, is still common; it occurs in Surrey, tr. of Virgil, *Æn.* ii. 856 (651 of the L. text).—F. *rester*, 'to rest, remaine;' Cot.—L. *restāre*, to stop behind, stand still, remain.—L. *re-*, behind, back; and *stāre*, to stand, cognate with E. *stand*; see **Re-** and **Stand**. Der. *rest*, sb., as above, from F. *reste*, 'a rest, residue, remnant;' Cot. And see *rest-ive*, *ar-rest*. *Rest-harrow* (Baret) = *arrest-harrow* (F. *arrête-bœuf*). And see *reasty*.

**RESTAURANT**, a place for refreshment. (F.—L.) Borrowed from mod. F. *restaurant*, lit. 'restoring;' pres. part. of *restaurer*, to restore, refresh; see **Restore**. Cot. has: '*restaurant*, a restorative.'

**REST-HARROW**; see under **Rest** (2).

**RESTITUTION**, the act of restoring. (F.—L.) ME. *restitution*, P. Plowman, B. v. 235, 238.—OF. *restitution*, 'a restitution.'—L. *restitūtiōnem*, acc. of *restitūtiō*, a restoring; cf. *restitūtus*, pp. of *restituere*, to restore.—L. *re-*, back; and *statuere*, to place; see **Re-** and **Statute**. Der. *restitue*, verb, in P. Plowman, B. v. 281 (obsolete); from F. *restituer*.

**RESTIVE**, unwilling to go forward, obstinate. (F.—L.) Sometimes confused with *restless*, though the orig. sense is very different. In old authors, it is sometimes confused with *resty*, adj., as if from *rest* (1); but properly *resty* or *restie* stands for OF. *restif* (F. *rétif*). 'The *restif* world;' Dryden, Hind and Panther, iii. 1026. 'Grow *restie*, nor go on;' Chapman, tr. of Homer, *Iliad*, v. 234. 'When there be not stonds, nor *restiveness* in a man's nature;' Bacon, Essay 40, Of Fortune. See further in Trench, Select Glossary.—OF. and MF. *restif*, 'restie, stubborn, drawing backward, that will not go forward;' Cot.—F. *rester*, 'to rest, remain;' Cot. See **Rest** (2). ¶ Thus the true sense of *restive* is stubborn in keeping one's place; a *restive* horse is, properly, one that will not move for whipping; the shorter form *resty* is preserved in prov. E. *rusty*, *restive*, unruly (Halliwell); to *turn rusty* is to be stubborn. Der. *restive-ness*.

**RESTORE**, to repair, replace, return. (F.—L.) ME. *restoren*, Rob. of Glouc., p. 500, l. 10287.—OF. *restorer* (Burguy), also MF. *restaurer*, 'to restore,' Cot.—L. *restaurāre*, to restore.—L. *re-*, again; and *\*staurāre* (not used), to set up, establish, make firm, a verb derived from an adj. *\*staurus* = Gk. *σταυρός*, that which is firmly fixed, a stake. Cf. Skt. *shāvara-s*, fixed, stable. Idg. root *\*steu-*, allied to ✓STĀ, to stand. Brugmann, i. § 198. See **Re-** and **Store**. Der. *restor-at-ion*, ME. *restauracion*, Gower, C. A. iii. 23, bk. vi. 637, from F. *restauration*, from L. acc. *restaurātiōnem*; *restor-at-ive*, ME. *restauratif*, Gower, C. A. iii. 30, bk. vi. 859. Also *restaur-ant*, q.v.

**RESTRAIN**, to hold back, check, limit. (F.—L.) ME. *restreinen*, *restreignen*, Gower, C. A. iii. 206, bk. vii. 3396; Chaucer, C. T. 14505 (B 3777).—OF. stem *restraign-*, as in *restraign-ant*, pres. pt. of *restraindre*, 'to restrain,' Cot.; mod. F. *restraindre*.—L. *restringere*, to draw back tightly, bind back.—L. *re-*, back; and *stringere*, to draw tight; see **Re-** and **Stringent**. Der. *restraint*, Surrey, Prisoned in Windsor, l. 52, from MF. *restrainte*, 'a restraint,' Cot., fem. of *restraint*, old pp. of *restraindre*. Also *restrict*, in Foxe's Acts and Monuments, p. 1173 (R.), from L. *restrictus*, pp. of *restringere*; *restrict-ion*, tr. of More's Utopia, ed. Arber, b. ii (Of their iourneyng), p. 105, l. 9, from F. *restriction*, 'a restriction,' Cot.; *restrict-ive*, *restrict-ive-ly*.

**RESULT**, to ensue, follow as a consequence. (F.—L.) In Levins, ed. 1570.—MF. *resultier*, 'to rebound, or leap back; also, to rise of, come out of;' Cot.—L. *resultāre*, to spring back, rebound; frequentative of *resilire*, to leap back; formed from a pp. *resultus*, not in use. See **Resilient**. Der. *result*, sb., a late word; *result-ant*, a mathematical term, from the stem of the pres. part.

**RESUME**, to take up again after interruption. (F.—L.) 'I *resume*, I take agayne;' Palsgrave.—MF. *resumer*, 'to resume;' Cot.—L. *resumere*, to take again.—L. *re-*, again; and *sumere*, to take. See **Assume**. Der. *resum-able*, *resumpt-ion*, formed from L. *resumptio*, which is from the pp. *resumptus*.

**RESURRECTION**, a rising again from the dead. (F.—L.) ME. *resurreccioun*, *resurexioun*; P. Plowman, B. xviii. 425.—OF. *resurrection*, 'a resurrection,' Cot.—L. acc. *resurrectiōnem*, from nom.

*resurrectio*; cf. *resurrectus*, pp. of *resurgere*, to rise again.—L. *re-*, again; and *surgere*, to rise; see **Re-** and **Source**.

**RESUSCITATE**, to revive. (L.) Orig. a pp. as adj., as in: 'our mortall bodies shal be *resuscitate*;' Bp. Gardner, Exposition, On the Presence, p. 65 (R.). '*Resuscitate* from death to lyfe;' Hall, Chron., 11en. VII, an. vii. § 9.—L. *resuscitatus*, pp. of *resuscitare*, to raise up again.—L. *re-*, again; and *suscitare*, to raise up, for *\*sub-citare*, compounded of *sub*, up, under, and *citare*, to summon, rouse. See **Re-**, **Sub-**, and **Cite**. Der. *resuscitat-ion*; *resuscitat-ive*, from MF. *resuscitalif*, 'resuscitative,' Cot.

**RET**, to steep flax-stems in water. (MDu.) Also *rait*; E. D. D.—Du. *reten*, to ret, break, soak hemp; MDu. *reten*, *reeten*. Cf. Pomeran. *röten*, Swed. *röta*, Norw. *röyta*, to ret; Dan. dial. *röde*. Lit. 'to make rotten;' formed by mutation from Teut. *\*raut-*, second grade of Teut. *\*reut-an-*, to rot. See **Rotten**.

**RETAIL**, to sell in small portions. (F.—L.) In Shak. L. L. L. v. 2. 317. Due to the phrase to *sell by retail*. 'Sell by whole-sale and not by *retaille*;' Hakluyt, Voyages, vol. i. p. 506, l. 34. To *sell by retail* is to sell by 'the shred,' or small portion.—OF. *retaille* (Hatzfeld); MF. *retail*, 'a shred, paring, or small peece cut from a thing;' Cot.—OF. *retailer*, 'to shred, pare, clip;' id.—F. *re-* (=L. *re-*), again; and *tailler*, to cut; see **Re-** and **Tailor**. Der. *retail*, sb. (which is really the more orig. word); cf. AF. *a retail*, by retail; Stat. Realm, i. 178 (1318). Cf. *de-tail*.

**RETAIN**, to hold back, detain. (F.—L.) In Skelton, Phyllyp Sparrow, l. 1126. 'Of them that list all uice for to *retaine*;' Wyatt, Sat. ii. l. 21. Spelt *retayne* in Palsgrave; *reteyne*, Caxton, Godfrey of Bologne, p. 88, l. 28.—OF. *reteing*, *reten*, as in 1 p. s. pres. of *retenir*, 'to retaine, withholde;' Cot.—L. *retinēre*, to hold back.—L. *re-*, back; and *tenēre*, to hold; see **Re-** and **Tenable**. Der. *retain-able*; *retain-er*, Hen. VIII, ii. 4. 113; *retent-ion*, q.v., *retin-ue*, q.v.

**RETALIATE**, to repay. (L.) In Blount's Gloss., ed. 1674.—L. *retaliatus*, pp. of *retaliare*, to requite, allied to *tālio*, retaliation in kind. Cf. L. *lex taliōnis*, the law of retaliation. β. It is usual to connect these words with L. *tālis*, such, like; but they are obviously allied to W. *tāl*, payment, Irish *taille*, wages, Gael. *tailleas*, wages; Corn. *taly*, to pay. Hence *retaliat*=repay. Der. *retaliat-ion*, a coined word; *retaliat-ive*, *retaliat-or-y*.

**RETARD**, to make slow, delay, defer. (F.—L.) In Minsheu, ed. 1627, 'To *retarde* you;' A.D. 1467; Excerpta Historica, p. 187.—MF. *retarder*, 'to foreslow, hinder;' Cot.—L. *retardāre*, to delay.—L. *re-*, back; and *tardāre*, to make slow, from *tardus*, slow. See **Re-** and **Tardy**. Der. *retard-at-ion*.

**RETCH, REACH**, to try to vomit. (E.) Sometimes spelt *reach*, but quite distinct from the ordinary verb *to reach*. In Todd's Johnson; without an example. '*Reach*, to retch, to strive to vomit;' Peacock, Gloss. of words used in Manley and Corringham (Lincoln). AS. *hræcan*, to try to vomit; whence: '*Phthisis*, wyr-s-hræcing,' Voc. 113. 8; also *hræc-gebræc*, Voc. 112. 30. From AS. *hræca*, spittle, A.S. Leechdoms, ii. 260.—Icel. *hrækja*, to retch; from *hræki*, spittle. Prob. of imitative origin.

**RETENTION**, power to retain, or act of retaining. (F.—L.) In Shak. Tw. Nt. ii. 4. 99; v. 84.—MF. *retention*, 'a retention;' Cot.—L. *retentionem*, acc. of *retentio*, a retaining; cf. *retentus*, pp. of *retinēre*; see **Retain**. Der. *retent-ive*, *retent-ive-ly*, -ness.

**RETICENT**, very silent. (L.) Modern; the sb. *reticence* is in Holland, tr. of Plutarch, p. 841 (R.).—L. *reticent-*, stem of pres. part. of *reticere*, to be very silent.—L. *re-*, again, hence, very much; and *tacere*, to be silent; see **Re-** and **Tacit**. Der. *reticence*, from MF. *reticence*, 'silence,' Cot., from L. *reticentia*.

**RETICULE**, a little bag to be carried in the hand. (F.—L.) Modern; not in Todd's Johnson. Borrowed from F. *reticule*, a net for the hair, a reticule; Littré.—L. *reticulum*, a little net, a reticule; double dimin. (with suffix *-cu-lu-*) from *rēti-*, decl. stem of *rēte*, a net. ¶ Formerly also *ridicule*, both in F. and E., by confusion with *ridicule* (Littré). Cf. prov. F. *rédicule*, a reticule, dial. of Verdun (Fertiault); and Rouchi (Hécart). Der. *reticul-ar*, *reticul-ate*, *reticul-at-ed*; also *reti-ar-y*, i.e. net-like; *reti-form*, in the form of a net; also *reti-na*, q.v.

**RETINA**, the innermost coating of the eye. (L.) Called '*Retiformis tunica*, or *Retina*,' in Phillips, ed. 1706. So called because it resembles a fine network. A coined word; from *rēti-*, decl. stem of *rēte*, a net; see **Reticule**.

**RETINUE**, a suite or body of retainers. (F.—L.) ME. *retenue*, Chaucer, C. T. 2504 (A 2502).—OF. *retenue*, 'a retinue;' Cot.; fem. of *retenu*, pp. of *retenir*, to retain; see **Retain**.

**RETIRE**, to retreat, recede, draw back. (F.—L. and Teut.) In Shak. Temp. iv. 161.—OF. *retirer*, 'to retire, withdraw;' Cot.—F. *re-*, back; and *tirer*, to draw, pull, pluck, a word of Teut. origin. See **Re-** and **Tirado**. Der. *retire-ment*, Meas. for Meas. v. 130, from F. *retirement*, 'a retiring,' Cot.

**RETORT**, a censure returned; a tube used in distillation. (F.—L.) In both senses, it is the same word. The chemical *retort* is so called from its 'twisted' or bent tube; a *retort* is a sharp reply 'twisted' back or returned to an assailant. 'The *retort* courteous; As You Like It, v. 4. 76. 'She wolde *retorte* in me and my mother;' Henrysoun, Test. of Creseide, st. 41, l. 286.—F. *retorte*, 'a retort, or crooked body,' Cot.; fem. of *retort*, 'twisted, twined, . . . retorted, violently returned,' id.; pp. of *retordre*, 'to wrest back, retort;' id.—L. *retorquere* (pp. *retortus*), to twist back.—L. *re-*, back; and *torquere*, to twist; see **Re-** and **Torsion**.

**RETOUCH, RETRACE**; from **Re-** and **Touch, Trace**.

**RETRACT**, to revoke. (F.—L.) In Levins, ed. 1570. [The remark in Trench, Study of Words, lect. iii, that the primary meaning is 'to reconsider,' is not borne out by the etymology; 'to draw back' is the older sense.]—MF. *retracter*, 'to recant, revoke,' Cot.—L. *retractare*, to retract; frequentative of *retrahere* (pp. *retractus*), to draw back.—L. *re-*, back; and *trahere*, to draw; see **Re-** and **Trace**. Der. *retract-ion*, from MF. *retraction*, 'a retraction,' Cot.; *retract-ive*, *retract-ive-ly*; also *retract-ile*, i.e. that can be drawn back, a coined word. And see *retract*.

**RETREAT**, a drawing back, a place of retirement. (F.—L.) Spelt *retrait* in Levins. 'Betre is to make a *beau retrait*'—it is better to make a good retreat; Gower, C. A. iii. 356; bk. viii. 2416.—OF. *retriete* (Littre), later *retraite*, spelt *retraicte* in Cotgrave, 'a retrait, a place of refuge;' fem. of *retret*, *retrait*, pp. of *retraire*, 'to withdraw;' Cot.—L. *retrahere*, to draw back; see **Retract**. Der. *retreat*, verb, Milton, P. L. ii. 547.

**RETRENCH**, to curtail expenses. (F.—L.) In Phillips, ed. 1706.—MF. *retrencher*, 'to cut, strike, or chop off, to curtail, diminish;' Cot. Mod. F. *retrancher*.—F. *re-* (=L. *re-*), back; and OF. *trencher*, 'to cut;' Cot. See **Re-** and **Trench**. Der. *retrenchment*, Phillips.

**RETRIBUTION**, requital, reward or punishment. (F.—L.) In Minshew, ed. 1627. Spelt *retribucion*, Caxton, G. Legend, Pentecost, § 3.—MF. *retribution*, 'a retribution, requital;' Cot.—L. *retributio*nem, acc. of *retributio*, recompense; cf. *retributus*, pp. of *retribuere*, to restore, repay.—L. *re-*, back; and *tribuere*, to assign, give; see **Re-** and **Tribute**. Der. *retribut-ive*.

**RETRIEVE**, to recover, bring back to a former state. (F.—L. and Gk.) 'I *retrieue*, I fynde agayne, as houndes do their game, *je retrouue*;' Palsgrave. Levins has: '*retrive*, *retrudere*;' he must mean the same word. Spelt *retriue*, Book of St. Albans, fol. b 4; cf. *retriuer*, a retriever (dog), id. fol. b 3, back. Just as in the case of *contrive*, the spelling has been altered; probably *retrieue* was meant to represent OF. *retrieue*, a stem of the OF. *retrover*, later *retrouver*.—F. *retrouver*, 'to find again;' Cot.—F. *re-*, again; and *trouver*, to find. See **Contrive** and **Trover**. Thus the successive spellings are *retrieue* (for *retrieue*), *retrieue*, *retrieue*. Der. *retrieu-er*, *retrievable*.

**RETRO-**, backwards, prefix. (L.; or F.—L.) L. *retrō-*, backwards. A comparative form, with comp. suffix *-trō*, as in *ul-trō*, *ci-trō*, *in-trō*; from *red-* or *re-*, back. Thus the sense is 'more backward.' See **Re-**. Cf. Goth. *-þrō* in *þa-þrō*, thence; Brugmann, ii. § 75.

**RETROCESSION**, a going back. (L.) A coined word, and not common; see an example in Richardson. As a math. term, in Phillips, ed. 1706. Formed with suffix *-ion* (=F. *-ion*, L. *-ionem*) like *retrocession-us*, pp. of *retrocedere*, to go backwards; see **Retro-** and **Cede**. ¶ The classical L. sb. is *retrocessus*.

**RETROGRADE**, going backwards, from better to worse. (L.) In early astronomical use, with respect to a planet's apparent backward motion. ME. *retrograd*, Chaucer, On the Astrolabe, ed. Skeat, pt. ii. § 4, l. 33; § 35, l. 12.—L. *retrōgradus*, going backward; used of a planet.—L. *retrōgradī*, to go backward.—L. *retrō-*, backward; and *gradī*, to go; see **Retro-** and **Grade**. Der. *retrograde*, verb, from MF. *retrograder*, 'to recoyle, retire,' Cot.; *retrogress-ion*, in Sir T. Browne, Vulg. Errors, b. vi. c. 3, last section, as if from L. \**retrogressio* (but the classical form is *retrogressus*), like *retrogressus*, pp. of *retrōgradī*. Hence *retrogress-ive*, *-ly*. Also *retrograd-at-ion*, Holland, tr. of Pliny, b. ii. c. 17, from MF. *retrogradation*, 'a retrogradation,' Cot., formed from *retrōgradātus*, pp. of *retrōgradare*, collateral form of *retrōgradī*.

**RETROSPECT**, a contemplation of the past. (L.) Used by Steele in The Spectator, no. 374, § 1. Pope has *retrospective*, adj., Moral Essays, Ep. i. l. 99. Swift has *retrospection* (Todd; no reference). 'Retrospect, or Retrospection, looking back;' Phillips, ed. 1706. Coined from L. *retrospectus*, unused pp. of *retrospicere*, to look back.—L. *retrō-*, backward; and *specere*, to look; see **Retro-** and **Spy**.

**RETROUSSÉ**, turned up at the end, as a nose. (F.) Modern.—F. *retroussé*, pp. of *retrousser*, to turn up; lit. to truss up.—F. *re-*, again; and *trousser*, to pack; see **Truss**.

**RETURN**, to come back to the same place, answer, retort. (F.—L.) ME. *returnen*, *retournen*, Chaucer, C. T. 2097 (A 2095); Rom. of the Rose, 382, 384.—F. *retourner*, 'to return;' Cot.—F. *re-*, back; and *tourner*, to turn; see **Re-** and **Turn**. Der. *return*, sb., King Alisaunder, l. 600. Der. *return-able*.

**REUNION, REUNITE**; see **Re-** and **Unit**.

**REVEAL**, to unveil, make known. (F.—L.) Spelt *revele*, Spenser, F. Q. iii. 2. 48.—MF. *reveler*, 'to reveale;' Cot.—L. *reuelāre*, to unveil, draw back a veil.—L. *re-*, back; and *uelāre*, to veil, from *uelum*, a veil; see **Re-** and **Veil**. Der. *revel-at-ion*, ME. *reuelacioun*, Wyclif, Rom. xvi. 25, from MF. *revelation*, 'a revelation,' Cot., from *reuelātiōnem*, acc. of *reuelātiō*, allied to *reuelātus*, pp. of *reuelāre*.

**REVEILLE**, an alarum at break of day. (F.—L.) 'Sound a *reveillé*, sound, sound;' Dryden, The Secular Masque, 61. 'Save where the fife its shrill *reveillé* screams;' Campbell, Gertrude, pt. iii. st. 7. 'So soon love beats *revellies* in her breast;' Davenant, Gondibert, b. iii. c. 5. st. 1. A trisyllabic word. The true F. word is *réveil*, an awaking, reveille; as in *battre le réveil*, *sonner le réveil*, to beat, to sound the reveille (Hamilton). But the E. word was originally *reveillez*; see Brand's Antiq. ed. Ellis, ii. 176. This was taken as a pl. form, and the final *z* was dropped.—MF. *resveilleez vous*, awake ye; imper. pl. of *resveiller*, to awake, arouse. Cf. MF. *resveil*, 'a hunt's-up or morning-song for a new married wife, the day after the marriage.'—F. *re-* (=L. *re-*), again; and OF. *esveiller*, to waken (Cot.), from Late L. \**exuigilāre*, not found, but a mere compound of *ex*, out, and *uigilāre*, to wake, watch, from *uigil*, wakeful. See **Re-**, **Ex-**, and **Vigil**. ¶ See the full account in Notes on E. Etym., p. 247. The F. *reveillez* is used as a sb., in the E. sense, in the dialect of Forez, near Lyons (Graz).

**REVEL**, to carouse, indulge in boisterous festivities, to frolic. (F.—L.) ME. *revelen*; Poems and Lives of Saints, ed. Furnivall, xxx. 15.—OF. *reveler*, to rebel, revolt, also to rejoice noisily, rejoice greatly (Godefroy).—L. *rebellāre*, to rebel; see **Rebel**. Der. *revel*, sb., ME. *reuel* (=revel), Chaucer, C. T. 2719 (A 2717), Legend of Good Women, 2255; P. Plowman, B. xiii. 442; Will. of Palerne, 1953. [On the strength of Chaucer's expression, 'And made *revel* al the longe night' (C. T. 2719), Tyrwhitt explained *revel* as 'an entertainment, properly during the night.' This is an attempt at forcing an etymology from F. *réveiller*, to wake, which is wrong. In Will. of Palerne, 1953, the *revels* are distinctly said to have taken place in the forenoon; and in Chaucer, Legend of Good Women, 2255, we read that 'This *revel*, full of songe and ful of daunce, Lasteth a *fourte-night*, or litel lasse,' which quite precludes a special reference to the night.]—OF. *revel*, which Godefroy explains by 'rebellion, revolt, pride, also great rejoicing, joy, amusement.' 'Plains est de joie et de *revel*'=is full of joy and revelry; Le Vair Palefroy, l. 760; Roquefort. 'La douçors de tens novel Fait changier ire en *revel*'=the sweetness of the fresh season changes anger into sport; Bartsch, Chrestomathie, col. 323, l. 28. Also *revell-er*, ME. *revelour*, Chaucer, C. T. 4389 (A 4391); *revel-ry*. ¶ Note also ME. *revelous*, full of revelry, full of jest, Chaucer, C. T. 12934 (B 1194)=OF. *reveleux*, *revelous*, riotous. Korting, § 7826.

**REVENGE**, to injure in return, avenge. (F.—L.) In Palsgrave. 'To *revenge* the dethe of our fathers;' Berners, tr. of Froissart, vol. ii. c. 240 (R.).—OF. *revengier* (Supp. to Godefroy, s.v. *revancher*); MF. *revenger* (Palsgrave), later *revenger*, 'to wreak, or revenge himself,' Cot., who gives the form *revengé* for the pp.; mod. F. *revancher*; whence the phrase *en revanche*, in return, to make amends; by a bettering of the sense.—F. *re-*, again; and *venger*, older form *vengier*, to take vengeance, from L. *vindicāre*. See **Re-** and **Vengeance**; also **Avenge, Vindicate**. Der. *revenge*, sb., Spenser, F. Q. i. 6. 44; *revenge-ful*, Hamlet, iii. 1. 126; *revenge-ful-ly*; *revenge-ment*, 1 Hen. IV, iii. 2. 7. Doublet, *revindicate*.

**REVENUE**, income. (F.—L.) Lit. 'that which comes back or is returned to one.' Often accented *revénue*; Temp. i. 2. 98.—OF. *revenué*, 'revenue, rent;' Cot. Fem. of *revenu*, pp. of *revenir*, to return, come back.—F. *re-*, back; and *venir*, to come.—L. *re-*, back; and *uenire*, to come, cognate with E. *come*. See **Re-** and **Come**.

**REVERBERATE**, to re-echo, reflect sound. (L.) In Levins, ed. 1570.—L. *reverberātus*, pp. of *reverberāre*, to beat back.—L. *re-*, back; and *uerberāre*, to beat, from *uerber*, a scourge, lash, whip; cf. Gk. *πάβδος*, a rod. Der. *reverberat-ion*, ME. *reuerberacioun*, Chaucer, C. T. 7816 (D 2234), from F. *reverberation*, 'a reverberation,' Cot., from L. acc. *reuerberātiōnem*. Also *reverberat-or-y*; and *reverb* (a coined word, by contraction), K. Lear, i. 1. 156.

**REVERE**, to venerate, regard with awe. (F.—L.) Not an early word, *to reverence* being used instead. In Blount's Gloss., ed. 1674.—MF. *reverer* (mod. *révéer*), 'to reverence,' Cot.—L. *reuerēri*, to revere, stand in awe of.—L. *re-*, again (here intensive); and *uerēri*, to fear, feel awe (corresponding to the E. phrase *to be wary*, to

beware), from the same root as wary. See **Ro-** and **Wary**. Der. *rever-ence*, in early use, ME. *reuerence*, Rob. of Glouc., p. 553, l. 11547, King Alisaunder, 793, from OF. *reverence*, 'reverence,' Cot., from L. *reuerentia*, respect. Hence *reverence*, vb., Minshew, ed. 1627, P. Plowman, C. xiv. 248, from OF. *reverencer*, 'to reverence,' Cot.; *reverenti-al*, from MF. *reverential*, 'reverent,' Cot. Also *rever-ent*, Chaucer, C. T. 8063 (E 187), from OF. *reverent* (14th century, see Littré, s.v. *révérend*), which from L. *reuerendus*, fut. pass. part. of *reuerēri*; later form *rever-end*, Frith's Works, p. 105, col. 2. l. 40.

**REVERIE, REVERY**, a dreaming, irregular train of thought. (F.—L.?) 'When ideas float in our mind without any reflection or regard of the understanding, it is that which the French call *resvery*; our language has scarce a name for it;' Locke, Human Understanding, b. ii. c. 19 (R.). 'In a *reuerie*;' Godfrey of Bologny, ch. 116; p. 174. AF. *reverye*, raving; Langtoft, ii. 168.—F. *réverie*, formerly *reuerie*, 'a raving, idle talking, dotage, vain fancy, fond imagination;' Cot.—F. *réver*, formerly *resver*, 'to rave, dote, speak idly, talke like an asse;' id. β. The F. *réver* has the same sense as the Lorraine *râver*, whence E. *rave*; see **Rave**. Hence the form *ravery*, raving, rage, as a variant of *revery* (N.E.D.). Körting, § 7697.

**REVERSE**, opposite, contrary, having an opposite direction. (F.—L.) The adj. use seems to be the oldest in E.; it precedes the other uses etymologically. ME. *reuers* (= *revers*). 'A vice *reuers* unto this'—a vice opposite this; Gower, C. A. i. 167; bk. ii. 222. 'Al the *reuers* seyn'—say just the contrary; Chaucer, C. T. 14983 (B 4167).—OF. *revers*, 'strange, uncouth, crosse;' Cot.—L. *reuersus*, lit. turned back, reversed, pp. of *reuertere*, to turn backward, return.—L. *re-*, back; and *uertere*, to turn; see **Re-** and **Verse**. Der. *reverse*, verb, Gower, C. A. i. 3; prol. 30; *reverse*, sb., Merry Wives, ii. 3. 27, from F. *revers*, 'a back blow,' Cot. Cf. F. *les revers de fortune*, 'the crosses [reverses] of fortune;' id. Also *revers-ion*, Levins, from MF. *reversion*, 'a reverting,' Cot.; hence *revers-ion-ar-y*. Also *revers-al*, Bacon, Life of Hen. VII, ed. Lumby, p. 15, l. 26; *revers-ible*. And see *revert*.

**REVERT**, to return, fall back, reverse. (F.—L.) In Spenser, F. Q. iv. 6. 43. Also in Caxton; see gloss. to Eneydos.—MF. *revertir*, 'to revert, returne;' Cot.—L. type *\*revertire*, for L. *reuertere*, to return; see **Reverse**. Der. *revert-ible*.

**REVIEW**, to view again, look back on, examine carefully. (F.—L.) 'To *reuiuw*, to recognise, or revise;' Minshew, ed. 1627. And see Shak. Sonn. 74; Wint. Tale, iv. 4. 680. From **Re-** and **View**. Der. *review*, sb., *review-er*, *review-al*.

**REVILE**, to calumniate, reproach. (F.—L.) ME. *reuilē* (with *u=v*), Gower, C. A. iii. 247, bk. vii. 4635; Rob. of Brunne, tr. of Langtoft, p. 161, l. 11. AF. *reviler* (Gower); OF. *reviler*, to revile (Godefroy).—F. *re-* (L. *re-*), again; and F. *vil*, from L. *uilis*, cheap, of small value. Cf. OF. *aviler* (mod. F. *avilir*), 'to disprize, disesteeme, imbase, make vile or cheap,' &c.; Cot.; where the prefix is F. *à*, L. *ad*. See **Vile**. Der. *revil-er*.

**REVISE**, to review and amend. (F.—L.) In Minshew, ed. 1627.—MF. *reviser*, to revise; omitted by Cotgrave, but in early use (Littré).—L. *reuīsere*, to look back on, to revisit.—L. *re-*, again; and *uīsere*, to survey, frequent. form of *uīdere* (supine *uīsum*), to see. See **Re-** and **Vision**. Der. *revise*, sb., *revis-al*, *revis-er*; *revis-ion*, from F. *revision*, 'a revision, revise, review,' Cot.

**REVISIT**, to visit again. (F.—L.) In Hamlet, i. 4. 55. From **Re-** and **Visit**.

**REVIVE**, to return to life, consciousness, or vigour, recover. (F.—L.) In Palsgrave; and in K. Lear, iv. 6. 47. 'His spyrite *reuiued*;' Caxton, G. Legend, Joseph, § 14. Also used actively, as: 'to *revive* the ded'—to reanimate the dead; Spenser, F. Q. ii. 3. 22.—F. *revivre*, 'to revive, recover, return unto life,' Cot.—L. *reuīuere*, to live again.—L. *re-*, again; and *uīuere*, to live; see **Re-** and **Vivid**. Der. *reviv-al*, *revival-ist*, *reviv-er*. Also *reviv-ify*, from *re-* and *vivify*; *reviv-i-fic-at-ion*.

**REVOKE**, to repeal, recall, reverse. (F.—L.) Levins, ed. 1570, has both *revoke* and *revocate*. 'I *revoke*, je *reuocque*;' Palsgrave. Spelt *reuoke*, Dictes, pr. by Caxton, fol. 24. l. 11.—MF. *revocquer* (omitted by Cotgrave), to revoke; mod. F. *révoquer*.—L. *reuocāre*, to call back.—L. *re-*, back; and *uocāre*, to call. See **Re-** and **Voice**. Der. *revoc-at-ion*, from MF. *revocation*, 'a revocation,' Cot., from L. acc. *reuocātiōnem*; *revoc-able*, from MF. *revocabile*, 'revokable,' Cot., from L. *reuocabilis*; *revoc-abl-y*; *ir-revoc-able*.

**REVOLT**, a turning away, rebellion. (F.—Ital.—L.) In Shak. Merry Wives, i. 3. 111.—MF. *revolte*, 'a revolt, a rebellion,' Cot.—Mital. *revolta* (mod. *rivolta*), 'a revolt, turning, an overthrow;' Florio. Fem. of *revolto*, 'turned, revolted, overthrowne, ouerturned,' &c.; Florio. This is the pp. of *revolvere*, 'to revolve, ponder, turne, overthrowne;' id. See **Revolve**. Der. *revolt*, verb, K. John, iii.

i. 257, from MF. *revolter*, Mital. *revollare*; *revolt-er*; *revolt-ing*, *revolt-ing-ly*.

**REVOLVE**, to roll round, move round a centre. (L.) 'This meditacion by no waie *reuolue*;' Test. of Love, b. i, ch. 8, l. 4.—L. *reuoluere*, to roll back, revolve.—L. *re-*, back; and *uoluere* (pp. *uolūtus*), to roll. See **Ro-** and **Voluble**. Der. *revolv-er*; *revolut-ion*, ME. *reuolucon*, Gower, C. A. ii. 61, bk. iv. 1783, from OF. *revolution*, from L. acc. *reuolutiōnem*, nom. *reuolutiō*, a revolving, allied to *reuolūtus*, pp. of *reuoluere*. Hence *revolution-ar-y*, *-ise*, *-ist*. And see *revolt*.

**REVULSION**, a tearing away, sudden forcing back. (F.—L.) Used by Bacon, Nat. Hist. § 66, to mean the withdrawal of blood from one part to another in the body.—MF. *revulsion*, 'a revulsion, plucking away; also, the drawing or forcing of humours from one part of the body into another;' Cot.—L. *reuulsiōnem*, acc. of *reuulsio*, a tearing away; cf. *reuulsus*, pp. of *reuellere*, to pluck back.—L. *re-*, back; and *uellere*, to pluck. Der. *revuls-ive*. And see *con-vulse*.

**REWARD**, to requite, recompense, give in return. (F.—L. and Teut.) ME. *rewarden*, verb, P. Plowman, B. xi. 129, Wyclif, Heb. xi. 26. Also *reward*, sb., used exactly in the sense of *regard*, of which it is a mere doublet. 'Took *reward* of no man'—paid regard to no one, P. Plowman, C. v. 40; see Chaucer, Legend of Good Women, prol. 399; Hampole, Pricke of Conscience, 1881; Will. of Palerne, 3339.—AF. *rewarder*, Langtoft, i. 176; OF. *rewarder*, the same as *regarder*, to regard (Burguy).—OF. *re-* (= L. *re-*), back; and *warder*, the same as *garder*, a word of Teut. origin. See **Re-gard**, **Guard**, **Ward**. The orig. sense is to mark or heed, as a lord who observes a vassal, and regards him as worthy of honour or punishment; hence, to requite. Der. *reward*, sb., OF. *reward*, the same as *regard*. Not connected with *guerdon*, as suggested in Richardson. Doublet, *regard*.

**REYNARD, RENARD**, a fox. (F.—Teut.) In Dryden, The Cuck and the Fox, 581, 662, 721, 760, 794, 805. 'Hyer [here] begynneth thystorye [the history] of *reynard the foxe*;' Caxton, tr. of Reynard the Fox, A.D. 1481. See the Introductory Sketch to The History of Reynard the Fox, ed. Arber.—MF. *renard*, *regnard* (mod. F. *rénard*), 'a fox;' Cot. β. Of Teut. origin; the famous epic is of Low G. origin, and was composed in Flanders in the 12th century; see the edition, by Herr Ernst Martin, Paderborn, 1874, of Willems, *Gedicht von den vos Reinaerde* (poem of the fox Reynard). Thus the E. and F. words are due to the Flemish name *reinaerd* or *reinaert*. This is the same as the OHG. *reginhart*, used as a Christian name, meaning literally 'strong in counsel,' an excellent name for the animal. γ. The OHG. *regin*, *ragin*, counsel, is the same as Goth. *ragin*, an opinion, judgement, advice, decree. This is not to be connected with L. *regere*, to rule, but with Skt. *rachanā*, orderly arrangement, from *rach*, to arrange; see Uhlenbeck. δ. The OHG. *hart*, strong, lit. hard, is cognate with E. *Hard*, q.v. The OHG. *reginhart* became later *reinhardt*, a reynard, fox. We also meet with the mod. G. *reinecke*, a fox; this is a dimin. of *Rein-*.

**RHAPSODY**, a wild, disconnected composition. (F.—L.—Gk.) Ben Jonson uses 'a *rhapsody* Of Homer's' to translate *Iliacum carmen*, Horace, Ars Poetica, l. 129. Spelt *rapsodie* in Minshew, ed. 1627.—F. *rapsodie*, 'a rapsodie,' Cot.—L. *rhapsōdia*.—Gk. *ῥαψῳδία*, the reciting of epic poetry, a portion of an epic poem recited at a time, also, a rhapsody, tirade.—Gk. *ῥαψῳδός*, one who stitches or strings songs together, a reciter of epic poetry, a bard who recites his own poetry. The term merely means 'one who strings odes or songs together,' without any necessary reference to the actual stitching together of leaves.—Gk. *ῥαψ-*, stem of fut. tense of *ῥάπτω*, to stitch together, fasten together; and *ῥῶδή*, an ode, for which see **Ode**. Der. *rhapsodi-c*, Gk. *ῥαψῳδικός*, adj., *rhapsodi-c-al*, *rhapsodi-c-al-ly*; *rhapsodi-st*, sb.

**RHETORIC**, the art of speaking with propriety and elegance. (F.—L.—Gk.) ME. *retorykē* (4 syllables), Chaucer, C. T. 7908 (E 32).—OF. *rhétorique*, 'rhetorick,' Cot.—L. *rhētorica*, for *rhētorica ars*, i. e. rhetorical art; fem. of *rhētoricus*, rhetorical.—Gk. *ῥητορικὴ τέχνη*, i. e. rhetorical art; fem. of *ῥητορικός*, rhetorical.—Gk. *ῥητήρ*, decl. stem of *ῥήτωρ*, an orator. For *ῥήτωρ*, related by gradation to *ῥέπειν* (for *\*ῥέπ-ειν*), to say, of which the pt. t. is *ῥέπ-η-κα*. Formed with the suffix *-τωρ* (= L. *-tor*) of the agent; the sense being 'speaker.' β. The base of *ῥέπειν* is *ῥέπ=✓WER*, to speak; whence also the E. verb and word; see **Verb**, **Word**. See Curtius, i. 428. Der. *rhetoric-al*, *-al-ly*; *rhetoric-ian*.

**RHEUM**, discharge from the lungs or nostrils caused by a cold. (F.—L.—Gk.) Frequent in Shak. Meas. iii. 1. 31; &c. 'Reumes and moystures do increase;' Sir T. Elyot, Castel of Helth, b. ii. c. 24. Spelt *reume*, Palsgrave.—OF. *reume*, MF. *rheume*, 'a rheume, catarrh;' Cot. (F. *rhume*).—L. *rheuma*.—Gk. *ῥεῦμα* (stem *ῥευματ-*), a flow, flood, flux, rheum.—Gk. *ῥεῦ-*, occurring in *ῥεῦ-σμαι*, fut. t.

of *πέειν*, to flow, which stands for \**σπέειν*; the base of the verb being \**σπευ-*, to flow, cognate with Skt. *sru*, to flow. — *✓SREU*, to flow; see *Stream*. Brugmann, i. § 462; Fick, i. 837; Curtius, i. 439. Der. *rheum-y*, Jul. Caesar, ii. 1. 266; *rheumat-ic*, Mids. Nt. Dr. ii. 1. 105, from L. *rheumaticus*, from Gk. *ρευματικός*, adj.; *rheumat-ic-al*; *rheumat-ism*, from L. *rheumatismus*, from Gk. *ρευματισμός*, liability to rheum.

**RHINOCEROS**, a large quadruped. (L.—Gk.) In Shak. Macb. iii. 4. 101. Named from the remarkable horn (sometimes double) on the nose. — L. *rhinoceros* (Pliny). — Gk. *ῥινόκερως*, a rhinoceros, lit. 'nose-horned.' — Gk. *ῥίνο-*, decl. stem of *ῥίς* (gen. *ῥίνος*), the nose; and *κέρας*, a horn, allied to E. *horn*; see *Horn*. *ῥέω*. See the description of the *rhinoceros* and *monoceros*, supposed to be different animals, in K. Alisaunder, 6529, 6539; cf. Wright, Popular Treatises on Science, p. 81.

**RHIZOME**, a root-like stem. (F.—Gk.) Modern; in botany. — F. *rhizome*. — Gk. *ρίζωμα*, root. — Gk. *ρίζω*, to cause to take root. — Gk. *ρίζα*, root; see *Root*.

**RHODODENDRON**, a genus of plants with evergreen leaves. (L.—Gk.) Lit. 'rose-tree.' In Phillips, ed. 1706. — L. *rhododendron* (Pliny). — Gk. *ῥοδόδενδρον*, lit. 'rose-tree.' — Gk. *ῥόδο-*, for *ῥόδον*, a rose; and *δένδρον*, a tree. *β*. As to *ῥόδον*, see *Rose*. *ἄένδρον* appears to be a reduplicated form, connected with *δρῦς*, a tree, and therefore with E. *tree*; see *Tree*.

**RHODOMONTADE**; the same as *Rodomontade*, q. v.

**RHOMB, RHOMBUS**, a quadrilateral figure, having all its sides equal, but not all its angles right angles. (F.—L.—Gk.; or L.—Gk.) The F. form *rhomb* is now less common than the L. form *rhombus*; but it appears in Blount's Gloss., ed. 1674, and in Milton, P. R. iii. 309. — F. *rhombe*, 'a spinning wheel; also, a figure that hath equal sides and unequal angles, as a quarry of glass,' &c.; Cot. — L. *rhombus*. — Gk. *ῥόμβος*, anything that may be spun or twirled round, a spinning-wheel; also a rhomb, or rhombus, from a certain likeness to a whirling spindle, when the adjacent angles are very unequal. — Gk. *ῥέμβειν*, to revolve, totter. Allied to *Wrinkle* (Prellwitz). See also *Rumb*. Der. *rhomb-ic*; *rhombo-id*, i. e. rhomb-shaped, from *ῥόμβο-*, for *ῥόμβος*, and *εἶδ-ος*, form, shape; *rhombo-id-al*. Doublet, *rumb*, q. v.

**RHUBARB**, the name of an edible plant. (F.—Late L.—Gk.) Spelt *reubarbe* by Sir T. Elyot, Castel of Helth, b. iv. c. 1; also *Reubarbarum*, id. b. iii. c. 6; *rubarbe*, Skelton, Magnificence, 2385; *rubarb*, Libell of E. Policy, l. 362. — OF. *reubarbe*, MF. *rheubarbe*, 'rewbarb'; Cot. Mod. F. *rhubarbe*. Cf. Ital. *reubarbaro*, *rhubarb*; spelt *rabbbarbaro* in Florio. The botanical name is *rhēum*. — Late L. *rheubarbarum* (= *rhēum barbarum*), used by Isidore of Seville (Brachet). — Gk. *ῥῆον βαρβαρον*, *rhubarb*; lit. 'the *Rhēum* from the barbarian country.' *β*. Gk. *ῥῆον* is an adjectival form, from *ῥᾶ*, the Rha-plant, i. e. reubarb, which was also called *Rhā Ponticum*; and *Rhā* took its name from the *Rha* or Volga, the name of a river in Pontus. Cf. the Linnæan name *Rhēum Rhaponticum*, which is tautological. 'Huic *Rha* uicinus est amnis, in cujus superciliis quedam uegetabilis eiusdem nominis gignitur radix, proficiens ad usus multiplices melularum;' Ammianus Marcellinus, xii. 8. 28; a passage which Holland translates by: 'Neere unto this is the river Rha, on the sides whereof groweth a comfortable and holsom root, so named, good for many uses in physick.' See Taylor's Words and Places, Lewis's Lat. Dict. (s. v. *rha*), and Richardson.

**RHUMB**, the same as *Rumb*, q. v.

**RHYME**, the same as *Rime* (1), q. v.

**RHYTHM**, flowing metre, true cadence of verse, harmony. (F.—L.—Gk.) Formerly spelt *rithme*, as in Minshew, ed. 1627. — F. *rithme*, 'time, or meter;' Cot. — L. *rhythmus*, acc. of *rhythmus*. — Gk. *ῥυθμός*, measured motion, time, measure, proportion; Ionic form, *ῥυσμός*. Cf. Gk. *ῥύσις*, a stream, *ῥύμα*, a stream, *ῥυτός*, flowing; all from the base *ῥυ-*; cf. *πέειν* (for \**σπέειν*), to flow. — *✓SREU*, to flow; see *Rheum*. Brugmann, ii. § 72, iii. § 691. *¶* See also *Rime* (1). Der. *rhythm-ic*, Gk. *ῥυθμικός*; *rhythm-ic-al*.

**RIATA**; see *Reata*.

**RIB**, one of the bones from the back-bone encircling the chest. (E.) ME. *ribbe*, Rob. of Glouc., p. 22, l. 518; P. Plowman, B. vi. 180. AS. *ribb*, Gen. ii. 21. + Du. *rib*; Icel. *rið*; Swed. *ref-been*, a rib-bone; Dan. *rib-been*; Pomeran. *ribbe*; OHG. *rippi*, G. *rippe*. + Russ. *rebro*. *β*. The AS. *ribb* answers to a Teut. type \**reb-jom*, neut. Perhaps allied to G. *reb-e*, a tendril; from the notion of winding round (Kluge). Cf. OHG. *hirni-reba*, the brain-pan, skull. Der. *rib*, verb; *ribb-ing*; *spare-rib*; *rib-wort*, Palsgrave, a plantain, called simply *ribbe* (rib) in AS.; see A. S. Leechdoms, Glossary.

**RIBALD**, a low, licentious fellow. (F.—Tent.) ME. *ribald*, but almost always spelt *ribaud*, P. Plowman, B. xvi. 151, v. 512; King Alisaunder, 1578; pl. *ribauz*, O. Eng. Homilies, ed. Morris, i. 279, last line but one. — OF. *ribald*, *ribaud* (*ribauld* in Cot.), a ribald,

ruffian; mod. F. *ribaut*. The Late L. form is *ribaldus*; see Ducange. And see a long note in Polit. Songs, ed. Wright, 1839, p. 369. We also find Late L. *ribalda*, fem., a prostitute. *β*. The suffix *-ald* shows the word to be Teutonic; it answers to OHG. *walt*, power, and was (1) a common suffix in Frankish proper names, and (2) a common suffix in F. words, where it is used as a masc. termination denoting character, and commonly has a depreciatory sense, as in the present instance. *γ*. Diez connects *ribald* with OHG. *hrīpā*, MHG. *rībe*, a prostitute, and cites from Matthew Paris: 'fures, exules, fugitiui, excommunicati, quos omnes *ribaldos* Francia uulgariter consuevit appellare.' Hence also OF. *riber*, to be wanton; which fully explains the sense. Cf. Körting, § 4019. Der. *ribaldry*, ME. *ribaldrie*, commonly written *ribaudie*, P. Plowman, C. vii. 435.

**RIBAND, RIBBAND, RIBBON**, a narrow strip, esp. of silk. (F.) Spelt *riband* from a fancied connexion with *band*, with which it may possibly be connected; also *ribband*, Spenser, F. Q. iv. 10. 8. But the *d* is excrement and is not always found in the ME. period, though occurring in the Prompt. Parv. ME. *riban*, P. Plowman, B. ii. 16; 'with *ribanes* of red golde' = with golden threads. 'Ragges *ribaned* with gold' = rags adorned with gold thread; Rom. of the Rose, 4752. Again, in Rom. of the Rose, 1077, Riches wears a purple robe, adorned with *orfreis* (gold-embroidery) and *ribaninges*. [Irish *ribin*, a ribbon; *ribe*, a flake, a hair, a ribbon; Gael. *ribean*, a riband, fillet, *rib*, *ribe*, a hair, rag, clout, tatter, gin, snare, whence also *ribeag*, a hair, little hair, small rag, tassel, fringe, bunch of anything hairy; W. *rhabin*, a streak, *rhīb*, a streak, are all from ME. *riban*.] *β*. From F. *ruban*, spelt *riban* in 1394 (Supp. to Godefroy), *ruben* in Cotgrave, *rubant* in Palsgrave. The form *riban* occurs also in mod. Prov., and in the Norman and Guernsey dialects (Mistral, Moisy, Métiévier). Ducange also gives the form *reband*; see Voc. 792. 20. *γ*. The suffix seems to be Du. and G. *band*, a band; see *Band* (1). The *ri-* or *re-* perhaps occurs in EFries. *rif-band*, *ref-band*, a reef-band (Koolman). The old sense of *reef* (in a sail) was 'strip'; cf. MSwed. *rif*, 'fascia'; Swed. dial. *reju*, Norw. *reiv*, 'a swaddling-band, lit. 'strip.'

**RIBIBE**, the same as *Rebeck*, q. v.

**RICE**, a kind of edible grain. (F.—Ital.—L.—Gk.—OPers.) In Shak. Wint. Tale, iv. 3. 41; spelt *rise* in Bacon, Nat. Hist. § 49; *rice* in Levins; *ryce* in Palsgrave. ME. *ryz*, Mandeville, ch. 31, p. 310. — OF. *ris*, 'rice,' Cot.; mod. F. *riz*. — Ital. *riso*. — L. *orīza*, rice. — Gk. *ῥυζα*, also *ῥυζον*, rice; both the plant and grain. *β*. Doubtless borrowed from an OPers. form, preserved in the Pushto (Afghan) *wrijzey*, *wrijey*, rice (Raverty). Hence also Arab. *uruzz*, *ruzz*, whence Span. *arroz*, rice. Allied forms are Pers. *birinj*, Armenian *brinj*, rice; Skt. *vrihi*, rice. (Horn, § 208; Yule.)

**RICH**, wealthy, abounding in possessions. (E.) ME. *riche* (12th cent.), O. Eng. Homilies, i. 53, l. 10; Ancrén Riwe, p. 66; Layamon, 128. (Not borrowed from F., but an E. word.) AS. *rich*, powerful; Luke, i. 52; Mark, x. 25. The change from final *c* to *ch* is just as in *Norwich* from *Norðwic*, *pitch* from AS. *pic*, &c.; see Mätzner, i. 145. + Du. *rijk*; Icel. *rikr*; Swed. *rik*; Dan. *rig*; Goth. *reiks*; G. *reich*. *β*. All from a Teut. type \**rikjoz*, lit. powerful, ruling; from the base \**rik-* as seen in Goth. *reiks*, a ruler. This is cognate with the Celtic base \**rig-*, as in Gaulish *rix*, a king (cf. OIrish *ri* (gen. *rig*), a king, W. *rhi*, a chief); unless the Teut. *reiks* is merely borrowed from the Celtic *rix* (for \**rēx*), as Uhlenbeck suggests. All from *✓REG*, to rule; see *Regent*. Brugmann, i. §§ 135, 549 c. *¶* The fact that the word *might* have come into the language from F. *riche*, which is from MHG. *riche* (G. *reich*), does not do away with the fact that it has always existed in our language. But the deriv. *riches* is really of F. origin; see *Riches*. Der. *richly*, AS. *riclice*, Luke, xvi. 19; *rich-ness*, ME. *richnesse*, Rob. of Brunne, tr. of Langtoft, p. 155, l. 14. Also *-ric* in *bishop-ric*, where *-ric* = AS. *rice*, a kingdom, dominion; cf. Icel. *riki*, Goth. *reiki*, G. *reich*, sb., dominion, allied to L. *reg-num* and E. *realm*.

**RICHES**, wealth. (F.—OHG.) Now often regarded as a pl. sb. Shak. has it as a pl. sb., Timon, iv. 2. 32, Per. i. 1. 52; but usually as a sing. sb., Oth. ii. 1. 83, iii. 3. 173, Sonnet 87. ME. *richesse*, a sing. sb.; 'Mykel was the *richesse*,' Rob. of Brunne, tr. of Langtoft, p. 30, l. 24. The pl. is *richesses*, Ayenbite of Inwyt, p. 24, l. 21; Ancrén Riwe, p. 168, l. 13. The word first appears (spelt *riches*) in Layamon, 8091. — F. *richesse*, 'riches, wealth;' Cot. Formed with suffix *-esse* (cf. Port. and Span. *riqu-eza*, Ital. *ricch-ezza*) from the adj. *riche*, rich. — MHG. *riche*, OHG. *rihhi* (G. *reich*), rich; cognate with E. *Rich*, q. v.

**RICK**, a heap or pile of hay or wheat. (E.) The mod. E. *rick* is from AS. *hrycce*, as in *corn-hrycce*, a corn-rick; Ælfric's Hom. ii. 178. It also occurs as *reek*. ME. *reek*, Prompt. Parv. p. 428, col. 1, last line; AS. *hrēac*, to translate L. *aceruus*, a heap; Voc. 313. 33. + Icel. *hraukr*, a rick, small stack. Teut. types \**hruk-jon-*, \**hraukoz*, m. Cf. OIrish *cruach*, a heap; and see *Ridge*. Brugmann, i.

§ 637. Doublet, prov. E. *ruck*, a heap, the Scand. form; see **Ruck** (2).

**RICKETS**, a disease of children, accompanied with softness of the bones and great weakness. (E.) The name was first given to this disease, about 1620, by the country-people in Dorsetshire and Somersetshire. This we learn from a treatise by Dr. Glisson, *De Rachitide*, cap. 1. He used the form *rachitis* (it should have been *rhachitis*) to denote the fact that it is sometimes accompanied by spinal disease, or, in Greek, *ῥαχίτις*, founded on Gk. *ῥάχης*, the spine. This was easily confused with the prov. E. *rick*, *wrick*, to sprain, twist, wrench; whence the form *rickets*. 'Cavil 7. Hospitals generally have the *rickets*. . . Answer. Surely there is some other cure for a *rickety* body than to kill it;' Fuller, *Worthies of England*, 1662; repr. 1840, vol. i. p. 47. A still earlier notice of *rickets* is in Fuller, *Meditations on the Times* (first pub. 1647), xx. p. 163, in *Good Thoughts*, &c., Oxford, 1810; see N. and Q. 6 S. ii. 219. The prov. E. '*rickety* (unsteady) table' is well known. β. Formed, with pl. suffix *-ets*, from E. *wrick*, ME. *wrikken*, to twist, used in the phr. 'to *wrick* (i.e. to twist) one's ankle.' Thus the word denotes a disease accompanied by distortion. 'The deuel *wricked* her and ther,' i.e. the devil (when seized by St. Dunstan) twisted hither and thither; Spec. of Eng., ed. Morris and Skeat, p. 22, l. 82. Allied to AS. *wringan*, to wring; see **Wring**. + Du. *wrikken*, to stir to and fro; *de bank wrikt nog*, 'the bench stands totteringly still' (i.e. is rickety); Sewel. See **Wriggle**.

**RICOCCHET**, the rebound of a cannon-ball fired at a slight elevation. (F.—Prov.—L.) Not in Todd's Johnson.—F. *ricochet*, 'the sport of skimming a thin stone on the water, called a Duck and a Drake;' Cot. Rabelais (*Pantagruel*, iii. 10) has *chanson du ricochet*, which Cot. explains: 'an idle or endless tale or song;' and Hatzfeld as: 'a song with much repetition.' Littré quotes from a writer of the 15th century: 'Mais que il cede je cederai, et semblablement respond l'autre, et ainsi est la fable du ricochet.' β. There is also a F. verb *ricocher*, to ricochet, make ducks and drakes; and Scheler and Littré derive *ricochet* from *ricocher*. But Hatzfeld says that the derivation runs the other way. γ. However, mod. Prov. has the F. sb. *ricouchet*, and the vb. *ricouca*, *recauca*, to skip, to repeat; from L. *re-* and Prov. *couca*, *cauca*, to tread upon, from L. *calcāre*; and, as L. *recalcāre* means to tread upon again, to retrace, and also to repeat, the sense of 'repetition' is easily explained from the L. source. Thus *ricocher* is from Prov. *ricouca*; cf. MF. *caucher*, to tread (L. *calcāre*). Der. *ricochet*, verb.

**RID** (1), to free, deliver. (E.) ME. *ridden*, to separate two combatants, Gawain and the Grene Knight, 2246; also to deliver, O. Eng. Homilies, i. 273; also spelt *redde*, id. ii. 19, l. 20. (*Rid* stands for *red*, and that for *hred*). AS. *hreddan*, to snatch away, deliver; Grein, ii. 101. + OFriesic *hredda*; Du. *redde*; Dan. *redde*; Swed. *rädä*; G. *retten*. Teut. type \**hrad-jan-*, a causal form. Cf. Skt. *grath*, to untie, loose. Der. *ridd-ance*, Spenser, *Daphnida*, 364; a hybrid word, with F. suffix *-ance* (L. *-antia*).

**RID** (2), to clear, esp. land. (Scand.). Prov. E. *rid*, to remove litter, to grub up. ME. *ruden* (pt. t. *rid*). 'The schal *ruden* thine weie to-fore the,' who shall clear thy way before thee; O. E. Homilies, ii. 133. —Icel. *ryðja*, to rid, to clear out; Dan. *rydde*, to clear, grub up land. EFries. and Low G. *rüden*. Teut. type \**rud-jan-*; from \**rud-*, weak grade of \**reud-an-* (G. *reuten*), to clear out. Confused with **Rid** (1).

**RIDDLE** (1), a puzzling question, enigma. (E.) The word has lost a final *s*, and stands for *riddles*, with a plural *riddles-es*, if it were rightly formed. The loss of *s* was easy and natural, as it must have appeared like the sign of the plural number. ME. *redels*; we find F. *un devinal* explained by a *redels* in Wright's Vocab. i. 160. 'The kynge putte forth a *rydels*,' other MSS. *redels*; Trevisa, iii. 181; and see P. Plowman, B. xiii. 184. AS. *rædels*, also *rædelse*, pl. *rædelsan*, Ælfred, tr. of Boethius, c. xxvii. § 3 (bk. iii. pr. 4), c. xxxv. § 5 (bk. iii. pr. 12), where it means 'ambiguity.' The pl. *rædelsas* also occurs, Numb. xii. 8, where the A. V. has 'dark speeches.' The lit. sense is 'something requiring explanation.' Formed with suffixes *-el-s* (for *-isloz*) from AS. *ræd-an*, to read, interpret; we still use the phr. 'to read a riddle.' See **Read**. + Du. *raadse* (for \**raad-is-lo-*), from *raden*, to counsel, to guess; G. *räthsel* (for \**rath-is-lo-*), from *rathen*. Also O. Low G. *rädislo* (Gallée). Der. *riddle*, verb.

**RIDDLE** (2), a large sieve. (E.) For *hriddle*, by loss of initial *h*. ME. *ridil*, Prompt. Parv. p. 433. The suffixes *-il* (or *-el*) and *-er* being of equal force, we find the corresponding word in the AS. *hriddar*, a vessel for winnowing corn; Voc. 141. 12; older form *hrider*, Voc. 1. 12. Cognate forms appear in Irish *creathair*, Gael. *criathar*, Corn. *croider*; L. *cribrum*, a sieve. Lit. sense 'separator.' All from the Idg. √**QREI**, to separate; cf. Gk. *κρί-ναι*. See **Critic**. Der. *riddle*, verb; cf. AS. *hridian*, to sift, Luke xxii. 31.

**RIDE**, to be borne along, esp. on a horse. (E.) ME. *ryden*, pt. t.

*rood*, pp. *riden* (with short *i*); Chaucer, C. T. 94, 169, &c. AS. *ridan*, pt. t. *rād*, pp. *riden*, Grein, ii. 378. + Du. *rijden*; Icel. *riða*; Dan. *ride*; Swed. *rida*; G. *reiten*; OHG. *rītan*. Teut. type \**reid-an-*. Cf. also OIrish *riad-aim*, I drive, ride; also L. *rēda* (a Celtic word), a four-wheeled carriage. From √**REIDH**. Brugmann, i. § 210. Der. *ride*, sb., *rid-er*, *rid-ing*; also *bed-ridden*, q. v., *raid*, q. v., *ready*, q. v., *road*, q. v. And see **Palfrey**.

**RIDGE**, anything resembling the top of a quadruped's back, an extended protuberance. (E.) ME. *rigge*, a back, esp. a quadruped's back, King Alisaunder, 5722; whence mod. E. *ridge*. The Northern form is *rig*. We find 'upon his *rig*' = upon his back, Havelok, 1755. We also find *rug*, Ancrén Riwe, p. 264; pl. *rugges*, Layamon, 540. The double form is due to the AS. *y*. AS. *hryeg*, the back of a man or beast; Grein, ii. 109. + Du. *rug*, back, ridge; Dan. *ryg*; Swed. *rygg*; Icel. *hryggr*; G. *rücken*; OHG. *hrukki*. The Teut. type answering to AS. *hryeg* is \**hrug-joz*, m. Cf. OIrish *croccenn*, (1) hide, (2) the back; Skt. *kruñich*, to be crooked. Der. *ridg-y*. Doublet, *rig* (3).

**RIDICULOUS**, laughable, droll. (L.) In Shak. Temp. ii. 2. 169. Englished (by the common change from *-us* to *-ous*) from L. *ridiculus*, laughable. — L. *ridēre*, to laugh; see **Risible**. Der. *ridiculous-ly*, *-ness*. Also *ridicule*, orig. *ridicle*, as in Foxe, Acts and Monuments, pp. 132, 747 (R.), from L. *ridiculum*, a jest, neut. of *ridiculus*, but changed to *ridicule* by confusion with F. *ridicule*, ridiculous, which is not a sb. but an adj.

**RIDING**, one of the three divisions of the county of York. (Scand.) For *thridding*; the loss of the *th* being due to the misdivision of the compound word *North-thridding*; cf. *East-thridding*, and *West-thridding*. Blackstone explains the *thriddings*; Comment.; Introd. § 4. And note that the word *thridding* was Latinised as *tridingum*, Liber Custumarum, p. 353. Cf. *Estriding* (for *Est-triding*) in Birch, Cartul. Saxon, iii. 676. — Icel. *þriðjungr*, the third part of a thing, the third part of a shire; see Cleasby and Vigfusson. — Icel. *þriði*, third, cognate with E. **Third**, q. v. Cf. Norweg. *tridjung*, a third part, from *tridje*, third; Aasen.

**RIFE**, abundant, prevalent. (Scand.) ME. *rif* (with long *i*), also *rife*, *rive*, *ryfe*, *ryue*; adv. *riue*, *ryue*. 'þere was sorwe *riue*' = there was abundant sorrow, Will. of Palerne, 5414. 'Balú þer wes *riue*' = evil was abundant there; Layamon, 20079. Late AS. *rife*, Leechdoms, iii. 164. — Icel. *rifr*, munificent, abundant; cf. *rifligr*, large, munificent; MSwed. *rif*, *rife*. β. Allied to MDu. *rijf*, *rijve*, 'abundant, copious, or large,' Hexham; Low G. *rive*, abundant, munificent, extravagant. Cf. Icel. *reifa*, to bestow, *reifr*, a giver; *reifr*, glad. Der. *rife-ly*, *rife-ness*.

**RIFF-RAFF**, refuse, rubbish, the off-scourings of the populace. (F.—Teut.) 'Lines, and circles, and triangles, and rhombus, and *rifferaffe*;' Gosson, School of Abuse, 1579, ed. Arber, p. 49, l. 26. Due to ME. *rif* and *raf*, every particle, things of small value. 'The Sarazins, ilk man, he slouh, alle *rif* and *raf*' = He slew the Saracens, every man of them, every particle of them; Rob. of Brunne, tr. of Langtoft, p. 151. And again: 'That noither he no hise suld chalange *rif* no *raf*' = That neither he nor his should claim a single bit of it; id. p. 111, l. 2. — F. *rif et raf*; as, 'Il ne luy lairra *rif ny raf*, he will strip him of all;' Cot. Cf. Walloon *rif*, *raf*; WFlem. *rifraf*. So also: 'On n'y a laissé ne *rifle*, ne *rafle*, they have swept all away, they have left no manner of thing behind them;' id. The lit. sense of *rif* is 'a piece of plunder of small value'; it is closely related to F. *rifler*, 'to rifle, ransack, spoile, make havock or clean work, sweep all away before him;' id. So also MF. *raffler*, 'to rifle, ravage, to sweep all away,' id. The connected E. words are **Rifle** (1) and **Raffle**, q. v. Cf. MItal. *raffola ruffola*, 'by rifferaffe, by hooke or crooke, by pinching or scraping;' Florio.

**RIFLE** (1), to carry off as plunder, spoil, strip, rob. (F.—Teut.) ME. *riflen*, P. Plowman, B. v. 234. — OF. and MF. *rifler*, 'to rifle, ransack, spoile, make havock,' Cot. Norm. dial. *rifler* (Duméril). A word prob. due to the Norse sea-kings. Formed as a frequentative from Icel. *hrifa*, to catch, to grapple, seize, *rifa* (usu. spelt *hrifa*), to pull up, scratch, grasp; related to which are *hrifsa*, to rob, pillage, *hrifs*, sb., plunder. ¶ The F. *rifler* (from Icel. *hrifa*) and *rafler* (from G. *raffen*) were not connected in the first instance, but the similarity of sound drew them together, as recorded in the E. *riff-raff*, q. v. Der. *rifl-er*.

**RIFLE** (2), a musket with a barrel spirally grooved to give the bullet a rotary motion. (Low G.) A modern word; *rifle* and *rifleman* appear in Todd's Johnson, ed. 1827. 'Rifled arms were known on the continent about the middle of the 17th century; they do not appear to have been introduced into the British service till the time of the American revolutionary war;' Engl. Cycl. β. The sb. *rifle* is a short form for *rifled gun*, and is due to the technical word *rifle*, to groove; particularly, to groove in a spiral manner. — Low G. *rifeln*, EFries. *riffeln*, to furrow, chamfer; EFries. *riffel*, a groove; cf. Dan.

*rifle*, to rifle, *rifle*, a groove; Swed. *refla*, to rifle; cf. *refellbössa*, a rifled gun. — Low G. (EFries.) *rifen*, to scratch; Swed. *rifva*, to scratch, tear, grate, grind; Icel. *rifa*, to rive; see **Rive**. So also G. *riefe*, a furrow, *riefen*, to rifle (from Low G.). ¶ The AS. *geriflian* does not correspond to E. *rifle*, but to the old verb *rivel*, to wrinkle; see **Rivel**. It is, however, a related word. Der. *rifle-man*.

**RIFT**, a fissure. (Scand.) In Spenser, F. Q. i. 2. 30. ME. *reft*, Rom. of the Rose, 2661; *ryfte*, Prompt. Parv. p. 433. — Dan. *rift*, a rift, rent, crevice, from *rive*, to rive; Norw. *rift*, a rift; Icel. *ript*, a breach of contract, from *rifa*, to rive. Cf. Swed. *refva*, a rift, strip, cleft, gap; from Swed. *rifva*, to tear, rive. See **Rive**. Der. *rift*, verb, Temp. v. 45, spelt *ryft* in Palsgrave.

**RIG** (1), to fit up a ship with tackle. (Scand. — Low G.) Also to dress up a person, but this is the jocular use of the word, and not the old sense, as supposed by Johnson. In Shak., only in the nautical sense; Temp. i. 2. 146, v. 224, &c. 'High rigged ships; Surrey, tr. of Virgil, iv. 525; L. text, *celsas naues*, Æn. iv. 397. 'I rygge a shyppe, I make it redye;' Palsgrave. Of Scand. origin; the traces of the word are slight. — Norweg. *rigga*, to bind up, wrap round; in some districts, to rig a ship; *rigg*, sb., rigging of a ship; Aasen. Cf. Swed. dial. *rigga på*, to harness a horse, put harness on him. Allied to Pomeran. *rigen*, Westphal. *riggen*, to tack together; Du. *rijgen*, to tack together, reef sails, from *rij*, a row; G. *reihen*, to tack together, to arrange, from *reihe*, a row. Cf. Low G. *rige*, a row, rank, arrangement. See **Row** (1). Der. *rig*, sb., *rigg-ing*.

**RIG** (2), a frolic, prank. (E. ?) 'Of running such a rig; Cowper, John Gilpin. 'Rig, a frolic; Halliwell. *Riggish*, wanton; Shak. Antony, ii. 2. 245. The verb *rigge*, to be wanton, occurs in Levins, col. 119, l. 6. Certainly connected with **Wriggle**. Cf. Norw. *rigga*, to rock; EFries. *wriggen*, to wriggle; Du. *wrikken*, to stir to and fro, *wriggelen*, to wriggle. And see **Rickets**.

**RIG** (3), a ridge. (E.) 'Amang the rigs o' barley; Burns. ME. (Northern) *rig*, a ridge; see **Ridge**.

**RIGADOON**, a lively dance for a single couple. (F. — Prov.) 'Irish jig, and ancient *rigadoon*;' Byron, The Waltz, 110. In Bailey (1735). — F. *rigaudon*, *rigodon*; spelt *rigodon* in 1606 (Hatzfeld). Said to be from *Rigaud*, the name of a dancing-master (Hatzfeld). *Rigaud* is a Prov. name, and Mistral, s. v. *Rigaudoun*, a *rigadoon*, says that *Rigaud*, the dancing-master, lived at Marseilles, and that the dance was prohibited by the parliament of Provence in 1664 (April 3).

**RIGHT**, erect, straight, correct, true, just, proper, exact. (E.) ME. *right*, Wyclif, Matt. iii. 3; &c. AS. *riht*, adj., Grein, ii. 378. + Du. *regt*; Icel. *réttr* (for *\*reht*); Dan. *ret*; Swed. *rät*; G. *recht*, OHG. *reht*; Goth. *raihis*. β. All from Teut. type *\*rehtoz*, Idg. type *\*rektos*, as in L. *rectus*. Cf. also W. *rhaith*, sb., right, OIrish *recht*, law. The Idg. *\*rektos* is for *\*reg-tos*, from ✓REG, to rule. See **Regent**. See **Rectitude**. Der. *right*, adv., AS. *rihte*; *right*, sb., AS. *riht*; *right-ly*, *right-ness*, AS. *rihtnes*; *right*, verb, AS. *rihtan*; *right-ful*, P. Plowman, B. prol. 127; *right-ful-ly*, *right-ful-ness*. Also *right-eous*, well known to be a corruption of ME. *rightwis*, Pricke of Conscience, 9154, AS. *rihtwis*, Grein, ii. 381, a compound of *riht* and *wis* = wise, i. e. wise as to what is right. Palsgrave has the curious intermediate form *ryghtuous*. Hence *right-eous-ly*, AS. *rihtwislice* (Grein); *right-eous-ness*, ME. *rightwisnesse*, Wyclif, Matt. vi. 1, Luke, i. 75, AS. *rihtwisnes* (Grein). From the same root are *rect-i-tude*, *rect-i-fy*, *rect-or*, *rect-angle*, *rect-i-lineal*, as well as *reg-al*, *reg-ent*, &c.; also *cor-rect*, *di-rect*, *e-rect*. Also *regent*.

**RIGID**, stiff, severe, strict. (L.) In Ben Jonson, Epistle to a Friend, Underwoods, lv. 17. — L. *rigidus*, stiff. — L. *rigere*, to be stiff. Brugmann, i. § 875. Der. *rigid-ly*, -ness, *rigid-i-ty*. Also *rig-our*, Chaucer, C. T. 11087 (F 775), from OF. *rigour* (mod. F. *rigueur*) < L. *rigōrem*, acc. of *rigor*, harshness; *rigor-ous*, Cor. iii. 1. 267, from F. *rigoreux*, 'rigorous,' Cot.; *rigor-ous-ly*, -ness.

**RIGMAROLE**, a long unintelligible story. (Hybrid: E. and F. — L.) The word is certainly a corruption of *ragman-roll*, once a very common expression for a long list of names, hence a long unconnected story. See my note to P. Plowman, C. i. 73, where it occurs as *rageman*; Anecdota Literaria, by T. Wright, 1844, p. 83, where a poem called *Ragman-roll* is printed; Wright's Homes of Other Days, p. 247; Jamieson's Dict., where we learn that the Scottish nobles gave the name of *ragman-rolls* to the collection of deeds by which they were constrained to subscribe allegiance to Edw. I, A.D. 1296; Towneley Mysteries, p. 311, where a catalogue of sins is called a *rolle of ragman*; Skelton, Garl. of Laurell, l. 1490, and Dyce's note; P. Plowman's Crede, l. 180; Cowell's Law Dict., and Todd's Johnson, s. v. *rigmarole*. Also the long note on *ragman-roll* in Halliwell. β. The precise meaning of *ragman* (oldest spelling *rageman*, but apparently with hard g) is not known. It first occurs as 'the name given to a statute of 4 Edw. I (appointing justices to hear and determine complaints of injuries done within 25

years previous), and to certain articles of inquisition associated with proceedings of *Quo Warranto* under this statute;' N. E. D., q. v. We also find *rageman* used to mean the devil; see P. Plowman, C. xix. 122, and the note. γ. The word *roll* is F.; see **Roll**. With *raggeman* we may perhaps compare Icel. *ragmenn*, a craven person, coward, *ragmennska*, cowardice; from Icel. *ragr*, a coward, and *maðr* (= *mannr*), a man. Cf. Swed. *raggen*, the devil; Rietz cites ON. *ragvætt*, an evil spirit, lit. 'a cowardly wight,' where *vætt* is our E. *wight* = G. *wicht* in *bösewicht*, a bad spirit. To call a person *ragr* was to offer him the greatest possible insult. ¶ The word *roll* was sometimes pronounced *row* (see Jamieson); hence we find in Levins, ed. 1570: 'Ragmanrew, series,' where *rew* = *row*.

**RIGOL**, a circle. (Ital. — G.) In Shak. 2 Hen. IV, iv. 5. 36. — Ital. *rigolo*, 'a little wheel under a sledge;' Torriano. Dimin. from Ital. *rigo*, *riga*, a line. — OHG. *riga*, a line, also, a circumference of a circle (G. *reihe*). Allied to E. *row*; see **Row** (1). See Notes on E. Etym., p. 249.

**RILE**, to vex; see **Roil**.

**RILL**, a streamlet, small brook. (Low G.) 'The bourns, the brooks, the becks, the *rills*, the rivulets;' Drayton, Polyolbion, Song i. 78. (He also has the dimin. *rill-et* in the same Song, l. 264.) — Low G. *rille*, used in the sense of a small channel made by rain-water running off meadows, also, a rill; see Bremen Wörterbuch. So also EFries. and Dan. dial. *rille*, a streamlet.

β. *Rille* would appear to be a contraction from Teut. *\*ridele*, a dimin. of AS. *ride* or *ride*, a stream, a common word; cognate with O. Low G. *ride*, a water-course, NFries. *ride* or *ride*, a stream or rill.

γ. The AS. *i* in *ride* was probably long, as there are numerous streams in N. Germany with the name *reide* (Leo); and Halliwell gives South E. *rithe*, a small stream. Robin (p. 432) gives the Norm. dialect *risle*, *rille*, as the name of a small stream, which appears in old charters as *Ridula*, *Risila*, *Risla*. See my Notes on E. Etym., p. 249. Cf. L. *ri-us*, a stream. Der. *rill-et*, *rill*, verb.

**RIM**, a border, edge, verge. (E.) 1. ME. *rim*, *rym*. 'Rym of a whele;' Prompt. Parv. AS. *rima*, rim; in the comp. *sā-rima*, sea-shore, lit. sea-rim; A. S. Chron. an. 897; see Sweet, A. S. Reader. Cf. W. *rhim*, *rhimp*, *rhimyn*, a rim, edge. + Icel. *rimi*, a strip of land. Perhaps allied to G. *rand*, a rim; and to **Rind** (Kluge). Brugmann, i. § 421. 2. We also find *rim* used in the sense of peritoneum or inner membrane of the belly, as in Shak. Hen. V, iv. 4. 15; and see Pricke of Conscience, l. 520, Sir Gawain and the Green Knight, 1343; the sense may be 'border,' hence envelope or integument. Cf. EFries. *rim*, *rim*, margin, border.

**RIME** (1), verse, poetry; the correspondence of sounds at the ends of verses. (F. — L. — Gk.) Usually spelt *rhyme*, by confusion with *rhythm*, which is a later form of the same word. But the ME. form was *rime*; and I have not found an instance of the spelling *rhyme* before A.D. 1550; or hardly so soon. Dr. Schmidt omits to state that the first folio of Shak. has the spelling *rime*, Two Gent. of Verona, iii. 2. 69, Merry Wives, v. 5. 95, L. L. L. i. 2. 190; &c. It is *rime* in Minsheu, ed. 1627, and in Cotgrave; *ryme* in Palsgrave. ME. *rime*, *ryme*, Chaucer, C. T. 13639 (B 1899). — OF. *rime*, F. *rime*, found in the 12th cent. (Hatzfeld). From L. acc. *rhythmus*, which became fem.; from nom. *rhythmus*. — Gk. *ῥυθμός*, measured motion, time, measure; see **Rhythm**. From the same classical source was derived MHG. *rim*, in the sense of verse; which is quite a distinct word from OHG. *rīm*, a number, cognate with AS. *rim*, number, which is of true Teutonic origin, and cognate with W. *rhif*, number. The OF. *rime*, in very early use, was the source of Ital., Span., Port. *rima*; and even of Du. *rijm*, G. *reim*, Icel. *rima*. Der. *rime*, verb (usually *rhyme*), ME. *rymen*, *rimen*, Chaucer, C. T. 1461 (A 1459); *rimeless* (usually *rhymeless*); *rim-er* (usually *rhym-er*), spelt *rim-er* in the first folio ed. of Shak. Antony, v. 2. 215; *rime-ster* (usually *rhyme-ster*), the suffix of which is discussed under **Spinster**.

**RIME** (2), hoarfrost, frozen dew. (E.) The word has lost initial *h*, and stands for *hrime*. ME. *rime*, *ryme*. 'Ryme, frost, pruina;' Prompt. Parv. AS. *hrim*, to translate L. *pruina*; Ps. cxviii. 83, ed. Spelman (margin). + Du. *rijm*; Icel. *hrim*; Dan. *riim*; Swed. *rim*. Cf. also G. *reif*, MHG. *rife*, OHG. *hrifo*, hoar-frost; Du. *rijp*, hoar-frost. Der. *rim-y*.

**RIMER**, a tool for enlarging holes in metal. (E.) From AS. *ryman*, to enlarge, make room. — AS. *rym*, room; see **Room**.

**RIMPLE**, to ripple, as the surface of water. (E.) 'The *rimpling* of the brook;' Crabbe, Parish Register, pt. 1 (ed. 1802). Cf. ME. *rimpled*, wrinkled; Rom. Rose, 4495. From AS. *hrymp*, mutated form of *hrump*, weak grade of *hrimpan*, to wrinkle; cf. the gloss: 'rugosa, þære gehrumpnan;' Voc. 521. 10. See **Ripple** (2).

**RIND**, the external covering, as the bark of trees, skin of fruit. (E.) ME. *rind*, *rinde*; Ancrén Riwe, p. 150, ll. 4, 8. AS. *rinde*, the bark of a tree, Voc. 216. 5; also, a crust (of bread), Ælfric's Hom. ii. 114, last line but one. + MDu. *rinde*, 'the barke of a tree;'

Hexham; G. *rinde*, OHG. *rinta*, f. Prob. allied to G. *rand*, a rim, and to **Rim** (Kluge).

**RINDERPEST**, an infectious disease of cattle. (G. and L.) Modern. — G. *rinderpest*, cattle-disease. — G. *rinder*, pl. of *rind*, an ox; and *pest*, a pest, plague, from L. *pestis*. *Rind* is allied to E. *rotter*; see **Rotter** and **Post**.

**RING** (1), a circle. (E.) ME. *hring*, initial *h* being lost. ME. *ring*, Chaucer, C. T. 10561 (F 247). AS. *hring*; Grein, ii. 106. + Du. *ring*; Low G. *ring*, *rink*, Bremen Wörterbuch; Icel. *hringr*; Swed. and Dan. *ring*; G. *ring*, OHG. *hrinc*. Teut. type \**hrengoz*; Idg. type \**krenghos*. Allied by gradation to the Idg. type \**khronghos*, as in OBulg. *kragū*, Russ. *krug(e)*, a ring, circle. See also **Rank**, **Haranguo**. Note that the *e* of Teut. \**hrengoz* is preserved in Finn. *rengas*, a ring, an early loan-word from Teutonic (Streitberg). Der. *ring*, verb, K. John, iii. 4. 31; *ring-dove*, so named from the ring on its neck; *ring-ed*; *ring-lead-er*, 2 Hen. VI, ii. 1. 170; *ring-let*, used to mean 'a small circle,' Temp. v. 37; *ring-straked*, i.e. streaked with rings, Gen. xxx. 35; *ring-worm*, a skin disease in which rings appear, as if formed by a worm, Levins, ed. 1570. Doublet, *rink*.

**RING** (2), to sound a bell, tinkle. (E.) ME. *ringen*, Chaucer, C. T. 3894. AS. *hringan*, to clash, ring; byrnan *hringdon*, breastplates clashed, Beowulf, 327, ed. Grein; *ringden þa belle*, they rang the bells, A. S. Chron. an. 1131. The verb is weak, as in Scand., but mod. E. has pt. t. *rang*, pp. *rung* (by analogy with *sing*); we also find pp. *rongen*, *rungen*, in Allit. Morte Arthure, ll. 462, 976, 1587. + Du. *ringen*; Icel. *hringja*; cf. *hrang*, sb., a din; Dan. *ringe*; Swed. *ringa*. Imitative. Der. *ring*, sb., *ring-er*.

**RINK**, a space for skating on wheels, a course for the game of curling. (E.) The former use is modern; the latter is mentioned in Jamieson's Dict. It appears to be a dialectal variant of *ring*; compare the use of *ring* in the compound *prize-ring*. As to the form, we may compare the Low G. *rink* used as a variant of *ring*; see the Bremen Wörterbuch; NFries. *rink*, variant of *ring*; and vulgar E. *anything* = *anything*. See **Ring** (1).

**RINSE**, to cleanse with clean water, make quite clean. (F.—L.?) Prov. E. *rinch*, *rench*; E. D. D. 'He may *rynse* a pycher;' Skelton, Magnificence, 2194. 'Rynce this cuppe;' Rel. Antiq. i. 7, col. 1. 'Rense thyn teyth;' Medical Works of 14th cent., ed. Henslow, p. 35, l. 13. — OF. *raincer* (Littre), MF. *rinser*, 'to reinse linnen clothes;' Cot.; mod. F. *rincer*. β. Of doubtful origin. The forms *rincer*, *raincer*, seem to be contractions of OF. *recincier*, to rinse (Godefroy); cf. Picard *rechinchier*, to rinse. Körtling (§ 7988) derives this OF. verb from a L. type \**requinquāre*, due to L. *quinquāre*, to cleanse, purify, a verb cited in the 4th century (Lewis). Cf. mod. Prov. *rinsar* (Mistral); OProv. *rezensar* (Bartsch).

**RIOT**, tumult, uproar. (F.) ME. *riote*, Chaucer, C. T. 4390; Ancren Riwe, p. 198, last line. — F. *riote*, 'a brabbling, brawling;' Cot. Cf. Prov. *riota*, dispute, strife (Bartsch); Ital. *riotta*, quarrel, dispute, riot, uproar. β. The orig. sense seems to be 'dispute;' of uncertain origin. See Diez and Körtling. Der. *riot*, verb, ME. *rioten*, Chaucer, C. T. 4412 (A 4414), from F. *rioter*, 'to chide,' Cot.; *riot-er*, ME. *riotour*, Chaucer, C. T. 12595 (C 661); *riot-ous*, id. 4406, from F. *rioteux*; *riot-ous-ly*, -ness.

**RIP**, to divide by tearing open, cut open, tear open for searching into. (Scand.) 'Rip up griepe;' Spenser, F. Q. i. 7. 39. [It does not seem to be the same word as ME. *rippen*, used in the Ormulum in the sense of 'seize;' this is a variant of ME. *ruppen*, to rob, Layamon, 10584, and allied rather to G. *ruffen*, to pluck, than to the present word.] It corresponds to ME. *ripen*, used in the secondary sense of to grope, probe, search into, also used occasionally (like the mod. word) with the prep. *up*. 'Rypande . . the reynes and hert' = searching the reins and heart (said of God), Allit. Poems, B. 592. 'To rype vpe the Romaynes' = to search out the Romans, Morte Arthure, 1877. 'The riche kinge ransakes . . and vpe rypes the renkes' = the rich king seeks for and searches out the men, id. 3940. 'To rype thair war' = to search their ware (where two MSS. have *ransake*), Cursor Mundi, 4893. 'I rype in olde maters, je foubles;' also, 'I ryppe a seame that is sowed;' Palsgrave. A Northern word, of Scand. origin. — Norweg. *ripa*, to scratch, score with the point of a knife (Aasen); Swed. dial. *ripa*, to scratch, also to pluck asunder (cf. E. *rip open*), Rietz; Swed. *repa*, to scratch, to ripple flax; *repa upp*, to rip up; *repa*, sb., a scratch; Dan. *oprippe*, to rip up; WFlem. *open-rippen*, to rip up; Low G. *repen*, to ripple flax (Lübben). Allied to **Ripple** (1), and **Ripple** (3). Der. *rip*, sb.; *ripp-le* (1), q.v., *ripple* (3), q.v.

**RIPE**, developed, mature, arrived at perfection. (E.) ME. *ripe*, *rype*, Chaucer, C. T. 17032 (II 83). AS. *ripe*; 'and swā swā ripe yrð fortredon' = and trod [all] down like ripe corn; Ælfred, tr. of Bede, i. 12. This adj. signifies 'fit for reaping,' and (like the sb. *rip*, harvest) is derived from the strong verb *ripan*, to reap; see

**Reap**. + Du. *rijp*; whence *rijpen*, to ripen; G. *reif*, OHG. *rīft*; whence *reifen*, to ripen. Der. *ripe-ly*, -ness; also *ripen*, verb, from AS. *ripan*, Gen. xviii. 12.

**RIPPLE** (1), to pluck the seeds from stalks of flax by drawing an iron comb through them. (E.) A Northern word; see Jamieson. ME. *ripplen*, *ripelen*. 'Rypelynge of flax, or other lyke, *Avulsio*;' Prompt. Parv. 'Hoc rupeste, a *repylle-stok*,' i.e. an implement for cleaning flax; Voc. 795. 16. An early example is *ripling-combe*, in A Nominale, ed. Skeat, l. 545. The cleaning of flax was also termed *ribbing* (a weakened form of *ripping*); see Prompt. Parv., p. 432, note 2. β. *Ripple* is not to be taken as the frequentative form of *rip*, but as formed from the sb. *ripple*, a flax-comb (Jamieson); and this sb. is derived from *rip-* (weak grade of the strong AS. verb *rip-an*, to reap, cut) by help of the suffix *-le*, sometimes used to express the instrument by which a thing is done, as in *beat-le* = a beat-er; *stopp-le*, used for stopping, *lad-le*, used for lading out, *gird-le*, used for girding. So *ripple* = an instrument for ripping off the flax-seeds; cf. Swed. *repa*, to ripple flax; see **Rip**. + Du. *repel*, a ripple, from *repen*, to beat flax (Hexham); whence *repelen*, to ripple; Low G. *repe*, a ripple, in the dialect of Brunswick called *repe*, *reppel*, Bremen Wörterbuch; Pomeran. *rüpelu*, to ripple flax. The Du. *repel* is from the 2nd grade \**raip-* (Frank) of Teut. \**reipan-*, to reap; see **Ripe**. Cf. G. *riffel*, a ripple; whence *riffeln*, to strip flax. See **Ripple** (3).

**RIPPLE** (2), to cause or show wrinkles on the surface, like running water. (E.) The essential idea in the rippling of water is that it shows wrinkles on the surface. The earliest quotation in Richardson and Johnson is the following: 'Left the Keswick road, and turned to the left through shady lanes along the vale of Eeman, which runs *rippling* over the stones;' Gray, to Dr. Wharton, Oct. 18, 1769. But Dampier has: 'a great *ripling*;' A New Voyage (1699); ii. pt. 2. p. 10. As pointed out by Richardson, it is a by-form or contraction of the older verb *rimple*; 'As gilds the moon the *rimpling* of the brook,' Crabbe, Parish Register, part 1, ed. 1807; where the edition of 1834 has *rippling*. ME. *rimplen*, to wrinkle, whence the pp. *rymplyd*, explained by 'Rugatus' in Prompt. Parv.; cf. 'a *rimpled* vecke' = a wrinkled old woman, Rom. of the Rose, 4495. This verb is from the sb. *rimple* or *rimpil*; 'Rympyl, or *rymple*, or wrynkyly, Ruga;' Prompt. Parv. — AS. *hrympel*, to translate L. *rūga*, a wrinkle, in a gloss; Voc. 531. 4 (where it is miswritten *hrypel*). See **Rumple**. + MDu. *rimpel*, 'a wrinkle, or a folde,' Hexham; *rimpelen*, 'to wrinkle;' id. β. The AS. *hrympel* is from the weak grade (*hrump-*) of *hrimpan*, to wrinkle, of which the pp. *ge-hrumpen* occurs in a gloss; Voc. 521. 10. + OHG. *hrimfan*, MHG. *rimpsen*, to bend together, crook, wrinkle; cf. mod. G. *rümpfen*, to crook, bend, wrinkle. From Teut. base \**hrempe-*. Cf. the similar base \**kremp-*, as in **Crimp**, q.v. Der. *ripple*, sb.

**RIPPLE** (3), to scratch slightly. (Scand.) In the Whitby Glossary, by F. K. Robinson (E. D. S.). 'Having slightly *rippled* the skin of his left arm;' Holland, tr. of Ammianus, p. 264; see Trench, Select Glossary (where it is wrongly connected with the word above). 'Ripple, rescindere;' Levins. This is merely a frequentative (or diminutive) form of **Rip**, q.v.

**RISE**, to ascend, go upward. (E.) ME. *risen*, pt. t. *roos* (pl. *risen*), pp. *risen*; Chaucer, C. T. 825, 1501 (A 823, 1499). AS. *risan*, pt. t. *rās* (pl. *rison*), pp. *risen*; Grein, ii. 382. + Du. *rijzen*, orig. 'to move,' and in MDu. 'to fall,' contrary to the E. sense; Icel. *risa*; OHG. *risan*, to move up, rise; also to move down, fall; Goth. *reisan*, pt. t. *rais* (pl. *risan*), pp. *risans*; only in the comp. *ur-reisan*. β. All from Teut. type \**reisan-* (pt. t. *rais*, pp. *risenoz*), to slip away, orig. expressive of motion only; cf. Skt. *ri*, to distil, ooze (we speak of the *rise* of a river); see **Rivulet**. The MDu. *rijzen* also means 'to fall;' *het loof rijst*, the leaves fall (Hexham). Der. *rise*, sb., Hen. V, iv. 1. 289; *a-rise*, q.v.; *ris-ing*, a tumult, also a tumour, Levit. xiii. 2; also *raise*, q.v., *rear*, q.v.

**RISIBLE**, laughable, amusing. (F.—L.) In Minshew, ed. 1627. — F. *risible*, 'fit or worthy to be laughed at;' Cot. — L. *risibilis*, laughable. — L. *risi-*, from *ris-um*, supine of *ridēre*, to laugh; with suffix *-bilis*. See **Ridiculous**. Der. *risibl-y*, *risibil-i-ty*. From the same L. verb (pp. *risus*) are *ar-ride* (rare, = L. *arridēre*, to laugh at), *de-ride*, *de-ris-ion*, *de-ris-ive*, *ir-ris-ion*, *rid-ic-ul-ous*.

**RISK**, hazard, danger, peril. (F.—Ital.—L.) Spelt *risque* in Blount's Gloss., ed. 1674. — F. *risque*, 'perill;' Cot. [Cf. Ital. *risico*, (in Ariosto, *risico*), formerly *risigo*, as in Florio; Span. *riesgo*, risk; Late L. *risigus*, *riscus*, risk.] Borrowed from Ital. *risico* (*rischio*, *risigo*), hazard, peril (Torriano). This seems to be the same word as Span. *risco*, a steep abrupt rock; from whence the sense of 'danger' may easily have arisen among sailors. Hence Span. *arriesgar* (*arriescar* in Minshew), to venture into danger, lit. 'to go against a rock,' where the prefix *ar-* stands for L. *ad-* before *r* follow-

ing, as usual; also *arriscado*, bold, forward (lit. venturesome); Ital. *arrischarsi*, to venture oneself, *arrischiato*, hazardous. — L. *resecare*, to cut back, to cut off short or abruptly; whence the Span. sb. *risco* (Ital. *risico*) was formed in the same way as E. *scar*, an abrupt rock, is formed from the root of the verb to *shear* or cut off. — L. *re-*, back; and *secare*, to cut; see **Re-** and **Section**. β. This suggestion is due to Diez; he supports it by citing mod. Prov. *rezegue*, risk, *rezegá*, to cut off; *resega*, risk, also a saw, in the dialect of Como; Port. *risco*, risk, also a rock, crag, also a dash with the pen, *riscar*, to raze out with the pen (<L. *resecare*, i.e. to cut out). And cf. Ital. *risico*, risk, with *risega*, a jutting out, *risegare*, *risecare*, to cast off; &c. ¶ Devic suggests a connexion with Arab *rizq*, riches, good fortune, Rich. Dict. p. 731, but a risk is *bad* fortune; and, when he cites the Span. *arriesgar* as showing a prefix *ar-*=Arab. def. article *al-*, he forgets that the verbal prefix better represents the L. *ad*. Besides, the Ital. word is *risico*, spelt *risigo* in Florio. Mistral has mod. Prov. *risque*, *risco*, risk; Gascon *arrisque*. See Körting, § 7995. Der. risk, verb, *risk-y*.

**RISSOLE**, a dish of minced meat or fish with bread-crumbs, &c., fried. (F.—L.) AF. *russole*, Chron. Monasterii de Abingdon, ed. Stevenson, ii. 308. Mod. F. *rissole*; OF. *roissole* (Godefroy), *roussole*. — L. type *\*russeola*; from L. *russeus*, reddish, or rather brownish; from the colour. — L. *rusus*, red; see **Russet**.

**RITE**, a religious ceremony. (L.) ‘With sacred *rites*,’ Spenser, F. Q. i. 12. 36. — L. *ritus*, a custom, esp. a religious custom. Cf. Skt. *riti-*, a going, also way, usage, manner; from *ri-*, to go, flow. — ✓**REI**, to go, run, let flow. Cf. Brugmann, ii. § 498. ¶ The F. *rit* or *rite* seems to have been little used; though found as *rit* in the 14th cent. (Hatzfeld). Der. *ritu-al*, from F. *ritual*, ‘ritually,’ Cot., from L. *ritu-ālis*, from *ritu-*, stem of *ritus*; *ritu-al-ly*; *ritu-al-ism*, *ritu-al-ist*.

**RIVAL**, a competitor. (F.—L.) For the sense, see Trench, On the Study of Words. In Shak. Two Gent. ii. 4. 174. — F. *rival*, sb., ‘a rival, corival, competitor in love;’ Cot. — L. *riualis*, sb., one who uses the same brook as another, a near neighbour, a rival. — L. *riualis*, adj., belonging to a brook. — L. *riu-us*, a brook, stream; with suffix *-ālis*. See **Rivulet**. Der. *rival*, adj., *rival*, verb, K. Lear, i. 1. 194; *rival-ry*, a coined word.

**RIVE**, to split, tear, slit, rend. (Scand.) ME. *riuen*, *ryuen* (with *u=v*), Chaucer, C. T. 12762 (C 828). — Icel. *rifa*, pt. t. *reif*, pp. *rifinn* (=E. *riuen*), to rive, tear; Dan. *rive*; Swed. *rifva*, to scratch, tear. β. Allied to Gk. *ἐρείπειν*, to throw or dash down, tear down; L. *ripa*, a bank, a shore. Teut. base *\*reif-*; Idg. base *\*reip-*. Der. *rif-t*, q. v. And see *rifle* (2), *rivel*; also *riu-er*.

**RIVEL**, to wrinkle. (E.) ‘Praise from the *rivell’d* lips of toothless, bald Decrepitude;’ Cowper, Task, b. ii. l. 488. ‘And *rivell’d* up with heat;’ Dryden, Flower and the Leaf, 378. ME. *riuelen* (with *u* for *v*); ‘Al my face . . . So *riuiled*;’ Gower, C. A. iii. 370; bk. viii. 2829. AS. *ge-riflian*, to wrinkle (Napier’s Glosses); *rifelede*, gloss on L. *rugosus* (id.). A frequentative form; from *\*rif-*, weak grade of Teut. *\*reif-an-*, as seen in Icel. *rifa*, to rive; see above. Cf. AS. *gerifod*, wrinkled, Ælfric’s Hom. i. 614.

**RIVER**, a large stream of running water. (F.—L.) ME. *riuier* (with *u=v*); Chaucer, C. T. 3026 (A 3024); Rob. of Glouc., p. 1, l. 14. — AF. *rivere*; OF. *riviere*, mod. F. *rivière*, a river, stream. It is the same word as Span. *ribera*, a shore, strand, sea-coast, Port. *ribeira*, a meadow near the bank of a river (whence *ribeiro*, a brook), Ital. *riviera*, a shore, a bank, also a river. — Late L. *ripāria*, (1) sea-shore or river-bank, (2) a river (Ducange); fem. of *ripārius*, adj., formed from *ripa*, a bank. Allied to Gk. *ἐρίπ-νῃ*, a broken cliff, scaur (hence, a steep edge or bank), from the base **REIP**, to rive, rend, tear off, seen in Gk. *ἐρείπειν*, to tear down, and in E. *rive*; see **Rive**. Cf. E. *rif*, a fissure, from the same source. Der. *river-horse*, the hippopotamus, Holland, tr. of Pliny, b. viii. c. 25. Also (from L. *ripa*) *ar-rive*, q. v. ⚔ Not allied to *rivulet*.

**RIVET**, an iron pin for fastening armour, &c. together. (F.—Scand.) ‘The armourers, With busy hammers closing *rivets* up;’ Hen. V, iv. chor. 13. ‘With a palsy-fumbling at his gorget Shake in and out the *rivet*;’ Troil. i. 3. 175. *Ryvet*, *revet*, Palsgrave. ME. *ryvette*; Voc. 573. 37. — F. *river*, ‘the welt of a shoe,’ Cot. It also meant a rivet, as in the Supp. to Godefroy. Cf. Walloon *river*, a running noose (Sigart). In Hamilton’s F. Dict. *river* is explained by ‘rivet,’ and marked as a farrier’s term. — F. *river*, ‘to rivet, or clench, to fasten or turne back the point of a naile, &c.; also, to thrust the clothes of a bed in at the sides;’ Cot. β. The word is Scand., as shown by the Aberdeen word *riv*, to rivet, clench, Shetland *riv*, to sew coarsely and slightly; which see in Jamieson. — Icel. *rifa*, to tack together, sew loosely together; *rifa saman*, to stitch together, an expression which occurs in the Edda, i. 346. + O. Low G. *ribilon*, *rebolon*, to patch, sew together (Gallée). Perhaps allied to Icel. *reifa*, to swaddle. Der. *rivet*, verb, Hamlet, iii. 2. 90; Palsgrave

has: ‘I *revel* a nayle, *Je rive*;’ also: ‘*Ryvet* this nayle, and then it wyll holde faste.’

**RIVULET**, a small stream. (L.) In Milton, P. L. ix. 420; Drayton, Muses’ Elysium, Nymph. 6. l. 90. Not F., but an E. dimin., formed with suffix *-et* from L. *riūul-us*, a small stream, dimin. of *riūus*, a stream, river. Cf. Ital. *rivuletto* (Torriano). See **Rival**. Der. (from L. *riu-us*) *riu-al*, q. v., *de-rive*, q. v. And see *rite*.

**RIX-DOLLAR**, the name of a coin. (Du.—G.) ‘He accepted of a *rix-dollar*;’ Evelyn’s Diary, Aug. 28, 1641; Evelyn was then at Leyden. — Du. *rijks-daalder*, a rix-dollar. Hexham gives *rijcksdaelder*, ‘a rix-daller, a peece of money of five schillings, or 50 stivers.’ — G. *reichsthaler*, ‘a dollar of the empire.’ — G. *reichs*, gen. case of *reich*, empire, allied to *reich*, rich, powerful; and *thaler*, a dollar; see **Rich** and **Dollar**.

**ROACH**, a kind of fish. (F.—Teut.) Allied to the carp, but confused with the ray and the skate; fish-names being very vaguely used. ME. *roche*. ‘*Roche*, fische, *rocha*, *rochia*;’ Prompt. Parv. — ONorth F. and Walloon *roche*, OF. *roce*, MF. *rosse* (Cot.). — MDu. *roch*, ‘a fish called a scait;’ Hexham; Du. *rog*. + Dan. *rokke*, a ray; Swed. *rocka*, a ray, thorn-back; Low G. *ruche*, whence G. *roche*, a roach, ray, thorn-back; cf. AS. *reohhe*, a kind of fish. Teut. base *\*ruh-*; Franck. Cf. AS. *rūh*, rough.

**ROAD**, a way for passengers. (E.) Also used of a place where ships *ride* at anchor; this is the same word, the F. *rade* being borrowed from Teutonic. Also used in the sense of *raid* or foray; 1 Sam. xxvii. 10. Shak. has the word in all three senses; (1) Much Ado, v. 2. 33; (2) Two Gent. i. 1. 53; (3) Cor. iii. 1. 5. ME. *roode* (for ships), Prompt. Parv.; *rode* (for horses); Cursor Mundi, 11427. AS. *rād*, a journey, riding expedition, road; Grein, ii. 362. [The sense of ‘road’ only appears in compounds; as *swan-rād*, *swan-road*, i.e. the sea; Bēowulf, 200.] From the 2nd grade of Teut. *\*reid-an-*, to ride; cf. AS. *rād*, pt. t. of *ridan*, to ride; see **Ride**. Der. *road-stead*, *road-way*, *road-ster* (for the suffix, see **Spinster**); also *in-road*. Doublet, *raid*.

**ROAM**, to rove about, to ramble, wander. (F.—L.) ME. *romen*, P. Plowman, B. xi. 124; K. Alisaunder, 7207; Seven Sages, 1429 (in Weber’s Met. Romances, vol. iii); Havelok, 64; Will. of Palerne, 1608. Prob. coined from F. *Rome*, Rome; from L. *Rōma*. Due to the frequent pilgrimages to that great city. Cf. OF. *romier*, a pilgrim to Rome; OF. *romel*, a pilgrim, *romeree*, a pilgrimage; Span. *romero*, a pilgrim. So also not only the Ital. *romeo*, a pilgrim, is derived from *Roma*, Rome, and denoted a pilgrim to Rome; but even in P. Plowman we have *religious romares*=religious pilgrims, B. iv. 120, which the author probably himself regarded as an equivalent to *Rome-renneres*=runners to Rome, B. iv. 128 (only 8 lines below). Cf. OFries. *rumera*, *rumfara*, a pilgrim to Rome. Der. *roam-er*.

**ROAN**, the name of a mixed colour, bay, sorrel, or chestnut, with grey hairs interspersed. (F.—Span.—L.) ‘*Roen*, colour of an horse, *rouen*;’ Palsgrave. In Shak. Rich. II, v. 5. 78; 1 Hen. IV, ii. 4. 120. Explained by Schmidt as ‘dark dappled-bay.’ — OF. *roan*; as in *ung destrier roan*, a roan horse, Supp. to Godefroy; MF. *rouën*; ‘*Cheval rouën*, a roane horse,’ Cot.; mod. F. *rouan*. — Span. *roano*, sorrel-coloured, roan; OSpan. *raudano*. — L. type *\*rāvidānum*; from Late L. *rāvidus*, grey (Ducange). — L. *rānus*, gray-yellow, tawny.

**ROAN-TREE**, **ROWAN-TREE**, the mountain ash. (Scand.) A Northern term, and of Scand. origin. Spelt *roun-tree*, *roan-tree*, *rowan-tree* in Jamieson. — Swed. *rönn*, MSwed. *rönn*, *runn* (Ihre), the mountain-ash; Dan. *rön*, the service, sorb, mountain-ash; Icel. *reynir*, the same. Also Norw. *rogn*, *raagn*, *raun*; Swed. dial. *rågna*, the roan-tree. The Icel. *reynir* is for *\*reyðnir*, from *\*raudnir*, a deriv. of *raudr*, red (Noreen, § 232). From the colour of the berries. See **Red**.

**ROAR**, to cry allow, bellow. (E.) ME. *roren*, Wyclif, Rev. x. 3. AS. *rārian*, Ælfric’s Homilies, i. 66, l. 18; and in Sweet’s A. S. Reader. + MDu. *reeren*, Hexham; MHG. *rēren*. Cf. Lithuan. *rẽ-ju*, I scold, chide; Brugmann, ii. §§ 465, 741. Imitative. Der. *roar*, sb.; *roar-ing*. But not *up-roar*.

**ROAST**, to cook meat before a fire. (F.—G.) ME. *rosten*, Legends of the Holy Rood, ed. Morris, p. 58, l. 504; Legend of St. Christopher, l. 203; Chaucer, C. T. 385 (A 383). — OF. *rostir*, ‘to rost, broile, tost,’ Cot. Mod. F. *rôtir*. Prob. from OHG. *rōstan*, to roast, a weak verb formed from *rōst*, a grate, gridiron. β. We also find Irish *roistin*, a gridiron, *rosdaim*, I roast, *rost*, roast meat; Gael. *rost*, *roist*, W. *rhostio*; all borrowed from E.; and Bret. *rosta*, from F. Der. *roast*, sb.; *roast-meat* (= *roast-ed meat*).

**ROB** (1), to plunder, steal, spoil. (F.—OHG.) In early use. ME. *robben*, Havelok, 1958; Ancrén Riwe, p. 86, l. 13. — OF. *robber*, ‘to rob,’ Cot. Usually spelt *rober*. The orig. sense was to despoil the slain in battle, to strip, disrobe; so that the verb is merely formed from the sb. *robe*, spelt *robbe* in Cotgrave, a robe. See **Robe**. ¶ The E. verb *reave* (usually *bereave*) is formed, in

a precisely similar way, from the AS. sb. *rēaf*, clothing. Der. *robb-er*, ME. *robbour*, Rob. of Glouc., p. 94, l. 2091, from OF. *robbeur*, 'a robber,' Cot.; *robb-er-y*, ME. *roberie*, O.Eng. Homilies, ii. 61, l. 27, from OF. *roberie*, F. *robberie*, 'robbery,' Cot. Doublet, *reave*.

**ROB** (2), a conserve of fruit. (F.—Span.—Arab.—Pers.) In Phillips (1706).—F. *rob*, 'the juice of black whortleberries preserved;' Cot.—Span. *rob*, juice of fruit thickened with honey.—Arab. *rubh*, 'a decoction of the juice of citrons and other fruits, inspissated juice, *rob*;' Rich. Dict.; p. 719.—Pers. *rub* (the same); Devic.

**ROBBINS, ROBINS**, ropes for fastening sails. (E.) Lowl. Sc. *raibandis*, pl., Complaint of Scotland, ed. Murray, p. 40, l. 30. EFries. *rā-band*, where *rā*=yard of a ship. Cf. Icel. *rā*, Dan. *raa*, Swed. *rå*, G. *rahe*, yard; and see **Band** (1). Cf. G. *ragen*, to project. See my Notes on Eng. Etym., p. 252.

**ROBE**, a garment, dress. (F.—OHG.) ME. *robe*, Rob. of Glouc., p. 313, l. 6390; P. Plowman, B. ii. 15.—F. *robe*, a robe; spelt *robbe* in Cotgrave.—MHG. *roub*, *roup*, OHG. *raup* (G. *rauh*), booty, spoil; hence, a garment, because the spoils of the slain consisted chiefly of clothing.—AS. *rēaf*, spoil, clothing; Icel. *rauf*, spoil. Teut. type \**raudom*, neut.; from \**raub*, 2nd grade of Teut. \**reub-an*, to reave; see **Reave**. Der. *robe*, verb; *rob-ed*, K. Lear, iii. 6. 38. Also *rob* (1), q. v.

**ROBIN**, a singing-bird, the red-breast. (F.—OHG.) 'Robyn redbrest;' Skelton, Phyllyp Sparowe, 399; Holland's Howlat, l. 647. 'The most familiar of our wild birds, called *Robin red-breast*, from *Robin* (the familiar version of *Robert*), on the same principle that the pie and the daw are christened *Mag* (for *Margery*) and *Jack*. In the same way the parrot takes its name from *Pierrot*, the familiar version of *Pierre*;' Wedgwood. *Robin Hood* is mentioned in P. Plowman, B. v. 402.—F. *Robin*, a proper name (Cotgrave); a pet name for *Robert*, which was early known in England, because it was the name of the eldest son of Will. I. β. *Robert* is a Frankish name, from OHG. *Ruodperht* (G. *Ruprecht*, whence our *Rupert*), meaning 'fame-bright,' i. e. illustrious in fame. γ. The syllable *perht* is cognate with E. **Bright**, q. v. The syllable *Ruod-* is cognate with Icel. *hrōðr*, praise, fame; it occurs also in *Rud-olf*, *Rud-iger*, *Ro-ger*. Cf. Goth. *hrōtheigs*, victorious, triumphant, 2 Cor. ii. 14. And see **Hobgoblin**.

**ROBUST**, vigorous, in sound health. (F.—L.) 'A robust boisterous rogue knockt him down;' Howell, Famil. Letters, b. i. sect. 3. let. 21; dated 1623.—F. *robuste*, 'strong, tough;' Cot.—L. *rōbustus*, strong; formed by adding *-tus* (Idg. *-to-*) to OL. *rōbus* (later *rōbur*), strength. Der. *robust-ly*, *robust-ness*. Also (obsolete) *robust-i-ous*, Shak. Hamlet, iii. 2. 10, better spelt *robusteous*, as in Blount, directly from L. *rōbustus*, oaken (hence, strong), by the change of *-us* into *-ous*, as in numerous other words.

**ROC**, a huge bird. (F.—Pers.) In the Arabian Nights' Entertainment.—F. *rock* (Littre).—Pers. *rukḥ*, the name of a huge bird; perhaps of Assyrian origin (Devic). Cf. *Nis-rock*, 2 Kings, xix. 37.

**ROCHET**, a surplice worn by bishops. (F.—OHG.) In the Rom. of the Rose, 4754.—F. *rochet*, 'a frock, loose gaberdine; . . . also, a prelates rochet;' Cot.—MHG. *roc* (G. *rock*), a coat, frock.—Du. *rok*, OFries. *rokk*, AS. *roce*, Icel. *rokkr*. Teut. type \**rukkoz*, masc., a coat, frock.

**ROCK** (1), a large mass of stone. (F.) The pl. *rockes* or *rokkes* occurs in Chaucer, C. T. 11305 (F 993).—OF. *roke* (13th cent. Littre); also *roque*, commonly *roche*, a rock; the masc. form *roc* is later, and only dates from the 16th century. Cf. Guernsey *roque*, Walloon *roc*, Languedoc *roquo* (D'Hombres), Prov. *roca*, Span. *roca*, Port. *roca*, *rocha*, Ital. *rocca*, *roccia*, a rock. Also Late L. *rocca*; Ducange. (The Celtic forms are borrowed from E. or F.) We also find late AS. *stān-rocc* (Napier's Glosses). Of unknown origin. ¶ The ME. *roche*, in Gower, C. A. i. 314 (bk. iii. 1048), is from F. *roche*. Der. *rock-pigeon*, *-salt*, *-work*; *rock-y*, *rock-i-ness*.

**ROCK** (2), to move backward and forward, to cause to totter, to totter. (E.) ME. *rokken*, Chaucer, C. T. 4155 (A 4157); Ancren Riwle, p. 82, l. 19. AS. *roccian* (Clark Hall); NFries. *rocke*; O. Low G. *rukian* (Gallée).—Dan. *rokke*, to rock, shake; allied to Dan. *rykke*, to pull, tug, from *ryk*, a pull, a tug; Swed. dial. *rukka*, to wag, to rock, allied to *rycka*, to pull, *ryck*, a pull, jerk. Cf. Icel. *rykkja*, to pull roughly and hastily, *rykkir*, a hasty pull, also a spasm. Also G. *rücken*, to move by pushing; from *ruck*, a pull, jolt, jerk, Du. *ruk*, a jerk. Teut. types \**rukōjan-*, \**rukjan-*, to jolt, jerk (Franck). The base \**ruk* (for \**runk*?) may be related to \**renkan-*, to shake, as seen in Swed. dial. *rinka*, to shake (pt. *rank*, supine *runkit*), Rietz; Swed. *runka*, to shake, *rankig*, rickety (Widegren). Der. *rock-er*, *rock-ing-chair*.

**ROCK** (3), a distaff. (Scand.) In Dryden, tr. of Ovid, Metam. b. viii., Meleager, l. 257. ME. *rokke*. 'Rokke, of spynnyng, Colus;' Prompt. Parv.—Icel. *rokkr*, a distaff; Swed. *rock*; Dan. *rok*.—G.

*rocken*, MHG. *rocke*, OHG. *rocho*, a distaff; Du. *rok*, *rokken*. Teut. type \**rukkon-*, m. Der. *rock-et* (1), q. v.

**ROCKET** (1), a kind of fire-work. (Ital.—G.) In Skinner's Dict., ed. 1671. Dekker has the pl. *rockets*; London Triumphant, speech of Envy (1612).—MHG. *rochetto*, 'a bobbin to winde silke upon; also, any kinde of squib of wilde fier;' Florio. The *rocket* seems to have been named from its long thin shape, bearing some resemblance to a quill or bobbin for winding silk, and so to a distaff. The Ital. *rochetto* is the dimin. of *rocca*, 'a distaffe or rocke to spinne with;' Florio.—MHG. *rocke*, a distaff; see **Rock** (3).

**ROCKET** (2), a plant of the genus *Eruca*. (F.—Ital.—L.) In Levins. Spelt *rokat* in Sir T. Elyot, Castle of Helth, b. ii. c. 9.—F. *roquette*, 'the herb rocket;' Cot.—Ital. *ruchetta*, 'the herb called rocket;' Florio. Dimin. of *ruca*, *eruca*, rocket, Baretti; (only the pl. *eruche* appears in Florio).—L. *ērūca*, a sort of cole-wort; whence also the G. *rauke*, rocket.

**ROCOCO**, a variety of ornamentation, characterized by meaningless scrolls and shell-work. (F.) F. *rococo*; of the time of Louis XIV. Playful variant from the base of F. *roc-aïlle*, rockiness, rock-work (Hatzfeld).—F. *roc*, rock; see **Rock**.

**ROD**, a slender stick. (E.) ME. *rod*, Gower, C. A. i. 310; bk. iii. 910. Chaucer has *lym-rod*, a rod covered with bird-lime, C. T., B 3574. The word is a mere variant of *rood*, by a shortening of the vowel-sound of which we have a few other examples, viz. in *gosling* from AS. *gōsling*, *blossom* from AS. *blōstma*, *fodder* from AS. *fōdor*; not very dissimilar are *blood*, *mother*, from AS. *blōð*, *mōðor*. In the Owl and Nightingale, l. 1644 (or 1646), we have *rod* used in the sense of *rood* or gallows. 'Thou seist that gromes the i-foð, An heie on *rodde* the an-hoð'=thou (the owl) sayest that men take thee, and hang thee high on a rod (rood). See further under **Rood**. Cf. Pomeran. *rode*, a rod; MDu. *roede*, a rod. Doublet, *rood*.

**RODENT**, gnawing. (L.) A scientific term.—L. *rōdēt-*, stem of pres. part. of *rōdere*, to gnaw. Akin to *rādere*, to scratch; see **Rase**. Cf. Skt. *rada-s*, a tooth. Der. (from L. *rōdere*) *cor-rode*, *e-rode*. And see *rostrum*, *rat*.

**RODOMONTADE**, vain boasting. (F.—Ital.) 'Crites. And most terribly he comes off, like your *rodomontado*;' Ben Jonson, Cynthia's Revels, Act v. sc. 2. 'And triumph'd our whole nation in his *rodomant* fashion;' id., Masque of Owls, Owl 5.—F. *rodomontade*, 'a brag, boast;' Cot.—Ital. *rodomontada*, 'a boaste, brag;' Florio. A proverbial expression, due to the boastful character of *Rodomonte*, in the Orlando Furioso of Ariosto, bk. xiv; called *Rodamonte* by Bojardo, Orlando Innamorato, ii. 1. 56. Said to be coined from Lombard *rodare* (= Ital. *rotare*), to turn about, and *monte*, a mountain. See **Rotary** and **Mount** (1).

**ROE** (1), a female deer. (E.) ME. *ro*; Chaucer, C. T. 4084 (A 4086), purposely gives the Northern E. *raa*. AS. *rāha*, *rā*, m.; *rāge*, f. (so that ME. *ro* was masc.). See Voc. 11. 33.—Icel. *rā*; whence *rābukkr*, a roe-buck; Dan. *raa*; whence *raabuk*, a roe-buck, *raadyr*, roe-deer; Swed. *rå*; whence *råbock*, roe-buck; Du. *ree*; *reebok*, roe-buck; O. Low G. *rēho*, m. (Gallée); G. *reh*; *rehbock*. Teut. base \**raihon-*, m.; of unknown origin. Der. *roe-buck*, ME. *roobukke*, Trevisa, i. 337; see **Buck**.

**ROE** (2), the eggs or spawn of fishes. (Scand.) The form *roe* is in Shak. Rom. ii. 4. 39. But it is due to a curious mistake. The true form is *roan* (with *oa* as in *oak*), but it seems to have been regarded as a plural, like *oxen*, *eyne* (eyes), *shoon* (shoes), so that the *n* was dropped. This is unusual (perhaps unique) in the case of apparent plurals in *-en* or *-n*, but common with plurals (or rather supposed plurals) in *-s*; as shown under *cherry*, *sherry*, *pea*. 'Roan, the roe of a fish;' Peacock's Glossary (Lincoln). 'Round, roe,' Whitby Glossary; where the word has actually acquired an excrement *d*. ME. *roune*, Prompt. Parv.—Icel. *hrogn*, Dan. *rogn*, Swed. *rom*, roe, spawn.—G. *rogen*, roe (whence F. *rogue*, roe). β. Teut. type \**hrugon-*, or \**hrugno-*, masc.

**ROGATION**, supplication. (F.—L.) Particularly used in the phr. *Rogation-days*; see the Prayer-book; Hooker, Eccl. Polity, b. v. 3. 41, Foxe, Acts and Monuments, p. 914, Hen. VIII (R.). Also 'Rogation weke;' Palsgrave.—F. *rogation*; pl. *rogations*, 'rogation-daies;' Cot.—L. *rōgatiōnem*, acc. of *rōgātiō*, a supplication, an asking.—L. *rogāre*, to ask. Der. *rogation-days*. Also (from *rogāre*) *ab-rogate*, *ar-rogate*, *ar-rogant*, *de-rogate*, *inter-rogate*, *pre-rogat-ive*, *pro-rogue*, *super-e-rogat-ion*, *sur-rogate*.

**ROGUE**, a knave, vagabond. (F.—Low G.) The word sometimes meant merely a wandering mendicant; see K. Lear, iv. 7. 39, and Trench's Select Glossary. Shak. also has *roguing*, *roguish*, vagrant; Per. iv. 1. 97; K. Lear, iii. 7. 104. Cotgrave has: 'Roder, to roam, wander, vagabondize it, *rogue* abroad.' But the E. *roguish* also has the sense of arch, pert, and this can only be due to F. *rogue*, 'arrogant, proud, presumptuous, malapert, saucie, rude, surly;' Cot. Thus the sense of 'surly fellow' would seem to be the original one,

easily transferred to beggars as a cant term; and then the verb to *rogue* abroad would mean 'to go about as a beggar.'  $\beta$ . That a *rogue* was a common cant term may be seen in Harman's *Caueat*, ed. Furnivall; he devotes cap. iv (pp. 36-41) to the description of 'a roge,' and cap. v to the description of 'a wyld roge.' He concludes by saying: 'I once rebuking a wyld roge because he went idly about, he shewed me that he was a beggar by inheritance; his grandfather was a begger, his father was one, and he must nedes be one by good reason.'  $\gamma$ . The F. *rogue* is referred by Diez to Icel. *hrökr*, but this word means lit. 'a rook,' and secondarily, a croaker, long-winded talker; which does not suit the sense. It answers rather to Low G. *rook*, which not only means the bird, but also an arch-thief (Brem. Wört.). Cf. E. *rook*, to cheat; and Dan. *raage*, a rook. See *Rook* (1). Der. *rogu-ish*, *-ly*, *-ness*; *rogu-er-y*.

**ROIL, RILE**, to vex. (F.?—L.?) *Rile* seems to be the same word as *roil*, to vex; similarly *toil*, *soil*, are occasionally pronounced *tile*, *sile*. But the old word *roil* seems to show two distinct meanings: (1) to disturb, vex, trouble, and (2) to wander about, to romp. I have given examples in my note to P. Plowman, C. vi. 151; and five occur in Davies, Suppl. Glossary. 'The lamb down stream roiled the wolf's water above;' North, Examen, p. 359 (1740). Prov. E. *roil*, *rile*, to make turbid, to scold; E. D. D. Evidently of F. origin. Perhaps from OF. *roellier*, *roelier*, *roillier*, to roll about, to roll the eyes, to beat (Godefroy); mod. F. *rouiller*, to roll the eyes; MF. *rouiller*, to pummel (Cot.). From a Lat. type *\*rotelliäre*, to roll.—L. *rotella*, dimin. of *rota*, a wheel; see *Rotary*.

**ROISTERING**, turbulent, blustering. (F.—L.) Todd cites from Swift (no reference): 'Among a crew of *roist'ring* fellows.' Shak. has *roisting*, Troil. ii. 2. 208; and Levins has *royst*, vb. We have Udall's play of *Roister Doister*, written before 1553; and the sb. *roister* is in the Mirror for Magistrates (Nares). *Roister*, a bully, a ruffian or turbulent fellow, seems to be the orig. word which gave rise to the verb *roist* on the one hand, and the adj. *roistering*, i. e. ruffianly, on the other.—F. *rustre*, 'a ruffin, royster, hackster, swaggerer, sawcie fellow;' Cot. This Littre explains as being another form of OF. *ruste*, a rustic, the r being 'epenthetic.'—L. *rusticum*, acc. of *rusticus*, rustic, hence clownish. See *Rustic*.

**ROLL**, to turn on an axis, revolve, move round and round. (F.—L.) In early use; ME. *rollen*, Layamon, 2287, later text; Chaucer, C. T. 12772 (C 838). Partly (see Hatzfeld) from OF. *roler*, *roller*, later *rouler*, to roll.—Late L. *rotuläre*, to roll, revolve.—L. *rotula*, a little wheel; dimin. of *rota*, a wheel. And partly from OF. *roeler*, to roll, from the sb. *roele*, a little wheel.—L. *rotella*, dimin. of the same L. *rota*. See *Rotary*. Der. *roll*, sb., ME. *rolle*, Ancrén Riwle, p. 344, l. 11, from OF. *rolle*, later *roule*, 'a rowle,' Cot., which from Late L. *rotulum*, acc. of *rotulus*, a roll (preserved in the phrase *custos rotulorum*). Also *roll-er*, *roll-ing*, *roll-ing-pin*, *rolling-press*. Also (from F. *roule*) *roul-eau*, *roul-ette*. Also *cont-rol*, q. v.

**ROMANCE**, a fictitious narrative. (F.—L.) The French originals from which some E. poems were translated or imitated are often referred to by the name of *the romance*. Rob. of Glouc. (p. 487, l. 9987), in treating of the history of Rich. I, says there is more about him 'in *romance*;' and, in fact, the Romance of Richard Cœur de Lion is extant in E. verse; see Weber's Met. Romances.—OF. *romanz*, *romans*, a romance (Godefroy). This peculiar form is believed to have arisen from the Late L. adv. *rōmānicē*, so that *rōmānicē loquī* was translated into OF. by *parler romans*. It then became a sb., and passed into common use. The Prov. *romans* occurs (1) as an adj.=L. *rōmānus*, (2) as a sb., the 'Roman' language, and (3) as a sb., a romance.  $\beta$ . By the 'Roman' language was meant the vulgar tongue used by the people in everyday life, as distinguished from the 'Latin' of books. We now give the name of Romance Languages to the languages which are chiefly founded on Latin, or, as they are also called, the Neo-Latin languages.  $\gamma$ . The Late L. *rōmānicē*, i. e. Roman-like, is formed from the adj. *rōmānus*, from *Rōma*, Rome. Der. *romance*, verb, *romanc-er*. Also (from *rōmānus*) *Roman*, *Roman-ist*, *Roman-ism*, *Roman-ise*; also *roman-esque*, from F. *romanesque*, 'Romish, Roman,' Cot., from Ital. *Romanesco*, Romanish. Also (from *Roma*) *Rom-ish*. And see *Romaunt*.

**ROMAUNT**, a romance. (F.—L.) *The Romaunt of the Rose*, usually attributed to Chaucer, though only 1705 lines of it are really his, is a well-known poem. It is a translation of the French poem *Le Roman de la Rose*. Thus *romaunt* answers to F. *roman*. The final *t* is found in F. as well as E.; the OF. form was (in the oblique case) *romant*, or even *roumant*. Another OF. form of the same word was *romanz* (whence E. *romance*), so that *romanz*, *roman*, *romant* are three forms of the same word. See further under *Romance*. Der. *romant-ic*, spelt *romantick* in Phillips, ed. 1706, from mod. F. *romantique*, *romantic*, an adj. formed from *romant*, another form of *romanz*, as explained above; *romant-ic-al-ly*.

**ROMMANY**, gipsy; a gipsy; see *Rum* (2).

**ROMP**, to play noisily. (F.—Teut.) In the Spectator, no. 187, we find 'a *romping* girl,' and *rompishness*. The older spelling was *Ramp*, q. v. The intermediate form *raump* occurs in Caxton's print of Malory's *Morte Arthure*, bk. ix. c. 1, with reference to a 'raumpynge lyon.' Der. *romp*, sb., Tatler, no. 15, *romp-ish*, *romp-ish-ly*, *romp-ish-ness*.

**RONDEAU**, a kind of poem. (F.—L.) Borrowed from mod. F. *rondeau*. The ME. word was *Roundel*, q. v. **Doublet**, *roundel*.

**RONYON**, a mangy person. (F.) In Shak. Merry Wives, iv. 2. 195; Macb. i. 3. 6. Prob. formed (with suffix *-on*) from MF. *rongne*, F. *rogue*, 'scurf, scabbiness, the mange;' Cot. Cf. Ital. *rogna*, scab; Span. *roña*, scab, dirt, fraud; Port. *ronha*, scab, craftiness; mod. Prov. *rouguo*, scab; *meichanto rouguo*, 'mauvais drôle,' Mistral. From a Late L. type *\*rūnea*; Körtling, § 8141.

**ROOD**, the holy cross; a measure of land. (E.) The same word as *rod*, as shown under *Rod*. Hence its use as a measure of land, because measured with a measuring-rod or 'pole,' of the length of  $5\frac{1}{2}$  yards, giving a *square rod* of  $30\frac{1}{4}$  square yards, and a *square rood* of 40 square rods, or a quarter of an acre. For the sense of 'cross,' see Legends of the Holy Rood, ed. Morris. AS. *rōd*, a gallows, cross, properly a rod or pole; Matt. xxvii. 40, John, xix. 17. + OFries. *rōde*, OSax. *rōda*, gallows, cross; Du. *roede*, a rod, perch, wand, yard; G. *ruthe*, OHG. *ruota*, a rod, a rod of land. Teut. type *\*rōdū*, fem., a rod, a pole. The prime grade is *\*rad-*. Der. *rood-loft* (Nares).

**ROOF**, the covering of a house. (E.) For *hroof*, initial *h* being lost. ME. *rof*, Havelok, 2082; *rhof*, Ormulum, 11351. AS. *hrōf*, a roof, Mark, ii. 4; OFries. *hrōf*. + Du. *roef*, a cabin; Icel. *hrōf*, a shed under which ships are built or kept. Teut. type *\*hrōfo-*, Idg. type *\*hrāpo-*. Cf. Irish *crō*, a hovel; W. *craw*, a pig-sty; Bret. *crou*, a stable; Stokes-Fick, p. 96. Der. *roof*, verb; *roof-ing*, *roof-less*.

**ROOK** (1), a kind of crow. (E.) ME. *rook*, Prompt. Parv. AS. *hrōc*; Ps. 146, 10; ed. Spelman. + Icel. *hrökr*; Dan. *raage*; Swed. *råka*; MHG. *ruoch*, OHG. *hruoh*; cf. G. *ruchert*, a jackdaw (Flügel). Teut. type *\*hrōkoz*, m.  $\beta$ . The word means 'croaker;' cf. Goth. *hrūkjan*, to crow as a cock; Gk. *κράζειν* (for *\*κράγ-γιν*), to caw. A word of imitative origin. Der. *rook-er-y*.

**ROOK** (2), a castle, at chess. (F.—Pers.) 'Roke of the chesse, roc;' Palsgrave. ME. *rook*, Prompt. Parv.—F. *roc*, 'a rook at chesse,' Cot. [Cf. Span. *roque*, Ital. *rocco*.]—Pers. *rokh*, 'the rook or tower at chess;' Rich. Dict. p. 727. The remoter origin of this word is unknown; Devic cites d'Herbelot as saying that in the language of the ancient Persians, it signified 'a warrior' who sought warlike adventures, a sort of knight-errant. The piece was orig. denoted by an elephant carrying a castle on his back; we have suppressed the elephant. There seems to be nothing to connect this with the famous bird called the *roc* or *ruk*; except that the same form *ruk*, in Persian, means 'a hero, a knight-errant (as in d'Herbelot), a rhinoceros, the name of a bird of mighty wing, a beast resembling the camel, but very fierce,' &c.; Rich. (as above).

**ROOM**, space, a chamber. (E.) The older meaning is simply 'space;' hence a place at table, Luke, xiv. 7. ME. *roum*; 'and hath *roum* and eek space,' Chaucer, Legend of Good Women, 1999. AS. *rūm*; 'næfdon *rūm*'=they had no room, Luke ii. 7. We also find AS. *rūm*, adj., spacious; 'se weg is swiðe *rūm*'=the way is very broad or spacious, Matt. vii. 13. + Du. *ruim*, adj., spacious; sb., room; Icel. *rūmr*, spacious; *rūm*, space; Dan. and Swed. *rum*, adj. and sb.; Goth. *rūms*, adj. and sb., Matt. vii. 13; Luke, ii. 7; G. *raum*, OHG. *rūm*, space.  $\beta$ . All from the Teut. type *\*rūmoz*, adj., spacious; whence the sb. forms are derived. Allied to L. *rūs*, open country, Russ. *raviina*, a plain, Zend *ravan*, wide, free, open, *ravan*, a plain; Fick, i. 197; OIrish *roe*, a plain. See *Rural*. Der. *room-y*, Dryden, Annus Mirabilis, st. 153, l. 609, a late word, substituted for the ME. adj. *roum* (room); *room-i-ly*, *room-i-ness*. Also *room-th* (Nares), obsolete. Also *rumm-age*, q. v.

**ROOST**, a place where fowls rest at night. (E.) Frequently applied to the perch on which fowls rest; as to which see below. Most common in the phr. *to go to roost*, i. e. to seek a sleeping-place. 'They go to *roost*;' Skelton, Elynour Rumming, 191. 'Roost for capons or hennes;' Palsgrave. AS. *hrōst*; Lye gives *henna hrōst*, a hen-roost; Gerfā, § 11 (in Anglia, ix. 262); and *hrōst* appears again (in composition) in an obscure passage in the Exeter-book; see Grein.  $\beta$ . We also have OS. *hrōst* in the Heliand, 2316, where the palsied man healed by Christ is let down through the roof; or, as in the original, *thurh thes huses hrōst*, through the wood-work of the house-top. + MDu. *roest*, or *hinnen-kot*, 'a hen-roost;' *roesten*, 'to goe to roest, as hens;' Hexham.  $\gamma$ . In the Heliand, the sense of *hrōst* comes close to that of 'roof;' and it is certainly related to Goth. *hrōt*, Icel. *hrōt*, a roof; cf. also Lowl. Scotch *roost*; the inner roof of a cottage, composed of spars reaching from one wall to the

other (Jamieson). The orig. roosting-place for fowls was on the rafters of the inner roof. This is how *roost* acquired the sense of perch. **Der.** *roost*, verb.

**ROOT** (1), the part of a plant in the earth, which draws up sap from the soil, a source, cause of a matter. (Scand.) ME. *rote*, Chaucer, C. T. 2; Ancrén Riwle, p. 54, l. 12. — Icel. *rót*, a root; Swed. *rot*; Dan. *rod*. **β.** Hence Icel. *róta*, to root up, rout up, as a swine, corresponding to prov. E. *wroot*, to dig up like a hog (E. D. S. Gloss. B. 7), ME. *wroten*, a word used by Chaucer of a sow, *Persones Tale* (Six-text, Group 1, 157), AS. *wrotan*; see **Root** (2). This proves that the Icel. *rót* stands for \**wrót*, it being a characteristic of that language to drop *w* in the (initial) combination *wr*. **γ.** Further, *rót* is allied to Goth. *waurts*, a root, AS. *wyrt*, a wort, a root; see **Wort**. It is also cognate with L. *rād-ix*, a root; the Teut. base \**wrōt-* answering to L. \*(*w*)*rād-*. See **Radix**, **Rhizome**. Brugmann, i. § 350 (2). **Der.** *root*, verb, Wint. Tale, i. 1. 25; also *root*, vb., in the sense 'to grub up,' see **Root** (2); *root-less*, *root-let*, *Doublets*, *radix*, *wort*.

**ROOT** (2), **ROUT**, to grub up, as a hog. (E.) In Shak. Rich. III, i. 3. 228. AS. *wrotan*, to grub up, Ælfric's Grammar, ed. Zupitza, p. 176, l. 12. + ME. *wroeten*, 'to grub or root in the earth as hogs do'; Hexham; Icel. *róta*, to grub up, from *rót*, a root; Dan. *rode*, to root up, from *rod*, a root. See **Root** (1).

**ROPE**, a thick twisted cord. (E.) ME. *rope*, *roop*; spelt *rop*, Rob. of Glouc., p. 448, l. 9212. AS. *rāp*, Judges, xv. 14, xvi. 9. Du. *reep*; Icel. *reip*; Swed. *rep*; Dan. *reb*; G. *reif*, a circle, hoop (of a barrel), ring, wheel, ferrule; occasionally, a rope; Goth. *skauda-raip*, shoe-latchet. **β.** All from the Teut. base \**raip-*, prob. with the sense of 'strip,' whence 'string.' Perhaps from the 2nd grade of Teut. \**reip-an-*, to cut (pt. t. \**raip*); see **Reap** (Franck). And cf. **Ripe**, **Rip**. *Der.* *rope*, vb., *rop-er*, a rope-maker, P. Plowman, B. v. 336, *rop-er-y*, *rope-maker*, *rope-walk*; also *rop-y*, adj., stringy, glutinous, adhesive, lit. rope-like, Skelton, Elinour Rummyng, 24; *rop-ing*, Hen. V, iii. 5. 23; *stirrup*, q. v.

**ROQUELAURE**, a kind of cloak. (F.) In Gay's Trivia, i. 51. Named after the duke of Roquelaure (ab. 1715); Todd's Johnson.

**RORQUAL**, a kind of large whale. (F.—Scand.) F. *rorqual* (Littre). — Norw. *rörkval* (Aasen); prob. short for *röyder-kval*, 'reddish whale'; from Norw. *raud*, red, and *kval*, a whale. Cf. Icel. *reydr-hvalr*; from *raudr*, red, and *hvalr*, whale.

**ROSE**, the name of a flower. (L.—Gk.—OPersian.) ME. *rose*; the old plural was *rosen*, as in Ancrén Riwle, p. 276, l. 12. AS. *rose*, pl. *rosan*; Grein, ii. 384. — L. *rosa*, a rose. **β.** This is not a true L. word, but borrowed from Gk. *ródon*, a rose, whence a form \**ródia* (not found), Æolic \**róα* > L. *rosa*; cf. L. *Clausus* with *Claudius*. **γ.** Again, the Gk. *ródon*, Æolic form *βródon* (for \**Fródon*), is not a Gk. word, but borrowed from OPers. *varū*, a rose; whence also the Armen. and Arab. *ward*. Rich. Dict. 1638; altered in mod. Persian to the form *gāl*; for which see **Julep**. (Horn, § 927; Brugmann, i. 772 b.) **Der.** *ros-ac-e-ous*, from L. *rosāceus* (Pliny); *ros-ar-y*, ME. *rosarie*, Chaucer, C. T. 16897 (G 1429), from OF. \**rosarie* (not recorded), later form *rosaire*, from Late L. *rosārium*, a chapel, also the title of a treatise on alchemy by Arnoldus de Villa Nova and of other treatises; *ros-e-ate*, a coined word; *ros-ette*, from F. *rosette*, 'a little rose,' Cot.; *rose-water*, *rose-wood*, *ros-y*, *ros-i-ness*.

**ROSEMARY**, a small evergreen shrub. (F.—L.) In Skelton, Garl. of Laurel, 980; and in Sir T. Elyot, Castel of Helth, b. ii. c. 9. Gower has the form *rosmarine*, C. A. iii. 132 (bk. vii. 1407), where the L. marginal note has *rosa marina*. — OF. *rosmarin*, 'rosemary,' Cot. (and in Hatzfeld); mod. F. *romarin*. — L. *rōsmarinus*, *rōsmarinum*, rosemary; lit. marine dew, or sea-dew; called in Ovid *rōs maris*, Metam. xii. 410. — L. *rōs*, dew; and *marinus*, marine. + Russ. *rosa*, dew; Lithuan. *rasa*, dew (Nesselmann). + Skt. *rasa-s*, juice, essence; cf. *ras*, to taste. And see **Marine**. **¶** Named from some fancied connexion with 'sea-spray;' in English, it seems to have been altered to *rosemary* from a popular etymology connecting *rose* with *Mary*.

**ROSIN**, the same as **Resin**, q. v.

**ROSTER**, a military register. (Du.) The *o* is properly long; pron. *roaster*. — Du. *rooster*, a gridiron; also, 'a list, roll, table' (Calisch); said to be from the resemblance of the lines in a list to the bars of a gridiron. — Du. *roosten*, to roast; see **Roast**.

**ROSTRUM**, a platform for an orator to speak from. (L.) 'Before the *Rostra*;' P. Holland, tr. of Suetonius, Nero, ch. 13. 'Rostrum, the beak of a bird, prow of a ship, nose of an alembic,' Phillips, ed. 1706. — L. *rostrum*, a beak, prow; pl. *rostra*, the *Rostra*, an erection for speakers in the forum, so called because adorned with the beaks of ships taken from the Antiates, A. U. C. 416; Livy, viii. 14 (White). For \**rōd-trum*, as being the organ wherewith the bird pecks. — L. *rōdere*, to gnaw, peck; see **Rodent**. **Der.** *rostr-ate*, *rostri-form*.

**ROT**, to putrefy. (E.) A weak verb; pt. t. *rotted*; pp. *rotted*, as in Shak. Mid. Nt. Dream, ii. 1. 95. This pp. is little used, its place being supplied by *rotten*, a Scand. form; see **Rotten**. ME. *rotten*, *rotien*, Chaucer, C. T. 4405 (A 4407); pt. t. *rotede*, Genesis and Exod., ed. Morris, 3342; pp. *roted*, Will. of Palerne, 4124. AS. *rotian*, pt. t. *rolode*, pp. *rotod*; Exod. xvi. 24. + Du. *rotten*; OHG. *rozēn*. **β.** Further allied to Icel. *rotna*, Swed. *ruttna*, Dan. *raudne*, to become rotten, verbs which are allied to the old strong pp. appearing in Icel. *rotinn*, Swed. *rutten*, Dan. *raaden*, rotten. See **Rotten**, which belongs to a more original type. **Der.** *rot*, sb., *dry-rot*.

**ROTARY**, turning like a wheel. (L.) A modern coined word; in Bailey's Dict., vol. ii. ed. 1731. As if from a L. type \**rotārius*, from *rota*, a wheel. + Gael. and Irish *roth*, W. *rhod*, a wheel; Lithuan. *ratas*, a wheel; pl. *ratai*, a cart, wheeled vehicle; G. *rad*, a wheel. Cf. Skt. *ratha-s*, a car, chariot, vehicle. All from ✓**RET**, to run along; as in OIrish *rith-im*, I run; Lith. *ritū*, I roll, turn round; Brugmann, i. § 159. **Der.** *rot-ate*, from L. *rotātus*, pp. of *rotāre*, to revolve like a wheel; *rot-at-ion*, from L. acc. *rotātiōnem*; *rot-at-or-y*, formed with suffix *-y* from L. *rotātor*, a whirler round. And see *rotund-i-ty*, *round-eau*, *round*, *round-el*, *rund-let*, *roué*, *roll*, *row-el*, *rouleau*, *roulette*.

**ROTE** (1), routine, repetition of the same words. (F.—L.) 'And every statute coude he plaine bi rote'—and he knew the whole of every statute by rote; Chaucer, C. T. 329. '[He] can nouȝt wel reden Ilis rewle . . . but be pure rote'—he cannot well read the rule of his order except merely by rote; P. Plowman's Crede, 377. — OF. *rote* (Godefroy), mod. F. *route*, a road, way, beaten track; Norm. dial. *rote*, a little path (Duméril). Hence the dimin. OF. *rotine*, mod. F. *routine*, as in the proverbial expression *par routine*, 'by rote;' Cot. Hence *by rote*—along a beaten track, or with constant repetition; see **Rut** (1). **β.** The orig. sense of OF. *rote* is 'a great highway in a forest,' Cot., cognate with Ital. *rotta*, which, however, means a breaking up, a rout, defeat. The OF. *rote* is really the fem. of *rot*, old pp. of *rompre*, to break, and thus *rote*=L. *rupta*, lit. broken. As Diez says, the F. *route*, a street, way=*uia rupta*, a way broken through, just as the OF. *brisée* (lit. broken) means a way. Orig. applied to a way broken or cut through a forest. — L. *rupta*, fem. of *ruptus*, pp. of *rumpere*, to break; see **Rupture**. **¶** By rote has nothing to do with OF. *rote*, a musical instrument, as some suppose; see **Rote** (2). By way of further illustration, we may note that the Dict. of the French Academy (1813) gives: 'Router, habituer quelqu'un à une chose, l'y exercer. Les cartes se routent, pour dire qu'on a beau les mêler, les mêmes combinaisons, les mêmes suites de cartes reviennent souvent.' And again: 'Il ne sait point de musique, mais il chante par routine;' id. The latter passage expressly shows that to sing by rote is to sing without a musical instrument. **Der.** *rot-ed*, Cor. iii. 2. 55; cf. 'I rote in custome, je habitue,' Palsgrave. **Doublets**, *route*, *rout* (1), *rut* (1).

**ROTE** (2), the name of an old musical instrument. (F.—G.—C.) 'Wel coude he singe and plaien on a rote;' Chaucer, C. T. 236. 'Playing on a rote;' Spenser, F. Q. iv. 9. 6. — OF. *rote*, a musical instrument mentioned in Le Roman de la Rose, as cited by Roquefort. Burguy explains that there were two kinds of *rotes*, one a sort of psaltery or harp played with a *plectrum* or quill, the other much the same as the F. *vielle*, which Cotgrave calls 'a rude instrument of music, usually played by fiddlers and blind men,' i. e. a kind of fiddle. [Roquefort absurdly connects *rote* with the L. *rota*, as if it were a kind of hurdy-gurdy, which it never was, and this has probably helped on the notion that E. *rote* in the phr. *by rote* must also have to do with the turning of a wheel, which is certainly not the case.] — OHG. *hrota*, *rota*, MHG. *rotte*, a rote; spelt *chrotta* in Low Lat. (Ducange). Of Celtic origin; OIrish *crot*, W. *crwth*, Gael. *cruit*, a harp, violin; see **Crowd** (2). Stokes-Fick, p. 99. **¶** See Lacroix, Arts of the Middle Ages, p. 217 of E. translation.

**ROTHER**, an ox. (E.) In Shak. Timon, iv. 3. 12. ME. *rotheren*, pl., P. Plowman's Crede, 431; *ruderen*, pl., Layamon, 8106. Late AS. *hrāðeru*, pl., Kemble, Cod. Dipl. iv. 275. Earlier AS. *hrīðer*, *hrýðer* (Bosworth); and in comp., *hrīð-*. The base *hrīð-* is for \**hrinth-*, cognate with G. *rind*, ox. Teut. type \**hrinth-*, n., ox (Kluge). The ME. *rother*, Du. *rund*, are (more probably) connected with Teut. type \**hrunthis*, n.; see Kluge and Franck. Perhaps allied to AS. *hrindan* (pp. *hrunden*), Icel. *hrinda*, to push, to thrust; see **Rend**. And see **Runt**. See my Notes on Eng. Etym., p. 253.

**ROTTEN**, putrid. (Scand.) ME. *rotten*, Chaucer, C. T. 4404 (A 4406); Ancrén Riwle, p. 84, note *d*, where the text has *roted*. — Icel. *rotinn*, rotten; Swed. *rutten*; Dan. *raaden*. **β.** Apparently Icel. *rotinn* is the pp. of a lost verb \**rjōta*, pr. t. \**raut*, to wet, to decay, allied to AS. *rēotan*, OHG. *riuzan*, to weep, shed tears. Teut. type \**reutan-*, pt. t. \**raul*, pp. \**rutanoz*. From ✓**REUD**;

whence also Lith. *raudóti*, Skt. *rud*, to weep, L. *rudere*, to bellow. See **Ret**. And see **Rot**. Der. *rotten-ness*.

**ROTUNDITY**, roundness. (F.—L.) In K. Lear, iii. 2. 7. Adapted from F. *rotundité*, Cot.—L. *rotunditatem*, acc. of *rotunditas*, roundness.—L. *rotundus*, round; see **Round**. Der. (from L. *rotundus*), *rotund*; *rotund-a*, a round building.

**ROUBLE**, **RUBLE**, a Russian coin. (Russ.) Spelt *rubble*, Hakluyt's Voyages, vol. i. p. 256; *roble*, id. i. 280, under the date Aug. 1, 1556.—Russ. *ruble*, a ruble, 100 copeks; worth about 3s. 4d. Perhaps from Pers. *rūpiya*, a rupee (Miklosich). See **Rupee**.

**ROUÉ**, a profligate. (F.—L.) Merely F. *roué*, lit. broken on the wheel; a name given, under the regency (A.D. 1715–1723), to the companions of the duke of Orleans, men worthy of being broken on the wheel; a punishment for the greatest criminals. Pp. of *rouer*, lit. to turn round (L. *rotāre*).—F. *roue*, a wheel.—L. *rota*, a wheel. See **Rotary**.

**ROUGE**, red paint. (F.—L.) Modern; added by Todd to Johnson.—F. *rouge*, red.—L. *rubeum*, acc. of *rubeus*, red; whence *rouge* is formed like *rage* from L. *rabium* (Littré). Allied to *ruber*, red; see **Red**, **Ruby**. Der. *rouge*, verb.

**ROUGH**, shaggy, not smooth, uneven, violent, harsh, coarse, rugged. (E.) In Chaucer, C. T. 3736 (A 3738), the MSS. have *rough*, *roghe*, *row*. Other spellings are *ruh*, *rugh*, *ru*, *rou*, *ru3*; see Stratmann, s. v. *ruh*. AS. *rūh*, rough, hairy; Gen. xxvii. 11; also *rūg*. Cf. AS. *rūwan*, pl.; Gen. xxvii. 23.—Du. *ruig*, hairy, rough, harsh, rude; MDu. *ru* (Oudemans); Dan. *ru*; Low G. *ruig* (Bremen Wörterbuch); OHG. *rūh*, MHG. *rūch*, hairy; G. *rauh*, rough. Also Skt. *rūksha-*, rough. β. Cf. also Lithuan. *raukas*, a fold, wrinkle, *rūkti*, to wrinkle; the orig. sense may have been uneven, like something wrinkled. ¶ Distinct from *raw*. Der. *rough-ly*, *-ness*; *rough*, verb, *rough-en*; *rough-hew* (*roughheawe* in Palsgrave); *rough-ish*, *rough-rider*. And see *rug*.

**ROULEAU**, a roll of coins in paper. (F.—L.) See Stanford Dict. In Pope, The Basset-table, l. 81. From F. *rouleau*, 'a roll of paper'; Cot. *Rouleau* stands for an OF. *\*roulel*, *\*rolel*, in Froissart *roliel* (Hatzfeld), a diminutive from OF. *role*, later *roule*, a roll; see **Roll**.

**ROULETTE**, a game of chance. (F.—L.) See Sandford Dict. From F. *roulette*; named from the ball which rolls on a turning table. For *\*roulette*, OF. *ruelete* (Hatzfeld); dimin. of *rouelle*, a little wheel, dimin. of *roue*, a wheel (L. *rota*). See **Rowel**.

**ROUN**, **ROWN**, **ROUND**, to whisper. (E.) Shak. has *rounded*, whispered, K. John, ii. 566; but the *d* is excrement. ME. *rounen*, Chaucer, C. T. 5823 (D 241); P. Plowman, B. iv. 13. AS. *rūnian*, to whisper; *rūnedon*=L. *susurrabant*, Ps. xl. 8, ed. Spelman.—AS. *rūn*, a rune, mystery, secret colloquy, whisper; see **Rune**.

**ROUND**, circular, globular. (F.—L.) ME. *round*, Chaucer, C. T. 3932 (A 3934).—OF. *roūd*, mod. F. *rond*, round.—L. *rotundus*, round; formed, with suffix *-undus*, from *rot-a*, a wheel; see **Rotary**. Der. *round*, sb., *round*, verb; *round-about*, in Levins; *round-head*, from the Puritan fashion of having the hair cut close to the head; *round-house*; *round-ish*, *round-ly*, *round-ness*. Also *round-el*, q.v., *rond-eau*, q.v., *rund-let*, q.v.

**ROUNDEL**, a kind of ballad. (F.—L.) The mod. F. form is *rondeau*; see **Rondeau**. ME. *roundel*, Chaucer, C. T. 1531 (A 1529); Legend of Good Women, 423.—OF. *rondel*, later *rondeau*, which Cotgrave explains as 'a rime or sonnet that ends as it begins.' For a specimen of a *roundel*, in which the first two lines recur after the fifth, see Chaucer's poem of Merciless Beauty. So called from the first line coming *round* again. Dimin. from F. *rond*, round; see **Round**. Der. *roundel-ay*, Spenser, Shep. Calendar, June, 49, from F. *rondelet*, dimin. of OF. *rondel* (Cot.); the E. spelling is prob. due to confusion with *lay*, a song.

**ROUSE** (1), to raise up, excite, awaken, rise up. (Scand.) 'To rouse a deare' [deer]; Levins. It was a term of the chase; cf. Rich. II, ii. 3. 128. 'Some like wilde bores, late rous'd out of the brakes'; Spenser, F. Q. ii. 11. 10. But it was orig. intransitive. 'I rowse, I stretche myselfe'; Palsgrave.—Swed. *rusa*, to rush; *rusa fram*, to rush forward; *rusa upp*, to start up; MSwed. *rusa*, to rush, go hastily (Ihre); Dan. *rusa*, to rush. Allied to AS. *hrēosan*, to rush, also to fall down, 'to come down with a rush'; Grein, ii. 104. β. Teut. base *\*hreus-*; the orig. sense was prob. to start forward suddenly, to burst out. See further under **Rush** (1), which is not quite the same word as the present, but allied to it. Hence also *rouse* is to wake a sleeper, viz. by a sudden movement. Der. *a-rouse*, with a prefix suggested by *a-rise*.

**ROUSE** (2), a drinking-bout. (Scand.) In Shak. Hamlet, i. 2. 127; i. 4. 8; ii. 1. 58; Oth. ii. 3. 66.—Swed. *rus*, a drunken fit, drunkenness; *rusa*, to fuddle; Dan. *rus*, intoxication, *sove rusen ud* (to sleep out one's rouse), to sleep oneself sober. We find also Du.

*roes*, drunkenness; *eenen roes drinken* (to drink a rouse), 'to drink till one is fuddled' (Sewel); but it does not seem to be an old word in Dutch, being omitted by Hexham. Cf. EFries. *rūse*, noise, uproar, 'row'; *rūsen*, to make a noise; Low G. *rūse*, noise. ¶ That we got the word from Denmark is shown by a curious quotation in Todd's Johnson: 'Thou noblest drunkard Bacchus, teach me how to take the Danish *rowza*;' Brand's Pop. Antiq. ii. 228 (ed. Bohn, ii. 330). See **Row** (3).

**ROUT**, (1) a defeat, (2) a troop or crowd of people. (F.—L.) Notwithstanding the wide difference of sense, the word is but one. More than that, it is the same word as **Route**, q.v. 1. Shak. has *rou*, i.e. disordered flight, 2 Hen. VI, v. 2. 31; Cymb. v. 3. 41; and *rou*, verb, to defeat and put to disorderly flight, Cymb. v. 2. 12. This does not seem to occur much earlier. 2. ME. *route*, a number of people, troop, Chaucer, C. T. 624 (A 622), Will. of Palerne, 1213; Layamon, 2598, later text.—F. *route*, 'a rowt, overthrow, defeature; . . also, a rowt, heard, flock, troope, company, multitude of men or beasts; . . also, a rutt, way, path, street, course'; Cot.—L. *rupta*, fem. of *ruptus*, broken. β. The different senses may be thus explained. 1. A defeat is a breaking up of a host, a broken mass of flying men. 2. A small troop of men is a fragment or broken piece of an army; and the word is generally used in contempt, of a company in broken ranks or disorderly array. 3. A route was, originally, a way broken or cut out through a wood or forest. See **Route**. ¶ The G. *rotte*, a troop, is merely borrowed from the Romance languages. Cf. Ital. *rotta*, Span. *rota*, a rout, defeat. It is remarkable that the mod. F. *route* has lost the senses both of 'defeat' and 'troop.' Der. *rou*, verb, as above.

**ROUTE**, a way, course, line of march. (F.—L.) Not much used in later authors, but it occurs very early. ME. *route*, spelt *rute*, Ancrén Riwe, p. 350, l. 1.—F. *route*, 'a way, path, street, course . . also, a glade in a wood'; Cot. β. The sense of 'glade' is the earliest; it meant a way broken or cut through a forest.—L. *rupta*, fem. of *ruptus*, pp. of *rumpere*, to break. See **Rote** (1), **Rout**, **Rupture**. Der. *roul-ine*. Doublets, *rote* (1), *rout*, *rut* (1).

**ROUTINE**, a beaten track, a regular course of action. (F.—L.) Modern.—F. *routine*, a usual course of action; lit. a small path, pathway; dimin. of *route*, a route, way; see **Route**.

**ROVER**, a pirate, wanderer. (Du.) ME. *rover*, *rovare*. 'Robare, or robbar yn the see, *rovare*, or thef of the se, *Pirata*;' Prompt. Parv. p. 437. 'A *rovare* of the see'; Gower, C. A. i. 359; bk. iii. 2369.—Du. *roover*, 'a rober, a pyrate, or a thief'; Hexham.—Du. *rooven*, to rob.—Du. *roof*, 'spoile'; id. β. The Du. *roof* is cognate with AS. *rēaf*, spoil, plunder. See **Reave**, **Rob**. Der. *rove*, verb; 'To *roue*, robbe, Rapere; to *roue* about, Errare, vagari'; Levins. The second sense was easily developed; the sb. *rover* is the older word in English though etymologically due to the verb. The Icel. *rāfa*, to rove, stray, is prob. not related.

**ROW** (1), a line, rank, series. (E.) ME. *rowe*, Amis and Amiloun, 1900 (Weber's Met. Rom. vol. ii); *rewe*, Chaucer, C. T. 2868 (A 2866); *raw*, Barbour's Bruce, v. 590. AS. *rāw*, *rēw*, a row; a scarce word. 'Panon on þā *rēwe*'; Kemble, Cod. Diplom. v. 275; 'on . . hege-*rēwe*', to the hedge-row, id. ii. 54. Allied to Du. *rij*, MDu. *rijg*, *rijge* (Oudemans), Low G. *rige*, *rege*, G. *reihe*, a row. The G. *reihe* is from OHG. *rihan*, to string together, to arrange things (as beads) by passing a string or rod through them; a strong verb, of which the Teut. type is *\*reihwan-*, pt. t. *\*raihw*, whence the sb. *\*rai(g)wā*, f., Teut. type of AS. *rāw*, a form which occurs in A. S. Leechdoms, ii. 238. Further allied to Skt. *rēkhā*, a line; from root *\*reikh*, with labio-velar *kh*.

**ROW** (2), to propel a boat with oars. (E.) ME. *rowen*, Polit. Songs, ed. Wright, p. 254; Wyclif, Luke, viii. 26. AS. *rōwan*, to row, sail, Luke, viii. 23, 26.—Du. *roeijen*; Icel. *rōa*; Swed. *ro*; Dan. *roe*; MHG. *rūejen*. Allied to OIrish *rām*, L. *rēmus*, an oar; and further, to Skt. *aritra-*, a rudder, orig. a paddle; Lithuan. *irti*, to row; Gk. *ἐρμῖος*, a paddle, oar. ✓ERE. Der. *row*, sb., *row-er*. Also *rudder*, q.v.

**ROW** (3), an uproar. (Scand.) Shortened from *rouse*, drunkenness, uproar, the older form being obsolete; see Todd's Johnson. The loss of *s* is as in *pea*, *cherry*, *sherry*, &c. See **Rouse** (2).

**ROWAN-TREE**, the same as **Roan-tree**, q.v.

**ROWEL**, a little wheel with sharp points at the end of a spur. (F.—L.) 'A payre of spurres, with a poynte without a rowell'; Berners, tr. of Froissart, vol. ii. c. 245. (R.) 'Rowell of a spurre'; Palsgrave.—F. *rouelle*, 'a little flat ring, a wheele of plate or iron, in horses bitts'; Cot. [He gives *mollette* as the MF. word for a rowel; on the other hand, Spenser uses *rowel* for a part of a horse's bit; F. Q. i. 7. 37.]—Late L. *rotella*, a little wheel, dimin. of *rota*, a wheel; see **Rotary**.

**ROWLOCK, ROLLOCK, RULLOCK**. (E.) The history of this word is imperfectly known; in Ashe's Dict. (1775) it is oddly

spelt *rowlack*. It is an alteration of *oar-lock*, due to confusion with the vb. to *row*. See **OARLOCK** in N. E. D. The true AS. word was *ārloc* (Ettmüller); we find '*columbaria*, ār-locu,' Voc. 288. 6. Hence ME. *orlok*, Liber Albus, pp. 235, 237, 239. This word is compounded of AS. *ār*, an oar, and *loc*, cognate with G. *loch*, a hole, as is evident from comparing G. *ruderloch* or *rudergat*, a rowlock, rulloch, or oar-hole. The AS. *loc* is also allied to AS. *loca* = the modern E. *lock*, in the sense of 'fastening;' and is derived from *loc-*, weak grade of the strong verb *lūcan*, to lock, fasten; see **LOCK** (1). The orig. oar-fastenings or rullochs were, at least in some cases, actual holes; and hence at a later period we find them called *oar-holes*. In a Nominal pr. in Voc. 737. 32, we find: '*Hoc columber*, are-hole,' whereupon the editor notes that it means 'an air-hole, a small unglazed window.' This is wrong; *are* is the Northern form of *oar*, and *columber* is for L. *columbāre*. In Hexham's Du. Dict. the MDu. *riemgaten* and *roeygaten* are explained by 'the oare-holes to put out the oares.' Hence, in the word *rulloch*, we know that *-lock* signifies 'hole.' And, as to the whole word, I believe it to be nothing but another form of ME. *orlok*, i. e. *oarlock*. The shifting of *r* is common in English; and, in this instance, it was assisted by confusion with the verb to *row*, and (possibly) with the MDu. *roeygat*. If so, the spelling *rowlock* is merely due to popular etymology; it does not express the pronunciation. Worcester's Dict. gives the form *rollock*.

**ROYAL**, kingly. (F.—L.) ME. *real*, Chaucer, C. T. 1020 (A 1018), where some MSS. have *roial*.—OF. *real*, *roial*; spelt *royal* in Cotgrave, and explained as 'royall, regall, kingly'.—L. *rēgālis*, regal, royal; see **REGAL**. Der. *royal-ist*; *royal-ty*, ME. *realte*, Gower, C. A. iii. 220; bk. vii. 3810, from OF. *realte*, *reialte*, spelt *royaulté* in Cotgrave, from L. acc. *rēgālītātem*. And see *real* (2). Doublet, *regal*.

**RUB**, to move over a surface with pressure, scour, wipe. (E.) ME. *rubben*, Chaucer, C. T. 3745 (A 3747); P. Plowman, B. xiii. 99. Not in AS. Cf. EFries. *rubben*, Dan. *rubbe*, Norw. *rubba*, to rub, to scrub. Also Norw. *rubben*, rough, uneven; EFries. *rubberig*, rough; Du. *robbelig*, 'rugged,' Sewel. Also W. Flem. *wrobbelen*, *wrubbelen*, to scrub, wash clothes by rubbing. The Teut. base is apparently \**wreub*. Der. *rub*, sb., Macb. iii. 1. 134; *rubber*. Not connected with G. *reiben*, which is from a Teut. base \**wreib*; cf. Du. *wrijven*, to rub. But they may be parallel formations.

**RUBASSE**, a variety of rock-crystal, with a red tinge. (F.—L.) F. *rubace*; from the base of L. *rub-eus*, reddish; see **RUBY**.

**RUBBISH**, broken stones, waste matter, refuse; nonsense. (AF.—Scand.) Prov. E. *rubbage*, as in Norfolk (Forby). Palsgrave has '*robriſſhe* of stones, *plastras*;' and Cotgrave explains the F. *plastras* by '*rubbiſh*, clods or pieces of old and dry plaister.' Horman, in his *Vulgaria* (as cited by Way, note to Prompt. Parv., p. 435) says that 'Battz [brick-bats] and great *rubbryſſhe* serueth to fyl up in the myddell of the wall.' These quotations show that *rubbrish* was used in the exact sense of what we now usually call *rubble*; and the two words, *rubble* and *rubbiſh*, are closely connected. β. In the form *rubbrish*, the latter *r* is intrusive, since it disappears in earlier, as well as in later English. The ME. form is *robows*, or *robeux*; as, '*Robows*, or coldyr, *Petroſa*, *petro*,' where *coldyr* is an old word for rubble; Prompt. Parv. Way adds: in the Wardrobe Account of Piers Courteys, Keeper of the Wardrobe 20 Edw. IV (1480), occurs a payment to 'John Carter, for cariage away of a grete loode of *robeux*, that was left in the strete after the reparacyone made upon a hous apperteigning unto the same Wardrobe;' Harl. MS. 4780. γ. The spelling *robeux* furnishes the key to the solution of the word. It is an AF. plural form, from a sing. \**robel*, i. e. rubble. Here \**robel* is exactly the ME. *robel* (see **RUBBLE**), and the pl. *robeux* (or *robeaux*) became *robows*, as in the Prompt. Parv., and was easily corrupted into *rubbage* and *rubbiſh*, and even into *rubbrish* (with intrusive *r*). In this view, *rubbiſh* is the pl. of *rubble*, and was accordingly at first used in the same sense. δ. At what time the word *robeux* first appeared in English I have no exact means of knowing, but I find an earlier trace of it in the fact that an allied word was Latinised as *rubbōsa* (as if it were a neuter plural), in accordance with its plural form, as early as A. D. 1392 or 1393. Blount, in his *Nomolexicon*, s. v. *lastage*, cites an act against throwing rubbish into the Thames, in which are the words 'aut fimos, fimaria, sterquilinia, sordes, mucos, *rubboſa*, lastagium, aut alia sordida;' Claus. 16 Rich. II. dors. 11. And this *rubbōsa* answers to the AF. *robows*, *rouboſe*, *rubbiſh*, in the Liber Albus, pp. 579, 581. See further below.

**RUBBLE**, broken stones, rubbish. (Scand.) '*Rubble*, or *rubbiſh*;' Minshen, ed. 1627. '*Rubble*, or *rubbiſh* of old houses;' also, 'carrie out *rubble*, as mortar, and broken stones of old build-ings;' Baret's *Alvearie*, ed. 1580. ME. *robell*; 'Oon parte of lyme and tweyn of *robell* have;' Palladius, bk. i. 340. Grammatically, *rubble* seems to be the singular of *robeux*, the old form of *rubbiſh*; see

above. The traces of the word are slight, but it seems to be of Scand. origin.—Norw. *rubl* (Ross), with the same sense as *rub* (below); cf. Du. *robbelig*, rugged (Sewel) = prov. E. *rubby*, lumpy, gritty.—Norw. *rub* (Aasen), in the phr. *rub og stubb*; Dan. *rub*, in the phr. *rub og stub*, 'bag and baggage,' including even articles of the least value; Icel. *rubbi*, *rub*, rubbish, refuse. *Stub* = a stub, bit, piece. So prov. E. *stoup and roup*, 'entirely,' or 'every bit.' Prob. Dan. *rub* orig. meant 'a broken bit,' a lump.

**RUBRIC**, a direction printed in red. (F.—L.) ME. *rubryke*, St. Cuthbert, 1318 (Sartees Soc.). The *rubrics* in the Book of Common Prayer, and (earlier) in the Missal, &c., were so called from being usually written or printed in red letters. [ME. *rubriche*, Chaucer, C. T. 5928 (D 346); this is an OF. form; cf. *rubriche*, 'rudle, oaker'; Cot.]—F. *rubrique*, 'a rubrick; a special title or sentence of the law, written or printed in red;' Cot.—L. *rubrica*, red earth; also a rubric, a title of law written in red. Formed as if from an adj. \**rubricus*, extended from *rubri-*, from *ruber*, red; see **RUBY**.

**RUBY**, a red gem. (F.—L.) ME. *ruby*, P. Plowman, B. ii. 12.—OF. *rubi* (13th cent., Littré), also *rubis*, 'a ruby,' Cot. [The *s* is the old sign of the nom. case, and is still preserved in writing, though not pronounced.] Cf. Span. *rubi*, *rubin*, Port. *rubim*, Ital. *rubino*, a ruby; Late L. *rubinus*. Allied to L. *rubeus*, red, *ruber*, red; cf. *rubere*, to be red. Allied to Gk. *ἐρυθρός*, red; see **ROUGE**, **RED**. Der. (from L. *rub-ere*) *rub-esc-ent*, growing red, from the pres. part. of inceptive vb. *rubescere*; *rub-i-c-und*, ruddy, from F. *rubicunde*, very red (Cot.), which from L. *rubicundus*, very red, with suffixes *-c-* and *-undus*; *rub-r-ic*, q. v. Also *e-rub-esc-ent*.

**RUCK** (1), a fold, plait, crease. (Scand.) '*Ruck*, a fold or plait, made in cloth by crushing it;' Yorksh. Gloss., A. D. 1811 (E. D. S. Gloss. B. 7).—Icel. *hrukka*, a wrinkle on the skin, or in cloth; cf. *hrökkinn*, curled, wrinkled, pp. of *hrökkva*, to recoil, give way, also to curl; Norw. *rukka*, a wrinkle. Cf. Swed. *rynka*, Dan. *rynke*, a wrinkle, also to gather, wrinkle. From Teut. base \**hrenk* (Noreen). Der. *ruck-le*, to rumple (Halliwell).

**RUCK** (2), a heap. (Scand.) Cf. Norw. and MSwed. *ruka*, a heap; also Icel. *hraukr*, a rick. See **RIEK**.

**RUDD**, a fish like a roach. (E.) 'A kind of bastard small Roach . . . men call them *Ruds*;' I. Walton, Angler, ch. 17. Named from the deep red colour of the lower fins. Cf. AS. *rud-u*, redness; see **RUDDY**. MDan. *rude*, a rudd; Dan. *rudskalle*.

**RUDDER**, the instrument whereby a ship is steered. (E.) Orig. a paddle, for rowing as well as steering; hence the etymology. ME. *roder*, or (more usually) *rother*, Gower, C. A. i. 243; bk. ii. 2494; Allit. Poems, ed. Morris, B. 419. AS. *rōðer*, a paddle; 'Palmula, *rōðres blæd*' = blade of a paddle; 'Remus, *stēor-rōþer*,' lit. a steering-paddle; Voc. 167. 1, 166. 13. β. Here *rō-ðer* = rowing-implement; from AS. *rōw-an*, to row, with suffix *-ðer* (Idg. *-ter-*), denoting the agent or implement. + Du. *roer* (for \**roder*), an oar, rudder; Swed. *roder*, also contr. to *ror*; Dan. *ror* (for \**roder*); G. *ruder*. See **ROW** (2).

**RUDDOCK**, a red-breast. (E.) ME. *ruddok*, Chaucer, Parl. of Foules, l. 349. AS. *rudduc*; Voc. 131. 26; allied to *rud-ig*, ruddy. Hence W. *rhuddog*, Corn. *ruddoc*, a red-breast. See **RUDDY**.

**RUDDY**, reddish. (E.) ME. *rody*, P. Plowman, B. xiii. 99; *rodi*, Wyclif, Matt. xvi. 2. AS. *rudig*, in Napier's Glosses; formed with suffix *-ig* from *rud-*, weak grade of *rēodan*, to redden. Allied to AS. *rēad*, red; see **RED**. Cf. Icel. *roði*, redness, allied to *rauðr*, red. ¶ We also find AS. *rudu*, i. e. redness, applied to the complexion (of the face), Voc. 156. 19; this is ME. *rode*, complexion, Chaucer, C. T. 3317. Der. *ruddi-ly*; *ruddi-ness*, Wint. Tale, v. 3. 81. Also *ruddle*, a kind of red earth; spelt *ruddel* in Holland, tr. of Pliny, bk. xxxv. ch. 6. § 1.

**RUDE**, rough, uncivil, harsh. (F.—L.) ME. *rude*, Chaucer, C. T. 14814 (B 3998); Cursor Mundi, 23911.—F. *rude*, 'rude;' Cot.—L. *rudem*, acc. of *rudis*, rough, raw, rude, wild, untilled. Allied to L. *randus*, rough ore; Russ. *ruda*, ore; Icel. *rauði*, red iron ore (from *rauðr*, red); Skt. *lōha-s*, iron. Allied to **RED**. Der. *rude-ly*, *rude-ness*; also *rudi-ment*, As You Like It, v. 4. 31 = F. *rudiment* (omitted by Cot., but in use in the 16th century, Littré), from L. *rudimentum*, a thing in the rough state, a first attempt; *rudiment-al*, *rudiment-ar-y*. Also *e-rud-ite*, *e-rud-it-ion*.

**RUE** (1), to be sorry for. (E.) For \**hrue*, initial *h* being lost. ME. *rewen*, Chaucer, C. T. 1865 (A 1863); Havelok, 967. AS. *hrēowan*, Grein, ii. 104. + OSax. *hrewan*; OHG. *hriuan*, G. *reuen*. β. AS. *hrēowan* is a strong verb, with pt. t. *hrēaw*; so also OSax. *hrewan*, pt. t. *hraw*; Teut. type \**hrewan-*; pt. t. \**hraw(w)*, to pity; whence also Icel. *hryggr*, grieved, afflicted, *hrygð*, ruth, grief, sorrow. Der. *rue-ful*, P. Plowman, B. xiv. 148; *rue-ful-ly*; *rue-ful-ness*, ME. *reoufulnessse*, Ancrer Kniwe, p. 368, l. 13. And see *ruth*.

**RUE** (2), a plant with bitter taste. (F.—L.—Gk.) ME. *rue*, Wyclif, Luke, xi. 42.—F. *rue*, 'rue, herb grace;' Cot.—L. *rūta*,

rué; Luke, xi. 42. —Gk. *ῥυή*, rue; a Peloponnesian word. ¶ The AS. *rūde* (Luke, xi. 42) is merely borrowed from L. *rūta*.

**RUFF** (1), a kind of frill, formerly much worn by both sexes. (E.) In Shak. Tam. of the Shrew, iv. 3. 56; Spenser, F. Q. i. 4. 14. Also as a verb: 'Whilst the proud bird, ruffling [ruffling] his fethers wyde;' F. Q. iii. 11. 32. 'Ruffe of a shirt;' Levins. Pl. ruffles; Gascoigne, Steel Glas, l. 373. β. So called from its uneven surface; perhaps a shortened form of **Ruffle** (1). Der. *ruff* (2).

**RUFF** (2), the name of a bird. (E.?) Said to be so named from the male having a ruff round its neck in the breeding season; see **Ruff** (1); which I doubt. The female is called a *reeve*, apparently formed by vowel-change; this is a very remarkable form, but has not been explained. Cf. 'The pheasant, partridge, godwit, reeve, ruffe, raile;' Herrick, A Panegyric to Sir L. Pemberton, l. 65. The AS. form should be \**rōf*, fem. \**rēfe*.

**RUFF** (3), a fish. (E.) ME. *ruffe*, Prompt. Parv., p. 438. Lit. 'rough;' from the spines on the back. Cf. Ital. *aspreto* (<L. *asper*, rough), 'a fish called a ruffe;' Florio.

**RUFF** (4), a game at cards. (F.) Mentioned in Cotgrave, and in Florio (1598); and see Nares. Now applied to the act of trumping instead of following suit, but orig. the name of a game (called also *trump*) like whist. Evidently a modification of F. *ronfle*, 'hand-ruffe, at cards;' *jouer à la ronfle*, 'to play at hand-ruffe, also to snore;' Cot. So also Ital. *ronfa*, 'a game at cards called ruffe or trumpe;' *ronfare*, 'to snort, snarle; also, to ruff or trump at cards;' Florio. Prob. of jocular origin, the trumping (when perhaps unexpected) being likened to a snarl, or the spitting of a cat; cf. *ronfamenti*, 'snortings, snarlings, or tuffings of a cat;' Florio. Of imitative origin; cf. Ital. *ronzare*, 'to humme or buzze;' Florio; Span. *roncar*, 'to snore, also, to threaten, boast, brag.' Cf. *brag* as the name of a game, *slam*, also a game, and *trump*, i.e. triumph.

**RUFFIAN**, a bully, violent, brutal fellow. (F.—Ital.—Teut.) 'A commune and notable rufian or thefe;' Sir T. Elyot, The Governour, b. ii. c. 12. § 7. —MF. *rufien*, *ruffien*, 'a bawd, a pandar,' Cot. —Ital. *ruffiano*, *roffiano*, 'a pandar, a ruffian, a swaggrrer,' Florio. —Late L. type \**rufflānus*; formed with L. suffix *-ānus* from Low G. *ruffel-n*, to act as pandar; see **Ruffle** (2). Cf. MDu. *roffen*, to pandar (Oudemans). Der. *ruffian-ly*, *ruffian-ism*.

**RUFFLE** (1), to wrinkle, disorder a dress. (E.) 'I ruffle clothe or sylke, I bring them out of their playne foldyng, *je plionne*;' Palsgrave. ME. *ruffelen*; 'Ruffelyn, or snarlyng [i.e. to entangle or run into knots], *Innodo, illaqueo*;' Prompt. Parv. The pp. *ruffelf* occurs in the Cursor Mundi, 26391. The word is probably E.; it is parallel to MDu. *ruyffelen*, 'to ruffle, wrinkle, or crumple,' Hexham; cf. *ruyffel*, 'a wrinkle, a crumple, or a ruffle,' id. Also EFries. *ruffeln*, to pleat. The verb may be from the sb. *ruffe*; and both from Teut. \**ruf-*, weak grade of Teut. \**reufan-*, to break, tear; see **Reave**. β. The Lithuan. *ruple*, the rough bark on old trees, is a cognate word; so also is *rauple*, a rough scab or blister; both of which are allied to Lithuan. *rupas*, rough, uneven. See **Ruff** (1). Der. *ruffle*, sb., a wrinkle, a ruff (unless the vb. is from the sb.).

**RUFFLE** (2), to be noisy and turbulent, to bluster. (MDu.) 'To ruffle in the commonwealth of Rome;' Titus Andron. i. 313. Cf. 'the ruffle [bustle] . . . of court;' Shak. Lover's Complaint, 58. 'Twenty or more persons were sleyn in the ruffle;' Hall's Chron. Hen. VIII, an. 19. § 18. Nares has: 'A ruffler, a cheating bully, so termed in several acts of parliament,' particularly in one of the 27th year of Hen. VIII, as explained in Harman's Caveat, ed. Furnivall, p. 29. They were highway robbers, ready to use violence; any lawless or violent person was so named. It seems to have been a cant term, not in very early use; and borrowed, like several other cant terms, from the Low Countries. —MDu. *roffelen*, to pandar, of which the shorter form *roffen* is also found (Oudemans); so also Low G. *ruffeln*, to pandar, to reproach, *ruffeler*, a pimp, a person who carries on secret intrigues (Bremen Wörterbuch); prov. G. *ruffeln*, to pimp (Flügel); Dan. *ruffer*, a pandar, from Low G. *roffen*, *ruffen*, to be lewd (Lübben). β. The words *ruff-ler* and *ruff-ian* are closely related and mean much the same thing; see **Ruffian**. Der. *ruffl-er*, as above.

**RUG**, a coarse, rough woollen covering, a mat. (Scand.) 'Apparelled in diuers coloured rugs;' Hakluyt's Voyages, vol. ii. pt. ii. p. 87, last line but one. 'Irish rug,' Baret (1580). —Swed. *rugg*, rough entangled hair; cf. MSwed. *rugg-ig*, rough, hairy; Icel. *rögg*, shagginess. See Noreen, § 246. 2. The orig. sense of Swed. *rugg* was, doubtless, simply 'rough,' as it is cognate with Low G. *ruug*, Du. *ruig*, rough; EFries. *rüg*, rough, *ruge*, roughness, a rough side of a skin, *ruger*, a furry animal (as a cat). Allied to AS. *rūh* (gen. *rūwes*), rough; Skt. *rūksha-*, rough; see **Rough**. And see **Rugged**. Der. *rugg-ed*; also *rug-headed*, Rich. II, ii. 1. 156.

**RUGGED**, rough, shaggy. (Scand.) ME. *rugged*, Prompt. Parv. Chaucer has *ruggy*, C. T. 2885 (A 2883). The latter form

is from Swed. *ruggig*, rugged, rough, hairy; cf. *rugga*, to raise the nap on cloth, i. e. to roughen it. —Swed. *rugg*, rough entangled hair; orig. 'rough,' cognate with E. **Rough**, q. v. See also **Rug**. Der. *rugged-ly*, *rugged-ness*.

**RUGOSE**, full of wrinkles. (L.) The form *rugosus* is in Blount's Gloss., ed. 1674; Phillips has the sb. *rugosity*. —L. *rūgōsus*, wrinkled. —L. *rūga*, a wrinkle. Cf. Lith. *raukas*, a wrinkle, *runk-ù*, I grow wrinkled. Brugmann, ii. § 628. Der. *rugos-i-ty*.

**RUIN**, destruction, overthrow. (F.—L.) ME. *ruine*, Chaucer, C. T. 2465 (A 2463). —F. *ruine*, 'ruine;' Cot. —L. *ruīna*, overthrow. —L. *ruere*, to fall down, tumble, sink in ruin, rush. Cf. Gk. *ἐ-ρῦειν*, to drag, pull down; Brugmann, ii. § 529. Der. *ruin*, verb, Rich. II, iii. 4. 45; *ruin-ous*, Timon, iv. 3. 465, from F. *ruineux*, 'ruinous,' Cot.; *ruin-ous-ly*. Also *ruin-ate* (obsolete), Titus Andron. v. 3. 204.

**RULE**, a maxim, state, order, government. (F.—L.) ME. *reule*, Chaucer, C. T. 173. Earlier *riule*, as in the Ancien *Riule* = Rule of (female) Anchorites. —AF. *reule*, OF. *riule*, *reule*; mod. F. *règle*, a rule. —L. *regula*, a rule (whence also was borrowed AS. *regol*, a rule). —L. *regere*, to govern; see **Regent**. Der. *rule*, verb, ME. *reulen*, earlier *riulen*, Ancien *Riule*, p. 4; *rul-er*, *rul-ing*.

**RUM** (1), a kind of spirituous liquor. (E.) In Dampier's Voyages; Voyage to Campeachy, an. 1675; see quotation in R. [We find also Port. *rom*, Span. *ron*, Ital. *rum*, F. *rhum*; all from E.] Formerly *rumbo*, as in Smollett, Peregrine Pickle, ch. ii and ch. ix (1751). The earliest form was *rumbullion*. A MS. 'Description of Barbados' in Trin. Coll., Dublin, written ab. 1651, says:—'The chief fuddling they make in the island is *Rumbullion*, alias *Kill-devil*, . . . made of sugar-canes distilled, a hot, hellish, and terrible liquor.' Later, it was called *rumbowling* (Cent. Dict.), and then shortened to *rumbo*, and to *rum*. *Rumbullion* is a Devon. word meaning 'great tumult,' or disturbance; perhaps allied to prov. E. *rumpus*, an uproar, *rampage*, and *romp*; or else allied to E. *rumble*. See my Notes on E. Etym., p. 253; and N. Darnell Davis, in The Academy, Sept. 5, 1885. ¶ The F. name is *guldive*, a modification of E. *Kill-devil* (above).

**RUM** (2), strange, queer. (Hindi.) 'Rum, gallant; a cant word;' Bailey's Dict., vol. i. ed. 1735. I suppose that *rum* means no more than 'Gypsy;' and hence would mean 'good' or 'gallant' from a Gypsy point of view, and 'strange' and 'suspicious' from an outsider's point of view. Hence *rome bouse*, wine, Harman's Caveat, ed. Furnivall, p. 83, spelt *rambooz* in Phillips; *rome mort*, the queen, id. p. 84 (where *mort* = a female). Cf. *rom*, a husband, a Gypsy, *rómani*, adj. Gypsy. The Gypsy word *rom* answers to the Hindi word *dom* (with initial cerebral *d*); see English-Gipsy Songs, by Leland, Palmer, and Tuckey, pp. 2, 269. Cf. Skt. *ḍomba-* (with cerebral *d*), 'a man of a low caste, who gains his livelihood by singing and dancing;' Benfey. Also Hindustāni *dom*, 'the name of a low caste, apparently one of the aboriginal races;' H. H. Wilson, Gloss. of Indian Terms, p. 147.

**RUMB, RHUMB**, a line for directing a ship's course on a map; a point of the compass. (F.—Span.—L.—Gk.) This is a very difficult word, both to explain and derive. The view which I here present runs counter to that in Littré and Scheler, but is recognized as possible by Diez. 'Rumb or Rhumb, the course of a ship . . . also, one point of the mariner's compass, or 11¼ degrees . . . *Rumb-line*, a line described by the ship's motion on the surface of the sea, steering by the compass, so as to make the same, or equal angles with every meridian. These *rumb*s are spiral lines proceeding from the point where we stand, and winding about the globe of the earth, till they come to the pole, where at last they lose themselves; but in Mercator's charts, and the plain ones, they are represented by straight lines,' &c.; Phillips, ed. 1706. These lines are called *rumb-lines*. See *Rumb* in the Engl. Encyc. (Div. Arts and Sciences), where it is said to be a Portuguese word, and where we find: 'a *rumb* certainly came to mean any vertical circle, meridian or not, and hence any point of the compass. . . . To sail on a *rumb* is to sail continually on one course. Hence a *rumb-line* is a line drawn in [on?] the sphere, such as would be described by a moving point which always keeps one course; it is therefore the spiral of Mercator's projection, and is that which is also called the loxodromic course.' It is spelt *roomb*, *roumb*, and *roumbe* in Minsheu, ed. 1627. —F. *rumb*, 'a roomb, or point of the compasse, a line drawn directly from wind to wind in a compasse, travers-boord, or sea-card;' Cot. He adds the phr. *voguer de rumb en rumb*, 'to saile by travers.' —Span. (and Port.) *rumbo*, 'a course, a way; *rumbo derecho*, the right course;' Minsheu's Span. Dict., ed. 1623; also, a point of the compass, intersection of the plane of the horizon, represented by the card of a compass, the course of a ship; Neuman. Cf. Port. *rumbo*, *rumo*, a ship's course; *quarto do rumo*, a point of the compass; Ital. *rombo*. —L. *rhombum*, acc. of *rhombus*, a magician's circle, a rhombus (Lewis). —Gk. *ῥόμβος*, a top, a magic wheel, whirling motion of a top, swoop of an

eagle; also, a rhombus; see **Rhomb**. **β**. In this view, the sense of circular or spiral motion comes first; then the delineation of such motion on a chart; and lastly, the sense of a point of a compass; which is the simple and natural order. Milton has the very word *rhomb* in the sense of the revolution of the sphere; see *Paradise Lost*, viii. 134, and uses *wheel* as a synonym. That the word arose among the early Spanish and Portuguese navigators, is in the highest degree probable. The view taken by Scheler and Littré seems to me obviously wrong; they refer *F. rumb* (also spelt *rum*) to the *Du. ruim*, *E. room*, on the ground that a *rumb* is the 'room' or space between two winds; thus taking the last sense first. I cannot find that the *Du. ruim* ever had this sense; indeed Sewel, as late as 1754, can only render *rumb* into Dutch by *een punt van't kompas*; and Hexham mentions no such use of the *MDu. ruym*. Perhaps Littré and Scheler are thinking of quite another matter, viz. the *MF. rui*, 'the hold of a ship,' *Cot.* This is certainly the *Du. ruim*, since Sewel gives the very phrase *ruim van een schip*, the hold of a ship, i. e. its room, capacity for stowage. *Körting*, § 8063. **Der. rumb-line**. Doublet, *rhomb*.

**RUMBLE**, to make a low and heavy sound. (*E.*) *ME. romblen*, to mutter, Chaucer, *C. T.* 14453 (*B* 3725); to rumble like thunder, *Legend of Good Women*, 1218. Cf. *prov. E. romble*, to speak low or secretly (*Halliwell*); *rumble*, to rumble; *id.* The word *romblen* likewise stands for *romlen*, the *b* being excrescent, as usual after *m*; and the suffix *-len* has the usual frequentative force. Thus the word signifies 'to repeat the sound *rom* or *rum*;' from the base *RUM*, significant of a low sound; which is from *✓REU*, to make a humming or lowing noise. Cf. *Skt. ru*, to hum, to bray; *L. ad-rūm-āre*, to make a murmuring noise (*Festus*); see **Rumour**. **+Du. rommelen**, to rumble, buzz; *Low G. rummeln, rumpehn*, to rumble; *Dan. rumle*, to rumble. And cf. *Swed. ramla*, to rattle, *Ital. rombare*, to rumble, hum, buzz; *MDu. rammelen*, 'to make a noise, or to rumble,' *Hexham*. **Der. rumble**, sb., *rumbl-ing*.

**RUMINATE**, to chew the cud, meditate. (*L.*) 'Let hym . . . ruminare it in his mynde a good space after;' *Sir T. Elyot*, *Castel of Helth*, b. iii. ch. 11. — *L. ruminātus*, pp. of *rumināre* or *rumināri*, to chew the cud, ruminate. — *L. rūmīn-*, decl. stem of *rūmen*, the throat, gullet; cf. *rūmāre*, used (according to *Festus*) in the same sense as *rūmināre*. Cf. also *L. rūgīre*, to roar, bray. From *✓REU*, to hum, bray. See **Rumble**, **Rumour**. **Der. ruminat-ion**, *As You Like It*, iv. 1. 19, from *L. acc. rūminātiōnem*; also *rumin-ant*, from the stem of the pres. part. of *rūmināre*.

**RUMMAGE**, to search thoroughly among things stowed away. (*E.*; with *F. suffix*.) 'Searcheth his pockets, and takes his keyes, and so rummageth all his closets and trunks;' *Howell*, *Famil. Letters*, vol. i. sect. 5. let. last. This is altogether a secondary sense; the word is merely due to the sb. *room-age*, formed by suffix *-age* (of *F. origin*) from *E. room*, space. *Roomage* is a similar formation to *stowage*, and means much the same thing. It is an old nautical term for the close packing of things in a ship; hence was formed the verb to *roomage* or *romage*, i. e. to find room for or stow away packages; and the mariner who attended to this business was called the *roomager* or *romager*. **β**. The history of the word is in *Hakluyt's Voyages*. 'To looke and foresee substantially to the roomaging of the shippe;' vol. i. p. 274. 'They might bring away [in their ships] a great deale more then they doe, if they would take paine in the romaging;' vol. i. p. 308. 'The master must provide a perfect mariner called a *romager*, to raunge and bestow all merchandize in such place as is convenient;' vol. iii. p. 862. 'To rummage (sea-term) to remove any goods or luggage from one place to another, esp. to clear the ship's hold of any goods or lading, in order to their being handsomely stowed and placed; whence the word is us'd upon other occasions, for to rake into, or to search narrowly;' *Phillips*, ed. 1706. Spelt *rumidge* in ed. 1658. See further under **Room**. Cf. *Du. ruim*, room, also the hold of a ship; *ruimen*, to empty, clear, lit. to make room. **Der. prov. E. rummage**, litter, lumber, rubbish, as after a clearance.

**RUMMER**, a sort of drinking-glass. (*W. Flem. — Du.*) '*Rummer*, a sort of drinking-glass, such as Rhenish wine is usually drunk in; also, a brimmer, or glass of any liquor filled to the top;' *Phillips*, ed. 1706. 'Rhenish rummers walk the round;' *Dryden*, *Ep. to Sir G. Etherege*, l. 45. — *W. Flem. rummer, rommer* (*De Bo*); *Du. roemer, romer*, a wine-glass (*Sewel*); spelt *roomer* in *Hexham*; *Low G. römer*, a sort of large wine-glass (*Brem. Wörterbuch*). So also *G. römer*; *Swed. remmare*. [The *G. römer* also means 'Roman;' and some say that the glasses were so called because used in former times in the *Römersaal* at Frankfort, when they drank the new emperor's health; but this is an error; see *Franck*.] From *Du. roem*, boasting, praise; hence 'a glass to drink in praise of a toast;' *Franck*. Cf. *G. ruhm*, praise; *OSax. hrōm*; also *Icel. hrōdr*, praise, *hrös*, praise; *Gk. ἡρώδης*, a herald. And note *O. Low G. hrōmian*, to

praise (*Gallée*). **Der. rumkin, romekin**, *W. Flem. rummerken*, dimin. of *rummer* (above).

**RUMOUR**, report, current story. (*F. — L.*) *ME. rumour*, Chaucer, tr. of Boethius, b. ii. pr. 7, l. 81. — *AF. rumour*, *Liber Albus*, p. 462; *F. rumeur*, 'a rumor;' *Cot. — L. acc. rūmōrem*, from nom. *rūmor*, a noise, rumour, murmur. Cf. *L. rūmificāre*, to proclaim; *rūmūtāre*, to spread reports; all from the base *rū-m-*, significant of a buzzing sound. — *✓REU*, to make a humming or braying noise. See **Rumble**. **Der. rumour**, verb, *Rich. III.* iv. 2. 51.

**RUMP**, the end of the backbone of an animal with the parts adjacent. (*Scand.*) *ME. rumpe*, *Prompt. Parv. — Icel. rumpr*; *Swed. rumpa*; *Dan. rumpe*. **+MDu. rompe**, 'the bulke of a body or corps, or a body without a head;' *Hexham*; *Du. romp*; *Low G. rump*, trunk (of the body); *G. rumpf*. The orig. sense was 'stump;' cf. *Norw. ramp*, an old tree-stem. **Der. rump-steak**.

**RUMPLE**, to wrinkle, crease. (*E.*) *Cotgrave* explains *F. foupir* by 'to rumple, or crumple.' The *ME.* form is *rimplen*; *rimple* and *rumple* are allied forms, like *wrinkle* and *prov. E. runkle*. Of these, *rimple* is derived from the *AS. hrimpan*, to wrinkle, and *rumple* from *hrump*, weak grade of the same; see further under **Ripple** (2). **+MDu. rompelen**, or *rompen*, 'to wrinkle,' *Hexham*; *rompel*, or *rimpel*, 'a wrinkle;' *id.* And cf. *G. rümpfen*, to crook, bend, wrinkle; *OHG. hrinfan*, strong vb. *Teut. base \*hrempe-*; cf. *Irish cromm*, *W. crum*, bent. **Der. rumple**, sb.

**RUN**, to move swiftly, flee, flow, dart. (*E.*) *ME. rinnen, rennen*, pt. t. *ran*, pp. *runnen, ronnen*; Chaucer, *C. T.* 4098, 4103 (*A* 4100, 4105). The mod. *E.* verb has usurped the vowel of the pp. throughout, except in the pt. t. *ran*. By the transposition of *r*, we also find *ME. ernnen, eornen*, to run; *Ancren Riwe*, pp. 42, 74, 80, 86, 332, 360. *AS. rinnan*, pt. t. *rann*, pp. *gerunnen*; *Grein*, ii. 382; also found in the transposed form *irnan, yrnan*, pt. t. *arn*; *id.* 146. **+Du. rennen**; *Icel. renna, rinna*; *Dan. rinde* (for *\*rinne*); *Swed. rinna*; *Goth. rinnan*; *G. rennen*. *Teut. type \*rennan-*, pt. t. *\*rann*, pp. *\*runnanoz*. See *Brugmann*, i. § 993; ii. § 654. **Der. run**, sb., *Tam. Shrew*, iv. 1. 16; *run-away*, *Mids. Nt. Dr.* iii. 2. 405; *runn-er, running*. Also *runn-el*, a small stream, *Collins*, *Ode on the Passions*, l. 63 (*AS. rynel*); *run*, a small stream. Also *renn-et* (1); old form also *runn-et*.

**RUNAGATE**, a vagabond. (*F. — L.*) In *Ps. lxxviii. 6*, *Prayer-Book version*; *Shak. Rich. III.* iv. 4. 465. 'The A. V. has rebellious, as in *Isaiah xxx. 1*, which is quoted by *Latimer* (*Remains*, p. 434) in this form: "Wo be unto you, *runagate* children;" *Bible Word-book*. In the *Coventry Mysteries*, p. 384, it is written *renogat*: "Ys there ony *renogat* among us;" *id.* **β**. It so happens that *gate* in many *E.* dialects signifies a way; whilst at the same time the *ME.* verb *rennen* passed into the form *run*, as at present. Hence the *ME. renogat*, a renegade, was popularly supposed to stand for *renne a gate*, i. e. to run on the way, and was turned into *runagate* accordingly; esp. as we also have the word *runaway*. But it is certain that the orig. sense of *ME. renogat* was 'apostate' or 'villain;' see Chaucer, *C. T.* 5353 (*B* 934). — *OF. renegat*, 'a renegade,' one that abjures his religion; *Cot. — Late L. renegātus*, pp. of *renegāre*, to deny again, to deny the faith. See **Renegade**. ¶ It is remarkable that when *renegade* had been corrupted into *runagate*, we borrowed the word over again, in the form *renegade*, from *Span. renegado*.

**RUNDLET, RUNLET**, a small barrel. (*F. — L.*) *Runlet* is a later form, corrupted from the older *rundelet* or *runlet*; spelt *rundlet* in *Levins*, ed. 1570. '*Rundelet*, or lytle pot, orcula;' *Huloet* (cited by *Wheatley*). *ME. rondelet* (1393); in *Wyllie*, *Hist. Hen. IV.* iv. 179. '*Roundlet*, a certaine measure of wine, oyle, &c., containing 18½ gallons; *An. 1. Rich. III.* cap. 13; so called of his roundness;' *Minsheu*. Formed with dimin. suffix *-et* from *OF. rondelle, rondele*, a little tun (*Godefroy*); cf. *rondelle*, a buckler or round target (shield), in *Cotgrave*. This is again formed, with dimin. suffix *-elle*, from *ronde*, a circle, or from *rond*, round; see **Round**.

**RUNE**, one of the old characters used for inscriptions cut upon stone. (*E.*) *ME. rune*, counsel, a letter, *Layamon*, 25332, 25340, 32000; later *roun*, whence *roun* or *round* in *Shakespeare*; see **Round**. *AS. rûn*, a rune, mystery, secret colloquy, whisper; *Grein*, ii. 385. The orig. sense seems to be 'whisper' or 'buzz;' hence, a low talk, secret colloquy, a mystery, and lastly a writing, because written characters were regarded as a mystery known to the few. **+Icel. rûn**, a secret, a rune; *Goth. rûna*, a mystery, counsel; *OHG. rûna*, a secret, counsel, whence *G. raunen*, to whisper; *Irish rûn*, *W. rhin*, a secret. *Idg. type \*rûnā*, fem. Cf. *Gk. ῥεύω*, I search out; *ῥεῦμα*, f., an inquiry. **Der. run-ic, roun**.

**RUNG**, one of the rounds of a ladder. (*E.*) Also a staff (*Halliwell*); one of the stakes of a cart, a spar (*Webster*). *ME. rouge*, *P. Plowman*, B. xvi. 44; Chaucer, *C. T.* 3625 (where *Tyrwhitt's*

edition wrongly has *renges* for *ronges*). AS. *hrung*, apparently a pole supporting the tilt of a cart; Grein, ii. 109. +MDu. *ronge*, 'the beam upon which the coulter of a plough, or of a wagon rests'; Hexham; G. *runge*, a short thick piece of iron or wood, a pin, bolt; Goth. *hrugga* (= *\*hrunga*), a staff, Mark, vi. 8. [We find also Irish *ronga*, a rung, joining spar, Gael. *rong*, a joining spar, rib of a boat, staff; borrowed from English.] Cf. also Icel. *röng*, a rib in a ship. The sense seems to have been 'rounded staff.' Prob. connected by gradation with AS. *hring*, a ring; see **Ring**.

**RUNNEL**, a small stream; see **Run**.

**RUNT**, a bullock, heifer. (Du.) Florio (1598) has 'a runt, a bullocke;' s.v. *Gionenco*.—MDu. *rund*, 'a runt, a bullock,' Hexham; Du. *rund*. From Teut. base *\*hrunth-*, weak grade of *\*hrinth-*, *\*hrenth-*; see **Rother**. See my Notes on Eng. Etym., p. 255.

**RUPEE**, an Indian coin, worth about two shillings. (Hind.—Skt.) 'In silver, 14 *roopees* make a masse;' Sir T. Herbert, Travels, ed. 1665, p. 46; cf. p. 67. The gold *rupee* is worth about 29s.—Hindustāni *rūpiyah*, a rupee; Rich. Arab. and Pers. Dict. p. 753.—Skt. *rūpya-m*, neut. sb., silver, wrought silver, or wrought gold; orig. neut. of *rūpya-s*, adj., handsome.—Skt. *rūpa-m*, n., natural state, form, beauty. Allied by gradation to Skt. *varṣas*, form, figure (Uhlenbeck).

**RUPTURE**, a bursting, breach, breakage. (F.—L.) 'No peryll of obstruction or rupture;' Sir T. Elyot, Castel of Helth, b. ii. c. 32.—F. *rupture*, 'a rupture, breach;' Cot.—L. *ruptūra*, fem. of fut. part. of *rumpere* (pt. t. *rūpi*), to break, burst.—√REUP, to break, violate, rob; cf. Lithuan. *rupas*, rough, AS. *rēofan*, to reave, Skt. *rup*, to confound, *lup*, to break, destroy, spoil. Brugmann, i. § 466. See **Reave**. Der. *rupture*, verb. From the same root are *ab-rupt*, *bank-rupt*, *cor-rupt*, *dis-ruption*, *e-ruption*, *inter-rupt*, *ir-ruption*, *pro-ruption*, *rote* (1), *route*, *rout*, *rut*. Also *loot*; and perhaps *ruff*, *ruffle* (1).

**RURAL**, belonging to the country. (F.—L.) 'In a person rurall or of a very base lynage;' Sir T. Elyot, The Governour, b. i. c. 3. § 3. ME. *rural*; Lydgate, Assembly of Gods, 1724.—F. *rural*, 'rural'; Cot.—L. *rurālis*, rural.—L. *rūr-*, for *rūs* (gen. *rūris*), the country; see **Rustic**. Der. *rural-ly*, *rural-ise*.

**RUSA**, a kind of deer. (Malay.) Malay *rūsa*, a deer; see **Babirusa**.

**RUSE**, a trick. (F.—L.) Used by Ray; Works of Creation, p. 137 (Cent. Dict.). Phillips, ed. 1706, gives the adj. *rusy*, full of tricks.—F. *ruse*, a stratagem.—F. *ruser*, 'to beguile, use tricks;' Cot. β. This F. *ruser* is a contraction of OF. *reūser*, to refuse, recoil, retreat, escape; hence, to use tricks for escaping (Burguy).—Late L. type *\*refūsāre*, to refuse (Hatzfeld, Körting, § 7897). See **Refuse**. ¶ But Scheler derives it from L. *recūsāre*, to refuse, with loss of *c* as in OF. *seür*, F. *sür*, from L. *secūrus*. See **Recusant**.

**RUSH** (1), to move forward violently. (E.) ME. *ruschen*, *rushen*, Chaucer, C. T. 1641; Allit. Poems, ed. Morris, B. 368; Sir Gawayn and the Grene Knight, 2204. Partly from AS. *hryscan*, to rustle shrilly, roar (as wind); Napier's Glosses, i. 3740, 5006. +MSwed. *ruska*, to rush; Ihre gives the example: 'Tha kommo the alle *ruskande* inn,' then they all came rushing in; Chron. Rhythm. p. 40. This is clearly connected with MSwed. *rusa*, to rush; whence E. **Rouse** (1); q.v. Another sense of MSwed. *ruska* (like G. *rauschen*) is to rustle. So also Low G. *rusken*, (1) to rustle, (2) to rush about, Bremen Wörterbuch; cf. Du. *ruischen*, to murmur as water, to rustle; Pomeran. *ruschen*, to make a noise in running about. Der. *rush*, sb.

**RUSH** (2), a round-stemmed plant of grass-like aspect, common in wet ground. (E.) Prov. E. *rish*, *resh*, *rash*, ME. *rusche*, *rische*, *resche*, P. Plowman, B. iii. 141. AS. *risce*, *resce*, *ræsc*, Gloss. to A. S. Leechdoms; oldest form *risc* (O. E. Texts). Cf. Low G. *rusk*, *risch*, a rush, Brem. Wörterbuch; Du. *rusch*, *rush*; EFries. *rūske*; NFries. *rusken*, pl. rushes. β. Some think these are non-Teutonic words, and perhaps merely borrowed from L. *ruscum*, butcher's broom; yet the sense is very different, and *rash*, *resh*, cannot come from *ruscum*.

γ. Rather cf. OHG. *rasc*, *rash*, quick, MHG. *resch*, quick, MHG. *risch*, quick, *rösc*, quick, lively; EFries. *rask*, *rash*, quick, *risk*, quick, upright, slender; Low G. *rusch*, quick (Lübben). I take *rush* to be a native name for a plant of quick, upright, slender growth. See **Rash**. ¶ Not connected with Goth. *raus*, G. *rohr*, a reed. Der. *rush-y*. Also *bul-rush*, ME. *bulrysche*, Prompt. Parv. p. 244; in which word the first part is prob. Icel. *bolr*, *bulr*, a stem, trunk, Dan. *bul*, trunk, stem, shaft of a column, Swed. *bäl*, a trunk, so that the sense is 'stem-rush,' from its long stem; see **Bulwark**, **Bole**; cf. *bull-weed* (= *bole-weed*, *ball-weed*), knapweed; *bulrush* often means the reed-mace. Also *rush-candle*, Tam. Shrew, iv. 5. 14; *rush-light*.

**RUSK**, a kind of light, hard cake or bread. (Span.) 'The lady sent me divers presents of fruit, sugar, and *rusk*;' Raleigh, cited by Todd (no reference). 'A basket-full of white *ruske*;' Hakluyt, Voy. ii. pt. 1. p. 186.—Span. *rosca de mar*, sea-rusks, a kind of

biscuit, Meadows; *rosca*, a roll of bread, Minshew, ed. 1623; Minshew also has *rosquete*, a pancake, *rosquilla*, 'a clue of threed, a little-roll of bread, also lying round like a snake.' Cf. Port. *rosca*, the winding of a serpent, a screw; *fazer roscas*, to wriggle. Thus the *rusk* was orig. a twist, a twisted roll of bread. Origin unknown (Diez).

**RUSSET**, reddish-brown; a coarse country dress. (F.—L.) ME. *russet*, P. Plowman, A. ix. 1; B. viii. 1.—AF. *russet*, Stat. Realm, i. 381 (1363); 'ma robe de *russet*,' Royal Wills, p. 30 (1360); OF. *rosset*, *roussel* (Godefroy); MF. *roussel*, 'russet, brown, ruddy;' Cot. Hence applied to a coarse brown rustic dress. Dimin. of F. *roux* (fem. *rousse*), 'reddish;' Cot.—L. *ruscus*, reddish. β. L. *ruscus* is from a type *\*rudzho-* (Brugmann, i. § 759); from the base *rudh* appearing in Gk. *ῥ-ρῡθ-ρῡς*, red; see **Red**, **Ruddy**. Der. *russet-ing*, a russet apple.

**RUST**, a reddish-brown coating on iron exposed to moisture. (E.) Prov. E. *rust* (Yks.). ME. *rust*, Wyclif, Matt. vi. 19, 20; *roust*, Trevisa, tr. of Higden, iii. 445. AS. *rūst*, rust; whence *rūstīg*, rusty, Ælfred, tr. of Orosius, b. v. c. 15. § 4. +Du. *roest*; Dan. *rust*; Swed. *rost*; G. *rost*. Teut. type *\*rūsto-*; for Idg. *\*rudhs-to-*, from Teut. base *rud-*, Idg. base *rudh-*; see **Ruddy**. Brugmann, i. § 759 (note). Allied to AS. *rud-u*, ruddiness, and to E. *ruddy* and *red*; cf. Icel. *ryð*, rust, lit. redness; MHG. *rot*, rust, allied to G. *roth*, red. So also Lithuan. *rudis*, rust, *rūdas*, reddish; W. rhwd, rust. See **Red**. Der. *rust*, verb; *rust-y*, AS. *rūstīg*, as above; *rust-ly*, *rust-i-ness*.

**RUSTIC**, belonging to the country. (F.—L.) Spelt *rusticke*, Spenser, F. Q. introd. to b. iii. st. 5.—F. *rustique*, 'rusticall;' Cot.—L. *rusticus*, belonging to the country; formed with double suffix *-ti-cus* from *rūs*, the country. β. The L. *rūs* is thought to be allied to Russ. *ravina*, a plain, Zend *ravan*, a plain, and to E. *room*; see **Room**. Der. *rustic-al-ly*, *rustic-ate*, *rustic-at-ion*; *rustic-i-ty*, from F. *rusticité*, 'rusticity,' Cot. And see *rur-al*, *roister-ing*.

**RUSTLE**, to make a low whispering sound. (Low G.) In Shak. Meas. for Meas. iv. 3. 38. The form is frequentative; and it seems best to connect it with the base *rus-*; see **Rouse**. Du. dial. *ruseln*, to rustle as clothes do (Molema); Low G. and Pomeran. *ruseln*, to rustle. Also MDu. *ruyselen*, 'to rustle,' Hexham; also spelt *reuselen*. Der. *rustle*, sb.; *rustl-ing*.

**RUT** (1), a track left by a wheel. (F.—L.) 'And as from hills rain-waters headlong fall, That all ways eat huge *ruts*;' Chapman, tr. of Homer, Iliad, iv. 480. The word is merely a less correct spelling of *route*, i. e. a track.—F. *route*, 'a rutt, way, path, street, .. trace, tract, or footing,' Cot. See **Route**. Der. *rut*, verb.

**RUT** (2), to copulate, as deer. (F.—L.) ME. *rutien*, *rutien*; P. Plowman, C. xiv. 146; cf. *in rotey tyme*=in rut-time, id. B. xi. 329. Like other terms of the chase, it is of Norman-French origin. The ME. *rotey* answers to OF. *ruté*, spelt *ruté* in Cotgrave; he gives *venaison ruitee*, venison that's killed in rut-time. The verb *rutien* is formed from the sb. *rut*.—F. *rut* (so spelt even in the 14th century, Littré), also *ruit*, as in Cotgrave, who explains it by 'the rut of deer or boars, their lust, and the season wherein they ingender.'—L. type *\*rugitum*, for L. *rūgitum*, acc. of *rūgitus*, the roaring of lions; hence, the noise of deer in rut-time. Cf. F. *ruir*, 'to roar,' Cot., from L. *rūgire*, to roar.—√REU, to make a noise, whence also Lithuan. *rūja*, rutting-time; see **Rumour**.

**RUTH**, pity, compassion. (Scand.) ME. *reuthe*, *rewthe*, Chaucer, C. T. 916 (A 914); *reouthe*, Ancren Riwle, p. 32, l. 8; p. 54, l. 12. Formed like the Scand. sb., but with a vowel borrowed from the E. verb to *ruē*.—Icel. *hryggð*, *hrygð*, affliction, sorrow. Cf. Icel. *hryggr*, grieved, sorrowful.—Teut. base HREU, to grieve, appearing in AS. *hrēowan*, to rue; see **Rue** (1). Der. *ruth-less*, Meas. for Meas. iii. 2. 121; *ruth-ful*, Troilus, v. 3. 48.

**RYE**, a kind of grain. (E.) ME. *reye*, Chaucer, C. T. 7328 (D 1746); *ruze*, Polit. Songs, ed. Wright, p. 152. AS. *ryge*, Voc. 47.4. +Du. *rogge*; Icel. *rūgr*; Dan. *rug*; Swed. *råg*; G. *roggen*, OHG. *rocco*. Further allied to Lithuan. pl. sb. *ruggei*, rye; OPruss. *rugis*; Russ. *roj(e)*, rye. Streitberg, § 131. Der. *rye-grass*.

**RYOT**, a Hindoo cultivator or peasant. (Hind.—Arab.) Hind. *rūiyat*, H. H. Wilson; p. 433. From Arabic. See Yule. The same word as **Rayah**, q.v.

## SA—SE

**SABAOTH**, hosts, armies. (Heb.) In phr. 'the Lord of *Sabaoth*;' Rom. ix. 29; James, v. 4.—Heb. *tsēbāōth*, armies; pl. of *tsābā*, an army.—Heb. *tsābā*, to go forth as a soldier.

**SABBATH**, the day of rest. (L.—Gk.—Heb.) ME. *sabot*, Wyclif, Mark, ii. 27; Cursor Mundi, 11997.—L. *sabbatum*.—Gk.

σάββατον.—Heb. *shabbāth*, rest, sabbath, sabbath-day.—Heb. *shūb-ath*, to rest from labour. ¶ The mod. E. word is a compromise between *sabbat* (the L. form) and *shabbath* (the Heb. form). Der. *Sabbat-ar-i-an*, *sabbat-ic-al*.

**SABLE**, an animal of the weasel kind, with dark or black fur; also, the fur. (F.—Slavonic.) ME. *sable*, Chaucer, Compl. of Mars, 284; the adj. *sabline* occurs much earlier, O. Eng. Homilies, ed. Morris, i. 181, l. 362.—OF. *sable*, the sable (Burguy); 'the colour sables, or black, in blazon'; Cot. Cf. Low L. *sabelum*, the sable; *sabelinus*, sable-fur, whence the OF. *sebelin*, ME. *sabeline*; the mod. F. *zibeline* (from Ital.), properly an adj., is also used for the animal itself. Of Slavonic origin.—Russ. *sobol(e)*, the sable, also a boa or fur tippet; Pol. *sobol*. Cf. Turk. *samūr*, sable; Rich. Diet. p. 943. Dor. *sable*, sb. and adj. The best fur being black, *sable* also means black, as in heraldry; see Hamlet, ii. 2. 474, iii. 2. 137, iv. 7. 81. So 'sable and asure'; Caxton, tr. of Reynard, c. 32, ed. Arber, p. 81 (1481). ¶ It is sometimes said that the name of the sable is taken from *Siberia*, where it is found. The Russ. *sobole*, a sable, does not resemble *Sibire*, *Siberia*; nor does the adj. form *sabeline* (in OF.) approach *Sibirskii* or *Sibiriak*, *Siberian*.

**SABOT**, a wooden shoe. (F.) From F. *sabot*, a word of unknown origin.

**SABRE, SABER**, a kind of sword. (F.—G.—MGk.?) A late word. 'Sable or Sabre, a kind of simetar, hanger, or broad sword'; Phillips, ed. 1706; MDu. *sabel*, 'a sable, or short broad sword'; Hexham.—F. *sabre*, a sabre.—G. *säbel* (formerly also *sabel*), a sabre, falchion. β. Thus Diez, who says that at least the F. form was borrowed from German; cf. Ital. *sciabla*, *sciabola*, Span. *sable*. γ. He adds that the G. word was also borrowed; and compares Hungarian *szablya*, Servian *sablja*, Wallachian *sabie*, a sabre. All (according to Diez) from MGk. *ζαβός*, crooked. I find Hung. *szablya*, a sabre, *szabni*, to cut, *szabo*, a cutter, in Dankovsky, Magyar Lexicon, 1833, p. 327; at p. 862, Dankovsky considers *szabni*, to cut, to be of Wallachian origin. Der. *sabre-tash*, F. *sabretache*, from G. *säbeltasche*, a sabretash, loose pouch hanging near the sabre, worn by hussars (Flügel); from G. *säbel*, a sabre, and *tasche*, a pocket.

**SACCHARINE**, sugar-like. (F.—L.—Gk.—Skt.) In Todd's Johnson.—F. *saccharin*, 'of sugar'; Cot. Formed with suffix *-in* (=L. *-inus*) from L. *sacchar-on*, sugar (Pliny).—Gk. *σάκχαρον*, sugar.—Pāli *sakkharū*, for Skt. *ṣaṅkharā*, candied sugar; see **SUGAR**.

**SACERDOTAL**, priestly. (F.—L.) In Minshew, ed. 1627.—F. *sacerdotal*, 'sacerdotal'; Cot.—L. *sacerdōtālīs*, belonging to a priest.—L. *sacerdōt-*, stem of *sacerdōs*, a priest; lit. 'presenter of offerings or sacred gifts' (Corssen).—L. *sacer*, sacred; and *dare*, to give (Bréal); cf. L. *dōs* (gen. *dōtis*), a dowry, from the same verb. The fem. form *sacerdōta*, a priestess, occurs in an inscription. See **SACRED** and **DATE** (1). Brugmann, i. § 241 (a). Der. *sacerdotal-ly*, *-ism*.

**SACHEM**, a W. Indian chief. (Amer. Indian.) In Phillips (1658). 'The Massachusetts call . . . their kings *sachemes*'; Capt. Smith, Works, ed. Arber, p. 939. See **SAGAMORE**.

**SACK** (1), a bag. (L.—Gk.—Heb.—Egyptian.) ME. *sak*, Chaucer, C. T. 4019 (A 4021). AS. *sacc*, Gen. xlii. 25, 28.—L. *saccus*.—Gk. *σάκκος*.—Heb. *saq*, stuff made of hair-cloth, sack-cloth; also, a sack for corn. β. A borrowed word in Hebrew, and prob. of Egyptian origin; cf. Coptic *sok*, sack-cloth, Gen. xxxvii. 34, Matt. xi. 21; see Peyron's Coptic Lexicon. E. Müller cites *sak* as being the Æthiopic form. γ. This remarkable word has travelled everywhere, together (as I suppose) with the story of Joseph; the reason why it is the same in so many languages is because it is, in them all, a borrowed word from Hebrew. We find Du. *zak*, G. *sack*, Icel. *sekk*, Swed. *säkk*, Dan. *sæk*, Goth. *sakkus* (sack-cloth, Matt. xi. 21), Ital. *sacco*, Span. and Port. *saco*, F. *sac*, Irish and Gael. *sac*, W. *sach*. And see **SACK** (2). Der. *sack-cloth*, Gen. xxxvii. 34; ME. *sakcloth*, Lydgate, Assembly of Gods, 290; *sack-ing*, cloth of which sacks are made, coarse stuff; *sack-full*. Also *sack* (2), q. v.; *satch-el*, q. v. Doublet, *sac*, a bag or receptacle for a liquid, borrowed from F. *sac*.

**SACK** (2), plunder; as a verb, to plunder. (F.—L.—Gk.—Heb.—Egyptian.) 'The plenteous houses *sackt*'; Surrey, Ecclesiastes, c. v.; l. 45. Formed from the sb. *sack*, pillage. 'And Helen, that to utter *sack* both Greece and Troie brought'; Turberville, Dispraise of Women, st. 34.—F. *sac*, 'a sack, waste, ruine, havock, spoile'; Cot. Cf. F. *saccager*, 'to sack, pillage'; Cot.; also MF. *sacquer*, 'to draw hastily, to pull out speedily or apace'; Cot. We also find Low L. *saccāre*, to put into a bag; a common word; and Low L. *saccus*, a garment, robe, treasure, purse. β. There seems to be little doubt that the F. *sac*, pillage, is connected with, and due to, the F. *sac*, a sack, from L. *saccus*; see **SACK** (1). The simplest solution is that in Wedgwood, 'from the use of a sack in removing plunder'; though the sense is probably rather metaphorical

than exact. In the same way we talk of *bagging*, i. e. pilfering a thing, or of *pocketing* it, and of *baggage* as a general term, whether bags be actually used or not. Thus Hexham gives MDu. *zacken*, 'to put in a sack, or fill a sack'; *zacken ende packen*, 'to put up bagg and baggage, or to trusse up.' Cotgrave has: 'à sac, à sac, the word whereby a commander authorizeth his souldiers to sack a place.' γ. The use of MF. *sacquer* (OF. *sachier*) is remarkable, as it seems to express, at first sight, just the opposite to packing up; but perhaps it meant, originally, to search in a sack, to pull out of a purse; for the sacking of a town involves the two processes: (1) that of taking things out of their old receptacles, and (2) that of putting them into new ones; note the Low L. *saccus* in the senses of 'treasure' and 'purse.' Burguy notes that the OF. *desacher*, lit. to draw out of a sack, was used in the same way as the simple verb. δ. It deserves to be added that Cotgrave gives 17 proverbs involving the word *sac*, clearly proving its common use in phrases. One of them is: 'On luy a donné son sac et ses quilles, he hath his passport given him, he is turned out to grazing, said of a servant whom his master hath put away'; hence the E. phrase, 'to give one the sack.' And again: 'Acheter un chat en sac, to buy a pig in a poak.'

**SACK** (3), the name of an old Spanish wine. (F.—L.) See the account in Nares. He notices that it was also called *seck*, a better form: 'It is even called *seck*, in an article cited by bp. Percy from an old account-book of the city of Worcester: "Anno Eliz. xxxiiij. Item, for a gallon of claret wine, and *seck*, and a pound of sugar."' Spelt *secke*, A. Borde, Dyetary, ch. x. ed. Furnivall, p. 255 (1542). By Sherris *sack*, Falstaff meant 'sack from Xeres,' our sherry; see **SHERRY**. *Sack* was a Spanish wine made from grapes dried by the sun, and so sweet rather than dry in the mod. E. sense. See Minshew; and note to Tw. Night, ed. W. A. Wright; A. ii. sc. 3. 178.—F. *sec*, dry; in the phrase *vin sec*; Sherwood (in his index to Cotgrave) has: 'Sack (wine), vin d'Espagne, vin sec.' Cf. Span. *seco*, dry.—L. *siccum*, acc. of *siccus*, dry. ¶ We may note Du. *sek*, sack, a sort of wine (Sewel), as illustrating the fact that *sack* stands for *seck*; this also is from F. *sec*. So also G. *sekt*, sack; Swed. *seck* (Wiedgren).

**SACKBUT**, a kind of wind instrument. (F.—L.—Gk.—Chaldee.) In Dan. iii. 5. The *sack-but* resembled the modern trombone, and was a wind instrument; but the word is used to translate the Chald. *sabbekū* (with initial *samech*), Gk. *σαμβύκη*, L. *sambūca*, which was a stringed instrument. And these forms must be regarded as giving the real origin of the E. word, which was borrowed from French. Thus Ascham has: 'lutes, harpes, all maner of pypes, barbitons, *sambukes*'; Toxophilus, ed. Arber, p. 39. And in Dan. iii. 5, Wyclif has *sambukes*.—OF. *sambuque* (Roquefort).—L. *sambūca*.—Gk. *σαμβύκη*.—Chald. *sabbekū* (as above); Dan. iii. 5. β. Sir T. Elyot mentions *sackbottes* as wind instruments, Castel of Helth, b. ii. ch. 33.—F. *saquebute*, a sackbut, trombone, Littré; a popular perversion, due to confusion with OF. *saqueboute*, which was really a lance with a hook, for pulling a man off his horse (Godefroy), and then applied to a trombone from its being drawn in and thrust out (F. *sacquer*, to pull, *bouter*, to push). γ. A similar perversion occurs in Span. *sacabuche* (nautical word), a tube or pipe which serves as a pump; also, a sackbut (Neuman); as if from Span. *sacar*, to draw out, with reference to the tube of the instrument; and *buche*, the maw, crop, or stomach of an animal, and colloquially, the human stomach. Hence the suggestion in Webster, that *sacabuche* means 'that which exhausts the stomach or chest'; a name possibly given (in popular etymology) from the exertion used in playing it.

**SACRAMENT**, a solemn religious rite, the eucharist. (L.) ME. *sacrament*, Chaucer, C. T. 9576 (E 1702).—L. *sacramentum*, an engagement, military oath; in ecclesiastical writers, a mystery, sacrament. Formed with suffix *-mentum* from *sacrāre*, to dedicate, consecrate, render sacred or solemn.—L. *sacr-*, for *sacer*, sacred; see **SACRED**. Der. *sacrament-al*, *sacrament-al-ly*.

**SACRED**, made holy, religious. (F.—L.) *Sacred* is the pp. of ME. *sacren*, to render holy, consecrate, a verb now obsolete. We find *sacredh*=consecrates, in Ancrén Riwe, p. 268, l. 5. The pp. *i-sacred*, consecrated, occurs in Rob. of Glouc. p. 330 (l. 6762), where the prefix *i-* (=AS. *ge-*) is merely due to the Southern dialect. 'He was . . . *sacryd* or enoynted emperoure of Rome'; Fabyan's Chron. cap. 155, last line. [Hence too *sacring-bell*, Hen. VIII. iii. 2. 295.]—OF. *sacrer*, 'to consecrate'; Cot.—L. *sacrāre*, to consecrate.—L. *sacr-*, for *sacer*, sacred, holy.—L. base *sac-*, appearing in a nasalised form in *sancire*, to render inviolable, establish, confirm; see **SAINT**. Brugmann, ii. § 744. Dor. *sacred-ly*, *sacred-ness*; and see *sacra-ment*, *sacri-fice*, *sacri-lege*, *sacrist-an*, *sext-on*; *sacer-dotal*; *con-secrate*, *de-secrate*, *ex-secrate*, *ob-secrate*; *sanct-ify*.

**SACRIFICE**, an offering to a deity. (F.—L.) ME. *sacrifise*, Ancrén Riwe, p. 138, ll. 9, 11; also *sacrifise*.—F. *sacrifice*, 'a sacri-

fice; Cot. — L. *sacrificium*, a sacrifice, lit. a rendering sacred; cf. *sacrificare*, to sacrifice. — L. *sacri-*, for *sacro-*, from *sacer*, sacred; and *facere*, to make; see **Sacred** and **Fact**. Der. *sacrifice*, vb., *sacrificer*; *sacrificer*; *sacrifici-al*.

**SACRILEGE**, profanation of what is holy. (F.—L.) ME. *sacrilege*, Gower, C. A. ii. 374, ll. 5, 14; bk. v. 7165, 7174. — MF. *sacrilege*, 'a sacrilege, or church-robbing'; Cot. — L. *sacrilegium*, the robbing of a temple, stealing of sacred things. — L. *sacrilegus*, a sacrilegious person, one who steals from a temple. — L. *sacri-*, for *sacro-*, from *sacer*, sacred; and *legere*, to gather, steal, purloin; see **Sacred** and **Legend**. Der. *sacrileg-i-ous*, Macb. ii. 3. 72, a coined word; *sacrileg-i-ous-ly*, -ness.

**SACRISTAN, SEXTON**, an officer in a church who has charge of the sacred vessels and vestments. (F.—L.) The corruption of *sacristan* into *sexton* took place so early that it is not easy to find the spelling *sacristan*, though it appears in Blount's Glossographia, ed. 1674. Cf. ME. *sekesteyn* in Rob. of Brunne, Handlyng Synne, l. 11100. The duties of the *sacristan* have suffered alteration; he is now the grave-digger rather than the keeper of the vestments. The form *sexteyn* is in Chaucer, C. T. 13942 (B 3126); the collateral form *Saxton* survives as a proper name; I find it in the Clergy List for 1873. — F. *sacristain*, 'a sexton, or vestry-keeper, in a church'; Cot. Formed as if from Late L. \**sacristānus*, but the usual word is simply *sacrista*, without the suffix; cf. 'Sexteyne, Sacrista,' Prompt. Parv.; and see Ducange. Formed with suffix *-ista* (= Gk. -ιστης) from L. *sacr-*, from *sacer*, sacred; see **Sacred**. Der. *sacrist-ly*, from F. *sacristie*, 'a vestry, or sextry in a church,' Cot.; cf. 'Sextrye, Sacristia,' Prompt. Parv.

**SAD**, heavy, serious, sorrowful. (E.) 'Sadde, tristis;' Levins. ME. *sad*, with very various meanings; Halliwell explains it by 'serious, discreet, sober, heavy (said of bread), dark (of colour), heavy, solid, close, firm (said of iron and stone).' The W. *sad* means 'firm, steady, discreet;' and may have been borrowed from E. during the ME. period. β. But the oldest meaning is 'sated.' Thus, in Layamon, 20830, we have 'sad of mine londe' = sated, or tired, of my land. Hence seem to have resulted the senses of satisfied, fixed, firm, steadfast, &c.; see examples in Stratmann and in the Glossary to Will. of Palerne, &c. The mod. E. *sad* is from the sense of sated, tired, weary. AS. *sæd*, sated, satiated; Grein, ii. 394. + OSax. *sad*, sated; Icel. *saddr*, old form *sadr*, sated, having got one's fill; Goth. *saths*, full, filled, sated; G. *satt*, satiated, full, satisfied, weary. γ. All from the Teut. pp. type \**sā-doz*, sated, Fick, iii. 318. Cognate words are found in Lithuan. *solus*, satiated; Russ. *sutost'*, satiety; L. *satur*, sated, also deep-coloured (like E. *sad-coloured*), well filled, full; OIrish *sā-ith*, satiety, *sa-thech*, sated; Gk. *ἀ-μεναι*, to satiate. From ✓SĀ, SA, to satiate; Brugmann, i. § 196. See **Satiate**, **Satisfy**. ¶ In no way connected with *set*, which is quite a different word; nor with L. *sēdāre*, which is allied to E. *set*. Der. *sad-ly*, -ness. Also *sadd-en*, verb, from ME. *sadden*, to settle, confirm, P. Plowman, B. x. 242; cf. AS. *gesadian*, to fill (Grein), AS. *sadian*, to feel weary or sad, Ælfred, tr. of Boethius, cap. xxxix. § 4.

**SADDLE**, a leathern seat, put on a horse's back. (E.) ME. *sadel* (with one *d*), Chaucer, C. T. 2164 (A 2162). — AS. *sadol*; Grein, ii. 387. + Du. *zadel*; Icel. *söðull*; Swed. and Dan. *sadel*; G. *sattel*; OHG. *satul*. Cf. also Russ. *siedlo*; L. *sella* (for \**sed-la*). β. Teut. type \**saduloz*. The form of the word is abnormal; some suppose it not to be Teutonic, but borrowed from some other Idg. language, probably Slavonic. Cf. Lower Sorbian *sodlo*, a saddle; OSlav. *sedlo*, a saddle. We may safely refer it, and all its cognates (or borrowed forms), to ✓SED, to sit; cf. (Vedic) Skt. *sad*, to sit down, Skt. *sadas*, a seat, abode. Der. *saddle*, verb, AS. *sadeliān*, Ælfric's Grammar, ed. Zupitza, p. 165, l. 10; *saddl-er*, *saddl-er-y*; *saddle-bow*, ME. *sadel-bowe*, Proverbs of Ælfred, l. 229.

**SADDUCEE**, the name of a Jewish sect. (L.—Gk.—Heb.) The ME. pl. *Saduceis* is in Wyclif, Deeds [Acts], xxiii. 8; &c. — L. pl. *Sadducei*. — Gk. pl. *Σαδδουκαῖοι*. — Heb. pl. *tsēdūqīm*, in the Mishna; see Smith, Concise Dict. of the Bible. Supposed to mean 'the righteous.' From the Heb. root *tsādaq*, to be just.

**SAFE**, unharmed, secure, free from danger. (F.—L.) ME. *sauf*, Will. of Palerne, 868, 1329; we also find the phr. *sauf and sound*, id. 868, 2816. — F. *sauf*, 'safe'; Cot. — L. *saluum*, acc. of *saluus*, whole, safe. Brugmann, i. § 860 c. Der. *safe-ly*, *safe-ness*; *safe*, sb.; *safe-conduct*, Hen. V, i. 2. 297, ME. *sauf conduit*, Gower, C. A. ii. 160; bk. v. 994; *safe-guard*, Rich. III, v. 3. 259. ME. *sauf-garde*, Caxton, tr. of Reynard, ch. 3; *vouch-safe*, q. v. Also *safe-ty*, K. John, iii. 3. 16, suggested by F. *sauvete*, 'safety,' Cot., from Late L. acc. *salutatem*. And see **Salvation**, **Sage** (2), **Salute**, **Save**.

**SAFFRON**, the name of a plant. (F.—Arab.) 'Maked geleu mid saffran' = made yellow with saffron; O. Eng. Homilies, ed. Morris, ii. 163, l. 32. — AF. *saffran*, Liber Albus, p. 224; F. *safran*,

*saffran*, saffron; Cot. — Arab. *za'farān*, saffron; Palmer's Pers. Dict. col. 321.

**SAG**, to droop, be depressed. (Scand.) Prov. E. *sag*, *seg*. ME. *saggen*, Prompt. Parv. p. 440. — Norw. *sakka*, *sekka*, to sink; Swed. *sacka*, to settle, sink down; Dan. *sakke* (as a nautical term), to have stern-way; Jutland *sakke*, to sink, settle down (Kok); whence Du. *zacken*, to sink. β. The MSwed. *sacka* is used of the settling of dregs; so also Low G. *sakken*, in the Bremen Wörterbuch. Rietz gives Swed. dial. *sakka*, to sink; *säkka*, to sag, droop. Cf. Icel. *sakka*, a plummet. All from the Scand. base \**sakk-*, a form allied to \**sank-*, 2nd grade of Teut. \**senkan-*, to sink; see **Sink**.

**SAGA**, a tale, story. (Scand.) The E. word is *saw*. *Saga* is merely borrowed from Icel. *saga*, a story, tale; cognate with E. *saw*; see **Saw** (2).

**SAGACIOUS**. (L.) In Milton, P. L. x. 281. Coined, as if from L. \**agaciōsus*, from *sagāci-*, decl. stem of *sagax*, of quick perception, keen, sagacious; from a base SAG, to perceive clearly, perhaps to scent. Cf. *sāgire*, to perceive by the senses. Allied to **Seek**, q. v. Brugmann, i. § 187. ¶ Not allied to **Sage** (1). Der. *sagacious-ly*, *sagacious-ness*. Also *sagac-i-ty*, in Minshew, ed. 1627, formed (by analogy) from L. *sagacitās*, sagacity. And see **pre-sage**.

**SAGAMORE**, a W. Indian chief. (Amer. Indian.) In Phillips (1658). 'A tall savage... He was a *sagama*;' Capt. Smith, Works, ed. Arber, p. 754. The name of a chief among some American Indian tribes. Micmac *sakamow*, a chief (S. T. Rand). See **Sachem**.

**SAGE** (1), discerning, wise. (F.—L.) In Shak. Tw. Nt. iii. 4. 413. — F. *sage*, 'sage, wise'; Cot. [Cf. Span. *sabio*, Ital. *saggio*, wise.] — Late L. \**sabium*, not found, for L. *sapium*, acc. of *sapius*, wise; only found in comp. *ne-sapius*, unwise (Petronius). — L. *sapere*, to be wise; see **Sapience**. ¶ Not allied to **Sagacious**. Der. *sage*, sb., *sage-ly*, *sage-ness*.

**SAGE** (2), the name of a plant. (F.—L.) ME. *sauge*, *sawge*; Prompt. Parv. — AF. *sauge*, Voc. 555. 13: spelt *saulge* in Cot. — L. *salvia*, sage; so called from its supposed healing virtues. — L. *saluus*, sound, in good health; see **Safe**.

**SAGITTARIUS**, the archer. (L.) The name of a zodiacal sign. In Phillips (1658). — L. *sagittārius*, an archer. — L. *sagitta*, an arrow.

**SAGO**, a starch prepared from the pith of certain palms. (Malay.) See Yule. Mentioned in the Annual Register, 1766, Chronicle, p. 110; see Notes and Queries, 3. Ser. viii. 18. Spelt *sagu*, and called a Javanese word; Hakluyt, Voy. iii. 742. — Malay *sāgu*, *sāgū*, 'sago, the farinaceous and glutinous pith of a tree of the palm kind named *rumbiya*;' Marsden's Malay Dict. p. 158.

**SAHIB**, sir, master; a title. (Hind.—Arab.) Spelt *sahab* in Fryer's New Acct. of E. India (1673); p. 417 (Yule). — Hind. *ṣāhib*, lord, master, companion (Forbes). — Arab. *ṣāhib*, lord, master; orig. 'companion;' Rich. Dict. p. 924.

**SAIL**, a sheet of canvas, for propelling a ship by the means of the wind. (E.) ME. *seil*, *seyl*, Chaucer, C. T. 698 (A 696); Havelok, 711. AS. *segel*, *segl* (Grein). + Du. *zeil*; Icel. *segl*; Dan. *seil*; Swed. *segel*; G. *segel*. β. All from Teut. type \**seglom*, n., a sail (Fick, iii. 316); which Fick ingeniously connects with Teut. base SEG = ✓SEGH, to bear up against, resist; so that the sail is that which resists or endures the force of the wind. Cf. Skt. *sah*, to bear, undergo, endure, be able to resist; Gk. *ἐχέω*, to hold, *ἐχέω νῆας*, to urge on ships, Od. ix. 279; from the same root. Der. *sail*, verb; *sail-cloth*, *sail-er*, *sail-or* (spelt *saylor* in Temp. i. 2. 270, doubtless by analogy with *tail-or*, though there the ending in -or is justifiable, whilst in *sail-or* it is not); *sail-ing*; also *sail-yard*, AS. *seglyrd*, Voc. 288. 10.

**SAINFOIN**, a perennial herb, cultivated as a forage plant. (F.—L.) In Phillips, ed. 1706. — F. *sain foin*, *saint foin*, 'Spanish trefoly'; Cot.; s. v. *Foin*. — L. *sānum* *fœnum*, lit. healthful hay. — L. *sānum*, n. of *sānus*, sane, healthful; *fœnum*, hay. ¶ Turned into *saint foin*, 'holy hay,' by popular etymology. See Hatzfeld.

**SAINT**, a holy man. (F.—L.) ME. *seint*, *saint*, *seinte*; 'seinte paul' = Saint Paul, O. Eng. Homilies, ed. Morris, i. 131, l. 15. — AF. *seint*; F. *saint*. — L. *sanctum*, acc. of *sanctus*, holy, consecrated. — L. *sanctus*, pp. of *sancire*, to render sacred, make holy. Allied to L. *sac-er*, sacred; whence **Sacred**, **Sacerdotal**. Der. *saint-ed*, *saint-like*.

**SAKE**, purpose, account, cause, end. (E.) ME. *sake*, purpose, cause; 'for hire sake' = for her (its) sake; Ancrén Riwe, p. 4, l. 16. It also means dispute, contention, law-suit, fault. 'For desert of sum sake' = on account of some fault; Allit. Poems, ed. Morris, C. 84. AS. *sacu*, strife, dispute, crime, law-suit, accusation (Bosworth). + Du. *zaak*, matter, case, cause, business, affair; Icel. *sök*, a charge, guilt, crime; Dan. *sag*; Swed. *sak*; G. *sache*. β. All from Teut. type \**sakā*, f., a contention, suit at law (Fick, iii. 314), from the base SAK, appearing in Goth. *sakan* (a strong verb, pt. t. *sök*), to

contend, rebuke. Hence also Goth. *sakjō*, strife. Perhaps allied to OIrish *saig-im*, I say, I speak. Der. *seek*, q.v.

**SAKER**, a kind of falcon; a small piece of artillery. (F.—Span.—Arab.) ‘*Sacres*, wherewith they shot;’ Hakluyt, Voy. ii. 1. 79. The gun was named after the falcon. ‘*Sacre*, a hawke;’ Palsgrave. —MF. *sacre*, ‘a saker; the hawk, and the artillery so called;’ Cot. —Span. *sacre*; in both senses. —Arab. *ṣagr*, a hawk; Rich. Dict. p. 938. Not of L. origin (Engelmann). See Devic; and Körting, § 1914.

**SALAAM, SALAM**, peace; a salutation. (Arab.) ‘This low *salam*;’ Byron, Giaour, see note 29; and in Herbert’s Travels, ed. 1665, p. 142. —Arab. *salām*, ‘saluting, wishing health or peace; a salutation; peace;’ Rich. Dict. p. 842. —Arab. *salim*, saluting; id. p. 845. Cf. Heb. *shelōm*, peace; from the root *shālām*, to be safe.

**SALAD**, raw herbs cut up and seasoned. (F.—Ital.—L.) ME. *salade*, Flower and the Leaf, l. 412. —F. *salade*, ‘a sallet of herbs;’ Cot. —Mital. *salata*, ‘a salad of herbes;’ Florio. Fem. of Ital. *salato*, ‘salt, powdered, sowsel, pickled, salted;’ Florio. This is the pp. of *salare*, ‘to salt;’ id. —Ital. *sal*, *sale*, salt. —L. *sāl*, salt. See Salt.

**SALAMANDER**, a reptile. (F.—L.—Gk.) In Shak. 1 Hen. IV, iii. 3. 53. —F. *salamandre*, ‘a salamander;’ Cot. —L. *salamandra*. —Gk. *σαλαμάνδρα*, a kind of lizard, supposed to be an extinguisher of fire. An Eastern word; cf. Pers. *samandar*, a salamander; Rich. Dict. p. 850.

**SALARY**, stipend. (F.—L.) ME. *salarye*, P. Plowman, B. v. 433. —AF. *salarie*, Liber Albus, p. 48; F. *salair*, ‘a salary, stipend;’ Cot. —L. *salārium*, orig. salt-money, or money given to the soldiers for salt. —L. *salūrium*, neut. of *salārius*, belonging to salt; adj. from *sāl*, salt. See Salt. Der. *salari-ed*.

**SALE**, a selling for money. (E.) ME. *sale*, Prompt. Parv. AS. *sala*, a sale; Voc. 180. 16. +Icel. *sala*, fem., *sal*, neut., a sale, bargain; Swed. *salu*; Dan. *salg*. OHG. *sala*. Orig. ‘a handing over,’ or ‘delivery.’ Hence *sell*, v.; see Sell. Der. *sale-able*, *sales-man*; *hand-sel* or *han-sel*.

**SALIC, SALIQUE**, pertaining to the Salic tribe of the Franks. (F.—OHG.) In Shak. Hen. V, i. 2. 11. —F. *Salique*, belonging to the Salic tribe (Littré). The Salic tribe was a Frankish (High German) tribe, prob. named from the river *Sala* (now the Yssel, flowing into the Zuider Zee). There are several rivers called *Saale* or *Saar*; cf. Skt. *salīla-m*, *sarīra-m*, flood, water.

**SALIENT**, springing forward. (L.) In Pope, Dunciad, ii. 162. But the older form was *saliant* (Skinner, Phillips), which was an heraldic term for animals represented as springing forward; and this was due to F. *saillant*, pres. part. of *saillir*, to leap; corresponding to L. *salient-*, pres. part. of L. *salire*, to leap, sometimes used of water. —✓SAL, to leap; whence Gk. *ἀλλομαι*, I leap. Brugmann, i. § 514 (3). Der. *salient-ly*. From the same root are *as-sail*, *as-sault*, *de-salt-or-y*, *ex-sult* (for *ex-sult*), *in-sult*, *re-sili-ent*, *re-sult*, *sally*, *salmon*, *salt-at-ion*; *salt-ire*, q.v.

**SALINE**, containing salt. (F.—L.) In Phillips, ed. 1706; and see Blount’s Gloss., ed. 1674. —F. *salin*, fem. *saline*, saline; Littré. —L. *salinus*, only found in neut. *salinum*, a salt-cellar, and pl. *salīnæ*, salt-pits. —L. *sāl*, salt. See Salt.

**SALIVA**, spittle. (L.) In Phillips, ed. 1706. —L. *salīua*, spittle; whence also OIrish *saile*, W. *haliw*, saliva. Der. *saliv-ate*, *saliv-at-ion*; *saliv-al*, *saliv-ar-y*.

**SALLET**, a kind of helmet. (F.—Ital.—L.) In Shak. 2 Hen. VI, iv. 10. 12; and in Baret (1580). Palsgrave has: ‘*Salet*, of harnesse, *salade*.’ ‘A *salett* with a vysour;’ York Wills, iii. 205 (1472); *salet*, Paston Letters, i. 265 (1454). *Sallet* is a corruption of *salade*, due to the fact that a salad of herbs was also called *sallet*. —MF. *salade*, ‘a salade, helmet, headpiece; also a sallet of herbs;’ Cot. [Here the spellings *salade* and *sallet* are interchanged; however, the two words are of different origin.] —Ital. *celata*, a helmet. —L. *calāta*, that which is engraved or ornamented; Diez cites *cassis calāta*, an ornamented helmet, from Cicero. [Cf. Span. *celar*, to engrave, *celadura*, enamel, inlaying, *celada*, a helmet.] —L. *calāta* is the fem. of the pp. of *calāre*, to engrave, ornament. —L. *calum*, a chisel, graver; allied to *cādere*, to cut. Brugmann, i. § 944. See Cæsura.

**SALLOW (1), SALLY**, a kind of willow. (E.) ME. *salwe*, Chaucer, C. T. 6237 (D 655). ‘*Salwe*, tree, *Salix*;’ Prompt. Parv. OMerc. *salh*; AS. *sealh*; we find ‘*Amera*, *sealh*;’ *Salix*, *welig*’ mentioned together in Voc. 269. 35, 36. The suffix *-ow*=ME. *-we* AS. *-ge*, suffix of the dat. case from nom. in *-h*, just as E. *farrow* is from AS. *fearh*, and the prov. E. *barrow-pig* from AS. *beorh*. In Lowland Sc. the word became *sauch*, *saugh*, by loss of *l*. +Icel. *selja*; Swed. *sälj*, *sälj*; Dan. *selje*; G. *sahlweide* (OHG. *salahit*, whence F. *saule*), the round-leaved willow; see Fick, iii. 320. +L. *salix*, a

willow; Gael. *seileach*, a willow; Irish *sail*, *saileach*; W. *helyg*, pl.; willows; Gk. *ἐλίχη*, a willow.

**SALLOW (2)**, of a pale, yellowish colour. (E.) ME. *salow* (with one *l*); we find: ‘*Salwehe*, *salowe*, of colour, *Croceus*;’ Prompt. Parv. p. 441. AS. *salu*; *sallow*, Grein, ii. 388; whence the compounds *salireb*, with pale beak, *salupād*, with pale garment, *sealobriūn*, *sallow-brown*; id. +Du. *zaluw*, tawny, *sallow*; Icel. *sölur*, yellowish; MHG. *sal*, OHG. *salo*, dusky (whence F. *sale*, dirty). Teut. type \**salwoz*. Brugmann, i. § 375 (9). Der. *sallow-ness*.

**SALLY**, to rush out suddenly. (F.—L.) ‘Guyon *salied* forth to land;’ Spenser, F. Q. ii. 6. 38. ME. *salien*, to dance, is the same word; Prompt. Parv. p. 441; P. Plowman, B. xiii. 233. —F. *saillir*, ‘to go out, issue, issue forth; also to leap, jump, bound;’ Cot. —L. *salire*, to leap; see Salient. Der. *sally*, sb., with which cf. F. *saillie*, ‘a sally;’ Cot.; from the fem. of the pp. *sailli*. Also *sally-port*, a gate whence a sally may be made.

**SALMAGUNDI**, a seasoned hodge-podge or mixture. (F.—Ital.—L.) ‘*Salmagundi*, or *Salmigund*, an Italian dish made of cold turkey, anchovies, lemons, oil, and other ingredients; also, a kind of hotch-potch or ragoo;’ &c.; Phillips, ed. 1706. But the form is French. —F. *salmigondis*; spelt *salmigondin* in Cotgrave, who describes the dish. β. Etym. disputed; but probably of Ital. origin, as stated by Phillips. We may fairly explain it from Ital. *salami*, pl. of *salame*, salt meat, and *condito*, seasoned. This is the more likely, because the pl. *salami* was once the term in use. Thus Florio has: ‘*Salāmi*, any kinde of salt, pickled, or powdered meats or souse;’ &c. γ. This also explains the F. *salmis* (not in Cotgrave), which has proved a puzzle to etymologists; I think we may take *salmis* (= salted meats) to be a double plural, the *s* being the F. plural, and the *i* the Ital. plural; that is, the Ital. *salami* became F. *salmi*, and then the *s* was added. δ. The derivation of Ital. *salami* is clearly from L. *sāl*, salt, though the suffix is obscure; cf. L. *salgama*, pl., pickles. The F. *-gondi*, for Ital. *condito* (or pl. *conditi*), is from L. *conditus*, seasoned, savoury, pp. of *condire*, to preserve, pickle, season. Thus the sense is ‘savoury salt meats.’

**SALMON**, a fish. (F.—L.) ME. *saumoun*, King Alisaunder, l. 5446; *salmon*, *salmond*, Barbour’s Bruce, ii. 576, xix. 664; *samon*, Trevisa, i. 335. [The introduction of the *l* is due to our knowledge of the L. form; we do not pronounce it.] —OF. *saumon*, spelt *saulmon* in Cot. —L. *salmōnem*, acc. of *salmo*, a salmon. β. It has been conjectured that *salmo* means ‘leaper;’ from *salire*, to leap; which well accords with the fish’s habits. See Salient. (Otherwise in Walde.) Der. *salmon-leap*, ME. *saumoun-lepe*, Trevisa, i. 369.

**SALOON**, a large apartment. (F.—OHG.) A late word; added by Todd to Johnson. —F. *salon*, a large room. —F. *salle*, a room, chamber. —OHG. *sal* (G. *saal*), a dwelling, house, hall, room. +Icel. *salr*, a hall; AS. *sæl*, *sele*, a house, hall. The orig. sense is ‘abode;’ cf. Goth. *saljan*, to dwell.

**SALT**, a well-known substance. (E.) ME. *salt*, P. Plowman, B. xv. 423. OMerc. *salt*; O. E. Texts; AS. *sealt*, Grein, ii. 434. +Du. *zout* (with *u* for *i*); Icel. *salt*; Dan. and Swed. *salt*; G. *salz*; Goth. *salt*. β. All from Teut. adj. type \**sal-toz*, salt; Fick, iii. 321. On comparing this with L. *sāl*, salt, we see that the Teut. word is \**sal-toz*, where *-toz* is the usual Idg. pp. suffix, of extreme antiquity. Accordingly we find that AS. *sealt* (E. *salt*) is also used as an adj., in the sense of ‘salted’ or ‘full of salt,’ as in *sealt water*=salt water; Grein, ii. 434. So also Icel. *saltr*, adj., salt; Du. *zout*, adj.; Dan. and Swed. *salt*, adj.; W. *hall-t*, L. *sal-sus*. γ. Removing the suffix, we find cognate words in L. *sāl*, salt, Gk. *ἅλς*, Russ. *sol(e)*, W. *halan*, OIrish *salann*, salt. Brugmann, i. § 182. Der. *salt-ly*, *salt-ness*; *salt-cellar*, q.v.; *salt*, vb., *salt-er*, *salt-ish*, *salt-less*, *salt-mine*, *salt-pan*; *salt-petre*, q.v. Also (from L. *sāl*) *sal-ine*, *sal-ary*, *sal-ad*, *sauce*, *sauage*, *salmagundi*.

**SALTATION**, dancing. (L.) Rare; in Sir T. Browne, Vulgar Errors, bk. v. c. 3. § 2. Formed (by analogy with F. words in *-ion*) from L. *saltātio*, a dance, a dancing. —L. *saltāre*, to dance, frequent. of *salire*, to leap; see Salient. Der. *saltat-or-y*, from L. *saltātorius*, adj. Cf. *saltire*.

**SALT-CELLAR**, a vessel for holding salt. (E.; and F.—L.) The word *salt* is explained above. *Cellar* is an absurd corruption of AF. *saler*, Lib. Customarum, p. 461; equivalent to F. *salrière*. Thus we find: ‘*Salrière*, a salt-seller;’ Cot. Cf. Ital. *saliera*, a salt-cellar. ‘*Hoc salarium*, celare;’ Voc. 658. 16. ‘A *saltsaler* of sylver;’ A.D. 1463, in Bury Wills, ed. Tymms, p. 23, l. 8. Formed from L. *sāl*, salt; see Salary and Salt. ¶ Hence *salt-cellar*=salt-salt-holder; a tautological expression.

**SALTIER, SALTIRE**, in heraldry, a St. Andrew’s cross. (F.—L.) Spelt *sawtyre*, Caxton, Golden Legend, St. Alban, § 1. St. Andrew’s cross is one in this position X; when charged on a shield, it is called a *saltier*. The ME. *sawtyre* is due to an AF. \**sautier*, representing Late L. *saltārium*, a piece of wood placed transversely,

which men (but not cattle) could get over; from *L. saltāre*, to dance (hence, to jump over); see below. In the Roll of Caerlaverock (1300), l. 13, the form is *sautour*, variant of *sauteur* (Godefroy), a saltire, also used like Late *L. saltārium*. Still commoner is the OF. *sautoir*, a saltire; MF. *sautoir*, 'Saint Andrew's crosse, teamed so by heralds'; Cot. The old sense of OF. *sautoir* was stirrup (Littre, s. v. *sautoir*); the cross seems to have been named from the position of the side-pieces of a stirrup, formerly made in a triangle Δ; or it may have been suggested by the *saltārium*. — Late *L. saltātōrium*, a stirrup, a common word; Ducange. — *L. saltātōrius*, belonging to dancing or leaping, suitable for mounting a horse. — *L. saltātor*, a dancer, leaper. — *L. saltāre*, to dance, leap; frequentative of *salire*; see **Salient**. ¶ In the Book of St. Alban's, pt. ii. fol. f 5, we find ME. *sautre*, OF. *sautier*, and Late *L. saltātōrium*, all meaning 'saltire.'

**SALT-PETRE**, nitre. (F.—L. and Gk.) In Shak. 1 Hen. IV, i. 3. 60. For the former part of the word, see **Salt**. The E. word is a modification of ME. *salpeter*, Chaucer, C. T., G 808. — OF. *salpetre* (Supp. to Godefroy). — Late *L. salpetra*, salt-petre, which represents *L. sāl petrā*, lit. 'salt of the rock.' Lastly, *L. petrā* is from Gk. *πέτρα*, a rock; see **Petrify**.

**SALUBRIOUS**, healthful. (L.) A late word. In Phillips, ed. 1706. Coined as if from a *L. \*salūbrīōsus*, extended from *L. salūbris*, healthful. β. The suffix *-bris* is explained in Brugmann, ii. § 77. γ. *Salū-* is the base of *salū-ti-*, stem of *salūs*, health; and is allied to *saluus*, sound, in good health, whence E. *safe*; see **Safe**. Der. *salubrious-ly*. Also *salubri-ty*, Minsheu, from F. *salubrité* (Cot.), from *L. acc. salūbritātem*.

**SALUTARY**, healthful, wholesome. (F.—L.) In Blount's Gloss., ed. 1674. — F. *salutaire*, 'healthful'; Cot. — *L. salūtāris*, healthful. — *L. salūt-*, stem of *salūs*, health (above).

**SALUTE**, to wish health to, to greet. (L.) In Spenser, F. Q. i. 1. 30; and in Palsgrave. — *L. salūtāre* to wish health to, greet. — *L. salūt-*, stem of *salūs*, health (above). Der. *salutat-ion*, ME. *salutacioun*, Wyclif, Luke, i. 41, from F. *salutation* (Cot.), from *L. acc. salūtātiōnem*. And see **Salutary**.

**SALVAGE**, money paid for saving ships. (F.—L.) In Blount's Gloss., ed. 1674. — OF. and MF. *salvage*; 'droit de salvage, a tenth part of goods which were like to perish by shipwreck, due unto him who saves them'; Cot. — OF. *salver*, F. *sauver*, to save. — *L. saluāre*, to save; see **Save**.

**SALVATION**, preservation. (F.—L.) ME. *sauacioun*, Chaucer, C. T. 7080 (D 1498); spelt *sauacion*, Ancrén Riwe, p. 242, l. 26. — OF. *saluacion*; F. *salvation*. — *L. saluātiōnem*, acc. of *saluatio*, a saving. — *L. saluāre*, to save; see **Save**.

**SALVE**, ointment. (E.) ME. *salue* (=salve), Chaucer, C. T. 2714 (A 2712); older form *salfe*, Ormulum, 6477. O Merc. *salif*, *salb*, O. E. Texts; AS. *sealf*, Mark, xiv. 5; John, xii. 3. + Du. *zalf*; G. *salbe*. β. AS. *sealf* is from the Teut. type *\*salbā*, f., Fick, iii. 321. The orig. sense was prob. 'oil' or 'grease'; it answers in form to Gk. *ἔλαιον*, an oil-flask, related by gradation to the rare Gk. word *ἔλπος*, oil, in Hesychius; cf. also Skt. *sarpis*, clarified butter. ¶ The *-ve* is due to AS. *sealf-e*, gen., dat., and acc. of *sealf*. Der. *salve*, verb, from AS. *sealfian*, cognate with Goth. *salbōn*.

**SALVER**, a plate on which anything is presented. (Span.—L.) Properly *salua*, but misspelt *salver*, by confusion with the old word *salver* in the sense of 'preserver,' or one who claims *salvage* for shipping. This is shown by the following: 'Salver, from *saluo*, to save, is a new fashioned piece of wrought plate, broad and flat, with a foot underneath, and is used in giving beer, or other liquid thing, to save or preserve the carpit or clothes from drops'; Blount's Gloss., ed. 1674. This invented explanation does not affect the etymology. — Span. *salva*, a salver, a plate on which anything is presented; it also means 'pregustation, the previous tasting of viands before they are served up.' There is also the phrase *hacer salva*, 'to taste meat or drinke, . . . as they do to princes'; Minsheu's Span. Dict. (1623). We also find the dimin. *salvilla*, a salver. — Span. *salvar*, 'to save, free from risk; to taste, to prove the food or drink of nobles'; Neuman. — *L. saluāre*, to save; see **Save**, **Safe**. ¶ Mr. Wedgwood says: 'as *salva* was the tasting of meat at a great man's table, *salvar*, to guarantee, to taste or make the essay of meat served at table, the name of *salver* is in all probability from the article having been used in connexion with the essay. The Ital. name of the essay was *credenza*, and the same term was used for a cupboard or sideboard; *credentiere*, *credenzere*, a prince's taster, cup-bearer, butler, or cupboard-keeper (Florio). F. *credence d'argent*, silver plate, or a cupboard of silver plate; Cot.' Thus a *salver* was the name of the plate or tray on which drink was presented to the taster, or to the drinker of a health.

**SALVO**, a general discharge of guns, intended as a salute. (Ital.—L.) So spelt in 1733 (Stanford Dict.); but more correctly *salva*, in 1591. — Ital. *salva*, 'a saving, keeping; a volie or tire of

ordnance'; Florio. — *L. saluāre*, to save, keep; *salvē*, hail! — *L. saluus*, safe. See **Safe**.

**SAMBO**, the offspring of a negro and a mulatto. (Span.—L.—Gk.) In An Eng. Garner, ed. Arber, v. 95, the men of a certain tribe are called *samboses*. And see Stedman's Surinam, i. 89. — Span. *zambo*, formerly *cambo* (Pineda), bandy-legged; used as a sb. as a term of contempt. — Late *L. scambus*. — Gk. *σκαμβός*, crooked; said of the legs (Diez).

**SAME**, of the like kind, identical. (E.) ME. *same*, Chaucer, C. T. 16923 (G 1455). AS. *same*, only as adv., as in *swā same swā men*, the same as men, just like men; Ælfred, tr. of Boethius, c. xxxiii. § 4 (bk. iii. met. 9). The adjectival use is Scand.; cf. Icel. *samr*, Dan. and Swed. *samme*, the same. + OHG. *sam*, adj., *sama*, adv.; Goth. *sama*, the same; cf. *samana*, together. + Russ. *samui*, the same; Gk. *ὁμός*; Skt. *sama-*, even, the same. From the same base is the Skt. *sam*, with (Vedic); also the *L. simul*, together, *similis*, like (whence E. **Simultaneous**, **Similar**); also Gk. *ὁμοίος*, like (whence E. **Homœopathy**). See Curtius, i. 400. Der. *same-ness*; and see *semi-*, *similar*, *simulate*, *semblance*, *as-semble*, *dis-semble*, *re-semble*. Also *some*, *-some*.

**SAMITE**, a rich silk stuff. (F.—L.—Gk.) ME. *samit*, spelt *samyte*, Ly beaus Disconus, 833 (ed. Ritson, vol. ii); King Alisaunder, 1027. And see two examples in Halliwell, who explains it by 'a very rich silk stuff, sometimes interwoven with gold or silver thread.'

— OF. *samit*, a silk stuff; Burguy. See *samy* in Cotgrave. — Late *L. examitum*, samite; Ducange. — Late Gk. *ἐξάμιτον*, cited by Burguy, supposed to have been a stuff woven with six threads or different kinds of thread; from Gk. *ἕξ*, six (cognate with E. *six*), and *μίτρος*, a thread of the woof. See **Dimity**, which is a word of similar origin. The mod. G. *sammiet*, *sammit*, velvet, is the same word.

**SAMOVAR**, a kind of tea-urn. (Russ.) It occurs in 1884. — Russ. *samovar*, a tea-urn; see Stanford Dict. Said to be of Tatar origin (Cent. Dict.).

**SAMPAN**, a kind of skiff, used in the East. (Malay—Chinese.) Spelt *champana* in 1516 (Yule). The Stanford Dict. quotes *sampan*, as occurring in 1622. — Malay *sampan*. — Chin. *sanpan*, lit. 'three boards.' Yule notes that another boat is called in Chinese *wupan*, i. e. 'five boards.'

**SAMPHIRE**, the name of a herb. (F.—L. and Gk.) Spelt *sampire* in K. Lear, iv. 6. 15; and in Minsheu, ed. 1627; and this is a more correct spelling, representing a former pronunciation. So also Sherwood, in his index to Cotgrave, who gives *herbe de S. Pierre* as a F. equivalent. Spelt *sampier* in Baret (1580), which is still better. — F. *Saint Pierre*, St. Peter; Cotgrave, s. v. *herbe*, gives: '*Herbe de S. Pierre*, sampire.' — *L. sanctum*, acc. of *sanctus*, holy; and *Petrum*, acc. of *Petrus*, Peter, named from Gk. *πέτρος*, a stone, *πέτρα*, a rock.

**SAMPLE**, an example, pattern, specimen. (F.—L.) ME. *sample*, Cursor Mundi, 9514; spelt *asaumple* (for *esaumple*), Ancrén Riwe, p. 112, l. 16. — OF. *esemple*, *exsample*. — *L. exemplum*. See **Example**. Doublets, *ensample*, *exsample*. Der. *sampler*, Mids. Nt. Dr. iii. 2. 205, from OF. *exsample* (14th cent., Littre), another form of OF. *exemplaire*, 'a pattern, sample, or sampler,' Cot., from *L. exemplar*. See **Exemplar**, which is a doublet.

**SANATORY**, healthful. (L.) Not in Todd's Johnson. [Phillips has the allied word *sanative*, used of medicinal waters, now nearly obsolete; it occurs in Bacon, Nat. Hist. § 787.] Coined as if from a *L. \*sānātōrius*, extended from *sānātor*, healer. We find also *L. sūnātīnus*, healing. — *L. sūnāre*, to heal. — *L. sūnnus*, in good health; see **Sane**.

**SANCTIFY**, to consecrate. (F.—L.) Spelt *sanctifie*, Tyndall's Works, p. 11, col. 2, l. 6; *seintefie*, Gower, C. A. iii. 234; bk. vii. 4247. — F. *sanctifier*, 'to sanctify'; Cot. — *L. sanctificāre*, to make holy. — *L. sancti-*, for *sanctus*, holy; and *-fic-*, for *facere*, to make. See **Saint** and **Fact**. Der. *sanctific-at-ion*, from F. *sanctification* (Cot.); *sanctifi-er*.

**SANCTIMONY**, devoutness. (F.—L.) In Shak. Troil. v. 2. 139. — MF. *sanctimonie*; Cot. — *L. sanctimōnia*, sanctity. — *L. sancti-*, for *sanctus*, holy; with Idg. suffixes *-mōn-*, *-yā-*. See **Saint**. Der. *sanctimoni-ous*, *-ly*, *-ness*.

**SANCTION**, ratification. (F.—L.) In Cotgrave. — F. *sanction*, 'sanction'; Cot. — *L. sanctiōnem*, acc. of *sanctio*, a sanction; cf. *sanctus*, pp. of *sancire*, to render sacred. See **Saint**.

**SANCTITY**, holiness. (L.) As You Like It, iii. 4. 14. Formed (by analogy) from *L. sanctitātem*, acc. of *sanctitās*, holiness. — *L. sancti-*, for *sanctus*, holy; see **Saint**.

**SANCTUARY**, a sacred place. (F.—L.) ME. *seintuarie*, a shrine; Chaucer, C. T. 12887 (C 953). — AF. *saintuarie*, Stat. Realm, i. 298 (F. *santuaire*), a sanctuary. — *L. sanctuārium*, a shrine. — *L. sanctu-s*, holy; see **Saint**.

**SAND**, fine particles of stone. (E.) ME. *sand*, *soud*, Chaucer,

C. T. 4929 (B 509). AS. *sand*; Grein, ii. 390. +Du. *zand*; Icel. *sandr*; Swed. and Dan. *sand*; G. *sand*; Bavarian *sambd*. β. All from the Teut. types \**san(a)doz*, m.; \**san(a)don*, n. Idg. type \**sanadhōs*; cf. Gk. *ἄσπεδος*, *sand*. Brugmann, i. § 421. Der. *sand-eel*, -glass, -heat, -martin, -paper, -piper, -pit (Palsgrave), -stone; *sand-v*, AS. *sandig*; *sand-i-ness*.

**SANDAL**, a kind of shoe. (F.—L.—Gk.—Pers.) ME. *sandalies*, pl., Wyclif, Mark, vi. 9. —F. *sandale*, 'a sandall, or sendall'; Cot.—L. *sandalia*, pl. of *sandalium*.—Gk. *σανδάλιον*, dimin. of *σάνδαλον* (Aeolic *σαμβάλον*), a wooden sole bound on to the foot with straps, a sandal. Supposed to be of Pers. origin; cf. Pers. *sandal*, a sandal, sort of slipper, Rich. Dict. p. 853.

**SANDAL-WOOD**, a fragrant wood. (F.—L.—Gk.—Pers.—Skt.) 'Sandal or Saunders, a precious wood brought out of India'; Blount's Gloss., ed. 1674. Spelt *sanders* in Cotgrave, and in Baret (1580); this form seems to be an E. corruption. —F. *sandal*, 'sanders, a sweet-smelling wood brought out of the Indies'; Cot. Also *santal* (Hatzfeld). —Late L. *santalum*.—Gk. *σάνταλον*, *σάνδαλον*.—Pers. *sandal*; also *chandāl*, 'sandal-wood'; Rich. Dict., p. 544. Also spelt *chandani*, id.—Skt. *chandana*, sandal, the tree; which Benfey derives from *chand*, to shine, allied to L. *candere*.

**SAND-BLIND**, semi-blind, half blind. (E.) In Shak., Merch. Ven. ii. 2. 37. A corruption of *sam-blind*, i.e. half-blind. ME. *sam-*, as in *sam-rede*, half red, *sam-ripe*, half ripe, P. Plowman, C. ix. 311, and footnote. AS. *sam-*, as in *sam-cucu*, half alive, Luke, x. 30. The AS. *sam-* is cognate with L. *sēmi-*, Gk. *ἥμι-*; see **Semi-**, **Hemi-**.

**SANDWICH**, two slices of bread with ham between them. (E.) So called from John Montague, 4th Earl of Sandwich (born 1718, died 1792), who used to have sandwiches brought to him at the gaming-table, to enable him to go on playing without cessation. *Sandwich* is a town in Kent; AS. *Sandwic* = sand-village.

**SANE**, of sound mind. (L.) A late word. In Todd's Johnson. —L. *sānus*, of sound mind, whole. Prob. allied to Icel. *sōn*, G. *sühne*, atonement (Kluge). Der. *sane-ness*; *san-at-ive*, *san-at-or-y* (see **Sanatory**); *san-i-ty*, Hamlet, ii. 2. 214, formed (by analogy) from L. acc. *sānitātem*; *san-i-ta-ry*, a coined word; *san-icle*, q.v.

**SANGUINE**, ardent, hopeful. (F.—L.) The use of the word is due to the old belief in the 'four humours,' of which blood was one; the excess of this humour rendered people of a hopeful 'temperament' or 'complexion.' ME. *sanguin*; 'Of his complexion he was sanguin'; Chaucer, C. T. 335 (A 333). —F. *sanguin*, 'sanguine, bloody, of a sanguine complexion'; Cot.—L. *sanguineum*, acc. of *sanguineus*, bloody. —L. *sanguin-*, stem of *sanguis*, blood. Root uncertain. Der. *sanguine-ly*, -ness; *sanguin-e-ous*, Englished from L. *sanguineus*; *sanguin-ar-y*, Dryden, Hind and Panther, pt. iii. l. 679, from F. *sanguinaire*, 'bloody,' Cot. from L. *sanguinarius*.

**SANHEDRIM**, the highest council of the Jews. (Heb.—Gk.) In Todd's Johnson, who cites from Patrick's Commentary on Judges, iv. 5. Spelt *sanhedrin*, Purchas's Pilgrimage, bk. ii. ch. 12. § 3. —Late Heb. *sanhedrin*, not a true Heb. word.—Gk. *συνέδριον*, a council; lit. a sitting together, sitting in council. —Gk. *σύν*, together; and *ἔδρα*, a seat, from *ἐδραι* (fut. *ἐδ-οῦμαι*), I sit, cognate with E. *sit*. See **Syn-** and **Sit**.

**SANICLE**, a plant of the genus *Sanicula*. (F.—L.) ME. *sanycle*, Voc. 613. 33. —OF. *sanicle* (Hatzfeld). —Late L. *sānicula*, named from healing wounds. —L. *sānus*, whole; see **Sane**.

**SANITARY, SANITY**; see **Sane**.

**SANS**, without. (F.—L.) In Shak. As You Like It, ii. 7. 166. —F. *sans* (OF. *sens*), without; the final *s* is unoriginal (see **Diez**). —L. *sine*, without. —L. *si ne*, if not, unless, except.

**SANSKRIT**, lit. 'symmetrical language.' (Skt.) 'The word Sanskrit (Skt. *saṁskṛta*) is made up of the preposition *sa-*, "together," and the pp. *kṛta-*, "made," an euphonic *s* being inserted. The compound means "carefully constructed," "symmetrically formed" (*confectus, constructus*). In this sense, it is opposed to the Prakrit (Skt. *prākṛta-*), "common," "natural," the name given to the vulgar dialects which gradually arose out of it, and from which most of the languages now spoken in upper India are more or less directly derived; Monier Williams, Skt. Grammar, p. xix. *Sam* is allied to E. *same*; and *kṛ*, to make, to L. *creare*; see **Same** and **Create**.

**SAP** (1), the juice of plants. (E.) ME. *sap*, Kentish *zep*, Ayenbite of Inwyt, p. 96, l. 5. AS. *sæp*, *sap*; Grein, ii. 397. +MDu. *sap*, 'sap, juice, or liquor'; Hexham; OHG. *saf*; G. *saft* (with added *t*). Not connected with Gk. *σῆψ*, juice; but perhaps borrowed from L. *sapa*, new wine boiled thick. Der. *sap-less*, *sapp-y*, *sapp-i-ness*; *sap-ling*, a young succulent tree, Rich. III, iii. 4. 71; *sap-green*.

**SAP** (2), to undermine. (F.—Late L.) 'Sapping or mining'; Howell, Famil. Letters, vol. ii. let. 4. —MF. *sapper* (F. *saper*), 'to undermine, dig into'; Cot.—OF. *sappe* (15th cent., Littré), a kind of hoe; mod. F. *sape*, an instrument for mining. Cf. Span. *zapa*, a spade; Ital. *zappa*, 'a mattocke to dig and delue with, a sappe';

Florio; Late L. *sapa*, a hoe, mentioned A.D. 1183 (Ducange). β. Diez proposes to refer these words to Gk. *σκαπάνη*, a digging-tool, a hoe; from *σκάπτειν*, to dig. The instances Ital. *zolla*, which he derives from OHG. *skolla* (with *z* from *sk*). Der. *sapp-er*.

**SAPAJOU**, a spider-monkey. (F.—Brazil.) F. *sapajou*; of Brazil, origin (Hatzfeld). It occurs in French in 1614.

**SAPID**, savoury. (L.) Sir T. Browne has *sapidity*, Vulg. Errors, b. iii. c. 21. § 6; and *sapor*, id. § 8. All the words are rare. —L. *sapidus*, savoury. —L. *sapere*, to taste, also, to be wise. See **Sapience**. Der. *sapid-i-ly*; also *sap-or*, from L. *sapor*, taste. And see *savour*, *in-sipid*.

**SAPIENCE**, wisdom. (F.—L.) [The adj. *sapient* is a later word.] ME. *sapience*, P. Plowman, B. iii. 330; Gower, C. A. ii. 167; bk. v. 1205. —F. *sapience*, 'sapience'; Cot.—L. *sapientia*, wisdom. —L. *sapient-*, decl. stem of pres. part. of *sapere*, to be wise, orig. to taste, discern. Der. (from L. *sapere*) *sapi-ent*, K. Lear, iii. 6. 24; *sapi-ent-ly*, *sage* (1); and see *sapid*.

**SAPONACEOUS**, soapy. (L.—Teut.) In Bailey's Dict., vol. ii. ed. 1731. Coined as if from L. \**sāponaceus*, soapy, from L. *sāpon-*, stem of *sāpo*, soap (Pliny). β. It is doubtful whether *sāpo* (Gk. *σάπων*) is a L. word; it is the same as E. *soap*, and was probably borrowed from Teutonic (not Celtic, as Pliny inadvertently says); see **Soap**. See Pliny, Nat. Hist. bk. xxviii. c. 12.

**SAPPIC**, a kind of metre. (L.—Gk.) 'Meter *saphik*'; G. Douglas, Palace of Honour, pt. ii. st. 4. —L. *Sapphicus*, Sapphic, belonging to Sappho, the poetess. —Gk. *Σαπφώ*, a poetess born at Mitylene in Lesbos, died about 592 B.C.

**SAPPHIRE**, a precious stone. (F.—L.—Gk.—Heb.—Skt.) ME. *saphir*, Old Eng. Miscellany, ed. Morris, p. 96, l. 115. —F. *saphir*, 'a saphir stone'; Cot.—L. *sapphirus*. —Gk. *σάπφειρος*, a sapphire. —Heb. *sappir*, a sapphire (with initial *samech*). —Skt. *śanipriyam*, a sapphire; lit. 'beloved of Saturn'; gems being often connected with names of planets. —Skt. *śani-s*, Saturn; and *priya-s*, dear, from *pri*, to love. (Uhlenbeck.) Cf. Pers. *saffir*, a sapphire; Rich. Dict., p. 836. See the note in Schade, O. H. G. Dict., p. 1412.

**SARABAND**, a kind of dance. (F.—Span.—Pers.) In Ben Jonson, The Devil is an Ass, iv. 1 (Wittipol). Explained as 'a Spanish dance' in Johnson. —F. *sarabande* (Littré). —Span. *zarabanda*, a dance; of Moorish origin. Supposed to be from Pers. *sarband*, of which the lit. sense is 'a fillet for fastening the ladies' head-dress'; Rich. Dict. p. 822. —Pers. *sar*, head, cognate with Gk. *κάρα*; and *band*, a band. See **Cheer** and **Band** (1).

**SARACEN**, one of an Eastern people. (L.—Gk.—Arab.) ME. *saracen*, Rich. Coer de Lion, 2436; *sarezyn*, 2461. —L. *saracēnus*, a saracen; from Late Gk. *Σαρακενός*; lit. 'one of the eastern people.' —Arab. *sharqīy*, oriental, eastern; sunny; Rich. Dict. p. 889. Cf. Arab. *sharq*, the east, the rising sun; id. From Arab. root *sharāqa*, it rose. (Doubtful; see note in Gibbon, Rom. Empire, c. 50.) Der. *Saracen-ic*; also *sarcen-et*, q.v.; *sirocco*, q.v.

**SARCASM**, a sneer. (F.—L.—Gk.) In Blount's Gloss., ed. 1674. —F. *sarcasme*, 'a biting taunt'; Cot.—L. *sarcasmus*, *sarcasmos*. —Gk. *σαρκασμός*, a sneer. —Gk. *σαρκάζειν*, to tear flesh like dogs, to bite the lips in rage, to sneer. —Gk. *σαρκ*, stem of *σάρξ*, flesh. Der. *sarcas-t-ic*, Gk. *σαρκαστικός*, sneering; *sarcas-t-ic-al-ly*.

**SARACENET, SARSNET**, a fine thin silk. (F.—L.—Arab.) In Shak. 1 Hen. IV, iii. 1. 256. Spelt *sarzinett* in 1373; Wardrobe Acct. 47 Edw. III; N. and Q. 8 S. i. 129. —OF. *saracenet*, a stuff made by the Saracens (Roquefort). Formed from Low L. *saracēnium*, *saracenet* (Ducange). —Low L. *Saracēni*, the Saracens; see **Saracen**.

**SARCOPHAGUS**, a stone receptacle for a corpse. (L.—Gk.) In Holland, tr. of Plinie, b. xxxvi. c. 17; it was the name of a kind of lime-stone, so called 'because that, within the space of forty daies it is knowne for certaine to consume the bodies of the dead which are bestowed therein.' —L. *sarcophagus*. —Gk. *σαρκοφάγος*, carnivorous, flesh-consuming; hence a name for a species of lime-stone, as above. —Gk. *σαρκο-*, from *σάρξ*, flesh (see **Sarcasm**); and *φαγέιν*, to eat, from √BHAG, to eat.

**SARDINE** (1), a small fish. (F.—L.—Gk.) In Cotgrave. ME. *sardyn*, Earl of Derby's Exped. (C. S.), p. 228, l. 31. —F. *sardine*, also spelt *sardaine* in Cotgrave, and explained as 'a pilchard, or sardine.' —L. *sardina*, also *sarda*, a sardine. —Gk. *σαρδίνη*, *σάρδα*, a kind of fish; explained as 'a kind of tunny caught near Sardinia' (Liddell). Perhaps named from Gk. *Σαρδῶ*, Sardinia.

**SARDINE** (2), a precious stone. (L.—Gk.) ME. *sardyn*, Wyclif, Rev. iv. 3; AF. *sardine*, Gaimar, l. 4888. —L. \**sardinus*, the L. equivalent of Gk. *σαρδίνος*. The Vulgate has *sardinis* in Rev. iv. 3 as a gen. case, from a nom. *sardo*. —Gk. *σαρδίνος*, a sardine stone, Rev. iv. 3. Also *σαρδῶ*; also *σάρδιον*. So called from Sardis, capital of Lydia in Asia Minor, where it was first found; Pliny, b. xxxvii. c. 7. Der. *sard-onyx*, q.v.

**SARDIUS**, a gem. (L.—Gk.) In Rev. xxi. 20.—*L. sardius* (Vulgate).—Gk. *σάρδιος*, Rev. xxi. 20; the same as *σάρδιον*, a gem of Sardis (above). See the note in Schade, O. H. G. Dict., p. 1418.

**SARDONIC**, sneering, said of a laugh or smile. (F.—L.—Gk.) Only in the phr. '*Sardonic* laugh' or '*Sardonic* smile.' In Blount's Gloss., ed. 1674, it is a '*Sardonian* laughter.' So also '*Sardonian* smile'; Spenser, F. Q. v. 9. 12.—*F. sardonique*, used in the 16th cent. (Littre); but usually *MF. sardonien*. Cotgrave has: '*ris sardonien*, a forced or causeless mirth.'—*L. Sardonicus*, for the more usual *Sardonius*, Sardinian.—Gk. *σαρδόνιος*, also *σαρδάνιος*; hence *σαρδάνιον* γελᾶν, to laugh bitterly, grimly. 'Prob. from *σαίρειν* (to draw back the lips and show the teeth, grin); others write *σαρδόνιος*, deriving it from *σαρδόνιον*, a plant of Sardinia (Σαρδῶν), which was said to screw up the face of the eater, Servius, on Virg. Ecl. vii. 41, and in Latin certainly the form *Sardonius* has prevailed;' Liddell. 'Immo ego *Sardois* uidear tibi amarior herbis;' Virgil (as above).

**SARDONYX**, a precious stone. (L.—Gk.) In Holland, tr. of Plinie, b. xxxvii. c. 6.—*L. sardonyx*.—Gk. *σαρδόνυξ*, the sard-onyx, i.e. Sardinian onyx.—Gk. *σαρδ-*, for *Σάρδεις*, Sardis, the capital of Lydia; and *όνυξ*, the finger-nail, also an onyx. See **Sardine** (2) and **Onyx**. See the note in Schade, O. H. G. Dict., p. 1420.

**SARGASSO**, gulf-weed, a kind of sea-weed. (Port.) '*Sargasso*, for many miles floating upon the western ocean;' Sir T. Browne, Garden of Cyrus, ch. iv. § 13.—Port. *sargazo*, sea-weed, sea-wrack.—Port. *sarga*, a sort of grapes. The gulf-weed has berry-like air-vessels, and is also called the *sea-grape*.

**SARK**, a shirt. (Scand.—Slavonic.) ME. *serke*, P. Plowman, B. v. 66; *serk*, Havelok, 603.—Icel. *serkr*, a shirt; Swed. *särk*; Dan. *særk*. [Also AS. *serc*, *serce* (Bosworth); but *sark* is from Norse.]—Slav. type *\*sorka*; whence OSlav. *sraka*, a garment, Russ. *sarochka*, a shirt (Miklosich).

**SARONG**, a kind of body-cloth or kilt. (Malay.—Skt.) Modern. —Malay *sarung*.—Skt. *sāraṅga-s*, *gāraṅga-s*, adj. variegated; sb. a garment.—Skt. *cāra-s*, variegated. See Yule.

**SARSAPARILLA**, the name of a plant. (Span.) '*Sarsaparilla*, a plant growing in Peru and Virginia . . . commonly called prickly bind-weed;' Phillips, ed. 1706. Spelt *sassaparilla* in Capt. Smith, Works, ed. Arber, p. 582.—Span. *zarzaparilla*. β. The Span. *zarza* means 'bramble,' and is of Basque origin, from Basque *sartzia*, a bramble; see Larramendi's Dict., p. 506. γ. The origin of the latter part of the name is unknown; it has been supposed that *parilla* stands for *parrilla*, a possible dimin. of *parra*, a vine trained against stakes or against a wall. Others ascribe the name to a physician surnamed *Parillo*.

**SARSNET**; see **Sarcenet**.

**SASH** (1), a case or frame for panes of glass. (F.—L.) '*A Jezebel . . . appears constantly dressed at her sash*;' Spectator, no. 175 (A. D. 1711). '*Sash*, or *Sash-window*, a kind of window framed with large squares, and corruptly so called from the French word *chassis*, a frame;' Phillips, ed. 1706.—*MF. chassis*, 'a frame of wood for a window;' Cot.; *F. chāsīs*. Extended from OF. *chasse* (F. *chasse*), a shrine, case.—*L. capsā*, a box, case; see **Chase** (3), **Case** (2). ¶ The F. *chāsīs* was formerly represented by E. *chassis*, a window-sash (N. E. D.); and the F. *chasse* by Lowl. Sc. *chess*, a sash (E. D. D.).

**SASH** (2), a scarf, band. (Pers.) Formerly spelt *shash*, with the sense of turban. 'His head was wreathed with a huge *shash* or tulipant [turban] of silk and gold;' Sir T. Herbert, Travels, 1638, p. 191; cited in Trench, Select Glossary. See also Sandys, Trav. (1632), p. 63. 'All these *Turbents* [turbans of Turks] be of pure white; but the . . . Christians . . . wear *Shashes*, that is, striped linnen . . . wound about the skirts of a little cap;' Fynes Moryson, Itin. (1617), pt. iii. bk. 4, ch. 2, p. 174. 'So much for the silk in Judæa, called *shesh* in Hebrew, whence haply that fine linen or silk is called *shashes*, worn at this day about the heads of Eastern people;' Fuller, Pisgah Sight of Palestine, b. ii. c. 14, § 24. But it does not seem to be a Hebrew word. Trench, in his Eng. Past and Present, calls it a Turkish word; which is also not the case. The solution is, that the word is Persian.—Pers. *shast*, 'a thumb-stall worn by archers, . . . a girdle worn by the Magi,' &c., Rich. Dict. p. 891. In Vullers' Pers. Dict. ii. 425, 426, we find: *shesht*, a thumb, archer's thumb-ring (to guard the thumb in shooting), a fish-hook, plectrum, fiddle-string, scalpel; also 'cingulum idolatorum et igniscultorum,' i.e. a girdle worn by idolaters and fire-worshippers, thus accounting for our *sash*.

**SASSAFRAS**, a kind of laurel. (F.—Span.—L.) In Phillips, ed. 1706. 'The tree that is brought from the Florida, whiche is called *sassafras*;' J. Frampton, Joyfull Newes (1577), fol. 46.—*F. sassafras*.—Span. *sasafras*, *sassafras*; from MSpan. *sassifragia*, the herb saxifrage (Minsheu); we find also Span. *salsafra*, *salsifraz*, *salsifragia*, saxifrage (Neuman), all various corruptions of *sassi-*

*fragia*. 'The same virtue was attributed to *sassafras* as to *saxifrage*, of breaking up the stone in the bladder;' Wedgwood. See **Saxifrage**.

**SATAN**, the devil. (Heb.) Lit. 'the enemy.' Called *Sathanas* in Wyclif, Rev. xii. 9; spelt *Satanas* in the Vulgate; and *Σατανᾶς* in the Greek.—Heb. *sātān*, an enemy, Satan; from the root *sātan* (with *sin* and *teth*), to be an enemy, persecute. Der. *Satan-ic*, *Satan-ic-al*.

**SATCHEL**, a small bag. (F.—L.—Gk.—Heb.—Egyptian.) ME. *sachel*, Wyclif, Luke, x. 4.—AF. *sachel* (Bozon); OF. *sachel*, a little bag (Roquefort, with a citation).—*L. saccellum*, acc. of *sacculus*, dimin. of *saccus*, a sack, bag; see **Sack**.

**SATE, SATIATE**, to glut, fill full, satisfy. (F.—L.) In Hamlet, i. 5. 56; we find *sated*, Oth. i. 3. 356. *Sate* is for *\*satie*.—OF. *satier*, to satiate (Godefroy).—*L. satiāre*, to satiate. *Sated* was used like *satiare* in a participial sense, i.e. with the sense of *satiated*. β. We find *saciate* thus used in Du Wes, Sup. to Palsgrave, p. 1077, l. 21. Cf. 'That *satiare* yet unsatisfied desire;' Cymb. i. 6. 48.—*L. satiātus*, pp. of *satiāre*, to sate, satiate, fill full. Cf. *L. satur*, full; *sat*, *satis*, sufficient. Allied to E. *sad*; see **Sad**. Der. *satiat-ion*; *sat-i-e-ty*, from F. *satiété*, 'satiety, fulnesse,' Cot., from *L. satiētūtem*, acc. of *satiētās*. Also *sat-is-fy*, q. v.; *sat-ire*, q. v., *sat-ur-ate*, q. v., *soil* (3), q. v.

**SATELLITE**, a follower, attendant moon. (F.—L.) '*Satellite*, one retained to guard a man's person, a yeoman of the guard, sergeant, catchpoll;' Blount, ed. 1674.—*F. satellite*, 'a sergeant, catchpole, or yeoman of the guard;' Cot.—*L. satellitem*, acc. of *satelles*, an attendant, life-guard. Pope uses the L. pl. *satellites* (four syllables), Essay on Man, i. 42.

**SATIN**, a glossy silk. (F.—L.) ME. *satyn*, Chaucer, C. T. 4557 (B 137).—*F. satin*, 'satin;' Cot. [Cf. Ital. *setino*, 'a kind of thin silke stuffe;' Florio. Also Port. *setim*, *satim*.]—Late *L. sātinus*, *sēlinus*, *satin* (Ducange). Extended from *L. sēta*, a bristle; we find the Late *L. sēta* in the sense of silk (Ducange); also Ital. *seta*, 'any kind of silke,' Florio. β. Similarly Span. *pelo*, hair, also means fibre of plants, thread of wool or silk, &c.; and the *L. sēta* or *saeta* was used of the human hair as well as of the bristles of an animal; see Diez. Allied to AS. *sāda*, a cord, a snare; see Brugmann, i. § 209. Der. *sat-in-et*, *sat-in-y*, *sat-in-wood*.

**SATIRE**, a ridiculing of vice or folly. (F.—L.) In Shak. Much Ado, v. 4. 103.—*F. satire*; Cotgrave has: '*Satyre*, a satyr, an invective or vice-rebuking poem.'—*L. satira*, also *satura*, satire, a species of poetry orig. dramatic and afterwards didactic, peculiar to the Romans (White). β. It is said that the word meant 'a medley,' and is derived from *satura lanx*, a full dish, a dish filled with mixed ingredients; *satura* being the fem. of *satur*, full, akin to *satis*, enough, and to *satiāre*, to satiate; see **Sate**. Der. *satir-ic-al*, spelt *saturicall*, Skelton, ed. Dyce, i. 130, l. 139; *satir-ise*, *satir-ist*.

**SATISFY**, to supply or please fully. (F.—L.) 'Not al so *satisfide*;' Spenser, F. Q. i. 5. 15. '*I satysfye*, I content, or suffice, *Ie satysfe*;' Palsgrave.—OF. *satisfier*, to satisfy (as in Palsgrave); afterwards displaced by *satisfaire*; see Littre. Formed as if from a Late *L. \*satisficāre*, substituted for *L. satisfacere*, to satisfy.—*L. satis*, enough; and *facere*, to make. See **Sate** and **Fact**. Der. *satisfact-ion*, ME. *satisfaccioun*, Wyclif, 1 Pet. iii. 15, from *F. satisfaction*, 'satisfaction,' Cot.; *satisfact-or-y*, from *F. satisfactoire*, 'satisfactory,' Cot.; *satisfact-or-i-ly*, -ness.

**SATRAP**, a Persian viceroy. (F.—L.—Gk.—Pers.) In Blount's Gloss., ed. 1674. We find ME. *satrapre*, Allit. Romance of Alexander, 1913, 1937.—*F. satrape*, 'a great ruler;' Cot.—*L. satrapam*, acc. of *satrapēs*; we also find nom. *satrapēs* (acc. *satrapem*).—Gk. *σατράπης*, the title of a Persian viceroy or governor of a province. β. Certainly an OPers. word. Littre, citing Burnouf (Yaçna, p. 545), compares the Gk. pl. *ἐξαιθραπέυοντες*, found in inscriptions (Liddell and Scott give the form *ἐξαρπάτης*), and the Heb. pl. *achashdarpnim*, satraps.—OPers. *khsatra-pāvā*, guardian of a province; from *khsatra*, province, and *pā*, to protect; F. Spiegel, Die altpersischen Keilinschriften, p. 26. Cf. Skt. *kshatra-*, dominion, allied to *kshaya*, to rule; and *pā*, to protect.

**SATURATE**, to fill to excess. (L.) In Minsheu, ed. 1627.—*L. saturātus*, pp. of *saturāre*, to fill full.—*L. satur*, full; allied to *satis*, enough; see **Sate**. Der. *satur-at-ion*; *satur-able*.

**SATURDAY**, the seventh day of the week. (L. and E.) ME. *Saterdag*, P. Plowman, B. v. 14, 367. AS. *Sæter-dæg*, Luke, xxiii. 54; also spelt *Sætern-dæg*, Exod. xvi. 23; *Sæternes dæg*, rubric to Matt. xvi. 28, xx. 29. The name *Sæter* or *Sætern* is borrowed from *L. Saturnus*, Saturn; cf. *L. Sāturni diēs*, Saturday; Du. *zaturdag*, Saturday. See **Saturnine**.

**SATURNINE**, gloomy of temperament. (F.—L.) '*Saturnine*, of the nature of Saturn, i.e. sterne, sad, melancholy;' Minsheu.—*MF. Saturnin*, a form noticed by Minsheu; and Littre has *saturnin* as a medical term, with the sense of 'relating to lead;' lead being a symbol of Saturn. The more usual form is *F. Saturnien*, 'sad,

sowre, lumpish, melancholy; Cot. Both adjectives are from L. *Saturnus*, the god Saturn, also the planet Saturn. **β.** The peculiar sense is due to the supposed evil influence of the planet Saturn in astrology; see Chaucer, C. T. 2455-2471. **γ.** *Saturnus* (OL. *Sacturnus*) is said to mean 'the sower'; cf. *sē-men*, seed; from the root *sē*, to sow; see **Seed**. **Der.** (from *Saturnus*) *Saturnalia*, s. pl., the festival of Saturn, a time of licence and unrestrained enjoyment; *Saturnian*, pertaining to the golden age of Saturn; Pope, Dunciad, i. 28, iii. 320, iv. 16. Also *Satur-day*, q. v.

**SATYR**, a sylvan god. (F.—L.—Gk.) In Shak. Hamlet, i. 2. 140.—F. *satyre*, 'a satyr, a monster, halfe man halfe goat'; Cot.—L. *satyrus*.—Gk. *satyros*, a Satyr, sylvan god, companion of Bacchus. **Der.** *satyr-ic*.

**SAUCE**, a liquid seasoning for food. (F.—L.) ME. *sauce*, Chaucer, C. T. 353; P. Plowman, B. xiii. 43.—F. *sauce*, 'a sauce, condiment'; Cot.—L. *salsa*, a salted thing; fem. of *salsus*, salted, salt, pp. of *salire*, to salt.—L. *sāl*, salt; see **Salt**. **Der.** *sauce-pan*; *sauce-er*, a shallow vessel orig. intended to hold sauce, L. L. L. iv. 3. 98; we find Late L. *salsarium*, glossed by ME. *sauser*, in Alex. Neckam, in Wright's Vocab. i. 98, l. 5; *sauce*, verb, to give a relish to, often used ironically, as in As You Like It, iii. 5. 69; *sauce-y*, i. e. full of salt, pungent, Twelfth Nt. iii. 4. 159; *sauce-i-ly*, K. Lear, i. 1. 22, ii. 4. 41; *sauce-i-ness*, Com. Errors, ii. 2. 28. Also *sauis-age*, q. v.

**SAUNTER**, to lounge. (F.—L.) 'By *sauntering* still on some adventure'; Hudibras, pt. iii. c. 1. l. 1343 (ed. Bell, ii. 111). Not in early use. We find however in the Romance of Partenay, ed. Skeat, l. 4653, that Geoffrey '*santred* and doubted,' i. e. hesitated and doubted as to whether he was of the lineage of Presine. And see gloss, to York Mystery Plays. In the dialect of Cumberland the word is *santer*. '*Santer*, *saunter*; [also], an oald wife *santer*=an unauthenticated tradition'; Dickinson's Cumberland Glossary. **β.** From AF. *saunter*, to venture forth, to go forth. It occurs in the Year-book of Edw. III, of the 11-12 year of his reign, p. 619 (Rolls Series); where we find mention of a man 'qe *sauntre* en ewe,' who ventures upon the water, or who puts to sea. It represents a Late L. form \**ex-adventurāre*, to venture out. See **Ex-** and **Adventure**. The ME. *saunter*, adventure, is not uncommon. See Notes on E. Etym., p. 256. **Der.** *saunter-er*.

**SAURIAN**, one of the lizard tribe. (Gk.) A modern geological term; formed from Gk. *σαῦρα* or *σαῦρ-ος*, a lizard; with suffix *-ian* (=L. *-i-ānus*).

**SAUSAGE**, an intestine of an animal, stuffed with meat salted and seasoned. (F.—L.) Better *sausage*. Spelt *sausage*, Gascoigne, Art of Venerie; Works, ed. Hazlitt, ii. 308, l. 3 from bottom; *sausedge* in Palsgrave.—AF. \**sauciche* (Guernsey *sauciche*); F. *saucisse* (also *sauleisse* in Cotgrave), 'a saucidge'; Cot.—Late L. *salsicia*, fem. of *salsicius*, adj. (Georges), made of seasoned meat; a sausage. Cf. 'Salice, Gallice *sauchises*'; Wright's Vocab. i. 128, l. 1.—L. *salsi-*, for *salsus*, salted; with suffix *-ci-a*. See **Sauce**. See Notes on E. Etym., p. 257.

**SAUTERNE**, a kind of wine. (F.) From *Sauterne*, a place in France, in the department of Gironde.

**SAVAGE**, wild, fierce, cruel. (F.—L.) Lit. it merely means 'living in the woods,' rustic; hence, wild, fierce; spelt *salvage*, Spenser, F. Q. iv. 4. 39; &c. ME. *savage* (with *u=v*), King Alisaunder, l. 869; spelt *salvage*, Gower, ii. 77; bk. iv. 2202.—OF. *salvage*, *saivaige*, mod. F. *savage*, 'savage, wild'; Cot. And see Burguy.—L. *siluaticus*, belonging to a wood, wild.—L. *silua*, a wood. See **Silvan**. **Der.** *savage-ly*, *-ness*.

**SAVANNA**, **SAVANNAH**, a meadow-plain of America. (Span.—Carib.) '*Savannahs* are clear pieces of land without woods'; Dampier, Voyages, an. 1683; ed. 1699, i. 87; R. Eden, ed. Arber, p. 148.—Span. *sabana* (with *b* sounded as bi-labial *v*), a large plain; said to be of Caribbean origin (Oviedo). ¶ The Span. is *sabána* (whence F. *savane*); distinct from *sábana*, a sheet for a bed, an altar-cloth, which is from L. *sabana*, orig. pl. of *sabanum*, a linen cloth, towel.—Gk. *σάβανον*, a linen cloth, towel.

**SAVE**, to rescue, make safe. (F.—L.) ME. *sauuen* (= *sauwen*), Ancren Riwe, p. 98, l. 10; *sauen* (= *saven*), Chaucer, C. T. 3534.—F. *saiver*, 'to save'; Cot.—L. *saluāre*, to secure, make safe.—L. *saluus*, safe; see **Safe**. **Der.** *save-er*, *save-all*, *save-ing*, sb., *save-ings-bank*, a bank for money saved; *save-i-our*, ME. *saveoure* (= *saveour*), P. Plowman, B. v. 486, from OF. *saveor*, *salveor* (Burguy), from L. acc. *saluātōrem*, a saviour. Also *save*, prep., ME. *saue* (= *save*), P. Plowman, B. xvii. 100, from F. *sauf*, in such phrases as *sauf mon droit*, my right being reserved; see Cotgrave. Also *save-ing*, prep., K. John, i. 201.

**SAVELOY**, **CERVELAS**, a kind of sausage. (F.—Ital.—L.) Now corruptly spelt *saveloy*, but formerly *cervelas* or *cervelat*. The spelling *cervelas* is in Phillips, Kersey, and Ashe; Bailey, ed. 1735, has: '*Cervelas*, *Cervelat*, a large kind of Bolonia sausage, eaten cold

in slices.'—ME. *cervelat* (now *cervelas*), 'an excellent kind of drier saucidge'; &c.; Cot.—Ital. *cervellatta*, a thick short sausage. So called because it contained pigs' brains (Zambaldi).—Ital. *cervello*, brain.—L. *cerebellum*, dimin. of *cerebrum*, brain; see **Cerebral**.

**SAVIN**, **SAVINE**, **SABINE**, an ever-green shrub. (L.) ME. *savine*, Gower, C. A. iii. 130; bk. vii. 1353. AS. *safina*, *sauine*, *savine*; A. S. Leechdoms, ed. Cockayne, i. 34.—L. *sabina*, or *Sabina herba*, *savin*; lit. Sabine herb (F. *sabine*). Fem. of *Sabinus*, Sabine. The Sabines were a people of central Italy.

**SAVORY**, a plant of the genus *Satureia*. (F.—L.) ME. *sauereye*; '*Satureia*, *sauereye*'; Voc. 609. 32.—OF. *savereie* (Godefroy).—L. *satureia*, *savory*. **β.** We find also ME. *savorée*, 'the herb savory'; Cot. App. due to confusion with ME. *savourée*, fem. of *savouré*, 'savory, that hath a good smack or taste'; Cot.; orig. fem. pp. of ME. *savorer*, 'to savor'; Cot.—OF. *savour*, *savour*; see **Savour**.

**SAVOUR**, odour, scent, taste. (F.—L.) ME. *sauour* (*savour*), Chaucer, C. T. 15697, 15711 (G 229, 243).—OF. *savour* (Burguy); *savour*, 'savour'; Cot.—L. *sapōrem*, acc. of *sapor*, taste.—L. *sapere*, to taste; see **Sapid**. **Der.** *savour*, vb., ME. *saueren*; Wyclif, Rom. xii. 3; *savour-y*, ME. *sauery*, Wyclif, Mark, ix. 49; *savour-i-ness*; *savour-less*.

**SAVOY**, a kind of cabbage. (F.) '*Savoys*, a sort of fine cabbage, first brought from the territories of the dukedom of *Savoy*'; Phillips, ed. 1706.

**SAW** (1), an instrument for cutting, with a toothed edge. (E.) ME. *sawe*, P. Plowm. Crede, l. 753; Voc. 628. 12. AS. *saga*; 'Serra, *saga*'; Voc. 151. 2.—Du. *zaag*; Icel. *sög*; Dan. *sav*; Swed. *såg*; G. *säge*. **β.** All from Teut. type \**sagā*, f., lit. 'a cutter'; from Teut. base \**sag*, 2nd grade of Teut. root \**seg*, to cut.—✓SEQ, to cut; cf. L. *secūre*, to cut; see **Secant**. **Der.** *saw*, verb, ME. *sawen*, *sawyn*, Prompt. Parv.; *saw-dust*, *saw-fish*, *saw-mill*, *saw-pit*; also *saw-y-er* (formed like *bow-y-er* from *bow*, the *y* being due to a ME. verb \**saw-i-en*=*saw-en*), spelt *sawer*, Wright's Vocab. i. 212, col. 2; *sawyer*, Caxton, Godfrey of Boloyne, ch. 57. Also *see-saw*, q. v.

**SAW** (2), a saying, maxim. (E.) In As You Like It, ii. 7. 156. ME. *sawe*, Chaucer, C. T. 1165 (A 1163). AS. *sagu*, a saying; Grein, ii. 387. Allied to AS. *secan*, to say.—Icel. *saga*, a saga, tale; Dan. and Swed. *saga*; G. *sage*. See **Say**. Doublet, *saga*.

**SAXHORN**, a kind of horn. (F. and E.) Named after the inventor, Adolphe Sax, a Frenchman; ab. 1840.

**SAXIFRAGE**, a genus of plants. (F.—L.) In Cotgrave and Minshew and Palsgrave.—F. *saxifrage*, 'the herb saxifrage, or stone-break'; Cot.—L. *saxifraga*, spleen-wort (White). The *adiantum* or 'maiden-hair' was also called *saxifragus*, lit. stone-breaking, because it was supposed to break stones in the bladder. 'They have a wonderful faculty . . . to break the stone, and to expel it out of the body; for which cause, rather than for growing on stones and rocks, I believe verily it was . . . called in L. *saxifrage*'; Pliny, b. xxii. c. 21 (Holland's translation).—L. *saxi*=*saxo*, for *saxum*, a stone, rock; and *frag*-, base of *frangere*, to break, cognate with E. *break*. Doublet, *sassafras*.

**SAXON**, the name of one of a certain Teutonic race. (L.—Teut.) Late L. *Saxonēs*, pl. Saxons; also *Saxo*, sing., a Saxon.—AS. *Seaxan*, pl., Saxons; so called because armed with a short sword.—AS. *seax*, OFries. *sax*, a knife; lit. 'cutter'; cf. L. *saxum*, a stone implement.—✓SEQ, to cut; see **Secant**. Brugmann, i. § 549 c.

**SAY** (1), to speak, tell. (E.) ME. *seggen*, P. Plowman, B. v. 617; also *siggen*; and often *seien*, *sein*, *seyen*, *sain*, Chaucer, C. T. 1153 (A 1151); *saye*, *seie*, id. 781. AS. *secan*, *segean*, to say (pt. t. *sægde*, *sæde*, pp. *gesægd*, *sæd*), Grein, ii. 421.—Icel. *segja*; Dan. *sige*; Swed. *säga*; G. *sagen*; OHG. *sagēn*. **β.** All these are weak verbs, from a Teut. base \**sag*, allied to Idg. ✓SEQ, to say. Cf. Lithuan. *sakýti*, to say, *sakau*, I say; Gk. *ἐρρεμε* (for \**ἐρ-σεν-ε*); OL. *in-sec-e*, imp. s., tell, say. And see Sweet, N. E. Gram., § 1293. From the same root is W. *heb*, an utterance; see Stokes-Fick, p. 296. **Der.** *say-ing*, L. L. L. i. 2. 21; *sooth-say-er*; and see *saga*, *saw* (2).

**SAY** (2), a kind of serge. (F.—L.—Gk.) '*Say*, a delicate serge or woollen cloth'; Halliwell. '*Saye* clothe, *serge*'; Palsgrave. ME. *saie*; in Wyclif, Exod. xxvi. 9, the later version has *say* where the earlier has *sarge*, i. e. serge.—OF. *saie*; Cotgrave has *saye*, 'a long-skirted jacket, coat, or cassock'; also *sayete*, 'the stuffe sey.' [Florio has Ital. *saio*, 'a long side coate,' and *saietta*, 'a kind of fine serge or cloth for coats; it is also called *rash*.' Neuman has Span. *saya*, *sayo*, a tunic; *sayete*, a thin light stuff.] **β.** The stuff *say* was so called because used for making a kind of mantle called in L. *sagum* (pl. *saga*, as f. sing. > F. *saie*); cf. Late L. *sagum* (1), a mantle, (2) a kind of cloth (Ducange).—Gk. *σάγος*, a coarse cloak, a soldier's mantle; cf. *σαγή* or *σάγη*, harness, armour, *σάγμα*, a pack-saddle, also a covering, a large cloak. These Gk. words are not of Celtic origin, as has been said, but allied to Gk. *σάρεαν* (fut. *σάτω*), to pack, to load. See Prellwitz. See **Sumpter**.

**SAY** (3), to try, assay. (F.—L.) In Pericles, i. i. 59; as a sb., in K: Lear, v. 3. 143. Merely an abbreviation of **Assay** or **Essay**; see **Essay**.

**SBIRRO**, an Italian police-officer. (Ital.—L.—Gk.) Modern. Byron has the pl. *sbirri*; The Two Foscari, A. ii. sc. 1 (Marina). —Ital. *sbirro* (with unoriginal *s*); formerly *birro*, 'a catchpoale', Florio. So called from wearing a cloak.—L. *birrus*, a cloak to keep off rain; by-form of *burrus*, 'reddish' (because of its colour). —Gk. *πυρρός*, reddish. —Gk. *πῦρ*, fire. See **Bureau**. (Pl. *sbirri*.)

**SCAB**, a crust over a sore. (Scand.) ME. *scab*, Chaucer, C. T. 12292 (C 358). Of Scand. origin; as shown by the *sc*=*sk*. —Dan. and Swed. *skabb*. +AS. *scab*, *scab* (whence E. *shabby*). β. The lit. sense is 'itch'; something that is scratched; cf. L. *scabiēs*, scab, itch, from *scābere*, to scratch. From the Teut. base \**skab-*, to scratch, whence mod. E. *shave*; see **Shave**. Der. *scabb-ed*, *scabb-y*, *scabb-iness*. Also *shabb-y*, q.v.

**SCABBARD**, a sword-sheath. (F.—Teut.) Spelt *scabberd* in Baret (1580). *Scabbard* is a corruption of ME. *scaubert* (v. r. *scauberc*), Rob. of Glouc. p. 273, l. 5538. In Prompt. Parv. p. 443, we find all three forms, *scauberk*, *scaubert*, *scauberd*. The form *scauberk* also appears as *scaberke*, Trevisa, v. 373; and is palatalised to *scaberge*, Romance of Partenay, 2790. β. *Scauberk* is obviously, like *hauberk*, a French word of Teutonic origin; but it does not appear in O. French texts; except that Wedgwood cites *vaginas*, glossed by AF. *escaubers*, from Johannes de Garlandia. Godefroy quotes the same; from a sing. form *escauberc*; where *-berc* (as in OF. *hauberc*) means 'protection'. [Note that the OF. *halberc* or *hauberc*, a hauberk, is also spelt *haubert*, just as *scauberk* is also *scaubert*; and corresponding to the form *scaberge* we have *haberger-on*.] γ. The prefix appears to answer to OF. *escalle*, mod. F. *écalle*, a scale, husk, derived from OHG. *scala*, G. *schale*. G. *schale* means a shell, peel, husk, rind, scale, outside, skull, cover of a book, haft (of a knife), bowl, 'vase'. In composition *schal* means cover or outside; as in *schalbreit*, outside plank (of a tree); *schalholz*, outside of a tree cut into planks; *schalwerk*, a lining of planks. Cf. *schalen*, to plank, inlay; *messer schalen*, to haft knives. δ. The prob. sense is 'scale-protection,' or 'cover-cover'; it is one of those numerous reduplicated words in which the latter half repeats the sense of the former. The notion of putting a knife into a haft is much the same as that of putting a sword into a sheath. I conclude that *scabbard*=*scale-berk*, with the reduplicated sense of 'cover-cover.' See **Scale** (1) and **Hauberk**. ¶ Distinct from *scabbard*, variant of *scale-board*, a very thin board. See Notes on E. Etym., p. 257.

**SCABIOUS**, a plant. (F.—L.) ME. *scabiose*; Voc. 609. 36. —MF. and F. *scabieuse*, f. —L. *scabiōsa* (*herba*), a plant supposed to be good for skin-eruptions. —L. *scabiēs*, an itch. —L. *scābere*, to scrape, scratch. Cf. E. *scabrous*, rough, F. *scabreux*, from L. *scabrōsus*, rough, from *scaber*, rough.

**SCAFFOLD**, a temporary platform. (F.—Gk. and Teut.) ME. *scaffold*, *scafold*, Chaucer, C. T. 2533, 3384. —ONorth F. \**escalfalt*, found as *escalfaut*, mod. F. *échafaud*. A still older form was *escadafault* (Ducange), for \**escadafalt*; with which cf. Span. *catafalco*, a funeral canopy over a bier, Ital. *catafalco*, a funeral canopy, stage, scaffold (whence mod. F. *catafalque*); showing that the form arose from prefixing *es-* (from L. *ex*, prep.) to the form *cadafalt*, the equivalent of Span. and Ital. *catafalco*. β. The word *catafalco* is a hybrid one; the orig. sense was 'a wooden erection crowning walls, and projecting from them on both sides; thence the besieged commanded assailants beneath'; N. E. D., s.v. *catafalque*. Perhaps from Gk. *κατά*, down; and OHG. *balcho*, OSax. *balko*, a balk, a beam. γ. But Hatzfeld derives F. *chafaud* (the equivalent of Ital. *catafalco*) from Gk. *κατά*, down, and a Late L. type \**falicum*, from L. *fala*, a kind of scaffold. (Doubtful.) Der. *scaffold*, verb; *scaffold-ing*.

**SCALD** (1), to burn with a hot liquid, to burn. (F.—L.) ME. *scalden*, pp. *yscalded*, Chaucer, C. T. Six-text, A 2020; Tyrwhitt (1. 2022) reads *yskalded*, but the 6 best MSS. have *yscalded*. 'Schaldinde water, scalding water'; Ancren Riwe, p. 246; l. 3. —ONorth F. *escalder*, corresponding to OF. *eschalder* (Marie de France, Equitan, 261), later form *eschauder*, 'to scald'; Cot. Norm. dial. *écauder* (Moisy); mod. F. *échauder*. —L. *excaldāre*, to wash in hot water. —L. *ex*, out, very; and *caldus*, hot, contracted form of *calidus*, hot; cf. *calere*, to be hot. See **Ex-** and **Caldron**. Der. *scald*, sb.

**SCALD** (2), scabby. (Scand.) In Shak. Hen. V, v. i. 5. Contracted form of *scalled*, i.e. afflicted with the scall; see **Scall**. ME. *scalled*, Chaucer, C. T. 629 (A 627). Cf. Dan. *skaldet*, bald.

**SCALD** (3), a Scandinavian poet. (Scand.) ME. *scald*, Ormulum, 2192. —Icel. *skald*, a poet; older form *skāld* (Noreen). Perhaps allied to *scold*; but the long vowel is against this.

**SCALE** (1), a shell, small thin plate or flake on a fish, husk. (F.—OHG.) ME. *scale*; 'fisshes scales,' Gower, C. A. i. 275; bk. ii.

3456; *scale* (or *shale*), the shell of a nut, P. Plowman, C. xiii. 145, and footnote. —OF. *escale* (F. *écalle*). —OHG. *scala* (G. *schale*), a scale, husk. +AS. *scealu*, a shell or husk; Dan. and Swed. *skal*, a shell, pod, husk. Cf. Goth. *skalja*, a tile. [The AS. form gave the ME. form *shale*; with *sh*.] β. All from Teut. type \**skalā*, f., lit. 'a flake,' that which can be peeled off; from Teut. base \**skal*, 2nd grade of strong verb \**skel-an-*, to cleave, divide; see **Skill**. Der. *scale*, verb; *scal-ed*, *scal-y*, *scal-i-ness*. Allied to **Scale** (2), **Shell**, **Scall**, **Scull**, **Skill**. And see *scall-op*, *scal-p*. Doublet, *shale*.

**SCALE** (2), a bowl or dish of a balance. (F.—Teut.) ME. *scale*, *schale* (also *scoale*), a bowl, Ancren Riwe, p. 214, note i; *scale*, Layamon, 5368. [The form *scoale* is from Icel. *skāl*, scale.] —OF. *escale*, a cup (Godefroy). —Icel. *skāl*, Dan. *skaal*, Swed. *skål*, a bowl; cf. Du. *schaal*, scale, bowl. Allied to **Scale** (1); being from Teut. base \**skæl-*, 3rd grade of Teut. \**skelan-*, to cleave (above). Der. *scale* (obsolete); as in 'Lanx, the *scale* of a balance,' Nomenclator, 1585 (Nares, ed. Wright and Halliwell); 'Then Jove his golden *scales* weighed up,' Chapman, tr. of Homer, Iliad, b. xxii. l. 180; answering to the ME. form *scoale* above.

**SCALE** (3), a ladder, series of steps, graduated measure, gradation. (L.) ME. *scale*, Chaucer, On the Astrolabe, pt. i. § 12. Borrowed immediately from L. *scāla*, usually in pl. *scālā*, a flight of steps, ladder. (Hence also F. *échelle*.) β. L. *scā-la* represents \**scan(t)slā*, i.e. \**scand-slā*, that by which one ascends or descends; cf. L. *scandere*, to climb; see **Scan**. Brugmann, i. § 414. Der. *scale*, verb, to climb by a ladder; Surrey translates 'Hærent parietibus *scalæ*, postesque sub ipsos Nituntur gradibus' (Æneid, ii. 442) by 'And rered vp ladders against the walles, Under the windowes *scaling* by their steppes,' clearly borrowed from Ital. *scalare*, to scale. See **Escalade**.

**SCALENE**, having three unequal sides, said of a triangle. (L.—Gk.) Phillips, ed. 1706, has: '*Scalenum*, or *Scalenous Triangle*.' —L. *scalēnus*, adj. —Gk. *σκαληνός*, scalene, uneven. Perhaps allied to *σκολιός*, crooked.

**SCALL**, a scab, scabbiness, eruption on the skin. (Scand.) In Levit. xiii. 30. 'Thou most haue the *skalle*;' Chaucer, Lines to Adam Scrivener. —Gen. used with ref. to the head. 'On his heued he has the *skalle*;' Cursor Mundi, 11819. —Icel. *skalli*, a bare head. The lit. sense may be 'having a peeled head;' cf. Swed. *skallig*, bald, *skala*, to peel. If so, it is nearly related to Dan. and Swed. *skal*, a husk; see **Scale** (1). Der. *scald* (2), q.v.

**SCALLION**, a plant allied to the garlic and onion. (F.—L.—Gk.—Phœnician.) Phillips, ed. 1706, gives both *scallion* and *shalot*. ME. *scalone*, P. Plowman, C. ix. 310. —ONorth F. *escalogne*, a scallion; see further under **Shallot**.

**SCALLOP**, **SCOLLOP**, a bi-valvular shell-fish, with the edge of its shell in a waved form. (F.—Teut.) Holland's Pliny, b. ix. c. 33, treats 'Of *Scallops*.' ME. *scalop* (with one *l*), Prompt. Parv., p. 442. —OF. *escalope*, a shell; a word used by Rutebuef; see quotations in Godefroy; and cf. F. *escalope* in Littre. β. Of Teut. origin; cf. MDu. *schelpe* (Du. *schelp*), a shell; Hexham. Hexham has also: '*S. Jacobs schelpe*, S. James his shell;' and the shell worn by pilgrims who had been to St. James's shrine was of the kind which we call 'a scallop-shell;' Chambers, Book of Days, ii. 121. Thus Palsgrave has: '*scaloppe-shell*, quocquille de saint Iacques.' Cf. G. *schelfe*, a husk. γ. The forms *schel-pe*, *schel-fe* are extensions from the form which appears in E. as *shell*; see **Scale** (1), **Shell**. Der. *scallop*, verb, to cut an edge into convex lobes or scallop-like curves. And see **Scalp**.

**SCALP**, the skin of the head on which the hair grows. (Scand.) 'Her *scalpe*, taken out of the charnel-house;' Sir T. More, p. 57 a. ME. *scalp*. 'And his wiknes in his *scalp* doune falle;' Early Eng. Psalter, ed. Stevenson, vii. 17; where *scalp* means the top of the head, Lat. *vertex*. Evidently a Scand. word, due to a form allied to that whence we also have MDu. *schelpe*, a shell, and OF. *escalope*, a shell; see **Scallop**. β. We may compare MSwed. *skalp*, a sheath, Icel. *skälpr*, a sheath; Dan. dial. *skalp*, a husk, pod. γ. The orig. sense is *shell* or *scull* (head-shell); and the word is allied to *scale*; see **Scale** (1). Florio has Ital. *scalpo della testa*, 'the scalp of ones head;' but this is merely borrowed from Teutonic. Der. *scalp*, verb; which may have been confused with L. *scalpere* (see **Scalpel**).

**SCALPEL**, a small surgeon's knife for dissecting. (L.) Phillips, ed. 1706, has *scalper* or *scalping-iron*; Todd's Johnson has *scalpel*. *Scalpel* is from L. *scalpellum*, a scalpel; dimin. of *scalprum*, a knife. —L. *scalpere*, to cut, carve, scratch, engrave; (whence E. *scalping-iron*). Allied to L. *sculpere*; see **Sculpture**.

**SCAMBLE**; see **Scamper**, **Scramble**, **Shamble**.

**SCAMMONY**, a cathartic gum-resin. (F.—L.—Gk.) Spelt *scamony* in Arnold's Chron. (1502), ed. 1811, p. 164, l. 16; *skamonye*,

Libell of Eng. Policy, l. 360.—OF. *scammonie*, *scammonde*, 'scammony, purging bind-weed'; Cot.—L. *scammōnia*.—Gk. *σκαμνῶν*, or rather *σκαμνῶν*, scammony, a kind of bind-weed. It grows in Mysia, Colophon, and Priene, in Asia Minor; Pliny, b. xxvi, c. 8.

**SCAMP**; see **Scamper**.

**SCAMPER**, to run with speed, flee away. (F.—L.) 'We were forc'd to . . . scamper away as well as we could'; Dampier's Voyages, an. 1685 (R.). The suffix *-er* is, as usual, frequentative, so that the orig. form is *scamp*; but this is only found as a sb. in the sense of 'worthless fellow,' or 'cheat,' though the orig. meaning is merely 'fugitive' or 'vagabond,' one given to frequent shifts or *de-campings*.—ONorth F. *escamper*, or rather *s'escamper*, 'to scape, flee'; Cot.; OF. *eschamper* (Godefroy).—L. *ex*, out; and *campus*, a field, esp. a field of battle. A parallel formation to *decamp*, q. v. See **Ex-** and **Camp**. Der. *scamper*, sb.

**SCAN**, to count the measures in a poem, to scrutinise. (L.) In Shak. Oth. iii. 3. 245; Skelton, Bowge of Court, 245. In common use in the pp., which was frequently spelt *scand*, as in Spenser, F. Q. vii. 6. 8, where it is used in the sense of 'climbed.' The verb should rather have been *scand*, but the pp. was formed as *scand* (for *scanded*), and then the final *d* was taken to be the pp. termination, and was accordingly dropped.—L. *scandere*, to climb; also, to scan a verse. Cf. Skt. *skand*, to spring, ascend. Der. *scans-ion*, formed (by analogy) from L. *scansio*, a scanning, like the pp. *scansus*. Also *scans-or-i-al*, formed for climbing, from *scansōrius*, belonging to climbing. From the same root, *a-scent*, *de-scent*, *de-scent*, *con-de-scent*, *trans-scent*; *scale* (3), *e-sca-lade*. See notes on E. Etym., p. 259.

**SCANDAL**, opprobrious censure, disgrace, offence. (F.—L.—Gk.) ME. *scandal*; spelt *scandle*, Ancrén Riwe, p. 12, l. 12.—F. *scandale*, 'a scandall, offence'; Cot. We also find OF. *escandle* (Burguy); whence ME. *scandle*.—L. *scandalum*.—Gk. *σκάνδαλον*, a snare; also scandal, offence, stumbling-block. The orig. sense seems to be that of *σκανδάληθρον* also, viz. the spring of a trap, the stick on a trap on which the bait was placed, which sprang up and shut the trap. Prob. from *√SQAND*, to spring up; see **Scan**. Der. *scandal-ise*, from F. *scandaliser*, formerly *scandalizer*, 'to scandalize'; Cot. Also *scandal-ous*, from F. *scandaleux*, 'scandalous, offensive'; Cot.; *scandal-ous-ly*, *-ness*. Doublet, *slander*.

**SCANSION**, **SCANSORIAL**; see **Scan**.

**SCANT**, insufficient, sparing, very little. (Scand.) ME. *scant*, Prompt. Parv. Chaucer speaks of 'the inordinate scantnesse' of clothing; Pers. Tale, De Superbia (Six-text, I 414). *Scant* has been substituted for *scamt*.—Icel. *skamt*, neut. of *skammr*, short, brief; whence *skamta*, to dole out, apportion meals (and so, to scant or stint). Cf. also Icel. *skamtr*, sb., a dole, share, portion (hence, short or scant measure). In Norwegian, the *mt* changes to *nt*, so that we find *skantad*, pp. measured or doled out, *skanta*, to measure narrowly, reckon closely; *skant*, a portion, dole, piece measured off (Aasen). The *m* is preserved in the phrase 'to *scamp* work,' i. e. to do it insufficiently, and in the prov. E. *skimping*, scanty (Halliwell). Der. *scant*, adv., Romeo, i. 2. 104; *scant*, verb, Merch. Ven. ii. 1. 17; *scant-ly*, Antony, iii. 4. 6; *scant-y*, *scant-i-ly*, *scant-i-ness*.

**SCANTLING**, a piece of timber cut of a small size, sample, pattern. (F.—L.—Gk.; with L. prefix.) Here *-ing* is for *-on*. Palsgrave has *scantilon*. ME. *scantilone*, Rom. Rose, 7064; *skantulon*, Voc. 606. 16. The word has doubtless been confused with *scant* and *scanty*; but the old sense is 'pattern' or 'sample,' or a small piece; with reference to the old word *cantle*. As used in Shak. (Troil. i. 3. 341) and in Cotgrave, it is certainly allied to OF. *eschanteler*, and answers to ONorth F. *eschantillon*, corresponding to OF. *eschantillon*, 'a small cantle or corner-piece, also a scantling, sample, pattern, proof of any sort of merchandise'; Cot. Cf. also F. *eschanteler*, 'to break into cantles,' to cut up into small pieces; Cotgrave, Burguy.—OF. *es-*, prefix, from L. *ex*, out; and ONorth F. *cantel* (Burguy), a cantle, corner, piece, OF. *chantel*, *chanteau*, 'a corner-piece, or piece broken off from the corner'; Cot. Hence E. *cantle*, *scantle*, 1 Hen. IV, iii. 1. 100. See **Cantle**. ¶ Cf. ME. *scantilon*, a measure, Cursor Mundi, 2231.

**SCAPE** (1), a leafless stalk bearing the fructification. (L.) Modern.—L. *scāpus*, a shaft, stalk, stem; allied to **Sceptre**.

**SCAPE** (2), short for *escape*. 'Help us to *scape*'; Chaucer, C. T., A 3608. See **Escape**.

**SCAPEGOAT**, a goat allowed to escape into the wilderness. (F.—L.; and E.) Levit. xvi. 8. From *scape* and *goat*; *scape* being a mutilated form of *escape*, in common use; see Temp. ii. 2. 117, &c. See **Escape** and **Goat**. So also *scape-grace*, one who has escaped grace or is out of favour, a graceless fellow.

**SCAPULAR**, belonging to the shoulder-blades. (L.) In Blount's Gloss., ed. 1674. [He also gives it as a sb., equivalent to the word generally spelt *scapulary*; see below].—Late L. *scapulāris*, adj. formed from L. pl. *scapulæ*, the shoulder-blades, from a sing. *scapula*,

not in use. Der. *scapular-y*, spelt *scapularie* in Minsheu, a kind of scarf worn by friars and others, so called from passing over the shoulders; ME. *scaplorie*, *scapulary*, Prompt. Parv., *chapolory*, P. Plowman's Crede, l. 550; from F. *scapulaire*, Late L. *scapulāre*.

**SCAR** (1), the mark of a wound, blemish. (F.—L.—Gk.) 'Scarre of a wounde, *covsture*'; Palsgrave. Spelt *skarre*, Gascoigne, Fruits of Warre, st. 40, and st. 90; ME. *scar*, Wyclif, Lev. xxii. 22.—MF. *escare*, 'a skar or scab'; Cot. [Cf. Span. and Ital. *escara*, scar, scurf, crust].—L. *eschara*, a scar, esp. one produced by a burn.—Gk. *ἑσάρᾱ*, a hearth, fire-place, grate for a fire, brazier, scar of a burn. Der. *scar*, verb, Rich. III, v. 5. 23.

**SCAR** (2), **SCAUR**, a rock. (Scand.) ME. *scarre*, Wyclif, 1 Kings, xiv. 5; *skerre* (Halliwell); Lowland Sc. *scar*, *scaur* (Jamieson); Orkney *skerry*, a rock in the sea (id.).—Icel. *sker*, a skerry, isolated rock in the sea; Dan. *skjær*, Swed. *skär*. Cf. Icel. *skor*, a rift in a rock. So called because 'cut off' from the main land or 'cut down'; see **Shear**. Doublet, *share*; and cf. *score*.

**SCARAB**, a beetle. (F.—L.) 'They are the moths and *scarabs* of a state'; Ben Jonson, Poetaster, iv. 6. 16.—MF. *scarabee* (Hatzfeld).—L. *scarabæum*, acc. of *scarabæus*, a beetle. Der. *scarab-ee* (F.); *scarabæus* (L.).

**SCARAMOUCH**, a buffoon. (F.—Ital.—Teut.) 'Scaramouch and Harlequin at Paris'; Dryden, Kind Keeper, A. i. sc. 1. 'Th' Italian merry-andrews took their place . . . Stout Scaramoucha with rush lance rode in'; Dryden, Epilogue to Silent Woman, spoken by Mr. Hart, ll. 11–15. 'Scaramoche, a famous Italian zani, or mountebank, who acted here in England 1673'; Blount's Gloss., ed. 1674. Blount, writing at the time, is certainly right. The name was taken from a famous Italian buffoon, mentioned again in the Spectator, no. 283. He died at Paris in 1694; Chambers, Book of Days, ii. 671. His name was (rightly) *Scaramuccia*, altered by Dryden to *Scaramoucha*, and in French to *Scaramouche* (Littre).—F. *scaramouche*.—Ital. *Scaramuccia*, proper name; lit. 'a skirmish,' a word derived from Teutonic; see **Skirmish**.

**SCARCE**, rare, not plentiful. (F.—L.) ME. *scars*, Rob. of Glouc. p. 334, l. 6862. Chaucer has the adv. *scarsly*, C. T. 585 (A 583).—ONorth F. *escars* (Burguy), OF. *eschars*, 'scarce, needy, scanty, saving, niggard'; Cot. Cf. Ital. *scarso*, scarce; mod. F. *échars* (Littre). β. Derived by Diez from Late L. *scarpus*, shorter form of *excarpus*, used A. D. 805 as a substitute for L. *excerptus*, pp. of *excerpere*, (prob. also *excarpere* in Low Latin), to pick out, select, extract. The lit. sense is selected, extracted, or picked out, hence 'select,' and so scarce; and Diez remarks that *excarpus* is found just with the sense of Ital. *scarso*.—L. *ex*, out; and *carpere*, to pluck, allied to E. *harvest*. See **Excerpt**; also **Ex-** and **Harvest**. Der. *scarce-ly*, ME. *scarce-liche*, K. Alisaunder, 3552; *scarce-ness*, Deut. viii. 9, ME. *skarsnesse*, Gower, C. A. ii. 284; bk. v. 4674; *scarce-i-ty*, ME. *scarseté*, K. Alisaunder, 5495, from OF. *escarsete* (*escharsete* in Burguy). ¶ Cf. AF. *escars*, niggard, Philip de Thau, Bestiary, 602; and AF. *escarseté*, scarcity, Political Songs, ed. Wright, p. 186.

**SCARE**, to frighten away. (Scand.) ME. *skerren*, *skeren*, Prompt. Parv. p. 457; Destruction of Troy, 13404. Cf. 'the *skerre* hors' = the scared horse, Ancrén Riwe, p. 242, note d. The ME. verb appears to be formed from the adj. *skerre*, scared, timid.—Icel. *skjarr*, shy, timid; *skjarrt hross*, a shy horse, just like ME. *skerre hors*, and Sc. *scar*, *skair*, timorous (Jamieson). Cf. Icel. *skirra*, to bar, prevent; reflexive, *skirrask*, to shun, shrink from; *skirrast við*, to shrink from; Norw. *skjerr*, shy, *skjerra*, to scare; Swed. dial. *skjarra*, to scare. Further connexions doubtful. Der. *scare-crow*, something to scare crows away, Meas. for Meas. ii. 1. 1.

**SCARF** (1), a light piece of dress worn on the shoulders or about the neck. (Du.—Low G.) Spenser has *scarfe*, F. Q. v. 2. 3; and so in Baret.—Du. *scherf*, a shard, a shred; the sense being supplied from Low G. *scherf*, a military scarf, girdle (Brem. Wört.); or we may say that the Low G. word was influenced by Du. pronunciation. β. We also find the form *skarpe*; as in 'with a *skarpe* about her neke'; Machyn's Diary (C. S.), p. 180 (1558). This is borrowed from ONorth F. *eskarpe* (Godefroy), MF. *escharpe*, 'a scarf, baudrick'; Cot. It also meant a scrip for a pilgrim, and is derived from MDu. *scarpe*, *schaerpe*, *scerpe*, a scrip, pilgrim's wallet (Oudemans); Low G. *schrap*, a scrip (Bremen Wörterbuch); and see **Scrip**, **Scrap**. γ. With Du. *scherf*, a shard, shiver, fragment, cf. G. *scherbe*, a fragment, also 'a scarf' in the sense of *scarf* (2) below. This suggests that the form *skarpe* was influenced by *scarf* (2). ¶ The G. *schärpe*, a scarf, sash, Swed. *skärp*, Dan. *skjærf*, *skjærf*, are not true Teut. words, but borrowed from French. Der. *scarf*, verb, Hamlet, v. 2. 13; *scarfskin*, the epidermis or outer skin (Phillips). Doublets, *scrip*, *scrap*.

**SCARF** (2), to join pieces of timber together. (Scand.) 'In the joining of the stern, where it was *scarfed*'; Anson's Voyage, b. ii. c. 7 (R.). The pp. *skarvyd* occurs in 1531–2; Strutt, Manners and

Customs, iii. 53. And in Phillips, ed. 1706. The word is Swedish. —Swed. *skarfa*, to join together, piece out. —Swed. *skarv*, a scarf, seam, joint; cf. *scarfyxa*, a chip-axe. + Bavarian *scharben*, to cut a notch in timber, G. *scharben*, OHG. *scarbōn*, to cut small. From Teut. \**skarþ*, 2nd grade of \**skerþan*-, to cut; as in AS. *sceorfan* (pt. t. *scearf*), to scrape. Cf. Du. *scherf*, a shaid; see **SCARF** (1).

**SCARF** (3), a cormorant. (Icel.) A local name; also, corruptly, *scarth*, *scart*. —Icel. *skarfr*, Swed. *skarv*, Dan. *skarv*, a cormorant. + G. *scharbe*, OHG. *scarba*.

**SCARIFY**, to cut the skin slightly. (F.—L.—Gk.) ‘Of *Scarifying*, called boxyng or cuppyng;’ Sir T. Elyot, Castel of Helth, b. iii. c. 7. —F. *scarifier*, ‘to scarifie;’ Cot. —L. *scarificāre*, to scarify, scratch open; longer form of *scarifāre*, which also occurs (Lewis). β. Not cognate with, but absolutely borrowed from Gk. *σκαρίφωμαι*, I scratch or scrape up. —Gk. *σκαρίφος*, a style for drawing outlines (a sharp-pointed instrument). Cognate with L. *scribere*, to write; see **Scribe**. Der. *scarific-at-ion*, from F. *scarification* (Cot.).

**SCARLET**, a bright-red colour. (F.—Pers.) ME. *scarlat*, O. Eng. Miscellany, p. 92, l. 69; *skarlet*, p. 168, l. 10; *scarlet*, P. Plowman, B. ii. 15. —OF. *escarlata*, ‘scarlet;’ Cot. [Mod. F. *écarlate*; Span. *escarlata*; Ital. *scarlatto*.] —Pers. *saqalāt*, *siqalūt*, or *suqlāt*, scarlet cloth. Cf. Pers. *saqlūtūn*, *saqlātūn*, scarlet cloth, *saqlūn*, cloth; Rich. Dict. p. 837. β. The Pers. *saqlātūn* is clearly the origin of ME. *cielatoun*, Chaucer, C. T. Group B, 1924, on which see my note, and Col. Yule’s note to his edition of Marco Polo, i. 249. He remarks that *suqlāt* is applied, in the Punjab trade returns, to broad-cloth; it was used for banners, ladies’ robes, quilts, leggings, housings and pavilions. We find also Arab. *saqarlāt*, a warm woollen cloth; Rich. Dict. p. 836; also Arab. *siqlāt*, a fine painted or figured cloth, a canopy over a litter. It seems to have been the name of a stuff, which was frequently of a scarlet colour; and hence to have become the name of the colour. Cf. ‘scarlet reed;’ Chaucer, Prol. 456. So also Telugu *sakalāti*, *sakalātu*, woollen or broad-cloth; Wilson, Gloss. of Indian Terms, p. 455. This can hardly be from English, as Wilson suggests, but corresponds to the Pers. and Ital. forms. ¶ The Turkish *iskerlat*, scarlet, is merely a loan-word from Italian; Zenker, p. 49. Der. *scarlet-runner*, a climbing plant with scarlet flowers; *scarlat-ina*, a disease named from the scarlet rash which accompanies it, Ital. *scarlattina*, from Ital. *scarlatto*, scarlet.

**SCARP**, part of a fortification. (F.—Ital.—Teut.) Formerly written *scarf*, as in Cotgrave, but this is an E. adaptation, by confusion with *scarf*, the inward slope of the moat or ditch of a place; Phillips, ed. 1706. —F. *escarpe*, ‘a scarf, or little wall without the main rampire of a fort;’ Cot. —Ital. *scarpa*, ‘a counter-scarpe or curtein of a wall;’ Florio. β. Perhaps from OHG. *scarpōn*, to cut; with regard to the steep face presented. Or from Du. *scherp*, Low G. *sharp*, sharp; cognate with E. *Sharp*, q. v. Der. *counter-scarp*, *escarp-ment*.

**SCATCHES**, stilts. (F.—Low G.) See **Skate** (2).

**SCATHE**, to harm, injure. (Scand.) In Romeo, i. 5. 86. ME. *scapen*, Prompt. Parv. [The sb. *scathe*, harm, is in Chaucer, C. T. 448 (A 446); Havelok, 2006.] The *sc* (= *sk*) shows that the word is Scand., not E. —Icel. *skaða*; Swed. *skada*; Dan. *skade*. + AS. *sceadan*, pp. *scōd*; G. and Du. *schaden*; Goth. *gaskathjan*, str. vb., pt. t. *gaskōth*, pp. *gaskathans*. β. All from Teut. base \**skath*, to harm; Fick, iii. 330. Cf. Gk. ἀ-σκηθής, unharmed. Brugmann, i. § 791. Der. *scathe*, harm, injury, also spelt *scath*, Rich. III, i. 3. 317, from Icel. *skaði*; *scath-ful*, Tw. Nt. v. 59; *scathe-less*, or *scath-less*, ME. *scatheles*, Rom. of the Rose, 1550.

**SCATTER**, to disperse, sprinkle. (E.) ME. *scateren* (with one t), Chaucer, C. T. 16382 (G 914); *skatered*, pt. t., Early E. Psalter, xvii. 15. The frequentative of prov. E. *scat*, (1) to scatter, (2) to break to pieces, to shatter. *Scatter* is the Northern form corresponding to E. *Shatter*, q. v. Cf. Gk. σκεδάω, I sprinkle, scatter, σκέδασις, a scattering, L. *scandula*, a shingle for a roof, Skt. *kshad*, *skhad*, to cut. Der. *scatter-ling*, a vagrant, one of a scattered race, Spenser, F. Q. ii. 10. 63. Doublet, *shatter*, q. v.

**SCAUP-DUCK**, a duck so named because she frequents mussel-scaups or mussel-scalps, i. e. beds of rock or sand on which mussels collect; see Newton, Dict. of Birds. (Scand. and E.) *Scalp* (see E. D. D.) means (1) skull, head. . . (4) a bank of sand or mud uncovered at low tide, esp. a mussel-bed. *Scaup* is a dialectal variant of *Scalp*, q. v.

**SCAUR**; see **Scar** (2).

**SCAVENGER**, one who cleans the streets. (ONorth F.—Teut.) Spelt *scavengere*, Bp. Hall, Satires, b. iv. sat. 7. l. 48. The word appears in the Act of 14 Ch. II, cap. 2 (Blount). As in the case of *messenger* (for *messager*) and *passenger* (for *passager*), the *n* before *g* is intrusive, and *scavenger* stands for *scavager*. β. The *scavager* was an officer who had formerly very different duties; see Riley’s tr. of Liber Albus, p. 34, which mentions ‘the scavagers, ale-con-

ners, bedel, and other officials.’ Riley says: ‘scavagers, officers whose duty it was originally to take custom upon the *scavage*, i. e. inspection of the opening out, of imported goods. At a later date, part of their duty was to see that the streets were kept clean; and hence the modern word *scavenger*, whose office corresponds with that of the *rakyer* (raker) of former times.’ As a fact, the old word for scavenger is always *rakyer*; see P. Plowman, v. 322, and note. That the *scavagers* had to see to the cleansing of the streets, is shown in the Liber Albus, p. 313. Wedgwood cites the orig. French, which has the spelling *scavageour*. γ. *Scavage* or *scavage* is an AF. derivative, signifying ‘inspection;’ formed, with the suffix -age (< L. -aticum), from ONorth F. *escawer*, to look, inspect. —OSax. *skawōn*, to behold; cognate with AS. *sceāwian*, to look at, and E. *show*. See Blount’s Nomolexicon, where the various spellings *scavage*, *schevage*, *schewage*, and *scheawing* (showing) are cited; he says: ‘In a charter of Hen. II it is written *scewinga* and (in Mon. Ang. 2 par. fol. 890 b.) *sceawing*, and elsewhere I find it in Latin *tributum ostensorium*.’ Some of these forms are due to confusion with ME. *scheuen*, to show. See further in Riley, p. 196, ‘Of *scavage*;’ again, ‘*Scavage* is the shewe,’ &c., Arnold’s Chron. (1502), ed. 1811, p. 99, l. 1; and see *Sceawing* in the Glossary to Diplomatarium Ævi Saxonici, ed. Thorpe. See **Show**. And see Notes on E. Etym., p. 259.

**SCENE**, stage of a theatre, view, spectacle, place of action. (L.—Gk.) Common in the dramatists. ‘A *scene*, or theater;’ Minshew. The old plays, as, e.g., that of Roister Doister, have the acts and scenes marked in Latin, by *Actus* and *Scæna* or *Scena*; and we certainly Anglicised the Latin word, instead of borrowing the F. one, which Cotgrave actually omits. —L. *scēna*. —Gk. σκηνή, a sheltered place, tent, stage, scene; cf. Skt. *chhāyā* (for \**skāyā*), shade. Der. *scen-ic*, Gk. σκηνικός; *scen-er-y*, written *scenary* by Dryden (R.), from L. *scēnarius*, belonging to a play.

**SCENT**, to discern by the smell. (F.—L.) The spelling is false; it ought to be *sent*, as when first introduced. A similar false spelling occurs in *scythe*; so also we find *scite* for *site*, *scituation* for *situation*, in the 17th century. ‘To *sent*, to smell;’ Minshew, ed. 1627. ‘I *sent* the mornings ayre;’ Hamlet, i. 5. 58 (ed. 1623). ‘Delycious of *sent*;’ Barclay, Ship of Fools, i. 100. —F. *sentir*, ‘to feel, also to sent, smell;’ Cot. —L. *sentire*, to feel, perceive. See **Sense**. Der. *scent*, sb., spelt *sent*, i. e. discernment, Spenser, F. Q. i. 1. 43, last line; and in Barclay (above).

**SCEPTIC**, doubting, hesitating; often as sb. (F.—L.—Gk.) ‘The Philosophers, called *Scepticks*;’ Blount’s Gloss., ed. 1674, s. v. *Sceptical*. —F. *sceptique*, ‘one that is ever seeking, and never finds; the fortune, or humour of a Pyrrhonian philosopher;’ Cot. —L. *scepticus*. —Gk. σκεπτικός, thoughtful, inquiring; σκεπτικοί, pl., the Sceptics, followers of Pyrrho (died abt. B.C. 285). —Gk. root \**skēp-*, as in σκέπτομαι, I consider. Allied to **Scope**. Der. *sceptic-al* (Blount); *sceptic-ism*.

**SCEPTRE**, a staff, as a mark of royal authority. (F.—L.—Gk.) ME. *ceptre*, Chaucer, C. T. 14379 (B 3563). —F. *sceptre*, ‘a royall scepter;’ Cot. —L. *scēptrum*. —Gk. σκήπτρον, a staff to lean on; also, a sceptre. —Gk. σκήπτειν, to prop; also, to lean on. Cf. σκηπτός, a gust or squall of wind; σκήπτειν is also used in the sense to hurl, throw, shoot, dart. Allied to L. *scāpus*, a shaft, stem. Der. *sceptre-ed*, Rich. II, ii. 1. 40.

**SCHEDULE**, an inventory, list. (F.—L.—Gk.) In Shak. L. L. L. i. 1. 18; spelt *scedule* in the first folio. —MF. *schedule*, or *cedule*, ‘a schedule, scroll, note, bill;’ Cot. —L. *schedula*, a small leaf of paper; dimin. of *scheda*, also *scida* (Cicero, Att. i. 20 *fin.*), a strip of papyrus-bark. β. The Gk. σχῆδη, a tablet, leaf, may have been borrowed from L. *scheda* (see Liddell); but we find also Gk. σχῆδη, a cleft piece of wood, a splint, which is the true original of L. *scida*. (Ch is not a Latin symbol.) From Gk. σχίειν (= \*σχιδ-yein), to cleave; from √SKHEID, to cleave; cf. Skt. *chhid*, to cut. See **Schism**.

**SCHEME**, a plan, purpose, plot. (L.—Gk.) ‘*Scheme* (*schema*), the outward fashion or habit of anything, the adorning a speech with rhetorical figures;’ Blount’s Gloss., ed. 1674. Borrowed directly, as a term in rhetoric, from L. *schēma*. —Gk. σχῆμα, form, appearance; also, a term in rhetoric. —Gk. σχῆν, base of σχήσω, future of ἔχειν, to hold, have. The orig. base is σεχ-; from √SEGH, to hold; whence also Skt. *sah*, to bear, endure. Der. *scheme*, vb.; *schem-er*, *schem-ing*. And see *sail*, *hectic*.

**SCHERZO**, a playful movement in music. (Ital.—Teut.) Modern. —Ital. *scherzo*, play, sport. —MHG. (and G.) *scherz*, sport. Der. *scherz-ando*, playfully.

**SCHIEDAM**, Holland gin. (Du.) Made at *Schiedam*, near Rotterdam.

**SCHISM**, a division, due to opinion. (F.—L.—Gk.) Tyndall has ‘*schismes* that were among our clergy;’ Works, p. 176, col. i.

ME. *scisme*, Gower, C. A. i. 15; prol. 348. — F. *schisme*, MF. *scisme*, 'a seisme, a division in, or from, the church;' Cot. — L. *schisma*. — Gk. *σχίσμα*, a rent, split, schism. — Gk. *σχίζειν* (fut. *σχίσει*, base *σχιδ-*), to cleave. — √SKHEID, to cleave; Skt. *chhid*, L. *scindere*, to cut. Der. *schism-at-ic*, from MF. *scismatique*, 'seismatically,' Cot., L. *schismaticus*, Gk. *σχισματικός*, from *σχίσματ-*, stem of *σχίσμα*; hence *schism-at-ic-al*, -ly. And see *schist*, *schedule*, *ab-scind*, *re-scind*.

**SCHIST**, rock easily cleft, slate-rock. (Gk.) In geology. — Gk. *σχιστός*, easily cleft. — Gk. *σχίζειν*, to cleave. See **Schism**.

**SCHNAPPS**, a name for spirit, esp. gin. (G.—Du.) G. *schnapps*. — Du. *snaps*, a dram, lit. mouthful. — Du. *snappen*, to snap up. See **Snaps**.

**SCHOOL** (1), a place for instruction. (F.—L.—Gk.) ME. *scole*, Chaucer, C. T. 125; Layamon, 9897. The *sch* = ME. *sc* (= *sk*) shows that this form is of F. origin, not from Latin before the Conquest. — AF. *escole*, Stat. Realm, i. 103 (1285); OF. *escole*. — L. *schola*, a school. — Gk. *σχολή*, rest, leisure, spare time, employment of leisure, disputation, philosophy, a place where lectures are given, a school. The orig. sense is a resting or pausing; from the base *σχο-*, a grade of *σχε-* (in *σχε-σις*), allied to *ἐχειν*, to hold, check, stop. — √SEGH, to hold; see **Scheme**. Der. *school*, verb, As You Like It, i. 1. 173; *schol-ar*, ME. *scoler*, Chaucer, C. T., A 260, from AF. *escoler*, altered to *scholar* to agree with L. adj. *scholāris*; *scholar-ly*, *scholar-ship*; *schol-ast-ic*, from L. *scholasticus* = Gk. *σχολαστικός*; *schol-i-um*, a Latinised form of Gk. *σχόλιον*, an interpretation, comment, from *σχολή* in the sense of 'discussion'; *scholi-ast*, from Gk. *σχολιαστής*, a commentator; *scholi-ast-ic*. Also *school-man*, *school-master*, *school-mistress*.

**SCHOOL** (2), a shoal of fish. (Du.) 'A *scole* of Dolphins;' Sandys, Trav., p. 100. — Du. *school visschen*, 'a shole of fishes;' Sewel. See **Scull** (3), **Shoal** (1).

**SCHOONER, SCOONER**, a two-masted vessel. (Scand.) The spelling *schooner* is a false one; it should be *scooner*. The mistake is due to a supposed derivation from the Du. *schooner*, a schooner, but, on the contrary, the Du. word (like G. *schoner*) is borrowed from E. There is no mention of Du. *schooner* in Sewel's Du. Dict., ed. 1754. The E. *schooner* occurs in Ash's Dict., ed. 1775; and earlier in the following: 'Went to see Captain Robinson's lady... This gentleman was first contriver of *schooners*, and built the first of that sort about 8 years since,' extract from a letter written in 1721, in Babson's Hist. of Gloucester, Massachusetts; cited in Webster's Dict.; whence all the information here given is copied. 'The first *schooner*... is said to have been built in Gloucester, Mass., about the year 1713, by a Captain Andrew Robinson, and to have received its name from the following trivial circumstance: When the vessel went off the stocks into the water, a bystander cried out, "O how she *scoons*!" [i.e. glides, skims along]. Robinson instantly replied, "A *scooner* let her be;" and from that time, vessels thus masted and rigged have gone by this name. The word *scoon* is popularly used in some parts of New England to denote the act of making stones skip along the surface of water... According to the New England records, the word appears to have been originally written *scooner*;' Webster. The New England *scoon* was imported from Clydesdale, Scotland; being the same as Lowland Sc. *scon*, 'to make flat stones skip along the surface of water; also, to skip in the above manner, applied to flat bodies; Clydesdale;' Jamieson. So also *scun* in E. D. D. — Icel. *skunda* (trans.), to speed, to hasten. Allied to **Shunt**, q. v. As a rule, derivations which require a story to be told turn out to be false; in the present case, there seems to be no doubt that the story is true.

**SCHORL**, black tourmaline. (F.—G.) F. *schorl* (Littré). — G. *schörl*, *schorl*.

**SCIATIC**, pertaining to the hip-joint. (F.—L.—Gk.) 'Sciatick vein;' Blount's Gloss., ed. 1674. 'Veyne that is clepid sciatica;' Lanfrank, Chirurgie, p. 177. [The sb. *sciatica* is in Minshew, ed. 1627.] — F. *sciatique*, 'of the sciatica; veine sciatique, the sciatica vein, seated above the outward ankle;' Cot. — Late L. *sciaticus*, corruption of L. *ischiadicus*, subject to gout in the hip (White). — Gk. *ἰσχιαδικός*, subject to pains in the loins. — Gk. *ἰσχιὰδ-*, stem of *ἰσχιᾶς*, pain in the loins. — Gk. *ἰσχίον*, the socket in which the thigh-bone turns. Der. *sciatica*, fem. of L. *sciaticus*.

**SCIENCE**, knowledge. (F.—L.) ME. *science*, Chaucer, C. T. 11434 (F. 1122); P. Plowman, B. x. 214. — F. *science*, 'science;' Cot. — L. *scientia*, science, knowledge. — L. *scient-*, stem of pres. part. of *scire*, to know, orig. to discern. Der. *scienti-fic*, from F. *scientifique*, 'scientifically,' Cot., from L. *scientificus*, made by science, where the suffix *-ficus* is from *facere*, to make; *scientific-al*, -ly. Also *a-scit-it-i-ous*, *scio-l-ist*.

**SCIMETAR, CIMETER**, a curved sword. (F. or Ital. — Pers.?) Spelt *semitar*, used of a pointed sword; Titus Andronicus, iv. 2. 91. — F. *cimeterre*, 'a scymitar, or smyter, a kind of short and crooked sword,

much in use among the Turks;' Cot. This accounts for the spelling *cimeter*. Also Ital. *scimitarra*, *scimitara*, 'a turkish or persian crooked sword, a simitar;' Florio. This accounts for the spelling *scimitar*. β. It was fully believed to be of Eastern origin. If so, it can hardly be other than a corruption of Pers. *shimshir*, *shamshir*, 'a cimeter, a sabre, a sword, a blade;' Rich. Dict. p. 909. Lit. 'lion's claw.' — Pers. *sham*, a nail; and *shēr*, a lion; id. pp. 907, 921; Vullers, ii. 464. γ. The Span. is *cimitarra*, explained by Larramendi from Basque *cimea*, a fine point, and *tarra*, belonging to; prob. a mere invention, like his Basque etymology of *cigar*.

**SCINTILLATION**, a throwing out of sparks. (F.—L.) In Minshew, ed. 1627. [The verb *scintillare* is much later.] — F. *scintillation*, 'a sparkling;' Cot. — L. *scintillationem*, acc. of *scintillatio*. — L. *scintillare*, to throw out sparks. — L. *scintilla*, a spark; a dimin. form, as if from \**scinta*. Perhaps allied to AS. *scin-an*, to shine; see **Shine**. Der. *stencil*, *insel*.

**SCIOLIST**, one whose knowledge is superficial. (L.) 'Though they be but smatterers and meer *sciolists*;' Howell, Famil. Letters, b. iii. let. 8 (about A.D. 1646). Formed with suffix *-ist* (L. *-ista*, Gk. *-ιστης*) from L. *sciolus*, a smatterer. Here the suffix (in *scio-lus*) has a dimin. force, so that the sense is 'knowing little.' — L. *scius*, knowing. — L. *scire*, to know; see **Science**.

**SCION**, a cutting or twig for grafting; a young shoot, young member of a family. (F.—L.) Spelt *scion*, Minshew, ed. 1627. Also spelt *sion*, *syon*, *cion*. 'Syon, a yong sette,' i.e. slip or graft; Palsgrave. 'Cym of a tre, Surculus, vitulamen;' Prompt. Parv. Spelt *sioun*, Poems and Lives of Saints, ed. Furnivall, xxxv. 74. — F. *scion*, 'a scion, a shoot, sprig, or twig;' Cot. Spelt *cion* in the 13th cent. (Littré); Picard *chion*. Diez connects it with F. *scier*, MF. *sier*, to cut, to saw, which is from L. *secāre*, to cut. If so *scion* means 'a cutting,' just as a slip or graft is called in E. a *cutting*, and in G. *schnittling*, from *schnitt*, a cut. See **Section**. (Doubtful.)

**SCIRRHUS**, pertaining to a hard swelling. (L.—Gk.) In Blount's Gloss., ed. 1674. Englished as if from a L. \**scirrhusus*, adj. formed from *scirrhus*, a Late L. medical term given in Blount and Phillips, used in place of L. *scirrhomā*, a hard swelling. — Gk. *σκήρρος*, better *σκήρπος*, a hardened swelling, a 'scirrhus;' also called *σκήρρωμα*, or *σκήρωμα*; from the adj. *σκήρπος*, hard.

**SCISSORS**, a cutting instrument with two blades fastened together at the middle. (F.—L.) Spelt *cissors* in Levins; *scyres* in Palsgrave. 'Cysowre, forpex;' Prompt. Parv. ME. *sisoures* (riming to *houres*), Chaucer, House of Fame, 690. — OF. *cisoires*, shears, scissors (Rochefort). [The more usual F. form is *ciseaux*, 'sizars or little sheers;' Cot. The latter is the pl. of *ciseau*, older form *cisel*, a chisel, cutting instrument. See **Chisel**.] — L. *cisōrium*, a cutting instrument (Vegetius). — L. *cis-*, for *cās-*, as in *cāsus*, pp. of *cādere*, to cut. β. It is clear that the mod. E. spelling of *scissors* is due to a supposed etymology (historically false) from L. *scissor*, a cutter, allied to *scissus*, pp. of *scindere*, to cleave. It is remarkable, however, that the L. *scissor* meant 'a person who cuts,' a carver, a kind of gladiator (White); whilst the Late L. *scissor* meant a carver, a butcher, and *scisor* meant a coin-engraver, a tailor. γ. There is absolutely not the slightest evidence for the use of *scissor* for a cutting instrument, and still less for the use of a plural *scissores*, which could only mean a couple of carvers, or butchers, or tailors. But popular etymology has triumphed, and the spelling *scissors* is the result. ¶ With L. *scindere* we may connect *ab-scind*, *ab-scissa*, *re-scind*; and see *schism*. With L. *cādere* we may connect *circum-cise*, *con-cise*, *de-cide*, *de-cis-ion*, *ex-cis-ion*, *fratri-cide*, *homi-cide*, *in-cise*, *infanti-cide*, *matri-cide*, *parri-cide*, *pre-cise*, *regi-cide*, *sui-cide*; *cās-ura*; *chisel*, *scissors*. For the derivatives of *secare*, see **Section**.

**SCOFF**, an expression of scorn, a taunt. (Scand.) ME. *scof*, *skof*, Aynbite of Inwyte, p. 128, l. 3 from bottom; 'nom a *skof*' = took it in scorn, K. Alisaunder, 6986; *skof*, id., 667. Cf. OFries. *schof*, a scoff, taunt (Richtofen). — MDan. *skof*, *skuf*, a scoff; *skuffe*, to scoff, mock (Kalkar); Swed. dial. *skoff-*, as in *skoffs-ord*, words of abuse, *skoffsera*, to abuse (Rietz); cf. Icel. *skaup*, later *skop*, mockery, ridicule. Cf. also MDu. *schobben*, *schoppen*, to scoff, mock (Hexham); Icel. *skeypa*, *skopa*, to scoff. β. The orig. sense was probably 'a shove' or 'a push;' cf. Swed. *skuff*, a push; MHG. *schuffen*, to push, allied to E. *shove*. See **Shove**. Or allied to Gk. *σκάω-μαι*, to mock. Der. *scoff*, verb, Rich. II, iii. 2. 163; *scoffer*, As You Like It, iii. 5. 62.

**SCOLD**, to chide, rail at. (E.?) ME. *scolden*, P. Plowman, B. ii. 81; *scolde*, sb., a scold, id. xix. 279. Not in AS. Hardly an E. word; perhaps Frisian. From the weak grade \**skeld* of the Teut. strong verb \**skeldan*, to scold (pt. t. \**skald*, pp. \**skeld-anoz*). It appears as OFries. *skelda*, Du. *schelden*, G. *schelten*, to scold; cf. Dan. weak verb *skjælde*, *skælde*, to scold. Perhaps allied to OSax. *scaldan*, to push off a boat (Kluge); OHG. *scaltan*, the same. Der. *scold*,

sb.; *Tam. Shrew*, i. 2. 188, and in *Palsgráve* and *P. Pl.* (as above); *scold-er*. And see *scald* (3).

**SCOLLOP**, the same as **Scallop**, q.v.

**SCONCE** (1), a small fort, bulwark. (F.—L.) In *Shak. Hen. V.* iii. 6. 76; also applied to a helmet, *Com. Errors*, ii. 2. 37; and to the head itself, *Com. Errors*, i. 2. 79. [Cf. *MDu. schantse* (*Du. schans*), 'a fortress, or a sconce'; *Hexham*; *Swed. skans*, fort, sconce, stéerage; *Dan. skandse*, fort, quarter-deck; *G. schanze*, a sconce, fort, redoubt, bulwark; but none of these words are original.] **β.** All from *OF. esconse*, a hiding-place, sconce; orig. fem. of *escons*, pp.—*L. absconsa*, fem. of *abscondere*, used (as well as *absconditus*) as pp. of *abscondere*, to hide; see **Abscond**. The *Span. esconder*, *Ital. ascondere*, to hide, are directly from the infin. *abscondere*; with the reflexive sense, we find *Span. esconderse*, to hide oneself; and the *E. to ensconce oneself* simply means to lie hid in a corner, or to get into a secure nook. **γ.** *Diez* derives the *Ital. scancia*, a book-case, from *Bavarian schanz*=*G. schanze*, which is doubtless right; but the *G. schanze* may be none the less a borrowed word. It is singular that we also find *G. schanze* in the sense of 'chance'; and there can be no doubt as to its being borrowed from *F.* when used in that sense; for it is then from *OF. or E. chance*, chance. And see **Sconce** (2). **Der. ensconce**, coined by prefixing *en-*; see **En-**.

**SCONCE** (2), a candle-stick. (F.—L.) *Palsgrave* has: 'Scons, to sette a candell in, *lanterne a mayn*.' *ME. sconce*. 'Sconce, Sconsa, vel absconsa, lanternula;' *Prompt. Parv.* p. 450. 'Hec absconsa, a sconcs;' *Voc.* 721. 12. This clearly shows that the word was used to mean a concealed or closely covered light; as we also find from *Roquefort*.—*OF. esconse*, a dark lantern, *L. absconsa*; *Roquefort*.—*L. absconsus*, pp. of *abscondere*; see **Abscond**. And see **Sconce** (1).

**SCONE, SCON**, a thin soft cake of wheat or barley-meal. (*Dan.—Low G.*) The pl. *sconnis* is in *Douglas*, tr. of *Virgil, Æn.* vii. 109.—*MDan. skon-roggen*, a muffin of bolted rye-flour (*Kalkar*).—*Low G. schön-roggen*, in *Hamburg*, a three-cornered loaf or bun.—*Low G. schön, schoon*, fine; *roggen*, rye.

**SCOOP**, a hollow vessel for ladling out water, a large ladle. (F.—Scand.) *ME. scope*. 'Scope, instrument, *Vatila, Alveolus*;' *Prompt. Parv.* The pl. *scopes*, and the verb *scopen*, to ladle out water, occur in *Manning's Hist. of England*, ed. *Furnivall*, 8164, 8168 (*Stratmann*).—*OF. escope* (*F. écope*), a scoop (*Hatzfeld*).—*Swed. skopa*, a scoop; *MSwed. skopa*, with sense of *L. haustum* (*Ihre*).+*MDu. schoepe*, a scoop, *Hexham*; *MHG. schuofe*. Cf. *G. schöpfen*, to draw water.—*Teut. \*skōp*, 2nd grade of *Teut. \*skap-*, as in *OSax. skeptian* (for *\*skap-jan*), *Du. scheppen*, *OHG. schepfan* (pt. t. *scuof*), to draw up water. **Der. scoop**, vb., *ME. scopen*, as above; *coal-scoop*.

**SCOPE**, view, space surveyed, space for action, intention. (*Ital.—Gk.*) In *Spenser, F. Q. iii. 4. 52*. 'Wherein . . . we haue giuen ouer large a *scope*;' *Gascoigne's Works*, ed. *Hazlitt*, i. 460. *Florio* has *Ital. scopo*, 'a marke or but to shoote at, a *scope*, purpose, intent.' We seem to have taken it from *Ital.*, as it is not a *F.* word, and has a more limited sense in *Gk.*—*Gk. σκοπός*, a watcher, spy; also a mark to shoot at.—*Gk. \*skop-*, second grade of *\*skēp-*, as in *σκέπτομαι*, I consider, see, spy. Cf. **Sceptic**.

**SCORBUTIC**, pertaining to, or afflicted with scurvy. (*Low L.—Scand.?*) In *Blount's Gloss.*, ed. 1674, we find: 'Scorbute (*scorbutus*), the disease called the scurvy; *scorbutil*, pertaining, or subject to that disease.' Cf. 'the *Scurute* or *Scorbute*;' *Purchas's Pilgrimage*, bk. ix. c. 13. § ii (1617); p. 1086. Formed with suffix *-ic* from *Low L. scorbutus*, a Latinized form which some think was derived from *MDu. scheuren*, to break, and *bot*, a bone (*Weigand*); which is very unlikely. **β.** It appears rather to have been formed with *L. suffix -ūlus* (cf. *ac-ūlus*) from *Swed. skorf* (*Dan. skurv*, *ME. scurf*), i.e. 'scurf'; so that *scorbūlus* would express (1) *scurvy*, adj., and (2) *scurvy*, sb. This *L.* form was further debased so as to give *Low G. schorbock*, *scurvy*, also spelt *schärbuuk*, *scharbock*; see *Bremen Wörterbuch*, s.v. *schärbuuk*. Cf. *MDu. scheur-buyck*, 'the scurvie in the gums,' *Hexham*; *Du. scheurbuik*. Also *G. scharbock*, *scurvy*, tartar on the teeth. **γ.** The *Low G. schärbuuk* is due to a popular etymology; viz. from *scheren*, to separate, part aside, tear, rupture, and *buik*, the belly; so also *Du. scheur-buik*, from *scheuren*, to tear, rend, crack, and *buik*, the belly. The verbs are allied to *E. Shear*. The *Low G. buuk*, *Du. buik*, *G. bauch*, are the same as *Icel. bürk*, the trunk of the body, for which see **Bulk** (2). But see **Scurvy**. **Der. scorbutil-al**.

**SCORCH**, to burn slightly, burn the surface of a thing. (F.—L.) *ME. scorchen*, *Chaucer*, tr. of *Boethius*, bk. ii. met. 6, l. 18 (foot-note), as a variant of *scorklen*; *Romans of Partenay*, 3678.—*OF. escorcher, escorcer*, 'to flay or pluck off the skin'; *Cot.* *L. Span. escorchar*, *Ital. scorticare*, to flay. **β.** These are due to *Cf. L. excorticare*, to take off the skin; *Ducange*.—*L. ex*, off; and *cortic-*,

stem of *cortex*, bark, rind, husk. But the peculiar sense was prob. due to confusion with *ME. scorklen*, to scorch (above), and *ME. scorched*, dried up, parched, *Ormulum*, 8626. These words seem to be of *Scand.* origin, and allied to *Norw. skrokna*, to shrivel, *skrokken*, shrunk; which are further allied to **Shrink**. Perhaps further confused with *ME. scorch* (*scortch*), to score, scratch; see *Notes on E. Etym.*, p. 259. Cf. *prov. E. scorch*, to shrivel up, and *scorch*, to scratch. See **Scotch**.

**SCORE**, a notch or line cut; a reckoning; twenty. (*Scand.*) *ME. score*; 'ten score tymes;' *P. Plowman*, B. x. 180. It is supposed that, in counting numbers by notches on a stick, every twentieth number was denoted by a longer and deeper cut or score. At *Lowestoft*, narrow passages cut in the side of the slope towards the sea are called scores. *AS. scoru*, twenty; which occurs, according to *Napier*, in a MS. of the *AS.* version of the Rule of St. Bennet, but is borrowed from *Scandinavian*.—*Icel. skor, skora*, a score, notch, incision; *Swed. skära*, *Dan. skaar*, the same. From *Teut. \*skor-*, weak grade of *\*skeran-*, to shear, cut; see **Shear**. **Der. score**, to cut, *Spenser, F. Q. i. 1. 2*; also to count by scoring, *Chaucer, C. T.* 13346 (*B* 1606).

**SCORIA**, dress, slag from burnt metal. (*L.—Gk.*) In *Holland*, tr. of *Pliny*, b. xxxiii. c. 4.—*L. scōria*.—*Gk. σκαρία*, filthy refuse, dross, scum.—*Gk. σκαῖρ*, dung, ordure.+*AS. scearn*, dung.

**SCORN**, disdain, contempt. (F.—OHG.) *ME. scorn*-(dat. *scorne*), *O. Eng. Homilies*, ii. 169, l. 1; *schorn* (*scharn*), *Ancren Riwle*, p. 126, l. 24; (*skarn*), *Ormulum*, 4402; (*scarn*), *scorn*, *Layamon*, 17307.—*OF. escorne*, scorn; *Cot.*—*OF. escorner*, to humiliate, mock at; orig. 'to deprive of horns'; from *L. ex*, out (of), and *cornu*, a horn. **β.** But the *ME. scarn* in the same sense is from the *OF. escarn*, scorn, derision, Burguy; whence *OF. escarnir, escharnir*, to deride. We find *OF. pp. pl. escharnys*, glossed by *E. scornid*, in *Wright's Vocab.* i. 144, l. 8. Cf. *Ital. scherno*, derision.—*OHG. skern*, mockery, scurrility; whence *OHG. scernōn*, to deride. **Der. scorn**, verb, *ME. scornen*, *P. Plowman*, B. ii. 81; *skarnen*, *Ormulum*, 7397, from *OF. escarnir, escharnir*; also *scorn-ful*, *K. Lear*, ii. 4. 168; *scorn-ful-ly*; *scorn-er*, *P. Plowman*, B. xix. 279.

**SCORPION**, a stinging insect, a sign of the zodiac. (F.—L.—Gk.) *ME. scorpion*, *K. Alisaunder*, 5263.—*F. scorpion*, 'a scorpion'; *Cot.*—*L. scorpiōnem*, acc. of *scorpio*, another form of *scorpius*, a scorpion.—*Gk. σκορπίος*, a scorpion, a prickly sea-fish, a prickly plant.

**SCOTCH**, to cut with narrow incisions. (*Scand.*) In *Shak. Cor.* iv. 5. 198; *Macb.* iii. 2. 13; cf. *scotch*, sb., a slight cut, *Antony*, iv. 7. 10. *ME. scoochen*; as in 'scoched it with knyues,' cut it about with knives; *Hoccleve, De Regim. Princ.*, p. 134, l. 3727. In the *Babes Book*, p. 80, we find: 'With knyfe *scortche* not the boorde,' do not score the table with your knife. It seems to be an extension from *scor-en*, to score, affected by the verb *scorch*, to flay; perhaps even by the verb *scutch*. See *Notes on E. Etym.*, p. 259. See **Score**. Cf. *prov. E. scorch*, to scotch; in *E. D. D.*

**SCOT-FREE**, free from payment. (*Hybrid*; F.—*Teut. and E.*) *Scot* means 'payment'; we frequently find *scot and lot*, as in *Shak. 1 Hen. IV.* v. 4. 115; *Ben Jonson, Every Man*, ed. *Wheatley*, iii. 7. 11; see a paper by *D. P. Fry* on *scot and lot*, *Phil. Soc. Trans.* 1867, p. 167. The phrase occurs in *Thorpe, Ancient Laws*, i. 491, in the *Laws of Will. I.* § v; 'omnis Francigena, qui tempore Eadwardi propinqui nostri fuit in Anglia particeps consuetudinum Anglorum, quod ipsi dicunt an *hlote* et an *scote*, persolvat secundum legem Anglorum.' Here *an*=on, in, by. See also *Liber Albus*, ed. *Riley*, pp. 128, 269. *Scot* is a *F.* form.—*AF. and OF. escot* (*F. écot*), a payment, esp. a payment into a common fund, into which it is shot; whence *escotter*, 'every one to pay his shot, or to contribute somewhat towards it,' *Cot.*; *disner à escot*, 'a dinner at an ordinary, or whereat every guest pays his part,' *id.*; so that *scot*=a tavern-score, is certainly the same word; cf. 'Simbolum, *escot de taverne*,' *Wright's Voc.* i. 134.—*Icel. skot*, a shot, a contribution.+*Du. schot*; *G. schoss*, a scot, shot; *AS. sceot*, which gave the form *shot*.—*Teut. \*skut-*, weak grade of *\*skeut-an-*, to shoot. See **Shoot**. ¶ The phrase *scot and lot*, as a whole, presents some difficulty, and has been variously interpreted; the lit. sense is 'contribution and share'; I suppose that originally *scot* meant a contribution towards some object to which others contributed equally, and that *lot* meant the privilege and liability thereby incurred; mod. *E. subscription* and *membership*. See *Mr. Fry's paper*, which is full of information. Doublet, *shot*.

**SCOUNDREL**, a rascal, worthless fellow. (*E.*) In *Shak. Tw. Nt.* i. 3. 36; and in *Blount's Gloss.*, ed. 1674. Not common in old authors; used by *Cotgrave* to translate *F. maraud*. Formed, with agential suffix *-el*, from *prov. E. and Scottish skunner* or *scowner*, to loathe, shun; also, to cause loathing; with excrement *d* after *n*. This word *scunner* was also used as a sb., to express an object of dislike.

β. Thus Brockett gives: '*Scunner*, to nauseate, feel disgust, to loathe, to shy, as a horse in harness. It is also applied, figuratively, to a man whose courage is not at the sticking place, one who shrinks through fear.' So also Jamieson has: '*Scunner*, *Scunner*, to loathe, shudder, hesitate, shrink back through fear; *Scunner*, *Skonner*, sb., loathing, a surfeit; also, any person or thing which excites disgust.' Also: '*Scunner*, vb. trans., to disgust, cause loathing.' To which the suffix *-el* has been added; cf. *cocker-el*. γ. The verb *scunner* is the frequentative form from a verb = AS. *scunian*, to shun; the *sk* sound being preserved (as usual) in the North of England. Hence *scoun-d-r-el* *scun-er-el*, one whom one constantly shuns, or merely 'a shunner,' a coward. The word is rather Scand. than E.; having *sc*, not *sh*. In Barbour's Bruce, xvii. 651, we have: 'And skunnyrrit tharfor na kyn thing'—and did not shrink through fear one bit on that account; where the Edinb. MS. has *scounyrrit*; showing that *skunnyrr* = *scunner*. And again, in the same, v. 211, where one MS. has *schonand* (shunning), the other has *skownrand* (scunnering), both words meaning 'dreading'; showing that *skowner* is the frequentative of *scun* = *shun*. Cf. Icel. *skunda*, to speed, to hasten, Swed. dial. *skunna sig*, to hasten away. See **Shun**.

**SCOUR** (1), to cleanse by hard rubbing, to make bright. (L.) ME. *scouren*; '*scouryn* away ruste'; Prompt. Parv. 'As any bason scoured newe'; Rom. of the Rose, 540. Cf. OF. *escurer*, 'to scowre'; Cot.; also Span. *escurare*; MItal. *scurare*, 'to skoure dishes, to rub or cleanse harness'; Florio. [Hence also Swed. *skura*, Dan. *skure*, to scour; the word not occurring in Icelandic.]—L. *excūrāre*, to take great care of, of which the pp. *excūrātus* occurs in Plautus; see Diez.—L. *ex*, here used as an intensive prefix; and *cūrāre*, to take care, from *cūra*, care. See **Ex-** and **Cure**. ¶ The *ou* in ME. *scouren* is much better explained by supposing a derivation from L. *excūrāre* directly; or rather, from Late L. *scūrāre*, to scour (Duc.), a monkish form of the same. Der. *scour-er*.

**SCOUR** (2), to run hastily over. (F.—L.) 'When swift Camilla scours the plain'; Pope, Ess. on Criticism, 372. 'Apon the moss a scourour sone fand he; To scour the land Makfadzane had him send'; Blind Harry, Wallace, vii. 796.—OF. *escourre*, *escorre*, to run, run out.—L. *excurrere*, to run out, make excursions.—L. *ex*, out; *currere*, to run. See **Excursion**. Der. ME. *scurr-our* (= *scour-er*); cf. Ital. *scorridore*, a scout. See Notes on Eng. Etym., p. 261; and p. 264 (s. v. *Scur*).
